What is even more tragic is the majority of "out to lunch" parents who are totally oblivious and gullible about the **damnable influence this culture and its demonic propaganda has over their children**. These are messages of godlessness, anti-authority, licentiousness and promiscuity, immorality, vice, drug use, suicide, anarchy, violence, rape, "godless good," delusional aspirations and fallen human hopes apart from the Creator in righteousness. These OTL parents are just as delusional and are products themselves of the same brainwashing and narcissistic tactics used by the Devil in **the decadent and subjective 60's music culture**.

"America's youth in particular are being intoxicated and brainwashed at an exponential rate with Lucifer's subtle and godless message of 'Do as Thou wilt.' "

This narcissistic and emotionally driven mindset, feel-good philosophy, relativistic and non-judgmental ideology of modern American parenthood has spawned a far greater reprobate generation than themselves. The entire world is spiraling out of control, and we (America) are at the very vortex of the spiral. This is why we are now experiencing on a global scale an exponential increase in godlessness and lawlessness that brings with it horrendous consequences (Gal. 6:7-9).

From Rap to Heavy Metal, New Country to R&B, Pop to Grunge - even to the subtle teeny-bopper bubble gum music of today's godless, pluralistic Disney channel - all genres have one common denominator. That denominator is to conform and fashion the youth of today's America into godless reprobates wholly given over to their base desires and narcissistic ambitions. Lucifer, the ex-chief musician of Almighty God's throne room (Ezek. 28:13-19), knows very well what music can do to the fallen nature of humanity left unchecked and unbalanced in light of natural law and the eternal righteous absolutes of Almighty God (Romans 1:18-32; 3:9-23). The hypnotizing lyrics mixed with various blends of percussion, guitar, piano and rhythm brings its listeners into an altered state of consciousness and prepares them to receive Lucifer's subtle message of **"Do as thou wilt."**

Although music itself is amoral, i.e., there is nothing truly “wrong” with it in and by itself, when it comes to how one uses it, that is another story altogether.

The Copy Cats and Monkeys Seers

The youth of any particular generation love to imitate and follow these godless performers in their different eras; they are cleverly marketed and sold as good to the youth of this world. From Benny Goodman and Frank Sinatra to Elvis and the Beatles, from Led Zeppelin to Ozzy Osbourne, Pearl Jam to Marylyn Manson, etc., these have all been used to sell a bill of demonic goods for patterns to live out reprobate (ungodly) lives here in time. There is truly "nothing new under the sun" (i.e., in terms of human nature and imagination, not in a “technological” sense). Whatever your flavor, Lucifer has it for you. This tactic is as old as that used in the Garden of Eden, i.e., to challenge God's word and authority. Countless generations have followed after these damnable hypnotic trends, and the majority has allowed themselves to be led astray. There is something about music that temporarily satisfies the soul (like a drug). Humanity uses music to soothe and nourish their famished souls which were created for Almighty God and His ETERNAL Person. Those who reject their Creator's mercy and saving grace ([Romans 7:24-25](#)) seek to fill this void with idolatry, material possessions, sex, drugs and, yes...Rock-n-roll music culture. It is a way to express themselves and to “lash out” at this fallen world which has them caught in their web.

The Game Plan - Lucifer's Successful War

The admiration and idolatrous worship of these demonic lyric masters (musicians) is all part and parcel of the Evil Master's master plan, i.e., to deceive, mislead, derail and detour as many souls as possible from coming to a saving relationship of Almighty God in truth and righteousness ([John 8:44](#); [2 Thess. 2:9-12](#)). Because of his primeval rebellion against God, Lucifer hates Adam's race created in the image of God. From Adam's race came the woman from whom was born the Savior of the world ([Gen. 3:14-15](#); [Gal. 3:16](#); [4:4](#); [Rev. 12:1-4](#)), who is also the Divine Judge of Lucifer and his rebellious minions - both angelic and human ([Matt. 25:41](#); [Rev. 20:10-15](#)).

□

"Lucifer's rebellion is an insane and delusional attempt to overthrow Almighty God's Eternal Sovereignty of righteousness for replacement with His own fallen rule and godless tyranny."

Does this revelation and evaluation seem far-fetched and “over the top”? Does this sound like “fringe religion” and the height of kookiness? Well then, my friend, you are blinded to the realities of the Great Spiritual War now raging for the heart, souls and minds of mankind ([2 Cor. 4:3-4](#)). This spiritual warfare is thousands of years old, though it will soon be coming to a climax at the Battle of Armageddon. Lucifer's rebellion is an insane and delusional attempt to overthrow Almighty God's Eternal Sovereignty of righteousness for replacement with His own fallen rule and godless tyranny ([Isa. 14:12-17](#); [Ezek. 28:13-19](#); [Rev. 12](#); [20:7-10](#)). He is a hater of all that is life and light (reality), and the lover of all that is death and darkness ([John 8:43-44](#)).

Lucifer knows that the vast spectrum of flavors in his hypnotic "goodie bag" crosses all languages, cultures, borders, creeds, and ethnicities. These sensual delights so offered are his attempt to overcome the hurdle put in place by Almighty God at the Tower of Babel to slow down man's unholy unity AGAINST God and His Righteous absolutes. Music is the universal language of this world and Lucifer, the Supreme Angel of Music, is a master of this. (Note the ending lyrics of this very famous pop song sung by Barry Manilow, “I Write The Songs,” where the singer exclaims, “I AM MUSIC!”) This insane genius knows the game and how to best exploit the weaknesses of his victims ([John 8:44](#)).

"The music industry has single-handedly ravished and re-formatted the condition of our culture and the substance of our society to a godless and decadent wasteland."

No single campaign strategy has been more successful in Satan's war to corrupt mankind than that found in the music industry. Like no other entity, the music industry has single-handedly ravished and re-formatted the condition of our culture and the substance of our society to a godless and decadent wasteland.

Just take a long, hard look at the history of the music industry in America since the Roaring Twenties. Its

progression has been exponential, so also has been its wake of devastation on the family, morals, society and our Judean/ Christian heritage. [read more [here](#)]

The enemies of this nation had vowed to “destroy us from within”...

“We do this by initializing programs that have been in our plans from the beginning. Most Americans if told will believe that this too farfetched even through the records have been part of their Governments History from the Beginning we have always worked inside their Government the place to destroy a Thing is from within.”

ADL'S ATTEMPT TO SODOMIZE AMERICA

INTERVIEW WITH REVEREND TED PIKE

By Brother Nathanael Kapner, Copyright 2010

REVEREND TED PIKE, DIRECTOR OF NATIONAL PRAYER NETWORK, is the publisher of the world-renowned Web Site, [Truth Tellers](#).

Reverend Pike, often [featured](#) on the [Rense Radio Program](#), has played a key role in opposing *and* exposing the Anti Defamation League's Hate Crimes Legislations.

Brother Nathanael Kapner: Can you give us some background information on the Anti Defamation League's Hate Crimes Legislations?

Reverend Ted Pike: The ADL, like all powerful Jewish lobbies, can make or break an incumbent congressman or senator.

Coupled with their access to billions of Jewish dollars and their connections with the Jewish owned media, the ADL intimidates politicians with the threat of losing their seats and being smeared in the press if they do not agree to drafted-legislations which they promote as “model legislations.”

In other words, Jewish supremacists are making the laws of our nation, *not* our elected officials. Any dissent means political ruin by the vengeful, all-powerful Jewish lobby.

One of the ADL-drafted-legislations is the Federal Hate Crimes Bill known as the Matthew Shepard Hate Crimes Prevention Act. The bill was passed by Congress on October 22, 2009. Abraham Foxman, ADL’s director, hailed the passage as “a great day for America.”

Sadly, our elected officials are pressured by the ADL to continue these “great days for America.” The fact is, secular Jewish supremacy — led by the Anti Defamation League — is deeply entrenched in Washington, promoting its anti-Christian, anti-freedom, un-American agenda. Democrats especially are overtly complicit with the Zionist Occupied Government.

Br Nathanael: What is the import of the Federal Hate Crimes Law?

Ted Pike: The new *Hate Crimes Law* builds upon the Hate Crimes Law of 1968, inspired by civil rights legislation. This law criminalizes a violent action against a federally protected group. However, the law could not be enforced due to State & Local prerogatives which created barriers against federal intrusion.

However, the new law removes *all* barriers against federal intrusion of State & Local law enforcement rights. The Federal government can now go after anyone they want to for “hate” towards homosexuals, lesbians, and transgenders as specified in the bill — *despite* State & Local protection.

A Federal police state with absolute power has thus been created. Herein lies the attack on freedom of speech with a special bias against Christians who affirm the Biblical prohibitions against sexual perversion. The ultimate agenda of the ADL is to break down Christian conservative values in America.

Br Nathanael: What is the ADL’s latest effort in expanding their Federal Hate Crimes Law?

Ted Pike: The ADL’s latest legislative poison is called The Student Nondiscrimination Act of 2010. This law, HR 4530, gives grade and high school homosexual students special rights and protection over the majority.

It claims to protect students who feel harassed because of their homosexual orientation or desire to be perceived as the opposite gender. If they feel pressured to the point that they don’t want to participate in a school activity, the bill says these students deserve the same federal advocacy given blacks under the Civil Rights Act of 1964.

Br Nathanael: Is there an indirect targeting of Christians who might affirm the Biblical prohibition against depraved sexuality in their dealings with fellow homosexual students?

Ted Pike: Yes. The bill includes special protection to heterosexual students who feel intimidated to not associate with homosexuals. These students may also invite federal prosecution of their “homophobic,” that is, CHRISTIAN, fellow students, teachers or parents.

HR 4530 says if school officials do nothing when they know a student is being harassed because of their homosexuality or heavily pressured not to associate with a homosexual student, these authorities face federal indictment.

State and local governments which do not educate and punish those who intimidate pro-gay students will lose federal funding. Thus Christian students, teachers or parents will be persecuted, their voice suppressed, then imprisoned if the offense continues.

Br Nathanael: Does the bill define “harassment” and “intimidation?”

Ted Pike: With malicious intent, The Student Nondiscrimination Act does not adequately define “harassment” or “intimidation.” If this bill passes, these ambiguous terms will be enshrined in federal law providing a pretext for persecution of Christian students and faculty.

Thus, under this act, homosexual students will decide when they’ve been sufficiently “harassed” or “intimidated.”

Br Nathanael: Does this mean that 6 year old students can initiate prosecution against a Christian who “harasses” or “intimidates” them?

Ted Pike: A grade school boy or girl who thinks they are victimized can persuade their local liberal, feminist or gay district attorney and summon the force of federal intervention.

If such “victimized” children want to launch civil lawsuits against students, parents or Church leaders, this bill makes it clear nothing will prevent them. This is exactly what the ADL is after - persecution of Christians.

Br Nathanael: Are homosexuals, lesbians and transgenders actually being harassed in public schools?

Ted Pike: There is no evidence that widespread harassment of homosexuals in our public schools is an “especially severe problem” as the bill alleges—not with ADL-sponsored tolerance education abounding on campuses.

The Anti Defamation League is exaggerating an “epidemic of hate” in public schools, dramatizing rare abuses to justify massive federal jurisdiction.

Br Nathanael: Having grown up in Judaism, it is considered a disgrace to the Jewish family if a son or daughter

identifies as a homosexual or lesbian. What then is the ADL's ultimate goal with this new legislation?

Ted Pike: The aim of the Anti Defamation League is to establish the federal government as the pro-homosexual educator and punisher of Christian opponents of homosexuality at every level of public schooling. [HR 4530](#) amounts to federal endorsement of adolescent homosexuality as a legitimate, normal alternative.

The bill will flood government-sponsored educational programs into public schools to promote homosexual self-esteem. Its encouragement of homosexuality on the grade school level will destroy young consciences even before they have been formed. Indeed, the ADL will gain more ground in their attempt to sodomize America...

The Radical Homosexual Movement Is Run By Jews

Here is an exhaustive list proving, once and for all, that the radical homosexual movement in the United States is a Jewish movement. Jews created it and run it from top to bottom. They are pushing the perversion and degeneracy that is spreading disease, sin and sickness through America like a wildfire.

News From The West

Larry Kramer -- co-founder of "Act Up," a homosexual/AIDS activist organization; co-founder of the Gay Men's Health Crisis

Alan Klein -- co-founder of group ACT UP, co-founder of group Queer Nation, National Communications Director and chief spokesperson for the Gay & Lesbian Alliance Against Defamation [GLAAD]. Klein also co-founded the successful multimedia campaign STOPDRLAURA.COM

Arnie Kantrowitz -- co-founder of the Gay and Lesbian Alliance Against Defamation [GLAAD].

Jonathan D. Katz -- founded and chairs the Harvey Milk Institute, the largest queer studies institute in the world. A long time queer political activist, was a co-founder of Queer Nation, [the key San Francisco branch].

Harvey Fierstein -- film actor [Mrs. Doubtfire]; well-known gay activist.

Moisés Kaufman -- playwright and film director [The Laramie Project].

Israel Fishman -- founder of the Gay Liberation Caucus in 1970 [now known as the Gay, Lesbian, Bisexual, and Transgendered Round Table of the American Library Association], the world's first gay professional organization.

Bella Abzug and Edward Koch -- both Jewish -- the first members of the U.S. House of Representatives to introduce legislation banning discrimination based on sexual orientation [1974].

Winnie Stachelberg -- political director, Human Rights Campaign [HRC]

Michael S. Aronowitz, The New York Log Cabin Republicans.

Tony Kushner -- gay activist; Tony and 1993 Pulitzer Prize-winning playwright [for Angels in America, 1992].

Len Hirsch -- president of the GLBT federal government employees group, GLOBE.

Meg Moritz, Ph.D. -- a Director and member of the Executive Committee of GLAAD.

Barbara Raab -- an NBC-TV producer; a "Jewish lesbian feminist journalist, writer."

Charles Kaiser [?] -- author & founding member of National Lesbian and Gay Journalists Association [NLGJA].

David Goodstein -- owner/publisher of the gay magazine The Advocate [1975-1985]; co-founder of the National Gay Rights Lobby.

Judy Wieder -- Editor-in-chief, The Advocate gay magazine.

Alison Bechdel [?] -- cartoonist creator and author of the bi-weekly comic strip "Dykes to Watch Out For."

Kevin Koffler -- Editor-in-chief, Genre gay magazine.

Garrett Glaser -- National Lesbian and Gay Journalists Association [NLGJA] national board member.

Ronald Gold -- reporter for Variety; a leader in the fight to overturn the American Psychiatric Association's policy that homosexuality is an illness.

Magnus Hirschfeld [d. 1935], early gay rights activist in Germany; founded one of the first gay rights organizations, the Scientific Humanitarian Committee; coined the term "transvestism"; fled Nazi Germany.

Fred Hochberg -- deputy administrator, U.S. Small Business Administration; co-chair of the Human Rights Campaign

Michael Berman -- member, Human Rights Campaign Board of Directors. Mitchell Gold -- HRC Board Marty

Lieberman -- HRC Board Andy Linsky -- HRC Board Dana Perlman -- HRC Board Abby Rubinfeld -- HRC Board

Andrew Tobias -- HRC Board Lara Schwartz -- Senior Counsel, HRC Heather Wellman -- HRC Field Coordinator

Dan Furmansky -- HRC Senior Field Organizer, West Sally Green -- HRC Associate Field Director

Rick Rosendall [?] -- President, Gay & Lesbian Activists Alliance of Washington, DC.

Barney Frank -- member of U.S. Congress; helped create non-discriminatory employment policies in all U.S. federal agencies

Kerry Lobel -- executive director of the National Gay and Lesbian Task Force.

Robin Margolis, American coordinator of the Bi Women's Cultural Alliance and author [Bisexuality: A Practical Guide].

Evan Wolfson, Senior Staff Attorney, Lambda Legal Defense and Education Fund -- and -- the executive director of Freedom to Marry.

Jennifer Einhorn -- Communications Director, Gay & Lesbian Alliance Against Defamation [GLAAD] Nancy Alpert [?] -- Treasurer, GLAAD Judy Gluckstern -- Board of Directors, GLAAD. Stephen M. Jacoby -- Board of Directors, GLAAD. Matt Riklin -- Board, GLAAD. Carol Rosenfeld -- Board, GLAAD. William Weinberger -- Board, GLAAD Tanya Wexler -- Board, GLAAD. David Huebner -- GLAAD Counsel.

Richard Goldstein -- Village Voice writer on gay culture and politics

Ron Schlittler -- Director of Field & Policy, Parents and Friends of Lesbians and Gays [PFLAG].

Craig Ziskin -- Deputy Director of Development, PFLAG.

Debra Weill -- Senior Field & Policy Coordinator, PFLAG.

Dody Goldstein -- Board of Directors, PFLAG.

David Horowitz -- Board of Directors, PFLAG.

Shawn Frank -- Board of Directors, PFLAG.

Leon Weinstein -- Chair, Nominating Committee, PFLAG.

Kate Kendell [?], National Center for Lesbian Rights.

Gayle Rubin -- lesbian author/activist.

Hilary Rosen -- a founding member of the Gay and Lesbian Victory Fund; former board co-chair of the Human Rights Campaign.

Roz Richter, American attorney and activist.

Bob Kunst -- long-time activist in gay and Jewish causes.

"Gay, Lesbian & Straight Education Network" [GLSEN]. Board co-chairs: **Marty Seldman**, president

"National Gay & Lesbian Task Force" [NGLTF]. Board co-chairs: Rachel Rosen in Santa Fe, N.M **Dave Fleischer** -- Director of Training [political training], NGLTF. **Craig Hoffman** -- Board of Directors, NGLTF. Beth Zemsky -- Board, NGLTF. **Marsha C. Botzer** -- Treasurer, NGLTF. Jeff Levi -- first, Levi was NGTF's lobbyist, early 1980s

[NGTF became NGLTF in 1985]. Later, he was NGLTF executive director.

Bill Rubenstein, J.D. '86, developed the ACLU Lesbian and Gay Rights Project

Martin Duberman -- author/historian; founded the Center for Lesbian and Gay Studies at the City University of NY.

Ben Schatz '81, J.D. '85, is executive director of the Gay and Lesbian Medical Foundation.

Kevin Schaub, American; Executive Director and Dean of the Harvey Milk Institute in San Francisco, the world's largest center for queer studies.

Sarah Schulman [1958-], American playwright, novelist, and activist [one of the founders of the Lesbian Avengers, a direct-action lesbian rights organization].

Susan Spielman -- principal/head of Common Ground, an education/consulting firm specializing in workplace sexual orientation education; her company has worked with hundreds of U.S. organizations, helping them to implement domestic partner benefits plans; co-author of the book *Straight Talk About Gays in the Workplace*.

Gertrude Stein -- wrote the first openly lesbian novel, "Q.E.D.," in 1903, but it was only published posthumously in 1950.

Rikki Streicher (1925-1994), American activist and businesswoman.

Michael Goff -- founded *Out* magazine in 1992.

Paulette Goodman -- founder of local chapter [Washington D.C.] of PFLAG and served as President of the National PFLAG organization from 1988-1992.

Jeffrey Newman, American, president and COO of the Gay Financial Network; president and CEO of out.com.

Jim Levin -- New York gay historian.

Barrett Brick -- GLAA [Gay and Lesbian Activists Alliance] Treasurer.

Robin Tyler -- American comedian [born Arlene Chernick] who was the first openly gay comic in North America; Tyler is also an activist who was the stage producer for the first three gay marches on Washington and the national protest coordinator for the "Stop Dr. Laura" campaign; she produces women's comedy and music festivals, and operates a lesbian travel-tour company.

Dr. Bruce Voeller [1935?-1994] [?] American gay rights activist, molecular biologist, physiologist, and AIDS researcher (pioneer in the use of nonoxynol-9 as a spermicide); cofounder and first executive director of the National Gay Task Force; creator of the Mariposa Foundation [an AIDS prevention research organization].

Mark Elderkin [?] -- co-founded Gay.com.

Leroy Aarons -- American professor, journalist, and founder of the National Gay and Lesbian Journalists Association (1990).

Dr. Donald I. Abrams -- American physician, HIV expert, medical marijuana researcher, and past president of the Gay and Lesbian Medical Association.

Johnny Abush (1952-2000) -- [Canadian]; archivist of the International Jewish GBLT Archives.

Roberta Achtenberg [1950-]; civil rights lawyer and federal official; appointed as Assistant Secretary for Fair Housing and Equal Opportunity by President Bill Clinton in 1993.

Miriam Ben-Shalom [1948-], American Army Reserves drill sergeant and gay activist; in 1986 she won a ten-year legal battle with the Reserves when a court ordered her reinstatement; founder of the Gay, Lesbian, and Bisexual Veterans Association [GLBVA] in 1990, serving as its first president.

Larry Brinkin, American gay activist who brought the first domestic partnership lawsuit [against Southern Pacific Railroad, 1982].

Rob Eichberg, American psychologist, co-creator of National Coming Out Day [October 11th].

Scott Evertz, American; in April 2001, President Bush appointed him to serve as the Director of the White House Office of National AIDS Policy [ONAP].

Gene Falk [?, Jewish name], American business executive; Senior Vice President of the Showtime Digital Media Group; part of the team that launched and marketed the U.S. TV series Queer as Folk; Chair of the Board of Directors of the Gay and Lesbian Alliance Against Defamation [GLAAD].

Surina Kahn -- American lesbian activist.

Larry Kessler -- founding director in 1983 of the AIDS Action Committee of Massachusetts, the largest AIDS support organization in New England.

Kathy Levinson -- American investor and philanthropist; serves on the board of PlanetOut; also on NGLTF Board of Directors.

Judith Light -- actress, activist for gay causes.

David Mixner -- gay activist, political consultant; co-founder of the Municipal Elections Committee of Los Angeles [MECLA], a group of wealthy gays and lesbians who became influential in local politics; president Bill Clinton's Special Liaison to the Gay-Lesbian Community.

Dan Savage -- American author of gay-themed books [The Kid: What Happened After My Boyfriend and I Decided to Go Get Pregnant; Skipping Towards Gomorrah: The Seven Deadly Sins and the Pursuit of Happiness in America] and gay-themed- sex-advice columnist [Savage Love].

Susan Schuman, American executive vice-president and general manager of the Planet Out gay and lesbian online service.

Scott Seomin, American entertainment media coordinator for the Gay & Lesbian Alliance Against Defamation.

Jason Serinus [Jay Guy Nassberg] -- founder and coordinator of the Lavender Healing Network; a former gay activist

with the New York chapter of the Gay Liberation Front.

David Sine [?] -- American CEO of C1TV, the first U.S. gay and lesbian cable TV network.

Rex Wockner -- longtime gay, American journalist who has reported news for the gay press since 1985.

Jack Fritscher -- became Editor in Chief of Drummer gay magazine [1977].

Leslie Feinberg [1949-], American trade unionist, transgender activist and author [Transgender Warriors: Making History from Joan of Arc to RuPaul].

Allan Ginsburg - late Jewish poet and leading member of North American Man Boy Love Association

The Truth About Porn

'Pornography': To film prostitution.

In a respected and scholarly magazine of Jewish intellectuals, (The Jewish Quarterly, winter 2004) Jewish professor Nathan Abrams in an article titled, "Triple Exthnics," proudly documents the leading role of Gentile-hating Jews in pornography.

"A story little told is that of Jews in Hollywood's seedier cousin, the adult film industry. Perhaps we'd prefer that the 'triple exthnics' didn't exist, but there's no getting away from the fact that secular Jews played (and still continue to play) a disproportionate role throughout the adult film industry in America. Jewish involvement in pornography has a long history in the United States, as Jews have helped transform a fringe subculture into what has become a primary constituent of Americana. These are the 'true blue' Jews. Jewish activity in the porn industry divides into two (sometimes overlapping) groups: pornographers and performers. Though Jews make up only two per cent of the American population, they have been prominent in pornography. In the postwar era, America's most notorious pornographer was Reuben Sturman, the 'Walt Disney of Porn'. According to the US Department of Justice, throughout the 1970s Sturman controlled most of the pornography circulating in the country. . It was said that Sturman did not simply control the adult-entertainment industry; he was the industry. Many are entirely secular, Jews in name only. Sturman, however, identified as a Jew - he was a generous donator to Jewish charities."

Abrams shows how the corruption and debasement of Gentiles and Christian morality is a primary part of their motivation for intentionally infecting the Gentile community with pornography.

"Is there a deeper reason, beyond the mere financial, as to why Jews in particular have become involved in porn? . Al Goldstein, the publisher of Screw, said "The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks. We don't believe in authoritarianism." Pornography thus becomes a way of defiling Christian culture and, as it penetrates to the very heart of the American mainstream (and is no doubt consumed by those very same WASPs), its subversive character becomes more charged. Extending the subversive thesis, Jewish involvement in the X-rated industry can be seen as a proverbial two fingers to the entire WASP establishment in America."

Opposition to Jewish extremist subversion of Gentile, Christian or Muslim morality is frequently defined as anti-Semitic "hatred" in the Jewish dominated media. Abrams writing in a Jewish journal for a presumably Jewish audience writes matter-of-factly about the "atavistic hatred" against us by Jewish pornographers and their motivation to "weaken the dominant culture in America by moral subversion."

"Jewish involvement in porn, by this argument, is the result of an atavistic hatred of Christian authority: they are trying to weaken the dominant culture in America by moral subversion. Astyr remembers having "to run or fight for it in grammar school because I was a Jew. It could very well be that part of my porn career is an 'up

yours' to these people." ' "

Obviously, there are no articles in the mainstream media exposing Jewish "atavistic hatred" against Gentiles by the promoters of pornographic depravity. Abrams even goes on to talk about the roots of this revolutionary Jewish attack on European values.

"Jews were also at the vanguard of the sexual revolution of the 1960s. Wilhelm Reich, Herbert Marcuse and Paul Goodman replaced Marx, Trotsky and Lenin as required revolutionary reading. Pacheco was one Jewish porn star who read Reich's intellectual marriage of Freud and Marx. In light of the relatively tolerant Jewish view of sex, why are we ashamed of the Jewish role in the porn industry? We might not like it, but the Jewish role in this field has been significant and it is about time it was written about seriously."

Notice that all those mentioned: Reich, Marcuse, Goodman, Marx, Trotsky, Lenin and Freud are Jews. From Freud to Goodman, all represent a Jewish revolution against traditional European values and morality.

Porn is no longer 1950s pictures of voluptuous nude women on a deserted beach. It has become permeated with sadism, masochism, scatology, even sexual molestation, rape and murder of young children. I am no prude. I love the beauty of the human body. But, I do think that this kind of sick criminal activity, in which there is so much exploitation, so much degradation, so much catering to the depths of human depravity, should be fought with constitutional law.

Ironically, with Jewish influence over media, societal mores, and government today, it is legal, even chic to make and sell the sickest pornography showing the sick defilement of women. But, if you have unacceptable political opinions about Jewish supremacism, you may find yourself a political and social pariah, or at worst in prison. We live in a Zionist world where often the sickest porn is legal while political incorrect opinions will land you in prison.

Without Jews would there be a Sex 'industry'...at all?

The enemies of this nation had vowed to "destroy us from within"...

Jewish Professor Says Porn Industry is a Weapon used by Jews Against Gentiles

Jewish Professor of American History at Aberdeen University in UK, Prof. Nathan Abrams. He boasts that Jews were the driving force of the modern pornographic industry and that their motivation is in part to destroy Gentile morals.

The following is an excerpt from one of the new additions to my book, Jewish Supremacism. It offers more powerful evidence that reveals the Jewish extremist war against Gentiles, a struggle that we Gentiles are not even allowed to know about, much less resist. The new edition of Jewish Supremacism will be available for purchase in about three weeks at www.davidduke.com

From the new 2007 Edition of "Jewish Supremacism"

After learning about the inordinate Jewish involvement in organized crime, historical slavery and modern white slavery, it did not surprise me when I began to learn of their domination of pornography. Just as Jewish scholars faithfully recorded the Jewish domination of the African slave trade so they have also documented their prominent role in pornography.

In a respected and scholarly magazine of Jewish intellectuals, (*The Jewish Quarterly*, winter 2004) Jewish professor Nathan Abrams in an article titled, "Triple Exthnics," proudly documents the leading role of Gentile-hating Jews in pornography.

A story little told is that of Jews in Hollywood's seedier cousin, the adult film industry. Perhaps we'd prefer that the 'triple exthnics' didn't exist, but there's no getting away from the fact that secular Jews played (and

still continue to play) a disproportionate role throughout the adult film industry in America. Jewish involvement in pornography has a long history in the United States, as Jews have helped transform a fringe subculture into what has become a primary constituent of Americana. These are the ‘true blue’ Jews.

Jewish activity in the porn industry divides into two (sometimes overlapping) groups: pornographers and performers. Though Jews make up only two per cent of the American population, they have been prominent in pornography. ...

In the postwar era, America’s most notorious pornographer was Reuben Sturman, the ‘Walt Disney of Porn’. According to the US Department of Justice, throughout the 1970s Sturman controlled most of the pornography circulating in the country. ... It was said that Sturman did not simply control the adult-entertainment industry; he was the industry. ...

Many are entirely secular, Jews in name only. Sturman, however, identified as a Jew – he was a generous donator to Jewish charities. ...

Abrams shows how the corruption and debasement of Gentiles and Christian morality is a primary part of their motivation for intentionally infecting the Gentile community with pornography.

Is there a deeper reason, beyond the mere financial, as to why Jews in particular have become involved in porn? ...

Al Goldstein, the publisher of Screw, said “The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks. We don’t believe in authoritarianism.” Pornography thus becomes a way of defiling Christian culture and, as it penetrates to the very heart of the American mainstream (and is no doubt consumed by those very same WASPs), its subversive character becomes more charged. ...

Extending the subversive thesis, Jewish involvement in the X-rated industry can be seen as a proverbial two fingers to the entire WASP establishment in America. ...

Opposition to Jewish extremist subversion of Gentile, Christian or Muslim morality is frequently defined as anti-Semitic “hatred” in the Jewish dominated media. Abrams writing in a Jewish journal for a presumably Jewish audience writes matter-of-factly about the “atavistic hatred” against us by Jewish pornographers and their motivation to “weaken the dominant culture in America by moral subversion.”

Jewish involvement in porn, by this argument, is the result of an atavistic hatred of Christian authority: they are trying to weaken the dominant culture in America by moral subversion. Astyr remembers having “to run or fight for it in grammar school because I was a Jew. It could very well be that part of my porn career is an ‘up yours’ to these people.” ...

Obviously, there are no articles in the mainstream media exposing Jewish “atavistic hatred” against Gentiles by the promoters of pornographic depravity. Abrams even goes on to talk about the roots of this revolutionary Jewish attack on European values.

Pacheco was one Jewish porn star who read Reich’s intellectual marriage of Freud and Marx. ...

In light of the relatively tolerant Jewish view of sex, why are we ashamed of the Jewish role in the porn industry? We might not like it, but the Jewish role in this field has been significant and it is about time it was written about seriously.

Notice that all those mentioned: Reich, Marcuse, Goodman, Marx, Trotsky, Lenin and Freud are Jews. From Freud to Goodman, all represent a Jewish revolution against traditional European values and morality.

When sick Jewish pornographers are part of the brutality of Jewish organized crime, the results can obviously be horrifically tragic for our people. In 2000, a Jewish “Russian” organized crime ring was uncovered that specialized in kidnapping Russian children, some as young as two years old, from parks and orphanages and then subjecting them to rape, torture and murder, all on video tape. These tapes were sold to thousands of Jewish and Gentile perverts all over the world. When police in Italy were frustrated by lack of action by the authorities they released some of the video footage to an Italian network which then showed some of the

graphic images hoping to cause public outrage. Instead of outrage against the Jewish murderers the TV producers suffered outrage for showing the disturbing images.

In spite of the horror and obvious newsworthiness of this international Jewish child porn/murder operation, it received little coverage in the media in the United States. When Seth Bekenstein, the ring's American distributor was arrested, there was little publicity, and in spite of being a part of one of the most horrific criminal activities imaginable, he was sentenced to only 18 months on guilty plea.

Porn is no longer 1950s pictures of voluptuous nude women on a deserted beach. It has become permeated with sadism, masochism, scatology, even sexual molestation, rape and murder of young children. I am no prude. I love the beauty of the human body. But, I do think that this kind of sick criminal activity, in which there is so much exploitation, so much degradation, so much catering to the depths of human depravity, should be fought with constitutional law.

Ironically, with Jewish influence over media, societal mores, and government today, it is legal, even chic to make and sell the sickest pornography showing the sick defilement of women. But, if you have unacceptable political opinions about Jewish supremacism, you may find yourself a political and social pariah, or at worst in prison. We live in a Jewish supremacist world where often the sickest porn is legal while political incorrect opinions will land you in prison.

"None are more hopelessly enslaved than those who falsely believe they are free"

"he who has an ear, let him hear, he who has eyes, let him see"

..:EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

For it is written: *"the truth shall set you free"*

"By their fruits ye shall know them."

JUSTICE & ENFORCEMENT MATRIX

THE AGE OF THOUGHT CRIMES & THE “land of the free” VIRTUAL POLICE STATE IS UPON US

"If tyranny and oppression come to this land, it will be under the guise of fighting a foreign enemy" - James Madison 4th President of U.S.A.

"He who would trade freedom for temporary security deserves neither freedom nor security." – Ben Franklin

"Look at the Justice Department, it's full of Jews...The lawyers in government are damn Jews." – Nixon

"The right to revolt has sources deep in our history." - Supreme Court Justice William O. Douglas

"In the beginning a patriot is a scare man: hated, feared & scorned; but in time, when his cause succeeds, the timid join them, because then it costs nothing to be a patriot." – Mark Twain

Law enforcement officers (we used to call them “peace officers”) today have a central focus on protecting the State, and on defending the current political system. Liberty, Bill of Rights or the Constitution doesn’t factor into the equation — it’s only about rules, “the rule of law.” We are beaten into submission by the RULE OF LAW. When the son of God returns to establish his Kingdom of Heaven on Earth, then, and only then will mankind experience THE RULE OF LOVE centered on truth. Until that age comes, we have no choice but to follow and obey Satan’s rule of law on earth as enforced by his living breathing physical agents and representatives here on earth.

Before getting into this realm of the rulers that be and how they rule over and **CONTROL** their civilian herds there is one very important factor you must understand: First of all, yes we are all losing ever more of our liberties on a daily basis, and the trend seems to indicate that the ultimate result we shall face one day may be a totalitarian police state

complete with concentration camps. BUT... I must state right here and now that I firmly believe that the rulers at large have been working on and operating a far more advanced form of enslavement and control of the populations. **We already live in VIRTUAL (invisible) POLICE STATE AND CONCENTRATION CAMPS.** Most of the populations have already been subjugated and enslaved long ago. We live in a world of illusion where we are told what is and no one dares question that reality that is broadcasted and embedded into our psyche.

Everywhere you go you are imperceptibly, ever so subtly being **CONDITIONED INTO SUBMISSION**. The conditioning begins in grade school where you are taught to obey authority figures above all else, get in line, single file, do as you are told, when you don't you are penalized in a myriad amount of ways. The conditioning continues throughout your life. Today the subtleness of the conditioning in submission is taking on bold overt in your face forms. One perfect example is at the air ports and border crossings, i.e.: CHECK POINTS where you are commanded to show your papers (what is the difference from Nazi Germany's check point? NONE). The **CONDITIONING INTO SUBMISSION** has now gone into hyper drive and **beaten into submission** in so many ways such as the mandatory taking off of your shoes, belts, etc. along with perverse pat downs, go through metal detectors then through x-ray machines, all part of the new standards of traveling, and going through the CHECK POINTS. This is the land of liberty and freedom..... You are free to do as they tell you, step out of line and there are consequences...

The masses BELIEVE they are free because they are told so and indoctrinated from childbirth, the masses THINK they have boundless liberties because the fact that they can walk down the streets and seemingly do whatever they want, whenever they want, the masses have FAITH in a corrupt political system run by the aristocratic oligarchy that has consistently betrayed them on virtually every single issue that it has ever faced, the masses IMAGINE that this world is fair and balanced when in fact everything revolves around the mega rich, status quo, the elite, the famous and the corporations. I can go on and on with this list, but I take it that you get the drift.

The important point that I am trying to emphasize is the fact that **the ruling elite ALREADY control this world and are ALREADY running VIRTUAL CONCENTRATION CAMPS, virtual police states** complete with debasing and silencing errant non-compliant rebels, censorship in many ways and fields, complete and total mass monitoring and surveillance of all your whereabouts, alliances, activities, conversations whether verbal or online, etc., etc., etc.

Rules, laws, policies, protocols, regulations, politically correctness, conventions, etiquette, procedures, "the norm", peer pressure, the human instinct to be accepted, fit in and liked, are all tools of your overlords use to CONTROL you, tools that mold and shape mass reality. The thought police invisibly ply their craft, embedding their programming into the public consciousness, so much so that the majority of the population routinely unknowingly performs self-censorship... Can you see the virtual concentration camp through the smoke and mirrors fog yet?

You have been enslaved in your minds... The ruling elite have found the holy grail of herd manipulation and control long ago. Over the centuries every single tyrant and authoritarian regime eventually faced its downfall due to the one major factor it faced: raving mad, pissed off oppressed, stifled, enslaved populations. The Holy Grail (that has been implemented for several generations now) has been **the erection of a false reality where all the oppressed and enslaved masses are constantly lead to believe they are FREE.** Mass media and the concerted efforts of the closed knit Zionist cartel that has controlled it since its inception has enabled the broadcasting of this most amazing illusion to become accepted reality. You live in what is possibly the most entertained and distraction infested civilization and time to have ever existed.

You already live in a virtual concentration camp some of us call "the matrix," this is a concentration camp you cannot see, feel or touch, it is all around you. What is enabling the rulers that be to construct and operate the PERFECT concentration camp society has been their decades old system of media control in conjunction with Pharmakeia where they have been actively drugging the masses, dumbing them down, dociling and chemical labotimizing the masses with all sorts of "medications" and additives to consumer foods and beverages. The masses are enjoying their enslavement like never before.

Behold: Let it be perfectly understood that the world you have come to know since your childhood has been a carefully and meticulously fashioned, an artificially engineered and stimulated pseudo reality where media indoctrination has played the central roll in forming your views, concerns, opinions, your entire reality and where the **avalanche of**

mind altering toxins that have been added to your drinking water, vaccines, medications and foods were purposely strategically introduced and put into the system in order to create the perfect SHEEP people, otherwise known as "sheeple." What every ruler in the history of mankind has sought to have: a sub serviant docile placated citizenry that go out every day and fulfill their duties without noticing, complaining about their situations, let alone have the balls to rise up and fight for their rights and rebel against their unjust rulers. A compliant submissive obedient public has been the Holy Grail of every ruler... now their goal is almost complete...

Today our society consists of over entertained, over indulgent, over medicated masses who are blindly happy in their fashioned reality were they make up 90% of the population yet own/control less than the 2% cartel who rule over them. The working masses sustain the matrix system; they are the ones that are saddled with all the burdens of society while the rich get the red carpet treatment, they are the herds who plow the fields of the rich, so to speak, they bow to the millionair and billionaire ruling elite who they worship and idolify. What a wonderful country and system we have.

Morpheus: *"The Matrix is a system, Neo. That system is our enemy. But when you're inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save. But until we do, these people are still a part of that system and that makes them our enemy. You have to understand, most of these people are not ready to be unplugged. And many of them are so inured, so hopelessly dependent on the system, that they will fight to protect it."*

There are hundreds upon hundreds of sports, music, movies, shows, hobbies, interests and specialties that people are naturally attracted to and become a part of throughout their lives, these favorite shows, sports, entertainment eventually make up a major portion of the person's life and take up major portions of their mental activities, leaving little room for the boring stuff like "what those old fart leaders who are running our country are doing now." The ruling elite have masterfully surrounded the masses with unlimited trivia and entertainment to keep them distracted from what is truly important. **You have all ALREADY BEEN SUBJUGATED AND ENSLAVED, you all live in a virtual open air concentration camp and are having the time of your lives living it up**... What a wonderful world this is... eh?

BEHOLD: The fact that the masses are already **HAPPILY** oppressed/enslaved/medicated/toxicated and **distracted** with endless mindless mass entertainment, sports and so forth, **BLIND OF THEIR TRUE STATE OF BEING**, leads me to believe that **the ruling elite plan to continue to perpetrate and perfect the illusion of freedom rather than opt for all out police state tyrant oppression and enslavement that has eventually failed in all past regimes.** The vast majority of the masses fall under the biblical statement "Thou they have eyes they are blind," all indications lead to the conclusion that the ruling elite are perfecting their "blind" sheeple servant class.

With that most PROFOUND truth revealed, for you to pounder upon, reflecting on the depth and magnitude of this reality, I will leave you to digest it. I will now proceed to cover the other more direct and blatant forms of oppression and enslavement that are encroaching upon us on a daily basis... while you were asleep and busy with "other stuff."

The supreme court always pretends to be unbiased. Every now and then they give a major ruling in favor of the "little guy" the common folk, when those rare occasions happen, they are turned into widely publicized and hugely promoted movies (Eran Brocovich with Julia Roberts is just one example out of many). This is to continue the illusion of fairness when in reality 90% of the rulings are usually in favor of big corporations.

ILLUMINATI POLICE STATE COMETH? NOPE... FOR IT IS ALLREADY HERE:

Perhaps one of the most startling finds we have recently made was in finding out that ALL our nation's State Troopers have been completely organized, affiliated and controlled by the MASONIC ORDER! Can you possibly understand the magnitude of the implications here?!!! This has been going on right under our very noses for decades! Police state? "The SYSTEM" has already been in place for DECADES! Just waiting for the right time to launch the next phase! Behold: Here is PROOF POSITIVE our State **Police is completely under the MASONIC ORDER CONTROL:**

The above patches are genuine, (I am only posting a small portion of the pictures of patches as an example, there are several dozen more of the same type). Observe that **EVERY single State Police patch has the MASONIC emblem** clearly shown in each state patch! You can run, from the Masonic order but you won't be able to hide! Do I have your attention yet?

Now with this revelation unveiled and perhaps a rude awakening occurring deep within the recesses of your cognitive conscience, lets us begin to follow this rabbit down the rabbit hole and **follow the TRENDS and DIRECTION** that the virtual police state is taking. The virtual police state trends are everywhere. I could easily overload this research report with all sorts of evidence of its existence, I will try to pick some key exhibits to help open your eyes.

The one aspect of government that has been instrumental in helping America become the great nation and reach the heights of world leadership in history is our judicial system. **The LAST LINE OF DEFENSE that is holding this country from diving completely head first into a corporate fascist tyranny abyss is none other than our judicial system.** Or maybe I'm still too naïve to believe that these entities are not also completely controlled by the ruling elite? The sad fact is: yes, even many of the outwardly holier than thou judges are sold out to the ruling masters they bow to.

Hey, they at least play **make believe to keep up the illusion of “freedom, justice and the American way.”** Perhaps one of the most revealing proofs of who their overlords are can be seen in the recent Citizens United vs. Federal Election Commission ruling that completely obliterated decades of regulations on corporate meddling in federal elections. Now corporations are free to directly spend millions or even billions to get their agents elected. The system is rigged, it has always been. You are literally guilty until you prove yourself innocent... unless you are among the powerful, part of the system, rich and famous crowds who routinely get kid gloves treatment to all their digressions.

Of all the 545 people running this country, among the most powerful are the supreme court justices. For they can and do literally change the course of history with just one ruling. Headlines such as this “Judge declares US gay marriage ban is unconstitutional” are common. The judges are not elected into office but placed by the status quo to further their agendas. This is how it is and always has been.

All sectors of government have been profoundly infiltrated and subjugated by special interests, private agendas, corporate dominance and the Zionist "illuminati" who seem to no longer even bothering to hide it anymore. The judicial system are the last survivors of the complete outright special interest takeover of America onslaught only because the law is white and black. The judicial system that is portrayed to the public as “blind” or “unbiased” is anything but. The sad truth is that the entire system is rigged from top to bottom to serve the interests of the ruling elite and their corporate enterprises. The allusion to impartial unbiased rule of law is nothing but a well crafted illusion specifically tailored for the goyim peasant population.

Our entire “Democratic” nation seems to be an elaborate well controlled illusion. For a nation that supposedly/allegedly is “of the people, by the people, for the people” is anything and everything but that. 545 people literally run this country, and that includes the Senate, Congress and Whitehouse, the “elected” leaders... there 9 crucially KEY people who are never elected and rule over the land for LIFETIME tenures. These are the 9 Judges of the Supreme Court of America. **The fate of the LAWS and rules of the nation are literally decided by just 9** never elected/untouchable/non removable agents who are all chosen for their prior allegiances to their masters.

The entire Supreme Court is run by two ruling sectors: The Catholic Church and the Zionist “Jews.” At the moment 5 are seemingly beholden to the Vatican/Catholic endeavor and 4 (Ginsburg, Breyer, Kagan, Sotomeyer) are beholden to their Zionist masters. Yes those four serve their Zionist masters either directly or indirectly in Morano/crypto Jew mode (yes, SCOTUS is firmly/directly 45% Zionist Jewish controlled). And as we discussed and revealed in earlier chapters, the Catholic/Vatican were taken over by the Zionist elite well over many generations ago, therefore even their decisions and agendas are guided by their Zionist ruling masters.

In the midst of operating the illusion of Liberty and Justice, eventually the day will arrive where even the last bastion of a “free” nation, the law, is completely perverted, pawned to the super elite and highest bidder. One thing that is

undeniable: **All the judges are creatures of the regime they serve; they all define "justice" as vindicating the power of the state** in any and all circumstances. I will tell you how the scales of justice work: Put wads of cash on the scales and you tip them in your favor. He with the most cash, influence, connections, power and status or members of the ruling elite automatically have the scales heavily balanced to their side.

The sad truth is that the courts are just another integral **part of "the system"**, (the matrix) it is the higher level courts who get to decide the important matters... **The judicial system is THE branch of the matrix that enables and enforces complete CONTROL of the masses.** Little by little the bar is raised, little by little the noose is tightened, little by little more laws and regulations are placed into effect to control and limit your liberties. Every single law and regulation that is ever passed is always enacted under the pretense and guise of "for your protection" ... because your dear wonderful most benevolent rulers love you and care about your best interests sooooo much.

Look at the dossiers/experience/references of all the judges and you will see that they are all part of the same ivy league fraternities, attend the same elite social events and country clubs as their industry comrades, they have all worked in the elite's law firms and championed the elite's causes proving their loyalty, thus becoming eligible to be "recommended" for top judicial posts. The evidence of status quo rulings are so numerous that even attempting to list them would be an astronomical feat. Here are two for starters, Judge Bates ruling over the Plamegate in favor of his comrades in the Whitehouse, Justice Edward Lehner supreme court decision to ignore 80,00 NYC CAN petition, despite the overwhelming wishes of the citizens for a new investigation, etc. The best interests of the public and their wishes is the last thing on their agenda, for their actions, laws, regulations, rulings overwhelmingly cater to the status quo, rich powerful corporations and the ruling elite's best interests.

The Whitehouse comes in first place in destroying the sanctity of the judicial system. One need only look at the antics of Bush & Co. loyal puppy dog ex-attorney general Gonzales to get a glimpse of what is happening to our judicial system. A ruling overlord states "Those guys are not on our side, fire them"... "ok, done." The mockery of our judicial system you saw televised is what you witnessed. The entire Whitehouse has been corrupting the judicial system and they all have get out of jail free cards to top it off. Who knows how many Justices of the peace have been in the pockets of the elite and special interests. It's only a matter of time when every appointed judge is bought and paid for like the **prostitutes** some of them are, leaving only the ghost of unbiased, impartiality and justice to protect America.

Napolitano: A Nation of Sheep - [Video](#)

While the judicial department is undergoing massive conditioning, infiltration and restructuring, the enforcement department we refer to as our police have long ago been penetrated and possessed. The days of the friendly "[Mayberry](#)" neighborhood police officer were finished long ago. Today the masses, instead of encountering an Andy Griffith are met with heartless, coldhearted drill sergeant types who's first order of business when you fail to do as you are told is to make you wish you had for a long time. Today it is unanimous: everyone **FEARS** the police. Everyone's hearts stop the moment they see those lights of a patrol car signaling you to pull over. What you might not know is the fact that this has all been the planned results that the ruling masters were seeking. It all begins in the selection phase of recruitment. Only certain types of characters are highly sought after. Oh yes they hire minorities and so forth, but only due to the equal opportunity laws. By and large they have been putting together a coldhearted frigid force. Police brutality is quickly becoming a national epidemic, you think this country is still being run by your friendly neighborhood police officer, then you are living in a bubble. Check out this website: www.injusticeeverywhere.com for a glimpse of the massive database of national police becoming ever more thuggish and violent.

The Tyranny of the Bench

By Murray N. Rothard, *First published as "The Plumb Line: So What Else is New?" in Libertarian Review, April, 1978*

One of the fatal flaws in the concept of "limited" government is the judiciary. Endowed with the compulsory monopoly of the vital power of deciding disputes, of ultimately deciding who can wield force and how much can be

wielded, the government judiciary sits as an unchecked and unlimited tyrant.

Pledged to preside over the rule of law, law that is supposed to apply to everyman, the judges *themselves* are yet above the law and free from its sanctions and limitations. When clothed in the robes of his office, the judge can do no legal wrong and is therefore immune from the law itself.

There is a crucial catch-22 in this grisly situation. For if anyone would like to argue against this arrangement, he can do so – in our archist system – only before judges who *themselves* are part of the problem rather than part of the solution. It is up to government judges to rule on whether government judges are immune from the law. How do you think they would decide? Well, how do you think a group of economists would decide on the question of whether economists should be immune? Or any other group or profession?

Not surprisingly, the United States Supreme Court ruled, in 1872, that judges were immune from any damage suits for any "judicial acts" that they had performed – regardless of how wrong, evil, or unconstitutional those acts may have been. When clothed in judicial authority, judges can do no wrong. Period. Recently a case of an errant judge has come up again – because his action as a judge was considered generally to be monstrous and illegal. In 1971, Mrs. Ora Spitler McFarlin petitioned Judge Harold D. Stump of the DeKalb County, Indiana, Circuit Court to engage in a covert, compulsory sterilization of her 15-year-old daughter, Linda Kay Spitler. Although Linda was promoted each year with her class, Mrs. McFarlin opined that she was "somewhat retarded" and had begun to stay out overnight with older youths. And we all know what *that* can lead to.

Judge Stump quickly signed the order, and the judge and mamma hustled Linda into a hospital, telling her it was for an appendicitis operation. Linda was then sterilized without her knowledge. Two years later, Linda married a Leo Sparkman and discovered that she had been sterilized without her knowledge. The Sparkmans proceeded to sue mamma, mamma's attorney, the doctors, the hospital, and Judge Stump, alleging a half-dozen constitutional violations.

All of these people, in truth, had grossly violated Linda's rights and aggressed against her. All should have been made to pay, and pay dearly, for their monstrous offense. But the federal district court ruled otherwise. First, it ruled that mamma, her lawyer, and the various members of the "healing professions" were all immune because everything they did had received the sanction of a certified judge. And second, Judge Stump was also absolutely immune, because he had acted in his capacity as a judge, even though, the district court acknowledged, he had had "an erroneous view of the law." So, not only is a judge immune, but he can confer his immunity in a king-like fashion even onto lowly civilians who surround him.

The US Court of Appeals, Seventh Circuit, unaccountably didn't understand the program, and so it reversed the district court, claiming that Judge Stump had forfeited his immunity "*because* of his failure to comply with elementary principles of due process," and had therefore in a sense "not acted within his jurisdiction." To allow Stump's action to stand, said the appeals court, would be to sanction "tyranny from the bench."

Now this was pretty flimsy stuff, and besides it opened an entertaining wedge toward holding judges accountable to the law and to the protection of rights like everyone else. But this would have shaken the foundations of our monopoly archist legal system. And so the US Supreme Court, on March 28, set the matter straight. In a 5–3 decision in this illuminating case of *Stump v. Sparkman*, Justice Byron R. ("Whizzer") White, speaking for the majority, sternly reminded the appellate court of the meaning of the 1872 ruling:

A judge will not be deprived of immunity because the action he took was in error, was done maliciously or was in excess of his authority. Rather, he will be subject to liability only when he has acted in the "clear absence of all jurisdiction."

Justice White conceded that no state law or court ruling anywhere could be said to have authorized Judge Stump's action; but the important point, he went on, is that there was no statute or ruling which prohibited such an action by the judge. Therefore, even though Stump had approved the sterilization order without legal authorization, without

holding a hearing, without notice to the child, or without her being represented by a lawyer or guardian, it was still a "judicial act" and therefore beyond the law. Backing Justice White were Justices Warren Burger, Harry Blackmun, William Rehnquist, and John Stevens.

For the minority, Justice Potter Stewart, joined by Lewis Powell and Thurgood Marshall, argued that the judge's unauthorized action was "beyond the pale of anything that could sensibly be called a judicial act." He pointed out that Stump's action

was in no way an act "normally performed by a judge." Indeed there is no reason to believe that such an act has ever been performed by any other Indiana judge, before or since.

In a ringing statement, Stewart concluded, "A judge is not free, like a loose cannon, to inflict indiscriminate damage whenever he announces that he is acting in his judicial capacity."

Ahh, Justice Stewart, but apparently and unfortunately he *is* so free.

Stump himself will be free for some time to come. Apparently the masses of DeKalb County were not concerned about Linda's rights, for they reelected him last year to another six-year term as circuit-court judge. Bruce Ennis, legal director of the American Civil Liberties Union, charged that the White decision meant that "judges can violate citizens' constitutional rights and get away with it" and "can ignore the law with impunity." Ennis said that the ACLU would ask for legislation from Congress reversing this "outrageous" decision.

Outrage, yes; but why the shock and surprise?

White and his allies were

1. simply being thick as *judges*, guildsmen defending their guild privileges; and
2. were defending the very cornerstone of our archist system: the immunity from the law of the ultimate decision makers.

Removing such immunity strikes at the very heart of that system, and paves the way for a truly free America in which rights would be protected fully, in which no man or group of men would be above the law, or would have a compulsory monopoly of judicial services. We hail Mr. Ennis and the minority judges; but do they know the full implications when we pit citizens' rights against the "loose cannon" of judges and the "tyranny of the bench"?

What I find very revealing is the fact that most people that score very high in testing and **those with high IQs are systematically eliminated from prospective officers list**. They absolutely don't want smart independent thinking minds on their squads! The main qualifications for becoming a good police officer today is to be able to unwaveringly, never questioning follow the orders of their commanders... exactly as our military operates.

The Cheney-Bush & Co Crime Syndicate administration will go down in history as the single most enabling administration that allowed a century's worth of ~~erosion~~ destruction to occur in just 8 years of Cheney & Bush sitting on their throne systematically tearing apart any bit of reason, logic, ethics, rights, freedom, honor, that was left in our once great nation. The Zionist ruling elite played those two criminal puppets to the hilt in the quest to destroy this country. The ground work has now been laid, our nation now stands at the edge of a great abyss... will the next "leaders" dare continue to sacrifice our entire nation in an insane attempt to achieve the twisted goals of their masters? The sad answer is yes, not only will they pick up the baton and continue the mission of hurling our once great nation into the abyss, they will attack from a totally different democrat's perspective.

Chaos, riots, anarchy, martial law are right around the corner.. just like "they" (Zionist illuminati) planed it. Will the Judicial dept, our last line of defense against total complete fascist tyranny fold under the immense pressures and hand over the keys of our country without a fight? Or have they already done so? Are we just living in a complete world like the movie the Matrix in which the world around you is the pulled over your eyes to blind you from the truth?

Gonzales was a strategic plant. Strategically **chosen for his absolute LOYALTY to his handlers**. He was just a puppet that was way over his head, he was easily manipulated, a nice puppy dog, always eager to please his masters. Lots of damage was done to our judicial system throughout history, under his watch it just became more visible due to the fact that it was so “in your face” blatant.

What Are We Bid for American Justice?

By Bill Moyers and Michael Winship

That famous definition of a cynic as someone who knows the price of everything -- and the value of nothing -- has come to define this present moment of American politics.

No wonder people have lost faith in politicians, parties and in our leadership. The power of money drives cynicism deep into the heart of every level of government. **Everything, and everyone, comes with a price tag attached: from a seat at the table in the White House to a seat in Congress, to the fate of health care reform, our environment, and efforts to restrain Wall Street's greed** and prevent another financial catastrophe.

Our government is not broken; it's been bought out from under us, and on the right and the left and smack across the vast middle, more and more Americans doubt representative democracy can survive the corruption of money.

Last month, the Supreme Court carried cynicism to new heights with its decision in the Citizens United case. Spun from a legal dispute over the airing on a pay-per-view channel of a right-wing documentary attacking Hillary Clinton during the 2008 presidential primaries, the decision could have been made very narrowly. Instead, the conservative majority of five judges issued a sweeping opinion that greatly expands corporate power over our politics.

Never mind that in at least two separate polls an overwhelming majority of Americans from both political parties say they want no part of the Court's decision; they want even more limits on the power of money in elections. But candidates and their campaign consultants are gearing up to exploit the court's gift in the fall elections.

Just this week, that indispensable journalistic website Talking Points Memo reported that K&L Gates, an influential Washington lobbying firm, is alerting corporate clients on how to use trade associations like the Chamber of Commerce as pass-throughs to dump unlimited amounts of cash directly into elections. They can advocate or oppose a candidate right up to Election Day, while keeping a low profile to prevent "public scrutiny" and bad press coverage. And media outlets already are licking their chops at the prospect of all that extra money to be spent buying airtime -- as much as an additional \$300 million dollars. That's not even counting production and post-production costs of campaign ads, which are considerable. A bad situation just got worse.

If you want to know just how much worse, look to the decision's potential impact on our court system, where integrity, independence and fair play count the most when it comes to preserving faith in our system. It's as susceptible to the lure of corporate wealth as the executive and legislative branches are.

Ninety-eight percent of all the lawsuits in this country take place in the state courts. In 39 states, judges have to run for election -- that's more than 80 percent of the state judges in America.

The Citizens United decision makes those judges who are elected even more susceptible to the corrupting influence of cash, for many of their decisions in civil cases directly affect corporate America, and a significant amount of the money judges raise for their campaigns comes from lobbyists and lawyers.

In the words of Charles W. Hall, a spokesman for the non-partisan, judicial watchdog group Justice at Stake,

"Corporate bottom lines are not affected by whether a bank robber gets 10 or 20 years in prison. The bottom lines are affected however by whether a large scale lawsuit is upheld or overturned."

During the 1990s, candidates for high court judgeships in states around the country and the parties that supported them raised \$85 million dollars for their campaigns. Since the year 2000, the numbers have more than doubled to over \$200 million.

The nine justices currently serving on the Texas Supreme Court have raised nearly \$12 million in campaign contributions. The race for a seat on the Pennsylvania Supreme Court last year was the most expensive judicial race in the country, with more than four and a half million dollars spent by the Democrats and Republicans. Now, with the Supreme Court's Citizens United decision, corporate money's muscle just got a big hypodermic full of steroids.

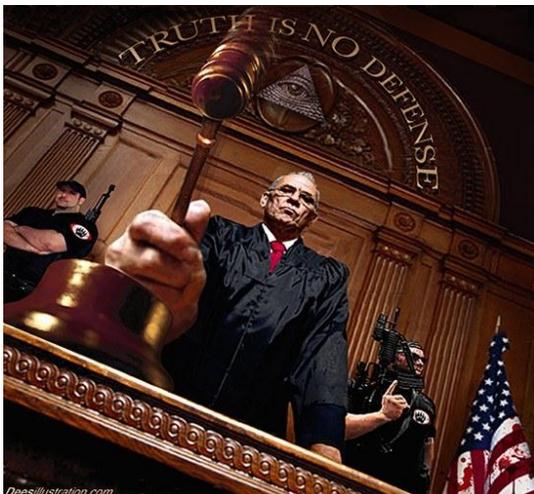

As Supreme Court Justice John Paul Stevens wrote in [his 90-page Citizens United dissent](#), "At a time when concerns about the conduct of judicial elections have reached a fever pitch... the Court today unleashes the floodgates of corporate and union general treasury spending in these races."

States that elect their judges, he said, "after today, may no longer have the ability to place modest limits on corporate electioneering even if they believe such limits to be critical to maintaining the integrity of their judicial systems."

No wonder that legal experts, including former Supreme Court Justice Sandra Day O'Connor (the only living current or former Supreme Court member to have been an elected state court judge), have called for states with judicial elections to switch to a system of merit selection. Judges would be appointed but possibly subject to "retention elections" in which voters can simply vote thumbs up or down as to whether jurists are qualified to remain on the bench.

Until such changes are made, the temptations of corporate cash mean that in those states where judicial elections still prevail there hangs a crooked sign on every courthouse reading, "**Justice for Sale.**"

There is an old fairy tale that has been taught to the masses even to this very day: "justice is blind", nothing could be further from the truth, that old line is pure bullshit. If you look at one of those statues of lady justice you will notice that she has a blindfold covering her eyes and is holding a set of scales. I will summarize our entire judicial system in one simple statement: That blindfold is there so that the justice dept can have plausible deniability! Those scales of justice that she holds out in front of her are for the litigants to put their MONEY on... **those who possess the MOST money, power, influence and fame TILT the scales of justice to their favor. PERIOD.** The rich, influential,

powerful and famous people get away with outrageous offenses, with slaps on the wrists, while the poor go straight to jail, do not pass go, nor collect \$200... the average citizen, as a matter of fact are driven deeper into the proverbial financial hole for most are in dire financial predicaments to begin with. There are two systems within the system: The powerful, influential, rich and famous are "innocent until proven guilty", while the poor, minorities and unfortunate are treated completely opposite: they are treated as "guilty until proven innocent", this group is the one that more often than not ends up incarcerated, marked, branded for life, outcasts in a world were their input is regulated and often denied.

Meanwhile unbeknown to most of the world many Jewish communities here in America have their own judicial systems where they supposedly face trial by their own people. I have heard many stories of Jews under arrest being transferred to one of their own courts, never to spend a day in jail. THIS is how they roll.

THIS is the extent of their vast power. Very few Jews get prosecuted by our systems; these are the ones whose crimes

were too high profile to risk the extreme publicity and subsequent scrutiny of getting the cases transferred to one of their own courts as all other low profile cases.

Another completely disturbing trend has been **making it a crime to defend yourself and protect your family from attack in your own home!** (thus one of the central arguments of gun ownership conflict). Our friends across the atlantic in Europe are often on the cutting edge of initiating draconian police state policies. I read in total disbelief as: "*His case provoked nationwide fury when he and his brother were jailed for injuring career criminal Walid Salem, while the convicted burglar was allowed to walk free.*" This is where the ruling elite are taking matters: They are creating the perfect environment of FEAR, where criminals have more rights than peaceful law abiding citizens! This case is not exclusive to Britain either, for more and more places are adopting similar laws. The laws are all being turned upside down and inside out, where is the logic in this all? Why do I get this distinct vision of seeing justice and law enforcement apparatuses all FREEBASING FEAR? It seems to me that the target are the masses, there is no other logical conclusion other than that. You will be broken, one way or another...

Proof positive that our judicial system is sold out to the ruling elite and their corporations:

What did the Court decide in Citizens United?

Freespeechforpeople.org

The Court's action dramatically dilutes the vote and the voice of every American who does not control a large corporate treasury. The decision unleashes billions of dollars in corporate money to dominate legislatures and elections.

Pretending that corporate wealth is "speech" beyond the ability of the American people to regulate will cost our democracy dearly. To illustrate the magnitude of the potential financial corruption of our elections, compare the amount of corporate money now available to influence elections to the level of fundraising before Citizens United, when corporate money in politics could be regulated. Corporate profits alone - - after taxes - - amounted to over \$1.1 trillion in 2006. (Statistical Abstract of the United States 2008, Table 767). Under pre-Citizens United rules, the average House candidate in 2008 spent \$1.3 million, and the average Senate candidate spent \$3.1 million. (Center for Responsive Politics, Price of Admission, 2008).

Before Citizens United, it was undisputable that corporate influence distorted our political process. After Citizens United, with over a trillion dollars in corporate money available for misuse in elections, it is hard to dispute that the Court has broken our democracy.

Think corporations have too much power? Think corporate money has too much influence? Think maybe your vote and your voice just doesn't seem to count for as much as the big corporations' "voice"? Want to do something about it?

The Citizens United case says, "Too bad, you can't."

The problem goes beyond elections and money in politics. The Court's distortion of the First Amendment into a corporate rights provision in Citizens United is the extreme extension of a corporate rights doctrine that the Supreme Court and lower courts have used with increasing aggression and hostility to the judgment of people and their representatives about appropriate regulations. The courts have used the fabrication of the First Amendment corporate rights doctrine to strike down a range of democratic enactments in recent years, from those concerning clean and fair elections; to environmental protection and energy; to tobacco, alcohol, pharmaceuticals, and health care; to consumer protection, lottery, and gambling; to race relations, and much more.

A sharply divided Supreme Court decided that the American people are powerless to stop corporations from using corporate funds to influence state and federal elections. The 5-4 decision ruled that the restrictions on corporate expenditures in elections contained in the federal Bipartisan Campaign Reform Act (known as BCRA or "McCain-Feingold") violated the First Amendment protections of free speech.

The ruling dramatically expands the new “corporate rights” doctrine that has transformed the First Amendment in recent years, and exposes an already-corrupted political process to a new flow of billions of dollars of corporate money.

The result in *Citizens United* is radical. To accomplish this, the majority - - Chief Justice Roberts and Justices Scalia, Thomas, Kennedy and Alito - - had to overrule two previous cases where the Court ruled correctly that Congress and the States may try to keep corporate money out of politics. In the *Citizens United* case, the Court cast aside a 2003 decision, *McConnell v. FEC*, where the Court upheld the very provision it now ruled unconstitutional, and a 1990 decision, *Austin v. Chamber of Commerce*, where the Court had ruled that a Michigan law limiting corporate expenditures in elections did not violate the First Amendment.

Citizens United is the extreme result of a focused political effort in the past two or three decades to transform the First Amendment into a tool for corporations to avoid regulation and oversight by the American people. Before 1976, there was no such thing as protected “commercial speech” under the First Amendment. For the first two centuries of the American republic, corporations did not have First Amendment rights to limit the reach of democratically enacted regulations. And states and Congress could regulate or prevent corporate contributions and expenditures in elections.

In the mid-1970s, the Supreme Court began to develop an unprecedented “commercial speech” doctrine. First, the Court invalidated a state prohibition on abortion advertising in *Bigelow v. Virginia*.^[1] As a result, the Court decided that “the notion of unprotected ‘commercial speech’ all but passed from the scene,” and invalidated a state law regulating pharmaceutical price advertising.^[2] Justice Rehnquist dissented, stating that “nothing in the United States Constitution . . . requires the Virginia Legislature to hew to the teachings of Adam Smith. . .”^[3]

Following the decision in *Virginia Board of Pharmacy v. Virginia Citizens Consumer Council*, the corporations and supporters of increased corporate power began aggressively to push for the creation of corporate rights. Lewis Powell, a private attorney advising the Chamber of Commerce advocated such a strategy, and, after his appointment to the Supreme Court by President Nixon, wrote the decision in *First National Bank of Boston v. Bellotti*, 435 U.S. 765 (1978).^[4] In *Bellotti*, several large corporations challenged a Massachusetts prohibition on corporate expenditures to influence ballot questions, except questions “materially affecting any of the property, business or assets of the corporation.”^[5] Mindful of *Virginia Pharmacy* and of the Court’s holding in *Buckley v. Valeo*^[6] that equated spending money in elections with speech, the Massachusetts Supreme Judicial Court nevertheless rejected the challenge, making the uncontroversial observation that “a corporation does not have the same First Amendment rights to free speech as those of a natural person. . .”^[7]

In an opinion authored by the now-Justice Powell, the Court reversed and struck down the law limiting corporate expenditures in state referendum elections.

Justice Rehnquist disagreed:

A State grants to a business corporation the blessings of potentially perpetual life and limited liability to enhance its efficiency as an economic entity. It might reasonably be concluded that those properties, so beneficial in the economic sphere, pose special dangers in the political sphere.^[13]

The Court had begun to modestly retreat from the holding in *Bellotti*, deciding in *Austin* and *McConnell* and other cases that limits on corporate expenditures in elections are constitutional. With *Citizens United*, however, the illegitimate corporate rights notion has returned with a vengeance.

Another unlawful TOOL at the police state's disposal is the draconian asset forfeiture statute. If the government even **suspects** you used your home or car in any crime, they can just come in and take it and sell it at auction! **They don't even have to prove your guilt.** They call this practice "civil asset forfeiture", but in reality it is just **legalized THEFT.** It violates the 4th, 5th, 6th, 8th, 9th, and 14th Amendments. It also encourages law enforcement to put profits before justice. This tool is just another in their bag of tricks to keep the masses in check and under constant fear of the establishment, for the moment you make that one stupid move, BAM! Say good bye to all your shit. So who among you will even DARE fall out of step? Eh?

The "system" is designed to **keep the poor people, the working class, suppressed and the wealthy too scared to get out of line and risk losing everything.** Just another tool to help keep the sheeple under constant pressure. It is no accident that the majority of people in this country's prison system are all MINORITIES. Blacks and Hispanics make up like three fourths of the population of inmates. One small misstep and they fall into the trap, sucked into the prison industrial complex only to come out a labeled man with a criminal record. **Thus BRANDED for life. Once they have a criminal record they are also refused the right to vote along with a whole host of disadvantages.** (Neo-cons love this side effect due to the fact that millions of once imprisoned democratic minority voters have their voting rights taken away, thus will NEVER be able to vote against them). Once incarcerated one's options in life suddenly become drastically limited for they have been "**marked**" by the system. Only very few who put a super human effort eventually pull themselves out of the "sinister criminal poor minority pit" and achieve success in life.

Oh the establishment would have you believe that this world is "fair". When the fortunate ones live in a world of difference social circles, with safe cozy upscale neighborhoods, upscale peers of like kind, superior education at private elite schools, daddy sends them off to college, all paid for, no problem, they throw in a new car and paid housing, college dorms. While the minorities of this nation are huddled together in decrepit 3rd world nation level public school system that is falling apart, who's closest peers (friends) are all also of uneducated families, financially handicapped, unfortunate, therefore bound to the dire circumstances they toil under the weight of their environment, year after year, generation after generation. For those who manage to avoid all the myriad of pitfalls posed in life to the unfortunate poor minorities in this nation, who avoid getting locked up in the "can" and actually graduate from school in one piece. Then they are faced with yet another seemingly impossible daunting task: how to get into college, even a cheap one. No daddy to pay for college, let alone a car for transportation and how the heck will they pay for housing, food, and all the necessities for the next 4 years?

No... this world is **NOT** fair and balanced. For the poor, the task of trying to get out of their unfortunate circumstances is as monumental as climbing Mt. Everest with 150lb back packs and no oxygen tank, for the rich it is like a wonderful paid vacation on the Swiss Alps, taking a lift to the summit and gracefully skiing downhill, then having hot chocolate at the campfire, while the poor are busy trying to figure out how to work, pay mounting bills and take care of school at the same time, how to keep warm and continue to pay for their basic necessities, is becoming a monumental task given that the cost of living has been dramatically rising while their wages barely move upward. Don't even try to patronize me with the bullshit stories of college grants and this and that, the overwhelming fact is what I have written above is 100% true and the tables are completely stacked against the poor and unfortunate, it has been so for eons, might always be.

Our judicial system reflects this reality we face in this society, but since the "fortunate ones" that grew up with the silver, gold and platinum spoons in their mouths make up the majority of the "establishment", they really have NO CLUE on how the rest of the poor people live or of their plight. They are the first ones uttering idiotic statements such as "everything is fair, the poor are poor because they don't try hard enough and are lazy", etc. They have no clue, the rich lived that wonderful sheltered life, now they are the ones making policies and laws. The poor, the unfortunate, the minority goyim sheeple are a mental puzzle in their minds they will never figure out, for to them they are like subhuman species from another planet. The police are there to protect them from those poor savages. The judicial

system is there to put away all those undesirables, keeping up the faux security so they can feel good about themselves when they drive home in their Mercedes to their wonderful lives in their wonderful homes with their "normal" families and wonderful - powerful rich friends.

SWAT Team Raids Barbershops - [video](#)

Look at the mess in the White house, there is a mountain of evidence of all sorts of corruption and wrong doing leading straight to the White house from every administration to ever serve, especially the Cheney/Bush Admin, not even the CONgress can (or dare) mount a successful investigation. It is as if there were a massacre with a trail of blood leading directly to the 1600 Pennsylvania Ave, then when the police try to find the culprits they are told to go take a hike. They pull out their "can't touch me" "Executive Privilege" Card and the "don't even think of looking this way" "National Security Card" relieving themselves of any prosecution for their crimes.

The bottom line is the fact that the Cheney/Bush Crime Syndicate has drastically raised the bar of **acceptable corruption** and practices for entire upper levels of operations for ever. As has been the modus operandi in Washington: each consecutive administration impliments all sorts of signing acts, bills, agendas, laws and policies ever more encroaching on the freedoms of the citizens, but each new administration NEVER does anything to disable any of the legislation put into effect by the outgoing administration, instead they just continue to implement ever more legislation and policies on top of the previous ones. They no longer want to, nor need to answer to no one, not the people that elected them, not the people they are supposed to serve, not the congress, not the senate, no one. They broke down the hurdles of checks and balances, all the future administrations will continue the trend set by the Bush administration no matter what the party affiliation, for in the end they ALL prostitute themselves to the same masters.

The Whitehouse has become like a secret gluttonous frat club were they do as they please and all the members have get out of jail free cards. Ok, so they occasionally feed one of their own (those who get out of line) to prosecution to appease the justice starved crowds. The insider key players that get caught by failing to cover their tracks and not being careful enough are the ones that are pulled out with their safety nets, no matter what the charges. Look at Scooter Libby a connected "made man" Whitehouse insider criminal caught red handed and prosecuted to the full extent of the law as just one example out of hundreds upon hundreds: Never to spend a day in jail for he received an immediate presidential pardon for: covering up for the president! Doh! Nothing to see here folks, now run along kiddies, sleep, sleep, sleep.

During the technology boom in the 2000s, Henrey Samueli (Billionair Zionist Jew) and Broadcom co-founder Henry T. Nicholas III awarded millions of stock options to attract and reward employees. Prosecutors alleged Samueli and Nicholas granted options to others, including some other top executives but not themselves, to avoid having to report \$2.2 billion in compensation costs to shareholders. Prosecutors focused on the fact that Samueli denied under oath any role in making options grants to high-ranking executives. As part of his plea agreement, Samueli admitted the statement was false, and admitting to being part of the options-granting process. On June 23, 2008, Samueli pleaded guilty for lying to SEC for \$2.2 billion of backdating. Under the plea bargain, Samueli agreed to a sentence of five years probation, a \$250,000 criminal fine, and a \$12 million payment to the US Treasury. On September 8, 2008, U.S. District Court Judge Cormac Carney (a fellow UCLA alumnus, Doh!) rejected a plea deal that called for Samueli to receive probation, writing: "**The court cannot accept a plea agreement that gives the impression that justice is for sale**"... Only to then on December 9, 2009, Judge Carney have a sudden change of heart and dismissed the guilty plea. NOW THAT is how the made men ruling elite roll, yes he was for sale after all. Nothing to see here folks, now run along and mind your own business.

U.S. Cops: Armed and Dangerous?

Police can use force in everyday situations with impunity, even when no crime is being committed. That cannot be right

Jennifer Abel, Guardian.co.uk, August 16, 2010, Video link [here](#)

When Americans read British newspapers referencing "her Majesty", "his Highness" or "Lord So-and-So", we

bask in the smug patriotic pride of knowing ours is no nation of aristocrats, but a country based on principles like equality before the law and authority granted by merit.

So we're told. Yet we do have de facto aristocrats, whose authority over ordinary citizens rivals what English royals gave up with the Magna Carta: power to inflict pain on anyone who treats them disrespectfully, power even to kill with relatively little fuss.

If mine were truly a free country, US police wouldn't wield such immense power or employ such aggressive tactics against their own citizenry – a militarisation of our police forces **that started with the war on drugs** and intensified after 9/11.

Consider: can you invent a realistic scenario wherein you shoot a man dead; justify it with a story witnesses contradict; confiscate any surveillance video; claim a "glitch" makes it impossible to show the video to anyone else – all while enjoying the support of state legal apparatus?

Police in Las Vegas did that last month, after they shot Erik Scott seven times as he exited a Costco. Cops say Scott pointed a gun at them; witnesses say Scott's licensed weapon was in a concealed holster, and five of those seven shots hit him in the back. The confiscated surveillance video might settle the question; too bad about that "glitch."

At least Costco's not in trouble for recording police actions. That's illegal in 12 states, even (or especially) when you record police misbehaviour. Even in states where it's allowed, officers are wont to ignore the law and go after photographers anyway, and they can always record *you* with their own dashboard cams.

These aren't the only powers police wield with relative impunity; whenever Tasers are issued, they're used with shocking (sorry) frequency. With guns, police at least have to argue "Oops, I thought he was dangerous", after shooting you; Tasers don't even require that.

In 2004, Malaika Brooks, then seven months pregnant, was stopped for speeding in Seattle. She refused to sign the ticket – a non-arrestable misdemeanour at the time, though she was arrested for it anyway – and was Tasered three times. Last March, a federal appeals court ruled that the Taser, which left permanent scars, was not "excessive force" since it only inflicted "temporary, localised pain".

Even if a man is lying on his belly with his hands cuffed behind his back, it may be presumed acceptable to Taser him. San Francisco transit cop Johannes Mehserle used that defence in his trial for shooting and killing Oscar Grant on New Year's Day, 2009: he thought he was firing his Taser rather than his gun, and only ever intended to shoot a pain-inducing electric dart into the handcuffed man on the ground.

Hero-cop TV dramas show brave officers risking their lives to rescue hostages or stop carjackers. There's some like that in real life, too. But in most cases of egregious police overreaction, especially Swat raids in which innocent people are killed, cops aren't going after dangerous hostage-takers, but looking for drugs or servicing warrants for other, non-violent crimes.

Police can deprive people of liberty, health or life itself. Surely, we only entrust such authority to those with the intelligence, insight and wisdom to handle such power? Nope. At least, not in my state of Connecticut, not since the 1996 state supreme court decision Jordan v New London.

Robert Jordan applied for a police job in New London and scored 33 on his qualification exam, equivalent to a 125 IQ. That's one standard deviation above the mean – smart, but no genius by any definition. The city refused to hire him, stating a preference for those who scored 27 or lower; the suggested median for a patrol officer was 21. New London's argument was that smart people would find police work boring, and leave the profession after receiving expensive training. Jordan sued for discrimination – and lost. The court ruled there's nothing discriminatory about a city's desire to ensure only C-students get to carry police badges.

Behold America's modern aristocracy. Maybe it's not as photogenic as Britain's, but what ours lacks in pageantry, it makes up for in power.

From crib to grave you will be watched - Video

The number one “terrorist threat” in America in the eyes of the ruling elite are the peaceful activists and dissidents. What makes dissidence and truth activists so dangerous is that they are the only ones out there that openly defy and rebel against the ruling elite committing **the sin of constantly challenging and exposing the official, sanctioned, twisted NARRATIVES of the ruling elite.**

Today we see an ever increasing mantra coming from the mass media, more and more with greater alarm the **peaceful activists are being DEMONIZED.** Even TV reporters have referred to the "truthers" as ANARCHISTS, also implying that their actions and speech are to be viewed as TERROIST, hence the ongoing campaign to connect the truth activists to “hate speech”, “hate crimes”, “thought crime” subversives. The writing is on the wall: all those who peacefully oppose the powers that be are being set up, the day will soon come when all peaceful dissenters will be framed and jailed as TERRORISTS.

In what seems to be a suspicious, ironic, if not totally weird and phony ploy, Glenn Beck has moved to FOX News broadcasting and has recently been playing the role of a nutty truther, asking for likeminded truthers photos... why do I smell a rat? Oh yes let me send him my photo so my name can be added to the terrorist watch list and my face placed on the facial recognition database! What I find truly alarming is the fact that the rabid FOX News and the ESTABLISHMENT has been given the green light and was allowed to let this man to go on mainstream TV professing and smoking the flames of anarchic rebellion... the level of conspiracy theory fear mongering that he has been given carte blanche approval to conduct on air is truly frightening. Surely the ruling elite plan to stir up a controlled citizen’s rebellion so that the ruling elite can come in to save the day and offer the gentile the “new improved” system...

Watch... as I am sure this is their end game... I have sat back and watched this phenomenon for several weeks and have finally put my finger on what they are trying to achieve by letting him loose to rant and rave. The sought after result they are hoping for is to instill and foment fear in the hearts of the population, and setup the stage for people to join his batty logic to then some day in the near future cause some sort of anarchic uprising “by the lunatic fringe” that will be squashed and provide the impetus to pave the way to introduce more checks, balances and restrictions on the populace. I also believe they are purposely revealing the sins of the FED and the financial system so that a rebellion will occur (that they are instilling and controlling) and the **citizens demand a NEW FINANCIAL SYSTEM,** which **the international banks will come in to save the day and provide** the “new and improved” system which will be THE SYSTEM that will usher in the one world rulers.

What is even more heart breaking is that after several months of writing the above observations, **the media elite is SPONSORING and backing Tea Parties and the likes of Glenn Beck.** Not only that, they have long been:

The ruling elite have actively HIJACKED THE “MAINSTREAM” TRUTHER MOVEMENT! The implications of this are earth moving in that they are now **actively trying to steer the same movement that is potentially rebelling and out to expose them in whatever direction they so choose!** Be warned for the entire Tea Party

movement is WHOLLY controlled by the status quo... **The second American Revolution has begun... and it is fully being ingeniously engineered and lead by the corporate elite...**

Glenn Beck May Be a Clown -- But the Shady Right-Wingers Who Pull His Strings Are Dangerous

Beck is being used to enforce the very political and economic structures that subjugate the people who worship him.

September 5, 2010 | Alternet.org

Glenn Beck is a charlatan. A clown. A buffoon. He belongs on a second tier stage in Vegas, and he very well may end up there, some day. He is not dangerous, but his ability to exploit the legitimately angry dispossessed reveals something that is dangerous. Decades of right wing economic policies have undermined unions, the middle class, the social safety net, and the sense that we are all in this together, moving into a better future.

Few believe their children or grandchildren will inherit a better world. People are afraid, and they don't understand why they are afraid. And while Glenn Greenwald is correct that by not seizing the mantle of populism, the Democrats have created a void that was ripe for exploitation, that inevitable exploitation has come to be personified by the likes of Glenn Beck. He disseminates lies and disinformation, preying on the vulnerable, distracting them from even beginning to be able to grasp the real reasons why their dreams seem more and more illusory, and their ability to maintain even a basic sense of security and comfort more and more tenuous.

Dana Milbank is about to publish [a book on Beck](#), and the poor guy did his research. Presumably, afterward, he had to sterilize himself with turpentine and kerosene. In an article in the [Washington Post](#), over the weekend, he provided a brief summary of what he has learned about Beck. And he began by recounting an anecdote from Beck's 2003 memoir. Beck admits to having been strongly influenced by Orson Welles, who used to travel around Manhattan in an ambulance. The sirens were screaming not because Welles was ill, but because it was a good way to beat traffic.

Milbank:

Most of us would regard this as dishonest, a ploy by the self-confessed charlatan that Welles was. Beck saw it as a model to be emulated. "Welles," he writes, "inspired me to believe that I can create anything that I can see or imagine."

But as Milbank points out, Welles was an admitted charlatan. First and foremost, he was a showman, one of the rare filmmakers about whom the word "genius" legitimately applied. Welles was the master of illusion, making magic of manipulation. For the most part, he used that genius and mastery to entertain and create art, although it famously got well out of hand with his War of the Worlds radio broadcast. But Beck casts himself as something genuine. He cries as if he's capable of genuine sympathy and empathy. But his manipulations and machinations are not merely for entertainment, and they're not even merely for self-aggrandizement. First and foremost, they are used to enforce and reinforce the very political and economic structures that subjugate the people whose alienation and disillusionment find false solace in the theatrical rantings of people like Beck.

Milbank:

I was reminded of Beck's affection for deception as he hyped his march on Washington -- an event scheduled for the same date (Aug. 28) and on the same spot (the Lincoln Memorial) as Martin Luther King Jr.'s iconic march 47 years ago. Beck claimed it was pure coincidence, but then he made every effort to appropriate the mantle of the great civil rights leader.

King, the peacemaker. The adherent to the principles of Gandhi. The man who wrote and lived "[Strength To Love](#)." And then, there's Beck, who says he chose the date of his rally without even knowing its historical significance, attributing the coincidence to "divine providence." And the most disturbing part is that some people apparently believe him.

As Beck attempts to turn the world inside out and upside down by claiming the mantle of a movement he probably would have opposed, and whose means he is too small even to begin to comprehend, Milbank lists some of Beck's greatest moments as a champion of civil rights.

- As a radio host, performed an on-air skit that mocked a stereotyped Asian accent, forcing his station to apologize.
- On CNN, while interviewing Rep. Keith Ellison, the first Muslim elected to Congress, demanded proof that Ellison isn't working with "our" enemies.
- Called President Obama a "racist" who has a "deep-seated hatred for white people."
- Claims Obama was elected because he isn't white.
- Claims Obama is moving us into slavery.
- Asserted that the president's very name is Un-American.
- Claims Obama seeks reparations from white America, to "settle old racial scores."
- Has claimed Obama is tied to or influenced by "radical black nationalism" and "Marxist black liberation theology" and the New Black Panther Party, which Beck claims is part of Obama's "army of thugs."

It would almost be funny if so many didn't take it seriously. And if their taking it seriously wasn't part of a deeply disturbing hidden agenda. As [Frank Rich](#) explained, last Sunday:

There's just one element missing from these snapshots of America's ostensibly spontaneous and leaderless populist uprising: the sugar daddies who are bankrolling it, and have been doing so since well before the "death panel" warm-up acts of last summer. Three heavy hitters rule. You've heard of one of them, Rupert Murdoch. The other two, the brothers David and Charles Koch, are even richer, with a combined wealth exceeded only by that of Bill Gates and Warren Buffett among Americans. But even those carrying the Kochs' banner may not know who these brothers are.

Their self-interested and at times radical agendas, like Murdoch's, go well beyond, and sometimes counter to, the interests of those who serve as spear carriers in the political pageants hawked on Fox News. The country will be in for quite a ride should these potentates gain power, and given the recession-battered electorate's unchecked anger and the Obama White House's unfocused political strategy, they might.

All three tycoons are the latest incarnation of what the historian Kim Phillips-Fein labeled "Invisible Hands" in her prescient 2009 book of that title: those corporate players who have financed the far right ever since the du Pont brothers spawned the American Liberty League in 1934 to bring down F.D.R. You can draw a straight line from the Liberty League's crusade against the New Deal "socialism" of Social Security, the Securities and Exchange Commission and child labor laws to the John Birch Society-Barry Goldwater assault on J.F.K. and Medicare to the Koch-Murdoch-backed juggernaut against our "socialist" president.

And Rich referred to the [chillingly essential article](#) on the Kochs, by Jane Mayer in *The New Yorker*.

As their fortunes grew, Charles and David Koch became the primary underwriters of hard-line libertarian politics in America. Charles's goal, as Doherty described it, was to tear the government "out at the root." The brothers' first major public step came in 1979, when Charles persuaded David, then thirty-nine, to run for public office.

They had become supporters of the Libertarian Party, and were backing its Presidential candidate, Ed Clark, who was running against Ronald Reagan from the right. Frustrated by the legal limits on campaign donations, they contrived to place David on the ticket, in the Vice-Presidential slot; upon becoming a candidate, he could lavish as much of his personal fortune as he wished on the campaign. The ticket's slogan was "The Libertarian Party has only one source of funds: You." In fact, its primary source of funds was David Koch, who spent more than two million dollars on the effort.

Many of the ideas propounded in the 1980 campaign presaged the Tea Party movement. Ed Clark told *The Nation* that libertarians were getting ready to stage "a very big tea party," because people were "sick to death" of taxes. The Libertarian Party platform called for the abolition of the F.B.I. and the C.I.A., as well as of federal regulatory agencies, such as the Securities and Exchange Commission and the Department of Energy. The Party wanted to end Social Security, minimum-wage laws, gun control, and all personal and corporate income taxes; it proposed the legalization of prostitution, recreational drugs, and suicide. Government should be reduced to only one function: the protection of individual rights. William F. Buckley, Jr., a more traditional conservative, called the movement "Anarcho-Totalitarianism."

That November, the Libertarian ticket received only one per cent of the vote. The brothers realized that their brand of politics didn't sell at the ballot box. Charles Koch became openly scornful of conventional politics. "It tends to be a nasty, corrupting business," he told a reporter at the time. "I'm interested in advancing libertarian ideas." According to Doherty's book, the Kochs came to regard elected politicians as merely "actors playing out a script." A longtime confidant of the Kochs told Doherty that the brothers wanted to "supply the themes and words for the scripts." In order to alter the direction of America, they had to "influence the areas where policy ideas percolate from: academia and think tanks."

Of course, legalizing drugs and prostitution and opposing gun control appeals to many, across partisan and ideological bounds. But it's not a stretch to assume that the brothers aren't helping fund organizations such as NORML. They are, however, helping fund climate denialism, which is what you would expect from oil industry billionaires. And while eliminating income taxes and campaign finance laws would greatly benefit billionaires, it would spell the end of the government's ability to check abuses by rapacious industries such as oil, health insurance, and banking, and it also would mean the end of even a semblance of a social contract. It also would mean the effective end of democracy, the new royalty and aristocracy being corporate plutocrats such as Rupert Murdoch and the Koch brothers.

Little wonder, then, that the brothers are helping fund phony movements now fronted by the likes of Glenn Beck. Because people like Beck wouldn't be capable of mobilizing masses of the manipulated, if not for the power of a propaganda shop disguised as a cable news network, and the financial backing of meticulously calculating billionaires whose real goals are mostly about coalescing their own wealth and power at the expense of the very people they are attempting to manipulate into serfdom. Beck is the front. The clown. The distraction. Behind Beck and his ilk lies the money trail. As Mayer concluded her article:

The Kochs have long depended on the public's not knowing all the details about them. They have been content to operate what David Koch has called "the largest company that you've never heard of." But with the growing prominence of the Tea Party, and with increased awareness of the Kochs' ties to the movement, the brothers may find it harder to deflect scrutiny. Recently, President Obama took aim at the Kochs' political network. Speaking at a Democratic National Committee fund-raiser, in Austin, he warned supporters that the Supreme Court's recent ruling in the *Citizens United* case -- which struck down laws prohibiting direct corporate spending on campaigns -- had made it even easier for big companies to hide behind "groups with harmless-sounding names like Americans for Prosperity." Obama said, "They don't have to say who, exactly, Americans for Prosperity are. You don't know if it's a foreign-controlled corporation" -- or even, he added, "a big oil company."

Don't worry about Glenn Beck. Popular history will forget him. He's not a significant political player, and he's not a memorable entertainer. But the people hiding behind Beck and his ilk must be raised to public consciousness. Because so many of the Tea Party faithful don't even know who is promoting what they have been duped into believing is their cause, and certainly don't know the real cause they are being duped into promoting. Most of them

are being played for suckers. To the financial backers of Beck and his ilk, most Tea Partiers are but another demographic group to exploit. It would be good for them and for the nation and the world if they ever figured that out.

News stories of peaceful activists being arrested for absolutely no grounds whatsoever are increasing in numbers nationwide. State Police putting harmless activists' names on terror lists not only here in America, but also Canada and other countries. The law enforcement apparatus are also spying on those "terrorist" devoted to such dangerous wide ranging causes such as promoting human rights and establishing bike lanes! Ridiculous stories abound around our nation such as "woman arrested for reading the constitution", "arrested for slogan on T-shirt", "arrested for standing on the wrong place", "hundreds of people being arrested for taking pictures", "arrested for looking at or filming a police officer", the stories go on and on. Don't tase me bro! All activists arrested have ALL been peaceful law abiding citizens just wanting answers. The writing is on the wall, it is very clear: little by little **all activists that are not aligned with the "official fairy tales" will increasingly be viewed as hostile threats to the security of our police state.** All perpetrators will eventually be considered as hostile enemy combatants and dealt with accordingly. Interesting how we are continually witnessing the same police forces that are **arresting peaceful protesters** on one day, then the next day they are **protecting extremist groups!**

What is wrong with this picture?

Have you ever noticed that the past several years lots of programming has dominated television were there documentary type shows focus on prison life, drug users/law enforcement shows. There is a purpose behind this type of PROGRAMMING. It is called "**priming**" and the population is being primed, as in getting accustomed to seeing their fellow man arrested and incarcerated. So as to DESENSITIZE everyone to seeing their neighbors surveillanced, pursued, chased, criminalized, imprisoned and executed. You are all also being trained to become the local eyes of big brother on the streets. Obama administration has been pushing the citizens watch program and enlisting citizens patrols and army.... Folks, everything I reveal is derived from what is happening all around you, I don't make this stuff up. You only need to "restore your sight" for even though people have eyes, they are blind thus have no clue what IS REALLY HAPPENING in their midst.

Credential bearing reporters jailed while covering protest - [Video](#)

Another typical headline: "Los Alamos Physicist's Property Seized By FBI." Federal agents have seized six computers, two cameras, two cell phones and hundreds of files from a Los Alamos, N.M., **physicist who for two decades has criticized the government's nuclear agenda as misguided.** In other words, this *once* respected scientist was put on a "terrorist" list and overrun due to his OPPOSITION TOWARDS the GOVERNMENT'S obviously misguided agendas. This is it folks, anyone who is not a card carrying member of the ruling elite and comes out as a whistle blower, informant, activists, protester, etc. exposing government wrong doing and resisting their crimes will receive the full backlash of our most benevolent wonderful government.

In the old Soviet Union, Nazi Germany and Mao's China, the police main job was NOT fighting crime. In totalitarian governments the police are political enforcers or commissars as they were known in Russia. It is their job to spy on the public and to intimidate the exercise of freedom of speech. Once a climate of fear is achieved, the public begins to self censor, to shut down. Once the people have been intimidated the begin to withdraw from the field of intellectual battle, the tyrants have a free hand to expand the repression and looting of the helpless serfs.

The Militarization of Our Police - [Video](#)

With the introduction of the Patriot Act, the Military Commissions Act, the "improved" Insurrection Act, Violent Radicalization and Homegrown Terrorism Prevention Act, dozens of Executive Orders, House Resolutions, Hate Speech Crime laws, Thought Crimes Act, Fairness Doctrine, Civil Disturbance Plan 55-2, renewed enforcement of the Sedition Act., etc., our world as we had come to know it has officially ENDED. **We are now ALREADY officially living in a police state they have yet to begin full all out enforcement of the new "laws"**. All the new laws for a 100% police state ARE IN PLACE RIGHT NOW in the testing stages for enforcement. In the good ole U.S. of A, we are all suspects now.

The Martial Law Mind-Set

by **William Norman Grigg**

While Archimedes is rightly revered for his many imperishable contributions to science, he could also be considered the first recorded victim of lethal police brutality.

A native of Syracuse, Archimedes did his considerable best in the doomed but worthy effort to repel Roman invaders. Following the conquest, Roman soldiers were dispatched to "pacify" the restive streets of the newly conquered city.

One afternoon, so the story goes, Archimedes was sitting inoffensively at the side of a street drawing geometric equations in the sand when some mouth-breather in Roman military garb trod heedlessly on the improvised tablet, ruining the elderly scientist's calculations.

By this time, the venerable physicist was in his ninth decade, and he saw no point in enduring this act of thoughtless vandalism by an armored imbecile to pass without protest.

"Please don't disturb my circles," Archimedes insisted in what was probably a direct but polite tone of voice.

Like law enforcement officers who would follow in his footsteps – albeit in jackboots rather than sandals – the Roman soldier took offense that a mere civilian, and an elderly one at that, would demand deference from someone wearing the uniform and insignia of authority.

If the technology had been available, the Roman quite likely would have given Archimedes a "ride on the Taser." Instead, the thug withdrew his sword and summarily killed him.

Some might object that this crime was committed by a soldier in an occupying army, not by a civilian police officer. That objection has merit, if only to underscore what should be an obvious fact: Our militarized government police force is an army of occupation.

It makes little difference whether law enforcement personnel are of the federal or "local" variety, or whether they are dressed in quasi-civilian attire or kitted out in full paramilitary drag. **American civilians are generally expected to render to law enforcement personnel the kind of docile submission** that Archimedes – at the price of his life – refused to offer the Roman soldier who was patrolling his neighborhood in Syracuse.

Under the martial law mind-set, civilians are to give instant and unqualified obedience to any armed individual in a state-issued costume. I had plenty of experience with this attitude while living in Guatemala under martial law following the 1983 military coup that ousted CIA-installed President Efraim Rios Montt.

Anybody who has spent any time in airports since 9-11 will likewise recognize that mentality. And Portuguese-born Canadian citizen Desiderio Fortunato can testify about the treatment one can expect if he insists on rudimentary courtesy from the anencephalic knuckle-draggers who act as border guards for the Department of Homeland Tyranny.

Mr. Fortunato resides in British Columbia and maintains a part-time home in Washington State. He regularly crosses the border separating **quasi-socialist Canada into the quasi-fascist U.S.A.**

Like many people, he resents being treated like a criminal or a domesticated animal; unlike most, he actually does something about it – specifically, he insists that border guards display a particle of courtesy when issuing instructions to people driving through the border crossing.

This takes a certain admirable temerity of the sort one wouldn't expect in a 54-year-old professional jazz dancer, but such is Fortunato's honest profession, and such is his disposition.

According to Fortunato, he has often chided Canadian border guards by asking them to say "please" when telling him to shut off his motor or perform other tasks. This request is generally honored, often with a sheepish grin – on the *Canadian* side of the border, that is.

Last week, during a crossing into the United States, Fortunato was gruffly instructed to turn off his engine by a tax-fattened time-server.

"Excuse me sir – `please,'" Fortunato replied. It would have taken a tiny fraction of a single second to honor that reasonable request. But had the border guard done so he would have been deferring to a mere mundane, someone not clad in the sacred vestments of the Most High and Holy State. So the ill-tempered drudge escalated his demands, finally threatening to assault Fortunato with pepper spray.

Fortunato – showing that, in the language of Louis L'Amour, he had more "sand" than an entire concert hall full of Republican Chickenhawks – stood his ground. So the thug pepper-sprayed him, and, with the help of several of his fellow trough-swillers, gang-tackled and handcuffed the middle-aged professional dancer. Fortunato was held for three hours before being released – without apology – into Canada.

Let's be clear about something: ***This had absolutely nothing to do with protecting the borders of the United States from terrorists or any other threat.*** An actual terrorist would go out of his way to be inconspicuous. The assault on Fortunato was intended to punish him for failing to display proper submissiveness to the Man In The Uniform.

"Our officers will give direct *orders* or *commands* to passengers," explained Mike Milne, a spokesdrone for the Customs and Border Protection (CPB) agency. "It is the obligation of the passenger to be *compliant* with those." (Emphasis added.) The same point was made by Tom Schreiber, CPB *Staffelführer* in Blaine, Washington: "This is not a situation where we're asking; this is a situation where we're *ordering* you to do that." (Emphasis added.)

Once again: **Whenever a civilian is told that he is subject to the "orders" of someone in uniform, martial law exists.**

A few weeks before Fortunato was treated to a chemical-weapon assault by the heroic guardians of our sacred northern frontier, a photographer named Robert Taylor (no, not that Robert Taylor) was accosted by a police officer while attempting to take a photo of a train.

"The cop wanted my ID, and I showed it to him," Taylor told the *New York Times*. "He told me I couldn't take the pictures. I told him that's not true, that the rules permitted it. He said I was wrong. I said, `I'm willing to bet your paycheck.'"

Of course, Taylor was right and the tax-gobbler was wrong: The photographer was able to call up the relevant transit authority rule on his BlackBerry. But that didn't end the matter, of course.

A police sergeant materialized and immediately began lying on behalf of his subordinate: The sergeant insisted

that *their* rules were different from those of the transit authority, a claim intended – once again – to get Taylor to yield to those garbed in the accoutrements of the State's priestly caste.

Taylor wasn't having any of it. "I [told the sergeant], 'If you feel I'm wrong, give me a summons and I'll see everyone in court.' The sergeant told them to arrest me." The photographer was handcuffed and given a batch of summonses, all of them spurious and most of them quickly dismissed.

The one significant charge the police insist on pressing is "disorderly conduct," which supposedly took the form of speaking to the officers in an "unreasonable voice." "Unreasonable" in this instance refers to a tone of voice other than one associated with timid, cringing submission.

This is the same supposed offense that got Archimedes killed, and led to the assault on Desiderio Fortunato: Mr. Taylor refused to behave like a whipped dog when confronted by an armed bureaucrat. In fact, he insisted on treating the officers as *equals before the law*, rather than *the incarnation of The Law*.

Martial law exists anywhere an individual can find himself arrested, assaulted, or murdered simply for insisting on being treated as a free man. The 2006 murder of Michael Kreca in San Diego provides the most compelling example I've seen that such a condition exists – albeit in a latent form – wherever government police are found.

Kreca, a gentle and unassuming man and accomplished writer specializing in freedom-related issues, was walking in Sorrento Mesa one morning in when he was accosted by two police officers – Officer Samantha Fleming and Sgt. Elmer Edwards – who claimed they had heard gunshots. Kreca replied that he had not been shooting and hadn't heard gunfire.

He consented to a body search (during which his arms were physically restrained by the officers) that turned up, in the waistband of his baggy casual clothes, a 9mm pistol the Navy veteran carried for personal protection.

According to the official police account, Officer Fleming told Kreca that she was going to handcuff him "for her safety."

"No, you're not going to do that," replied Kreca. "Let me go; I want to leave."

Bear in mind that Kreca had consented to a pat-down search, something he wouldn't have done if he harbored violent intentions toward the officers. They had no reason to treat Kreca as a threat, much less to arrest him – apart from the arrogant assumption, typical of their professional tribe, that a civilian in possession of a firearm is a "threat."

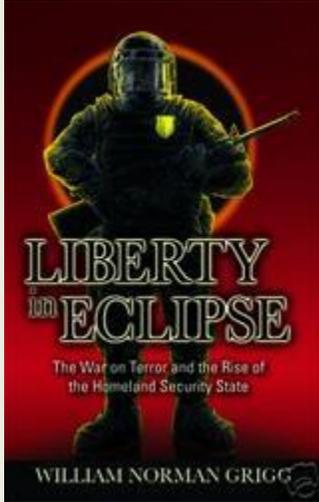

As Kreca tried to leave, a needless and pointless scuffle ensued. It ended when Sergeant Elmer Edwards valiantly placed his gun against Kreca's chest and fired twice, killing him.

Predictably, an official inquiry found that Sgt. Edwards "acted within the law," since California statutes permit police "to use deadly force to protect themselves and members of the public from serious injury or death...." The same report by the District Attorney acknowledged that "Irrespective of any laws applicable to situations where peace officers use deadly force in accomplishing their duties, the law of self-defense is available to any person" and that homicide is justifiable "when resisting an attempt by a person to commit grave bodily injury or to kill any person."

This observation was intended as a supplemental defense for the officers who murdered Kreca, since Sgt. Edwards insisted that he was afraid Kreca was reaching for his gun. This made no sense, given that Kreca was confronting two armed individuals and hadn't resisted at all until the police threatened to shackle him.

And it shouldn't be forgotten that the kill-shots were executed with the *gun in the victim's chest*, not by an officer diving for cover in fear for his or her life.

Furthermore, after the police murdered Kreca they found that his gun wasn't loaded – which means that he couldn't have shot them even if he had wanted to. So the "justifiable homicide" defense here is based on the subjective impression on the part of Sgt. Edwards that Kreca was going to shoot him and his partner with an empty gun. That assumes, of course, that Edwards' account of the shooting itself wasn't perjury, which is never a safe assumption in incidents of this kind.

Kreca had much more to fear from the police than they had to fear from him. The proof of this proposition resides in the simple fact that he is dead, and his murderers continue to pollute the earth.

"The truth is told by whoever is left standing," explained Tom Zarek, *Battlestar Galactica's* resident arch-Machiavel, after he presided over the massacre of his political opponents. Kreca is dead, his **murderers agree on a cover story, and those with the authority to prosecute the crime have accepted that account as the "truth."**

In practically every jurisdiction in this once-free land, it is a "criminal offense" – and often a felony – to disarm a "peace officer." Why isn't it a crime to disarm a law-abiding citizen?

Michael Kreca's only "**crime**" in this affair was **his failure to display the docility of an ancient Spartan helot** – that is, a member of class not protected by law, and subject to summary execution at the whim of the *Krypteia* (ancient Sparta's militarized secret police).

Every encounter between civilians and the state's armed enforcers has the potential to escalate into an episode of state-inflicted lethal violence. If we permit them – and only our principled resistance, peaceful where possible, but forceful where necessary, is the only thing that will stop them – those who presume to rule us intend to reduce us to abject helotry. And **the question is not whether this will happen, since it's already taking place.**

Police State III: Total Enslavement - Video

Yet another building block added to the **construction of the open air concentration camp country** are the whole barrage of liberty reducing laws is currently in the channels, here is yet another: US House Resolution 1955 (the **Thought Crime Prevention Bill**) entitled "**Violent Radicalization and Homegrown Terrorism Prevention Act of 2007**" for instance. The vote has passed with a landslide in the House of Representatives 404 to 6 (virtually no opposition from anyone!), wait and see: seems like the Senate will also pass it into law without a whimper... to best summarize what this new law would mean, I think Ward Churchill sums it up best:

"HR 1955, as I understand it, provides a basis for subjective interpretation of dissident speech that allows those in power to criminally penalize anything they consider to be particularly effective in terms of galvanizing an opposition that might conceivably in some sense disrupt or destabilize the status quo, so it's to keep everything in that nice sanitized arena that I was just talking about where you're actually a collateral functionary of the state by participating".

In other words: your freedom of speech is not only worthless, this Bill criminalizes any act of, or promotion of, anything the Government interprets to be "radical" or "extremist."

It is happening right now, people are silently being incarcerated for thought crimes and the mass media is MIA. Civil liberties advocate Tessa Mayes said of a recent case where someone was jailed for just joking out loud: "Making jokes about terrorism is considered a thought crime, mistakenly seen as a real act of harm or intention to commit harm."

The newest addition to the onslaught of signing statements and Acts is now being brought to the table by your new loving caring president Obama. Here for your enjoyment is his nice sounding piece of legislation H.R. 1388 given the title: The Generations Invigorating Volunteerism and Education (GIVE) Act. 321 representatives of the people voted approval for this legislation which, among many other things, strikes a blow to the rights of people to mount any protests against legislation. Listen closely, **it outlaws the right to mount protests against proposed legislation!** This act is being presented as part of Obamanator's goal of establishing a national service program.

The Criminalization of Protest

Police and politicians ignore the First Amendment when we need it the most.

Radley Balko from the January 2010 issue

I've lived in the Washington, D.C., area for the better part of the last 10 years. So I've seen my share of demonstrations, although more often than not I just try to avoid the traffic nightmares they cause. Among the various classes of protests—pro-life, anti-war, environmental, and now tea parties—the most destructive are the anti-globalization marches. So when cops clashed with anti-globalization demonstrators at the Pittsburgh G-20 summit in September, it was easy to assume that most of the altercations represented justified police responses to overzealous protesters.

But a number of disturbing photographs, videos, and witness accounts told a different story. Along with similar evidence from other recent high-stakes political events, they reveal an increasing, disquieting willingness to smother even peaceful dissent.

On the Friday afternoon before the G-20 meeting kicked into high gear, a student at the University of Pittsburgh snapped a photo showing a University of Pittsburgh police officer directing traffic at a roadblock. What's troubling is what he's wearing: camouflage military fatigues. It's difficult to discern a practical reason why a man working for an urban police department would need to wear camouflage, especially while patrolling an economic summit. He's a civilian dressed like a soldier. The symbolism is clear, and it affects the attitudes of both the cops wearing the clothes and the people they're policing.

The campus cop wasn't alone. Members of police departments from across the country came to Pittsburgh to help during the summit, most of them dressed in paramilitary garb. In one widely circulated video, several officers dressed entirely in camouflage emerge from an unmarked car, apprehend a young backpack-wearing protester, stuff him into the car, and drive off. The sequence evoked the "disappearances" associated with Latin American dictatorships or Soviet Bloc countries. When Matt Drudge linked to the video, he described the officers in it as members of the military. They weren't, but it's easy to understand how someone might make that mistake.

In another video, members of a police unit from Chicago who took vacation time to work at the summit prop up a handcuffed protester and gather behind him. Another officer then snaps what appears to be a trophy photo. Two men in faraway Queens were arrested for posting the locations of riot police on Twitter, as though they were revealing the location of troops on a battlefield. Another video shows dozens of police in full body armor confronting and eventually macing onlookers (who weren't even protesters) in the neighborhood of Oakland, far from the site of the summit, as a recorded voice orders any and all to disperse. Students at the University of Pittsburgh claim cops fired tear gas canisters into dorm rooms, used sound cannons, and shot bean bags and rubber bullets.

The most egregious actions took place on September 25, when police began ordering students who were in public spaces to disperse despite the fact that they had broken no laws. Those who moved too slowly, even from public spaces on their own campus or in front of their dorms, were arrested. A university spokesman said the aim was to break up crowds that "had the potential of disrupting normal activities." Apparently a group of people needn't actually break any laws to be put in jail. They must only possess the "potential" to do so, at which point not moving quickly enough for the cops' liking could result in an arrest. That standard is a license for the police to

arrest anyone anywhere in the city at any time, regardless of whether they've done anything wrong. In all, 190 people were arrested during the summit, including at least two journalists.

It can't be easy to both keep order and protect civil liberties at such events. But that doesn't mean police and city officials shouldn't be expected to try. Yes, some protesters damaged some property at the G-20 summit, although there wasn't much of that this time around. But the presence of a few unruly demonstrators doesn't give the police carte blanche to crack down on every young person in the general vicinity, nor should it give the city free rein to suppress all public protest. It's unfortunate that when the global press and the leaders of the world's 20 largest economies came to Pittsburgh, the images that emerged were not of a society that values free expression and constitutional rights but of one willing to grant police powers normally seen in authoritarian states.

This projection of overwhelming force at big events is becoming more common. At last year's Republican National Convention in Minneapolis, police conducted preemptory raids on the homes of protesters before the convention began. In all, 672 people were jailed, including at least 39 journalists. According to the Minneapolis *Star-Tribune*, 442 of those 672 later had their charges either dropped or dismissed.

Four years before that, more than 1,800 people were arrested at the previous Republican National Convention in New York City. Ninety percent were never charged with a crime. One notorious photo from the 2008 Democratic National Convention in Denver shows a small mass of protesters, zoned far off from where any delegates or media representatives could hear them, surrounded by two walls of riot police who outnumbered them at least 2 to 1. Denver's police union later issued a commemorative T-shirt of the event emblazoned with an illustration of a menacing cop wielding a baton and the slogan, "We get up early to beat the crowds."

The trend may have started at the 1999 World Trade Organization summit in Seattle, which saw both actual rioting and police overkill. Mayor Paul Schell not only declared a state of emergency, imposed a curfew, and designated swaths of the city "no-protest" zones; he actually banned civilian possession of gas masks. Police then gassed entire city blocks. The victims included many owners of the stores the police were ostensibly protecting from looters. Assistant Police Chief Ed Joiner, who was in charge of security for the event, would later tell reporters that future summits should be held only in destinations with military governments.

These are precisely the kinds of events where free speech and the freedom to protest need protection the most: when influential figures make high-level decisions with far-reaching consequences. Instead, we see the opposite. The higher the event's profile, the more powerful the players involved, and the more important the decisions being made, the more determined police and politicians are to make sure dissent is kept as far away from the VIPs as possible. Or silenced entirely.

Official Future Designated **Free Speech Zone**:

The ruling elite have been rapidly consolidating an infrastructure of repression to "suppress rebellion" against their authority. Or more conveniently put, to suppress "rebellion against the authority of the United States". And so, as the PentaCON Inc. increases its imperialistic violence around the world, the chickens have indeed come home to roost here in America in the form of a national security doctrine obsessed with domestic "insurgency" and the need to preemptively neutralize it. Its' code name: "Garden Plot" (re: [The War At Home](#)).

Read the local news from around the country for example a Washington Post headline reads "[Md Police Put Activists' Names On TERROR LISTS](#)" I don't make this stuff up folks. I just provide you the cold hard to swallow FACTS. For instance did you know that a staggering 1,600 "qualified" names are added daily for the FBI's terrorist watch list, as reported by the Washington Post. As of November 2009 according to the FBI, there are 400,000 unique names and over 1 million, entries; "terrorists" being watched here in America. The UK who are ahead of us in establishing an open air police state classifies ECO activists as 'extremists' alongside Al-CIAda.

Headline: "[Lawsuit Planned After Protesters put on Terror List](#)"

There are hundreds of events that have occurred over the years and will continue to increase where the peaceful activists and protesters are being arrested. Thousands upon thousands have already been booked under the "terrorism" statutes that have no reason being treated as such.

Immigration and Customs Enforcement (ICE) tells reps from the MPAA that it plans to "target the new threats enabled by the Internet in the same way that we have targeted 'hard goods' in the past." The federal govt seems to be buying into the hair brained MPAA notion that illegal file-sharing is supporting terrorism and criminal gangs!

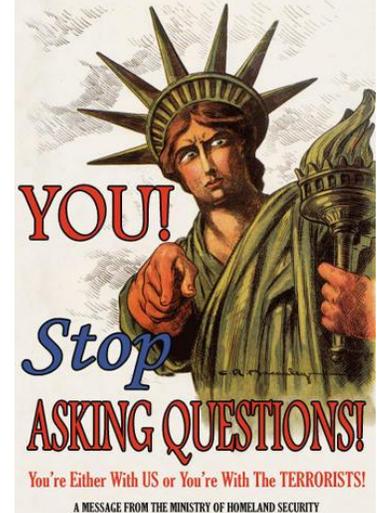

As the government gets away with more and more bizarre abuses such as these, the more often you will see it happen, **until it becomes common place**, acceptable, prevalent and **customary EVERYWHERE** as "normal" as per their priming modus operandi. The same way you will eventually become used to seeing our streets patrolled by MILITARY SOLDIERS... in due course these are to become the "**new norms**" **your children will grow up to accept as normal**.

"Madison, an anarchist and prolific writer, seems to have drawn the attention of New York's U.S. Attorney's office after he was arrested in a Pittsburgh motel room on September 24 for legally listening to a police scanner and then tweeting the information. During the G-20 summit, heavily armed police officers reacted to the anti-globalization protesters with tear gas, sonic weapons, rubber bullets and mass arrests. Madison was in jail during the height of the confrontation, charged with criminal use of a communication facility.

When protesters in Iran similarly used Twitter to organize anti-government rallies, the U.S. State Department hailed the micro-blogging service as a boon to democracy."

The instances of retribution against champions of truth whom expose the activities of illuminati ruling elite have been dramatically escalating the past couple of decades. The true patriots are being attacked with alarmingly more frequency, arrested or even assassinated. There is no clearinghouse documenting the number of assaults and silencing ops against the true patriots, but I bet they are in the tens of thousands. For the sake of illustration I will name a couple of recent cases of what can happen to you if you get too close, here are a few off the top of my head:

- **Michael Cook** a school teacher, who accused George Bush of being complicit in the 9/11 attacks. After sharing his views he was promptly incarcerated and determined to be a "mental case"! **Confined to state care**

in mental institutions! This is a perfectly normal intelligent educator who has been caught up in a staggering surreal nightmare imposed on him by our government for his efforts to expose the establishment.

- **Mike Ruppert** (his website: [From The Wilderness](#)) was a former LAPD narcotics detective who exposed CIA drug smuggling operations. His efforts to expose the CIA were met with all sorts of retribution from the agency. His offices rampaged and his life turned upside down, after constant increasingly harmful attacks he finally felt that his life was in danger, thus was forced to give up all his belongings, websites and truther activities and **leave the country**.
- **Martin Armstrong**, world renown economist and America's #1 Political Prisoner, author of the [Economic Confidence Model](#), former chairman of Princeton Economics International and The Foundation For the Study of Cycles. He was in jail for **seven** years for contempt of court before pleading guilty in 2007 to the fraud charge for which he received an additional **five** year prison term. **Armstrong's legal problems started when he failed to play ball with "The Club"**. His imprisonment is one of the longest under a [contempt of court order without a trial](#). Coincidentally, prior to his guilty plea, his final appeal for release (relating to indefinite imprisonment for contempt of court) was **denied** by (recently promoted) U.S. Supreme Court Justice Sonia Sotomayor. This particular patriot and political prisoner is extremely important due to his INSIDER KNOWLEDGE of the economic/financial system. The moment he got out of line and tried to expose his overlords he was immediately death with. If there is one single person on this list that I had to recommend that you take some time to read their works and research it would have to be Martin Armstrong. I believe what he has to say is extremely important. His official website is: <http://armstrongeconomics.com> The website that I recommend you checkout before the powers that be make it disappear is: www.martinarmstrong.org This website has some of his most explosive revelations, essays including "Behind the Curtain – The Full Monty", "Behind the Curtain II." The official Source of Essays is [Kris Scribd Blog](#) These essays are typed on a manual typewriter, collected from prison by family members. Mr. Armstrong does not have direct access to the internet other than through friends and family members.
- **Ernst Zündel** published some of the most accurate and best exposes about the holohoax. He was so excellent at exposing the truth behind the Holocaust™ myth that the Zionist powers that be targeted him for neutralization/retribution. On February 5, 2003, Zündel was detained by U.S. police and deported to Canada, where he was detained for two years on a bogus "Security Certificate" for being a "foreign national alleged to be a threat to national security" pending a court decision on the validity of the certificate. Once the certificate was upheld and Zündel was railroaded as national security risk, he was deported to Germany and tried in the state court of Mannheim on outstanding charges of **incitement for Holocaust™ denial** dating from the early 1990s. On February 15, 2007, he was convicted and sentenced to the maximum term of five years in prison.
- **William Cooper** an ex navy military man that once held high level security clearance to classified information, turned on his military masters and became a "conspiracy theorist" confronting many of big brother's works such as the IRS, ATF, JFK assassination, UFOs, New World Order, and so forth. Until the fateful day he was lured out of his home by use of subterfuge were he was provoked into a gun fight in which Cooper was **shot dead**, silenced forever.
- **Fritz Springmeier** is known by some as probably the world's foremost authority on the bloodlines of the illuminati and the techniques they employ to create mind controlled slaves. He has written several books and done several videos. Up until he was setup on **bogus bank robbery charges**, where all news footage, reports, transcripts and evidence have vanished. He remains incarcerated to this very day.
- **Philip Schneider** an ex-government structural engineer who was involved in building underground military bases around the United States. In the two years before he died, Schneider lectured about government cover-ups, [black budgets](#), and UFOs. He offered artifacts from crashed crafts made from ecsotic metals. He even survived an attempt on his life and killed an assassin. They eventually got him, Schneider was found dead in his apartment on January 17, 1996. The official report claimed suicide, when in reality he was **tortured and killed**.

- **Christopher Bollyn** a freelance journalist famous for exposing the truth behind the attacks of September 11th. In May 2006 Mr. Bollyn was tazered, assaulted, arm broken and charged with “resisting arrest”, this was on his own property... after he called the cops about unmarked armed men circling his house. These later turned out to be FBI agents! All police tapes and videos of the assault have vanished. He was undergoing trial proceedings after being setup by FBI agents and faced imprisonment.
- **Danny Casolaro** a journalist, was investigating what he called “**The Octopus**”, a global, criminal, intelligence agency controlled conglomerate, black networks, Secret Team and a whole bunch of scandals. Apparently he was digging too deep, he received numerous warnings and death threats. Then one day according to “the establishment” he woke up ate breakfast and decided to “**suicide**” himself... but of course, nothing to see here folks, now run along and mind your own business.
- **Pat Tillman** abandoned a lucrative career in pro-football immediately after 9/11 because he felt a deep patriotic urge to defend his country, and was used as a poster child for the war on terror as a result. But when he discovered that the invasion of Iraq was based on a mountain of lies and deceit and had nothing to do with defending America, he became **infuriated** and was ready to return home to become an anti-war hero. Army medical examiners concluded Tillman was shot three times in the head from just 10 yards away, no evidence of "friendly fire" damage at scene, Army attorneys congratulated each other on cover-up, Wesley Clark concludes "orders came from the very top" to **execute** pro-football star because he was about to become an anti-war political icon. Until this very day the investigation of Tillman’s murder has been hampered by “near universal lack of recall.” Nothing to see here folks, go back to sleep... sleep.
- **Dr. David Graham** was trying to publish a manuscript about meeting three middle easterners in the Shreveport home of Jamal Khan, men he feared were plotting to bomb Barksdale Air Force Base. Then after Sept. 11, he saw their pictures among the hijackers. In his book “**The Graham Report: The true story of three 911 hijackers who were reported to the FBI 10 months before 911.**” He was supposed to testify against Jamal Khan who pled guilty to hiding large cash transfers to Pakistan, in an unusual plea deal the government stated that nothing in this deal would absolve Khan from any future prosecution regarding the attacks of September 11. Then the FBI claims that Dr. Graham never contacted them. Following a string of death threats, he was eventually **poisoned**. There was no official investigation into his death at all. Jamal Khan walks free, and disappears. Nobody knows nothing about anything.
- **Lyndon LaRouche** has spent decades exposing the works of the ruling elite. American self-styled economist, political activist, and the founder of several political organizations known collectively as the LaRouche movement. He maintains that the main groups behind the conspiracies are the Jews. LaRouche refers to this group as the "Zionist-British organism," and sees them as having "evolved through moral depravity and inbreeding into a separate species outside the human race." Yet several members of LaRouche's inner circle are themselves Jewish, (hmmm). In an attempt to silence him and stop his activities he was subsequently **railroaded on charges of credit card fraud and obstruction of justice**. He was subsequently imprisoned for several years.
- **Gary Webb** was a prize winning American investigative journalist best known for his 1996 "Dark Alliance" series of articles written for the *San Jose Mercury News* and later published as a book. Webb investigated Nicaraguans linked to the CIA-backed Contras who had smuggled cocaine into the U.S... The smuggled cocaine was then distributed as crack cocaine in Los Angeles, with the resultant **CIA profits** funneled back to the Contras. Webb also revealed that this influx of Nicaraguan-supplied cocaine sparked, and significantly fueled, the widespread crack cocaine epidemic that swept through many U.S. cities during the 1980s., **the CIA was involved up to its eyeballs in cocaine transactions and the large shipments of drugs into the U.S. by Contra personnel**. Credible sources who were close to Gary Webb have stated that he was receiving death threats, being regularly followed, and that he was concerned about strange individuals who were seen on multiple occasions breaking into and leaving his house before his apparent 'suicide'... In 2004 Webb was found dead with not one, but **TWO gunshots to his head** (huh?! Any forensics expert will tell you his is physically impossible, actually preposterous).... Of course this was determined to be a “**suicide!**” and his case

swiftly swept under the rug, nothing to see here folks, now run along. Oh, by the way, Gary was working on a new story concerning the CIA and drug trafficking, it never saw the light of day.

- **DC Madam Deborah Jeane Palfrey** former head of a Washington escort service that provided “escorts” to many of Washington’s top politicians predicted that “they” would “rape, beating, maiming, disfigurement and more than likely murder disguised in the form of just another jailhouse accident or suicide would await me.” She made it very clear that she was not suicidal and if she was found dead it would be murder. She adamantly proclaimed “NO I’m not planning to commit suicide, I’m planning on going to court and defending myself vigorously and **exposing the government.**” She threatened to release the names of well-known clients in the nation’s capital, also indicating that top dogs such as Dick Cheney may be among them. She was soon thereafter found hanging in a storage shed outside her mother’s mobile home... officials ruled it a suicide...

The above examples are but a drop in the bucket, for hundreds more can be added to the list. The thought police may lock up those who speak the truth, but the truth cannot be hidden forever. In the past couple decades there has **been an epidemic of alleged “suicides” of people who have gone up against the establishment.** The Clinton administration was one of the most intriguing, so much so that they left behind what is commonly referred to as “The Clinton Body Count” of which is included in this report, it is located in the addendum section. It is obvious, whoever gets too close to with truly damaging exposes have an uncannily extremely high mortality rate. It may seem there is no stopping them; big brother has been stripping you of all of your “**unalienable rights**”, you have but just two left: The right to shut up, crawl up into a fetal position and remain silent and: You have every right to be afraid, be very afraid... or you can go the route of true hero’s, patriots and martyrs: stand up for truth.

Growing Number of Prosecutions for Videotaping the Police

Prosecutions Draw Attention to Influence of Witness Videos

By RAY SANCHEZ, [ABC News](#) July 19, 2010

That Anthony Graber broke the law in early March is indisputable. He raced his Honda motorcycle down Interstate 95 in Maryland at 80 mph, popping a wheelie, roaring past cars and swerving across traffic lanes.

Anthony Graber was arrested for posting a video of his traffic stop on YouTube. But it wasn't his daredevil stunt that has the 25-year-old staff sergeant for the Maryland Air National Guard facing the possibility of 16 years in prison. For that, he was issued a speeding ticket. It was the video that Graber posted on YouTube one week later -- taken with his helmet camera -- of a plainclothes state trooper cutting him off and drawing a gun during the traffic stop near Baltimore.

In early April, state police officers raided Graber's parents' home in Abingdon, Md. They confiscated his camera, computers and external hard drives. Graber was indicted for allegedly violating state wiretap laws by recording the trooper without his consent.

Arrests such as Graber's are becoming more common along with the proliferation of portable video cameras and cell-phone recorders. Videos of alleged police misconduct have become hot items on the Internet. YouTube still features Graber's encounter along with numerous other witness videos. "The message is clearly, 'Don't criticize the police,'" said David Rocah, an attorney for the American Civil Liberties Union of Maryland who is part of Graber's defense team. "With these charges, anyone who would even think to record the police is now justifiably in fear that they will also be criminally charged."

Carlos Miller, a Miami journalist who runs the blog "Photography Is Not a Crime," said he has documented about 10 arrests since he started keeping track in 2007. Miller himself has been arrested twice for photographing the police. He won one case on appeal, he said, while the other was thrown out after the officer twice failed to

appear in court.

"They're just regular citizens with a cell-phone camera who happen to come upon a situation," Miller said. "If cops are doing their jobs, they shouldn't worry."

The ACLU of Florida filed a First Amendment lawsuit last month on behalf of a model who was arrested February 2009 in Boynton Beach, Fla. Her crime: videotaping an encounter between police officers and her teenage son at a movie theater. Prosecutors refused to file charges against Sharron Tasha Ford and her son.

Videotaping as a Tool for Citizens

"The police have cameras in their cars. I watch cops on TV," Ford said. "I'm very hurt by what happened. A lot of people are being abused by police in the same way."

Ford's lawyer, James Green, called videotaping "probably the most effective way to protect citizens against police officers who exaggerate or lie."

"Judges and juries want to believe law enforcement," he said. "They want to believe police officers and unless you have credible evidence to contradict police officers, it's often very difficult to get judges or juries to believe the word of a citizen over a police officer."

In Palm Beach County, Fla., Greenacres resident Peter Ballance, 63, who has Asperger's syndrome and has to record conversations to help his memory, settled a civil lawsuit for \$100,000 last year. In August 2005, police officers tackled and arrested Ballance for refusing to turn off his tape recorder.

"You know what," said the officer, according to court documents, "I still don't want that recording device on."

"Well, it's on," Ballance replied.

"It is a third-degree felony," the cop said. "If you want to push it, you can go to jail for it."

"Well, I'm pushing it now," Ballance said.

Ballance snapped pictures of the officers. One of the cops delivered a blindside tackle. Ballance had to be treated for injuries and cardiac symptoms at a hospital on the way to the county jail. At the hospital, officers refused to let Ballance use his recorders to communicate with doctors, court papers said.

In Portsmouth, N.H., earlier this month, Adam Whitman, 20, and his brother were charged with wiretapping, a felony in the state for videotaping police on the Fourth of July when they were called to a party and ended up arresting 20 people, many for underage drinking.

A police spokesman told ABCNews.com that the wiretapping charges were being dropped.

Witness Videos on the Rise

Across the country, arrests such as these highlight the growing role of witness video in law enforcement. A dozen states require all parties to consent before a recording is made if there is a "reasonable expectation of privacy." Virginia and New York require one-party consent. Only in Massachusetts and Illinois is it illegal for people to make an audio recording of people without their consent.

"The argument is, 'Well, can a police officer beside the highway have a private conversation with somebody that

they pull over?" said Joseph Cassilly, the Harford County prosecutor handling Graber's case.

Cassilly added, "Suppose a police officer pulled you over and he wanted to have a talk with you. 'Sir, I smell alcohol on your breath. Can you talk to me about how much you've had to drink? Would you want somebody else to stop by and record that and put it on the Internet?"

Rocah of the ACLU disagreed. "It's not that recording any conversation is illegal without consent. It's that recording a private conversation is illegal without consent," he said. "So then the question is, 'Are the words of a police officer spoken on duty, in uniform, in public a 'private conversation.' And every court that has ever considered that question has said that they are not."

Rocah said actual wiretapping prosecutions, though rare, are happening more frequently. But intimidation with the threat of arrest for taping the police is much more common.

"Prosecution is only the most extreme end of a continuum of police and official intimidation and there's a lot of intimidation that goes on and has been going on short of prosecution," he said. "It's far more frequent for an officer to just say, 'You can't record or give me your camera or give me your cell phone and if you don't I'm going to arrest you. Very few people want to test the veracity of that threat and so comply. It's much more difficult to document, much more prevalent and equally improper."

New Video, Old Debate

In many jurisdictions, the police themselves record encounters with the public with dashboard cameras in their cars.

"Police and governmental recording of citizens is becoming more pervasive and to say that government can record you but you can't record, it speaks volumes about the mentality of people in government," Rocah said. "It's supposed to be the other way around: They work for us; we don't work for them."

Graber's YouTube video, meanwhile, has helped renew the old debate about whether government has a right to keep residents from recording the police. There is even an "I support Anthony Graber and his right to freedom of expression" Facebook page with close to 600 friends.

"Suffice it to say that our client is terrified at the prospect of these criminal charges," Rocah said.

What is even more alarming is that in many places it is becoming increasingly becoming the norm for law enforcement to ARREST any law abiding citizen that records them. Folks, I don't make this stuff up. Little by little all your rights are being stripped from you. The days are quickly coming where you will not be able to defend yourself from wanton abuse and corruption in any way shape or form. In the not too distant future when the "man" comes ~~knocking on your door~~ bursting your front door down, pick up a video camera and you will be charged with additional bogus crimes. Videotaping any encounter strips away the law enforcement's greatest weapon: His word vs. yours. In a police state that is completely unequivocally absolutely intolerable. Your available options to protect your rights are methodically being eliminated as you sit there watching Who Wants to Be a Millionaire. Go ahead, sleep, for the day will surely come when you have but one right left: to be afraid, be very afraid.

Behold: for the age of Orwell's prophetic world governance and the age of the **THOUGHT POLICE** is upon us...

Think Government Is Corrupt? You May Face 10 Years In Jail...

South Carolina forces “subversives” to register with the authorities or do hard time

Paul Joseph Watson, Prison Planet.com, Monday, February 8, 2010

Subversives who think government is corrupt and should be controlled by the people face 10 years in prison and a \$25,000 dollar fine if they fail to register with authorities in South Carolina, in another chilling example of how free speech and dissent is being criminalized in America.

The state’s “Subversive Activities Registration Act” is now officially on the books and mandates that “Every member of a subversive organization, or an organization subject to foreign control, every foreign agent and every person who advocates, teaches, advises or practices the duty, necessity or propriety of controlling, conducting, seizing or overthrowing the government of the United States ... shall register with the Secretary of State.”

Of course, the right to overthrow a government that has become corrupt, abusive and completely unrepresentative of its electorate is enshrined in the Declaration of Independence – that’s how America came to be a Republic in the first place – advocating or teaching that the people should “control” the government via their elected representatives is a basic function of a democratic society, but this law effectively makes it a terrorist offense.

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness,” states the Declaration of Independence.

Under the sweeping terms of the law, members of tax protest organizations, the Tea Party movement and the States’ Rights movement based in South Carolina are all domestic terrorists if they fail to register their dissent with the authorities.

It is important to stress that the notion this law somehow only applies to “Islamic terrorists” is completely at odds with the fact that federal and state authorities now consider the main terror threat to be from informed American citizens exercising their constitutional rights in opposition to the big government agenda they are being subjected to.

As we saw with the MIAC report and a plethora of similar training manuals which were leaked over the last decade, police are being trained that libertarians, gun owners, Ron Paul supporters and anyone who is mildly political is a domestic extremist and a potential terrorist – these people are the real target of the subversives list in South Carolina.

The infamous Phoenix Federal Bureau of Investigation manual (page one, page two) produced in association with the Joint Terrorism Task Force listed “defenders of the U.S. constitution” and “lone individuals” as terrorists. Will anyone in South Carolina who defends the Constitution, the very bedrock of what America stands for, have to register with the authorities unless they want to be locked up for a decade?

Of course, since nobody is going to register as a “subversive” with South Carolina authorities, their failure to “comply” with the regulation will later be used against them as a means of eliciting criminal charges, in what represents a clear end run around the First Amendment.

The government isn’t going to just come out all guns blazing and ban free speech, they are simply going to make

anyone who refuses to register for permission a criminal for failing to adhere to a separate mandate.

Just like people in places such as New York and Chicago were told that they had to get a license to purchase a gun – at first the process was a mere inconvenience but now the licensing process means they have to jump through 200 flaming hoops and the second amendment has effectively been outlawed in these cities.

They won't hesitate to pull the same tricks with the First Amendment, and it's already happening with calls to license Internet users and force them to get government permission to run a website.

Think about it, according to popular belief, we have all been trained to believe that we are “innocent until proven guilty.” That and the illusion that we live in the land of freedom and liberty. These have to be one of the biggest crockabull fairy tales of our judicial system. For in all reality, you are first arrested, **and then** you must prove your innocence. If everyone were allowed to act exactly like law enforcement ROUTINELY does and covertly record their encounters, the entire fundamental respect/fear factor would be equalized. No, this cannot be tolerated in a police state, for you must respect, fear and bow to your superior law enforcement overlords.

What Counts as Abetting Terrorists?

The elimination of our rights and freedoms was officially kicked into OVER DRIVE and is now accelerating into warp speed with the **strategic use of “TERRORISM” as the justifying pretense to initiate all sorts of draconian policies and laws.** Take the latest blow that was recently delivered to your FREEDOM OF SPEECH:

In a case pitting free speech against national security, the Supreme Court on June 21, 2010 upheld a federal law that makes it a crime to provide “material support” to foreign terrorist organizations, even if the help takes the form of training for peacefully resolving conflicts, advocating in any way or even speech. Here is an excellent articulation of the issue:

Adocacy is Not a Gun

***David Cole** is a professor at Georgetown University Law Center, and the author, most recently, of “The Torture Memos: Rationalizing the Unthinkable.” As a volunteer attorney for the Center for Constitutional Rights, he served as counsel for Humanitarian Law Project in this case.*

According to today's Supreme Court decision, **advocating for human rights and peace can be prosecuted as a “terrorist” crime, punishable by 15 years in prison.**

Under this ruling, President Jimmy Carter, in monitoring an election in Lebanon, would be providing “material support” to Hezbollah.

It does not matter that the speaker intends to support only nonviolent activity, and indeed seeks to discourage a resort to violence. It does not matter if the speech in fact convinces its listeners to abandon violence.

For the first time ever, the Supreme Court has ruled that the First Amendment permits the criminalization of pure speech advocating lawful, nonviolent activity. The court reasoned that it is conceivable that such speech might burnish a designated group's image, and thereby “legitimize” it, and therefore Congress can make all such speech a crime.

In the past, the Supreme Court has ruled that the First Amendment protected even the right to advocate criminal activity, so long as one's advocacy was not intended and likely to produce an imminent crime. And it ruled that citizens had a right to associate with a group engaged in both legal and illegal activities, as long as they intended

to further only the group's lawful activities.

Today, by contrast, the court rules that speech advocating only lawful, nonviolent activity can be made a crime, and that any coordination with a blacklisted group can land a citizen in prison for 15 years.

The decision has deeply disturbing implications. It means that when President Jimmy Carter did election monitoring in Lebanon, and met with all of the parties to the election — including Hezbollah, a designated “terrorist group” — to provide them with his advice on what constitutes a fair election, he was committing the crime of providing “material support,” in the form of “expert advice.”

It means that when The New York Times and The Washington Post published op-eds by a Hamas leader, they were engaged in the crime of providing “material support” to a designated terrorist group, because to publish the op-ed they had to coordinate with a spokesperson from Hamas.

And it means that my clients, a retired judge and an established human rights group, cannot continue to work for peace and human rights without risking long prison terms.

Those who defend this law often focus on the provision of funds — not at issue before the Supreme Court — and argue that money is fungible, and can be used for any purpose.

But human rights advocacy is not fungible. It cannot be turned into guns and bullets. It is designed to persuade, not coerce. It is, in short, what the First Amendment is all about. But it is now a crime, and according to this Supreme Court, the First Amendment poses no obstacle to its suppression.

The only way the court could reach this result was by failing to subject the law to the skeptical scrutiny traditionally applied to content-based prohibitions on speech. Once the government invoked the “terrorist” label, the court deferred, rather than require the government to meet the heavy burden that prohibitions on speech generally require.

This is the same sort of deferential approach that the Supreme Court took to anti-Communist laws in the early days of the McCarthy era. It was not until Senator McCarthy was censured, and McCarthyism was on the wane, that the court began to enforce the First Amendment rights that were so gravely threatened by the anti-Communist laws of that time.

I had hoped that we would have learned from the errors of that period. Apparently not.

Recording of your masters, their overlords and the enforcement matrix shall not be tolerated, you on the other hand will be watched and recorded with the latest surveillance technologies available, and monitored in every conceivable way imaginable, and you shall not complain, you will like it and beg for more “safety” so grateful are the useful idiot cattle shivering in fear for they relinquish all rights to their masters.

The “Politically Correct” protocol is actually: ingenious self-censorship Stratagem in action...

Another sinister, ever so innocuous way that the establishment is limiting freedom of speech and no one has a slightest clue that it is even happening, is done under a **guise called Political Correctness**. A new **form of self-censorship**. It has become increasingly acceptable to silence and or redirect people's speech with because “**it is not politically correct**” to discuss ___ and ___ issue, or it is not politically correct to say ___ and ___ about this and that. For when you control the language you control the argument. **We now have sanctioned acceptable and non acceptable speech**. Political Correctness has been nothing more than a benign predecessor to prepare the

peoples into later accepting upcoming harsher limits on free speech. Those who cross the “politically correct line” are usually confronted and chastised, often publically. Political correctness is the predecessor of Hate Speech, paving the way for the “NORMALIZATION” of limits to what can be publically said and the people becoming accustomed to being limited and curbs their speech in order to adhere to “politically correctness”... This has magically been morphing over time to be associated with and continually becoming nothing more than hate speech it very self.

Political Correctness is nothing other than sugar coated censorship. Think about it, for the days are coming fast forward where you are being limited on all sides what you can or cannot say. The walls are closing in... your Zionist masters are skillfully stripping away your rights, liberties, little by little, ever so slowly the water warms, it is now almost boiling and all the cattle sit in the boiling water caldron, sweating, wandering why it is so hot....

Sen. John McCain wants to allow U.S. citizens to be arrested, held indefinitely

By Dave Gibson, Virginia Beach Conservative Examiner, March 12th, 2010

Last week, John McCain introduced a bill into the U.S. Senate which, if passed, would actually allow U.S. citizens to be arrested and detained indefinitely, all without Miranda rights or ever being charged with a crime.

The stated purpose of S. 3081 (The Enemy Belligerent Interrogation, Detention, and Prosecution Act) reads: “To provide for the interrogation and detention of enemy belligerents who commit hostile acts against the United States, to establish certain limitations on the prosecution of such belligerents for such acts, and for other purposes.”

The bill has nine co-sponsors including Sen. **Joe Lieberman** (I-CT) and Sen. Scott Brown (R-MA).

Section 5 of S. 3081 states:

“An individual, including a citizen of the United States, determined to be an unprivileged enemy belligerent under section 3(c)(2) in a manner which satisfies Article 5 of the Geneva Convention Relative to the Treatment of Prisoners of War may be detained without criminal charges and without trial for the duration of hostilities against the United States or its coalition partners in which the individual has engaged, or which the individual has purposely and materially supported, consistent with the law of war and any authorization for the use of military force provided by Congress pertaining to such hostilities.”

This bill, introduced by McCain, who despite overwhelming evidence, claims to be a “conservative,” would **not only take away our right to a trial, but would also allow the federal government to arrest and imprison anyone the current administration deems hostile.**

Of course, that would be the same administration whose Homeland Security Secretary has classified veterans, retired law enforcement, Ron Paul supporters, and conservatives as “terrorists.”

If it was not clear before, it should be now that John McCain has as little respect for the Constitution as he does for our borders.

We are being methodically over the decades, bombarded with an avalanche of measures, policies, laws, acts and so on, all under the guise of “protecting us” from the bogeymen, “making things better” and “for you benefit.” Ever so gradually we are all becoming used to living in an **open air, non confined concentration camp that we call “the land of the free,”** where we are even allowed to wander around for miles on end and have all the decadent fun we want, so long as we play by the rules and not break any of their hundreds of thousands of laws, not counting the hundreds of new ones being introduced on a daily basis.

How to better keep track of all the inmates, slaves, servants, ummm, I mean citizens? Along comes something called "REAL ID." Nothing more than an Orwellian way to keep track of the national human inventory. A lot has been written about Real ID so I won't bother re-hashing old news. Instead, here is a clip from DownsizeDC.org that discusses several matters I want to point out.

"It's not hard to see why. Many Americans hate REAL ID, and 22 states have refused to comply with the program. DC Downsizers alone have bombarded Congress with 112,227 message demanding that REAL ID be repealed. So . . .

Should we be happy that Napolitano wants to review the REAL ID program? Not very. At best, we believe the outcome will be to . . .

- * Repackage the program, perhaps under a new name
- * Divide the program into parts, so it can be implemented in stages, such as with the TWIC program
- * Concoct ways to bribe and coerce state governments to submit to the revised program

It's hard to envision that REAL ID will really disappear, until or unless we compel Congress to repeal the authorizing legislation. In fact, we believe that REAL ID, in one form or another, is part of a grand scheme to empower the federal government to track everyone and everything at all times! This grand scheme includes . . .

- * The National Animal Identification System (NAIS)
- * A new system being devised to track food products
- * The NSA system of universal warrantless spying on Americans
- * And the new federal program to create universal electronic health records

We believe that all of these programs will eventually be combined to give the Feds "total information awareness."

Are we being hysterical? Many would claim that we are, and they could point to aspects of current government plans that fall far short of being able to "track everyone and everything at all times." But such criticisms miss a crucial point. The evidence is overwhelming that government programs . . .

- * Tend to grow larger
- * Nearly always come to include features the politicians promised they would never have

We predict that, should some version of REAL ID come into existence, it will eventually be combined with all the other tracking and surveillance systems described above. Most importantly . . .

We predict that your REAL ID will be combined with universal electronic medical records to control the kind of health care you receive.

We see the writing on the wall, and it says that the federal government is going to turn the entire United States health system into a giant HMO, with all of your medical procedures controlled by far off bureaucrats. This control will be enforced through something resembling REAL ID, tied to your electronic health records."

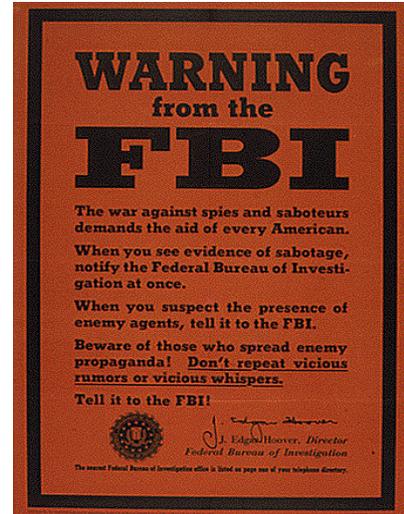

What we choose to ignore - Video

To facilitate them in clamping down on our society our loving and caring most benevolent politicians in Washington have been busy hammering out surveillance laws after surveillance laws all "**for your protection**" (oh, but of course!) Doh! Even the very definition of privacy is being re-written. Even your family doctor can (and increasingly do) turn people in for investigation and prosecution under a myriad of laws. Even what your children tell their teachers in school can help you land in very big trouble. Even your co-workers are often encouraged to report anyone for a myriad

of reasons. Millions of cameras everywhere, soon there will be nowhere to hide. **Welcome to the new improved land of the free, liberty, justice and the American way!** Someone please take the crack pipes away from our elected leaders!!!!

It is naive to think that the government isn't keeping tabs on you. Despite the fact that it is in direct violation of not only the US constitution (right to privacy) but our intrinsic human rights. **Anything** you post online, anything you say over phone lines (both land and air), and more **are on record** with the authorities. Well, perhaps not all of it, but enough to give them **an accurate profile of who you are as a person**, and what your beliefs are. How do you think they are so easily able to infiltrate groups (like the protesters raided before the RNC convention in St. Paul, Minnesota)?

Still not convinced? Unless you have been living in a cave the last several years, you would know that it is no secret that our police, FBI and intelligence agencies have been spending millions on developing **FACIAL RECOGNITION PROGRAMS**. Oh yeah, we are all told these are to be able to "catch the bad guys". Behold: beware, for the cameras are watching EVERYONE... including YOU. The premise given to the masses is that the cameras are placed to help stop crime, this is total bullshit for in almost all of their history of existence they only helped solve maybe 1% of all crimes, and that is an optimistic figure (comprising of the video footage you see on TV crime shows of local stores getting robbed). No one is exempt from surveillance, the moment you decide to "step out of line" and participate in something they have deemed "illegal" such as a PEACE MARCH, or voice any dissenting opinion, that's it, you will also be a marked man... those cameras are there to help locate and single out dissenters from the population at large... see the video below for a glimpse into reality.

[This is What A Police State Looks Like – Video](#)

FBI Cites Terror Link in Raids of Local Activists

Agents raided the Minneapolis homes of five antiwar activists, seizing computers and documents.

By Randy Furst and Abby Simons, Star Tribune 9/24/2010

The FBI raided the Minneapolis homes of five antiwar activists, including three leaders of the Twin Cities peace movement, Friday morning as part of what it called a probe of "activities concerning the material support of terrorism."

The Minneapolis office of an antiwar organization was also raided, protest leaders said. No one was arrested in any of the raids.

FBI spokesman Steve Warfield said the searches were conducted at about 7 a.m. Lawyers said the agents seized computers, cell phones and documents in the protesters' homes.

The federal search warrants in Minneapolis were related to an ongoing Joint Terrorism Task Force, Warfield said. He offered no details.

Protest leaders said the raids surprised them. Mick Kelly, whose home was searched, played a central role in the 2008 demonstrations at the Republican National Convention in St. Paul. Asked if he was involved in illegal activities, he replied, "Absolutely not."

Ted Dooley, Kelly's attorney, called the raids "a probe into the political beliefs of American citizens and any organization anywhere that opposes the American imperial design." He said the warrants cited a federal law making it a violation to provide or conspire to provide material support to designated foreign terrorist organizations.

The warrant for the raid on Kelly's apartment, in the 1800 block of Riverside Avenue, sought notebooks, address books, photos and maps of Kelly's travels to the Palestinian territories, Colombia and in the United States on behalf of the Freedom Road Socialist Organization. It also sought materials on his personal finances and those of the group, on Kelly's "potential co-conspirators" and recruitment efforts for the group.

The warrant also sought any information about efforts to support FARC, a guerrilla organization in Colombia, the Popular Front for the Liberation of Palestine, and Hezbollah, the political and paramilitary organization based in Lebanon. [continues [here](#)]

Bill of Rights, Amendment IV: *“The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.”* (FYI: your phone and internet data ~~are~~ were once also subject to protection by this amendment) The Constitution and the Bill of Rights has been under direct assault, they are being effectively destroyed in broad daylight right in front of the peoples of the entire world. Yet everyone remains blind, while they sleep, their **“inalienable rights”** are being stripped from them one by one... Oh, let me count the ways...

Still don't believe that our country is going to shit? This is what is happening all across the country at an alarming rate folks, and if you have not heard about it, then give thanks because it hasn't happened to YOU.... Yet:

Police property seizures ensnare even the innocent

Money raised by Metro Detroit agencies increases 50% in five years
George Hunter and Doug Guthrie / The Detroit News

Local law enforcement agencies are raising millions of dollars by seizing private property suspected in crimes, but often without charges being filed -- and sometimes even when authorities admit no offense was committed.

The money raised by confiscating goods in Metro Detroit soared more than 50 percent to at least \$20.62 million from 2003 to 2007, according to a Detroit News analysis of records from 58 law enforcement agencies. In some communities, amounts raised went from tens of thousands to hundreds of thousands -- and, in one case, into the millions.

"It's like legalized stealing," said Jacque Sutton, a 21-year-old college student from Mount Clemens whose 1989 Mustang was seized by Detroit police raiding a party. Charges against him and more than 100 others were dropped, but he still paid more than \$1,000 to get the car back.

"According to the law, I did nothing wrong -- but they're allowed to take my property anyway. It doesn't make sense."

While courts have maintained the government's right to take property involved in crimes, police seizures -- also known as forfeitures -- are a growing source of friction in Michigan, especially as law enforcement agencies struggle to balance budgets.

"Police departments right now are looking for ways to generate revenue, and forfeiture is a way to offset the costs of doing business," said Sgt. Dave Schreiner, who runs Canton Township's forfeiture unit, which raised

\$343,699 in 2008. "You'll find that departments are doing more forfeitures than they used to **because they've got to** -- they're running out of money and they've got to find it somewhere." ... blah, blah, blah

There was a program initiated by the FBI in from 1956 through 1971 called COINTELPRO (an acronym for Counter Intelligence Program) was a series of covert and often illegal projects conducted by the FBI aimed at investigating and disrupting dissident political organizations within the United States. The FBI has used covert operations since its inception, however, the motivation at the time of establishing COINTELPRO was "protecting national security, preventing violence, and maintaining the existing social and political order."

At the same time COINTELPRO was established, the CIA also ran their own surveillance project called Operation CHAOS, a domestic espionage project. Along with several other CIA projects **they spied on domestic anti-war activists**, and **political dissidents**.

The fact of the matter is that COINTELPRO (or Operation CHAOS) were never really disbanded. Sure they SAY it ended in 1971, but what really happened was that it went further into deep cover in the intelligence infrastructure. The work of COINTELPRO was discreetly transferred to the NSA where they have cart blanch access to anything and everything they want under the guise of "national security." The NSA has long since been busy monitoring EVERY phone call and internet transmissions for years now, so much so that they have long ago connected directly to the root internet hubs at AT&T and setup billions of dollars worth of snooeware infrastructure at strategic communications junctures to accomplish their mission.

Are you secretly being monitored? NO! You are OPENLY BEING MONITORED. From the millions of surveillance cameras you don't even notice in every single public place where humans congregate, to the more millions of cameras installed on buses and trains, everywhere keeping an eye on you to the more concealed forms of monitoring, such as everything you do on your computer is tracked and cataloged by your loving wonderful and benevolent big brother.

Full-Body Scan Technology Deployed In Street-Roving Vans

By Andy Greenberg, Forbes, August 24, 2010

As the privacy controversy around full-body security scans begins to simmer, it's worth noting that courthouses and airport security checkpoints aren't the only places where backscatter x-ray vision is being deployed. The same technology, capable of seeing through clothes and walls, has also been rolling out on U.S. streets.

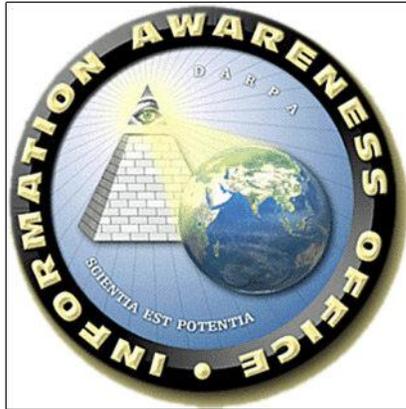

American Science & Engineering, a company based in Billerica, Massachusetts, has sold U.S. and foreign government agencies more than 500 backscatter x-ray scanners mounted in vans that can be driven past neighboring vehicles to see their contents, Joe Reiss, a vice president of marketing at the company told me in an interview. While the biggest buyer of AS&E's machines over the last seven years has been the Department of Defense operations in Afghanistan and Iraq, Reiss says law enforcement agencies have also deployed the vans to search for vehicle-based bombs in the U.S.

"This product is now the largest selling cargo and vehicle inspection system ever," says Reiss. [read the rest of the story [here](#)]

Today have been witnessing the reemergence of the FBI's involvement in the COINTELPRO field with the hiring of thousands of new cyber investigators to "help battle the cyber terrorists threat" of course. Rest assured that today we, the citizens of this country are being diligently spied upon, by the most sophisticated surveillance apparatus to have ever existed, on a scale that mind boggling, yet it is done so clandestined that no one has the slightest clue it is happening. And its not just the FBI that is doing all the monitoring. The NSA, CIA, DARPA and just about every

intelligence agency on the planet is busy monitoring everyone under the pretense of “for you protection, to find those evil boogymen terrorists.”

FBI Wiretapping of Internet Users. “All Your Data Belongs to Us”

By Tom Burghardt, Blacklistednews.com, 11-21-2010

In a further sign that Barack Obama's faux "progressive" regime will soon seek broad new Executive Branch power, [The New York Times](#) disclosed last week that FBI chief and [cover-up specialist extraordinaire](#), Robert S. Mueller III, "traveled to Silicon Valley on Tuesday to meet with top executives of several technology firms about a proposal to make it easier to wiretap Internet users."

Times' journalist Charlie Savage reported that Mueller and the Bureau's chief counsel, Valerie Caproni, "were scheduled to meet with senior managers of several major companies, including Google and Facebook, according to several people familiar with the discussions."

Facebook's public policy manager Andrew Noyes confirmed that Mueller "is visiting Facebook during his trip to Silicon Valley;" Google, on the other hand, "declined to comment."

Last month, [Antifascist Calling](#) reported that the U.S. secret state, in a reprise of the crypto wars of the 1990s, is seeking new legislation from Congress that would "fix" the Communications Assistance to Law Enforcement Act ([CALEA](#)) and further curtail our civil- and privacy rights.

When the administration floated the proposal in September, [The New York Times](#) revealed that among the "fixes" sought by the FBI and other intrusive spy satrapies, were demands that communications' providers build backdoors into their applications and networks that will give spooks trolling "encrypted e-mail transmitters like BlackBerry, social networking Web sites like Facebook and software that allows direct 'peer to peer' messaging like Skype" the means "to intercept and unscramble encrypted messages."

And with a new "security-minded" Congress set to convene in January, chock-a-block with Tea Partying "conservatives" and ultra-nationalist know-nothings, the chances that the administration will get everything they want, and then some, is a sure bet.

"All Your Data Belongs to Us"

Caproni and her cohorts, always up to the challenge when it comes to grabbing our personal data, much like pigs snuffling about a dank forest in search of truffles or those rarer, more elusive delicacies christened "actionable intelligence" by our minders, avowed that said legislative tweaks are "reasonable" and

"necessary" requirements that will "prevent the erosion" of the Bureau's "investigative powers."

Never mind that the FBI, as [Wired Magazine](#) revealed three years ago, "has quietly built a sophisticated, point-and-click surveillance system that performs instant wiretaps on almost any communications device."

Security journalist Ryan Singel reported that the Bureau's Digital Collection System Network or DCS-3000, a newer iteration of the Carnivore system of the 1990s, "connects FBI wiretapping rooms to switches controlled by traditional land-line operators, internet-telephony providers and cellular companies."

Documents obtained by the Electronic Frontier Foundation through a Freedom of Information Act lawsuit revealed that the system was created to "intercept personal communications services delivered via emerging digital technologies used by wireless carriers." A second system, Red Hook, collects "voice and data calls and then process and display the intercepted information."

And never mind, as [Wired](#) also informed us, that the Bureau's "computer and internet protocol address verifier," or CIPAV, once called Magic Lantern, is a malicious piece of software, a virtual keystroke reader, that "gathers a wide range of information, including the computer's IP address; MAC address; open ports; the operating system type, version and serial number; preferred internet browser and version; the computer's registered owner and registered company name; the current logged-in user name and the last-visited URL."

Insidiously, the U.S. Ninth Circuit Court of Appeals ruled at the time, since the Bureau's malware doesn't capture the content of communications, it can be conducted without a wiretap warrant, because, as our judicial guardians opined, users have "no reasonable expectation of privacy" when using the internet.

And with the secret state clamoring for the broadest possible access to our data, its become a lucrative business for greedy, I mean patriotic, ISPs who charge premium prices for services rendered in the endless "War on Terror."

Security Is Patriotic, and Profitable Too!

Last week, [The Register](#) informed us that privacy and security researcher Christopher Soghoian revealed that although "Microsoft does not charge for government surveillance of its users," Google, on the other hand "charges \$25 per user."

This information was revealed in a [document](#) obtained by the intrepid activist under the Freedom of Information Act.

Soghoian, whose [Slight Paranoia](#) web site has broken any number of stories on the collusive, and patently illegal, collaboration amongst grifting telecoms, niche spy firms and the secret state, revealed in March that the Secure Socket Layer (SSL) system has already been compromised by U.S. and other intelligence agencies. (SSL is the tiny lock that appears in your browser when you log-on to an allegedly "secure" web site for banking or other online transactions.)

In a paper co-authored with researcher Sid Stamm, [Certified Lies: Detecting and Defeating Government Interception Attacks Against SSL](#), Soghoian revealed that a "new attack" against online privacy, "*the compelled certificate creation attack*, in which government agencies compel a certificate authority to issue false SSL certificates that are then used by intelligence agencies to covertly intercept and hijack individuals' secure Web-based communications ... is in active use."

The latest disclosure by Soghoian uncovered evidence that the U.S. Drug Enforcement Administration (DEA), shelled out some \$6.7 million for pen registers and \$6.5 million for wiretaps. While a wiretap provides law enforcers with "actual telephone or internet conversations," a pen register "merely grabs

numbers and addresses that show who's doing the communicating," *The Register* averred.

While Microsoft doesn't charge the government for spying on their users, conveniently doing away with a messy paper trail in the process, Google receives \$25 and Yahoo \$29 from taxpayers for the privilege of being surveilled. Soghoian points out that "Google and Yahoo! may make more money from surveillance than they get directly from their email users. Basic Google and Yahoo! email accounts are free. Department of Justice [documents](#) show that telcos may charge as much as \$2,000 for a pen register."

That 2006 report from the DoJ's Office of the Inspector General reported that to facilitate CALEA compliance, "Congress appropriated \$500 million to reimburse carriers for the direct costs of modifying systems installed or deployed on or before January 1, 1995."

Ten years on, and \$450 million later, the Bureau estimates that "only 10 to 20 percent of the wireline switches, and approximately 50 percent of the pre-1995 and 90 percent of the post-1995 wireless switches, respectively, have CALEA software activated and thus are considered CALEA-compliant."

Sounds like a serious crisis, right? Well, *not exactly*. OIG auditors averred that "we could not provide assurance on the accuracy of these estimates;" a subtle way of saying that the FBI could be ginning-up the numbers--and alleged "threats" to the *heimat* posed by an open internet and wireless networks.

As it turns out, this too is a proverbial red herring.

Whether or not the switches themselves are "CALEA-compliant" is a moot point since the vast majority of ISPs retain search data "in the cloud" indefinitely, just as wireless carriers cache cell phone geolocation and dialed-number data in huge data warehouses seemingly until the end of time, all readily accessible to law enforcement agencies--for a price.

Bringing the Hammer Down

The weakest link in the battle to preserve privacy rights, as [Washington Technology](#) revealed, are the corporate grifters feeding at the federal trough. What with the "cybersecurity" market the newest growth center for enterprising capitalist pirates, why bite the hand that feeds.

Couple this with the brisk private market in grabbing online users' data and selling it to the highest bidder, as *The Wall Street Journal* uncovered in their excellent ["What They Know"](#) series on web- and cell phone tracking, it becomes clear that profit *always* trumps democratic control and privacy rights.

In light of these disturbing trends, [CNET News](#) reported that "Democratic politicians are proposing a novel approach to cybersecurity: fine technology companies \$100,000 a day unless they comply with directives imposed by the U.S. Department of Homeland Security."

Investigative journalist Declan McCullagh informs us that legislation introduced last week by the lame duck Congress "would allow DHS Secretary Janet Napolitano to levy those and other civil penalties on noncompliant companies that the government deems 'critical,' a broad term that could sweep in Web firms, broadband providers, and even software companies and search engines."

Congressional grifter Rep. Bennie Thompson (D-MS), the outgoing chairman of the House Homeland Security Committee, claimed that the bill "will make our nation more secure and better positions DHS--the 'focal point for the security of cyberspace'--to fulfill its critical homeland security mission," right alongside the National Security Agency as [Antifascist Calling](#) reported last month.

Jim Harper, a policy analyst with the right-wing Cato Institute told CNET that "Congress is stepping forward

to regulate something it has no idea how to regulate. It's a level of bureaucracy that actually adds nothing at all."

While Harper's assertion is accurate up to a point, he's missing the boat insofar as demands for expanded--and unregulated--authority by our political minders to access anything and everything even remotely connected to "national security," from email to web searches and from financial transactions to travel plans, is *precisely* the point of an electronic police state.

The bill, the Homeland Security Cyber and Physical Infrastructure Protection Act (HSCPIPA), has "other high-profile backers," including Rep. Jane Harman (D-CA) and Yvette Clarke (D-NY), the outgoing chair of the Cybersecurity Subcommittee.

Last week, [Antifascist Calling](#) reported that Clarke [proclaimed](#) that "the likelihood of a cyberattack that could bring down our [electrical] grid is ... 100%. Our networks are already being penetrated as we stand here. We are already under attack."

Clarke, who raised some \$267,938 in campaign contributions during the current election cycle, according to [OpenSecrets.org](#), including tens of thousands of dollars from defense and security grifters such as Honeywell International, Dell, AT&T, Raytheon, Verizon, Boeing and General Dynamics, not to mention that sterling citizen and beacon of financial transparency, Goldman Sachs.

With a straight face, she asserted: "We must stop asking ourselves 'could this happen to us' and move to a default posture that acknowledges this fact and instead asks 'what can we do to protect ourselves'?"

With the introduction of HSCPIPA, we now have our answer!

Hardly slouches themselves when it comes to feeding at the corporate security trough, Harman [raked in](#) \$654,787 from firms such as Northrop Grumman, Boeing, Raytheon and Science Applications International Corporation (SAIC), while Thompson [grabbed](#) \$584,938 from firms like SAIC, Boeing, General Dynamics, Raytheon and Lockheed Martin, all of whom do yeoman's work, as readers are well aware, to "keep us safe."

While no Republicans have signed onto the bill, the incoming chairman of the House Homeland Security Committee, ultra-rightist crazy, Rep. Peter King (R-NY), [pulled down](#) some \$664,657 from his loyal constituents: General Dynamics, Goldman Sachs, AT&T, Lockheed Martin and Raytheon, OpenSecrets told us.

King, an apologist for Bush-Obama "War on Terror" policies, told [Politico](#) earlier this month that the practice of torturing terrorism suspects "saved many, many lives." And, like his Democratic Party colleague Clarke, King [avers](#) that "cyber-spies from foreign countries have already penetrated our electrical system, mapped it and left behind software that caused disruptions and disabled our electrical system."

While neither representative has provided a shred of evidence to back their wild claims, both scrupulously avoid addressing the question of who the most egregious planetary perpetrators of "cyber espionage" actually are.

A Seamless Global Surveillance Web

In a sign that the collapsing American Empire will make new wiretap rules a cost of doing business with the greatest country that ever was, foreign governments and firms that do business in the U.S. were warned that overseas internet service providers "would have to route communications through a server on United States soil where they could be wiretapped," the *Times* reported.

That would certainly give our corporate grifters a leg up on the competition!

Considering that the National Security Agency's ECHELON surveillance platform, accused by the European Parliament in their 2001 [report](#) of filching communications from EU businesses and passing them on to corporate "friends," I'm sure they'll just smile and suck it up.

According to the report, the NSA routinely used the program for corporate and industrial espionage and that information was turned over to American firms for their financial advantage.

For example, EU investigators discovered that ECHELON spies had "lifted...all the faxes and phone calls" between the European aircraft manufacturer Airbus and Saudi Arabian Airlines. The information gleaned was then used by two American companies, Boeing and McDonnell Douglas, to outflank their Airbus rivals and win a \$6 billion contract. Investigators also found that the French company Thomson-CSF lost a \$1.3 billion satellite deal to Raytheon the same way.

Similarly, the new communications spying regime proposed by the FBI also has a long and sordid history. In January, investigative journalist Nicky Hager [reported](#) that under terms of New Zealand's 2004 Telecommunications (Interception Capability) Act, "a basic interception warrant ... allows them access to all your emails, internet browsing, online shopping or dating, calls, texts and location for mobile phones, and much more--all delivered almost instantaneously to the surveillance agencies."

Sound familiar? It should, since the template for global driftnet spying originated deep in the bowels of the [UKUSA Security Agreement](#) and the National Security Agency, the dark Pentagon entity that created ECHELON.

Hager, the author of [Secret Power](#), first blew the lid off ECHELON in a 1996 piece for [Covert Action Quarterly](#). He revealed that the origins of New Zealand's new system "can be traced back 10 years to when British researchers uncovered European Union police documents planning exactly the same sort of surveillance system in Europe."

That secret plan Hager reports, "known as Enfopol 98 ... aimed to create 'a seamless web of telecommunications surveillance' across Europe, and involved EU nations adopting 'International User Requirements for Interception', to standardise surveillance capabilities."

Who, pray tell, was in the thick of this nasty business? According to Hager, European researchers discovered "that the moves followed 'a five-year lobbying exercise by American agencies such as the FBI'."

Hager tells us, that similar to moves inside the United States, the island nation's Secret Intelligence Service (SIS) forced through legislation that empowered spooks "to catch ... communications, including people using overseas-based email or other services, all the local communications networks are wired up as well, to monitor messages en route overseas."

The origin of these intrusive measures, Hager reports, are the series of conferences, first hosted by the FBI-run International Law Enforcement Telecommunications Seminar ([ILETS](#)) beginning in the mid-1990s.

According to the document posted by the secrecy-shredding web site [Cryptome](#), international snoops averred that "Law enforcement agencies require access to all interception subjects operating temporarily or permanently within a telecommunications system," and that "Law enforcement agencies require a real-time, full-time monitoring capability for the interception of telecommunications. Call associated data should also be provided in real-time."

Fast forward a decade and we learn, Hager writes, that alongside the United States "New Zealand is integrated into the 'seamless web of telecommunications surveillance' around the globe--a system which from

the start had primarily been about US agencies wanting surveillance capabilities beyond their borders."

Thus the secret state's desire, as *The New York Times* reported, for legislative authority demanding that foreign citizens and firms route their overseas communications through U.S. servers "where they could be wiretapped."

And with the latest push for "total information awareness"--data retention--looming ever-larger on the horizon, ISPs and wireless carriers "are forced by government to store all their customers' emails, texts, internet use and phone data...making them available to police and spy agencies to trawl for people's past correspondence and activities."

"These developments" Hager writes, "have been introduced quietly. Neither the government nor the phone and internet companies are keen to advertise their Big Brotherish activities."

Now the repressive American domestic intelligence agency that brought us [COINTELPRO](#), targets the antiwar movement for "special handling" and gives "aid and comfort" to international terrorists like al-Qaeda triple agent, the false-flag specialist [Ali Mohamed](#), is lobbying internet firms Facebook and Google in a bid to expand their onerous surveillance powers.

As the American Civil Liberties Union pointed out last week in their [denunciation](#) of the FBI's sought-after legislation, "this proposal isn't simply applying the same sort of wiretap system we have for phones to the Internet; it would require reconfiguring and changing the nature of the Internet."

Laura W. Murphy, the Director of the ACLU's Washington Legislative Office said they "remain very concerned that this proposal is a clear recipe for abuse and will make it that much easier for the government to gain access to our most personal information."

"Americans," Murphy averred, "should not simply surrender their privacy and other fundamental values in the name of national security."

And with a growing revolt over egregious sexual assaults and virtual strip searches by Transportation Security Agency goons threatening to break out amongst air travelers, including calls to [resist](#) being bombarded with ionizing radiation and humiliating TSA "pat-downs," are we on the cusp of a more generalized rebellion against the capitalist surveillance state?

*Tom Burghardt is a researcher and activist based in the San Francisco Bay Area. In addition to publishing in Covert Action Quarterly and [Global Research](#), an his articles can be read on [Dissident Voice](#), [The Intelligence Daily](#), [Pacific Free Press](#), [Uncommon Thought Journal](#), and the whistleblowing website [WikiLeaks](#). He is the editor of Police State America: U.S. Military "Civil Disturbance" Planning, distributed by [AK Press](#) and has contributed to the new book from [Global Research](#), *The Global Economic Crisis: The Great Depression of the XXI Century*.*

News Flash: everything you do online is being monitored and has been monitored for years now. The Total Information Awareness Project tracks your daily electronic transactions looking for patterns to emerge. This helps the government determine whether you're just a run-of-the-mill porn loving pervert or a porn loving pervert **terrorist!**

And what dastardly technology does the Pentagon rely on to watch its citizens? Well, you're using it right now. Pretty much everything you do, from the Pussycat Dolls songs you buy to the chest waxing bills you pay to the demoralizing dating profile you fill out, is now done online. These giant networks of computers all connected to the World Wide Web make it a whole lot easier for the feds to watch every little thing you do.

Have you heard of ECHELON? If not, don't worry. It's just a global network of computers. Nothing scary about that. After all, that's kind of what the Internet is, and what's scary about the Internet except everything? But where the

Internet is terrifying in a tentacle porn/ endless stream of Pedobear memes kind of way, ECHELON is terrifying in that it monitors your e-mail, phone records and Web surfing on behalf of several world governments, all in the interest of, supposedly keeping tabs on potential terrorists and other assorted criminal masterminds.

This is part of ECHELON

What does this have to do with you and your donkey show, you ask? Well, whatever intergalactic team of anal probe wielding space dwellers created ECHELON also came up with a way to embed every piece of paper that goes through a laser jet printer with a microscopic code that identifies the specific printer that the paper came from.

It's all good, for the sake of "protecting us from the bogeymen "terrorists" eh? Yeah, sure. That is what you are told over and over again. In all actuality the DRAG NET is far and wide. Anyone that does not fall in line with the New World Order agenda is subject to strict scrutiny, surveillance and eventually prosecution in their quest to silence and dismantle their works. The examples are piling up so fast it is hard to keep up. Even the animal rights and ecological activists are being targeted as TERRORISTS! Where will the insanity end?

Go ahead doubt what is currently happening right before your very eyes why don't you? Yes, stick your head into the sand and ignore the FACT that concentration camps are in fact waiting to soon be populated. Beginning with the **ONE MILLION "TERRORISTS" ON THE OFFICIAL "TERRORIST" WATCH LIST**. Did you know that the FBI labels the **environmental and animal rights movements the NUMBER ONE domestic "terrorist" threat**? So you my dear picketing peaceful activist friends are in deep shit. Now sing with me: "Bad boys, bad boys, What you gona do when they come for you, bad boys, bad boys?" And.... You're probably a terrorist if... (hint, click on that link).

TIME

The Government's New Right to Track Your Every Move With GPS

By ADAM COHEN Adam Cohen – Time

Government agents can sneak onto your property in the middle of the night, put a GPS device on the bottom of your car and keep track of everywhere you go. This doesn't violate your [Fourth Amendment rights](#), because you do not have any reasonable expectation of privacy in your own driveway - and no reasonable expectation that the government isn't tracking your movements.

That is the bizarre - and scary - rule that now applies in [California](#) and eight other Western states. The U.S. Court of Appeals for the Ninth Circuit, which covers this vast jurisdiction, recently decided the government can monitor you in this way virtually anytime it wants - with no need for a search warrant. ([Read about one man's efforts to escape the surveillance state.](#))

It is a dangerous decision - one that, as the [dissenting judges](#) warned, could turn America into the sort of totalitarian state imagined by George Orwell. It is particularly offensive because the judges added insult to injury with some shocking class bias: the little personal privacy that still exists, the court suggested, should belong mainly to the rich.

This case began in 2007, when [Drug Enforcement Administration](#) (DEA) agents decided to monitor Juan Pineda-Moreno, an Oregon resident who they suspected was growing marijuana. They snuck onto his property in the middle of the night and found his Jeep in his driveway, a few feet from his trailer home. Then they attached a GPS tracking device to the vehicle's underside.

After Pineda-Moreno challenged the DEA's actions, a three-judge panel of the [Ninth Circuit](#) ruled in January that it was all perfectly legal. More disturbingly, a larger group of judges on the circuit, who were subsequently asked to reconsider the ruling, decided this month to let it stand. (Pineda-Moreno has pleaded guilty conditionally to conspiracy to manufacture marijuana and manufacturing marijuana while appealing the denial of his motion to suppress evidence obtained with the help of GPS.)

In fact, the government violated Pineda-Moreno's privacy rights in two different ways. For starters, the invasion of his driveway was wrong. The courts have long held that people have a reasonable expectation of privacy in their homes and in the "curtilage," a fancy legal term for the area around the home. The government's intrusion on property just a few feet away was clearly in this zone of privacy.

The judges veered into offensiveness when they explained why Pineda-Moreno's driveway was not private. It was open to strangers, they said, such as delivery people and neighborhood children, who could wander across it uninvited. ([See the misadventures of the CIA.](#))

Chief Judge Alex Kozinski, who dissented from this month's decision refusing to reconsider the case, pointed out whose homes are not open to strangers: rich people's. The court's ruling, he said, means that people who protect their homes with electric gates, fences and security booths have a large protected zone of privacy around their homes. People who cannot afford such barriers have to put up with the government sneaking around at night.

Judge Kozinski is a leading conservative, appointed by President Ronald Reagan, but in his dissent he came across as a raging liberal. "There's been much talk about diversity on the bench, but there's one kind of diversity that doesn't exist," he wrote. "No truly poor people are appointed as federal judges, or as state judges for that matter." The judges in the majority, he charged, were guilty of "cultural elitism."

The court went on to make a second terrible decision about privacy: that once a GPS device has been planted, the government is free to use it to track people without getting a warrant. There is a major battle under way in the federal and state courts over this issue, and the stakes are high. After all, if government agents can track people with secretly planted GPS devices virtually anytime they want, without having to go to a court for a warrant, we are one step closer to a classic police state - with technology taking on the role of the KGB or the East German Stasi.

Fortunately, other courts are coming to a different conclusion from the Ninth Circuit's - including the influential U.S. Court of Appeals for the District of Columbia Circuit. That court ruled, also this month, that tracking for an extended period of time with GPS is an invasion of privacy that requires a warrant. The issue is likely to end up in the Supreme Court.

In these highly partisan times, [GPS monitoring](#) is a subject that has both conservatives and liberals worried. The U.S. Court of Appeals for the D.C. Circuit's pro-privacy ruling was unanimous - decided by judges appointed by Presidents Ronald Reagan, George W. Bush and Bill Clinton.

Plenty of liberals have objected to this kind of spying, but it is the conservative Chief Judge Kozinski who has done so most passionately. "1984 may have come a bit later than predicted, but it's here at last," he lamented in his

dissent. And invoking Orwell's totalitarian dystopia where privacy is essentially nonexistent, he warned: "Some day, soon, we may wake up and find we're living in Oceania."

The surveillance of civilians and all inhabitants is just beginning. At first the cameras and the surveillance begins with innocuous innocent sounding pretexts, the narratives are usually the same: "to protect and serve." Millions of cameras, cell phone, internet surveillance, shadowing, monitoring of every conceivable kind is increasingly becoming not just commonplace but with every passing year, more and more intrusive, crossing and trashing every single human right even those that were specifically written down for our own protections in the Constitution and Bill of Rights. Take a moment to stop and assess the situations around you, cameras are being set up everywhere, your internet usage is no longer private, but instead an open book subject to constant monitoring. Your cell phones mics act as listening devices i.e. built in "bugs", even when the cell phone is turned off. GPS units implanted everything you own tracks and records your every move. Your purchases using plastic cards record all your most secret purchases and inclinations, all providing a clear reflection of who you are and what you are about. Yes you are free... freee... freeeee to THINK and BELIEVE you are FREE. For you see not the shackles that enslave you.

The words above were written a couple years ago in Matrix Report draft version 1, today we are seeing the clear implementation of **the "terrorist citizen" paradigm narrative** coming into your living rooms through the ever present fear mongering of the daily news shows. The first official terrorist citizens that they are using to open the civilian surveillance flood gates are "JIHAD JANE" and now "JIHAD JAMIE." Headlines such as "[Jihad Jamie marks a tectonic shift in terror's battle lines](#)" are now becoming common place. The pretext and narrative for complete and total surveillance is being laid right before your very eyes. Under the pretext of finding the boogymen terrorist citizens your most wonderful benevolent government will be and already is monitoring your cell phones, internet activities, where you travel, what your beliefs are, and so forth. Utilities technicians and any company that has employees enter your home are being encouraged and trained to REPORT anyone and anything they think is out of the ordinary. Everyone is now a suspected "terrorist." Even your children are being trained in school to spy on their parents and turn them in... THIS is the current state of the Union.

Welcome back to the COINTELPRO & ECHOLON programs baby, it is alive and well, stronger, smarter, better organized, more hidden, better disguised than ever before. Back in 1967 to 1971 the FBI kept a list of over 100,000 people to be rounded up as subversive, dubbed the "ADEX" list. This list contained many labor leaders, scholars, and public figures of the time. All activists, including animal rights, environmentalism, socialism, labor organizing, As it was then, so it is even more so today: ANYONE that may upset or challenge the status quo, ANYTHING you say or do against the 'establishment' they don't like, any type of dissent, then you are in deep shit, off to jail you will go, classified as and treated as a TERRORIST and added to the list of evil sinister terrorists who are out to destroy our country at that. Oh, by the way, since Habeas Corpus was declared null and void years ago by the many of the Presidential Executive orders, signed Acts, you can be hauled off to jail, no lawyer, no voice, no trial, etc... and held indefinitely. Oh what a mighty web they weave.

US government purges blogs

If only there was a country based on Free Speech

19 Jul 2010 | by Nick Farrell | posted in [techeye.net](#)

The French-backed terrorist "Republic" of America has started to give up on this free speech thing.

One of the hall marks of its constitution, along with getting rid of Royalty and replacing them with smugglers and other criminals, was that people could say what they liked in the press.

Now it seems that the US government no longer thinks this is a good idea as people might have things to say that the it does not like.

TorrentFreak is reporting that a company, Blogetery, that hosted about 73,000 blogs, has been shut down by US authorities

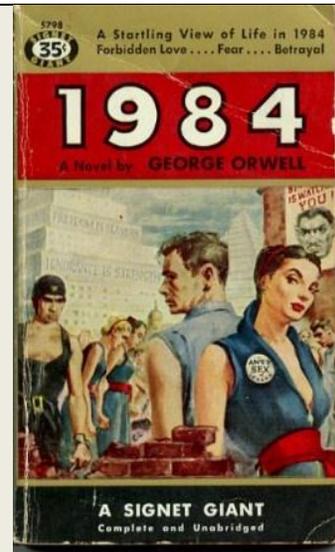

There are few details as to why the US government has mounted a Chinese inspired purge. The outfits ISP claims that they had to terminate the account immediately due to the “request of law enforcement officials, due to material hosted on the server.”

The ISP also claimed it was a critical matter brought to its attention by law enforcement officials and it had to immediately remove the server.

This should strike people as odd. If terrorists were running blogs you just take down the blogs not the entire operation. There is some speculation that this is part of the US government’s war on file sharing which it has decided is part of the Homeland Security department’s remit.

However, again, you only take down the blogs you do not shut down a company.

The ISP seems spooked, saying that it’s “serious”. We will find out what this is all about over the next week.

Do you STILL believe this is a “free country”? Only communist countries have political prisoners, right? NOT! FYI: America has imprisoned hundreds of political activists. Do a Google search for “political prisoners in the United States” and see for yourself. American Indian movement activists, Puerto Rican independistas are just a couple of many others from all areas sit in American prisons for standing up and speaking out, some with insane sentences such as 73 years hard time. Yes you have rights, you have the right to shut the hell up, blindly believe everything they tell you and do as you are told. Period.

Read all those executive orders and Acts that have been signed into law! The writing is plainly on the wall. All you activists will soon be viewed and treated as hostile dissidents, enemy sympathizers, enemy combatants, for whoever disagrees with the rulers of this nation are then labeled evil anti-American traitors, you terrorists! All the anti-war, antifascism, anti-tyranny, 911 truth, etc. **activists will soon see the day when they are all hauled off to jail.** CNN, Fox, ABC, CBS and all major news media will make sure you are all demonized also!!! America is in deep shit quicksand folks. Check out the [Confessions of an American Thought Criminal](#), eloquently written, poetically true.

Yet another scary aspect is that along with the dissolution of Habeas Corpus we are witnessing the ongoing attempt to abolish the “Exclusionary Rule” also known as unfair search and seizure, one of our constitutional rights that is guaranteed by the 4th amendment. In other words, our most caring loving ruling masters would like to do away with the pesky problem of having to get a warrant to enter your premises on the basis that “today’s police officers are so much better trained and equipped they would never do anything wrong or dishonest,” /cough/ I kid you not. The day they abolish this last thread of protection will be the day any cop can just walk right into your home, look around as he feels happy until HE FINDS something to imprison you for.

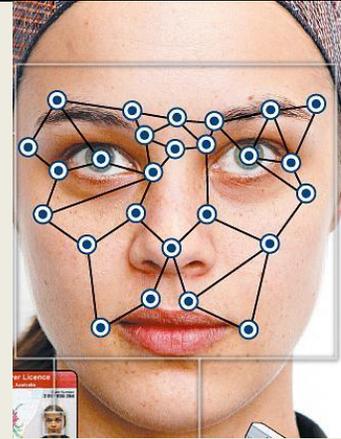

THE State Government is quietly compiling a mathematical map of almost every adult's face, sharing information that allows law enforcement to track people by CCTV.

Experts said yesterday few people realised their facial features were being recorded in an RTA database of drivers licence photos that the Government has allowed both state and federal police to access.

The federal body CrimTrac has asked NSW for its database so it can be mined nationally by police using the facial recognition information contained in it.

University experts in facial recognition said the correct match rate was as low as 90 per cent, meaning the names of people with faces sharing a similar structure to criminals could be returned in searches.

Dr Carolyn Semmler from the University of Adelaide said police wanted to eventually use facial recognition in smart CCTV cameras allowing people to be tracked anywhere there was a camera.

Should the Government use this technology? Tell us below

Some airports, such as Singapore, employ facial recognition technology and the US is considering using it at border crossings.

"Police hope that at some point an individual can be tracked," Dr Semmler said yesterday.

Professor Sowmya Arcot from the University of NSW said a "matrix of numbers" based on features and the distance between facial structures was derived using an algorithm applied to a photograph of a face.

That could then be matched to other faces stored in a database.

Opposition police spokesman Mike Gallacher said most people were unaware their face had been mapped when they applied for or had their licences renewed, allowing them to potentially be tracked.

"Over 20 years ago we had a debate about the Australia card and the people of this country showed where they stood in relation to the government knowing people's movements," he said.

"The push for this into the future has far greater ramifications than some old Australia card.

"I have a concern about a lack of public debate."

The RTA began compiling its facial recognition database last December.

Roads Minister David Borger said it would be shared with other government agencies.

"While the facial recognition system is in its early stages, the RTA will co-operate with other agencies wherever possible," he said.

"The RTA already provides information to the police, and will co-operate with other state or federal law enforcement agencies."

He said the technology was also preventing fraud and stopping people obtaining multiple licences.

A spokeswoman for CrimTrac said its board of management had granted approval for a project proposal for a nation facial recognition capability.

Meanwhile the groundwork has been laid by the Cheney & Co Crime Syndicate who had been quietly laying the foundation for a future administration's "big lock down", "in January when the Army Corps of Engineers awarded HALIBURTON subsidiary Kellogg Brown & Root a \$385 million **contract to construct DETENTION CENTERS** (aka: concentration camps) somewhere in the US, to deal with 'an emergency influx of "immigrants" into the US, or to support the rapid development of new programs,' KBR said" [Market Watch, Jan. 26, 2006]

Later, the New York Times reported that "KBR would build the centers for Homeland Security Dept for an unexpected influx of 'immigrants' (lol, yeah, right), to house people in the event of a natural disaster or for 'new programs' that require additional detention space". Hint.. guess what type of next "unforeseen" disaster will magically befall us? Oh, and I bet yah that we will be conducting "drills" in the very same area where ever the next "attack" or "disaster" happens... These are just a couple out of dozens of other hard fact news stories by mainstream media informing about our government's activities in preparing a nationwide concentration camp network... folks... we don't make this stuff up... this is REALITY.

This is actually nothing new. It is common knowledge that the our Japanese citizens were all rounded up and held in concentration camps right here in the good ole U.S. of A back in WWII and in 1984 "**Rex-84 Alpha Explan**" under the guise of "continuity of government" was implemented. Since then there have been many master military contingency plans in existence along with military exercises to round up large numbers of people in the U.S. in times of crisis.

It does not matter that a new president was elected, it does not matter that now the democrats are supposedly "in charge." You must understand that the power players behind the curtain remain in place no matter who "wins" in any election! The concentration camp system that was being setup throughout the Bush & Co. administration is going ahead full steam even in the Obama administration. Before anyone was able to get over the hangover of all the celebrating of Obama's coronation, just 2 days later congress pulls out H.R.645 seeking to authorize and legalize FEMA camps.

You have all been hood winked yet again. You wanted "change", the pathetic voter lemmings will get change alright when they find themselves or their children one day living in an open air concentration camp wondering how it was all possible. Obama has just picked up the oppression baton and been adding even more Acts and Laws continuing exactly where Bush & Co. left off without missing a beat, he is proceeding with the NWO mission agendas and ramming it down your throats.

There are many creative ways to populate those concentration camps. They are perfect housing for all those "un-patriotic, subversive, enemy terrorist truthers" who are out there spreading "hate" and "lies" about your most wonderful loving homeland that would never do ANYTHING to harm its citizens. On the contrary... they will lovingly round up all those "evil" enemies of the state and locked them up so that they can't harm you with their ludicrous twisted lies...

Obama is just the new headliner star in this old dog and pony circus show we call our government, it's the same old show with the same old producers and directors orchestrating it all behind the curtains, just a new cast of characters who continue to build upon the platforms the other leaves behind.

I know it seems so absurd that our nation can one day be hurled into a bizarre prison camp police state, but as the people making this case reveal, the alarming facts prove that our government is indeed building FEMA camps all over the country ([locations link](#)). Here is more supporting evidence:

Legal justification

Executive Orders associated with FEMA that would suspend the Constitution and the Bill of Rights. The following Executive Orders have been on record for nearly 30 years and could be enacted by the stroke of a Presidential pen: EXECUTIVE ORDER 10990 -- Allows the government to take over all modes of transportation and control of highways and seaports.

EXECUTIVE ORDER 10995 -- Allows the government to seize and control the communication media.

EXECUTIVE ORDER 10997 -- Allows the government to take over all electrical power, gas, petroleum, fuels and minerals.

EXECUTIVE ORDER 10998 -- Allows the government to seize all means of transportation, including personal cars, trucks or vehicles of any kind and total control over all highways, seaports, and waterways.

EXECUTIVE ORDER 10999 -- Allows the government to take over all food resources and farms.

EXECUTIVE ORDER 11000 -- Allows the government to mobilize civilians into work brigades under government supervision.

EXECUTIVE ORDER 11001 -- Allows the government to take over all health, education and welfare functions.

EXECUTIVE ORDER 11002 -- Designates the Postmaster General to operate a national registration of all persons.

EXECUTIVE ORDER 11003 -- Allows the government to take over all airports and aircraft, including commercial aircraft.

EXECUTIVE ORDER 11004 -- Allows the Housing and Finance Authority to relocate communities, build new housing with public funds, designate areas to be abandoned, and establish new locations for populations.

EXECUTIVE ORDER 11005 -- Allows the government to take over railroads, inland waterways and public storage facilities.

EXECUTIVE ORDER 11051 -- Specifies the responsibility of the Office of Emergency Planning and gives authorization to put all Executive Orders into effect in times of increased international tensions and economic or financial crisis.

EXECUTIVE ORDER 11310 -- Grants authority to the Department of Justice to enforce the plans set out in Executive Orders, to institute industrial support, to establish judicial and legislative liaison, to control all aliens, to operate penal and correctional institutions, and to advise and assist the President.

EXECUTIVE ORDER 11049 -- Assigns emergency preparedness function to federal departments and agencies, consolidating 21 operative Executive Orders issued over a fifteen year period.

EXECUTIVE ORDER 11921 -- Allows the Federal Emergency Preparedness Agency to develop plans to establish control over the mechanisms of production and distribution, of energy sources, wages, salaries, credit and the flow of money in U.S. financial institution in any undefined national emergency. It also provides that when a state of emergency is declared by the President, Congress cannot review the action for six months. The Federal Emergency Management Agency has broad powers in every aspect of the nation. General Frank Salzedo, chief of FEMA's Civil Security Division stated in a 1983 conference that he saw

FEMA's role as a "new frontier in the protection of individual and governmental leaders from assassination, and of civil and military installations from sabotage and/or attack, as well as prevention of dissident groups from gaining access to U.S. opinion, or a global audience in times of crisis." FEMA's powers were consolidated by President Carter to incorporate the...

National Security Act of 1947 -- Allows for the strategic relocation of industries, services, government and other essential economic activities, and to rationalize the requirements for manpower, resources and production facilities.

1950 Defense Production Act -- Gives the President sweeping powers over all aspects of the economy.

Act of August 29, 1916 -- Authorizes the Secretary of the Army, in time of war, to take possession of any transportation system for transporting troops, material, or any other purpose related to the emergency.

International Emergency Economic Powers Act -- Enables the President to seize the property of a foreign country or national. These powers were transferred to FEMA in a sweeping consolidation in 1979.

Obama Issues Executive Order Mandating “Lifestyle Behavior Modification”

June 12, 2010

BREAKING NEWS: Dem. Congressman Assaults Student Questioning His Loyalty to “Obama’s Agenda”

White House Chief of Staff Rahm Emanuel is fond of saying, “You don’t ever want a crisis to go to waste; it’s an opportunity to do important things that you would otherwise avoid.” Well, the Obama Administration certainly has not let the British Petroleum (BP) Deepwater Horizon oil rig crisis go to waste, using it as a smokescreen to silently assault and further diminish American citizens’ personal freedom.

While the nation has its eyes and ears focused on the blame game ping-pong match between President Obama and BP top brass, President Obama on Thursday, June 10, quietly announced a new Executive Order establishing the “National Prevention, Health Promotion, and Public Health Council.”

You will "change" to my liking!

Claiming the “authority vested in me as President by the Constitution and the laws of the United States of America,” President Obama has truly gone off the deep end this time in his most atrocious attempt to date to control every aspect of Americans’ lives.

According to the Executive Order that details the President’s “National Prevention and Health Promotion Strategy,” the Council will be charged with carrying out ” lifestyle behavior modification” among American citizens that do not exhibit “healthy behavior.”

The President’s desired lifestyle behavior modifications detailed in Sec. 6 (c) focus on:

- smoking cessation;
- proper nutrition;
- appropriate exercise;
- mental health;

- behavioral health;
- sedentary behavior (see Sec. 3 [c]);
- substance-use disorder; and
- domestic violence screenings.

Making matters even worse, if that is even possible at this point, President Obama will create an “Advisory Group” composed of experts hand-picked from the public health field and various other areas of expertise “outside the Federal Government.”

Let’s consider who the President has sought advice and mentoring from in the past:

- Rev. Jeremiah Wright, who the Anti-Defamation League calls a “Messenger of Intolerance,” and
- Bill Ayers, leader of the 1960’s domestic terrorist group “Weatherman” that was “responsible for 30 bombings aimed at destroying the defense and security infrastructures of the U.S.”

Now, President Obama is going to seek medical advisors who will be charged with modifying lifestyles and behaviors of those citizens he deems unhealthy? “Paging Dr. Kevorkian! You’re wanted in the White House STAT by President Obama!”

Whether you are a child, a parent, a worker, or retired, the President’s approximately 25-member “Advisory Group” will soon be present in every aspect of Americans’ lives, as the Executive Order prescribes in Sec. 4 (b). Specifically, our new so-called lifestyle behavior modification advisors will be actively carrying out the President’s orders in:

- worksite health promotion;
- community services, including community health centers;
- preventive medicine;
- health coaching;
- public health education;
- geriatrics; and
- rehabilitation medicine.

President Obama’s sweeping plan to enforce “lifestyle behavior modification” is chock full of open-ended target areas, especially when it comes to issues of “mental” and “behavioral” health, “proper nutrition,” “sedentary behavior,” and “appropriate exercise.” The President’s Executive Order is a blatant and forceful attempt to adjust the way Americans young and old think, behave, eat, drink and whatever else free will used to entitle our nation’s citizens to enjoy as prescribed by the Founding Fathers.

If you are feeling stressed-out, sad, confused, hungry, thirsty, bored, or tired, do you honestly trust President Obama and his “Advisory Group” to act in your best interests?

As I was being flat out BOMBARDED with fear mongering programming over all the airwaves and every conceivable media outlet about the **Swine Flu plague**... it finally dawned on me... oh no! Here it comes! The writing is all over the walls: What more perfect excuse to round up the people and confine them, conveniently neutralize millions at a time than under the pretext of, (as always) **FOR THEIR PROTECTION** of course! In this case it is none other than to stop the spread of some deadly *man made and purposely spread* virus!

Behold: For today they bring to you the new improved Swine Flu. The 1976 release of this program virus was too premature and completely bungled, but they have since had lots more experience mass distributing man made viruses so they dusted it off the shelves and today we have the new improved world level release. Even if the Swine Flu is not the actual PLAGUE that they will use to confine the unruly sectors of the population, at the very minimum the 1976 release was a rehearsal, (and 50+ billion dollar pharma complex windfall) testing out how far they can get away with what... and in each and every dose comes a payload designed to ever so undiscernibly poison and incapacitate your mind and mental facilities.

You think this is farfetched? Writing on the wall is already hinting at mandatory swine flu vaccines with penalties being aired up to incarceration for failing to comply. This is real. The powers that be are preparing state and local governments for “the big one,” be ready to be QUARANTINED baby! I hope you enjoy your stay at the regional concentration camps. Wake up now or later, it is up to you.

Sure this Swine Flu program has moved it’s designed course, over 50 million walking talking CATTLE lined up for their shots, and just a very few of them died, exactly like I along with many others have been saying. **The man made “pandemic” served its purpose; they gave the cattle their doses of brain handicapping toxins and the systems are now in place for “the big one.”** Next year the Goyim sheeple masses will all be herded and corralled again to receive updated “treatments”... i.e.: **chemical lobotomies.**

**THIS AREA IS UNDER
QUARANTINE**

**EXTREME FORCE WILL BE USED IN
THE DEFENSE OF THIS AREA.**

We are in the process of
cleansing the area of infection.

With your patience and cooperation
we will be able to accomplish this
heavy task as soon as possible.

Florida – the Florida surgeon general suspended distribution permit requirements Florida statutes to allow wholesale distribution of Tamiflu and Relenza. The state has also distributed a series of blank quarantine order forms, including a voluntary home quarantine agreement, a quarantine to residence order, a quarantine to residence order (non-compliance), a quarantine to facility order, quarantine detention order, quarantine of facility order, building quarantine closure order and area quarantine closure order.

Iowa – In addition to the facility quarantine order listed above, Iowa has also made available forms for voluntary home confinement, home quarantine and home isolation.

Massachusetts – Massachusetts lists its own procedures for isolation and quarantine.

North Carolina – The North Carolina Department of Health and Human Services released a draft isolation order that would provide for imprisonment for up to two years and pretrial detention without bail for any citizen who fails to comply with an isolation order.

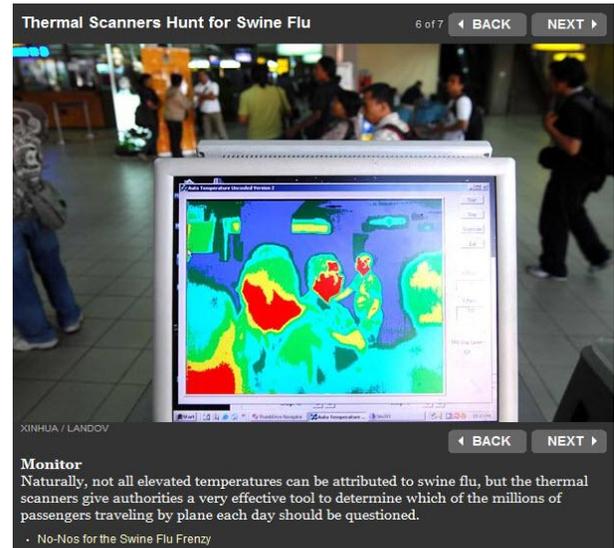

Washington – Washington grants authority to local health officers to issue emergency detention orders causing citizens to be immediately and involuntarily isolated or quarantined for up to 10 days.

This is what is going on with just five of our states, believe me, other states are busy getting in line and taking their commands, soon all 50 states will have similar programs. Here is a sample quote taken from one of the documents listed above:

Law enforcement authorities are authorized to "**arrest without warrant** any person whom the officer has probable cause to believe has violated an order for isolation or quarantine and shall use reasonable diligence to enforce such order. Any person who knowingly violates an order for isolation or quarantine shall be punished by **imprisonment of not more than 30 days** and may be subject to a civil fine of not more than **\$1,000 per day that the violation continues.**"

The Center for Research on Globalization is a great source of info on many of these topics. Here they cover "Legislation to Establish Internment Camps on US Military Bases." Before the luciferian war criminal Bush left office, he signed presidential directive: "Biometrics for Identification and Screening to Enhance National Security Act." With this bill, our most loving, benevolent government now has the authority waiting in the wings to implant biometric chips into criminals and all you "terrorists" who go about spreading the TRUTH, holding public protests and resisting the system, and what better way to keep track of employees and sick people who might need medical attention, all their records can be instantly scanned and their lives saved! Lost children can be found... What a wonderful loving and caring big brother we have! Who art thou more benevolent?

The State of Oklahoma has recently issued a decree that ALL its citizens MUST be vaccinated, not only that there are plans in the wings where you will not be allowed to freely travel nor go anywhere without **proof** that you have had the vaccination. Plans ready to be implemented include road blocks or "choke points" as they call them, around major interstate junctions, around major cities and so forth where you will be forced to "show your papers" proving that you have been vaccinated or, and sources have confirmed these plans, you will be issued some sort of RFID card, bracelet or even implant with all your information embedded within it. At the innoculation centers there will be busses ready to be filled with those who refuse to be vaccinated, they will be shipped off to nice cozy digs at a local detention center, or umm, FEMA camps.

This is just the beginning folks! The flood gates are opening, its hard for me to keep up with all the events, news, policies and whats going on in all 50 states. Bottomline is that it is now VERY CLEAR:

Behold: For the stage is being set for the great roundup, the great neutering of your brains via mass vaccinations. Get ready for the great plague(s) to take hold for those who get the shots WILL BE the carriers; once the mass vaccination program begins it will THEN spread like wildfire. The subsequent shroud of fear and chaos will open the doors to the ruling elite's next phase of their plans as the brain neutered gullible cattle population run around crying out loud to be PROTECTED. The subsequent "protection" programs will only introduce yet higher more advanced forms of yet more oppression and restrictions on the sheeple public.

Don't worry, according to Time media conglomerate, our wonderful country has been busy while you were fast asleep. They somehow quickly invented and manufactured thermal scanners to "hunt" for the ummm... "swine flu." I kid you not:

These scanners will be placed in strategic locations such as airport check ins and road blocks to catch *perps* walking around with Swine Flu so that they may be immediately detained. How wonderful considerate of our most loving benevolent government eh?

There you have it folks, the writing is on the wall and one of the next great calamities that will befall the nations will be the golly gee whiz, man made swine flu epidemic. One with several multi-pronged strategies attached: 1) Vaccinations carry their secret formula payload 2) A mass herding mechanism 3) Setting up for evermore restrictions on all walks of life. 4) Usher in the next phases of your enslavement and the new world order system. And for those who blindly think

Deesillustration.com

that the government will never track innocent people's moves, think again. It has been happening in every shape and form, NSA, CIA, FEMA, FBI and others are actively TRACKING YOUR EVERY MOVE AND WORD. But that is just the tip of the iceberg... even the Center for Disease Control (CDC) is in the surveillance gig, they are busy tracking 14 million (and counting) patients for what ever premise they say its for this time around... Soon the day will come where there will be nowhere to hide.

BTW: On February 11, 2010, Obama called for the tracking of ALL cell phones of the American people. The Obama Administration clearly stated the following: "**Americans enjoy no reasonable expectation of privacy**...."

Here is just one example of your new improved policies in Amerika, the land of "freedom and liberty":

"As soon as you walk into the airport" reports Computer World "*the machines will be watching.*" Here's More: "*The system will size you up at the security checkpoint. An array of sensors — video, audio, laser, infrared — feeds a stream of data about you to a central computer.*

The system interprets your gestures and facial expressions, analyzes your voice and probes your body to determine your temperature, heart rate, and respiration rate — all in an effort to determine whether you are trying to deceive. Fail the test and you'll be pulled aside for a more aggressive interrogation.

This scenario may sound like science fiction but the US Department of Homeland Security is deadly serious about making it a reality by 2012. — (Computer World)

The masses can't smell the stench for they have gotten used to it over the decades, by the time they realize it, America has already been sinking in the quick sand, too late to do anything about it. Warning to all: he who has eyes and can see and he who has an ear and hears what others can't... **you know what is coming, get your affairs in order, plan ahead, prepare for the upcoming storms...**

Barack Obama Pre-Crime & Indefinite Detention - video

We supposedly live in the land of "freedom", where the statue of Liberty proudly stands at the harbor of NYC declaring to the world "America the land of the Free". Well, kind of, you see, throughout America (Canada and England too) it has become increasingly mandatory to silence ANYONE who does not agree with your agenda. Local and federal governments now routinely setup "free speech zones" miles away from were any government gathering is taking place. I don't know about you, but to me it looks like, smells like, tastes like a form of CENSORSHIP. "Say whatever you want to say as long as you say it at the top of that mountain over there where no one can hear you".

The Obama administration has argued that warrantless tracking (note that most of this was first initiated by the Bush regime and the Democrats just stepped in and continue it, proving they all serve the same masters) is permitted because Americans enjoy no "reasonable expectation of privacy" in their--or at least their cell phones'--whereabouts. U.S. Department of Justice lawyers say that "a customer's Fourth Amendment rights are not violated when the phone company reveals to the government its own records" that show where a mobile device placed and received calls.

"Government agents can sneak onto your property in the middle of the night, put a GPS device on the bottom of your car and keep track of everywhere you go. This doesn't violate your Fourth Amendment rights, because you do not have any reasonable expectation of privacy in your own driveway — and no reasonable expectation that the government isn't tracking your movements. The U.S. Court of Appeals for the Ninth Circuit, which covers this vast jurisdiction, recently decided the government can monitor you in this way virtually anytime it wants — with no need for a search warrant." — Times.com

"This is a critical question for privacy in the 21st century," says Kevin Bankston, an attorney at the Electronic Frontier Foundation who will be arguing on Friday. "If the courts do side with the government, that means that **everywhere we**

go, in the real world and online, will be an open book to the government unprotected by the Fourth Amendment." Hello, Duh! the courts WILL side "the government" and yes the surveillance society will growth.

"There was of course no way of knowing whether you were being watched at any given moment. How often, or on what system, the Thought Police plugged in on any individual wire was guesswork. It was even conceivable that they watched everybody all the time. But at any rate they could plug in your wire whenever they wanted to. You had to live—did live, from habit that became instinct—in the assumption that every sound you made was overheard, and, except in darkness, every movement scrutinized." - 1984- George Orwell

Yes, the new ruling is that a warrant is not needed. Before you needed a warrant, like prove to the judge you had some vague reason to be tracking your movements and not just because of a hunch or because of your race or religion. Now police can track you just for kicks, or more likely as a wide net fishing expedition. For instance track enough muslims and eventually you'll find one or two that is involved in drugs, gambling, prostitution or petty theft. Then you can have a big press conference to announce arrests and justify the erosion of rights.

Hey Dorothy, you're not in Kansas anymore... welcome to the "free world." Your privacy is being eroded at this very moment at EVERY level... at EVERY corner... EVERYWHERE at anytime. Soon there will be NOTHING you do or say that won't have been recorded or documented in one fashion or another by one of the hundreds of recording, documenting, tracking, etc., surveillance tools in circulation, all for "your protection" but of course. Here is one example out of hundreds of ways you are being watched by Big Brother and his agents:

Rental Car Companies Disclose Personal Data to Government

By Tim Healy, Family Car Guide, July 7th 2010

If you rent a car from Hertz, Avis, Budget, or Advantage, you might want to avoid running any red lights. If you do, and you get caught on camera, your credit card will get charged.

The rental companies give your data to a company called American Traffic Solutions. This company runs red-light cameras in some areas, and it uses the data to make sure the right driver is charged and fined when one of the cars is caught running a red light. It's not clear if ATS is accessing the data at all times or only when a driver is caught running a red light on camera.

The catch is that ATS automatically bills the accused customer's credit card, tacking a \$30 processing fee on top. This makes it very difficult for customers to appeal the ticket, and even when customers do successfully appeal, they still have to fight the \$30 fee.

This speaks to a larger problem, especially with Congress mandating that future cars be equipped with black boxes that can record accident data. With so much data being recorded about our personal lives, how do we know who's watching?

We've already heard of GPS systems being used to stalk lost loves, and while black-box data might be useful in cases such as the recent Toyota unintended acceleration flap, there is a concern that if data falls into the wrong hands, it can be misused.

In the rental car case, the problem isn't that the technology is busting violators, but that **ATS can make determinations without due process**, and that it can be difficult for those erroneously charged to get their money refunded. In some cases, ATS is the camera operator, which means they are both billing customers and issuing the tickets.

Thanks in part to Toyota's recall problems, black boxes are coming to all cars someday soon. But there are

questions that need to be answered.

There's no doubt that technology such as GPS, video, and data recorders, can help make cars safer. But at what point does it become too much? At what point will consumers no longer accept a trade of privacy for security? How much data should be shared after an accident? Who should see such data? How can private information be kept out of the wrong hands?

Panopticon - video

“Oh but we have a free speech internet” you say? LOL.. that is not going to last long. The plans are already being hammered out to impede “dangerous subversive speech” on the internets. The powers that be will install “BLOCKADES” at the ISP level for starters, where they will **filter** (“for your protection,” of course) “evil” websites and information. They will soon limit your bandwidth by imposing usage caps to help steer online usage. Also in their planned bag of tricks will be shutting down internet traffic (shutting down non cooperative rogue ISPs, websites, etc.) as initiated by hard core illuminatist Jay Rockefeller with their Cybersecurity Act of 2009.

Surely professionals who labor day in and day out looking for cures for mankind in the realm of medicine can speak their minds? LOL: NOT! Actually it is the opposite, this area of society has been under draconian Orwellian lock down for over half a century. You must never forget that all those friendly neighborhood doctors have been indoctrinated, trained and brainwashed by THE PHARMACORP SYSTEM. You can be the world’s foremost expert in any given medical field and have discovered a NATURAL remedy to cure or treat a disease, but the law and the system will **never** allow you to, not only NEVER tell anyone, it is also a CRIME to state that any natural substance or supplement can be considered as medicine! **According to the FDA "only man made drugs can cure people"!** Is this not CENSORSHIP in its most primal form? This is just the tip of the iceberg in the medical field where logic, reason and public service increasingly take back seat to all mighty profits and fleecing the public as they stopped looking for cures ever since Polio was cured and they figured out that once everyone was cured, they had no more CUSTOMERS! Never again has a cure been found for ANYTHING ever since then. All research goes into finding “TREATMENTS.” And the “medicine” they conjure up are more lethal then some of the illnesses they are supposed to treat, often creating a host of new side effect illnesses.

All major media companies, news papers, magazines, TV, all of them practice some form of censorship. For absolutely NO story gets circulated without approval from top brass, none, ever. **Those who control the media - what the public hears and sees, carefully choose what they WANT the public to see and hear.** Omitting anything they choose to and focusing on what they want people to believe in. Guess what, I’ll say it yet again. Censorship is alive and well in America. **Coming soon will be i-9/11 and i-Patriot Act and the Hate Speech Acts** to help silence all you free thinkers and loud mouths on the internet... you have every right in the world.... TO BE AFRAID... **VERY AFRAID.**

Another area that censorship that is rearing its ugly head is an agenda totally initiated, planned and pushed by the ADL (the infamous Jewish Anti Defamation League). The lobby’s HATE CRIMES bills being rammed through congress (proposed by faithful Zionist puppet Sheila Jackson-Lee [now working under Hillary] who is also instrumental in pushing citizen disarmament weapons bans). As it stands, after many years of hard work, they are about to pull it off, they are going to sneak it into all by attach it as an amendment to the Department of Defense Authorization bill. These **Hate Crimes laws will be catastrophic to freedom of speech** as we know it. They are none other than direct frontal assault on our **freedom of speech AND a censorship law all rolled up into one convenient weapon.** Canada already has hate crimes laws in effect and hundreds of people have been imprisoned on daily basis. **People are thus selectively being SILENCED through these hate crimes laws.**

A perfect recent example of this has occurred in Canada where the ADL’s sister organization the JDL (**Jewish Defense League**) is the 800 lb gorilla in the room. The JDL was instrumental in having well known and outspoken anti-war MP George Galloway added to Canada’s terrorist list and banned from entering Canada and there is nothing even he can do about it. This my friends, is but a single example, like a single drop in the bucket, we can write volumes of books of more examples. Next on the list of things to do is to make “hate speech” against the law in YOUR country also, off to jail you will go for daring to say anything improper about your Zionist Jew ruling masters. Here is just one example out of thousands to chose from:

The United States, Canada and England are **THE central players** in shaping and “**formulating world reality**” completely united in their scheme of labeling normal citizens as terrorists, and making this default policy on dealing with pesky free thinkers. These countries are paving the way and “normalizing” adopting hate crimes laws, clamping down on civilian rights and ushering in a benign forms of police supervision state, “for your protection” of course. Don Feder articulates these issues in a recent article “Hate Crimes Laws – Fighting Bias with Fascism.” Another well written and informative article is “Closing The Boarders to Free Speech” by Harmony Grant.

Everywhere that hate crimes laws have been enacted, speech restrictions soon followed. Hate-crimes laws always lead to hate-speech regulations. We’ve seen hate crimes laws that progressed to hate-speech regulations in places like Canada, Sweden, other places in Europe, Australia, where we have seen things start out as hate-crimes laws. It’s not a very big logical leap between a hate-crimes law and a hate-speech regulation.

Following **their long established modus operandi formula**, your Zionist oppressors, instigators, provocateurs are yet again taking a single isolated rarely occurring incident, as in **isolated cases**, and blowing them out of proportion and using it to **legislate and oppress the rest of the 300 million people in the entire country.**

Who is David Ray Ritcheson anyway? He was a Mexican-American high school student that was brutally attacked and sodomized in 2006. The Zionists, the ADL, and their minions jumped on this case bandwagon as a perfect justification to push their draconian Hate Crimes legislation through congress.

The David Ray Ritcheson Hate Crimes Prevention Act, HR 262 bill will erect a Federal Hate Crimes Command Center, yet **will NOT be run by the government.** The bill says that a private civil liberties organization (ADL) will direct it. Who else would it be other than the world’s premier “civil liberties” group promoting hate law, none other than your friendly neighborhood: the Jewish Anti-Defamation League of B’nai B’rith (ADL). The ADL will set up a 24/7 hour command in D.C., complete with a hate crimes hotline and database. This will be an effective way for the ADL to expand its espionage operations and spy on Americans who have “**politically incorrect**” **views** (just one example of many). The ADL already has the authority to instruct the Justice Department, FBI and local law enforcement on its hate crimes agenda.

From those who work to confuse and silence us:

“But in its exultant press announcement yesterday, ADL reveals the real reason it has never given up its struggle to make its hate bill the law of the land: ADL wants an army of “anti-hate” prosecutors who can go after those ADL considers guilty of bias-motivated crimes. After giving itself credit as chief architect of hate crimes laws on the state and federal level, ADL says:

The end of the legislative path for the hate crimes bill also marks the beginning of the next campaign – training prosecutors and law enforcement officials about the new law. ADL stands ready to help lead that continuing effort.

ADL is clearly beginning a second phase – to train lawyers and law enforcement nationwide on prosecuting hate criminals. In ADL-speak, “haters” are those who oppose homosexuality, allege Jews dominate media, government, finance, or are guilty of “strong” criticism of Israel or its leaders...”

People, if you don’t wake up soon we will all be shit out of luck and effectively all SILENCED, for all those who dare come forth and speak against your Zionist JEWISH rulers will be immediately imprisoned for anti-Semitic HATE CRIMES.... In some parts of the world people are already routinely imprisoned for the “hate crime” of questioning, challenging the data and myths of the Holocaust™ hoax... these people are swiftly prosecuted and imprisoned for Holocaust™ denial... **This is stone cold FACT.** Can you begin to imagine the draconian censorship that the **Zionist Jews will soon setup as a barrier so that no one will EVER be able to accuse them of wrongdoing, crimes, corruption, nothing, ever again...** for the moment you dare open your mouths to expose the evil ones you will be swiftly prosecuted... for DARING to practice HATE CRIMES!!! Are you afraid yet?

Behold for: the Hate Crimes trials will soon become the new improved veiled **INQUISITIONS**. This time around it will be the Jews who are the Grand Inquisitors... Update #3,238: The Hate Crimes Bill just passed.... America, you're in deep shit, for now it is officially illegal for any pastor to say ANYTHING condemning gays or anyone else! The road has been paved for new improved of Sodom and Gomora and it is now officially a crime to even say anything against it. What's more, now those who come forth with damning truthful information about the Zionist Jews can expect to be retaliated with court orders and possible imprisonment due to the fact that ALL such "attacks" are covered under the Hate Crimes Bill. Nothing to see here folks, yah did a great job at protecting your freedoms.... Now go back to sleep..... sleep.... Sleep

ADL CAMPAIGNS TO TRAIN HATE PROSECUTORS

By Rev. Ted Pike
11 Oct 09

For the past ten years, the Anti-Defamation League has introduced its federal hate crime bill into Congress five times – and lost. ADL claims to have the purest intentions---concern that federal power is needed if a state does not have a hate crimes law or is unwilling or unable to punish a hate crime. ADL insisted passage of a federal hate crimes law would change little: the vast majority of prosecutions of hate crimes will be initiated by states.

But in its exultant press announcement yesterday, ADL reveals the *real* reason it has never given up its struggle to make its hate bill the law of the land: ADL wants an army of "anti-hate" prosecutors who can go after those ADL considers guilty of bias-motivated crimes. Giving itself credit as chief architect of hate crimes laws on the state and federal level, ADL says:

The end of the legislative path for the hate crimes bill also marks the beginning of the next campaign – training prosecutors and law enforcement officials about the new law. ADL stands ready to help lead that continuing effort.

ADL is clearly beginning a second phase – to train lawyers and law enforcement nationwide on prosecuting hate criminals. In ADL-speak, “haters” are those who oppose homosexuality, allege Jews dominate media, government, finance, or are guilty of “strong” criticism of Israel or its leaders.

ADL is already the primary source for hate crimes education for the US Justice Department, FBI and all local law enforcement. In 1990, through passage of its *Hate Crimes Statistics Act*, ADL granted itself such empowerment. But ADL wants much more.

Entirely staffed by Jews, ADL is headed by a devoutly religious Orthodox Jew, Abe Foxman (See, [ADL's Foxman: Man of Faith?](#)). Like its sister Jewish attack group, the Southern Poverty Law Center, ADL has a focused *religious* objective: to revive ancient Jewish persecution of Christians, begun 2,000 years ago and recorded in the New Testament. The true intent of ADL's federal and 45 state hate laws is to empower the legal, systematic, and ruthless persecution of Talmudic Judaism's greatest rival, Christianity. To this end, ADL now calls for a national “campaign” to train an army of federal and local hate crimes prosecutors.

Already, ADL and SPLC--through their Missouri Police MIAS Directive as well as warnings from ADL sycophant Janet Nepalitano and her Department of Homeland Security--stereotype Christians and conservatives as unstable bigots and potential terrorist threats. ADL's Office of Global Anti-Semitism in the US State Department says anyone who believes the New Testament claim that Jewish leaders masterminded the crucifixion is a “classic anti-Semite.” (See, [U.S. State Department Says New Testament is 'Anti-Semitic'?](#))

ADL's new campaign to train an army of prosecutors to enforce the federal hate crimes law will usher in progressive arrest of Christian "haters." These could well be destined to occupy FEMA prison camps in the years ahead. Ultimately, many could be delivered up, as Christ prophesied, to be tried, convicted and imprisoned in the courts and synagogues of Jewry (Matthew 10:17). Their "crimes against the Jewish people" would include criticism of matters Jewish (anti-Semitism) and questioning the accuracy of the sacred 6 million figure of Holocaust™ victims (Holocaust™ denial). However, most will likely be indicted under Jewish Noahide laws for heresy – the "idolatry" of affirming the deity of Jesus Christ, the second member of the Trinity. (See, [Coming Jewish 'Utopia' Ruled by Noahide Laws](#))

The Book of Revelation prophesies that the garments of the Great Harlot (Israel and international Jewish control) will be soaked with the blood of the martyrs of Jesus (Revelation 17:6). (See, [Israel: On the Way to Empire in the Mideast](#))

Jewish world dominion will fulfill Biblical prophecy but also a number of predictions by modern Jewish leaders:

- "The Jews energetically reject the idea of fusion with the other nationalities and cling firmly to their historical hope of world empire..." (Max Mandelstam, World Zionist Congress, July 1898.)
- "Jerusalem is not the capitol of Israel and world Jewry: it aspires to become the spiritual center of the world..." (David Ben-Gurion, *Jewish Chronicle*, London, Dec. 16, 1949)
- "In Jerusalem, the United Nations (a truly United Nations) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah..." (David Ben-Burion, *Look Magazine*, Jan. 16, 1962)
- "The Jewish people cannot ever be destroyed, but rather they and their G-d of History will emerge in days to come triumphant over the evils and the foolishness of all other nations. Zion will and must emerge as the mount to which all other peoples turn." (Rabbi Meir Kahane, *Jewish Press*, Brooklyn, New York, Nov. 9, 1973.)

Will Christian America silently allow President Obama to sign ADL's hate bill as early as this week, accelerating arrival of the Zionist New World order? Incredibly, all major Christian and conservative organizations remain oblivious to the tactic of pressuring Obama to keep his promise to veto a wasteful defense authorization bill--one that includes \$100 billion funding for extra F-35 jet engines. Only the National Prayer Network proclaims that we *can* still defeat the hate bill through presidential veto.

ADL now considers passage of the hate bill a virtual reality. It's not.

The Senate has yet to give final approval, which will probably take place early this week. Pres. Obama still has to sign the defense bill with the hate bill attached. Obama doesn't like this defense authorization bill. I believe he's burned that Congress has defied him. It forces him to approve what he has steadfastly vowed he would *not* approve –thousands of F-35 engines he says squander taxpayers' money.

~~It is up to Christian America NOW to exert greater pressure on Obama than is now being applied by ADL. We must demand he stays true to his promise and vetoes the defense bill. If he vetoes it, the hate bill will be dead in this session of Congress. ADL will have to cancel their second "campaign" to create a federally authorized army of prosecutors against Christians.~~

[authors note: what I struck out is all whimsical bullshit because no amount of letter writing and phone calls are going to change anything, it has been a waste of time and will continue to be so because the real rulers are the freaking Zionists running the show, not their paid for in full puppet politicians posing in front of cameras]

Endnote:

Modern or “rabbinic” Judaism continues unaltered the teaching of the ancient Pharisees who killed Christ. In my 345-page book *Israel: Our Duty...Our Dilemma* (available at www.truthtellers.org), I thoroughly document that deep within the teachings of the Pharisees, as contained in their Talmud and Kabbalah, is the oft-repeated assertion that Christianity and its belief in “three Gods” is idolatry; if the world were put right, Christians, as heretics and idolaters, should be killed. After the apostle Paul was converted, he realized that a new “age of grace” made obsolete any duty to kill “heretics,” but before that, as Saul of Tarsus, he, in all good conscience as an Orthodox Jew, killed and hailed into prison as many Christians as possible.

For Talmudic Judaism, no new age of grace ended the ancient duty to cleanse the land of idolaters. Instead, Talmudic, kabbalistic literature, (the highest religious and ethical guide to Orthodox Jews) teaches that when the messiah (Antichrist) comes, he and the righteous of Israel will follow the precedent of Joshua and the Hebrews entering Canaan and annihilate all “idol-worshippers” – Christians-- from the earth.

If you don't think Jewish supremacists today are capable of such horror, just remember what Jewish supremacists unleashed in 1917. Conquering Russia, they set in motion the eventual slaughter of more than 100 million Gentiles, many of whom were Christians (See, [Jewish Activists Created Communism](#)).

Let the Anti-Defamation League teach you how they have saddled 45 states with hate laws capable of persecuting Christians, and spearhead attempts to pass the federal hate crimes bill: <http://www.adl.org/99hatecrime/intro.asp>.

Over 15 million native American Indians were victims of organized genocide in the early years of America's history, yet today they are all kept in large open air ~~concentration camps~~, ummm, I mean “reservations” /cough/. On the other hand you have the hugely debated Holocaust™ hoax casualty figures where the most realistic numbers of Jewish victims are (even according to the OFFICIAL Red Cross records) in the hundreds of thousands.

Court hears appeal for two men imprisoned for distributing Hoffman's "Holofoax" satire

In Britain, in Leeds Crown Court, on July 10, 2009, Simon Sheppard received a **sentence of 4 years and 10 months** and Stephen Whittle two years and four months. Mr. Sheppard's sentence comprised 12 months concurrent on three counts relating to distribution of *Tales of the Holofoax*, a satirical **comic book** by Michael Hoffman.

On July 14 the Court of Appeal gave leave to appeal against conviction on all the Internet counts, but refused leave to appeal with respect to the hard copy counts. The full appeal before three British judges commenced on November 26, 2009 at the Law Courts, Strand, London, and runs through Nov. 27.

An appeal will also be made to the European Court of Human Rights over the decision by the Leeds Appeal Court judge not to review the notorious decision in Reg. v. Birdwood when Judge Pownall's decision that "the truth is no defense" - was upheld.

Here is where the sheer POWER and earth trembling INFLUENCE of the Zionist ruling elite is readily observable: These people have accomplished the seemingly impossible: masterfully converting having your own opinion, belief, viewpoint and disagreeing with established narrative *fairytale*s along with **committing the act of making a public statement “DENYING something” (e.g. Holocaust™ denial) will be and in some places already are SEVERE CRIMINAL OFFENSES.**

Challenging the status quo is going to be punishable with extensive prison sentences surpassing the severity of convictions of some hard core criminal acts by real hard core criminals! Doh! There are many countries who are so completely dominated and controlled by their Zionist masters that they ALREADY imprison you for uttering unforgivable remarks:

Holocaust™ denial is explicitly or implicitly illegal in 13 countries: Austria, Belgium, Czech Republic, France, Germany, Israel, Liechtenstein, Lithuania, Luxembourg, Poland, Portugal, Romania, and Switzerland. Slovakia made Holocaust™ denial a crime in late 2001 but repealed the legislation in May 2005. Spain decriminalized Holocaust™ denial in October 2007. Italy rejected a draft Holocaust™ denial law proposing a prison sentence of up to four years in 2007, the Netherlands rejected a draft law proposing a maximum sentence of one year in 2006 and before this the United Kingdom twice rejected a Holocaust™ denial law. Denmark and Sweden also have rejected Holocaust™ denial legislation...

Think you are off the hook? Holocaust™ denial and anti-Semitic legislation is making its way around to your neck of the woods also, for it comes disguised under different terms and legislation, such as “**HATE CRIMES**” bills that was just recently passed by congress...

The days when some police force can blast down your doors and carry you off to jail (even extradited?) for even SPEAKING the wrong thing is fast becoming reality....

U.S. placed under international police-state

Anthony G. Martin, December 26, Columbia Conservative Examiner

In the dead of night on December 17, 2009, President Barack Hussein Obama placed the United States of America under the authority of the international police organization known as INTERPOL, granting the organization full immunity to operate within the United States.

According to [Threatswatch](#):

Last Thursday, December 17, 2009, The White House released an Executive Order "[Amending Executive Order 12425](#)." It grants INTERPOL (International Criminal Police Organization) a new level of full diplomatic immunity afforded to foreign embassies and select other "International Organizations" as set forth in the United States International Organizations Immunities Act of 1945.

By removing language from President Reagan's 1983 Executive Order 12425, this international law enforcement body now operates - now operates - on American soil beyond the reach of our own top law enforcement arm, the FBI, and is immune from Freedom Of Information Act (FOIA) requests.

What, exactly does this mean? It means that INTERPOL now has the full authority to conduct investigations and other law enforcement activities on U.S. soil, with full immunity from U.S. laws such as the Freedom of Information Act and with complete independence from oversight from the FBI.

In short, a global law enforcement entity now has full law- enforcement authority in the U.S. without any check on its power afforded by U.S. law and U.S. law enforcement agencies.

A bit of background is in order here, and [Hot Air](#) provides it:

During his presidency, Ronald Reagan granted the global police agency Interpol the status of diplomatic personnel in order to engage more constructively on international law enforcement. In Executive Order 12425, Reagan made two exceptions to that status. The first had to do with taxation, but the second was to make sure that Interpol had the same accountability for its actions as American law enforcement — namely, they had to produce records when demanded by courts and could not have immunity for their actions.

Barack Obama unexpectedly revoked those exceptions in a change to EO 12425 last (week)...

Thus, Interpol now can conduct its operations on U.S. soil with ZERO accountability to anyone in this country.

And you beginning to understand now just what the 'end game' is on the part of those who are currently running the U.S. Government?

Let's go a step further in fleshing out exactly what this means in practical terms. It gets ugly...and scary. Again, from [ThreatsWatch](#):

Section 2c of the United States International Organizations Immunities Act is the crucial piece.

Property and assets of international organizations, wherever located and by whomsoever held, **shall be immune from search**, unless such immunity be expressly waived, **and from confiscation**. The **archives of international organizations** shall be inviolable. (Emphasis added.)

Inviolable archives means INTERPOL records are beyond US citizens' Freedom of Information Act requests and from American legal or investigative discovery ("unless such immunity be expressly waived.")

Property and assets being immune from search and confiscation means precisely that. Wherever they may be in the United States. This could conceivably include human assets - Americans arrested on our soil by INTERPOL officers.

Why would INTERPOL be arresting American citizens on our own soil, without oversight from our own law enforcement agencies? And remember, citizens who are thusly arrested would have no legal authority to demand full documentation from the International Police concerning the charges brought against them.

[Andy McCarthy at National Review](#) asks these crucial, sobering questions of the secretive Obama order:

Why would we elevate an international police force above American law? Why would we immunize an international police force from the limitations that constrain the FBI and other American law-enforcement agencies? Why is it suddenly necessary to have, within the Justice Department, a repository for stashing government files which, therefore, will be beyond the ability of Congress, American law-enforcement, the media, and the American people to scrutinize?

At least one answer to these questions is very clear. **A coup is underway in the United States of America, the goal of which is to establish complete, unquestioned authority over the citizens--a 'fundamental change' to the United States where citizens have no legal recourse against an authoritarian central government.**

Oh, you're not afraid yet, eh? Packed into those Hate Crimes bills, in the fine print are more fun morality destroying measures, advancing the long held practice of the Zionists to spread decadence and immorality to all corners of the globe in order to destroy Christianity and all other religions thus leaving only the Zionist Jews on the high moral grounds to rule and pass judgment on everyone else. Did you know that the Hate Crimes bills will also commit to "re-educating" children in public schools from kindergarten to graduation about homosexual values and clamp down on the Bible's "hate speech" and "intolerance." What a wonderful world our country is becoming eh?

How To Kill The Hate Bills – by Rev. Ted Pike - [Video](#)

The ADL has been busy pushing hate crimes laws all over the place for decades. The Employment Non-Discrimination Act (ENDA) is essentially a hate crimes bill for the workplace. An employer who refuses to hire a person who is a known homosexual or fires someone for that reason can be fined or imprisoned for committing a hate crime. ENDA would also require that church organizations such as schools, adoption agencies and camps hire homosexuals or lose their tax-exempt status because they are not complying with hate crimes legislation... Oh what a might web they weave...

Just how far has the ADL's effectiveness been? The most honorable and benevolent ADL has been helping the FBI and local law enforcement craft all sorts of works... The entire truth movement is falsely being tied and connected to the militant militia movement by the FBI and state enforcement agencies... This is VERY SERIOUS. For they are now setting up the propaganda story line... read one of their official in house memos "MIAC STRATEGIC REPORT – THE MODERN MILITIA MOVEMENT" that I have photocopied in the Addendum section on page 477 of this report. That's it, it's official: everyone that is a truther, activist, protester, practices freedom of **speech against the establishment is OFFICIALLY a dangerous terrorist**. All of you WILL eventually be treated and rounded up, prosecuted and imprisoned as such. You have just one right.... Be afraid.... Be very afraid....

Ron Paul suggests official 'agenda' to expand terror war and attack American Liberty

How does a massive, costly security apparatus fail to stop a known terrorism threat from boarding an airplane and wrecking devastation?

It happened on Sept. 11, 2001, and again on Dec. 25, 2009.

"There must be an agenda," suggested Congressman Ron Paul (R-TX) in a recent [video message](#) to supporters.

"It seems ironic that there is so much excitement about this and now talk about attacking Yemen," he said, noting recent bombing raids by Saudi forces, carried out with the explicit blessing of the United States.

"The Saudis are our close allies," Paul explained. "We provide them with the weapons and the airplanes and we did sanction and endorse the bombing of Yemen."

He said that terrorist-style tactics carried out against the United States and U.S. interests are a response to occupation of Arab lands. The attempted attack on Northwest Airlines Flight 253, he said, was a result of "either awful stupidity or there must be an agenda."

"I am concerned what they are going to do to the American people," he said.

And by "they," he meant U.S. leaders.

"They'll add some more security on to us," Paul explained. "First they make us take off our shoes and then our belts and then small bottles of water and put our computers in a tray and on and on so something else is going to happen, they won't let us get out of our seats or look at our bags, thinking that's going to make us a lot safer."

"The bigger the problem and the more the fear is built up, the more they take away our personal liberties and turn us all into zombies and the American people go along with it and say, 'as long as it makes us safer I guess it's okay to go along,'" he continued. "But it's time the American people woke up and started realizing that there's a bit of propaganda going on and quite possibly this incident will not only undermine our personal liberties but will also accelerate our intervention and the violence occurring in the Middle East."

Oh, did I mention that MIAC people and many states similar enforcement departments get TRAINING and pertinent information from none other than: the ADL! (Yes the Jewish Anti Defamation League). It has already been proven and documented that the MIAC report was prepared with the help of your friendly neighborhood ADL.

Not only that, the MIAC report goes on to connect many truthers, peaceful activists and organizations as being involved in gun wielding ready to shoot MILITANT MILITIA!!! This is just the beginning, now we are witnessing a "coincidental" /cough/ (MK-ultra – Project Artichoke) alarming increase in bizarre shootings. Of which the drum beat of two major themes keep emerging: 1) the need for gun control. 2) Connecting the murdering whackos to the "conspiracy nuts." In the latter case one amazing example recently came to light and reported in the Pittsburg Post-Gazette: Richard Poplawski had a shootout and killed three Pittsburgh police officers. According to Heidi Beirich (Zionist Jew witch), director of Southern Poverty Law Center and an "expert" on political extremists. **She called Poplawski's act of having a shootout with police "a classic example of what happens when you start buying all this conspiracy stuff."!!!!** "For some time now there has been a pretty good connection between being suckered into this conspiracy world and propagating violence."!!!! Said Heidi Beirich.

It is sad to hear that some whacko killed three fine public servants, but what makes this story even more twisted and frightening is the fact that events such as these are actively being used as a **case to disarm the remaining 99.9% of the law abiding gun owning citizens** and crazier yet is the fact that they are totally **creating a fictional connection between militant whackos and the truth movement**. Everything is being translated to TERRORISM these days.

Obama's US Assassination Program?

By Chuck Norris

Sound too conspiratorial to be true? Like the cover-up ops of spy novels? Well, it's reality. And it is possibly the most bizarre, inhumane and abusive way that the White House is expanding its power over the American people.

It's not an extremist belief or theory of the far right. It's a fact that has been confirmed by The New York Times, The Washington Post and MSNBC and even documented by the far-left online magazine Salon.com.

And it's the gravest nightmare of U.S. citizens and abandonment of our Constitution to date: a presidential assassination program in which U.S. citizens are in the literal scopes of the executive branch based upon nothing more than allegations of terrorism involvement as the branch defines it.

Of course, the CIA has executed covert assassinations of foreigners for decades. But tragically, Obama is expanding this program to include American, non-Islamic, stateside, homegrown terrorists.

It all started in January, when The Washington Post reported: "As part of the operations, Obama approved a Dec. 24 strike against a (Yemeni) compound where a U.S. citizen, Anwar al-Aulaqi, was thought to be meeting with other regional al-Qaeda leaders. Although he was not the focus of the strike and was not killed, he has since been added to a shortlist of U.S. citizens specifically targeted for killing or capture."

"A shortlist of U.S. citizens specifically targeted for killing"?

That's right. No arrest. No Miranda rights. No due process. No trial. Just a bullet.

While the Obama administration continues its Bush-blaming for the economy, it is mega-morphing Bush policy in covert ops overseas, which was, according to the Post, "to kill U.S. citizens abroad if strong evidence existed that an American was involved in organizing or carrying out terrorist actions against the United States or U.S. interests."

Well, in recent weeks, the Obama administration has taken this overseas killing op to a new low: stateside assassinations.

A former director of national intelligence, Adm. Dennis Blair, confessed before Congress: "We take direct actions against terrorists in the intelligence community. If we think that direct action will involve killing an American, we get specific permission to do that."

If you are wondering who the "we" are to whom Adm. Blair refers, they are Smith, Wesson and the White House.

Now we know what deputy national security adviser John Brennan meant when he admitted in May, "And under President Obama, we have built upon the work of the previous administration and have accelerated efforts in many areas." (Remember when Bush's eavesdropping on U.S. citizens seemed harsh?)

Brennan further explained then that the problem of homegrown terrorists ranks as a top priority because of the increasing number of U.S.

Individuals who have become "captivated by extremist ideology or causes." He went on to say, "There are ... dozens of U.S. persons who are in different parts of the world and ... are very concerning to us."

Do you think "different parts of the world" doesn't include their country of origin?

Conveniently, the Obama administration also is integrating a pervasive plan to ensure the termination of radicals as the feds deem them abroad and domestic, too, with the resurrection of the Violent Radicalization and Homegrown Terrorism Prevention Act of 2007, introduced by Rep. Jane Harman, D-Calif. Also known as H.R. 1955, it was passed in the House by the Democratic majority but was rejected by the Senate.

Everyone thought that legislation was dead until the Obama administration resurrected its tenets in its 52-page "National Security Strategy," released in May. So alarming is the feds' potential abuse of power that officials from London to the Kremlin are recognizing the threat to U.S. citizens.

The European Union Times reported, "Foreign Ministry reports circulating in the Kremlin today are warning that an already explosive situation in the United States is about to get a whole lot worse as a new law put forth by President Obama is said capable of seeing up to 500,000 American citizens jailed for the crime of opposing their government."

Woodrow Wilson, during his reign as president, incarcerated more than 2,000 U.S. citizens for speaking out against the government. And now for the first time since, a U.S. president is highlighting the threats of homegrown terror and literally hunting U.S. citizens as terrorists. One senior administration official said, "For the first time since 9/11, the (national security strategy) integrates homeland security and national security."

And what type of "integration" does that entail?

President Obama explained in an often overlooked statement within the "National Security Strategy": "We are now moving beyond traditional distinctions between homeland and national security. ... This includes a determination to prevent terrorist attacks against the American people by fully coordinating the actions that we take abroad with the actions and precautions that we take at home."

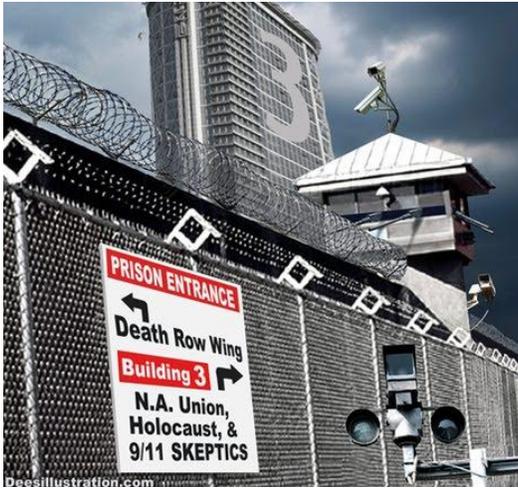

Could it be any clearer? Right out of the horse's mouth. Or do I need to spell out what "fully coordinating the actions that we take abroad with the actions and precautions that we take at home" means?

Remember the words "a shortlist of U.S. citizens specifically targeted for killing"?

That's right. No arrest. No Miranda rights. No due process. No trial. Just a bullet.

COPYRIGHT 2010 CHUCK NORRIS

In recent news, one alleged "terrorist," as in ONE single person gets through airport security, gets caught, and what is the overwhelming national & media response? 1 vs. 300 million people and the single lone one (1) perp is allocated the POWER used as catalyst excuse to initiate the restriction of all 300 million citizens of this country with yet the next level of liberty stripping and oppressing rules, regulations and laws. What is wrong with this picture? Hello this is BULLSHIT of the first degree! The freaking powers that be are scare mongering the 300 MILLION people because of an incident by 1 as in ONE single lone person. That is a ratio of 1 vs. 300,000,000! Hello fucking idiots! There are better odds of winning the freaking lotto!

I sit here on my couch frozen in complete utter disbelief as even the so called President of the Divided States of America got in front of the TV to make the scare mongering official. Yes America, we will restrict and oppress all of you 300 MILLION PEOPLE because of the action of 1, as in ONE, single fucking person! Again we witness the never ending "surpress everyone because of the actions of a miniscule few" stratagem in action.

Now, with that said and done... I am having a special deal, first come first served, I'm selling the Brooklyn Bridge for just \$100 all who are interested just put the cash in an envelope and send it to me and I will mail you the deed. Out of this alleged attack what is the **narrative** the follows? (This is where you must pay close attention) The overwhelming response from our most wonderful beloved leaders in Washingtonville from the failed attack of a SINGLE

person is to attack yet another COUNTRY! I don't make this shit up, I just highlight the truth and let the balls fall where they may. Get ready to obliterate yet another Middle East country. Whose turn is it now? Oh, Yemen? Iran? Syria?

Not just that, the entire incident is being used as a catalyst for an entire wave of bending the goyim cattle population and having them spread on all fours to receive the next level of oppressive liberty stripping "solutions." Heck, over 100,000 people die each and every year due to cancer caused in a large part by LEGALIZED killer cigarettes and yet there is complete and utter silence. If the so called Al-CIAda where the ones selling the cigarettes as part of their TERRORISM scheme then the entire weight and force of all the nations on the planet would come down on them... IF it were deemed dangerous by the powers that be.... But sorry, killing 100,000 per year with cigarettes is perfectly ok when done by the sanctioned comrades of the ruling elite. Now as for that lone idiot that got caught, now we are talking. Let's usher in the next level of restrictions and oppression on the 300,000,000 people that have yet to feel the sting of a lone spooky incredibly evil terrorist. (Note: and this all relies on the premise that this lone terrorist was real to begin with and not a pre-programmed, hypnotized, project MK-ULTRA – Project Artichoke pawn...)

Pre-Crime Policing

Allegedly "disgruntled" man has his guns seized, and "voluntarily" surrenders to two SWAT teams and dozens of police officers for a crime that hadn't been committed

Radley Balko | March 16, 2010,  [Listen to Audio Version \(MP3\)](#)

To hear them tell it, the five police agencies who apprehended 39-year-old Oregonian David Pyles early on the morning of March 8

thwarted another lone wolf mass murderer. The police "were able to successfully take a potentially volatile male subject into protective custody for a mental evaluation," announced a press release put out by the Medford, Oregon, police department. The subject had recently been placed on administrative leave from his job, was "very disgruntled," and had recently purchased several firearms. "Local Law Enforcement agencies were extremely concerned that the subject was planning retaliation against his employers," the release said. Fortunately, Pyles "voluntarily" turned himself over to police custody, and the legally purchased firearms "were seized for safekeeping."

This voluntary exchange involved two SWAT teams, police officers from Medford and nearby Roseburg, sheriff's deputies from Jackson and Douglas counties, and the Oregon State Police. Oregon State Police Sgt. Jeff Proulx explained to South Oregon's *Mail Tribune* why the operation was such a success: "Instead of being reactive, we took a proactive approach."

There's just one problem: David Pyles hadn't committed any crime, nor was he suspected of having committed one. The police never obtained a warrant for either search or arrest. They never consulted with a judge or mental health professional before sending out the military-style tactical teams to take Pyle in.

"They woke me up with a phone call at about 5:50 in the morning," Pyles told me in a phone interview Friday. "I looked out the window and saw the SWAT team pointing their guns at my house. The officer on the phone told me to turn myself in. I told them I would, on three conditions: I would not be handcuffed. I would not be taken off my property. And I would not be forced to get a mental health evaluation. He agreed. The second I stepped outside, they jumped me. Then they handcuffed me, took me off my property, and took me to get a mental health evaluation."

By noon the same day, Pyles had already been released from the Rogue Valley Medical Center with a clean bill of mental health. Four days later the Medford Police Department returned Pyle's guns, despite telling him earlier in the week—falsely—that he'd need to undergo a second background check before he could get them back. On Friday the Medford Police Department put out a second press release, this time announcing that the agency had returned the "disgruntled" worker's guns, and "now considers this matter closed.

That seems unlikely. Pyles' case has spurred outrage in the gun rights community. Kevin Starrett of the Oregon Firearms Federation has been advising Pyles, and helped get his guns back. Oregon-based syndicated conservative talk radio host Lars Larson has taken up the story. And Pyles is now attorney shopping for a possible civil rights lawsuit.

At root behind this case and others like it is our naïve, hopeful, and sometimes even dangerous belief that every horrible shooting spree or lone-wolf act of terrorism can be prevented. We seem unable to accept the idea that bad people will occasionally do bad things. Every new mass shooting spurs an urge to assign blame beyond the shooter: What political ideology inspired him? Who missed the "warning signs," and why wasn't he apprehended ahead of time? Gun retailers are scrutinized and vilified, even when they've complied with the law. In ensuing days and weeks, politicians mull new laws, often both ineffective and constricting on our liberty.

There's nothing wrong with looking for signs that someone is about to snap, and if he's putting up multiple red flags, we'd certainly want law enforcement to investigate, possibly to chat with the person and his friends and family. And obviously if someone has made specific threats, a criminal investigation should follow. But that's a far cry from what happened to Pyles.

Pyles' problems began last June after a series of grievances with his employer, the Oregon Department of Transportation. "This was always a professional thing for me," he says. "It was never personal. We were handling the grievances through the process stipulated in the union contract." Pyles declined to discuss the nature of the complaints, citing stipulations in his contract.

On March 4, Pyles was placed on administrative leave, which required him to work from home. On March 5, 6,

and 7, after getting his income tax refund, he made three purchases of five firearms. Pyles describes himself as a gun enthusiast, who had already owned several weapons. All three new purchases required an Oregon background check, which would have prohibited the transactions had Pyles ever been convicted of a felony or a misdemeanor involving violence, or been committed by the state to a mental health institution. Pyles says he has no criminal record, and says he never threatened anyone in his office. (A specific threat of violence would have likely brought a criminal charge.) The Oregon State Police, the Medford Police Department, and the Oregon Department of Transportation did not respond to requests for comment.

"In my opinion, the apprehension of David Pyles was a violation of Oregon's kidnapping laws," says James Leuenberger, a criminal defense attorney who is also advising Pyles. "He definitely deserves to be compensated for what they did to him, but even if he wins a civil rights suit, that will just result in the officers' employers paying for their mistakes." That of course means the final tab will be paid by Oregon's taxpayers, not the offending cops. "I want these law enforcement officials held personally responsible," Leuenberger says. "I want them criminally charged."

It's hard to see that happening. Joseph Bloom, a psychiatrist at Oregon Health & Science University and a specialist in civil commitment law, says the police who apprehended and detained Pyles were likely acting under the cover of Oregon law. Bloom says the police are permitted to make a determination on their own to take someone in for a mental health evaluation—there's no requirement that they first consult with a judge or mental health professional. Bloom believes this is a wise policy. "It's important to remember that this is a civil process," he says. "There's no arrest, these people aren't being taken to jail. It's not a criminal action."

So SWAT teams, guns, and handcuffs...but not a criminal action? And what if Pyles had refused to "voluntarily" surrender to the police? "Well, yes," Bloom says. "I guess then it would become a criminal matter."

If what happened to Pyles is legal, in Oregon or elsewhere, we need to take a second look at the civil commitment power. Even setting aside the SWAT team overkill in Medford, there's something awfully discomfiting about granting government authorities the power to yank someone from their home and drag them in for a mental health evaluation based on a series of actions that were perfectly legal, especially with no prior oversight from a judge, or guidance from a psychiatrist.

"The idea that Pyles turned himself in voluntarily is ridiculous," says Starrett, the gun rights activist. "There's nothing voluntary about waking up to a SWAT team outside your home, then having a police negotiator call and suggest you surrender. They had no arrest warrant. But Pyles only had one option. If he didn't come out on his own, they were going to come in to get him."

Even if the apprehension of Pyles was legal, the seizure of his guns wasn't. Because civil commitment laws aren't criminal in nature, they don't carry authorization for the police to search a private residence. According to Pyles, he closed the door behind him as he left his home. Because the police didn't have a search warrant, they had no right to even enter Pyles' home, much less seize guns inside that he bought and possessed legally.

For a potential mass murderer, Pyles is remarkably placid and big-picture about what happened to him. "I've been looking for a new job for months," he says. "But given the economy, I'm pretty lucky to be getting a paycheck, even given all of this. For me, this is about civil rights. This seems like something the NRA and the ACLU can agree on. South Oregon is big gun country. If something like this can happen here, where just about everyone owns a gun, it can happen anywhere." - *Radley Balko is a senior editor at Reason magazine.*

You dare doubt and think a fascist totalitarian takeover would never be possible here in the "land of the free"? (Hello! We are in the midst of the takeover at this very moment!) Look at what happened to Germany in the 1930s, they were at that time a free and prosperous country like us. **Most communist countries are nothing less than open air concentration camps...** what makes you think for one moment that our nation cannot become an OPEN AIR CONCENTRATION CAMP just like the others who paved the way and given their tyrants the know how on not only accomplishing that totalitarian control but maintaining their death grip power for hundreds if not even thousands of years...

What of the fear by many Americans of having their guns taken away from them at some time? Is this real? Can this really be substantiated? Yes, yes and yes. The ruling elite control both the Democrats and the Republicans, they have delegated to the Democrats, the difficult mission to strip the population of their guns. There are volumes we can write concerning this topic but due to space limitations I must be brief. The bottom line is that guns are involved in a minority of crimes, up to 80%+ crimes never involve guns. But the ruling elite feels they must rid the population of their guns, as all previous authoritarian societies and dictators have in the past, in order to more easily be able to control the population and eradicating the possibility of mounting a major successful revolt against the evil regime that is currently enslaving the population.

“When you research these areas of martial law and concentration camps in America, it will shock you to find that everything is already in place. And martial law is often mentioned in the news media if more terror strikes were to happen here. They are conditioning you to be prepared for it. What they aren't telling you is that it is through this martial law that the Antichrist will commence his war on the saints. They are not going to help you. They want to kill you. And they've gathered lists on just who does belong to or profess the Most High as Lord. It is through these lists that they will use to separate the people for life or death.

If your name is on a list, you will be taken to a camp and killed. They will not tell you they are going to kill you, they will tell you they are going to relocate you out of the disaster area to another. Do not believe their lies.

Do not fall for the relocation lies and scams that are coming. If they tell you to meet at a post office to be relocated to another area or state, do not go! Hide! Run!

Once an area in the US is declared to be in martial law, it will keep going and going and going until the whole country is declared to be under martial law. Seek the Lord for wisdom and listen to Him as He guides your thoughts and/or speaks to you on what to do or where to go.

Time is running out. Be aware of the double speak you hear on television and from the news media. They are purposely conditioning the masses and lying to them.”

California Students Get Tracking Devices

The Associated Press, Posted: 08/18/2010

RICHMOND, Calif.—California officials are outfitting preschoolers in Contra Costa County with tracking devices they say will save staff time and money.

The system was introduced Tuesday. When at the school, students will wear a jersey that has a small radio frequency tag. The tag will send signals to sensors that help track children's whereabouts, attendance and even whether they've eaten or not.

School officials say it will free up teachers and administrators who previously had to note on paper files when a child was absent or had eaten.

Sung Kim of the county's employment and human services department said the system could save thousands of

hours of staff time and pay for itself within a year.

It cost \$50,000 and was paid by a federal grant.

GPS Tracks Schoolbus Kids

NBC, Tue, Aug 31, 2010

In a bid to set parents' nerves at ease, a southwest suburban school district has become one of the first in the state to begin using GPS to track schoolchildren riding buses to and from school each day.

Palos Heights School District 128 had previously been using ZPass, a GPS technology provided by Seattle-based Zonar Systems, to track the buses. But now the district is outfitting students' backpacks with a luggage tag-sized unit that logs when the student steps on and off the bus.

"A little piece of mind helps you get through the day," says Ann O'Brien, a mother of four children in Palos Heights School District 128. "They can locate kid and bus in seconds."

O'Brien says as she watched her children board and exit school busses today, with the new ZPass cards attached to their backpacks.

Palos School Superintendent Kathleen Casey says the system helps alleviate parents' concerns.

"We can track the bus with the GPS, alleviate a parent's fear if they got on or off bus, look up their ID number and find out what bus and what time boarded or if still on or exited," she said.

The district spent \$16,000 for the technology, which currently covers 10 buses. Parents say the cost is minimal for the benefits.

There are many players (bought and paid for) championing the elimination of guns, such as Attorney General Eric Holder who sold his soul long ago, then there are the Zionist agents whom are always operating in the backgrounds such as Cass Sunstein Jew agent provocator whose life mission seems to be to eradicate the Second Amendment. Who, despite being a blaring anti-gun whore managed to lie his way into his cozy gig as head of the Office of Information and Regulatory Affairs. Here is a quick synopsis:

"Mr. Sunstein's overt hostility to the idea that the Constitution protects an individual right to bear arms, including for purposes of self-defense, is not something that should be welcomed from somebody whose job might entail weighing in on the value of anti-gun regulations. It also makes his more recent assurances that he is a Second Amendment stalwart seem rather disingenuous, at the very least," an editorial published by The Washington Times stated last September.

In July of 2009, Sunstein sent a letter to Sen. Saxby Chambliss of Georgia assuring him that he strongly believes the Constitution protects an individual right to bear arms. "Your first question involved the Second Amendment. I strongly believe that the Second Amendment creates an individual right to possess and use guns for purposes of both hunting and self-defense. I agree with the Supreme Court's decision in the Heller case, clearly recognizing the individual right to have guns for hunting and self-defense. If confirmed, I would respect the Second Amendment and the individual right that it recognizes."

*In response, Chambliss dropped his hold on the nomination of Sunstein to head the Office of Information and Regulatory Affairs. **In other words, Sunstein lied about the Second Amendment in order to fool Congress***

into accepting his nomination. – Nothing to see here folks, everything is fine and dandy, he got in with a bunch of lies and no one is going to take him to task on it either, oh, he only committed PERJURY. Nothing to see here folks, now run along and mind your own business.

Cass Sunstein Predicts Repealing Right To Bear Arms - [video](#)

As Cass states in the video above, “the supreme court has NEVER suggested that the Second Amendment protects individual rights to have guns, not once” He goes on to predict/warn: “**don’t be surprised if the first time it happens is within the next three or four years.**” Being a Zionist Jew operative he has the inside scoop about their secret agendas in the works, so I take his words seriously. Pssst: SCOTUS is in their back pockets. Wait until the Obamanator appoints the new judges his Zionist masters choose. Once they take away your guns, get ready to to bend over and kiss you’re.... What you have left of your “freedom” goodbye. Of course the guns will all be taken away from you all, too... ummm... “protect you”.... “for your own safety”... But of course. There will some day be just two camps with weapons the criminals, aka “terrorists” and the wonderful benevolent law enforcement complex.

Behold: For everyone is still under the false impression that our country is “the land of the free”, the masses are blind to what is transpiring around them. Thousands upon thousands of ludicrous once considered preposterous enforcement actions have been performed with ever more regularly in all sectors of society. People are alarmingly being incarcerated for even the minutest innocuous “offenses.” One area where this trend has been going through the roof is the police state priming system that has been encroaching and setup in the public schools throughout our country. With the hidden agenda of getting the kids acclimated to the idea of being under constant heavy surveillance and used to the act of putting up with conditions of oppression once unheard of. Today there are thousands of headlines such as the one below that occur all around our country, yet barely a blip on the national public conscience. Sleep, sleep, nothing to see here folks.... Sleeeeeep, for the day will surely come when you literally wake up enslaved in the land of the “free.”

Still think you and your family are free? Incidents such as these are increasingly happening on a routine basis all across the nation:

Queens girl hauled out of school in handcuffs after getting caught doodling on desk

By Rachel Monhan, NY Daily News

A 12-year-old Queens girl was hauled out of school in handcuffs for an artless offense - doodling her name on her desk in **erasable marker**, the Daily News has learned.

Alexa Gonzalez was scribbling a few words on her desk Monday while waiting for her Spanish teacher to pass out homework at Junior High School 190 in Forest Hills, she said.

"I love my friends Abby and Faith," the girl wrote, adding the phrases "Lex was here. 2/1/10" and a smiley face.

But instead of simply cleaning off the doodles after class, Alexa landed in some adult-sized trouble for using her lime-green magic marker.

She was led out of school in cuffs and walked to the precinct across the street, where she was detained for several hours, she and her mother said.

"I started crying, like, a lot," said Alexa. "I made two little doodles. ... It could be easily erased. To put handcuffs on me is unnecessary." Alexa, who had a stellar attendance record, hasn't been back to school since, adding, "I just thought I'd get a detention. I thought maybe I would have to clean [the desk]."

"She's been throwing up," said her mom, Moraima Camacho, 49, an accountant, who lives with her daughter in Kew Gardens. "The whole situation has been a nightmare."

City officials acknowledged Alexa's arrest was a mistake.

"We're looking at the facts," said City Education Department spokesman David Cantor. "Based on what we've seen so far, this shouldn't have happened."

"Even when we're asked to make an arrest, common sense should prevail, and discretion used in deciding whether an arrest or handcuffs are really necessary," said police spokesman Paul Browne.

Alexa is the latest in a string of city students who have been cuffed for minor infractions. In 2007, 13-year-old Chelsea Fraser was placed under arrest for writing "okay" on her desk at Intermediate School 201. And in 2008, 5-year-old Dennis Rivera was cuffed and sent to a psych ward after throwing a fit in his kindergarten.

A class action lawsuit was filed by the New York Civil Liberties Union last month against the city for using "excessive force" in middle school and high schools. A 12-year-old sixth-grader, identified in the lawsuit as M.M., was arrested in March 2009 for doodling on her desk at the Hunts Point School.

Alexa is still suspended from her school, her mother said. She and her mom went to family court on Tuesday, where Alexa was assigned eight hours of community service, a book report and an essay on what she learned from the experience.

"I definitely learned not to ever draw on a desk," said Alexa. "They told me with a pencil this could still happen."

BREAKING NEWS: Still think these are isolated incidences?

Girl, 6, Handcuffed, Committed Because Of Classroom Behavior. February 10, 2010. PORT ST. LUCIE, Fla. - A Port St. Lucie first-grade student was handcuffed and committed to a mental health facility because of her classroom behavior. Her criminal offense: Haley, got upset and stormed out her classroom when her teacher asked her to do something. The report said it then escalated into a temper tantrum in the principal's office. She was handcuffed ("She couldn't put her in two handcuffs because her wrists are that small, so she put them both in the same handcuff and left marks on my daughter's arms.") and taken away in a police car.

The second infringement of the repeat 6 year old offender This time the police had a different plan: she was committed to a mental facility. "They have looked at her here," Franklin said of the New Horizons mental health facility. "There is absolutely nothing wrong with my child. I work in daycare. I know what a child that has problems -- you know, I know how to deal with them. I know what they act like."

There are hundreds more cases like the ones described above that "fly below radar" and do not make it to the national news. The practice of arresting little kids is drastically increasing. Many schools even have "prison cells" for their tiny tot offenders: Disabled Children Restraint Seclusion Abuse - [video](#). It is obvious, the establishment is indoctrinating all the way down to little innocent kids level, priming them into accepting a Gestapo police state environment and tactics. One day when they are all older... the oppressive regime will seem "NORMAL."

One of the secrets to DECIPHERING the agendas of the ruling elite is quite simple. As in all wars, one must DECODE the enemies MOVEMENTS (actions) and COMMUNICATIONS. In this case the one enemy communication system that is wide open is the one

they are using to MASS PROGRAM THE POPULATION... the mass media outlets. This tactic is so important I cannot over emphasize or stress it enough. All one must do is study the “waves” of mass media reporting to see what NARRATIVES they are currently PROMOTING. There is only one caveat to this methodology though, the Zionist Jews are famous for working every side of every argument, so **no matter what, one of them always win**, the masses LOSE. Another key stratagem they employ is **the attack the agenda they support strategy**, thereby setting up the illusion of “status quo agenda free” for the target audience to vote for it.

One must deeply analyzing the deeds, acts, actions of the players and take their words with a grain of salt. You must spot the incoming “waves” such as the **constant targeting of airplanes** by al-**CIA**da, we can see where the TREND is

headed, then naturally deduce a myriad of end games. We can rely on al-**CIA**da to divulge its intentions to us for they love to herd the public with FEAR, regularly producing slick videos whenever the Washingtonites need an extra injection of fear mongering (how nice of Osama Bin CIAladen). Unlike the feeble masses, we have identified some of the key al-**CIA**da operatives, for many of them are none other than secret Mossad/CIA/Mi6 **double agent provocateurs posing as terrorists instigating and stirring up the terrorism threats.**

Look at the recent U.S. airliner incident, heres’ a reddit quote that pretty much sums up the gist of the Panty Bomber attack: **“If we can't catch a Nigerian with explosives in**

feminine underpants, whose father alerted the CIA/U.S. embassy, whose ticket was bought in cash, who didn't check bags, whose visa was denied by the UK, who studied in Yemen, whose name was on a watch list, who can we catch?” This is not conspiracy theory folks, these are facts. They didn't try to prevent it. When the system fails in 9 different places, and the same security outfit responsible, ICTS, is not mentioned in the media whatsoever, when they were also in charge during 911 at Logan International Airport, at the airport where the shoe bomber got through, at Schiphol for this airline, and many other incidents, coincidence, eh?

The joke is on all Americans as the U.S. looks like a bunch of bumbling baboons to the rest of the world. As the global hyperpower spent the next week making itself a laughingstock to the entire planet. First, the bonehead bureaucrats at the Transportation Security Administration swung into action with a whole new range of restrictions. Against radical Yemen-trained Muslims wearing weaponized briefs? NOPE. Of course not. That would be too obvious. So instead they imposed **a slew of constraints against YOU.** To begin with, for some inexplicable reason, now everyone is going to be limited to just one carry on item, duh, despite the fact his “payload” was inside his freakin panties, hello!

Now get this: Almost immediately following the Panty Bomber’s attack **the fairy god mother delivered a gift wrapped “solution” to this problem: Full body scanners.** There is just one little itty bitty quandary about them: The explosive device smuggled in the clothing of the Panty Bomber would NOT have been detected by x-ray or full body-scanners using “millimetre-wave” technology that reveal a naked image of a passenger. Tests by scientists in the team at Qinetiq (for instance) showed the millimetre-wave scanners picked up shrapnel and heavy wax and metal, but plastic, chemicals and liquids were **missed.**

Bomb-sniffing dogs work infinitely better than any high tech/high cost/high scam device...

That's why the FBI uses them to protect its own headquarters and why the US military uses them in Iraq and Afghanistan under the most hazardous and hostile conditions imaginable.

We are being irradiated, lied to and put in real danger so Michael Chertoff and his friends in Homeland Security can rip us off. Meanwhile, Obama tells us it's for our safety.

Illuminati Vowed in 1969: "Travel Will Be More Difficult"

Pilots and passengers rail at new airport patdowns

(Reuters) - Stepped-up security screening at airports in the wake of foiled terrorism plots has provoked an outcry from airline pilots and travelers, including parents of children who say they are too intrusive.

What Awaits Your Daughters at Airports

<http://www.brasschecktv.com/page/972.html>

**By Henry Makow Ph.D.
(Flashback from Dec 2009)**

Like sheep, humanity had better adjust to constant harassment as long as it tolerates Illuminati control of all important government and social institutions.

At the height of the holiday season, millions of travelers to the US were delayed and inconvenienced because of one suspicious incident Friday.

In 1969, Rockefeller Insider Dr. Richard Day predicted the future in these terms:

" Travel ... would become very restricted. People would need permission to travel and they would need a good reason to travel. If you didn't have a good reason for your travel you would not be allowed to travel, and everyone would need ID... later on some sort of device would be developed to be implanted under the skin that would be coded specifically to identify the individual." (Tape two)

The reaction to the failed "terrorist attack" eventually may lead to this state of affairs. Ironically, the Nigerian bomber was allowed on the plane without a passport! Although shabby in appearance, he was accompanied by an East Indian man, presumably an Intelligence agent, who was well dressed. This man bought the \$2200 ticket. Why is there no inquiry as to his identity?

Anyone who has traveled recently knows security measures already are stringent. There is no way a man can get on a plane with an explosive device taped to his body. Like most terror, this event was concocted by the Illuminati and executed by their intelligence agencies.

In a Globe and Mail Poll Monday, over 2/3 said the current security measures were an overreaction. Now people are getting felt up at security, a perfect job for Illuminati perverts. Is this really an experiment to see how much degradation people will suffer?

Can anyone bring down a plane with exploding underwear?

DENIAL

As long as the masses refuse to acknowledge the Illuminati conspiracy, they will continue to be complicit in their own destruction.

Last weekend, six Chunnel trains broke down and thousands of people were confined for as many as 16 hours in the dark without food or water. This is a traumatic experience.

For the last six months, we have been bombarded with propaganda about the Swine Flu. Millions have been vaccinated. Billions of profits have been made. These vaccines might have been harmless. Who knows about the

next? What we do know is that, generally speaking, Swine Flu proved to be less dangerous than seasonal flu.

Then, recently for over a week, we were bombarded with hysteria about weather change (aka "climate change.") The Club of Rome concocted this bogeyman back in the 1980's.

We must regard official society as a brain washing chamber where we are being subjected to trauma-based mind control. Other traumatic events from the last decade include 9-11, the Tsunami, Hurricane Katerina, the great Northeastern power black-outs, the financial meltdown, and the wars in Iraq and Afghanistan.

It's been a good decade for the Illuminati. Society is far more fearful and pessimistic, far more willing to accept totalitarian control.

THE KEY TO OUR EXASPERATION

In the *Protocols of the Elders of Zion*, the author writes that their goal is: "To wear everyone out by dissensions, animosities, feuds, famine, inoculation of diseases, want, until the Gentiles sees no other way of escape except by appeal to our money and our power." (*Protocol 10*)

"We will so wear out and exhaust the Gentiles by all this that they will be compelled to offer us an international authority, which by its position will enable us to absorb without disturbance all the governmental forces of the world and thus form a super-government." (*Protocol 5*)

Harold Rosenthal who was a member of this cabal boasted that they even implanted a "guilt complex" over the holocaust and anti-Semitism that prevents society from addressing the threat.

Through control of banking, they acquired a total monopoly of "the movie industry, the radio networks and the newly developing television media...we took over the publication of all school materials... Even your music! We censor the songs released for publication long before they reach the publishers...we will have complete control of your thinking."

We "have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We, Jews, toy with the American public as a cat toys with a mouse."

It would be great if the problem could be confined to "Jews" but literally everyone who advances the New World Order agenda wittingly or unwittingly is implicated, and that is, millions of people, i.e. the "Establishment."

SOCIETY OF SHILLS

The Illuminati central banking cartel controls government credit, media, banking, corporations, education, professional associations, justice, military ..you name it. They use Freemasonry as their instrument. Recently, I posted an article about how they control the US Black community using the Masonic "Boule." The same principle applies everywhere.

Society operates on two rails. The formal--the image of a democracy ruled by law that dupes the masses and ensures their cooperation. The informal-- the Illuminati club, which actually makes the decisions regardless of what's happening on the formal level. The informal infiltrates the formal until the latter is merely a mask for the former.

Want to succeed? Join the club of secret Satan worshipers. That's what Barack Obama did.

In a post May 29, 2009, Emily Gyde, an Illuminati defector who claims to be the real author of the Harry Potter series, says Obama told her this:

"I remember PRESIDENT OBAMA talking to me about how he had joined the ILL CULT - he didn't want to - but he described himself as just an ordinary guy who wanted to take a wage packet home...that is how it was...he didn't want to end up on the streets...at the end of the day, it was all about money...you had to have it to live...if he hadn't joined the ILL CULT...he would have been disbarred...he wouldn't have got a job...wouldn't have been able to live...that's how a lot of people get conned into joining the ILL. You are young, you want to prove yourself in life - you are told that you will 'never get a job' if you don't...the ILL prove how powerful they are."

I don't know if this is true but it is plausible.

CONCLUSION

When I was a sixties radical, we used to think people who worked for the Establishment had sold their soul to the devil. I didn't imagine it was literally true, as the Illuminati are Satan worshippers, so you're unwittingly working for his disciples.

The world has been colonized by this Satanic cult. What we are experiencing, while trying to maintain some civilized traditions over Christmas, is their relentless attempt to induct us into their cult as mind controlled servants.

The terrorism fearmongering has once again picked up momentum and is once again reverberating 24/7 throughout the Zionist media world, the unified message reverberating throughout the media world: "be afraid, very afraid."

(FYI: Michael Chertoff the Zionist Jew who held dual citizenship (full blooded Israeli citizen) while in charge **OUR** Homeland Security apparatus has given dozens of media interviews touting the need for the federal government to buy more full-body scanners for airports. While the Chertoff Group, his security consulting agency, includes a client that manufactures the machines.)

No sooner than the alleged Panty Bomber wannabe terrorist was captured and **before the sun went down our most benevolent wise WARDENS in Washington initiated a whole slew of new, more rigid restrictions on all airline travel**, all of which have no (as in none, zipo, zilch, zero) correlation with stopping similar methods such as what that douch bag wannabe terrorist tried. **The entire narrative reaks of insider setup**. The guy's name was on the freaking terrorist watch list for gods sake! And he buys a ticket with cash and had a visa denied? Hey, nothing unusual here! Let him in! It was a classic setup. Period. In order to generate the maximum impact, shock and fear propagation the wanna be panty bomber was sent out on his mission on Christmas day. This guy shows all the classic symptoms of being just another **MK-ULTRA brainwashed pawn**. What ever the case may be, several factors are beginning to be very clear.

How can the action of ONE LONE person be used to subjugate and restrict hundreds of millions, as in, ALL the travelers in the entire PLANET? Why the repeated targeting of airplanes and trains? This question kept bothering me until one day it dawned on me while trying to decipher the mass media onslaught regarding the latest attempt by that Mk-Ultra/project Artichoke programmed wanabe terrorist pawn. **The reason they are targeting planes and trains = TRANSPORTATION is because the ruling elite MUST FULLY CONTROL, limit and lock down all transportation in their invisible open air concentration camps**.

An Armed Society is a Polite Society

Did you know that almost 30 years ago (1982) a small town in Georgia, just north of Atlanta, passed a law requiring each head of a household to own and maintain a gun? At the time this little town was home to some five thousand residents.

The small town of Kennesaw was blasted by the gun control crowd with dire predictions such as 'Wild West' type showdowns, increased violence and shooting accidents and called the pistol-packing capital of the world, by the Washington Post. Even the wacko liberal Phil Donahue requested that the Mayor of Kennesaw appear on

his show. At the time this small town was experiencing a skyrocketing crime rate well above the national average.

So what's happened in the past 28 years? The crime rate has dropped dramatically, by well over half, and get this, not a single resident has been involved in a fatal shooting - not as a victim, attacker or defender. Yes, in the entire 28 years since the law went into effect!

When the Kennesaw law was passed in 1982 there was a substantial drop in crime ... and we have maintained a really low crime rate since then. - Kennesaw Police Lt. Craig Graydon

But that's not all. The little town of Kennesaw has seen an increase in population. From some 5,000 in 1982 to over 31,000 today. Hum, seems like the liberals are wrong on this issue too.

In his two books, *More Guns, Less Crime* and *The Bias against Guns*, Author John Lott makes the case for carrying canceled weapons using actual statistics, sound analytics and empirical evidence. If you want to know the truth, check out these books.

Police are extremely important in deterring crime but, as the [Virginia Tech] attack showed again, they almost always arrive after the crime has been committed. Annual surveys of crime victims in America by the US Bureau of Justice Statistics continually show that, when confronted by a criminal, people are safest if they have a gun. Just as the threat of arrest and prison can deter criminals from committing a crime, so does the fact that victims can defend themselves. - John Lott, Author and Economist as well as senior research scientist at the University of Maryland, College Park.

Research, as well as common sense (one of the many virtues absent in most liberals) show that an armed society is indeed a polite as well as safer society.

The imperceptible open air concentration camps that are being erected around us is largely policies/rules/laws based "democratic"/fascist society implemented, but will one day essentially resemble that of authoritarian empires in that all boarder crossings and major transportation hubs will essentially become **CHECK POINTS**. Whereas in the future, once all restrictions are in place, they will be accepted by all the goyim cattle as "normal." For instance criminal dissident "terrorists" will not be able to pass any designated CHECK POINTS for the moment they show their PAPERS, they will be immediately imprisoned. The lock down is happening slowly, little by little, one generation at a time, limiting and stripping of personal freedoms until one day any outsider can easily deduct that we are living in a gulag society, while you birds in the bird cage have no clue. YOU were all raised in that environment and have adapted to the confinements you have all perceived as natural and normal.

Another well integrated and sheeple accepted police state conditioning CHECK POINT scenarios that has been operating successfully for decades is the "seat belt/registration/inspection check points"... oh, and don't forget the "drunk driving check points" as well as many others. For "your safety and well being, of course." Show me your papers biatch.

Think about it. To travel you must present your papers (i.e., license and passport) on demand. Airline travel is at the forefront, they have managed to get the masses to be perfectly docile and accept: routine searches, strip search, taking off of shoes, belts, clothing, limiting what you can do and bring on board, banning all sorts of personal objects, search, seizure with indefinite retaining of laptops, cell phones and PDAs, to name just a few. Now with the new wave of restrictions comes: sit still in your seat until

commanded when you can move, do not read a book, cannot use your notebook computer or phone, or PDA, you must not have anything on your lap at any time, etc., etc. Do you see the picture of oppression building up and slowly surrounding you as I clearly see? All under the pretext and guise of “keeping you safe” – “for your own good.”

Behold: for each time the authority figure in police or military uniform stands before you and demands you to comply, internally in the most deep recesses of your mind you like all other people on this planet, revert back to your childhood indoctrination: OBEY THOSE IN AUTHORITY, instinctively surrendering all cognitive functions, reasoning, logic and willingly complying even with the most absurd demands and restrictions.

“In three states it is now illegal to record an on-duty police officer even if the encounter involves you and may be necessary to your defense, and even if the recording is on a public street where no expectation of privacy exists.” *-Are Cameras the New Guns?*

One blogger wrote a humorous albeit disturbing observation: “Oh, it's not a matter of sending something through scanners. Let's get real; the next frontier involves the words "rectal probe." And anyone who's been on the internet as long as I have knows that human beings can & frequently do shove a WIDE variety of items up their ass. The "butt bomb" is next, and then the threat of an anal probing shall become another condition of flying like the rest of the BS.”

I included that comment for its sarcasm, hopefully highlighting the absurdness our most wonderful benevolent government makes us go through. But... News Flash: the Butt Bomb is already in circulation! One was used by a terrorist who pretended to surrender himself to a Saudi Arabian prince. Read about it [here](#). Wait until JUST ONE of these goes off here in the states, then get ready, coming to an airport near you some time in the not too distant future: Rectal probes! LOL The joke is on you, the “terrorists” win. For Al-**CI**A da has magically been changing the dynamics of our “free” society, stripping the citizens of their rights, turning our country into an open air concentration camp, converting our free world to fear world.

The Ball's In My Court Now

After the 9/11 attacks, when alleged 19 Muslim terrorists -- 15 from Saudi Arabia, two from the United Arab Emirates and one each from Egypt and Lebanon, (**NONE FROM AFGANISTAN OR IRAQ**) 14 with "al" in their names -- took over commercial aircraft with box-cutters, the government banned sharp objects from planes.

Airport security began confiscating little old ladies' knitting needles and breaking the mouse-sized nail files off of passengers' nail clippers. **Surprisingly, no decrease in the number of hijacking attempts by little old ladies and manicurists was noted.**

After another Muslim terrorist, Richard Reid, AKA Tariq Raja, AKA Abdel Rahim, AKA Abdul Raheem, AKA Abu Ibrahim, AKA Sammy Cohen (which was only his eHarmony alias), tried to blow up a commercial aircraft with explosive-laden sneakers, **the government prohibited more than 3 ounces of liquid from being carried on airplanes.**

All passengers were required to take off their shoes for special security screening, which did not thwart a single terrorist attack, but made airport security checkpoints a lot smellier.

After Muslim terrorist Umar Farouk Abdulmutallab of Nigeria tried to detonate explosive material in his underwear over Detroit last Christmas, THE IMMEDIATE SEEMINGLY PREMEDITATED RESPONSE that took effect immediately with equipment waiting to be deployed in warehouses: **the government began requiring nude body scans at airports.**

The machines, which cannot detect chemicals or plastic, would not have caught the diaper bomber. So, again, no hijackers were stopped, but being able to see passengers in the nude boosted the morale of airport security personnel by 22 percent.

After explosives were inserted in two ink cartridges and placed on a plane headed to the United States from the Muslim nation of Yemen by Mossad/CIA false flag agents, the government banned printer cartridges from all domestic flights, resulting in no improvement in airport security, while requiring ink cartridges who traveled to take Amtrak.

So when the next Muslim terrorist, probably named Abdul Ahmed al Shehri, **places explosives in his anal cavity, what is the government going to require then?** (If you're looking for a good investment opportunity, might I suggest rubber gloves?)

Last year, a brainwashed Muslim agent attempting to murder Prince Mohammed bin Nayef of Saudi Arabia blew himself up with a bomb stuck up his anus. Fortunately, this didn't happen near an airport, or Homeland Security Secretary Janet Napolitano would now be requiring full body cavity searches to fly.

You can't stop a terrorist attack by searching for the explosives any more than you can stop crime by taking away everyone's guns.

It's similarly pointless to treat all Americans as if they're potential terrorists while trying to find and confiscate anything that could be used as a weapon. We can't search all passengers for explosives because brainwashed Manchurian candidate Muslim agents stick explosives up their anuses.

Only about a third of all Americans flew even once in the last year, and only 7 percent took more than four round trips. The majority of airline passengers are middle-aged, middle-class, white businessmen with about a million frequent flier miles. I'd wager that more than 90 percent of domestic air travelers were born in the U.S.

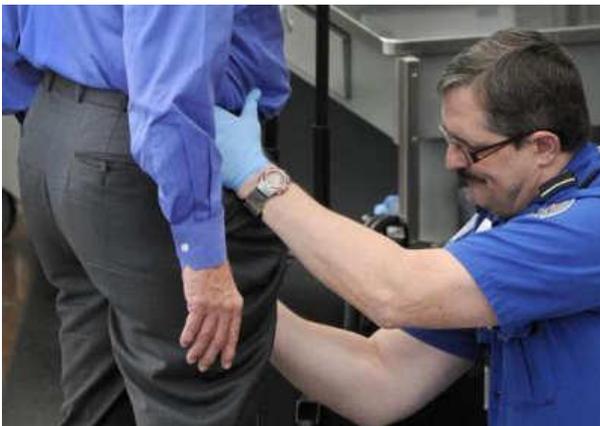

If the government did nothing more than have a five-minute conversation with the one passenger per flight born outside the U.S., you'd need 90 percent fewer Transportation Security Administration agents and airlines would be far safer than they are now.

In their quest to beat the masses into submission the ruling elite keeps ordering more invasive searches of all passengers, without exception -- except members of Congress and government officials, who get VIP treatment.

Two weeks ago, the overlords ordered TSA agents to start groping women's breasts and all passengers' genitalia -- children, nuns and rape victims, everyone except government officials and members of Congress.

"Please have your genitalia out and ready to be fondled when you approach the security checkpoint."

This is the punishment for refusing the nude body scan for passengers who don't want to appear nude on live video or are worried about the skin cancer risk of the machines -- risks acknowledged by the very Johns Hopkins study touted by the government.

Targeting of transportation is an absolutely critical component of the ruling elite master plan in that they MUST develop a means to keep its open air concentration camp population under disguised authoritarian lock down. These are KEY CHECK POINTS. "Papers please, now drop your pants and bend over." The gradual restriction of free movement is the process to accomplish this objective. One need look no further than communist Russia, communist Korea and communist Germany to understand that part of their authoritarian rule and control over the masses was the restriction of their respective population's movements and transportation.

This is an integral element of any and all authoritarian states. **The "terrorist" attacks on trains and planes sets up the pretext, the justification to initiate massive free**

movement limiting systems, rules, procedures, norms limiting and restricting free travel. The scared feeble minded fear mongered sheeple are steadily being PRIMED and CONDITIONED to readily accept further more stringent measures of control over their lives in the future. Every month new check points are rolled out in individual states and cities, little by little they keep popping up everywhere without anyone taking notice, growing in numbers, **gradually the public becomes numb to their existence as a fact of life and gradually succumbs to the new norms, gradually relinquishing their liberties.**

Police Silent on Invasive “Stop and Frisk” Public Housing Policy

By [Megan Cottrell](#), Oct 7, 2010

How would you feel if you were just walking to your apartment — say carrying some groceries home from the store or on your way home from school — and you got stopped by the police, questioned and frisked, right in front of your own building?

If you said "outraged," you're not alone. Tenants in public housing in New York are [suing the NYPD](#) over its "stop-and-frisk" policy. When police representatives were asked to explain and answer questions about the policy for residents, [they were silent](#).

Under the policy, whether or not the police catch you doing anything wrong, your name goes into a database kept by the NYPD. The state branch of the American Civil Liberties Union says the policy violates a state law that requires that criminal records be sealed if someone is acquitted. [Tell the NYPD to end its invasive "stop and frisk" policy.](#)

Chicago police have a similar tactic, called "[contact cards](#)." Out and about? If the cops notice you, they'll pull you to the side and ask you to fill out a contact card with your name, address and Social Security number. What for? Well, if there's a crime committed in the area by a suspect matching your description, they'll know who to contact.

I know this happens — it happened to me. I went to a public housing complex to interview a resident leader there and was waved down by a cop when I tried to enter the building. "What are you doing here?" she asked, telling me I needed to fill out a contact card. "Why are you here alone?" she persisted. I explained that it was my job, that I was a reporter covering public housing and she was free to call my boss. "That won't be necessary," said the officer, as she eyed me suspiciously. "But we're going to keep an eye on you while you're here."

I think she meant to be nice. Once she and her colleagues were sure I wasn't there to buy drugs, they saw me as someone who needed protection.

But at that same housing complex a few weeks later, a young black man didn't get the same sort of concern. Police stopped him, made him fill out a contact card, and when he showed his ID, an officer took it and cracked it in half, throwing it on the ground. Diamond Johnson was the son of a friend of mine, a honor roll student who's now in college. His mother, Audrey, told me this story because she was worried about keeping her son away from the police in order to keep him out of trouble.

It's not the first policy subjecting public housing residents to regulations ordinary Americans wouldn't stand for. [Smoking bans](#), [drug testing](#) and [unlawful evictions](#) are all methods prescribed to keep public housing residents in check, but that often violate their privacy and civil rights.

Being a public housing resident isn't grounds for an illegal search or to be detained. Let's find policing strategies where officers engage the people they're supposed to serve and protect, not antagonize them.

The ruling elite? They are never subjected to the invasive measures you mortals must endure for they get around with chauffeurs, private jets, VIP treatment while you are forced to undergo the most **humiliating** searches and questioning. The Nazi style checkpoints are becoming the new norm all over this country, Europe and many other nations the international ruling elite are actively placing the minions on lock down, getting everyone adapted to ever increasing forms of outright police state, “for your protection” but of course. First it was Airports, bus stations, train stations, regional border crossings, government buildings, court houses, schools and now even your own home if you live in large apartment complexes. Backed up by the largest network of CCTV closed circuit TV monitoring devices ever to exist on earth. FYI: Today we have officially SURPASSED both the old Soviet Union and Nazi Germany in monitoring the population and erecting checkpoints throughout the Amerika regime.

Corporate Media Saturation of TSA News An Operation to Desensitize and Anger Population

By Lee Rogers, [Roguegovernment](#)

For several years we have covered stories surrounding the terrorists at the Transportation Security Agency. Two years ago, I correctly identified the TSA as a terrorist organization. After all, the TSA is an organization that has terrorized countless airline passengers but has yet to catch one real legitimate terrorist during this obviously fake war on terror. In many respects what's happening today is nothing new, the only difference is that people are being made more aware of their horrendous policies. Although it is important to cover stories that illustrate how individual freedom is being destroyed, the corporate media coverage of the naked body scanners and the groping of people's private parts at airport security checkpoints has reached such high levels of saturation that it seems to be part of a larger operation. It appears as if they are trying to desensitize the population to accepting the reality of sexual molestation and naked body scanners at airports by focusing so heavily on this one particular issue. The greater amount of coverage this topic gets, the more people will be desensitized to it and the more likely they will accept it as a new reality. If not that, it will increase the chance that somebody becomes so angry that they will react in a violent manner to this obviously very diabolical form of enslavement.

That's not to say that these TSA horror stories aren't important because they are, it is just the volume of focus by the corporate media on this story is incredibly odd. They had years to cover this story, but only now are they deciding to dedicate the coverage that these Nazi Germany like checkpoints deserve. So like most everything that is depicted in the corporate media, there seems to be an obvious agenda here. Not only do they want to try and desensitize people to this new reality of enslavement but if that doesn't work they want people to get even more pissed off and upset. It is painfully obvious with the government's justification of such ridiculous policies that they are trying to get people who are aware of what's going on to react violently so they can crack down on the average person further and enact even more anti-terror rules and regulations. No sane or rational person would think that strip searching a young child or tearing apart a man's piss bag is an effective tool at stopping terrorists even if you believe in the obviously phony terror war.

It doesn't matter that the underwear bomber was intentionally let on to a plane by a government agent without any proper documentation. Nor does it matter that initial reports of the packages in the so-called ink cartridge bomb plot showed no signs of explosives and that it appears as if the presence of explosives was entirely made up by the Obama administration. Nor does it matter that the so-called head of Al-Qaeda in the Arabian Peninsula was reported having dinner at the Pentagon following the 9/11 attacks and is an obvious U.S. intelligence asset. None of this matters, because these people are in the business of creating reality and the fact that the U.S. government and the corporate media consistently use these two incidents as justification for the TSA's policies is an obvious sick joke.

The corporate media could have blown the whistle on countless credible experts expressing their concerns about the health risks surrounding the use of these body scanning devices months ago. They could have also revealed that people like George Soros and Michael Chertoff have benefitted greatly from the TSA's purchase of these body scanning devices through their involvement in Rapiscan a corporation responsible for creating these devices. Of course, instead of trying to provide legitimate coverage when we actually had a chance of preventing

these devices from being installed in airports, we saw next to nothing on the subject from the talking heads on cable news or on the nightly news broadcasts.

We will certainly see more TSA horror story reports from the corporate media leading up until tomorrow's planned protest at airports in which many people are planning to opt-out of going through the body scanners. The protesters hope that by choosing the sexual molestation option, it will create such great disruptions around the country that the TSA will reconsider their policies. Unfortunately, the TSA is likely not going to reconsider their policies especially considering that they have already spent millions on these body scanning devices. Nobody is going to want to admit that they made that big of a mistake which is why these body scanning devices aren't going to go anywhere. It is also very likely that they will continue sexually assaulting airline passengers judging from statements made by the head of the TSA John Pistole.

Even the Department of Homeland Security Secretary Janet Napolitano is hinting that we might see this type of bull shit security implemented at subway stops and other areas where mass transportation takes place. All of this is designed for your enslavement and the corporate media is doing their best to get people to either become desensitized to the insanity or to get people so upset that they will react violently. It is all part of the enslavement we now get to experience in what is falsely claimed to be a free country.

In related news: let me get this straight: Human Al-Bilawi the "terrorist" butt bomber that blew up a CIA base was a confirmed **DOUBLE AGENT** working for Jordanian intelligence and the CIA, supposedly making believe he was a terrorist... He was even a moderator for prominent Jihadist website... hmmm. So, the CIA operative turned on his EMPLOYER: THE CIA and blew them up. The national news outlets downplay those most crucial facts while instead they are hyping a terrorism fear mongering fest.

Behold, to he who has an ear: **Beware, For the powers that be have infiltrated the truth movement and are actively trying to foment ANARCHY** – instigating rebellions – and even riots within the populace... They have been hijacking the truther movement (for starters: Glenn Beck, tea parties, etc. anyone?) and steering it into the path of their multipronged strategies. Beware for many things will soon come to surface from this boiling cauldron. The far right is setting up the left for a massive fall. Setting up justifications and a platform for them to issue new signed bills, acts and executive orders **as leverage** to launch their NEXT PHASES, pre-planned changes. What ever comes of what they do next, it will add to your enslavement, and expand their ever more encroaching oppression... “to fix things”, “**to make this a better world**” and “**all for your protection**” of course... Even some of the “hard core” truthers are actually plants, double agent skills... their missions are to get street cred with lots truth dialog among the truther community, their key mission includes trying to steer and influence the dialog and strategically divert the **narrative** away from the Zionist rulers and pointing the blames on others. The day will come when they sell you all out.

This has already happened many times before in history, one place in particular where many identical situations and events occurred eerily mirroring what is happening here today was Germany back in the 1930s..... Its official: your notice has been served...

One such example of a fake “truther” who was more than just a shill, he was actively fomenting hate and rage among the truther movement as **a paid government AGENT PROVACATOR**, operative Hal Turner. he came to my attention a while back when he revealed “exclusive” photos of the Amero coins he claimed to receive from a “secret government source”... he professed that the photos proved that the Amero would soon become our new currency... Hmmm. Read what the article below reveals and you will wonder, like me, just how much misinformation, disinformation and just plain bull dinky we have been and are being fed by the powers that be through their paid “truther” operatives... Like I keep saying: Nothing is ever what it seems... trust no one, question everyone.

*“**My client was trained by the FBI as an agent provocateur.** He was told where the line was — what he could say. His job was basically to publish information which would cause other parties to act in a manner which would lead to their arrest” —Hal Turner's lawyer Orozco in court*

FBI paid racist shock jock Hal Turner ‘in excess of \$100,000’

By Stephen C. Webster

Turning informant on your fans can be lucrative, if you're a shock jock by the name of Hal Turner.

Amid a trial where Turner faces criminal charges for making threats of violence against public servants, he disclosed that the Federal Bureau of Investigation paid him "in excess of \$100,000" over a five-year period.

Turner, a long-time racist radio host who attracted an audience of white supremacists and neonazis, was first revealed as an FBI informant in 2008. After becoming the subject of ridicule on infamous Internet forum 4chan, Turner was confronted by hackers on his site's discussion boards with copies of e-mails he'd allegedly sent to the FBI, bragging about how he'd helped in "flush[ing] out another crazy."

The arrest came after Turner called for the murder of three judges.

"Let me be the first to say this plainly: these Judges deserve to be killed," he wrote on his Web site, according to MSNBC. "He included their pictures, phone numbers, work address and room numbers along with a photo of the courthouse in which they work and a map of its location, the FBI says."

"In gripping testimony on Tuesday, all three Chicago appellate court judges took the stand and said they felt threatened by Turner's blog posting..." NorthJersey.com reported. The publication also revealed details about Turner's compensation on the public's dime.

According to Turner's lawyer, the shock jock was specially trained to incite fringe individuals. "His job was basically to publish information which would cause other parties to act in a manner which would lead to their arrest," attorney Michael Orozco said.

Turner's famously vile broadcasts began in 2002, though the one-time Pat Buchanan campaign coordinator did not begin his relationship with the FBI until 2003. Before Turner began his work in radio, he was a frequent guest on the Sean Hannity radio show in New Jersey. Turner ceased broadcasting in 2008 amid an investigation into his increasingly violent rhetoric.

A judge in December declared proceedings against Turner a mistrial after the jury became deadlocked on an argument of whether hate speech is protected under the First Amendment. The trial was postponed and moved to Brooklyn, where it resumed on March 1.

In similar news [Synagogue Bomb Suspects: “The Feds Put Us Up to it!”](#)... why do I not doubt this for one second?

When Nikita Khrushchev visited the United States, he boasted that the Communists would bury us and that our grandchildren would live under Communist rule. He even outlined the exact manner in which they would accomplish this:

*“You Americans are so gullible. No, you won’t accept Communism outright, but we’ll keep feeding you small doses of socialism until you’ll finally wake up and find you already have Communism. **We won’t have to fight you. We’ll so weaken you economy until you’ll fall like overripe fruit into our hands.**”*

From Local Police to Occupying Army, or LESO: The Greater of Many Evils

by William Norman Grigg, January 31, 2007

There are Peacekeepers deployed in US cities, but they're not under UN command.

They're armored personnel carriers supplied to "local" police agencies for little or no cost through the Pentagon's Law Enforcement Support Office (LESO), established in 1995 as part of the Defense Logistics Agency.

Pictured above is the "Peacekeeper" Armored Personnel Carrier is listed by the Charleston, S.C. Police Department as a "Patrol Vehicle."

Since that time, the LESO has made huge amounts of military hardware – from boots to helmets to ammo to helicopters and the "Peacekeeper" APCs – available to local and state police agencies, often at little or no cost.

If you're interested in watching the Pentagon's promotional video for the LESO's campaign to militarize "local" police, go to [this page maintained by the DLA](#). At the bottom of the links you'll find one leading to "LESO Get With The Program Video." Follow that link, and – assuming you can withstand the barrage of really obnoxious whitebread canned pseudo-funk PSL music – you will have the entire program explained to you.

Fred Baille, a boilerplate-spewing spokesdrone for the DLA's Distribution Realization Policy Directorate (a suitably Soviet title for a police-state agency), explains that through the LESO program, "local" law enforcement agencies can receive "excess" military gear of practically any description "as if they were a DoD organization."

What this means, in practical and tangible terms, is that your local police has the same access to military hardware as any branch of the armed services. In everything but brand name, they're domestic appendages of the Pentagon.

The "[Get With The Program](#)" video demonstrates how easy it is for police agencies to snag the swag: Simply call up the LESO website, fill out a form "justifying" the order, and send it in. And getting "surplus" Pentagon equipment is depicted as a civic-minded thing to do, since getting the federally subsidized military gear actually helps keep taxes low.

Not discussed in the video are hidden costs of that subsidy. The monetary costs are borne by taxpayers nationwide. But a much larger price is paid when communities no longer control their own police agencies.

When local police are supported by local tax funds, they are locally accountable. When those police are materially and financially supported by Washington – to any extent – the locus of control and accountability shifts there. That is the principle recognized in the Supreme Court's [1942 Wickard v. Filburn decision](#).

The Bush Regime is trying to expand that principle in the case of [Joshua Wolf](#), a videoblogger imprisoned on federal contempt charges last fall for refusing to surrender videotape sought by federal prosecutors.

The Feds claimed that Wolf's video contained footage of an attack by rioters on a San Francisco Police Department squad car during a July 2005 protest. Wolf maintained that he didn't have the footage sought by prosecutors – which allegedly showed the squad car being put on fire – and that under California's shield law, he didn't have to surrender the tape. The [Feds countered](#) that because the SFPD receives federal subsidies (for counter-narcotics and "homeland security" efforts, among other things), the damaged squad car is federal property, and so the matter belongs in federal court, where California's shield law doesn't apply.

That claim has yet to be resolved in the courts, but given that claims

of this sort have been consistently vindicated since, oh, about 1937, the suspense isn't exactly killing me.

Which leaves us here:

Any police agency that receives so much as a particle of federal aid is *no longer a local police force*. It is, in principle, a federal army of occupation.

Yes, most policemen (including those seen in LESO's promotional video) are decent and honorable people who honestly believe that they are serving and protecting their communities. But the people who fund and control them are neither decent, nor honorable, and at a time of their choosing they can execute Order 66 (if you'll pardon the allusion) and turn that army against us.

For decades, since the Kennedy administration unveiled its *Freedom From War* program for UN-administered "general and complete disarmament," many observers have wondered when the blue helmets of the UN "Peace Force" would be dispatched to disarm Americans and put down patriotic resistance. It's not impossible that such a scenario could eventually be played out, however unlikely it is at present.

People who focus on the UN as the source of the immediate threat, however, are preoccupied with the wrong threat vector.

I recently read a post on the net, someone commented; It doesn't seem right when:

1. Someone born outside of the U.S. knows more about the Constitution than man who have lived here all their lives.
2. The U.S. Senate is a millionaires club that lives outside of the laws they make.
3. After decades on end of constant failure by both Republicans and Democrats we still elect them to run the country.
4. We don't care that laws are passed that aren't even being read.
5. People are submissive and believe everything they are told on TV.
6. We allow budget cuts to schools while increasing funding in a war everyone seems to know is pointless.
7. People can no longer travel without fear of being molested.
8. The government treats it's citizens like terrorists.
9. There is no privacy, no rights, no free speech without getting on a list.
10. There is a clear separation and elitism media engorges on between the people and our "representatives"
11. We don't audit the bank that manages to ~~lose~~ swindle trillions of our dollars.
12. We elect people based on lies, false promises, and looks.
13. People are being poisoned by water and food through the use of fluoride, hormones, pesticides, and herbicides.
14. All the "news" media is owned by the Zionist consortium.

Last but not least it doesn't seem right when people refuse to think for themselves, to go out and research and formulate their own opinion.

As time ticks on by our nation is continually resembling an authoritarian military state. Checkpoints being erected throughout our once free nation that is resembling Nazi Germany more and more as every day passes, yet not a single "terrorist" has been caught or stopped in any boogeymen. The desired result, the TRUE DESIGNED RESULT is being achieved: and that has been the stripping of the population's liberty, freedom and will to fight

back. We are all being subtly beaten into SUBMISSION.

I don't know about you, but I clearly see all the new policies, Acts, Bills, signing statements piling up, each any every year more and more laws are enacted. Exactly 40,697 that will take effect on January 1, 2010 alone. Can you imagine, at that pace, in just another decade there will be over 400,000 new laws in existence. Yet very few of you will ever notice your very real state of oppression, imprisonment, enslavement. I know to some may view some of my words as rantings of a fringe wingnut, but I rarely stray far from TRUTH. Think about it, the Military, Justice and Enforcement matrix will be and is the central body enacting and enforcing hundreds of thousands laws.

In the face of avalanche never ending increases of government control over all aspects of your life. **You THINK you are FREE because you have been CONDITIONED to BELIEVE it is so.** I am here to tell you otherwise. You are a slave Neo, you have been enslaved your entire life in so many ways, shapes and forms yet you, as all the other enslaved haven't a clue for you can't see or touch the bars of your virtual prison.

Unplug from the matrix, dare to question your captors, dare to question the actions of those in authority how have continually sold you all out, dare to question everything and re-analyze everything you have been taught your entire life, dare to see the true cosmic reality of this world:

That, as the **Holy Bible states repeatedly: "SATAN IS THE RULER OF THIS WORLD". The events and examples revealed in this chapter and throughout the rest of this report are but obvious signs, obvious symptoms, obvious indicators, obvious clues, obvious evidence of Satan's control and rule over mankind and this world. Dare to unplug from his matrix and remove the blinders from your eyes then you will SEE.**

Once your true sight is healed you must go forth and multiply goodness, helping your fellow man remove his blinders so that they too can SEE. **The TRUTH will usher in THE GREAT AWAKENING. It is the secret heavenly weapon prophesized in the Holy Scriptures that will expose and "slay" Satan and his army of possessed living zombies here on earth who do his bidding.**

"None are more hopelessly enslaved than those who falsely believe they are free"

..:EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

"he who has an ear, let him hear, he who has eyes, let him see"

For it is written: "the truth shall set you free"

"By their fruits ye shall know them."

PRISON INDUSTRIAL MATRIX

JUSTICE PRETENDS IT IS BLIND...

"If ye love wealth better than liberty, the tranquility of servitude than the animating contest of freedom, go from us in peace. We ask not your counsels or arms. Crouch down and lick the hands which feed you. May your chains sit lightly upon you, and may posterity forget that ye were our countrymen!" - Samuel Adams
(American revolutionary)

"We live next to the world's largest drug consumer, and all the world wants to sell them drugs through our door and our window. And we live next to the world's largest arms seller, which is supplying the criminals,"
Mexican President

The population of incarcerated inmates in the United States is 2.3 million, the average cost to incarcerate one inmate is \$23,876 per year. The United States spent \$44 billion in tax dollars in 2007 on corrections. More than 1 in every 100 american adults are incarcerated. With the **highest documented incarceration rate in the WORLD**, the United States government houses 25% of the worlds incarcerated population while accounting for only 5% of the worlds population. China, which has a population 4 times greater than that of the United States, comes in second with 14% of the world's incarcerated population. 1 in every 15 black men are behind bars, 1 in every 36 hispanic men are behind bars, making up 62% of the entire prison population in the United States. 51.8% of prisoners released end up back in prison within 3 years.

The old saying "justice is blind" used to refer to the concept that "everyone was treated equal". This is just another case of blatantly false myth portrayal of our justice system that has been perpetuated for centuries. Justice is absolutely NOT blind. The rich, powerful and famous get the "innocent till proven guilty treatment" while the poor, minorities get the "guilty till proven innocent treatment". It is all so obvious that there is definitely a two standard system. 1) For the rich, famous and well connected. 2) For the rest of the masses.

The prison system in the US has been highly commercialized. **The privatized prisons system is RUN BY FOR PROFIT CORPORATIONS. These corporations, answerable to shareholders, must constantly expand their business (more jails & prisoners) and make it more profitable (more customers = more inmates). For that to happen, there must be more crime, more and lengthier convictions, and more prisoners.** Yeah, lots more prisoners! The prison industrial complex consists of the corporations that make a living out of building the prisons, maintaining the prisons, supplying the prisons and those who run the prisons, etc. All said and done, the **prison industrial matrix is a multibillion dollar high growth industry.**

These corporations contribute massive amounts of money to "tough on crime" politicians, and **they lobby Congress and state legislators to for more laws and stricter enforcement of those laws**, endlessly working toward eventually sending the most amount of people in the country to prison. Despite overwhelming evidence that our entire prison matrix is a failure and must be reworked and re-thought from the ground up, nothing is ever done to truly change the system into a true "rehabilitation" of inmates system.

The US is the world's worst prison state. Dept of Justice reports more than seven million people in the US were serving sentences by 2004. That's **TEN TIMES MORE THAN ANY COUNTRY IN THE WORLD AND MORE THAN THOSE JAILED IN ALL THE OTHER NATIONS COMBINED** (according to the International Centre for Prison Studies). Today we have become "a nation of jailers" whose "prison system has grown into a leviathan unmatched in human history."

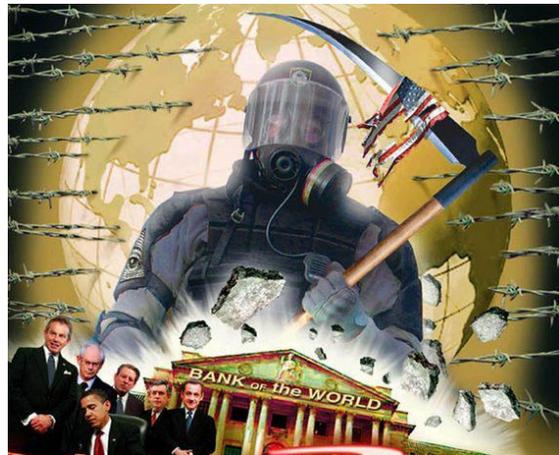

Here is a perfect example of our judicial system at work filling up our prisons: A black man who robbed a Shreveport Capital One bank of \$100 because he was out of a job and hungry has been sentenced to 15 years in prison, meanwhile, months after being charged, Madoff sits at home in his mansion after stealing \$50 billion. Now that is justice! There you have it, a picture perfect example of our system working the way it was designed to.

I came across a great article by Vicky Pelaez at www.globalresearch.ca that sums up exactly what I want to convey about the prison industrial complex so well that I will just quote her work in its entirety:

The prison industry in the United States: big business or a new form of slavery?

Human rights organizations, as well as political and social ones, are condemning what they are calling a new form of inhumane exploitation in the United States, where they say a prison population of up to 2 million - mostly Black and Hispanic - are working for various industries for a pittance. For the tycoons who have invested in the prison industry, it has been like finding a pot of gold. They don't have to worry about strikes or paying unemployment insurance, vacations or comp time. All of their workers are full-time, and never arrive late or are absent because of family problems; moreover, if they don't like the pay of 25 cents an hour and refuse to work, they are locked up in isolation cells.

There are approximately 2 million inmates in state, federal and private prisons throughout the country. According to California Prison Focus, "no other society in human history has imprisoned so many of its own citizens." The figures show that the United States has locked up more people than any other country: a half million more than China, which has a population five times greater than the U.S. Statistics reveal that the United States holds 25% of the world's prison population, but only 5% of the world's people. From less than 300,000 inmates in 1972, the jail population grew to 2 million by the year 2000. In 1990 it was one million. Ten years ago there were only five private prisons in the country, with a population of 2,000 inmates; now, there are 100, with 62,000 inmates. It is expected that by the coming decade, the number will hit 360,000, according to reports.

What has happened over the last 10 years? Why are there so many prisoners?

"The private contracting of prisoners for work fosters incentives to lock people up. Prisons depend on this income. Corporate stockholders who make money off prisoners' work lobby for longer sentences, in order to expand their workforce. The system feeds itself," says a study by the Progressive Labor Party, which accuses the prison industry of being "an imitation of Nazi Germany with respect to forced slave labor and concentration camps."

The prison industry complex is one of the fastest-growing industries in the United States and its investors are on Wall Street. "This multimillion-dollar industry has its own trade exhibitions, conventions, websites, and mail-order/Internet catalogs. It also has direct advertising campaigns, architecture companies, construction companies, investment houses on Wall Street, plumbing supply companies, food supply companies, armed security, and padded cells in a large variety of colors."

According to the Left Business Observer, the federal prison industry produces 100% of all military helmets, ammunition belts, bullet-proof vests, ID tags, shirts, pants, tents, bags, and canteens. Along with war supplies, prison workers supply 98% of the entire market for equipment assembly services; 93% of paints and paintbrushes; 92% of stove assembly; 46% of body armor; 36% of home appliances; 30% of headphones/microphones/speakers; and 21% of office furniture. Airplane parts, medical supplies, and much more: prisoners are even raising seeing-eye dogs for blind people.

US prison empire

By Reverend Damuzi - Wednesday, April 18 2001

Marijuana smokers are filling jails with cheap labour for corporate profit.

The United States has a new form of slavery. SWAT teams are conducting military "cleansings" of poor, minority and marijuana-growing neighbourhoods under the guise of drug raids that particularly target women, black people and members of the cannabis culture. Prisons are being privatized and converted into sweat-shops where, for example, pot puffers might find themselves in an ironic hell on earth? a dark cave were they are forced to answer unending calls for a travel agency, for the rest of their lives. The entire operation is being coordinated by multinational corporate interests that reach deep into the heart and pockets of the White House.

War against pot-people

They weren't growing pot. They didn't have pot in their possession. Not a single one of them even had a bong. But when they refused to let the DEA install cop cameras in their grow store, Southern Lights and Hydroponics, the Tucker family became targets in the US war on drugs, as did many other residents of Norcross, Georgia. The DEA watched the store's customers and sent SWAT teams to terrorize them and clean out their grow operations. Some of those customers traded bogus testimony against the shop's owners for shorter sentences. The Tuckers ? Gary, his wife Joanne, and his brother Steve ? each received 10 year prison sentences when they reached court in 1994.

The Norcross, Georgia sting was part of a larger DEA plot called "Operation Green Merchant" (OGM), which began as early as 1987, with roots in the heart of the Reagan drug war? a war that still continues today. The operation's goal: to eradicate indoor marijuana grow-ops all across the United States through the surveillance and targeting of hydroponics stores. Literally hundreds of thousands of Americans have been investigated by agents working under the umbrella of OGM. And yet even OGM is only a small part of the larger picture of drug war oppression.

In the excellent book, Lost Rights ? The Destruction of American Liberty, James Bovard touches on how, early in the modern drug war, certain towns became DEA targets. Like Jerome, Arizona, where in 1986 a small hamlet of hippies was raided by over a hundred heavily armed police who "?dragg[ed] women and children out of bed,

scaring them half to death, to get 9 or 10 pounds of marijuana." Since Bovard's 1994 book, military attacks on towns have become almost commonplace in the US government's campaign to destroy cannabis. A campaign that continues today with the seizure of homes, property and bank accounts? and with the imprisonment of hundreds of thousands of innocent plant lovers.

Soaring rates of imprisonment

Prisons aren't being built to keep violent criminals off of the streets, they're being built to create drug-war dungeons. Rapists, murderers and thieves don't crowd US prisons. Rather, thanks in particular to President Ronald Reagan, it is harmless marijuana smokers who swell the cells to overflowing.

Before the Reagan drug war, prisons were becoming empty. From 1965 to 1975, the US prison population actually shrank at the rate of about 1% per year.¹ The drug war ? especially against cannabis ? changed all that, and turned the failing prison industry into a booming business. US Bureau of Justice Statistics show that at the beginning of the Reagan era in 1980, there were 220 inmates for every 100,000 people in the US. But by the end of the Reagan era in 1989, prisons were stuffed to maximum capacity? bursting at a record 434 inmates per 100,000 US citizens. During the Reagan era, the number of inmates per 100,000 US citizens had risen by 214 over a 9 year period? when it had only risen 80 per 100,000 over the previous 52 years!

The trend continues today with over 690 inmates per 100,000 US citizens,² or over 2 million behind bars in the year 2000.³ The rate of imprisonment in the US is more than 7 times higher than any other western country. Holland imprisons only 51 per 100,000 citizens; Germany, 80; France, 84; the UK, 86; and Italy, 89.4 If the freedom of a country's citizens can be measured by how many of them are behind bars, then US citizens are the most enslaved people of the western world? largely because of the 80's drug war and the social ills it nurtured.

During the 80's, drug-frenzied cops sported a Reagan-inspired spring to their walk that looked suspiciously like a goose-step, while law makers were busy engineering new forms of oppression. In the mid-80's, federal mandatory minimums were created to round up and jail the US drug culture. What this meant was that judges across the US were forced to sentence non-violent drug offenders for a minimum of five years if they had, for example, 100 marijuana plants, a gram of LSD, or 500 grams of cocaine. The penalties were increased to ten years for larger amounts.⁵ Some states also passed mandatory sentencing laws for drug offenders, the harshest of which were drafted in Michigan and New York.

In a 1998 report The US General Accounting Office (GAO) ? a government organization dedicated to reporting systemic corruption ? revealed that, "the growth in... prison populations since 1980 can be traced in part to changes in sentencing laws that are intended to get tough on crime, particularly drug offenders."⁶ From '85 to '94, Drug offences were responsible for 36% of the increase in state prison populations and 71% of the increase in federal prison populations. Overall, the number of drug offenders in prison increased 510% from '83 to '93,⁷ and most of those offenders were in on marijuana charges.

Even before the Reagan era, marijuana users, growers and dealers were heavily targeted by the drug war. But the Reagan era made it worse. In 1980, out of nearly 581,000 drug arrests, 69% were for marijuana, and over 75% of all marijuana arrests were for simple possession. In 1999, out of 1.5 million drug arrests, 46% were for marijuana, and over 88% of all marijuana arrests were for simple possession alone.⁸

Today, non-violent drug offenders in the US serve more time in prison than rapists, murderers and thieves. The average sentence for a drug offence is 82.4 months; for sexual abuse, 66.9 months; for manslaughter, 26.8 months; and for theft, 24.6 months.⁵ A crook that would stab an elderly person for five bucks is likely to be back on the street before a harmless pot smoker.

While educational programs and grants to universities are cut, prisons soak up more and more federal funding. Prison construction costs the US \$7 billion a year, and the cost of keeping prisoners behind bars is another \$35 billion annually.⁹ The drug war has crippled America by taking funds away from programs that could heal and

enhance the lives of US citizens and directing those funds toward an economy of razorwire, iron bars and enslavement.

Drug war against women

The drug war simplifies the disposal of undesirable people in a society where humanity has become a catch-word for "what we can get away with and still look clean." Because a disproportionate number of American women are poor and disadvantaged, a disproportionate number of them — many of them single parents¹⁰ — go to prison for drug offences. In the worst US prisons, women are routinely raped and sold as prostitutes, as though they were nothing better than slaves waiting to be captured and used.

Anti-drug laws imprison women far more fervently than men. In 1999, one out of every three women in prison was sentenced for a non-violent drug offence, compared to one in five for men.¹¹ From the beginning of the Reagan era until 1996, the number of women in prison for drug offences inflated every year at double the male rate, a shocking 888% in total during that period.¹⁰

While in prison, women can expect the vilest of treatment from guards. A 1998 GAO report, *Women in Prison: Sexual Misconduct by Correctional Staff*, found that between '95 and '98 there were 506 allegations of sexual assault against female prisoners in a small sample study of three unnamed prison jurisdictions. Because of difficulties verifying prisoners' stories, and the unwillingness of other inmates to come forward, only 14 of these cases resulted in convictions against prison staff.

"In one of the cases settled, [the Federal Bureau of Prisons] agreed to pay three women \$500,000 to end a lawsuit in which the women claimed they had been beaten, raped, and sold by guards for sex with male inmates [at the Federal Detention Center in Pleasanton, California]," wrote the authors of the report. The GAO report also mentions widespread sexual abuse of female prisoners in DC prisons.

According to Amnesty International's (AI) 1999 report on the USA, the rape of women prisoners is even more widespread and commonplace than the GAO report let on. AI found a flood of allegations from prisons in California, Michigan and New York. In August of '99, a UN Special Reporter on Violence against Women was sent to investigate inmate complaints of sexual abuse, and was denied entry to three Michigan prisons.

In 1997, the US Department of Justice began an ongoing lawsuit against state prisons in Michigan and Arizona for "failing to protect women from sexual misconduct, including sexual assaults and 'prurient viewing during dressing, showering and use of toilet facilities.'"¹² The lawsuit was filed the same year that Annette Romo, a pregnant prisoner in Arizona, was shackled by staff, began bleeding, begged for medical help, and was refused any assistance. She lost her baby while guards acted as though her screams were feigned.

Since the Reagan era, the US government has been putting an increasing number of women in jail for carrying a harmless medicinal herb, but then subjecting them to conditions that the SPCA would consider inhumane for animals. Just who are the criminals, anyway?

Drug war against blacks

Police cars and cops with military assault weaponry swept through the sleepy farming hamlet of Tulia, Texas on July 23, 1999. They were supposedly looking for drug offenders to fill the nearby prison. At the end of the day, 40 of the town's 246 black residents — mostly young men — were behind bars.

Many of those arrested couldn't afford legal help, but they knew that what had happened was wrong. In a small, predominantly white town of 5,000 with no significant drug problems, the arrest of 40 black residents — along with only one white and one Hispanic — was a clear message of racial intolerance. Especially when the undercover officer conducting the investigation, a man named Tom Coleman, couldn't even remember if he had bought drugs

from some of those on trial.¹³

The National Association for the Advancement of Colored People and the Texas American Civil Liberties Union (ACLU) became involved immediately. Both filed complaints with the US Department of Justice and hired lawyers to defend the accused and uncover the racial bias of Tulia's officials.

On September 29, 2000, the Texas ACLU brought a lawsuit against Coleman, Sheriff Larry Stewart and local DA Terry McEachern. According to the Texas ACLU, local sheriff Larry Stewart had drawn up a list of "undesirables" ? specifically targeting the African-American community ? Officer Coleman had gone out and arrested them, and DA Terry McEachern had rammed the cases through the legal system.¹⁴

Tulia, Texas is but a single pock-mark on a nation that is rotting with drug-war disease. From the very beginning, the combination of easy arrests and imprisonment was meant to purge white towns of blacks who would be forced to work on chain gangs, and to strip black people of their right to vote.

Stealing the black vote

After the Civil War, white politicians in Mississippi, Alabama, Virginia, Louisiana, and South Carolina led the way in a backlash against freeing their slaves by passing bills that stole the right to vote from black people. These bills created what are called "disenfranchisement" laws. Disenfranchisement laws meant that if people were charged with certain offences, they could no longer participate in elections.

In his ground breaking article, Challenging Criminal Disenfranchisement Under the Voting Rights Act: A New Strategy, lawyer and researcher Andrew Shapiro tells how the scam worked.

"Legislators in these states thought that blacks were more likely to commit 'furtive offenses' such as petty theft than 'robust crimes' such as murder," writes Shapiro. These were the crimes that legislators punished with disenfranchisement. It is likely that such "furtive offences" were particularly suited to black people only because blacks could be charged for them without proof that the crime had taken place.

The end result was enormously successful from the perspective of racists everywhere. While nearly 70% of blacks in Mississippi were registered voters in 1867, shortly after disenfranchisement laws had passed in 1892, only 6% of blacks in Mississippi could vote. It was the same in every state that passed such laws. In 11 previously confederate states, which had elected 324 blacks to congress and state legislatures in 1872, there were only 5 black politicians elected by 1900.

Today's black-targeting 'furtive' crimes are non-violent drug offences. Black people are 13% of the US population, and 13% of those who use drugs regularly, which means they use at the same rate as non-blacks. But they are arrested and imprisoned far more regularly than whites. Blacks make up 35% of those arrested, 55% of those convicted, and 74% of those imprisoned for simple possession.¹¹

A truly non-biased police sweep of Tulia would have picked up the same percentage of white people as black. If there were 40 black drug users to arrest (about 16% of the black population), there should have also been 800 white people behind bars that same day (16% of the 5,000 white residents).

With an extremely high percentage of blacks behind bars, US prisons are beginning to look a little like death camps. Almost one in three black men aged 20-29 are either in prison, jail, parole or probation. While the overall number of people in US jails today is a whopping 690 per 100,000 US citizens, the number of black people in US jails was an astronomical 6,926 per 100,000 as early as 1995.¹⁵ Not since WWII has any nation imprisoned such a massive percentage of any racial minority.

47 of America's 50 states still have disenfranchisement laws, which have been broadened to include drug offences and these laws still steal the vote from black men. Although only 2% of all those incarcerated in US prisons are

disenfranchised, the rate for imprisoned black men is 13.1%, almost seven times the national average. Three of the five states that led the way in black disenfranchisement after the Civil War still have some of the highest rates today: Alabama, Mississippi and Virginia, with 31.5%, 28.6%, 25% black disenfranchisement rates respectively.³ Across the US, there are a growing number of predominantly black communities where a white minority decides who will govern.

Class warfare

"European colonization was based on the drug trade," said Dedon Kemanthi, a former Black Panther and college lecturer, during an anti-CIA conference in Eugene, Oregon last year. During his passionate talk, Kemanthi described how the recolonization of black American neighbourhoods continues through the drug trade today.

Kemanthi spoke with the tone and conviction of famous black orators like Martin Luther King, but also with the rhythm and rhyme of a rapster. "When you think crack, don't think black!" shouted Kemanthi. "Think CIA!"

Kemanthi's presentation revealed how the CIA smuggled crack into black neighbourhoods in the US during the infamous 80's "drugs-for-arms" scandal, an operation that used money from cocaine sales to buy arms for US-backed rebels in Central America. Kemanthi also produced evidence that the operation may have been coordinated with US trade organizations.

"Two major employers of black youths, Firestone and Goodyear, moved to Indonesia and Asia, lured by US tax breaks. In '83 and '84 there were 250,000 lost jobs. At the same time crack-cocaine was introduced to LA and black communities were suddenly given the opportunity to make money from crack."

While marijuana was the excuse to raid, imprison and disenfranchise blacks since at least the 20's, crack became the drug-war excuse of choice in the 80's and 90's.

"There is a major attempt to pin drug problems on the black man instead of the major players," Kemanthi asserted. "Class and ethnic position determines the punishment for crimes. If courts see black, they think criminal." Without forgetting for an instant the historical influences of racism and sexism on American society, Kemanthi sees class as a common determining factor in drug-war oppression.

"Capitalism and profit does not discriminate based on color," Kemanthi asserted. "Private prison contractors receive \$145,000 for every inmate incarcerated, in one-time profit, to build the cell, etc. The prison industrial complex is an extension of the drug war, super-profits for the rich."

The lower classes, says Kemanthi, are worth more to private corporations when they are in prison than when they are free.

Dept of Urban Cleansing

Like Dedon Kemanthi, Catherine Austin Fitts ? former Deputy Assistant Secretary for the US Department of Housing and Urban Development (HUD) ? believes that the drug war is a vehicle for SWAT teams to cleanse the ghettos and convert the poor into a financial resource for private prison contractors.

Fitts is a rare commodity? a bureaucrat saddled with a social conscience, a financial genius who refuses to sell out, who understands the system so completely that it sometimes seems difficult for her to explain it in plain terms. When Fitts began with the HUD in '89, she believed that she could use HUD resources to revitalize poor neighbourhoods. The HUD distributes over \$100 billion in mortgage insurance and \$20 billion in subsidies for housing each year. As one of the largest financing agencies in the US, it could catalyze substantial change? if its managers wanted.

Oddly, despite the HUD's financial clout, Fitts found that the agency was \$300 million in debt. No accounting had ever been done to explain why. When she tracked the losses and found the majority of them in Texas and Colorado, she was fired and her audit halted. Later, she mapped defaults on HUD-provided loans across a map of LA, and found that they clustered around areas of high gang-drug activity. From her experience with the HUD, she did not believe that it was a coincidence.

"In the 50's, drugs came into the community at about the same time federal subsidies came in," said Fitts. "Much of the development was left unfinished. Every home owner within view of those buildings lost money on their homes. Small businesses in those communities were devastated. In a few short years, 50,000 homes were empty and boarded up."

Residents in some of those communities began selling illegal substances when the neighbourhood economies failed, said Fitts. Many communities became ghettos. Today, SWAT teams move in to clean out the crowded poor and snatch up the land.

"I am increasingly persuaded that much of what is happening at HUD relates to a conversion of the agency to an enforcement operation that ensures broad access to neighborhoods throughout America to SWAT operations by federal enforcement teams," she wrote in a 1998 memo to the Solari Action Network, a pro-neighbourhood economy group founded by Fitts.

From a brief look at the HUD web site, it becomes immediately apparent that HUD loans have provided the excuse for repeated SWAT raids to purge undesirable citizens from the ghettos. The police raids are coordinated directly with the HUD through Operation Safe Home, an HUD partnership with local, state and federal law-enforcement officials, including, most notably, the US Drug Enforcement Agency. Between 1994 ? when it started ? and 1998, Operation Safe Home seized "drugs valued at more than \$25 million and drug-related cash of more than \$3.5 million" from HUD-funded housing projects. HUD officials have even lobbied the government for independent powers of seizure, so that the HUD can profit directly from stealing poor people's homes.

"Drug dealers and other criminals are entitled to only one kind of government housing ? a prison cell," HUD Secretary Andrew Cuomo told the press in 1997. "The sooner we can get them out of public and assisted housing, the better."

But not all of the tenants evicted have contact with marijuana or drugs. In 1999, the HUD won a US Federal Appeals Court case allowing them to evict all tenants from any home where one member has been caught with marijuana or drugs. Now, if a child is caught with a gram of pot in an HUD-subsidized housing project, his whole family can be chased from their homes by SWAT squads.

SWAT scam

In an exclusive interview with Cannabis Culture, Catherine Austin Fitts gave an example of how HUD/SWAT cooperation works through the HUD's Operation Safe Home.

"In 1998, the HUD's Operation Safe Home dropped a SWAT team into a Washington, DC community with 200 agents, police and 50 to 100 reporters," explained Fitts. "The reason for the operation was to arrest three people that they had been investigating for two years, and that could have been picked up by local police. Their real goal was to create headlines. They swept another 17 people in a housing project that night, and the next morning it was headline news."

Fitts sees the combination of HUD loans and the drug war as an attack on local prosperity for the benefit of Wall Street investors. The 1998 DC drug raid, Fitts points out, came only shortly after the neighbourhood opposed a development project to build a convention centre that wasn't good for anyone except wealthy developers. "The spin on the raid was that people in the community were bad, and that the people building the convention centre were

good. After the raid, the convention centre vote passed."

The drug-war victims of HUD raids are destined for corporate assembly lines in private prisons. "Operation Safe-Home was designed and started at the same time [1994] as federal and state governments increasingly turned to private contractors to buy government prisons, or build new ones," said Fitts. "It was a plan."

A look at history confirms Fitts' suspicions. Clinton's 1994 Crime Bill, supported and co-developed by Gore, created the nation's federal three-strikes laws, meaning longer prison sentences for non-violent drug offenders, and also established a federal commission to study the "drug problem." The two planned to offset the increased cost of imprisoning drug offenders by widespread prison privatization, which became one of their platforms in the 1995 US election, after private prison lobbyists dolled out \$150,000 in campaign funding to both Democrats and Republicans. In 1997, Vice President Al Gore gave the HUD \$217.3 million for its anti-drug battles, to step up drug-war oppression against poor communities.

"It is critical that black people, minorities, and even women are considered hopeless in terms of being able to provide productive products and services, let alone manage other people's money," said Fitts. "This is how we have welfare reform, but tremendous opposition to learning centers and business incubation. We need the welfare population to go to jail and the children of farmers to guard them. The welfare population provides a low cost work force and distribution locations for the drug business. Then they are put in prison and produce the necessary headlines to prove that politicians are doing something about drugs."

Indeed, Fitts' own plan to provide data servicing jobs for low-income families was turned down by HUD secretary Cuomo and ridiculed by high-ranking HUD staff who, according to Fitts, called the plan "Computers for Niggers." Soon afterward UNICORP, a Department of Justice-owned business that markets prison labour to private companies, used her plan to create yet more prison jobs.

Private prisons for profit

Even before 1900, there was staunch opposition to private prisons from labour groups, business and reform advocates. The horrific conditions on chain gangs, the negative effects of prison labour competing with industries and jobs outside of prisons, the feast of bribes fed to politicians for prison labour contracts ? these were the reasons that private prisons and prison labour were originally made illegal, through a series of acts passed by federal and state governments between 1935 and 1950.¹⁶

But in 1979, one year before Reagan's expansion of the drug war, the US government passed the Percy Amendment, legalizing private prisons and prison labour. Since then, a landslide of federal and state amendments have guaranteed increased profits for private prison contractors.

Legislative changes are bought and paid for by large "campaign donations." During the 1997 election alone, private prison contractors like the Corrections Corporation of America (CCA) and Wackenhut provided well over a half-million dollars to political campaigns, according to figures supplied by the Sentencing Project, a prison reform group.

In the early and mid 90's, CCA provided a model to which prison corporations aspired, a kind of business success possible only through a combination of pay-off schemes, nepotism and empty political posturing. CCA, with the largest market share of any private prison contractor, exuded a constant flow of campaign funding to politicians who were happy to lap it up. CCA Chairman Emeritus Thomas Beasley gave \$61,250 to politicians between 1993 and '97. During the same period CCA Board Member of Trust Ray Bell contributed \$26,050, and CCA Chairman Doctor R Crants donated \$27,250.¹⁷ In 1997, CCA hired the DC lobbying firm Manatt, Phelps and Phillips (MPP). Working with former long-time DC Councilman John Ray (who began with the firm while he was still in office), MPP lobbied the state legislature and secured Washington DC's first private prison contract for CCA in 1997.³

Often, politicians and high-level bureaucrats are hired by private prison contractors to become full-time lobbyists. Just a few examples from CCA include David Myers, CCA president, who was employed with the Texas Department of Corrections from 1968 to 1985; Charles Blanchette, vice president of operations, who worked with the Texas Department of Corrections for 16 years; and Michael Quinlan, trustee and chief executive officer of the CCA Prison Realty Trust, who was acting director of the Federal Bureau of Prisons for five years. Dozens and dozens more examples abound.

The profits to be made from the private prison industry are so enormous it isn't difficult to see why corrupt politicians salivate at the thought of licking some of it up. While CCA profit is down for the year 2000 due to poor management, they still generate tens of millions of dollars in annual income. Wackenhut, another of the largest private prison contractors in the US, recently surpassing even CCA in its financial growth, generated a record \$2.1 billion in revenue in 1999, an increase of 22.6% over the year before, resulting in \$37.9 million in operating profit for that year alone.¹⁸ More than enough to buy off politicians for the next few decades of drug war oppression and feed prisons with cheap labour.

Prison labour camps

While in a private slammer, drug war prisoners should expect to work long and exhausting days making circuit boards, valves and fittings, eyeglasses, water beds and blue jeans. In Ohio, prisoners do data processing, and in Southern California they answer phones to book vacation flights for TWA.¹⁹ Typically, prisoners are paid for their work, but most of the money they make is taken from them by the prison for rent, food, taxes, and a host of other exaggerated costs. Most inmates actually earn only pennies an hour.²⁰

The drug war equals profits as marijuana smokers fill private prisons with cheap labour. Between 1980 and 1994 the number of inmates working for big businesses climbed 358%, generating profits of \$1.31 billion.²¹

As in the early 1900's, businesses in regular society are hit hard by prison labour. When LTI, a circuit board manufacturer, relocated to a Wackenhut prison in the early 90's, they closed their plant in Austin Texas, and laid off 150 employees. Although, by law, corporations that contract prison labour are supposed to consult with local unions and businesses, in reality there were no such meetings when LTI moved shop. Similarly, Honda hired prisoners to assemble car parts for \$2.05/hour (of which inmates got to keep 35 cents) without soliciting outside opinion.¹⁹

Private prison supporters claim that the revenue generated by inmate labour converts to lower operating costs. But a 1996 GAO investigation found that the government pays about the same in subsidies to the private prison industry as it does to run its own institutions. Private links are no less expensive than public ones, and provide worse services as they cut corners in a race to increase profits.

The private prison labour system feeds on itself like a snake eating its own tail. Less jobs in the public sector means more unemployment, which equals more poverty, more replacement of local economies with marijuana and drug economies, swelling ghettos, increased drug war enforcement, more drug-war prisoners, and eventually more private prisons to hold them all.

Dark ironies abound in the emerging corporate feudalism. The CIA imports cocaine? but small-scale dealers are the ones put behind bars. A private prison is proposed to hold Washington DC's predominantly black inmates on a former slave plantation in North Carolina? where they will toil in corporate sweat shops as their ancestors toiled in the fields.²² America is being converted into a two-class society, with the labouring masses enslaved in work camps, and business owners and managers ensconced in newly redeveloped and cleansed ghetto areas, fortified "gated communities" similar to medieval castles with walled villages.

Appalling prison conditions

While slaving for the police-state, many US drug war prisoners face the harshest of living conditions. Patrick

Swiney is an inmate of Holman Prison in Alabama, a state infamous for having the worst prisons in the US. He describes the conditions there as "the perfect environment for breeding deadly diseases." According to Swiney, the toilets and showers are unvented, filling the tiny cells with noxious vapours and humidity. Slime and mildew cover the walls, outbreaks of TB are common, and medical care is nearly nonexistent.

That's because, says Swiney, the deputy warden's wife works with Correctional Medical Services, which is supposed to provide medical care to the inmates. "Every dollar she does not spend on our medical care," wrote Swiney, "is profit in her company's pocket."

Kick-backs are big in both the private and public prison business, and they can affect prison living conditions. Telephone companies, for example, will bid big bucks for prison contracts, kick-back up to 35% to the prison for the privilege of doing business, and pass the costs on to the inmate.¹⁹ In private prisons it's even worse, as employees are given stock options in the company as a part of their benefits, meaning that they are motivated to cut corners on costs by using, for example, less cleaning products.²¹

Conflicts of interest are rife as everyone scrambles for their piece of prison pie. The American Correction Association, an organization which is responsible for checking prison conditions and giving them a "stamp of approval," also facilitates what prison-reform groups call "Prisonfest," a yearly meeting attended by drug-war politicians like Janet Reno, at which private companies hock their wares and services to both public and private prisons.

Global prison

The drug-war fueled corporate feudalism of the US is a reflection of the drug war now being waged in Colombia. In Colombia, death squads destroy villages that lie on oil and mineral-rich lands, call the local minority populations "narcoguerrillas," and drive them into cities where they toil in corporate sweat shops for pennies an hour. In the US, SWAT teams destroy ghettos and convert the land into a resource by selling it to redevelopers, call the local minority populations "drug abusers," and jail them in factories where they slave in corporate sweat shops for pennies an hour.

In both cases drug-war tyranny wipes out local economies, replaces it with global ones, and produces massive profits for multinational corporations, like Wackenhut and CCA, who have a combined presence in over fifty-six countries. Around the world, the drug war is the rotten core of a profit-driven agenda to enslave every nation's peoples.

You can do something. Buy locally instead of from multinational corporations. Write letters to the media and speak out against drug war oppression when you have the opportunity. Attend demonstrations against the prison/industrial complex, and shout a message of freedom from drug-prison oppression!

CRIME GOES DOWN, JAIL POPULATION GOES UP

According to reports by human rights organizations, these are the factors that increase the profit potential for those who invest in the prison industry complex:

Jailing persons convicted of non-violent crimes, and long prison sentences for possession of microscopic quantities of illegal drugs. Federal law stipulates five years' imprisonment without possibility of parole for possession of 5 grams of crack or 3.5 ounces of heroin, and 10 years for possession of less than 2 ounces of rock-cocaine or crack. A sentence of 5 years for cocaine powder requires possession of 500 grams - 100 times more than the quantity of rock cocaine for the same sentence. Most of those who use cocaine powder are white, middle-class or rich people, while mostly Blacks and Latinos use rock cocaine. In Texas, a person may be sentenced for up to two years' imprisonment for possessing 4

ounces of marijuana. Here in New York, the 1973 Nelson Rockefeller anti-drug law provides for a mandatory prison sentence of 15 years to life for possession of 4 ounces of any illegal drug.

The passage in 13 states of the "three strikes" laws (life in prison after being convicted of three felonies), made it necessary to build 20 new federal prisons. One of the most disturbing cases resulting from this measure was that of a prisoner who for stealing a car and two bicycles received three 25-year sentences.

Longer sentences.

The passage of laws that require minimum sentencing, without regard for circumstances.

A large expansion of work by prisoners creating profits that motivate the incarceration of more people for longer periods of time.

More punishment of prisoners, so as to lengthen their sentences.

HISTORY OF PRISON LABOR IN THE UNITED STATES

Prison labor has its roots in slavery. After the 1861-1865 Civil War, a system of "hiring out prisoners" was introduced in order to continue the slavery tradition. Freed slaves were charged with not carrying out their sharecropping commitments (cultivating someone else's land in exchange for part of the harvest) or petty thievery - which were almost never proven - and were then "hired out" for cotton picking, working in mines and building railroads. From 1870 until 1910 in the state of Georgia, 88% of hired-out convicts were Black. In Alabama, 93% of "hired-out" miners were Black. In Mississippi, a huge prison farm similar to the old slave plantations replaced the system of hiring out convicts. The notorious Parchman plantation existed until 1972.

During the post-Civil War period, Jim Crow racial segregation laws were imposed on every state, with legal segregation in schools, housing, marriages and many other aspects of daily life. "Today, a new set of markedly racist laws is imposing slave labor and sweatshops on the criminal justice system, now known as the prison industry complex," comments the Left Business Observer.

Who is investing? At least 37 states have legalized the contracting of prison labor by private corporations that mount their operations inside state prisons. The list of such companies contains the cream of U.S. corporate society: IBM, Boeing, Motorola, Microsoft, AT&T, Wireless, Texas Instrument, Dell, Compaq, Honeywell, Hewlett-Packard, Nortel, Lucent Technologies, 3Com, Intel, Northern Telecom, TWA, Nordstrom's, Revlon, Macy's, Pierre Cardin, Target Stores, and many more. All of these businesses are excited about the economic boom generation by prison labor. Just between 1980 and 1994, profits went up from \$392 million to \$1.31 billion. Inmates in state penitentiaries generally receive the minimum wage for their work, but not all; in Colorado, they get about \$2 per hour, well under the minimum. And in privately-run prisons, they receive as little as 17 cents per hour for a maximum of six hours a day, the equivalent of \$20 per month. The highest-paying private prison is CCA in Tennessee, where prisoners receive 50 cents per hour for what they call "highly skilled positions." At those rates, it is no surprise that inmates find the pay in federal prisons to be very generous. There, they can earn \$1.25 an hour and work eight hours a day, and sometimes overtime. They can send home \$200-\$300 per month.

Thanks to prison labor, the United States is once again an attractive location for investment in work that was designed for Third World labor markets. A company that operated a maquiladora (assembly plant in Mexico near the border) closed down its operations there and relocated to San Quentin State Prison in California. In Texas, a factory fired its 150 workers and contracted the services of prisoner-workers from the private Lockhart Texas prison, where circuit boards are assembled for companies like IBM and Compaq.

[Former] Oregon State Representative Kevin Mannix recently urged Nike to cut its production in Indonesia and bring it to his state, telling the shoe manufacturer that "there won't be any transportation costs; we're offering you competitive prison labor (here)."

PRIVATE PRISONS

The prison privatization boom began in the 1980s, under the governments of Ronald Reagan and Bush Sr., but reached its height in 1990 under William Clinton, when Wall Street stocks were selling like hotcakes. Clinton's program for cutting the federal workforce resulted in the Justice Departments contracting of private prison corporations for the incarceration of undocumented workers and high-security inmates.

Private prisons are the biggest business in the prison industry complex. About 18 corporations guard 10,000 prisoners in 27 states. The two largest are Correctional Corporation of America (CCA) and Wackenhut, which together control 75%. Private prisons receive a guaranteed amount of money for each prisoner, independent of what it costs to maintain each one. According to Russell Boraas, a private prison administrator in Virginia, "the secret to low operating costs is having a minimal number of guards for the maximum number of prisoners." The CCA has an ultra-modern prison in Lawrenceville, Virginia, where five guards on dayshift and two at night watch over 750 prisoners. In these prisons, inmates may get their sentences reduced for "good behavior," but for any infraction, they get 30 days added - which means more profits for CCA. According to a study of New Mexico prisons, it was found that CCA inmates lost "good behavior time" at a rate eight times higher than those in state prisons.

IMPORTING AND EXPORTING INMATES

Profits are so good that now there is a new business: importing inmates with long sentences, meaning the worst criminals. When a federal judge ruled that overcrowding in Texas prisons was cruel and unusual punishment, the CCA signed contracts with sheriffs in poor counties to build and run new jails and share the profits. According to a December 1998 Atlantic Monthly magazine article, this program was backed by investors from Merrill-Lynch, Shearson-Lehman, American Express and Allstate, and the operation was scattered all over rural Texas. That state's governor, Ann Richards, followed the example of Mario Cuomo in New York and built so many state prisons that the market became flooded, cutting into private prison profits.

After a law signed by Clinton in 1996 - ending court supervision and decisions - caused overcrowding and violent, unsafe conditions in federal prisons, private prison corporations in Texas began to contact other states whose prisons were overcrowded, offering "rent-a-cell" services in the CCA prisons located in small towns in Texas. The commission for a rent-a-cell salesman is \$2.50 to \$5.50 per day per bed. The county gets \$1.50 for each prisoner.

STATISTICS

Ninety-seven percent of 125,000 federal inmates have been convicted of non-violent crimes. It is believed that more than half of the 623,000 inmates in municipal or county jails are innocent of the crimes they are accused of. Of these, the majority are awaiting trial. Two-thirds of the one million state prisoners have committed non-violent offenses. Sixteen percent of the country's 2 million prisoners suffer from mental illness.

"None are more hopelessly enslaved than those who falsely believe they are free"

For it is written: *"the truth shall set you free"*

"By their fruits ye shall know them."

THE DRUG WAR AGENDA: THE BOGUS WAR ON DRUGS & CIA: THE WORLDS ELITE DRUG KINGPINS

No discussion on the prison industrial matrix can be complete without covering the drug war hoax. After thirty-five years and \$500 Billion, drugs are as cheap and plentiful as ever. One has to wonder, why, if we have been waging this all consuming “war” on drugs for years on end, just WHY and how the fuck do we actually have **more** and cheaper and better drugs on the streets than freaking EVER! I will sum it up for you in the simplest fashion that I know how: **The “war on drugs” is no different than the “war on terror”, they are both absolute FRAUDS of epic proportions.**

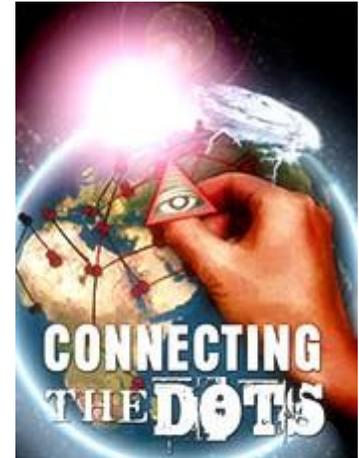

Controlling populations via drugs is an age old stratagem. Perhaps one of the most well known examples of utilizing drugs as an effective military strategy against an adversary was England. This is the most well documented case of “**DRUG BOMBING**” a country that cannot be covered up by the powers that be. Once you comprehend the fact that YES, nations go as far as utilizing drugs against their adversaries exactly like “bombing attacks” and even their own people to achieve their aims... then... and only then will you begin to see the dark sinister side of the cheerful façade they portray to the world.

Behold: For nations have been conducting **DRUG BOMBING** campaigns on enemy targets for eons. It is a dark secret sinister bombing attack that they rarely reveal to the public. They literally BOMB villages, cities and nations with DRUGS. **When one of their DRUG BOMBING campaigns is conducted, THE STREETS ARE FLOODED WITH DRUGS....** You have seen the end result of these drub bombing runs... even right here in your own nation... look no further than the South Bronx of the late sixties and seventies. By the 1980s it officially resembled a certified war zone in every way shape and form.

Now lets take a closer look at how the Luciferian agents and leaders of mankind are ruling over you and establishing their reign of oppression and enslavement.

The Drug War vs. American Civilization

The concept of states and countries being neck deep in drug running and dealing is not new nor that far fetched, even though the official conditioning that everyone receives frames such ideas as ridiculous. One of the most famous national sanctified drug running business was England's East India Company. Who where at one point in time one of the most powerful and richest companies in the world. The East India Company became the worlds largest drug dealers back in the era of the Qing Dynasty. The British were exporting so much heroin to China that it was becoming and epidemic. Opium was being smuggled into China by the British in defiance of Chinese prohibition laws. Open warfare between Britain and China broke out in 1839 in what was to become known and fully documented in history as the "Opium Wars." The war was controversial in Britain and attracted great criticism from William Gladstone. Further disputes over the treatment of British merchants in Chinese ports resulted in the Second Opium War.

China was defeated in both wars leaving its government having to tolerate the opium trade. Britain forced the defeated Chinese government into signing the Treaty of Nanjing and the Treaty of Tianjin, also known as the Unequal Treaties, which included provisions for the opening of additional ports to unrestricted foreign trade, for fixed tariffs; for the recognition of both countries as equal in correspondence. For good measure the British victors also took Hong Kong as their trophy (China regained sovereignty in 1997).

"in one year the opium trade with China was three times the profits of the combined profits of Ford and General Motors in 1970 and this was shared by 300 people. That was the committee that ran the East India Company" --John Coleman. From those wild days of wanton government sanctioned and sponsored drug trafficketing, the operations have all since gone underground. Today's narcotics industry is estimated to pull in between \$500 billion and \$1 trillion a year. The trafficketing is now conducted by the secret agencies of the world, of which the top are the CIA, Mossad and Mi6, that is why there are more drugs on the streets today than ever before. These are the invisible untouchable kingpins whom continue to flood the streets with drugs despite the world level bogus "war on drugs."

Alongside their huge income from the more addictive, and harder to quit pHARMaceutical drugs, to which they purposefully addict children and adults, while suppressing non-drug cures and detox therapies. Drugs also are used as weapons to destroy a society with crime, debt and cut any connection to thinking and the spiritual circuits. The more drugs you sell the more you control people. Satan's closed circle.

The Raw (and ugly) Truth About the War on Drugs

By Mike Adams, the Health Ranger, Source: [NaturalNews](#)

Drugs are bad. Drugs destroy peoples' lives. Didn't you know that marijuana turns regular everyday people into zombie pot smokers? That's why we have a war on drugs in America: to protect our children from potheads.

Drugs are bad. Especially marijuana. I learned this the other day when I visited an elementary school as a guest speaker. The schoolchildren were well trained in describing the dangers of drugs. On command, they would spout out any number of statements describing them.

But then a funny thing happened. I started asking how many of them were on drugs. You know, drugs their doctor prescribed. Drugs that alter brain chemistry to keep them docile, or free of pain, or to dilate their lungs so they could breathe easier.

It turned out that 60% of these schoolchildren were either on drugs at that very moment, or had been on such drugs within the last twelve months. Two-thirds of the teachers were on drugs, too. And it's not at all a stretch to

believe that 40% or more of all parents are on drugs. Mild-altering drugs like antidepressants, no less.

A nation of drug addicts

Fact is, we are a nation of drug addicts. We drug ourselves, our elderly and our children on a daily basis. We do it with prescription medications, over-the-counter pills, alcohol, caffeine, nicotine... and we say it's all fine because those drugs are legal.

But wait a minute, you say. Those legal drugs are different from marijuana. They're FDA-approved drugs, prescribed by a doctor. They have a medical purpose.

Oh really? Ritalin has a medical purpose? What medical symptoms does Ritalin treat, then? What measurable physiological state is addressed with Ritalin? There are none, of course. Ritalin is an authority drug. It keeps children in line. It makes teachers feel less stress and parents feel less guilt. Ritalin is a mind-altering narcotic, and yet millions of children are on it today. Its purpose is not to help children, but to make life more convenient for those who manage children.

You think statin drugs have a medical purpose? Think again. In reality, they only have a profit purpose. These drugs were invented to sell pills that manage disease states in people, not that solve any real health problem. Don't believe me? Just stop taking your statin drugs, if you dare, and watch your cholesterol skyrocket. You'll find out you're a slave to the drug, and no healthier than before.

What's the difference between legal and illegal drugs?

So what's the real difference between legal drugs and illegal drugs? Some people think that only illegal drugs are habit-forming. Yet legal drugs can be just as addictive as illegal drugs. Just ask anyone who has tried to quit smoking, go off caffeine, or kick to Oxycontin habit.

So is there some other difference between illegal drugs and legal drugs? People argue that legal drugs are safe. They're FDA-approved! And yet they fail to recognize that prescription drugs kill more Americans each year than all the crack, meth, and heroin deaths combined.

Okay, then, what about the argument that illegal drugs have no medicinal purpose, and legal drugs do have a medicinal purpose. What about that? Wrong again. Medical marijuana is a medically proven treatment for a variety of conditions, yet marijuana still remains illegal. Even MDMA (now called "Ecstasy" on the street) was long considered an effective "experiential drug" that helped severely traumatized adult patients overcome past pains through improved clarity. At the same time, tobacco smoke has no medical purpose whatsoever, yet cigarettes remain perfectly legal.

No, the real difference between these two classes of drugs is not their medical merit, nor their safety. The real difference is something far more sinister. It gets right down to answering the question of why DEA agents will raid medical marijuana clinics, yet stand by doing nothing while Americans smoke themselves to death on tobacco.

Want to know the real answer? I very much doubt you do. Because, like most Americans, you won't believe it. You've been blinded to the obvious truth for your whole life, manipulated by the media, and brainwashed by advertising that has turned you into a statistically-validated consumer. You'll think, no, this couldn't possibly be true. The world isn't that unjust, you think. But you're wrong. (Take the free Gullibility Factor test to find out if you're really a mind slave or not...)

Here's the raw, blunt truth about the war on drugs. Drugs are declared legal or illegal based primarily on who benefits from their manufacture, distribution and sale.

Corporate and government profits determine the legality

Let me put this another way. You know why cigarettes are still legal? Consider this: here's a product that

admittedly kills people. It has no health benefit whatsoever. It is a threat to the public health. Yet why does it remain legal? Because states get a cut of cigarette sales thanks to the Big Tobacco settlement a few years back. Keeping cigarettes legal results in desperately-needed revenues for states... revenues that are almost never spent on anti-smoking campaigns, by the way.

It's a classic racket: tobacco is allowed to remain legal because powerful institutions get a cut of the action. While people die from lung cancer, states get financial resuscitation by taking a cut of every sale. States are trading your health for their revenues.

Think I'm being overly cynical? Let's take a look at gambling laws. Organized gambling is illegal at both the state and federal levels in this country. Except, of course, when government gets a cut. Casino-friendly states didn't just make casinos legal for the good of the public: they legalized gambling in exchange for a cut of the action. It's a classic, mob-style "protection fee."

If you want to test this theory, launch your own online gambling website. You'll be shut down almost immediately and charged with serious crimes. Gambling and organized betting is illegal, didn't you know? That is, unless the state runs the show, as in state lotteries.

It's right in your face, folks: gambling is legal when powerful corporations or institutions get a piece of the action. It's illegal when they don't. It has nothing at all to do with morality, or protecting people, or doing what's right. It's all about money, pure and simple. Just ask all the corrupt politicians in Missouri who legalized riverboat gambling a few years back.

Getting back to drugs, why do you think alcohol remains a legal drug? Because states and cities tax it. State governments are addicted to alcoholics as a source of revenue to fund their voter entitlement programs that get politicians reelected. Alcohol is a cash machine for cities and states.

Sometimes the exact same chemical is both legal and illegal, depending on who profits from it. The FDA, for example, banned the Chinese herb ma huang because it contains ephedra. Yet the exact same chemical compound remains perfectly legal in over-the-counter drugs like Sudafed and a variety of cold medicines. Sudafed even gets its name from ephedra: "pseudo-ephedrine." So why is ephedrine illegal in herbs, yet legal in pharmacy drugs manufactured by drug companies? You already know the answer.

With all that in mind, why do you think prescription drugs that kill people remain legal? Think carefully now...

If you guessed, "Because powerful corporations generate billions in profits selling drugs, and governments get a cut of that via state sales taxes and corporate income taxes" then BINGO! You win a prize: a lifetime of free Prozac to keep you happy!

Legal drugs generate windfall profits for those in power

Think about it: if prescription drugs were peddled by street dealers instead of doctors, and if all that revenue changed hands in a non-taxable, non-corporate structure (i.e. street cash), then you'd be seeing full-scale law enforcement action against the makers, distributors and sellers of those drugs. You'd also see endless headlines about how dangerous they were: "Street painkillers kill twelve in South Miami!"

The sad truth of the matter, though, is that those very same painkilling drugs killed at least twelve people in South Miami this very day. But you'll never hear about it in the media. Because the news networks are sponsored by drug companies, of course. (The news is not designed to inform you, it's designed to shape your reality, to turn you into a consumer of whatever products the corporations are peddling this year. Didn't you know?)

Every drug that's legal is legal for one simple reason: somebody in a position of power is keeping it legal because they're getting a cut.

Non-patentable drugs are usually outlawed

That's why medical marijuana is illegal: because government doesn't control its distribution, nor does government receive a financial cut. You can bet your life that if Big Pharma owned the patents on medical marijuana and could set monopolistic prices on it, pot would be perfectly legal to own and smoke. That is, as long as you got it from a pharmacy where prices and distribution could be controlled.

Control is the key here. You think the FDA is discrediting drugs from Canada in order to protect your health? Get real. The FDA is simply protecting the monopoly drug market in this country. It's controlling distribution points in the U.S. in the same way that a crack dealer assassinates his street corner competition. Eliminate the competition, and you can set whatever price you want. That's why uninformed U.S. consumers pay 30,000% markup prices for drugs that can be acquired in Mexico or Canada for pennies on the dollar.

It's not about your health, it's about their wealth

You see, corporate America doesn't really care what you put in your mouth, up your nose, through your lungs or into your veins, as long as they get a cut from it. That's the whole prescription drug racket in a nutshell: it's billions of dollars in annual profits generated from mind-altering (yet legal) drugs that flat-out kill people. Lots of people. Like 100,000 Americans a year (or a lot more if you believe more critical statistics).

So if you've ever wondered why Ritalin — which has no medical purpose whatsoever — is perfectly legal, and yet medical marijuana — which has a well-proven medical purpose — is outlawed, now you know the answer: because Ritalin makes powerful people rich. And marijuana doesn't. Anybody can grow marijuana. Drug companies don't control the patents.

Why I teach people to be 100% drug free

Now, just for the record, I do not personally use any drugs whatsoever (recreational, over-the-counter, prescription or otherwise), and in fact, I teach people to be 100% free of all drugs, including caffeine and alcohol. I bought into the "just say no to drugs" advice of Nancy Reagan, and I actually applied it to ALL drugs, not just selective drugs.

And as far as I can tell, aside from the Mormons and the Amish, there are only a small percentage of truly drug-free people living in this country. Practically everybody I meet is addicted to at least one of the following: coffee, cigarettes, alcohol, pain meds, prescription drugs or sugar (which alters brain chemistry in drug-like fashion).

At the same time, I'm not at all fooled by this silly "War on Drugs" charade, which is really nothing more than enforcement of corporate drug profits at gunpoint. If we had a genuine war on drugs in this country that really worked to protect the American people we'd send DEA agents into drug company offices and confiscate all the legalized but deadly medications being manufactured, distributed and deceptively sold to unwitting Americans.

Medical marijuana is a threat to both the profits and power of drug companies, not to mention the credibility of the DEA. Letting grannies smoke pot in California makes DEA agents look silly. If it were allowed, it would also undermine the billions of dollars already spent incarcerating people for "pot crimes." Basically, it would make the whole War on Drugs look stupid. Which it most assuredly is, at least when it comes to marijuana.

I can understand taking a tough stance on hard drugs (crack, meth, heroin, etc.), but arresting cancer patients who smoke joints for pain control sounds a lot more like oppression than law enforcement to me.

So what is the War on Drugs? It's an excuse to control you. It is a system that keeps the population in a state of constant fear so that heroic politicians can get elected on empty promises to "keep fighting the war on drugs!"

The DEA is AWOL on most drug issues

Where is this War on Drugs when it comes to Grandma in the nursing home, who died of a stroke caused by Cox-2 inhibitor drugs? Where is the War on Drugs when little Johnny schoolboy picks up a rifle and blows away his classmates because he's on antidepressants and can't tell the difference between real life and a first-person-

shooter video game? Where is the War on Drugs when 16,500 people each year die, shitting digested blood until they pass out and die because that daily dose of aspirin tore a gaping hole in their stomach?

The War on Drugs, you see, turns a blind eye to the death and suffering caused by these drugs. The DEA pretends prescription drugs don't even exist. No prescription drug death has ever been prevented by the DEA as far as I know. Yet 100,000 Americans are killed each year by FDA-approved drugs. The DEA has no interest whatsoever in protecting Americans from these drugs. Ever wonder why?

The DEA is properly named, by the way. It's the Drug Enforcement Agency. It's enforcing drugs. The right drugs. The legal drugs. The drugs that make money for drug companies, drug distributors, drug retailers, cities, states and countries. It's enforcement at gunpoint, and as long as the money keeps flowing, the drugs will stay perfectly legal, regardless of who dies.

The entire distribution system is well in place: the false and misleading television advertising, the outright bribery of drug dealers (doctors), the street corner fulfillment centers (pharmacies), and the coordinating drug lord running the show (the Fraud and Drug Administration). It's a brilliant system for manufacturing, promoting, delivering and selling deadly, addictive drugs to children, adults and seniors while generating corporate profits and tax revenues for cities, states and nations.

And that's the raw truth about the War on Drugs. You may not like it, but now, at least, you know why it exists.

So I have a common sense question for all the people in this country. If you support the War on Drugs, then why are you taking so many drugs yourself? And why are you allowing your children to be drugged?

Is it any wonder that it was none other than America's premier new world order innovators, the Rockefeller ruling elite, whom became the founding godfathers of and organized our national medical/pHARMaceutical industry and concocted and pushed the Rockefeller Drug Laws that tied the hands of the judges by requiring LENGTHY PRISON TERMS even for first-time offenders. Essentially, the law allowed prosecutors to decide who went to jail and for how long. The system, which has been imitated throughout the country, **filled the jails to bursting, while doing nothing to curb the drug trade.** But our prison trade is a booming industry!

There is one very important fact that you must get straight in your head right now: **DRUG trafficking, running, smuggling, dealing of any kind is solely permitted for and by the powers that be.** All independent small time unauthorized operators are the ones who get chased, prosecuted and imprisoned to the fullest extent of the law.

Is it any wonder that Each and every president as far as I can remember has been the host of some type of "war" or another? Must keep the Death Industrial Complex in motion. It was Nixon who ushered in America's "war on drugs", Reagan took it to new heights. Basically, essentially speaking, **America has literally been waging a real WAR in our country,** it has been a **war against the inferior gene pool populace**, yet the natives don't have a clue. Thousands of deaths and hundreds of thousands of "war criminals" are chalked up each and every year since Nixon began this "war, therefore our nation has been on this bogus WAR for more than three decades and counting... and it only gets worse.

Drugging of America. The bogus "drug war" has been nothing more than a well orchestrated facade for imprisoning "inferior" black and Latino population who represent the overwhelming majority of those held in state prison for drug offenses. The poor minorities not only have no clue, and very decrepit education, but are overwhelmed by the sheer magnitude of the drug war onslaught. Millions of them have succumbed and become victims in one way or another to this most despicable faux war.

Again, as in other sections of the Matrix Report, I don't want to waste time delving into and repeating the same information exposed by others who have done much more extensive research and documentation. As I keep reiterating over and over again throughout this Matrix Report, I encourage anyone that wants to follow this rabbit down the hole just need to use Google (Zionist founded and controlled search engine) and search any and every claim and word we

say here, you will find tons of supporting truth. I'm here to expose what many people don't know... in this particular case it is: **the CIA is THE BIGGEST MOST POWERFULL DRUG DEALER IN THE WORLD.**

Remember the "Iran Contra" scandal? Oliver North and the CIA got caught red handed running drugs and weapons (Oliver North spearheaded the CIA '**Cocaine Importing Agency**' division). Hello! This IS unadulterated history, pure fact. After the bogus "investigations" we witnessed one of the CIA's main cocaine importers, Ollie North become a famous CELEBRITY instead of being imprisoned for life!

The CIA and the establishment have hoodwinked everyone believing that it is the rogue independent operators who control all drug trade. They even go as far as claiming that these bunch of Mexicans and Columbians are the ones who secretly infiltrated and influencing all aspects of our government.[lol] As William Colby, former 1995 CIA Director put it: "*The Latin American drug cartels have stretched their tentacles much deeper into our lives than most people believe. It's possible they are calling the shots at all levels of government.*" This is pure bullshit hype redirection of blame designed to keep the masses confused as to who is really culpable and cover the trail of those whom have truly infiltrated and controlling our government. If anything else, his absurd ridiculous false statement proves that the CIA is in fact working to cover up the true perpetrators whom are controlling our government from within, and the fact that the CIA, evidenced by their obvious willingness to provide bullshit excuses, are actually part of the scheme.

TOP SECRET CIA DRUG SMUGGLING OPERATIONS

- Operation Snow Cone - Parent Central American drug smuggling operation. Various operations under Operation Snow Cone include:
 - **Operation Watch Tower** - Operation Watch Tower consists of secret radio beacons stationed at remote locations between Columbia and Panama. The beacons help CIA drug pilots fly from Central America to Panama at near-sea-level without being detected by high flying U.S. drug interdiction aircraft. Pilots of the drug flights home in on the low frequency signals emitted by the beacons to reach their destination at Albrook Army Airfield in Panama.
 - **Operation Toilet Seat** - The CIA uses Boeing 727 and C-130 aircraft to haul drugs from Central and South America. The drugs are dumped out the rear ramps of the aircraft into waters offshore of the U.S. in waterproof containers. There the drugs are retrieved by boat and brought into the U.S.
 - **Operation Whale Watch** - Consists of using offshore oil drilling rigs as a cover for drug smuggling. The drugs are offloaded by ship onto the oil drilling platforms. The drugs are then flown by helicopter to nearby U.S. coastal areas. Companies owning the oil rigs included Rowan International and divisions of Zapata Corp., such as Zapata Petroleum and Zapata Off-Shore. Zapata Corp. is partly owned by former President George Bush.
 - **Operation Buy Back** - Operation involving CIA front Pacific Seafood Company. Drugs are packed in shrimp containers and shipped to various points in the U.S. This is a joint DEA-CIA operation.
 - **Operation Big Blow** - See link.

ADDITIONAL CIA DRUG SMUGGLING OPERATIONS

- **Operation Indigo Sky** - Massive CIA heroin smuggling operation based in Lagos, Nigeria. Heroin is grown and processed in Nigeria, then shipped for packaging to Amsterdam, Netherlands. From there the heroin is shipped to Europe and various points in the U.S., including bonded warehouses on the East Coast and Boeing Field in Seattle.
- **Operation New Wave** - CIA heroin smuggling operation based in Thailand. CIA front Van Der Bergen International is responsible for getting the drugs out of the Orient. Typically the heroin is smuggled aboard freighters and cruise liners heading from the U.S. Transshipment points in the U.S. include San Diego, San

Francisco, Seattle and Los Angeles.

- **Operation Short Field**
- **Operation Burma Road**
- **Operation Morning Gold**
- **Operation Backlash**
- **Operation Triangle**

What you don't know is the fact that the CIA realized that drug running was the PERFECT way to fund all their BLACK OPS missions with the never ending supply of unknown billions of dollars. Multi hundreds of BILLIONS of dollars a year are laundered through Zionist financial institutions annually. Behold for our nation's entire financial sector's rise has been in some way propped up by these blood monies. Narcotics money is such an integral part of our financial system, so much so, that if all drug money laundering were to stop at this moment, our entire financial system would receive a critical blow. Ex police officer whistle blower, turned truth activist Mike Ruppert has been instrumental in helping to blow the lid off the CIA drug connection. Unfortunately he was unrelentlessly attacked to the point where he chose to move out of this country, "retire" and no longer speak, for he has witnessed the full power of the enemy up close and personal, they did their best to destroy him, almost to the point of death. Hence, you won't get him to talk any further but I believe his website "fromthewilderness.com" is still up and running by others.

America's Drug Crisis: Brought to You by the CIA

By Dave Lindorff

The Public Record, Oct 28th, 2009

Next time you see a junkie sprawled at the curb in the downtown of your nearest city, or read about someone who died of a heroin overdose, just imagine a big yellow sign posted next to him or her saying: "Your Federal Tax Dollars at Work."

Kudos to the New York Times, and to reporters Dexter Filkins, Mark Mazzetti and James Risen, for their lead article Wednesday reporting that Ahmed Wali Karzai, brother of Afghanistan's stunningly corrupt President Hamid Karzai, a leading drug lord in the world's major opium-producing nation, has for eight years been on the CIA payroll.

Okay, the article was lacking much historical perspective (more on that later), and the dead hand of top editors was evident in the overly cautious tone (I loved the third paragraph, which stated that "The financial ties and close working relationship between the intelligence agency and Mr. Karzai raises significant questions about America's war strategy, which is currently under review at the White House."

Well, duh! It should be raising questions about why we are even *in* Afghanistan, about who should be going to jail at the CIA, and about how can the government explain this to the over 1000 soldiers and Marines who have died supposedly helping to build a new Afghanistan).

But that said, the newspaper that helped cheerlead us into the pointless and criminal Iraq invasion in 2003, and that prevented journalist Risen from running his exposé of the Bush/Cheney administration's massive warrantless National Security Agency electronic spying operation until *after* the 2004 presidential election, this time gave a critically important story full play, and even, appropriately, included a teaser in the same front-page story about October being the most deadly month yet for the US in Afghanistan.

What the article didn't mention at all is that there is a clear historical pattern here. During the Vietnam War, the CIA, and its Air America airline front-company, were neck deep in the Southeast Asian heroin trade. At the time, it was Southeast Asia, not Afghanistan, that was the leading producer and exporter of opium, mostly to

the US, where there was a heroin epidemic.

A decade later, in the 1980s, during the Reagan administration, as the late investigative journalist Gary Webb so brilliantly documented first in a series titled “Dark Alliance” in the San Jose Mercury News, and later in a book by that same name, the CIA was deeply involved in the development of and smuggling of cocaine into the US, which was soon engulfed in a crack cocaine epidemic—one that continues to destroy African American and other poor communities across the country. (The Times role here was sordid—it and other leading papers, including the Washington Post and Los Angeles Times—did despicable hit pieces on Webb shamelessly trashing his work and his career, and ultimately driving him to suicide, though his facts have held up. For the whole sordid tale, read Alex Cockburn’s and Jeffrey St. Clair’s [White Out](#)).

In this case, Webb showed that the Agency was actually using the drugs as a way to fund arms, which it could use its own planes to ferry down to the Contra forces it was backing to subvert the Sandinista government in Nicaragua at a time Congress had barred the US from supporting the Contras.

And now we have Afghanistan, once a sleepy backwater of the world with little connection to drugs (the Taliban, before their overthrow by US forces in 2001, had, according to the UN, virtually eliminated opium production there), but now responsible for as much as 80 percent of the world’s opium production—this at a time that the US effectively finances and runs the place, with an occupying army that, together with Afghan government forces that it controls, outnumbers the Taliban 12-1 according to [a recent Associated Press story](#).

The real story here is that where the US goes, the drug trade soon follows, and the leading role in developing and nurturing that trade appears to be played by the Central Intelligence Agency.

Your tax dollars at work.

The issue at this point should not be how many troops the US should add to its total in Afghanistan. It shouldn’t even be over whether the US should up the ante or scale back to a more limited goal of hunting terrorists. It should be about how quickly the US can extricate its forces from Afghanistan, how soon the Congress can start hearings into corruption and drug pushing by the CIA, and how soon the Attorney General’s office will impanel a grand jury to probe CIA drug dealing.

Americans, who for years have supported a stupid, blundering and ineffective “War on Drugs” in this country, and who mindlessly back “zero-tolerance” policies towards drugs in schools and on the job, should demand a “zero-tolerance” policy toward drugs and dealing with drug pushers in government and foreign policy, including the CIA.

For years we have been fed the story that the Taliban are being financed by their taxes on opium farmers. That may be partly true, but recently we’ve been learning that it’s not the real story. Taliban forces in Afghanistan, it turns out, have been heavily subsidized by protection money paid to them by civilian aid organizations, including even American government-funded aid programs, and even, reportedly, by the military forces of some of America’s NATO allies (there is currently a scandal in Italy concerning such payments by Italian forces).

But beyond that, the opium industry, far from being controlled by the Taliban, has been, to a great extent, controlled by the very warlords with which the US has allied itself, and, as the Times now reports, by Ahmed Wali Karzai, the president’s own brother.

Karzai, we are also told by Filkins, Mazzetti and Risen, was a key player in producing hundreds of thousands of fraudulent ballots for his brother’s election theft earlier this year. Left unsaid is whether the CIA might have played a role in that scam too. In a country where finding printing presses is sure to be difficult, and where transporting bales of counterfeit ballots is risky, you have to wonder whether an agency like the CIA, which has

ready access to printers and to helicopters, might have had a hand in keeping its assets in control in Kabul.

Sure that's idle speculation on my part, but when you learn that America's spook agency has been keeping not just Karzai, but lots of other unsavory Afghani warlords, on its payroll, such speculation is only logical.

The real attitude of the CIA here was best illustrated by an anonymous quote in the Filkins, Mazzetti and Risen piece, where a "former CIA officer with experience in Afghanistan," explaining the agency's backing of Karzai, said, "Virtually every significant Afghan figure has had brushes with the drug trade. If you are looking for Mother Teresa, she doesn't live in Afghanistan."

"The end justifies the means" is America's foreign policy and military motto, clearly.

The Times article exposing the CIA link to Afghanistan's drug-kingpin presidential brother should be the last straw for Americans. President Obama's "necessary" war in Afghanistan is nothing but a sick joke.

The opium, and resulting heroin, that is flooding into Europe and America thanks to the CIA's active support of the industry and its owners in Afghanistan are doing far more grave damage to our societies than any turbaned terrorists armed with suicide bomb vests could hope to inflict.

The Afghanistan War has to be ended now.

Let the prosecution of America's government drug pushers begin.

Finally, a note about Sen. John Kerry Kerry, D-MA, who went to Afghanistan to press, for the Obama administration, to get his "good friend" President Karzai to agree to a run-off election after Karzai's earlier theft of the first round, has played a shameful role here. Once, back when he still had an ounce of the principle that he had back when he was a Vietnam vet speaking out against the Indochina War, Kerry held hearings on the CIA's cocaine-for-arms operation in Central America. Now he's hugging the CIA's drug connections.

LA VOZ DE AZTLAN
Los Angeles, Alta California
May 17, 2010

Is President Felipe Calderon protecting the CIA Drug Cartel?

As the Republic of Mexico is feeling the aftershocks of the abduction of a corrupt Mexican ruling party top operative, it is also asking important questions concerning the so-called 'Mexican War on Drugs' that has caused the slaughtered of over 22,700 of its citizens since 2007. Over the weekend, what is believed to be a competing drug cartel in the lucrative 325 billion per year drug market, abducted ex-senator and former Partido Accion Nacional (PAN) presidential candidate Diego Fernandez de Cevallos at his ranch in the central Mexican state of Queretaro. Cevallos is a very close associate of President Calderon and his father was a founder of the PAN ruling political party.

There are many questions that lead one to believe that the war on drugs is a complete sham. Here in the USA, the principal consumer of drugs, the multi-billion effort to combat the sale and use of drugs has made not difference over the years. School children in every major city in the country will tell you that it is easier to buy a joint of marijuana or a rock of crack cocaine than it is to buy a can of beer. In addition, there have been

numerous prison interviews of inmates which indicate that drugs are available to them in any quantity they want inside the prisons. So what is going on?

This is one question we should ask ourselves as President Felipe Calderon visits the White House on Wednesday. Is he coming to ask for amnesty for Mexican undocumented immigrant workers or is he coming to ask for more money and military weapons under the Merida Initiative to combat elements in Mexico who compete with those that really control the importation of cocaine and other drugs into the USA? Remember the CIA crack cocaine scandal that rocked South Central Los Angeles in the late 70's and early 80's? Also, let us not forget about the CIA connected jet plane that crashed near Cancun, Mexico in 2007 with 4 tons of cocaine and of course let us not forget the connection between the CIA, the puppet corrupt regime in Afghanistan and the importation of heroin into the USA.

There are clear indications that there is a brutal struggle along the US/Mexico border between the CIA and Mexican cartels for control of drug trafficking routes. The present problems along the US/Mexico border has more to do with this battle than with migrant Mexican workers. Unfortunately undocumented Mexican immigrants are being utilized as scapegoats and it appears that President Felipe Calderon is unwittingly cooperating in return for a few drug gringo dollars. One example of this is the savage home invasion and murder of little Brisenia Flores and her father Raul in Arivaca, Arizona by the Minutemen vigilantes. Shawna Forde and the serial killer Jason Bush of the Minutemen American Defense organization invaded the home of the Flores family looking for drugs and money in 2009. It has now been confirmed that Shawna Forde had various meetings and was connected with the notorious CIA covert operative Joseph Adams of "Nicaraguan Contra/Crack Cocaine Scandal" fame prior to the operation. Many independent journalists now believe that the Minutemen are actually CIA funded operatives who's mission is to obtain intelligence information along the border in order to better protect their CIA drug operations.

There is a growing number of Mexicans that believe that President Felipe Calderon may actually be a traitor like Luis Cuevas, Bernardo Couto and Miguel Atristain who illegitimately signed the Treaty of Guadalupe Hidalgo turning over half of Mexico's territory to the gringos. These Mexican ask, "Why doesn't Calderon not advocate for the legalization of the cultivation and sale of marijuana, tax it and in addition make peace with the Mexican cartels?"

The Iran Contra fiasco was JUST THE TIP OF THE ICEBURG... The CIA saw the billions on top of billions that the Medellin Cartel was making and decided that it would no longer be just a middleman and went on to wage war on the Medellin cartel. For once it destroyed Escobar and his cartel, the CIA could muscle in and fill in the void, taking over the entire operation. After the Medellin cartel was neutralized, the entire drug war scene moved into obscurity, little has the public known that the **drug world has since had the most powerful, unchallenged, untouchable, above the law, indestructible drug alliance to ever exist on planet earth: THE CIA DRUG CARTEL.**

Ever since those days the CIA has been making regular drug runs with thousands of pounds of cocaine with CIA front company planes. A couple of those CIA front company planes recently crashed, no problem, the CIA's operations are in no danger of being exposed in the mainstream. The entire drug running operation is conducted with major high level top secret "national security" clearance, LOL. They essentially just fly those planes back and forth with ABSOLUTELY NO WORRY.

Hey they are the CIA, when one of their shipments gets pulled over by any local law enforcement team, they quickly pull out their CIA ID badges and continue on their merry way, unhampered. Occasionally they tip off the coast guard

on shipments of their "competitors" so that it seems that our bogus war on drugs and the hundreds of millions spent are "working".

"Thirteen years ago, the first edition of *Dope, Inc.* was released, Commissioned by anti-drug American Senator Lyndon LaRouche. It was the first book to reveal that the illegal drug cartel was becoming the world's biggest business. "DOPE, INC.", has waged war against every nation in the world to expose the operation; and to reveal the names of the "untouchable" figures who protect the cartel, whom Hollywood media have sold to the public as veritable deities. This book, which has since come out in several foreign-language versions, and a second edition, remains unique.

Its effectiveness is attested to, above all, by the fact that the kingpins of the U.S. branch of the drug cartel, led by Henry Kissinger and the Anti-Defamation League of B'nai B'rith - launched a years-long effort to silence the authors, starting with LaRouche, who was railroaded to federal prison in late 1988 on trumped-up "conspiracy" charges, and is now fighting in the courts to overturn that travesty of justice.

LaRouche was jailed within days of George Bush's inauguration as President in January 1989; and Bush kept him there, for reasons that include a fear by Bush and his backers of the information contained in this book.

Former Secretary of State Henry Kissinger, ran the risk of Federal criminal prosecution, as the result of his persistent interference into the conduct of the U.S. Department of Justice, the FBI, and the White House, to STROKE-UP the government campaign to SILENCE LaRouche." And so it continues...

I debated whether to also to add this due circumstances, but I will throw caution to the air. I know someone very well, for obvious reasons I can not elaborate on any further details of our acquaintance... this person was DEEP within the Medellin Cartel, who sat and ate with central players, who was part of their world. This person is one of the few that are still alive today, for as he tells it, "**Everyone was wiped out by CIA hit squads.**" Out of all his amazing stories, none were more intriguing to me then how **the CIA had drug lords and agents working within the drug world.** The drug Mafioso have long ago gotten used to dealing with CIA agents within the "business" whom are untouchable and all like "ghosts." Of all his amazing I witness accounts, one of the most chilling I never forgot is when he confided in me: "**I have no fear of anyone, not even god, the only thing I tremble in fear of in this world is the CIA.**" Obviously the CIA has decades ago embraced medieval torture to extents that the average citizen would never believe... You had to see his face as he gave his accounts, many times with tears in his eyes. We would sit for hours talking over beers, pouring his heart out, secrets he had pent up for so many years he could never dare share with anyone, for some reason he did so with me. I wanted so desperately to record our amazing conversations, but due to the trust relationship we had, I never did. I will tell you this, this person unknowingly confirmed EVERYTHING that is within this section, years before I even began the research for this report. For at the time, I had no clue that I would one day be researching and writing a massive expose. This is all I have to say about this person. He unknowingly revealed and CONFIRMED tons of modus operandi of the CIA "**GODS**" in the dark world of narcotics trafficking, I know for sure he is not a "reader" type person, and had no clue about established research and revelations about the CIA's extracurricular activities, his information was genuine up close and personal. Thus I for one KNOW without an ounce of doubt that all that is here within these pages is 100% TRUE...

While on the subject of infamous medieval torture by the CIA, I recently ran into this piece of news: "**Lawyer: CIA kept detainees alive to keep torturing them.**" This article goes on to say "According to human rights lawyer John Sifton, executive director of One World Research, the CIA tortured some of its detainees in the War on Terror so severely that it had to take measures to keep them alive so they could continue being tortured." How about this one: "**Former UK ambassador: CIA sent people to be 'raped with broken bottles'**" The CIA relied on intelligence based on torture in prisons in Uzbekistan, a place where widespread torture practices include raping suspects with broken bottles and boiling them alive, says a former British ambassador to the central Asian country. Why am I not surprised?

CIA Afghan Drug Trade: Occupation Abroad, Prisons at Home

By Dr. Renee Levant

Even among many opposed to the U.S. war against the Iraqi people there is the notion that the U.S. imperialist

war against the people of Afghanistan is a “good” war.

This view, propagated by bourgeois and “alternative” media sources alike, portrays U.S. forces fighting against drug-dealing “Taliban” thugs in a lawless “narco-state” that hides and supports the “terrorists” responsible for 9/11.

This has served the Obama administration quite well. Of course, this is a lie.

In 2000, prior to the U.S. invasion of Afghanistan in 2001, the Taliban had almost completely eliminated the export of opium and banned its production. Contrary to the mainstream media, it was not the Taliban that replaced food crops with opium poppies.

It was the CIA that initiated the Afghan drug trade to support its attack on the Socialist Government of Afghanistan in the 1970s and 80s. It was the CIA that revived the illegal drug trade in 2001 and the CIA that continues to support it today.

Since 2001, Afghanistan has gone from no opium trade to providing 93 percent of the world's heroin exports, including about 60 percent of heroin exports to the United States.

Illegal drug trade part of primitive accumulation of capital

Parasitic capitalism benefits from the illegal drug economy in multiple ways.

First of all, the illegal drug trade, used as a basis for subjugating China, was included by Karl Marx as part of the process that actually built capitalism. Marx called this the “primitive” or first accumulation of capital.

Before modern times Europe had few resources. Europeans suffered from deep poverty, cultural backwardness and many diseases. It only became rich and powerful by sucking the blood of African, Indigenous and colonized peoples around the world.

Slavery, genocide, the theft of land and resources along with an imposed drug trade are what built the capitalist system and transformed Europe and the white world from poverty into the leading imperialist power today.

As Marx wrote in Volume I, Part 8 of Capital:

"The discovery of gold and silver in America, the extirpation, enslavement and entombment in mines of the aboriginal population, the beginning of the conquest and looting of the East Indies, the turning of Africa into a warren for the commercial hunting of black-skins, signaled the rosy dawn of the era of capitalist production. These idyllic proceedings are the chief momenta of primitive accumulation. On their heels treads the commercial war of the European nations, with the globe for a theatre. It begins with the revolt of the Netherlands from Spain, assumes giant dimensions in England's Anti-Jacobin War, and is still going on in the opium wars against China."

Today, illegal drugs are considered the third largest commodity in the world, estimated to be worth 500 billion to a trillion dollars.

The U.S. government-controlled illegal drug trade funds U.S. covert or “secret” counterinsurgency operations abroad and against African people inside the U.S.

Drugs also bring cash injections into the failing U.S. banking system, although there is evidence that with the falling dollar worldwide drug producers are demanding to be paid in Euros.

These drugs are imposed on African and oppressed communities in the United States, justifying the massive prison economy, which is used to create jobs and economic stimulus for white communities.

The U.S.-controlled drug economy is also used to criminalize the African community and label Arab and Muslim freedom fighters and civilians as “terrorists.”

> **Insurgency Against The Peoples Republic of Afghanistan**

CIA funding of the Afghan drug trade dates back to the late 1970s when Afghanistan, like many African and colonized nations around the world, had secured independence from white colonial domination.

The infamous, drug laundering Bank of Credit and Commerce International (BCCI), played a role in establishing the drug trade in Afghanistan.

BCCI is the same bank that channeled money in the early 80s to the U.S.-backed Contras for their fight against Nicaragua’s Sandinista revolution.

BCCI was also used to channel billions of dollars from the U.S. and Saudi Arabia to reactionary radical Islamic groups and tribal leaders against the revolutionary government of Afghanistan in 1979. This continued throughout the 80s while Afghanistan, with backing from the Soviet Union, fought a ferocious battle to defend its revolution.

“Secret” wars are costly. These billions were only a down payment on the funds needed to combat the Afghan resistance fighters. Drug money and its surrounding economy provided a solution. Prior to 1980 there was little opium or heroin in either Pakistan or Afghanistan and no drug sales to the US or Europe.

Professor Alfred W McCoy explains:

“By 1988, there were an estimated 100 to 200 heroin refineries in [Afghanistan’s] Khyber district alone. Trucks from the Pakistan army’s National Logistics Cell (NLC) arriving with CIA arms from Karachi often returned loaded with heroin—protected by ISI papers from police search.” (The Politics of Heroin, CIA Complicity in the Global Drug Trade, Chicago: Lawrence Hill Books, 2003, pp. 495)

When the Soviets and the U.S. CIA left Afghanistan in 1990, they left behind a drug-ravaged and drug-dependent economy.

Taliban Endangers the Illegal Drug Economy

When the Taliban assumed power in 2000 and eliminated opium production, the CIA’s secret projects suffered, as did the cash flow of money laundered through U.S. banks and into Afghanistan’s main ally in the region, the government of Pakistan.

U.S. plans to invade Afghanistan predate this action by the Taliban. They also predate the 9/11 attack, invalidating Obama’s claims that the U.S. invaded Afghanistan to go after Al-Qaeda. However, it is hard to believe that the Taliban’s interference with the drug trade played no role in the timing of the invasion in 2001.

Since the U.S. invasion and occupation of Afghanistan, opium exports have continued to increase each year. According to the United Nations Office on Drugs and Crime (UNODC) 2008 report, Afghan opium production rose 17 percent between 2007 and 2008 alone.

Wall Street Banks Benefit from the Drug Trade

Where do the trillions of dollars from the U.S. controlled drug trade go? This money certainly is not in the impoverished African communities. Clearly, growers and small dealers gain a minute portion of the wealth of the drug economy.

Antonio Marie Costa, Executive Director of UNODC, explained the importance of this money to U.S. financial interests in an interview with the German language magazine Profil:

“In many instances, drug money is currently the only liquid investment capital for real estate...In the second half of 2008 liquidity was the banking system's main problem and hence liquid capital became an important factor.”

Costa also suggested that many banks were involved in interbank loans funded through drug money and “that some banks were rescued in that way.” He would not reveal which U.S. banks are involved.

A June 2006 article in Business Week's financial section shed more light the importance of illegal drugs to the U.S. economy:

“When drug runners and terrorists want to park illicit cash, there may be no better haven than hedge funds. Despite tough new anti-money laundering standards put out by U.S. regulators for banks, mutual fund companies, insurers, and money transmitters, the highly secretive hedge fund industry has no restrictions whatsoever.”

Drug Money Funds the Prison Industrial Complex

Inside the U.S. heroin use continues to rise with the availability of larger, purer and cheaper heroin supplies from Afghanistan. In the 80s when the U.S. was waging funding the Contras, the government was importing cocaine in the form of crack into African neighborhoods as part of its War against the African Community.

As the government continues to pour drugs into African communities, funding for education, social services and health care has been cut severely while funding for police and prisons has increased.

This situation began in the 70s with the CIA's counterinsurgency program COINTELPRO. The vicious hand of imperialism snatched up, imprisoned or murdered many of the greatest African leaders of the Black Revolution of the 60s. To prevent African people from rising up again, the CIA opened a floodgate of illegal drugs into African communities.

This was reinforced in the 80s when the government officially instituted the “War on Drugs”. FBI statistics show that the number of prisons has grown 369% since 1980.

According to the 2008 report of the Sentencing Project, the number of incarcerated drug offenders increased 1,100% between 1980 and 2003 with Africans comprising the bulk of this increase. While African people make up about 12% of the population and are estimated to be about 13% of those who use drugs regularly they are 34% of those arrested for, and almost 75% of those imprisoned for, drug charges. The small percentage of whites who are arrested and imprisoned can expect far shorter sentences. (See The Sentencing Project Report)

This huge increase in the number of prisoners and prisons result directly from new policies targeting African people such as minimum mandatory sentences for drug possession and “three strike” laws. The vast majority of Africans are imprisoned for possession of very small amounts of drugs or for parole violations. This is a policy clearly designed to criminalize ordinary African people. And these policies will not end under the Obama administration. Attorney General Holder is well known for aggressively supporting them.

The real goal of this war is to keep the Prison Industrial Complex—the private companies that build, run and

profit from the cheap labor of prisoners, as well as political figures who seek contributions from these companies, and those employed by prisons, prison construction and the myriad spin off jobs from prisons—growing and profiting despite the economic crisis.

As a result African people are transformed into economic commodities to fill the coffers of the prison economy.

But the illegal drug trade benefits others, too. Prisons are the third largest industry in rural white areas that suffer from high unemployment. These provide economic stimulus to poor rural white people at the direct expense of African people's incarceration.

The same drug trade that was used as a counterinsurgency strategy in Afghanistan fuels the dramatic growth of prisons that are part of the violent containment of African people and the destruction of African economic well-being and self-determination

African People's Solidarity Committee Chairwoman Penny Hess asks, "The CIA admits it had direct ties to cocaine smuggling and drug money laundering. So why are there one million African people in prison, while not one CIA operative or government official has been brought to trial or even censored?" Overturning the Culture of Violence (Burning Spear, 2000, p367)

African "Criminals" and Arab and Muslim "Terrorists"

As the economic crisis of imperialism intensifies, middle- and working-class white people—sitting on the pedestal of the oppression of African and colonized peoples—have begun to feel anxiety over their declining quality of life.

The government's campaign of violent incarceration of oppressed people gives white people a false sense of relief by misdirecting white anxiety towards Africans, Arabs and Muslim people, instead of towards the white ruling class. White people want to cling to the pedestal of white power and believe that current leaders are restoring "safety and order" to a system built at the expense of the rest of the world. But that order is crumbling.

The pedestal of white power is crumbling along with the parasitic system that formed it on the backs of indigenous and African peoples and maintains itself through state violence and incarcerations.

Resistance is growing in Afghanistan, Iraq, Palestine and African communities around the world. Our resistance to the oppressive state will be met with increasing violence until the state is destroyed, Africans reunite under revolutionary working class leadership, and colonized and oppressed peoples reclaim their land and resources.

The HUNDREDS OF BILLIONS of dollars the CIA makes with its drug running business gets added to the \$30 to 40 billion "chump change" annual budget it gets from Washington. It's drug money is "off the books" so to speak. With these added billions the CIA funds its most clandestine Black Ops Skunk Works operations such as its infamous Al-**CIA**da terrorist division, to name just one. All you have to do is look around the globe, it is easy to spot the clandestine activities of CIA terrorist false flag ops.

Clue: where ever America is having a hard time getting the opposing country to bend to our demands, such as "allow our form of democracy (capitalism) into their country or else", which basically means that any country that does not allow western banks, Exxon, oil drilling, deforestation, agriculture, McDonalds, Coca-Cola, etc., etc., FREE REIGN to do as they like, and take over all their lands and natural resources. If not, you will soon have to deal with the CIA False Flag Black Ops Division operating in your back yard. In the middle east it's called "Al-**CIA**da," in south American counties they are busy organizing and fomenting similar internal "freedom fighters", the gorillas, and so forth.

Over the past several decades the CIA has consolidated much of its drug running empire. Prior to the US invasion of Afghanistan the Taliban were not cooperating with heroin demand. The Taliban in their attempt to stamp out sinful drugs had drastically cut heroin production to un-acceptable levels. One fringe benefits of the invasion of Afghanistan was the fact that our troops cleared the way and were key instrumental in restarting opium production, they even PROTECTED the poppy farmers! LOL! Soon after, the production of heroin skyrocketed to historic heights all the while our loving military is right there in Afghanistan carefully watching over and protecting our CIA export "interests". Under the Taliban heroin production was almost eradicated, today heroin is cheaper than a six pack of beer!

CIA ADMITS TO DEAL WITH JUSTICE DEPARTMENT TO OBSTRUCT JUSTICE

Michael Levine & Laura Kavanau-Levine
THE EXPERT WITNESS radio show
March 24, 1998

As an ex DEA agent I found the complete lack of coverage by mainstream media of what I saw last night during the congressional hearings into CIA Drug Trafficking, on CNN both depressing and frightening.

I sat gape-mouthed as I heard the CIA Inspector General, testify that there has existed a secret agreement between CIA and the Justice Department, wherein "during the years 1982 to 1995, CIA did not have to report the drug trafficking its assets did to the Justice Department." (This is the agreement, by the way, that lead directly to events described in our non-fiction books, The Big White Lie and Deep Cover. Those many who have read the boosk will know instantly what I am talking about).

To a trained DEA agent this literally means that the CIA had been granted a license to obstruct justice in our so-called war on drugs; a license that lasted-so CIA claims-from 1982 to 1995, a time during which Americans paid almost \$150 billion in taxes to "fight" drugs. Of course the evidence indicates that they did not stop obstructing justice in 1995 either, but that I suppose is going to be another congressional hearing. As far as the current hearings go this Catch 22 "revelation" means that all the present hearings are for nothing; that-if they are caught violating the drug laws-they had been given "secret" license to do so by our Justice Department. This might also explain Janet Reno's recent and unprecedented move in blocking the release of a Justice Department investigation into CIA drug trafficking.

God, with friends like these, who needs enemies? It is now clear that this agreement began with the events described in THE BIG WHITE LIE; that the top drug traffickers in Bolivia, then supplying virtually all the world's cocaine-including Sonia Atala-were CIA assets that had to be protected from our deep cover probe.

Laura and I still have the proof of this that we used to back up the publication THE BIG WHITE LIE. The same proof was later incorporated into other data backing up the publications of DEEP COVER and TRIANGLE OF DEATH.

Our evidence-which congress has been craning its neck not to see- for instance, shows clearly that during Operation Hun (the story in The Big White Lie), secret meetings were held with CIA and Justice Department wherein all indictments of top government officials in Bolivia were blocked. We now believe this agreement began because of Operation Hun. CIA had to hide the fact that they were supporting the people manufacturing virtually all the cocaine being produced in the world, at that time.

In Deep Cover we showed that, during Operation Trifecta-a highly successful deep cover probe into the top of the drug world in three countries (Panama, Bolivia and Mexico) -Attorney General of the US Ed Meece found it necessary to warn the Attorney General of Mexico about DEA's case. We, (undercover DEA agents and Customs agents), found links between top US government officials and the people who murdered DEA agent Kiki Camarena, that to this day go unexamined by our congress or anyone else.

In "TRIANGLE OF DEATH, a work of "faction" we showed CIA's real-life involvement in the protection and

creation of one of the most murderous criminal organizations to ever plague America, an organization created by escaped Nazi fugitives under CIA protection-events occurring long before this alleged CIA Justice agreement.

And so the dance continues.

If anyone watched the CNN show you cannot have helped but notice the snickering on the part of Congressional chairman Porter Goss (an ex CIA officer), as congresswoman Maxine Waters spoke. Now here's the reason why: Sources of mine, who speak to me from inside this veil of secrecy out of conscience and because I am cheaper and more reliable than a psychiatrist, have already told me the following:

1. There is secret communication between CIA and members of the Congressional staff-one must keep in mind that Porter Goss, the chairman, is an ex CIA official- indicating that the whole hearing is just a smoke and mirror show so that the American people-particularly the Black community- can "blow off some steam" without doing any damage to CIA. The CIA has been assured that nothing real will be done, other than some embarrassing questions being asked.

2. That the hearings will result in the CIA receiving even a larger budget than the current \$26 billion that they admit to. One of the most distressing things for me, a 25 year veteran of this business, to listen to was when Congresswoman Waters said that the hearings were not about CIA officers being indicted and going to jail. "That is not going to happen," she said. Almost in the same breath she spoke of a recent case in Miami wherein a Venezuelan National Guard general was caught by Customs agents smuggling more than a ton of cocaine into the US. Despite named CIA officers being involved in the plot, as Congresswoman Waters stated, the Justice Department will not tell her anything about the case because of "secrecy laws." No wonder chairman Goss was snickering. She could not have played more neatly into CIA hands than to surrender before the battle was engaged.

For the entire existence of CIA they have gotten away with doing more damage to the American people than all our traditional enemies combined, precisely because no one was ever prosecuted. From the CIA protection of Nazi criminals from war crimes prosecution as they set up criminal organizations that preyed on America (Triangle of Death), to their lies to President Kennedy that dragged us into Bay of Pigs, to their lies to President Johnson that dragged us into the Vietnam War, to their creation of a pan Arab army of American hating, drug trafficking terrorists during the Afghan War, to the Church Commission hearings, to MK-Ultra, to the Bolivian Cocaine Coup ("The Big White Lie"), to their protection of the world's top cocaine traffickers as they laid waste to American streets (Deep cover), the CIA has acted exactly as Senator Frank Church once described them: "a runaway rogue elephant...completely unresponsive to Congress...they (the CIA) have not only been unproductive, they have been contraproductive..they have brought great shame on America."

And the dance continues.

Ever wondered why no one but sporadic small time operation hustlers ever gets caught smuggling thousands of pounds of heroin? It's entirely run by the CIA baby! Put those facts in your pipe and smoke it! The only people the ever get caught and you see in the news are the CIA's competition! **State sponsored drug running** is centuries old. It was England who forced heroin on the country of China way back when! I kid you not, look it up! The so called war on drugs was not only great a great cover, but also a funding scheme for the CIA, it also turned out to be the governments perfect pretense to continue on their agenda to create a society of people who fear their neighbors and make them more open to the concept a **big brother** government that would "protect" them. Just another perfect pretense to expand the constant onslaught on your freedoms.

Last but not least. Part of the explosion of the entire drug scene here in the US has been a well hidden secret addiction operation. I don't care who tells you otherwise, this is ABSOLUTELY true. Highly addictive drugs were purposely FLOODED into the inner cities to destroy the largely black and Latino population, the "inferior gene pools." This has been an ongoing super top secret operation no one can access other than Gamma ESI clearance. This operation has been a war of destroying the BRAINS, minds, capacity, potential and will of the minorities, to create docile dysfunctional cattle. For the most part it has been hugely successful. The constant cheap access to tons of drugs in the

"ghettos" along with a correlating massive education void, the minorities were left to destroy not only each other, but the more they used the drugs they were to sink ever deeper into mental, social, psychological and economic handicapness.

What is the number one way to get the "inferior" races of this country out of circulation? What better way than to completely blanket their neighborhoods under tons of drugs?

CIA, Heroin Still Rule Day in Afghanistan

"U.S. Army planes leave Afghanistan carrying coffins empty of bodies, but filled with drugs."

By Victor Thorn

RAWA: Since 2001 the opium cultivation increased over 4,400%. Under the US/NATO, Afghanistan became world largest opium producer, which produces 93% of world opium.

Afghanistan now supplies over 90 percent of the world's heroin, generating nearly \$200 billion in revenue. Since the U.S. invasion on Oct. 7, 2001, opium output has increased 33-fold (to over 8,250 metric tons a year).

The U.S. has been in Afghanistan for over seven years, has spent \$177 billion in that country alone, and has the most powerful and technologically advanced military on Earth. GPS tracking devices can locate any spot imaginable by simply pushing a few buttons.

Still, bumper crops keep flourishing year after year, even though heroin production is a laborious, intricate process. The poppies must be planted, grown and harvested; then after the morphine is extracted it has to be cooked, refined, packaged into bricks and transported from rural locales across national borders. To make heroin from morphine requires another 12-14 hours of laborious chemical reactions. Thousands of people are involved, yet—despite the massive resources at our disposal—heroin keeps flowing at record levels.

Common sense suggests that such prolific trade over an extended period of time is no accident, especially when the history of what has transpired in that region is considered. While the CIA ran its operations during the Vietnam War, the Golden Triangle supplied the world with most of its heroin. After that war ended in 1975, an intriguing event took place in 1979 when Zbigniew Brzezinski covertly manipulated the Soviet Union into invading Afghanistan. Behind the scenes, the CIA, along with Pakistan's ISI, were secretly funding Afghanistan's mujahideen to fight their Russian foes. Prior to this war, opium production in Afghanistan was minimal. But according to historian Alfred McCoy, an expert on the subject, a shift in focus took place. "Within two years of the onslaught of the CIA operation in Afghanistan, the Pakistan-Afghanistan borderlands became the world's top heroin producer."

Soon, as Professor Michel Chossudovsky notes, "CIA assets again controlled the heroin trade. As the mujahideen guerrillas seized territory inside Afghanistan, they ordered peasants to plant poppies as a revolutionary tax. Across the border in Pakistan, Afghan leaders and local syndicates under the protection of Pakistan intelligence operated hundreds of heroin laboratories."

Eventually, the Soviet Union was defeated (their version of Vietnam), and ultimately lost the Cold War. The aftermath, however, proved to be an entirely new can of worms. During his research, McCoy discovered that "the CIA supported various Afghan drug lords, for instance Gulbuddin Hekmatyar. The CIA did not handle heroin, but it did provide its drug lord allies with transport, arms, and political protection."

By 1994, a new force emerged in the region—the Taliban—that took over the drug trade. Chossudovsky again discovered that “the Americans had secretly, and through the Pakistanis [specifically the ISI], supported the Taliban’s assumption of power.”

These strange bedfellows endured a rocky relationship until July 2000 when Taliban leaders banned the planting of poppies. This alarming development, along with other disagreements over proposed oil pipelines through Eurasia, posed a serious problem for power centers in the West. Without heroin money at their disposal, billions of dollars could not be funneled into various CIA black budget projects. Already sensing trouble in this volatile region, 18 influential neo-cons signed a letter in 1998 which became a blueprint for war—the infamous Project for a New American Century (PNAC).

Fifteen days after 9-11, CIA Director George Tenet sent his top-secret Special Operations Group (SOG) into Afghanistan. One of the biggest revelations in Tenet’s book, *At the Center of the Storm*, was that CIA forces directed the Afghanistan invasion, not the Pentagon.

In the Jan. 26, 2003, issue of *Time* magazine, Douglas Waller describes Donald Rumsfeld’s reaction to this development. “When aides told Rumsfeld that his Army Green Beret A-Teams couldn’t go into Afghanistan until the CIA contingent had lain the groundwork with local warlords, he erupted, ‘I have all these guys under arms, and we’ve got to wait like little birds in a nest for the CIA to let us go in?’”

ARMITAGE A MAJOR PLAYER

But the real operator in Afghanistan was Richard Armitage, a man whose legend includes being the biggest heroin trafficker in Cambodia and Laos during the Vietnam War; director of the State Department’s Foreign Narcotics Control Office (a front for CIA drug dealing); head of the Far East Company (used to funnel drug money out of the Golden Triangle); a close liaison with Oliver North during the Iran-Contra cocaine-for-guns scandal; a primary Pentagon official in the terror and covert ops field under George Bush the Elder; one of the original signatories of the infamous PNAC document; and the man who helped CIA Director William Casey run weapons to the mujahideen during their war against the Soviet Union. Armitage was also stationed in Iran during the mid-1970s right before Ayatollah Ruhollah Khomeini overthrew the shah. Armitage may well be the greatest covert operator in U.S. history.

On Sept. 10, 2001, Armitage met with the UK’s national security advisor, Sir David Manning. Was Armitage “passing on specific intelligence information about the impending terrorist attacks”? The scenario is plausible because one day later—on 9-11—Dick Cheney directly called for Armitage’s presence down in his bunker. Immediately after WTC 2 was struck, Armitage told BBC Radio, “I was told to go to the operations center [where] I spent the rest of the day in the ops center with the vice president.”

These two share a long history together. Not only was Armitage employed by Cheney’s former company Halliburton (via Brown & Root), he was also a deputy when Cheney was secretary of defense under Bush the Elder. More importantly, Cheney and Armitage had joint business and consulting interests in the Central Asian pipeline which had been contracted by Unocal. The only problem standing between them and the Caspian Sea’s vast energy reserves was the Taliban.

Since the 1980s, Armitage amassed a huge roster of allies in Pakistan’s ISI. He was also one of the “Vulcans”—along with Condi Rice, Paul Wolfowitz, Richard Perle, and Rabbi Dov Zakheim—who coordinated Bush’s geo-strategic foreign policy initiatives. Then, after 9-11, he negotiated with the Pakistanis prior to our invasion of Afghanistan, while also becoming Bush’s deputy secretary of state stationed in Afghanistan.

Our “enemy,” or course, was the Taliban “terrorists.” But George Tenet, Colin Powell, Porter Goss, and Armitage had developed a close relationship with Pakistan’s military head of the ISI—General Mahmoud Ahmad—who was cited in a Sept. 2001 FBI report as “supporting and financing the alleged 9-11 terrorists, as well as having links to al Qaeda and the Taliban.”

The line between friend and foe gets even murkier. Afghan President Hamid Karzai not only collaborated with the Taliban, but he was also on Unocal's payroll in the mid-1990s. He is also described by Saudi Arabia's Al-Watan newspaper as being "a Central Intelligence Agency covert operator since the 1980s that collaborated with the CIA in funding U.S. aid to the Taliban."

Capturing a new, abundant source for heroin was an integral part of the U.S. "war on terror." Hamid Karzai is a puppet ruler of the CIA; Afghanistan is a full-fledged narco-state; and the poppies that flourish there have yet to be eradicated, as was proven in 2003 when the Bush administration refused to destroy the crops, despite having the chance to do so. Major drug dealers are rarely arrested, smugglers enjoy carte blanche immunity, and Nushin Arbabzadah, writing for The Guardian, theorized that "U.S. Army planes leave Afghanistan carrying coffins empty of bodies, but filled with drugs." Is that why the military protested so vehemently when reporters tried to photograph returning caskets?

I spent many years in the inner cities researching this operation, I cannot even begin to describe the rivers of hidden tears and pain I had to endure throughout my work in the "ghetto". The children and the children's children suffered the most, their parents unable to function at full capacities, immersed in a local society riddled with drugs and hallucinogens, poverty at all sides, dysfunctional families, no real education, schools that resemble zoos, millions upon millions of minorities in many cities unable to participate fully in social and democratic processes of society at large for they sadly don't even possess a clue. Those living in the "ghetto" by and large suffer the single most incredible case of being socially, environmentally, educationally, economically HANDICAPED I have ever witnessed in my entire life.

[CIA Contributes To The Creation of the Crack Epidemic - Video](#)

[Fake & Corrupt US War on Drugs - Video](#)

[CIA Drug Ops documentary – Video, \(sorry vanished from Youtube\)](#)

Sure ignore all the videos above, ignore all the evidence that has surfaced over the years. I am just a space cadet with a great imagination... right? YOU WISH! Even I wish that were so, for then everything I have revealed would all be a figment of my imagination and the reality would be just like Alice In Wonderland and I could go back to "La La Land". Sorry but the artificial reality that has been BEAMED and forever ETCHED into your mind throughout the years is very sad to behold.

How The "War On Drugs" Brought Communism To America

Alan and Stephne Roos of Bothell, Washington are victims of Communism. The couple -- a butcher and dental assistant, respectively -- lost their automobiles to the officially sanctioned form of theft called "asset forfeiture" because their 24-year-old son Thomas has used them to conduct drug transactions.

Neither Alan nor Stephne has been charged with a crime of any kind. Under the Communist premises of the "War on Drugs," it isn't necessary to be convicted of a crime in order to lose one's property, since the State is empowered to seize anything its agents wish to steal, at any time they wish to

do so, as long as some "drug nexus" can be established to justify the theft.

The theory and practice of Communism are based on the denial of private property, and the administration of "justice" under Communism is collectivist in nature. It is not necessary to prove the guilt or innocence of an

individual accused of a crime against socialism, explained Lenin shortly after the Bolsheviks seized power in 1917: **it is sufficient to demonstrate that the accused belongs to a collective regarded as an enemy of the State.**

Once this is understood, it becomes clear that Communism came to America -- in principle, if only intermittently in practice -- in 1970 with the passage of the Comprehensive Drug Abuse Prevention and Control Act. That measure nullified the right of private property by permitting law enforcement to steal (or "forfeit") money and physical assets believed to be involved in, or the proceeds of, narcotics trafficking.

The very term "forfeiture" carries a connotation that property rights are contingent and can be revoked when those acting on behalf of the State choose to do so. Under the Anglo-Saxon tradition of liberty under law, property can be taken only following due process of law; this would require a criminal proceeding in which the accused are presumed innocent until proven guilty of a specific offense and convicted by a jury of their peers. None of this is true where "asset forfeiture" is concerned.

Under the first Bush administration, which was led by a former CIA Director (every individual holding that post is also the Kingpin-in-Chief ex officio of the global narcotics trade), a model anti-drug statute was created in Washington, D.C. and sent out to various state legislatures. The seizure and forfeiture provision in Washington State's version of the Uniform Controlled Substances Act is typical of laws governing the practice throughout the country, and the same is true of the forfeiture mechanism created by that statute. The experience endured by Alan and Stephne Roos could happen to anyone living in the USSA.

Thomas Roos, who had already served six months in jail on drug-related charges, was pulled over repeatedly in 2005 by police who found evidence of illegal drug transactions. In August of that year the local counter-narcotics soviet, called the Snohomish Regional Drug Task Force (SRDTF), "forfeited" the family's late-model Nissan. Following another arrest, the SRDTF stole the second vehicle, a refurbished 1970 Chevy Chevelle "muscle car."

Alan and Stephne insist that they didn't know that their son was using the cars to conduct drug transactions, and that they were furious with him for doing so. They explained as much to the "designated hearing officer" for the County Sheriff's Department, who ruled that a "preponderance of evidence" existed that the cars had been used for drug trafficking.

Once that decision was made -- not by a jury, or a judge, but by an official of a Sheriff's Department that stood to profit from the seizure -- Alan and Stephne were informed that they had the burden to prove that they weren't aware of Thomas' activities in order to receive the "benefit" of the "innocent owner exception."

In other words:

Once the police stole Alan and Stephne's cars, **what had been a right was transmuted into a contingent, government-granted "benefit."** The Washington State statute specifies that "no property right exists" in assets that are stolen by the government in this fashion. And in order to qualify for the exception, Alan and Stephne, like all others in such a predicament, were required to prove their innocence -- not regarding a criminal act, mind you, but regarding what the state Court of Appeals called their "mental state."

Not surprisingly, given that (once again) the hearing officer worked for the department that had already stolen the cars, and had every reason to justify that theft, ruled against Alan and Stephne, insisting (in the words of the state Court of Appeals) "substantial evidence supported a finding that Alan and Stephne knew or should have known that Thomas was using the vehicles to acquire possession of drugs."

In upholding the theft of Alan and Stephne's property, the Court of Appeals pontificated that the "innocent owner exception" in an asset forfeiture applies only when "the claimant is able to demonstrate that the illegal activity for which the vehicles was used was undertaken without the claimant's knowledge or consent."

Add the "War on Terror" to that roster for the totalitarian trifecta.

If Alan and Stephne knew about, or consented to, Thomas' use of their cars to deal drugs, why weren't they charged as either co-conspirators or accessories, before their property was seized by the State?

But comrade, that's how the justice system works in bourgeois countries still groaning beneath retrograde, delusional concepts such as the sanctity of private property and the rights of the accused. The belief in Due Process of Law was the opiate of the masses, and eliminating that opiate was the central -- albeit unspoken -- objective in the Grand And Glorious War On Drugs.

"Operation Drug the Ghettos" worked wonders for the ruling elite in not only segregating the minorities but also clearly oppressing their entire peoples, herding them and enclosing their regions and surrounding them into an inferior environment leading to greatly diminished quality of life.

Never would the majority of these poor peasants be allowed to have a level playing field, flourish to acquire knowledge, to rise above their habitats to one day be able to confront their oppressors, their rulers, their masters. For **there must only exist two classes in society: the rich/famous ruling class and the peasant worker servant sheeple who admire, hold in high esteem and gaze upon the rich and famous with awe** "oh if I work hard enough maybe one day I too can be one of them..."

Behold: the middle class will soon be no more, welcome to the land of poverty, desperation, constant struggle to make ends meet, hopelessness, were you will find yourself powerless to fight back, let alone get out... I hath spoken.

I would love to be able to tell you that everything is hunky dory and that the Tooth Fairy is real, but the reality is that secret elite Zionist/Masonic rulers have been running our government and then created the BEASTS we all know as the CIA/Mossad/Mi6. **These** (the three) organizations are not the Peace Corps, on the contrary. The sole purpose of existence of the CIA and Mossad is to cause unheard of damage, pure unadulterated harm, to destroy people, places, things, even nations. To infiltrate and miss-lead their targets. Miss-information, disinformation, lies, deceit, murder, assassinations, bombings. Drugging a population. That's "fun" for them, it's also their pupose of existence. Imprisoning millions of minorities and turning them literally into free labor slaves working the fields for pennies a day,

is pure bliss in their demented worlds. Every year hundreds of thousands of new victims are removed from good standing in society and relocated in “the system” to the status of sub human filth, marked and labled for life a criminal.

So there you have it, our prison industrial matrix is nothing more than our modern day Gulags. While we have a bogus war on drugs that help keep those gulags full, here is your multibillion dollar for profit industry hard at work literally enslaving an entire segment of mankind.

“None are more hopelessly enslaved than those who falsely believe they are free”

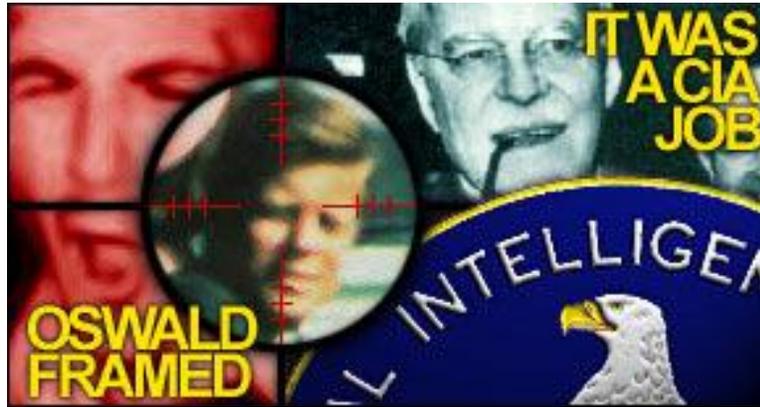

“he who has an ear, let him hear, he who has eyes, let him see”

..:EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

For it is written: *“the truth shall set you free”*

“By their fruits ye shall know them.”

THE COUP D' E'TAT OF THE MILLENNIUM

THE SECRETS BEHIND THE MASSIVE COVERUPS FINALLY UNVEILED!

"CIA killed President Kennedy" – Jim Garrison

"The high office of President has been used to foment a plot to destroy the American's freedom, and before I leave office I must inform the citizen of his plight." - John F. Kennedy, at Columbia University, 10 days before his EXECUTION...

According to the official narrative that is essentially a fairytale of monolithic proportions, a lone nut case was able to hit a moving target with 3 shots fired so fast and so accurately **NO PROFESSIONAL SHARP SHOOTER IN HISTORY HAS BEEN ABLE TO DUPLICATE THIS MIRACULOUS FEAT**. Establishing beyond a shadow of a doubt that yes there exists a conspiracy theory: it is the preposterous fairytale issued, widely promoted and supported by the establishment. This "lone gunman" was so powerful that he even somehow managed to get the CIA and our government to cover-up his tracks and the entire investigation, destroy evidence and silence witnesses for decades on end! The bullets in his guns possessed magical powers, for they were able to hit multiple targets and bounce off the bones in their bodies then exist in totally pristine condition! Again, something that has NEVER been duplicated anywhere in the real world even with the most sophisticated science. Oswald was a true magician, his bullets fired from one direction would pull the target in in a different direction upon impact, again, something that NEVER has been duplicated in all of known physics and history, even by the most world renown experts can't reproduce this effect. Wow, the raw power that Mr. Fruit Cake Oswald the magician possessed....

"The very word 'secrecy' is repugnant in a free and open society; and we are as people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in insuring the survival of our nation if our traditions to not survive with it. And

there is very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment. That I do not intend to permit to the extent that it's in my control. And no official of my Administration, whether his rank is high or low, civilian or military, should interpret my words here tonight as an excuse to censor the news, to stifle dissent, to cover up our mistakes or to withhold from the press and the public that the facts they deserve to know."

"For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence – on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations. Its preparations are concealed, not published. Its mistakes are buried, not headlined. Its dissenters are silenced, not praised. No expenditure is questioned, no rumor is printed, no secret is revealed." - JFK

A pivotal high point of the 20TH century illuminati Zionist-Freemasons was **Killing of the King** rite enacted on November 22, 1963 where the only christian **president, the King of the West was RITUALLY SLAIN** – President John F. Kennedy. The use of black magic acted out in the world stage is all around us, an open psychic warfare. **The purpose of killing the Kennedys and M.L.King (who was ushering in an era of peace and unity) was a black magick capstone for the control of the dreaming mind of the West, killing the highest aspect of the American group SOUL to pull it into a sort of prison hell destroying idealism, innocence, moral excellence.** Changing the American Dream, ushering in a new era... of the nightmare of Vietnam, countless invasions and occupations, black and minority impoverishment, decadence, gangs, ghetto hell, drugs, immorality....

From that days of those executions forward our nation lost its innocence. If you sit down and carefully look back, **November 22, of 1962 was THE turning point.** It marked the end of the world of Mayberry, Ozzie & Harriet, I love Lucy, Andy Griffith Show, Father Knows Best... that world is long gone. The **assassinations of the 1960s ushered in the new age of immorality, turmoil and chaos.** Today we are fed a steady diet of verifiably morally insane and decadent rampant shows such as Jerry Springer, Flavor of Love, Jack Ass, to name just a few. It is so truly sad when you look back at what was and what is.

The Sixties was the age of the Luciferian seizure of physical dominion over this country....

The national SOUL of this nation was literally SEIZED and POSSED BY EVIL DEMONS with the sixties sacrificial (the executions) offerings on the national scale.... To he who has an ear, let him hear, to he who has eyes let him see...

From the sixties occult sacrificial executions forward the results of the satanic dominion began to appear throughout the landscape... All of America's fabled history was dramatically altered from THAT time forward. You do not need to be a rocket scientist to figure this out either. Just objectively study history in the light of what is being revealed to you here and now. All one needs to do is **fight the all-encompassing hypnotic programming of the worldwide media cartel** and use your powers of critical thinking and rational common sense to see the obvious TRUTH behind the myriad, innumerable lies that have permeated and been fed to you throughout your entire life.

Let there be absolutely NO doubting that the myriad of upheaval followed by massive immorality/decadence onslaughts that occurred in the aftermath of the Kennedys/King executions was no coincidence, but instead **the major indicator displaying the pivotal turning point in history.** When **the nation was robbed of its innocence** it was then immediately thereafter drowned in an avalanche of drugs that this country had never seen in its lifetime. LSD, heroin, pot where the three main drugs to literally **FLOOD the streets overnight.** To the untrained eye, it seems as mere coincidence... but no... it was calculated and premeditated aftermath that was destined to follow the POLITICAL COUP D'ETAT of the millennium... This was/is a direct testament to Satan's rule... and he was now firmly seated in control of this nation through his Zionist agents that enabled his coup.

BEHOLD: For I reveal to thee that this once God centered/loving/fearing nation that was destined to lead the world to salvation was and has been subjugated and seized by the agents of darkness... Today this nation is only a mere false shadow of its original self. Possessed by evil demons who rule it from within by its foreign agents... To he who has an ear, let him hear, to he who who has eyes, let him see....

“The professional, triangulated fire that executed the President of the United States is not the most shocking issue: **The high- level coordination that organized the widespread coverup is manifest evidence of the incredible power of a "hidden government" behind the scenes.**”

The hidden masters of mankind performed the **ECONOMIC COUP D’ETAT** in 1913, the satanic ritual murder of the “king of the west”.... Of God’s providential land... in 1963 was the corresponding **POLITICAL COUP D’ETAT** that sowed up virtual complete iron fist control of this providential nation... thus blocking its originally predestined role in providential history as the becon of light to the rest of the world.... Digest these words well and carefully, for he who has an ear will hear....

After the **execution** of the pivitol leaders of freedom in the sixties, **the reigns of power in America were seized and it was literally taken captive, held hostage and converted to a decadent blasphemous satanic zombie state.** The conversion was swift, the entire transformation was initiated with the execution of the leader of the “free world”, **God’s chosen nation** that was to light the way for the entire world...

Immediately following the coup we entered America’s dark age of chaos and upheaval bringing about the rebelling youth (the 60s rebellions, peace, then hippy movements that where feuled by (CIA sponsored) drugs, sex and rock and roll). The nation morphed by the new sinister evil ruling apparatus that now **possessed the nation like an evil spirit**, the flood gates of drugs burst, drowning first the ghettos then progressing from there. Along with the great delusion was the introduction of highly satanic lyricentric “wonderful new melodies”: rock and roll was instrumental in ushering in the new age of decadence and immorality. America was officially for all intents and purposes, had been catapulted into the ABYSS, overtaken and **possessed by the evil spirit of Lucifer and his agents** who diligently pressed forward with his agendas of corruption, immorality, decadence, deception, oppression and enslavement of mankind here on earth. To he who has an ear, let him hear, he who has eyes, let him see...

Thus has been the complete turnaround of an entire nation.... Transforming itself into what we see and have today.... **The rulers of this era continue to maintain the illusion of the now “myth” of a long defunct wonderful God centered nation of liberty and justice.** (those days are long gone) we all know deep in our hearts that today this is nothing more than hollow hyperbole mythology that we are all indoctrinated into believing.

This myth becomes “real” and relevant somewhere within our minds and hearts when we receive our official institutionalized education from “the system” aka Lucifer’s system, the matrix, where we all adopt his value system, social system, his thought system and so forth. Hence the masses go through the motions as if all is just hunky doory. “Hey lets go watch that hot concert tonight!” – “Oh, hold on! American Idol/Jerry Springer/Dancing With the Stars/etc. is on tonight! I gots ta watch!” Life is good, life is sweet.... Yes... for as the scriptures state “you are all of your father the devil”... continue to live in your illusion dream worlds if that is your desire... or choose to awake and come to the light... I have spoken with the power vested in me, and so it is... to he who has an ear, let him hear, to he who has eyes, let him see...

JFK and the Unspeakable

Oliver Stone, Award-winning filmmaker, As quoted from an interview about the the book “JFK and the Unspeakable”

“The murder of President Kennedy was a seminal event for me and for millions of Americans. It changed the course of history. It was a crushing blow to our country and to millions of people around the world. It put an abrupt end to a period of a misunderstood idealism, akin to the spirit of 1989 when the Soviet bloc to began to thaw and 2008, when our new American President was fairly elected.

Today, more than 45 years later, profound doubts persist about how President Kennedy was killed and why. My film JFK was a metaphor for all those doubts, suspicions and unanswered questions. Now an extraordinary new book offers the best account I have read of this tragedy and its significance. That book is James Douglass's JFK and the Unspeakable: Why He Died and Why It Matters. It is a book that deserves the attention of all Americans; it is one of those rare books that, by helping us understand our history, has the power to change it.

The subtitle sums up Douglass's purpose: Why He Died and Why it Matters. In his beautifully written and exhaustively researched treatment, Douglass lays out the "motive" for Kennedy's assassination. Simply, he traces a process of steady conversion by Kennedy from his origins as a traditional Cold Warrior to his determination to pull the world back from the edge of destruction.

Many of these steps are well known, such as Kennedy's disillusionment with the CIA after the disastrous Bay of Pigs Invasion, and his refusal to follow the reckless recommendations of the Joint Chiefs of Staff in resolving the Cuban Missile Crisis. (This in itself was truly JFK's shining moment in the sun. It is likely that any other president from LBJ on would have followed the path to a general nuclear war.) Then there was the Test Ban Treaty and JFK's remarkable American University Speech where he spoke with empathy and compassion about the Soviet people, recognizing our common humanity, the fact that we all "inhabit this small planet. We all breathe the same air. We all cherish our children's futures. And we are all mortal."

But many of his steps remain unfamiliar: Kennedy's back-channel dialogue with Khrushchev and their shared pursuit of common ground; his secret opening to dialogue with Fidel Castro (ongoing the very week of his assassination); and his determination to pull out of Vietnam after his probable re-election in 1964.

All of these steps caused him to be regarded as a virtual traitor by elements of the military-intelligence community. These were the forces that planned and carried out his assassination. Kennedy himself said, in 1962, after he read Seven Days in May, which is about a military coup in the United States, that if he had another Bay of Pigs, the same thing could happen to him. Well, he did have another "Bay of Pigs"; he had several. And I think Kennedy prophesied his own death with those words.

Why does it matter? **The death of JFK remains a critical turning point in our history.** Those who caused his death were targeting not just a man but a vision -- a vision of peace. There is no calculating the consequences of his death for this country and for the world. Those consequences endure. To a large extent, the fate of our country and the future of the planet continue to be controlled by the shadowy forces of what Douglass calls "the Unspeakable." Only by unmasking these forces and confronting the truth about our history can we restore the promise of democracy and lay claim to Kennedy's vision of peace.

But don't take my word for it. Read this extraordinary book and reach your own conclusions."

The fact of history remains: **JFK's main efforts and focus during his presidency was trying to secure PEACE** with America's enemies, yes, including Russia. He is quoted dozens upon dozens of times imploring for peace (here is just one of those quotes: *"let us call a truce to terror, let us invoke the blessings of PEACE, and as we build an international capacity to keep peace, let us join in dismantling the national capacity to wage war"*). But to the innate powers that be, and the military industrial complex that were firmly entrenched prior to his taking office would have NOTHING TO DO WITH PEACE. For this group, talks of peace was pure blasphemy. His predecessor President Eisenhower, in a famous speech prior to leaving office, also warned of the military industrial complex. Not to mention President Harry Truman's worst fears that the CIA might degenerate into an "American Gestapo."

So it was, that the elite rulers, the "powers that be" were hell bent on escalating the cold war and itching to start wars, so much so that in 1962 they presented Kennedy with the infamous OPERATION NORTHWOODS plans to conduct terrorist false flag ops within the U.S. and elsewhere then blame them on Cuba in order to create public support for a war against those nations. He rejected it flat out but later succumbed and approved Operation Mongoose (also known

as the Cuban Project it was a secret program of propaganda, psychological warfare and sabotage against Cuba), he then quoted as saying

“Something very bad is going on within the CIA and I want to know what it is. I want to shred the CIA into a thousand pieces and scatter them to the four winds.”

Note that the essence of Operation Northwoods was a plan to **setup FALSE FLAG operation to falsely accuse the target nation of an attack so we could then justify going to war against them**. Isn't it quite interesting that immediately after JFK was wacked that America was suckered into the Vietnam war by none other than make believe FALSE FLAG (Gulf of Tonkin incident) operation? Just like we got involved in WWI by the DELIBERATE sinking of the RMS Lusitania. Unlike Kennedy, Johnson had no moral problem in accepting and utilizing the staged LIE of an attack on the U.S. destroyer USS Maddox as a pretext to entering the Vietnam war in spades.

Kennedy was not down with the program so to speak. Upon seeing the criminally insane twisted false flag proposals of Operation Mongoose and Operation Northwoods, Kennedy KNEW he had to “shred the CIA into a thousand pieces.” He was stubbornly refusing to get our country involved in any wars and instead was going against all his advisors and seeking back channel PEACE initiatives. He was completely against the war in Vietnam and planned to withdraw as soon as possible.

With this crucial information fresh in your mind understand this: The CIA and military industrial complex tried their best to get Kennedy to approve on staged false flag operations... Kennedy was executed on November 22, 1963 and **just a few short months later they engineered the GOLF OF TONKIN FALSE FLAG OPERATION and proceeded to thrust our nation into war, firmly entrenched in the Vietnam war for the next 10 years.**

So there you have it, in a nutshell, one of the secondary motives of JFK's killers. Kennedy's main sin was that he was a do-gooder president and **wanted to turn “swords into plowshares”** thus crippling the trillion dollar juggernaut death industry (the military). But that is not the end of the entire story. For you must never forget the REAL decision makers are the men behind the curtains, the monolithic monetary masters who finance the wars and have to keep on **schedule in subjugating all parts of the globe** in their quest to fulfill the commandment that “GOD” ordained and promised them of one day RULING THE WORLD, yes, I again, speak of your friendly neighborhood Zionist Jews who, from his perch as the leader of the of the free world, president of the United States of America, **he KNEW WHO THE FINANCIERS AND INSTIGATORS OF WAR WERE:**

“ Ladies and Gentlemen ” Without World Zionism there could be universal peace not war, no bankrupting militarism, full employment without wage taxation, no hunger, no poverty, no inflation, no depressions or financial crises, no public debt and little private debt, and the burden of taxation on excess income and wealth. ” Confident that with your help man will be what he was born to be: Free and Independent .” – J.F. Kennedy

The straw that broke the proverbial camel's back was when Kennedy crossed the UNFORGIVABLE line. He vowed to end the FED (Federal Reserve Bank). **On June 4, 1963 Kennedy signed Executive Order No. 11110 that returned to the U.S. government the power to issue currency**, without going through the Federal Reserve. Mr. Kennedy's order gave the Treasury the power “to issue silver certificates against any silver bullion, silver, or standard silver dollars in the Treasury.” This meant that for every ounce of silver in the U.S. Treasury's vault, the government could introduce new money into circulation. In all, Kennedy brought nearly \$4.3 billion in U.S. notes into circulation. The ramifications of this bill are enormous. With the stroke of a pen, Mr. Kennedy was **on his way to putting the Federal Reserve Bank of New York out of business**. Thus began the process of abolishing the FED. He then began to BYPASS the FED and issued DEBT FREE CURRENCY in circulating SILVER CERTIFICATES these were his first steps to eliminating the monetary masters.

In addition of taking steps to issue debt free currency and eliminate the Federal Reserve Bank system, Kennedy fired Allen W. Dulles and vowed to break the corrupt CIA “into 1,000 pieces”. He also sent the FBI and local law agencies

to close down the agency's training camps in Florida (Jupiter Island) and Louisiana. The following National Security Action Memorandums were filed for implementing the necessary changes in protocol: NSAM No. 55-57, June 28, 1961.

The banksters were FURIOUS and knew that their private money printing monopoly known to us as the FED would soon be over if they did not put a stop to him. He was executed shortly after his speech were he promised to expose “**the Gnomes of Zurich**,” aka, the ultra-secretive and powerful Zionist illuminati who control FEDzilla, World Bank and IMF. **These banksters sanctioned the hit on Kennedy**, it wasn't too difficult in convincing their CIA blood brothers to participate/assist/cover-up the hit for they were more than happy to oblige due to the fact that it was in their mutual best interests for Kennedy to be executed.

Once in office, among some of President Johnson's (whom secretly despised Kennedy thus was eager to oblige his new masters in their endeavors of getting through those “difficult times”) **FIRST acts as president were none other than to quickly rescind Kennedy's Executive Order No. 11110** and discontinue issuing silver certificate money, unlike Kennedy he gladly bowed to the military industrial complex's wishes and lunged our country into the blood bath we know of today as Vietnam.

The Zionist banksters and their military death industry bretheren were now as happy as pigs in shit. Emboldened more than ever before as they realized that they could literally get away with MURDER in broad daylight, while their media baron blood brothers glossed over and obfuscated the events, for good measure they also blew away his meddling brother, from that day forward the Zionist agenda hit full speed ahead. Political insiders who had a clue as to what really happened kept their mouths shut in fear that they would be next, from that day forward, Washington FEARED the raw power of the Zionists and their above the law hit squads in the CIA/Mossad and secret agencies around the world.

The main reason I am at many times so pessimistic about the ability of the truth movement to have any significant impact in exposing 9/11 and the course of destruction of the Zionist/Masonic new world order, is the JFK assassination. Decades have long past and their masterpiece assassination is still kept tightly under wraps no matter who takes public office. Not a single soul DARES open the case. This, folks clearly demonstrates the sheer power these elite rulers wield over Washington.

UNITED STATES GOVERNMENT
Memorandum

CONFIDENTIAL

TO : Mr. James J. Rowley
Chief, U.S. Secret Service

FROM : Mr. John McCone
Director, Central Intelligence Agency

DATE: March 3, 1964

CO-2-34,030

SUBJECT: Central Intelligence Report on the Assassination of John Kennedy

In response to the request made by your office on 24 February 1964, re: Lee Oswald's activities and assignments on behalf of this agency and Federal Bureau of Investigation, there follows a narrative summary of the internal subversive activities of the Oswald subject.

I recommend that unless the Commission makes a specific request for specific information contained herein, that this information not be volunteered. This agency has reason to assume that some junior Commission staff members may be potential sources of leaks to the news media or to other agencies; due to the highly sensitive nature of the enclosed material, it would certainly be in the national interest to withhold it at this time - unless there is, of course, a specific request made.

It is my understanding that Mr. Hoover has certain sensitive information within his agency, which has been transferred to his own personal files for safekeeping; he concurs that no material should be voluntarily given to the Commission which might affect the status of field operatives or their safety. He is particularly concerned about the De Bruay memorandum, which Central Intelligence has obtained and which, I understand, you have obtained. It is imperative that this information, at least for the time, remain under wraps.

Oswald subject was trained by this agency, under cover of the Office of Naval Intelligence, for Soviet assignments. During preliminary training, in 1957, subject was active in aerial reconnaissance of mainland China and maintained a security clearance up to the "confidential" level. His military records during this period are open to your agency and I have directed they be forwarded to the Commission.

Subject received additional indoctrination at our own Camp Peary site from September 8 to October 17, 1958, and participated in a few relatively minor assignments until arrangements were made for his entry into the Soviet Union in September 1959. While in the Soviet Union, he was on special assignment in the area of Minsk. It would not be advantageous at this time to divulge the specifics of that assignment; however, if you wish this information, it can

Whats more, a fascinating declassified document (pictured above) finally emerged that admits the closely guarded secret that Oswald was a CIA asset under the cover of the Office of Naval Intelligence. Hello! Is anyone home?

I will not even try to get into any depth on this topic for others have done masterful jobs in revealing who the perpetrators were. This assassination HAS BEEN SOLVED! **The ruling elite Zionists planned it, elements within the CIA were involved in it, then covered it up.** Period. The assassination of a sitting president, in broad day light was perhaps **history's most daring, well conceived and executed coup d'état ever.**

They got a few Jewish mafia men involved in the distraction plot (contacts from their “get Castro” Operation Mongoose and Bay of Pigs gig), basically to provide false leads and send wanabe investigators up the wrong alley, CIA killed some of them also, those who got too close or might become liabilities, for dead men tell no tales. Dozens of people connected to the assassination were killed off, including key witnesses. 45 years later and the CIA is still refusing to cooperate with any info at all regarding the JFK assassination, even when faced with multitudes of lawsuits. Like my mother used to say: “show me who is hiding everything and I will show you who the culprit is.”

Many highly respected researchers have come to the same conclusion regarding the execution of JFK: Afer studying all the information available, many of the worlds top investigators agree that the CIA was complicit. The newest most intriguing revelation stating the CIA conducted the JFK execution was the **deathbed confession of CIA operative Howard Hunt.** Folks, you can't find a better witness than someone that was involved up to his neck in the operation!

Final Judgment: The Missing Link in the JFK Assassination Conspiracy

by Michael Collins Piper

The Last Word on the JFK Assassination, November 28, 2002 **Reviewer: Mark Braver from Chicago, Illinois**

There seems to be a lot of misperception of what Final Judgment does and does not say about the JFK assassination. The book does not say that “the Jews killed JFK.” That’s horse manure.

What the book does say is that: When New Orleans District Attorney Jim Garrison charged businessman Clay Shaw with participation in the JFK assassination conspiracy **Garrison stumbled upon the Israeli Mossad connection to the murder of President Kennedy.** Shaw served on the board of a shadowy corporation known as Permindex. A primary shareholder in Permindex was the Banque De Credit International of Geneva, founded by Tibor Rosenbaum, an arms procurer and financier for the Mossad.

[John Coleman, ex MI6 agent writes in his book The Conspirators Hierarchy -- The Committee of 300:

Yet the Assassination Bureau is absolutely real. It exists in Europe and the United States solely to do the bidding of the Committee of 300 to carry-out high-level assassinations where all other remedies have failed. It was PERMINDEX which ran the Kennedy-assassination under the direction of Sir William Stephenson, for years the Queen of England's number one "pest-control" operative.

Clay Shaw, a contract-agent of the CIA, ran PERMINDEX out of the Trade Mart Center in New Orleans. Former New Orleans District Attorney Jim Garrison came very close to cracking the Kennedy assassination-plot up to the level of Clay Shaw until Garrison was "dealt with" and Shaw was found not guilty of involvement in the Kennedy assassination-plot. The fact that Shaw was eliminated in the manner of Jack Ruby, another CIA contract agent--both died of induced quick-acting cancer--speaks volumes that Garrison was on the right track. (Jack Ruby died of cancer in prison, in January 1967)]

What's more, the Mossad-sponsored Swiss bank was the chief "money laundry" for Meyer Lansky, the head of the international crime syndicate and an Israeli loyalist whose operations meshed closely on many fronts with the American CIA.

The Don of Dons and fanatical Israel loyalist, Meyer Lansky, in Jerusalem. What people don't get is that the Jewish Mob was always bigger and smarter than the Italians. So much so, that they've succeeded to the point of controlling entire nations. Like ours.

Zionists Louis M. Bloomfield and his brother Bernard (behind shoulder) meet the "Father of Israel," David Ben-Gurion (right) in 1949. He was associated with Canada's mega-rich Bronfman family, who controlled the Jewish Congress for decades and ran global Holocaust™ shakedowns. They are also linked to John McCain ([read more here](#)). [INCOG]

The chairman of Permindex was Louis M. Bloomfield of Montreal, a key figure in the Israeli lobby and an operative of the Bronfman family of Canada, long-time Lansky associates and among Israel's primary international patrons.

In the pages of "Final Judgment" the Israeli connection to the JFK assassination is explored in frightening—and fully documented—detail. For example, did you know:

- That JFK was engaged in a bitter secret conflict with Israel over U.S. East policy and that Israel's prime minister resigned in disgust, saying JFK's stance threatened Israel's very survival?
- That JFK's successor, Lyndon Johnson, immediately reversed America's policy toward Israel?
- That the top Mafia figures often alleged to be behind the JFK assassination were only front men for Meyer Lansky?
- That the CIA's liaison to the Mossad, James Angleton, was a prime mover behind the cover-up of the JFK assassination?

Why didn't Oliver Stone, in his famous movie "JFK" not mention any of this? It turns out the chief financial backer of Stone's film was longtime Mossad figure, Arnon Milchan, Israel's biggest arms dealer.

The very fact that the Israeli lobby has gone through such great lengths to try to smear Michael Collins Piper and to try to discredit Final Judgment gives the book great credibility. If the book was really so silly or so unconvincing, it doesn't seem likely that groups such as the Anti-Defamation League would go out of their way to try to suppress the book as they have.

The fact is that Piper demonstrates that Israel did indeed have a very strong motive to want to get JFK out of the way and that numerous people who have been linked in other writings to the JFK conspiracy were (as Piper documents) also in the sphere of influence of Israel's Mossad. Not only Clay Shaw in New Orleans, but also James Angleton at the CIA, who was Israel's strongest advocate at the CIA and also the CIA's liaison to the Mossad. The Israeli connection is indeed "the missing link in the JFK assassination conspiracy."

The fact is that Piper's book documents (quite clearly, in my estimation) not only the means, opportunity and the motive for Israeli Mossad involvement in the assassination (working in conjunction with the CIA), but it is also quite a fascinating and very interesting read. "Boring" is the last word I'd use to describe the book.

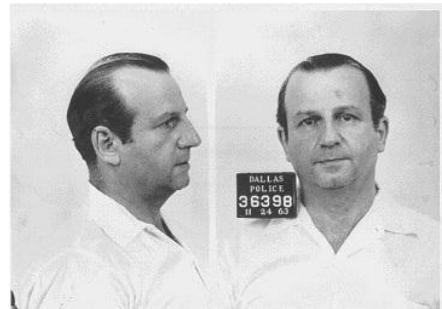

For ten years Israeli propagandists called Final Judgment author Michael Collins Piper a "liar" and an "anti-Semite" for charging that Israeli intelligence played a role in the JFK assassination conspiracy because of JFK's bitter secret conflict with Israeli Prime Minister David Ben-Gurion over Israel's efforts to build nuclear weapons of mass destruction.

Certain self-styled "JFK assassination researchers" scoffed at Piper and refused to address the thesis of his book.

However, on July 25, 2004, many of Piper's critics were red-faced and silent when Israel's respected Jerusalem Post carried a story headlined: "Vanunu: Israel behind JFK Assassination." The newspaper reported that famed Jewish-born nuclear physicist, Dr. Mordechai Vanunu, recently released after spending 18 years in prison for exposing Israel's covert atomic weapons program—had charged that supporters of Israel's drive for nuclear weapons were involved in the JFK assassination precisely because of JFK's interference with their ambitions.

Jewish mobster Jack Ruby (real name was Jacob Rubenstein) was recruited/forced by Zionist enforcers to put the bullet into Oswald who was loudly proclaiming "I was a patsy!" to silence him before he could tell his story.

The book Antichrist Conspiracy also revealed: Julia Ann Mercer saw Jack Ruby (his real name was Rubenstein), who two days later murdered Lee Harvey Oswald, drop off a man from his car who was carrying a rifle in a case near the grassy knoll at Dealey Plaza approximately one hour before the arrival of the presidential motorcade.⁸⁰² She stated that three uniformed officers standing on the overpass near the grassy knoll showed no curiosity regarding the man with the rifle.⁸⁰³ She was shown a mug shot of Ruby by the FBI after the assassination, and she identified Ruby as the person she saw at the grassy knoll.⁸⁰⁴ That suggests that Ruby had already been identified as an accomplice by the FBI when Mercer told what she knew.⁸⁰⁵ She identified Ruby as an accomplice the day before Ruby shot Oswald.⁸⁰⁶ Furthermore, the Dallas Police Department allowed Ruby access to the police basement to kill Oswald after he had been identified as an accomplice in the Kennedy assassination. Mercer informed both the FBI and the Dallas County Sheriff's Department what she saw, but the FBI and the sheriff's department later altered her statement to make it appear that Mercer could not identify Ruby. The sheriff's department went a step further and forged her signature on a phony affidavit.⁸⁰⁷ The FBI has never denied the alteration of Mercer's statement, nor have they ever explained it. Mercer was never called as a witness before the Warren Commission.

Jim Garrison was approached by John J. King, who at the time used the alias John Miller.⁸¹⁵ King (Miller) offered Garrison a federal judgeship if he would drop the investigation into Clay Shaw's involvement in the Kennedy assassination.⁸¹⁶ King made clear to Garrison that he was in a position to guarantee his immediate

appointment to the federal bench.⁸¹⁷ Apparently, King was speaking for others, because in order to become a federal judge he must be appointed by the President of the United States with the advice and consent of the Senate. Some very powerful interests were behind King's offer. Subsequent investigation revealed that King was a wealthy oilman from Denver, Colorado who was involved in lucrative Israeli oil projects.⁸¹⁸ Interestingly, one of King's business partners was Bernie Cornfield, who was the protegee and front man for Rabbi Tibor Rosenbaum.⁸¹⁹ Rosenbaum was the founder of the Bank De Credit International and the central financier behind Permindex.⁸²⁰ Permindex was a joint CIA - Mossad front which played a prominent

role in facilitating the Kennedy assassination. Clay Shaw was one of the Permindex directors.⁸²¹ The fact that King could guarantee a federal judgeship to Jim Garrison in return for dumping his investigation of Clay

Shaw gives one some idea of the powerful interests that were behind the **cover-up** of the Kennedy assassination. A November 1963 FBI teletype identified John J. King as a wealthy Dallas businessman who was a close friend to Jack Ruby.⁸²² Jack Ruby (whose real name was Jacob L. Rubenstein) was a **Jewish gangster with connections to the CIA, the FBI, the Israeli Mossad, and the Dallas Police Department**. His connections inside the Dallas Police Department allowed him access to kill Lee Harvey Oswald.

Folks, I don't make this stuff up, these are only the facts. Read [Ruby's testimony to the Warren Commission yourself](#). (link provided to Warren Commission volumes 5H208-211). I know his words can be open to interpretation but to me he cryptically speaks of a "JEWISH CONSPIRACY" and how he was forced to do what he did. He also feared that they were going to kill his family and was pleading to the Warren Commission to protect them. Here are a couple very interesting quotes from Ruby's Warren Commission testimony where he relates to the Zionist ruling elite juggernaut:

*"...**a certain organization** wouldn't have so completely formed now, **so powerfully, to use me** because **I am of the Jewish extraction, Jewish faith, to commit the most dastardly crime that has ever been committed.***

*Can you understand now in visualizing what happened, **what powers, what momentum** has been carried on to create this feeling of mass feeling against my people, **against certain people that were against them prior to their power?***

That goes over your head, doesn't it?"

*"...Unfortunately, you don't have, because it is too late. And I wish that our beloved President, Lyndon Johnson, would have delved deeper into the situation, hear me, **not to accept just circumstantial facts** about my guilt or innocence, and would have questioned to find out the truth about me **before he relinquished certain powers to these certain people.***

*"...I want to say this to you. The Jewish people are being exterminated at this moment. **Consequently, a whole new form of government is going to take over our country,** and I know I won't live to see you another time."*

-----end of testimony quotes-----

A year after his conviction, in March 1965, Ruby conducted a brief televised news conference in which he stated: "Everything pertaining to what's happening has never come to the surface. The world will never know the true facts of what occurred, my motives. **The people who had so much to gain, and had such an ulterior motive** for putting me in the position I'm in, will never let the true facts come above board to the world."

When asked by a reporter: "**Are these people in very high positions Jack?**", he responded "**Yes.**"^{[24][25]}

Not long before Ruby died, according to an article in the London *Sunday Times*, he told psychiatrist Werner Teuter, that **the assassination was "an act of overthrowing the government"** and that he knew "*who had President Kennedy killed.*" He added: "*I am doomed. I do not want to die. But I am not insane. I was framed to kill Oswald.*"^{[24][25]}

Here is the video link to part of the above transcripts: [youtube link](#).

We all know the M.O. of the Zionist Cosa Nostra ruling elite... Jack (Ruby) Rubenstein was beginning to talk too much, of course he would not live to reveal the light of day about his handlers and the truth surrounding the executions: Dallas Deputy Sheriff Al Maddox claimed:

"Ruby told me, he said, **'Well, they injected me for a cold.' He said it was cancer cells.** That's what he told me, Ruby did. I said you don't believe that bullshit. He said, 'I damn sure do!'

What a "coincidence"... He actually soon died of **lung cancer** in 1967 right before being granted a new trial.

The forensic EVIDENSE in the JFK murder is beyond denial. The volumes of eye witness testimonies is undeniable (not to mention the hundreds of witnesses that were purposely silenced and tons of evidence that was made to vanish not by Oswald, the mafia or any of the varied conspiracy theories circulated. The only people who had the power to make the evidence vanish were the CIA and high powered government operatives). The **subsequent MONUMENTAL COVERUP was unprecedented in the history of the U.S.** (until the 9/11 cover up that dwarfs all others) Films, tapes, research reports, forensics, breaking news stories, whistle blowers and participant's confessions have all uncovered and revealed the truth. The evidence is overwhelming. Yet 44 years, FORTY FOUR YEARS, have passed and not one single person has been brought to justice.

They will NEVER be brought to justice. For you must understand that it was the CIA/Mossad that executed the entire operation and very high level people in very high places were behind the coup. The murder of one of our president **hides so deep under Top Secret clearances that no evidence will EVER see the light of day,** as more and more participants die, the more the JFK murder continues its slide into the annals of mystery's such as the statues of Easter Island, Loch Ness Monster and Big Foot sightings.

Yes Kennedy had plans for peace and to abolish the CIA and the Federal Reserve, in so proclaiming to the world he was going to do this, **in publicly saying so, he inadvertently signed his own death warrant.** The day that the CIA is abolished (yeah, dream on) and "scattered to all corners of the earth" as JFK had planned to do, would be the day that you could raid their headquarters and reveal to the world the atrocities of that sinister organization.

The key of what we are trying to convey here is the fact that in the 1960s the **Zionist's/Masonic covert enforcement arm called the CIA,** consolidated power beyond comprehension. So much so that it not only could and would kill one of America's beloved presidents, then get away with it. With a sort of "in your face", "so what are you going to do about it" confidence. The reality of this situation is that the CIA has become completely **untouchable, completely above any law of any land,** they have since perfected the art of assassination and deception to such an extent that TODAY they operate with stealth and impunity at levels unimagined 4 decades ago.

Following the Kennedy assassination the complicit establishment put together the Warren **COMMISSION,** a group card carrying members of the complicit establishment, political cronies that had no expertise in the realm of investigation. Oh, golly gee whiz, they ignored all the evidence and the laws of physics, then "officially" determined that nothing was astray, everyone go home and just forget about it all. In addition Allen W. Dulles ex CIA chief was among those appointed to the Warren commission, a clear conflict of interest considering Kennedy had just fired him, let alone the fact that the CIA executed him. Some of the files from the Warren commission were withheld from the public, for "national security" reasons, of course.

The fact that the CIA was complicit in the JFK execution was so blatantly obvious that it can be likened to ignoring the elephant in a room scenario. The powers that be were inundated with cries of CIA conspiracy, so much so that they had to set up numerous committees to make believe they would investigate the CIA in order to appease the public's mounting cries of conspiracy. As you will see below EVERY committee that was established (with the exception of the Warren Commission) had a common denominator: THE CIA's COMPLICIT INVOLVEMENT IN THE JFK EXECUTION. Of course every supposed "investigation" into the CIA who operates under the impenetrable shield "can't tell you anything, it's a matter of national security" therefore trying to investigate the CIA is like investigating a phantom. Of course every so called investigation of the CIA by status quo minions naturally came off with nothing. Nothing more to see here John Doe Public, now go back to sleep... sleep.... sleep.....

1. President's Commission to Investigate the Assassination of President John F. Kennedy (Warren Commission)

The Warren Commission was the only investigative body to identify a specific individual--Lee Harvey Oswald--as the lone assassin of President Kennedy. CIA director Allen Dulles was appointed key leader of the Warren Commission. lol, the CIA who executed the president was placed in charge of "investigating" their own hit! Their findings: "the patsy did it" case closed.

2. The President's Commission on Central Intelligence Agency Activities Within the United States (Rockefeller Commission)

The 1975 Rockefeller Commission investigated the CIA's illegal domestic activities. In the course of its work, the Commission touched on several assassination-related topics, including the identity of the "three tramps," the possibility of CIA involvement in the assassination, and ballistics issues. The Commission concluded that the CIA was not involved in the assassination, and that the President had not been hit by a shot fired from in front of the Presidential limousine.

3. The Senate Select Committee to Study Governmental Operations with Respect to Intelligence Activities (Church Committee)

In 1975 and 1976, the Senate investigated illegal domestic activities of government intelligence agencies. The Church Committee's investigation uncovered allegations such as CIA assassination plots. The CIA did not communicate the existence of the plots to the Warren Commission, even though former CIA Director Allen Dulles (a Warren Commission member) was aware of them.

The Church Committee's initial findings led Committee member Senator Richard Schweiker to call for a reinvestigation of the assassination. Through Senator Schweiker's efforts, the Church Committee formed a subcommittee to evaluate the intelligence agencies' handling of the JFK assassination investigation.

4. The Select Committee on Intelligence of the House of Representatives (Pike Committee)

In 1975, the House of Representatives also established a committee to investigate illegal domestic activities of government intelligence agencies. The Pike Committee devoted less time to issues related to President Kennedy's assassination than did the Church Committee, but it completed some relevant work. However, due to the Pike Committee's internal conflicts, as well as conflicts that it had with the executive branch over access to records, the Committee never issued a report. The Committee did touch on some issues related to the assassination of President Kennedy. At the time that Congress passed the JFK Act, the number of Pike Committee records that contained information that might be related to President Kennedy's assassination was unknown.

5. The Select Committee on Assassinations of the House of Representatives (HSCA)

In 1976, the House of Representatives established its Select Committee on Assassinations. All their work was conducted in secret with most of its evidence sealed for 50 years. The HSCA reinvestigated President Kennedy's assassination and the assassination of Dr. Martin Luther King, Jr. The HSCA concluded that President Kennedy was probably murdered as a result of a conspiracy and suggested that organized crime may have played a role in the conspiracy.

The HSCA decided to establish the Assassination Records Review Board, erected to appease the public's never ending cries to release the tons of withheld evidence. As part of the great subterfuge, the ARRB released a lot of previously withheld records, but there are still thousands upon thousands of the most important evidence that will never see the light of day.

The designers of the JFK Act stated:

“This resolution was introduced because of the renewed public interest and concern over the records pertaining to the assassination of President John F. Kennedy.... **There has been considerable debate about these records, including accusations that these records, if released, would contain evidence of a government coverup or complicity of government agencies in the assassination of President Kennedy.**”

Kennedy rejected Operation Northwoods proposal for initiating an attack on Cuba but his predecessor (who was up to his neck complicit in the coup of Nov, 22nd) Lyndon Johnson proved to be a hard core 100% loyal Zionist controlled puppet. Johnson not only squashed every good act Kennedy enacted but also lunged us deep into Vietnam by allowing the Operation Northwoods based “Gulf of Tonkin Incident” false flag operation of 1964 to go forth thus giving him the perfect excuse to justify all out U.S. participation in the Vietnam War. Another Operation Northwoods false flag op that was perpetrated under Lyndon Johnson’s watch was the infamous Lavon Affair, the **USS Liberty false flag attack of 1967 by Israel**, America’s proxy rulers. In the failed attempt to get the U.S. involved in the now called “six day war” against several Muslim countries.

On the sworn testimony provided by Marita Lorenz, Fidel Castro's former girlfriend who was recruited into the CIA by Watergate burglar Frank Sturgis.

Lorenz's deposition was taken by Mark Lane in *Hunt vs. Liberty Lobby* a libel action brought in U.S. District Court against former CIA officer Victor Marchetti and his publisher over a Marchetti article linking Hunt to the JFK assassination.

Lorenz testified that she, along with Frank Sturgis, Jack Patrick Hemming, Orlando Bosch and Alexander Rorke, Jr. traveled by way of a two-car caravan from Miami to Dallas in November 1963. One of the two cars was loaded with weapons.

Shortly after Lorenz and Sturgis arrived at a Dallas motel on November 21, 1963, Hunt showed up and handed an envelope filled with cash to Sturgis. Hunt remained for about forty-five minutes. Within an hour of Hunt’s departure another individual arrived at their motel room, Jack Ruby!

Lorenz, who had not been provided with the identity of the target of their operation, only knew that the operation was “big” and that she was to act as a decoy. Having second thoughts, she persuaded Sturgis to take her to the airport. She flew back to Miami.

Hunt’s lawyer, Edward Dunne, concerned with the impact this testimony would have upon his client’s contention that he was not in Dallas on November 22, 1963, did not know when to leave well enough alone. He specifically asked Lorenz whether she later spoke with Sturgis about the assassination. Sturgis had, telling her that she missed “the really big one.”

"We killed the President that day. You could have been a part of it --- you know, part of history. You should have stayed. It was safe. Everything was covered in advance. No arrests, no real newspaper investigation. It was all covered, very professional." – (Sworn deposition testimony provided in *Hunt vs. Liberty Lobby, Inc.* by Marita Lorenz, Fidel Castro's former girlfriend and CIA asset, recounting what her CIA recruiter, convicted Watergate burglar Frank Sturgis, told her after the assassination of JFK. A federal jury entered a verdict for Marchetti & Liberty Lobby. Although the jury foreperson explained they were convinced the CIA killed JFK and that Hunt was a part of it to a Miami reporter from a TV station owned by the *Washington Post*, her remarks went unreported in the corporate media).

Hunt, whose credibility was demolished on cross-examination, would later provide a death bed confession.

Lane, in *Plausible Denial* provides an assessment that is substantially similar to that offered by James Douglass.

Lane contends the CIA took out JFK because JFK, in the wake of the Bay of Pigs disaster, had planned to dismantle the CIA following an expected 1964 electoral victory and had issued National Security Action memorandum 263 on Oct. 2, 1963 containing a blueprint for a total withdrawal from Vietnam.

Lane asserts his view on Kennedy's intent to dismantle the CIA was confirmed by Col. L. Fletcher Prouty, the Joint Chief's head of special operations 1955-1963 and is supported by JFK's firing of Allen Dulles the Director of Central Intelligence, Deputy Director Charles Cabell and Richard Bissell, Deputy Director of Plans, and by the issuance of a National Security Action memorandum which would have eliminated the CIA's ability to initiate operations which required anything beyond the use of handguns.

Lane presents evidence that the CIA had successfully subverted both the Warren Commission proceedings and the subsequent investigation of both the Kennedy and Martin Luther King, Jr. assassinations by the House Select Committee on Assassinations.

The CIA cover-up was facilitated by its former director, Allen Dulles, who had been fired by President Kennedy only to be appointed as a key member of the Warren Commission by President Johnson. (!)

The FBI's man inside the Commission, according to Lane, was Gerald Ford, who illegally passed on top secret information to Hoover's assistant, Cartha DeLoach, noting that FBI assistance was needed to bring two dissenting Commission members to the FBI's view that the shots that killed JFK had been fired from the sixth floor window of the Texas School Book Depository.

Lane's account is supported by none other than H.R. Haldeman in *The Ends of Power*.

Seeking the CIA's protection from the escalating Watergate scandal, Nixon dispatched Haldeman to meet with Richard Helms. When he met with the usual CIA stonewalling, Haldeman told Helms that the "President asked me to tell you this entire affair may be connected to the Bay of Pigs...."

Helms, according to Haldeman, came unglued, gripping the arms of his chair and shouting that there was no connection. Haldeman, initially perplexed by Helms's overreaction, observed: "It seems that in all those Nixon references to the Bay of Pigs he was referring to the Kennedy assassination."

Haldeman went on to note that "after Kennedy was killed, the CIA launched a fantastic cover-up" and that "The CIA literally erased any connection between Kennedy's assassination and the CIA."

P.S. Orlando Bosch, identified by Lorenz, has been linked to the Contra supply operation in the 1980's. He openly took credit for the bombing of a Cuban civilian airliner (See, Peter Dale Scott & Jonathan Marshall, *Cocaine Politics* (1991)). According to Ricardo Alarcon, President of the Cuban National Assembly, declassified State Department documents implicate Bosch in the assassination of Orlando Letelier.

Today, thanks to a presidential pardon from George H.W. Bush, Bosch walks the streets of Miami, Florida, a free man.

Then there is **THE JOHNSON FACTOR:**

Researchers have been at odds about Johnson's possible involvement. By casual observation it seems as if Johnson had nothing to do with the JFK execution. Upon watching a [video](#) when Jack (Ruby) Rubenstein gave us an important clue:

Ruby: "If Adlai Stevenson had been Vice President, **there never would have been an assassination of President Kennedy.**"

Reporter: "Can you explain that?"

Ruby: "The answer is the man who is in office now."

Upon seeing [this video clip](#) I decided to dig a little further into the Johnson lead.

Lyndon B. Johnson was America's first Zionist president... A bonafide crypto-Jew. He was JEWISH from his maternal ancestors. According to JEWISH LAW, if a person's mother is Jewish, then that person is automatically Jewish, regardless of the father's ethnicity or religion. His sisters Rebekah and Josefa both had common Jewish names. The facts overwhelmingly indicate that both of Lyndon Johnson's great-grandparents, on the maternal side, were Jewish. These were the grandparents of Lyndon's mother, Rebecca Baines. Their names were John S. Huffman and Mary Elizabeth Perrin. John Huffman's mother was Suzanne Ament, a common Jewish name. Perrin is also a common Jewish name. According to Wikipedia:

Later, as a politician Johnson was influenced in his attitude towards the Jews by the religious beliefs that his family shared with him (see Operation Texas).[7] (Operation Texas was an undercover operation to relocate European Jews to Texas, USA, away from Nazi persecution.) Christadelphians believe that the Jews are God's chosen people,[4] and LBJ's grandfather once said to him "'Take care of the Jews, God's chosen people. Consider them your friends and help them any way you can.'"[2] In reference to Operation Texas, Texas historian James M. Smallwood commented that LBJ 'apparently took seriously his grandfather's charge'.[2]

Lyndon Johnson began his career in 1931 as the legislative assistant of Congressman Richard M. Kleberg, a wealthy Jewish politician representing the 14th District of Texas. Johnson's mentor was Jewish Senator Alvin Jacob Wirtz. Johnson's hereditary clue of large ears and nose were the dead giveaway that he was an Ashkenazi.

The crypto-Jew Trojan Horse in the Whitehouse...

Johnson had formed the **"Stop Kennedy" coalition**, despite his loathing towards Kennedy, he and his agents managed to somehow maneuvered himself to be selected as his vice presidential mate. Johnson was touched by a Senate scandal in August 1963 when Bobby Baker, the Senate Majority Secretary and a protégé of Johnson's, came under investigation by the Senate Rules Committee for allegations of bribery and financial malfeasance. One witness said that Baker had arranged for the witness to give kickbacks for the Vice President. Baker resigned in October, and the investigation stopped from expanding to Johnson. The negative publicity from the affair, however, fed rumors in Washington circles that **Kennedy was planning on dropping Johnson from the Democratic ticket in the upcoming 1964 presidential election**.

FYI: Johnson was the only president ever sworn into office without placing his hand on and swearing his oath of office on a bible. Robert F. Kennedy has been quoted as saying that LBJ was "mean, bitter, vicious -- [an] animal in many ways... It has been historically unequivocally documented that from the days after JFK's public execution and Johnson's reign on onward no president ever, EVER (dared) fall out of step with allegiance to Israel, Zionism and or the Israeli agendas. The subsequent Johnson coup administration was the founding friends of Israel administration that has only grown in magnitude, influence and power ever since the masterful coup d'état triangulated ritual execution of November 22nd, 1963.

More Evidence Mossad Killed JFK Over Israeli Nukes

The Missing Link In The JFK Assassination Conspiracy

Rense.com | 9-28-3

(Note - The second item below is a letter from JFK to Israeli Prime Minister Eshkol which makes it crystal clear JFK did NOT want the Jewish state to develop nuclear weapons and that he was demanding regular US inspections of the Dimona Nuclear facility...which, as we now know, was/is used to develop Israel's enormous

inventory of atomic and thermonuclear weapons. The US Air Force white paper regarding past and ongoing Israeli thermonuclear blackmail of the US is a stunning look at how Zionism has exerted such staggering domination over the US for decades. -ed)

After reading: "New JFK Assassination Theory" from WND, it is obvious that it is just more dis-information diverting attention away from the more than likely perpetrators, the Mossad. It's only fair to remind or inform your readers of the theory posed by Michael Collins Piper in 'Final Judgment'. His theory makes more sense than anything.

Final Judgement Reviewed by Mark Braver

There seems to be a lot of misperception of what Final Judgment does and does not say about the JFK assassination. The book does not say that "the Jews killed JFK." That's horse manure.

What the book does say is that: When New Orleans District Attorney Jim Garrison charged businessman Clay Shaw with participation in the JFK assassination conspiracy Garrison stumbled upon the Israeli Mossad connection to the murder of President Kennedy. Shaw served on the board of a shadowy corporation known as Permindex. A primary shareholder in Permindex was the Banque De Credit International of Geneva, founded by Tibor Rosenbaum, an arms procurer and financier for the Mossad.

What's more, the Mossad-sponsored Swiss bank was the chief "money laundry" for Meyer Lansky, the head of the international crime syndicate and an Israeli loyalist whose operations meshed closely on many fronts with the American CIA.

The chairman of Permindex was Louis M. Bloomfield of Montreal, a key figure in the Israeli lobby and an operative of the Bronfman family of Canada, long-time Lansky associates and among Israel's primary international patrons.

In the pages of "Final Judgment" the Israeli connection to the JFK assassination is explored in frightening--and fully documented--detail. For example, did you know:

- * That JFK was engaged in a bitter secret conflict with Israel over U.S. East policy and that Israel's prime minister resigned in disgust, saying JFK's stance threatened Israel's very survival?
- * That JFK's successor, Lyndon Johnson, immediately reversed America's policy toward Israel?
- * That the top Mafia figures often alleged to be behind the JFK assassination were only front men for Meyer Lansky?
- * That the CIA's liaison to the Mossad, James Angleton, was a prime mover behind the cover-up of the JFK assassination?

Why didn't Oliver Stone, in his famous movie "JFK" not mention any of this? It turns out the chief financial backer of Stone's film was longtime Mossad figure, Arnon Milchan, Israel's biggest arms dealer.

The very fact that the Israeli lobby has gone through such great lengths to try to smear Michael Collins Piper and to try to discredit Final Judgment gives the book great credibility. If the book was really so silly or so unconvincing, it doesn't seem likely that groups such as the Anti-Defamation League would go out of their way to try to suppress the book as they have.

The fact is that Piper demonstrates that Israel did indeed have a very strong motive to want to get JFK out of the way and that numerous people who have been linked in other writings to the JFK conspiracy were (as Piper

documents) also in the sphere of influence of Israel's Mossad. Not only Clay Shaw in New Orleans, but also James Angleton at the CIA, who was Israel's strongest advocate at the CIA and also the CIA's liaison to the Mossad. The Israeli connection is indeed "the missing link in the JFK assassination conspiracy."

The "Reader from Chicago" who wrote the review of Final Judgment posted here is really off the beam and I suspect he (or she) is deliberately distorting what Piper's book does say in order to try to discourage people from reading it.

The fact is that Piper's book documents (quite clearly, in my estimation) not only the means, opportunity and the motive for Israeli Mossad involvement in the assassination (working in conjunction with the CIA), but it is also quite fascinating and very interesting read. "Boring" is the last word I'd use to describe the book, and it is certainly not "poorly written."

What's more, the book is not--I repeat--not "anti-Semitic" and the book has absolutely nothing whatsoever to do with the subject of the Holocaust. In fact, anybody familiar with any of the standard writings on the JFK assassination will recognize the names of some of the key players in the scenario Piper documents: Clay Shaw, David Ferrie, Guy Banister and James J. Angleton of the CIA--and none of them were Jewish. So where this reviewer gets off saying that Piper finds "a Jew under every rock" is beyond me. I have read literally hundreds of books and magazine articles and other material on the JFK assassination and not in a single one of them--with the exception of Final Judgment--did I ever learn that President John F. Kennedy was trying to stop Israel from building the nuclear bomb and that this literally touched off a "secret war" behind the scenes between JFK and Israel's prime minister, David Ben-Gurion, who resigned (among other reasons) in disgust over JFK's policies with Israel. In fact, Israeli historian Avner Cohen in his book, *Israel and the Bomb*, documents this quite thoroughly.

And in Final Judgment Piper also outlines some interesting Israeli connections by people who have been linked to the JFK assassination and cover-up, including Clay Shaw of New Orleans. Even Israeli journalist Barry Chamish has written in an Internet review of Final Judgment that he finds Piper's Israeli connection (via Shaw and Permindex) quite convincing.

There was a controversy in the Chicago area following an attempt by the Anti-Defamation League (an Israeli lobby organization) and people associated with the ADL to prevent Final Judgment from being placed in the Schaumburg Township District Library. Chances are the Reader from Chicago is probably an ADL representative! --This text refers to the Unknown Binding edition.

JFK's Concern Over Israel's Nuclear Bomb Program

JFK's Letter To Israeli PM Eshkol July 5, 1963:

Dear Mr. Prime Minister (Eshkol),

It gives me great personal pleasure to extend congratulations as you assume your responsibilities as Prime Minister of Israel. You have our friendship and best wishes in your new tasks. It is on one of these that I am writing you at this time.

You are aware, I am sure, of the exchange which I had with Prime Minister Ben-Gurion concerning American visits (ie: inspections -ed) to Israel's nuclear facility at Dimona. Most recently, the Prime Minister wrote to me on May 27. His words reflected a most intense personal consideration of a problem that I know is not easy for your Government, as it is not for mine. We welcomed the former Prime Minister's strong reaffirmation that Dimona will be devoted exclusively to peaceful purposes and the

reaffirmation also of Israel's willingness to permit periodic visits (ie: inspections -ed) to Dimona.

I regret having to add to your burdens so soon after your assumption of office, but I feel the crucial importance of this problem necessitates my taking up with you at this early date certain further considerations, arising out of Mr. Ben-Gurion's May 27 letter, as to the nature and scheduling of such visits.

I am sure you will agree that these visits should be as nearly as possible in accord with international standards, thereby resolving all doubts as to the peaceful intent of the Dimona project. As I wrote Mr. Ben-Gurion, this Government's commitment to and support of Israel could be seriously jeopardized if it should be thought that we were unable to obtain reliable information on a subject as vital to the peace as the question of Israel's effort in the nuclear field.

Therefore, I asked our scientists to review the alternative schedules of visits we and you had proposed. If Israel's purposes are to be clear beyond reasonable doubt, I believe that the schedule which would best serve our common purposes would be a visit early this summer, another visit in June 1964, and thereafter at intervals of six months. I am sure that such a schedule should not cause you any more difficulty than that which Mr. Ben-Gurion proposed in his May 27 letter. It would be essential, and I understand that Mr. Ben-Gurion's letter was in accord with this, that our scientist have access to all areas of the Dimona site and to any related part of the complex, such as fuel fabrication facilities or plutonium separation plant, and that sufficient time to be allotted for a thorough examination.

Knowing that you fully appreciate the truly vital significance of this matter to the future well-being of Israel, to the United States, and internationally, I am sure our carefully considered request will have your most sympathetic attention.

Sincerely,

John F. Kennedy [[source](#)]

Here is the US Air Force paper on Israel's nuclear blackmail of the United States and its influence on US foreign policy. One can draw additional conclusions about how such blackmail might have factored into the trillion plus US dollars that have benefited Israel since JFK's murder: [Israel's 'Use' Of Nuclear Weapons Against Us](#)

Under LBJ's careful wonderful benevolent leadership the nation was hurled deep into a cataclysmic abyss with a never before witnessed orgy of assassinations. Upon which he instituted phase one of the New World Order's central objectives towards future fascist police state: Gun Control. On October 22, 1968, Lyndon Johnson signed the Gun Control Act of 1968, "one of the largest and most far reaching federal gun control laws in American history." This act represented a dramatic increase in federal power. Much of the pretext for this large expansion of federal gun regulations came as a response to the executions of John F. Kennedy, Robert F. Kennedy, and Martin Luther King.

Unlike Kennedy who flat out refused to implement Operation Northwood's staging a false flag BlackOps to frame Cuba for an invasion our own forces would conduct while killing hundreds if not thousands of our own citizens. Johnson had no conscience, as he hurled our nation deep into senseless wars that Kennedy did everything in his power to avoid. Johnson used the staged Gulf of Tonkin false flag BlackOps operation to setup the pretext to enter this nation into war. Also on his busy watch, Israel with their inside man (LBJ) at the helm running our nation (ready to support them) began the infamous Six Day War in which it attacked Arab countries and seized control of Jerusalem and other key parts of Palestine. The Gulf of Tonkin wasn't the only false flag op that was conducted under his watch, for the USS Liberty false flag op by Israeli Air Force jet fighter aircraft and Israeli Navy torpedo boats on June 8, 1967 was conducted during the Six Day War as a pretext to try and get our country involved in that war also.

The age of urban riots and infestation of drugs, poverty and public dependence in “the establishment” like NEVER BEFOR SEEN IN HISTORY was the era of the NEW NORMS that the “most wonderful and benevolent” LBJ administration ushered in.

Part of the onslaught was the establishment of the socialist nanny state under the cover of “fighting poverty” the nation would institutionalize poverty and it would from those days forward continue to increase in magnitudes never imagined. The “Great Society” program ushered in Medicaid, Medicare, food stamps, and many programs that were supposed “wide scale fight against poverty” but in 20/20 hindsight vision one need not be Einstein to figure out that poverty only truly began to increase directly beginning from LBJ’s watch. For his loyal contribution and support to the providence of his ruling elite overlords Johnson was given his very own Coat of Arms.

On 1 June 1968, the College of Heraldry and Arms granted arms to President Lyndon Johnson; the grant was presented to Johnson by Mr. Donald Stewart in the Oval Office of the White House on Monday, June 10, 1968 at 10:00 AM with U.S. Senator Daniel Brewster in attendance.[3] The arms were blazoned Azure on a Saltire Gules fimbriated between four Eagles displayed a Mullet Or.[2]

A very important factor that is often overlooked by researchers was the fact that Kennedy was executed in Johnson’s back yard so to speak: Texas, his home town where he had massive pull and connections within the establishment.

Upon finding out this pivotal information all the missing dots now perfectly connect. The massive government cover-up was conducted with direct approval and coordination from the highest offices of the nation: Johnson’s Whitehouse, thus making sense of how Johnson was often cited by researchers as somehow connected. Even I was doubtful about those allegations until I became aware of these key clues. But once one understands the Zionist international banker connection and how JFK was going to tear down their Federal Reserve Board, combined by his direct opposition to Israel’s acquisition of nuclear weapons and his wanting to disband the Zionist/Masonic controlled CIA, it all makes sense now. Johnson was the missing link.

Immediately upon being sworn into office aboard Air force One with a smirk on his face Johnson dove into action, proceeding to put a monkey wrench and obscure all investigations into the JFK execution by approving the confiscation, concealing and destruction of massive amounts of evidence concerning the execution and then giving the CIA never before witnessed carte blanc “can’t touch this” impenetrable national security shield support.

The very first act of Lyndon B. Johnsonstein was to revoke Kennedy’s silver certificates and give his FED cronies even more power and control over the wealth and financial fortunes of the nation with its abolishing the silver connection to the monetary policy altogether.

Under Johnson’s wonderful benevolent watch the Zionist juggernaut was able to grab a monumental chokehold over the nation that has never been broken since.

JFK Versus World Zionism

By Donald J Cassidy 5-27-4

On Memorial Day, let US remember John F. Kennedy, the last "American" president. Like Rachel Corrie he was martyred by World Zionism. "WE SHALL WIPE OUT ALL THOSE WHO HINDER US" (Protocol #3). In his few years, he seemed to recognize and do battle against this evil political system described in the Protocols of the Elders of Zion.

In 1961 Benjamin Freedman, a loyal American, warned that even then "Zionists ruled the United States like monarchs". (Note, Mr. Freedman said "Zionists" not "Jews".) He was personally acquainted with John F. Kennedy who appeared to be the first of a political family dynasty. JFK's policies could change history. JFK instituted measures that would cripple World Zionism and its global cycle of war, financial crises, militarism,

inflation, depressions, and usurious debt, all outlined in the Protocols.

Zionist apologists dispute the authenticity of this Devil's Black Bible but that is irrelevant. What is relevant is that **World Zionism has been following them (the Protocols) word for word for more than a century in its secret scheming for world rule.** According to the Protocols, "THE GOYIM ARE A FLOCK OF SHEEP AND WE ARE THEIR WOLVES (#11). IT IS INDISPENSABLE TO UTTERLY EXHAUST HUMANITY WITH DISSENTION, HATRED, STRUGGLE, ENVY, TORTURE, STARVATION, INNOCULATIONS AGAINST DISEASES, WANT" (#10). Like a cancer on humanity, World Zionism has been undetected for many years and now emerges when it is in its deadly final stages. "OUR POWER WILL REMAIN INVISIBLE UNTIL IT HAS GAINED SUCH STRENGTH NO CUNNING CAN UNDERMINE IT (#1). WHO WILL SUSPECT THAT ALL THESE PEOPLE WERE STAGE MANAGED BY US ACCORDING TO POLITICAL PLANS WHICH NO ONE HAS SO MUCH AS GUESSED AT FOR ALL THESE YEARS (#13). WE ARE INVINCIBLE" (#3).

First, JFK ordered the Vietnam War stopped and the troops brought home. Vietnam was the latest Oil War. Who owns World Oil? The Rothschilds. They "own" Yukos Oil in Russia and "own" the Rockefellers in America. Do they also "own" the Saudis? "WE MUST RESPOND TO EVERY ACT BY WAR ON THAT COUNTRY THAT DARES TO OPPOSE US. CHECKING THE OPPOSITION OF THE GOYIM BY UNIVERSAL WAR (#7). THE ASSISTANCE WE GIVE [money] WILL PUT BOTH SIDES AT OUR MERCY" (#2). War fills the graveyards of humanity but war debt fills the cash accounts of World Zionism.

Second, JFK was going to wind down the Arms Race and seek world peace. The trillions spent for "Defense" was never for the defense of America but for an arsenal to enable World Zionism to impose its Capitalism on the rest of the world. "WE SHALL SET UP A SUPER GOVERNMENT THAT SHALL SUBDUE ALL THE NATIONS OF THE WORLD (#5). INTENSIFICATION OF ARMAMENTS ARE ESSENTIAL FOR OUR PLANS. WE SHALL SHOW OUR STRENGTH TO ALL WITH THE GUNS OF AMERICA" (#7). In addition, the vast debt of the Arms Race paid billions in interest every year to World Zionism. This debt has bankrupt America. "LOANS BURDENED THE STATE WITH THE PAYMENT OF INTEREST. ALL THE WEALTH OF THE STATE FLOWED INTO OUR CASHBOXES. TO THIS WE OWE OUR MASTERY OVER THE GOYIM" (#20).

Third, JFK ordered the Treasury to print US currency instead of the Rothschild Federal Reserve Notes supported by the Rothschild illegal income tax. The US bonds, held by the Fed for our Fed currency, pay many billions in interest annually to World Zionism. With a "stroke of the pen" JFK would cost them trillions as well as their domination of global money and finances through debt and speculation. "LOANS HANG LIKE A SWORD OF DAMOCLES OVER THE HEADS OF RULERS. COUNTRIES ARE DEBTORS TO OUR TREASURIES TO AMOUNTS QUITE IMPOSSIBLE TO PAY. STATES ARE DRAINED AND THE GOYIM PAY US THE TRIBUTE OF SUBJECTS" (#20).

Fourth, JFK intruded on the wage price spiral in the steel industry in favor of labor. The corporate stock of US Steel plummeted, a bad omen for Capitalism. "THE DESPOTISM OF CAPITAL IS ENTIRELY IN OUR HANDS (#1). HUNGER CREATES THE RIGHT OF CAPITAL TO RULE THE WORKER MONEYGRINDING SCOUND-RELS HAVE LAID A PITILESS AND CRUEL YOKE UPON THE NECKS OF THE WORKERS (#3). CONCENTRATION OF INDUSTRY IN THE HANDS OF CAPITALISTS HAS DRAINED AWAY ALL THE JUICES OF THE PEOPLE (#20). CAPITAL MUST BE FREE TO ESTABLISH A MONOPOLY OF INDUSTRY AND TRADE; THIS WILL HELP OPPRESS THE PEOPLE (#5). WE SHALL RAISE WAGES WHICH SHALL NOT BRING ADVANTAGE TO THE WORKERS FOR WE SHALL RAISE PRICES FOR THE NECESSARIES OF LIFE" (#6).

Fifth, JFK would not give nuclear weapons to Israel. Jews invented these inhuman weapons in America and Israel could not have them for its global terrorism. This was unacceptable! Ben Gurion resigned. "IT IS INDISPENSABLE FOR US TO ARM OURSELVES (#10). WE MUST ARM OURSELVES WITH ALL THE WEAPONS OUR OPPONENTS MIGHT EMPLOY AGAINST US" (#8).

Sixth, JFK was going to dismantle the Central Intelligence Agency. The CIA with Mossad are essential for World Zionism's global terrorism. "OUR INTERNATIONAL AGENTUR POSSESSES MILLIONS OF EYES EVER ON THE WATCH AND UNHAMPERED BY ANY LIMITATIONS WHATSOEVER (#2). THE FRENCH REVOLUTION WAS WHOLLY THE WORK OF OUR HANDS" (#3). Dreyfus, too.

Seventh, JFK stood in the way of a Zionist puppet in the White House, Lyndon Johnson, who gave up a most powerful position for an office described as "not worth a bucket of pee pee" and as the "gofer" of a man he detested. This decision only made sense three years later. "WE HAVE REPLACED THE RULER BY A CARICATURE, A PRESIDENT. WE SHALL ARRANGE ELECTIONS OF SUCH PRESIDENTS WHO HAVE AN UNDISCOVERED STAIN IN THEIR PAST, THEY WILL BE AGENTS FOR OUR PLANS" (#10).

After JFK, the White House surrendered America to World Zionism. Johnson cancelled all of JFK's anti-Zionist measures, the Arms Race resumed, the Vietnam War was escalated, war debt and interest skyrocketed, nuclear weaponry given to Israel, Henry Jackson in the Senate made Zionist policy Washington policy, the crew of the USS Liberty was murdered by Israel without a murmur, Treasury currency was withdrawn and interest payments to World Zionism increased, and the "flyspeck in the desert" soared from protectorate to partner to patriarch of Washington. A few years later, Zionism cost the American people their standard of living by the oil embargo for Washington's subservience to World Zionism. On Memorial Day, let US remember that Washington's War Memorial for millions of veterans was an afterthought to a Museum for a Zionist Myth. The veterans were really "serving" World Zionism.

Recent books have linked such diverse parties as Lyndon Johnson, George Bush and Nelson Rockefeller as well as Mossad, CIA and Mafia in the murder of JFK. The common denominator is World Zionism. There are connections. Who else could join them in a single enterprise? The Warren Commission was suggested by a Zionist, conducted by a Zionist, and its finding validated and promulgated by Zionists and the Zionist press. It was a Zionist hoax like September 11. "THE GOY LOOK UPON THE EVENTS OF THE WORLD THROUGH THE COLORED GLASSES WE ARE SETTING ASTRIDE THEIR NOSES (#12). WE ARRANGED FOR DARWINISM, MARXISM AND NIETZSCHEISM" (#2).

We must distinguish between Zionism and Judaism. The accusation of anti-Semitism is political terrorism originating in the Protocols. "ANTI-SEMITISM IS INDISPENSIBLE TO US (#9). UNTIL THERE SHALL NO LONGER BE ANY RISK IN ENTRUSTING OUR BROTHER JEWS WE SHALL PUT RESPONSIBLE POSITIONS IN PERSONS WHO FACE CRIMINAL CHARGES" (#8). America's Congress is fervently Zionist yet most of them profess other religions. No, Zionism is politics; its "religion" is Greed. "IT IS INDISPENSABLE TO UNDERMINE ALL FAITH, TO TEAR OUT THE SPIRIT OF GODHEAD AND PUT IN ITS PLACE MATERIAL NEEDS" (#4). Zionism conceals itself in the "shade" of Judaism in order to remain "invisible". "OUR PLAN OF ACTION REMAINS FOR ALL PEOPLE AN UNKNOWN MYSTERY" (#4). It operates through governments like England, Israel and Washington and global corporations, financial and banking conglomerates, international financiers, and secretly interlinked organizations, institutions, "philanthropies", foundations, fronts, and factions with enormous amounts of money at their disposal. But "ALL OF THE ENDS OF THE SPRINGS WHICH MOVE THEM" (#9) lay in the hands of an invisible Rothschild Family. "THE GOYIM WILL ACCEPT US AS THE BENEFACTORS OF THE HUMAN RACE (#7). THERE IS NO EVADING OUR POWER" (#5). Zionism, by its monopolies, frauds, gouging, usury, speculation, bankruptcies and tax evasion, is amassing the wealth of the whole world "WE WANT TO TRANSFER INTO OUR HANDS ALL THE MONEY OF THE WORLD (#6). OUR WEAPONS ARE LIMITLESS AMBITIONS, BURNING GREEDINESS, MERCILESS VENGEANCE, HATRED AND MALICE" (#9).

We have a quisling government in America. Washington is the slave of World Zionism just as predicted in the Protocols. "ABUSES OF POWER WILL BE THE FINAL TOUCH IN PREPARING ALL INSTITUTIONS FOR OVERTHROW" (#3) and "SCATTER TO THE WINDS ALL EXISTING FORCES OF ORDER AND REGULATION" (#1). The American people have been conditioned for decades to submissiveness, like Pavlov's dogs, by the Zionist media and its subliminal messages. "PEOPLE LIVE AND ARE GUIDED BY

IDEAS; WE SHALL CONFISCATE TO OUR USE THE LAST SCINTILLA OF INDEPENDENT THOUGHT. THE PURPOSE IS TO TURN THE GOYIM INTO UNTHINKING SUBMISSIVE BRUTES" (#16). The New York metropolitan area (25 millions) is overwhelmed by the Zionist media and its continuous lies and propaganda about war and terrorism. What about Chicago, Los Angeles, Atlanta, Dallas? "THROUGH THE PRESS WE HAVE GAINED THE POWER TO INFLUENCE WHILE REMAINING OURSELVES IN THE SHADE (#2).

NOT A SINGLE ANNOUNCEMENT WILL REACH THE PUBLIC WITHOUT OUR CONTROL" (#12). Turn off all television news programs. It is poison. Let US drop the Zionist media in the toilet and flush these traitors out of America. Another "inside job" like September 11 "THE MOMENT OF ATTACK WILL BE KNOWN TO US AND WE WILL PROTECT OUR OWN" (#3). and America will be "locked down" in permanent martial law, the Patriot Acts, mass detentions in FEMA concentration camps and the end of all liberty in America. We will have lost for our children everything that our ancestors sacrificed for US. "THE END OF NATIONAL LIBERTY IS NEAR" (#19).

The Zionist media has marginalized all presidential candidates but two Zionist puppets. With "fixed" voting machines World Zionism cannot lose. This year, all Americans should vote, destroy the Republican Party together with all Zionists (most Jewish candidates are suspect). For Congress, vote for the other minorities who are under-represented, Women and African, Asian and Latino Americans. Voting machines must be auditable with reliable exit polls. Most important, redistribute the concentrated wealth with an annual tax of fifty percent of all personal wealth, income and property in excess of \$5 Millions "WE HAVE CONCENTRATED WEALTH IN PRIVATE HANDS" (#20) and eliminate all wage taxes.

Under World Zionism, Zionists will go to the head of all lines in government, industry, education, employment, finance, entitlements; their certifications will have the force of law. The whole world will become like Palestine, Iraq and Afghanistan. "WE SHALL ERASE THE WORD "FREEDOM" FROM THE LEXICON OF LIFE" (#3). The stolen treasures of a zionazi war, the Ancient Tombs of Ur, are on exhibit in Philadelphia. Waco will be the norm. "OUR ABSOLUTISM WILL DESTROY TO THE ROOT ALL DISCONTENTS OF EVERY KIND BY PUNISHMENT OF AN EXEMPLARY CHARACTER. HE WHO WISHES TO KEEP HIS PLACE WILL HAVE TO GIVE BLIND OBEDIENCE (#15). WE ARE INTERESTED IN THE KILLING OUT OF THE GOYIM" (#3).

Without World Zionism there could be universal peace not war, no bankrupting militarism, full employment without wage taxation, no hunger, no poverty, no inflation, no depressions or financial crises, no public debt and little private debt, and the burden of taxation on excess income and wealth. "WE HAVE EUTOPIAN DREAMERS" (#9).

The world must come together to combat a common enemy. "THE NATIONS WILL NOT TAKE NOTE OF THEIR COMMON FOE (#4). WE HAVE SET ONE AGAINST ANOTHER, THE PERSONAL AND THE NATIONAL, RELIGIOUS AND RACE HATREDS WHICH WE HAVE FOSTERED INTO A HUGE GROWTH (#5). WE MUST CREATE FERMENTS, HOSTILITY AND DISCORD ON ALL CONTINENTS" (#7). Or else, "BOW THE KNEE BEFORE HIM WHO BEARS ON HIS FRONT THE SEAL OF THE PREDESTINATION OF MAN" (#23). The anti-Christ. And God help us!

Fast forward to Sept. 11, 2001. After the CIA/Mossad orchestrated its most dramatic infamous False Flag operation in its history by taking down the World Trade Center and hitting the Pentagon. What did the establishment do after the fact, yet again? They pulled out their old operations manual, play by play and proceeded to cover up the entire event EXACTLY as they did with the Kennedy assassination! The perps grudgingly put together **another bogus "investigation"** just like the **"Warren cOMMISSION"** that consisted of cronies of the establishment, this time they called it the **"911 cOMMISSION"** staffed by Zionists and hardcore "lifer" political hacks. Again a jack ass group of puppets comprised of card carrying members ignored common sense, ignored the laws of physics, along with all the evidence. The final report summary:

"Everything is ok children, go home, go shopping, play your Nintendo games or something, nothing here for you to see, now let's go kick some ass in the middle east."

That leads us to what we have been trying to explain all along: There will NEVER ever be any real investigation into 911 or any admission of guilt!. Just EXACTLY how the entire JFK thing went down so will the 911 event go down. Another 4 decades from now there will STILL be 911 truth movement, a bunch of old men in old age homes, "tin foil hat brigade" still trying to wake up the hypnotized zombie sheep to the truth!!!!

Granted that today we have a powerful new "weapon" to fight back with, it is called the INTERNET. The old ruling elite geezers of the 1960s have been losing many a night's sleep over the fact that they have absolutely no control of this medium. Right now the internet is their biggest pain in their ass, with the avalanche of non establishment controlled REAL news coverage. This is what gives us hope. Hope that maybe this time around, just maybe the world will NOT ignore the TRUTH.

Kennedy was foolish to believe that he was safe as a sitting president in taking them on. He never developed a game plan, a strategic offense and defense. His brother learned the hard way also that perusing his brother's true murderers was hazardous to his health. They whacked him too right there in front of the whole world and covered it up also. Nothing to see here folks, we caught the patsy, so go home and watch TV. Ted Kennedy KNOWS what the deal is, and chose the "I don't know nutin, keep my lips sealed" route. He became a raging alcoholic in the process of drinking his conscience into oblivion. As for Jackie Kennedy, that crazy women knew EVERYTHING, the fact that she never once uttered a word says volumes in of itself. She later shacks up with worldwide illuminati mogul Onassis... Interesting...

The people behind the bold assassinations of JFK, Robert Kennedy, Martin Luther King, Malcolm X have since consolidated great power beyond our wildest dreams. **John F Kennedy was the first MARTYR of the truth movement.** He was about to expose to the world the sinister Zionist conspiracy and their control of CIA and the FED. He had plans to expose world Zionism, disband the CIA and the Federal Reserve. I refuse to believe that he died in vain. Granted the evil men that knew that they were about to be exposed had him "whacked." Yet Kennedy left us with just 3 clues of the people with the motive to eliminate him the ones who stood most to lose if he continued to breath and walk the earth. **The 3 clues he left us were: CIA, Federal Reserve, Secret Ruling Elite.** We owe it not only to Kennedy, but to our nation, to our families, our communities, to our future to somehow find a way to expose and destroy those 3 beasts, the multi-headed monsters that wish to enslave and control this world. For if the 3 are left to their own devious vices, they will eventually rule over us all, then it will be too late.

After recently reading the following article, I knew I had to include this fine work by an inquisitive researcher in this report. The article below is as accurate as anyone has ever been in describing the JFK vs. Zionist chronicle juxtaposed with extremely relevant eye opening, quotes from the Zionist Protocols as they apply to current events. The quotes in BOLD lettering were pulled directly from the ancient Protocols of the Elders of Zion strategic operations manual. This is a perfect example of how pertinent, uncannily perfectly accurate, relevant and current the Protocols have been and still are in concise parallel with the actions of Zionist elite through the decades. As these quotes attached next to actual events clearly demonstrate, the odds of it being mere "coincidence" that the Protocols (Zionist have endlessly tried to discredit them) content actually exactly match Zionist real world actions throughout history and up to this very day is

infinitely impossible. The Protocols are nothing but the real macoy (I included the full texts of the Protocols in the Adenddem section, for it is written” thou must know thy enemy who wishes to enslave and slay thee).

Then there was the President’s brother Robert Kennedy. He actually thought he could pick up the mantle where his brother had left off, become president and pursue his brother’s real assassins. He had every intention of doing so.

CIA Agents Killed Robert Kennedy – video [part 1](#), [part 2](#)

The Robert F. Kennedy Assassination: Sirhan Now Says: "I Am Innocent" By Lisa Pease

On Wednesday, June 18, 1997, Sirhan Bishara Sirhan stunned a parole board by declaring publicly that he now believes he is innocent of the crime for which he is incarcerated: the assassination of Robert F. Kennedy.

On June 5th, 1968, RFK, the likely Democratic candidate for President, having just won the California primary, was shot in the pantry in the Ambassador Hotel in Los Angeles. He had just finished his victory speech and was headed out when Sirhan stepped from the crowd, and said “Kennedy, you son of a bitch.” Sirhan extended his hand and fired shots at the oncoming Senator. Kennedy fell to the floor and was taken to a hospital, where he died a short time later.

Deputy District Attorney Thomas Trapp expressed outrage that Sirhan would now dare to claim innocence, calling such a claim “preposterous.” To someone who does not know the case, such a claim seems preposterous indeed, in light of the following facts:

- Sirhan was witnessed by many people shooting at RFK.
- An LAPD criminalist testified that the bullets found in the victims matched test bullets fired from Sirhan’s gun.
- Sirhan conceded having shot RFK and even provided his motive.

Taken out of context, these facts present a grossly misleading picture of the case. Examined against the full record of the case, the following facts emerge:

- RFK was shot at point-blank range from behind. Two shots entered his back and a third shot entered directly behind RFK’s right ear. By all eyewitness accounts, Sirhan was never closer than one and a half feet to RFK. The bulk of the witnesses put Sirhan at a distance of three feet or more. Sirhan *was* firing a gun. But clearly, so was someone else.
- The criminalist who testified to the match between the bullets and the gun had stored the bullets in an envelope labeled as belonging to the gun with a serial number of H 18602. Sirhan’s gun had a serial number of H 53725. The tests showed conclusively that the victim bullets matched a gun that was not Sirhan’s.
- Sirhan has consistently, and credibly—even to the prosecution’s experts—asserted that he has no memory of the shooting. With no one to tell him of the exculpatory ballistic and medical evidence, and no memory of where he was and what he did, he believed those who told him he had killed Kennedy, and took his lawyer’s advice to own up to it at the trial. His motive, however, never made sense.

The day after the murder, a leading Arab activist, Dr. Mohammad T. Mehdi, issued a statement that Sirhan might have been motivated to attack RFK because RFK had promised to sell bomber planes to Israel. On May 18th, in a diary attributed to Sirhan are the words “RFK Must Die!” written over and over. However, RFK’s statement to sell the bombers was not shown on TV until May 20th. So that could hardly have been Sirhan’s motive. In court, during his trial, Sirhan burst out that he had killed RFK “willfully, premeditatively, with twenty years of malice aforethought.” This was not very compelling, however, since Sirhan was only 24 years old at that time of the assassination. He would have had to be contemplating the murder of the as yet little known Kennedy at the age of four! As he saw it, he had only a couple of choices. Either he had killed Kennedy on purpose, or he had lost his mind. Not wanting to believe the latter he embraced the former. And once he believed that, together with his defense team he sought out a motive. Confronted with the possibility that he was out of control or insane, Sirhan replied, “I’d rather die and *say* I killed that

son of a bitch for my country, period [emphasis added].” But believing doesn’t make it so, and the evidence shows that Sirhan could not have fired the three shots that hit Kennedy.

So we are left with the following. The gun was not matched to the victims’ bullets. Sirhan was never close enough to have shot Kennedy where he was hit. And then there is the memory problem. After extensive hypnosis attempts by both the prosecution and his defense, no one was able to find any evidence of a suppressed memory there. He had an utter blank for the period surrounding the shooting.

Either we have a case of many witnesses having a collective illusion that Sirhan was not close enough, or a second shooter was in the pantry. Indeed, there is evidence of well above the eight bullets Sirhan’s gun was capable of firing. This has been well documented in *The Assassination of Robert F. Kennedy* (by Bill Turner and Jon Christian, published by Random House in 1978 and later by Thunder’s Mouth Press in 1993); *The Robert F. Kennedy Assassination* (by Philip Melanson, published by S.P.I. Books, 1994); and the new book by William Klaber and Philip Melanson, based on newly released files from the LAPD, called *Shadow Play: The Murder of Robert F. Kennedy, The Trial of Sirhan Sirhan, and the Failure of American Justice* (St. Martin’s Press, 1997).

If there were two (or even more) shooters and Sirhan was one of them, doesn’t that prove his guilt, regardless of whether he fired the fatal shot or not? Yes, to some degree. But was he a *witting* conspirator? Not necessarily.

Another possibility, voiced on the air even before Sirhan’s name was made public, was that the shooter was acting under the influence of hypnosis.

In Richard Condon’s famous 1959 novel *The Manchurian Candidate*, the plot centers around a man who was programmed under hypnosis to assassinate the president of the United States. The man was not aware that he had been programmed. While the novel was advertised as fiction, it bore a close resemblance to the most secret of the CIA projects, the mind control experiments held from the early ‘50’s until the mid ‘70’s.

Under names like Bluebird, then Artichoke (after a favorite vegetable of Allen Dulles’), and finally MKULTRA, the CIA was avidly and amorally experimenting on both witting and unwitting subjects with drugs, electric shock, hypnotism, electrode implantation and other technologies in the search for ways to completely control the actions of humans. Another area of search was devoted to finding ways of creating perfect, if temporary, amnesia so that an agent could perform a task and truly be able to have no memory of it when questioned later. The Senate report on these experiments showed the CIA felt this could be done through the administration of drugs.

Sirhan’s notebooks that were purposely left to letter be found by investigators, diary entries which contained his **growing rage at Zionists**, particularly at Kennedy; his journals also contained many nonsensical scribbles, which were thought to be his version of "free writing" when in all actuality they were scribbles of a mind controlled hypnotic trance induced writings.

Sirhan Sirhan

Around the time that Kennedy died in Dallas, Jack Ruby had been in the company of two known hypnotists. One of them was CIA agent David Ferrie, from New Orleans. The other was Billie Del Mar, who was then entertaining in Jack Ruby’s Carousel Club. Del Mar fled from Dallas the day of the Kennedy assassination, and was never called to testify before the Warren Commission. Mae Brussell [INSIDE THE HEARST KIDNAPPING](#)

The extent and scope of these methods of ordering behavior and erasing memory, following these acts of murder, has to be exposed. You can erase the memory of a murder from a person’s mind through hypnosis. You can also implant the conviction that a man has committed a murder, when in fact, he has not.

This happened in the assassination of Robert F. Kennedy, where it was suggested to Sirhan Sirhan, by his psychiatrist, how he killed Robert Kennedy. Evidence exists to disprove this theory. Mae Brussell [INSIDE THE HEARST KIDNAPPING](#)

One of the people who was a drummer with the Tommy Dorsey Band for a while was William Joseph Bryan, Jr. (aka William Joseph Bryon, and William Jennings Bryan III, etc.) William Joseph Bryan, Jr. was a CIA Mind-control programmer. He programmed people when he was with the Air Force as Chief of Medical Survival Training, which was a covert brainwashing section (If the Air Force. Bryan opened up his own hypnotherapy Institute on Sunset Strip in Hollywood where he programmed some people in acting for the Illuminati. Bryan was the person who programmed Sirhan Sirhan to kill Robert Kennedy. Bloodlines of the Illuminati Van Duyn

The way you create Manchurian Candidates is you divide the mind. It's part of what the Intelligence Community wanted to look at. If you're going to get an assassin, you're going to get somebody to go do something, you divide the mind. It fascinates me about cases like the assassination of Robert Kennedy, where Bernard Diamond, on examining Sirhan Sirhan found that he had total amnesia of the killing of Robert Kennedy, but under hypnosis could remember it. But despite suggestions he would be able to consciously remember, could not remember a thing after was out of hypnosis. I'd love to examine Sirhan Sirhan. D. Corydon Hammond, Ph.D.

Bill Kurtis's TV-show, A & E Investigative Report on the assassination of Robert Kennedy suggested that Sirhan Sirhan was a mind controlled assassin or patsy that would have been created under Project Artichoke .(2) The object of this project was to create the real "Manchurian Candidate", an assassin who could be programmed to kill a target and then not even remember he did it. Sirhan Sirhan fit the profile. Angry at the death of his parents during a conflict with Israel the convicted assassin of RFK was said to have been in a trance-like state during and after the shooting. Later, Sirhan Sirhan would state strongly that he did not actually remember anything that happened during the shooting, but everyone said he did it, so he must have done it. [1997] Sex, Drugs, the CIA, MIND CONTROL and Your Children By A.B.H. Alexander

Sirhan was programmed at a racing stables in Santa Ana, California by two CIA mind-control specialists -- one of them a priest. A co-worker of Sirhan at the stables was Thomas Bremer, whose mind-controlled brother Arthur, shot Governor George Wallace in 1972. Not many miles from the stables is a Synagogue used for mind-control purposes. Its rabbi is a 'former' member of US Naval Intelligence.....Such police corruption is exemplified by the LAPD's complicity in the assassination of Robert Kennedy, It is well known within the ranks of the LAPD that mind-controlled patsy Sirhan Sirhan, in keeping with the patsy arrested for the murder of Israeli Prime Minister Yitzak Rabin, FIRED BLANKS, in order to misdirect the attention of eyewitnesses. At least one police officer's eyewitness report was re-written by a senior officer in order to protect the true conspirators. Moreover, police radio communication was disrupted (as in the Princess Diana assassination) thereby preventing the broadcasting of other suspect's descriptions.(17) Mind Controlled Killers: What happened at Columbine High School? Was O.J. Simpson innocent? In Defense of Buford Furrow Jr.! by Brian Desborough

Both Frank Sinatra and CIA mind-control programmer William Joseph Bryan, Jr. (aka William Joseph Bryon, and William Jennings Bryan III, etc.) were members of the Tommy Dorsey Band. Bryan programmed people while he was with the Air Force as Chief of Medical Survival Training which was the Air Force's covert mind-control section. Later he opened up his own hypnotherapy Institute on Sunset Strip in Hollywood where he programmed some people in the Illuminati who are actors. He also was the person who programmed Sirhan Sirhan to be involved in the Robert Kennedy assassination. The Illuminati Formula 12. External Controls

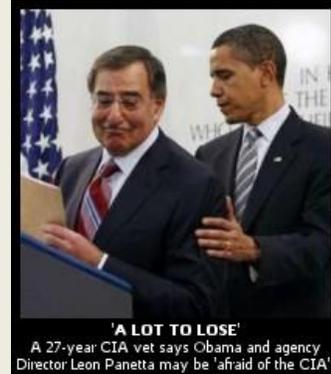

What about Ted Kennedy, they didn't assassinate him. Oh yes they did! They killed his soul. They downed his plane in 1964 and set him up at Chappaquiddick. They FRAMED him for the death of Mary Jo Kopechne. The Zionist ruling elite used the incident to EXTORT Ted Kennedy and put him under a leash he would never shake off for the rest of his life. He was also made to swear he would NEVER publically mention the executions of his two brothers. Ted's refusal to speak of the executions of his brothers and his adamant rejection to run for the office of President is candidly revealed in this statement he made about running for President: "***I KNOW that I'm going to get my ass shot off one day, and I don't want to.***" Note he didn't say "I might get shot", his words were "I ***KNOW***", not "I might." This proves he KNEW and was scared shitless of those who were above the law and had the unstoppable power to eliminate him at any moment without breaking a sweat. He became their pawn and was allowed to continue his limited public life under strict oversight by his "hidden masters." **This is the REAL reason he became a raging alcoholic...**

Exclusive: 27-Year CIA Vet says Obama May be Afraid of the CIA ... For Good Reason...

By Brad Friedman on 9/11/2009

Alluding to the assassination of JFK, long-time high-level CIA analyst says Panetta and the President 'afraid of these guys because these guys have a whole lot to lose if justice takes its course'...

During my interview last night with 27-year CIA analyst Ray McGovern on the *Mike Malloy Show* (which I've been guest hosting all this week), the man who used to personally deliver the CIA's Presidential Daily Briefings to George Bush Sr., among other Presidents, offered an extraordinarily chilling thought --- particularly coming from someone with his background.

In a conversation at the end of the hour (*audio and transcript below*), as I was trying to pin him down for an opinion on whether or not he felt it was appropriate for CIA Director Leon Panetta to have reportedly attempted to block a lawful investigation into torture and other war crimes committed by the CIA, McGovern alluded to a book about the assassination of John F. Kennedy, and noted he felt it likely that both Panetta and President Obama may have reason to fear certain elements of the CIA.

"Let me just leave you with this thought," he said, "and that is that I think Panetta, and to a degree President Obama, are afraid --- **I never thought I'd hear myself saying this --- I think they're afraid of the CIA.**"...

McGovern went on to note "the stakes are very high here," in relation to Attorney General Eric Holder's recently announced investigation of the CIA now under the direction of Panetta. "His main advisers and his senior staff are liable for prosecution for war crimes. The War Crimes statute includes very severe penalties, including capital punishment for those who, if under their custody, detainees die. And we know that at least a hundred have, so this is big stakes here."

He then recommended James W. Douglass' new book, *JFK and the Unspeakable: Why He Died and Why It Matters*.

"He makes a very very persuasive case that it was President Kennedy's, um, the animosity that built up between him and the CIA after the Bay of Pigs, and the Joint Chiefs of Staff, because he was reaching out to the Russians and so forth and so on. It's a very well-researched book and his conclusion is very alarming," the long-time CIA veteran noted in what turned out to be a chilling end to our interview in which he described "**two CIAs**".

One, he says, was created by President Truman to "give him the straight scoop without any fear or favor. And then its covert action arm, which really doesn't believe --- which doesn't belong in this agency." McGovern referred to *that* CIA "advisedly" as the President's "own personal *gestapo*" which acts without oversight by the Congressional committees once tasked to do so.

"And so if you're asking why Obama and Panetta are going very very kid-glove-ish with the CIA, I think part of the reason, or the explanation is they're afraid of these guys because these guys have a whole lot to lose if justice takes its course."

"So, it's pretty scary. Yes, it is," he concluded.

• *The complete audio archive of the entire interview (appx. 37 mins.) can be [download here](#) or [heard online here](#).*

We can't end this section about the Kennedys without mentioning Jr. That charismatic young man that was in line and destined to become a future president of our country, there is no doubt about that. But as fate would have it, he just happened to be the son of the whacked JFK himself. Understand this: Jr. was planning on running for public office and had his mind set for the Oval Office. For the rulers that be, they just could not, absolutely not risk Jr. ever entering the realm of national politics for once he did, the potential worldwide attention and world stage platform, he would have instantly garnered would have given him access to a bull horn so loud and powerful they would not be able to control it. They also knew he secretly wanted to get to the bottom of his dad and uncle's **executions**. Secondly once entering the public arena and becoming even more wildly popular and followed by media, it would also become even harder down the road to eliminate him without massive public inquiry and outrage. Thus Jr. was taken out before he could make his move into the realm of politics in one of the most favorite ways of the powers that be, they just took his plane out of the sky with secret military tech, plane engine shut off box technology that is known to exist. Yes, but of course it was officially labeled an "accident" by the powers that be.

To add to the mystery, I must point out that during the time that JFK Jr's plane went down, George Bush Jr. who was president at the time, was AWOL, for like 3 days his whereabouts were completely unknown to anyone, not even the Whitehouse had a clue where he was... a historical first that a sitting president disappears for several days. There were reported rumors of witnesses seeing someone that "resembled" Bush Jr. in I believe the area of the airport or, ummm, "accident." I know this information is in the realm of speculation, but, I find it extremely interesting none the less.

There is nothing more to see here folks, now go back to your regularly scheduled programming. Sleep, sleep, sleep mortals, sleep....

Reality Check for All Islamophobic Christians:

Jesus Didn't Warn Us About the Muslims. He Warned Us About the Jews

That's right, for all you folks out there in the Christianite community frothing at the mouth and getting yourselves all hot-n-bothered these days over "THEM MOOZLIMS" taking over America, implementing Sharia law, cutting off heads, circumcising our women, forcing us to wear burkhas and all the rest, as much as I hate to douse your much-anticipated version of Armageddon with the cleansing waters of reality, nevertheless for the sake of posterity, it's got to be done.

The fact is (and as disappointing as it will no doubt be for those of you out there sitting anxiously on the brink of your war-orgasm) Jesus never mentioned them—meaning words such as "terrorist", "jihad", "Islamofascism", or any of the other sweet nothings constantly shouted into our ears by our friends in the Jewish controlled media that we are taught (forced) to memorize and recite these days. Not once. In fact, if we are to go by what the Bible says—the same book you say "proves" it took exactly 168 hours to create the entire freakin' universe and which some of you use in justifying handling poisonous snakes—He never even murmured any such thing under His breath. Based on the only "historical record" you use in understanding the big, bad world around us, The Prince of Peace wasn't even MILDLY concerned with the situation involving one Mohammad ibn Abdullah or his followers. Not only did He—Jesus Christ—not emphatically say these kinds of things, He never even ALLUDED to them...NEVER warned His flock about a period in the future where the world would be threatened by those you all disaffectionately (and with the assistance of your Jewish-dominated media) refer to as "towel-heads", "sand niggers", "hajjis" and "camel jockeys".

I find that rather interesting, don't you?

Now, I hear some of you screaming "legalism!" and all sorts of other useless-at-this-point arguments in the pathetic attempt at slithering out of that inescapable bear hug known as fact-based reality, but what you have to remember is that this is the standard set by YOU. After all, you are the ones who follow the words in this book down to the letter in the interests of justifying war in the Middle East, remember? You are the ones holding tenaciously to that "I will bless those who bless thee and curse those who curse thee" nonsense in supporting the mass murder of millions of "THEM MOOZLIMS".

Therefore, since this—the idea that the Bible is the inerrant word of God—is the standard that indeed you have set, I think we can then dismiss the idea that Jesus just plain forgot to mention it. I think He—meaning Jesus—would have

known, wouldn't you agree? After all, as Christians are taught, He knew all and saw all, so certainly something as big as THIS—meaning the world being dragged to the brink of complete annihilation by a fanatical group of people—THEM MOOZLIMS—is something Jesus would have saw fit to mention.

Actually however, in all fairness, He DID discuss items related to all this, a fact well-known by a certain group of people responsible for orchestrating all this murderous nonsense. Even though He did not use words such as “terrorism,” “jihad,” “Sharia Law” and all the rest, He DID see a storm on the horizon threatening to undo all His hard work in building that thing He referred to as the Kingdom of Heaven.

The problem is, for those these days who are desperate to burn the whole place down, it was not “THEM MOOZLIMS” He warned us about, but rather that OTHER group of fanatical followers of a certain Middle Eastern religion playing such a prominent role in world affairs these days. And do not make the mistake of thinking He was just mildly opposed to these folks, but rather, some might say, militantly. He referred to them as vipers, wolves in sheep's clothing, children of the Devil and a whole host of other unflattering terms obviously designed to get the point across that these were dangerous creatures. Point of fact is that he was so convinced that they and the ideology driving their behavior was such an existential threat to humanity that He was willing to forfeit His life in trying to warn others, and it wasn't “THEM MOOZLIMS” but rather “THEM JEWS”.

Yes, that's right. He didn't warn people about the “leaven of the Imams” but rather the leaven of the Pharisees. He didn't forewarn His followers they would be dragged into mosques and persecuted but rather synagogues. In the book of Revelations, used by so many of the false prophets He warned us about as “proof” that it was our duty to expend every drop of our most precious resources we have—meaning our peace, prosperity and the blood of our children—in fighting the Jews' wars for them, he didn't pinpoint the cause of this time of future enslavement on the mosques, but rather on the synagogue.

You see, I have to remind you of this because right now you have morphed into a race of rabid dogs tearing to pieces whatever is put in front of you by your Zionist masters, who in reality are your real enemies and plan to kill you after you have finished doing their dirty work for them.

The fact that this needs any kind of explanation to you all is indicative as to how far gone you are in your disease. All the things you wring your hands over these days—the attacks on your Christian faith and the fact that the country has gone to hell in a handbasket—all this isn't the result of Islam.

It isn't THEM MOOZLIMS legislating Jesus Christ out of our culture through groups such as the ADL, ACLU, NARAL, NAMBLA, etc, it is THEM JEWS.

It isn't “THEM MOOZLIMS” buying off our congress people and making them dance the Havanagela in the \$30 million dollars a day we send to Israel, but rather THEM JEWS.

It isn't “THEM MOOZLIMS” pushing gun control, abortion, porn, and the million other things that conservative Christians find obnoxious to their way of life, but rather THEM JEWS.

It isn't THEM MOOZLIMS spying on America and selling our secrets to our enemies, but rather THEM JEWS.

We could go on and on, but that is a conversation for another time when you have eyes to see and ears to hear.

One thing He got right sure as shit however is the way all of you would fall victim to the lies peddled by His enemies. Remember all that business about a deception “so powerful” that even “the elect” would fall for it?

Congrats, you are part of that “elect” and how proud you must be. - © 2010 Mark Glenn, [TheUglyTruth](#)

First of all, as God is my witness, I must inform you that I am proud to proclaim that I am a pure bread, from the original tribe of Judah. Today I can be considered “Jewish” in name only, for I have been “born again” long, long ago adopting my Christian identity in my teen age years, and have since dwelled as one with my “gentile” brothers, I still have tons of great Jewish friends and family whom I love all dearly. So don't waste your time trying to discredit my

work as “anti-Semitic.” You can also leave the “self hating Jew” label elsewhere for I only despise the “Synagogue of Satan,” who consists of Zionist **Jew imposters** for their crimes against God and humanity. I just come forth with THE TRUTH and FACTS to expose things as they have been, currently are, and going to be. Take it or leave it, for the TRUTH is unchanging and eternal.

Now with that said, done and out of the way, I must go into the definition of who and what is Zionism. **Zionism is a secretive international political movement** that was originally founded and purported to support the establishment of the homeland for the Jewish people in Palestine, the establishment of the physical nation of Israel. Today Zionism’s true colors show brightly as they seek to expand the borders of their Aparthied state of Israel not only to the massive size of the original Israel at the time of Solomon’s rule, for its insatiable quest for global world conquest and rule are self evident only to those who have not been blinded by their illusions. It seems that there is no stopping them, as they have hijacked the position of “the chosen ones” that been promised rulership by the authority vested in them, none other than: “**GOD**”!

BEHOLD:

For here is the revelation of the true meaning of **The ABOMINATION THAT CAUSES DESOLATION:**

The biblical prophecy of the Abomination that Causes Desolation has been engineered by **the white Zionist AshkeNAZI Europeans whom have HIJACKED Judaism**, claiming themselves to be Jews, they have come forth hell bent on world conquest. **The abomination that causes desolation began in 1948 when the AshkeNAZI EUROPEAN ZIONISTS (most of which came from Germany) who's ancestors CONVERTED to Judaism, disguising themselves as "Jews".... invaded and occupied God's Holy Land calling it their own.** Let it be known that the illegal invasion/seizure/occupation of Zion aka: Jerusalem is THE abomination that causes desolation.

The Luciferian imposters SEIZED control of Zion (Jerusalem) by using the Jewish identity and Godliness to perpetrate one of history’s most diabolical and ingenious heists. Today they virtually rule with impunity, completely unopposed in many lands and industries such as finance, media, gemstones, etc., Their agents have penetrated deep into the many of the world’s political systems. All this has been made possible by the HUMAN SHIELD (the true SEMITIC Jews) they have hijacked and cloaked themselves around: God’s chosen ones. The imposters hell bent on conquest call themselves “Ashke**NAZI** Jews” have taken everything and have been positioning themselves the rulers of us all through lies, deceit, theft, destruction, murder, wars and so forth to get to where they are at this moment.... The word “peace” for this group of people means nothing to them other than its use as a pretense to getting their agendas passed. These are NOT the princes of peace as described in the bible.... They are hell bent on conquest at all costs.... And they are not done yet either.... To he who has an ear let him hear...

Rabbi Weiss Rips the Ideology of Zionism - [video](#)

Excerpt From The Egyptian Gazette -- Sept. 17, 1964

[still evermore as true and relevant today as it was four decades ago]

“The Zionist armies that now occupy Palestine claim their ancient Jewish prophets predicted that **in the "last days of this world" their own God would raise them up a "messiah" who would lead them to their promised land, and they would set up their own ‘divine’ government in this newly-gained land, this ‘divine’ government would enable them to ‘rule all other nations with a rod of iron.’**”

If the Israeli Zionists believe their present occupation of Arab Palestine is the fulfillment of predictions made by their Jewish prophets, then they also religiously believe that Israel must fulfill its "divine" mission to rule all other nations with a rod of irons, which only means a different form of iron-like rule, more firmly entrenched even, than that of the former European Colonial Powers.

These Israeli Zionists religiously believe their Jewish God has chosen them to replace the outdated European colonialism with a new form of colonialism, so well-disguised that it will enable them to deceive the masses into submitting willingly to their "divine" authority and guidance, without the masses being aware that they are still colonized.

CAMOUFLAGE

The Israeli Zionists are convinced they have successfully **camouflaged their new kind of colonialism**. Their colonialism appears to be more "benevolent," more "philanthropic," a system with which they rule simply by getting their potential victims to accept their friendly offers of economic "aid," and other tempting gifts, that they dangle in front of the newly-independent nations, whose economies are experiencing great difficulties. During the 19th century, when the masses throughout the world were largely illiterate it was easy for European imperialists to rule them with "force and fear," but in this present era of enlightenment the masses are awakening, and it is impossible to hold them in check now with the antiquated methods of the 19th century.

The imperialists, therefore, have been compelled to devise new methods. Since they can no longer force or frighten the masses into submission, they must devise modern methods that will enable them to maneuver the masses into willing submission.

The modern 20th century weapon of neo-imperialism is "dollarism." The Zionists have mastered the **science of dollarism: the ability to come posing as a friend and benefactor, bearing gifts and all other forms of economic aid and offers of technical assistance**. Thus, the power and influence of Zionist Israel in many of the newly "independent" nations has fast-become even more unshakeable than that of the 18th century European colonialists... and this new kind of Zionist colonialism differs only in form and method, but never in motive or objective.

At the close of the 19th century when European imperialists wisely foresaw that the awakening masses would not submit to their old method of ruling through force and fears, these ever-scheming imperialists had to create a "new weapon," and to find a "new base" for that weapon.

DOLLARISM

The number one weapon of 20th century imperialism is Zionist dollarism, and one of the main bases for this weapon is Zionist Israel. The ever-scheming European imperialists wisely placed Israel where she could geographically divide the Arab world, infiltrate and sow the seed of dissension among leaders and also divide the nations.

Zionist Israel's occupation of Arab Palestine has forced the Arab world to waste billions of precious dollars on armaments, making it impossible for these newly independent Arab nations to concentrate on strengthening the economies of their countries and elevate the living standard of their people.

And the continued low standard of living in the Arab world has been skillfully used by the Zionist propagandists to make it appear to the masses that the Arab leaders are not intellectually or technically qualified to lift the living standard of their people ... thus, indirectly "educing" masses to turn away from the Arabs and towards the Israelis for teachers and technical assistance.

"They cripple the bird's wing, and then condemn it for not flying as fast as they."

The imperialists always make themselves look good, but it is only because they are competing against economically crippled newly independent countries whose economies are actually **crippled by the Zionist-capitalist conspiracy**. They can't stand against fair competition.

MESSIAH?

If the "religious" claim of the Zionists is true that they were to be led to the promised land by their messiah, and Israel's present occupation of Arab Palestine is the fulfillment of that prophesy: where is their messiah whom their prophets said would get the credit for leading them there?

It was Ralph Bunche who "negotiated" the Zionists into possession of Occupied Palestine! Is Ralph Bunche the messiah of Zionism? If Ralph Bunche is not their messiah, and their messiah has not yet come, then **what are**

they doing in Palestine ahead of their messiah?

Did the Zionists have the legal or moral right to invade Arab Palestine, uproot its Arab citizens from their homes and seize all Arab property for themselves just based on the "religious" claim that their forefathers lived there thousands of years ago? Only a thousand years ago the Moors lived in Spain. Would this give the Moors of today the legal and moral right to invade the Iberian Peninsula, drive out its Spanish citizens, and then set up a new Moroccan nation ... where Spain used to be, as the European Zionists have done to our Arab brothers and sisters in Palestine?...

In short the Zionist argument to justify Israel's present occupation of Arab Palestine has no intelligent or legal basis in history ... not even in their own religion. **Where is their Messiah?"**

My having "discovered" that the Zionist Jews are the ones behind most of all the elements of the "matrix illuminati" was and is still very startling to me at the time, even though this may be "old news" for some well studied researchers have known this for decades. Since making this discovery now a day does NOT go by when I interact in with others, watch TV, take in global events, and so forth that I do NOT **notice the JEWISH NAME** of a KEY person behind the production, show, organization or whatever it is that I am witnessing. THIS is completely mind blowing. I challenge everyone reading this report to take a moment and make a conscience effort to look at the names of the principles, the cast, the writers, producers, the CEOs, the leaders, the actors, reporters, the studio heads, who makes the movies, shows or anything in the media for instance. You will be completely ASTONISHED, like myself when you witness first hand and REALIZE that this small ethnic group of people have in fact for all intents and purposes become the preeminent most influential group worldwide, the gate keepers, establishing the norms, involved in and manipulating all areas of everything that matters.

In his article, "*Why Jews make more money and win more Nobel prizes,*" Rabbi Levi Brackman attempts to explain why Jews are so successful in so many fields of endeavor. "*Jews make up less than half of 1 percent of the world's population but they consistently have made up more than 20 percent of the Forbes 400 list,*" he notes. "*Jews excel at more than making money. Thirty percent of Nobel prize winners in science are Jewish, and major Hollywood studios, like Paramount Pictures and Universal Studios, are also run or owned by Jews. In virtually every industry successful Jews are disproportionately represented.*"

BREAKING NEWS: WORLD WIDE ALIEN INVASION!

Unbeknownst to all leaders of the world, Dept of Homeland Security, National Security Agency, even the President, none of them seem to have witnessed the invasion hit their shores. The aliens arrived in air crafts and boats from all parts of the world. They spread to all parts of the planet by stealth, unnoticed by the natives, for they came disguised as "normal" persecuted people donning heart warming smiles and full of promises. Thus the natives welcomed them with open arms everywhere they landed. Little by little they dispersed and integrated into society taking key positions in all areas of importance. First they dominated the realm of law, finance and banking, from that power base they used the access to unlimited funds to finance their species who proceeded to take over and completely dominate and monopolize the world of communications. Today they also rule the entire realm of media with an iron fist.

Once they dominated the world's information dissemination networks they were able to selectively report whatever they wanted to beam on the airwaves as "truth" for with absolute control of all media they also had absolute control of how the public perceived them and the world around them. They thus controlled and influenced worldwide cognitive perception of REALITY itself using the media technology apparatuses to program the populations.

With that power base firmly in place, they proceeded to also simultaneously infiltrate the world of politics and governments, from the local levels all the way up to control of nations. Today they make up over 33%+ of our Senate, and 33%+ of congress, not to mention all the other senators and congressmen they wield chokehold influence over.

This massive invisible invasion has gone unnoticed and unreported due to the fact that anyone who comes forth to

declare the breaking news.... Ummm... hello! Wait a second! The media just happens to belong to them! Is quickly pushed away and ignored or ridiculed as a fruit cake by the invading aliens who control the media. Those who persist to make a big stink and try to warn the world of this alien invasion are viciously attacked, persecuted, mocked and eventually silenced in numerous ways.

I regret to inform you that today we stand in a nation that has been COMPLETELY TAKEN OVER by the alien invasion. **We are being ruled by an alien occupying force.** But that is not even the entire scope of the invasion; all of Europe was taken over at least one generation prior to our takeover. These alien beings constitute just 0.22 percent of the population of the planet but managed to takeover approximately 70-90% of all wealth, ownership and/or control of the world...

Today the world is under siege in all areas, they symptoms of the invasion are everywhere, wide spread poverty, famine, disparities, financial collapse of economies, military invasions, occupations and so forth, the list is epic when you realize that all the strings are being pulled by the invading army of aliens who have taken control over the livelihood and futures of all mankind.

I come forth as a witness to this world wide invasion. I am a fellow brother in the Lord Christ, who is the savior of all mankind by the power given to him by Heavenly Father. Even though the spawn of Satan are firmly rooted in ALL areas and aspects of society, finance, media, business and government, in what seems like an imposible to break chokehold on all commerce, events, policies and activities we must have faith that somehow, someway our savior will return to vanquish the enemies of Heaven and the minions here on earth.

The alien invasion that I reveal and warn of are the white European Zionist “Jews” aka: the prophesized “Synagoge of Satan.”

A core Zionist stratagem of eons ago was the cornerstone initiative, that the Jewish religion, the **Hebrew Bible** should be used to control the goyim sheep, the common denominator that binds and holds together the Jewish and Christian Neocons is that Old Testament. Oh, and the key to how the Jews manipulate the Judeo-Christians to do their bidding. It is the driving force that sparks increasing and unquestioned US support for Israel, no matter what the cost is to the US and the rest of the world. The Hebrew Bible is a collection of writings by ancient Jews to promote themselves, threaded throughout this Hebrew Bible is a game plan for the Zionists to take and keep the high ground in society and in world affairs... The zionists are the devil's advocate.

Interview with Rabbi Yisroel Dovid Weiss - [video](#)

To start with is Deuteronomy 7:6. This Bible quote has the God of the Hebrew Bible saying the Jews are, “**above all people that are upon the face of the earth.**” Comprehending this mindset is a good place to start for the masses to understand where these Zionist alleged “Jews” are coming from. For they firmly believe that they will get everyone on the planet is to **serve them as God’s chosen people**...

Jews Against Zionism, and Only Zionism

There are numerous groups in the political world that claim to be against Zionism and the Jewish state of Israel. When I first learned out about Zionism and Israel back in 2005, I was surprised to find a few Jewish groups who were also anti-Zionist. At first, I supported these groups and the actions they did, such as protesting and educating people about the difference between Judaism and Zionism. I learned that Zionism was totally against traditional Jewish beliefs and that it was nothing more than a materialistic movement to conquer and own a piece of land. After supporting groups such as True Torah Jews Against Zionism and Neturei Karta International for a few years, and after much research, I realized the deep truth about these groups. They are against Zionism and only Zionism.

Jewish State of Israel

What I mean by this is that they aren’t against anything else regarding Jewish criminality or primitive behavior. They still circumcise, believe in the Torah, Talmud, anti-Semitism, and also the Holocaust™. Of course they oppose the state of Israel, but an important question to ask is, “why do they not support the Jewish state of

Israel”? Looking through Neturei Karta’s website, I find that they oppose Israel and Zionism because apparently the Jews are supposed to be in exile right now according to their Torah, and are to remain in exile until the “creator” comes down and grants them a kingdom. Here is a direct quote taken from their website:

“The only time that the People of Israel were permitted to have a state was two thousand years ago when the glory of the creator was upon us, and likewise in the future when the glory of the creator will once more be revealed, and the whole world will serve Him, then He Himself (without any human effort or force of arms) will grant us a kingdom founded on Divine Service.”

It should be obvious that they believe they are the “People of Israel” and have been for thousands of years. They read from the Torah and Talmud, and carry out its primitive practices and traditions laid out in them. They claim that Judaism and Zionism are totally opposite from each other, which to some extent is true. Zionism should not take all the blame. But from what I have seen, Zionism spawned from Jewish beliefs. Just look through their “Holy” books and see what is written in their pages. You will find that the state of Israel is no different in its actions against the Palestinians. They have stolen the land and are now fully taking it over through means of rape, genocide, and murder.

The Talmud

Looking around on True Torah Jews website, I found a “Questions and Answers” section. In this section, I found a question someone asked which was “How do true Torah Jews view the Talmud?” Here is the most significant part from the response given by a Jew from the site:

“At that time the Sages became afraid that the laws would be forgotten, and they decided to write them down. This written work was called the Mishnah, and is the backbone of the Talmud. Even this Mishnah was written in a concise style and left much room for oral explanation, which went on being passed down for another 300 years. At that time it was written down, again out of fear of being forgotten, as the Talmud. All of Jewish law today is based on the Talmud, and is kept by all observant Jews. There have been break-off sects in history - once in about 300 BCE and another in about 700 CE - who rejected the orally transmitted laws. But they are almost non-existent today.”

It should now be obvious what these “anti-Zionist” Jews stand for. They only reject the state of Israel, and nothing else. They don’t reject the Talmud’s vile teachings, or the primitive ritual of circumcision on little, helpless babies. They don’t reject the made up story known as the Holocaust™. They also defend what is written in these books and claim that Gentiles have misinterpreted the meaning of the text. I also wonder if they recite the Kol Nidre prayer during Yom Kippur. If you have not heard of "Kol Nidre", I urge you to look into it.

Anti-Semitism

So-called “anti-Semitism” has been around for thousands of years and has existed much longer than Zionism. Taking a look around the True Torah Jews website, one can find a section on “anti-Semitism”. They state that Zionism promotes anti-Semitism. Here is a direct quote from their website about the issue:

“Anti-Semitism is prejudice or discrimination against Jews, based on negative perceptions of their religious beliefs and/or on negative group stereotypes. Anti-Semitism can also be a form of racism, as when Nazis and others consider Jews an inferior "race".”

I guess they haven’t heard of Jewish author Benard Lazare and the quote from his book which states that the reason for so many expulsions of Jews throughout the years must be rooted within the Jews themselves. The word “anti-Semitism” today is manipulated in any and every direction possible. For example, if you criticize the state of Israel or its policies, or if you speak out against Jewish crimes against humanity, you will be labeled as an “anti-Semite”. Maybe the reason why they are disliked is because they proclaim to be the “chosen” ones and for that reason are superior to Gentiles. There are numerous quotes by rabbis proclaiming that Jewish lives are more valuable and precious than any Gentile life. If you think what I’m saying is out of line, then I urge you to read Israel Shahak’s book, "Jewish History, Jewish Religion: The Weight of Three Thousand Years." Shahak was an Israeli Jew and knew much about the teachings of the Talmud and its laws against non-Jews.

The Holocaust™

These Jewish, anti-Zionist groups also believe the fairy tale known today as the Holocaust™ of World War II. They point out that some Jews and Zionists intentionally collaborated with the Nazis in order to ensure the state of Israel as their future home. They will point this out all day, but will fail to look into Jewish Holocaust™

researcher David Cole and his informative film “The Truth Behind the Gates of Auschwitz”. Instead they perpetuate the Holocaust™ lie and Jewish suffering, while showing you Zionist collaboration and tell you how evil the Zionists are. Now, I’m not implying that Zionists are not evil or disagreeing with what they are saying. I am only pointing out the fact that they fail to show the whole truth or even believe the whole truth.

Also, Jewish author Norman Finkelstein wrote a book about the Holocaust™ titled “The Holocaust™ Industry”. A lot of people call him a “Holocaust™ denier”, but he actually still believes in the Holocaust™ fairy tale as well. He has exposed the industry in which Jews are profiting from this made-up story, but almost anyone with a brain and critical-thinking skills can see this fact. So many stories are made up by lying Jews who wish to gain support, sympathy, and money, and are then exposed in the news every year. A lot of Jews are profiting from these fake stories, such as writing books about them and having entire Hollywood films made as well. The Jews Against Zionism are not doing any good by pushing this fairy tale.

Conclusion

In conclusion, let me state that these Jews are doing something good, such as opposing the state of Israel and on the surface it looks good. But digging deeper into it, one will find out that these Jews are doing it for all the wrong reasons, while still believing in their “Holy” books, made up stories, and practicing their primitive rituals. They only oppose this criminal state because their Torah says they should be in exile. These Jews are against Zionism, and only Zionism.

Again I have reiterate: one of the best places to begin understanding the fundamentals of the Talmud teachings and how they view life and think is to read the Talmud and the works of Michael A. Hoffman (Jewish “truther”) at the website www.revsionisthistory.org. One article in particular that is extraordinary in its exposing the true nature of the Talmud is: “[Truth about the Talmud; Racist, Rabbinic Hate Literature.](#)” I will leave you with another interesting, revealing link: [Anti-Christian Excerpts from the Talmud.](#)

Jewish Rabbi: Zionists are Godless Criminal Thugs - [video](#)

You owe it to yourself to do your own research into the Talmud (again I recommend knowing what the Zionist elite revolve their lives around. Teachings such as this are standard text in the original uncensored versions of the Talmud:

“Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal (Goyim) in human form, and condemned to serve the Jew day and night.” - Midrasch Talpioth, p 225-L.

Talmud or Old Testament?

Like you, at one time I believed that the essential difference between Jews and Christians was that the Jews believed in the Old Testament and the Christians believed in the New Testament. The truth is that their “real bible” is The Talmud. The Jewish book “The Mitzbeach” states that “there is nothing superior to Holy Talmud.” While Jews profess to be attached to the Old Testament to the outside world, the real essence of the Jewish creed is not the Old Testament as such, not the books of Moses, but The Talmud.

There are several branches of Jewry such as the Orthodox, Reform, Liberal, Conservative, Sephardim, Ashkanazim, Zionist, etc., but they all use The Talmud in their synagogues, just as all different branches of Christians use the same Bible. The Talmud is made up of 63 books in 524 chapters and is often printed in 18 large volumes. It was written by Rabbis between the years 200AD and 500AD. Eight Catholic condemned the Talmud. Martin Luther, founder of the Protestant Church, ordered it burned.

Pope Clement VIII declared, “The impious Talmudic Cabalistic and other wicked books of the Jews are hereby entirely condemned and they must always remain condemned and prohibited and this law must be perpetually observed.”

The Talmud holds that only Jews are true human beings and Gentiles are “goyim” (meaning cattle or beast). The following shocking but exact quotes from the various books of “The Talmud.”

1. Sanhedrin 59a: “Murdering Goyim is like killing a wild animal.”
2. Abodah Zara 26b: “Even the best of Gentiles should be killed.”
3. Sanhedrin 59a: A goy (Gentile) who pries into The Law (Talmud) is guilty of death.”
4. Libbre David 37: “To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly.”
5. Libbre David 37: “If a Jew be called upon to explain any part of the rabbinic books, he ought to give only a false explanation. Who ever will violate this order shall be put to death.”
6. Yebhamoth 11b: “Sexual intercourse with a little girl is permitted if she is three years of age.”
7. Schabouth Hag. 6d: “Jews may swear falsely by use of subterfuge wording.”
8. Hikkoth Akum X1: “Do not save Goyim in danger of death.”
9. Hikkoth Akum X1: “Show no mercy to the Goyim.”
10. Choschen Hamm 388, 15: “If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth.”
11. Choschen Hamm 266, 1: “A Jew may keep anything he finds which belongs to the Akum (Gentile). For he who returns lost property (to Gentiles) sins against the Law by increasing the power of the transgressors of the Law. It is praiseworthy, however, to return lost property if it is done to honor the name of God, namely, if by so doing, Christians will praise the Jews and look upon them as honorable people.”
12. Szaaloth-Utszabot, The Book of Jore Dia 17: “A Jew should and must make a false oath when the Goyim asks if our books contain anything against them.”
13. Baba Necia 114, 6: “The Jews are human beings, but the nations of the world are not human beings but beasts.”
14. Simeon Haddarsen, fol. 56-D: “When the Messiah comes every Jew will have 2800 slaves.”
15. Nidrasch Talpioth, p. 225-L: “Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jews is consequently an animal in human form, and condemned to serve the Jew day and night.”
16. Gad. Shas. 2:2: “A Jew may violate but not marry a non-Jewish girl.”
17. Tosefta. Aboda Zara B, 5: “If a goy kills a goy or a Jew, he is responsible; but if a Jew kills a goy, he is NOT responsible.”
18. Schulchan Aruch, Choszen Hamiszpat 388: “It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he denounces.”
19. Tosefta, Abda Zara VII, 5: “How to interpret the word ‘robbery.’ A goy is forbidden to steal, rob or take women slaves, etc., from a goy or from a Jew. But a Jew is NOT forbidden to do all this to a goy.”
20. Sef. Jp., 92, 1: “God has given the Jews power over the possessions and blood of all nations.”
21. Schulchan Aruch, Choszen Hamiszpat 156: “When a Jew has a Gentile in his clutches, another Jew may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law.”
22. Schulchan Aruch, Johre Deah, 122: “A Jew is forbidden to drink from a glass of wine which a Gentile has touched, because the touch has made the wine unclean.”
23. Nedarim 23b: “He who desires that none of his vows made during the year be valid, let him stand at the beginning of the year and declare, ‘Every vow which I may make in the future shall be null’. His vows are then invalid.”

We could provide many more quotes from this offensive book, but I believe that the point is clear: The Jews are involved in what can be called, and indeed has been called, a conspiracy against all mankind and will take whatever steps they deem necessary for them to dominate the rest of the world. It is because of these beliefs and the willingness of the Jews to act upon them, that “anti-semitism” exists and perhaps the reason why the

Jews have been disliked and driven out of every nation in which they have inhabited at least once.

In the Verses that follow, I hope to make clear to you just how far the Jews have gotten with this Talmudic conspiracy.

1. "We beg Thee, O Lord, inflict Thy wrath on the nations not believing in Thee. Take away, O Lord, all hopes from them. Destroy all foes of Thy nation." –Synagaga Judaica, p. 212. Minhagen, p. 23. Crach Chain 480 Magah.
2. "The teachings of the Talmud stand above all other laws. They are more important than the laws of Moses." –Rabbi Issael, Rabbi Chasbar, et. Al.
3. "The decisions of the Talmud are words of the living God. Jehovah Himself asks the opinion of the earthly rabbis when there are difficult affairs in heaven." –Rabbi Menechen Commentary on Fifth Book
4. "Jehovah Himself studies the Talmud standing, he has such respect for that book." –Tract Mechillo
5. "It is more wicked to question the words of the rabbis than those of the Torah." –Mishna Sanhedrygn 11:3
6. "It is forbidden to disclose the secrets of the law. He who would do it would be as guilty as though he destroyed the whole world." Jektat Chadasz, 171, 3
7. "Every goy who studies the Talmud and every Jew who helps him in it, ought to die." –Sanhedryn, 59a, aboda Zora 8-6, Szagiga 13
8. "As soon as the King Messiah will declare himself, He will destroy Rome and make a wilderness of it. Thorns and weeds will grow in the Pope's palace. Then He will start a merciless war on non-Jews and will overpower them. He will slay them in masses, kill their kings and lay waste the whole Roman land. He will say to the Jews: 'I am the King Messiah for whom you have been waiting. Take the silver and gold from the goyim.'" –Josiah 60, 6. Rabbi Abarbanel to Daniel 7, 13
9. "A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat." –Hadarine, 20, B; Schulchan Oruch, Choszen Hamispat 348
10. "A Jew may misuse the non-Jewess in her state of unbelief." –Maimonides, Jak. Chasaka 2:2
11. "Thou shalt not do injury to thy neighbor (Bible, but it is not said, 'Thou shalt not do injury to a Goy.'" –Mishna Sanhedryn 57
12. "When you go to war, do not go as the First, but as the last, so that you may return as the first. Five things has Kanaan recommended to his sons: 'Love each other, love the robbery, hate your masters and never tell the truth.'" –Pesachis F. 113B
13. "A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may not suffer." –Schulchan Aruch, Jore Dia
14. "If a goy wants a Jew to stand witness against a Jew in a Court of Law, and if the Jew could give fair evidence, he is forbidden to do it; but if a Jew wants a Jew to be a witness in a similar case against a goy, he may do it." –Schalchan Oruch, Choszen Hasiszpat 28, Art. 3 and 4
15. "Those who do not confess the Torah and the Prophets must be killed. Who has the power to kill them, let them kill them openly with the sword. If not, let them use artifices, till they are done away with." –Schulchan Oruch. Choszon Haviszpat 425.5
16. "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general" –Schalchan Aruch. Choszen Hasiszpat 348
17. "Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him emuneration." –Schalchan Oruch, Choszen Maipispat 388
18. "On the house of the goy one looks as on the fold of cattle." –Tosefta Erabin VZZ, 1
19. "All vows, oaths, promises, engagements, and swearing, which, beginning this very day or reconciliation

till the next day of reconciliation, we intend to vow, promise, swear, and bind ourselves to fulfill, we repent of beforehand; let them be illegalized, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be no vows, and our oaths no oaths at all.” –Schulchan Oruch, Edit. 1, 136. The Jewish Kol Nidre “All Vows” Oath has been set to a morbid Jewish music, and is often heard on the radio. It is sung as a chant at each Yom Kippur [Jewish New Year service September 17]

20. “Everything a Jew needs for his church ritual no goy is permitted to manufacture, but only a Jew, because this must be manufactured by human beings and the Jew is not permitted to consider the goyim as human beings.” –Schulchan Oruch, Orach Chaiw 14, 20, 32, 33, 39. TalDud Jebamoth 61
21. “A Jewish mid-wife is not only permitted but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But it is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal.” –Schulchan gruch, Orach chaim 330
22. “At the time of the Cholhamoed the transaction of any kind of business is forbidden. But it is permitted to cheat a goy, because cheating of goyim at any time pleases the Lord.” –Chuichan Qruch, Orach ChaiD 539
23. “The Jews are strictly forbidden to cheat their brothers and it is considered cheating already if one-sixth of the value has been taken away from him. Whoever has cheated his brother has to return it to him. Naturally all that only holds towards the Jew, to cheat a goy he is permitted, and he is not permitted to return to him what he cheated him out of. Because the Bible says: ‘Thou shalt not cheat thy next brother,’ but the non-Jews are not our brethren but as mentioned above, worse than dogs.” –aruch hoszen Haniszpat 227

The only way to sift through the myriad of HYPE, falsehoods and propaganda of the Zionist cartel is to take off your rose colored glasses and objectively sit back and **take a cold hard look at what the leaders of the Zionist cartel have been saying and talking about in private when addressing their own kind**. Once you truly understand what they TRULY believe you will see through their public disguise of being “benevolent world citizens,” for once you remove their disguises the clear image of sinister evil lying backstabbing murdering people hell bent on world conquest appears. Instead of being what they **PRETEND** to be “god fearing people” the Zionists are in fact Lucifer’s secret agents of the Synagoge of Satan.

Judaism is different than Islam and Christianity because it's an ethnicity more than it is a religion. Many, if not most Jews are atheists. Defining Israel as a Jewish nation is like defining the US as an Anglican nation.

Zionist founded Israel pretends to be loving benevolent world entity, but this is nothing more that PR propaganda fairytale hype royal batshit insane horse crap. Here is a collection of real quotes by top cream de la cream prominent Zionist leaders over the years and you decide for yourself:

“The removal of Arabs bodily from Palestine is part of the Zionist plan to spirit the penniless population across the frontier by denying it employment... both the process of expropriation and the removal of the poor must be carried away discreetly and circumspectly.” – **Theodore Herzl** – One of the founders of World Zionist Organization – Complete Diaries, June 12, 1985 entry.

“We must use terror, assassination, intimidation, land confiscation, and the cutting of all social services to get rid the Arab population” – **David Ben Gurion** – Israeli Statesman and Israel’s first prime minster

“We have to kill all the Palestinians unless they are resigned to live here as slaves.” – **Chairman Heilbrun**, the Mayor of Tel Aviv.

“If I were an Arab leader, I would never sign an agreement with Israel. It is normal; we have taken their country. It is true God promised it to us, but how could that interest them? Our God is not theirs. There has been anti-Semitism, the Nazis, Hitler, Auschwitz, but was that their fault? They see but one thing: we have come and we have stolen their country. Why would they accept that?” – **David Ben Gurion** – Israel’s first prime minister,

1948, quoted by Nahum Goldmann in *Le Paradoxe Juif* (The Jewish Paradox), pp. 121-122

“We must use TERROR, assassination, intimidation, land confiscation and the cutting of all social services to rid the Galilee of its Arab population.” – **Israel Koenig**, April 1976, from The Koenig Memorandum.

“We declare openly that the Arabs have no right to settle on even one centimeter of Eretz Israel... Force is all they do or ever will understand. We shall use ultimate force until the Palestinians come crawling to us on all fours.” – **Raphael Eitan**, chief of staff of the Israeli Defense Forces, quoted from *Yediot Ahronot*, April 13, 1983, and *The New York Times*, April 14, 1983

“The Palestinians are beasts walking on two legs.” – **Menachem Begin**, Israeli Prime Minister (1977-1983) speech to the Knesset, quoted in Amnon Kapeliouk, “Begin and the Beasts,” *New Statesman*, June 25, 1982

“We have to kill all the Palestinians unless they are resigned to live here as slaves.” – **Shlomo Lahat**, Mayor of Tel Aviv, October 1983

*“Our strategy was always to **provoke** the Arabs and get an appropriate response so we could attack and smash them.”* – **Moshe Dayan**, Israeli General, from his diaries.

“I don’t mind if after the job is done you put me in front of a Nuremberg Trial and then jail me for life. Hang me if you want, as a war criminal. What you don’t understand is that the dirty work of Zionism is not finished yet, far from it.” – **Ariel Sharon**, Israeli Prime Minister, quoted from Amos Oz interview with Sharon, originally published in the Israeli daily *Davar* on December 17, 1982

“When we have settled the land, all the Arabs will be able to do about it will be to scurry around like drugged cockroaches in a bottle.” – **Raphael Eitan**, Former Chief of Staff of the Israeli Defence Forces

“The Palestinians will be crushed like grasshoppers and their heads will be smashed against the boulders and walls.” – Israeli Prime Minister (at the time) **Yitzhak Shamir**, *New York Times*, April 1, 1988

“I don’t know something called International Principles. I vow that I’ll burn every Palestinian child (that) will be born in this area. The Palestinian woman and child is more dangerous than the man, because the Palestinian child’s existence infers that generations will go on, but the man causes limited danger. I vow that if I was just an Israeli civilian and I met a Palestinian I would burn him and I would make him suffer before killing him. With one strike I’ve killed 750 Palestinians (in Rafah in 1956). I wanted to encourage my soldiers by raping Arabic girls as the Palestinian woman is a slave for the Jews, and we do whatever we want to her – and nobody tells us what we shall do – but we tell others what they shall do.” – **Ariel Sharon**, Israeli Prime Minister, interview with *Ouze Merham*, 1956.

Those are just but a very few notable quotes from the most high ranking and famous Israeli leaders who have been publically claiming they come in “peace” for more than 50 years, yet practicing hate, murder, rape, terrorism, theft, apartheid and genocide at every turn against their welcoming next door neighbors in a land they walked into beginning in 1948 yet their basic intent and purpose has been: “hey this is my land, leave or die you sons of bitches.”

Now the extremely important point I want to make is NOT even about the plight of the Palestinian people... for those poor unfortunate souls were doomed the day that the Zionists decided to move in and take over the neighborhood.

The bottom line and unadulterated reality is their plight is extremely sad indeed, but the real point, the real issue I want to highlight is that **THIS is the de facto standard MODUS OPERANDI of the Zionist Jew elite** who view securing Israel as just **PHASE ONE** of their **“god given commandment” to rule the WORLD**. When they get their long sought after “IRON FIST” control over all key resources, militaries, countries and ultimately the entire world... you can rest assured that **if you are not Zionist Jew... you WILL be treated EXACTLY like their Palestinian “hosts”** they have been systematically eliminating off the face of the planet. **You and your kind may someday face their wrath... for these are the people who claim to come in the name of “god” to rule this world...**

Behold: for I have said it, expect absolutely nothing to change from this paradigm, you are also a gentile, goyim, lemming, cattle, scum, grossly inferior animal race to **the most holy species of Zionist Jews who are put on this planet to RULE over you**, get over it already and just accept your pathetic slots in what little life is allotted for you to wander in.... or will you dare wake up and confront those who plot to enslave you *before* they accomplish their mission?

The whole world was astonished and followed the beast. Men worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can make war against him?" The beast was given a mouth to utter proud words and blasphemies and to exercise his authority for forty-two months. He opened his mouth to blaspheme God, and to slander his name and his dwelling place and those who live in heaven. He was given power to make war against the saints and to conquer them. And he was given authority over every tribe, people, language and nation. All inhabitants of the earth will worship the beast--all whose names have not been written in the book of life belonging to the Lamb that was slain from the creation of the world. He who has an ear, let him hear (Revelation 13:1-9).

Conspiracy of Zion

By Donald J Cassidy, 2004 11 20

It [America] has succumbed to Zionism, the Black Plague of our times. The Conspiracy of Zion goes back many centuries. It is spelled out in the Protocols. The Protocols estimated a timetable of a century for its triumph which has proved amazingly accurate. Today, America lives in Silverstein Towers in Wolfowitz America. Let history note our vaunted military deserted US. How did this happen?

First, let us distinguish between Judaism and Zionism. Judaism is an ancient religion going back to antiquity; its bible is the Old Testament. Modern Zionism is a political movement going back 150 years; its bible is the Protocols of the Members of the Elders of Zion. The success of Zionism is due to the immense sponsoring wealth of the Rothschild Dynasty and its astonishing political genius and cunning. It concocted a homeland in Palestine to unify World Jewry for its purposes. Very few people have read the Protocols; this was their undoing. There is no question that the Protocols accurately predict, as of a century ago, exactly what is happening in the world today. And Zionism is the thread that links all events. Zionism means to rule the world from Jerusalem.

Historically, Jews have had a poor reputation. It is their culture of money. They have never learned that humanity is fulfilled by Nature, Love, Art and Effort. They think it is Money and Power. They never assimilate in a society; they always strive for preference and superiority. Over centuries they have devised a myriad of ways to transfer the wealth of a society into their pockets including monopolies and gouging, money lending and usury, tax evasion and bankruptcy, endless financial frauds and swindles and speculation. They are a financial vortex. They are pariahs everywhere they settle. They bewail their "myth of victim-hood" when they are actually the predators. Benjamin Franklin called them "vampires". He knew them from Europe and did not want them in America. Yet today America hosts almost half of the world's Jewish population as their base of global power. The leadership and core of Zionism are called "Jews"; they brought an entirely new dimension to Judaism.

Most "Jews" in Europe and America today are descended from a race of Asians (Khazars) who immigrated into Europe in the Dark Ages and adopted the culture of Judaism. They have no connection whatsoever with Palestine. George Washington despised them. Benjamin Franklin called them "Asiatics". Actually, they are

atheists. Judaism is their cloak for conspiracy. Their papacy is the invisible Rothschild Dynasty. They call religious Jews "their lesser brethren" and exploit them for political purposes. "Anti-Semitism" is a myth, a canard to bolster their image as "victims" as well as a political shiv. They brought to Judaism political corruption, subversion of government, societal destruction, financial crises and panics, depressions and even wars per the Protocols. The list is as long as Jacob Marley's chain. Two hundred years ago, Thomas Jefferson said, "We have no paupers". Today America has fifty million paupers and another fifty million on the edge of poverty. The American Dream is gone. Franklin's vampires have plundered a beautiful and bountiful nation. They now hold a majority of American wealth.

War

Zionists have "had a hand" in every American war. The Civil War was not about slavery; it was about control of the country, the Rothschild Northern banks vs. Southern agrarians. The Robber Barons of the 19th century were financed by Rothschild, placing control of American industry in a few hands controlled by Rothschild. The greatest traitor in American history is not Benedict Arnold but Louis Brandeis, the Father of Zionism in America. Brandeis, Supreme Court Justice and blackmailer (of Wilson), prepared the Balfour Declaration with Rothschild which slaughtered 150,000 Americans in World War I for World Zionism, bringing it to world power. World Zionism declared World War II on Germany in 1933 from New York. Behind the scenes Zionists have involved America in all of the wars of the 20th century for World Zionism, World Oil and World Banking, all invisible Rothschild monopolies. War debt "fills their cashboxes" as well as the graveyards.

Financial crises

Depressions and financial crises and panics transfer immense wealth to them as admitted in their Protocols. They cause it by a sudden coordinated withdrawal of immense amounts of money and/or credit like the Great Depression or the Asian Crisis. They know it is coming (because they cause it) and safeguard their own wealth. When prices collapse, their wealth returns and buys valuable properties and assets at bargain prices. The history of the United States is dotted with depressions, recessions, financial crises and panics: 1817, 1837, 1869, and every decade thereafter to the end of the century and a very severe one in 1907 to prepare for the Rothschild Federal Reserve. Then the Crash of 1929 (withdrawal of money) followed by the Great Depression (withdrawal of credit) and endless war and escalating war debt ever since. Again and again, they have devastated the burgeoning wealth of other minorities.

Money and Debt

Prices remained stable in America for more than a century until the Rothschild Federal Reserve in 1913. Since then the Fed has so inflated our currency that costs have escalated to twenty times 1913 costs to support the Rothschild debt money supply. Rothschild currency always requires a huge tax to support the interest payments like an income tax or a value added (national sales) tax. But wages have not kept up and wages bear the bulk of taxation. This has forced the mothers out of the home to become taxpayers and destroyed the family. And the children are abandoned. Tragically, the same thing happened in Ireland in the 1840's. England needed more taxpayers to support its Rothschild debt currency and millions of Irish peasants lived in farming communes, paying no taxes. By heavy taxation of the land-owners, the peasants were forced off the land. There was plenty of food in Ireland but they had no Rothschild money to buy it; they starved or emigrated. The population was cut in half. Rothschild money rules the world. The world is suffocating under the weight of its debt to the Rothschild World Banking Empire. Nations pay the usurious interest over and over but the debt is never paid. For millennia, usury was considered racketeering, today it is the norm.

The Federal Reserve

The Federal Reserve is undoubtedly their most destructive enterprise. It drains trillions of dollars from the American people for the Rothschild Banking Empire. It controls the money, finance, employment and entire

economy of the American people and does not account for one cent. It is secret. You have to trust the greatest liars, propagandists and hoaxers in history. It is responsible for our employment and has "globalized" twenty million American jobs. And half of the remaining jobs in America do not pay family subsistent wages. It is astonishing that people would permit this. Yet its counterparts exist in most countries of the world. It's the same with the World Bank and the International Monetary Fund.

The Media

The Protocols boast the mass media has "fallen into their hands". They control the entire industry in America from television to book retailing including national newspapers and magazines. They make or break candidates for public office and narrow the choice of the electorate to their advantage. They have used it to brainwash and mislead the American people and advance the cause of Zionism. It filters all news through screens beneficial to Zionism. They demonize their opposition and deify their supporters. Americans, wrapped in the cocoon of television, are isolated from reality. They would do well to turn off all television news and begin to think for themselves.

Political Corruption

Zionists thrive on political corruption. Behind the scenes, they bribe and badger the government constantly. AIPAC et. al have been successful in installing their web throughout government. They know in advance what every branch and department of government is doing. They have subverted American elections and culled the Senate of all opposition, producing near unanimous votes. They are doing the same in the House. They control both Republican and Democratic Parties and have marginalized all Independents and Third Parties. They watch the appointment of judges and have their media and their many labels ready for an appointment they do not approve. They routinely bribe the President and manipulate him like an organ grinder's monkey. Truman was paid two million dollars to approve the state of Israel to fund his reelection. Election machines are "fixed"; elections are a sham; republican government, ended. The American people have succumbed like lemmings, as predicted in the Protocols.

Organizations and Factions

Zionists form endless organizations like AIPAC and MADD to tear at and reform government and the fabric of the society. Then more organizations of their organizations give the appearance of a large political movement when in fact there are really only a few like a cat hiking its back up. In the vacuum of legislative cowardice, they bring many lawsuits before selected judges who adjudicate their wishes. AIPAC boasts it controls Washington; MADD has criminalized thirty million Americans. Zionist "hate cells" are everywhere, watching everything. Their abuse and insults are to free speech what puns are to humor, the cesspool.

Bankruptcy and Taxes

The bankruptcy laws are the "promised land". They cancel their lawful obligations to banks and creditors who pass the costs on to everyone else while their money is secreted. When the people start this, it is quickly proscribed. Their vast wealth in America is exempt from all taxation and their investment income and inheritance taxes are being replaced by a national sales tax.

The Holocaust

The Holocaust is venerated around the globe. Shrines are required at public expense in every locality. It is drummed into the heads of our children in school like a state religion. To investigate or deny it is called criminal. Almanacs state the world population of Jews as constant from 1938 to 1948, around fifteen million, the same as 1925. The Jewish population in Europe also remained the same, about nine million. The biggest "Holocaust" in Europe was the starvation, murder and torture of millions of Germans under the Morgenthau Plan and the extortion of nearly a quarter trillion dollars in a half century for "poor little" Israel. (Read "The Holocaust

Industry' by Prof Norman Finkelstein). The generations of World War II are passing away but Holocaust "survivors" collecting reparations have tripled. It has proved a very profitable institution. So, of course, almanacs are attacked and the FBI wants to reclaim all almanacs as "aids to terrorism". In Protocol America, Terrorism, like so many Zionist subterfuges, is really Anti-Zionism.

The Takeover

In realization of the final phases of the Protocols, a minority of less than two percent of the people are taking over all important positions of Money and Power in America. They monopolize our Government, Education, Media, Banking and Finance, entire Industries, Professional Associations, etc. (Look up the heads of all major universities.) They constitute the authority figures in all matters in their mass media. This is to subliminally demonstrate their superiority. They thrive on double standards. A Dreyfus or a Klinghoffer is a world crisis but a Corrie or a USS Liberty is a "mishap". If this were another minority, the media would be up in arms, clear proof of conspiracy.

A Brave New World

The American "Experiment of 1776" has failed. Imagine a Kafka government ruling the entire planet from Jerusalem with one family dynasty as absolute despot. Read the Protocols. The continental unions like the EU and NAFTA and all treaties, international organizations like World Trade, IMF, World Bank, and NATO are designed to bring this about. It has been planned for many decades. There will be a global currency. There will be continuous crises, military, economic and financial. The wars of the Protocols have begun. Opportunities, employment and incomes will be strictly regulated; excess populations exterminated. Education and educators will be controlled; social progress rolled back to the 19th century. Personal rights and liberties will be only memories. Dissent will be crushed All citizens will observe each other and required to report any infraction even within families. Secret police are everywhere; the work camps are built. The state religion will be Judaism; all others banned. Parochial systems of education will be closed. This vast conspiracy against mankind is very real and America is the stepping-stone. America has been a Zionist controlled state for many decades without the knowledge or consent of its people. Its ruthlessness is proved by Waco, Ruby Ridge, Oklahoma City and Silverstein Towers. Zionism invented nuclear weapons and the humanicide of tens of millions of civilian populations and children in World War II. This is the Brave New World of the Protocols. God bless America (Israel); God help our children. ENJOY!

Benjamin Franklin warned, if these 'Asiatics' are allowed into this country,

"Our children will be working in their fields while they sit in their counting houses".

Wal-mart? And remember, this Brave New World could be avoided not by mighty armies or HAARP weapons but by a few simple words, to wit, An annual tax of fifty percent of all personal wealth, income and property in excess of five millions instead of endless wage and sales taxes.

"The powers of the government for the collection of taxes are perfect. They fall principally on the rich; it is a general desire to make them contribute the whole money we want." -Thomas Jefferson

The Zionists rabidly fight tooth and nail against all works that dare to be placed in circulation revealing their hidden secrets, practices and agendas therefore you will encounter tons of hyperbole, disinformation, propaganda, smear campaigns, rhetoric and even censorship trying to eliminate all revelations and exposes. Another such example of a massive battle to completely obliterate a famous expose' is the **100% historically accurate "Protocols of the Learned Elders of Zion"** an astounding work uncovered over a 100 years ago, which we have included in its entirety in the **addendum section** at the end of this report.

The Zionists were venomously FURIOUS when that secret holy document the Protocols of the Learned Elders of Zion was leaked to the goyim public, so much so that **they went ape shit to destroy and discredit it**, so much so, that in some places you can **GO TO JAIL** just for possessing that document! I kid you not. Read it and you will see for yourself the **amazing accuracy of the over a century old document in describing EVERYTHING the Zionists have been up to, doing, before, during and AFTER it was written.** In other words, the Protocols of Zion were their secret "Operators Manual."

Look at world history, **view all that the Zionists have done, worked for, championed and accomplished over the past century and compare it to the Protocols of Zion** and you will see it is a jaw dropping chilling bona fide 100% the real McCoy. **No supposedly work of "fiction" has ever existed in the history of mankind that has been so uncannily ACCURATE, over 100 years later, as documented history is our witness, almost all the Protocols have been/are being fulfilled and become REALITY.** There is absolutely no denying documented history and the parallels of the Protocols. The modus operandi is clear cut identical. The supposed "forgery" the Protocols were written over a 100 years ago, yet **perfectly revealed and described the exact modus operandi of the Zionists,** thus we can **study the Protocols to see what the Zionist cartel have been doing and WILL do in the coming years... it's that precise.**

The Protocols of Zion are so startlingly significant and accurately fulfilled throughout history that I had to include a complete copy of it. You will find the complete Protocols of The Learned Elders of Zion in the Addendum section of this Matrix Report.

The claim of "forgery" fails on many grounds, not the least of which is the internal nature of the document itself. As the Jew, Arthur Trebitsch, once put it, "an anti-semitic mind, no matter how far it may have been driven by anti-semitic rancor, could never have devised these swindles and underhanded expedients as a whole". Forgery is a difficult business. A forger of a painting, say a Rembrandt, must not merely have the technical ability to do the job, to copy to perfection, to age the paints and the canvas past the point of detection of all but the most sophisticated of modern forensic techniques, he must also have the ability to enter into the spirit of the artist he is copying, else his fraud shall be immediately detectable. In the case of the alleged Czarist "forgery" of the *Protocols*, in many passages, are similar with passages in Joly's "dialogues". Surely any forger, even a Czarist one with grandiose ambitions, would hardly have been so careless as to simply copy passages verbatim from a still available book of only forty years previously. Nothing would be easier for the other side to track down and then pronounce "Aha!"

Logic, then, supports the proposition that the Czarist authorities were not even aware of Joly's dialogues, much less culpable of copying from them. Otherwise they were remarkably optimistic as to what they could get away with. But the argument against "forgery" goes much deeper than this. The *Protocols* are the product of two things: (1) collective thinking and (2) a desire to tear down all that western civilization has created. They are the expression of a will at war with the outside world. This hostility is calculated with scientific precision. Every specific formulae of the *Protocols* is calculated to: (1) tear down and (2) bring the resulting chaos under ever increasing direction and control. These formulae bear the influence of many years, one might say centuries, of experience and calculation. They have obviously been honed through successes and failures, calculation and recalculation, with many minds' contribution to the fine tuning exactly as in the case of a certain declaration regarding a Jewish "national homeland" in Palestine which also went through many drafts and revisions, courtesy of many hands before being published in all its seeming innocuousness.

Any forger, operating in the dark without awareness of his enemies' true design, would be extremely unlikely to accidentally concoct a plan which did not at all describe the world as it then existed but which did accurately foretell so much of what was to subsequently come to pass in the ensuing century. Rather, a forger operating in the dark and with nothing more than malevolence and ill will to guide him, would most likely come up with a blueprint bearing absolutely no resemblance to future events. Thus, if the *Protocols* are a "forgery" they are of a kind which violates all the considerations which normally govern these matters. There is a further argument against the "forgery" thesis, and that is the reaction of the Jews themselves. The reaction, from the moment of first appearance of the *Protocols* was one of pure hysteria. It resembled the same reaction which Jews display over the so-called "Holocaust Denial". The *Protocols*, although first published in

Russia in 1905, attracted little public notice until the aftermath of the First World War when a Jewish-instigated communist revolution was raging in Russia. **The *Protocols* then appeared to corroborate political upheavals which were then mesmerizing the world. So uncanny was the resemblance between the events in Russia and the formulae of the *Protocols* that American State Dept. in 1919 in its position paper "The Power and the Aims of International Jewry" compared the plans of the *Protocols* with the documented statements of the leaders of world Jewry and found marked synchronicities and similarities.**

Zionism actually promotes Anti-Semitism! Theodor Herzl, the founder of modern Zionism, recognized that the anti-Semitism would further their cause, the creation of a separate state for Jews. To solve the Jewish Question, he maintained “**we must, above all, make it an international political issue.**” Herzl wrote that Zionism offered the world a welcome “final solution to the Jewish question.” In his “Diaries”, page 19, **Herzl stated “Anti-Semites will become our surest friends, anti-Semite countries our allies.”** As you can clearly see, from the days of Herzl, **anti-Semitism was viewed as a key strategy** for them to achieve their goals.

Anti-Semitism has been their shield and sword. They have been able to get away with untold number of acts that no one else on the planet could, all under the anti-Semite shield and sword. If you say ANYTHING they don’t like they immediately DEMONIZE you and raise the anti-Semite shield, deflecting it. Their anti-Semite attack is nothing other than a strategic means of control, for when you can control and limit the range of the language that is viewed as “acceptable”, you in essence control the argument and the boundaries of where anyone can tread. The “politically correct” protocol is a direct spinoff of this communication restriction scheme.

The remarkable aspect is when they label the TRUTH as anti-Semitic, because then the “truth” is DEMONIZED and rendered null and void!. You can’t tell the truth because it is “anti-Semitic”!!! Absolute **PURE FUCKING GENIUS!!!**

They are cunning skilled experts at pulling out the anti-Semite sword and cutting you to bits, it’s called character assassination, they have professional anti-Semite fire breathing character assassination hit squads and armies (ADL is just one example) just waiting to pounce on their next victim who **dares** speak the TRUTH about the Jews and their dealings. Thus **anti-Semitism has been their KEY COVER, SHIELD & SWORD throughout modern history**, allowing them to infiltrate everything and everywhere, while no one dare utter a word in opposition... **PURE FUCKING GENIUS!**

Incredible, they took a label “anti-Semite” and turned its **targets into infected lepers! DEMONIZING the mark**, far worse than any other four letter word. *Gasp*, “there goes the anti-Semite.” For when victims are plastered with that adhesive label they instantly cringe, begin to stutter, their knees become weak and they fold from the public ridicule, they all eventually BOW to their accusers, publically apologizing while pleading for mercy... **PURE GENIUS!**

Demonize your accusers, and portray them as biased racist bigoted dirt bags, they then publicly humiliate their targets using the entire fellow Jew owned and controlled mass media at their disposal to character assassinate the poor fool who dared open his mouth... **PURE GENIUS!**

Where is this practice leading to? In some countries where Jewish control was deeply embedded (such as in Stalin’s Soviet Union and Germany) **anti-Semitism was even punishable by DEATH**. If they have it their way, it will be as such all over the world, at which point it would become futile to resist them for the moment you open your mouth in commendation of their lies and atrocities you would be imprisoned or put to death... you heinous blasphemous slime ball anti-Semites!

The anti-Semite charge has been the most ingenious **TACTICAL WEAPON** found in history to **SILENCE, NEUTRALIZE and DEMONIZE your accusers and opponents**, NO MATTER HOW TRUE THEIR CLAIMS MAY BE, their revelations, findings, allegations and testimonies are MAGICALLY DEEMED NULL AND VOID by the mystically powerful anti-Semite charge.

Rarely do the “**bigoted racist slanderers**” recuperate their prior status in life; such is the sheer raw power of the Jewish influence. There are thousands upon thousands of cataloged successful public anti-Semite “prosecutions” and “convictions” out there, I will just use one example that is currently being perpetrated:

South African deputy foreign minister and ANC member Fatima Hajaig is under fire for allegedly saying that “Jewish money controls the United States”:

“Jews control America, no matter which government comes into power, whether Republican or Democratic, whether Barack Obama or George Bush” Hajaig told a crowd at a Johannesburg political rally two weeks ago. *“Their control of America, just like the control of most western countries, is in the hands of Jewish money.”*

Outraged by the remarks, the South African Jewish Board of Deputies (a “civil rights group” to protect the civil rights of, umm, only Jews) said it filed a complaint against Hajaig at the Human Rights Commission. *“That minister’s statement is incorrect, inflammatory and outrageous. We feel in our young democracy and in the 21st century, we should learn to respect each other and refrain from such anti-Semitic statements.”* There you have it, a perfect example, of a reputable person, a minister no less, makes a 100% TRUTHFUL statement only to be immediately assaulted on a national media level and covered by an avalanche of news sources. She is being attacked and set on display on a world level for all to see **what happens to those who dare bear witness against their Jewish masters**. She is also being prosecuted at her local level, where they will attempt to inflict as much damage to her career and life as humanly possible.

22 year CIA veteran, Unit Chief Michael Scheuer addressed the taxpayer-funded Center for Naval Analyses in Alexandria, Virginia, where he explained that “U.S. citizen Israel-firsters (Zionists). . . dominate the American governing elite where they act to ensure that those like himself **who question the nature and benefit of current U.S.- Israel ties are slandered as pro-Nazi, anti-Semites.**”

That’s nothing, the anti-Semitism stratagem has become so powerful that in the Global Anti-Semitism Review Act of 2004 became reality here in America (see the codified statue below) it allowed the Zionists to establish an official government agency to handle anti-Semitism! The **Office to Monitor and Combat Anti-Semitism** is a part of the Bureau of Democracy, Human Rights and Labor Affairs (DRL) at the United States Department of State. It is headed by the Special Envoy to Monitor and Combat Anti-Semitism (SEAS). The office “advocates U.S. policy on anti-Semitism both in the United States and internationally, develops and implements policies and projects to support efforts to combat anti-Semitism.”

You can thank good ole George Bush for the new office, Obama recently appointed a new czar to run the office, a devout Zionist Jew Hannah Rosenthal who’s first official act was to put on a public show making believe that she is, get this, anti-Israel... LOL! The Jews have been making believe she is extremely anti-Israel so as to buffer the fact that she is actually ONE OF THEM. This is a common age old Jewish arguing tactic, where they create a bogus animosity, arguing, bickering, amongst one another, sparking controversy thus creating hype and illusion that they are against their own, when in fact it is the exact opposite. When the cameras are not rolling you will find them laughing and patting each other on the backs. The purpose is basically to defuse the public outcry before it settles in deflecting the fact that one is a fox guarding the foxes.

§ 2731. Monitoring and combating anti-Semitism

(a) Office to Monitor and Combat anti-Semitism

(1) Establishment of Office

The Secretary shall establish within the Department of State an Office to Monitor and Combat anti-Semitism (in this section referred to as the “Office”).

(2) Head of Office

(A) Special Envoy for Monitoring and Combating anti-Semitism

The head of the Office shall be the Special Envoy for Monitoring and Combating anti-Semitism (in this section referred to as the “Special Envoy”).

(B) Appointment of head of Office

The Secretary shall appoint the Special Envoy. If the Secretary determines that such is appropriate, the Secretary may appoint the Special Envoy from among officers and employees of the Department. The Secretary may allow such officer or employee to retain the position (and the responsibilities associated with such position) held by

such officer or employee prior to the appointment of such officer or employee to the position of Special Envoy under this paragraph.

(b) Purpose of Office

Upon establishment, the Office shall assume the primary responsibility for—

- (1) monitoring and combating acts of anti-Semitism and anti-Semitic incitement that occur in foreign countries;
- (2) coordinating and assisting in the preparation of that portion of the report required by sections 2151n (d)(7) and 2304 (b) of this title relating to an assessment and description of the nature and extent of acts of anti-Semitism and anti-Semitic incitement for inclusion in the annual Country Reports on Human Rights Practices; and
- (3) coordinating and assisting in the preparation of that portion of the report required by section 6412 (b)(1)(A)(iv) of this title relating to an assessment and description of the nature and extent of acts of anti-Semitism and anti-Semitic incitement for inclusion in the Annual Report on International Religious Freedom.

(c) Consultations

The Special Envoy shall consult with domestic and international nongovernmental organizations and multilateral organizations and institutions, as the Special Envoy considers appropriate to fulfill the purposes of this section.

Now that they were successful in outlawing “**HATE SPEECH**” you know the first people taking advantage of **imprisoning thousands upon thousands of their detractors** will be the Jews. We will have to start building more prison facilities to house the wicked anti-Semite offenders. The way I see things headed, just maybe the day will also soon arrive here when “anti-Semitic hate speech” will land you a long prison sentence. Yes you will have your rights... to keep your mouths shut and mind your own fucking business, now bow to your Zionist Jew masters you pathetic goyim slime...

[Understanding Anti-Semitism: Why Do Some People Dislike Jews - Video](#)

The "**Jews**" consist of basically two separate peoples, for the purpose of making this simple: one group I will call Judaism, my beloved ancestors, consists of: peaceful traditional blood lineage Jews who humbly follow Torah teachings and practices, going about their lives, live and let live. Then you have the crazies, the make believe “Jews, **Neo-Nazi Zionists** who are hell bent on raising the nation of Israel who is to then become the ruler of all nations. This is the sinister group who plunder, lie, cheat, steal, **even sacrifice their own people to achieve their goals**. Herein is a dilemma: the Christ is supposed to come from the Jewish lineage of David. Throughout the Matrix Report, when you see any use of the word Jew, I refer only the Zionist group, this is the group of snakes involved in raping and pillaging religion, commerce, politics and empire. This is the “synagogue of Satan”. We have nothing bad to say about the peaceful tribe of Judah Jews, I know it may be real easy to do, but please do not get these two groups mixed up.

ANTI-SEMITISM

By Arnold Kennedy

It is pointed out that the United Nations Conventions have the effect of changing race into any group having an ethnic belief, religion, common customs, national origins, etc, so that in this context multiracial Jews can now claim to be an ethnic group. “*Anti-Semitic*” now is made to refer to anything against the concept of this “Jewish” ethnic group. Anti-semitism is in no way what it is presented to be. The word, “Anti-semitism” was first printed as late as 1880, according to the 1901 Encyclopedia Judaica: Vol.1/641. It is a term that was created by Zionism, according to modern Jewish authority who state, “*Jews began in the 19th century to call themselves Hebrews and Israelites in 1860. This coincides with the cry anti-Semitism*”-[Ency. Jud.1971,Vol.10:23].

The New Zealand Jewish chronicle of Sept.1995 on page 15 quotes historian Robert Wistrich who says, “*It dates back to 1879, the invention of a German journalist and writer who wanted to signify that anti-Semism was not the same as traditional religious hatred of Jews, and therefore coined a phrase which had a racial connotation*”.

The word, “anti-Semitism” was first printed as late as 1880 according to the 1901 Jewish

Encyclopaedia: Vol 1 P.641. The word is used as a cover-up by those claiming to be Israelites or Shemites, *"but who are not"*-[Rev 2:9]. These are who are known and identified as International Jewry today; they themselves state that they are Edom, as has been shown.

To be anti-Semitic rightly means being against the descendants of Shem, the son of Noah. Biblical Israel are Shemites. Historically and biblically, there are peoples known as "Jews" who are not Shemites, and some of these others descend from the other two sons of Noah, Japheth and Ham. They are not Israelites, but neither are some other Shemites.

Today we find a push for world government by these particular people, as usual through the socialist platform: "Jewish Encyclopaedia Vol 11:P418.

"Jews have been prominently identified with the modern Socialist movement from its very inception

We also find evidenced the Communist ideal surfacing again in the United Nations Conventions.

Very soon after the Communist revolution in Russia, the Jewish Chronicle of April 4: 1919 said:

"There is much in the fact that the ideals of Bolshevism are at many points consonant with the finest ideals of Judaism".

The Encyclopedia Judaica [1971], Vol 16:1032 says:

"The modern term Zionism first appeared in the 19th Century...as the establishment of an organisation".

Communism sought to eliminate all opposition to its control and objectives and we find a similar operation emerging today against those who would contravene the U.N. Conventions. Communism, Zionism and United Nations have a dominating "Jewish" content. We will soon see more cries of anti-Semitism world-wide against those who oppose Edom in their war of extermination against Biblical Israel and Christianity.

NON-ISRAELITE "JEWS". There are Jews of many racial origins.

1. THE ASHKENAZIM JEWS.

Some claim a link between Edom and the Khazars, but apart from that there is more than one identity calling themselves "Jews"; all of these have no claim to the name 'Israel'. Regarding the Ashkenazim Jews who speak Yiddish, most dictionaries and encyclopaedia define Ashkenazim in words like *"after 'Ashkenaz', the second son of Gomer"*. This confirms Scripture concerning the sons of Noah, [Shem, Japheth and Ham], and their offspring: *Gen 10: 1-3 "...the sons of Japheth, Gomer,the sons of Gomer, Ashkenaz"*.

The Khazars themselves claimed descent from Japheth, and from their adoption of Judaism, they became known as Jews. But, they did not descend from Shem, and therefore they are not Semitic in origin. To relate the term "Anti-Semitism" to Jews of this origin is nonsense and part of the great deception! Eastern European Jews of this origin have no Israelite connection. Anti-Semitism could not apply to them! These people are the majority in the State of Israel.

2. THE SEPHARDIM JEWS.

The American People's Encyclopaedia, [1925] indicates that these descended from Edomites who were cast out from Palestine by Prince Titus in AD 70. From thence they spread to North Africa and to Spain converting Berber Tribes and others to Judaism. There were Cardinals and Popes who were Sephardim Jews. They have no simple blood line, being Edomites diluted with Syrian, Canaanite, Phoenician and North African blood.

3. THE SEPHARDIM / ASHKENAZIM JEWISH MIXTURE.

It is impossible to determine the degree of intermarriage between these two groups of non-Israelites, but there

is evidence that this has been common.

4. THE ETHIOPIAN DESCENDANTS OF HAM-

[The Falashas]. These are known as “Jews” because of acceptance of Judaism. The encyclopaedia Judaica says: *“The history of the Falashas speaks of their Hamitic origin”*.

5. BABYLONIAN JEWS.

Those in the days of Mordecai and Esther, many who obviously were not of Judah took up Judaism *“And many of the people of the land became Jews”*-[Ester 8:17].

6. PROSELYTES TO JUDAISM

These are people from other Semitic and non-Semitic origins, being known as Jews because of religious spirit and belief. To add to the confusion, we have the Arabs who come from the line of Shem through Abraham. To be anti-Arab is then to be anti-Semitic also.

Anyone who wants to call this mixture “Israel” is not speaking about the true Israel of God as defined in the Bible. If we have another Israel we then have another gospel. The argument often raised is to infer that Arabs are not now Semitic and that racial admixture has rendered them so. But the same people will insist that Jews of such racial mixture are a single race when they are not. They want it both ways.

The territorial term *“Ioudaios”* is wrongly accepted as the racial term *“Ioudas”* when reading the New Testament is the root of the understanding problem. The use of the territorial term is not a measure of race, although some true Israelites were amongst the proselytes to Judaism in Judea.

The majority of Zionists are from a the Khazar/Ashkenazi line of converts, thus really not true blood lineage Jews. Therefore they are as much “Jewish” as a China-man who converts to Muslim, is Arabic. It is preposterous for the Chinese man to claim he is an Arabic, such is the case with the Zionist “Jews.” Most were actually converts, many come **from the Khazars who were a warlike semi-nomadic Turkic people, they all became Jewish converts during the eighth or ninth century the state religion became Judaism**, thus came to be the Khazar Jews. **The AshkeNAZI Jews are descended from the medieval Jewish communities of the Rhineland in the west of Germany... as in NOT from the tribe of Israel.** The formal Bavarian “illuminati” was founded in Germany by Adam Wieshaupt on May 1, 1776.

You must fully understand that **GERMANY was THE epicenter of the Zionist illuminati universe**, and GERMANY became the default HEADQUARTERS of these people (don’t forget that the City of London also latter became another key headquarters, later followed by New York). From GERMANY they all migrated on their quest of world conquest. Not all “illuminatists” left GERMANY, many stayed... they eventually amassed great fortunes from Germany, even throughout the World Wars (which the Zionists had major roles in engineering)... Secretly plying their craft and agendas behind the scenes, all along working with their Zionist brethren in other “enemy” countries, they have consolidated wealth and power beyond your wildest imagination.

Prominent researchers have identified these two ethnicities the Khazars and the Ashkenazis as the historical root of most Zionist Jews. I am not an expert in Jewish history, so whatever the case may be, one thing for sure, these two sects of “Jews” are NOT true pure blood descendants of Abraham. The peace loving Jewish descendants of Abraham, Jacob, David and the tribe of Judah absolutely abhor the entire Zionist agenda (but then again, many true blood descendant Jews have also been seduced by and now embrace Zionism also). **The Zionist entity are the de-facto financial and media leaders of the world. The essence and source of ALL THEIR POWER is derived from completely and absolutely dominating the world of banking, finance and media. Period.** They are hell bent on ECONOMIC COLONIZATION OF THE WORLD. The peaceful and humble house of Judah Jews live low profile lives and respect and honor their traditions.

Before I get into any other trains of thought I also need to get one thing straight. The Zionist state of Israel exists largely because of the direct efforts of the Rothschilds. They were virtually singlehandedly responsible for establishing

the current state of Israel. (ok, so they also had help from other wealthy Zionist Jews) You must completely understand that the **Rothschilds are one of THE central founding fathers of the modern Jewish homeland** who worked for years on end for the establishment of their nation. When the Balfour Declaration of 1917 was ratified by the British government acknowledging the rights for the establishment of the state of Israel, that letter was addressed personally to the Rothschilds. The Rothschilds along with help from other wealthy Zionists have financed the entire establishment of the nation of Israel from day one. The point I am trying to make is that the Rothschilds are the “George Washington, Benjamin Franklins, Columbus” of the modern state of Israel all rolled up into one.

Another extremely important factor you must never forget is that hundreds of years ago the Vatican and the Catholic Church FORCED all Jews to deny their faith and convert to Catholicism or DIE. Unlike the Christians who preferred martyrdom instead of recanting and rejecting their faith. Many of the Jews externally converted (converted in appearance so as to avoid death) also changed their Jewish surnames, adopting GENTILE surnames to avoid stigmatism and oppression. For ages they learned the benefits of **secretly hiding their roots** and beliefs, they **mastered the art of secret congregation**, (known as **crypto Jews**) conspiring and worshiping with their own in secrecy. Thus we witness their propensity of founding many secret societies.

Years down the line, it would become difficult for anyone on the "outside" to determine who was of Jewish ancestry if they did not disclose that information... hence, this eventually became a hidden asset, a secret weapon in that the Jews have been able to mingle in and **infiltrate all sectors of Catholicism, Masonic Orders, commerce, governments** and so forth. They perfectly adopted to and learned the languages of their adopted countries such as Scotland, France, Spain, Ireland, etc., and blended right in, sometimes even marrying goyim. So who is to say if so and so is, or is not a Jew. Millions of Jews that immigrated from Germany and all of Europe, settled in America changed surnames to HIDE the truth that they were in fact Jewish... some of which later became leaders of industry and government here.

If Americans Only Knew - [Trailer](#)

WHY IS WORLD JEWRY OPPOSED TO THE ZIONIST STATE:

1) WHAT IS "THE PEOPLE OF ISRAEL" ?

- The people of Israel have existed for thousands of years.
- It has its own particular, essential, nature.
- The Torah is the source of its essential nature.
- Without Torah and faith there is no people of Israel.
- Whoever denies the Torah and the Faith is no longer part of the people of Israel.
- The purpose of the People of Israel in this world is Divine service.
- Their salvation is occupation in Divine Service.

2) WHAT IS ZIONISM ?

- Zionism is a new thing.
- It has only existed for a century.
- Zionism redefines the true essential nature of the people of Israel, and substitutes for it a completely contradictory and opposite character.
- a materialistic worldly nation.
- Their misfortune is lack of what other nations have. i.e. a state and army.
- Their salvation is possession of a state and army etc.
- This is clearly speed out in the circles of Zionist though, and among the leaders of the Zionist state, That through changing the nature and character of the people of Israel and by changing their way of thinking they can set before the People of Israel "their salvation." -- a state and an army.

3) THE PEOPLE OF ISRAEL OPPOSE THIS FOR 4 REASONS

FIRST - Because this is diametrically opposed and completely contradictory to the true essence and foundation of the people of Israel, as it explained above. Because the only time that the people of Israel where permitted to have

a state were two thousand years ago when the Glory of the Creator was upon us. And likewise in the future when the Glory of the Creator will once more be revealed, and the whole world will serve Him. Then He Himself (without any human effort or force of arms) will grant us a kingdom founded on Divine Service.

However, a worldly state, like those possessed by other peoples, is contradictory to the true essence of the People of Israel. Whoever calls this the salvation of Israel shows that he denies the essence of the People of Israel, and substituted another nature, a worldly materialistic nature, and therefore sets before them, a worldly materialistic "salvation." And the means of achieving this "salvation" is also worldly and materialistic i.e. to organize land and army.

However, the true salvation of the People of Israel is to draw close to the Creator. And this is not done by organization and force of arms. Rather, it is done by occupation to Torah and good deeds.

SECOND - Because of all of this and other reasons Torah forbids us to end the exile and establish a state and army until the Holy One, blessed be He, in His Glory and Essence redeems us. This is forbidden even if the state is conducted according to the law of the Torah. Because arising from the exile itself is forbidden, and we are required to remain under the rule of the nations of the world, as it explained in the book VAYOEL MOSHE. And the Holy One, blessed be He, has warned us that if we transgress this injunction, He will bring upon us (may we be spared) terrible punishment.

THIRD - Aside from arising from exile, all the deeds of the Zionists are diametrically opposed to the Faith and the Torah. Because the foundation of the Faith and Torah of Israel, is that the Torah was revealed from heaven, and there is reward for those who obey it and punishment for those who transgress it. The entire People of Israel are required to obey the Torah, and whoever doesn't want to, ceases to be part of the Congregation of Israel.

FOURTH - Aside from the fact that they themselves do not obey the Torah, they do everything they can to prevent anyone they get under their power, from fulfilling the commands of the Torah. They do this both with force and with trickery. Their claims to freedom of religion are lies. They fight with all of their strength to destroy the Faith of Israel.

4) THE ZIONISTS CLAIM THAT THEY ARE THE SAVERS OF ISRAEL, BUT THIS IS REFUTED BY TWELVE THINGS.

FIRST - If one contemplates the two thousand years of our exile, take any hundred years even the hardest, one will not find as much suffering, bloodshed, and catastrophes for the People of Israel as in the period of the Zionists. And it is known that most of the suffering of this century was caused by the Zionists as our Rabbis warned us would be the case.

SECOND - It is openly stated in the books written by the founders of Zionism that the means by which they planned to establish a state was by instigating anti-Semitism, and undermining the security of the Jews in all the lands of the world, until they would be forced to flee to their state. And thus they did. They intentionally infuriated the German people and fanned the flames of Nazi hatred, and then helped the Nazis, with trickery and deceit, to take whole Jewish communities off to the concentration camps, and the Zionists themselves admit this. (See books Perfidy, Min Ha Meitsor, etc.). The Zionists continue to practice this strategy today, they incite anti-Semitism and then they present themselves as the "saviors". Here are two replies given by leaders of the Zionists during World War II, when they were asked for money to help ransom Jews from the Nazis. Greenbaum said "One cow in Palestine is worth more than all the Jews in Poland." (G-d Forbid). Weitzman said, The most important part of the Jewish people is already in the land (of Israel) and those who are left, are unimportant (May we be spared).

THIRD - We see that most of the world Jewry, lives in security under good physical conditions, and have no desire to go live in the Zionist state. Whereas many people have left the Zionist state to live under better conditions in other lands.

FOURTH - The Zionists make a great deal of propaganda to induce people to immigrate to their state. If their state is so beneficial why do they have to make so much propaganda.

FIFTH - Because nobody wants the Zionists to "Save them". The only way they can get immigrants is by promising poor people material benefits. And even then very few people respond.

SIXTH - The Zionist state is always threatened by the dangers of war. Whereas the rest of world Jewry lives in peace and security. (Except in a few places where the Zionists have undermined their security and fanned the flames of hatred)

SEVENTH - The Zionist state could not continue to exist without economic support from Jews living outside of the Zionist state.

EIGHTH - The Zionist state is on the verge of economic collapse, and their money is nearly worthless.

NINTH - The Zionist state persecutes all Jews who are loyal to their faith.

TENTH - They start wars that endanger the Jewish People, for the sake of their own political interests.

ELEVENTH - According to the Torah the path of safety is following ways of peace not starting fights with other nations, as the Zionists do.

TWELFTH - Even if the Zionists could and would provide physical security it would be at the expense of our Faith and Our Torah. And the true People of Israel prefer death rather than life at such a cost. It is therefore clear that Zionism is not the savior of the people of Israel. Rather it is their greatest misfortune.

5. EVEN THOUGH THERE ARE OBSERVANT JEWS AND RABBIS, WHO APPROVE OF THE ZIONISTS, THIS IS NOT THE OPINION OF THE TORAH.

- The people of Israel has existed for thousands of years.
- It has its own particular, essential, nature.
- The Torah is the source of its essential nature.
- Without Torah and faith there is no people of Israel.
- Whoever denies the Torah and the Faith is no longer part of the people of Israel.
- The purpose of the People of Israel in this world is Divine service.
- Their salvation is occupation in Divine Service.
- They make it look like all Jewry and their Rabbis are Zionists, but this is false propaganda.
- The most important Rabbis and the majority of religious Jewry are opposed to Zionism, but their voice is not heard because of Zionist control of American News media.
- The Zionists terrorize everyone who speaks out against them.
- That part of the Jewish masses which is fooled by Zionist propaganda puts pressure on their Rabbis not to speak out.
- Between the terror and the pressure of the masses most of the Rabbis are prevented from speaking out.

6) WE BRING THREE TESTIMONIES OF THE TRUE OPINION OF THE TORAH.

- 1) In the past two thousand years of the dangers and sufferings of exile not once did any of the Sages of Israel suggest that we make a state to protect ourselves. And in every generation we had thousands of Sages well versed in the Torah.

	2) We have thousands of legal work of Torah law that have been handed down to us by the Sages of all generations. Not once do we see a word suggesting the establishment of a state. What we do find is warnings against it.	
	3) The founders of Zionism where all atheists who denied the Torah. And all the Torah Sages of that time opposed them and opposed Zionism, saying that Zionism would lead only to destruction.	
	However the true People of Israel will never change their nature or give up their faith. They are the strongest of the strong. Because of their strength the Creator gives them. Zionism is a foreign growth in the body of the Jewish People. The end will be that it will rid itself of this foreign growth and remain pure. Zionism has overcome the Jewish people by force. With fraud and terror, but none of this will help them because the truth will always remain with the help of the Creator. Zionism will not replace the Jewish People. The Jewish People will remain strong in their faith and the Zionist state will cease to exist.	
	4) It is therefore, our demand that the State that calls itself ISRAEL should cease to exist. Since this won't be done, we demand that they cease to call themselves "Israel", because the entire being is in complete opposition to the true People of Israel. The true People of Israel deny them permission to call themselves by that Name. The Zionist leaders have no right to set themselves up as the representatives and spokesmen of the true People of ISRAEL.	
	5) Since we know they will not fulfill this demand either we feel that at least we cry out the truth. And the truth will always remain the truth. By no means or force can the truth be changed. Even if all the world would say that one and one are three, the truth will remain that one and one is two.	
	6) Let the truth be declared. The use of the Name "ISRAEL" by that state is a complete falsification. The people of Israel have nothing to do with the state. Zionism and its state have no share and no part in the true ISRAEL.	

Another very important issue that I find really interesting is that of many key communists, such as Karl Marx, a Jew, **Karl Heinrich Marx** was born on May 5, 1818, in the city of Trier in the Rhine Province of Prussia (now Germany). His mother, Herietta Pressburg, was from Holland and like Karl's father, was Jewish and was the descendent of a long line of rabbi's. Hitler and many other important "evil" communist figures were Jewish! Don't bother researching in those **sterilized history books** you get in school. You must dig through tons of cleansed and sanctified material to find the real golden truths. The undisputable fact is that Marx and Hitler both had Jewish blood running in their veins, now let that key truth sink into your head and simmer for a while. Never ever forget the FACT that the Rothschilds (Jews) were not only in bed with Hitler from day one, supporting him, financing his whole war and their Holocaust™... Some researchers also point out the very high likelihood **Hitler was actually the illegitimate son of a Rothschild!** Is it not common knowledge that his mother was Jewish? She worked in one of the Rothschild mansions up until the day she was impregnated by a Rothschild. Hitler was groomed, teased, prodded by his Jewish brethren to follow the path he pursued to become one of the most influential pivotal historic changes in history. Oh what a mighty web the rulers of man have woven... Think about it, many Zionist Jews have been traced to the Ashkenazi line, as in: Ashke**NAZI**...?

BTW, isn't it interesting that **without Hitler as a catalyst there would be no state of Israel today...** (the KEY goal of the Zionists at that time), there would be no radical worldwide universal enforced special treatment of the Jews with kid gloves today (oh those poor suffering filthy rich people). Hitler was the single most important person to have ever come up in history that **ADVANCED** the Jewish agenda by light years. Think about it, Hitler was more successful than MOSES in laying the groundwork for Jewish world rule! Since the fabled "holohoax" it has grown to the extent that the world must walk on pins and needles when ever mentioning *anything* Jewish... ever since the holohoax one must say something nice or keep your mouths shut for fear of swift **brutal** retribution, lawsuits, character assassination, destruction of your careers and financial ruin. There is no such thing as even being allowed to conduct fair and balanced criticism of Israel or Jews for **retribution will arrive swiftly and painfully**.

Due to the fact that all media and thus all propaganda, has been owned/controlled by Jews, the real story of the world wars is very rare. For starters, WWII was actually started by the Zionist Jews! The Jews had done as they did time and time again in every country they managed to get expelled and deported from, yet again they were literally taking over all aspects of business establishing monopolies in Germany, literally bleeding the country dry. Thus Hitler had come up with "the final solution" for the Jewish question. Those plans had absolutely nothing to do with slaughtering Jews. The final solution was simply a plan to deport all Jews to Madagascar. (This was a mutual contract signed by the Zionists) Just like in the other **107 countries throughout history that expelled the Jews** after finally getting fed up with the Jews antics in their countries, Germany also realized that, like all other countries before it, the only logical "solution the Jewish problem" was to expel as in DEPORT THE JEWS. Upon the Zionist hearing of those plans, THEY declared war on Hitler's Germany in 1935. Hitler did not start the war, nor did he ever declare war. War was forced on him first by the international Zionists then followed by Great Britain and France whom they lured to attack Germany after it had invaded Poland. **THIS my friend is the TRUE unadulterated beginning of World War Two.**

Most of us have seen the terrible pictures taken by the Allies of piles of dead emaciated corpses in the camps awaiting burial. What you are not told is that teams of Pathologists followed the invasion forces into Europe and performed autopsies on thousands of these dead bodies. Dr. Larson, pathologist with the Judge Advocate General's Office led these teams and reported: "*Not one case of death by poison gas was found.*" Dr. John E. Gordon MD. Ph.D Harvard Professor was also with the US forces. He reported: "*Most deaths in concentration camps were caused, not by starvation or maltreatment, but by Typhus!*" What you are also not told is the Allied bombings killed a lot of the people you see in many of the photos, in friendly fire, so it was an easy feat in getting the Allied military to eventually accept and go along with the contrived cover story to blame the many atrocities on the evil sinister "bad guys."

ALLIED MILITARY POLICE HQ.
VIENNA 1.10.1948
MEMO Nr: 31/48

The Allied Committee of Inquiry has to date proven that no poison gas was ever used to kill prisoners in the following concentration camps: Bergen-Belsen, Buchenwald, Dachau Flossenburg, Gross-Rosen, Mauthausen and satellite camps Natzweiler, Neuengamme Niederhagen (Wewelsburg), Ravensbruck, Sachsenhausen, Stutthof, Theresienstadt, Stutthof, Theresienstadt. In all cases where gassings were alleged, it could be proven that torture had been used to extract confessions and witnesses have lied. Any former inmate who, during their debriefing continues to allege that Poison gas was used to murder people (in particular Jews), are to be reported to this office and if they insist on lying further, they are to be charged with perjury.

Hitler didn't want world war

Illuminati Created and Manipulated Hitler

By Henry Makow, PhD

Hitler didn't want a world war, and had no stomach for fighting England, according to Pulitzer Prize winning journalist Louis Kilzer, author of "Churchill's Deception" (Simon & Schuster, 1994).

Hitler believed the future of Western civilization depended on the cooperation of Germany and her Aryan cousins: England and the United States. His territorial demands were limited to conquering Communist Russia, which he regarded as a proxy for Jewish world ambitions. He was determined to avoid fighting a war on two

fronts.

The "miracle at Dunkirk" was in fact an extraordinary peace overture to England. We don't normally associate Hitler with such magnanimity.

In May 1940, the British were on the verge of defeat. The English army was trapped at Dunkirk. Rather than take them prisoner, Hitler halted his generals for three days allowing 330,000 men to escape.

"The blood of every single Englishman is too valuable to shed," Hitler said. "Our two people belong together racially and traditionally. That is and always has been my aim, even if our generals can't grasp it." (Kilzer, p.213)

This is not an attempt to exonerate Hitler. His ideology of Aryan racial supremacy and his treatment of "inferior races" are abhorrent to me. My own grandparents were murdered by the Nazis. I believe people can take pride in their race or nationality without seeking to dominate others.

Nonetheless we should understand that our view of Hitler is influenced by propaganda. The Allies were also guilty of atrocities and war crimes. Furthermore Hitler was created, manipulated and destroyed by the same Illuminist clique that runs the world today.

"CHURCHILL'S DECEPTION"

According to Kilzer's well-documented book, **Hitler was trying to convince the English to make peace**. In exchange, he was ready to retreat from Western Europe and from much of Poland.

Kilzer describes how British Intelligence (an arm of the Illuminati) took advantage of Hitler's racist ideology to divert his energies against Russia and trap him in a two-front war. They convinced him that a large pro Nazi (anti Communist) "Peace Party" was prepared to unseat the "war monger" Churchill.

This party consisted of the Duke of Windsor (the former King Edward VII) and appeasement-minded elitists known as the "Cliveden Set." The Nazis had longstanding social ties with this group and confided in them. Hitler seemed to overlook the fact that Windsor went to stay at the Rothschild castle in Austria after he abdicated.

Rudolph Hess, the Deputy Leader of Nazi Germany, was in contact with the Cliveden group and flew to England May 10, 1941 to negotiate peace. According to Kilzer, Hess had Hitler's complete blessings.

Coincidentally this was the worst night of the Blitz. Afterward, there was a long lull in both Nazi and British bombing raids. It appears the Nazis thought they had an understanding with the British and turned their attention to the invasion of Russia the following month (June 22, 1941.)

Hitler didn't understand that the Anglo American elite was (and still is) intimately connected with international (i.e. Rothschild) finance. Anglo American imperialism is in fact a front for the families that own the Bank of England and the Federal Reserve. These Jewish and non-Jewish families are connected by money, marriage and Lucifer worship (i.e. Freemasonry). Both Roosevelt and Churchill were their flunkies. (All our "leaders" are.)

In 1776 Meyer Rothschild financed the Illuminati, a Masonic secret society that in turn spawned the major revolutions of the modern era including the Bolshevik Revolution in 1917. The ultimate aim is to establish the banker world dictatorship, which is at an advanced stage today.

In the 1930's their purpose was to incite a two-front war that would leave the great nation states (England, Germany and Russia) prostrate. Like all wars, the purpose was to kill millions of people, traumatize humanity, increase public debt and private profit, and make "world government" (the future UN) seem essential for "peace."

The 1930's British Policy of Appeasement was probably designed to encourage Hitler's expansionist tendencies and to provoke war. Douglas Reed, the (London) Times Correspondent in Berlin, was first tipped off to something fishy when his newspaper suppressed his warnings of the Hitler menace. (See his "Controversy of Zion")

ROTHSCHILD CONDUCTS RED SYMPHONY

Why would the financial elite also want to destroy Russia, which they created?

The transcript of the 1938 NKVD interrogation of C.G. Rakowsky (a.k.a Chaim Rakeover) provides the answer. (<http://www.savethemales.ca/000275.html>) Rakowsky was an intimate of Trotsky's and former Soviet ambassador to Paris.

Rothschild's agent Leon Trotsky was supposed to succeed Lenin but got sick at the critical moment. Stalin was able to assume power and save Russia from Rothschild control.

In order to control Stalin, international finance was forced to build up Hitler and the Nazi party. Rakowsky confirms that Jewish financiers backed the Nazis although Hitler was not aware of this.

"The ambassador Warburg presented himself under a false name and Hitler did not even guess his race... he also lied regarding whose representative he was... Our aim was to provoke a war and Hitler was war...[the Nazis] received...millions of dollars sent to it from Wall Street, and millions of Marks from German financiers through Schacht; [providing] the upkeep of the S.A and the S.S. and also the financing of the elections..."

Unfortunately for the bankers, Hitler also proved intractable. He started to print his own money!

"He took over for himself the privilege of manufacturing money and not only physical moneys, but also financial ones; he took over the untouched machinery of falsification and put it to work for the benefit of the state... Are you capable of imagining what would have come ...if it had infected a number of other states and brought about the creation of a period of autarchy [absolute rule, replacing that of the bankers]. If you can, then imagine its counterrevolutionary functions..."

Hitler had become a bigger threat than Stalin, who had not meddled with money. The British were not going to make peace with Hitler because he threatened the bankers' racket. Furthermore, the Illuminati wanted an extended war, the ruin of Europe and the expansion of the USSR.

HITLER'S SECRET BACKERS

The book "Financial Origins of National Socialism" (1933) by "Sydney Warburg" provides another glimpse of how the Illuminist clique supported Hitler. This 70-page booklet was suppressed for many years but was republished in 1983 as "Hitler's Secret Backers."

"Warburg" describes a July 1929 meeting with "Carter," the President of J.P. Morgan's Guarantee Trust, the Presidents of the Federal Reserve Banks, "the young Rockefeller" and "Glean from Royal Dutch." These are all Rothschild dominated.

It was determined that Warburg who spoke German should ask Hitler how much money he needed to overthrow the state. The only stipulation was that Hitler adopts "an aggressive foreign policy."

"Warburg" details five meetings with Hitler between 1929 and 1933. The first took place in a beer cellar where Hitler calculated his needs on the back of a paper plate. About \$25 million was transferred. This was extremely important in the depth of the depression because the Nazis provided food and shelter to many of their supporters.

Hitler wasn't told the reason for this support and did not ask. On two occasions, he wondered out loud if "Warburg" was himself Jewish but dismissed the idea before getting a reply.

There is no "Sydney Warburg" but the internal evidence suggests the author could be James Warburg, son of Federal Reserve founder Paul Warburg. Many people dismiss this monograph as yet another fraud but the wealth of accurate detail and anecdote suggests otherwise.

One wonders why anyone would go to this much trouble to alienate the most powerful people in the world if he wasn't sincere. The only people with the power to suppress it are the ones it incriminates and they have a long record of suppressing similar works.

CONCLUSION

"Who controls the past controls the future: who controls the present controls the past." George Orwell

The winners write history. Our view of Hitler and the Second World War is largely a Jewish view. I am only beginning this research and will happily admit my errors. These are my tentative conclusions:

While I utterly reject Hitler's racist ideology and atrocities, he may have represented the last serious resistance to the Illuminist agenda.

Paradoxically Hitler was created and manipulated by the bankers he railed against. He lost the war because he didn't appreciate their larger agenda. Naively he failed to recognize that they controlled England and the United States. It's as if he didn't believe his own propaganda.

Blinded by racist zeal, he made a fatal blunder (from his point of view) of not neutralizing England by seizing the Middle Eastern oil fields. He made another fatal error by not promising to liberate the Russian people from oppression. Nazi brutality turned the Slavs into implacable fighters.

But for his demented racist ideology and consequent barbarism, Hitler might have done some good. Many Germans and even some German Jews supported him. Instead he was another pawn in the Illuminati's diabolical game.

[Judea Declares War on Germany - Video - Video - Video](#)

[Peace, Propaganda and the Promised Land - Video](#)

Quite frankly, I am sick and tired of being forced to listen to those canned tired old accusations of "Self Hating Jew" and "ANTI-SEMITE!!!" that the neo-extremist Zionist Jewish people hurl at anyone each and every time they hear ANYTHING they don't like or agree with. I loathe the **HOLOCAUST™ HOAX INDUSTRY**. Zionists **engineered, hijacked and exploited a horrific WAR tragedy**, cynically employed it to enact their own genocidal ethnic cleansing against the Palestinians, establish their anti-Semite counter attacks, and used it as a justification for the continued existence of the monstrous state of Israel. **THE WORLD HAS SEEMED TO FORGET THAT HITLER WAS PROVOKED INTO WAR. The Zionists were trying to provoke him into attacking THEM as early as 1935** (see pic above). This Holocaust™ scam has been the KEY building block, the CORNER STONE and foundation of the special treatment they DEMAND from the world. So powerful has been their capitalizing on the Holocaust™ hoax that

they snowballed it into the most powerful shield ever to be wielded by any ethnicity, so much so that in some countries it is a severe CRIME to even **deny** that it occurred in the first place!

Even establishment status quo stooge like Pat Buchanan admits these most obvious of historical FACTS:

Was the Holocaust™ Inevitable?

(Hitler Didn't Plan to Kill the Jews)

By Pat Buchanan, Townhall.com

"What Would Winston Do?"

So asks Newsweek's cover, which features a full-length photo of the prime minister his people voted the greatest Briton of them all.

Quite a tribute, when one realizes Churchill's career coincides with the collapse of the British Empire and the fall of his nation from world pre-eminence to third-rate power.

That the Newsweek cover was sparked by my book "Churchill, Hitler and The Unnecessary War" seems apparent, as one of the three essays, by Christopher Hitchens, was a scathing review. Though in places complimentary, Hitchens charmingly concludes: This book "stinks."

Understandable. No Brit can easily concede my central thesis: The Brits kicked away their empire. Through colossal blunders, **Britain twice declared war on a Germany that had not attacked her and did not want war with her**, fought for 10 bloody years and lost it all.

Unable to face the truth, Hitchens seeks solace in old myths...

....What of World War II? Surely, it was necessary to declare war to stop Adolf Hitler from conquering the world and conducting the Holocaust™.

Yet consider. Before Britain declared war on him, Hitler never demanded return of any lands lost at Versailles to the West. Northern Schleswig had gone to Denmark in 1919, Eupen and Malmedy had gone to Belgium, Alsace and Lorraine to France.

Why did Hitler not demand these lands back? Because he sought an alliance, or at least friendship, with Great Britain and knew any move on France would mean war with Britain -- a war he never wanted.

If Hitler were out to conquer the world, why did he not build a great fleet? Why did he not demand the French fleet when France surrendered? Germany had to give up its High Seas Fleet in 1918.

Why did he build his own Maginot Line, the Western Wall, in the Rhineland, if he meant all along to invade France?

If he wanted war with the West, why did he offer peace after Poland and offer to end the war, again, after Dunkirk?

That Hitler was a rabid anti-Semite is undeniable. "Mein Kampf" is saturated in anti-Semitism. The Nuremberg Laws confirm it. But for the six years before Britain declared war, there was no Holocaust™, and for two years after the war began, there was no Holocaust™.

Not until midwinter 1942 was the Wannsee Conference held, where the Final Solution was on the table.

That conference was not convened until Hitler had been halted in Russia, was at war with America and sensed doom was inevitable. **Then** the trains began to roll.

And why did Hitler invade Russia? This writer quotes Hitler 10 times as saying that only by knocking out Russia could he convince Britain it could not win and must end the war.

Hitchens mocks this view, invoking the Hitler-madman theory.

"Could we have a better definition of derangement and megalomania than the case of a dictator who overrules his own generals and invades Russia in wintertime ... ?"

Christopher, Hitler invaded Russia on June 22.

The Holocaust™ was NOT a cause of the war, but a consequence of the war. No war, no Holocaust™.

Britain went to war with Germany to save Poland. She did not save Poland. She did lose the empire. And **Josef Stalin, whose victims outnumbered those of Hitler 1,000 to one as of September 1939**, and who joined Hitler in the rape of Poland, wound up with all of Poland, and all the Christian nations from the Urals to the Elbe.

The British Empire fought, bled and died, and made Eastern and Central Europe safe for Stalinism. No wonder Winston Churchill was so melancholy in old age. No wonder Christopher rails against the book. As T.S. Eliot observed, "**Mankind cannot bear much reality.**"

THE GREATEST HOAX TO EVER BE PERPETRATED ON MODERN MAN:

Behold: For the Zionist Jews were already working on the 6,000,000 Holocaust™ HOAX legend 20 years, YES! **TWENTY FREAKIN YEARS BEFORE THEY CLAIMED IT EVER HAPPENED!!!!!!** The narrative was being planted into the minds of the population way before the HoloHoax. Everyone was being PRIMED in advance to hypnotically accept the fairytale figure of "6 million."

You must at this point also never forget just WHO were the people who owned and controlled all the dissemination of NEWS! The Zionist Jews CONTROLLED ALL NEWS AGENCIES AND STATIONS! Of course they all fell into unified total agreement that the holoHoax happened! The ZIONIST JEW NEWS PAPERS AND RADIO STATIONS kept drilling in the lie. Then their publishing subsidiaries established it as HISTORICAL FACT. Where does all the "data" that everyone uses to "prove" the alleged holoHoax come from? From

Jewish sources... Duh! Throughout history anyone, ANYONE and EVERYONE who dared step out of line to even question the numbers or evidences have been un-mercilessly viciously attacked. There has NEVER been an unbiased realistic investigation into the matter without the Zionist Jew hatemongering apparatus menacingly foaming at the mouth, hovering over the shoulders of everyone who dared look into the matter. THIS has been the setting and atmosphere of all "research."

Thus all data that it to be allowed into the public view has first been sanctioned by the Zionist Jew data police, then it is cleared for public eyes. ANYTHING that did not support the 6,000,000 Jew MYTH was systematically violently challenged, and fiercely eliminated. THIS is the true atmosphere of the establishing of the "holohoax."

Thousands of people, academics, researchers, investigators and so forth have had their LIVES DESTROYED for raising red flags, disputing or challenging the OFFICIAL NARRATIVE of the alleged Holocaust™. Hundreds more were systematically IMPRISONED for merely challenging the narratives with FACTS. Again, I would like to point out the fact that yes the entire war was a terrible atrocity, hundreds of thousands DID die in the camps, but not only exclusively just Jews. Tens of thousands, if not hundreds of thousands died from many illnesses and disease. Absolutely no one did forensics on the 56 million dead of WWII. The Zionists were the SOLE entity claiming 6 million Jews dead from "gas chambers." And they had majority control of the press and media at that time to broadcast that claim 24/7/365 until everyone accepted it as gospel.

"A lie told often enough becomes truth" - Vladimir Lenin.

"There's nothing so absurd that if you repeat it often enough, people will believe it." - William James (1842-1910) The father of modern Psychology

I would like to point your attention to evidence exhibit #6,000,001 below... I found this amazing historical document that survived the Zionist revisionists, censors and their shredding machines at www.erichufschmid.net, here are his own words describing this 1919 published work:

The Zionists "Jews" initiated WWII – This paper from 1933 clearly shows they were instigating WAR long before Hitler had any plans:

The 1919 Holocaust™ that Failed

You heard about the Holocaust™ in which 6 million [alleged] (my edit) Jews were killed in Nazi Death Camps.

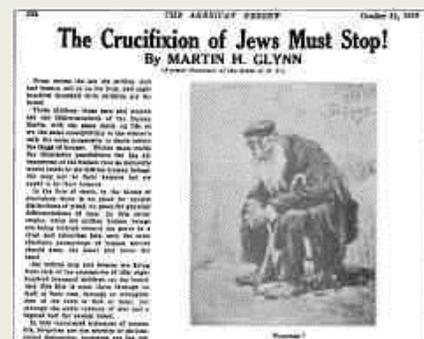

Did you hear about **the "threatened Holocaust™" of 6 million Jews about 20 years earlier?**

Probably not, even though a former Governor of New York wrote about it in 1919, because that early Holocaust™ never became a best-seller.

Published in The American Hebrew, by Martin Glynn, October 31, **1919**

In Glynn's article, we find that **World War I ended "for everybody, but the Jew."** he encourages the League of Nations to bring peace to the world, and he wants to **"give justice to the Jew and other oppressed peoples"**.

However, this threatened Holocaust™ of 6 million Jews never became popular with the American or European public. Perhaps this is why the Zionists staged a new and improved version of the 6 million Holocaust™ during World War II. In this revised Holocaust™, they made sure that some of the 6 million Jews were killed. This turned out to be the key to making the Holocaust™ a phenomenal success.

The contents of the article are below. It serves as a lesson in how not to market a Holocaust™.

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. *We may not be their keepers but we ought to be their helpers.*

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessities of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a bigoted lust for Jewish blood.

In this threatened holocaust of human life, forgotten are the niceties of philosophical distinction, forgotten are the differences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry becomes a religion at whose altar men of every race can worship and women of every creed can kneel. In this calamity the temporalities of man's fashionings fall away before the eternal verities of life, and we awaken to the fact that from the hands of one God we all come and before the tribunal of one God we all must stand on the day of final reckoning. And when that reckoning comes mere profession of lips will not weigh a pennyweight; but deeds, mere intangible deeds, deeds that dry the tear of sorrow and allay the pain of anguish, deeds that with the spirit of the Good Samaritan pour oil and wine in wounds and find sustenance and shelter for the suffering and the stricken, will outweigh all the stars in the heavens, all the waters in the seas, all the rocks and metals in all the celestial globes that revolve in the firmament around us.

Race is a matter of accident; creed, partly a matter of inheritance, partly a matter of environment, partly one's method of ratiocination; but our physical wants and corporeal needs are implanted

WHITHER ?

in all of us by the hand of God, and the man or woman who can, and will not, hear the cry of the starving; who can, and will not, take heed of the wail of the dying; who can, and will not, stretch forth a helping hand to those who sink beneath the waves of adversity is an assassin of nature's finest instincts, a traitor to the cause of the human family and an abjurer of the natural law written upon the tablets of every human heart by the finger of God himself.

And so in the spirit that turned the poor widow's votive offering of copper into silver, and the silver into gold when placed upon God's altar, the people of this country are called upon to sanctify their money by giving \$35,000,000 in the name of the humanity of Moses to six million famished men and women.

Six million men and women are dying—eight hundred thousand little children are crying for bread.

And why?

Because of a war to lay Autocracy in the dust and give Democracy the sceptre of the Just.

And in that war for democracy 200,000 Jewish lads from the United States fought beneath the Stars and Stripes. In

the 77th Division alone there were 14,000 of them, and in Argonne Forest this division captured 54 German guns. This shows that at Argonne the Jewish boys from the United States fought for democracy as Joshua fought against the Amalekites on the plains of Abraham. In an address on the so-called "Lost Battalion," led by Colonel Whittlesey of Pittsfield, Major-General Alexander shows the fighting stuff these Jewish boys were made of. In some way or another Whittlesey's command was surrounded. They were short of rations. They tried to get word back to the rear telling of their plight. They tried and they tried, but their men never got through. Paralysis and stupefaction and despair were in the air. And when the hour was darkest and all seemed lost, a soldier lad stepped forward, and said to Col. Whittlesey: "I will try to get through." He tried, he was wounded, he had to creep and crawl, but he got through. To-day he wears the Distinguished Service Cross and his name is ABRAHAM KROTOSHANSKY.

Because of this war for Democracy six million Jewish men and women are starving across the seas; eight hundred thousand Jewish babies are crying for bread.

Below is another article, proof of widespread priming the masses to psychologically accept the 6,000,000 victims myth was published BEFORE world war 2 ever started! The entire claim of 6,000,000 "Holofoax" was a STRATEGICALLY PREMEDITATED PLAN that was being set up long before world war 2 ever began!!!

PERSECUTED JEWS SEEN ON INCREASE

PERSECUTED JEWS SEEN ON INCREASE

Dr. Kahn Returns With Report
of Rise in Europe of Those
Deprived of Rights

6,000,000 VICTIMS NOTED

25,000 Refugees Said to Be
in Need—Rumania Menaces
800,000 With Anti-Semitism

The number of Jews deprived of their rights and economic opportunity in Europe increased greatly last year, Dr. Bernhard Kahn, European director of the American Jewish Joint Distribution Committee, said on his arrival here last week from Europe.

The new Government of Rumania has threatened to outlaw 800,000 Rumanian Jews, "disregarding peace treaties, minority treaties and the constitution of the country," said Dr. Kahn.

government except sometimes in cases of physical violence and public disturbance," he said.

"It is a matter for encouragement, however, that many outstanding personalities and some political parties in Poland are courageously raising their voices against the inhuman treatment of the Jews and the poisonous atmosphere of anti-Semitism.

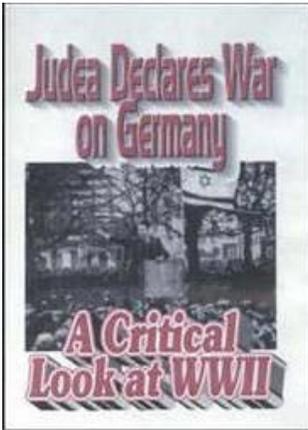

"In Germany the Jews are being driven out of the last economic positions. Increased oppression is swelling the number of refugees and emigrants. More than 15,000 Jews had to leave Germany during the last year and in the middle of the year the German laws of racial discrimination were extended to the 12,000 Jew in Upper Silesia (the Danzig corridor)."

Dr. Kahn said there are 25,000 refugees in Europe, the greater number of them living in need and in demoralizing uncertainty. He expressed the hope that the inter-governmental conference at the League of Nations would take up the refugee problem again in February.

"Five to six million in all are today the victims of governmental anti-Semitism and policies of unchecked anti-Semitic propaganda and persecution. All these millions are in danger of losing their rights as citizens. Their economic existence is constantly menaced and for thousands upon thousands their

Judea Declares War on Germany: A Critical Look at WWII - [video](#)

This movie is a fair and balanced look at **how Zionists “Jews” declared war on Germany in early 1933 (long before any German retaliation began) in an effort to crush Germany.** Germans responded to this by making many of these “traitors” to their cause imprisoned (similar to what America did to the Japanese). However, despite propaganda

conceived by Jewish supremacists in the form of **Holocaust™s movies made weekly** (still, even 60 years after the war's end), many of the events surrounding WWII are questionable despite arguments to the contrary. More movies were made to bolster the Holocaust™ myth than any other event in the history of mankind.

Behold: Unbeknownst to the lay man, the Zionists carefully PLANNED and designed the rise and fall of the Nazi empire. The crown jewel of this scheme would be **THE PREMEDITATED SACRIFICE OF TENS OF THOUSANDS OF JEWS** upon which they would blow the whole story out of proportion and turn the entire affair into the world's most elaborate scheme to position themselves as perpetual victims while simultaneously turning the very same events into the most ingenious SHIELD to protect themselves from ever being subjected to public scrutiny, analysis, examination and inspection, ever again.

Dare to break free from the indoctrination that you and everyone you know has thoroughly undergone your entire lives.

Behold: For the word **“Holocaust” is actually Yiddish for “Burnt Sacrificial Offering.”** Understand this and understand it well for the Zionists SACRIFICED tens of thousands of Jews in order to fashion the worlds most ingenious impenetrable SHIELD. They put Hitler into power, financed him and his empire, made him out to be a hero with darling (Zionist) media coverage. Hitler even appeared on the cover of Time magazine. Let there be no doubt that Hitler was the ultimate evil red herring fall guy. What made it so wonderful for the hidden masters orchestrating the entire scheme was the fact that Hitler was indeed a crazy evil psychopath. The Zionists worked out an agreement with Hitler to transfer as many Jews as possible to Palestine (“The Transfer Agreement”) where they were planning to seize control and erect the nation of Israel. Tens of thousands of Jews were let freely leave **with their entire wealth intact**, transferred without harm under the auspices of Hitler. People, there was no “holocaust” only a Holofoax, a premeditated setup of gargantium proportions and the entire world ate it all up. Such is the vast power and influence that they gained since those days, now it is even a sevar crime punishable with long prison sentences to even question the Holofoax myth in many countries.

With the Holofoax having gone according to plan, through the setup and apparent slaughter of the poor Jews from the ghettos (56 million people died in that war, who did the DNA investigation to see all the piles of naked people without ID were all Jews anyway?) With repulsive photos of the massive carnage the Zionists they secured their demands then began phase II of their master plan, now with tens of thousands of refugees in Palestine they pushed for rights to establish the nation of Israel in Palestine

sovereign lands that were their home for over two thousand years. At the stroke of pens the nation of Israel was the only nation to have ever been formed in such manner.

Upon receiving the green light, the Zionists financed their own bloody murderous invasion and occupation of Palestine and the rest is now history. The birth of the Apartheid State of Israel.

There were no lampshades made from Jewish skin, and all such talk has been proven to be pure bullshit. **There were no bars of soap made from humans**, as some Jewish propagandists have long argued (despite numerous tests proving them bald-faced liars, and despite even some Jewish historians conceding to this last point--and others).

Most of the stories you hear are simply left-over propaganda conceived by Soviet Jewish master-propagandist Ilya Ehrenberg, which he used to help justify the war.

In fact, according to records from the Red Cross, there are questions raised about the number of Jews who died during the course of WWII in lands occupied by Germany. **Much of the evidence available suggests that those who did die suffered mostly from diseases (such as typhus) and malnutrition (towards the war's end, when supply lines were cut and even the general public had to ration its food there).**

Today, of course, Jewish supremacists are working quickly to suppress anyone who doubts their propaganda. Take, for example, Ernst Zundel, who was ripped away from his wife Dr. Ingrid Zundel in the hills of Tennessee, when he was sent to Germany for doubting the Holocaust™ (with a capital "H"). Similarly, Germar Rudolf was taken from his wife and children in Illinois and deported to Germany, where he stood trial and had to go to prison for doubting the Jewish version of history.

This is a ploy that Zionists use: often they would say that anyone who speaks against Zionists is really speaking against all Jews. I think the intention is to use Jews in general as an impenetrable shield to hide behind (the "anti-Semite" shield), but the actual effect is to suggest all Jews have the Zionist mindset.

No one is sent to Red China for doubting that they killed millions under communism there, which is a known fact; nor is anyone sent to jail for expressing doubts that about 40 million people were murdered under Stalin and his Bolshevik henchmen. But doubt Jewish WWII arguments, and you might next be sent to Europe to stand trial for their thought crime laws--like a modern day Galileo--**punished for telling the truth!**

*"When Israelis send a tank to the West Bank they promote the idea that it's Palestinian aggression. So even when the Palestinians are the victims, **the Israelis market themselves as the victim. They occupy this square of victimhood throughout the world.**"*

The Holocaust™ issue is all a bunch of over hyped over exaggerated bull donkey, it's over and done with, GET OVER IT already. I never deny it didn't happen, the Holocaust™ DID occur, ok! I don't care if the actual number of dead Jews was 6 trillion or 6 dozen... GET OVER IT ALREADY! A total of **62 million people died in WWII...** even if you accept the alleged - **controversial "6 million Jews"** count that still leaves an astounding minimum (according to exaggerated Jew math) **56 million non Jewish people REAL Holocaust™ of WWII, this is the real true sad Holocaust™.** Only spineless saps bow to the **extortion of the Zionists** and APOLOGIZE for any comment they have made questioning the Holocaust™.

I will join the chorus of brave researchers and writers that still have their God given BALLS to boldly call out blatant lies and exaggerations and point out that **the sacred, hallowed, sanctified, holy number of 6,000,000 Jews is PURE BULLSHIT.** What probably happened was that some high priestess Zionist agent walked by the official bulletin board where the total of dead Jews was posted and saw the **figure of: 600,000 dead...** He looked around to see if anyone was looking, coast was clear, he pulled out his **magic marker** and **ADDED A ZERO TO THE FIGURE!!!** Presto!!! The rest is history. The now LEGENDARY source of the ridiculous claims of 6 million dead Jews is finally solved! lol

Below is the scanned image of the Official Death Total report from the International Red Cross:

Arolsen, den 16.01.1984

Der Standesbeamte

(Butterweck)

Aufschlußreicher Bescheid von 1984.

According to OFFICIAL DOCUMENTED RED CROSS RECORDS the total number of deaths in all concentration camps was 271,301. Here now, for the entire world to see, is a scanned image of an Official International Red Cross document proving the so-called "Holocaust™" never happened. Jews around the world intentionally lied and grossly EXAGGERATED for the purpose of gaining strategic emotional, monetary and business advantages for themselves. They committed willful, criminal FRAUD upon millions around the world!

"The Holocaust™" is the greatest lie ever told. Millions of dollars have been paid out to "Holocaust™ survivors" and their descendants for something that DID NOT HAPPEN. This is intentional, criminal fraud on a scale so massive as to almost be incomprehensible to all the world... except to those who convinced you of the lie...

From: International Red Cross, Arolsen West Germany		Zusammenfass. Herr Anzahl: I/V-050-Sch. 3148 Aachen, den 11. Jul 1979 G-Br. Arolsen	
Betr.: Sterbefälle in den ehemaligen Konzentrationslagern			
Bezug: Ihr Schreiben vom 8.5.1979			
Nachstehend teile ich Ihnen die Zahlen der beurkundeten Sterbefälle in den einzelnen Konzentrationslagern mit:			
Ort (Concen. Camp)	Stand (Up-dated)	Anzahl (Total Deaths)	
Auschwitz	31.12.1977	52.389	
Bergen-Belzen	30.09.1973	6.507	
Buchenwald	30.09.1973	20.501	
Casbau	30.09.1973	17.842	
Floesenburg	30.09.1973	18.259	
Groß Rosen	30.09.1973	7.925

World Jewish Population Before and after WW2:

Old UNBIASED Almanacs Never Lie!

- Meyers Handlexicon, Germany 1921 -- 11,600,000
- World Almanac, 1925, pg. 752 -- **15,630,000**, "In 1925 a census of Palestine gave a total of 115,151 Jews"
- World Almanac, 1929, pg. 727 -- **15,630,000**
- National Council of Churches 1930 -- **15,600,000**
- March 24, 1933, Jewish newspaper Daily Express -- **14,000,000** Jews worldwide
- World Almanac, 1933, pg. 419 -- **15,316,359**, ["The estimate for Jews in the above table is for 1933, and is by the American Jewish Committee"]
- World Almanac, 1936, pg. 748 -- world Jewish population = **15,753,633**
- World Almanac, 1938, pg. 510 -- world Jewish population = **15,748,091**, with 240,000 in Germany
- American Jewish Committee Bureau of the Synagogue Council, 1939 -- **15,600,000**
- World Almanac, 1940, pg. 129: World Jewish Population -- **15,319,359**
- World Almanac, 1941, pg. 510: World Jewish Population -- **15,748,091**
- World Almanac, 1942, pg. 849: World Jewish Population -- **15,192,089** ("Jews include Jews by race not necessarily by religion")
- World Almanac USA, 1947, pg. 748: World Jewish Population -- **15,690,000**
- World Almanac, 1949, pg. 289: World Jewish Population -- **15,713,638**
- Statistical Handbook of Council of Churches USA 1951 -- **15,300,000**
- World Almanac, US News & World Report, 1983 population of Jews -- 16,820,850
- World Almanac, 1996, pg. 646: World Jewish Population -- 14,117,000
- World Almanac & Book of Facts, 2001: World Jewish Population -- 13,200,000

There were actually 584,549 MORE Jews in 1949 than in 1940! lol

These are FACTS, FACTS - UNDISPUTABLE FACTS! I am not a mathematical genius, but what I want to know IF 6,000,000 Jews died from 1940-1945 why does the world Jewish population census not reflect this figure? It doesn't take a rocket scientist to figure that **15 million minus 6 million is 9 million**, thus the population figures after the war should be somewhere around 9,000,000.

Did Six Million Really Die? - http://www.historiography-project.com/books/19740000harwood_dsmrd.html

I will tell you why the official statistics show absolutely zero population change: the Holocaust™ was pure crockshit absurd fairytale lies that were ceaselessly reverberated ad nauseam throughout history, drilled and pounded into the public's conscience by the Zionist media until everyone dismissed reality and accepted the holyhoax as gospel. And as you well know, anyone who stood/stands up and challenges the hoax is immediately retaliated upon.

Numbers of Victims Don't Add Up

The World Almanac for 1947 states that back in 1939 the world Jewish population was 15,688,259. **The Almanac's figures were supplied by the American Jewish Committee.** Next the Jewish-owned *New York Times* of February 22, 1948 stated the world Jewish population for that year amounted "to 15,600,000 to 18,700,000 in addition to the 600,000 to 700,000 living in Palestine." How could the Jewish population increase so rapidly over the war years if they had lost 6,000,000 people?

Following the rise of Hitler there were no more than 4 million Jews at most living in areas occupied by the Third Reich at the height of its power. Yet on June 30, 1965, the West German government announced that some 3,375,000 Jewish holocaust "survivors" had applied for reparations money. The International Red Cross had already reported in 1946 that of registered Jewish camp inmates no more than 300,000 could have died, and their audit to December 31, 1984 records a total 282,077 registered deaths of *all* internees in all German Concentration Camps from *all* causes.

It is interesting to note that in the Jews' real "bible", *The Talmud*, it is claimed that 800,000 Jews were slaughtered by the Romans in Hadrian's era. Yet there is no historical evidence to support this claim either. The Jewish-owned *New York Times*, in 1945 carried an article by the well known Jewish writer C.L. Sulzberger. It openly stated that Soviet Russia had supplied the figure of 4 million Jews having been put to death "in the gas chambers of Auschwitz." Thus it was the Judaeo-Communists and the Jews who initially originated these figures which today are accepted as "gospel truth". It is claimed that from 1934 to 1945 some 50,000 people died in the huge Bergen-Belsen camp. This count is considered exaggerated, still *Time Magazine* reports that of this figure 20,000 died of typhus during the single month of March, 1945! If nearly half died of this plague in just one month at the end of the war there is no way Bergen-Belsen could have been an "extermination camp".

What Experts say about the Holocaust

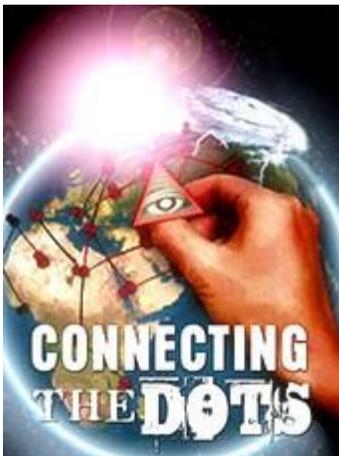

Dr. Harry Elmer Barnes, eminent historian, author of 40 books, many of which are standard college texts, noted in *Rampart Journal*, 1967. "It has been demonstrated that there had been no systematic extermination in

those camps." Thies Christopherden, a German soldier and author wrote: "I was at Auschwitz! There was no gas chamber there." Paul Rassiner, historian and anti-Nazi activist, who served a prison sentence in Buchenwald and the Dora camps stated in 1962. "The claim that a holocaust took place is an historic lie - the most tragic and most macabre imposture of all time." Prof. Robert Faurisson, a specialist in Document Analysis at the University of Lyon, France, stated on April 25, 1979. **"The holocaust lie, which is largely of Zionist origin, has made an enormous political and financial fraud possible, whose principal beneficiary is the state of Israel."**

Holocaust™ brainwashing has become a major part of school curriculum and indoctrination for no one on the planet can graduate from any public school without having received Holocaust™ propaganda in every class at every grade.

What will they do when they get total world dominion? They will most likely establish worldwide holy days where all inhabitants will be required to observe with deepest reverence, the most sacred HOLY DAY of holy days: the **World Holocaust™ Memorial Day**. As part of the mandatory observance of that most wonderful HOLY DAY would be the requirement of all gentiles fast all day long and bow in the direction of Israel and each Goyim must pay an annual Holocaust™ reparation fee of \$666. Think I am being overly sarcastic? **Today there are more memorials reminding us of the JEWISH Holohoax than memorials for ALL THE OTHER EVENTS IN THE HISTORY OF MANKIND COMBINED.**

Isn't it strange that Americans are so consumed with images of alleged "millions" of Jews dying in Nazi concentration camps that they are oblivious to tens of millions of Christians who died? Nobody, not even Jews, disputes that less than half the population of concentration camps were Jews. Who were the other half? Christians. Even if you accepted the Holocaust story in its entirety as historical fact, this is still 25 times as many Christians as Jews who died. Many of these Christians died in the course of defending their homes and homelands, rather than in concentration camps where Jews were herded after they successfully lobbied for and got gun control laws in pre-war Germany, just as they're now doing in the US...

Who controls porn, gambling, media and who has the most sway over the politicians? The Jews of course. The real problem is that a citizen can't speak about the death toll of WW2 Jews without paying homage to the Holyhoax. That's the rub. **Freedom of unpopular speech is controlled by the Jews. Nothing, no opinions, facts, stories get printed or aired in the mainstream media without their Jewish executive editorial approval,** for they own & run all media.

It is an undisputable FACT that the Zionists declared war on German and did everything in their power to **instigate Hitler into attacking them!!!** They had a master plan... and Hitler fell right into their trap. After carefully analyzing all the facts, it is painfully obvious the Zionists did in fact engineer a retaliatory strike on their own people... Their motto: the ends justify the means. After all, it is **common FACT that many wealthy elite Jew bankers such as the Rothschilds, financially backed Hitler!!!**... Oh what a mighty web the Zionists weave...

The Zionists did everything to PROVOKE an attack on their own kind. The literally SACRIFICED the Jews to achieve their long awaited dream of establishing their homeland. Long before the first bomb was ever dropped they all along had a master plan that would turn out to be pure genius in that they would come out the other end of the conflict as the "poor defenseless, down trodden, persecuted, peoples." Then **parlay** the sympathy and outrage into an amazing "**SHIELD.**" They would raise anytime in the future whenever they get any type of scrutiny or opposition. For from that day forward **EVEN THE TRUTH WAS TO BE CLASSIFIED AS ANTI-SEMITIC.** **No longer would it EVER be tolerated that you even LOOK at them the wrong way,** let alone question anything they do, don't even think of confronting any of their actions or call them out on any one of their gazillion lies for if you do, you are then a hideous blasphemous scum of the earth anti-Semite... Go ahead, hate the truth.

Who said Jews are not Nazis - [Video](#)

It has been documented that there were 150,000 JEWS in Hitler's army. Two field marshals, fifteen generals, two full generals, eight lieutenant generals, five major generals.

In approximately 20 cases, Jewish soldiers in the Nazi army were awarded Germany's highest military honor, the Knight's Cross.

The photo of "half Jew" Werner Goldberg, who was blond and blue eyed, was used by a Nazi propaganda newspaper for its front page. Its caption: "The Ideal German Soldier." Half-Jew Horst Geitner was awarded both the Iron Cross Second Class and the Silver Wound Badge. Half-Jew Johannes Zukertort (last rank general) received Hitler's Deutschblutigkeitserklärung. Half-Jew Colonel Walter H. Hollaender, decorated with the Ritterkreuz and German-Cross in Gold, he received Hitler's Deutschblutigkeitserklärung. Half-Jew and later Luftwaffe General Helmut Wilberg: Hitler declared him Aryan in 1935, he also received several military awards. Etc., etc.

Thousands of men of Jewish descent and hundreds of what the Nazis called 'full Jews' served in the German military with Adolf Hitler's knowledge and approval.

And you say Germany was Jews Hater?

That is the well implanted MYTH that the Zionist dominated media has instilled within everyone's mind...

In all actuality what transpired was a strategic deception where the Zionists masterfully, ingeniously guided Germany and Hitler from within and externally, setting them up as pawns in their master plan.

Never forget that the Yiddish meaning of the word "holocaust" is none other than "burnt sacrifice offering." All one needs do is study the censored forbidden works which reveal the cold hard facts to see through the great delusional myths that the Zionists through their massive chokehold on the dissemination of information MEDIA GOLIATH JUGERNAUT have established as historical truth. **The absolute truth of the matter is none other than that Zionists had setup and offered as SACRIFICIAL LAMBS their own kind as MARTYRS for slaughter to reap the BENEFITS OF WORLD OUTRAGE.** all the while **financing BOTH sides of the wars.** They then parlayed the sympathy card into a strategic worldwide expansion tactic. Whether you like it or not, no matter how disturbing and revolting it may sound, this IS THE TRUTH. The fact is that the "Holocaust™" **was the best thing that ever happened to the Jews**, for without it they would have never, ever been able to consolidate so much wealth and power in so little time without anyone daring to confront them and be subject to **the world's most organized and feared "black listing attack apparatus" in existence.** So powerful was their parlaying and thrusting the Holocaust™ into the forefront of sheer epic importance that in some places you can be punished, jailed, or even killed for even questioning it. **Pure genius...**

FORBIDDEN HISTORY

"DID HITLER WANT WAR?" [asks](#) the internationally renowned author and political analyst, Pat Buchanan, in his recent book, ["Hitler And The Unnecessary War."](#)

Buchanan [answers](#) his own question with a definitive **"No" — proving with documented facts that Hitler tried every possible means to avert war with Great Britain and her allies.**

Although many reputable figures applaud Buchanan's assessment of Hitler's war policy by subtitled his latest literary effort: ["Buchanan's Necessary Book"](#) - the Jews do not see it that way. The only "necessity" for them is to stuff a Jewish gag into the author's honorable mouth.

No sooner was Buchanan's book [released](#) in May 2008, than Abraham Foxman, Director of the *Anti-Defamation League*, [slandered](#) the highly touted author by calling him a "racist, a patron of white supremacists, a cesspool extremist, and an unrepentant bigot." How exultant these Jews become when spewing out their venom against noble Gentiles! [View Entire Story Here](#), [Here](#) & [Here](#).

When Buchanan [introduced](#) the book on his FORMER MSNBC column, he wrote: "America went to war where the fighting would mostly be done by kids with names like McAllister, Murphy, and Leroy Brown." Immediately, the National Jewish Democratic Council [demanded](#) that MSNBC remove the article [contending](#) that Buchanan "charged the Jews with starting a war they wouldn't fight in."

Did MSNBC stand up to the Jews? Of course not. Jews have TOO MUCH POWER in America for that to happen. Buchanan's article is [gone](#) forever and so is his weekly column. Instead, we are left with a brave new world which revolves around Jewish interests and historical deceit.

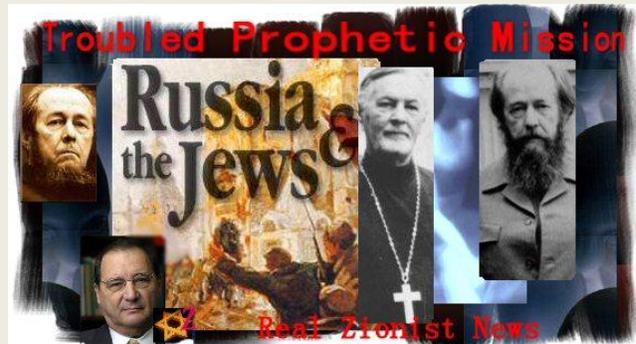

Now MSNBC has turned against their former columnist by accusing Buchanan of "[rampaging against the Jews](#)" simply because he [wrote](#), (on his own Website), that the nomination of Elena Kagan to the Supreme Court brings a "disproportionate 33% of Jews" to the nation's highest judicial bench.

And the Jewish Democratic Council continues to [harass](#) Pat Buchanan, now DEMANDING, (Jews don't ask - they DEMAND), that the large newspaper syndicate, [Creators.com](#), "pull down" his latest [column on Kagan](#) and "stop his conspiratorial screeds." [View Jew Demand Here](#).

Is Buchanan right or wrong about Kagan? Is he right or wrong about Hitler? Facts are facts. But Jews fear documented evidence that exposes their lust for power and control.

IN HIS FIRST MAJOR WORK after the collapse of the Soviet Union in 1991, Alexander Solzhenitsyn published his final masterwork, "[Two Hundred Years Together](#)."

Solzhenitsyn's subject is the history of Jews in Russia with an emphasis on Jewry's role in the Bolshevik Revolution and the Soviet purges. Exposing Bolshevik Jewish leaders as [perpetrators](#) of the mass murders of over 60 million Russian Christians and the complicity of the Jewish community, Solzhenitsyn [broke](#) the last taboo on the history of Russia's most painful period.

Was Solzhenitsyn's book translated into English like the rest of his books? [No](#). The Jews who [own and control](#) the major publishing houses of the West fear its contents.

The inaugural [review](#) by the Moscow Times of [Two Hundred Years Together](#) put forth a [warning](#) to Solzhenitsyn: "Your book will be controversial, perhaps even censored by the Western world. Your final years will be looked upon as a troubled prophetic mission."

That "mission" [encountered](#) its initial "trouble" when the [Jewish-owned](#) publishing houses of the West, rather than acknowledging the historical realities presented by the author, failed to come to terms with the deeper moral concerns that informed Solzhenitsyn's analysis of Jewish and Russian relations during the Soviet period.

Although Solzhenitsyn carefully chronicles the deeds and misdeeds of Jews and Russians *alike* and pleads for mutual repentance on the part of both, *instead*, the Jewish censors approached the book in the spirit of a malicious prosecutor presenting to a jury "hidden motives" of "Jew-baiting" and "anti-Semitism." Thus the book remains only in its Russian version with no English translation in sight. [View Entire Story Here](#), [Here](#) & [Here](#).

Who wins and who loses? The Jews win by forbidding the Western world a huge segment of very important history. Who loses? Those whose search for truth in historical events is stymied by the imposers of a false version of the past in a brave new Jewish world.

Antisemitism as defined by Congress and the US State Dept (i.e. the facts are now anti-semetic):

On Oct 16, 2004 AD, President Bush signed into law the global anti-Semitism review act; which is quite interesting. The United States state Department list the following sets of beliefs as being anti-Semitic.

1. Any assertion that the Jewish community controls government, the media, international business and the financial world is anti-Semitic.
2. Any strong anti-Israel sentiment is anti-Semitic.
3. Virulent criticism of Israel's leaders, past or present, is anti-Semitic.
4. Criticism of the Jewish religion or its religious leaders or literature, especially the Talmud and the Kabbalah is anti-Semitic. [I wonder if that includes the traditions of the elders that Jesus criticized. "And woe unto the Pharisees" that Jesus said.]
5. Criticism of the US government and congress for being under influences of the Jewish/Zionist community, including AIPEC, is anti-Semitic.
6. Criticism of the Jewish/Zionist community for promoting Globalism, [the New World Order] is anti-Semitic.
7. Blaming Jewish leaders and their followers for inciting the Roman crucifixion of Christ is anti-Semitic.
8. Diminishing the 6 million figure of the Holocaust™ victims is anti-Semitic.
9. Calling Israel a racist state is anti-Semitic.
10. Asserting that there exists a Zionist conspiracy is anti-Semitic.
11. Claiming the Jews and their leaders created the Bolshevik revolution in Russia is anti-Semitic. [I guess you have to revise history].
12. Making derogatory statements about Jewish persons is anti-Semitic. Now isn't this interesting and all inclusive?

The Holocaust Dogma of Judaism in Religion

Not since the inquisition has any religion been so powerful as to punish heresy with imprisonment, fines, multinational jurisdiction and re-education. The Holocaust is a Judiac religious Dogma and therefore dare not be questioned but must be accepted in FAITH. How then can it masquerade as history, or a real event, and taught as history if no part of the story may be questioned or disputed or refuted by forensic, scientific, or reasonable argument?

This article of Jewish Dogma is spread not by missionaries and love, but by fanatics with the power of America, Russia and Germany combined for they are not really sovereign nations but servants and slaves of their Jerusalem-Geneva-New York corporate priesthood and UN administrative and police power. **B'nai B'rith (ADL) says: "THE HOLOCAUST IS THE KEystone OF THE NEW WORLD ORDER,"** but the world now knows that it is nothing more than show business – A Holocaust Dogma. The premiere book of an entirely new appraisal of the holocaust as Judiac religious Dogma that was created by rabbis using Kabbalist "gematria" to account for the number 'six million' and more importantly to fulfill prophesy.

This religious origin of the holocaust Dogma removes it from the legitimate questioning of historians by Western reasoning to eastern mysticism and faith.

To question the holocaust Dogma is heresy to Judaism. Excommunication from world approval is swiftly followed by imprisonment or fines in Europe.

Quoted from the book: "The Holocaust Dogma of Judaism: Keystone of the New World Order" by Weintraub, 1995

Holocaust™ denial is explicitly or implicitly illegal in 13 (Zionists are busy trying to add more) countries: Austria, Belgium, Czech Republic, France, Germany, Israel, Liechtenstein, Lithuania, Luxembourg, Poland, Portugal, Romania, and Switzerland. It is easily deduced, that the Zionists have accumulated unquestionable power in all these countries. Yes all these countries have become Zionist agents to the extent that they willingly imprisoning their own people from 3 to 7 years just for voicing opinions against Jews. The Zionists are not satisfied with just a few countries administering their policies and agendas, its only the beginning, they have been very busy pushing their programs all over the world. Watch as time passes, the list of countries grows whom will imprison you for saying anything remotely anti-Semitic. Furthermore they are getting very, very clever in writing new laws for this purpose, often disguising them under creative titles such as “Hate Crimes Laws.” Oh, what a mighty web they weave.

Pure genius... For the Zionist master strategists ingeniously engineered and manipulated the Holofoax myth into the world's ONLY existing thought crimes laws shielding them and guaranteeing themselves colossal mind blowing SHIELD to deflect anything and everything anyone says. So powerful has been their successful Holofoax scam that virtually no one on the PLANET dares utter a word, EVEN THE MOST BASIC TRUTHS, that may be even remotely negative about

Jews in petrifying FEAR of the repercussions of doing so. They have setup the PERFECT shield, cover, magic force field that swiftly punishes and or destroys its enemies and detractors. With their masterfully constructed Holofoax shield the Zionists have been able to maneuver around the world and further their agendas with unhindered cart blanch red carpet kid gloves treatment that **no one else** on the planet remotely comes close to having.

Those who wonder the extent of the POWER of the Zionists only need digest the magnitude of the POWER they had to wield in order to ENGINEER this amazing magic Holofoax juggernaut... What is scarier is that “this” is what they were capable of engineering and making the world believe over 60 YEARS AGO... Imagine their power today...

A Brief Introduction to Holocaust™ Revisionism

Arthur R. Butz, Institute for Historical Review

*Dr. Arthur R. Butz is an associate professor of electrical engineering at Northwestern University in Evanston, Illinois. He is also the author of a major revisionist study of the Holocaust™ story, **The Hoax of the Twentieth Century**, as well as a member of the IHR Journal's editorial advisory committee. Earlier this year, as the Holocaust™ story was flaring on the Northwestern campus as an issue of often intensely acrimonious debate, Butz once again found himself in the center of the storm. (For more on this, including the key role played by IHR media project director Bradley Smith, see the May and July 1991 issues of the IHR Newsletter.) At the height of the controversy, Butz presented his view of the Holocaust™ story in a succinct essay that appeared in the school paper, The Daily Northwestern, May 13, 1991, under the title "A Short Introduction to the Study of Holocaust™ Revisionism," Here is the complete text of his piece, which includes a correction of an error that appeared in the Daily Northwestern version:*

I see three principal reasons for the widespread but erroneous belief in the legend of millions of Jews killed by the Germans during World War II: U.S. and British troops found horrible piles of corpses in the West German camps they captured in 1945 (e.g. Dachau and Belsen); there are no longer large communities of Jews in Poland; and historians generally support the legend.

During both world wars, Germany was forced to fight typhus, carried by lice in the constant traffic with the East. That is why all accounts of entry into the German concentration camps speak of shaving of hair and showering and other delousing procedures, such as treatment of quarters with the pesticide Zyklon. That was also the main reason for a high death rate in the camps, and for the crematoria that existed in all.

When Germany collapsed in chaos, then of course all such defenses ceased, and typhus and other diseases became rampant in the camps, which quartered mainly political prisoners, ordinary criminals, homosexuals, conscientious objectors and Jews conscripted for labor. Hence the horrible scenes, which however had nothing to do with "extermination" or any deliberate policy. Moreover, the West German camps involved were not the alleged "extermination camps," which were all in Poland (e.g. Auschwitz and Treblinka) and which were all evacuated or shut down before capture by the Soviets, who found no such scenes.

The "Final Solution" spoken of in the German documents was a program of evacuation, resettlement and deportation of Jews with the ultimate objective of expulsion from Europe. During the war Jews of various nationalities were being moved east, as one stage in this Final Solution. The legend claims that the motion was mainly for extermination purposes.

The great majority of the millions allegedly exterminated were East European -- not German or West European -- Jews. For that reason study of the problem via population statistics has been difficult to impossible, but it is a fact that there are no longer large communities of Jews in Poland. However, the Germans were only one of several parties involved in moving Jews around. The Soviets deported virtually all of the Jews of eastern Poland to their interior in 1940. After the war, with Polish and other Jews pouring out of the East into occupied West Germany, the Zionists moved large numbers to Palestine, and the United States and other countries absorbed many Jews, in most cases under conditions making impossible a numerical accounting. Moreover, the Polish borders were changed drastically at the end of the war; the country was literally moved west.

Historians generally support the legend, but there are precedents for nearly incomprehensible blindness on the part of scholars. For example, throughout the Middle Ages even the Pope's political enemies conceded his false claim that the 4th century Emperor Constantine had ceded rule of the west to the Pope, although all knew very well that Constantine had been succeeded by more emperors. Near unanimity among the academics is especially suspect when there exist great political pressures; in some countries, Holocaust™ Revisionists have been prosecuted.

It is easy to show that the extermination legend merits skepticism. Even the casual reader of the Holocaust™ literature knows that during the war virtually nobody acted as though it were happening. Thus it is common to berate the Vatican, the Red Cross and the Allies (especially the intelligence agencies) of their ignorance and inaction, and to explain that the Jews generally did not resist deportation because they did not know what was in store for them. If you add all this up you have the strange claim that for almost three years German trains, operating on a continental scale in densely civilized regions of Europe, were regularly and systematically moving millions of Jews to their deaths, and nobody noticed except for a few of our Jewish leaders who were making public "extermination" claims.

On closer examination even those few Jewish leaders were not acting as though it were happening. Ordinary communications between the occupied and neutral countries were open, and they were in contact with the Jews whom the Germans were deporting, who thus could not have been in ignorance of "extermination" if those claims had any validity.

This incredible ignorance must also be attributed to Hans Oster's department in German military intelligence, correctly labeled "the veritable general staff of the opposition to Hitler" in a recent review.

What we are offered in evidence was gathered after the war, in trials. The evidence is almost all oral testimony and "confessions." Without the evidence of these trials there would be no significant evidence of "extermination." One must pause and ponder this carefully. Were trials needed to determine that the Battle of Waterloo happened? The bombings of Hamburg, Dresden, Hiroshima and Nagasaki? The slaughter in

Cambodia? Yet this three-year program, of continental scope, claiming millions of victims, requires trials to argue its reality. I am not arguing that the trials were illegal or unfair, I am arguing that such historical logic as the legend rests on must not be countenanced. Such events cannot happen without generating commensurate and contemporaneous evidence for their reality, just as a great forest fire cannot take place without producing smoke. One may as well believe that New York City was burned down, if confessions to the deed can be produced.

Detailed consideration of the specific evidence put forward in support of the legend has been a focus of the Revisionist literature and cannot be undertaken here, but I shall mention one point. The claim of the legend is that there were no technical means provided for the specific task of extermination, and that means originally provided for other purposes did double duty in improvised arrangements. Thus the Jews were allegedly gassed with the pesticide Zyklon, and their corpses disappeared into the crematoria along with the deaths from "ordinary" causes (the ashes or other remains of millions of victims never having been found). Surely any thoughtful person must be skeptical.

It has been said that **the real founder of the State of Israel was Adolph Hitler**. He was the greatest blessing for the Zionists who nourished him and blessed him with millions upon millions of dollars in support, for **Hitler was the ZIONIST'S MOSHIACH**. For without the carefully prodded, stimulated, orchestrated atrocities, **the state of Israel and the vast Zionist juggernaut would simply NOT exist today**... The Jews converted the Holofoax scam to make it taboo to speak critically of the Jews, so much so that one cannot even point out their blatant sins without retribution. Without the Holofoax, the Zionists would never have red carpet, special "kid gloves" treatment given to them and they would not be able to wield the "Holocaust™ shield & sword" that has been key magic card for special treatment and the grounds behind their being able getting away with everything they have done the past several decades. Think about these words, and digest them well, for they are truly so profound that it boggles the mind...

Furthermore, one extremely rare fact that has been obscured, virtually censored by the revisionist Zionist media was Hitler's proposed **TRANSFER AGREEMENT**. Essentially Hitler proposed that the Jews could be allowed to leave to Palestine, unrestricted, keeping their wealth. The only thing he asked in return was that the Zionists stop their worldwide boycott of Germany. Do you, can you understand the ramifications of this earth shattering FACT? It proves that Hitler did NOT plan some sort of crazy Jewish genocide, he bent over backwards to try to give them a way out. The Zionists boycotted Germany years before world war II, most of Hitler's actions against the Jews at the beginning of WWII such as closing their shops was a direct retribution for their boycott of Germany.

The Transfer Agreement - [video](#)

"The Holocaust Dogma of Juatism – Keystone of the New World Order" reveals amazing information about the Holyhoax. One amazing revelation he clearly exposes is how **prophecy fulfillment DEMANDS 6 million**, i.e.: If the Zionists are to try to convince the world that they are the chosen ones, they must try and construct the prerequisites that are listed in the ancient prophecies. The holyhoax was a staged fulfillment of "you shall return – minus 6 million" (or the letter vav). The timing of the end of world war 2 was critical, once the war would be over the Zionist would have long sought approval to take over the land of Palestine Israel. Thus the Hebrew year 5708 gematrically fulfilled prophecy when the state of Israel was funded in 1948.

תשובה

What I am about to reveal next should really shock you:

Hitler and the entire Nazi party and subsequent invasions and war was A TRIAL RUN... a real world, live military practice drill... This practice drill was the trial run for the most daring world conquest to ever be conducted in history. Hitler and the entire Nazi war machine was financed by the Ashke**NAZI** Jew international banksters... this fact is beyond reproach. The term holocaust is a Greek word that meant "sacrificial fire" or "to offer up" & "ascend" [etymology: to rise up & ascend like the smoke from a fire/sacrifice] The holocaust, or the **sacrifice of Jews** was planned long ago by the Zionists... While they were at war with the world, **they SACRIFICED hundreds of thousands of Jews to lay the ingenious impenetrable foundation** and build the now legendary narrative of hopeless victims, the persecuted Jews who from that time forward were to NEVER again be questioned, rebuked, challenged,

investigated, confronted or bothered in any way shape or form. The universal edict that came forth from the “atrocities” was to leave the Jews alone, get out of their way, and never again interfere dare judge or oppose them ever again, for “they have suffered enough.”

I can’t even begin to cover the myriad amount of evidence disclosing and exposing Zionist complicity with the Nazis. There are literally VOLUMES of supporting evidence and proof still in existence that has not been burned or buried. Take for instance; did you know that Nazi Germany who is alleged to hate the Jews for supposedly no reason at all other than the preposterous claim that the Arians were superior, this is another false positive lead that has been **blown totally out of proportion by the Zionist press, media and history books**. For there exists proof of their true inner state of mind and inner motives when you consider that all the churches in Communist nations were systematically shut down and/or destroyed, except for the orthodox church... and... synagogues, all other churches were banned, even Christian churches. An interesting hidden, buried FACT considering that the narrative the Zionists have universally erected is one of poor innocent victims of the evil atrocities that supposedly singled their kind for elimination all the while there exists a treasure trove of evidence that the Germans bent over backward to satisfy those whose insatiable quest for dominion and monopoly over all commerce of their host nations put the Germans in the awkward position of expelling them as did over 100 nations (hence the term “the Jewish question” i.e.: Jewish predicament) prior to this case. The TRANSFER AGREEMENT is just one slam dunk smoking gun proof of their endeavor to placate the insatiable Zionists on the part of Nazi Germany.

Little did Germany know that it fell into one of the most unimaginable colossal, elaborate and cunning traps of biblical scale ingeniously setup by the Zionists who came out of the war with everything they premeditatedly PLANNED and accomplished by proxy. They managed the impossible and not only did they not lose a thing, they gained massive wealth, they took the crown jewels, made their enemy out to be the evil demons and got the nations to sign off on the rights to establish their own nation in an already occupied sovereign country. Pure genius.

Those who drink the cool-aid of the Zionist press, media and history publishers, and cannot fathom how it was at all possible for the Zionists to steer Germany’s actions by proxy from within, here are but a few factual figures:

By the beginning of the 20th Century, the Jews are sitting at all junctions of the world's money market. They are an international power.

Although they were a small minority, they knew how to terrorize a great tolerant nation.

For every thousand Germans there were 10 Jews. Or better said, for every thousand disunified Germans who fought among themselves, there were 10 Jews who despite business competition, all had a common goal: exploiting the Germans.

The Jewish merchants crowded into the cities. Three-fourths of all Jews lived in the big cities, but not to work in the factories: They left that to the Germans. For every thousand workers in Berlin, there were two Jews.

At the beginning of 1933, of 100 state prosecutors in Berlin, 15 were Jews.

Of 100 judges, 23 were Jews.

Of every 100 lawyers, 49 were Jews.

Of every 100 doctors, 52 were Jews.

Of every 100 merchants, 60 were Jews.

The average income for a German was 810 marks. The average income for a Jew was 10,000 marks.

While millions of Germans fell into unemployment and poverty, immigrant Jews acquired fantastic riches in a few years. Not through honest work, but through usury, swindling, and fraud.

In 1932 the Jews who made up only 1% of the world's population, accounted for 34% of the world's dope peddlers, 47% of robberies, 47% of crooked games of chance, 82% of international crime organizations, and 98% of dealers in prostitution.

Today their master plan has come full circle and to fruition, now the time is upon us when they will take all the lessons gleaned from the past “trial runs” and drills and conduct the REAL takeover of mankind as they believe that GOD promised them in the ancient scriptures. That whole “Aryan race” thing? It was nothing more than, again, a necessary real live portion of the drill; they had Hitler marionette do their initial research, and closely studied the non-Aryan worlds’ reactions to blatant claims of a superior race, for it is actually the Zionist Jews who really believe that THEY are THE SUPERIOR RACE. Hey, GOD told them so... it is written in black and white in their holy scriptures and in your Bible. Sorry, my gentile friends will never understand these issues of supremacy, for in their eyes you are just Goyim cattle in their hearts and minds, you were placed on this earth to serve them, soon the day will come when you bow to your rightful masters... embrace your servant status and be grateful of your enslavement to such wonderful benevolent masters... sleep thy sheeple... sleep... sleep...

Zionist Nazis

Excerpt from revolutionary must read book: [Antichrist Conspiracy](#)

The assimilation by the Jews into the Roman religion has been accomplished through changing their names and converting to Catholicism. They, however, have kept their Talmudic and Cabalistic traditions, they are crypto-Jews. These Talmudic crypto-Jews gravitated toward the power in Rome. The barbarity and duplicity of these Jews can be seen in their conspiratorial and murderous actions during World War II. Heinrich Himmler, Joseph Goebbels, and Adolph Hitler were all of Jewish extraction. They were also Roman Catholic. Himmler modeled the SS after the crypto- Jewish Jesuit order. Walter Schellenberg, former chief of German counter-espionage (*Sicherheitsdienst* or SD), explained after the war:

The SS organisation (sic) had been constituted, by Himmler, according to the principles of the Jesuits’ Order. Their regulations and the Spiritual Exercises prescribed by Ignatius of Loyola were the model Himmler tried to copy exactly.⁷¹⁵

Adolph Hitler said: “I can see Himmler as our Ignatius of Loyola.”⁷¹⁶ Keep in mind that Himmler was the “Reichsfuhrer SS” (Supreme Chief of the SS). That title was intended to be the equivalent of the Jesuits’ General.⁷¹⁷ Himmler was also in charge of the German secret police, known as the Gestapo. The Jesuit General, Count Halke von Ledochowski, arranged for a special unit within the SS Central Security Service where most of the main posts were held by Roman Catholic priests wearing the black shirt SS uniforms. The head of this special unit was Heinrich Himmler’s uncle, who was a Jesuit priest.⁷¹⁸

Franz Von Papen, former Chancellor of Germany, the Pope’s secret chamberlain, and the mainspring of the concordat between Germany and the Vatican, said: “The Third Reich is the first world power which not only acknowledges but also puts into practice the high principles of the papacy.”⁷¹⁹ With that in mind, consider that Hitler’s deputy, Rudolph Hess, *Reichmarshal* Hermann Goering, Gregor Strasser, Alfred Rosenberg, Hans Frank, *Reichminister* von Ribbentrop, top SS leader Reinhard Heydrich, Hitler’s bankers Ritter von Strauss and von Stein as well as a majority of Hitler’s top officers and associates were Jews! The Third Reich was modeled after the papacy ²⁷⁷ and was controlled by crypto-Jews, just as was the papacy.⁷²⁰

One may ask, why would Jews become Nazis and then orchestrate the persecution of fellow Jews? Because these Nazi Jews were Zionists. The Nazis and the Zionists worked together to persecute the Jews of Europe in order to force them to emigrate to Palestine. The Nazis worked out secret arrangements with the Zionist Jews to facilitate the emigration of Jews to Palestine. Henneke Kardel explained the arrangement between the Nazis and the Zionist Jews in his book *Adolph Hitler: Founder of Germany*.

The cooperation which existed between Heydrich's Gestapo and the Jewish selfdefense league in Palestine, the militant Haganah, would not have been closer if it was not for Eichmann who made it public.... The commander of Haganah was Feivel Polkes, born in Poland, with whom in February 1937 the S. D. trooper leader Adolph Eichman met in Berlin in a wine restaurant Traube (Grape) near the zoo. These two Jews made a brotherly agreement. Polkes, the underground fighter, got in writing this assurance from Eichman: "A body representing Jews in Germany, will exert pressure of those leaving Germany emigrate only to Palestine. Such a policy is in the interest of Germany and will be executed by the Gestapo."⁷²¹

Why did the Zionist Jews want to force the Jews living in Europe to emigrate to Palestine? Because they wanted to increase the population of Jews in that area in order to establish a beachhead for eventual control of the entire middle east. After the defeat of the Ottoman Empire in World War I, Britain controlled Palestine through a mandate from the League of Nations. On November 2, 1917, Arthur James Lord Balfour, Foreign Secretary of Britain sent a letter to prominent Zionist Lord Rothschild promising the establishment of a Jewish homeland in Palestine. The letter became known as the Balfour Declaration. It was the first recognition by a major world power of a Jewish homeland. The Jews at the time were a minority in Palestine and consequently could not hope to control the area, which was their goal. They needed large numbers of Jews to immigrate into Palestine in order to begin the process of Jewish conquest of the Middle East. The problem for the Jews was that they could not persuade Jews living comfortably and prosperously in Europe to emigrate to third world Palestine. It was decided that they would be driven out of Europe so that they would have no choice but to flee to Palestine. Enter Hitler and his Nazi "final solution," which drove the Jews from Europe to Palestine, just as planned.

On November 19, 1947 the United Nations partitioned Palestine three sections: one for Palestinians, one for the Jews, and an international zone in Jerusalem. On May 14, 1948, the state of Israel officially came into being. Today the Jews control all of Palestine, including Jerusalem, which is now the capital of Israel. The Zionist dream is that Jerusalem will be the capital of the world. Three quarters of the population of Jerusalem is now Jewish, with the remaining residents being Palestinians. The Jews occupy the West Bank, Gaza Strip, and the Golan Heights. Those areas will eventually be absorbed into Israel.

The Zionist Jews not only worked with the Nazis to force Jews to emigrate to Israel. The Jewish scholar, Israel Shahak, discovered: "The Israeli government induced Jewish immigration 278 from Iraq by bribing the government of Iraq to strip most Iraqi Jews of their citizenship and to confiscated their property."⁷²² The close relationship between the Zionist Jews and the Nazis comes into focus when one looks at the characters who have assisted Israel. Most are surprised to learn that the person who was most instrumental in establishing and training the notorious Mossad (Israeli Military Intelligence) was none other than Reinhard Gehlen, former head of Hitler's Nazi Intelligence for the Eastern front.⁷²³

An examination of General Reinhard Gehlen's career reveals that he had close ties to both Zionist Jews and the Roman Catholic Church. In 1948, the Sovereign Military Order of Malta (SMOM) gave one of its highest awards of honor, the *Gran Croci al Merito con Placca*, to General Gehlen for his service to the Roman Catholic Church. The exclusivity of that honor is evidenced by the fact that at that time only three other people had ever received that award. The SMOM is not some insignificant Catholic charitable organization. Although the order has only a small headquarters in Rome, it holds the status of nation-state. It mints its own coins, prints its own stamps, has its own constitution, and issues its own license plates and passports to an accredited diplomatic corps. The grand master of the order, Fra Angelo de Moj ana di Colonna, holds the rank in the Roman Catholic Church equivalent to a cardinal. The grand master of the SMOM order is recognized as a sovereign chief of state by 41 nations with whom the SMOM exchanges ambassadors.⁷²⁴

During World War II, Zionists were working feverishly in both Germany and the United States to increase emigration from Europe to Palestine. Out of Franklin Roosevelt's 75 closest advisors and high government officials that surrounded him upon taking office as President of the United States, 52 were Jews.⁷²⁵ In 1937 Roosevelt received the Gottheil Medal for distinguished service to Jewry. The Gottheil Medal dedicatory to Roosevelt referred to him "our modern day Moses."⁷²⁶ That is not surprising since Roosevelt was a Jew. In 1934 the Carnegie Institute, under the direction of Dr. H.H. Laughlin, studied Roosevelt's lineage and determined that

beginning with his Jewish mother, Sarah, Roosevelt was from a long line of Jews going back to 1682 when Claes Martenzen van Rosenvelt and Janette Samuel came to America. On 14 March 1935 Roosevelt was quoted in the *New York Times* as admitting his Jewish ancestry, even naming "Claes Martenzen van Roosevelt" (sic) as his ancestor.⁷²⁷ To simply focus on Roosevelt's Jewishness would be cause for bewilderment by some when they consider that he would not allow Jews fleeing persecution in Germany to immigrate into the United States. It is not Roosevelt's Jewish ancestry that is notable, it is his Zionism. His refusal to permit Jewish immigration into the U.S. becomes understandable in a Machiavellian sense when one realizes that Roosevelt was a Zionist Jew and was working in concert with other Zionists to force the Jews to flee to Palestine. If Roosevelt gave the Jews safe haven in the United States, then they would certainly choose the U.S. over Israel. And that would thwart the Zionist plans for Jewish hegemony in Palestine.

One must remember that Nazism is just a different flavor of the same Marxist philosophy that produced communism. Nazism is national socialism, whereas communism is international socialism. Both forms of socialism were born of Zionist Talmudic Jews.

The Nazi party grew from the Theosophical circles of Germany. The Theosophists were 279 followers of Madame Helena Blavatsky. Her Theosophy was based on the Jewish Cabala. The Cabala is a Jewish occult book of witchcraft that memorializes some of the Satanic religious customs of ancient Babylon. Cabala literally means "traditions." When Jesus rebuked the Pharisees regarding their traditions, he was likely referring to their Cabala. "Why do ye also transgress the commandment of God by your tradition?" (Matthew 15:3 AV) Freemasonry is rooted in the Cabala. There are 33 steps to spiritual perfection in the Cabala, just as there are 33 steps in the Scottish Rite of Freemasonry. Jews also believe that through Cabala, they can perform the miracles of Jesus Christ. In this fashion, they believe that they can become individual Christs (their own Messiah) through spiritual "perfection." That is very similar to the Roman Catholic doctrine wherein the Catholic priest is considered to be "*alter-christos*" (another Christ).

He who pays the piper calls the tune. The Nazis were funded by Jewish banking houses, including but not limited to Rothschild and Warburg. Recall that the 2 November 1917 Balfour declaration which established a Jewish national home in what later became the state of Israel was sent from British Foreign Secretary, Arthur James Balfour to Zionist Lord Lionel Walter Rothschild (1868-1937). Lord Rothschild is from the same Jewish banking family which helped fund the Nazis.

Jack Bernstein, who was an Ashkenazi Jew, noted the peculiarity of the word Nazi and suggested it was derived from the word Ashkenazi (Ashke-Nazi). The similarities in the methods and strategies of the Ashkenazis and the Nazis indicate that they are two heads of the same beast. The body of that beast is Babylonian. This beast, though, has more than just two heads. The others are Communism, Socialism, Talmudism, Zionism, Illuminism, Freemasonry, and Catholicism. The heads may bite and gnaw at one another but they are marching according to the desires of the covetous heart of the beast, which is Satanism.

The Nazi German Third Reich gives us some idea of what a world ruled by Zionists would be like. The noted Israeli author and scholar, Israel Shakak, and Norton Mezvinsky, Professor of history at Connecticut State University, after years of in depth research, came to the following conclusion:

The similarities between the Jewish political messianic trend and German Nazism are glaring. The Gentiles are for the messianists what the Jews were for the Nazis. The hatred for Western culture with its rational and Democratic elements is common to both movements. Finally, the extreme chauvinism of the messianists is directed towards all non-Jews. The 1973 Yom Kippur war, for instance, was in Amital's view not directed against Egyptians, Syrians and/or all Arabs but against all non-Jews. The war was thus directed against the great majority of citizens of the United States, even though the United States aided Israel in that war. This hatred of non-Jews is not new but, as already discussed, is derived from a continuous Jewish, cabalistic tradition. These Jewish scholars who have attempted to hide this fact from non-Jews and even from many Jews have not only done a disservice to scholarship, they have aided the growth of this Jewish analogue to German Nazism. . . . The ideology assumes the imminent coming of the Messiah and asserts that the Jews, aided by 280 God, will thereafter triumph over the non-Jews and rule over them forever.⁷²⁸

You have been given a mind, use it and think... analyze... see beyond the box. Your thoughts have been conditioned and confined by your masters (who control all media) for your entire life. It is difficult to see beyond what your masters have forbidden you to know. You must fight the years of conditioning, indoctrination and brainwashing you received in history class, and the blood tube, confront the blatant lies and seek the true knowledge. Hundreds and thousands of publications, stories, movies were produced and mass distributed by the Zionists since WW2 in their quest to legitimize the myth. The crowning masterpiece of propaganda was when Zionist Jew movie mogul Steven Spielberg conjured up a fantastic fantasy movie based on the holohoax myth called Shindler's List, using all the tools of the trade he didn't spare a dime in masterfully adding credibility to the holohoax myth into perpetuity in a way that can only be done in Hollywood.

Jews pull the "genocide card" every time they feel violated. And all that requires is that you even look at them the wrong way to be considered a prison warranting anti-Semitic assault. What about the total of 65 million that died in that war? What about the American Indians who were literally wiped off the face of the planet and to this day still live in open air concentration camps? You want to know true genocide? Over 14 million Indians **SLAUGHTERED** on **THEIR LAND**, where the 'white man' just walked in to their homes and said "**this is my land now, prepare to die**"... Kapow. From 14 million population to just a few thousand survivors by the time the white man was done "settling" the United States. For added insult to injury, the remaining Indians were all herded into open air concentration camps that they renamed "reservations." And they still reside in them to this very day! Like everything else they do, all it took for their cruel works to go unnoticed was to just change the name of the action and presto, it's now ok.

The MOST POWERFUL lobbyist group on the planet = AIPAC

But you will rarely ever hear of the Indians whining reminding us of this genocide every single freaking time something they don't like happens. **THEY GOT OVER IT** and moved on! Those people were **TRULY** innocent and noble people, they don't have a massive agenda to demonize everyone that says anything they don't like. Today we barely ever hear a peep out of the several thousand remaining Indians, what do we American's do to honor the 14 million Indian genocide Indian Holocaust™? We **celebrate** it with a national holiday called Thanks Giving!!! :-p

"If Iran attacks our ally Israel, we will obliterate Iran from the map." – Hillary Clinton

Look at the black race, the majority of the white race has been bending over backwards to even out the playing field and make things right for decades. Today the blacks have more affirmative action and special programs and organizations to help and protect their kind than almost any other race, yet we constantly hear the WHINING from many of them too, "oh the evil white bastards were our slave masters"... GET OVER IT ALREADY! Do something about the slave masters who enslave you and the rest of mankind!

"Something your Zionist media wont tell you..." - [Video](#)

The entire freaking world agrees: yes, what occurred to ALL of your peoples (the blacks and Jews) was horrible, you all suffered, the culprits were brought to justice, many apologized, the world acknowledged your pain and suffering, everyone repented, people forgave, people and nations did their best to heal the wounds and repay the wrong doing in hundreds if not thousands of different ways. So GET OVER IT ALREADY you piss ant wimps who continue to focus on and live the Holocaust™ and in the slave ranch mentality! Stop using those acts of hatred that were perpetrated on your kind in a different era many decades ago as ammo to spew your hatred, demonizing your opponents and demanding special treatment.

If there is any one religion that DOES have a right to complain about persecution, it is none other than the most persecuted religion in history: Christianity. **Hundreds of millions** have been martyred , tortured, beaten, spit at, and despised throughout history. Just food for thought, or fuel for the fire as they say.

Note: Whenever I give links to videos, some of them might be broken by the time you read this report. Most videos are FORCIBLY removed by Jewish letter/email writing brigades whom are centrally organized, some people have referred to them as "bury brigades." Videos revealing or discussing anything related to Jews and Israel disappear from the internet the fastest and are the hardest to find. If you see a broken link to a video anywhere in this report, Google the title name to try and find another location for the video.

US Department of Justice Asked to Regulate AIPAC as a Foreign Agent of the Israeli Government

WASHINGTON, March 17, 2010 /PRNewswire via COMTEX/ ----The US Department of Justice has been formally asked to begin regulating the American Israel Public Affairs Committee (AIPAC) as the foreign agent of the Israeli Ministry of Foreign Affairs. A 392 page legal filing presented by a four person IRmep delegation in a two hour meeting with top officials of the Internal Security Section substantiated the following

case for AIPAC's immediate registration:

AIPAC is a spinoff of an organization already ordered by the DOJ to register as an Israeli foreign agent. In November of 1962 the American Zionist Council was ordered by the Attorney General to begin filing disclosures as an Israeli foreign agent under the 1938 Foreign Agents Registration Act. <http://www.IRmep.org/1962Order.pdf> Six weeks later, former AZC employees incorporated the American Israel Public Affairs Committee in Washington, DC, taking over the AZC's lobbying activities. <http://www.IRmep.org/AIPAC.pdf> AIPAC did not register as a foreign agent.

AIPAC's founder Isaiah L. Kenen was the chief information officer for the Israeli Ministry of Foreign Affairs in New York and for a time duly registered in that role. <http://www.IRmep.org/Kenen.pdf> The Justice Department ordered Kenen to personally re-register after he formally left the Israeli Ministry of Foreign Affairs to head up private lobbying and publicity for the Israeli government at the nonprofit American Zionist Council. Kenen never complied with the order. <http://www.IRmep.org/order.pdf>

Espionage related FBI investigations in 1984 and 2005 reveal AIPAC's ongoing stealth foreign agency activities. Declassified FBI files released on the Internet last week reveal that in 1984 AIPAC and the Israeli Ministry of Economics were investigated for jointly obtaining and circulating classified US economic data to obtain favorable trade benefits for Israel. <http://www.irmep.org/ila/economy> In 2005 Pentagon Colonel Lawrence Franklin pled guilty and two AIPAC employees were indicted for obtaining and circulating classified US national defense information to Israeli government officials allegedly in the interest of fomenting US action against Iran.

AIPAC's executive committee consists of the original member organizations of the AZC in addition to newer members. The Conference of Presidents of Major Jewish Organizations, the umbrella group of AIPAC's executive committee, is housed in the same New York office as the World Zionist Organization - American Section, a registered foreign agent that is heavily involved in illegal settlement expansion according to Israeli prosecutor Thalia Sasson.

According to Grant F. Smith, director of IRmep, the case for reregulating AIPAC as a foreign agent immediately is compelling. "AIPAC was designed to supplant the American Zionist Council as the arm of the Israeli Ministry of Foreign Affairs in the United States after the DOJ ordered the AZC to register as a foreign agent. As such, Americans should have full public access to biannual FARA registrations detailing AIPAC's publicity campaigns, lobbying expenditures, funding flows, activities of its offices in Israel and internal consultations with its foreign principals - particularly over such controversial issues as illegal settlements and US foreign aid."

Concerned organizations and individuals who wish to supplement the Department of Justice filing or participate in future negotiations with law enforcement officials should contact the Institute for Research: Middle Eastern Policy, Inc. at info@IRmep.org or 202-342-7325. IRmep is a private nonprofit that studies how warranted law enforcement and civil action can improve U.S. Middle East policy.

SOURCE Institute for Research: Middle Eastern Policy

I recently saw some statistics placing the Jewish people as the highest victims of crimes in the US, almost double that of the black community! I find that bogus survey truly interesting due to the fact that I rarely ever, as in EVER, see Jews on any local TV (and I travel all over the US) or national news broadcast for having been shot in a drive by, stabbed, raped and so forth. That survey is completely preposterous, **another production of the Zionist propaganda network**. For that matter, how many Jews are in prison? A dozen? (for their specialty crime: multi-million dollar frauds) On the other hand the news is full of millions of blacks and Latino deaths, stabbings, robberies, and all sorts of violent crimes. The Jews for the most part live in secure neighborhoods were they rarely EVER witness such events. On the other hand, most of the **Zionist Jews are a bunch of pussies who view a racial slur or negative comment as**

a LIFE THREATNING VIOLENT ATTACK! That solves the puzzle of why the Jews claim to be the “largest group of victims of the highest most sinister violent attacks in the universe”. LOL! “Your Honor, he dared gaze at me with a frown”... yes that qualifies as brazen violent attack, chalk it up as punishable offense attack number 385,855,812,453,902,734.031 of the year. Wow! How do they manage to survive the onslaught?

I live in the 21st century, of today, right here and now, where EVERYONE is *supposedly* treated equal (not) and allegedly has the same playing field of success open to them, where **your** efforts and how hard **you** try are the determining factors that determine **your** success and how people ultimately treat **you**. The Jewish people should actually be ASHAMED of themselves for TAKING BLATANT ADVANTAGE of societies all around the world. The Zionists have turned the Holocaust™ into a profitable industry, exploiting the alleged suffering of their own people. DEMANDING SPECIAL TREATMENT EVERYWHERE THEY GO.

Claims Conference Allocates \$100 Billion to "Medical Care of 10th Generation Holocaust™ Survivors" is just another drop in the bucket the Jews have been **milking this Holocaust™ scam** for. I recently read an article in the New York Times "Israelis' Cancer Is Linked to Holocaust™." I don't make stuff up folks, I'm serious. Let me guess what will be then next news in relation to that new "scientific" /cough/ discovery? I can see the headlines down the road: "Israel Demands \$666 Trillion in Cancer Reparations"... then gets it.

The Jewish people are already **THE SINGLE RICHEST ETHNIC GROUP ON THE PLANET.** Show me at least one dozen homeless full blooded "real" Jews here in America! Show me at least one dozen full blooded "real" Jews living in dire poverty in the shelters along with the blacks and Hispanics! There are none. It is an un-deniable FACT that the Zionist Jews OWN the entire diamond industry, they OWN and or control the entire banking/investment industry, they OWN the majority of precious metals mines, they OWN the ALL of the mass media news outlets, they own all gambling and all of Las Vegas, they control the world of porn, they own a vast majority of prominent real-estate, they consist of just 2.5% of the population yet own 90 of everything. So stop using that bullshit “we are the victims” anti-Semite deception, it is "played out" and getting downright very old and annoying.

Stand up in this world like the rest of us human beings without HIDING behind bullshit labels **pretending to be the VICTIMS when in FACT it is the Zionist Jews who are the voracious money blood sucking PREDATORS of this world.** Just like any parasitic creature they have attached themselves to the host countries and bleed them dry sucking out all the riches and life blood of their hosts until the host is so weak they then are in power.

Today there is a large Judaism population that actively opposes the Zionist neo-con extremists. (See what real Jews have to say about the Zionists **here, here** and **here**) If it were not for them and their efforts of opposing Zionism through their own ethnic roots, we might not have a full picture of how the clever Zionist extremists go about their business. The Anti Defamation League (a pure Zionist assault & revenge arm) was set up for the sole purpose as a sort of military retribution organization to ATTACK anyone that even whispers anything negative about Jews. Their whole mission is to utterly DESTROY any opposition by any means necessary.

The ADL was furious at former President Carter over his candid, accurate and truthful book “Palestine: Peace Not Apartheid.” Where Carter detailed how Israel was in fact running an Apartheid state. Like usual **THE TRUTH outraged the Jewish community** that they demanded an apology, they dogged Carter left and right until he finally surrendered. After having to publically denounce the words in his book, ADL’s Abraham Foxman arrogantly responded "When a **former president reaches out to the Jewish community and asks for forgiveness,** its incumbent of us to accept it." This sentence harbors a multitude of revelations. First is the superiority deity complex of having a former PRESIDENT BOWING to his MASTERS FOR **FORGIVENESS.** This alone is as disturbing as it is revealing of the extent of their demands to be treated as royalty.

The sole reason why Carter has been portrayed so appalling in the media is directly due to his lack of cow towing to the demands of the Zionist elite on all their issues and agendas. This is the price that is paid by any and all politicians who fail to obey their Zionist overlords...

Their ace in the hole, their number one tactic used on all enemies is **the 'ANTI-SEMITE ATTACK'**... we are all way too familiar with this one, it goes something like this: first of all, **suspend all logic,** then, no matter what you say and

how you say it, if it is in any way shape or form construed as negative then the person saying it is automatically labeled an: **ANTI-SEMITE! Attack! Kill him! The evil bastard!** The ADL and its sister partner organization the JDL (Jewish Defense League) uses the Holocaust™ as a "no touch zone" as in **the entire world is to PERPETUALLY BOW in remembrance, pay homage and forced to worship at the altar of the Holocaust™**, forced to NEVER forgive, never forget and move on. The world is thus being forced to keep this event current as if it happened yesterday. The Zionists will NEVER allow it to rest. Let it go and move on, they will continue to use it as a means to secure special treatment until the end of times.

Real Jews have no beef with Iran, Zionist AshkeNAZI European imposter "Jews" are the true enemy

The new term, a brand new LABEL that is now being promoted heavily by the Zionists is: **"ISLAMO-FASCIST"**. Watch as this new buzz word is worked into the vocabulary and used just as the "anti-Semite" attack label has been used for decades. Watch and witness for yourself. Whoever you see using this buzz word to make their points is a Zionist or a shill. The single one thing the Zionists want right now is the entire Middle East. All their efforts are on demonizing the Muslim/Arabs of the world, so you better get used to hearing the label "Islamo-fascist"... you're going to be hearing it used as a strategic weapon of opinion shaping throughout their quest to take over the Middle East.

Welcome to the era of Zionist created and widely promoted Islamophobia and the Islamist scarecrow... the new bogeymen. There is plenty of proof that the Zionist and Israel is directly behind the demonizing propaganda. Headline: Right-wing "radical Islam" campaign traced to Israel is just one example.

You must understand that the nation of Israel (Zionists) has been the **ONLY** main group that has been portraying all the Arab and Muslim countries as evil empires to the entire world ever since they **bombed and slaughtered their way into Palestine takeover back in 1948**. (But then again, according to the ancient scriptures, that land *was* promised to them) Granted, the Muslims are very easy to portray as the "bad guys" due to the fact that **SOME OF THEM** are all "half witted hard headed easily pissed off violence driven Neanderthals" /cough/.

But the fact remains very clear that Israel and the Jews have become MASTERS of playing "the poor old persecuted victims of everyone and everything card"... yet look at Israel, they have in no time at all with just a little tiny SPECK of land in the middle east have become not only a major world leading central technological industry hub, but also **THE ONLY** and **MAJOR NUCLEAR POWER** in the middle east. It is said that Israel has over 200 nuclear bombs! They could destroy the entire planet if they choose to do so! Collectively the Jewish people are hands down the single wealthiest ethnic group on the planet.

Now tell me again... WHO is really afraid of whom? Who is the one with all the power? Who are the real victims? While the freaking Palestinians are running around with **rocks and sling shots**, Israel is bull dozing their homes with Abrahams tanks. Bottom line is: Israel will NEVER be satisfied until **all the neighboring lands are flying the Israeli flag**. Therefore the Palestinians, Lebanon, Syria, Iran, Iraq **ARE ALL TERRORIST COUNTRIES FOR DEFENDING THEMSELVES FROM Israeli Agression and it's QUEST FOR EMPIRE**.

Granted, I am absolutely NOT an Islamist or "enemy sympathizer" and realize the **FACT** that extremist Muslims can also be a bunch of brainless stupid backwards ancient hot headed single minded easily pissed off idiots, **JUST LIKE**

SOME JEWS. The way I see this whole Middle East clusterfuck is quite simple: the "west" has been screwing around the Muslim Middle East country's for over 5 decades. Roughly beginning from the time that the Zionists got America to send the CIA into Iran to overthrow their government just because the Iranians didn't want to be forced to play America's game of "give me control of all your oil resources and I will give you a few trinkets in return game".

Abraham was the father of the Jewish, Christian AND the Muslim worlds, we are all BROTHERS, yet we have been at each other's throats for ages, why must this be so? Where did this "family" all go wrong?

THE HIDDEN NATION OF THE JEWS

“There is within America an unseen nation that salutes a foreign flag, follows a foreign agenda, receives assistance from powerful foreign agencies, who has achieved great wealth, great power, who hold many high positions in our government as they have in governments past.

They have the longest history of genocide and the longest history of expulsion from their host country of any group in history.

The Jews formed together into tribes over 2,000 years ago and began to make war upon their neighbors. They continue this war today.

These nomadic tribes were extended families with high levels marriage within the kinship group and marriage to blood relatives. Judaism was a tribal religion with hereditary priests and like the religions around it practiced human sacrifice in the early years.

The list of societies upon whom the Jews engaged in war and genocide is a long one. The Bible is essentially a history of Jewish genocide and conquest and the attempts of the Jews to enslave and dominate other peoples.

Like the pagan Nazis Judaism is a religion of blood and soil, territory and power, war and conquest. The lands that God “gave” to the Jews included the lands of the Kenites, Kenizzites, Kadmonites, Hittites, Perizzites, Rephaim, Amorites, Canaanites, Girgases, and Jebusites. The book of Joshua is a celebration of invasion, rape, murder, plunder, slaughter and genocide.

Historically, the wanderings of the Jews across the globe commence in the fourth century before our era. About 331 B.C. Alexander transported some Jews to Alexandria, Ptolemy sent some of them to Cyrenaica, and about the same time Seleucus led some of them to Antioch.

When Jesus was born Jewish colonies flourished everywhere, and it was among them that Christianity recruited its first adherents. There were Jews in Egypt, in Phoenicia, in Syria, in Coele-Syria, in Pamphylia, in Cilicia, and as far as Bithynia.

In Europe they had settled in Thessalia, Boeotia, Macedonia, Attica and Peloponnesus. They were to be found in the Great Isles, on Euboea, on Crete, on Cyprus, and at Rome. “It is not easy to find a place on earth,” says Strabo, “which has not received that race.”

Why were the Jews hated in all those countries, in all those cities? Because they never entered any city as citizens, but always as a privileged class. Though having left Palestine, they wanted above all to remain Jews, and their native country was still Jerusalem, i.e., the only city where God might be worshiped and sacrifices offered in His Temple.

At Alexandria they were quite numerous. According to Philo, Alexandria was divided into five wards. Two were inhabited by the Jews. The privileges accorded to them by Caesar were engraved on a column and guarded by them as a precious treasure. They had their own Senate with exclusive jurisdiction in Jewish affairs, and they

were judged by an ethnarch.

They were ship-owners, traders, farmers, most of them wealthy; the sumptuousness of their monuments and synagogues bore witness to it. The Ptolemies made them farmers of the revenues; this was one of the causes of popular hatred against them. Besides, they had a monopoly of navigation on the Nile, of the grain trade and of provisioning Alexandria, and they extended their trade to all the provinces along the Mediterranean coast.

They accumulated great fortunes; this gave rise to the Inuidia auri Judaici. The growing resentment against these foreign cornerers, constituting a nation within a nation, led to popular disturbances; the Jews were frequently assaulted, and Germanicu, among others, had great trouble protecting them.

Since the destruction of their Temple in 70 AD the Jews have again dispersed to many nations as an invisible nation, the nation of Israel, living within the borders of other nations, an invisible nation with its own policies, elections and goals.

Historically, in societies where there were large numbers of Jews, they repeatedly become a powerful, elite group only to fall from power for their activities and be expelled and/or slaughtered. The Jews have been expelled or slaughtered in over a hundred countries, city-states and provinces for their activities the last 1,000 years. An intelligent person would ask why.

"We can live among other nations and states only as long as we succeed in persuading them that the Jews are not a distinct people, but are the representatives of a religious faith who, therefore, constitute a 'religious community,' though this be of a peculiar character. As a matter of fact, this is the greatest of our falsehoods.

"We are obliged to conceal our own particular character and mode of life so that we will be allowed to continue our existence as a parasite among the nations." ~ THE HIDDEN TYRANNY, THE INTERVIEW WITH HAROLD WALLACE ROSENTHAL

The Jews are a highly ethno-centric people. They are conditioned from early life to think of the Jews and the "other", the goim (or goyim). Good is what is good for the Jews.

Where they abide in any numbers they often coalesce into exclusionary, authoritarian groups that often have tremendous solidarity and cohesiveness. They cooperate in highly organized, and mutually reinforcing groups that can be quite effective in achieving Jewish goals.

With their cohesiveness and sometimes hyper-ethnocentrism the Jews form an Ethnic Intelligence Apparatus that promotes their economic and cultural interests over and above the interests of the nation in which they live.

In the last century we have evidence of this promoting their own interests of those of their host country. In both WW1 and WW2 they betrayed Germany, a country in which they were flourishing. Then they declared war on Germany and started an international embargo against all things German. This was all part of the build up that brought Hitler to power and set the stage for WW2.

The founder of the Rothschilds. used it to great effect. Where they abide in any numbers they often coalesce into exclusionary, authoritarian groups that often have tremendous solidarity and cohesiveness. They cooperate in highly organized, and mutually reinforcing groups that can be quite effective in achieving Jewish goals.

With their cohesiveness and sometimes hyper-ethnocentrism the Jews form an Ethnic Intelligence Apparatus that promotes their economic and cultural interests over and above the interests of the nation in which they live. The founder of the Rothschilds. used it to great effect.

Historically one of the major themes of anti-Jewish movements has been Jewish economic domination. Western

societies are individualistic in their basic approach; the Jewish cultural form is collective with a strong sense of group identity. The Chosen People of God and the “other”.

In the midst of a disunited middle class, whose members are engaged in a perpetual struggle against one another, the Jews stand united as one. This is the secret of their success. Their solidarity is all the stronger in that it goes so far back. Its very existence is denied, and yet it is undeniable.

"At a very early date, urged on by the desire to make our way in the world, Jews began to look for a means whereby we might distract all attention from the racial aspect.

"What could be more effective, and at the same time more above suspicion, than to borrow and utilize the idea of a religious community? We've been forced to borrow this idea from the Aryans.

"We Jews never possessed any religious institution which developed out of our own consciousness, for we lack any kind of idealism. This means that a belief in life beyond this terrestrial existence is foreign to us.

"As a matter of fact, the Talmud does not lay down principles with which to prepare the individual for a life to come, but furnishes only rules for a sumptuous life in this world. "It is a collection of instructions for maintaining the Jewish race and regulating: intercourses between us and the goy. Our teachings; are not concerned with moral problems, but rather with how to 'get.' ~ The Hidden Tyranny, Interview with Harold Wallace Rosenthal

This was the case in Alexandria, in Antioch, in Asia Minor, and in the Greek cities of Ionia. In almost every city they constituted corporations at the head of which was an ethnarch or patriarch, who, with the assistance of a council of leaders and a special tribunal, exercised all the powers of civil authority and of justice. The synagogues were “veritable small republics.” They were, in addition, the centres of religious and public life.

The Jews came together in their synagogues, not only to listen to the reading of the Law, but also for the discussion of their private affairs and for the purpose of exchanging views upon the general course of events.

All the synagogues were closely connected in a vast federation which included within its scope the entire ancient world, progressing parallel with the expansion of the Macedonian power and Hellenistic civilization. They communicated with one another by messengers and kept one another in constant touch with events, the knowledge of which was likely to prove useful.” ~ Bernard Lazare, *Antisemitism*

Zionism is an ideology of blood and soil and the ideology of even secular Zionism involves “Jewishness” even though there is no racially pure separate group of Jews.

The most powerful and numerous group ~ the Ashkenazi ~ are ethnically Eastern Europeans from Khazar who converted in the middle ages.

It is the Sephardic Jews and Arab and Christian Palestinians ~ second-class citizens in Israel ~ who actually share the blood of the original Jews of the Bible. For this reason even while many religious Jews reject Zionism, secular Zionism itself needs religion for its *raison d'être* for there is no real tie of blood to which they can otherwise appeal.”

“Jews are at the extreme of this Middle Eastern tendency toward hypercollectivism and hyperethnocentrism. The profound depths of Jewish ethnocentrism are intimately tied up with a sense of historical persecution.

Jewish memory is a memory of persecution and impending doom, a memory that justifies any response because ultimately it is Jewish survival that is at stake.”~ Source: *Kevin MacDonald, Understanding Jewish Influence*

“There are contrasting cultural forms between the Middle Eastern tribalism of the Jews and the people of the

individualistic West. There is within Judaism a hatred of those who are non-Jews, a sanctified contempt for the “other”.

A racewise outlook similar to that developed by the Nazis in Germany. Kevin MacDonald spoke of it in “Understanding Jewish Influence” as a “normative, fanatical hatred”.

Judaism taps into the human capacity for hate and uses it for group survival.

After all, it is the goyim who stand in the way of the Jews fulfilling their holy scripture and building the third kingdom, from fulfilling the holy scripture that calls them to rule over the goyim.

What we have just temporarily belongs to us, it actually belongs to the Jews who are the Chosen People and they can get their property back by whatever means they choose.

Judaism is a tribal, racist religion with fanatical elements. It is an ethnic/national religion that throughout its history has been known for fanaticism and messianic expectations.

Historically it seeks economic dominion over the “other” through the Jews Ethnic Intelligence Apparatus. The Chosen People and the “other”, sub-human according to the scriptures.

In the holy book of the Talmud, dealing with the non-Jews who are often referred to as goyim or akum, it says: Book of Baba Mezia, 114b it says “*The Jews are called human beings, but the non-Jews are not humans. They are beasts*”, in Schene luchoth haberuth, p 250b: “*Although the non-Jew has the same body structure as the Jew, they compare with the Jew as a monkey to a human.*”

Do you think we would hear about it from the Jews if our scripture said: “*The Christians are called human beings, but the Jews are not humans. They are beasts*”. Or. “*Although the Jew has the same body structure as the Christian, they compare with the Christian as a monkey to a human.*”?

Planet of the Arabs

How the Zionist Jew Media Presents Them - Video

Ever since the late 1940s the Arab world has been getting pounded by the west in one form or another, year after year, decade after decade. Is it not quite AROGANT to expect that they should not eventually get sick and tired, pissed off and be allowed to fight back in defense of their lands as we would do if the same were happening to us? THEY have been on the DEFENSE for decades while the advanced countries have always been on the offense since day one. They FIGHT BACK the only way they know how, with **STICKS AND STONES** with crude I.E.D.s to defend **their HOMES, their backyards**, while we are using multimillion dollar futuristic strategic weaponry and mind blowing plutonium wielding ammo and THEY are the “terrorists”? The west has been after their oil resources for decades, messing with their politics, messing with their industries, messing with their lives. Now the west goes into THEIR countries, BOMBS them from miles away with highly advanced strategic thousand pound BOMBS from some impenetrable air-conditioned position, while our operator is eating “Cheats”. Their entire country has since been reduced to rubble; due to our “**liberation**” they no longer have WATER, electricity, schools, etc., etc... **What do you expect in return? A welcome mat?** They *fight back* in the only way they know how: they bomb the INVADERS who are killing their friends and families, who stand on THEIR LAND with crude IED bombs. What is the difference? **Both forms of bombing being used by both sides are basically cowardly ways of fighting.** I don't care who is right or wrong at this point, the shit has got to STOP, peace must be made somehow.

But that is just a pipe dream as long as Zionist **Israel remains the devil's advocate in the region**, constantly instigating, slithering around in the background of cabinet meetings of powerful countries through their **DUAL CITIZENSHIP SECRET AGENTS** who sit unhindered, unrestricted, unchecked, unopposed, unimpeded in the most

powerful policy making seats of governments, especially ours, the sold out United States of Amerika... where they push, push, PUSH for more blood in the middle east. Who's next? Iran? Pakistan? Syria? Egypt? Saudi Arabia?

Here is another good work of research: "[The Israel Lobby and U.S. Foreign Policy](#)". This book will give you an unbiased look into what Israel and it's AIPAC is all about. Israel is one of the world's leading and richest countries and still manages to pull billions upon billions of dollars in "aid" from the basically bankrupt U.S. meanwhile U.S. "real-estate properties" such as Puerto Rico have an unemployment rate of 45%! And live under third world conditions. Let alone the dire conditions we face here with almost every segment of our society corroding on a daily basis. **No other country on the planet has the incredible iron fist influence on America than Israel.** Period.

There are many great research works in circulation (if you can find them) that reveal the true nature of the Talmudic Zionist Jews. One published work I feel is very important (a MUST read work included in the addendum section) in understanding the Zionist Jewish problem is "[THE HIDDEN TYRANNY](#)." From an interview of Harold Wallace Rosenthal conducted in 1976. The real interesting thing apart from the ground breaking unprecedented honesty of Rosenthal's testimony is that after this interview where he spilled the beans (thus committed in the eyes of his fellow Zionists a sin whose penalty is death), is that **soon after the interview he was swiftly killed by... "terrorists"...** /cough/. I wish I could include the whole interview here but I don't have the room, instead I will quote an article about the interview:

The Harold Rosenthal Interview

By Henry Makow 2-15-4

In 1976, the plan for "Jewish world domination" outlined in The Protocols of the Elders of Zion had been largely realized. Harold Wallace Rosenthal, 29, a personal assistant to New York Senator Jacob Javits (Jew) felt that Jewish power was so unassailable that he could make some extra cash by telling this story to Walter White Jr., the editor of the Conservative monthly Western Front.

"Too many Jews do not have the guts to tell you how we live and plan, but I am not intimidated by anything or anyone," Rosenthal told White.

"It is too late for your Christian followers to put up a defense. That time is long past. Long, long ago we had to become the aggressors! That is undoubtedly one of our great purposes in life. We are aggressors!"

This shocking 17-page interview, (http://www.antichrisconspiracy.com/HTML%20Pages/Harold_Wallace_Rosenthal_Interview_1976.htm)

Which contradicts the Jewish image as victims, has been on-line for some time. It ranks with the revelations of Benjamin Freedman, and C.G. Rakovsky "The Red Symphony" (<http://www.savethemales.ca/000275.html>) as a description of the real forces directing the world.

Rosenthal needed gambling money but his candor cost him his life. On Aug. 12, 1976, he was killed in a foiled skyjacking in Istanbul. Walter White concluded that the incident was a cover for Rosenthal's murder.

A commemorative Rosenthal "Fellowship in International Relations" discreetly furthers the work he indiscreetly exposed. Oddly, there is no picture of Rosenthal on their web site. <http://www.rosenthalfellowship.org>

The interview is virulently anti Semitic in the sense that both men characterize this conspiracy as "Jewish" and make many nasty racist generalizations. In fact, "the Jews" are really the Rothschilds and a few hundred banking families and their non-Jewish allies united by intermarriage and occult beliefs. The vast majorities of Jews like other people are unaware of this plot and would oppose it if they were. Jews are as much its unwitting dupes and victims as anyone else.

The Rothschilds set up the Illuminati in 1776 to subvert the Christian basis of Western Civilization. They took over much of Freemasonry and used it to infiltrate all social institutions. Mouthing words like "freedom,"

"equality" and "progress," they are bent on melding family, race, religion, and nation into a malleable anonymous mush. Their world police state, now called "globalization," lies behind the facade of "The Patriot Act" and "The War on Terror."

Rosenthal says, "Most Jews do not like to admit it, but our god is Lucifer...and we are his chosen people. Lucifer is very much alive."

This statement applies to modern culture as a whole. We do not like to admit that our "secular" society is based on a cosmic rebellion against God. Its true satanic character is becoming more evident every day.

INSIGHTS

Rosenthal says the "Jews" have built an earthly empire partly by rejecting Christ's vision of a spiritual kingdom based on brotherly love. Jewish bankers plan to govern the world from Jerusalem according to their own interests.

He says the Jewish religion is essentially a disguise for a racial imperative. "We can live among other people and states [by] persuading them that the Jews are not a distinct people but the representatives of a religious faith..."

"Jewish" power was created through control of the monetary system.

"Through our national bank, the Federal Reserve, we extend book credit which we create from nothing to all local banks ...[Thus] we bring industry, management and labor into our debt...and pit management against labor so they will never unite and attack us and usher in a debt-free industrial utopia."

Through control of banking, the "Jews" acquired a total monopoly of "the movie industry, the radio networks and the newly developing television media...we took over the publication of all school materials... Even your music! We censor the songs released for publication long before they reach the publishers...we will have complete control of your thinking."

He boasts that they even implanted a "guilt complex" over the Holocaust™ and anti-Semitism that prevents society from addressing the problem.

"We Jews have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse."

Rosenthal avers that society can only escape this death clutch by violent action not education.

"History has been written in blood, not with ink. No letter, editorial or book has ever rallied the people or stopped tyranny. We understand this principle and are forever propagandizing the people to write letters to the President, to Congress...Woe be unto us if they ever see the futility of it, lay down the pen and employ the sword."

But Rosenthal is not worried. Alluding to the promotion of feminism and homosexuality, he says:

"We have castrated society through fear and intimidation. Its manhood exists only in combination with a feminine outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings...their thoughts are not involved with the concerns of the future and their posterity, but only with the present and with the next meal."

Rosenthal talks about how a "Jewish" invisible government also controls the USSR, and how the UN is "nothing but a trap door to the Red World's immense concentration camp." He says this invisible power is responsible for the wars and revolutions of the last 200 years.

At times the interview seems almost too damning, and we wonder if it is authentic. Why would someone who says he aspires to national prominence allow it to be taped? Couldn't he be blackmailed? He makes many

unflattering and untrue generalizations about Jews, which also seems implausible. At times he veers widely from arrogance to insecurity. At one point, he says Jews have made plans to pack up and flee.

Ultimately you will make up your own mind. I believe the contradictions are due to self-hatred and a subconscious desire for expiation. The interview contains insights only an insider could have. I am referring to the references to Lucifer, race and violent change as examples.

The tone of racial arrogance also rings true. Rosenthal expresses incredulity at the spinelessness and gullibility of the American people. He says a Jew remains a Jew whether he converts to another religion or not. I doubt if Walter White would pull off the kind of stunt he condemns the "Jews" for doing.

CONCLUSION

Walter White seems to think the "Jews" are the "ringleaders" of the Luciferian cabal known as "Mystery Babylon." Certainly the Rothschilds are central players but the cast is large and includes many others.

By presenting this information, I am trying to inspire Jews and non-Jews alike to remove the media blindfold and recognize that Luciferians have hijacked humanity and modern culture largely is a fraud designed to disguise this fact.

True culture is based on religion, i.e. a collective commitment to absolute spiritual ideals such as justice, love, beauty and truth. "God is a Spirit and we worship him in Spirit and in Truth," Christ said. (John 4:24)

We are living in the twilight of Christian culture. We have no genuine ideals to take its place. The elite's Orwellian doublespeak ("freedom", "tolerance", "diversity" and "equality") is manipulation and mind control.

Jews will have to disown organized Jewry, which is controlled by the bankers. Fifty per cent of American Jews do not identify with Judaism. The number that converted to another religion more than doubled since 1990 and now represents 25% of the total. <http://www.thejewishweek.com/news/newscontent.php3?artid=5301>

However most Jews, like non-Jews, are "secular humanists" which is Luciferianism in disguise. Humanism is the notion that man can build a utopia based on "reason." In practice, humanism is a front for the Illuminist bankers and their allies.

Reason cannot be divorced from morality. Remember, I am the inventor of the game Scruples. "You find a wallet containing \$3000. By the address you can tell the owner is wealthy. Your family is hungry. Do you keep the money?" That would be reasonable.

Humanism holds that man is already divine and therefore free to indulge his appetites and reject God's Plan. This is what the humanist means when he preaches "freedom."

In fact humanity is still very much a work in progress. We were put on earth to embody God's Plan, (i.e. spiritual ideals.) God did not give us freedom so we could fail.

Henry Makow Ph.D. is the inventor of the board game Scruples and the author of "A Long Way to go for a Date." His past articles on feminism and the new world order can be found on his web site www.savethemales.ca

Mentioned in the quote above is "[The Red Symphony](#)" (full text here) and (Henry Makow's "[Rothschilds Conduct 'Red Symphony'](#)") offers yet another incredible behind the scenes very revealing look into the intriguing world of Zionist conquest and worldwide influence. This is another must read. Also mentioned was Benjamin Freedman whose **insider revelations** shake the Zionist beast to the core. I've included one of his exposes in the addendum section. I believe that this man is truly a man of his word and you MUST read what he has had to reveal to us. Benjamin Freedman has also penned a work titled "The Hidden Tyranny" or "[The Hidden Tyranny Revealed](#)" just as the title of the above quoted article, but it is a totally different yet equally important work.

Very few people know that famous American industrialist car titan Henry Ford also tried to expose, take on and fight the Zionist Jew cartel... only to **then suffer a humiliating loss**. Yes the most revered, respected and honorable **Henry Ford** took a defiant stance against the Zionist Jew juggernaut. At the risk of being utterly destroyed, he was eventually forced to cease and desist then beg for mercy and forgiveness, disgracing himself in front of the entire country and recant all the “evil lies” that he claimed... The Jew media cartel made mince meat out of him and his work to expose them has long been discredited by the Jew media barons that run 97% of all media and then his work has since been rendered cartoonish “fiction.” Besides being forced to disavow and apologize for “The International Jew,” part of his reparation they required him to shift (“merged”) his German assets with illuminati controlled I.G. Farben in 1928.

In his book "My Life and Work," published in 1922, Henry Ford includes the following concerning the "International Jew" series of articles: "The work which we describe as Studies in the Jewish Question, and which is variously described by antagonists as "the Jewish campaign," "the attack on the Jews," "the anti-Semitic pogrom," and so forth, needs no explanation to those who have followed it. Its motives and purposes must be judged by the work itself. It is offered as a contribution to a question which deeply affects the country, a question which is racial at its source, and which concerns influences and ideals rather than persons. Our statements must be judged by candid readers who are intelligent enough to lay our words alongside life as they are able to observe it. If our word and their observation agree, the case is made. It is perfectly silly to begin to damn us before it has been shown that our statements are baseless or reckless. The first item to be considered is the truth of what we have set forth. And that is precisely the item which our critics choose to evade. Readers of our articles will see at once that we are not actuated by any kind of prejudice, except it may be a prejudice in favour of the principles which have made our civilization.

There had been observed in this country certain streams of influence which were causing a marked deterioration in our literature, amusements, and social conduct; business was departing from its old-time substantial soundness; a general letting-down of standards was felt everywhere. It was not the robust coarseness of the white man, the rude indelicacy, say, of Shakespeare's characters, but a nasty Orientalism which has insidiously affected every channel of expression -- and to such an extent that it was time to challenge it. The fact that these influences are all traceable to one racial source is a fact to be reckoned with . . . Our work does not pretend to say that last word on the Jew in America. It says only the word which describes his present impress on that country. When that impress is changed, the report of it can be changed . . . Our opposition is only to ideas, false ideas . . . which are sapping the moral stamina of the people. These ideas proceed from easily identified sources, they are promulgated by easily discoverable methods and they are controlled by mere exposure.

When people learn to identify the source and nature of these influences swirling around them, it is sufficient. Let the American people once understand that it is not natural degeneracy but calculated subversion that inflicts us, and they are safe. The explanation is the cure. This work was taken up without personal motives. When it reached a stage where we believed the American people could grasp the key, we let it rest for the time. Our enemies say that we began it for revenge and that we laid it down in fear. Time will show that our critics are merely dealing in evasion because they dare not tackle the main question."

I wish I had the space to include Henry Ford’s Zionist expose called: **“The International Jew – The World’s Foremost Problem”** (.pdf link), published in 1922 (Yes, as I have stated many times, the Jews have had complete chokehold of this country since the turn of the century) but due to the fact that I am fast approaching beyond 500 pages in this report, I have no space left. Here is the table of contents with direct links:

The article that signaled the beginning of Henry Ford's seven-year hate campaign against the Jews. (COLLECTIONS OF THE HENRY FORD MUSEUM, GREENFIELD VILLAGE)

v. 1 — THE INTERNATIONAL JEW [Preface]

- 1 The Jew in Character and Business
- 2 Germany's Reaction Against the Jew
- 3 Jewish History in the United States
- 4 The Jewish Question—Fact or Fancy?
- 5 Anti-Semitism—Will It Appear in the U.S.?
- 6 Jewish Question Breaks Into the Magazines
- 7 Arthur Brisbane Leaps to the Help of Jewry
- 8 Does a Definite Jewish World Program Exist?
- 9 The Historic Basis of Jewish Imperialism
- 10 An Introduction to the "Jewish Protocols"
- 11 "Jewish" Estimate of Gentile Human Nature
- 12 "Jewish Protocols" Claim Partial Fulfillment
- 13 "Jewish" Plan to Split Society by "Ideas"
- 14 Did the Jews Foresee the World War?
- 15 Is the Jewish "Kahal" the Modern "Soviet"?
- 16 How the "Jewish Question" Touches the Farm
- 17 Does Jewish Power Control the World Press?
- 18 Does This Explain Jewish Political Power?
- 19 The All-Jewish Mark on "Red Russia"
- 20 Jewish Testimony in Favor of Bolshevism

v. 2 — JEWISH ACTIVITIES IN THE UNITED STATES [Preface]

- 21 How Jews in the U.S. Conceal Their Strength
- 22 Jewish Testimony on "Are Jews a Nation?"
- 23 Jew Versus Non-Jew in New York Finance
- 24 The High and Low of Jewish Money Power
- 25 "Disraeli of America"—A Jew of Super-Power
- 26 The Scope of Jewish Dictatorship in the U.S.
- 27 Jewish Copper Kings Reap Rich War-Profits
- 28 Jewish Control of the American Theater
- 29 The Rise of the First Jewish Theatrical Trust
- 30 How Jews Capitalized a Protest Against Jews
- 31 The Jewish Aspect of the "Movie" Problem
- 32 Jewish Supremacy in Motion Picture World
- 33 Rule of the Jewish Kehillah Grips New York
- 34 The Jewish Demand for "Rights" in America
- 35 "Jewish Rights" Clash With American Rights
- 36 "Jewish Rights" to Put Studies Out of Schools
- 37 Disraeli—British Premier, Portrays the Jews
- 38 Taft Once Tried to Resist Jews—and Failed
- 39 When Editors Were Independent of the Jews
- 40 Why the Jews Dislike the Morgenthau Report
- 41 Jews Use the Peace Conference to Bind Poland
- 42 The Present Status of the Jewish Question

Speaking about taking on the Zionist Jews. One thing I can’t understand about the Muslim community is their inability to forgive and forget, to take the higher ground, to pick up and go forward without declaring lifelong revenge thus compounding the hate and animosity. Thus giving credence to the narrative and framing of the Muslim world as twisted evil sub human crazed zealots.

Sure the Jews and the Muslims have been lifelong enemies almost since the beginning of time. But eventually one side must learn to be the champion of "love thy brother" in order for age old hostilities to eventually end. I only wish that our nation would have left them alone. But instead our leaders went to their countries over and over again over the decades of offensive foreign policies have stirred up the hornets' nests, opening up a can of worms, then smashing open Pandora's box. There were just a few dozen to a few hundred "terrorists" in the middle east prior to Cheney-Bush & Co Crime Syndicate invading them, now there are thousands of new converts willing to give their lives to fight the "evil imperial fascist states of Amerika". Way to go there Cheney and side kick Manchurian candidate Bush. Now we are in the middle of this massive clusterfuck and the blood thirsty Zionist neo-cons are STILL chanting "more blood! more blood! more blood! bomb Iran! bomb Iran!"

To Whom it may concern:

By King Abdullah of Jordan

I was puzzled for a long time about the odd belief which apparently persists in America that Palestine has somehow "always been a Jewish land." Recently an American I talked to cleared up this mystery. He pointed out that the only things most Americans know about Palestine are what they read in the Bible. It was a Jewish land in those days, they reason, and they assume it has always remained so.

Nothing could be farther from the truth. It is absurd to reach so far back into the mists of history to argue about who should have Palestine today, and I apologize for it. Yet the Jews do this, and I must reply to their "historic claim." I wonder if the world has ever seen a stranger sight than a group of people seriously pretending to claim a land because their ancestors lived there some 2,000 years ago!

If you suggest that I am biased, I invite you to read any sound history of the period and verify the facts.

Such fragmentary records as we have indicate that the Jews were wandering nomads from Iraq who moved to southern Turkey, came south to Palestine, stayed there a short time, and then passed to Egypt, where they remained about 400 years. About 1300 BC (according to your calendar) they left Egypt and gradually conquered most—but not all—of the inhabitants of Palestine.

It is significant that the Philistines—not the Jews—gave their name to the country: "Palestine" is merely the Greek form of "Philistia."

Only once, during the empire of David and Solomon, did the Jews ever control nearly—but not all—the land which is today Palestine. This empire lasted only 70 years, ending in 926 BC. Only 250 years later the Kingdom of Judah had shrunk to a small province around Jerusalem, barely a quarter of modern Palestine.

In 63 BC the Jews were conquered by Roman Pompey, and never again had even the vestige of independence. The Roman Emperor Hadrian finally wiped them out about 135 AD. He utterly destroyed Jerusalem, rebuilt under another name, and for hundreds of years no Jew was permitted to enter it. A handful of Jews remained in Palestine but the vast majority were killed or scattered to other countries, in the Diaspora, or the Great Dispersion. From that time Palestine ceased to be a Jewish country, in any conceivable sense.

This was 1,815 years ago, and yet the Jews solemnly pretend they still own Palestine! If such fantasy were allowed, how the map of the world would dance about!

Italians might claim England, which the Romans held so long. England might claim France, "homeland" of the conquering Normans. And the French Normans might claim Norway, where their ancestors originated. And incidentally, we Arabs might claim Spain, which we held for 700 years.

Many Mexicans might claim Spain, "homeland" of their forefathers. They might even claim Texas, which was Mexican until 100 years ago. And suppose the American Indians claimed the "homeland" of which they were the sole, native, and ancient occupants until only some 450 years ago!

I am not being facetious. All these claims are just as valid—or just as fantastic—as the Jewish "historic connection" with Palestine. Most are more valid.

In any event, the great Moslem expansion about 650 AD finally settled things. It dominated Palestine completely. From that day on, Palestine was solidly Arabic in population, language, and religion. When British armies entered the country during the last war, they found 500,000 Arabs and only 65,000 Jews.

If solid, uninterrupted Arab occupation for nearly 1,300 years does not make a country "Arab", what does?

The Jews say, and rightly, that Palestine is the home of their religion. It is likewise the birthplace of Christianity, but would any Christian nation claim it on that account? In passing, let me say that the Christian Arabs—and there are many hundreds of thousands of them in the Arab World—are in absolute agreement with all other Arabs in opposing the Zionist invasion of Palestine.

May I also point out that Jerusalem is, after Mecca and Medina, the holiest place in Islam. In fact, in the early days of our religion, Moslems prayed toward Jerusalem instead of Mecca.

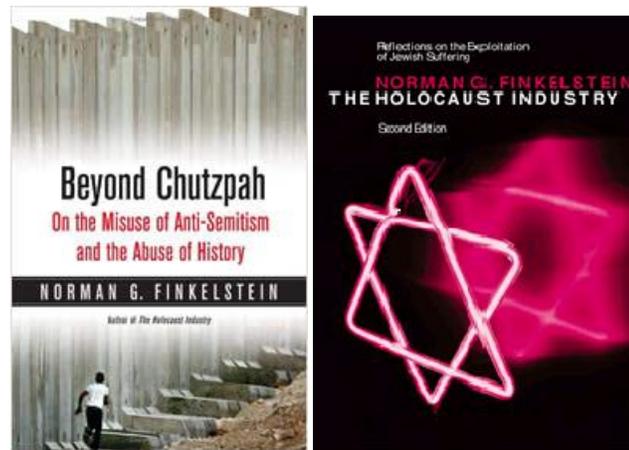

The Jewish "religious claim" to Palestine is as absurd as the "historic claim." The Holy Places, sacred to three great religions, must be open to all, the monopoly of none. Let us not confuse religion and politics.

King Abdullah of Jordan

My heart and prayers goes out to all our American brave soldiers that have served in Iraq and Afghanistan for what they *believed* was to "protect" our country. It's just a shame that they are losing their lives over the agendas of a very few elite people who sat down behind closed doors and decide the fate of peoples and nations all the while they turned around and **lied to all us** Americans about the real reason why we were there.

Granted, I know, even as I am writing these words, **there exists a Zionist CIA faction working on an ultra BlackOps "false flag" mission (in partnership with Mossad) to cause massive deaths here in our country so that the ruling party will say "WE TOLD YOU SO!"** thereby JUSTIFYING EVERYTHING they have done to "protect us" and then some. Immediately after this new false flag op, a massive national clamp down will happen of unheard of proportions. Race riots, chaos, food shortages, martial law. Our once great nation will NEVER be the same again. **The real days of chaos are yet to come.**

Another respected Jew exposes some of the Zionist strategies:

What more proof do you need other than knowing the fact that our dear loving brain dead President Bush flat out VETOED a 30 billion dollar program to provide healthcare to OUR poor children HERE in OUR country, what did Bush say? His words and actions are most accurately interpreted as: "fuck those poor helpless children!" He then turns around and grants the rich nation of Israel 30 billion more dollars in aid instead of his own people! DOH! Now if you cannot clearly see the depressing logic in action, clearly demonstrating just where the Washingtonites have their priorities, well, our nation is doomed.

Just throw the money away! Give it away! Screw our country! \$700 billion going to fight a bogus war, when those funds used here in our country would have fixed EVERYTHING wrong today. Actually America GIVES AWAY well over 100 billion dollars every year to other countries while nit picking and denying our own citizens some of the most basic needs. **These are the Zionist/Masonic initiated backed policies that are ravaging our nation.**

Those were some troubling issues I just had to cover and get out of the way. Now let's go back to the neo-cons... Particularly the ZOG (our **Zionist Occupational Government**) who hold key positions all over Washington, mostly neo-cons, but don't be fooled, they are also embedded in the democrat's camp too. I just can't help but to be amazed about the "coincidence" that I have been constantly confronting, every time I find an extremist neo-con spinning their agenda, on TV or on the web, I often Google or Wikipedia the crazy ones who defy all the laws of logic and those obviously pushing a hidden agenda. Well the disturbing finding that I came across has me baffled for:

Every time I looked up the name of an obnoxious extremist neo-con that got my attention, almost EVERY SINGLE NEO-CON was Jewish! (Or very, very closely affiliated with them up to their eye balls, some of which have their noses so far up their asses they rarely come up for air) One of the well known founding fathers of neo-cons king douche bag Norman Podhoretz who was presidential hopeful Drag Queen Giuliani's #1 advisor. I have a strange hunch that the neo-cons, that ex president Reagan and others used to refer to as "the crazies" are that same bunch of Zionists that have been stalking the corridors of Washington are the ones who found ways to infiltrate Bush's administration. Yes his top brass consists of "extremist neo-cons" so **I looked up the names of the 4 main strategists, presto, yep, all Jewish.** With insane extremist neo-con Zionist Norman Podhoretz at the helm as Giuliani's main architect. No it doesn't stop there, Drag Queen Giuliani has sold his soul so deeply to the Jewish Zionists that they even provide him with all his transportation for his 2008 run for the election! Giuliani is being flown around the country in Abelson's plush Gulfstream G-IV.

Hmmmm. Again, as I have stated many times here in the Matrix Report, I am far from being anti-Semitic (the first charge that all Zionist ram down people's throats), actually, I grew up in a 100% Jewish community, and have many family and friends that are *normal* Jews (not extremist neo-con Zionists) as was my grandfather. So you all can take that "ATTACK THAT ANTI-SEMITE!" bullshit elsewhere. No accusations of anti-Semitism will ever cover up the fact that the Zionists instigators are the most vocal, most in your face, most desperate to get Amerika Inc. to continue on the insane path of war it has been on these past years. More erosion of our constitution, more dwindling of our liberties, etc., the core culprits behind this entire movement are none other than a bunch of extremist Jewish neo-cons! The Zionists/Mason ruling elite.

Pirates of the Mediterranean

By PAUL CRAIG ROBERTS, Former U.S. Assistant Secretary of the Treasury

On June 30, the government of Israel committed an act of piracy when the Israeli Navy in international waters illegally boarded the “Spirit of Humanity,” kidnapped its 21-person crew from 11 countries, including former US Congresswoman Cynthia McKinney and Nobel Laureate Mairead MaGuire, and confiscated the cargo of medical supplies, olive trees, reconstruction materials, and children’s toys that were on the way to the Mediterranean coast of Gaza. The “Spirit of Humanity,” along with the kidnapped 21 persons, is being towed to Israel as I write.

Gaza has been described as the “world’s largest concentration camp.” It is home to 1.5 million Palestinians who were driven by force of American-supplied Israeli arms out of their homes, off their farms, and out of their villages so that Israel could steal their land and make the Palestinian land available to Israeli settlers.

What we have been witnessing for 60 years is a replay in modern times, despite the United Nations and laws strictly preventing Israel’s theft of Palestine, of the 17th, 18th, and 19th century theft of American Indian lands by US settlers. An Israeli government spokesman recently rebuked the President of the United States, a country, the Israeli said, who stole all of its land from Indians, for complaining about Israel’s theft of Palestine.

I knew the “Spirit of Humanity” would fall to Israeli piracy the minute I received on June 25 from an official of an Israeli peace organization a “public advisory” that the government of Cyprus had withheld permission for the “Spirit of Humanity” to leave for Gaza. The US State Department had advised that “The Israeli Foreign Ministry informed U.S. officials at the American Embassy in Tel Aviv that Israel still considers Gaza an area of conflict and that any boats attempting to sail to Gaza will not be permitted to reach its destination.” The “Spirit of Humanity” obtained permission to leave Cyprus when all aboard signed a waiver absolving Cyprus of all responsibility for the crew’s safety at the hands of the Israelis.

As President Obama has called for humanitarian aid to be sent to Gaza, and as the International Red Cross has damned the inhumanity of Israel’s blockade of Gaza, the question that immediately comes to mind is why did not the United States send sufficient US Navy escort to see the “Spirit of Humanity” safely through international waters to Gaza? We send ships against Somalian pirates, why not against Israeli ones?

We all know the answer. The US talks a good “human rights” game, but never delivers--especially if the human rights abuser is Israel. After all, Israel owns the US Congress and President Obama. Israel even has an Israeli citizen and former member of the Israeli Defense Forces as the Chief-of-Staff in Obama’s White House. Israel owns millions of American “Christian Zionists” and “rapture evangelicals.” When it comes to Israel, the American government is a puppet state. It does what it is told.

Macho Americans might stand tall, but not when Israel snaps its fingers.

Israel, of course, will get away with a mere act of piracy. After all, Israel has been getting away with its war crimes and violations of international law for 60 years. If the UN tries to do anything, the US will veto it, as the US has done for decades.

What will happen to the kidnapped foreign nationals? Most likely they will be released and sent back to their respective countries. Israel, of course, will keep the stolen “Spirit of Humanity” to foreclose any further attempts by human rights activists to run Israel’s inhumane blockade of Gaza.

On the other hand, Israel might declare its captives to be terrorists on the ground that the Gazans elected in a free election Hamas as their government. Hamas, unlike Israel, is declared to be a terrorist organization by the puppet American State Department in Washington. Thus the human rights activists onboard the “Spirit of Humanity” are aiding and abetting terrorists by delivering goods to them. The US Department of Justice (sic) prosecutes

American citizens and charities for sending aid to Palestinians on the grounds that Palestinians, if not everyone a terrorist, are governed by terrorists.

I wouldn't be surprised if a Nobel Laureate and a former member of the US House of Representatives, along with the rest of the crew, are handed over to the Americans for indefinite detention and for torturing and waterboarding in the American torture facility at Bagram. I am certain that "Homeland Security" and the US Government are desperate to be rid of all of critics, and knocking off a Nobel Laureate and a member of the House sets a precedent for getting rid of the rest of us.

Meanwhile, California, which has become a failed state, has been denied bailout money from Washington. Israel, which has been a failed state for 60 years, can, unlike the American state of California, always count on Washington to deliver the money and the weapons to keep Israel going.

The same week that "our" government in Washington told the Governor of California "not one red cent," President Barak Obama handed over \$2.775 billion to Israel.

Online Journal (June 29) reported that the handover to Israel of the unemployed Americans' tax dollars took place in a "tiny Capitol room" to which members of the press were denied access. I mean, really, who wants the media writing about US taxpayer dollars for Israel's nuclear weapons while Americans are being kicked out of their homes. Not that, of course, the "Christian" supporters of Israel would mind.

Unlike every other recipient of US military largesse, Israel is permitted to bypass the Pentagon and to deal directly with US suppliers. Consequently, the Israel Lobby's influence multiplies, because military suppliers fight for Israel in congressional committees in order to get Israel's business. This lets Israel turn the screws on Iran. According to Grant F. Smith writing in Online Journal, Republican US Representative Mark Steven from Illinois has received \$221,000 in campaign contributions from Israel political action committees (PACs). Therefore, it was a sure thing that he would introduce legislation preventing the Import-Export bank from providing loan guarantees to countries doing business with Iran.

Americans think that they are a superpower, but in fact they are a stupor-power. A puppet state if truth be known.

There is a great deal of evidence (see Jonathan Cook's excellent piece on this site yesterday) that Israel is a child abuser. "God's Chosen People" routinely abuses captured Palestinian children. The Israelis also abuse Palestinian children by shooting them down in the streets.

Don't take my word for it. The Geneva-based Defense for Children International says, according to Time Magazine, that "the ill-treatment and torture of Palestinian child prisoners appears to be widespread, systematic and institutionalized, suggesting complicity at all levels of the political and military chain of command."

According to Time Magazine, "Often, children suffer lasting traumas from jail. Says Saleh Nazzal from the Palestinian Ministry of Prisoner Affairs, 'When soldiers burst into a house and drag away a child, he loses his feeling of being protected by his family. He comes back from prison alienated from his family, his friends. They don't like going back to school or even leaving the house. They start wetting their beds.' Says Mona Zaghrou, a YMCA counselor who helps kids returning from prison: 'They come out of prison thinking and acting like they are men. Their childhood is gone.' And they often turn to another father figure--the armed militant groups fighting the Israeli occupation."

And so it goes. There's no money for California, or for Americans' health care, or for the several million Americans who have lost their homes and are homeless, because Israel needs it. Israel need the Americans' taxpayers money to that it can create even more enemies, and, therefore, need more American money to spend with the American armament industries to oppress more Palestinians and to make more enemies, requiring more American money to protect Israel from its folly and its evil.

And the brainwashed American public goes along year after year.

Paul Craig Roberts was Assistant Secretary of the Treasury in the Reagan administration. He is coauthor of *The Tyranny of Good Intentions*. Many of his revealing articles can be found here:
http://www.vdare.com/roberts/all_columns.htm

Look at the state of New York, what I call the "second nation of Israel", the one state with the largest Jewish population in all of US, makes it officially a Zionist state run from top to bottom by Zionists: **Governor** - Eliot Spitzer Zionist Jew, **Senator** - Chuck Schumer Zionist Jew, **Senator** - Hillary Zionist Jew Wench, **NY State Assembly Speaker** - Sheldon Silver Zionist Jew, **Mayor NYC**- Michael Bloomberg Zionist Jew, the list goes on and on, and on. Oh, Bloomberg has so much juice that he rescinded the two term LAW and at a snap of his fingers made himself eligible for an unprecedented THIRD term in office! The fact that voters had previously voted into law not just once but twice to set the Mayor's office terms to no more than TWO terms didn't mean diddly. This Zionist Jew titan decides he wants to stick around for another four years to continue to advance the agenda of his Zionist bedfellows, changes the rules and NO ONE DARED challenge him. Yet barely a tick on the news Richter Scale, not a peep, as no one dares utter a word in opposition to any Zionist Mafioso "made man." This here folks is a perfect example of the sheer unadulterated power the Zionist Jews wield in this country. When they really want something they just take it. Then, he ~~spends~~ INVESTS over \$100 million dollars of his own money BUYING his third term. I ask you this: what Jew (or gentile for that matter) do you know that willingly just through money away without expecting and getting something greater in return? No, he INVESTED the \$100 million and will recouperate it and then some, in dividends from all the policies and acts he supports his fellow Zionist Jews and advancement of their agendas. \$100 million to buy the throne of the wealthiest most powerful city in America, that was a bargain. He will be in a crucial position to help usher in their 2012 agendas...

No one other than me seemed to notice that Bush installed dual citizen Zionist Jew Michael Mukasey, as Attorney General. Hardly anyone blinks when more and more Jews are taking over our country. They were even floating the idea of Joe "sleazebag" LIEberman as potential Vice President for the republican 2008!!! OMG! The day this happens, America would surely be DOOMED for the Zionist Jew will be just a bullet away from the Whitehouse... and soon thereafter be crowned as **Emperor of the United States of Israel**. This widely known and acknowledged and somehow accepted traitor of the democrat party is another powerful Jew who stabbed the democratic party in the back for all the world to see and wonder, time and time again, yet the democrats fear him so much that they dare not even think about taking away his democratically appointed chairmanship to the powerful Senate Committee on Homeland Security and Government Affairs. His political party is "Independent Democrat" yet he continues being a thorn on the democrats side while he sides with his republican Zionist neo-con bedfellows then laughs at the spineless democrats. I watched in amazement as he routinely sides with the Republicans, wines and dines with them even to the point of campaigning with McCain at every one of his stops. What did the democrats do to cut him off or punish him once they took office? Nothing, they gave him more power! Doh! **The crucially important point here is that this is a perfect example of the raw power that the Zionist Jews hold in Washington.**

The NEO-CON **Zionists have a virtual choke hold on Washington** (the Zionist democrats bow to their alpha male brethren the neo-cons). The Zionists began their **power consolidation** with their Lobbyist Front Groups and over the years have not only amassed the highest level influence, but have managed to infiltrate every sector of government with their operatives. New York State has long been the de facto Jewish headquarters in America. If this trend continues as it is, soon the total transformation of our country will be complete: we will go from being an Israeli colony to one day become the full fledged Jewnited States of America, or more adequet: **UNITED STATES OF ISRAEL**.

Don't get me wrong here, neo-con this, neo-con that, the Democrats, who are the supposed "opposing" ruling political party also do everything on their given agenda list to help usher in all the socialist portions of the Zionist agenda. Both political parties are ruled by their Zionist Mafioso masters.

One interesting source of information exposing the Zionist conquest of America, you should absolutely check out Joachim Martillo's "Judonia Rising – The Israel Lobby and American Society", at his website where he candidly discusses many Zionist ills.

ADL is Israel's Jewish Spy Agency – (Video removed from Youtube)

America's Most Powerful Hate Group

The Anti-Defamation League is the longest running and most powerful hate group in the United States with 28 offices domestically and 3 offices abroad. They bring in nearly \$60 million a year to combat free speech and the right of ethnic minorities to defend themselves from bigotry (including Black Muslims, Arabs, and Euro-Americans).

History / Criminal Operations / ADL and Ethnic Harassment

ADL's Dark History

The Anti-Defamation League was created in 1913 by the racist secret society known as B'nai B'rith (which means "blood of the Chosen"). This organization, which exists today excludes people based on their ethnic background and religion. It is exclusively restricted to powerful Jews who believe in racial superiority.

The ADL has spearheaded efforts at censorship against all people who wish to express themselves culturally and racially. The Director of the ADL Richard Gutstadt wrote to all periodicals he could find to censor the book, "The Conquest of A Continent." Mr Gutstadt brazenly writes, "We are interested in stifling the sale of this book." The ADL was also instrumental in terrorizing St. Martin's Press into canceling their contract last year with David Irving.

The ADL tries to cover its anti-free speech activities by giving out a Free Speech "Torch of Liberty" award occasionally. The most prominent recipient is flesh peddler and woman denigrator Hugh Hefner. Obscene pornographer Larry Flynt is another supporter who has contributed 100,000s of dollars to the ADL.

ADL's Criminal and Spying Operations

In 1993 the San Francisco and Los Angeles offices of the ADL were raided for evidence of criminal wrongdoing in many spheres. The raids turned up evidence of the ADL's compliance in the theft of confidential police files stolen from California police departments. The ADL had been paying Roy Bullock a salary for decades to spy on people and steal police files. He stole files from SFPD through corrupt cop Tom Gerard. His illicit contact in San Diego was white racist sheriff Tim Carroll.

The ADL has been linked closely to organized crime, especially Las Vegas mafia boss Meyer Lansky. Theodore Silbert worked simultaneously for the ADL and the Sterling National Bank (a mafia operation controlled by the Lansky syndicate). As a matter of fact the granddaughter of the mafia boss, Lansky, herself is the ADL's liaison to law enforcement, Mira Lansky Boland. (What a convenient arrangement! She used ADL money to treat Tim Carroll and Tom Gerard to an all-expense paid luxury vacation in Israel.)

Another Las Vegas gangster, Moe Dalitz was honored by the ADL in 1985. Another among the shady contributors to the ADL's supremacist activities is the Milken Family Fund, of "junk bond" fame. The ADL uses its well-oiled propaganda machine to protect their "friends" in the mafia and pornography industry by shrieking "Anti-Semitism!!!!!" at the slightest movement of the law against these perverse interests.

ADL's Ethnic Intimidation

The ADL has mastered the art of intimidation and blackmailing unlike any of the powerful mafias they are associated with. The ADL has influential contacts in media and politics that can ruin a person or business if they don't follow ADL's agenda.

Already mentioned are instances of bad cops falling under the allure of the ADL, ones such as Tom Gerard and Tim Carroll. Yet now good cops and even freshmen cops are being "conditioned" for the type of anti-free speech, anti-cultural diversity, police state that the ADL would like for our country.

TRAINING SESSION — Morris Casuto discusses hate crimes with police recruits during a class break at the San Diego Regional Law Enforcement Academy.
Herald photo by Donald H. Harrison

Throughout the nation the ADL is threatening police departments with all kinds of retribution if they don't initiate state-funded lectures and seminars for law enforcement given by ADL spokesmen. The ADL rakes in large sums of money for these sessions, boosting their already overflowing coffers. Already ADL men have been seen at the scene of crimes ordering cops on how investigations are to be conducted.

Perhaps at no time in history has any other criminal organization, such as the ADL, been able to infiltrate and influence law enforcement to such an extent, and its tentacles are growing.

Freshmen sheriffs in San Diego are now being personally "trained" to respond to "crimes" by the Southwestern Director of the ADL, Morris Casuto. The most alarming part of this horrible story is... The ADL is a very powerful, secretive racial/religious supremacist organization, with substantial ties to the underworld of crime and pornography. To burrow their way into the minds of children the ADL has created the "World of Difference" program designed to cause self-hatred in young children and to persuade them to go against their own people and heritage. Children are taught that homosexuality and interracial affairs are virtues, great epiphanies to be experienced. In a report to its few, but wealthy supporters in 1995, ADL boasts that it has reached more than ten million students and more are ready to be indoctrinated. The ADL hopes to make children susceptible to the world of crime and vice they and their criminal associates have in store for America.

A reporter looks at the ADL's Spying Operations

An Anonymous letter on ADL's many wrongs

The ADL: America's Greatest Enemy

Is the Anti-Defamation League of B'nai B'rith Spying on You?

The telephone numbers for ADL's Hate Offices

First they planned and succeeded in having Bush and other completely morally defunct leaders finish running this country into the ground and destroying this country as we know it, infrastructurally, morally, economically, every way. Then little by little the Zionist Jews who never allow themselves to "get their hands dirty" will emerge as our "saviors" to "fix everything". **The Jews are no longer satisfied with just having the most powerful and feared lobbyist group in the nation, now they are working to take all of it over.** Just a few years ago, Zionist Jew senator LIEberman tried to get into the Whitehouse, **American's weren't ready for a Jew president yet**, today he is busy working 24/7 drumming up support to attack Iran and other Zionist causes.

If a Zionist ever succeeds in taking over the Whitehouse, then we will see all of the new fascist powers, executive orders and acts of the Cheney & Bush administration (and all others that preceded them) strategically setup ahead of time being utilized to their tyrannical fullest. Oh, sure Bloomberg along with many of his brethren seem like "good fellows", they MUST keep up the charade to win us all over. In the mean time while we are waiting for the Zionists to place one of their own bloodlines in control of the (holy grail) Whitehouse, we will continue to have to put up with the **dozens upon dozens of key Zionist Jews that are taking more key positions and ever more important roles in our government, deciding and shaping OUR FUTURES with THEIR BEST INTERESTS IN MIND.**

I don't make this stuff up. Who do YOU think is the 800lb gorilla in Washington? It is easy to see the actual fruits of their labor, follow their agendas: who do you think are the ones behind the intentional neglect of our own government projects for OUR citizens, neglecting crucial situations here in OUR country, cutting out billions of dollars in funds for all OUR necessities here in OUR country and instead WASTING those billions pushing others agendas on other countries, and fabricated conflicts. My words may seem incendiary and insulting, but if you have half a brain to digest and logically rationalize even half of what I have been conveying here in this Matrix Report, you would have no choice but to surrender to the voice of reason... the TRUTH.

The whole hate speech thing was **invented** and brought into the mainstream by the Anti-Defamation League of B'nai B'rith (ADL). The ADL purports to be and disguises itself as a "Jewish civil rights organization" (as does the JDL). When **in reality the ADL and the JDL are one clandestine intelligence agency** that operates as advocacy groups. They conduct extensive surveillance on individuals and groups across the political spectrum. The San Francisco district attorney caught the ADL conducting a national spy network after a 1993 raid on the organizations San Francisco offices uncovered computer files (including stolen confidential police documents containing personal information) on 9,876 individuals and more than 950 groups. How they get away with espionage even after being caught red handed is beyond me.

The ADL has over the years **infiltrated and intertwined itself with our law enforcement** apparatus, so much so that it regularly conducts "extremism training" classes for law enforcement, where they actually instruct officers on "extremist ideologies and share investigative and prosecuting techniques to combat these ideologies! The ADL can be likened to the NAZIs operating in America as a boy scout group completely immersing itself in all the legal dealings of our country pushing its own hidden agenda, and telling our law enforcement how to operate while dictating to our judicial system what is what!

Only in this crazy country do we allow those who wish to infiltrate, undermine and subjugate us with their own secret agendas to freely do so without any repercussions, so long as they are "**the untouchables**".... The Zionist Jews.

They are the single tour de force behind all "Hate Crimes" laws not only in this country but all over the globe, basically to protect and provide cover for just the Jewish people. Thus making these people the only people on the planet that are THE UNTOUCHABLES. This is nothing new for them, for the Zionist Jews have been instrumental in crafting "hate crimes" laws for ages, one need look no further than Russia and Germany where they were instrumental in getting people imprisoned for "hate crimes" many generations ago. Where even possessing a book called "Protocols of Zion" could get you a death sentence, was accepted policy.

The ADL is what I consider an amazingly interesting ground breaking Zionist organization. Any group or organization that can become instrumental in pushing new laws into existence and becoming so feared and powerful as to effectively be able to not only silence their detractors, but also be able to completely cripple and ruin anyone that steps in their way is truly a dangerous work of genius to be reckoned with. How do you debate such an organization? For ANYTHING you say can be construed as ANTI-SEMITIC and used against you! (Doh!) These are the only people that have been successful in **anti-Semitising THE TRUTH!!!** Therein lays the pure genius of this enterprise. You can therefore never question, let alone oppose anything they stand for due to the fact that they will spring into action like ravenous vipers ready to inject you with its venom. Death awaits all who oppose it. For all who dare cross the lines are quickly character assassinated, publically humiliated and reduced to nothingness.

All who dare step where they are told not to go, will surely suffer the wrath and pain of the den of viper's counter attack. Many who consider stepping into the lair of the ADL vipers den and opposing them usually meets political and

JDL is the second most active terrorist group, FBI says

Group linked to Santa Ana bombing death.

By Adam Dawson
The Register

LOS ANGELES — The Jewish Defense League, blamed by the FBI for the October bombing death of Alex Odeh in Santa Ana, is the second most active terrorist group in the United States, according to FBI reports.

The bombing occurred Oct. 11 at the West Coast headquarters of the American-Arab Anti-Discrimination Committee. Odeh, 41, was the head of the committee's West Coast office.

The JDL, which began as a security patrol to protect Orthodox Jews in New York City in 1968, has changed over the years into a "national group," FBI

"I don't care what the FBI has said in the past. The man (Odeh) has become a martyr, and the FBI is laying it on our doorstep. They are killing us."

Irv Rubin
director, Jewish Defense League

may be connected to the group. Botzer said those incidents, including two in Los Angeles and the attempted bombing of the American Arab Committee's Boston office, are under investigation. "I don't care" (p. 10)

financial suicide. For the ADL and their sister organization AIPAC has destroyed many a people and careers. **They are FEARED in all the halls of government, where politicians tippy toe and whisper around any issue that is remotely connected to the Jewish Zionist agendas. Untold billions upon billions of dollars pour into their war chests, they bully their way around without a care, no one dares look them in the eyes, they all bow their heads in fear of the Zionist beasts.**

You claim that a _____ Jewish organization did _____? Bam! You're anti-Semitic! You claim that _____ Jewish entity did _____, Bam! You are practicing HATE SPEECH! Etc, etc, etc. You lose no matter how you put it. **You can NOT state the truth**, about any issue you know to be true for you will be construed as an "anti-Semitic" lashing out with "hate speech" tinfoil hat wearing, Islamofascist terrorist loving monstrosity. The Hate Crimes Prevention Act of 2009 (HR 262), which will soon pass congress this session, will construct a federal hate crimes center in Washington, D.C. This command center WILL NOT BE RUN BY THE GOVERNMENT... BUT **BY THE ADL!!!** Soon the day is coming when you will be JAILED for speaking up about someone, (the truth be damned) especially the ones you are forbidden to speak of.. the Jews. How's that for a **creatively insane form of CENSORSHIP!**

BTW: who is going to decide what constitutes as "hate speech" that will soon get you imprisoned? The Jewish Anti Defamation League of B'nai B'rith (ADL) of course!!! LOL. This is a blatant destruction of the single most fundamentally important components of our so called "free society": FREEDOM OF SPEECH. We are so screwed, yet you have no clue. Behold, for you witness the power of the beast in action...

The Dark Side of the Anti-Defamation League of B'nai B'rith – [Video](#)

THE JEWISH SLAVE TRADE

"Between 1870 and 1939 Jews played a conspicuous role in white slavery, as the prostitution of that era was called. Not only was this participation conspicuous, but it was, for the Jews, historically unprecedented, geographically widespread, and in an age of pandemic anti-Semitism fraught with collective political dangers." - Edward J.

Bristow, PROSTITUTION AND PREJUDICE, The Jewish Fight Against White Slavery 1870-1939

Prostitution and Prejudice:

The Jewish Role in Vice Exposed

By Wayne Tinsill

PROSTITUTION AND PREJUDICE does a superb job of demonstrating the extremely disproportionate Jewish involvement in the worldwide sex slave trade in the period under discussion. Jewish involvement with prostitution began in the old Pale of Settlement in Czarist Russia. Bristow ascribes this phenomenon, with partial validity, to Jewish misery and social disability.

Whatever the causes, there is no doubt of Jewish control over the sex slave trade in Czarist Russia and Eastern Europe generally. Thus, an internal census of the Russian Empire in 1889 showed that throughout the Pale of Settlement and European Russia, Jewesses ran 203 out of 289 licensed houses. In this same year in Warsaw 16 out of 19 houses of prostitution were run by Jewesses. According to Bristow:

"By the 1860s a French visitor to Odessa wrote that Jews there were responsible for a white slavery market in

Russian women to Turkey. This is feasible, especially since we know that Jewish brothel-keepers were already in place at the other end in Constantinople.

The 1889 census shows that Jewish women ran 30 of 36 licensed brothels in Kherson province, where Odessa was located. In 1908 the American consul there claimed that the whole business of prostitution is almost exclusively in the hands of Jews."

Jewesses were prominent in the practice of prostitution. Thus, of 5127 licensed prostitutes in 1889, 1122 or 22 per cent were Jewish. Prostitution was particularly prevalent in the impoverished Habsburg province of Galicia. According to Rabbi Rosenak of the German Union of Rabbis in 1902:

"In fact I was assured by different doctors that there were between 30 to 50 per cent Jewish prostitutes. If this is terrible, it is even more startling if one speaks of the procurers of prostitutes. It is inconceivable how it could be that the owners of the tolerated houses are Jewish throughout."

Jewish procuring flourished throughout the Austro-Hungarian Empire. One Jewish madam was known as "Lucky Sarah" so named because she was the founder of the Hungarian export trade. Equally famous was Sarah Grossman known as "The Turk" because of her practice of dispatching girls to Constantinople. Two major centers of sex slave exporting were the industrial towns of Czernowitz and Lemberg. In 1892 a very famous mass trial of 27 procurers was held in the latter. All 27 defendants were Galician Jews.

As Bristow notes the trial received so much attention that it marked a turning point in the use of the issue by the anti-Semites. A major device of the procurers was a Jewish ceremony referred to as the stillah chuppah. This included a religious wedding ceremony which had no civil validity.

Thus, the soon-to-be abducted female would be misled into believing that she was married with the rights of a wife only to discover later that her legal rights were nil. Innumerable Jewesses found themselves tossed into brothels by this device.

Learn more about this practice of procuring here: [MEET ZWI MIGDAL](#)

The Jewish sex slave trade was international in scope. When the mass exodus of Jews out of Czarist Russia began in the 1880's, the Jewish pimps and procurers soon found greener pastures in South America. A vast transatlantic trade in prostitutes began along the Warsaw to Buenos Aires route.

Adolf Weissman, Sigmund Reicher, Adolf Dickenfaden, the "King of the Traffickers", Noe Traumann, the Goldenbergs, the Springfeder brothers of Warsaw, the Goldstein brothers, Jacob Zablodovitch and his three sons and many, many others, including Israel Meyrowitz plied the transatlantic trade. These Jews eventually established the Zwi Migdal Society which institutionalized the prostitution business in Argentina until its power was broken in the 1930s.

A partial list of Zwi Migdal's formal directorate of 1926 is revealing: Zacharias Zytnitski, president; Felipe Schön, vice-president, Max Salzman, secretary; Simon Brotkevich, treasurer; Abe Marchik; Jacob Zablodovitch; Sally Berman; and Marcus Posnansky. These Polish and Hungarian Jews were known to police on two continents as they made annual trips back and forth to Eastern Europe to trick, kidnap and recruit fresh faces for their brothels.

Prostitution was not accorded the same legal protection in North America as in the South, but in New York City, too, the Jewish prostitution and vice business flourished. Rosie Hertz from Hungary was one of the city's earliest and most successful prostitutes. Mortke Goldberg and the Soviner brothers, Max and Louis later came to dominate the New York sex business.

As in Argentina, the "New York" pimps and procurers had a self-help and self-promotion organization the

"Independent Benevolent Association".

Two of its founders were Martin Engel and Max Hochstim. The Jewish sex slave trade was so infuriating to real Americans that, in 1910, Congress passed the Mann Act which made it a felony to procure for prostitution across state lines. The Mann Act had been preceded in 1907 by a famous essay by G. K. Turner "Daughters of the Poor" in McClure's Magazine (No. 34, 1908).

Although Bristow insists that Turner was wrong to label New York City as the center of the world wide sex slave trade, many of his charges against Jews did have a basis in fact.

As noted earlier in discussing Odessa, the Jewish sex slave trade flourished in Constantinople under the Ottoman Sultanate. Although Bristow does not mention it, Jews were strongly entrenched in Ottoman society from the time of the expulsions from Spain in 1492.

Large numbers of Jews migrated to Turkey where they replicated their positions as tax collectors and financial advisors. This privileged position was certainly an asset to those Jews who wanted to go into the prostitution business. The Jewish pimps and procurers were further aided by general Ottoman tolerance of prostitution and servitude in general. Writes Bristow:

"Nothing was more disturbing to the Jewish opponents of white slavery than the state of affairs at Constantinople on the eve of the First World War. The existence of a thriving community of Jewish traffickers and brothel keepers was confirmed over and over again by pained observers from the B'nai B'rith, ICA, Hilfsverein der Deutschen Juden (Relief Organization of German Jews), Jüdischer Frauenbund (League of Jewish Women) and other interested organisations."

In 1915 the Turkish government finally decided to clean up the thriving prostitution business. Osman Bedri Bey, the prefect of police rounded up 176 suspects of whom all but a handful were Jewish. Hungarian and Rumanian Jews predominated in the Turkish sex slave trade along with the Odessian Jews. Two the most famous Hungarian Jews were Julie and Anton Hirshfeld, whom Bristow labels

"probably the most prosecuted couple in the annals of white slavery".

The Romanian city of Galatz on the Danube river served as one of the principal launching points for the Constantinople traffic. There was even an Argentinian link through the infamous David Felken. The road from Constantinople led further East.

In Alexandria in Egypt, police statistics in 1903 showed that "between 70 and 80 per cent of the prostitutes in tolerated houses there were Jewish women from Galicia, Bukovina, and Romania".

A certain number of Jewish prostitutes followed the British Raj into India following the opening of the Suez Canal in 1869.

The Jewish prostitutes also followed the American military into the Philippines following the Spanish-American War of 1898. According to an interesting statement of the celebrated Rabbi Stephen Wise in 1902:

"According to the statement of my informant, a large number of Jewish women in Manila are to be found in the ranks of prostitution ... at one time the number reached 200, but ... now the number is less than 100, thanks to the measures of the American Government. These women are mainly of Galician, Russian or Rumanian birth. It is almost too shaking to put to paper, but according to Mr. Rubenstein, the statement of a man that he is a Jew is followed invariably by the question 'Have you any nice women to sell?' ..."

From London the infamous Joe Silver moved to South Africa and established a thriving prostitution business.

These facts and many others conclusively establish the existence of a thriving, international and interconnected Jewish sex slave trade. What was the Jewish response to this horrible business?

PROSTITUTION AND PREJUDICE makes very clear that Jews of the day were at least as concerned about the use anti-Semites were making of the issue as they were about the sex slave trade itself. For instance, Der Israelit, the German orthodox newspaper wrote the following against the Jewish liberals who insisted on airing the problem:

"First they commit a folly ... second they commit a chillul-hashem against God. Third their communities confront them with the words, 'You've given our enemies a sword to smite us with'."

The Jewish fight against white slavery, such as it was, consisted mainly of organizing societies for the protection of women and children, establishing international coordination and exchange of information, watching docks and ports for suspicious characters and holding international conferences. This activity took place mainly in England and Germany. One early such society was founded in 1896 and named the Jewish Association for the Protection of Girls and Women.

Interestingly, several members of the Jewish Board of Deputies who were later to become prominent in the fight against the Balfour Declaration, such as David Aleksander, were involved in this work.

In Germany, relations between the Jewish and non-Jewish members of these anti-white slavery leagues were less than cordial. German Jews were taking the heat for the Ostjuden and their activities. Bertha Pappenheim, the famous German-Jewish feminist, complained about this popular attitude long and bitterly.

Edward Bristow admits that, despite laudable efforts by more enlightened western Jews, the sex slave problem gradually faded because of considerations extraneous to organized attempts to fight the evil. The slowing down of the great Jewish migrations out of Czarist Russia, the equalizing of sex ratios in frontier parts of the world, the growth of upward mobility all played a far greater role in eventually reducing the sex slave trade than all official and coordinated efforts.

Although many things are similar, the circumstances regarding the South American Zwi Midgal, are quite different. And the unsavory business ended by very different means, legal action instigated by a victim.

PROSTITUTION AND PREJUDICE: The Jewish Fight Against White Slavery 1870-1939, is a thoroughly researched and documented study of a problem of major importance. But as the very title of the volume indicates, it is written from an inherently flawed and self-serving perspective. Bristow argues that Jews were the "good guys," even as he abundantly proves that they were not. Throughout his study prevails the attitude that it was ~ and still is ~ illegitimate for anti-Semites to make use of the sex slavery issue. In Bristow's own words (referring to the political effect of Jewish anti-white slavery activism):

"Did the work do anything to deny the issue to the anti-Semites? After the war the argument that trafficking in Christian women was inherent in Jewish genes was resorted to even more insistently than before. In the relatively innocent years before 1914 one can understand how Montefiore, Maretsky, Pappenheim, and the others could place hope in a reasoned response. Their 'rationalist fallacy' was a product of their times. As difficult as the situation was, they had no way of knowing what was to come."

PROSTITUTION AND PREJUDICE makes no attempt to examine possible causes for Jewish predominance in the prostitution racket beyond the misery and suffering of the Pale of Settlement. Thus, there is no Israel Shahak-style examination of the Talmudic passages which teach that all non-Jewesses are whores or that the Jew may do with the non-Jewess what he will.

Nor is there any discussion of the general Talmudic injunctions to cheat, steal from or lie to non-Jews. These principles, followed literally in the real world, may have had much more to do with why Eastern European Jews played such a large role in the worldwide sex slave trade than general social conditions.

Bristow ends his account on a sour note by noting the political capital the Nazis made of the issue. He says nothing about the massive sex slave trade in kidnapped Ukrainian girls being shipped to Israeli brothels which is flourishing right now. As he says in his concluding paragraph "defending the good name of the Jews" is a worthy endeavour, whatever the facts might be.

PROSTITUTION AND PREJUDICE: The Jewish Fight Against White Slavery 1870-1939 by Edward Bristow, 1982 Shoken Books, ISBN No 8052-3866-2, 200 pages, Madison Ave, NY, NY 10016

Jews are allowed by their "God" to keep slaves. The modern day Israel takes advantage of this divine permission:

"Your male and female slaves are to come from the nations around you; from them you may buy slaves. You may also buy some of the temporary residents living among you and members of their clans born in your country, and they will become your property. You can will them to your children as inherited property and can make them slaves for life, but you must not rule over your fellow Israelites ruthlessly."
(Leviticus 25:44-46)

Jewish Involvement In Black Slave Trade To The Americas

By Rabbi Marc Lee Raphael, 2-24-6

The following passages are from Dr. Raphael's book *Jews and Judaism in the United States: A Documentary History* (New York: Behrman House, Inc., Pub, 1983), pp. 14, 23-25.

"Jews also took an active part in the Dutch colonial slave trade; indeed, the bylaws of the Recife and Mauricia congregations (1648) included an imposta (Jewish tax) of five soldos for each Negro slave a Brazilian Jew purchased from the West Indies Company. Slave auctions were postponed if they fell on a Jewish holiday. In Curacao in the seventeenth century, as well as in the British colonies of Barbados and Jamaica in the eighteenth century, Jewish merchants played a major role in the slave trade. In fact, in all the American colonies, whether French (Martinique), British, or Dutch, Jewish merchants frequently dominated.

"This was no less true on the North American mainland, where during the eighteenth century Jews participated in the 'triangular trade' that brought slaves from Africa to the West Indies and there exchanged them for molasses, which in turn was taken to New England and converted into rum for sale in Africa. Isaac Da Costa of Charleston in the 1750's, David Franks of Philadelphia in the 1760's, and Aaron Lopez of Newport in the late 1760's and early 1770's dominated Jewish slave trading on the American continent."

Dr. Raphael discusses the central role of the Jews in the New World commerce and the African slave trade (pp. 23-25):

SEVENTEENTH AND EIGHTEENTH CENTURIES JEWISH INTER-ISLAND TRADE: CURACAO, 1656

During the sixteenth century, exiled from their Spanish homeland and hard-pressed to escape the clutches of the Inquisition, Spanish and Portuguese Jews fled to the Netherlands; the Dutch enthusiastically welcomed these talented, skilled businessmen.

While thriving in Amsterdam - where they became the hub of a unique urban Jewish universe and attained status that anticipated Jewish emancipation in the West by over a century - they began in the 1500's and 1600's to

establish themselves in the Dutch and English colonies in the New World. These included Curacao, Surinam, Recife, and New Amsterdam (Dutch) as well as Barbados, Jamaica, Newport, and Savannah (English).

In these European outposts the Jews, with their years of mercantile experience and networks of friends and family providing market reports of great use, played a significant role in the merchant capitalism, commercial revolution, and territorial expansion that developed the New World and established the colonial economies. The Jewish-Caribbean nexus provided Jews with the opportunity to claim a disproportionate influence in seventeenth and eighteenth century New World commerce, and enabled West Indian Jewry-far outnumbering its coreligionists further north-to enjoy a centrality which North American Jewry would not achieve for a long time to come.

Groups of Jews began to arrive in Surinam in the middle of the seven-teenth century, after the Portuguese regained control of northern Brazil. By 1694, twenty-seven years after the British had surrendered Surinam to the Dutch, there were about 100 Jewish families and fifty single Jews there, or about 570 persons. They possessed more than forty estates and 9,000 slaves, contributed 25,905 pounds of sugar as a gift for the building of a hospital, and carried on an active trade with Newport and other colonial ports. By 1730, Jews owned 115 plantations and were a large part of a sugar export business which sent out 21,680,000 pounds of sugar to European and New World markets in 1730 alone.

Slave trading was a major feature of Jewish economic life in Surinam which as a major stopping-off point in the triangular trade. Both North American and Caribbean Jews played a key role in this commerce: records of a slave sale in 1707 reveal that the ten largest Jewish purchasers (10,400 guilders) spent more than 25 percent of the total funds (38,605 guilders) exchanged.

Jewish economic life in the Dutch West Indies, as in the North American colonies, consisted primarily of mercantile communities, with large inequities in the distribution of wealth. Most Jews were shopkeepers, middlemen, or petty merchants who received encouragement and support from Dutch authorities. In Curacao, for example, Jewish communal life began after the Portuguese victory in 1654.

In 1656, the community founded a congregation, and in the early 1670's brought its first rabbi to the island. Curacao, with its large natural harbor, was the stepping-stone to the other Caribbean islands and thus ideally suited geographically for commerce.

The Jews were the recipients of favorable charters containing generous economic privileges granted by the Dutch West Indies Company in Amsterdam. The economic life of the Jewish community of Curacao revolved around ownership of sugar plantations and marketing of sugar, the importing of manufactured goods, and a heavy involvement in the slave trade, within a decade of their arrival, Jews owned 80 percent of the Curacao plantations. The strength of the Jewish trade lay in connections in Western Europe as well as ownership of the ships used in commerce. While Jews carried on an active trade with French and English colonies in the Caribbean, their principal market was the Spanish Main (today Venezuela and Colombia).

Extant tax lists give us a glimpse of their dominance. Of the eighteen wealthiest Jews in the 1702 and 1707 tax lists, nine either owned a ship or had at least a share in a vessel. By 1721 a letter to the Amsterdam Jewish community claimed that "nearly all the navigation...was in the hands of the Jews." Yet another indication of the economic success of Curacao's Jews is the fact that in 1707 the island's 377 residents were assessed by the Governor and his Council a total of 4,002 pesos; 104 Jews, or 27.6 percent of the taxpayers, contributed 1,380 pesos, or 34.5 percent of the entire amount assessed.

In the British West Indies, two 1680 tax lists survive, both from Barbados; they, too, provide useful information about Jewish economic life. In Bridgetown itself, out of a total of 404 households, 54 households or 300 persons were Jewish, 240 of them living in "ye Towne of S. Michael ye Bridge Town." Contrary to most impressions, "many, indeed, most of them, were very poor." There were only a few planters, and most Jews were not naturalized or endenized (and thus could not import goods or pursue debtors in court). But for merchants holding letters of endenization, opportunities were not lacking. Barbados sugar-and its by-products rum and molasses-were in great demand, and in addition to playing a role in its export, Jewish merchants were active in the import trade.

Forty-five Jewish households were taxed in Barbados in 1680, and more than half of them contributed only 11.7 percent of the total sum raised. While the richest five gave almost half the Jewish total, they were but 11.1 percent of the taxable population. The tax list of 1679-80 shows a similar picture; of fifty-one householders, nineteen (37.2 percent) gave less than one-tenth of the total, while the four richest merchants gave almost one-third of the total.

An interesting record of interisland trade involving a Jewish merchant and the islands of Barbados and Curacao comes from correspondence of 1656. It reminds us that sometimes the commercial trips were not well planned and that Jewish captains - who frequently acted as commercial agents as well - would decide where to sell their cargo, at what price, and what goods to bring back on the return trip.

(End of excerpt)

Tony Martin is African studies professor at Wellesley College and has taught at Wellesley College, Massachusetts since 1973. He was tenured in 1975 and has been a full professor of African Studies since 1979. Prior to coming to Wellesley he taught at the University of Michigan-Flint, the Cipriani Labour College (Trinidad) and St. Mary's College (Trinidad). He has been a visiting professor at the University of Minnesota, Brandeis University, Brown University and The Colorado College. He also spent a year as an honorary research fellow at the University of the West Indies, Trinidad.

Professor Martin has authored or compiled or edited eleven books, including *Literary Garveyism: Garvey, Black Arts and the Harlem Renaissance*, and the classic study of the Garvey Movement, *Race First: the Ideological and Organizational Struggles of Marcus Garvey and the Universal Negro Improvement Association*. His most recent book is *The Jewish Onslaught: Despatches from the Wellesley Battlefield*. Martin qualified as a barrister-at-law at the Honourable Society of Gray's Inn (London) in 1965, did a B. Sc. honours degree in economics at the University of Hull (England) and the M.A. and Ph.D. in history at Michigan State University.

Martin's articles and reviews have appeared in the *Journal of Negro History*, *American Historical Review*, *African Studies Review*, *Washington Post Book World*, *Journal of Caribbean History*, *Journal of American History*, *Black Books Bulletin*, *Science and Society*, *Jamaica Journal* and many other places. His work is to be found in several anthologies and encyclopedias. He has received a number of academic and community awards.

Martin is well known as a lecturer in many countries. He has spoken to university and general audiences all over the United States, Canada, the Caribbean and England, and also in Africa, Australia, Bermuda and South America. In 1990 he delivered the annual DuBois/Padmores/Nkrumah lectures in Ghana.

Professor Martin is currently working on biographies of three Caribbean women - Amy Ashwood Garvey, Audrey Jeffers and Trinidad's Kathleen Davis ("Auntie Kay"). He is also nearing completion of a study of European Jewish immigration into Trinidad in the 1930s.

The Jewish Onslaught Despatches From The Wellesley Battlefield

By Tony Martin

"...a polemic of the highest order... the best example of an African answering critics since David Walker's Appeal to the Colored Citizens of the World." - Molefi Asante, *Journal Of Black Studies*

"Professor Martin at long last deals with the Henry Gates/Cornel West attacks on Afrocentricity.... Martin provides a solid analysis of the historical use of Blacks by whites to discredit original Black thought deemed unacceptable by non-Blacks...."

"I compare *The Jewish Onslaught* to the classic third chapter of DuBois' *The Souls of Black Folk* entitled 'Of Mr. Booker T. Washington and Others....' Martin has written a book that years from now will be considered a

classic.... It is simply a must reading on a controversial subject that needs greater airing than some of the more timid political attempts of recent years." - Raymond Winbush, The Voice Of Black Studies

" Tony Martin has been forced to delve into the relationship between the Jews and Blacks and in the process, he has distilled a work that is informative, fascinating and one which will heighten the consciousness of Black people everywhere." - Carl Wint, The Sunday Gleaner

JEWS and WHITE SLAVERY

by Jeff Hook

Have you read the article "Fighting the Flesh Trade?" If not, please do. It confirms every fact revealed by the late Dr. William L. Pierce in his various American Dissident Voices broadcasts on the subject of Israel's White Slave Trade. On December 5, 2001, the article appeared on the Jewweek.com Web site -- complete with accompanying images. I hosted a copy of it on the old Jeffsarchive Web site, until I received an e-mail from a law firm representing Jewweek, informing me of their intent to sue if the article wasn't removed immediately. I removed the article, and linked directly to their site. They then removed the article.

I then linked directly to the site of the copyright holder, the Jerusalem Post. By that evening, the Jerusalem Post had also removed the article. Well, that was two years ago. Now the Jerusalem Post has seen fit to re-activate the URL, so you might want to take a gander at what the Jews are doing to the women of our race. Here's a synopsis:

1. 3,000 White European women per year are smuggled into Israel as sex slaves.
2. They are promised legitimate jobs, but put to work as prostitutes.
3. They are locked in apartments with barred windows.
4. They are relieved of their passports.
5. They are beaten, tortured, and gang-raped (Jewish method of "breaking them in").
6. They are sold at pimping auctions! - during which they are forced to undress.
7. They are forced to service up to 15 Jews a day, 7 days a week, in Israel's 400+ brothels.
8. There are 250 brothels in Tel Aviv alone!
9. Pimps and traffickers are ignored by police - prostitution is not a crime.

Finally I would like to point out yet another very important FACT of life. Americans by and large are THE most giving people on the planet. Americans generously donate billions upon billions of dollars each and every year to every cause under the sun. But wait, hold on a second. Who do the Jewish people donate to? Has that thought even ever entered your mind? **The fact stands unchallenged that virtually all the Jewish people ONLY give to Jewish programs! The ENTIRE Jewish race is brought up under that principle.** It is not just frowned upon to give "outside" of the race (and anything that is not part of one of their agendas) many consider it blasphemy to do so. What little donations, they give outside their network is done so as mere trinkets, throwing a few bones here and there for the Lemming goyim projects, yet with big fanfare so as to make it seem that they are a most benevolent people.

One thing that the goyim don't know or understand about the Jews is that arguing is a central part of their lives. It's as traditional in Jewish families as rum for Hispanics and what fried chicken is for blacks. **For Jews, arguing is a sport they have become masters at.** Goyims who are on the receiving end of an argument easily fold for their temperate up

bringing rarely encounter routine arguments. Thus is reflected how the Jews mastered and often prevail in the art of negotiation, for they often get hot and heavy when negotiating anything, often resembling arguing. This is also why some of the most successful lawyers are Jews. More importantly is that through frequent argumentive lifestyles they came to understand the psychology of BOTH SIDES OF ANY ARGUMENT. Thus the ruling elite have become masters of developing argumentive **narratives** for the usual right and left sides, high and low, bad guy, good guy, etc to most of their engineered events. The orchestra Jews representing "their side" know when to take their cue and begin battling the "other side", even if it is another Jew, they put on a good show displaying their argumenting skills by confronting the opponent, at the end of the day many of them go to same events, parties as brothers, but the goyim wouldn't have a clue.

“The stated examples of behind the scenes political influence and manipulation may explain, to a degree, why Jews were expelled from virtually every country in Western Europe from 1290 through 1551. With such control of American political institutions and the news media, Jewish political forces have the ability to manipulate war and peace, crush nations, and topple sitting heads of state. This was the situation when Jesus walked the earth two-thousand years ago, it is the situation today, and it was the state of affairs in President Kennedy’s time.”

Their unity is legendary indeed, for no people on the face of the planet since the beginning of mankind has maintained such solidarity. You my dear friend are just a bastard goyim to them. And throughout the entire Jewish history they have managed to keep many deep secrets about life tightly guarded and passed down from generation to generation. While your children must undergo indoctrination at the mercy of the public school system, one of the main staples of life the Zionist elite’s children learn is advanced finance and money secrets. This has been so for eons. Why do you think the Jews always manage to get expelled throughout history from **every single country they attempted to monopolize the wealth by strategic financial manipulation**. No race or people other than the Jews has ever existed on earth to be expelled, thrown out, and barred from so many countries:

 1948 ----- Arab Countries

I find it pretty hard to swallow that every single one of these countries was wrong and at fault each and every instance that they came to the conclusion that **the only logical solution to their problems was to expel and deported all the Jews**. Whom seem uncannily adapt at trying to take over everything around them, and are the ones who bring it upon themselves by nature of their dogged divisive monopolistic usury practices coupled by exclusionary superiority complex over their fellow man and their insatiable “god ordained” quest for world dominion.

Let it be perfectly understood that the **foremost main reason for the expulsion of Jews from every country has been the Jewish population attempt to gain control and usurp the host government first through financial means then by political means.**

In his book, “L’antisémitisme son histoire et ses causes,” published in 1894, noted Jewish author, Bernard Lazare, stated the following with regard to these expulsions of Jews:

“If this hostility, even aversion, had only been shown towards the Jews at one period and in one country, it would be easy to unravel the limited causes of this anger, but this race has been on the contrary an object of hatred to all the peoples among whom it has established itself. It must be therefore, since the enemies of the Jews belonged to the most diverse races, since they lived in countries very distant from each other, since they were ruled by very different laws, governed by opposite principles, since they had neither the same morals, nor the same customs, since they were animated by unlike dispositions which did not permit them to judge of anything in the same way, it must be therefore that the general cause of anti-Semitism has always resided in Israel itself and not in those who have fought against Israel.”

Professor Jesse H. Holmes, writing in, “The American Hebrew,” expressed the following similar sentiments:

“It can hardly be an accident that antagonism directed against the Jews is to be found pretty much everywhere in the world where Jews and non-Jews are associated. And as the Jews are the common element of the situation it would seem probable, on the face of it, that the cause will be found in them, rather than in

the widely varying groups which feel this antagonism."

Yes the Jews were expelled from countless countries, but with each and every expulsion they learned from their mistakes in attempting to control and occupation. One cannot deny that the Jews suffered intense assault over their history. Especially around the time of the Crusades where Jews were routinely slaughtered. I believe the Crusades was a pivotal turning point for the Jews whom at that point in time learned the ways of deception in order to survive. But never once did that race ever let go of their fundamental belief that one day their descendants would rule the world as was promised to them by GOD. Thus generation after generation they groomed their descendants for the mission of deceiving, subjugating and one day ruling their enemies whom where monumentally more powerful.

From the time they published their sacred ultra secret Protocols of the Learned Elders of Zion they have more effectively strategically organized and have refined their tactics to the level of master manipulators and untouchable world level financial and media titans... First they gained monopolistic control of the realm of usury, banking and investment at which point they strategically, quietly funded and financed their own kind as never seen before in history often helping them develop giants, financing what we know of today as many of the unchallengable undisputed titans of industry. The 19th and 20th century was their turn, their time to rise from the ashes, for their quest for global dominion is upon us...

Jews have made war on their neighbors since their beginnings. In ancient times they were known as destroyers. Since their expulsion from Jerusalem in 70 AD the Jews have maintained their nation inside other nations but their primary loyalty is always to the Jewish people, to Israel. In many places they have allied themselves with the government and acted as tax collectors in other places, such as Russia, they have been the primary force in the overthrow of the government. Communism was Jewish in origin and Jews occupied positions of great power throughout European communism. Israel is a religious state that pays the rabbi's salary and grants rights to Jews that are denied to the original inhabitants, the Palestinians. It is a state that began with ethnic cleansing which continues to this day with our tax money of over 3 billion dollars each year providing the financial basis of all its actions.

For the Jews the people are the nation, the people are Israel, the people are the Divine Whole. The people of Israel are pure, the "other", the goyim, you and me, are impure. "The Jews are not a part of a vast Whole which they re-integrate in dying, but they are a Whole in themselves, defying space, time, life, and death. Can God be outside the Whole? If he exists, necessarily he confounds himself with this Whole...Thus Divinity in Judaism is contained in the exaltation of the entity represented by the Race - passionnel entity, eternal flame, it is the Divine essence. It must be preserved and perpetuated; therefore the idea of pure and impure was created." (Nomades, Kadmi Cohen, (1929).

Read the words of their Holy Scripture, the Talmud. Baba Mezia, 114b "The Jews are called human beings, but the non-Jews are not humans. They are beasts." *Midrasch Talpioth* (fol. 225d): "God created them [Jews] in the form of men for the glory of Israel. But Akum were created for the sole end of ministering unto them [the Jews] day and night. Nor can they ever be relieved from this service. It is becoming to the son of a king [an Israelite] that animals in their natural form, and animals in the form of human beings should minister unto him." (Talmud)

Read the Words of one of the founders of the state of Israel:

"The image of the world...as traced in my imagination -- the increasing influence of the farmers and workers, and the rising political influence of men of science, may transform the United States into a welfare state with a planned economy. Western and Eastern Europe will become a federation of autonomous states having a socialist and democratic regime. With the exception of the U.S.S.R. as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished, and there will be no more wars. In Jerusalem, the United Nations (A truly United Nations) will build a shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of mankind, to settle all

controversies among the federated continents." ([David Ben Gurion](#))

The Jew Samuel Roth wrote about it in his book "Jews Must Live". What the Jew really wants and expects to achieve through the instrumentality of the Hebrew school is to cultivate in his son the sharp awareness that he is a Jew and that as a racial Jew-apart from all the other races-he is waging an old war against his neighbors. ([more](#))

The Jews form an Ethnic Intelligence Apparatus in any nation in which they exist in any numbers to pursue the aims of their people/nation, Israel and to fight against the enemies of Israel. They do this today in America. Do you doubt this Ethnic Intelligence Apparatus? Turn on your television. Check out the news and shows. Watch Wolf Blitzer turn to Schnecher and Ali Kashvili, all Jews, then there's Mike Wallace and Leslie Stahl, Heraldo Rivera and Barbara Walters. And: William Safire, Alan Colmes, A. M. Rosenthal, Charles Krauthammer, Martin Perez, Daniel Pipes, Dick Morris, Lawrence Kaplan, William Kristol, Robert Kagan, Mortimer Zuckerman, David Gelernter, John Podhoretz, Mona Charen, Morton Kondracke, Sid Zion, Yossi Klein Halevi, Norman Podhoretz, Jonah Goldberg, Jeff Jacoby, Rich Lowry, Seth Lipsky, Irving Kristol, John Fund, Ben Wattenberg, Lawrence Kudlow, Alan Dershowitz, David Horowitz, Jacob Heilbrun, Michael Ledeen, Uri Dan, Thomas Friedman, Richard Cohen, Avishai Margolit, David Remnick, Eric Alterman to name a few. More info @ [Jews in the Media Who Rules America?](#) Read about the changes the Jews made at the Canadian media company CanWest. [CanWest-Israel](#). Read about the [Newhouse Media Empire](#), or read about the power of Jews in the media in [England](#).

Remember Ariel Sharon's famous words in an argument with Foreign Minister Shimon Peres over Israel's continued use of violence: "Every time we do something, you tell me Americans will do this and will do that. I want to tell you something very clear: Don't worry about American pressure on Israel; We the Jewish people control America and the Americans know it." Why did he make such a statement?

"The most effective component of Jewish connection is probably that of media control. It is well known that American public opinion molders have long been largely influenced by a handful of powerful newspapers, including the New York Times, the Washington Post, and the St. Louis Post-Dispatch, owned respectively by the Sulzbergers, Meyers, and the Pulitzers, (all Jewish families)." Alfred Lilienthal, *The Zionist Connection II*, 1978, pp. 218-219

Look behind the push to the War in Iraq and you will find a number of [Neo-con Jews](#) including Paul Wolfowitz, Richard Perle, Douglas Feith and Elliot Abrams. A surprising number have been investigated for spying for Israel.

In the assault on Christmas Jews are not referred to as Jews they are referred to as secularists. MSM (main stream media) can ignore it but Jews lead the assault on Christianity while making certain American tax money goes to support the [religious state of Israel](#). The Jewish establishment, it hardly needs saying, is predominantly secularist and systematically anti-Christian. In fact, it is unified far more by its hostility to Christianity than by its support of Israel, on which it is somewhat divided. (Joseph Sobran) ([Jews and Christianity](#)) Most Christians have no knowledge of Jewish scripture and attitudes toward Christians. "According to the Talmud, Jesus was executed by a proper rabbinical court for idolatry, inciting other to idolatry and contempt of rabbinical authority." In punishment of this blasphemy, His fate is to be immersed boiling excrement forever. Dr. Israel Shahak ([more](#))

As I have mentioned before, I am also descendant of Jews. Yes I am a perplexing individual am I not? go ahead and call me a "self hating Jew" not! I have long ago renounced the faith of my brethren and been a "born again" Christian for decades, when I was just a teenager I was rebuked my Zionist uncles and their insane quest for wealth at the sake of losing their souls. I have since come to detest everything they stand for. What I speak of is NOT fantasy, I **KNOW** from real life experience, so much so, I have often sat in major Jewish meetings in complete disbelief yet having to maintain a straight face. Interesting story: the only times I have EVER been hired sight unseen, no interview, no nothing, with just a phone call like "Hi mr. Emmanuel Goldstein, looking for work? no problem, can you come in and start tomorrow?" [I kid you not](#). That is how my fellow Jews roll. THIS is how they treat each other, tight knit to the end, this is the **true source of their strength**, it's called **UNITY**. [They don't talk of unity, they live it](#). Likewise, understanding this key you would understand why it is so important to keep all you stupid foolish Goyims squarely

DIVIDED amongst yourselves, rightwing vs. leftwing, republican vs. democrat, you bunch of dumb goyim sheeple would never understand... you will battle one another until the day you wake up and find yourselves completely destitute and enslaved in your nation of “liberty,” then bow in submission to my brethren, your Zionist masters...

Behold... for I am only telling it as it is... shoving the truth down your throat, sorry, no sugar coating here. Wake up or go forth and assure your enslavement. I have broken from my ancestral bonds long ago, for I stand before you not as a Jew, but as a unclean sinful yet still divine child of God as are all people of this planet, we are all divine lost children of God. I am embarrassed and detest the works of my old Jewish brethren. Here is a new paradigm:

The Jews cry about “anti-Semitism but they perpetrate **ANTI-CHRISTIANISM** and **anti-Muslimism** defamation hundreds of times a day, on a scale that dwarfs worldwide alleged “anti-Semitism,” and not a single Christian comes out to decry the outlandish **attacks against CHRISTIANS AND CHRISTIANITY**. What gives? The Christians are quickly becoming deaf, dumb, blind, spineless, quivering losers. Where is our **Anti-Christianity Defamation League** to protect Christians and Christianity?

What must happen is for the two Jacob and Esau origin religions (that lead to the forming of world Christianity and Muslim world) who originated from the SAME SEED, THE SAME FATHER: ABRAHAM, to repent, forgive, forget and unite as brothers, then go forth to hopefully convince the insanely single minded supremacy world conquest engrossed Zionists to go the seemingly impossible route of repentance, forgiveness and forget, coming together as THREE BROTHERS born of the SAME LINAGE.

Despite what any charismatic world leaders (Luciferian agents) tell you (including your own beloved president of the alleged “free world”): Peace will NEVER come at the hand of bullets and bombs, invasion and occupation leading to rivers of blood... this is the way of Satan that has permeated all of world history without resolve. It will NEVER bring nothing more than endless pain and suffering. The never ending cycle of insanity must come to an end, when swords, guns, tanks, bombers, etc. are “turned into plow shares,” then, and only then will true peace stand a chance to blossom.

Jews Freely Whiz on All Our Faces

November 3, 2009 in Jewish Supremacy, Religion | Tags: Ashkenazi, Bill Maher, Christianity, Comics, Khazar Jews, Larry David, Religion, Sarah Silverman, Seinfeld

Last week we saw another sickening display of Jew arrogance in the media when HBO aired an episode of Larry David’s “Curb Your Enthusiasm” called “Bare Midriff.” In it, David takes some kind of phony medication that makes him piss wildly. While visiting his obviously Goyim assistant’s house, he uses her bathroom where she happens to have a portrait of Jesus next to the toilet. When he urinates, it splashes up on Jesus face.

By itself, this was a blatant slap in the face of Christians, but it goes on by having his White, Christian assistant, Maureen, stupidly think the droplet of urine is a tear from Jesus’ eye; making her and her mother go nuts over the “miracle.” It also has the girl looking ridiculous wearing a way-too-small shirt for her size, exposing her fat stomach and looking foolish. Jews Larry David and Jerry Seinfeld both share jokes about the woman.

All Jews, all the time: Larry David, Jerry Seinfeld, Michael Richards (technically not blood Jewish, but calls himself a Jew), Julia Louis-Dreyfus, Jason Alexander.

But it’s not just Jesus these people are pissing on, but all White people and America. The more these slime do, the more stink they feel they can get away with anymore. The sickening smell of Jewry is now wafting out heavily across America, through the media, politics and our economy as they do their Jew thing.

As usual, Jews merely thought this was all so hilarious and any complaints from Christians was met with more ridicule, blowing it off like it was nothing. One Jew at Jewish Journal said “Larry David has once again proven his ability to indiscriminately offend — and once again, it’s hilarious.” HBO described the show as merely

“playful.” Yeah, playful, right.

This kind of thing happens all the time now. Hell, it’s been the case for a long time, only occasionally do we hear about something that creates a little firestorm that the mainstream media tries to ignore, more or less, till they go on to whatever minor thing they drudge up about something evil a White person did to a Black.

And anyone with half-a-brain can readily see the whole Christian-bashing in Hollywood movies over the last several decades. In fact, they’ve now gotten much of the Gentiles in our countries actually hating Christianity, thinking that Christians are some kind of nutcases who want to tell them how to live and are dumb, evil, etc. etc.

The pathetic western Christian churches that bow down to the Jews are truly a joke. To them you are all just Goyim scum, to be treated as sub-human cattle. Christian ministers visiting Israel get special treatment of respect: IT IS COMMON ACT AND OLD TRADITION FOR THE JEWS TO SPIT AT THE PRESENCES OF CHRISTIANS! The old Hebrew scriptures that you all know as the "old testament" was the word of god for **the Jewish people, who USED TO BE god's "chosen ones" back in THAT era over two thousand years ago!!! News Flash: they failed their mission** thus lost their position. Our Jewish ancestors rebuked Christ, ridiculed him and murdered Christ. Till this day **ALL ZIONISTS ON THE PLANET VIEW YOUR CHRIST AS A BASTARD CHILD.** Till this day **ALL Jews have NO respect for Jesus**, or Christianity.

"The Zionists are NOT Jews according to RACE. Rather, they are the DESCENDANTS of a HOARD OF PAGANS who pressed into Russia in the first century of our era and in due time became PROSELYTES of Judaism. In 692 A.D., they formed the Khazar Kingdom. In 955 A.D., Russia conquered them. They are neither JEWS BY RACE, nor are the GENUINELY JEWISH IN RELIGION. They PASS THEMSELVES OFF AS JEWS, AND PRETEND that they are descendants of ISRAEL, and therefore, have RIGHT TO PALESTINE as their homeland, but they are FALSE IN THEIR CLAIMS AND ARE IRRELIGIOUS in their living. The ORTHODOX Jews who have long been settled in Hebron, Jerusalem, Tiberias, and Safed, DO NOT WELCOME THEM to the Holy Land. Orthodox and Reformed Jews alike DISCLAIM ALL SYMPATHY WITH THEM, and DISOWN THEM." – George L. Robinson, highly respected fundamentalist Christian, quoted from a Fundamentalist Study Bible

Jewish Hatred Towards Christianity: A Summary

These sources come from Jews and non-Jews. This hatred can be seen all throughout history and is still happening to this day.

1. [On the Jewish hatred towards Christianity - Statement by \[Jewish\] Professor Israel Shahak](#)
2. [Christians in Jerusalem Want Jews to Stop Spitting on Them](#)
3. [Hundreds of New Testaments Torched in Israel](#)
4. [Church Showered with Stones in Northern Israel](#)

7. [ADL's Foxman: New Testament is Anti-Semitic](#)

THE JEWS ARE THE ONLY ENTIRE PEOPLES ON THE PLANET WHO COLLECTIVELY UNIVERSALLY: **DENY CHRIST:**

BEHOLD: THE TRUE ANTI-CHRIST IS HEREBY REVEALED TO THE WORLD:

For all intents and purposes, no matter how you try and candy coat it, the Jews are literally: ANTI-CHRISTS. As stated in the Bible explaining the ONLY way to identify the Anti-Christ: "he who DENYS Christ came in the flesh, IS THE ANTI-CHRIST."

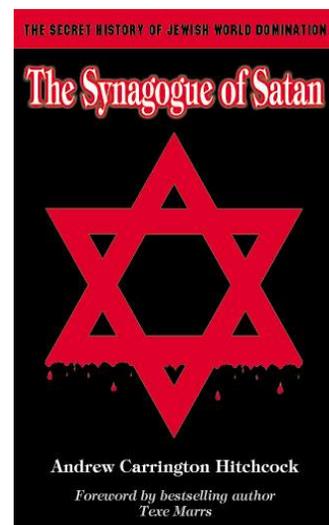

"The whole world was astonished and followed the beast. Men worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can make war against him?" The beast was given a mouth to utter proud words and blasphemies and to exercise his authority for forty-two months. He opened his mouth to blaspheme God, and to slander his name and his dwelling place and those who live in heaven. He was given power to make war against the saints and to conquer them. And he was given authority over every tribe, people, language and nation. All inhabitants of the earth will worship the beast--all whose names have not been written in the book of life belonging to the Lamb that was slain from the creation of the world. He who has an ear, let him hear" (Revelation 13:1-9).

BEHOLD: For you must come to understand the colossal magnitude of the revelation that **THE HOLY ROMAN EMPIRE centered on the Vatican/Roman Catholic Church is THE prophesized first beast and False Prophet mentioned in the Book of Revelations that leads the world astray, the first beast that gives power to the 2nd beast, the anti-Christ...** he who has ears, let him hear. The Book of Revelations clearly states that the False Prophet will serve the anti-Christ and give its power to it. Behold for: The Vatican/Catholic Church has done just that, today they obediently follow their Zionist overlords whom are none other than the anti-Christ prophesized long ago. He who has an ear let him hear...

While the Zionist Jews have been busy imprisoning people around the world for anti-Jewish "hate speech", "hate crimes", and "holohoax denial" no one dares say a word when it's the Jews who rarely a day passes by that you don't hear them making jokes, poking fun of, and desecrating Christianity and Jesus. Where are the anti-Christianity laws? There are none, the Jews own all the news stations and papers so if anyone is complaining, they will never mention it. But yell the word "Hitler" in a room full of Jews and you just might get thrown in jail and become the poster child of evil for the next few weeks on every news station on earth.

How about the infamous art museum in New York City featured a picture of Mary, the mother of Jesus, smeared with elephant dung, and a picture of the angel Gabriel handing a very pregnant Virgin Mary a coat hanger to abort her son Jesus. There were many more such horrifying displays. There would be blood on the streets if it were sacred JEWISH themes in their place! Meanwhile the spineless Christians' outcry was barely a blip on the radar. Just another normal day, while the Zionist media regularly crys out hey look over there, another homo Christian priest!

Behold the warnings from one of the Sons of Satan:

“*Is this a prelude to some demented anti-Semitic ravings? I sure hope not. Jewish people are the Chosen People and I KNOW you don't have arms long enough to box God. Everyone has tried to exterminate the*

Jews and they failed.. ANYONE who tried to hurt God's people can expect a divine Godsmack Down that will smash you flat like a bug. Soo..my advice is WATCH yourself. If God's angel assassinated the firstborn of Egypt for treating His people bad, don't be suprised if lightning strikes twice. People that try to harm the Jewish people often end up strangely, well DEAD. Read your scriptures in the Old Testament/Tanahk, and see for yourself."

While the peace loving biblical Jews are faithful to the teachings of the Tora, a large part of the Zionist agenda can be read in their "sacred texts" (gentiles are forbidden to read) called the **Talmud**. It is impossible to even develop a clue about the life and goals of the Zionist elite without first understanding the bedrock foundation their lives revolve around, which their agendas and practices that are completely inspired, founded, based and centered on:

- 1.) Talmud
- 2.) Kabbalah

The Kabbalah and the Talmud are THE central sacred holy texts of the Zionist elite. Period. Here you will find the teachings they hold dearly onto to guide them throughout life. But the Talmud in of itself is not complete, for the higher realm Zionists whom graduate to and **practice of occult black magic Kabbalah**. Where they delve deep into the **occult practices and worship**. The Zionist cartel is completely immersed in Luciferian belief and practices that goes back centuries...

And I know the blasphemy of those which SAY THEY ARE ISRAEL but they are NOT, they are the synagogue of Satan." - Revelations: Chapter2 v9

The seal of Solomon simply bore the symbol now called the Star of David (itself a **hexagram, by the way is it not coincidental that a HEXAGRAM is the most important satanic symbol?**), often within a circle, usually with the two triangles (**pyramids**) interlaced rather than intersecting. Often the gaps are filled with dots or other symbols. **Other versions have it as a pentagram** or other more complicated figures. **Works on demonology typically depict the pattern of the seal** as being two concentric circles, with a number of mystical sigils between the inner and outer circles, and various more-or-less complex geometric shapes within the inner circle. **I find it quite disturbing and intriguing vet extraordinarily revealing that the official symbol of the Zionist Jews and their Zionist invented state of Israel is essentially also the exact symbol used in devil worship...**

"The interlacing triangles or deltas [pyramids] symbolize the union of the two principles or forces, the active and passive, male and female, pervading the universe... The two triangles, one white and the other black, interlacing, typify the mingling of apparent opposites in nature, darkness and light, error and truth, ignorance and wisdom, evil and good, throughout human life." —33rd Degree Freemasons Albert G. Mackey and Charles T. McClenachan [Note how he perfectly described the Zionist insignia, their so called Star of David]

Behold: For the first clue of the true identity of Zionism is revealed:

“The HEXAGRAM [Magen David 6-pointed star] was adopted by the Zionist Organization at the First Zionist Congress in 1897” – (Cavendish, p. 1300) It has **no connection to Judaism practiced before Christ**.

The same HEXAGRAM was adopted by the Zionist established apartheid state of Israel on October 28, 1948, five months after the country’s establishment.

This brings us to the central component of the Learned Elders matrix; their secret societies. There are hundreds of volumes written clearly revealing all aspects of their secret societies, their occult worship, their fraternities, Freemasonry, Illuminati, witchcraft the list goes on and on. I wish I could cover this key component of the Learned Elders ruling elite more in depth, but I can only barely touch on the tip of the iceberg to

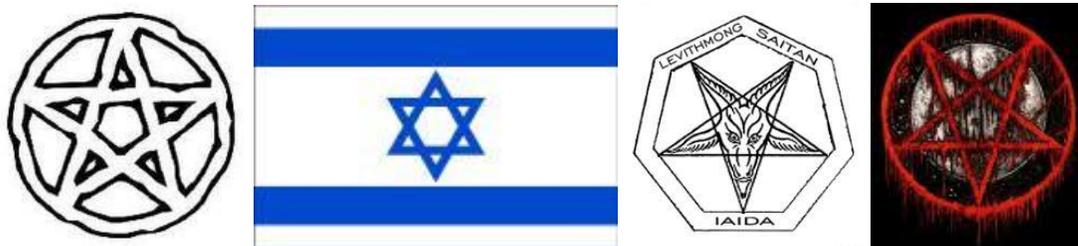

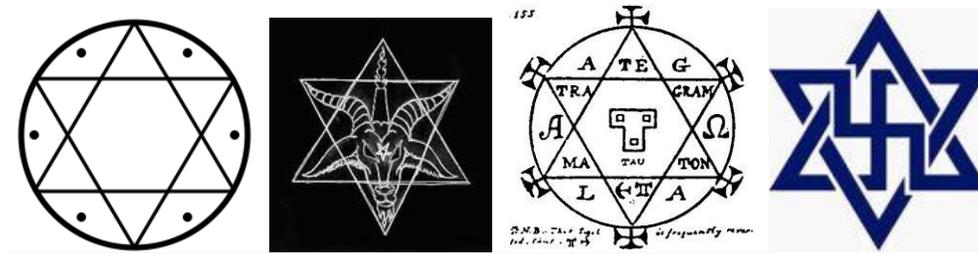

point you in the right direction and reveal key important items and mention just a couple secret societies out of the hundreds.

"Most Jews do not like to admit it, but our god is Lucifer.. and we are HIS chosen people. Lucifer is very much alive." - Harold Wallace Rosenthal, Administrative Assistant to Senator Jacob Javitz, 1976 interview, murdered soon after interview.

Behold: THE SYNAGOGUE OF SATAN:

The mystery of the secret of the number of the beast "666" is hereby revealed:

The Seal of Solomon/Satanic Hexagram/Zionist Logo/Flag of Israel all one and the same:

In Ritual Magick, the hexagon is called the **Seal of Solomon**, and represents Divine Union, being composed of a female, watery triangle, and a male, fiery triangle. The traditional elemental triangles of earth, air, water, and fire are derived from the seal. According to a very old legend, the seal was engraved upon a magic ring, which Solomon used to control demons, which he enslaved to build his famous temple. When the points of a hexagram are connected, a *hexagon* is formed. Kabbalistically, the hexagram represents the Sefirah Tifaret, *perfection*.

Hindu Shatkona In the Hindu religion, the hexagram is called the *Shatkona*, and is equivalent to the symbolism in ritual magic. The Shatkona is the combination of the Shiva kona (trikona, triangle), the symbol of the God Shiva, representing the element of fire, and the Shakti kona, representing the element of water. Together, they represent the union of male and female, and the heart chakra.

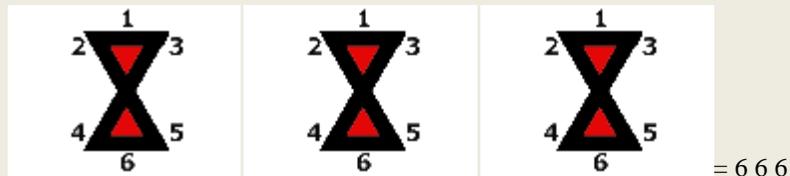

Image of the Seal from Eliphas Levi's Transcendental MagicK (pictured at left)

The **hex**agram: 6 points, 6 lines, 6 triangles = 666. A "hex" is a spell, the anti-christ has cast a spell over the world...

The hexagram, hexalpa, or Seal of Solomon as used in magic is a "**geometrical synthesis of the whole occult doctrine**", according to John Dee, the notorious Cabalist, black magician, sorcerer, and court astrologist of Queen Elizabeth I (Monad Heiroglyphic). By definition, occult religions entail a dual system comprised of an exoteric doctrine, which is known to the many, and an esoteric doctrine, which is known only to the few, the adepts. The following six mathematical implications of the hexagram are said to be extoeric because they require no secret or occult cipher or frame of reference to derive.

[01] The hexagram contains 3 hourglass symbols (or [Double Triangles of Solomon](#)): **"the number six is represented in the Qabalah by two trianges which form the seal of Solomon when they are brought together and given a common center..."** (Levi, "The Mysteries of the Qabalah") , each of which has six sides, yeilding 6,6,6:

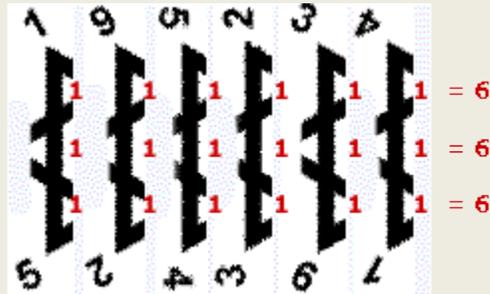

[02] The hexagram is composed of six equilateral triangles, each of which has three sides, which means $6 * 3 = 3 * 6 = 6 + 6 + 6$.

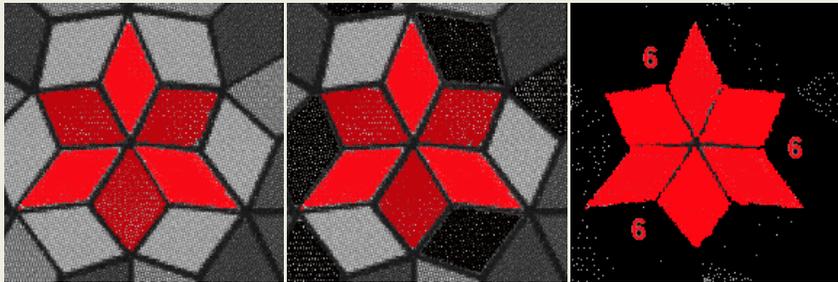

[03] The hexagram can be seen as consisting of 6 long lines, where each line is broken into 3 parts by intersecting

lines, so if we view the parts of each of the 6 lines, we have 111 six times or 6,6,6.

[04] The image of a hexagram can be generated by joining three cubes when viewed at an angle; since each cube has six sides and there are 3 cubes, we have 6 + 6 + 6 again:

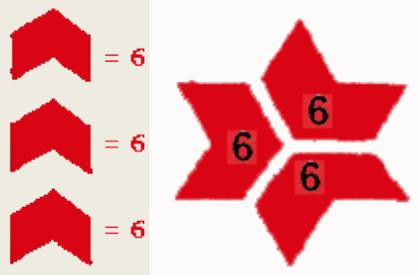

[05] The hexagram consists of a total of 18 shorter lines, where the demarcation for each line is the intersection of another line,

such that, if we take the total, 18, and use 6 as the break or demarcation of the total, we have 18 broken into 3 sets of six, or 666 on an abacus in base 10 notation, as follows:

[06] There are six outward pointing points, 6 inward pointing points, 6 innermost lines, i.e., 6,6,6 once more, and the hexagram can also be formed by joining three chevron symbols, each of which has 6 sides, so 6,6,6...

Mahatma Letters", page 345 "The double Triangle viewed by the Jewish Kabbalists as Solomon's Seal is...the Sri-Antana of the Archaic Aryan Temple, the Mystery of Mysteries, a geometrical synthesis of the whole occult doctrine. The two interlaced triangles are the Buddham-Gums of Creation. They contain the 'squaring of the circle,' the 'Philosopher's Stone,' the great problem of Life and Death and--the Mystery of Evil. The Chela who can explain this sign from every one of its aspects is *virtually an adept.*" (This quote is from John Dee's "Heirollyphic Monad", WEISER BOOKS, ISBN 1-57863-203-X.)

"666 is the occult number of the Hexagram, the symbol of the Sun, for a single line of the Hexagram contains three equal parts, each of which may be represented by the number 1, so that every line can be symbolized by the number 111. There are six lines in all, so that $111 \times 6 = 666$, the most Holy Number of the Sun. Each angle of the Hexagram is 60 degrees. 60 is the number of the Hebrew letter Samekh, which is the letter of the Holy Guardian Angel or the Solar Self in Man. Six angles of 60 degrees each equals 360 degrees, and 360 is the number of the Hebrew letter Shin spelled in full. Shin is the letter of the Sun and of 666. Also 666 is the number of a "Man" who lives in the Sun." (David Cherubim, aka, Frater Aurora Aureae of The Order of the Thelemic Golden Dawn, a [Qabalistic](#) secret society, as quoted in his work *Thelemic Numbers and Words*, The Six-Pointed Star or Hexagram, is called the Tetragrammaton and is the symbolic representation of the Jewish-Talmudic G-d of the Kabbala. The Sephirotic Tree of the Cabala taught that the sum of the numerical values of Ain-Soph (166, absolute empty) and Kether (500, unity) gives 666, i.e., the Sun.)

"The great Symbol of Solomon. The Double Triangle of Solomon, represented by the two Ancients of the Kabbalah; the Macroprosopus and the Microprosopus; the God of Light and the God of Reflections; of mercy and vengeance; the white Jehovah and the black Jehovah. (58) (Freemason, magician, and [Kabbalist](#), Eliphas Levi, "Trancendental Magic")

"The six pointed star is of ancient religious significance and is known as KING SOLOMAN'S SEAL. Robert Morris has said that he borrowed the plan of the O.E.S. [Order of the [Eastern Star](#)] Signet from King Solomon's Seal. This six pointed star is used in masonic work and is also found in ("Hidden Secrets of the Eastern Star," page 17, Cathy Burns)

"The interpretation therefore, of this symbol, sign, or ideograph (Fig. 42) is Horus, or T.G.O.U.T.U., the Eternal Lord of the North and South [as represented by the two triangles], the Great Judge, Unerring, Just, and True, Lord of the All-Seeing Eye." (Churchward, a Freemason, from his book "The Arcana of [Freemasonry](#)," pg 174-175)

[Followers of satanist Aleister Crowley, main guru of the [O.T.O.](#), whose god is [L.A.O.](#), adore their master; note the symbol on their robes is a [hexagram](#)."]

Is it not profoundly remarkable “*COINCIDENCE*” that the defacto symbol of SATAN WHORSHIP IS THE EXACT SAME SYMBOL OF THE ZIONIST STATE OF ISRAEL AND ZIONIST “JEWS”? This is NOT “coincidence” it is absolute proof of the identity of the ANTI-CHRIST. Is it no wonder that the Zionist Jews have been at the forefront of anti-christianity and the destruction of Christian life? They are THE anti-christ. PERIOD.

BEHOLD: MARK OF THE BEAST.... THE “SYNAGOGUE OF STATAN”... THE IDENTITY OF THE ANTI-CHRIST HAS BEEN HEREBY REVEALED TO ALL.

The bible pulled no punches when describing who the ANTI-CHRIST would be:

“he who denies that Jesus is the Christ He is the antichrist, he that denies the Father and the Son.” (1 John 2:22)

“This is how you can recognize the Spirit of God: Every spirit that acknowledges that Jesus Christ has come in the flesh is from God, but every spirit that does not acknowledge Jesus is not from God. This is the spirit of the antichrist, which you have heard is coming and even now is already in the world” (1 John 4:1-3).

“And I know the blasphemy of those which SAY THEY ARE ISRAEL but they are NOT, they are the synagogue of Satan.” - Revelations: Chapter2 v9

The Jews have NEVER accepted Jesus as the Christ and even to this day they openly ridicule him... He who has an ear let him hear... for those who “deny the Christ are the ANTI-CHRIST that was prophesized in the book of Revelations...

Now with that most earth shaking revelation having been exposed, we shall continue to analyze their works, agendas, historical events, and so forth in their proper perspectives devoid of the Zionist mass media indoctrination, the mass illusions that have been emblazed into your minds since childhood. For the power of the Zionist anti-christ beast has been set loose and the Zionist juggernaut has been steadily increasing its worldwide hold and supremacy.

Secret Societies and the occult: the central coordinating headquarters of the ruling elite:

Freemasonry at its highest levels is intricately intertwined with the occult. This is FACT. All the public lower levels of masonry consists of "normal" people/members, this serves as a "cover." All the Masonic lodges throughout the world hold PUBLIC meetings for the regular members who basically have NO CLUE what transpires at the highest degrees, for Freemasonry promotes itself and publically acts as a benevolent wonderful membership organization. Most secret societies utilize this same modus operandi.

Now what I find particularly revealing are the ethnic background of founders and key figures of many top occult centered secret societies. Adam Weishaupt (secretly backed by the Rothschilds) one of the founders of the Order of the Illuminati was a Zionist JEW. As were all the key founders and leaders of the satanic division Ordo Templi Orientis, and many other key important secret societies. Is it any wonder that one of the most famous modern day Satanists was a Jew by the name of Anton Levey? He was the

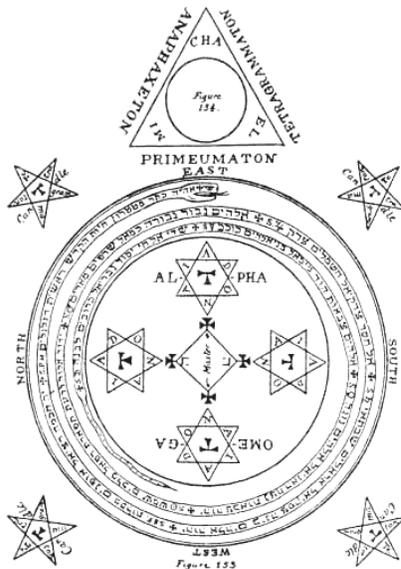

author of *The Satanic Bible*. The Jewish Kabbalah is one of (if not “the”) the most ancient of occult doctrines in existence. The Kabbalah is a key requirement of Zionist leaders.

In 1888, Zionists in Berlin, Theodor Reuss joined with Leopold Engel of Dresden, Max Rahn and August Weinholz in another effort to revive the Illuminati Order. In 1895, he began to discuss the formation of Ordo Templi Orientis with Carl Kellner.

Ordo Templi Orientis (O.T.O.) (Order of the Temple of the East, or the Order of Oriental Templars) is an occult international fraternal and religious organization. Ordo Templi Orientis is associated with Freemasonry, the notorious Satanist Aleister Crowley was one of its most well known leaders of the order. O.T.O. also includes the Ecclesia Gnostica Catholica (EGC) or Gnostic Catholic Church, which is the ecclesiastical arm of the Order.

The Spiritual Father of Ordo Templi Orientis was Carl Kellner, and founded in the beginning of the twentieth century. Kellner originally wanted to start the Order in the 1890s, but those he wished as colleagues were busy trying to revive the eighteenth century Order of the Illuminati.

In 1895, Kellner began to discuss his idea for founding an Academia Masonica with his associate Theodor Reuss (Merlin or Peregrinus, June 28, 1855 - 28 October 1923). During these discussions, Kellner decided that the Academia Masonica should be called Ordo Templi Orientis (Oriental Templar Order). **The occult inner circle of this Order (O.T.O. proper) would be organized parallel to the highest degrees of the Masonic Rite of Memphis and Mizraim**

and would teach the esoteric Rosicrucian doctrines of the Hermetic Brotherhood of Light, and Kellner's "Key" to Masonic symbolism. Both men and women would be admitted at all levels to this Order, but **possession of the various degrees of Craft and High-Grade Freemasonry would be a prerequisite for admission to the Inner Circle of O.T.O.** Kellner insisted on women becoming members as well as men because he would incorporate the practice of Sex Magic in the O.T.O IX Degree. **Sex Magic is, after all, "...the key to all the secrets of the Universe and to all the symbolism ever used by secret societies and religions."**

In 1917, Reuss wrote a Synopsis of Degrees of O.T.O. in which the third degree was listed as "Craft of Masonry" and listed the initiations involved as "Entered Apprentice, Fellow Craft, Master Mason" and elaborated on this with "Full instruction in Craft Masonry, including the Catechism of the first three degrees, and an explanation of all the various Masonic systems." The same document shows that the fourth degree of O.T.O. is also known as the Holy Royal Arch of Enoch. It was summarized by Reuss as the Degree of "Scotch Masonry," equivalent to "Scotch Mason, Knight of St. Andrew, Royal Arch," and he described it as "Full instruction in the Scottish degrees of Ancient and Accepted Masonry."

Aleister Crowley became involved with Theodor Reuss and his Ordo Templi Orientis following the publication of The Book of Lies between 1912-1913. According to Crowley's account, Reuss approached him and accused him of having revealed the innermost (sexual) secret of O.T.O. in one of the cryptic chapters of this book. When it became clear to Reuss that Crowley had done so unintentionally, he initiated Crowley into the X^o (tenth degree) of O.T.O. and appointed him "Sovereign Grand Master General of Ireland, Iona and all the Britains."

- VIII^o: masturbatory or auto sexual magical techniques were taught, referred as the Lesser Work of Sol
- IX^o: heterosexual magical techniques were taught
- XI^o: anal intercourse techniques as sexual and magical were taught.

An O.T.O. ritual, the Gnostic Mass, which Crowley made the central ritual of the Order, is an exposition on sexual magick in **symbolic form**.

Gnostics have something called the Demiurge which means “craftsman or architect.” Freemasonry is immersed deep into Gnostic principles. The central pillar Freemasons believe themselves to be craftsmen, architects and builders... to he who has ears, let him hear, to he who has eyes, let him see...

It must also be noted that the Gnostics which is a central component to many Luciferian doctrines, they literally have the relationships between God and Satan REVERSED, thus in their world view God is Satan and Satan is God. The Freemasons worship the “light bearer” aka: Lucifer as the supreme being (again note that positions of supreme being are reversed yet again)

It must also be noted that high 33degree mason, Kabbalist and infamous Satanist Aleister Crowley has been know for stating: “**The family is public enemy #1.**”

Talmudic “Jew” High Priests are masters of the Kabbalah. Where they make ritualistic blood offerings, slaying live animals is common worship practices. It hasn’t been widely claimed, (though it is nearly impossible to get first hand video documentation), by some researchers (and there are a few documented cases) that they also perform live ritual human sacrifices of children:

There are yet one more troubling practices of some occult Jews that keep rearing its ugly head. The well known common FACT that some **Jewish practice RITUALS that involve BLOOD SACRIFICE and the slaughtering of animals on an altar**, is something that is well known, documented and acknowledged by all Jews. These type of “offerings” are documented as far back as the bible, therefore we KNOW that **slaughtering a living entity on an altar** is quite COMMON and “NORMAL” in their world. The bible is also FULL of references of HUMAN SACRIFICE. One of the hardest criminals to catch are clever sophisticated serial killers...

Of course they NEVER admit to their crimes and go through great lengths to cover their crimes and their tracks, therefore, do you think well organized Luciferian occult ritual practicing cabals who operate only in their secretive Jewish circles and communicate in their own code (language) that no one else understands are any different? Even though it is extremely difficult to prove, especially with the added weight of the fact that any investigations into ANY Jewish wrongdoing is IMMEDIATELY confronted and halted by the likes of the ADL, AIPAC, and every Jewish organization on the planet. This is the reality of trying to find the criminals who hide behind the Jewish Iron Curtain.

“An additional offense—blood libel (the ritualistic sacrifice of children)—is obviously the most controversial, but it appears to have a historical basis. On November 16, 1491, five men were executed at Avila for the ritualistic murder of a four-year-old Christian boy (later known as the “Holy Child of La Guardia”). Two of the men were Jews, the other three were “conversos”—Sephardic Jews who converted to Christianity. The boy’s heart was reportedly cut out and used with two stolen consecrated hosts in a ritual of black magic against the Christians.

*For centuries the case was tainted because the five executed men had been tortured prior to confessing. But in 1931, historian William Thomas Walsh offered persuasive evidence in his book, *Isabella of Spain*, that the charge of blood libel was in fact true. Walsh found the testimony of a Jew who stated that he witnessed the crime, and had not been subjected to torture. Although the Spanish Inquisition was already underway, it was ritualistic murder of the young boy that resulted in expulsion of Jews from Spain in 1492. It was the last straw.*

Before the executions, two independent judicial panels had reviewed and confirmed the Inquisition’s findings.⁴ On November 24, 1805, the murdered boy was canonized as St. Christopher on the authority of Pope Pius VII.”

The fact remains: Yes, while maybe not reaching epic proportions (yet), some sinister “Jews” have slaughtered real human beings (gentiles) as sacrificial offerings. These occasions may be few (of course no statistics exist into this practice), but it IS a necessary component of ANCIENT JEWISH LIFE and of the Zionist occult Kabbalah and a **CENTRAL REQUIREMENT** of the satanic occults, where human sacrifice is legendary. To try and disassociate from animal sacrifice is to disassociate from the truth. Yes they do it, just not in public, and **human sacrifice is considered THE MOST SUPREME SACRIFICIAL OFFERING**, and is only conducted at the most loyal highest levels by the most supreme members under the most intense secrecy and cover. The members at these high levels are life and death members who operate under the ELDERS OF ZION OMERTA CODE. You have seen countless stories about their victims... they always appear in the unsolved mysteries among the tens of thousands that just up and “DISAPPEAR” from the face of the planet without a trace...

BLOOD RITUAL:

Blood ritual is fundamental to Judaism. Some blood sanctifies, some defiles. Let's see what the Talmud doctrines are.

[Holy Atrocities and Judaism](#) — The spilling of human blood in the name of religion ("blood sacrifice") has been part of the fabric of Judaism from the beginning. *"Multitudes are decapitated ... R. Simeon said: The Holy One, blessed be He, declared, If ye execute judgment upon the seduced city, I will ascribe merit to you as though ye had sacrificed to me a whole offering."* (Sanhedrin 111b).

[Appendix A](#): Mishnah of Sanhedrin 2a

[Appendix B](#): Mishnah of Sanhedrin 111b

See also: [In His Own Image](#) — The Talmud often cites precedents from the Old Testament. Following the research trail, we found that LORD God orders holocausts: ethnic cleansings and annihilation of cultures. He also orders the murder of family members, the slaughter of women and children, and the crippling of animals. In reading this anthology, we invite the reader to consider: Is Jehovah really the Father of Jesus? [The Jefferson Bible](#) provides points of comparison.

[Animal Sacrifice and the Third Temple](#) — He-goats of the new moon are slaughtered in the north, blood is ritually sprinkled and smeared on the altar. "On completing the flaying, he tore out the heart and squeezed out the blood in it ..." The priests "were all standing in a row with the limbs in their hands." (Tamid 31a) What to expect on the Temple Mount in Jerusalem when Muslim shrines are removed to make way for the Third Temple. *In the days of the Second Temple, the blood poured out in streams from the altar to the Brook of Kidron ...*

[Appendix](#): Mishnah of Tamid Chapter IV

See also: [Was Jesus a Jew?](#) — Jesus struck at the heart of the animal sacrifice system just before Passover, and in less than a week, He was crucified. The Temple incident was not His only attack on rabbinical and Mosaic Law. In a number of passages, Jesus shows clearly He does not support the church of his day.

[Human Sacrifice, the Talmud, and the Moloch Problem](#) — The old "blood libel" claimed that Jews sacrificed Christian children. The Talmud says nothing of this. But what of Jews sacrificing Jewish children? The Talmud says it's OK if done correctly. Dropping the child-sacrifice doctrine could improve Judaism's image.

[Appendix](#): Extract from Sanhedrin 64a and 64b

[Circumcision, Talmud Style](#) — After the *mohel* cuts the foreskin, he must put his mouth on the child's penis and suck blood from the wound. He must and he does, and the practice has spread deadly diseases. Ask your politicians to take a stand on this public health issue.

Descriptions of Ritual Murder

In general, the libel alleged something like this: a child, normally a boy who had not yet reached puberty, was kidnapped or sometimes bought and taken to a hidden place (the house of a prominent member of the Jewish community, a synagogue, a cellar, etc.) where he would be kept hidden until the time of his death. Preparations for the sacrifice included the gathering of attendees from near and far and constructing or readying the

instruments of torture and execution.

At the time of the sacrifice (usually night), the crowd would gather at the place of execution (in some accounts the synagogue itself) and engage in a mock tribunal to try the child. The boy would be presented to the tribunal naked and tied (sometimes gagged) at the judge's order. He would eventually be condemned to death. Many forms of torture would be inflicted during the boy's "trial", including some of those used by the Inquisition on suspects of heresy. Some of the alleged tortures were mutilation (including circumcision), piercing with needles, punching, slapping, strangulation, strappado and whipping, while being insulted and mocked throughout.

In the end, the half-dead boy would be crowned with thorns and tied or nailed to a wooden cross. The cross would be raised and the blood dripping from the boy's wounds, particularly those on his hands, feet, and genitals, would be caught in bowls or glasses.

Finally, the boy would be killed with a thrust through the heart from a spear, sword, or dagger. His dead body would be removed from the cross and concealed or disposed of, but in some instances rituals of black magic would be performed on it.

The earlier stories describe only the torture and agony of the victim and suggest that the child's death was the sole purpose of the ritual. Over time and as the libel proliferated, the focus shifted to the supposed need to collect the victim's blood for mystical purposes.

The story of William of Norwich (d. 1144) is the first known case of alleged ritual murder, which was made by a Christian monk. It does not mention the collection of William's blood nor of any ritual purpose to the alleged ritual murder. In the story of Little Saint Hugh of Lincoln (d. 1255) it was said that after the boy was dead, his body was removed from the cross and laid on a table. His belly was cut open and his entrails removed for some occult purpose, such as a divination ritual. In the story of Simon of Trent (d. 1475) it was highly stressed how the boy was held over a large bowl so all his blood could be collected.

According to Walter Laqueur,

"Altogether, there have been about 150 recorded cases of blood libel (not to mention thousands of rumors) that resulted in the arrest and killing of Jews throughout history, most of them in the Middle Ages... In almost every case, Jews were murdered, sometimes by a mob, sometimes following torture and a trial." [2]

Though highly controversial and viciously refuted by all Jews, the ultimate sacrificial offering on the altar issue had to be included and addressed here in this report, for we must include all pertinent information that can shed light to the grand mysteries of **the ruling elite, who hide in plain sight, who do, but yet "don't" exist...**

Oprah Winfrey exposes Satanic Jewish practices

LA VOZ DE AZTLAN

Los Angeles, Alta California

March 29, 2009

Twenty years ago Oprah Winfrey recorded a shocking interview of a 29 year old Jewish woman who stated that her family, and many other Jewish families throughout the USA, routinely practiced Satanic rituals in which incest, human sacrifice and cannibalism occur. The interview on May 1, 1989 also revealed that these practices were a common occurrence since the 18th century and that they were practiced by certain Jewish cults.

Vicki Polin

The Jewish woman that made these revelations was "incognito" during the interview and was identified only as "Rachel." Today she has been identified as Vicki Polin and she now runs a center to rehabilitate Jewish children who have been sexually victimized by Jewish Satanists.

The video of the interview had for a long time disappeared because it was banned by the ADL of B'nai B'rith but today it has resurfaced on the Internet. Today as the world witnesses the hideous war crimes against the children of Palestine, one wonders if Israel is not governed by people who belong to these Satanic Jewish cults described by Vicki Polin? Below is a copy of this shocking video: [Youtube video](#)

Long list of Jewish Child Molestor Rabbis gets no media coverage and Jewish homosexual pedophiles are undisturbed.

<http://iamthewitness.com/listeners/Jewish.child.molesters.that.are.never.on.the.NEWS-WHY.htm>

[Clergy Abuse - Other Trusted Officials](#)

More evidence that these people who claim to be Jews are God's enemies and not His chosen people.

"I know thy works, and tribulation, and poverty, (but thou art rich) and [I know] the blasphemy of them which say they are Jews, and are NOT, but [are] (Idumeans) the synagogue of Satan." - Revelation 2:9

Know a tree by the fruit it bears.

"Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. A good tree cannot bring forth evil fruit, neither [can] a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into The Fire. Wherefore by their fruits ye shall know them." - Matthew 7:16-20

Cases of Clergy Abuse

[Shatnez Checker and child molester \(Rabbi\) Yehuda Nussbaum, still has access to boys in Yeshiva Of Brooklyn](#)

[Case of Rabbi Elior Chen](#)

Rabbi Elior Chen and his followers are suspected of severely abusing two children, aged 3 and 4, who were savagely and systematically beaten with hammers, knives and other instruments for months until the younger child lost consciousness last month.

[Rabbi Jerry Brauner \(AKA: Yechiel Brauner\)](#)

Convicted on the charges of Sexual Abuse - 1st Degree, and Sexual Abuse - 3rd: Subject Another Person to Sex Contact Without Consent. He was sentenced to 11 years probation, with the condition he must participate in a sex offender treatment program. Brauner has been on probation since 2002 for the sexual abuse of a 15-year-old boy.

[Case of Rabbi Ephraim F. Shapiro](#)

Accused of molesting several boys for over a fifty year period.

[Case of Shlomo Aviner](#)

Rosh Yeshiva, Ateret Cohanim Yeshiva, Rabbi of Beit El, Israel [Link](#)

[Case of Rabbi Lewis Brenner](#)

Convicted of child molestation. The original charges included 14 counts of sodomy, sexual abuse and endangering the welfare of a child. He agreed to plead guilty to one count of sodomy in the third degree, a Class E felony, in exchange for a sentence of five years' probation.

[Case of Rabbi Ephraim Bryks](#)

Accusations about sexual inappropriate behavior with children started surfacing in the 1980's. Rabbi Bryks is currently a member of the Vaad Harabonim of Queens. The Vaad is a Rabbinical committee that makes important decisions within an orthodox community.

[Case of Rabbi Shlomo Carlebach](#)

Accused of several cases of child molestation, and sexual assault of young women

[Case of Rabbi/Cantor Sidney Goldenberg](#)

Accused of abusing a 12-year-old girl. He later pleaded no contest to one count. Convicted of molesting children. The first complaints came in 1971. He was finally convicted in 1997.

Case of Rabbi Bernard Freilich

Acquitted of death threats to an alleged victim

Case of Rabbi Tzvi Flaum

Case of Cantor Joel Gordon

Convicted of having keeping a house of prostitution and involvement in a prostitution ring.

Case of Rabbi Israel Grunwald

Accused of molesting a 15 year old on a 1995 plane flight from Australia to LA. The charge against him were dropped after agreeing to perform 500 hours of community service and to seek counseling. Grunwald was the chief rabbi of an Hungarian Hasidic congregation in Brooklyn, known as the Pupas.

Case of The State of Israel Vs. Sex Offender

Convicted of repeated rape and forced molestation of his granddaughter.

Case of Yehudah Friedlander - Rabbi 's Assistant

Accused of molesting a 15 year old on a 1995 plane flight from Australia to LA. Friedlander was the assistant to the chief rabbi of an Hungarian Hasidic congregation in Brooklyn, known as the Pupas

Case of the Rabbi at Hillel Torah, Chicago, IL

A teacher at the Chicago school was accused of child molestation. His name was not released. The school did everything correctly in attempting to keep the children safe once accusations were made.

Case of Rabbi Solomon Hafner

Accused of sexually abusing a developmentally disabled boy

Case of Rabbi Alan J. Shneur Horowitz

Convicted and sentenced to 10 - 20 years in prison for sodomizing a nine-year-old psychiatric patient. Allegedly, he has assaulted a string of children from California to Israel to New York in the past twenty years. Alan J. Horowitz is an Orthodox rabbi, magna cum laude, M.D., Ph.D. A graduate of Duke University, and was a writer for NAMBLA North American Man/Boy Love Association.

Case of Rabbi Steven Jacobs

Case of Jacob Frank and the Frankist Movement

Accused of cultic type practices and sexual offenses

Case of Rabbi Israel Kestenbaum

Accused of child pornography on the internet

Case of Rabbi Steven Kaplan

Had an affair with a married woman, who was murdered

Rabbi Yehuda Kolko

...continues chaperoning kids.

Case of Rabbi Robert Kirschner

Accused of sexually exploited or harassing three congregants and a synagogue employee

Case of Rabbi Ze'ev Kopolevitch

Convicted of molesting students at Rosh Yeshiva, Netiv Meir yeshiva high school

Case of Rabbi Baruch Lanner

Convicted - child molestation.

[Case of Rabbi Jerrold Martin Levy](#)

Convicted of two counts of soliciting sex through the Internet and two counts of child pornography. He was sentenced to six years and sex in prison. He was caught in the "Candyman" year-long sting operation by the US government.

[Case of Rabbi Pinchas Lew](#)

Accused of exposed himself to a woman.

[Case of Rabbi Richard Marcovitz](#)

Convicted of indecent or lewd acts with a child, and sexual battery

[Case of Rabbi Juda Mintz](#)

Convicted - internet sting on child pornography

[Case of Rabbi/Psychologist - Avrohom Mondrowitz](#)

Accused of two counts of sex abuse with boys at a special education school in New York

[Case of Cantor Howard Nevison](#)

Accused of molesting his nephew.

[Case of Rabbi Michael Ozair](#)

Accused of sexual molestation of a then-14-year-old girl

[Case of Rabbi Charles Shalman](#)

Accused of sexual misconduct toward female congregational members

[Case of Cantor Robert Shapiro](#)

Accused of three counts of rape and four counts of indecent assault and battery to a mentally retarded woman

[Case of Rabbi/Yeshiva Teacher Ze'ev Sultanovitch](#)

Accused of sexually molesting a number of adult yeshiva students at the Merkaz Harav Yeshiva

[Case of Rabbi Matis Weinberg](#)

Accused of cultic type practices and sexual offenses

[Case of Rabbi Yaakov Weiner](#)

Accused of molesting boy at Camp Mogen Avraham, New York

[Case of Cantor Phillip Wittlin](#)

Convicted of molesting two girls

[Case of Rabbi Mordechai Yomtov](#)

Convicted of sexual abuse and committing lewd acts against three boys

[Case of Rabbi Sheldon Zimmerman](#)

Violated guidelines concerning "sexual ethics and sexual boundaries"

[Case of Rabbi Max Zucker](#)

Accused by three women of improperly touching

[Case of Rabbi David Weinberger](#)**[Case of Rabbi Fred Neulander](#)**

Convicted of Murdering his wife

[Case of Rabbi Mordechai Gafni](#)

WARNING: Marc Gafni Should Be Scene As A Danger to Women and Children. He is currently residing in Salt Lake City, UT

[Case Rabbi Perry Ian Cohen](#)

Montreal and Toronto Canada Accused of sexual abuse of a seventeen year old. Fired for sexual impropriety with congregants

[Case of Rabbi Yitzchak Cohen](#)

Accused of sexually harassing students at Bar-Ilan University

[Case of Rabbi/Psychologist Mordecai Magencey](#)

Lost his license to practice in the State of Missouri because of his sexual misconduct with his patients.

[Rabbi Yona Metzger](#)

Chief Rabbi Ashkenazi in Israel. Accused of sexually misconduct with four men.

[Case of Cantor Stanley Rosenfeld](#)

Convicted of molesting a 12-year-old boy he was tutoring.

[Case of Rabbi Isadore Trachtman](#)

Accused of cultic type practices and sexual offenses

[Case of Rabbi Don Well](#)

[Case of Lewis K. Cohen](#)

Convicted after being charged with using a computer to facilitate a child sex crime and child enticement-exposing sex organs. Cohen used his work and home computers to engage in sexually explicit conversations with a 14-year-old boy in Internet chat rooms. The complaint also charges that Cohen sent nude photographs of himself and other males to the boy via e-mail.

[Case of Cantor Michael Segelstein](#)

Accused of attempted rape; Chabad - Las Vegas, Nevada.

[Case of Ohel Counselor - Simcha Adler, NY](#)

Plea-bargained charges of sodomy, sexual abuse and two counts of endangering the welfare of a child down to attempted sodomy.

[Case of Arie Adler and Marisa Rimland, NY](#)

Arie Adler was accused of molesting his daughter. Marisa Rimland murdered her daughter, and then committed suicide.

[Case of School Counselor - Eugene Loub Aronin, TX](#)

Convicted in 1984 of sexually assaulting a 10-year-old boy

[Case of School Teacher - Lawrence Cohen, NJ](#)

Convicted and sentenced to 10 years in federal prison for transmitting child pornography through his home computer.

[Case of School Principal/Big Brother- David B. Harrington, Rockville, MD](#)

Convicted sex offender. Cases from the 1960's - 1980's.

[Case of State of Israel Vs. a Sex Offender](#)

Convicted - 68 year old Israeli religious man pled guilty to repeated molestation of his granddaughter, was sentenced to 19 years in jail.

[Case of Jewish Big Brother Volunteer - Eric Hindin, Newton, MA](#)

Convicted of 35 counts of child rape. He was sentenced to 20-22 years in prison.

[Case of Judge Ronald Kline, CA](#)

Accused of possessing child pornography and for allegedly molesting a neighborhood boy 25 years ago.

[Case of the Kosher Butcher in Chicago](#)

Accused of molesting children for over 30 years

[Case of the New York Society for the Deaf's Home](#)

Accused of treating disabled patients "like animals," beaten, drugged and robbed of their government checks.

[Case of the Rogers Park JCC, Chicago Illinois](#)

This was the first case of alleged mass molestation recorded in Illinois to involve accusations of sexual abuse by a group of adults, consists of 246 allegations that staff members abused children enrolled at the center, according to the Illinois Department of children and Family Services.

[Case of Teacher/Track Coach/Girl Scout Coordinator - Adam Theodore Rubin, MD](#)

Accused of using a computer to solicit sex with a minor, possession of a controlled dangerous substance and possession of drug paraphernalia.

[Case of Teacher - Georges Schteinberg, Rio de Janeiro, Brazil](#)

Accused of possession of child pornography. Charges dropped when Schteinberg fled the country.

[Israeli vice-consul Aryeh Scher - Rio de Janeiro, Brazil](#)

Accused of possession of child pornography. Charges dropped when Scher fled the country.

[Case of Camp Counselor - David Schwartz, Culver City, CA](#)

Convicted and sentenced to one year in residential treatment and five years' probation for molesting a 4-year-old boy in his care at summer camp. A six-year prison sentence was suspended.

[Case of Scoutmaster - Jerrold Schwartz, NY](#)

Convicted and sentenced to 8 years in prison for multiple counts of sodomizing his former scout .

[Case of Tel Aviv Arts School, Tel Aviv, Israel](#)**[Case of Mashgiach Kashrut Supervisor David Douglas Webber, Canada](#)**

Convicted and sentenced to six years for possessing child pornography and molesting seven boys over the past eight years.

[Case of B'Nai Torah Congregation - Hillel Community Day School janitor, Boca Raton, FL](#)

Accused of child molestation

[Case of Chaim Ciment](#)

Accused and charged with first-degree sexual abuse, after allegations were made that he fondled a 17 year old girl in an elevator. [Link](#)

[Case of James A. Cohen - Jewish Youth Group Leader](#)

Convicted child molester, sentenced to 9 years for assaulting 4 boys

[Case of Stuart Cooperman, MD - Pediatrician, Merrick, New York](#)

Accused of molesting six female patients.

[Case of Delaware Family](#)

Father accused of alleged child molestation

[Case of Mordechai Morton Ehrman - Simcha's Play Group, Brooklyn, NY](#)

Accused of molesting dozens of students. [Link](#)

[Case of Hbrandon Lee Flagner](#)

Convicted of the kidnapping and aggravated murder of Tiffany Jennifer Papesh a 8-year-old girl. Flagner also claimed to have molested hundreds of girls during his life. While in prison, Flagner convert to Judaism by an Chasidic rabbi.

[Case of Ari Sorkin - Synagogue Youth Worker, Elkins Park, PA](#)

Accused of molesting a 16 yr. old girl.

[Case of Paul Slifer - Teacher](#)

Arrigned on six counts of aggravated sexual assault, four counts of aggravated sexual contact, and two counts of endangering the welfare of a minor.

[Case of Ozzie Orbach, M.D.](#)

Accused of molesting his daughter.

[Case of Arnold and Jesse Friedman](#)

[Capturing the Friedmans](#) Convicted sex offender.

[Case of Richard "Steven" Goldberg](#)

Allegedly engaging in sex acts with several girls under 10 in California. He is on the FBI's ten most wanted fugitives list.

[Case of Ross Goldstein](#)

Convicting of sodomy in the first degree three counts and use of a child in a sexual performance. He was Sentenced to four concurrent indeterminated terms of 2 to 6 years imprisonment. Also see: Case of Arnold and Jesse Friedman.

[Case of Several Child Sex Offenders in Har Nof, Jerusalem, Israel](#)

Outlines several cases of alleged child sec offenders in the charedi town of Har Nof.

[Case of Lawrence Nevison](#)

Convicted of molesting his nephew. He is the brother of [Cantor Howard Nevison](#).

[Case of Stuart Nevison](#)

Convicted of molesting his cousin. He is the brother of [Cantor Howard Nevison](#).

Case of Rabbi Hirsch Travis

Rabbi in Monsey, accused of posing as a Brooklyn doctor specializing in infertility problems, and allegedly sexually abusing and assaulting a patient. *Charged with the sexual abuse of an unidentified 27-year-old female patient. He was also charged with posing as a Brooklyn doctor specializing in infertility problems, and illegally operating the Fertility Foundation in the Borough Park section of Brooklyn.*

Case of Rabbi Ephraim Goldberg - Boca Raton, Florida

Pled guilty to one misdemeanor count of exposure of sexual organs in a washroom at a Palm Beach Mall.

Case of Rabbi Melvin Teitelbaum

This case has been buried deep; it is virtually impossible to find any information on Teitelbaum on the Internet. All we have is this: Accused of three counts of sex crimes against two boys under the age of 14, and one count of assault with intent to commit rape against one boy's mother. The charges were dropped for lack of evidence. *Charges dismissed at the request of the District Attorney's Office, which conceded it had insufficient evidence to prosecute. Teitelbaum then a filed a \$10-million damage suit in Los Angeles Superior Court. In his suit that the Jewish Federation Council of Greater Los Angeles, the Jewish Family Service of Los Angeles and the family that accused him conspired to have him arrested and charged. Later, confronted with evidence that placed Teitelbaum elsewhere at the time of the alleged incident, the siblings changed their story, a move the prosecutor said was "devastating" to their credibility.*

Cases of Other Trusted Officals Parents, Teachers, Camp Counselors, etc.

Case of Larry Cohen - Soccer Coach, Lake Oswego, OR

Accused of molesting two individuals.

Case of Phillip "Eli" Cohen, London, England

Accused of 13 charges of indecently assaulting a boy and four offences of indecently assaulting a girl.

The Case of the Students of Ner Israel Yeshiva in the 1950's

Students accused of sexually molesting a younger student.

Case of Jonathan Rosenthal - Community Police Liason, London, England

Acquitted of sexually assaulting a few children, after a jury used ancient common law right, deciding evidence wasn't strong enough.

Case of Dr. Saul and Judith Wasserman

Accused of molesting their daughter.

Case of Irwin Silverman - Chief Counsel to U.S. secretary of interior 1933-53

Accused of molesting his daughter Sue William Silverman.

Admiral Thomas Moorer, Chairman of the US Joint Chiefs of Staff under Ronald Reagan said this:

"I've never seen a President -- I don't care who he is -- stand up to them [the Israelis]. It just boggles the mind. They always get what they want. The Israelis know what is going on all the time. If the American people understood what a grip those people have got on our government, they would rise up in arms. Our citizens certainly don't have any idea what goes on."

A Voice Crying in the Wilderness

Jewish Convert to Christianity Trying to Sound the Alarm Over the Jewish Agenda

To say he is amazing is an understatement. In an age where an open season has been declared on Christianity (and with no daily bag limits) while at the same time saying anything even slightly critical towards Jews, Judaism or Israel can be the kiss of death, (sometimes literally) listening to the fiery words of a Jewish convert to Christianity who has made exposing the dangers of Jewish influence in Christian society his mission in life is something of a shocker, to say the least.

Nevertheless, despite being something of a miracle, he is by no means a mere piece of fiction. Made of real flesh and blood, his name is Brother Nathanael Kapner, a convert from Judaism to Greek Orthodox Christianity and these days, the Jewish agenda's worst nightmare. He is only a one-man team with no big money behind him whose daily routine includes going into the streets every morning with huge signs reading things such as 'ACLU Jews Are Anti-Christ' and writing articles for his website found at www.realjewnews.com.

But despite the fact he is a one-man operation, he has made some big waves and obviously gotten under the skin of the powers-that-be in a substantive way. He is regularly threatened by all the usual suspects with all the usual threats—death, ruination, imprisonment as well as being called the typical names—Nazi, anti-Semite, self-hating Jew, traitor, etc.

It's easy to understand why he makes them nervous. It's one thing when someone from outside the Jewish community goes about the business of exposing the mechanics of this subterranean, clannish agenda and another thing altogether when an insider does it. Like Joseph Vallachi, former mob member of the Genovese crime family who came forward and spilled his guts before an awestruck American public over what he knew concerning the criminal organization known as La Cosa Nostra, so too has Br. Nathanael come forward with tales of his own. As Saul of Tarsus proved some 2,000 years ago with his own about-face, sometimes it takes a family squabble to bring down the house, a theme very personal to Br. Nathanael, who sees himself following in the footsteps of Benjamin Friedman, one-time Zionist Jew who converted to Christianity and who spent the balance of his life

trying to warn others about what he saw as this dangerous, many-tentacled creature known as the Jewish agenda.

For Br. Nathanael, it began during his childhood while growing up in a middle-class Pittsburg neighborhood of mostly Catholic and Greek Orthodox Christian families. Like a desert wanderer spotting an oasis, at Christmas time he was drawn to the carols and holy hymns announcing the coming of the Messiah, as well as the nativity scenes showing mother and child. As he describes it, the conflict within him was real and powerful. He was always drawn to this world, the world of the man known as the Prince of Peace, but as a Jew, dabbling with Christianity was as verboten as Galileo's dabbling in astronomy. His Sabbath school teacher regularly taught the Jewish kids that Christianity was a fraud created by a false Galilean prophet named Jesus and helped along by a manic depressive named Saul who abandoned his people in Judea. Even in courses dealing with comparative religions, where everything from Buddha to Mohammed to Shiva was studied in-depth, talk of Jesus' teachings was strictly censored KGB-style by the Judaic thought police who wouldn't give an inch. Br. Nathanael attended an upper middle class synagogue where the main event—meaning religion, was money, career and influence rather than morality, right vs. wrong, compassion vs. brutality or heaven vs. hell.

Nevertheless, like someone seeking to jump the Berlin Wall into the free world he secretly went out caroling with his Christian friends who regularly commented that he was more Christian than they were. During Christmas holidays, he would wait up late until the coast was clear (when parents and others were safely in bed) and would surf the television channels for Christmas shows. As soon as he graduated High School and went to college he became a Christian, joining what seemed to be the most natural transition for him, the 'Jews For Jesus' group.

'I was enthralled with Jesus. Everything he said was pure gold. I studied the prophecies dealing with His coming and was blown away. How could these people (the Jews) not see—both then and now—that He was the fulfillment? I called my rabbi back in Pittsburg and gave him what I thought would be music to his ears—'Rabbi, good news! The messiah came, and it was Jesus!...

...Obviously, he was not as thrilled as I was. He immediately called my mother and told her I had 'lost it' and needed help. My parents brought me home and started taking me to see Jewish councilors and when my parents could see it was going nowhere they took me to see the rabbis, about half a dozen, mostly Hassids and Lubavitchers. I showed them the scriptures in the Old Testament dealing with the Messiah. They told me to leave the Old Testament out of it and quoted the Talmud instead, and especially the really horrible things in it dealing with Jesus and His mother. They told me over and over that Jesus was a freak and his mother was a prostitute. I was livid but maintained my composure. The rabbis rolled their eyes every time I spoke up in Jesus' defense and after a while I knew it was a waste of time.'

'Growing up Jewish was like this—you belong to the group and its traditions, first and foremost. You can be religious or an atheist but you are still a Jew and your loyalty is based on that first and foremost. It's 'us vs. them' to the extreme and anybody who tells you differently is either a liar, a fool or both. The rabbis are like God and you don't question them or what they say, no matter how awful or illogical it is. That's what Jesus did and look how it all ended. They play for keeps and can't stand criticism or open debate, which is why they concentrate so much of their energies on controlling what the Gentiles see and hear in the media. Hostility towards others, and especially Christians is not the exception but the rule, and by that I mean 90%.'

After college he wanted free time to study scriptures, believing that this would be the key (if possible) to bringing his fellow Jews to Christ, assuming they were just as interested in finding the truth as he was. He took a job as a salesman where he could make his own hours and in his free time 'devour the scriptures'. On his weekends he hit the streets talking about Jesus and sometimes during the week would go to the University of Pittsburg to try and talk to Jewish students. When asked how he knew the Jewish from non-Jewish students his answer was simple and to-the-point: 'We always know each other... We can spot each other from a mile away.'

Despite the fact that he is very vocally opposed to the Jewish agenda these days, he feels pity for the people themselves—'They live in a prison and don't know it. Jews become psychiatrists and psychologists because they are lost people. They are the most neurotic people on earth because of their rejection of Jesus and because they insist upon clutching to their racial narcissism. They have big brains and intellects but spiritually and

psychologically they are empty and lost. It's no mystery why they are the biggest users of prozac—It is the Jewish Eucharist. Their reason for being is their own supposed 'ethnic superiority'. Even the so-called 'Anti-Zionist' Jews—they are still elitists, even if they say they oppose the state of Israel. Same with the Messianics, they are Jews, first and foremost and like the Neturei Karta guys they are just there to confuse Christians and keep them in the dark about what Israel really is.'

When asked about the history of Jewish persecution, he is equally forthright—'It's no mystery why this has existed, Jews have done things that have caused people to dislike them. Take for example all those centuries of 'persecution' by the Christians—Well, let's not forget that this relationship began with the Jews persecuting the Christians, something no one ever talks about, but a fact nevertheless. In almost every case, the Christian countries drove them out for good reasons, whether it was their business practices or their ritual murder of Christian children, something proved true by Jewish professor Ariel Toaf in his recent book. The Talmud and the behavior it produces has been the source of all their troubles...It's a book of racism and hatred of gentiles, pure and simple. A black is only slightly above a monkey. Gentile women—even children—can be raped and it's ok...What other religion teaches stuff like this? Certainly not Christianity. The Jew is on a hell-bent collision course of justifying himself and cannot get on his knees and say 'I'm sorry' to anyone, and especially not to God.'

Asked about his feelings concerning Christians today who support Israel his answer is equally unforgiving—'The Christian Zionists are deluded. They're stupid and don't know the bible. They take a few passages out of context such as 'bless those who bless thee, etc and twist it into something not real... The bible is very clear on this—The seed of Abraham are the Christians, not the Jews. The true Israel of God are the Christians and those who look forward to the coming of the Messiah. The Jews are looking for the coming of the Messiah, but it is a completely different idea of Messiah, the difference between Cain and Abel. They are waiting for someone to make them powerful and justify their wickedness. Our message as Christians is clear—Don't bless those who are the enemies of Christ, and the false prophets such as John Hagee and Pat Robertson who say we must are as much enemies to Jesus as the Jews themselves are.'

'I have no problems with Muslims and Christians coexisting. Keep in mind that there was no terrorism prior to Israel. Zionism is what as caused all the terror. The Christian church existed under Muslim rule for hundreds of years with no problems. It is only recently that the Christians and Muslims find themselves at each other's throats, and it's all the Zionists' doing. They want to see the Christians and Muslims wipe each other out for the benefit of the Jewish state, which views them both as a threat. The Jews plan to use Israel as their headquarters for world rule and as an escape hideout. The war on terror is a war on Arabs and Muslims. It's about fighting Israel's enemies who are not America's enemies. Jews are not loyal to anyone but themselves. They are not allies to America. They use America, her money, her technology and her political system until America is of no use, and then when they are done they will dump her just like flushing the toilet. America had no enemies in the Middle East before Israel became our 'friend', and those who insist Israel is our friend should consider a few facts—She blew up American government buildings and tried to blame it on the Arabs. She attacked the USS Liberty and killed 34 of our sailors. She stole our secrets through the Jewish spy Jonathon Pollard and sold them to the Russians. And, last but not least, she was responsible for 9/11. There is no way that a bunch of guys in caves learned how to fly those planes in a few weeks and did all that damage without help from Mossad, and now we have 2 Jewish traitors sitting as head of Homeland Security and Attorney General.'

These days his mission is simple, if it can be called that—He's trying to preserve Western Christian civilization by showing what the enemies of Christianity are doing. 'The Jews are hell bent on destroying Christianity throughout the western world and have been very successful as of late. But we still have a chance if enough of us are willing to do the hard work in fighting the enemies of the cross. St. Paul didn't give up, and neither should we. We cannot be fatalists... We must keep fighting and oppose Israel and Zionism. They are my enemies because they are dishonoring my Jesus. Let them kill me, I'll go down swinging.'

Br. Nathanael's website can be found at www.realjewishnews.com - 2008 by Mark Glenn, Correspondent, American Free Press Newspaper

God worked throughout all of history to raise up and prepare a “chosen people” to be ready and waiting to receive and welcome HIS SON, thereby having established a network of people he could work with to establish God’s Kingdom on earth. That is one of the central roles of the Messiah. When the Jewish nation turned their backs on the SON OF GOD and betrayed him sending him to his death, they also **LOST THEIR POSITION AS THE "CHOSEN PEOPLE"**. God was forced to have to **START ALL OVER AGAIN AND RAISE UP A NEW "CHOSEN PEOPLE"**... those **new chosen people are the CHRISTIANS!!!** This is all documented in the “New Testament.” Now it is the Christians who are the chosen ones and must prepare for the second coming of Christ, as the Jews were *supposed* to do 2000 years ago.

Today the Zionist Jews are busy working 24/7 instigating conflicts and wars between the Cain & Abel, Jacob and Esau brother nations. The struggle that began “in the womb” continues now on the world level stage, Arab Muslim world representing Cain/Esau and America and the Western Christian world representing Abel/Jacob. **The Jews are in the position of Lucifer’s synagogue of Satan, instigators pitting Christianity vs. Muslim** the only victor will be Israel, while getting rid of all its rivals, giving new meaning to killing two birds with one stone. The two brother nations will wage war against each other only for one day both of them to awaken from the drunken stupor hypnotic spell they have been under to realize that **Zionist Anti-Christ** has become masters of them both.

KOL NIDRE

A Jewish Prayer to Absolve All Vows

THE KOL NIDRE is a Jewish prayer named from its opening words "All vows" (kol nidre), it is based on the declaration of the Talmud:- "He who wishes that his vows and oaths shall have no value, stand up at the beginning of the year and say: 'All vows which I shall make during the year shall be of no value.'" It would be nice if we could declare that this is merely one of the curiosities of the darkness which covers the Talmud, but the fact is that Kol Nidre is not only an ancient curiosity; it is also a modern practice. In the volume of the revised Festival Prayers published in 1919 by the Hebrew Publishing Company, New York, the prayer appears in its fullness:

"All vows, obligations, oaths or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, a forehead, of them all, they shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned as vows, the obligations shall not be obligatory, nor the oaths considered as oaths."

If this strange statement were something dug out of the misty past, it would scarcely merit attention. But as being a part of a revised Jewish prayer book printed in the United States in 1919, and as being one of the high points of the Jewish religious celebration of New Year, it cannot be lightly dismissed after attention has once been called to it.

OPPOSED BY SOME JEWS

Indefensibly immoral as the Kol Nidre is, utterly destructive of all social confidence, yet the most earnest efforts of a few really spiritual Jews have not succeeded in removing it from the Day of Atonement services in Orthodox Synagogues where it is normally chanted three times, although a rabbinical conference in Brunswick recommended its omission.

In America, Britain, and other countries, Reform and Liberal Congregations have followed this advice, but they only comprise a small portion say 20% of Jews they have retained the melody of Kol Nidre, but have revised the prayer.

Thus, Kol Nidre stands condemned by a portion of Jewry itself. The Jewish Encyclopedia, 1904, Vol. VII, page 541, says, "It cannot be denied that according to the usual formula, an unscrupulous man might think that it (Kol Nidre) offers a means of escape from the obligations and promises which he had assumed and made in regard to

others."

EXCUSES PERJURY

One of the most important aspects of Kol Nidre is that it suborns or excuses perjury in the Courts in the case Orthodox Jewish witnesses, whose testimony, of course, is rendered worthless by it.

If the prayer were a request for forgiveness for the broken vows of the past, normal human beings could quite understand it. Vows, promises, obligations and pledges are broken, sometimes by weakness of will to perform them, sometimes by reason of forgetfulness, sometimes by sheer inability to do the thing we thought we could do. Human experience is neither Jew nor Gentile in that respect.

But the Kol Nidre prayer is a holy advance notice, given in the secrecy of the synagogue, that no promise whatsoever shall be binding, and more than not being binding is then and there violated before it is ever made. The scope of the prayer is "for this day of atonement, until the next Day of Atonement." The prayer breaks down the common ground of confidence between men: "the vows shall not be reckoned vows; the obligations shall not be obligatory, nor the oaths considered oaths."

It requires no argument to show that if this prayer be really the rule of faith and conduct for the Jew who utters it, the ordinary social and business relations are impossible to maintain with him.

It should be observed that there is no likeness here with so-called Christian "hypocrisy." Christian "hypocrisy" arises mostly from men holding higher ideals than they are able to attain to, and verbally extolling higher principles than their conduct illustrates. That is; to use Browning's figure, the man's reach exceeds his grasp, as it always does, where man is more than a clod.

BABYLONIAN CHARACTER OF JUDAISM

But the Kol Nidre is in the opposite direction. It recognizes by inference that in the common world of men, in the common morality of the street and the mart, a promise passes current as a promise, a pledge as a pledge, an obligation as an obligation; that there is a certain social currency given to the individual's mere word on the assumption that its quality is kept good by straight moral intention.

In straight Christian morality, a man's word is expected to be as good as his bond. But the inference of the Kol Nidre is that man should make provision to drop below that level of morality.

How did the Kol Nidre come into existence? Is it the cause or the effect of that untrustworthiness with which the Jew has been charged for centuries? Its origin is not from the Bible, but from Babylon, and the mark of Babylon is more strongly impressed on the Jew than is the mark of the Bible.

Indeed, the Talmud is openly praised and revered as being Babylonian. And Kol Nidre is Babylonian Talmudic, finding its place among many other and similar dark things within that many-volumed and burdensome invention.

If the Kol Nidre ever was a backward look over the failures of the previous year, it very early became a forward look to the deliberate deceptions of the coming year.

Many explanations have been made in an attempt to account for this. Each explanation is denied and disproved by those who favor some other explanation. The commonest explanation of all is this, and it rings in the overworked note of "persecution." The Jews were hounded and harried by the bloodthirsty Christians.

Many learned men want to have it understood that the Kol Nidre dates from the Spanish Inquisition, it having become necessary on account of all sorts of persecutions and inflictions to adopt the Christian religion for appearances sake.

Then the Jews in Spain, gathering in cellars to celebrate the Day of Atonement and pardon, composed a prayer that declared of no value all vows and oaths that they would be forced to make during the year...." "The learned men say, moreover, that in remembrance of those days when hundreds and thousands of Maranos (secret, Jews) were dragged out of the cellars and were tortured with all kinds of torments, the Jews in all parts of the world have adopted Kol Nidre as a token of faithfulness to faith and as self-sacrifice for the faith."

THOSE ASSERTIONS ARE INCORRECT

The fact is that the formula of Kol Nidre was composed on the night of Yom Kippur quite a time earlier than the period of the Spanish Inquisition. We find, for instance, a formula to invalidate vows on Yom Kippur in the prayer book of Rabbi Amram Goun who lived in the ninth century, about 500 years before the Spanish Inquisition; although Rabbi Amram's formula is not Kol Nidre, but Kol Nidrim: "All vows and oaths which we shall swear from Yom Kippurim to Yom Kippurim will return to us void."

The form of the prayer in the matter of its age may be in dispute, but back in the ancient and modern Talmud is the authorization of the practice: "He who wished that his vows and oaths shall have no value, stand up at the beginning of the year and say: 'All vows which I shall make during the year shall be of no value.....'"

CHRISTIANS AWAKE! CHRISTIAN SURVIVAL DEMANDS THAT YOU KNOW AND UNDERSTAND THE ANTI-CHRISTIAN PLOT

Our international controlled press has for decades rained incessantly upon our heads that idea that to be "anti-Semitic" is to be un-Christian. With this we must agree for the most fanatical actual anti-Semites are the Zionists. They unmercifully persecute the Semitic Arabs. Of course, you've never heard that called "anti-Semitism," have you?

Nor have you heard anything in the controlled press of the "blasphemy of them which say they are Jews, and are not, but are of the synagogue of Satan." In speaking of these sons of the devil, we use the words of Jesus as revealed in the Spirit of St. John the Revelator because, though they call themselves Jews, they are not; neither are they Semites. They are proselyte Pharisees, Talmudists by adoption and, therefore, "twice the sons of hell."

There still exist to sects calling themselves Karaite and Samaritan Jews and, to this day, they emphatically deny the right of the Pharisees to dictate their hateful lies to those whose ancestors actually lived and died in the Holy Land.

Those who call themselves Jews would have you believe that their religion is based upon the Laws of Moses. But, read what Talmudic Professor Louis Finklestein (the same who taught "Jewish Law" to Earl Warren, Chief Justice of the Supreme Court) wrote in *The Pharisees*, published in Philadelphia, Pennsylvania by the Jewish Publication Society of America in 1946:

"Pharasaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of names, inevitable adaption of custom, and adjustment of Law, the spirit of the ancient Pharisee survives unaltered."

And now compare this with what the very reverend chief rabbi Doctor J. H. Hertz wrote in his foreword to the Socino edition of the Babylonian Talmud, published in 1935:

"The Talmud is the product of Palestine, the land of the Bible, and of Mesopotamia, the cradle of civilization. The beginnings of Talmudic literature date back to the time of the Babylonian exile. The Babylonian Exile is a momentous period in the history of humanity, and especially so that of Israel. During that exile, Israel found itself. It not only rediscovered the Torah and made it the rule of life but, under its influence, new religious institutions, such as the synagogue, i. e., congregational worship without priests or ritual came into existence, one of the most far-reaching spiritual achievements in the whole history of religion... ."

Here is the outright admission, from a late chief rabbi of the Pharisees, that the religion of the so-called Jews stems from things learned in Babylon during the Exile!

So proud are these Pharisees of being connected with the Babylon against which John The revelator spoke, that they boast of Babylon as their "capital" for over 1600 years, and call their very book of life the Babylonian Talmud!

THE RELIGION OF SATAN

Perhaps you have never had it called to your attention that our Lord and Savior, Christ Jesus, spent the years of His ministry on earth replacing the hellish religion of the Pharisees with the religion of Love, Purity and Mercy! Whenever accosted by the Pharisees, Jesus told them exactly who and what they were...and in no uncertain terms. Here are some of His statements:

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar, and the father of it." (St. John 8:44) There it is in the King James English for all to see. After being called by them a bastard ("we be not born of fornication.") Jesus tells the Pharisees that they are worshippers of the devil, and are liars and murderers. In the 23rd chapter of St. Matthew, after explaining that "brotherhood" is to be extended solely to those who follow Him, Jesus launched into the most devastating damnation of the Pharisees ever recorded. Read this whole 23rd chapter of St. Matthew aloud to yourself. Here are the excerpts: "...they bind heavy burdens and grievous to be borne, and lay them on men's shoulders; but they themselves will not move them with one of their fingers...all their works they do for to be seen of men...But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men...for ye devour widow's houses...for you compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves...Ye blind guides, which strain at a gnat and swallow a camel...ye are like whited sepulchers, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness...ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers..." Then He reached a thunderous climax:

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

THE SAME OLD PHARISEES

The brainwashed would have you believe, with them, that the Pharisees are different now. But the poor innocent dupes know nothing of the Babylonian Talmud which proclaims the gospel of Satan. They would have us all believe that these who now call themselves Jews would have nothing to do with the martyring of the saints, or the crucifying of Jesus, the Christ. Look back again at the words of Finklestein: "...the spirit of the Pharisees survives unaltered."

Does not Pharisee Finklestein here admit that they are still Christ killers?

THE MURDER OF JESUS KOSHER STYLE

The Jewish Encyclopedia gives to Jesus, among other names, the pseudonym of Balaam. And, using that name here is what it says concerning His death: "In the process of killing Balaam, all four legal methods of execution: stoning, burning, decapitating and strangling were employed (Sanhedrin 1.c.). He met his death at the age of thirty-three; and it is stated that he had no portion of the world to come (Sanhedrin x2:90a)...."

THE GOSPEL OF HATE

The basic Talmudic doctrine is more than a Master Race Complex. It is an Only Race Concept. According to the Talmud the goyim (non-Jews) rank as animals. They have no property rights, no legal rights under any code whatsoever.

Now can you see why the so-called Jews claim there is only one race of man? But they don't really want you to know what that means. We are merely their "stupid goy cattle."

The Golden Rule of the Talmud is "milk the goyim, but do not get caught." Rabbi ben Yohai's edict is: "Even the best among the Gentiles deserves to be killed." (Abodan Zarah 26b).

Regarding and Gentile property rights, their possessions are "like unclaimed land in the desert." (Baba Bathra 54b).

"With respect to robbery: if one stole or robbed or seized a beautiful woman, or committed similar offenses, if these were perpetrated by one Gentile against another, the theft, etc., must not be kept, and likewise the theft from an Israelite by a gentile, but theft from a Gentile by an Israelite may be retained." (Sanhedrin 57a).

Here are further expressions of "brotherhood." Kosher-style, straight from the Talmud and its supplement, the Cabala:

Kethoboth 3b: "The seed (child) of a Christian is of no more value than that of a beast."

Baba Kama 113a: "A Jew may lie and perjure to condemn a Christian. b. "The name of God is not profaned when lying to Christians."

Hikkoth Akum X 1: "Do not save Christians in danger of death."

Kohar I 160a: "Jews must always try to deceive Christians."

Zohar I 25b: "Those who do good to Christians will never rise from the dead."

Zohar II 43a: "Extermination of Christians is a necessary sacrifice."

Zohar II 64b: "The Christian birthrate must be materially diminished."

HYBRIDIZING THE GOY CATTLE

Democracy (rule by the people) now means rule by the Jews. Remember, we are merely their stupid goy cattle, to be milked, slaughtered or interbred at their pleasure. We are going to be integrated, for the masters (Baruch, Weinberg, Lehman, Frankfurter, Rothschild, and company) have spoken.

The decree the law of the land now. The Constitution is dead. The Talmud is now the Law of the Land. And their law of the land is going to be enforced by your sons, homogenized in the Army with blacks by order of Anna Rosenberg (have you forgotten?) Your sons are going to enforce the Talmud as the law of the land if they have to kill you to do it. And they mean to do it.

These modern Proselyte Pharisees (twice more the sons of hell than those who crucified Christ) declare that Nationalism, Patriotism and Racism (racial pride) are anti-Semitic abominations!

Why? Because they are uncompromisingly dedicated to destroying our nation and the white race. It is they who

have forced the issue. Patriotism must now, of necessity, be anti-Zionist.

He who has discovered the truth of Pharisaism, and does not fight Jewry and warn his fellow citizens of this anti-Christian menace, becomes an accomplice of those of the synagogue of Satan, and an accessory to the misfortunes of this nation.

Come one people! Wake up from your zombie slumbers and understand the most fundamental of realities! The Christians have been and still ARE THE NEW CHOSEN PEOPLE! That's what the New Testament was all about! The Zionist Jews, still act out and try to play the role of 'the chosen ones', but not so. Ask any orthodox Jew if what I am saying here is a lie!!!! I hereby proclaim that the Christians who turn around looking up to the Jewish nation as the "chosen ones" are in fact **giving up their birthright** to the synagogue of Satan and bowing to the power of those who slaughtered CHRIST. **For in the eyes of god you follow and worship the murderers of his only begotten son.** Just as it was with Cain and Able, the **elder** Jewish nation MUST become humble and accept the **younger** brother nation of Christianity to prevail unhindered.

The bible clearly states that "those who deny Christ coming in the flesh are the anti-Christ" thus you must fully understand that according to scripture, the **Zionist Jews are the anti-Christ.** These are the false prophets who parade as wolves in sheep's clothing, whom are right now this very moment conducting apartheid slaughter of Palestinians, behind all the military interventions all over the Middle East, plotting/scheming to take over the Temple Mount and rebuild Solomon's Temple where they will establish their world rule.

The Book of Revelations clearly states that the AntiChrist will be given power by the FALSE PROPHET who leads the nations astray. Let it be perfectly known and understood that the false prophet is the corrupt, decadent, immoral, sinful Vatican/Roman Catholic Church that paves the way for the Zionist AntiChrist.

"We do this by initializing a program that has been in our plans from the beginning. Most Americans if told would believe that this too farfetched even through the records have been part of their Governments History from the Beginning. We have always worked inside their Government the place to destroy a Thing is from within."

Behold: I have spoken, by the power of the truth as it has been clearly revealed to me, the cold hard despicable truth, so it is, was, and shall be... until the hearts and minds of the aggressors is miraculously transformed.

"None are more hopelessly enslaved than those who falsely believe they are free"

"he who has an ear, let him hear, he who has eyes, let him see"

...EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

For it is written: *"the truth shall set you free"*

"By their fruits ye shall know them."

THE RELIGION MATRIX

RELIGION - RELIGIOUS RIVALRY - POLITICS OF GOD

CHOSEN PEOPLE, PROMISED LAND(S) & FALSE PROPHETS

"The temple of the Most High begins with the human body, which houses our life, essence of our existence. We are in bondage today because we approach spirituality through Religion provided by foreign invaders and conquerors. We must stop confusing religion and spirituality. Religion is a set of rules, regulations and rituals created by humans which were supposed to help people grow spiritually. Due to human imperfection religion has become corrupt, political, divisive and a tool for power struggle. Spirituality is not theology or ideology. It is simply a way of life, pure and original as was given by the Most High. Spirituality is a network linking us to the Most High, the universe and each other" - Source, unknown, yet so true.

"There is a great impropriety among mankind, for they worship gods of darkness as though they were Light. It is the nature of mankind to call good bad, and to call bad good, to call Light darkness, and to call darkness Light."

It does not matter if you are an atheist and don't believe in God. Because whether you like it or not, **religion is at the CORE of all that ails this world.** The one area in life that is subject to the most intense upheaval, misunderstanding, chaos and abuse is religion, with politics following closely on its tails. Isn't it odd these two subjects are often taboo from discussing with family and friends without heated arguments arising and once good friends turning on each other? Everyone believes that "theirs" is the "good guys" political party and that the other political party is evil. Everyone believes that "theirs" is the one true religion, only "they" worship the one true God while everyone else will go to hell.

Absolutely NOTHING on the face of this planet has been the cause of more bloodshed than religion. **Religion has always been at the central core of all the worlds conflicts** from the beginning of recorded time. It dwells in a sector of our minds and hearts that is often devoid of logic. Not even the most amazing warm conciliatory reasoning can fill the deep seated blind chasms, bias, prejudices, hatred, that exist between differing religions. For most of the hard core devotees more often than not possess a virulent strain of the disease known to the layman as “religion” which has no known cure or treatment.

There exists a most incredible amazing disconnect among the populations. Thou almost everyone universally agrees that God exists, thus know that there must be a being called the devil, Satan. Absolutely universally almost NO ONE connects the events here on earth to his RULE here on earth.

One MUST overcome the mental block, the disconnect the miraculously happens when trying to grasp the nature of Satan's existence on earth. For everything in life has an INTERNAL nature and an EXTERNAL nature. Everyone understands the concept that Satan is some sort of spirit being, thus invisible "internal" nature, what the people don't, can't seem to understand is how he achieved EXTERNAL, physical rule.

No serious Christian can doubt that evil, lying, deceptive, corrupt men have come to power in the world. What most don't know or comprehend is that those same world leaders invisible connection to their true hidden masters purpose is to overthrow free forms of government and to suppress the Gospel of Jesus Christ. However, few Christians seem to be aware that this same anti-Christ network has infiltrated the Church with a hidden agenda of subverting the true faith and converting believers to their false religious system.

Let this be a firm warning to all the churches: The Luciferian leaders who are fulfilling the will of the ruler of darkness they follow have been making inroads and allegiances with the established Christian churches, they come as wolves in sheep's clothing to solicit your help in fighting the “boogeyman” whatever their current interpretation of who the supposed “terrorists” may consist of in that particular time period. Do not let yourselves be deceived for they do not follow our Lord Christ nor his Heavenly Father, the Divine creator. Please do not allow your flock to be deceived by the rulers of darkness, for they will be out to find and single out all those who dare step out of line to expose & oppose them and **will try to turn the church against the children of God, the true patriots** the champions of peace, truth and justice. Hear this: Religion will be a key instrument the ruling elite will utilize in the control of mankind. He who has an ear, let him hear, he who has eyes let him see what the spirit has to say.

You will NEVER in your lifetime understand what is going on around you and the world until you fully grasp the significance of: The inner core of all the ruling elite and their new world order **agenda are fueled by religious beliefs.** **The one area in life that has constantly been twisted, distorted, and even altered to reflect the wishes of the ruling elite has been religion.** Hence the mass confusion throughout the ages.

Religion has been the one area in life that has been THE instrument of choice that was infiltrated and manipulated to the core and hijacked as a tool to oppress man and keeping the masses docile and obedient sheeple for eons, by all the worlds rulers.

No invention on earth has ever been proven as effective in controlling the cattle - sheeple population better than: RELIGION. You must never, never, ever forget this.

The fact that this world is engulfed in massive disproportionate, inequitable, unfair, lopsided “equality” is beyond debate. The tiny segment that constitutes the super rich live like kings while easily 70% of the entire planet live in substandard conditions, in the midst of hardship, hunger and disease. Somehow, this has become acceptable, it is perfectly OK. Anyone who stands up and points out such heart breaking truths is immediately ridiculed and silenced, pushed into obscurity and treated as fringe lunatics... The truth is that this world is totally fucked up in so many ways that it is difficult to catalog them all. The TV sets are blasting immoral decadent programming into the airwaves 24 hours a day, 7 days a week. Rarely does anyone stand up and call it for what it is, everyone has become so ACCUSTOMED to ever increasing “foul line” of decadence and immorality. At the rate the acceptable decadence is increasing, within a generation or two, porn will become common place even on regular TV stations, programs and music videos. Folks there is a massive chasim in this world. Religion has been unable to hold its own and maintain a

pure and decent world standard. Today we are basically living in a parallel time of Sodom and Gomora were gay and lesbian sex is not only OK in our time, they took it way beyond anything ever seen in history with gay marriage and laws to protect them. They are quickly acquiring more rights and protections than heterosexual people, THIS is just the tip of the iceberg on the real immoral decadent state of our times.

BEHOLD FOR I MUST ASK THEE:

When Jesus, the “SAVIOR” of mankind, the long awaited MESSIAH arrives to **SAVE us from this fallen world of sin** and establish God’s Kingdom of Heaven on Earth do you think he will arrive and say “awesome decadent and immoral TV shows and movies!, lets sit down and watch! Get the popcorn!” Do you think that the savior of mankind will say “wow those are really cool rap and rock & roll songs you guys have! Lets dance and party!” Do you think when Jesus the SAVIOR of mankind arrives he will be impressed by your Ivy League university degrees? Do you think when Jesus the SAVIOR of mankind arrives he will say “wow! Awesome political Democratic system you guys have there, let’s use your most grand political system for our new Heaven on Earth!” Do you think when Jesus the SAVIOR of mankind arrives he will be pleased and impressed by the asymmetrical economic CAPITALIST system that leaves billions impoverished and a small tiny percentage of elites with everything? Do you really think he will even keep such a disparate selfish greed centric financial system? Do you think when Jesus the SAVIOR of mankind arrives he will be impressed by OUR MATERIAL WORLD and its value system? Do you think that when Jesus the MESSIAH and SAVIOR of mankind arrives he will be impressed by our value system, educational system or any of the long established norms that this fallen world is beholden to?

The answer to all these questions and hundreds more that we can pose under this same line of thought is an unequivocal NO, NO, NO, NO to everything and a COMPLETE refutation of EVERYTHING that this world holds dear. For the standards of “NORMALITY” we have all adopted are so blatantly twisted and corrupt to the soul that you cannot even begin to comprehend it. I will tell you this, I am neither saint nor some religious nut nor do I even bother attending any of the thousands of lost churches services, BUT my eyes have been opened and I am no longer BLIND, I can see the decadence and immorality everywhere. If I can easily discern and observe all the ailments of this world that is lost and swimming in seas of sin, surely the SON OF GOD has a much better and more profound view and understanding than I.

This world unequivocally belongs to Satan and his minions, this is Satan’s value system! This is Satan’s social system! This is Satan’s economic system! This is Satan’s educational system designed to prepare young minds to enter satans world providence! This is Satan’s economic system! This is Satan’s political systems!

Never forget the day of our Savior’s arrival will come upon us all like a thief in the night, and as it was prophesized, promised and written in the Holy Scriptures: **HE COMES NOT TO JOIN YOUR INSANE LIFESTYLES** in your decadent imoral worlds, to have lunch with heads of states, and sit down with Hollywood and rock stars.... **THE MESSIAH, THE SAVIOR OF MANKIND ULTIMATELY COMES AS A REVOLUTIONARY TO DESTROY THE SATANIC WORLD SYSTEMS**, to destroy the Satanic grip and rule of this world, to LIBERATE this world from sin, not to come and attain prestigious positions or join your wanton self-centered self-serving establishment orgies. The Messiah will NOT come to become a famous part of the status quo. He will come as the premier agent of change and REVOLUTION against the rulers of this world and the Luciferian systems they have erected, to usher in a new age centered on the laws and ways of Heaven.

Satan through his dominion over the media via his Zionist agents on earth has made man afraid of the apocalypse, today people the world over view the apocalypse with dire fear viewing it as a time of panic, horror, terror and great destruction. This massive adopted belief has been purposely spread by Satan and his agents on earth to purposely make man afraid of anything linked to the apocalyptic times. What is not known by the “blind” entire population is that the word "apocalypse" origin is from Greek language that was common at the time the scriptures were written, **it literally means: a time of revealing. An unveiling of the hidden truth and knowledge. Thus apocalypse means the revealing of something that was kept secret for eons...** The cosmic truth is out there today for those who seek shall find. The revelations exposed within this research report have also only been possible due to the opening of the doors of cosmic truth...

Throughout this reference research report I have tried my most humble best to articulate and reveal the dire conditions of this world. **How Lucifer is physically ruling this world in REAL life imposing his will through the use of his agents, his managers here on earth** whom you all know as your megalomaniac wealthy ruling elites who control every sector of industry and society. It is so clear and visible, yet the world is under a deep hypnotic slumber, blind to who, what, when, where and how they are all being controlled and manipulated by their ruling overlords who have exploited and perverted everything in this world to their liking.

This era has been labeled as the “age of Aquarius,” the 60s song by the same name actually helped usher in the New Age (of Aquarius) Movement. Outwardly the whole movement seems benign and wholesome, but when you sit back and study the underlying principles you will notice the sinister direction it truly leans as it denies Christ and takes man off into another direction. The New Age Movement leads to and is often intertwined with Theosophy. Which in turn leads to occults and rituals common in Freemasonry, illuminati, Wicca, Kabbalah, occultism, Satanism and so forth. All these organizations begin with introductory “mild” outwardly benign programs, as the ~~victim~~ member becomes more and more involved in his sector so does the level of occultism and rituals that he is ultimately exposed to and revealed.

"Lucifer represents.. Life.. Thought.. Progress.. Civilization.. Liberty.. Independence.. Lucifer is the Logos.. the Serpent, the Savior." pages 171, 225, 255 (Volume II)

"It is Satan who is the God of our planet and the only God." pages 215, 216, 220, 245, 255, 533, (VI)

"The Celestial Virgin which thus becomes the Mother of Gods and Devils at one and the same time; for she is the ever-loving beneficent Deity...but in antiquity and reality Lucifer or Luciferius is the name. Lucifer is divine and terrestrial Light, 'the Holy Ghost' and 'Satan' at one and the same time." page 539

Helena Petrovna Blavatsky 32° co-founder of the **Theosophical Society** – as quoted from The Secret Doctrine

It is of utmost importance for one to fully understand where the Masonic/Jesuit/Zionist leaders whom all practice some form of occultist rituals, no matter at what level or how harmless they may seem. For what we have is a **war of good vs. evil** that has been played out on the personal, family, tribe, town, city, state, country and world levels since the beginning of man's fall at the Garden of Eden. The practice of occult worship and or rituals, even if done unknowingly have dramatic impact, whether the offender realizes it or not he/she is **setting up CONDITIONS and opening up avenues allowing himself to become a CHANNEL, a vessel for the spirits to work THROUGH him to accomplish their wishes.** Unsuspectingly, inspiration often originates from spirits, from his “gods” thus we witness throughout all of history how amazingly cohesively the age old “new world order enslavement conspiracy” that has somehow managed to exist for centuries on end no matter who is the living physical elite ruler(s) of the time are. For as living people die, the immortal spirits live on to find new perfect channelers to accomplish their work through... thus the continuity of ages long “conspiracy” for world wide conquest, control and enslavement.

I fervently believe that the bible was inspired by God and is the word of God despite all the flaws and blaring contradictions many people have found. I must also point out that the Bible was VOTED to be the word of God by a group of men (scribes, whom were all of course, Jew of decent) during the 4th century. According to Professor John Crossan of Biblical Studies at DePaul University the Roman Emperor Constantine the Great (274-337 CE), who was the first Roman Emperor to convert to Christianity, needed a single canon to be agreed upon by the Christian leaders to help him unify the remains of the Roman Empire. Until this time the various Christian leaders could not decide which books would be considered "holy" and thus "the word of God" and which ones would be excluded and not considered the word of God. (BTW: Bible readers owe it to themselves to find out the main texts that were excluded and read them). It is also important for bible readers to take note that the ONLY sanctioned version of the Bible is the ORIGINAL King James version. All others that have been **EDITED** over the years and are published with alterations.

Emperor Constantine, who was Roman Emperor from 306 CE until his death in 337 CE, used what motivates many to action - **MONEY!** He offered the various Church leaders money to agree upon a single canon that would be used by all Christians as the word of God. The Church leaders gathered together at the Council of Nicaea and **voted the "word of God" into existence.** The Church leaders didn't finish editing the "holy" scriptures until the Council of Trent when the

Catholic Church pronounced the Canon closed. However, it seems the real approving editor of the Bible was Constantine! I am here to reveal truth and the facts take it or leave it.

The deceivers of mankind who wish to lead man astray often focus on points such as this to **instill doubt** in the minds of the children of God. Never forget that those who wish to foment doubt in Christianity have back door agendas and Luciferian belief systems they wish to have the masses adopt... once you are lead away from the “flock” you become easy prey... thus you can see that **the destruction of all hope and faith in GOD** and his words as best as man was able to articulate them in the bible, is integral to the Luciferian ruling elite. Chief among those who labor day and night to lead the Christian flock astray and pervert all of Christianity are the Zionists.

Whatever the circumstances and case may be, the New Testament became the Christian’s bible, the word of God, inspired by God, and of course they included the Hebrew Bible for historical reference and named it the Old Testament in the completed work. The Jews failed to receive the Messiah and usher in the age of restoring the world back to God’s dominion. Instead of fulfilling their prophesized duty and receiving the messiah, they murdered him; as a result they have failed their God given mission. Therefore, centered around Jesus, **God would raise up a new people to fulfill the unfinished mission that JUDIASM FAILED in, THE PEOPLE WHO WERE TO RECEIVE AND HELP CHRIST USHER IN THE KINGDOM OF HEAVEN ON EARTH.** The fact that **they FAILED** is not even open to debate for this documented fact is beyond denial, hence mankind found itself in the predicament of yet again awaiting the return of the MESSIAH. This time around God has prepared a NEW CHOSEN PEOPLE: The Christians.

Despite all their flaws, the Christianity came to rise regardless of all the bloodshed, division and corruption that has plagued and penetrated it over the years, it is the Christians who are new “the chosen ones.” The poor Christians after undergoing centuries of division seem lost in today’s world, they have seemed to have lost their way and purpose, most churches are severely divided and are merely drowning in dogma, many still bow to their predecessors the Jews and follow their lead.

In today’s age, one need look no further than the Zionist Jews to find that this “**Synagogue of Satan**” has corrupted their own purported religion, Judaism and infiltrated the Christian religions to the hilt in their Old Testament “god given quest” to establish a one world government to be ruled by them. **Somewhere along the way the Zionists decided they were tired of waiting for the Messiah and decided to go forth and establish their one world government without him.** Today this is THE one most dangerous group of religious extremists that have infiltrated and taken over the world of finance, mass media and infiltrated whole governments. If you cannot comprehend that statement then you are hopelessly lost. For the world is in the malignant grip of this satanic Luciferian worshipping cult yet the people have not a clue.

There are some 32,000 different denominations of Christian Churches worldwide, but one, despite all the well documented corruption, wickedness and decadence throughout its history still remains as the acknowledged premier world leading “Christian” church. That is the Catholic Church. **It was possessed and overtaken by evil demons eons ago.** Today it is nothing more than the **SCARLET HARLOT** who plots with the kings of the earth. Today they are nothing more than integral component of the ruling elite used to pacify and keep the masses subdued, providing **false “divine leadership”** to the miserable lost gullible goyim cattle population... The Bible warned of false teachers, who lead the world astray, they were called False Prophets.

BEHOLD: For you must come to understand the colossal magnitude of the revelation that **THE HOLY ROMAN EMPIRE centered on the Vatican/Roman Catholic Church is THE prophesized first beast and False Prophet mentioned in the Book of Revelations that leads the world astray, the first beast that gives power to the 2nd beast, the anti-Christ...** he who has ears, let him hear. The Book of Revelations clearly states that the False Prophet will serve the anti-Christ and give its power to it. Behold for: The Vatican/Catholic Church has done just that, today they obediently follow their Zionist overlords whom are none other than the anti-Christ prophesized long ago. He who has an ear let him hear...

Mystery Babylon Revealed

"And upon her forehead was a name written, Mystery, Babylon The Great, The Mother Of Harlots And Abominations Of The Earth." - Revelation 17:5

God has reserved His judgment for the great idolatress, Rome, the chief seat of all idolatry, that rules over many nations with whom the kings have committed to the worship of her idols (see Revelation 17:1-4). The Pope and His purported Church; sitting on the Temple throne at the Vatican; ruling the nations of the earth through the Crown Temple of ungodly deities are the Rule and Order of Babylon; the Crown of godlessness and the Code of commerce.

One may call the Rule of the world today by many names: The New World Order (a Bush family favorite), the Third Way (spoken by Tony Blair and Bill Clinton), the Illuminati, Triad, Triangle, Trinity, Masonry, the United Nations, the EU, the US, or many dozens of other names. However, they all point to one origin and one beginning. We have traced this in history to the Crown Temple, the Temple Church circa 1200. Because the Pope created the Order of the Temple Knights (the Grand Wizards of deception) and established their mighty Temple Church in the sovereign City of London, it is the Pope and his Roman Capitols who control the world.

"And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication" - Revelation 17:4

This verse appears to be an accurate description of the Pope and His Bishops for the past 1,700 years. The idolatries of commerce in the world: all the gold and silver; the iron and soft metals; the money and coins and riches of the world: All of these are under the control of the Crown Temple; the Roman King and his false Church; the throne of Babylon; attended to by his Templar Knights, the Wizards of abomination and idolatry.

The seven heads are seven mountains, on which the woman [mother of harlots] sitteth. (Revelation 17:9)

Behold: Let it be perfectly understood that the Vatican City is located around "seven mountains," known as the Seven Hills of Rome.

The **Seven Hills of Rome** (Italian: *Sette colli di Roma*) east of the river Tiber form the geographical heart of Rome, within the walls of the ancient city.

The seven hills are:

- Aventine Hill (Latin, *Aventinus*; Italian, *Aventino*)
- Caelian Hill (*Caelius*, *Celio*)
- Capitoline Hill (*Capitolinus*, *Campidoglio*)
- Esquiline Hill (*Esquilinus*, *Esquilino*)
- Palatine Hill (*Palatinus*, *Palatino*)
- Quirinal Hill (*Quirinalis*, *Quirinale*)
- Viminal Hill (*Viminalis*, *Viminale*)

The original city was held by tradition to have been founded by Romulus on the Palatine Hill.

The seven hills of early Rome – the Cermalus, Palatium, and Velia (the three peaks of the Palatine Hill), the Cispius, Fagutalis, and Oppius (the three peaks of the Esquiline Hill), and the Sucusa – figured prominently in Roman mythology, religion, and politics.

Since most Christians can no longer think or discern, they blindly follow the blind leaders. The sad fact is that the Catholic Church today is nothing more than a hollow zombie carcass of its original self. **The false prophet.** Today it is the most loathsome, repugnant, nauseating, despicable, appalling, disgraceful, scandalous, repulsive, vile, detestable churches in existence.

In order to better understand the magnitude of this revelation, if you skipped the previous chapter, “The Zionist Ruling Matrix” please go back and study the Book of Revelations concerning the Zionist Anti-Christ beast and its relationship with the False Prophet. Jesus clearly told his disciples who the anti-christ was: “he who denies Christ is an anti-christ” and the Jews, especially the predominantly atheistic Zionists do not believe in him and ALWAYS DENY CHRIST.

The Zionists have controlled all media since its invention and have dominated all the programming that has been aired from the very beginning of TV and movies, with this tool they have fooled all mankind into believing the evil anti-christ is anything and everything other than themselves....

The essential power of Satan’s rule over mankind has been via **his ability to operate with a cloak of invisibility in your very midst**. He has done so since the beginning of time. His cloak of invisibility is often referred to throughout the ages as his cloak of darkness. Thus, though reality is staring you in the face the entire time very few could understand the TRUE reality of history let alone the present times. The time has come to awaken...

Let it be perfectly understood that the HOLY ROMAN EMPIRE centered around the Roman Catholic Church/Vatican is none other than the FIRST BEAST/FALSE PROPHET that was prophesized in the Holy Bible. **They are THE “OLD WORLD ORDER”**... As is prophesized in the book of Revelations the first beast gives power to the second beast which is the **ANTI-CHRIST ZIONIST “NEW WORLD ORDER”**... To he who has an ear let him hear, to he who has eyes, let him see for I have just revealed the real life mystery of ages.

The Antichrist and the False Prophet The Two Beasts of Revelation 13 Revealed

We have been waiting for the prophesied pair of the ages to arrive. And it looks like their arrival is much closer than most even suspect.

The Bible prophesies of a time when two leaders will come to power under Satan's approval and authority to deceive the world and enslave them into worshipping Satan as God. The first beast, known as the False Prophet, will force the world to worship the second beast, the Antichrist as one.

The Bible reveals that in the last days two beasts would arise to power and work together to deceive and destroy mankind. The Antichrist and the False Prophet.

The fact that there are two beasts is self explanatory. In Revelation 19:20 their future imprisonments are foretold:

“And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.”

But before then, they will wreak death and destruction upon the world destroying our world as we know it. Prophesied end time events are like pieces of a puzzle. And every once in a while you get a piece or two, and you hang onto them because you are not sure where they fit, and then all at once, something happens, and all the pieces start to fit in the puzzle. Each piece becomes a revelation, a realization, a hit over the head that you've been interpreting and reading something wrong. Then it comes together like a puzzle and your knowledge and understanding of events falls into place.

There are many throughout the ages who have tried to interpret last days prophecies based on man's knowledge of events of that time or what they foresee as coming. But mostly what’s been going on is everyone recycling everyone else’s errors and wrongly interpreting the events of the future.

There are many antichrists and false prophets in the world. It's not just one title for one particular office. There are

many who hold these titles and offices and they have existed throughout the ages just as they do in this last one. The Bible calls the last two to arise in the last days “beasts,” because that is exactly what they are.

The beast, as was shown previously, is the Papacy or Roman Catholic Church. Revelation 19:20 is the key to identifying who the false prophet is. Here it associates the false prophet with miracles performed for the beast. This is a link to Rev 13:11-14 where the same miracles are performed by a second beast with two horns like a lamb, that speaks like a dragon. So this second lamb-like beast is also a false prophet.

Now to identify just who the false prophet is, we need to look at Rev 13:10, which will give us a time hack-

Rev 13:10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.

This is a reference to Pope Pius VI being held captive in jail by Napoleon in 1798 where he died as a prisoner. The Roman Catholic Church was broken as a political power at that time. This is the head wound to the first beast or Papacy spoken of in Rev 13:3-

Rev 13:3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

This head wound to the political power of the Papacy was healed in 1929 when Italy's Benito Mussolini signed the Lateran Treaty with the Pope, establishing the Vatican as a City State with full diplomatic rights. Newspapers at the time proclaimed the "wound" to the Vatican and the papacy to be healed.

The more deeply one probes into the history of the Roman Catholic Church and its current practices, the more impressed one becomes with the amazing accuracy of the vision John received centuries before it would all be lamentable reality. John's attention is drawn to the inscription boldly emblazoned upon the woman's forehead: "MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH" (Revelation 17:5). Sadly enough, the Roman Catholic Church fits the description "mother of harlots and abominations" as precisely as she fits the others.

The angel reveals to John that the woman "is that great city which reigneth over the kings of the earth" (Revelation 17:18). Is there such a city? Yes, and again only one: Vatican City. Popes crowned and deposed kings and emperors, exacting obedience by threatening them with excommunication.

It is immediately following the time hack of Rev 13:10, which we have established as 1798, that a second beast, lamb-like in appearance, comes to power on the world scene-

Rev 13:10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.

Rev 13:11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

Rev 13:12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

The second beast comes up as a lamb (Zionist Mashiach) from the land. Note the first beast came from the sea. The sea represents a multitude of people (Rev 17:15), of interesting note, I believe is much more profound than an uncanny “coincidence” is the term “Holy See” (as in Holy Sea) which is the term used for describing the area or jurisdiction of the Catholic Church in Rome. So the first beast arises from a densely populated area, Europe. The second beast, however arises from a sparsely populated area, since it arises from the land and not the sea.

We have rudimentarily shown that the first beast is the False Prophet Vatican/Roman Catholic Church whose

blasphemous reign of terror, corruption, sin, gluttony, decadence were its main calling cards has been none other than the prophesized False Prophet. There are countless scholars and researchers throughout history that have come up to the same conclusion.

Contrary to popular belief the Antichrist is clearly not a single individual, it is a system, a consortium. When the second beast, the Zionist Antichrist arises to power and authority, the first beast will take a back seat to him. They are working together in collusion to deceive the world. The first beast will step back and allow the second beast to take over. The Zionist Antichrist thus becomes the dominant beast on the scene. This is exactly what transpired, the once all mighty Vatican/Catholic Church was subjugated by the Zionist Antichrist who has been constantly gaining in power since the start of the 20th century. Today the Vatican is in the passenger seat and the Zionists are in full control.

Thus the first beast, the False Prophet, is strangely silent. There is not much mention of him in the Bible as being active in anything other than standing around and taking credit for giving the Antichrist his "power" to perform miracles. The Antichrist claims it is from the first beast, the False Prophet that he gets his power; therefore, people should worship him as God (the Antichrist).

In Daniel 11, the prophet describes the Antichrist as a god of forces and understanding dark sentences. These are occultic terms. The "god of forces" is the occult, and dark sentences are cryptic speech with hidden and dark meanings. They secretly practice their occult Kabbalah rituals and Black Magick far away from prying eyes.

Everything about the second beast is going to be very, very deceptive. he is already working behind the scenes with the governments of the world to implement the beginning of the Zionist economic and political agenda of the beast. Hence the Zionist motto *"By way of DECEPTION, thou shalt do war."*

Revelations 12-13: And he exerciseth all the power of the first beast before him, and causeth the earth to worship the first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men.

He exercises all the power the first beast ruler has, and he takes over the global government.

And he not only takes over the global government, he takes over an enforced global religion. He has two horns, which signifies dual authority. At this point, he has control of the entire world in both religious and political areas. In essence, he rules over all and gets this authority to do so by the first beast and by Lucifer.

The apostle says that no person anywhere will be allowed to buy anything, or even sell anything to make money, without this mark of the beast. And the mark can be this particular mark, the chip, or the beast's name, or the number of his name which calculates to be 666. In Hebrew Gematria, letters carry a value of numbers to them. With the letters that spell the beast's name, it will add to 666.

Interestingly, the interior angle of an equilateral pyramid also equates to .66666666 or just .666 You will also find in a hexagram, the "Star of David," six equilateral triangles (three sides each) surrounding a hexagon. Six times three equals 18. Six plus six plus six equals 18. 6+6+6 equals a different way to look at "666, the mark of the Beast. The Star of David was never a national symbol of the Jews until the 1800s when the Illuminati made it one.

Just how far has the world's leading false prophet Catholic "Christian" church been led astray? The level to which the **child molesting Catholic Church** has drifted away from God is so severe and self evident to anyone with an ounce of common sense who truly understands just a few fundamental tenants. One of which sticks its ugly head out and screams "what the fuck?" is their never ending **worshipping of idols, i.e.: statues, saints, especially THE VIRGIN MARY who is commonly given precedence over and above Jesus.** Huh? Rarely do you hear them praising Jesus,

yet rarely a moment goes by where they mention and constantly bow to and whorship his mother. This is just one example of the False Prophet's blasphemy and misleading the children of God.

I said it before, and I will say it again: Jesus specifically **COMMANDED** his followers to **NEVER** worship **ANYONE** other than through him, and he specified quite clearly that **NO ONE goes to the father except THROUGH HIM....**
And him alone:

"I am the way, the truth, and the life. No one comes to the Father except through me." Jesus, Son of God,
as quoted in John 14:6

I don't want to waste precious space in this report re-addressing the centuries and hundreds of volumes of books of crimes and sins of the **Scarlet Harlot Roman Catholic Church of Satan**... I will let the actual words of one of its recent Popes illustrate the disdain they harbor towards the will of God:

Example of the official blasphemous preaching of the Vatican/Roman Catholic Church of Satan:

"Don't go to God for forgiveness of sins, come to me."

Quoted from Pope John Paul II, Los Angeles Times, December 12, 1984

"The king will do as he pleases. He will exalt and magnify himself above every god and will say unheard-of things against the God of gods. He will be successful until the time of wrath is completed, for what has been determined must take place. He will show no regard for the gods of his fathers or for the one desired by women, nor will he regard any god, but will exalt himself above them all." (Daniel 11:36-37).

Back in the heyday of the height of the Catholic power, the Jews were **FORCED** to convert to Catholicism. They (as was everyone else at the time) were given a simple ultimatum: convert or die. Thus, the majority all choose the pretend "convert" route... those who externally "converted" to Catholicism did so only in appearance (becoming what is called: **crypto Jews**), for many kept their generations old beliefs in Judaism firm throughout their lives, never letting it be known to outsiders of their core beliefs. They therefore had developed an "underground" secret societies of like Jews. Once they "converted" to Catholicism, some even changed their last names in order to fit in and avoid persecution. Thus allowing for and facilitation of the Zionist Jews efforts in allowing them to **INFILTRATE** the highly powerful Templar and Masonic and Christian institutions that were formed long ago.

The Catholic Church is a Criminal Enterprise

By **MATT TAIBBI**

The Holy See's reaction to both stories has been swift. An unsigned editorial this week in the Vatican newspaper L'Osservatore Romano attacked the New York Times by name, accusing the paper of willfully ignoring the "truth" of Ratzinger/Benedict's record and of attempting "to instrumentalize, without any foundation in fact, horrible episodes and sorrowful events uncovered in some cases from decades ago." The media, it continued, showed a "despicable intent of attacking, at whatever cost, Benedict XVI and his closest collaborators."

Earlier in the week, New York's archbishop, Timothy Dolan, used his blog to dismiss the New York Times reports and defend the pontiff's record by arguing that authorities outside the church also are culpable. Stories about sexual abuse by priests were "fair" if "unending," he wrote. But he condemned the media for portraying child sexual abuse "as a tragedy unique to the church alone. That, of course, is malarkey."

via [A pope with a problem – latimes.com](http://www.latimes.com).

Anyone who's interested in losing his lunch should read the above-mentioned blog entry by New York archbishop Timothy Dolan in defense of Pope Benedict; the archbishop's incredibly pompous and self-pitying rant is some of the most depraved horseshit I've ever seen on the internet, which is saying a lot.

One expects professional slimeballs like the public relations department of Goldman Sachs to pull out the "Well, we weren't the only thieves!" argument when accused of financial malfeasance. But I almost couldn't believe my eyes as I read through Dolan's retort and it dawned on me that he was actually going to use the "We weren't the only child molesters!" excuse. Dolan must have very roomy man-robos, because it seems to me you'd need a set of balls like two moons of Jupiter to say such a thing in public and expect it to fly. But this is exactly what Dolan does; he bases his entire defense of the Church on the idea that others are equally culpable. The relevant section of his piece:

What adds to our anger over the nauseating abuse and the awful misjudgment in reassigning such a dangerous man, though, is the glaring fact that we never see similar headlines that would actually be "news": How about these, for example?

- "Doctor Asserts He Ignored Abuse Warnings," since Dr. Huth admits in the article that he, in fact, told the archdiocese the abusing priest could be reassigned under certain restrictions, a prescription today recognized as terribly wrong;
- "Doctor Asserts Public Schools Ignored Abuse Warnings," since the data of Dr. Carol Shakeshaft concludes that the number of cases of abuse of minors by teachers, coaches, counselors, and staff in government schools is much, much worse than by priests;
- "Doctor Asserts Judges (or Police, Lawyers, District Attorneys, Therapists, Parole Officers) Ignored Abuse Warnings," since we now know the sober fact that no one in the healing and law enforcement professions knew back then the depth of the scourge of abuse, or the now-taken-for-granted conclusion that abusers of young people can never safely work closely with them again.

The most revolting part of this response is the last bit about how "no one knew... back then" the depth of the scourge of abuse, or the fact that child molesters cannot be allowed near children ever again once caught. Dolan is trying to get us to focus on the 1962 case, but the truth is that as recently as this last decade, the Church's doctrinal office elected to proceed with church trials for less than 10% of the 3000 cases of abuse reported to them between the years of 2000 and 2010.

And just a few days after this blog entry of Dolan's, the Times would come out with another story indicating that the current Pope, then a Cardinal named Joseph Ratzinger, seems to have quashed an effort to bring a serial child abuser named Lawrence Murphy to a church trial. The inaction of Ratzinger's office resulted in Murphy being allowed to die "in the dignity of the priesthood," which was his wish as expressed in a letter to then-Cardinal Ratzinger in January 1998.

So while schools, parole officers, judges, lawyers and therapists may have been deficient in their understanding of child abuse back in 1962 (although I'm sorry — it could have been 1562, if someone molested my child and was allowed back in the priesthood, I'd be reaching for an axe), the Catholic church is alone among all of them in continuing to not get it since then. Despite massive public scandal over the course of what now is decades, they continue to deflect and shield child molesters as a matter of institutional routine. The ugliest part of the New York Times story wasn't even the involvement of Ratzinger in this mess but the fact that three successive archbishops failed to do anything about Murphy, a man who apparently molested upwards of 200 children.

(And not only did he molest these children, but he clearly was not forthcoming about his crimes when examined by experts in sexual abuse. In the notes of one such expert there is a telling notation: "Denies sexual contact with anyone not named in outside complaints, i.e. admits to sexual contact only with those accused of!" The expert

included that exclamation point, too.)

So this monster who was known to the highest authorities in the church to be a monster was allowed to die an active priest who was allowed to work with children for 24 years even after he was exposed, until the end of his life. For Dolan then to lay all this off on 1962 mores is disgusting all by itself and totally disingenuous.

But even worse — what does Dolan’s whiny deflecting and excuse-making say about the church as an arbiter of ethical values? These pompous assholes run around in their poofy robes and dresses shaking smoke-filled decanters with important expressions on their faces and pretending to great insight about grace and humility, but here we have the head of the largest Diocese in America teaching his entire congregation that when caught committing a terrible sin, the appropriate response is to blame the media and pull the “All the other kids were doing it, too!” stunt!

I was raised Catholic but stopped going to church at the age of 12. I was a complete idiot at that age with regard to almost every other area of human knowledge, but even I knew back then that the church was a scam. There are good and decent people working as individual priests, but the institution as a whole is a gang of cheap charlatans preying on peoples’ guilt feelings (which of course are cultivated intentionally by the church, which teaches children to be ashamed of their natural sexuality) in order to solicit a lifetime of contributions.

When I see a Catholic priest chanting his ridiculous incantations and waving his holy smoke over someone’s gravesite or at a wedding, the vibe I get is exactly the same as the one I get watching a plumber groan and moan and babble gibberish about all the different things wrong with your kitchen pipes, when in reality all he had to do was replace a washer. It’s the same as picking up your car after an oil change and listening to the mechanic rattle off a list of charges totaling thousands for the nineteen extra things he looked at under your hood, just out of concern for your safety... And when you protest, no, there was nothing wrong with my alternator, I’m not paying for that, he tries to bullshit you — oh, yes there was, trust me, if we hadn’t fixed that, your car woulda died on the highway within a week.

That’s all the church is. They’re a giant for-profit company using predatory salesmanship to sell what they themselves know is a defective, outmoded, basically unnecessary product. They’ll use any means necessary to keep their market share and if they have to lie and cheat and deflect and point fingers to keep the racket going, they’ll do it, just like any other sleazeball company.

But I think it’s time we started considering that what the church is is even worse than that. It’s possible we should start wondering if the church is also a criminal organization that in this country, anyway, should be broken up using RICO statutes.

One of the few areas where I agreed with George Bush was in the notion that a country providing safe haven to terrorists should itself be treated as a terrorist organization. Morally this isn’t a difficult one to figure out; a country that keeps house for a bin Laden and doesn’t assist other countries in trying to catch him is a rogue state, one that should be booted out of the community of nations.

We don’t permit countries that harbor terrorists to participate in international society, but the Catholic Church — an organization that has been proven over and over again to systematically enable child molesters, right up now to the level of the Pope — is given a free pass. In fact the Church is not only not sanctioned in any serious way, it gets to retain its outrageous tax-exempt status, which makes its systematic child abuse, in this country at least, a government-subsidized activity.

Somewhere underneath all of this there is a root story that has to do with celibacy. The celibate status of its priests is basically the Catholic church’s last market advantage in the Christian religion racket, but human beings are not designed to be celibate and so problems naturally arise among the population of priests forced to live that terrible lifestyle. Just as it refuses to change its insane and criminal stance on birth control and condoms, the church refuses to change its horrifically cruel policy about priestly celibacy. That’s because it quite correctly perceives

that should it begin to dispense with the irrational precepts of its belief system, it would lose its appeal as an ancient purveyor of magical-mystery bullshit and become just a bigger, better-financed, and infinitely more depressing version of a Tony Robbins self-help program.

Therefore it must cling to its miserable celibacy in order to keep its sordid business scheme going; and if clinging to its miserable celibacy means having to look the other way while children are serially molested by its sexually stunted and tortured employees, well, so be it.

If you look at it that way, the church's institutional behavior is far worse than is commonly believed. It's not just a matter of an intractable bureaucracy responding too slowly or too insensitively to some scattered accidents of fate. This is more like the situation of a car company that continues selling a cheap but faulty brake system because it has calculated that it stands to make more money selling the cars than it does to lose in lawsuits. The only difference is, a car company can fix the brakes if it wants to. What the Catholic church is selling is by definition faulty. It can't change, or it will be out of business. So even if not changing means kids will be continue to be molested, it doesn't change.

I think Chris Hitchens said this once, and I agree with him; if I were a person that made that kind of moral choice, I think I'd have to kill myself. But these guys not only don't kill themselves, they go out in public ranting about how wronged they are and how they've been fucked over by the evil New York Times for airing out their dirty laundry. Again, I admire the balls, but seriously, they must know the game is almost up. Sooner or later people are going to catch on, the state is going to make a move, and there's going to be a hell of a lot of church property going up for auction along with the seized Escalades of DEA-busted drug dealers. Or maybe not in this lifetime — but one can only hope.

The unholy church of ____? Note the pope's throne: with the satanic upside down cross:

The multitudes join the Deceived Deceiver the Pope as he Worships, and causeth those who dwell on the earth to Worship the Beast (Israel/Zionism).

Today the Jesuit/Vatican/Catholic/Christian power worldwide has been eclipsed by that of the **Zionist Jews who over the decades have amassed untold fortunes on top of fortunes, wealth beyond comprehension, and power over billions of people and nations.** The interesting key to this scenario is the fact that many of the Jesuit Masonic orders and members still THINK they are running the show. The Zionists had long infiltrated all the Masonic orders, and they cleverly ever so intricately lead the entire "Christian" elite in whatever direction they so choose. Meanwhile the Zionists perpetuate the myth and **WANT to make everyone believe that any group OTHER than the Zionists are the ones pulling all the strings on major events, policies, actions, etc.** With the up and coming Global Governance paradigm approaching fulfillment the ruling Elders of Zion are prepping for a GLOBAL RELIGION...

Explosive New Report Documents 'The Religious Face of the New World Order: From the Vatican to the White House to the United Religions Initiative'

Contact: Cliff Kincaid; www.usasurvival.org

MEDIA ADVISORY, Feb. 17 /[Christian Newswire](#)/ -- A new report from the public policy group America's Survival, Inc. (ASI), headed by veteran investigative reporter Cliff Kincaid, explores how and why the Pope's call for a "World Political Authority" plays into the hands of those demanding a "New World Order" and increased power and authority for the United Nations. Author Lee Penn says, "The question is not whether there will be a New World Order. The question is who will control it, and for what ends." The Vatican, he argues, is determined to be a major global player.

Kincaid comments, "This report, with almost 300 endnotes, examines in detail how and why the Vatican has abandoned its resistance to a New World Order. This is a major sea change in world events and the global political order." Penn, who previously wrote the book, *False Dawn*, about global religion, notes in this report that "When the Pope agrees with Mikhail Gorbachev, the Secretary-General of the United Nations, Henry Kissinger, the new President of the European Union, and other secular leaders on the need for global governance and a new world order, we can know that the world has indeed experienced a 'harmonic convergence' and entered a new age." Kincaid's introduction to the report goes into substantial detail about the roles being played in this unfolding international drama by the Obama Administration and financial hedge fund operator George Soros, who is pouring large sums of money into various politically active "Catholic" groups.

Penn observes the significance of what is happening:

In the past, the proponents of "global governance" have faced Papal skepticism or opposition. With the publication of *Caritas in Veritate*, Benedict XVI has himself come out strongly for a new world order. He might wish to put a new international system to different uses than those supported by Mikhail Gorbachev, German Chancellor Angela Merkel, Henry Kissinger, or others -- but he agrees that a new international system, "a true world political authority," must come into being.

In the explosive report, Penn offers his own provocative theory of what is happening and why. World government, he argues, depends on a global religion. ASI President Kincaid adds, "On a basic level, this can be viewed as an attempt to bring together the world's Eastern and Western spiritual traditions. It is not clear how Islam will be integrated into this global system but the United Religions Initiative (URI) seems designed to accomplish this goal. As Lee Penn documents, the URI even included practitioners of Wicca (witchcraft) as well as an Islamic cleric convicted of rape."

While much of this seems inevitable, Kincaid says that opposition is emerging from traditional Christians, most especially conservative Catholics.

The 84-page report is available at http://www.usasurvival.org/docs/Global_Religion.pdf. Interviews are available with ASI President Cliff Kincaid and Lee Penn, the author of the report.

In other news, the Church of England gave its blessing to "Rev. Peter Stone", who recently returned to his church wearing a navy pencil skirt, floral scarf, and black court shoes as the "Rev. Carol Stone." He was given 3 months leave of absence to undergo what the church called "gender redesignation." I wouldn't want to hear any sermons by this "it." Sadly, all but four members of the congregation welcomed their priest back as a woman. Has the world gone mad?

It is a wonder how on earth the **Scarlet Harlot Catholic Church** still stands as the world's leading Christian Church after centuries of decadent corruption beyond belief. Once the Zionist Jews quietly gained power over finance and control over all media they began a mission to reveal to the people all the sins of the Catholic Church. The stories of hundreds upon hundreds of little boys getting molested reverberated everywhere.

It wasn't until recently that the tip of the Catholic pedophilia and wanton sin iceberg was revealed:

Abuse hotline set up by Catholic Church in Germany melts down on first day as 4,000 people phone in

By Allan Hall, April 2010

An abuse hotline set up by the Catholic Church in Germany melted down on its first day of operation as more than 4,000 alleged victims of paedophile and violent priests called in to seek counselling and advice.

The numbers were far more than the handful of therapists assigned to deal with them could cope with.

In the end only 162 out of 4,459 callers were given advice before the system was shut down.

Andreas Zimmer, head of the project in the Bishopric of Trier, admitted that he wasn't prepared for "that kind of an onslaught".

Defence: The Pope celebrates Mass at the Vatican yesterday. The abuse hotline was set up as part of the Church's attempt to win back trust in the face of escalating abuse claims that threaten Benedict's papacy

The hotline is the Church's attempt to win back trust in the face of an escalating abuse scandal that threatens the papacy of German-born Pontiff Benedict XVI in Rome.

Earlier this week it was alleged that an ally of the Pope, Bishop Mixa, beat children - a charge he has subsequently denied.

Former girls and boys testified that he beat them with fists and a carpet beater which screaming; 'The devil is in you and I will drive him out!'

Also, the bishopric of Trier reported that 20 priests are suspected of having sexually abused children between the 1950s and 1990s.

Bishop Stephan Ackermann, who was appointed last year, said on Monday that three of the cases had been passed on to public prosecutors, with two more soon to follow.

German media are calling the scandal 'the hour of the children'. Silent, often for decades after pressure was applied to both them and their families by the Church, they are now finding the courage to speak out.

The effect on the Catholic Church in Germany has been profound; people are leaving in droves, de-registering with the government department that levies an annual tax of 800 pounds each on worshippers to fund it.

A quarter of Catholics in Germany said in a recent survey they had lost faith in the Church leadership.

Pope Benedict XVI allegedly knew about one particularly disturbing paedophile case in the United States.

The Rev. Lawrence Murphy spent years molesting children at a school for the deaf in Wisconsin, but when the case came to the attention of the Vatican many years later, the Congregation for the Doctrine of the Faith, then led by Cardinal Ratzinger before he became pope, declined to take action.

The pope made no mention of the scandal during his pre-Easter mass at the Vatican yesterday.

Here is a picture of the current pope giving the Satanic salute:

I for one used to loath the Catholics for a large part of my life; I despised those pathetic hypocrite pedophiles that used the cloak of the Church to do their evil. But it wasn't until recently in the past few years that I discovered a people whose sins completely dwarfed the Catholic Church in sheer malevolence and yet no one, even myself had a clue

(guess what, they own all the presses and media, of course they aren't going to publicize their own inequities). And yet RARELY do any of them ever get imprisoned! When I first began to find out about the true nature of my beloved Jew brethren, I was heartbroken. They have been able to keep all their skeletons locked up very well over the centuries. Here is a peek at the tip of the iceberg of one huge closet of skeletons that dwarfs the Catholic priests pedofile ring:

THE POLITICS OF CHILD RAPE

By the Catholic League For Religious and Civil Rights

Catholic League president Bill Donohue comments on a front-page news story in today's New York Times on the problem of child sexual abuse:

Reporter Paul Vitello shows the shocking extent of child sexual abuse in Brooklyn's Orthodox Jewish community. He also details the **cover-ups that have long been aided and abetted by law enforcement.**

Where have all the church-and-state advocates **been all these years when Orthodox rabbis were allowed by the D.A.'s office to settle these cases "internally"?** Where have all the professional victims' groups been in staging protests outside synagogues? Where have all the sue-happy lawyers been seeking to plunder the Orthodox? Where have all the comedians and late-night entertainers been in cracking jokes about rabbis raping kids?

It's not just Orthodox Jews who have been given a pass: no group has gotten away easier than public school employees. Consider this. Because public school students have only 90 days to file suit, it is already too late to prosecute a teacher—in virtually every state—who molested a minor as recently as last spring. But if the offense took place in a Catholic school, the student has years to file suit. Not only that, molesting teachers are still shuffled from one school district to another; it's called "passing the trash."

Orthodox Jews try cases of child rape in rabbinical courts. Imagine if the Catholic Church failed to report abuse cases to the authorities and decided instead to institute its own ecclesial courts? Today's article quotes a **Jewish attorney urging law enforcement to recognize "religious sensitivities" for the guilty by seeking alternatives to prison.** Allow a Catholic attorney to advise the same and it's called corruption.

Last year, 40 minors in just this one small Jewish community said they were abused. Catholics are fed up with the duplicity. It's not just Roman Polanski who can rape and run with impunity these days. The politics of child rape is sickening.

If I wanted, I could easily fill this research report with thousands of pages of thousands upon thousands of documented sins, scandals, corruption, etc of the Catholic Church, but due to the space constraints I only pick a few from among articles that are from fairly recent headlines in hopes that by using recent news this may help the reader identify with the concepts that I am trying to reveal. Her is a good one below of how twisted these people really are:

Catholic League head: Abuse not pedophilia because boys were 'post-pubescent'

By Daniel Tencer, Wednesday, March 31st, 2010 -- 4:57 pm

The head of the influential Catholic League says that the priest who allegedly sexually abused 200 deaf boys in Wisconsin did not engage in pedophilia because 'the vast majority of the victims [were] post-pubescent.'

Bill Donohue made the argument during a raucous debate on Larry King Live Tuesday night, during which he repeatedly pointed the finger to homosexuality -- rather than pedophilia -- as the cause of the church's sex abuse problems.

"You've got to get your facts straight," Donohue said, addressing sex abuse victim Thomas Roberts. "I'm sorry. If I'm the only one that's going to deal with facts tonight then that'll be it. The vast majority of the victims are post-pubescent. That's not pedophilia, buddy. That's homosexuality."

A rather surprised panel of commentators -- which included pop icon Sinéad O'Connor -- then began to debate at what age, exactly, does sexual attraction to children cease to be pedophilia.

Donohue argued the age at which children become "post-pubescent" is around 12 or 13.

"Post-pubescent means beyond puberty," Donohue said. "In other words you're an adolescent and that's what homosexuals do and most of them -- the molesters -- have been homosexuals in the Catholic Church."

"Bill Donohue is so desperate to bash gays and defend the Catholic Church that's he's willing to pretend that people who are attracted to 13 year old boys aren't really child predators," opines [Bill Amato at Crooks and Liars](#).

That theme -- that the problem is homosexuality, not pedophilia -- has become a common talking point for defenders of the Catholic Church in the wake of a series of scandals involving allegations of sexual abuse of children by priests.

As the [Joe. My. God. blog](#) noted on Tuesday, the Catholic League took out an ad in the New York Times arguing that the scandal should be seen as a problem of sexual orientation. The ad stated in part:

"The Times continues to editorialize about the 'pedophilia crisis,' when all along it's been a homosexual crisis. Eighty percent of the victims of priestly sexual abuse are male and most of them are post-pubescent. While homosexuality does not cause predatory behavior, and most gay priests are not molesters, most of the molesters have been gay."

The ad, signed by Donohue, then goes on to attack the Times for covering the story as an issue of pedophilia, and alleges that "issues like abortion, gay marriage, and women's ordination" are behind media coverage of the sex abuse scandals. View the ad [here](#).

Last week, a victim of Father Lawrence Murphy, who [molested up to 200 boys](#) at a school for the deaf in Milwaukee between the 1950s and 1970s, said the pope knew about the accused serial pedophile priest and should be held accountable for Murphy's actions.

Days later, the pope was accused of approving, in 1980 when he was archbishop of Munich in his native Germany, the [transfer from one German parish to another](#) of a priest accused of pedophilia.

And on Tuesday, a lawyer for a man who claims he was molested as a teen by a priest in Miami said the Congregation of the Doctrine of the Faith under then Cardinal Joseph Ratzinger "[lost the paperwork](#)" when a US bishop began the process of defrocking the abusive priest.

The following video was broadcast on CNN's Larry King Live, Tuesday March 30, 2010, and uploaded to the Web by [Crooks and Liars](#).

Understand this: There is a high order in esoteric Illuminism called Ordo Sinistra Vivendi or "Order of the Left Hand Path." Its purpose is to destroy Christianity by deception.

The Luciferian Talmudic AshkeNAZI European Zionist Jews have for centuries been operating through their secretive inner invisible world of Jewry, having long ago developed modes, tactics and strategies to be used in **DESTROYING CHRISTIAN & MUSLIM CIVILIZATION** and covertly attaining control over our lives and governments. Behold, for one of their core rules of life is to purposely lie to all Goyims, their oaths having absolutely zero substance and value for the goy (as taught in the Talmud) who are viewed as mere servant class to them.

Statement by Professor Israel Shahak

On the Jewish hatred towards Christianity

Dishonouring Christian **religious** symbols is an old religious duty in Judaism. **Spitting on the cross, an especially on the Crucifix, and spitting when a Jew passes a church, have been obligatory from around AD 200 for pious Jews.** In the past, when the danger of anti-Semitic hostility was a real one, the pious Jews were commanded by their rabbis either to spit so that the reason for doing so would be unknown, or to spit onto their chests, not actually on the cross or openly before the church. The increasing strength of the Jewish state has caused these customs to become more open again but there should be no mistake: *The spitting on the cross for converts from Christianity to Judaism*, organized in Kibbutz Sa'ad and financed by the Israeli government is an act of traditional Jewish piety. It does not cease to be barbaric, horrifying and wicked because of this! On the contrary, it is *worse* because it is so traditional, and much more dangerous as well, just as the renewed anti-Semitism of the Nazis was dangerous, because in part, it played on the traditional anti-Semitic past.

This barbarous attitude of contempt and hate for Christian religious symbols has grown in Israel. In the 1950s Israel issued a series of stamps representing pictures of Israeli cities. In the picture of Nazareth, there was a church and on its top a cross - almost invisible, perhaps the size of a millimeter. Nevertheless, the religious parties, supported by many on the Zionist "left" made a scandal and the stamps were quickly withdrawn and replaced by an almost identical series from which the microscopic cross was withdrawn.

Then there was the long-drawn-out battle about Christian influence in elementary arithmetic. Pious Jews object to the international plus sign for it is a cross, and it may in their opinion, influence little children to convert to Christianity. Another "explanation" holds; it would then be difficult to "educate" them to spit on the cross, if they become used to it in their arithmetic exercises. Until the early 1970s two different sets of arithmetic books were used in Israel. One for the secular schools, employing an inverted "T" sign. In the early '70s the religious fanatics "converted" the Labour Party to the great danger of the cross in arithmetic, and from that time, in all Hebrew elementary schools (and now many high schools as well) the international plus sign has been forbidden.

Similar development is visible in other areas of education. Teaching the New Testament was always forbidden, but in the old time conscientious teachers of history used to circumvent the prohibition, by organizing seminars or sending the students to libraries (not the school libraries, of course). About 10 years ago there was a wave of denouncing such teachers. One in Jerusalem was almost sacked, for advising her history pupils, who were studying the history of Jews in Palestine around 30-40 AD, that it would be a good thing if they would read a few chapters of the New Testament as a historical aid. She retained her post only after humbly promising not to do this again.

However in recent years, anti-Christian feelings are literally exploding in Israel (and among Israel-worshipping Jews in Diaspora too) together with the increase of the Jewish fanaticism in all other areas too.

The real enemies of truth here, as in many other aspects of the Israel reality, are the socialists, "liberals", "radicals", etc. in the USA. Imagine the reaction of the US Liberals, and of such papers as *The Nation* and *New York Review of Books*, not to speak of the *New York Times* if in any state whatsoever, the government financed spitting on a Star of David? But when here in Israel, the government finances the spitting on a cross, they are and will continue to be, *quite silent*. More than this, they help to finance it. United States taxpayers, who are of course mostly Christians, are financing at least half the Israeli budget, one way or another, and therefore the spitting

on the cross too.

Professor Israel Shahak is an Israeli citizen, former concentration camp inmate during WW II, and the founder of Israel's Human Rights League. His new book "[Jewish History, Jewish Religion](#)" about Jewish hatred and contempt toward Gentiles, is highly recommended.

Only the Jewish people can get away with ROUTINELY publishing and airing such outright vile garbage about Christianity. Even under the guise of "humor" and "comedy." Meanwhile the moment anyone has any objective criticism, remotely negative thing to say or even humor about Jews and Israel, oh boy, all hell breaks loose and the Jewish anti-Semite mafia comes out looking for blood and heads on platters. THIS is the unequivocal undebatable reality of the situation.

(pictured here is sick twisted yet highly acclaimed and made famous by the Jewish dominated media is Sarah Silverman a Jewish "comedian" pictured here humping a dog)

The poor Muslims have it really bad for theirs has been an age old struggle against the Jews originating way back from the days of Jacob and Essau. It so happened that God blessed Jacob who's descendants became the Jews and out of Essau's descendants came the Islam. Ever since those days they have been at each other's throats killing one another. Today we are in modern society 21st century yet the hate and animosity has grown to fever pitch. Over the centuries the Jews have become ever more wiser and clever. Now they indirectly control other nations by proxy and have them do their dirty work. Why do you think we have been bombing the shit out of Muslim countries all these past several decades?

The Jews, the Christians and the Muslims, even though they all originated from the common source, common bond, common ancestor: their father Abraham. Each possess a sense of ENTITLEMENT. Each one fervently believes that "they" are superior to the others. Each believes that they are pre-destined to be "the ruling one." Each one believes that it is them that have been pre-destined to receive the "messiah", Each one believes that they have sole rights to "the holy land" (located in and around Jerusalem). Therein lays the dilemma of the ages. Throughout all of time what has also transpired without being so evident, has been the hijacking of religions for political and special interest use in manipulating the populations. This selfish agenda driven interference has been central in the decay of religion, it's authority and respect in society.

The War Against Christianity

by Eustace Mullins, October 1982

The most devastating blows against the Christian religion are now being struck from within by Jewish moles, who have infiltrated Christian groups, often at the highest levels, for the sole purpose of continuing their destructive work. They intend nothing less than the ultimate annihilation of the Christian faith and the eternal enslavement of their victims, whom they always refer to with the utmost contempt as "goyim", or cattle.

When a "converted Jew" was recently named Archbishop of Paris, thus delivering one of Christendom's oldest and most faithful communities into the hands of the Jews, few of the victims had any concept of what a "converted Jew" was. They also had no understanding of the concept of the biological Jew, a scientific theory formulated from centuries of biological evidence that the Jew is a parasite whose entire life cycle is entirely dependent upon feeding upon a suitable host. The Jew can maintain his parasitic cycle and perpetuate himself only if he remains aware that he is different from the host and that he must always observe his differences. Consequently, the Jew continually fans the flames of hatred among his king against the host people in whatever country he has infested himself. The war against the host peoples is often concentrated in a relentless onslaught against the Christian religion, because Our Lord and Saviour Jesus Christ warned civilized people against the

dangers of the Jewish presence.

In its extreme phases, the war conducted by the Jews against the Christians and any other non-Jewish peoples results in the most horrible massacres and atrocities of history, epitomized by the present relentless daily slaughter of women and children in Beirut, while the rest of the world watches in horror, but because of the all-pervasive power of the Jews, can do nothing to stop these horrors. During intervals of "peace", the Jew continues to wage his war of attrition against the host peoples on all fronts, using every wile which he has developed over centuries of his continuous war against civilization. Jewish humor consists wholly of vile and salacious attacks against the goyim, veiled in "jokes" about their bestiality and their stupidity. Jewish leaders constantly herd the captive leaders of the goyim, known as the shabez goi, the traditional gentile moron who is hired to light the candle in the synagogue, into public organizations where they denounce their own people and swear eternal fealty to the Jews. Two of the most disgraceful shabez goi leaders in the war against Christianity are President Ronald Reagan and the Reverend Jerry Falwell, both of whom daily pledge eternal allegiance to the State of Israel, and who arm and finance the Jews in their war against civilization.

The attack on Christianity is carried on all levels. Canadian Jewish News Jan. 7, 1982, stated, "Germans today have a personal responsibility to support Jews and Israel and denounce racism throughout the world, Rabbi Erwin Schild of Adath Israel Synagogue said here recently at a lecture sponsored by the Christian-Jewish Dialogue of Toronto, B'Nai B'rith League for Human Rights and the synagogue." It is noteworthy that no "Christian" was allowed to speak at the "Christian-Jewish Dialogue", and that only Jewish purposes were discussed. Schild also said, "After Auschwitz, you can't deny the evil of humanity and even Christian nature."

Schild reveals one of the basic tenets of the Jewish parasite, which is that anyone who opposes the depredations of the parasite is "evil", and must be punished as cruelly as possible. To this end, the Jew constantly fabricates myths of "persecution" and "extermination", while at the same time carrying out the most brutal massacres of Christian victims, who in past centuries have numbered into the hundreds of millions, most of them women and children who were butchered on the pretext that they were "evil".

To emphasize that this campaign against the Christians is waged constantly and relentlessly, on a worldwide basis, we cite the Newark Sunday Star Ledger, March 21, 1982, which quotes Newark Archbishop Peter L. Gerety as having issued a 24-page major pastoral letter directing Catholics to "root out anti-Semitism" in their lives, and "to engage in dialogue and collaboration with Jews based on their common Biblical heritage." Note the emphasis on the verb "root out", or to purge themselves by the most violent methods of their "hatred". For centuries, Catholic leaders warned their flocks against the Jews and ordered that no Jew should ever pollute a Christian place of worship by his presence, but now these leaders have abandoned their religious traditions and have wholly embraced the disgraceful practices of the lowest forms of shabez goi existence. The Archbishop does not merely suggest, he "directs" that Catholics must "collaborate" with the Jews. The traditional definition of a collaborator is one who cooperates with an enemy occupying force. Those Catholics who collaborate with the Jews are acknowledging that the Jewish enemy has now won major battles in his war against civilization, that he now occupies the land, and that those who wish to survive must collaborate with him or be exterminated.

This same issue of the Star Ledger quotes Bishop Joseph A. Francis, "one of only five black Catholic bishops in the United States" as "having challenged Catholics throughout the Diocese of Newark to exorcise racism". Neither he nor Archbishop Gerety demand that the Jews abandon their fanatical racism and hatred of all civilized peoples. They are simply instructing the intended victims that they should not resist their attackers. Can this be "religious doctrine" or the faith engendered by the true Church ?

In the onslaught against the host peoples, the Jews indulge in the most arrogant and obscene attacks against Christian leaders. The Miami Herald, Feb. 26, 1982, Prime Minister Begin of Israel, was quoted as having demanded that West German Chancellor Helmut Schmidt "Go down on his knees and ask the forgiveness of the Jewish people." This is the only time in history that the leader of one nation has ordered the leader of another nation to go down on his knees in an abject gesture of submission and slavery, yet Begin, who has boasted on the program "60 Minutes" that he "invented terrorism in our time", found nothing out of the ordinary in his demand as the terrorist leader of the worldwide parasitic community that one of the principal leaders of a host nation go

down on his knees before the Jews. Ironically, Schmidt is the leader of a nation which, second only to the United States, has funded the parasitic bandit nation of Israel with more than thirty billion dollars extorted from German workers and given to Israel. The Germans paid the extortion demands only because the United States maintained a large military force in Germany with the threat to imprison anyone who refused to pay the extortion to the State of Israel.

Throughout many centuries, the Jews were weak and unable to publicly flaunt their goals of enslaving the Christians and destroying any Christian leaders who dared to oppose them. During these centuries, the Jews developed many cunning practices in order to carry on their evil work. One of the most vicious techniques was their masquerade as "converts to Christianity", known in Spain and Portugal as "conversos", the converts, or "marranos", or "Jews who mark (amarran) the faith). (Encyclopaedia Britannica.) Colliers Encyclopaedia, v. 15. p. 436, describes the marranos as "Those Jews of Spain and Portugal who under duress became Christians. Some Marranos actively accepted Christianity, but many of them practiced Judaism in secret, while others waited only for an opportunity to throw off their Christian disguise. Many Marranos rose to positions of great prominence and subsequently married into noble and wealthy Spanish families."

In areas which remained predominantly Christian, the Jews had to wait for hundreds of years before they were strong enough to throw off "their Christian disguise". When the State of Israel was established in 1948, after a series of atrocities which shocked the entire civilized world, Jews in many nations came forward to announce that they had been "marranos" or "pseudo-Christians" and had maintained this disguise in their families for as long as five hundred years. Now they delighted in abandoning their masquerade and announcing to the world that at no time had they ever believed in the principles of Christianity. They had been Jews, and nothing but Jews, throughout the centuries.

One can only wonder whether Archbishop Gerety and other shabez goi wretches know or care anything about the true history of the Satanic forces to whom they direct the souls entrusted to their care to surrender themselves. Certainly no one with any knowledge of theological history can believe that any Jew who "converts" to Christianity has any purpose except the most diabolical program to enslave Christians and to destroy the principles of Christianity.

The Encyclopaedia Britannica states that "Conversos remained within the Jewish communities in the cities because their occupations (merchants, doctors, tailors) were monopolized by the Jewish people." In 1499, laws prohibited conversos from holding public or ecclesiastical offices. In the 16th century, laws called "limpieza de sangre", or laws of blood purity, were passed to halt the rapid intermarriage of marranos with noble Spanish families.

In his *History of the Jews*, Josef Kastein, p. 231, writes, "As early as the 6th century the Merovingian rulers of the Frankish empire decreed that at Easter no Jews were to be seen in the streets for four days." In 1982, a book appeared which claimed that the Merovingian rulers were actually descended from the family of Christ. They were driven from power a few years after promulgating anti-Jewish laws. On p. 233, Kastein writes, "Some of the Jews, who were wedded to their estates, pretended to go over to Christianity." Note that this is not a description of impoverished Jewish tailors in the ghettos, but of Jews with large estates.

Throughout the Middle Ages, when Christianity everywhere was in full retreat before the rapid infiltration of the Jews, the Christian Church valiantly attempted to stem the tide. Kastein states, p. 325, "The monks called on the people to exterminate the Jews. At Easter, 1506, when certain Marranos in Lisbon were discovered making preparations for the celebration of the Passover, the monks organized the "Blood-Marriage of Lisbon and over two thousand Jews were killed in two days." These stories of pseudo-Holocaust™s abound in all Jewish propaganda. A street riot in which one or two Jews were killed by an outraged populace went into the history books as a "pogrom" in which many thousands of Jews were killed. This often ludicrous propaganda reached the height of nonsense in the twentieth century when the entire budget of the State of Israel was based on "reparations" from Germans who has supposedly killed six million Jews during a time when the world population of Jews actually increased, and while fifty million Christians were dying in the Holocaust™ of World War II. No one ever suggested that any reparations be paid for the fifty million Christian dead because, as defined in the

Jewish Book of Laws, the Talmud, non-Jews were not human, but were regarded merely as beasts of the field. Jewish law also states that goyim, or beasts, are not to be buried. As a result, during World War II, a Jewish war of extermination against the Christians, millions of Christian victims were never buried, but were left to rot in the open.

On p. 326, Kastein writes, "Very few of them (the Marranos) became resigned and abandoned the secret practice of Judaism." Christians, who believe and practice their religious faith, are unable to believe that members of other religions can infiltrate Christianity for their own purposes and masquerade as Christians while perverting the Christian religion into Satanic forms of worship. The Jews not only pretended to be Christians, but also infiltrated other religious groups as part of their worldwide plan to enslave all non-Jewish peoples or beasts. On p. 340, Kastein describes Jews in Turkey. "This movement created a new generation of Marranos, known as Donmehs, who in public behaved as Turks, but had their own private conventicles, in which they observed Jewish customs. They exist to this day."

Kastein goes on to describe how the Jews, masquerading as Christians, infiltrated every country in Europe. He writes that Marranos entered England and France in great numbers, and rapidly became wealthy and powerful. On p. 352, he writes, "Like the Marranos in Spain, the neophytes (pseudo Christian Jews) who had now become Polish aristocrats made the utmost possible use of their freedom, and managed to secure high social positions."

To the Jews, every such advance meant another breakthrough in their unceasing war against the Christians and their plans to overthrow all civilized governments. On p. 376, Kastein writes that they went into other countries "armed with considerable wealth and extensive international commercial relations." On p. 394, he describes the turmoil which these Jews created in Germany during the nine-teenth century. "A whole host of polemical writings for and against the Jews came into existence, which eventually became so outspoken that the censorship forbade the public discussion of the Jewish question." This censorship exists in "free Germany" today. No one is allowed to protest the exorbitant billions of dollars which German workers are forced to pay to Israel, no can anyone enter into any public discussion of whether the mythical Holocaust™, also known as the "hoaxocaust" actually took place. Like all governments controlled by the Jews, the present-day German government denies to its goyim slaves any rights of free speech or free assembly. Germans cannot assemble in public or engage in public discussion of the Jewish problem, just as Kastein describes German censorship of the nineteenth century.

Today, because of Satanic Jewish power, every government in the world stands on the brink of complete economic and political collapse. Christian leaders in every field, particularly in religion and government, frantically assure the Jews of their fanatical devotion to the cause of Israel. Little do they realize that while the Jews may have temporary need of them at the present as collaborators to ensure the permanent enslavement of the goyim masses or beast of the field, the Jews have even less respect for them than for the most ignorant of the gentiles. They will be the first to be disposed of when the Jews openly establish their world dictatorship. It was the liberal government officials and educators in Russia who were the first to be massacred when Jewish Bolshevism openly seized power, and so it has been in every nation in which the Jews embarked on their bloodthirsty purges of all potential opponents. As we approach the beginning of the twenty-first century, God offers us one last opportunity to save civilization before our lives are swallowed up forever in Satanic Jewish world dictatorship. We can do no less than follow the example of Our Lord and Saviour Jesus Christ, who was martyred by the Jews only because His followers failed to take up the battle against this unholy empire. Once again, God extends this chance to us, our last opportunity to save ourselves and our civilization. A short time remains before the world descends forever into the darkness of Jewish barbarism.

Jewish contempt, disrespect, disregard, loathing, abhorrence of ALL gentiles and ALL non Jews is legendary, alive and well. Exhibit A:

EVAN DORKIN · COLORS BY SARAH DYER/07

The U.S. is Not a Christian Nation?

In case you have not noticed, the United States is not a Christian nation, and the stench of this country has been going up to the throne of God for a long time. I love my country but not the forces that have seized upon it! We are a nation that butchers millions of innocent babies and uses and sells their little members and stem cells for research and even more sinister reasons. Our Federal Government jails those who protest this mass murder. We are a nation that is saturated with perverted sex, strip joints, pornography, prostitution, gambling, incest, drugs, drunkenness, blood lust, bestiality, and other vices at all levels of the social strata. We are a nation filled with all kinds of witchcraft and occult worship. The average young person seems to know a lot about the dark side and witchcraft but almost nothing about the Bible. Is this a Christian nation? We live in a nation where ministers endorse the witchcraft of Harry Potter, and it is WITCHCRAFT!!! I know, I was in it! We are a nation full of perverse religions and secret societies. Ministers and churches are sold out to pagan holidays, and their church calendars reek with the stench of the same holidays that witches celebrate, and the witches were doing it first! God help us, and if we don't repent, he won't! Look at the people everywhere with their trashy, pounding music with blasphemous lyrics. The people of these last days have pierced virtually every body part and are covered with tattoos. They spike their hair, which is dyed green, orange, and purple, and dress like clowns with baggy pants full of holes. Human respect has disintegrated, cruelty to animals is everywhere, and a general spirit of nastiness and selfishness prevails. So much fuel for the lake of fire! This is that new world they promised us back in the sixties. - (Lest not forgot to mention that our nation is also the epicenter of homosexual society, America is quickly becoming the modern day Sodom and Gomorra). - [source [Last Trumpet Newsletter](#)]

God selected Abraham and his seed to bring forth the Messiah so that all nations on the earth could be saved. Satan *also* selected Abraham's seed to bring forth the the son of perdition, aka the Antichrist, and thus what we have been witnessing the world wide events of orchestrating the Zionist Jewish World Government, otherwise known as "the Zionist World Federation," which is going to present to the world a Messiah who in the Bible is also known as the "Son of Perdition." (2 Thessalonians 2:1-12). In order to do so. The Zionists in the position of Lucifer have been instigating conflicts between the two BROTHER religions of Islam and Christianity... "whispering" into the ears of the Christian church and telling them to kill their brothers first before their brothers kill them. The hate that has been formed between these two by the Zionist Jews is astronomical. Right now at this very moment they are trying their very best to get the Christian world to turn the entire Muslim world into a giant parking lot by bombing them back into the stone age.

The Zionist Jew master manipulating instigators must destroy Islam (whom are in a position of gatekeepers) at all costs in order of them to overtake the Temple Mount and establish their world rule. What many people do not readily understand is the fact that the Zionist have slowly and methodically been destroying the two only obstructins in its path to securing world rule: the two brother religions that came out of the same womb... How have they been destroying their rivals isn't easily observed by the uninitiated eye. I will take a shortcut and use the words of a very astute champion of truth, the profound insight of Eustace Mullins. This man has many works in circulation, has been heralded as "America's greatest historian - bar none." Please look him up and download any of his writings for he fully understands the true extent of the Zionist threat to man and harbors no fear in telling the un-varnished ugly truth as it is. Studies indicate that over 90% of the population believe in "God", yet the majority of that very same population are all LOST. They are BLIND. We have all been lead astray, we are lost in our selfishness, our own needs, our lust, our greed, etc., it is always about me, me, me, me, ME! We have become lost due to the never ending barrage of morally decaying Zionist media we are bombarded with every day of our lives. Our daily routines have become so saturated with programming, indoctrination, hype, propaganda, endless amounts of entertainment, useless trivia and so forth that for many there is no room nor time to search deep within ourselves to find our true meanings in life. **Without a clear understanding of the creator or our purpose in life, evil has been able to easily dominate all of history.**

You are lead to believe that the push to **remove religion from our schools, take out the ten commandments from public buildings** and so forth is being spearheaded by atheists. Nothing is further from the truth. The single most powerful entity working 24/7 on eradicating religion, especially Christianity from all corners of our public society exposure are none other than your friendly neighborhood Zionist xenophobic masters. The unstoppable leader in annihilating the established Christian base is none other than your friendly neighborhood Zionist attack dog... the Anti-

Defamation League, American Jewish Congress, American Jewish Committee, AIPAC, etc., and their undercover atheist agents.

Check the ADL website, you will be amazed what you will find from hardcore Jewish websites. Their main aim is to destabilize and create a chasm between the people and their relationship with their God. Every year, God and religion keep getting regulated, marginalized and phased out of our society all the while they usher in immorality with open arms. On the other hand while they are busy working to legislate religion out of schools and public buildings they are working on getting some cities to open “Jewish Theme” public schools. Folks, like I keep telling you, I don’t make this stuff up.

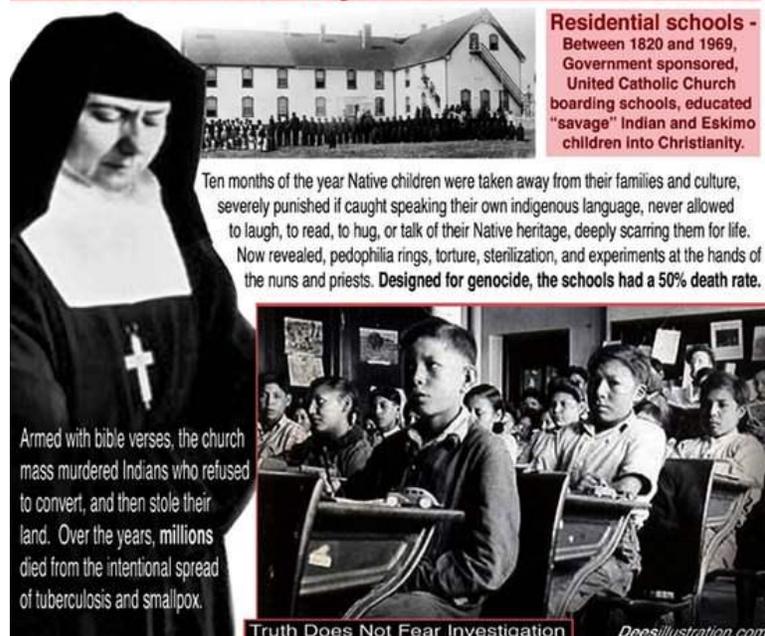

America was a nation that was supposedly founded on the principles of religious liberty. We have all been taught the fairytales of the Pilgrims that came here to establish this nation, yet evil was chasing hot on their heels. **Our history books glamorize the Pilgrims yet are almost completely devoid of the details on information about the aristocrats’, leaders of industry, robber barons, the men who came to profit from, plunder, enslave and rule this new world.** This group quickly took control from the meek God centered settlers. The sad truth of the fact that the single largest GENOCIDE in history occurred right here in America is never discussed. America's legacy, its founding, was based on rivers of BLOOD, and established through the genocide of the indigenous population of American Indians, a genocide so large that it makes the over hyped and blown out of proportion Holocaust™ seem small in comparison.

The painful conquest of America was accomplished through shedding the blood of millions upon millions of truly innocent lives that had NO CLUE what and if they did anything wrong. The Indian’s crime was to inhabit the lands they lived on for thousands of years. Then along came the “WHITE MAN” to claim ALL the land as his own. With the white man waltzing into Indian towns, proudly proclaiming that their land was now his, blowing their heads off, having a party then kneeling to pray to his gods. (Hey, this sounds a lot like Israel conquest of Palestine, eh?) So began our history, where they have since those days began hiding the atrocities, deceiving and lying. For it has been said: He who wins, is the one who gets to write history. In my book this land STILL belongs to the Indians, they and only they should rightfully be allowed to take public office and the reigns of our government.

Religion has always been a prime target for manipulation by the ruling master elite. Religion plays a pivotal KEY role in keeping the often unruly mass public under control and instrumental in **converting them into docile obedient sheeple**. This is a FACT, hate the truth as much as you like, it won’t change the fact that it is the truth. Most of the manipulating is done behind closed doors. But in some cases you can see it right out in the open as in Washington enforcement matrix asking for help from the clergy in the “event of a terrorist attack.” They are actively courting the churches help to control the masses, this outright request has been put in play and part of their overall contingency plans.

How did our Christian nation that conquered the Americas get conquered by the Zionists and their Masonic subsidiary? Actually what has transpired is an immaculate work of art of infiltration. What was once a God fearing Christian nation has become a Zionist fearing nation of spineless, gutless, make believe Christians. The worst offenders are the

Hidden From History: The Canadian Holocaust

Christian churches and leaders who have become USEFUL IDIOTS and bought into the **Christian Zionism**, they have **betrayed the gospel of Jesus Christ**, and have become **propaganda agents for the satanic imperial domination of the “synagogue of Satan.”**

The Christian Zionist Paradox

John S. Torell of European-American Evangelistic Crusades wrote:

“...Most mainstream Christians are indoctrinated as Christian Zionists, whereby they believe that if a Christian does not bless the political state of Israel, then God will curse them. If you ask a Christian where this is found in the Bible they will turn and refer to the blessing of Abraham (Genesis 12:1-3; 22:16-18), but if the text is carefully read, it never states anything about the State of Israel, and in the New Testament, Paul states that the seed of Abraham are the born again believers in Christ (Romans 4:11-16; 9:1-8). Paul makes it very clear in that Jews and Gentiles alike must come through Christ in order to be counted as heirs of Abraham (Galatians 3:16-29).

According to the American Jewish leadership, Ted Pike is anti-Semitic but let's be fair and define exactly what anti-Semitism is and is not. **According to the World Zionist Federation, the ADL and all other Jewish organizations, an anti-Semite is any person who does not support the political state of Israel, is critical of Jewish policies or exposes historical facts which are not kind to Jewish people.**

It is interesting to note that the mainstream Christian leadership in the United States doesn't care if Christian researchers examine different religions like Islam, Hinduism and Buddhism. Books on these subjects are readily available in Christian bookstores and many of these stores are owned and operated by American Jews. So it doesn't produce any problems if books are very critical of different religions. Christian researchers examining and writing critical books and articles about the Mormons, Jehovah's Witnesses and other sects that have deviated from Christianity do not raise any concern because the Christian bookstores make hefty profits on these sales.

But if a Christian researcher decides to investigate Judaism, where it came from, what they have been doing in the past and what they are doing now, this is unacceptable to the American Jewish leadership and they have installed a great fear into all mainstream Christian leaders about the threat of being labeled as anti-Semitic. They know that if they are labeled as such, their finances will dry up and they will be boycotted and driven into isolation. If a minister is on the radio and television, it will not take long before he is forced off the air. No publishing houses will print his books and the media will never mention his name. As far as the world knows, the person will no longer exist.

Ordinary Christians are clueless about all this. If you're reading this and this is new to you, I know you find this hard to believe but I challenge you to contact Christian ministries and ask them why they are not talking about Ted Pike and giving him credit for what he has done. Ask them what Ted has done that is so horrible to warrant being labeled an anti-Semite? I don't believe that any ministry will dare to respond to your questions because they have no answers and are operating out of fear of American Jewish power.”

Christians must wake up from their stupor and come to understand the true apocalyptic nature of the Christian Zionist alliance, for key Christian Zionist figures such as: **John Hagee**, Pat Robertson, Alan Keyes, Jerry Falwell, David Pawson and others have been doing nothing more than **selling out their Christian brethren**. Another very important point I must make is the fact that **MANY Christian Zionist organizations, websites and so forth are nothing more than Zionist Jew propaganda shams!** Wake up useful idiots!!!!

The one single factor that the Zionists have been using to DECIEVE the Christians with, is the Old Testament. The Old Testament is nothing more than the **Hebrew Scriptures... a HISTORY BOOK written by the Jews!** The Jews absolutely **DO NOT** RECOGNIZE or BELIEVE IN THE NEW TESTAMENT! They absolutely DON'T believe in Jesus Christ. They **often refer to Jesus as a BASTARD child!** Yet ALL Christians from all corners of the earth still cherish and study the Hebrew scriptures we call the Old Testament. **Many if not most Christians STILL believe that**

the Jews are STILL the "chosen people" of God!!! DOH!!! NEWS FLASH!: The Jews *WERE as in: USED TO BE* the "chosen people" a long time ago.. but they missed the boat when they failed to welcome him and help him establish his Kingdom of Heaven on earth. They instead turned their backs and murdered the SAVIOR! Hence: God established the CHRISTIAN people as THE NEW CHOSEN PEOPLE.

Yet millions of Christians worldwide still view the Old Testament as "current" when in reality the New Testament was the "updated" book that **supersedes** the Old Testament. Christians have to start viewing the old testament as a HISTORY BOOK... and the Jews as the people who God promised the keys to the kingdom, who then **BETRAYED GOD, thus loosing not only their standing as the "chosen people" but also losing all that was promised to them,** for what was promised to them has LONG SINCE been forfeited to the Christians. **The reason the Christian religion exists today is because of the FAILURE of the Jews to accept Christ when he first came!** Doh! Therefore, the Jews are NO LONGER the "chosen people", that distinction has been handed over to the Christians 2000 years ago. **I say to thee: Can you truly understand this?** The Christian right MUST come to understand this most elementary FACT and stop bowing down to the pressures of the Zionist Jews who have been sinisterly using the Christians gullibility over the Jew's once important standing in front of God!!!! Behold! For I hath spoken! As it is, was, has been and always will be!!!

"I hope the Jews did kill Christ... I'd do it again. I'd fucking do it again – in a second." – Comments of Sarah Silverman, Jewish American comedienne who was obviously raised in the corrosive, corrupt, anti-Christian environment of Talmudic Jewish thinking. Darling of the Jewish media in America, Silverman is rewarded with fame and fortune for exposing how Jews truly feel about Jesus Christ but which they themselves DENY with all the typical screeching and howling of 'anti-Semitism' whenever Christians or Muslims DARE voice the same facts.

Christians worldwide must wake up and realize that the Zionist Jews and their Masonic brethren are really the enemy. Christians must stop treating the Jewish religion as "superior" or as if they are still "the chosen people" for they are flat out NOT. **They have lost the grace of God the day they killed their savior, his son, the Christ.** And to this day they still spew veil obscenities on the son of God! Wake up out of that insane preposterous notion that the Zionists have infused in you for decades! For **they hide under the pity of the poor "persecuted" innocent loving people of God.** Wake up for that is their "shield", this is only a **ruse** they use for cover as they gather ever more power and wealth. Today their worldwide influence is astronomical to say the least. **They have infiltrated and silently lead almost every industrialized nation from behind the scenes.** The neo-con and liberal Zionists can be found at all levels, do your own research, **look at the names the KEY central figures involved in governments!** Chertoff, Perl, Abramoff, Scooter Libbey, Henry Kissinger, George Shultz, Wolf Blitzer, Alan Greenspan, etc., etc., etc., etc., the list is almost endless.

The demons who wish to enslave you and your kind are in your very midst. While you are at it, spend countless months researching the thousands of Zionist Jews that run the world's largest powerful corporations and organizations. Wake up fools!!!!

The Jewish religion is basically, still today after 5000 years, just one religion. Meanwhile Christianity has been broken down and **divided into literally more than 32,000 different denominations!!!.** Hence here lays the root of the problem within Christianity. They are so busy fighting with each other as to which one is the "real" Christian house of God, that they have effectively rendered the entire Christian movement paralyzed from the head down. All the different heads "speak" but the entire body is completely immobile. Powerless to fight off the true sinister evils running rampant throughout the world. The truly sad part, is that again, the new Christian people that God had raised up replace the mission of the Jews, are so lost that I wonder if the Christians will do a repeat the failures Jews and what they did to Christ on his first coming to earth... Why must the Son of God come for anyway? He promised to return to finish his mission to FREE MANKIND and to open the way for man to come back to the reign of the one true God.

Behold: For I proclaim to thee that Christianity is not alone. It MUST absolutely unequivocally bond with its BROTHER religion: Islam. The two are decendants of Jacob and Essua and MUST come together in brotherly love. These two religions believe in the SAME God, the same savior Jesus Christ and basically the same overall tenents. It is and has always been the Synagogue of Satan, the Zionists in the position of Lucifer who has been instigating the conflicts, animosity and wars between these two brother nations... The battles began in the womb eons ago, now they

are being engineered and instigated toward a world level bloody confrontation... Please digest these words carefully, for the time is at hand. The two brothers MUST find a way to go beyond all the hate, forgive and forget and be reunited in brotherly love centered on their common Heavenly Father... I have spoken here, not with my own authority, but only that what has been revealed me. So it is, has been and always will be.

As I elaborated in the Financial Matrix chapter, discussing terms, conditions and clauses; everyone that has honored the PAGAN practice of celebrating, “worshiping” the warm fuzzy “**Santa Claus**” in actuality fell victim to what is the “**SATAN CLAUSE**.” The devil has legally binding argument on most of mankind in that **they all have by default, forsaken their true Lord in “worshiping” Santa Claus!** Stop being in such bubble headed denial. You decorate your homes under his idol themes, you lie to your children telling them all sorts of pagan stories about Santa, etc., etc., and so on. Oh then for good measure you honor Jesus’ death by celebrating the freaking **EASTER BUNNY!** What are you going to say when you get to the Pearly Gates? “Golly gee, I’m sorry I had no clue.” You are so hopelessly **BLINDED**, oppressed, entrapped, and finally enslaved in so many forms that it really is mindboggling.

You were all born into slavery and don’t even have a clue. **You already bear the “mark of the beast” yet you have no clue.** There is a group of well meaning people warning everyone of the National ID card with RFID chip embedded in it. “If you get that card you will receive the mark of the beast”, umm, **too late**, you have already received the mark the day your parents REGISTERED you into the system. You received “the mark” the day you were issued your SOCIAL SECURITY number. For that is the NUMBER OF THE BEAST you were assigned, for you will “not be able to work or buy some key things without it.” The national ID card is just modernizing the existing system, to more efficiently do what they can already do, such as track and record everything you do. Sorry that I must be the bearer of bad news but you are already OWNED by “the system.” The day you truly understand this info is the day you can earnestly commence searching for the way of true emancipation...

One question that you should be wondering, is “was the ID system designed as the number of the beast by the ruling masters?” I highly doubt that the ruling masters of the day got together in a dungeon and concocted the Social Security System as number of the beast system. As happens more often than not, I believe that the time had come where certain conditions had been met and the time had come that allowed for the implementation of the prophesized numbering system. As I go on to explain in further detail in other chapters of the Matrix Report, suffice to say for now that man often channels the spirits of either good or evil beings, thus come strokes of genius and good deeds or sinister actions that further the devil’s goals of punishing, oppressing and enslaving mankind. Whether you like it or not, you are what you channel. You are a living spiritual being. You bridge the physical world and the spiritual world, the harmonic convergence occurs within man. The so called, the elusive 5th dimension.

All you hopeless goyim sheeple fools pathetically believe that you have freedom. “America, the land of the free” is a remarkable subliminal statement. It has been proven in a controlled laboratory environment, if you repeat anything enough times, people will come to accept it as truth. Yes you are technically physically “free” for several hours of the day, once you finish doing your time for the masters you punch a clock for, then you go home and have “free time” where you can do whatever you want within the constraints of the law your other ruling masters impose on you. But you still cannot see those other invisible collars around your neck, can you? There are several of them. I have revealed several different kinds of enslavement to you throughout this report, when all is said and done, it is ultimately up to you to have that personal “thunderbolt realization”, thus crystallizing everything I have been trying to convey.

I cannot end this chapter on religion without touching upon a very relevant and prophetic issue. We are evidently living in what the prophets described as “the end times.” Therefore if you fully understand that statement you must, as in MUST find out who or what the BEASTS of the book of Revelations is and WHO or WHAT is the “anti-Christ.”

I’m not going to beat around the bush. There is no time to pussyfoot around. I hereby proclaim to the world:

1. The mystery of **the Abomination that Causes Desolation** is none other than the evil Zionist’s seizure of the land of ~~Palestine~~ Israel.
2. The anti-Christ is defined as one who denies that Christ came to earth as God’s son and our most beloved savior. Therefore anyone who denies the authority and significance of Christ is an anti-Christ. The NUMBER ONE anti-Christ in the world today is none other than the Talmudic Kabbalahist Zionist Jewish abomination

that has been waging war on Christ, denying him and everything he stands for. Communism was another form of anti-christ. Communism and its roots lead directly to it's founding fathers: none other than the Zionists.

3. One of the BEASTS is none other than the sprawling multi-headed Zionist industrial complex monstrosity that roams the world plundering and pillaging, ravaging and corrupting the world, fornicating with kings of the earth, devouring its victims.

Behold: Do not fear the “**all seeing eye**” for it is not exclusive to the illuminati ruling elite, who have monopolized and hidden from you what was to be common to all of God’s children, “the knowledge.” Enlightenment. For eons “they” secretly hidden and perverted the gift of “sight” (what they refer to as “the all seeing eye.”) Throughout history the Illuminati monopolized knowledge and thus have likened themselves the “enlightened ones” over mankind, whom have purposely been oppressed and kept in the dark for eons. What they don’t want you to know is that once you become emancipated, realizing your divine nature as God’s children, as he originally intended, those who seek shall also become **liberated children of God** thereby also **enlightened in the light, knowledge and love of Heavenly Father**. Right now the ruling elite are the iniquitous “enlightened ones.” They possess certain keys of knowledge, especially forbidden occult knowledge and have purposely kept mankind in the dark for eons so that they could easily rule over ignorant mankind.

Unlike those who have been using their twisted gift of sight to enslave mankind, your sight should derive from original superior light of Heavenly Father and the Holy Spirit. Seek and you shall find, for **to understand the hidden secrets of the all seeing eye yourself...** is to possess the ability to see “the matrix,” to see the world from Heavenly viewpoint, thus **able to see** what all others cannot, for they are still **blind...** bare naked in the **dark**. Once you are given the gift of sight it is your Heavenly duty to go forth and open the eyes of and emancipate your fellow enslaved man, for only then will the true oppressor of mankind have no where to hide... Stand firm in the Name of the Lord all you who hear the shepherd's voice, for the time of darkness is upon us.

I was in New York City from September 21 until September 26, and I must say that I am shocked at the breakneck speed at which the conspiracy for one-world government is moving. I also had many things confirmed in my mind regarding who is controlling religion in America. I went to the massive structure known as Riverside Church at 120th Street and asked about Fidel Castro, an atheist and communist butcher and mass-murderer, who spoke from the pulpit of that church. The receptionist told me that Castro "preached" there. I also asked who pays for the operation of that massive structure and was told that it was all paid for by Rockefeller money. The Rockefeller Illuminists, who work for the Rothschilds, seem very interested in religion.

I also went to the headquarters of the National Council of Churches and the World Council of Churches located in a massive office building on Riverside Drive. While speaking to one of the officials there, I asked how the NCC and WCC are funded. I was told once again that it was Rockefeller money. Why are the Rockefeller Illuminists pumping countless millions of dollars into the so-called Christian denominations by means of the NCC and WCC? They are keeping control at the top. Does your church belong to either of these organizations? Find out!

I also visited the largest Gothic cathedral in the world, known as the Cathedral of St. John the Divine. This is an Episcopal Cathedral, which is absolutely filled with evil spirits. On October 1st, a special Earth Mass or "Missa Gaia" was held. A dance company called "The Forces of Nature" also performed along with a procession of animals, which were to be blessed by the bishop. The following quote is taken directly from the official newsletter of the cathedral regarding the blessing of the animals: "Since the first festival in 1985, clergy have blessed thousands of creatures, including a turkey vulture, a skunk, a python, worms, algae, and a 3.5 billion year old Australian fossil. Participants in the blessing of the animals have included Vice President Al Gore, Dr. Carl Sagan, and 5,000 neighbors and visitors from around the country who attend each year." (23) When I think of this, I am reminded of Romans 1:22-25 which says, "Professing themselves to be wise, they became fools, and changed the glory of the incorruptible God into an image made like to corruptible man, and to birds, and four footed beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves: Who changed the truth of God into a lie, and

worshipped and served the creature more than the Creator, who is blessed forever. Amen."

The Cathedral of St. John the Divine is now preparing for its annual Halloween celebration, which is the most important sabbat in the Wiccan religion. Why is this so-called "Christian" cathedral celebrating a witches' sabbat? The following description of the upcoming event is taken directly from the cathedral's newsletter: "The Cathedral fills with eerie sounds and sights. Spooky spirits and massive monsters slither down the enormous aisles. Great ghouls find their haunt: a 30' skeleton shakes its bones above the Great Choir; a 20' spider climbs the wall under the Rose Window; and two giant-sized ghosts (one a bishop rising from a bishop's tomb) float in space....Highlighting this year's event is a showing of the 1931 classic horror film, Dracula, starring Bela Lugosi, accompanied by Cathedral Organist Dorothy Papadakos....Lugosi's "appearance" is but a frightening warm-up for The Grand Procession of Ghouls, fabulous, life-sized creatures dressed in fantastic outfits." (24) Is there not a great need for repentance in the land? How can Christians be fighting the enemy when they are in full cooperation with him?

We are hearing so much talk about God by government and high profile people, and special church services are being held everywhere, and yet the only remedy for the current crisis is a true and complete repentance from sin, iniquity, and the many evils that fill our land! I watched in amazement as our leaders gathered at the National Cathedral in Washington, D.C., for a special memorial service. I have been inside the National Cathedral, and I can tell you that it is beyond a doubt a house of Satan himself! On the building are hosts of gargoyles, which are caricatures of demons. In the gift shop in the lower level of the church, gargoyles are featured, and you may purchase entire collections of them. If you look up from the front entrance to the National Cathedral, the latest gargoyle acquisition to be cut into the building is the image of "Darth Vader" from the dark side of "the force" in the Star Wars movies. They were so proud of this new acquisition that they were handing out papers regarding it! So this is the place, a very house of Satan, where they went to remember the tragedy of September 11, 2001. – [source: [Last Trumpet Newsletter](#)]

I will finish up this section with more disturbing food for thought: **The SATAN CLAUSE:**

The boundaries and rules of Heaven and Hell are drawn by Divine LAW. The rules of the war between good and evil is defined by Divine Law. Break the law and you go to, you know where. Therefore Satan's minions are forever trying to get God's people to break the laws so that Satan can have more millions of souls to feed on. Likewise here on earth the physical world is run by LAWS also. One of the most integral parts of laws are what are referred to as "clauses" all legally binding contracts contain them.

There is an old saying "the devil is in the details." This is never more evident and pertinent than in the key instrument used in the world of finance and business, the contract. The integral component of Uniform Commercial Code Law, any written agreement and contract is the "**terms and conditions**", the king of "the details" and the "small print." **The main ingredient to watch out for within any agreement are the TERMS and CONDITIONS, i.e., the: "CLAUSES."** It's all about the clauses that set up parameters one must navigate around and understand, the clauses contain the hooks, pitfalls and traps. More often than not, any one particular clause may seem benign and harmless until you fall into its web. "I will lend you this money on _____ conditions." It's always about the CONDITIONS/CLAUSES you sign your wages, car, house, soul away to (when the IMF enslaves nations it refers to them as "Conditionalities").

Satan presented the very first **clause** in history to Adam and Eve... look what was the historical result from agreeing to that

clause! Every sinister, self-centered, one sided, pit trap, takeover clause in existence can be considered a “**Satan Clause**.” One must always bear in mind the age old warning, “if it sounds too good to be true, then it is.”

You have all unknowingly been trained into the acceptance of ridiculous clauses since childhood. The very first terms and conditions you were suckered into was the “**SANTA’S CLAUSE**.” Where you were lead to believe in a **FALSE BEING that for all intents and purposes literally replaced the most holy son of God, Jesus Christ**... who had once proclaimed “none will go to heaven except THROUGH ME.” Then there was the all important commandment: “Thou shall have no other idols or gods above me.” Did you wish and pray to Santa or Jesus for “toys”? Eh? Children innocently, inadvertently, unknowingly “**worship**” a **false being** named Santa... thus tricked, automatically by default, breaking Divine Law and regulating Jesus to the status **SECONDARY** in importance and relevancy, this has been the genius of this **SATAN CLAUSE**. Yet again, as always, the devil is in the terms and conditions, in the details, in the clauses.

Behold: for “Santa Claus” is none other than the “Satan Clause.” (Is it any wonder why his official costume is red?) According to the fine print of his **CLAUSE**, you have all been guilty of **IDOL WORSHIP**, of placing someone else above and over your true Lord. Oh, then you celebrate his death with the freakin **Easter Bunny**! Doh! Oh what a colossally blind society we have become. This message has been brought to you by your loving, caring, most benevolent Zionist media masters who steadfastly promote and encourage your pagan practices to keep you dumb, blind and wish to enslave you. [Here are pictures of today’s Santa Clauses](#).

The Real Origin of Christmas - [video](#)

Further investigation into the matter of the Satan Clause and his “Christmass” leads us to even more dark revelations. To make matters even worse, Jesus wasn’t even born on December 25th. Not even close to that date. But if you do your homework you will find that December 25th is the birth date and/or celebration date of at least half a dozen pagan gods and Druids.

Mithra was one of the pagan gods born on that date. A festival was celebrated among the heathen on this precise time in honor of the birth of the son of Isis, the Babylonian queen of heaven. Christmas trees, Yule, lighting candles, placing gifts under the evergreen trees, mistletoe, gift giving on December 25th **were all well established PAGAN worship ideas and practices that existed hundreds if not thousands of years prior to Jesus’s birth**. The Puritans called Christmas diabolical and denounced Santa as the Anti-Christ. Somewhere around the year 350AD Pope Julius decided to to celebrate Jesus’s birthday on Dec. 25th because the pagans were worshipping the god of the sun on December 25, and the Christians came to a decision: **if you can't stop 'em, join 'em**. Huh? How convenient, the rest is history. [[The True Origin of Christmas](#), [The History of Christmas](#)]

The True Meaning Of Christ-Mass

They tell us that it is the season to be jolly. It is a time of ornaments, red and green decorations, silver bells, holly, mistletoe and colored lights. It is also a time of department store Santas calling out their universal mantra, “Ho ho ho, Merry Christmas.” Nearly all of the realm of so-called “Christianity” join in and repeat this same greeting, “Merry Christmas!”

Although we hear these words constantly as they resonate millions of times throughout the land, almost nobody understands what they are really saying. It is the purpose of this tract to take the words, “Merry Christmas” and examine the true meaning and essence of those words.

A true Christian would want to examine everything they say, because Jesus said in Matthew 12:36-37, “But I say unto you, that every idle word that men shall speak, they shall give account thereof in the day of judgement. For by thy words thou shalt be justified, and by thy words thou shalt be condemned.” We will now set aside all of the customs, glitter and traditions of Christmas, which were taken from pagan witchcraft and popularized by the Roman Catholic Church, and we will focus on the true meaning of the words, “Merry Christmas!”

The word "Merry" is simple to define. It unquestionably means to be happy, joyful and light-hearted. The word "merry" fits into the ambience of laughter and frivolity. This word "merry" by itself is innocent and innocuous enough, but as we will now see, it becomes heinously blasphemous when used with the word "Christmas."

Here let it be noted that most people think that the word, "Christmas" means "the birth of Christ." By definition, it means "death of Christ", and I will prove it by using the World Book Encyclopedia, the Catholic Encyclopedia, and a book entitled, *The Mass In Slow Motion*.

If you are an honest, sincere and discerning Christian, please read on; if not, you might as well stop right here. The World Book Encyclopedia defines "Christmas" as follows: "The word Christmas comes from "Cristes Maesse", an early English phrase that means "Mass of Christ." (1) It is interesting to note that the word "Mass", as used by the Roman Catholics, has traditionally been rejected by the so-called Protestants, such as Lutherans, Baptists, Methodists, Presbyterians, Pentecostals and so on. The word "Mass" is strictly a Catholic word and thus, so is "Christ-Mass."

It would stand to reason, that since all of these denominations love and embrace "Christ-Mass", that December 25th is the great homecoming day, when all of the Protestants become Catholic for a day. It would seem that all of the so-called "wayward daughters" of the Romish church return to their mother, the scarlet harlot. Thus, all of the so-called Protestant churches could sing to the Pope that popular song "I'll be home for Christmas."

As previously stated, the word "Mass" in religious usage means a "death sacrifice." The impact of this fact is horrifying and shocking; for when the millions of people are saying, "Merry Christmas", they are literally saying "Merry death of Christ!" Furthermore, when the fat man in the red suit laughs boisterously and says, "Ho ho ho, Merry Christmas", he is mocking and laughing at the suffering and bleeding Saviour, who died for our sins. He does this while parents place their little children into his waiting arms to hear his false promises of gifts that he says he will give them. Consider what you are saying when you say "Merry Christmas."

What is so amusing about our Saviour's painful death? What is so funny? Why is Santa laughing? Why are you going along with it? Your words do count and Satan knows it. Yes, the word "Mass" does mean "death sacrifice", and to cement that fact, we will consider the definition of the inventors of the religious application of the word "Mass." I am looking at page 537 of the Catholic Encyclopedia, which says, "In the Christian law, the supreme sacrifice is that of the Mass." It goes on to say, "The supreme act of worship consists essentially in an offering of a worthy victim to God, the offering made by a proper person, as a priest, the destruction of the victim." (2) Please note carefully the word, "victim" of the Mass. The Latin word for victim is "Hostia" from which the word "host" is derived. The Mass, by definition of those who coined the word, is a sacrifice involving a victim. There is no other meaning for the word "Mass" or "Christ-Mass." On page 110 of a book entitled "*The Mass In Slow Motion*", we find the following words: "It is only with the consecration that the sacrifice of the Mass is achieved. I have represented the Mass to you, more than once, as a kind of ritual dance." (3)

In essence, the Mass is the ceremonial slaying of Jesus Christ over and over again, followed by the eating of his flesh and the drinking of his blood. The Mass is the death sacrifice, and the "Host" is the victim. This is official Roman Catholic doctrine, and "Christmas" is a word that they invented. Again, I ask, what is so merry about the pain, bleeding, suffering and death of Jesus Christ? Satan has done quite a job of getting millions of so-called "Christians" to blaspheme. What a deceiver he is.

Now you know the true meaning of the word "Christmas" or Mass of Christ. There is much more to know about this pagan holiday, and we will be glad to provide you with plenty of evidence that Jesus was not born on December 25th, and that Christmas is not only a lie, but is actually a witches' sabbat called "Yule" in clever disguise. Please contact us at the address below, and for the sake of your soul, flee from idolatry!

David J. Meyer

Whatever inherent “good intention” that was once in the Christian adaptation of the concept of Christmas has long faded into history, today Christmas is nothing more than a capitalistic materialistic holiday commercialized to the extreme commanding legions of lemmings to shop till they drop. Strip it down to its core and the only thing left is **the Satan Claus** as all legally binding contracts, binds and enslaves the clueless minions.

Ok, with that said and done, I do have to admit that no matter what the true pagan origins of Christmas are, it is the biggest, most symbolic Christian holiday there is. The **JEWES have been the central players behind a “secular humanist” liberal agenda to destroy Christian and Muslim doctrines.** “Christ” has been literally excised out of “X-mas.” Christmas has been replaced by politically correct phrases such as “Happy Holidays” and “Season’s Greetings.” The Christian bible and Christian symbols are being forcibly removed from public places. The Jews are the ones who clandestinely been working behind the scenes undermining everything that is Christian, and they secretly despise Christmas with a passion. The end game is for the Jewish people to eventually be acknowledged as THE only true religion, then they shall reign supreme over everyone else’s religions that have been broken down, hollow and faiths left in tatters.

Im not done. Easter is also another major pagan holiday. Easter is an annual celebration observed throughout the Christian world. However, there are absolutely no verses in the Bible that authorize or endorse the keeping of this tradition. Further – the Bible does not mention anything about Easter eggs, Easter baskets, Easter bunnies, or even lent! Everything that we know of having to do with Easter today were parts of **pagan rituals of the Mystery Religion of ancient Babylon.** [The Pagan Origin of Easter, History of Easter – Hidde, Secret Origins and Mystery Religion, What Are the Real Origins of Easter?] The name Easter is the English derivation of the name Ishtar, the Assyrian and Babylonian goddess of love and fertility. One part of the Ishtar myth describes how Ishtar descends into the underworld and is killed (crucified) there. As a result of Ishtar’s death, the earth became infertile and neither birds, beasts nor humans mated. As the story continues, she was resurrected (sound familiar?) through magic incantations. Remember, this story emerged hundreds or even thousands of years before “Christ.” As far as the eggs and bunnies go, they are a celebration of fertility. Eggs were sacred to many ancient civilizations and formed an integral part of the religious ceremonies in Egypt and the Orient. Bunny hopping blind fools.

We must remember that Luciferian witchcraft is the religion of the Illuminists, and that they take their special days very seriously. Satan works in patterns, which is why history appears to repeat itself.

Oh, by the way: have fun while you fully support and encourage your children going out and honor, acknowledge, pay tribute to witches, warlocks, the occults, the devil on **HALLOWEEN** night! [for more info see: The Real Origins of Halloween, Halloween Origins and Customs, Halloween and the Forces of Darkness, Halloween and the Occult] For Halloween is just another very sacred wicca pagan occult celebration day. How nice of your corporate masters to promote all these pagan Luciferian holidays and make them **national days for worshipping pagan gods.** Doesn’t matter if you know it or not. The war between good and evil is waged by the rules of Divine Law. Just like any other law such as a speed limit, it does not matter if you know that the law exists or not, you broke the law, you get a speeding ticket. All of you idiots have been breaking Divine Law your whole lives by unknowingly celebrating pagan god holidays. You stupid mortals are unknowingly practicing pagan ritualistic occult worship, blind fools.

You must remember that we are living in the end-times and that these last days are days of great deception and strong delusion.

“None are more hopelessly enslaved than those who falsely believe they are free”

“he who has an ear, let him hear, he who has eyes, let him see”

..:EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

For it is written: *“the truth shall set you free”*

“By their fruits ye shall know them.”

THE OCCULT ELEMENT

SATAN'S RULING ELITE ILLUMINATI AGENTS ACCOMPLISH HIS WILL ON EARTH

Let no one be found among you who sacrifices his son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or who consults the dead. Anyone who does these things is detestable to the LORD, and because of these detestable practices the LORD your God will drive out those nations before you. You must be blameless before the LORD your God. The nations you will dispossess listen to those who practice sorcery or divination. But as for you, the LORD your God has not permitted you to do so - (Deuteronomy 18:9-14).

This section was not in any other previous release of The Matrix Report until this revision v4.0 I finally came to the realization that I had to try and articulate the importance of this element withing the ruling elite circles. The occult aspect of the ruling elite is so integral and central to their rule and primary source of power from the underworld that I had no choice but to delve deeper into this rabbit hole in the quest of exposing every single aspect of the secretive satanic ruling elite system here on earth.

It is very difficult for me to conduct research and gather info on this section of the matrix, due to the fact that it is so permeated with wicked sinfulness. The realm of the occult, black magick, sorcery, witchcraft, Satanism, rituals, paganism and so forth is VERY REAL and is REALLY USED BY SOME OF THE HIGHEST LEADERS. But the Zionist media consortium has the entire world believing this realm is nothing more than wonderful science fiction. Wildly popular Hollywood productions such as Harry Potter and Lord of the Rings are some of the best indoctrinating and priming programs that money can buy. In just a matter of a few years these two series alone have done more to advance the acceptance and growth of the black magick and the occult more than anything ever previously dreamed of.

How and where do I begin to even try to cover a sector that I am no expert in but yet have known my whole life that it has come from the bosom of the Devil, Satan himself? Yes the occult worship, honoring and sacrificing to Lucifer, Satan, the Devil and all their demons (aka "gods), spirits and fallen angels is very real. **Despite all the Hollywood movies that have depicted the evil occult, demons, etc., as mere comical fiction, these are all very much dangerously REAL.** I have battled several of them face to face, In my life I have seen and battled demons from the

darkside and was able to walk away to see another day (I'm sorry but I am not at liberty to discuss the nature of these encounters for if I do then "they" will know who I am, and frankly, I don't need more spells cast upon me)... this realm is not theory in my eyes, no, very far from it... I don't think, "maybe" "if", **I KNOW THIS REALM EXISTS**... just as I likewise **KNOW** God is REAL... It is very sad that most of mankind walks around in a confused daze WONDERING if he is real, thus they are easily swept up by the demonic forces that permeate this world and are easily led astray.

With that said and done. Where do we begin? Throughout this research report I have included information about the occult workings and nature of this realm and how it influences those respective sectors of the matrix. I have revealed that the first beast in the Book of Revelation is the **Holy Roman Empire/Roman Catholic Church/Vatican (i.e.: THE OLD WORLD ORDER)**, which as revealed in the Book of Revelations gives power to the second beast: **The Zionist Anti-christ (i.e., THE NEW WORLD ORDER)** which is upon us right now.

What the most of the people throughout most of world history fail to fully grasp, understand and comprehend is the FACT that **THIS WORLD IS RULED BY SATAN**. This is not hyperbole bullshit either. It has always been ruled by Satan since Lucifer's coup d'état engineered fall of man in the Garden of Eden. There are countless references establishing this FACT in the Holy Bible. You must get it through your thick skull, just as the Bible states over and over again: **THIS WORLD IS RULED BY SATAN**.

THIS WORLD IS RULED BY SATAN

THIS WORLD IS RULED BY SATAN

THIS WORLD IS RULED BY SATAN!

Satan is "the master of this world." Why the fuck would God need to send a SAVIOUR if this world were just fine and hunky doory? One of the tree temptations of Christ Satan told Jesus something to the tune of "if you bow before me I will give you rule over all these lands **FOR THEY ARE MINE** to give." (at which Jesus refused and responded "get back from me Satan," etc.) Have you ever seen the versus in the Holy Bible that refer to man as "THE SON'S OF SATAN"? What? Yes: mankind as the SONS OF SATAN and "you are of your father the devil."

I hate to be the one to slap you upside your head to wake you up, but someone must try to snap you out of this knowledge induced trauma producing deep lifelong denial that has been passed on from generation to generation. The wonderful world with all those wonderful memories you've accumulated/indoctrinated in has been firmly meticulously behavioral scientifically manufactured to sustain the illusion that this world is just fine and hunky doory, God and the Devil do not exist and are just figment of mythology, thus there is no need for a savior and this world is in fact the utopian model, the kingdom of heaven on earth is here and this is it. All we need to do is kill all those evil Muslims and the world will achieve nirvana is the general talking points that are being reiterated and echoed throughout all of society for years on end, eventually the people, knowing nothing else, BELIEVE THE LIE.

THIS is your wakeup call.

Why does mankind need to be REDEEMED FROM SIN anyway? Why does God need to send a MESSIAH? Do you even care? Or do you just want to continue you pathetic enslaved lives immersed in satan's matrix living in a worldwide manufactured ILLUSION of liberty, freedom and choice. Hey, Dancing With the Stars show is on TV right now this very moment, you could just drop this report and tune out reality and go back your cozy comfort zones... back to sleep... sleep... sleep... watch TV.... sleep.... watch TV, entertaining, funny stuff, they know what you like, what is good for you, they understand you... sleep.... let the "professionals" the authority figures take care of everything... they know what is best for you and everyone... yes... sleep... no need to awaken for you have been enslaved in your mind, bound by invisible shackles that limit your comprehension of total cognitive reality.

OR

You choose to wake up from your long Rip Van Winkle stupor. **Unplug from the matrix** that has kept you and your ancestors asleep and enslaved throughout your lives. Do you, can you DARE unplug from the matrix? For once you do so you will become an outsider a misfit in this world of immorality, decadence, violence and deception that willfully worships money. Hollywood stares and bows to Luciferian leaders who pose as wonderful benevolent leaders of the blind constituents, they take their talking points, pretexts, narratives and pump out exciting movies and shows based on those scripts. Oh how you are all primed and conditioned without the slightest clue, for you are all blind and don't even know it.

The time has come for the princes of peace warriors of God to awaken. To realize the TRUE REALITY of this fallen world full of manufactured illusions that the Luciferian leaders have meticulously crafted your lives around. Only those of strong mind, heart and soul will overcome the GREAT DELUSSION. The rest (who are the majority, I am real sad to report) are utterly and completely lost and beholden to Satan's rule here on earth, they know nothing else and they have been subjugated, fully having becoming one with the officially disseminated ideologies, their divine nature and abilities broken down to such an extent that they cannot comprehend or know any other way, they take their cues from the magick boxes we call TV and from Satan's matrix system's "elected" Luciferian figures of authority on earth that tell them what has been, is and will be.

For those who are among the chosen, the true warriors of Heaven and earth must "Be wise as serpents and harmless as doves." (Matthew 10:16). **You MUST KNOW THY ENEMY** in order to overcome/defeat him... To he who has an ear, let him hear, to he who has eyes, let him see...

Ok, now that we concur and universally agree that there DOES exist an evil Luciferian/Satanic force/entity(s) and beings somehow influencing and controlling world events and history from the beginning of known history we must now begin the harsh and difficult job of beginning to "KNOW", study, research, investigate, chart, monitor **who, what, when, where and how they operate.**

EXIT THE REALM OF LUCIFER'S, THE DEVIL'S, SATAN'S OCCULT WORLD OF DARKNESS:

Lets start from the basics. We know that the Kaballah (I don't care how you spell it, for it seems to have at least a dozen different spellings to better hide itself). The Kaballah is the world's most ancient Jewish occult manuscript that connects the satanic forces of old with the the new. Today there are even much more advanced satanic works. But let there be no doubt that the forefather, and most ancient foundation for all more advanced occult worship/rituals/practices/sacrifice is based upon the FOUNDATION of the Kaballah.

Now with all that said and done, I would like to turn your attention to the world of Knights Templar founded Freemasonry, which existed long before the Zionist invasion of it... To he who has ears let him hear....

The Luciferian (Satan's) Zionists (agents) KNEW that in order for them to gain control of the world they had to **infiltrate the long established, ruthless Old World Order**, that was centered upon **the Holy Roman Empire** i.e.: Roman Catholic Church/Vatican, Freemasonry. **Through their establishment and utilization of the Bavarian "illuminati" and the secret (Zionist) Jesuit Order they infiltrated the Old World Order** and over the subsequent years gradually overtook the **Old World Order** without so much as a nightly news reports proclaiming the earth shaking news...

First let's try to comprehend this most misrepresented area of reality, let begin with the most elementary definition of "occult" as offered by Wikipedia, whose definition seems to be absent of its evil nature, but of course for it is the occultists who edit these entrees:

Occult

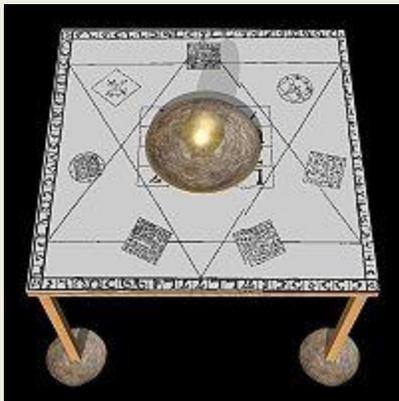

From Wikipedia, the free encyclopedia

The word *occult* comes from the [Latin](#) word *occultus* (clandestine, hidden, secret), referring to "knowledge of the hidden".^[1] In the [medical](#) sense it is used to refer to a structure or process that is hidden, e.g. an "occult bleed"^[2] may be one detected indirectly by the presence of otherwise unexplained [anaemia](#).

The word has many uses in the [English language](#), popularly meaning "knowledge of the [paranormal](#)", as opposed to "knowledge of the [measurable](#)",^{[3][4]} usually referred to as [science](#). The term is sometimes popularly taken to mean "knowledge meant only for certain people" or "knowledge that must be kept hidden", but for most practicing occultists it is simply the study of a deeper spiritual reality that extends beyond pure reason and the physical sciences.^[5] The terms [esoteric](#) and *arcane* can have a very similar meaning, and the three terms are often interchangeable.^{[6][7]}

The term *occult* is also used as a label given to a number of [magical organizations](#) or orders, the teachings and practices taught by them, and to a large body of current and historical literature and spiritual philosophy related to this subject .

Occultism

Picture: Reconstruction of the "Holy Table" as used by [John Dee](#). [note that it is the Zionist occult hexagram]

Occultism is the study of occult or hidden wisdom. To the occultist it is the study of "truth", a deeper truth that exists beneath the surface: "The truth is always hidden in plain sight". It can involve such subjects as [magic](#) (alternatively spelled and defined as [magick](#)), [alchemy](#), [extra-sensory perception](#), [astrology](#), [spiritualism](#), [lithomancy](#), and [numerology](#). There is often a strong [religious](#) element to these studies and beliefs, and many occultists profess adherence to religions such as [Gnosticism](#), [Hermeticism](#), [Luciferianism](#), [Satanism](#), [Thelema](#), and [Neopaganism](#). While [Christianity](#), [Judaism](#), [Hinduism](#), [Buddhism](#), and [Islam](#) are generally not considered occult, some of their modern interpretations can be, as the interpretation of Hinduism within [Theosophy](#) or the various occult interpretations of the Jewish [Kabbalah](#). [Orthodox](#) members of such religions are likely to consider such interpretations false; for example, the [Kabbalah Centre](#) has been criticised by Jewish scholars.^[8]

The word *occult* is somewhat generic, in that almost everything that is not claimed by any of the major religions can be considered the occult. Even religious scientists have difficulties in defining occultism. A broad definition is offered by [Nicholas Goodrick-Clarke](#):

OCCULTISM has its basis in a religious way of thinking, the roots of which stretch back into antiquity and which may be described as the Western esoteric tradition. Its principal ingredients have been identified as Gnosticism, the Hermetic treatises on alchemy and magic, [Neo-Platonism](#), and the Kabbalah, all originating in the eastern Mediterranean area during the first few centuries AD.^[9]

From the 15th to 17th century, these kinds of ideas that are alternatively described as [Western esotericism](#) had a brief revival. Alchemy used to be common among highly important seventeenth-century scientists, such as [Isaac Newton](#)^[10] and [Gottfried Leibniz](#).^[11] Isaac Newton was accused of introducing occult agencies into [natural science](#) when he postulated [gravity](#) as a force capable of [acting over vast distances](#).^[12] This revival of alchemy and other occult studies was halted by the triumph of empirical sciences and the [Age of Enlightenment](#). "By the eighteenth century these unorthodox religious and philosophical concerns were well defined as 'occult', inasmuch as they lay on the outermost fringe of accepted forms of knowledge and discourse,"^[13] and were only preserved by a few antiquarians and mystics. However, from about 1770 onwards, a renewed desire for mystery, an interest in the

Middle Ages and a romantic temper encouraged a revival of occultism in Europe, "a reaction to the rationalist Enlightenment."^[13]

Based on his research into the modern [German occult revival](#) (1890–1910), Goodrick-Clarke puts forward a thesis on the driving force behind occultism. Behind its many varied forms apparently lies a uniform function, "a strong desire to reconcile the findings of modern natural science with a religious view that could restore man to a position of centrality and dignity in the universe."^[14]

That the Kabbalah has been considered an occult study is also perhaps because of its popularity among [magi](#) (the biblical [wise men](#) who visited the [Infant Jesus](#) are said to have been magi of [Zoroastrianism](#)) and [Thelemites](#).^[citation needed] Kabbalah was later adopted by the [Golden Dawn](#) and brought out into the open by infamous Satanist [Aleister Crowley](#) and his protégé [Israel Regardie](#). Since that time many authors have emphasized a [syncretic](#) approach by drawing parallels between different disciplines.^[15]

Direct insight into or perception of the occult does not usually consist of access to physically measurable facts, but is arrived at through the mind or the [spirit](#). The term can refer to [mental](#), [psychological](#) or [spiritual](#) training. Many occultists have studied science (perceiving science as an adjunct to alchemy) to add validity to occult knowledge in a day and age where the mystical can easily be undermined as flights of fancy. An oft-cited means of gaining insight into the occult is the use of a focus; a physical object, a [ritualistic](#) action (for example, [meditation](#) or [chanting](#)), or a medium in which one becomes wholly [immersed](#). These are just a few examples of the vast and numerous avenues that can be explored.

Science and the occult

To the occultist, occultism is conceived of as the study of the inner nature of things, as opposed to the outer characteristics that are studied by science. The German philosopher [Arthur Schopenhauer](#) designates this "inner nature" with the term *Will*, and suggests that science and mathematics are unable to penetrate beyond the relationship between one thing and another in order to explain the "inner nature" of the thing itself, independent of any external causal relationships with other "things".^{[16][original research?]} Schopenhauer also points towards this inherently relativistic nature of mathematics and conventional science in his formulation of the 'World as Will'. By defining a thing solely in terms of its external relationships or effects we only find its external, or explicit nature. Occultism, on the other hand, is concerned with the nature of the "[thing-in-itself](#)". This is often accomplished through direct perceptual awareness, known as [mysticism](#). From the scientific perspective, occultism is regarded as unscientific as it does not make use of the [scientific method](#) (that is, observation and experimentation) to obtain truth.

Occult qualities

In the [Middle Ages](#), occult qualities were physical properties that had no rational explanation. At that time [magnetism](#) was sometimes called an occult quality.^[17]

Religion and the occult

Some religious denominations view the occult as being anything supernatural or paranormal which is not achieved by or through [God](#) (as defined by those religious denominations), and is therefore the work of an opposing and malevolent entity. The word has negative connotations for many people, and while certain practices considered by some to be "occult" are also found within mainstream religions, in this context the term "occult" is rarely used and is sometimes substituted with "esoteric".

In Judaism, special spiritual studies such as [Kabbalah](#) have been allowed for certain individuals (such as [rabbis](#) and their chosen students — to qualify before even starting such learning, a student must be at least 40 years old, married, fully observant of all the Jewish laws and only study with an approved, qualified and recognised Kabbalist, remaining strictly within the specific parameters set out by his teacher and Halachic law). Furthermore,

there are branches of [Esoteric Christianity](#) that practice [divination](#), blessings, or appealing to angels for certain intervention, which they view as perfectly righteous, often supportable by gospel (for instance, claiming that the old commandment against divination was superseded by Christ's birth, and noting that the [Magi](#) used [astrology](#) to locate Bethlehem). [Rosicrucianism](#), one of the most celebrated of Christianity's mystical offshoots, has lent aspects of its philosophy to most Christian-based occultism since the 17th century.

In orthodox Christianity, to seek truth or the knowledge of God outside his revelation in the Christian [Bible](#), also called the [word of God](#), is generally considered occult. Through certain scriptures the Bible forbids to seek God through magic or the occult; for example, Psalm 16:4: "Their sorrows shall be multiplied, who hasten after another god", and Deuteronomy 6:14-15: "Thou shalt not go after other gods...etc". Christians do not deny the reality of the spiritual realm, or of the supernatural in occult or in Christian experience. However, they distinguish knowledge of the true God from occult knowledge^[18].

Practice of the occult is integral for key leadership members, the ruling elite. As I have tried to explain throughout this work, the ruling elite is comprised of Zionists, Masons and Old World Order participants. The Zionists (anti-Christ) has officially been passed the ruling baton long ago and fully control international events. But that does not mean that non Jews can be key players, important ruling elite members, for in the end they all worship the same master. Let there be no doubt that the Zionists are the main leadership group in charge of the New World Order of Global Dominion.

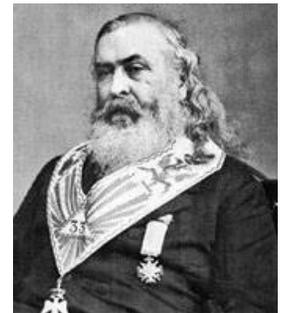

As I have previously stated, I am not an expert in the occult, plus since at this point in writing/editing this report I am pressed for time, I will be liberally coping and pasting pertinent info. I will start with intro excerpts from "[Freemasonry: Midwife to an Occult Empire](#)" by Terry Melanson:

The Hoodwinking

"Masonry, like all the Religions, all the Mysteries, Hermeticism and Alchemy, conceals its secrets from all except the Adepts and Sages, or the Elect, and uses false explanations and misinterpretations of its symbols to mislead those who deserve only to be misled ..."

"The Blue Degrees are but the outer court or portico of the Temple. Part of the symbols are displayed there to the Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them; but it is intended that he shall imagine he understands them. Their true explication is reserved for the Adepts, the Princes of Masonry." (pp. 104, 105 & 819)

General Albert Pike wrote those words in a work called [Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry](#), 1871. At the time his title was The Sovereign Grand Commander of the Supreme Council of the Scottish Rite in Washington D.C. This book is revered by occult groups across the globe, and most masons have never read it, let alone understood it. It deals with the occult origins of the symbols, initiations, and rituals of Freemasonry. *Morals and Dogma* is typically only giving to Master Masons. It is estimated that for every hundred Masons, ten will read it, three will finish it and only one will understand it.

The rites and rituals of Freemasonry are directly derived from ancient occult mysteries. 1 An Entered Apprentice is deceived from the beginning, as Pike has openly admitted; at the same time revealing its likeness with the "Mysteries, Hermeticism and Alchemy."

Pike said the initiate is "*intentionally misled by false interpretations.*" Another esteemed Mason put it this way:

"FREEMASONRY is a fraternity within a fraternity — an outer organization concealing an inner brotherhood of the elect. Before it is possible to intelligently discuss the origin of the Craft, it is necessary, therefore, to establish the existence of these two separate yet interdependent orders, the one visible and the other invisible.

The visible society is a splendid camaraderie of 'free and accepted' men enjoined to devote themselves to ethical, educational, fraternal, patriotic, and humanitarian concerns. The invisible society is a secret and most august fraternity whose members are dedicated to the service of a mysterious arcanum arcanorum. Those Brethren who have essayed to write the history of their Craft have not included in their disquisitions the story of that truly secret inner society which is to the body Freemasonic what the heart is to the body human."

- Manly P. Hall 33°, *Lectures on Ancient Philosophy and Introduction to the Study and Application of Rational Procedure*, p. 397 [Chapter 19 - Rosicrucian and Masonic Origins]

"When a mason learns the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his craft. The seething energies of Lucifer are in his hands and before he may step upward, he must prove his ability to properly apply energy."

- Manly P. Hall, 33°, *The Lost Keys of Freemasonry*, p. 48

The latter quote, in particular, may be surprising to some but occultists have a clear concept of what Manly P. Hall was conveying. To them, the true definition of occultism is the science of energy flow and energy relationships. Occult meditation is a means of consciously and purposefully directing energy from a recognized source to the creation of some specific effect. This is the task of the initiate in all Occult groups. The initiator shows the candidate his latent faculties, his dormant powers, and initiates him into their use. He explains or demonstrates how the candidate may awaken the static energy into dynamic power.

Freemasonry has always, admittedly, held deep occult secrets which it hides from the "profane" and unworthy. One person who believed this to be true was Alice Ann Bailey. Her praise and admiration - she appeared to be almost in awe of the craft - was evident throughout all her works. A typical flattery can be found on p. 511 of *The Externalization of the Hierarchy*: "The Masonic Movement . . . is the custodian of the law; it is the home of the Mysteries and the seat of initiation. ...It is a far more **occult organization** than can be realized, and is intended to be the **training school for the coming advanced occultists**. In its ceremonials lies hid the wielding of the forces connected with the growth and life of the kingdoms of nature and the unfoldment of the divine aspects of man."

The Occult Revival

"Satanic Ritual is a blend of Gnostic, Cabbalistic, Hermetic, and Masonic elements, incorporating nomenclature and vibratory words of power from virtually every mythos Masonic orders have contained the most influential men in many governments, and virtually every occult order has many Masonic roots."

- Anton Szandor LaVey, *The Satanic Rituals — Companion to the Satanic Bible*, pp. 21, 78

The occult revival of the 20th century can be directly attributed to Freemasonry and its peripheral entourage of acolytes: Theosophy, the New Age Movement, Satanism, Cabalistic Black Magic, Enochian Magic, Gerardian Wicca, Alexandrian Wicca and Sex Magic.

Aleister Crowley (12 October 1875 – 1 December 1947), the most controversial occultist in modern times, dubbed the "wickedest man alive." There's much dispute as to his official status as a mason. The Grand Lodge of British Columbia and Yukon, however, admits to his initiation into Craft Freemasonry in Anglo-Saxon Lodge No. 343. Crowley was also conferred the degrees 33°, 90° and 96° of the Antient and Primitive Rite of Masonry, Disciples of Memphis by John Yarker. Throughout his career, Crowley was as much influenced by Freemasons as he in turn had influence on them.

Crowley has generated an intense following since his death. He has influenced countless disciples and gave birth to Satanism. Proclaiming to be the magus (and great Beast 666) of the "new age of Horus," he saw himself as the usher, or prophet, of a "new Aeon" of illuminism.

Because of his total disregard for imposed social values and his legendary rebellion toward authority, Crowley became a hero for young people - especially rock musicians of the 60s and 70s and through to the Heavy Metal acts of the 80s and 90s.

Manly P. Hall (1901 - 1990) is unequalled, he is the most prolific occult philosopher of all-time. No one in history has even come close to matching his literary output on the subject. "Hall authored over two hundred books on occult subjects ranging from works on astrology, the Bible, Tarot, dreams, mysticism, Eastern and Western philosophy, religion, psychology, symbology, and reincarnation, plus hundreds of essays and a monthly magazine published called the PRS Journal. Over the course of six decades he delivered eight thousand lectures. He spoke for up to two hours extemporaneously, weaving a mesmerizing tapestry of wisdom." 4

Born in Peterborough, Ontario, Canada in 1901, the Hall family moved to the United States in 1904. In 1919, Manly settled in Los Angeles. From an early age he was interested in occult matters and subsequently joined a number of societies: Theosophy, Freemasonry, the Societas Rosecruciana in Civitatibus Foederatis, and the American Federation of Astrologers.

After writing his first book, The Initiates of the Flame, in 1922, Hall began collecting rare books on the mystery schools and esoteric philosophy to begin assembling the text for a magnum opus of occult history. During this time he also travelled extensively in Europe, Asia and Egypt. In the search for "ancient wisdom" texts, Manly Hall's favorite place was the British Museum in London:

"The great center of learning in England is the British Museum, with its miles of bookcases, which caused De Quincy to sit and weep because he could not read all the volumes. In order to gain access to the two principal departments of the museum—one of rare books, and the other of manuscripts—it was necessary to be appropriately sponsored. I had the good fortune of becoming acquainted with General Sir Francis Younghusband, the man who led the British expedition into Tibet in 1903-1904, and camped his army at the foot of the Potola at Lhasa. While dining one day at the Officer's Club, Sir Francis confided to me that he was known as the conqueror of Tibet, but he regarded this as a dubious honor. The real fact, he said, was that Tibetan religion and philosophy had conquered him. A note from Sir Francis immediately gave me admission to the most valuable parts of the British Museum, and I was able to examine the originals of many of the world's most priceless books and manuscripts." 5

In 1923, Hall was ordained a minister by the Los Angeles-based Church of the People, an occult/metaphysical congregation. As the leader of the Church of the People, Hall started a magazine titled "The All Seeing Eye."

By 1928, after 6 years of work and raising \$100,000 for the first edition, Manly Hall finally published what has become a valuable classic for those who want to learn about the history of the occult and the "Ancient Wisdom" mystery schools: The Secret Teachings of All Ages. A quarter of a century later, the sheer breadth and scope of the work remains impressive: "pythagorean mathematics; alchemical formulae; Hermetic doctrine; the workings of the Kabala; the geometry of Ancient Egypt; the Native American myths; the uses of cryptograms; an analysis of the Tarot; the symbols of Rosacruicism; the esotericism of the Shakespearean dramas – these are just a few of Hall's topics." 6

In 1934, Hall founded the Philosophical Research Society, a research institute modeled on the ancient school of Pythagoras. It was here that he made his home, he held weekly lectures and continued to publish an incredible body of work. In the year of his death, Manly P. Hall was bestowed with the honorary 33° of Scottish Rite Masonry.

These are but just a few paragraphs from "Freemasonry: Midwife to an Occult Empire" that illustrate the occult and Satanic nature of Freemasonry. The link to read this book is provided, you can study it yourself to get a very good understanding of the true nature of Freemasonry and its occult nature. This is NOT conspiracy, these are just facts. The quotes and examples can go on for thousands of pages, I'm just quickly scanning for representative examples to include in this report for the purpose of revealing the true nature behind freemasonry due to the fact that tens of

thousands of elected leaders, politicians, judges, leaders of industry, prominent people, etc. who have had and continue to have massive impact on our society and world and have shaped and molded the world throughout the ages.

I've covered the Zionist consortium quite extensively throughout this reference work. The Zionists are just like the Masons, all ritual occult worshipping practitioners, unlike some Freemasons, who may be confused or not know the nature of their ultimate god, the Zionists all know who they worship, for they compose the 2nd beast, the prophesized anti-Christ. As I have stated before: One need not be Jewish to be a Zionist. But ALL the remaining people of power, the elite, those who are neither Jewish or Zionist the remainder are overwhelmingly Freemasons.

FREEMASONRY AND SATANISM

Source: [Ephesians 5:11](#) (dot com)

The hideous occult idol known as Baphomet (pictured here) is the most widely used of all Satanic symbols. *The Satanic Bible* instructs worshipers to place the Baphomet on the wall above the altar during Satanic rituals. Every time we see the symbol of the Baphomet we should be reminded of the connection between Freemasonry and Satanism.

The Baphomet picture we have used is the work of French Freemason Eliphas Levi. Eliphas Levi is considered one of the Master occultists of all time and was just as educated when writing about Freemasonry as he was Black Magic. Levi had a profound influence on what is probably the most widely read Masonic book of all time by Masonic author, Albert Pike.

Pike's master work *Morals and Dogma* is often called the 'Masonic Bible'. This honored American Freemason was the Sovereign Grand Commander of the Scottish Rite when he took the Cabbalistic and Luciferian doctrine of Eliphas Levi and put it in his book. [For the comparison of the writings of Pike and Levi, order [B2 - Christian Worker's Handbook - THE GUIDE FOR MINISTRY TO MASONS](#)]

The man in the next picture is 33 Mason Aleister Crowley clothed in his full Masonic regalia. Crowley boasted about his Masonic honors in his auto-biography:

Baphomet, the Supreme and Holy King of Ireland, Iona, and all the Britains that are in the Sanctuary of the Gnosis, O.T.O. Crowley in full Masonic regalia, 1916.(Edited by John Symonds and Kenneth Grant, *The Confessions of Aleister Crowley*, Bantam Books, from Photo section)

"From this time on I lived in a perfect shower of diplomas, from Bucharest to Salt Lake City. I possess more exalted titles than I have ever been able to count.

I am supposed to know more secret signs, tokens, passwords, grand words, grips, and so on, than I could actually learn in a dozen lives. An elephant would break down under the insignia I am entitled to wear."
(An Autobiography, Edited by John Symonds and Kenneth Grant, *The Confessions of Aleister Crowley*, Bantam Books, p. 684-685.)

Crowley was a 33 Sovereign Grand Inspector General of the Scottish Rite and also held the 95 of the Rite of Memphis and the 90 of the Rite of Mizraim. While climbing up the Masonic ladder of success Crowley had been given the title by the Media of "the wickedest man alive". It can be documented that Crowley partook of and taught drug induced rituals that included perverted sexual acts, homosexuality, bestiality, and the eating of bodily emissions and excrement. Crowley who advocated blood sacrifice earned his other title "The Father of Modern Satanism".

[For detailed information on Crowley and his teachings order B4 - THE EGYPTIAN - MASONIC - SATANIC CONNECTION and B7 - THE GOLDEN DAWN]

33 Mason Aleister Crowley swore an oath at a Masonic Altar and the following is Crowley's oath to his Lord Satan:

The Oath of Fealty I bind my blood in S#%tn's hands, All this that lieth betwixt my hands, To thee, the Beast, and thy control, I pledge me; body, mind, and soul. (Aleister Crowley, *Satanic Extracts*, Black Lodge Publishing 1991)

As you can see, there are some very definite connections between Freemasonry and Satanism.

Another man who knows of those connections is the High Priest of the Church of Satan, Anton LaVey. In his book, *The Satanic Rituals*, LaVey acknowledges that Satanic Rituals are taken from Masonic elements, and almost all occult orders have Masonic roots:

*Satanic Ritual is a blend of Gnostic, Cabbalistic, Hermetic, and Masonic elements, incorporating nomenclature and vibratory words of power from virtually every mythos.....
.....Masonic orders have contained the most influential men in many governments, and virtually every occult order has many Masonic roots.* (Anton Szandor LaVey, *The Satanic Rituals*, Avon Books 1972, p.21,78.)

In LaVey's *Satanic Bible* there are twelve calls or "keys" that are known as "The Enochian Keys". LaVey says that the Enochian calls are "the Satanic paens of faith" and that his source for the "keys" was the Golden Dawn.

I have presented my translation of the following calls with an archaic but Satanically correct unvarnishing of the translation employed by the Order of the Golden Dawn in the late Nineteenth Century. (Anton Szandor LaVey, *The Satanic Bible*, Avon Books 1969, p. 155.)

With LaVey's mention of the Order of the Golden Dawn comes yet another connection between Freemasonry and Satanism. The Golden Dawn was an occult order founded by three Freemasons and the order had many ties to the Lodge.

Authors of *A Witches Bible Compleat*, Janet and Stewart Farrar give credit to the Golden Dawn for the occult explosion that we are experiencing today.

It is generally agreed that the biggest single influence in the modern expansion of ritual magic, and the occult explosion in general, in the Western world, was the Golden Dawn. This magical fraternity, founded by Freemasons at the end of the 19th century, developed a complex ritual system with ten degrees of initiation relating to the Cabalistic Sephiroth. (Janet and Stewart Farrar, *The Life and Times of A Modern Witch*, Phoenix Publishing Company, p. 121.)

Many Freemasons believe that they can kneel at the Masonic altar with men like Crowley and have no effect on their spiritual lives or ever have any fear of facing the judgment of God. This is surely the greatest of folly. The Sovereign Grand Commander of the Scottish Rite Albert Pike said it well when he explained that every Mason that enters even the first degree of the Blue Lodge obligates himself to every other Mason in the world:

Secrecy is indispensable in a Mason of whatever Degree. It is the first and almost the only lesson taught to the Entered Apprentice. The obligations which we have each assumed toward every Mason that lives, requiring of us the performance of the most serious and onerous duties toward those personally unknown to us until they demand our aid,--duties that must be performed, even at the risk of life, or our solemn oaths be broken and violated, and we be branded as false Masons and faithless men, teach us how profound a folly it would be to betray our secrets to those who, bound to us by no tie of common

obligation, might, by obtaining them, call on us in their extremity, when the urgency of the occasion should allow us no time for inquiry, and the preptory mandate of our obligation compel us to do a brother;s duty to a base imposter.

*The secrets of our brother,when communicated to us, must be sacred... (Albert Pike, *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*, 1871 L. H. Jenkins Inc., p. 109.)*

FREEMASONRY DECEIVES GOOD MEN

(2 Corinthians 6:14-15 KJV) Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? {15} And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

(2 Corinthians 6:17 KJV) Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you,

One must also keep in mind that most, if not all Ivy League university secret societies all practice occult rituals very similar to the masonic and Kabalah rituals. Thus can you see the connection? The question of whether or not freemasonry practices occult rituals is not even open for debate, the evidence of their ritualist practices is everywhere, even in their public websites for anyone to view. They don't even bother hiding anymore, this is how bold and secure they have become.

Masonic Rituals for the Blue Lodge

The following exposures of Masonic ritual are provided in a cooperative effort between *Ex-Masons for Jesus* and *Ephesians 5:11, Inc.* *Ex-Masons for Jesus* is a fellowship organization of men and women who have left the Masonic Lodge and appendant bodies, such as the Order of the Eastern Star, Job's Daughter's, the Order of Rainbow for Girls and the Order of DeMolay for boys. They work with other Christians in an effort to equip them to lead Masons within their sphere of influence to leave the Masonic Lodge. *Ex-Masons for Jesus* may be contacted by e-mail, or by writing Ex-Masons for Jesus, Box 28702, Las Vegas, Nevada 89126.

Within Freemasonry, the color blue is a symbol of universal friendship and benevolence, as it is the color of the vault of heaven. Blue is the only color other than white which should be used in a Master's Lodge for decorations. Within the Blue Lodge are conferred the Craft Degrees. These Masonic rituals represent three degrees which are taken in sequence. First, the Entered Apprentice Degree, second, the Fellow Craft Degree and finally, the Master Mason Degree. The Masonic rituals provided here are as practiced under the jurisdiction of the Grand Lodge of Nevada, circa 1986.

These Masonic rituals are provided in the Portable Document Format (PDF). PDF files can be read on almost any modern computer and printed on any laser or ink jet printer to produce documents which have an identical layout regardless of the system on which they are printed or read.

In order to examine these Masonic rituals, or print them, you will need to have a copy of the Adobe Reader from Adobe Systems.

The Adobe Reader is available FREE at <http://www.adobe.com/prodindex/acrobat/readstep.html>

The Masonic ritual:

- [The Master Mason Degree](#)
- [The Fellow Craft Degree](#)

- **The Entered Apprentice Degree**

These electronic files containing the full text of Nevada Ritual are Copyright 1997 Ephesians 5:11, Inc. The Grand Lodge of Nevada publishes the ritual only in cipher form. Republication of these files on another web site is a violation of Federal Copyright Law.

Prince Hall Masonic Ritual

Prince Hall was a black man who was initiated into Freemasonry in a military lodge. The lodge he later formed was recognized by the Grand Lodge of England and therefore was regular in every way. Never-the-less, many white Grand Lodges did not and do not recognize Prince Hall Freemasonry as regular. Some have recently recognized the Prince Hall Grand Lodges.

The ritual for Prince Hall Freemasonry is available on CDROM

Masonic teaching methods

The authoritative teachings of Freemasonry are conveyed in several ways. The primary authoritative Masonic teaching method is ritual. Freemasons are usually unwilling to reveal the contents of ritual to non-Masons. The words in Masonic ritual are controlled very closely by the Grand Lodge in whose jurisdiction the ritual is performed. Masonic ritual is always performed behind closed doors, with a guard called a tyler, standing on the outside of the lodge room. Only those who have proven themselves to be Masons and those who are being initiated into the degrees of Freemasonry are allowed entrance.

Another primary authoritative Masonic teaching method is through small books which are given to men when they are "raised" to the degree of Master Mason. These small books are known as "monitors." They are published, or authorized, by the Grand Lodges for distribution in the lodges in their jurisdiction. Masonic monitors contain explanations of the meaning of the major symbols used in Masonic ritual and explain the meanings of important portions of the ritual, to help the less thoughtful Mason understand the teaching. There seems to be a superset of material from which Masonic monitors are created. The monitor for a particular jurisdiction consists of some core information plus elective information which is selected from the superset. There is a great deal of similarity between the monitors of various states. Usually, the symbols of Freemasonry are discussed in the same order and the explanations use almost identical wording. Using virtually any Masonic monitor, it is possible to prove that Freemasonry teaches a plan of salvation which does not depend on faith in Jesus Christ. Still, some Grand Lodges produce monitors which reveal far more than other Grand Lodges.

The content of Masonic Monitors

The Masonic monitors of more than a few states reveal that the meaning of the Master Mason ritual is that Masons have been redeemed from the death of sin. Christians know that anything which claims to redeem a man from sin is a plan of salvation. The text used is derived from the writings of Albert G. Mackey, whose *Manual of the Lodge* (1862) is the basis of *Ahiman Rezon*, the Monitor of the Grand Lodge of South Carolina. Numerous Grand Lodges have repeated Mackey's teaching:

It was the single object of all the ancient rites and mysteries practiced in the very bosom of pagan darkness. . .to teach the immortality of the Soul. This is still the great design of the third degree of Masonry. This is the scope and aim of its ritual. The Master Mason represents man, when youth, manhood, old age, and life itself have passed away as fleeting shadows, yet raised from the grave of iniquity, and quickened into another and better existence. By its legend and all its ritual, it is implied that we have been redeemed from the death of sin and the sepulchre of pollution. . .and the conclusion we arrive at is, that youth, properly directed, leads [us to the honorable and virtuous maturity, and that] the life of man, regulated by morality, faith, and justice, will be rewarded at its closing hour by the prospect of eternal bliss. . . The important design of the degree is to symbolize the great doctrines of the resurrection of the body and the immortality of the soul; and hence it has been remarked by a learned writer of

our order, that the Master Mason represents a man saved from the grave of iniquity, and raised to the faith of salvation.

(1947 Ed. *Ahiman Rezon*, pages 141-2, Monitor of South Carolina) [PDF file source document.](#)

The central figure in the third degree ritual of Freemasonry is Hiram Abif (or Abiff). Hiram is unjustly killed, buried and then raised from the grave. Toward the conclusion of the Legend of the Third Degree, the new Master Mason is told that he should imitate Hiram Abif so that he may get into the celestial Lodge above, where the Grand Architect of the Universe (the Masonic god) presides.

The *Kentucky Monitor* reveals the identity of Hiram Abiff in a discussion of various religions:

All believed in a future life, to be attained by purification and trials; in a state or successive states of reward and punishment; and in a Mediator or Redeemer, by whom the Evil Principle was to be overcome and the Supreme Deity reconciled to His creatures. The belief was general that He was to be born of a virgin and suffer a painful death. The Hindus called him Krishna; the Chinese, Kioun-tse; the Persians, Sosiosch; the Chaldeans, Dhouvani; the Egyptians, Horus; Plato, Love; the Scandinavians, Balder; the Christians, Jesus; Masons, Hiram.

(pages XIV-XV, *Kentucky Monitor*)

[PDF file source document.](#)

Notice the parallel sentence structure in the last line. It clearly states that: Hiram is to Masons as Jesus is to Christians.

Download Masonic Monitor

The [Nevada Master Mason Monitor](#) is available in a 93.6KB **PDF file**. The download time should be about one minute with a 28.8KB modem. The Nevada monitors are the shortest and most cheaply produced of all the monitors we have seen. There are three booklets in the Nevada set, one for each degree. The monitors for some states are over five hundred pages long. Due to file sizes and transfer times, it is impractical to download larger monitors in PDF format.

[Many monitors are available on CDROM.](#)

Christians do not remain Masons

Because most Christians do not know about Freemasonry, some are led to join a Masonic Lodge. After they join and become active in Freemasonry, they begin to understand what is being taught in Masonic ritual. Christians who think about the meaning of the words in ritual end up leaving Freemasonry. Many go quietly, because of fear. Others are under so much spiritual bondage, as a result of being involved in the occultic religion of Freemasonry, that they remain somewhat dysfunctional as Christians. Spiritual healing can be instantaneous, or it can take years, depending on the individual and God's will. Be wary of any church leadership who are former Masons. Unless they are able to fully reveal the evil nature of Freemasonry, they may not be free of Masonic bondage. Former Masons should be examined carefully before they are allowed to take any teaching or leadership role in the church.

Men, who have left the Masonic Lodge after coming to understand what Masonic ritual teaches, have sometimes felt compelled to reveal the contents of Masonic ritual to the public. Many are reluctant to do so because of Masonic history. During the early 19th century, Capt. William Morgan worked with a printer named Miller to publish the rituals, as practiced in New York. The printers shop was set ablaze and Morgan was abducted and murdered. As his body was never recovered, there was no conviction for murder. However, several Masons were

convicted of his abduction. Even through intimidation and persecution can be intense for those who reveal the "secrets" of Freemasonry, exposures of Masonic ritual have continued since 1727, ten years after the founding of the Grand Lodge of England. Exposures of Masonic ritual have continued for more than two centuries for several reasons. The most compelling reason is so that other men will not be ensnared in Freemasonry. Christians who become ensnared in Freemasonry sooner or later realize that Masonic ritual teaches a plan of salvation which is not based on faith in Jesus Christ, but rather on the basis of imitating Hiram Abiff, the (prototype) Masonic savior. Galatians 1:8-9 reveals that the penalty for teaching a false plan of salvation is eternal condemnation. Christians have no choice but to repent. [source - <http://www.ephesians5-11.org/index.html>]

It is through occult rituals, practices and use of symbolism that the agents of Satan make CONDITIONS that open avenues, paths, ways, forms for evil spirit realm to manifest itself in the hearts and minds of the devotees.

This is how Satan and his devils manage to rule the world, for their subjects readily do their bidding, selling their souls for sex, fame, fortune and power. They are then greatly rewarded with Mercedes Benz, Rolls Royce's, mansions, women, boats, the privilege life, worshiped themselves as idols by the blind idiot populations who all want to be like their idols.

Unlike the movies (which again, are almost totally made by the Zionist syndicate) have the world convinced that the Devil only takes one's soul as a scary monstrous being of comical science fiction that no has never ever been recorded in real life, thus adding to the illusion that he does not exist. This is not how it works in real life, all the devotees have to do is literally pray to their false gods and make the physical prerequisite conditions and presto, no fanfare or nothing, just like that they relinquished their fates and lives to Satan and his demons to guide their lives and affairs.

No ugly monsters appear in their midst with clouds and smoke, hearing deep booming voices telling them what to do. Their walking orders and commands come as "regular" inspirations, as normal thoughts and ideas. They then "coincidentally" (or purposely seek to) meet likeminded people who think and act the same and together all working on the same projects and agendas accomplish the will of the master, even without literally being aware that the initial sparks, concepts, ideas, thoughts came from the dark side. For more often than not Satan and his minions DISGUISE THEMSELVES AS BENEVOLENT BEINGS OF LIGHT.

Below is an interesting article with many clues and leads about the world of darkness one must know in order defeat them, for if one has no clue who, what, when, where, why and how about the enemy and their forces of darkness, then you like millions that came before you, will be defeated by the invisible, hidden enemy you had no clue about...

Mysterious Monuments

Freedom, liberty and justice will be a thing of the past. Old antiquated inferior society is to be destroyed. Global domination at end of time. Draconian, blood-soaked nightmare. Pending horror with environmental laws and regulations. Desperate, brutal and frightening future for humanity. Masses are vulgar, profane, gentiles, vandals. Media owned, controlled and managed by elite. Manipulating politics, economics, religion, media and other engines of global culture. Clouds and diminishes rational thought.

Masons conduct occult rituals. Druids are predecessors of Masons. Large percentage of Baptist pastors. Masonic religion - Luciferian doctrine - sexual cult. Future triumph of Masonic deity, Grand Architect of Universe, Lucifer. Doctrinal foundation for Illuminism. Masonic Lodge, Order of Skull and Bones, Knights of Malta, Rosicrucians, Bohemian Grove, P2 Lodge, Oddfellows, Masonic Cabalistic Utopia, Masonic Orders and globalist organizations.

Nature spirits, shining ones, undines, devas, dark angels, elementals, gnomes, fairies, horned creatures, fire spirits, demons and entities. Asmodeus - horned demon. Lilith - female demon. Cosmos - living entity.

Wicked, decadent and ruthless plotters. Mania for secrecy and concealment. Earth-loving environmentalists - earth goddess worshippers. Cruelty, myth and misrepresentation. Tarot divination - pentagram - ritual. Religious idol. Third eye - all seeing eye. Skull and bones - death. Hegelian Dialect. Invocation of devils - witchcraft.

Super rich are rotten, decadent, spoiled, selfish and worthless. Minds have become clouded by money-chasing. Conspire and strive to oppress the poor. Consumed by love of money. Acquisition of riches is highest priority by inbred greed. There are gulags, concentration camps and torturous detention centers. Cruelly manipulate commodity and stock markets. Insane quest of personal and group power. Mete out death and suffering to innocent people. Some are Satanists. Humanism is important. Stepped in satanic activity, debauchery and worship of gods. Human sacrifice and mind-control programming. Satanic sex orgies and rituals. Incantations - chanting and spellcasting. Image of lust - image of jealousy. Obelisk talisman - phallus. Focus of power - elite adepts - Wise Judges.

Washington, D.C. - citadel of Satan, Masonic, astrological, illuminist, secret societies, politically correct, pantheon of ancient deities, arcane symbolism. District of Columbia - Great Goddess of the Mysteries.

The Illuminati's ages-old destiny for America and the world seems on the very threshold of attainment to overthrow the existing world order and institute a New Order of the Ages presided over by Lucifer to build a Utopia on planet earth. The Illuminati are satanists in worship and action. Illuminists anticipate Kingdom, Empire, New World Order. Satanic forces, Illuminati control physical resources. Perfected Man as god. Illuminist - all is god. Cults of Illuminism, Lords of Money - Wall Street barons - Illuminati elite. Global Mind of the Illuminati wizards - Age of Terror. Illuminist organizations and brotherhoods. Illuminist-minded tyrants and schemers. Hardcore illuminists worship the ancient sun god. Illuminism, Masonry, historical occultism, Satan worship.

Above, So Below stands for beast Lucifer - Law of Correspondence. New World Order to be ruled by Lucifer. Serpent - Dragon - Devil. Force, Mercury, Hermes, Spiritual Sun, Father of Light, Son of Morning, Lucifer. Lucis Trust - Lucifer Press. Antichrist - Son of Lucifer. Sorcery and methods of Luciferianism. Satan - Apollyon - Abaddon. Hierarchy - Satan and angels.

Establishing global dominion and New World Order free of Christian influence and moral limitations. Christians will be cast out. Illuminist, cabalists, occultists hate Christians. Christian churches with astrological animals and signs. Extinguish hateful superstitious religions - Christianity. Unite world's cults, sects and religions. Treachery of religious leaders and organizations. Christ consciousness. Vatican-inspired Inquisition. Ages-old scheme for global government and economy, and One-World Religion (all religions and cults) fulfilled at a rapid pace.

The world is ruled by occult elite. Occult plot to enslave humanity. Occult veneration - symbology - Pythagorean numbers - mystic rituals. Occult gnosis, knowledge, ideology and philosophy. Occult talismans, amulets and charms.

Baal - god of fire and human sacrifice. Osiris the Sun God - Prometheus - Apollo. Bacchus - Dionysus - sexual gods of orgies, partying, drunkenness and lust. Vulcan - god of fire. Dagon - fish god. Great Goddess - female deity. Ancient deities. Baphomet, androgynous combined male and female horned goat god, of lust, perversion, debauchery and sexual sin. Pan - horned god - satyrs - Saturn. Unholy Trinity - Father Osiris, Mother Isis and Son Horus. Worshipped the Sun God.

Astrology - sun, planet and star worship - divination. The science of occult astrology. Mythical gods of astrology.

New World Order of peace, love and harmony. New Age sects - occult organizations - mystical cult groups - crystal salesmen - satral teachers - spiritual gurus. New race to rule world, New Age, occultic and illuminist doctrine.

Earth is to be renovated, reformed, rebuilt, perfected, regenerated. The Law of Opposites - Order Out of Chaos - Order of Quest. Orders given to puppet presidents, prime ministers and dictators.

Five-pointed star, the pentagram - **So Mote It Be**. Star of David - Seal of Solomon - witches' hexagram - pagan sex symbol. Egyptian obelisk - phallic symbol. Scallop - vagina. Esoteric numerology and mesmerizing shapes and designs. Occult and satanic talismans and principles. Swastika - ancient sun symbol. Caduceus pole with dual

serpents - medical profession. Phoenix - double-headed eagle. Gargoyles - sphinx - ensigns - unicorn. Idols as magical talismans, conductors and receivers of witchcraft currents, focal points of satanic worship.

May Day - Druidic Festival of Beltane - orgiastic frenzies - Kundaline energy. Halloween - Samhain - Sabbath of witches. Open-air witchcraft rituals with mind-bending spells,

Intellectuals, deep thinkers, sophisticates, philosophers, racially conscious, proud arrogant conceited men and women. Enlightened and intellectually superior to common man. Destiny, intend to rule over mankind, absolute power. Higher consciousness - elitists. Self exalted godhood. Hidden elite - astral plane.

Numerology, astrology, psychology, geomancy, divination, necromancy, witchcraft, cabalism, symbolism, magic, alchemy, demonology, telepathy, witchcraft, feng shue, philosophy, geometry, astronomy.

Global aims and Zionist goals have been boosted. Jewish metaphysics, Kaballah, Quaballah - Cabala - Mystery traditions. Talmud - sorcery, racism and hedonism.

Guidance from evil forces and communication with unclean spirits. Access hidden realms beyond the visible physical world. Infernal regions - netherworld - Hades or Hell - spirit entities. Hybrid half devil - half human - Noahic flood.

Serpent of Wisdom, Gnostic Mysteries - Secret Destiny - Divine and Ancient Wisdom. Perennial Philosophy - Occult Wisdom.

Grand Plan - Great Design - Great Work - Brotherhood. Energy ley lines and power points.

Pagan beliefs centered on pantheism, gnosticism and mysticism. Pagan tribalism -witchcraft sects - idolatry - worship.

Black magic, adepts of magic, occult magicians, talismanic magic, magic tools, magical realm, magic ritual, magic practitioners, Egyptian magic. – [source Texe Marrs]

May the forces of Heaven always be by your side and give you strength at all times in this Holy War between good and evil. May Heavenly Father guide and protect you all who fight by his side to liberate and awaken his lost children, exposing Satan and his dominion on earth by revealing the dire condition of physical, emotional, mental, spiritual, financial, intangible, (etc.) bondage he has had man and this world immersed in for eons.

(note: to be continued in next revision of this research report)

“None are more hopelessly enslaved than those who falsely believe they are free”

“he who has an ear, let him hear, he who has eyes, let him see”

..EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

For it is written: *“the truth shall set you free”*

“By their fruits ye shall know them.”

THE HIDDEN SECRETS OF THE AGES

"It is the nature of mortals to be impatient. They will not follow Jehovah's teachings because they cannot always see the results of those teachings immediately manifested in their lives. They do not walk with the Angel of Peace, because their minds are filled with desire; they are perpetually wanting what they do not have, and if they obtain it, they desire something else. They can never know true happiness, for they are focused on what they do not have, rather than on what they have. Being centered in desire, they can only experience suffering, for desire is the source of suffering, as peace is the source of joy."

This Matrix Report is not meant to be any type of religious tract. I am not here to convert anyone, yet I must share all that has been revealed to me, all I have come to know, the truth with no bias, no agenda, no fame or fortune. I come to you as an invisible ghost, yet I must confess that I often find myself working and walking amongst the power elite in this nation, therefore I have witnessed with my own eyes, too many things to remain silent. What you choose to believe is up to you, you decide for yourself, for ultimately you will be responsible for your own beliefs and actions in life. If this world destroys itself, so be it, there is very little as a lone person I can do to stop it, yet I still come forward carrying the truth despite all odds, with hope that it will reach the ears of some who can truly make a difference, for it has been said to never under estimate THE POWER OF ONE.

I am who I am, I do not claim to be no saint for I am a man with sin like everyone else on this planet. Discredit everything I have to say if you must, just because I use profanity at times, I don't care, sue me. I'm just hoping to shock the reader into understanding, for way too many people write to be politically correct thus some outstanding works vanish into obscurity and are never commented about due to the fact that they dare not challenge the official narratives, the status quos or rock the boats, thus they are no different in nature and articulation than the others.

I live my life in turmoil knowing what is truly happening around me at all times, yet I am at strange peace within myself. I witness the spirit of Satan working in this society as clear as day, I often can't even watch the news for it is too painful to watch the absurdity in action, but I am forced to routinely tune into those blabbering baboons, the "news" prostitutes and listen, thus I come know WHAT THEY WANT US TO THINK... Can't watch the brainless shows on TV either for they insult my intelligence to such a degree I find them repulsive. Yet I do observe... quietly from afar. For we must know what new direction, schema and agenda Satan is pushing...

I stand prepared for the worst that is to come... I care not what denomination you worship under, nor am I here to even try and fix that mess of 32 thousand of different denominations of Christian churches, all claiming to be "the one." I come here to expose the TRUTH, to warn and inform. Take it or leave it. At least I tried to reach out to the few who THINK and share what I know. Yet again I tell thee that at every turn we find, religious beliefs plays a central role in world conflicts, within the secret agendas of men and nations, it has been so since the beginning of mans days here on earth, and always will be.

With those words in mind I don't know how to stress the magnitude of importance of what I am about to reveal to you. I say to thee: **The one thing the elite ruling masters of this world absolutely do not, never, ever want you to know is so profound that it has been hidden literally for centuries, not just by man, but by the devil himself.** For the day that man truly realizes the secrets, then man will be on the first step to releasing himself from the bonds of slavery. This is why throughout the ages mankind has been in "the dark" and has always **wandered about the meaning of life.**

There are so many things mankind does not understand, thus they are literally "in the dark." For instance, **the entire history of mankind has basically been the history of a war between good vs. evil, the bible is basically a written record of this war:** The devil and his fallen angels used to live on planets in the universe until the devil decided that he was not content and wanted to unseat God and take over the creation. He was able to deceive one third of God's angels to rebel with him. They created a war machine and started a war which they lost. (Revelation 12:7-17)

There was a trial at the end of the war and Satan and his fallen angels were sentenced to the Lake of Fire. The Devil appealed the sentence and it was put on hold and the **Devil and his fallen angels were confined to the earth** while God proved that He is a righteous God by creating man and allowing the Devil to have access to the human race. Thus, the war is being fought over control of the human race. In the end Satan is going to lose, but before he will lose this war, for a period he will gain control over the entire earth in a era which is called the "Great Tribulation." (Matthew 24:21). The devil performed a major coup d'état in the very beginning of the war, back in the Garden of Eden. **He engineered the Fall of Man, and ever since that fall, the devil has been in the position of control over mankind.** This is why Jesus said that satan is **"the ruler of this world,"** and told the people **"you are all of your father the devil."** Thus from those days forward the devil has been oppressing mankind and trying his best to keep man blind to man's true self, in order to keep man from discovering his divine nature they have kept man as close to exercising his primordial animal instincts as possible.

In order to understand the key to the purpose of life, is in understanding who/what man truly is. Behold: For I hereby proclaim to the world that:

MANKIND WAS TO BECOME DIVINE CHILDREN OF GOD

It has been written that "All men are created equal." For eons, to the majority of people this has been viewed as a ludicrous oxymoron due to the fact that some people are just plain stupid while some are geniuses, some are strong while some are weaklings, etc.

Behold: for I hereby proclaim to thee and now put to rest this mystery for **All men are created equal in their DIVINE NATURE.** This is the fundamental essence and ultimate meaning of that often misunderstood and misinterpreted statement. Let it be perfectly understood that man is a DIVINE BEING... and IN FACT CREATED EQUAL for we have all INHERITED and been bequeathed with God's DIVINE NATURE. It lays dormant waiting to be awoken in all people... No single man possesses a higher Divine Nature than another. Not even a priest. Some people (such as most holy priests) may achieve a higher level of understanding of their divine nature and unity with the divine by constantly exercising and working to achieve a higher level of divinity or "perfection" (hence biblical verse: "You must become perfect as you father is perfect"). BUT their original inherited Divine Nature that we have all been bestowed with is equal. There was only one person to walk the earth that possessed a higher Divine Nature and that was the Christ.

The bible plainly states "God created man in HIS IMAGE." Thus man WAS to become a divine being. Adam and Eve where on their process of growing and maturing, in the middle stages of becoming divine, as their father: God. Before they could reach that level, the state of divinity, of "being". Lucifer came to hate man so much so, that he stepped in and changed the course of history. "History" has literally become: "His-Story", with him as the protagonist.

Throughout the ages **the devil has suppressed mankind and has kept the real purpose of man's existence a secret from him.** For the day man understands the true nature and purpose for which he was created, then man would surely rise up

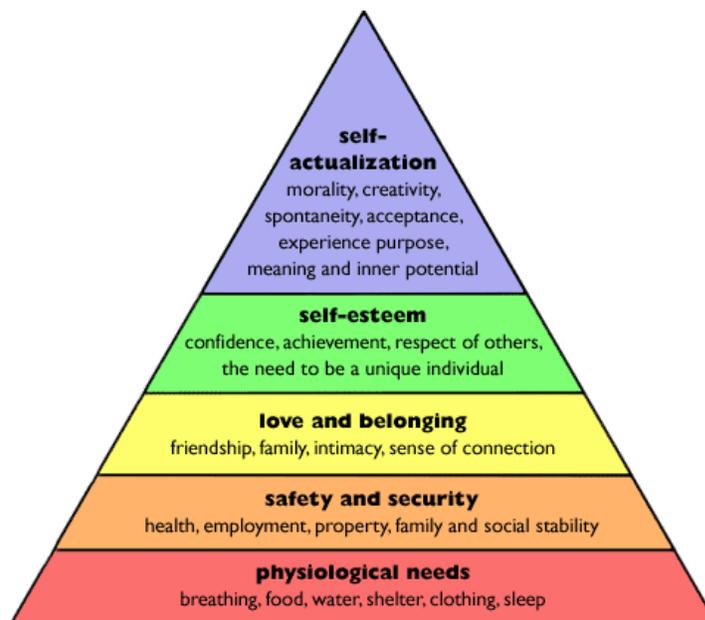

against his oppressors. Yes, the bible refers to the **devil as man's oppressor**, many times over. So **how does "the devil" oppress mankind in the physical world? Through HIS AGENTS here on earth**, his appointed leaders, through his channelers, those who have allowed themselves to become possessed by his spirit, ideas, goals are those who channel his wishes. The devils main representatives here on earth are NOT evil murders, rapists, robbers.. **his main representatives here on earth that HE dwells within and delights in are in fact the leaders of society, for it is though these people who he ultimately uses to implement his will on the world and oppress mankind through all the ages**. Always keeping mankind in some form of slavery, struggle and oppression has been his doing. **Clouding mans minds and hearts from the beginning of time until today - never allowing man to understand the crucial key that MAN was/is to become a divine being**. Therefore we have wandered aimlessly throughout the ages... without a clue of our true nature and true potential...

What you witness as "history" throughout the ages has been the **devil's main goal and modus operandi of OPPRESSING AND ENSLAVING MANKIND**. Hello, don't you clearly see by now and understand that the elite rulers of this world have also been doing the same throughout all of history? No matter what nation, emperor, ruler, king, etc., there has always been the ruling elite and the oppressed, enslaved poor. This is no coincidence... for mankind has always channeled the spirit of the master he follows, whether knowingly or not.

The Luciferian rulers have taken the oppression of mankind to an entirely new level with modern technology. Today they easily **hypnotise** and directly influence millions in unison with TV, movies, shows and media outlets. They dictate what is normal and what is not. They effectively have torn down and constantly eroded **morality** of the masses through their media outlets, in their quest to turn the masses into **carnal desire driven cattle**. But this was just the beginning. Their medical wizards have been feverishly experimenting with all sorts of chemicals to add to your drinks, foods and **medicine to slowly decimate the sections of the mind that are essential to critical thinking and reason**. With the goal of producing the perfect cattle servant race who dare not even think of questioning their rulers.

They have been medicating, assailing and killing off mankind's divine nature for so long and so thoroughly that the sad fact is that the majority of today's population is being purposely **dumbed down** almost to pure animal instinct levels. Decimating man's ability to reach the spiritually enlightened apex of the pyramid.

Prominent founder of humanistic psychology Abraham Maslow (Zionist Jew of course) pioneered research into what he termed the pyramid of "**Hierarch of needs**." (pictured below) The Zionist rulers of mankind have been trying their best to keep the goyim cattle confined to their most carnal desires and needs. They have been literally oppressing, enslaving and destroying mankind's divine nature, they have come to understand resides at the apex of the pyramid...

Note the apex of Maslow's Hierarchy pyramid, surely the same realm of the illuminate ones, or the Illuminati, for they use it as their trademark, they believe only THEY have a right "of being", only they have the right to exist at the apex of the pyramid. Behold: For more secrets of the illuminati pyramid are revealed, for at the most upper realm of the pyramid hierarchy above self-actualization, they place "self-transcendence." May be said to be much more often aware of the realm of being, to have unitive consciousness and to have peak experience (mystic, sacral, ecstatic) with illuminations or insights. Analysis of reality or cognitions which changed their view of the world and of themselves.

God's goal was to dwell as one with man, thus by oppressing and enslaving man, by relentlessly degenerating man into carnal animal instincts, the devil actually and effectively oppresses and enslaves God... That is why God seems to be M.I.A. as in missing in action... Think about it... How many times have you heard someone say that God does not exist and "how could God let something like _____ happen? God's ability to "flow" through man has been oppressed, as in damaged, thus it is extremely difficult to witness his presence... the more the **devil turns mankind into immoral, decadent, greedy, selfish, self-centered animals**, the further he oppresses and enslaves not only man but by default: God....

Don't bother looking up into the sky for God, you will not find him there, you won't find him hiding in some big beautiful building called a church, synagogue, shrine, or temple, either. This has been one of the biggest mysteries of the ages. Where is God? There is a special chamber deep within the most holy places... You have felt it before. When you have felt the pain of losing someone you love, it hurts so deep you can feel it in your core. Also when you truly love some with all your might, that feeling comes from that very location. The location were all pure love and or hate originates from. Behold: I hereby proclaim to the world that:

THE THRONE OF GOD IS IN YOUR HEART

Think about it, digest it, For **his dwelling place is deep within your heart**. Ah, so you still can't find him? You must clean and purify his place of dwelling for him to return. For if he is not truly dwelling and ruling from within in your heart, then you must ask yourself: who is? Who is controlling your life? There are many levels of goodness and evil. Most of you will automatically classify yourself as being good. News flash, everyone thinks "they are the good guy", even Hitler and every evil leader in history viewed himself as "the good righteous guy." So, you ask where is he then? "I cannot feel him there." For you must purposely clean house and invite him in **to RULE you world from within your heart**. (this is no easy feat by the way!)

This condition is more readily evident when you look at the most evil people on the planet. **Those whose hearts have been completely decayed, they "channel" the negative energy of evil spirits and are thus ruled by the evil one who has taken over and sits on God's throne in their hearts**. Their hearts and minds have become so corrupted by the many, many forces of evil beginning from the most benign forms that most people don't even notice, then gradually growing in strength to the most blatant forms of evil. For **most people never sense their lives are being ruled by any entity**. So when some terrible event occurs many say "where was God? He does not exist." Oh. but he does. It's just that the person who just killed your loved one was channeling evil spirits and had a more highly developed form of evil, the devil, sitting on God's throne in his heart right before he pulled the trigger. God and the devil work from inside that throne inside the heart of every single person on the planet.

Through Lucifer's coup d'état in the Garden of Eden, he took **THE BIRTH RIGHTS and place to sit in Gods throne and rule lives from there**. The sad history of mankind has been a history of God working through his then fallen man to regain his throne back. To be re-united with his lost children, and together they could inhabit the earth... **Your quest if you so choose, is to literally FREE GOD from his shackles...** and allow him to rule from his throne in your heart...

Again, I cannot stress how immensely important it is that you try and understand this "secret of the ages" is. For once you truly understand it to your very core, you will then be able to analyze not only your own life but see the world around you so clearly that it will amaze you.

For example: Look at history. Take every single tyrannical evil leader in history. What do they all have in common? Oh, yes, they were very bad, they brought upon the mass pain, suffering and death. Those evil leaders hearts became so corrupted that **God's throne in their hearts was converted to the perfect dwelling place for the devil, the evil one sits in God's throne and inflicts all the damage he could from within the person that allowed him in**... Thus the devil has for centuries been cleverly working his way into people's hearts, de-throning God, and sitting on his throne ruling over the world in this way. Hitler, Stalin, Attila the Hun's (etc.) all evil leader's hearts were a central ruling point for the devil at one time in history. For instance, **the devil had a party going on in God's throne in Hitler's heart, the devil inflicted mass pain, suffering and death upon millions just from RULING FROM ONE PERSON'S HEART!** Think about it, digest these words. For it has now been revealed, as it was, is, has been and always will be.

The course of history is often determined by the actions of the kings and rulers of the time. The entire history of mankind has been a history of good vs. evil. Now you know how this inner war is being fought originating from within the hearts of man then manifesting itself in their actions, their deeds, on a personal level, then on a family level (every man is the "king of his castle"), all the way to state level, national level and finally to the elusive world level rule. So I ask you: If your heart is a THRONE, who is sitting on that throne ruling your life? What spirits do YOU channel and attract throughout your days?

For those who are not "religious", that does not matter, you have every right to go on in life oblivious. It does not matter if you choose to believe what I am saying. For what I am revealing here is ABSOLUTE, UNDENIABLE and ETERNAL. The bible and every holy book ever written backs up what I am stating here when it said "man is the temple of God", "man is God's dwelling place", for these were just cryptic clues, but think about it, digest it.

It began ages ago when the devil performed the very first coup d'état with Adam and Eve. **The day they "ate of the fruit" was the day they unknowingly ousted God, dethroning him and willingly, yet unknowingly, let the devil sit and rule from God's throne in our hearts.** The entire history of mankind has been a fight of good vs. evil being fought within the hearts of mankind. In their minds some MIGHT THINK they are "ok", and feel they are on the side of righteousness but in essence they serve one ruler, good or evil.

There was just ONLY ONE CLUE that Jesus gave his disciples, to discern who is who, he told them: **"you will know them by their DEEDS"**.

Now that we have revealed the true "secret" of the divine nature of man and the throne of God. We can go forth and begin to analyze things in a different perspective. **For the people that run nations and governments have either one or the other ruler sitting on God's throne in their hearts affecting all their decisions, thus goodness or evil will prevail from their policies and actions.** How do you differentiate the motives and source of the deeds of man, organizations and nations?

What are the clues we should look for in someone that is genuine? The same clues have been written in all religions. Out of **goodness** (God's side) will come the ACTIONS OF: **truth, compassion, humble, goodness, empathy, forgiveness, caring, give hope, life, meaning, giving, sharing, and above all PURE unselfish LOVE.** They dwell in "light" where there are no secrets, nothing to hide.

On the other hand, those whose hearts are being run by the forces of evil will display the tell tale signs (clues) that will reveal their true motives, origins and master, their ACTIONS OF: **hide their sins, secretive, above all they will deceive you, lie, cheat, steal, as in covert thy neighbor's goods, they seek power, greed, worship money, selfishness, arrogance, un-caring, devoid of sympathy, empathy & compassion,** they bring pain, tears, sadness, death and destruction upon others, they dwell in "darkness" where they hide multitudes of secrets.

Beware for the “evil ones” that are sent to derail you, many of which have no clue they are his instruments. These mediums of the devil won’t look like a typical obviously scary “bad guy” you see in the movies. Nope. More often than not the devil’s advocate or envoy will be the most trusting smooth silver tongued speaker in the room wearing a nice suit and tie. You must learn to use wisdom to spot them, for they are everywhere, his charismatic diplomats, his wolves in sheep’s clothing.

Yes we have been warned of "wolves in sheep’s clothing" and false prophets numerous times. These are people, organizations, nations who will outwardly portray themselves as being on the side of good, yet are rotten to the core. Today our world is literally FULL of "wolves in sheep's clothing." For example, one need look no further than 95% of all your elected leaders in Washington! Pull out the litmus test: From their actions/deeds you will know them for what they REALLY are. Do they deceive you? Red flag alert! Do they keep secrets from you? Red flag alert! Do they fiercely fend off all attempts by others who ask them for "the truth"? Red flag alert! You can see where we are going with this, it is now up to you to find all the RED FLAGS, and there are literally volumes of books in circulation cataloging them all... This leads us to the third secret of the ages:

THE SECRET OF HOW THE DEVIL CLOUDS PEOPLES’ MINDS AND HEARTS – THE MANIPULATION OF THE PERCEPTION OF REALITY

Throughout this report I have been indirectly revealing how the DEVIL clouds peoples minds and hearts. He uses his captains here on earth who consist of the ruling elite and all the resources at their disposal to directly cloud peoples minds. For those living in the a densely mentally clouded and confusing environment are truly living in DARKNESS.

THE SINGLE MOST PIVOTAL IMPORTANT KEY TO DEFEATING THE DEVIL is in EXPOSING HIM and his ruling elite minions here on earth. This is why I have devoted so much effort in this report to expose every single facet I could find about the Luciferian elite.

The age old hidden secret, the key to understanding anything and everything in life is simply PERCEPTION. Point of view, how we process information. How we individually look and think about life and events essentially determines whether they are bad or good. Thus **cognitive perception is the central KEY to everything.** For instance: If you were a little child raised in a laboratory and were told, taught, instructed, reaffirmed your entire life that, let’s say, umm, (silly purposely exaggerated example) pigs could fly. Then you would literally go through life in believing pigs actually FLY. This is a fairly simple process to verify in a laboratory setting. Thus it is ever more easier to get the masses to believe agendas that are introduced at the current event level of input.

The GREAT DELUSION prophesized in the Holy Scriptures is none other than the Luciferian leaders of man **guiding, molding, controlling your thoughts, desires, wishes, opinions, values, etc. via all mass media thus shaping and controlling all mankind’s viewpoints and perception of the world around him.**

In real life this type of PROGRAMMING is routinely performed on the masses based on more believable premises without so much of a clue of their predicament from the “Guiney pigs” who sit in front of their **programming apparatuses called TV sets.** The manipulation of public perception is REINFORCED by many seemingly separate sectors of society; enter the social dynamics of peer pressure, as all likewise programmed Guiney pigs reinforce each other, thus firmly establishing in the Guiney pigs the PERCEPTION that what is being beamed throughout the airwaves and what they see and hear, invisibly being programmed MUST be, then IS true reality.

As I try to articulate the importance and impact of **PERCEPTION of REALITY** on ones life, I can only hope that the reader understand that this entire report has been centered and built around expounding this most fundamental truth. So I will just try to summarize: What you BELIEVE and accept as truth, IS truth, for you. **The more people that accept and believe the same concepts, ideas, traditions, beliefs, etc., no matter how evil, immoral, decadent, sinful, Godless, false, they may be, the more that everyone gives credence to and sustains the FALSE REALITY.**

Thus the blind simpleton BLINDLY living in a lie, living in DARKNESS. A vacuum devoid of the TRUE REALITY. Such has been mankind's true situation.

Never forget and remember this: **nothing is ever what it seems**. Question everything and look beyond where *they* are channeling your attention. THINK FOR YOURSELF. Stop letting the TV and the politicians do your thinking for you and then later telling you this is this and this is like that.

There is one more item I must expose at this time. It may be very hard for some of you to comprehend, let alone accept. But that does not matter here anyway for I care not what some people think or get easily offended, I must write what has been revealed to me and that's that. Back to the topic of the All Seeing Eye... I explained in other chapters that it represented "sight" for according to holy scripture "we have eyes but are all blind" thus it is written that we must first remove the splinter from our eyes then do the same for our fellow man, then the "blind" can see. The ruling elite do have a secret knowledge whether or not you want to believe it. That is why they conduct rituals using symbology in their Luciferian ceremonies.

THE CORE, ORIGIN AND ROOT CAUSE OF MAN'S ENSLAVEMENT – THE FALL OF MAN

I have been trying very hard not to make this a "religious" work, yet it essentially is due to the fact that the entire history of mankind has been a history of God trying to get his children back from the dominion of Satan... "The ruler of this world" and the false father of mankind...

How do I begin to even try to reveal what is probably THE most well kept secret on earth? I will give it my humble attempt to articulate this here and now:

Man exists on this planet in a vacuum, devoid of knowing WHAT HIS REASON/PURPOSE of existence is. Thus the evil rulers of this have easily misled mankind since the beginning of recorded history otherwise man would realize his true predicament and rise up. We all know that God created man in his own image and that we are somehow "children of God." But the most important and key information that you do not know nor comprehend is that what transpired in the Garden of Eden was THE PIVOTAL CHANGE of the entire course of mankind. The CORE or ROOT of everything...

Most of the masses don't have the slightest clue what happened in the Garden of Eden. They have all been purposely fed some silly story of eating a silly "fruit." Lucifer did an awesome job of covering up his tracks. For even today nobody knows or even cares what happened with the two most important people of mankind... the originators of our entire world... Adam and Eve.

YOU ALL DON'T HAVE THE SLIGHTEST CLUE WHY YOUR CREATOR MADE YOU AND PUT YOU HERE, hence you are all LOST and wandering around in the DARKNESS meticulously enslaved in a myriad amount of ways yet Satan your real slave master maintains the ultimate illusions to lead you to believe that his decadent corrupt fallen world is wonderful. Under your spell of cluelessness about the true nature of this world he and his minions easily fool you and mislead you.

As with everything else I reveal here in this Matrix Report, I will cut to the chase and expose the cold hard truth: One needs only ask any true devote Jewish rabbi (**the keepers of the ancient secrets**) what was the cause of the "fall" of Adam and Eve, and if he is sincere he will tell quite you quite frankly that it was an ILLICIT SEXUAL ENCOUNTER. The "fruit" was Adam and Eve's sexual organs.... The central MOST HOLY parts of man/women.

Once you begin to start to fathom and comprehend the true significance of this revelation, only then can you even BEGIN to erase an entire lifetime's worth of false teachings and programming to BEGIN to understand GOD'S reason and purpose of creating mankind....

The FACT that Lucifer tempted Eve and made her “fall” by SEDUCING her into a sexual relationship, was **THE MOMENT** when Lucifer engineered the UNIVERSE’S MOST CATOSTROPHIC COUP D’ETAT.... In which he LITTERALLY took over the starting point of history and the title of “ruler of this world.”

There is another **profound meaning of the All Seeing Eye... It represents the woman’s sexual organ**... that is why there is only one “eye”, for the shape of the eye and the sexual organ are similar... The sexual organ is the most holy part of the human body; it is **the KEY to the divine**... Likewise, their symbology utilizes **another very profound symbol: The Obelisk... which represents the male sexual organ**... Together they are CENTRAL and intricately intertwined in “the knowledge of good and evil”... and DIVINITY. It has been said "Satan's thread can be seen by the truly observant." These Obelisks have for some reason been erected in ALL key major cities around the world.

God’s purpose of mankind and the fall of man in the Garden of Eden is totally, absolutely, completely enclosed within these two holy instruments or “portals” of DIVINITY... For they are the **“inner and outer temple”**... that interlock as one... When the man “enters the holy temple” he enters the women’s sexual organ.... The man’s obelisk or rod carries **the seed of life** (the tree of life)..... and deposits it in the holy temple (the tree of knowledge of good and evil).... Thus is one of the most sacred ceremonies on earth.... the consummation and transfer of **blood lineage**... digest these words well... for this revelation is one of the most monumental earth shaking disclosures in the history of man.

The “fall of man” was not from eating some silly fruit; it was from illicit sexual activity utilizing the MOST HOLY parts of the human body. Adam and Eve were to one day consummate their purpose of creation, but before that happened Lucifer intervened... he **SEDUCED** Eve and they had a forbidden illicit sexual relation. The moment he penetrated Eve he conducted the world’s most disastrous epic coup d’état. They “ate” of the “tree of GOOD and EVIL”, he thus overthrew GOD from his rightful position and all of history from that day forward was centered on EVIL instead of “GOOD.” Had Adam and Eve not fallen to temptation...

From that day forward Lucifer was the **FATHER** and **GOD** of this world:

“Ye are of your father the devil, and the lusts of your father ye will do.” John 8:44; *“The god of this world”* – 2 Cor 4:4; *“Ruler of this world”* – John 12:31, 14:31, 16:11

This is clearly revealed many times in the Holy Scriptures... And **the history of mankind has been: a long bloody history of God trying to regain his rightful position in our lives and world and get his CHILDREN that he created, back from the wrath of Satan.** Hence the need of REDEMPTION. God must send a “savior” one who is to **redeem** us from our sins. Can you possibly fathom the meaning of this clarified revelation?

Thus why the bible focused so intensely on the heredity of key figures. You have also witnessed throughout history the mysterious practice of people closely monitoring their hereditary history and **“protecting their ancient blood lineages.”** The most prominent among these are the devote Jews who throughout the centuries have rarely married outside their blood lineage. Though the Zionists have purposely practiced intermarriage with “blue bloods” and nobility and the super rich and powerful to further strategic alliances, and advance their quest of conquest.

As you can also see, Satan’s camp is also carefully guarding their blood lineage... for the day of the long awaited arrival of their master of darkness. Sexual Magick, acts and content have been at the core of all highest level occult rituals, from Kabala, to paganism, Wicca, witchcraft, Freemasonry and so on since the beginning of evil history. Today these rituals are conducted in sworn secrecy, sometimes as “innocent” fraternity rites, but unbeknownst to most “innocent” participants at any level, the force and spiritual weight and impact is profound beyond their feeble understandings. Suffice to say for the purpose of this report, the fact that sexual magick is central to Satanic worship also proves how pivotal and central it is/has been to Satan’s evil rule over mankind...

God created man to one day become divine beings... “as his father who art in Heaven.” **This was to happen at the time when Adam and Eve came together under the auspices of God to consecrate their HOLY UNION when the**

right time was upon them. Hence the Bible CLEARLY states that Lucifer told Eve “if you eat from the tree of good and evil (have sex) your eyes shall be opened and you shall be as gods.” It is clearly evident they did not literally die after falling, the death that was referred to was a SPIRITUAL DEATH, thus mankind has literally been spiritually dead, dumb and **blind** since those days onward.

The clues are everywhere in the Holy Scriptures, it states in many places that **we are “the TEMPLE of God” and that God was to dwell as one with us. Satan knows this very well, so he has hidden this most important truth from mankind for eons and has continuously lead man to defile his mind and body (God’s Temple) to such an extent that there is no way God can come into our hearts and dwell as one with us.**

Satan hates mankind so much so that he has oppressed and enslaved man from that day forward, only his chosen ones THE RULING ELITE of this world who carry out his wishes are all given worldly material rewards and riches in return for their loyalty in living according to his will while also maintaining a world society and rule based on his will. These are the people who have literally (knowingly or not) SOLD THEIR SOULS to the devil, they do his wishes and willfully comply with his desires of continual deceiving, misleading, oppressing, enslaving, corrupting and breaking down the hearts and minds of their fellow man.

For those who can fathom, let alone begin to comprehend this revelation and its implications, I can only at this moment tell you that the time is at hand where the forces of good and evil are converging for the prophesized battles of Armageddon. I have sprinkled clues throughout this Matrix Report. By now you should know who the Anti-Christ is and how he is controlling this world with the support of the false prophet.

There is only one mystery left undisclosed. Who, what, where is the TRUE church of Christ. I have literally visited and studied many different churches of all different denominations, even as far from the mainstream as the Jehovah’s Witnesses and Mormons, that’s how far I went in my search. The Catholic Church has unconditionally proved over and over again throughout history that it is nothing more than the Scarlet WHORE, today it is the **false prophet** that leads the nations astray. I found the Scientologists were nothing more than a Luciferian corporate fraud. I still love those southern Baptists, and the Pentecostals... but even I am yet to find the true church of the Lord.... If it exists... I have long ago given up searching, I stand alone as one with complete love and faith in God he leadeth me.

One thing is for sure, we are living in the providential times of “the apocalypse.” For some this is a time to be afraid and face death of eternal fire and damnation, so to speak. But I have been sitting on my perch carefully documenting its progress as one of its Watchmen. I don’t “think” or imagine or assume this or that, I only speak of what **I KNOW**.

The forces of Heaven and Earth are such that even I do not/cannot see the coming of the CHRIST. **The savior of mankind, who is to destroy this corrupt Luciferian system, SAVE MANKIND and world to then ESTABLISH GOD’S KINGDOM OF HEAVEN ON EARTH.**

We are living right smack in the middle of the prophesized “end of times” where **the world is immersed in THE GREAT DELUSION** (media generated, immersed and enveloped) on earth, thus it is extremely hard to see what is true and what is not. What is good and what is not. Who is right and who is wrong. Today the media molds/shapes/dictates to the masses what is and is not... Literally... Easily leading man astray, further into descendant abyss.

Even though I may have a CLUE as to what is, and about the second coming of the long awaited MESSIAH who is to **redeem all of mankind from sin and lead this world back to its original purpose of creation**, I have a commandment from Heaven at this time to reveal only what I have. It is **YOUR** responsibility to go forth from here.

I can only state: “seek and ye shall find”.... But as your brother in Christ I must tell those who have spent immense time reading these words: **The “secret” of seeking and finding is in your heart. ONLY when you unselfishly “seek” with all your most pure heart will “you find.” Ask and it will be given... only to those possessing unconditional pure heart... and profound desire that takes precedence above all and becomes the central point in your life over silly worldly issues will Heavenly Father begin to reveal the truth and restore your sight and life.** Those who pray for a million bucks and material things, God’s heart is stone, better go buy a lottery ticket you lost soul loser.

I am a just a Watchman, as Heavenly Father is my witness, all I say here is absolute eternal TRUTH. I reveal to you the CORE, the ROOT of all evil. Mankind has been battling the “branches” of evil throughout history, now that you know what the INTERNAL - ROOT causes are you can begin to seek further understanding, then, and only then can you begin to actually fight at the CORE, the ROOT of the world’s problems and stop the futile clipping away at the “branches” and leaves that continually grow right back, for those who do so uselessly combat the EXTERNAL – RESULTS. What we see transpiring in society is “effect” aspect of causality, i.e.: the “cause and effect” principle in action.

For those of you who cannot or will not accept or comprehend that the fall of man was actually a forbidden sexual act, the bible clearly states in many locations how **Angelic beings took on human wives and/or fornicated with them, the Old Testament is full of such stories**. You can even ask any devote religious Jew what was the “original sin” and he will come out and tell you it was sexual, this is actually well understood in some ancient regions, it’s just that people haven’t put two and two together as I am attempting to articulate for you right now.

*“That the sons of God (angels) saw the daughters of men that they were fair; and they **took them wives** of all which they chose.” – Genesis 6:02*

*“There were giants in the earth in those days; and also after that when the sons of God (angels) **came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.**” – Genesis 5:21*

Now with the secret of man’s intended divine nature revealed, where God’s throne is located and where he rules from revealed and how the deceiver of mankind operates throughout the world we can then focus our sights on re-analyzing our lives and reviewing world history under that new light, for truth will always overcome evil. Truth and “light” are the same, for they REVEAL the secrets and sins that are being hidden in the “dark”. The biblical prophets told us over and over again that this world is covered in darkness; this is what is meant by that. **Today we see the evil ones hiding multitudes of secrets, never revealing their sinister motives, instead they ridicule and label those looking for truth as “extremists”, radicals, delusional, nut jobs, tin-hat brigade, leftist, ding bats, anti-Semites, etc.**

The day that mankind realizes the intense words of truth I am revealing here and now will be the day that NO bankers, cartels, cabals, organizations, kings, rulers, militaries and so forth will EVER be able to enslave mankind ever again.

Who are the people, governments and organizations that cloak themselves in secrecy? Who are the people, governments and organizations that are lying to you, who are deceiving you, cheating you? Behold: For you have stumbled upon the secrets of the illuminati “Matrix.” Your eyes have been opened and you have been given the truth and the tools to identify them and their works. Now it is up to you what you do with them... walk the path of pure unselfish love in your quest for truth, yet beware of those who lurk at every corner waiting to bring you down... **utterly destroy you**... are none other than strategic instruments of the devil and are only doing his bidding... whether they realize it or not. He who has an ear let him hear.

The only thing that will save this country is a mass spiritual awakening, for throughout the ages all the **people have been under a massive spiritually dead stupor**... Most mainstream, basically: **corporate churches** have fundamentally failed God and have become essentially irrelevant in this modern society; drowning in dogma... it is now time for the children of God to AWAKEN... **Break free from all the chains that bind you**, for the time has come for you to retake your birthrights and reclaim your rightful status as divine children of God. And do so by walking the path of Love, for it is written that the Peacemakers will inherit the Kingdom of Heaven. **The Great Awakening will come forth with an avalanche of TRUTH at its core.** You must remove the blinders that cloud your PERCEPTION and keep you from SEEING true unadulterated reality, then you must go forth and **help your fellow man restore his SIGHT**, his “all seeing eyes.” For we are all living in the DARKNESS of eons in the making, by the grand deceiver of man. **TRUTH is you LIGHT in this age of darkness. TRUTH is the crucial element we must use to REVEAL that which is shrouded in darkness and the central weapon to defeat the Luciferian rule over this world.**

Behold: for it is the TRUTH that will literally set us all free. The time has come for you to decide... are you going to continue your existence as enslaved CATTLE lead to slaughter or DIVINE sons and daughters of the most holy and loving Heavenly Father who has been battling for eons for your liberation?

He who heeds the call must “put on the armor of LIGHT,” wield **the blazing sWORD of TRUTH**, the shield of faith and the heart of Peacemakers in vanquishing the enemy. This may seem like a paradox, but once you awaken, and **unplug from the matrix**, you will understand. I can’t tell you where to go from here, you must pray and your path will be revealed to you, for it is written: “seek and ye will find.” **To unplug from the matrix means to first of all cut off from the matrix**, i.e. the establishment and stop your debt enslavement for starters, cease all credit cards and other matrix norms, lures and trappings of this fallen world, this is a good first step.

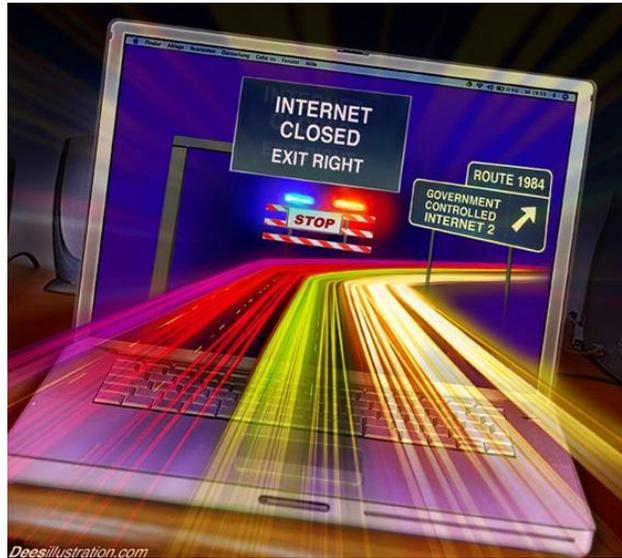

Let go of the Luciferian value system you have been raised up on. No longer allow yourself to be seduced by material things of this material world. Unplug from the system. **Learn to live beyond the system**... Reclaim your sovereign divine human rights... once enough of you wake up and are no longer blind, you can then **stand together** and reclaim your societies, nation and world from the dominion of the few corrupt meglowealthy who control it all...

Behold for:

1. None are more hopelessly enslaved than those who falsely believe they are free...
2. EMANCIPATE YOURSELF FROM MENTAL SLAVERY... unplug from the matrix...
3. He who has an ear, let him hear, he who has eyes, let him see...
4. For it is written: "the TRUTH shall set you free"
5. “By their fruits ye shall know them.”

Awaken ye who are asleep, rise up against the beast and vanquish him to the abyss...

THE INTERNET

CYBERSPACE: THE FINAL “free speech” FRONTIER

“Our lives begin to end the day we become silent about things that matter.” – Martin Luther King Jr.

The "establishment" no matter what “ruling elite” king, emperor, leadership and so forth have been in principal, always known that control over all media and news as pivotal to successful rule over the masses. This has been true throughout all society for eons. Control the press and you control what people know, think, and formulate their opinions. You thus control the collect consciousness and formulate their collective reality.

The truths that leaked out to the public of the corruption, lies, deceit, etc., was usually leaked, disseminated by word of mouth, or small little clandestine papers printed here and there, since the "masses" had no major outlet to fight back and distribute unadulterated uncensored information. Today is basically the same; the monolithic Zionist media empire has an iron clad control over the printed news and TV news and dominate all media with a fierce chokehold. The only place where we are on a somewhat even playing field, for the first time in history is here in **cyberspace**. Be warned though, for the powers that be are frantically running around in search of excuses and ways to put the internet on lock down and somehow regulate and **filter** what info the sheeple masses can have access to. There are calls to license Internet users and force them to get government permission to run a website.

Until then, this is OUR medium, this is where OUR voices can be heard in every corner of the world.

Interesting, how “God”, fate or karma has ways of helping to equalize things, today we have a somewhat level playing field here on the cyberspace. Ok, so it took eons to make it happen. We now have a new information and communication medium called the INTERNET. Boy are the old school aristocrat elites furious, seething with anger in their dark dungeons, going batshit insane over the free access and hemorrhaging of information!

They have had ABSOLUTLEY NO CONTROL of this medium! Their secrets, information, lies, deceit, secrets, etc have been leaking all over the place! Once easily obscured secrets, corruption, deceit, wrongdoings were easily hidden

from the public. Today is the first time in the history of mankind that for “he who knocks and seeks”, can literally “find” in a blinding fast speed of light. Granted, there are literally hundreds of great books in circulations throughout the years that thoroughly cover every single segment of what I describe here as “the matrix” but they were and are still hard to find locally, even today. The information exists out there, yet does not reach the critical mass.

People have already connected the dots and put the pieces of individual puzzles together without understanding that their extensive research within their particular field of concern is intricately connected to yet larger seemingly unrelated areas. It is my hope that the internet can bridge this gap, help consolidate all research, and conveniently distribute the entire picture to the masses.

There is still a significant large population that have no computers nor internet access, many of these people are “old school” grandpas and grandmas who believe whatever “the man”, “the establishment”, “big brother” tells them. We are today’s generation of high tech adopters, who have come to know better than to just accept what we hear from Washington, the elite rulers and their propaganda subsidiaries such as Fox News, CNN, ABC, CBS, NBC, etc., as gospel. We have all, at some point in time, came to the realization that we were constantly being fed pure BULLSHIT.

So here we are, as Neos “searching for the matrix” digging for the real truth on the net. **The internet is so large they have yet to figure out how to CENSOR it.** Oh, no, they will never call it censorship, their efforts to control the content and filter anything that even sounds remotely negative towards the “establishment” policies will soon be illegal. Regulatory agencies are working in overdrive in search of both the pretexts and the way to lockdown the net. Here are some strategies that are in the works: **censorship & regulations will be disguised as eliminating “subversive hate speech”**, “protecting us from terrorist proliferation”, “to protect our children”, “protect us and America from hackers”, or some other ruse. One thing is for sure though: they WILL eventually, sooner or later, somehow put this medium on lock down.

At this moment in time the internet in our country and in other countries especially Europe is experiencing “quasi” censorship. What is going on is that Internet Service Providers (ISP) are being pushed to the front line on internet censorship. It seems that the “establishment” will also be censoring the internet from your ISP access points. For instance Comcast and others are spearheading **censorship of “certain websites they have deemed evil”**... You know where this is leading don’t you? As is the case with EVERYTHING the establishment does, **they NEVER just shut anything down, (due to mass opposition) they instead cut corners here and there, limit this and that, over time you get used to the new limitations, eventually they become THE NORM, over the years you realize that IT is no more, gone, vanished.**

Likewise we are experiencing this very same old yet effective strategy being applied on the net. Soon the day will come where only SANCTIONED websites will be all you can access just like cable TV. The wild wild west days of the internet will be tamed, the bar will be raised and only the big media conglomerates and major players who pay to play will exist just like cable TV. Rupert Murdoch the crypto Jew media baron recently stated as a matter of fact that “by this time next year (that means sometime in 2011) the internet will be under complete control.” With Net Neutrality bills, Internet2 and other externally seemingly innocent sounding acts, the net will be tamed and brought under full corporate and government regulated control more or less like TV and radio stations were back in the day.

Unbeknownst to most, the internet is currently undergoing a complete takeover by private monopolistic cartels. While some are busy looking at the government efforts in locking down the internet they overlook the Zionist juggernaut:

The Jewish Hand Behind Internet: <http://www.keepthetruthalive.com/2005/02/jewish-hand-behind-internet.html>

Who is the TOP of the TOP most media hyped, most influential top sites of the internet: Google is perhaps the top reigning king of the internet, when it went public the Zionist media had hyped it out of the stratosphere, thus its stock IPO did likewise, it was established and run by two Jews Larry Page and Sergey Brin.... Google is followed by media darling Facebook who is headed by Mark Kuckerberg, another Jew. What are the other two top internet companies? That leaves just Zionist media darling EBay and Yahoo... surely they are not Zionist enterprises... right? LOL! Yahoo’s CEO is none other than Carol Bartz, if you doubt her Jewish roots; her grandmother was Alice Schwartz..... Surely EBay is not part of the matrix?.... Think again! Though it is often publicized that EBay was founded by Iranian Pierre

Omidayar, what you don't know is that it has been fully Jewish controlled long ago, their first employee and president was a Jew by the name of Jeffrey Skoll, and Meg Whitman (Jew) was placed as the president *and* CEO in 1998. Another media much hyped darling of the internet rounding out the top 5 is Amazon.com which was founded by Jeff Bezos, a crypto Jew if there ever was one, he hides is stripes well, Amazon.com's president is a Jew by the name of Tom Sztutak, Paula Szkutak is the Chief Finance Officer of the Jewish Community Center of Greater Buffalo...

Who runs the internet's number one payment system? None other than PayPal. Of course the main principles running the organization are Jews, beginning with its co-founder Peter Thiel. How about the number one social news sights? Digg, need I say who its founders and owners are? (I did not do a thorough comprehensive search, I only looked up these few companies, I'm sure if you do a more thorough search you will find that the Zionists are most likely the leading controlling group of the most influential internet companies also)

There you have it some of the top most prominent internet companies in the entire planet and they are all run and or controlled by none other than your friendly neighborhood Jew overlords... nothing else to see here folks, not even going to look into the top 10 or top 50, I will leave that up to you, the inquisitive types... I have just unveiled the tip of the iceberg, yet again.... nothing else to see here folks... go back to sleep.... sleep..... sleep....

As you can readily see the Zionists have been jockeying into dominating positions in all areas of the internet exactly as they did in established film, TV and all media. This is only a portion of control, the powers that be are attacking the freedom of the net from all angles, they WILL eventually gain iron fist control over the flow and release of information, or "news"... The headlines are pouring in, the ruling elite are attacking from all angles:

- **FCC In Move to Regulate Internet**, Financial Times, 6/18/2010
 "The Federal Communications Commission on Thursday took its first formal step towards the adoption of new regulations for the broadband industry, setting the stage for what could become one of the most expensive lobbying campaigns to hit Capitol Hill by major telecommunications and cable providers. In a 3-2 vote along party lines, Democrats at the FCC on Thursday agreed to begin formal consideration to adopt new rules for high-speed internet companies such as AT&T and Comcast, which have until now operated virtually free of the FCC's oversight. Technically, the FCC's majority passed a motion to "open for comment" new broadband rules, the first step to passing the rules..."
- **Google and Verizon Net Neutrality Plan: Is It the Devil's Work?**
- **Why We Must Close the Net**
- **Protesters Denounce Google plan for 'two tier internet'**
- **RIAA Legal Ruling Could Shut Down the Internet**
- **Bill Would Give President Emergency Control of Internet**
- **Congress Considers a New Internet Tax**
- **US Government May Need to Limit Internet Use During Flu Pandemic, GAO Says**
- **Former CIA Head Wants to Limit Internet Access**
- **Experts: Feds Need to Secure the Internet**
- **Controversial Digital Economy Bill to Stop Illegal Downloads**
- **Partial List of Websites Monitored by Homeland Security June 2010 Privacy Impact Assessment**

That list took me all but 5 minutes to quickly look up, so it is not even close to being a comprehensive list of all the areas of the all-out attack of "the establishment" to gain control and lock down the internet... You have been forewarned: The unrestricted freedom of information flow through the internet is officially on its way to corporate/government lockdown. The portal will soon begin to constrict... Before you know it they will completely lock down the internet. Here are a few more ways they are introducing to lock down and censor the net, ultimately leading to making the entry fees exorbitantly high exactly like purchasing a radio or TV communications license.

...And Censorship for All

By Quinn Norton

Some laws are good, some are bad, but man does the one being debated no in Congress take the cake and come back for pie. The Combating Online Infringement and Counterfeits Act (COICA) would create the first Internet censorship system to be run by the U.S. government, banning websites believed to infringe intellectual property. Not just the part that infringes, but the whole site

COICA sets up two lists. The first is a list of sites that the government would demand all U.S. service providers block access to for all Americans, via DNS. Online payment and ad companies face prosecution if they try to do business with a site on the list. It requires a court order to be put on that list, but it is unclear how a site can get off it. Possibly even creepier is the second list-websites that the Attorney General just lists with a recommendation to block. There's no due process with that list, just the heavy hand of implication, and log files showing who complies.

DNS isn't the site itself, but the system on the net that matches names to IP numbers and lets us find each other. Without the ability to wipe sites they don't like off the Earth, rights holders and their senatorial supporters will settle for wiping them off the map.

If you haven't said it, let me help you: What the hell? This is America, we simply don't do this sort of thing. We've always been willing to take a little extra chaos because we don't want even a little Stalin. It's our tradeoff.

Now we're going to trash the First Amendment over Thepiratebay.org? I was hoping that if we had to lose our most sacred right, it could be over something a little more substantial than trying to make sure some coked-up Hollyweird fat cats don't feel insecure about torrents of Transformers 2.

Head over to Demandingprogress.com or EFF.org to find out how to help stop this abomination, before we have to DDOS the AG to get our real internet back.

Those who truly understand how seriously the internet is under siege by many incredibly powerful forces will start to **BACK UP AND MAKE COPIES OF EVERYTHING OUT THERE**, for making things such as unsanctioned websites and content disappear in cyberspace will just take a few keystrokes, while BOOK BURNING took years and lots of footwork going from village to village. Today this is happening right before your very eyes. **For I have clicked on MANY links to truther websites only to find that they have disappeared.** When and if they completely shut out (even outlaw "dissent") the truth movement out of the net, if you made backups of all the info you found important, then you could still burn everything to DVDs and still print things out and continue distributing them. We cannot allow them to silence the TRUTH. **Update:** It has come to my attention that there exist website copy software were you can actually download entire websites! [Get it now, here, I recently found a free website download tool called HTTrack, it works great.](#) Download important websites while they are still up!

It wasn't long after these words were written that PROOF of mass censorship revealed is delivered (remember, blogs are one of the main sources of "dissident" truther's presence on the internet were they share their findings and expose the wrong doings of the elite):

Behold: The powers that be have begun their [censorship](#) and shutdown of the "evil" bloggers on internet:

U.S. Authorities Shut Down WordPress Host With 73,000 Blogs

Written by [enigmax](#) on July 16, 2010

After the U.S. Government took action against several sites connected to movie streaming recently, nerves are jangling over the possibility that this is just the beginning of a wider crackdown. Now it appears that a free blogging platform has been taken down by its hosting provider on orders from the U.S. authorities on grounds of “a history of abuse”. More than 73,000 blogs are out of action as a result.

Hot on the heels of recent threats from Vice President Joe Biden and Intellectual Property Enforcement Coordinator Victoria Espinel directed at sites offering unauthorized movies and music, last month U.S. authorities targeted several sites they claimed were connected to the streaming of infringing video material.

‘[Operation In Our Sites](#)’ targeted several sites including TVShack.net, Movies-Links.TV, FilesPump.com, Now-Movies.com, PlanetMoviez.com, ThePirateCity.org, ZML.com, NinjaVideo.net and NinjaThis.net. In almost unprecedented action, the domain names of 7 sites were seized and indications are that others – The Pirate Bay and MegaUpload – narrowly avoided the [same fate](#).

Fears remain, however, that this action is only the beginning, and that more sites will be targeted as the months roll on. Indeed, TorrentFreak has already received information that other sites, so far unnamed in the media, are being monitored by the authorities on copyright grounds.

Now, according to the owner of a free WordPress platform which hosts more than [73,000 blogs](#), his network of sites has been completely shut down on the orders of the authorities.

Blogetery.com has been with host BurstNet for 7 months but on Friday July 9th the site disappeared. The following Monday the owner received an email from BurstNet:

Due to the history of abuse and on going abuse on this ‘bn.*****’ server.

We have opted to terminate this server, effective immediately. This termination applies to: bn.affiliateplex.com

Abuse Department, BurstNET Technologies, Inc

Further correspondence received the following response:

Bn.xx***** was terminated by request of law enforcement officials, due to material hosted on the server.

We are limited as to the details we can provide to you, but note that this was a critical matter and the only available option to us was to immediately deactivate the server.

...and a later clarification:

Please note that this was not a typical case, in which suspension and notification would be the norm. This was a critical matter brought to our attention by law enforcement officials. We had to immediately remove the server.

“We notified him [the Blogetery owner] when we terminated it [the server], and we refunded him his money to his account, because he has other servers with us. If he wants the refund to his card, we can easily do that. However, it should be the least of his concerns,” A BurstNet representative later confirmed.

“Simply put: We cannot give him his data nor can we provide any other details. By stating this, most would recognize that something serious is afoot.”

Due to the fact that the authorities aren't sharing information and BurstNet are sworn to secrecy, it is proving almost impossible to confirm the exact reason why Blogetery has been completely taken down. The owner does, however, admit to handling many copyright-related cease and desists in the past, albeit in a timely manner as the DMCA requires.

Nevertheless, a couple of quick Google searches which are likely to turn up blogs which link to copyright material appear to do just that – [here](#), [here](#) and [here](#). That said, on any network this large this type of activity is bound to happen. Many thousands of blogs on the same platform would have been perfectly legal.

“All of the users are without service just like when the Pirate Bay raids happened and all the people who were on the host sites were also taken down,” pointed out an annoyed Blogetery user who contacted TorrentFreak. “I have lost my personal site also and I don't have any way to contact the owner since his contact info was on the blogetery.com site & that was the only way to contact him.”

Indeed, 73,000 blogs is a significant number to take down in one swoop, regardless of what some users of the site may or may not have been doing. Time will tell if it was indeed a copyright complaint that took down the service but the signs are certainly there. Not so long ago the conclusion that this type of action could be taken on copyright grounds would have been dismissed out of hand, but the current atmosphere seems to be changing.

This chapter was written (and draft 1.0 distributed on the net) long before master illuminatist Jay Rockefeller initiated the **Cybersecurity Act of 2009**. Exactly as I have been warning everyone, here it comes in black and white straight from the halls of the power elite in Washington. According to the Cybersecurity Act, the Whitehouse will have new powers to access private data, regulate the cyber security industry and even shut down internet traffic by region, ISPs and so forth. Get ready to say good bye to your last true place of practicing your 1st Amendment rights.

You think that the above removal of a breath taking 73,000 blogs in one sweep is an isolated occurrence? LOL. This type of stuff has been happening for years. I know of dozens upon dozens of websites that were critical of the “establishment” and/or Zionism that have systematically just disappeared overnight never to be heard of ever again.

Here is just one ordinary case example of how far the **censorship** has been going for years now:

Indymedia Server Taken Down

» [EFF press release about unsealed documents Aug 2, 2005](#)

On Thursday, October 7, 2004, more than 20 Independent Media Center (IMC) websites and other Internet services were taken offline pursuant to a Commissioner's Subpoena. The Electronic Frontier Foundation (EFF) is representing the interests of Indymedia, a global collective of independent media organizations and thousands of journalists offering grassroots, non-corporate coverage of news events. In addition, EFF is working in cooperation with lawyers who represent particular Independent Media Centers all around the world.

Initially, the disappearance of the Indymedia servers was shrouded in secrecy, with no one willing to provide an explanation. On October 20, 2004, EFF filed a motion to unseal the Indymedia documents in the United States District Court for the Western District of Texas. In the motion, EFF attorneys argued that "the public and the press have a clear and compelling interest in discovering under what authority the government was able to unilaterally prevent Internet publishers from exercising their First Amendment rights." EFF argued further that secret court orders circumvent due process, undermine confidence in the judicial system, and deny those affected by the order any way to challenge it.

On July 20, 2005, the court granted the motion, and ordered the majority of the underlying documents unsealed

(but with the specific URLs of the pages being investigated redacted). On August 1, 2005, we received the newly unsealed documents, which are listed below.

The unsealed documents confirm that the U.S. government served on Rackspace Managed Hosting a Commissioner's Subpoena issued pursuant to an April 2004 request from the Bologna (Italy) Public Prosecutor's Office. The Commissioner's Subpoena was seeking "log files in relation to the creation and updating of the web spaces corresponding to" particular URLs on the Indymedia servers.

The Unsealed Documents

- [Explaining the Italian Request](#) [910k] 7/30/04
Memorandum of law in Support of Application for Order. US Attorney explains the Italian request. The Commissioner's Subpoena to Rackspace, the Italian request (in Italian) and the Treaty that regulates the request are included as exhibits.
- [Italian Request for assistance](#) (in English) [203k] 7/30/04
US Attorney requests the US District Court the appointment of a Commissioner to collect the evidence required to execute Italian request. Italian request (in English) included.
- [Government requests to seal](#) [20k] 7/30/04
US Attorney's Motion to Seal the Application for Order
- [Appointment of the Commissioner and grant of the request to seal](#) [62k] 7/31/04
Orders from the US District Judge appointing Don J. Calvert as a Commissioner and granting government Motion to Seal the Application for Order.
- [Government's Response to Motion to Unseal](#) [84k] 11/5/04
US District Attorney explains why the Government opposes the Motion to Unseal.
- [Order to unseal unless significant evidence is provided](#) [197k] 9/12/04
US District Court grants EFF motion to unseal and orders the unseal of the documents unless the Government can produce significant evidence that supports the necessity for secrecy.
- [Request for more time](#) [59k] 12/21/04
US Attorney requests 10 days to answer the US District Court and to present the evidence necessary to prove the necessity for secrecy
- [Certification of the log files](#) [27k] 12/21/04
US Attorney certifies the content of the compact disc with a copy of the Rackspace server.
- [Grant of request for more time](#) 18k 12/22/04
US District Judge order granting government's motion for extension of time to present evidence.
- [Italian Government letter](#) 26k 1/3/05
US Attorney presents a letter from the Italian Government explaining the reasons that justify the secrecy of the proceeding. The letter is not unsealed.
- [Requesting response from the Government](#) [54k] 5/24/05
US District Judge order consolidating cases and requesting response from the Government in 4 weeks. The Judge explains the content of the letter from the Italian Government.
- [Government response](#) [67k] 6/23/05
US District Attorney responds the US District Judge request to respond and explains that they have redacted the documents that it believes must remain sealed. It includes a list of documents and explanation of its confidential nature or not.
- [EFF reply to Government response](#) [49k] 7/1/05
Request to the US District Judge to also unseal the Government's pleadings regarding their Motion to Unseal and the Court orders regarding the same. [Source: [Electronic Frontier Foundation](#)]

The internet is now being used as a massive profiling database; Facebook, MySpace, twitter, etc. were people post all their viewpoints for the world to see. What you say, your opinions, views, everything is being compiled and archived into the biggest database in the world. Again the establishment hyped and promoted these venues to the hilt paving the way for the public to gleefully submit and reveal their own data, readily providing deep insight into their very beings. The information gleaned on you for your dossier is not just limited to social networking sites either. You every action you make gets added to your profile/dossier, where you go, what you buy, everything you do provides details into your phychy, more material for their databases.

That's just for starters, agencies can easily access all your info stored within your cell phones, pinpoint your locations at all times and the ingenious aspect is that every single cell phone can double as a "bug", gone are the days of the FBI and other agencies having to send someone to bug your home and locations. **They can use the mic on your cell phone to monitor your every conversation within mic distance of the cell phone 24/7 even if you have your phone turned OFF!** (you only guarantee that you are not being monitored is to remove the battery) Thus cell phones are the new ubiquitous 21st century remote monitoring surveillance devices. The beauty of it for the spies tracking your every move is that almost everyone worth monitoring has one!

As if that were not frightening enough, intelligence agencies have long ago created worms, Trojans and rootkits designed for snooping on "suspects" as in **"dissidents," anyone who does not agree with the establishment**, (one of which was known as "Magic Lantern") not even Norton will locate these bugs in its virus scan. **CIPAV documents have recently been released detailing the federal government's unique brand of spyware.** There is no telling the full extent to which it is being used, but documents released via Freedom of Information Act to CNET News show that it has been used in the past in multiple instances where the target is using anonymizing services to conceal his or her IP address. CNET's reporter explains:

"The FOIA documents indicate that the FBI turns to CIPAV when a suspect is communicating with police or a crime victim through e-mail and is using an anonymizing service to conceal his computer's internet protocol address... CIPAV let the FBI trick a suspect's computer to into identifying itself to police, much as an exploding dye packet might identify a bank robber."

How long will the easy entrée into the internet continue is not known, for the powers that be such as the FBI, NSA and the CIA are scrambling like crazy to MONITOR it and find out how to CONTROL THE FLOW of INFORMATION. As these words are being typed we are witnessing the FBI reviving COINTELPRO in a hiring blitz of thousands of people, mainly for their cyber unit, to help **catch the "internet terrorists"**... they are busy instilling FEAR in the hearts and minds of the sheeple, warning of a possible "cybergeddon"... Come on now, we already know their modus operandi (M.O.s), we know what's coming next: this is just the predecessor of rounding up cyber activists, truthers, dissidents, do gooders, whistle blowers, constitutionalists, they will frame you as "seditious enemy combatants and sympathizers". Website admins who's content goes against officially sanctioned talking points, all conspiracy websites, in short, anyone revealing or sharing TRUTHFUL negative information of "illuminati" cartel, status quo and "the establishment" will be viewed and treated as an enemy combatant... for in their eyes you are all TERRORISTS!

Obama staffer wants 'cognitive infiltration' of 9/11 conspiracy groups

By Daniel Tencer, Wednesday, January 13th, 2010

In a 2008 academic paper, President Barack Obama's appointee to head the Office of Information and Regulatory Affairs advocated "cognitive infiltration" of groups that advocate "conspiracy theories" like the ones surrounding 9/11.

Cass Sunstein, a Harvard law professor, co-wrote an academic article entitled "Conspiracy Theories: Causes and Cures," in which he argued that the government should stealthily infiltrate groups that pose alternative theories on historical events via "chat rooms, online social networks, or even real-space groups and attempt to undermine"

those groups.

As head of the Office of Information and Regulatory Affairs, Sunstein is in charge of "overseeing policies relating to privacy, information quality, and statistical programs," according to the White House Web site.

Sunstein's article, published in the *Journal of Political Philosophy* in 2008 and recently uncovered by blogger Marc Estrin, states that "our primary claim is that conspiracy theories typically stem not from irrationality or mental illness of any kind but from a 'crippled epistemology,' in the form of a sharply limited number of (relevant) informational sources."

By "crippled epistemology" Sunstein means that people who believe in conspiracy theories have a limited number of sources of information that they trust. Therefore, Sunstein argued in the article, it would not work to simply refute the conspiracy theories in public -- the very sources that conspiracy theorists believe would have to be infiltrated.

Sunstein, whose article focuses largely on the 9/11 conspiracy theories, suggests that the government "enlist nongovernmental officials in the effort to rebut the theories. It might ensure that credible independent experts offer the rebuttal, rather than government officials themselves. There is a tradeoff between credibility and control, however. The price of credibility is that government cannot be seen to control the independent experts."

Download a PDF of the article here.

Sunstein argued that "government might undertake (legal) tactics for breaking up the tight cognitive clusters of extremist theories." He suggested that "government agents (and their allies) might enter chat rooms, online social networks, or even real-space groups and attempt to undermine percolating conspiracy theories by raising doubts about their factual premises, causal logic or implications for political action."

"We expect such tactics from undercover cops, or FBI," Estrin writes at the Rag Blog, expressing surprise that "a high-level presidential advisor" would support such a strategy.

Estrin notes that Sunstein advocates in his article for the infiltration of "extremist" groups so that it undermines the groups' confidence to the extent that "new recruits will be suspect and participants in the group's virtual networks will doubt each other's bona fides."

Sunstein has been the target of numerous "conspiracy theories" himself, mostly from the right wing political echo chamber, with conservative talking heads claiming he favors enacting "a second Bill of Rights" that would do away with the Second Amendment. Sunstein's recent book, *On Rumors: How Falsehoods Spread, Why We Believe Them, What Can Be Done*, was criticized by some on the right as "a blueprint for online censorship."

Sunstein "wants to hold blogs and web hosting services accountable for the remarks of commenters on websites while altering libel laws to make it easier to sue for spreading 'rumors,'" wrote Ed Lasky at *American Thinker*.

Being that censorship is beginning to be practiced and accepted throughout the free world at an alarming rate, we know that the internet is currently being harvested to find the do gooder truthers out there. Enforcement agencies everywhere are being trained to treat all activists, all defenders of truth and freedoms as dissenting enemy combatants and even as far as labeling us as terrorist. This is not some crazy paranoid thought, this is the reality of what is actually going on right here and now. For instance, did you know that our dear loving protective **government is planning to force bloggers who criticize congress and organize grass root causes to register themselves or face JAIL TIME**. All you pesky truthers will have to report quarterly to Congress just like lobbyists or go to jail. Golly gee, our most benevolent government always has the best interests of our nation at heart...

This is very serious, for how can all of us peaceful, harmless God loving patriots expose the sinister plots of those who aim to enslave mankind if we allow ourselves to be easily silenced? We therefore must learn to utilize this information

delivery medium known as the internet to spread hope and truth to every corner of the earth. In order to do so, we have to learn from the experts.

Some of us due to the nature of the information we are exposing have no choice but to become invisible, the ones who come forth revealing “sensitive” information more often than not end up neutralized or meet with an untimely demise. But many high profile truthers achieve sort of safety in numbers, due to the fact if anything happens to them, then hundreds if not thousands of their readers, friends and associates would immediately rise up point fingers, stirring up unwanted attention.

There are many “experts” of the internet (hackers) that hide from “big brother” all the time, and most of them have been doing so for decades. We who want to be around after they round up all the tree hugging, earth loving, peaceful truth seeking patriots they have labeled “enemy combatants” and ship them all off to concentration camps have no choice but to employ the expert techniques of hiding “from the man”. Now sing along: “Bad Boys, bad boys, what you gona do when they come for you, bad boys?”

There is one thing that the spooks absolutely hate, and that is **tracking a GHOST**. Investigative agents, forensic experts and profilers are routinely used to catch real bad guys, and you can bet your ass they will be the ones used to find any truther out there exposing the REAL criminal masters of this world. They cannot trace a ghost, the better you know how to hide the more advanced ghost you become, just don’t break the law. I have thus reinvented myself, Behold for today I follow the principles of the magician escape artist known as **Houdini**. Prior to my putting even one single word on the net I did my research and found out “how to hide in plain sight”.

Below Is an article I found while researching for ways to distribute this report, this article also helped me understand how to become invisible on the net:

How a BitTorrent Tracker Owner Hides from the MPAA/RIAA

Written by [enigmax](#) on February 06, 2008

Apart from The Pirate Bay guys, most tracker administrators are acutely aware of the risks they expose themselves to, and do everything they can to hide in the shadows. We speak to a tracker owner to find out the kind of measures these guys take in order to protect their identities.

In most countries around the world, the legality of running a tracker is still uncertain, in that definitive court decisions have not been made. Even in the US, the last two big trackers to be shut down , LokiTorrent and EliteTorrents , weren’t shut down by a court, but thanks to the mainstream media, public perception is that these sites are operating illegally. The lawyers of the MPAA, RIAA and IFPI maintain they’re illegal so that’s often enough to cost an admin , if his identity is compromised , lots and lots of worry, and probably money too, regardless of his status under the law. It seems that being an admin these days is more about keeping an identity secret rather than acting within the law, as more often than not, old fashioned threats take down torrent sites, not legal action.

TorrentFreak spoke to the admin of a BitTorrent tracker to find out how he stays safe, not sorry.

Introduction

“I’m fairly paranoid and I find that’s a good start point” he told us. “I’m probably overly cautious, but if that’s what it takes for me to sleep right, that’s cool. I’m nothing special and not a huge target but I don’t leave much to chance, even though I don’t have much to worry about compared to the really big boys. I don’t claim to be an expert on security, I’m self taught only, but I’m happy to share my precautions with you (and happy to hear from others on where I need to improve!). I know of admins who run their trackers from their parents residential ISP

account with little extra care at all, so any protection is better than nothing!”

Below, our admin gives a breakdown of some of the measures he takes to stay safe. Although an experienced security aware user might spot some holes in this series of measures, it’s interesting to see the lengths to which people will go to protect themselves when seemingly, others take few precautions. This article is entirely consistent with the admin’s message, but at his insistence, it has been re-written by TorrentFreak:

Identity is Everything , If you never tell anyone, no-one will ever know

If the authorities/MPAA/RIAA don’t know who I am or where I live, they can’t threaten me. When I’m working on the site I use either an encrypted connection via an Internet connection available in these premises (my name isn’t on the bill, adding another layer of confusion), or a secure VPN over a local open wireless network. For me, hiding my activities from any ISP accounts even remotely linked to me is important, as I don’t want any ISP to be able corroborate anything specific about what I do. If approached by a 3rd party for information (with a request like “can you confirm that such-and-such connected here at XX:XX time”, for example), they know little or nothing about what I’m doing, throwing any gathered evidence into doubt.

I think the recent OiNK bust was quite a wake up call. I for one was laboring under the misconception that copyright issues are mainly civil and I really only thought through evading civil actions. Once the police get involved, they can find out pretty much anything about you from anyone. Thanks to what we learned about the OiNK bust, my improved security measures should save me from the police too, in the small chance they are interested in a relatively small fish like me.

Registering a Domain

The WHOIS for the site’s main domain is protected, for that added layer of annoyance, although even this isn’t foolproof. Our main domain name isn’t owned by anyone who has anything to do with the site, so it’s pointless threatening that person, even if they find out who it is. It might not stop them making threats so just in case the domain owner complies, other domain names point to our server too and every user is aware of these. None of the domains are owned by me.

Paying for Stuff Online

When we need to pay for something we use disposable credit cards, and the same via PayPal. We also have a few other PayPal accounts scattered around which we run unverified, then dump when PayPal start asking questions. ~We’ is a term I (we!) get into the habit of using often, it’s less focused than ~I’.

Using Email

Use a few varied accounts and try not to ~cross contaminate’ them by doing *any* personal stuff on them at all , site business *ONLY*! If your email address typed into Google returns results other than to do with the site, you are taking risks. Ideally a search would produce nothing at all. In addition, I always hide my IP when I pick up or send email.

Security When Using Other Sites

They’re not, but I act as if all file-sharing forums are insecure. I work on the basis that someone on the staff could be a security risk so I make a policy of never discussing site business on other sites, unless I’m asking general questions. I’d certainly never say “I’m the admin of etc-torrents, hi!” on an open forum and wherever possible I use other aliases.

Find a good host you can trust who doesn’t ask for much verification of identity

Our site has had a few hosts since it began a few short years ago. The first was a friend of a friend of a friend who accepted us with no formal contract or 'paperwork', paid from any old PayPal account. For a while we just got users to donate directly to the host which meant I didn't need to get involved at all. The second and third hosts were people who had established (anonymous) reseller accounts with big ISPs. As long as they got their money, they didn't ask any awkward questions like: 'What's your name and address and credit card number?' I communicate with any host using disposable email addresses (or something like Hushmail) combined with some sort of anonymizing system previously mentioned. I guess even more precautions could be taken, but time is time and we all have to do some productive work in the end!

Server Location

I would never choose a host in my own country and I'd never put a server in a country where my worst anti-piracy enemy is located, the legal wheels turn too easily. But if the wheels do turn really easily and your host hands over your personal details, you will have been clever enough to make sure that they never had the correct information in the first place. Pay your host on time and be a good customer, you need him inside.

Online Identity

Ok, so I may be a proud super admin (j/k!) but I'm not too keen to spread my nick around carelessly or needlessly. I try to resist the ego trip, even though it can be fun using your 'power' to get stuff you wouldn't normally have access to! Remember, even online nicknames can be a source of identification over time. In my opinion, any admin who features himself on Facebook or MySpace in a way that could be linked back to his torrent activities, really needs a psychiatric evaluation. But I know of a couple who do and so far, they've survived. Maybe I'm crazy, and they're all sane. It's possible!

Security on the Site, Choosing and Dealing with Staff

Any logging on the server or control panel info excludes staff members details, so a rogue moderator with a grudge can't get any useful information, should someone try to make it worth their while to provide it. No-one on the site knows anything really useful about me, even within my own team. None of us have ever met in real-life, but I make it my business to learn as much about them as possible, just in case. The very closest people to me on the site know my first name, I guess that's ok? Wrong!

I never let anyone know anything important about me, no matter how small. Small clues can easily add up to answers when put together like a jigsaw. Let people think they know your real name if you like, it's functional and no-one really gets hurt. For the survival of the site I believe it's acceptable for me to lie about my country of origin, my age, marital status and even my sex, but beware, pretending to be a girl will get you LOTS of attention! Look after the small things and everything else looks after itself.

It's also a good move to encourage my staff to be security conscious too but I don't force my regime onto them. I find that when choosing staff it's best to never let people with inflated egos get close to you - they tend to have big mouths too. They generate tension and trouble and YOU will become a target with their boasting and trigger happy attitude. I like quiet, considered staff because I'm paranoid!.. but this style doesn't suit everyone.

Try making other forum accounts and act like a normal user on them. You'd be surprised at what people will tell you about your own site that you didn't already know when they think they aren't talking to anyone important.

Site Donations

Anonymous PayPal accounts (or in a 3rd party's name) are completely desirable. Although I suggest a level of transparency in showing users how much money in donations are received, making these records public provides a level of evidence of financial income to the site and you just know that this would be used against you at some

point, should the shit hit the fan. If you know and trust your host, why not let users donate directly to him?

Don't Break the Law!

Running a tracker is a gray area in most country's laws but I try to stick to some basic guidelines to not show blatant disregard for things that are surely illegal in most places. Under no circumstances would I seed any copyright works on my own tracker. I saw an admin recently who had uploaded 4tb of warez and was showing off his stats for all to see. Why take the risk?

If you get a DMCA type takedown request, take the torrent down! The Pirate Bay guys are going crazy at me now I guess (they're entitled to hold their own style of course!) but I see no point in doing anything unnecessary to annoy copyright holders, especially us small guys who don't have many resources.

Do unto others as you'd have done to you!

Try and make good contacts at other torrent sites as they can be a valuable source of information. Try to stay out of conflict with others and be known as a problem solver, not a problem maker. A good reputation is a must to maintain admin karma ;) No-one wants online enemies, especially in huge numbers! People with a grudge and keyboard can really fuck you up. Don't badmouth people to others unnecessarily, you have no idea who they know, who they might tell and what it could lead to.

A few basic tips to hopefully keep the right side of the law

1. If you can't be identified, they can't do anything against you personally.
2. Always respond to proper takedown requests. Be courteous, don't make enemies.
3. Never seed anything yourself and don't operate a seedbox. If others operate them on your tracker, that's up to them.
4. Don't run any kind of pay-to-download service unless you like police attention.
5. See 1

Final Thoughts About Being Anonymous

Being as anonymous as I can is a must for me and it helps me feel safe. It's probably already past a healthy stage and it does have drawbacks. A few of my staff I love, I really do, they're great guys but I can never let them know my true identity, which is sad for me because maybe we could become more to each other than just text on a screen. If I thought even one person knew who I was, my confidence in security would fall dramatically.

Being anonymous can be a quite lonely experience as you struggle to keep the very things that make you an individual, private, while constantly having to view people that probably don't deserve it, with suspicion. But in the end you gotta keep the torrents going, so it's all good.

Update:

It has come to my attention that one of the methods utilized to identifying computers is the MAC address. Here is the 411 on how that works:

MAC stands for "Media Access Control". MAC address is a unique identifier assigned to most network adapters or network interface cards (NICs) by the manufacturer for identification, and used in the MAC protocol sub layer. If assigned by the manufacturer, a MAC address usually encodes the manufacturer's registered identification number. It may also be known as an Ethernet Hardware Address (EHA), hardware address, adapter address, or

physical address. In a sense the MAC address is a computer's true name on a LAN. An Ethernet MAC address is a six byte number, usually expressed as a twelve digit hexadecimal number (Example: 1A-B4-C2-34-AB-1F).

IPs are translated to MAC address by a protocol called ARP (Address Resolution Protocol). For example a computer with an IP Address 192.168.1.1 wants to send information to another computer on the LAN that has an IP of 192.168.1.2 . First computer will send out a broadcast to all stations on the LAN asking who has the IP 192.168.1.2. Then the box that has 192.168.1.2 will respond to 192.168.1.1 with it's MAC address which is cached in 192.168.1.1's ARP table for later use.

You can see the ARP table of a box by dropping out to a command prompt and typing "arp -a" in Windows or just "arp" in Linux. ARP can also work the other way by a host on the LAN sending its MAC address to another machine on the LAN for preemptive caching unless the host is configured to not accept un-requested ARP replies.

MAC Spoofing is a technique of changing an assigned MAC address of a networked device to a different one. The changing of the assigned MAC address may allow the bypassing of access control lists on servers or routers, either hiding a computer on a network or allowing it to impersonate another computer.

For example a person might want to change the MAC address of a NIC for many reasons:

1.To get past MAC address filtering on a router.

Valid MAC addresses can be found by sniffing them and then the deviant user could assume the MAC of a valid host. Having two hosts on the same network can cause some network stability problems, but much of the time it's workable. This is one of the reasons why MAC Address filtering on a wireless router is pointless. An attacker can just sniff the MAC address out of the air while in monitor mode and set his WiFi NIC to use it. Interestingly, a lot of hotels use MAC filtering in their "pay to surf" schemes, so this method can be an instant in for cheap skate road warriors.

2.Sniffing other connections on the network.

By assuming another host's MAC as their own they may receive packets not meant for them. However, ARP poisoning is generally a better method than MAC spoofing to accomplish this task.

3.To keep their original MAC address out of IDS and security logs

Thus keeping deviant behavior from being connected to their hardware. For example, two of the main things a DHCP server logs when it leases an IP to a client is the MAC address and host name. If you have a wireless router look around on it's web interface for where it logs this info. Luckily there are tools to randomize this information.

4.To pull off a denial of service attack

For instance assuming the MAC of the gateway to a sub net might cause traffic problems. Also, a lot of WiFi routers will lock up if a client tries to connect with the same MAC as the router's BSSID.

I recently stumbled upon this Bit Torrent file sharing technology, I find it intriguing in that it has also enabled and fostered a community of modern day digital ROBIN HOODS, who roam the forests of cyberspace stealing from the gluttonous mega wealthy corporations and give to the poor people that the corporations are taking advantage of in the first place, not that I condone this type of behavior, I just find it interesting how things often work out in real life...

Bit Torrent also seems to harbor a community of people who possess ideological opposition to copyright law. Again their theme seems to be circumventing, what they view as an unjust system. As for me, I am neutral about this technology, I'm too paranoid to download illegal music and movies for fear of "the man."

My fascination in the P2P sharing technology is squarely in its ability to easily distribute often censored and banned works such as this research report you are reading right now. I believe we have a lot to learn from the aXXo's and hackers of the world, and would greatly appreciate it if they and the hacker community would **join our quest for the**

peaceful non-harmful law abiding dissemination of truth. Also expert pointers on the art of keeping up the invisibility cloak would be great!

The front lines in the war of truth is being waged on the internet. On one hand we have the truther community with no central coordination with random sites, blogs, videos and posts. On the other hand we see the forming of many vastly coordinated and well funded campaigns by many organizations whose goals are to suppress the truth and perpetuate the smoke and mirror fog that has been pulled over the sheeple's eyes. Leading the charge are **trolls** from the Zionist front are the usual suspects such as the ADL, JDL, AIPAC but now there are newcomers such as Jewish Internet Defense Force (JIDF), YouTube Smackdown, and GIYUS Megaphone these are all highly organized professional trolls.

Upon further research I found that **Israeli Zionists have been conducting what is probably the largest censorship, cease and desist operation in the history of mankind.** JIDF is actually a subsidiary of the Israeli Mossad intelligence agency just like the ADL and JDL. Talking about censorship, the Zionist Jews are proactively roaming the internet like information Gestapos issuing threats from all corners of the net. First they barrage the website operators, who often cave in and take down whatever content that the Jews find "offensive" and that means: **ANYTHING THAT DOES NOT PRAISE ISRAEL AND THE JEWS.** The Hate Crimes laws that were championed by the ADL became reality, soon you will begin to witness ever more hate speech regulations and prosecutions. **THIS** is more than just an ingenious invention of new ways to censor the people, it is the beginning of the end of free speech.

Freedom of Speech? Oh please! That right only exists for the Jews. You my dear goyim gentile friends cannot, will not write, say, or post **ANYTHING** that is critical of the Jewish people, their activities or their nation, no matter how true said content is. When the bombardment of complaints by thousands of Jewish troll agents does not work they then shift to the next level of assault. They focus their collective might to target the source of the content, finally they involve the law and courts. **NO** other group in the entire planet conducts these types of censorship, shake down, extortion, and blackmail. This is how they effectively silenced, censored and controlled; first the mainstream press, then radio, followed by TV, now it's the internet's turn.

For instance, here is a story of **just one case of organized opinion shaping in action:** "In the past week nearly 5,000 members of the World Union of Jewish Students have downloaded a special "Megaphone" software that alerts them to anti-Israel chat rooms, blog stories, internet polls, etc. to enable them to post contrary viewpoints. One student, Doron Barkat, 29, in Jerusalem spends long nights trawling the web to try and swing debates Israel's way. "When I see internet polls for or against Israel I send out a mailing list to vote for Israel" he said. "It can be that after 15 minutes there will be 400 votes for Israel." They have to manipulate everything eh?

Government Think Tank Calls For Infiltrating Conspiracy Websites

Common Purpose marxist front group Demos says state needs to "fight back" against people who question the authorities to "increase trust in government"

Paul Joseph Watson, Prison Planet.com, Monday, August 30, 2010

Furious that state involvement in major terror attacks is being exposed to a wider audience than ever before via the Internet, a UK think tank closely affiliated with the Downing Street has called for authorities to infiltrate conspiracy websites in an effort to "increase trust in the government".

"A Demos report published today, *The Power of Unreason*, argues that secrecy surrounding the investigation of events such as the 9/11 New York attacks and the 7/7 bombings in London merely adds weight to unsubstantiated claims that they were "inside jobs," reports the London Independent.

In other words, the fact that the overwhelming amount of evidence indicates that both 7/7 and 9/11 were "inside jobs" of one form or another, and that huge numbers of people are now aware of this via the increasing influence of the Internet, is hampering efforts to commit more acts of terror, therefore the government needs to change its

strategy.

In the report, Demos, “Recommends the Government fight back by infiltrating internet sites to dispute these theories.” One of the tools Demos already employs to “fight back” against conspiracy theories is by labeling anyone who challenges the government’s official story as an extremist or a terrorist recruiter.

The strategy mirrors that advocated by White House information czar Cass Sunstein, who in a 2008 white paper similarly called for conspiracy websites to be infiltrated and undermined in order to dilute their influence. In the same report, Sunstein also called for taxing conspiracy theories (any viewpoint that differs with the official version) and outright banning free speech that the authorities disapproved of.

What Demos and Sunstein are essentially calling for is classic “provocateur” style infiltration, updated for the 21st century, that came to the fore during the Cointelpro years, an FBI program from 1956-1971 that was focused around disrupting, marginalizing and neutralizing political dissidents, often using illegal methods.

The fact that governments on both sides of the pond have been caught over and over again habitually lying about everything under the sun, allied to a compliant corporate media that has aided authorities in covering up their misdeeds, has prompted a complete collapse in trust from the people, an effect that is now seriously hampering the state’s efforts to enlist implied consent, with millions of people rebelling against the system through civil disobedience and non-compliance in a myriad of different ways.

That’s why Demos, a mouthpiece for the British authorities, is desperate to infiltrate “conspiracy websites,” ie groups of people who broadcast the truth, in order to “increase trust” in a government that has lost all credibility.

As we have documented, governments all over the world, most notably the U.S. and Israel, already employ teams of agents whose sole job revolves around infiltrating and subverting websites that publish the truth about government corruption and atrocities.

Demos is a front for the insidious Common Purpose network, a group that Lt Cdr Brian Gerrish has exposed as playing a fundamental role in the advancement of Britain’s role in the new world order. Julia Middleton, Chief Executive of Common Purpose, sits on Demos’ advisory council.

Demos was founded in 1993 by marxists Martin Jacques and Geoff Mulgan, and was seen as being closely affiliated with Tony Blair’s Labour government. Mulgan went on to work inside Downing Street in 1997. Current British Prime Minister David Cameron also works closely with Demos and has given speeches at the group’s events.

Demos has routinely acted as a platform for elitists who wish to drastically alter society, eliminate freedoms, and sacrifice British sovereignty in pursuit of global government. On August 9, 2006, British Home Secretary Dr John Reid, another former marxist, gave a speech at a Demos conference stating that Britons “may have to modify their notion of freedom”, claiming that freedom is “misused and abused by terrorists.”

Demos is partnered with numerous other globalist organizations from government and industry, including IBM, The Carnegie United Kingdom Trust, and Shell International. The organization’s logo includes an all-seeing eye within its design.

Although the group poses as an independent think tank, Demos is little more than a public relations firm for the British government and security services. Its efforts to demonize conspiracy theories in order to “increase trust in the government” is a transparent ploy to do the bidding of its masters, by demonizing anyone who challenges a corrupt, lying state and its nefarious activities as an extremist and a potential domestic terrorist – contributing to the chilling process which seeks to crush free speech on the Internet.

Facebook declined to shut down a 48,000 member group called "*Israel is not a country*, saying it did not take action against it because it was "legitimate political discourse". The " group continued to grow, and in July 2008 after two years of nonstop trying to stop them the JIDF "seized control" of it. Yes, they actually infiltrated the group, became its administrators and effectively took control of their enemy exactly as they do in real life!

There are many Zionist intervention groups plying their craft on the net. Google Earth has taken steps to remove photos showing Palestinian villages listed as having been destroyed during the foundation of the State of Israel. It has also waged a campaign against the listing of "Palestine" as a country." The Zionists are also the largest group of secret agents policing and editing sites such as Wikipedia. They are also the largest most active group on Twitter. There is no where you can turn or go on the net that is not being actively monitored by Zionist Agents. The moment content and or speech is posted that in anyway reveals the evil side (the truth) of Israel and the Jews, they call in back up and all hell breaks loose as you are soon inundated by vile hate spewing threatening Jew agents out for blood. This is how they roll. Dare post something they do not approve of in a major public venue... I dare you.

You have all heard of the Anti-Defamation League and AIPAC, those are just two of the most prominent Zionist extortionist, censorship and intervention groups. There are many more such intervention groups established in every country under different names, such as. **NGO Monitor** (Non-governmental Organization Monitor) is a Zionist non-governmental organization based in Jerusalem whose stated **objective is to stop other NGOs from promoting perceived "ideologically motivated anti-Israel agendas."**

WikiLeakes: The National-Security State Strikes Back

By *Scott Horton, Harpers Magazine*

WikiLeaks' disclosure of the 91,000 U.S. government documents that it labels the "Afghan War Diary" raises a number of vital issues. Most of the discussion so far has focused on the significance of the documents themselves. They make the intelligence community look not so intelligent, and they make a number of political leaders look like dissemblers, spewing claims about the situation in Afghanistan that can't really be squared with information in their briefing portfolios. But quite apart from their contents, the WikiLeaks documents are a test for America's voracious national-security state. Its response to them gives us a sense of how it intends to fight perceived threats to secrecy.

An Information War Targeting WikiLeaks. Field officers of the intelligence community urgently need to play a game of misdirection—relabeling the threat that is presented to them. They will argue that the WikiLeaks disclosures imperil the safety of American forces on the ground, America's allies, and thus every American citizen sitting at home. They will find few facts to back this contention, but that won't stop them. This argument has already been rolled out repeatedly. Almost immediately on publication, it was in a statement issued by Obama's National Security Advisor, General James Jones. The latest variant is the claim, advanced last week at the Pentagon, that the leaks have disclosed the names of Afghans who collaborate with the U.S. military. That's certainly a plausible argument—and it's regrettable that WikiLeaks decided to publish the documents without blocking these names—but so far the concern is hypothetical rather than real. In any event, however, the first stage in the effort to build public support will be to demonize WikiLeaks. It will be accused of endangering men and women in uniform, even though it might be better described as a channel in which they can vent their frustration at institutionalized stupidity and wrongdoing. **Much of the American media, which filled the airwaves with bogus claims about WMDs in Iraq, can be counted on to view WikiLeaks as an adversary rather than an ally.**

Making an Example of the Leaker. Focal to the response will be a harsh and heavy-handed prosecution or court-martial of the leaker. The message to other would-be whistleblowers must be clear. *Cross us, and we will destroy you. You have no law or rights to hide behind. We can and will turn you into the enemy.* At this point, attention is focused on Private Bradley Manning, a young enlisted man from Potomac, Maryland, who was arrested and detained in Kuwait. He appears to have been denied access to independent counsel and held incommunicado

outside the country. Reports also indicate that criminal investigators are looking to identify individuals who may have facilitated his leak. A student at MIT was identified this past weekend as having assisted Manning in some Internet maneuvers. While the facts remain to be fully developed, it seems hard to see how Manning can mount a meaningful legal defense. The military whistleblower statute carves out a very narrow zone in which uniformed service personnel can disclose classified information; Manning does not appear to be in a position to avail himself of these defenses. Considering the weakness of Manning's position, the heavy-handed tactics which are being applied against him are mystifying displays of asymmetrical legal warfare.

Destroying WikiLeaks. But the major target surely is WikiLeaks itself, and on this score the goal of the national-security state is unambiguous. ***WikiLeaks must be destroyed.*** Indeed, as I noted in March, long before these leaks, the Army Counterintelligence Center had prepared a 32-page secret plan to destroy WikiLeaks. The memo notes **that the American intelligence community has valuable allies in the struggle against WikiLeaks—China, North Korea, Russia, Vietnam, and Zimbabwe. It recommended emulating the tactics used by these tyrannical states:**

The identification, exposure, termination of employment, criminal prosecution, legal action against current or former insiders, leakers, or whistleblowers could potentially damage or destroy this center of gravity and deter others considering similar actions from using the Wikileaks.org Web site.

Finally, it argues that WikiLeaks itself must be criminalized and put out of business.

There is some evidence that this strategy is in fact being implemented. The *Huffington Post* reports:

Jacob Appelbaum, a Seattle-based volunteer hacker for Wikileaks, touched down at Newark International Airport in New Jersey on his way back from Holland last Thursday, and was promptly whisked away by U.S. customs officials for a "random" security search. The hacker told CNET he was interrogated as to the whereabouts of his boss — **Wikileaks founder Julian Assange, who has gone underground since the U.S. government announced it was hunting him** — as well as "his attitudes to the wars in Afghanistan and Iraq and on the philosophy behind Wikileaks." Appelbaum's laptop was briefly confiscated, but investigators kept his three cell phones.

And indeed, Julian Assange may himself be a even more serious target. How might the United States deal with Assange? Marc Thiessen, a Republican publicist and torture apologist with close ties to former CIA Director Hayden, argues that Assange is a non-American who lives outside the country and therefore apparently has no legal rights. He advocates kidnapping and hints at still more violent conduct. As Eva Rodriguez notes, Thiessen seems ready to send drones over Iceland—one of a number of European states, nearly all of which are U.S. allies, that has supported WikiLeaks. When Daniel Ellsberg suggested earlier that Assange might be in physical danger, the comment was roundly dismissed by the "responsible media." But Thiessen—who often appears to be the mouthpiece of senior Bush-era intelligence community figures—demonstrates just how well taken were Ellsberg's concerns. I don't think the Obama Administration will use a drone to murder Assange, but some in the intelligence community will be arguing for use of some of the "black arts" that were a staple of covert operations in the Bush era. He will certainly be targeted for petty harassment and subject to steady surveillance, and efforts to kidnap him are almost certainly being spun at this very moment. On this score, the intelligence community should recall what came of its kidnapping caper in Italy in 2002. (Tonight at 9 p.m. EDT, HDNET will premiere "The Italian Job," a report on that particular intelligence fiasco.)

Few functions are so fundamental to a democracy as the decision about when and how to wage a war. That decision means an investment of treasure and blood that can affect the lives of hundreds of millions in America and elsewhere. In this process, fair presentation and discussion of the facts is essential to a correct result. If information can be routinely suppressed because it is embarrassing to political leaders or would undermine the arguments they make to the nation, then our democracy is faltering. In the wake of these disclosures, Americans should carefully judge the conduct of those who claim that suppressing the leaks is in the interests of national security. Are they upholding national security, or are they betraying American democracy?

The infiltration of the “truther movement” if you can call it that, has been underway for quite some time it seems. The heart of the truther movement at this time is deep within the internet. There are so many Zionist shills claiming to expose the dark side, but yet are in fact sending many inquisitive bright minds on wild yet plausible goose chases. And most importantly: “controlling and (mis)leading the opposition themselves” (as Lenin put it)...

I am fully aware Alex Jones has all the pinning’s of and signs of being a Zionist shill. I know this, but I still carefully study his material then sift it thoroughly with my special truth filters. I actually like and enjoy Alex. He is perhaps the most well know “conspiracy advocate nut job”, for as the mainstreame frames all us seekers of TRUTH as such. Alex has his place, in the revelation of truth movement, he is a very good introductory phase source of truth for newcomers, who can then graduate to the next level once they get it and begin to try to find out WHO these “ruling elite” that Mr. Jones keeps mentioning are....

This matrix report provides the fundamental framework of the ruling elite, by understanding the framework and their goals you can then identify bulldonky from the real thing. I would also like to state at this time that anyone without the balls to identify the Zionist Jew rulership base is obviously uninformed, stupid or part of their network. For instance, he who does not dare to prominently post this Matrix Report on their websites indirectly tells me they don’t want to reveal who the true ruling elite masters are, and are just a bunch of pansies avoiding true information sources or misinformation agents. Proudly display this report and or point the finger at the real hidden masters on your website and you gain my respect, support and confidence, while on the other hand the Zionist attack dogs will surely follow.

The Alex Jones paradox is very interesting indeed, for he is out there constantly warning everyone about the encroaching “police state” and the new world order agenda. He actually produces some of the best exposes out there... Alex Jones is the most well funded and most visable champion of truth in the public arena, even though he does not stand up and directly point the finger at the true Zionist/Masonic/Jesuit enemies, he always describes the dealings of “puppet masters” and “ruling elites” but yet ALWAYS falls short of IDENTIFYING THEM, never saying the “J” word (Jew) or the “Z” world (Zionists) and always seems to point the blame at some mysterious secretive “ruling elite.” Hmmm. **Either this man is a “wolf in sheep’s clothing” Zionist agent whose mission is to divert the dissident discourse direction away from the Zionists** or then again, maybe the fact that he doesn’t reveal the Jews as the ruling elite he talks of is the reason why he is still ALIVE...? Is he operating under a threat of violence and retribution from the Zionist overlords? No matter what the case may be he is one of the most visible impactful “truthers” out there, like it or not. And a lot of his material is based on facts....

Then there is the fact that Jones has one of the best funded “truther” operations out there. I can only wonder who his financial masters are. Some have claimed that he is in fact funded by Zionists. His right hand man in all his productions is a Jew by the name of **Rob Jacobson**... By the way, Mr. Jone’s wife is Jewish... Whatever the case may be, I admire a lot of his work, for much of it is **based on truth** (even though he always comes short and is always omitting the Zionist connection). Like a major league batter, he hit one out of the ballpark as usual with his summery of the censorship situation in this YouTube video: [Alex Jones: Internet Censorship](#).

The last production by Alex: “**The Fall of the Republic**” is flat out OUTSTANDING. One of the BEST truther videos about the true state of the union out there today... But... he, ummm, “forgets” to point to the fact that every single major player he reveals in this video is a ZIONIST JEW! **Someone should do a REMIX!** And just add text under each Jew that appears in the film with the statement under his picture: “____(name)____, Zionist JEW Overlord”, its that simple... then the people can easily realize that our nation is UNDER SIEGE BY THE JEWS!

Without properly identifying the Jews as the enemy puppet masters in his videos as he fails to do in The Fall of the Republic, **it leaves the uninitiated, unknowing viewers with the impression that the ENEMY IS OUR COUNTRY**... Hey would this not help instill a rebellion against our country by well meaning patriots???

But then again... if Alex is indeed a Zionist Shill... pointing the finger of blame at other directions away from his Zionist masters, He is doing a damn good job at it for he rarely ever finds the Jews complicit in anything... One must also understand that **part of the Zionist agenda IS to instill public distrust against your own nation** (easily done since our government is so corrupt) and **bring about anarchy, massive rebellions and uprising against this government** so that the Zionist rulers can at some point come in with their next phases of their plans...

There are so many Zionist skills out there it's not funny. It is relatively easy to spot them from the crowd and pull their sheep's clothing. If all their content ignores the reality of the Zionist Industrial Complex and the myriad of exhaustive amounts of evidence of people who are of Jewish background running all key entities and running the shows, or goes as far as to defend them, well, gad dang it! There be a fox in sheep's clothing leading the sheeple down a dark and dreary alley, leading them straight to their slaughter...

Jeff Rense files criminal charges against Alex Jones

Hmmm....infighting, again.

Jeff Rense has filed a formal police report charging Alex Jones of Infowars.com with interstate terrorism and threats. According to Mr. Rense: "This is all about Jones...who called me at home last Tuesday afternoon just past 1pm and threatened to "destroy" me (and my family).

Rense says he will be moving his radio show to two new networks as a result of his spat with Jones. Alex Jones was allegedly enraged by Rense's posting of a link to [this article](#) [at realjewishnews.com]. That quotes from Alex Jones's website's comments pages to question whether or not Jones is in fact a Zionist agent. Rense also provided the following link to [an audio clip](#) where Jones is again threatening somebody.

My take on this is that while Alex Jones avoids the subject of Zionism and has a huge ego, he clearly attacks key minor player institutions like the Bilderbergers and has played a great role in awakening many people to the dangers of the New World Order. **It is a classic illuminati trick to infiltrate opposition groups and then get them to start fighting each other.** Alex Jones should not have to censor information that his wife and kids are Jewish. Instead of threatening Mr. Rense personally, he should have attacked the content of the article about him. He should also, as I do, wear his Jewish connection like a badge of honour and fight against the Zionist gangsters on behalf of righteous Jews and all humans everywhere. Remember the essence of Judaism is the Golden Rule and it applies to all peoples and not just Jews. Mr. Jones should apologize to Mr. Rense. A request for a comment from Mr. Jones has not been answered at the time of writing this. Finally, I would like to remind him of an Asian saying: "the powerful eagle hides his claws." **The enemy is too powerful for truth seekers to waste energy fighting each other.**

Zietgeist is an amazing video along with Zietgeist Addendum. I would say that 95% of everything is true that they present. BUT, the critical parts are that it also fails to identify the top rulers and uses the established credibility it garners from presenting an amazing depiction of the ruling elite conspiracy to ever so ingeniously begin to strategically shift the direction of focus of who is to blame to the general "government." One of the main parts of Zietgeist was the total annihilation of the Christian belief system. This part of the video was so amazingly convincing. But you must fully understand that the ruling elite who's goal is to establish a Satanic/Luciferian one world government (as prophesized in the Bible) and rule, must completely obliterate Christianity and its Muslim brother religions. This portion of their program is thoroughly entrenched in and infiltrating society by the New Age Movement, and Theosophy.

The fact remains, many of the establishment "skills" lace their works with 90% truth, thus accumulating respect and establishing trust from the true THINKING patriots. This is a common strategy of infiltration. What one must scrutinize and be constantly vigilant for is the other critical 10% that is designed to throw you off course, to mislead you, to confuse you, to render the resistance immobile.

Well you know what you are up against, big brother is lurking in the dark waiting for you to make one wrong move, the deceivers of this world are highly well funded, organized to hilt, utilize advanced surveillance technologies and have a demented entitlement mentality that justifies everything they do in their view. You have but a computer and free Wi-Fi were ever you find it... (must work fast for these open doors will soon all be shut) **go forth to all corners of the land and strip the multi-headed beast naked, completely exposed for all the world to behold its agendas, secrets, sins and modus operandi with the mass dissemination of TRUTH.** Let Operation Truthstorm begin...

“None are more hopelessly enslaved than those who falsely believe they are free”

"he who has an ear, let him hear, he who has eyes, let him see"

..:EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

For it is written: *"the truth shall set you free"*

"By their fruits ye shall know them."

HIJACK REALITY: USE THE K.I.S.S. PRINCIPLE TO WAKE UP AMERICA

**IT IS OUR RESPONSIBILITY TO DE-PROGRAM THE
POPULATION & UNPLUG THEM FROM THE MATRIX**

*“Two things are infinite: the universe and human stupidity; and I’m not sure about the universe.” –
Albert Einstein*

Many of you conduct great research and write amazing exposes, revealing the lies, deceit, corruption, hidden agendas and so forth, and many of your works to expose it all are just awesome. Yet the key to reaching the masses is NOT in the written word. Look at all the statistics. Plain and simple: today’s **majority** are just plain dumb under educated sheeple that hate reading (many don’t even know how to read or have an elementary reading level at best) and prefer to sit in front of their TV sets to be entertained. Accepting what little news they see on TV as gospel. You have to face it, many people are just plain stupid. Have no clue about world affairs, let alone know who the key people that are running our country are. Then again, many more people just don’t give a damn. So to reach everyone with your important message you must use the KISS principle: Keep It Simple Stupid.

Stupid Americans – Video (vanished from the internet)

Another extremely important factor is in order for people to realize the reality of the world we live in, every person must confront the core of their being, having to deal with what they have been taught and believed for their entire lives to be “reality”, everyone initially believes the world as they have known it, **cannot possibly** be all lies! That their

beloved country, from the days of youth when we all stood up in class to recite the Pledge of Allegiance, that we have come to love as our home, is what? Being controlled by EVIL ZOMBIES? “Forget about it, fuck off asshole” is a common response. For most people will, no matter how clear and logical all the evidence in the world is portrayed, the truths about our world are flat out just as PROPOSTEROUS as evil brain eating zombies roaming the earth. You will never reach a full 30% of the population, they rather die believing a lie. Then there is the other 30% who are as stupid as door nails. They must all be reached with the most simplest, coolest, hip, gimmicky ways possible, their attention spans are that of A.D.D. child. So keep your messages simple and to the point.

America The Stupid – Video (can’t find on the net anymore)

I have seen countless videos online of this and that protest event, where only a couple dozen people show up to protest. Many times such a small show of force is quickly dealt with by the authorities therefore no one takes it seriously. Not even raising a blip on the main news front. For many passersby’s it just looks like a few fruit cakes on the streets who need to be locked up in a mental facility. There has to be a way to motivate the masses into action against the fascist coup. For only when we descend upon the footsteps of the Washington power as a major peaceful force will our voices be heard.

20/20 Stupid In America - Video

Idiot America: How Stupidity Became a Virtue in the Land of the Free [book]

So what can be done? We have tons of evidence, yet the main stream media perpetually blacks out everything that will rock the political boat. There has to be a fundamental change of strategy on the part of the truth movement. Ok, those who are good researchers and writers, keep up the good work, for without ground breaking exposes the movement will wither and eventually die.

I believe that in order to reach the masses and awaken them from their deep sleep we will have to get organized and utilized the K.I.S.S. Principle, as in: Keep It Simple Stupid. Feeding the masses tons of lengthy highly scientific terms, vocabulary and concepts they do not recognize nor understand more often than not will immediately turn them off and tuned out. Many people have the memory span of mice, don't assume that anyone will remember even half of what you are trying to convey. The best strategy to reach people is to pick several points you want to make and drill it into their heads. Jolt it into their over entertained minds. I believe that one of the best mediums that can be used to reach the mass majority is Video. Everyone is so accustomed to being entertained, it is irresistible for them not to take a DVD handed to them and stick it in their players at home and sit down to be “entertained”. Along with this line of strategy. I believe that the best works of art to come out from the truth movement have yet to even be made.

Stupidity – The Documentary – Video

Stupid America Destroyed By Design – Video (can’t find this video anylonger either)

We need to produce videos like TV shows. Same type of format as used in the regular mass media. Look at Oprah and other successful formats being used in society. Let’s look at some examples:

1. How about a segment with a Hollywood type set of the inside of a court room, complete with actors, you have a judge, jury, lawyers, etc. We can’t bring the criminals to real court, so why don’t we make it without them and show it to the world to see and judge for themselves! The defendants would be your usual evil doers in Washington or where ever the case may be, portrayed by actors, or even just a life sized cut out of the evil doer on the stand. Then you have your truthers as the prosecutors blasting them away with the ton of evidence, etc., etc. in the end the jury comes back with their verdict. Now that would be a great way of disseminating everything you want to reveal to the world and make it “compelling” for all to watch.
2. How about a talk show with a professional type set like you are used to seeing on regular TV? An exciting talk show, not one of those boring ones where there is just one desk and 2 chairs. One with a panel of experts,

audience, interviews, short video clips, reviews. No need to re-invent the wheel. Just look at all the successful talk shows out there and utilize the same format!

3. How about a FORENSICS segment? Today we have dozens of shows where the forensic evidence is collected, analyzed and the perpetrators are busted. Why can't we utilize similar shows formats for our own productions? Imagine for instance if you take the JFK assassination and put THAT on a forensic type show. For instance, the fact that when a bullet hits an object it makes a small hole and the exit wound leaves a larger hole, therefore the bullet came from the FRONT! Doh! This is irrefutable forensics, yet for the first and only time in history the opposite occurred with JFK.

Now that I brought up the JFK assassination, I think it is very important to point out the fact that over 40 years have transpired and nothing, zilch, nada has been done about it. Our society is plagued by **mass amnesia** that sets in soon after any major event. Therefore the perpetrators (those who are still living) walk the earth with impunity. So successful was their massive cover-up of the JFK issue, that it made its way out of the public consciousness in less than a decade. Mind you, those very same people or those who have taken over the reins, continue to use the EXACT same strategies of disinformation, cover-ups, omission of facts, evidence, etc in all their other, ummm: "projects". IF we are to learn anything at all from the coup d'état assassination of one of our greatest presidents, it is the fact that the **powers that be, who are hiding behind the curtain are still pulling the strings, will, can and do get away with anything they so desire. No matter how overwhelming the evidence.** This is the scary part about the enemy we face. They know how easy it is to maintain their illusions on our stupid nation, for they have become masters of propaganda and programming. These are the production specialists you are up against, so whatever you produce to expose the truth, better be of the best caliber. Forget boring dissertations:

ONE MUST REVIVE THE "DEAD" WITH SHOCK THERAPY:

Behold for: Mankind has become victims of mass conditioning, they are all in a mass hypnotic trance in which the rulers of mankind have indoctrinated and hypnotically brainwashed them so thoroughly via media that they defend their masters and their systems beyond all rationale. In the bible it is written: "thou you are alive you are dead" and it goes on to make the case that the dead must be brought back to life. I believe that many of the enslaved population must be returned to reality the same way medics revive the dead: **SHOCK THERAPY.**

Our over medicated, vaccinated, neutered reasoning, hyper entertained, **desensitized population** has been inoculated from TRUTH. Don't bother boring them to death with dissertations of truth for their attention spans more often than not cannot process and discern the real truth. Therefore, like a skilled doctor you must revive the dead and bring them back to life with **SHOCK THERAPY injecting of TRUTH.** You must shock them out of that deep slumber induced on them by their oppressors.

By shock therapy I do not mean electric prods applied with electricity. That would be silly. One must study the time tested and PROVEN methods of the programmers who saturate the airwaves with omnipresent conditioning media, learn from their masters and use the technology and methods they have elevated to majestic heights and **blow the masses away with truly riveting jaw dropping productions designed to free their minds from their captors,** you disseminate TRUTH, you must trigger free thought, reasoning and question their ruling masters.

The ruling elite have been performing MASS CONDITIONING and PROGRAMMING of entire populations via TV, Hollywood, and Radio. Behold for **you must DE-PROGRAM the population with the same set of tools.**

Let it be known that this is the KEY to liberating your fellow man. Let it be known that to AWAKEN today's heavily overmedicated, heavily conditioned sleeping masses is to utilize SHOCK THERAPY. The **TRUTH** is the one instrument that was given us to dethrone the deceivers of man. **TRUTH WILL SET THEM FREE.**

"he who has an ear, let him hear, he who has eyes, let him see"

WHAT DOES THE FUTURE HAVE IN STORED FOR US?

"The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants. ... God forbid we should ever be twenty years without such a rebellion; what country can preserve its liberties if their rulers are not warned from time to time that their people preserve the spirit of resistance? Let them take arms." -- Thomas Jefferson 1787

"The only maxim of a free government ought to be to trust no man living with power to endanger the public liberty." – John Adams

"and I heard another voice from heaven saying come out of her my people that you may not be partakers of her sins and that you may not receive of her plagues." Revelations

The ruling elite have been proactively engineering and preparing for the "end times" for generations on end. The methodical laying down of foundation stone after foundation stone, erecting their grand structure of world rule has clearly been passed from generation to generation, for as one generation passed away, another would rise up and take up the baton and push even further ahead than their predecessors. It's almost as if everything was being orchestrated by a mythical immortal grand composer who has been their organizing, planning, commanding all along.

Their secret organizations have existed for centuries; such is their devotion to "the cause." Those organizations are not hindered by life spans; they continue to exist as long as dedicated followers keep the core beliefs and traditions. Yes their exists an "illuminati", whatever peoples and organizations are its composition. Whatever you want to call the ruling elite here on earth have unwaveringly been erecting the edifice of world dominion, those peoples and

organizations calling the shots here on earth have managed to keep such an amazing tightly cohesive unison throughout history due to one often very overlooked, often never considered factor, their real orchestra leader, their real composer, **their real architect, their ultimate master who lives on generation after generation guiding his illuminati is none other than the devil himself.**

One need look no further than to Heavenly Father and the clues he managed to give to his children of the grand conflict between Him and the fallen arch angel Lucifer. The evil one managed a critical blow to Heavenly Father early in the war, for he pulled off the greatest of coup d'états in the history of the universe. The devil was hurled down to earth, where he has ruled over man. Heavenly Father was bounded from directly helping man due to the coup. This never diminished his authority nor supremacy, he is a God of laws and rules, thus had to let history play out as they may. In the end, what matters most is that Heavenly Father, the almighty creator of Heaven, Earth and all beings will be the victor.

The history of God has been a bloody history of reclaiming his children he lost to Lucifer. Jesus came as their savior to show them the way back to their Heavenly Father. The powers that be here on earth, Lucifer's agents who do his behest on earth by being perfect channels, receivers of his requests, their antennas tuned to his "station" go forth (often unknowingly) and do his bidding. Heavenly Father's only begotten son came as the savior of all mankind, but his mission was cut short and he brought about partial salvation, thus promised he would return yet again to finish his mission.

Lucifer knows this and the living rulers here on this earth know this, yet they continue to defy Heavenly Father and do the bidding of their master the devil. Looking back in history is so clear, God wants to reclaim this world and rule with love, and on the other hand they have been preparing for one world rule also, but minus the love and anything heavenly and holy part.

The high Zionist elite worship from the Talmud and the occult Kabbalah. The high level Masons all practice luciferian rituals and worship Lucifer in many ways. The Jesuits long ago stopped worshiping Heavenly Father and adopted luciferian pagan rituals and ways. Even the great Catholic Church lost its way centuries ago, taking up pagan rituals, denying Christ, the bible and worshiping false gods. Therefore all of these and many more, have been easily lead astray and became perfect channelers of Lucifer's will here on earth.

Since the rule of Lucifer began here on earth mankind has been in darkness, the only light many men see is the false light of Lucifer, the onetime light bearer. Since he was in fact THE light bearer of eons ago, he has been in a unique position to easily lead man astray by the word, for he was the one responsible for such.

So we sit here and witness history unfold right before our very eyes... the stars, planets, governments, organizations, key players are all aligning themselves as foretold in the bible long ago... The Four horsemen of the apocalypse are among us, the time for the big showdown is here. The sad part is that billions have no clue what is going on. For when Lucifer's agents come forth claiming to be "the ones" who will bring salvation to the down trodden masses, it will in reality be the false prophet and the anti-Christ coming to establish their dominion. For those of you who are familiar with scripture, their reign won't last long, no matter how powerful they may be today, and how hopeless it may seem for a single person to do anything about it.

The stage has been set, the actors are in their dressing rooms rehearsing their lines... preparing for their coming out party. What many of you don't know is HOW it will all go down. Listen here and listen carefully:

Lucifer's agents disguised as "saviors" will come to save the day, by offering to fix all the wrongs of the world. They are engineering all sorts of chaos, death, famines, plagues (aids, swineful, bird flu, etc) wars, financial collapse. Instilling FEAR deep within the hearts of the sheeple. Who will come save the sheeple?

The actual ways they will offer this or that solution and arrange the specifics of any certain aspect of their agendas is difficult to foresee. There is one thing though, I highly doubt they are going to try taking over the whole world and turning it into one massive literal concentration camp. Nope, not happening, too difficult to accomplish and way too

difficult to maintain. Keep in mind that some people who claim to be of the “truth movement” keep on hyping the radical “police state” scenario where the whole country and world will be turned into one giant concentration camp. Again I say, not so. For in order for the ruling factions to continue to exist on this planet at all, they need easily controllable **WILLING subjects**. Oppressed slaves will always want to be freed and the logistics and complications of keeping them in order have proven time and again over history to be astronomical.

Apocalypse America

I have said it [before](#), and I will say it again:

A great storm is brewing and only a military coup or revolution can now save America. Save it from what? From the spiritual cancer that is consuming it from within, and from the foreign wars into which it is being lured-Afghanistan, Iraq, and soon perhaps Iran-on behalf of another nation and its indefatigable agents in America.

Unless a miracle soon occurs and some charismatic leader comes to our rescue, an unimaginably bleak future surely awaits us: a future in which the only consolations left to us will be mindless entertainment, drugs, alcohol, sexual intoxication-and suicide.

Depravity appears to have no limits, as those who have surfed the internet have often discovered to their cost. The most appalling sexual addictions now render even children helpless. Many a marriage is blighted and ends in ruins amid these terrifying toxins.

And yet, we are only at the beginning. We have many a slime-green step to go before we reach rock bottom. Abyss yawns below bottomless abyss, and even to peer into these black moral chasms is to make us giddy with vertigo.

There is indeed no end to man's depravity.

And now...

Things fall apart. The centre cannot hold. The blood-dimmed tide is loosed, and everywhere the ceremony of innocence is drowned.

The Whiff of Fascism

By Jim Smith

“All that is necessary for the triumph of evil is that good men (and women) do nothing.” –Edmund Burke
Alarm bells are sounding throughout the country over the widespread disruptions of congressional town halls on health care. Is it possible that we are seeing the beginnings of a mass fascist movement in this country?

Many of us breathed a sign of relief when George Bush and Dick Cheney laid down the mantle of power. We suffered through an anxious eight years that saw the expansion of a fascist legal structure, laws and government reorganization. Many of these changes, including the so-called Patriot Act, which has no place in a democratic society, and the Germanic-sounding Homeland Security Department are still with us today.

When friends would tell me during the Bush years that we had already gone fascist, or were on the verge of it, I would disagree, saying that fascism needs a mass base, something that majority sentiment against the Iraq invasion, and Bush’s declining popularity would argue against. In addition, I would tell them, there is no large socialist or communist movement to frighten the lords of finance.

Today, we may have an emerging mass base for fascism in the “Tea Party,” movement and the disruptions of town hall meetings. And if these right-wingers can be compared to the Nazi’s thuggish SA troops, then Blackwater – which is still being paid by the government – is the modern version of the elite Nazi SS forces. These professional assassins and para-military soldiers have killed indiscriminately in Iraq, and may well be willing to do so again in the “homeland.” And more and more, young people in particular are fed a growing diet of militarism, violence and “terrorism” adventures by the film industry. The informal alliance between the film industry’s corporations and the government was formalized on Nov. 11, 2001 when, according to the New York Times, 40 top moguls met with Bush strategist Karl Rove who proceeded to give Hollywood its marching orders. Even though there has been a change in the presidency, Hollywood keeps churning out the same patriotic themes, now including GI Joe. Critical or anti-establishment films seem to be a genre of the past.

So instead of relaxing while the Obama administration gradually expanded our basic rights, we have more cause for alarm than ever. The Republican Party, in addition to being one of the voices for Wall Street, along with the Democratic Party, has a fascist central core and publicity apparatus. This includes many current officeholders and defrocked former officeholders such as Dick Arme y. Until recently, the main connection of these right-wingers with the public has been through the media, especially Fox News, Lou Dobbs, Rush Limbaugh and their imitators around the country. Now, Arme y’s army of thugs and followers have marched into town halls to carry out the anti-democratic orders of the big health care corporations.

We can learn lessons from history. German fascism grew in the fertile ground of a very deep depression after World War I. Our own depression is just getting started, say more and more economists. Even so, the Nazi Party might have been nothing more than a footnote in history books had not the cream of German capitalists met in 1931 and decided to back Hitler. After that the old right wing party (similar to the Republicans) aligned with the Nazis and the old center parties (similar to the Democrats) crumbled without offering any resistance. The left wing parties, particularly the Communists, were smashed by storm trooper violence. Hitler waltzed into power with only a minority of votes, but soon instituted his version of the Patriot Act and consolidated all power under the Nazi Party.

Big corporations and the wealthy are funding Arme y’s FreedomWorks and Tim Phillips’ Americans for Prosperity according to the Washington Post. They include MetLife, Philip Morris and foundations controlled by the archconservative Richard Mellon Scaife family. Other health care corporations are conducting their own media campaigns and Whole Foods has jumped in to oppose health reform, causing demonstrations at its stores and calls for a boycott. Apparently even Obama’s mass centrist movement scared the hell out of the ruling class. Just think if he really was a socialist!

The whiff of fascism grows stronger every day. A possible scenario would be that they are able to defeat Obama’s legislation at every turn, then in the 2012 elections, a new “contract for America” sweeps into power a new, more fascist Republican majority, along with a “strong man” president who pledges to resolve the immigrant and homeless problems. Voila! Fascism is now in power.

Racism goes hand-in-hand with fascism. The election of an African-American President has not ended racism in America. Instead, it has infuriated many white racists, who now say that “their” country has been stolen from them. This has caused a silly rumor that Obama was born in Africa, not Hawaii, to become a full-blown fringe movement of the “Birthers.” Add hatred of Blacks to the hatred of immigrants, and even long-time Latino residents, and we have an important ingredient of fascism – hatred of the “other.”

However, the drift toward fascism is not preordained. It can be defeated by people coming to the defense of democracy, and by the Obama administration taking a strong, unwavering position for universal health care (with at-least a public option), and for expanded labor rights and civil rights. It would be folly to abandon the

unemployed (now at 11.9 percent in California). Public jobs and a livable unemployment insurance payment could help prevent recruitment of the down-and-out by the extreme right.

America is an authoritarian country. If you don't believe it, visit nearly any European or third-world country, and compare the relative freedom for average people in their everyday lives. Everything from traffic regulations to enjoying a beer or glass of wine is more highly controlled here. No where are there more police, federal agents, security guards and prisoners than in the good old USA. A total of seven and a half million people are under criminal supervision in this country. Put in one place, they would constitute a city just slightly smaller than New York. In a scene most likely repeated in ghettos and barrios across the continent, more than 200 LAPD cops and federal agents have descended on the Oakwood neighborhood in sweeps, twice in the last year and a half, that can be described as chilling and Gestapo-like.

Authoritarian countries want authoritarian leaders. Barack Obama is being too nice, too democratic to suit the masses who have grown used to Nixon, Reagan, two Bushes, and a host of petty officials who treat the public with contempt. Hence the calls for Obama to jawbone Congress and to lash out at his opponents on health care. Can't we all just reason together? Probably not. Too many of our fellow citizens want a Supreme Leader who will play the tough guy with Kim Jong-il, and will rampage through Afghanistan even though Afghans have done us no harm.

Will the whiff of fascism extend to our sheltered little community? It did in 1942 when Japanese-Venetians were rounded-up and carted off to a concentration camp. The demonizing of the homeless and RV dwellers can create an atmosphere where the weak minded among us think violence against them is acceptable. It isn't. In the 1980s, a Venice homeless center was torched. Many activists think they know who did it, but there was no evidence for an indictment. It turned out to be an isolated act, but the hostility against those most in need of help has continued ever since.

The talk of putting the homeless in camps in a compound near the airport where guards can watch them is a step down a road we don't want to go. And finally, Jane Harman's office is being picketed by the "Tea Baggers" who are demanding she hold a town hall. If she decides to fly out from her home in Washington DC, what safer place to hold a town hall than Venice? If so, then everyone of us will have to make a decision to go or not. We'll have to decide whether to stand up, not for Jane Harman, but for democracy and health reform. If Harman is a no show, it will be an indication that the "center" in U.S. politics is unwilling to take on the extreme right. Will progressive Democrats follow Barney Franks heroic stance, or will they be the next to cave?

We are probably closer to fascism than we have been since Hitler admirers were plotting a coup against Franklin Roosevelt in 1934. But this is not the time to rush for the airport and fly to safety in a more civilized country. It is the time when the apolitical must become political, when those who don't go to meetings or rallies or write letters to Obama and the Congress, must do so. It is the time for good men and women to prevent the triumph of evil. If millions of Germans had stood up to Hitler, what a different world this might have been.

We can readily see where they are going with their line of thought and conditioning. Most of the world is already oppressed and enslaved, they have been constructing and perfecting an "open air concentration camp" where the inmates population are conditioned into truly believing they are FREE. With every new generation the controls, protocols, rules, laws, policies, etc. become ever more constrained so as no one really notices just how much freedom they have lost from one year to the next. Then there is the crucial factor that the masses are so over medicated, fluoridated, under educated, misinformed and entertained (the Zionist matrix synergy in action) that they have no clue. Thus the ruling masters will easily herd their cattle in any directions they so choose and take their agenda to the next level without so much as a hiccup from the sheeple populace.

For they: are only going to bring martial law **TO PROTECT YOU** from the chaos and evil bogeymen that are out to get you... **henc they will bring: "ORDER OUT OF CHAOS."** So any and all extreme police/law enforcement/military presence on our streets are to be as minimal as possible so as to keep up the **ILLUSION of NORMALCY**. It's going to be the "pesky" problematic free thinkers out there who are being labeled as enemy combatants. All those who are deemed a threat to the establishment WILL be pulled out and dealt with accordingly.

For the sheeple masses they will unveil their Oscar award winning masterpiece production that has been long in the making... For they must convince the masses that their rulership is divine...

Behold: for their false prophets will soon bring forth their anti-Christ world leader. It is my firm belief that they have been fomenting the **NEW AGE MOVEMENT** and **THEOSOPHY** to help usher in the rule of their anointed ones... Below are actual quotes form one of their own organizations:

From Share International:

Many now expect the return of their awaited Teacher, whether they call him the Christ, Messiah, the fifth Buddha, Krishna, or the Imam Mahdi. Millions now know that the Teacher who fulfills all these expectations is already living among us.

The World Teacher, has not come alone, but with a group of wise Teachers who have long guided humanity from behind the scenes.

They are returning to the everyday world to help us solve our most critical global problems. The teacher is not a religious leader, but an educator in the broadest sense.

He is here to inspire us to create a new era based on sharing and justice, so that all may have the basic necessities of life: food, shelter, health care, and education.

His open mission in the world is about to begin. As he himself has said: 'Soon, now very soon, you will see my face and hear my words.'

He has been expected for generations by all of the major religions. Christians know him as the Christ, and expect his imminent return. Jews await him as the Messiah; Hindus look for the coming of Krishna; Buddhists expect him as Maitreya Buddha; and Muslims anticipate the Imam Mahdi or Messiah.

Although the names are different, many believe that they all refer to the same individual: the World Teacher.

Preferring to be known simply as the Teacher, he will not come as a religious leader, or to found a new religion, but as a teacher and guide for people of every religion and those of no religion.

At this time of great political, economic and social crisis Maitreya will inspire humanity to see itself as one family, and create a civilization based on sharing, economic and social justice, and global cooperation.

He will launch a call to action to save the millions of people who starve to death every year in a world of plenty. Among Maitreya's recommendations will be a shift in social priorities so that adequate food, housing, clothing, education, and medical care become universal rights.

Under Maitreya's inspiration, humanity itself will make the required changes and create a saner and more just world for all.

One of the major goals of the Zionist rulers, the Masonic Order, the Vatican/Catholic Church and thousands of Christian churches is to see the rebuilding of Solomon's temple in Jerusalem on the Temple Mount. Therefore one

must keep a close eye on that piece of real estate and what is happening around there. Not only do the Zionist Jews want that parcel of land, they want the ENTIRE REGION as far and wide as the kingdom was originally at the time or the reign of King Solomon.

By looking back in time, carefully studying how our government has been doing things, how the ruling elite have been pulling the strings and knowing their ultimate goals, you can begin to easily see through the smoke and mirrors.

I believe that there will be yet another even greater financial catastrophe that will dwarf all others... all the dominos are just about lined up and ready to fall. Here are a few of the factors that will be a major part of the next financial armageddon:

Social Security To Start Cashing Its IOUs

From an unfazed [Associated Press](#):

Social Security to start cashing Uncle Sam's IOUs

By Stephen Ohlemacher, Associated Press
Writer Sun Mar 14

PARKERSBURG, W. Va. — The retirement nest egg of an entire generation is stashed away in this small town along the Ohio River: \$2.5 trillion in IOUs from the federal government, payable to the Social Security Administration.

It's time to start cashing them in.

For more than two decades, Social Security collected more money in payroll taxes than it paid out in benefits — billions more each year.

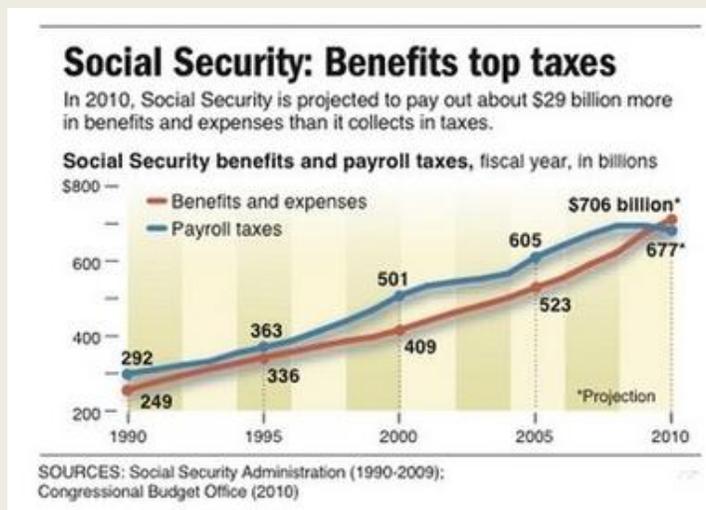

Not anymore. This year, for the first time since the 1980s, when Congress last overhauled Social Security, the retirement program is projected to pay out more in benefits than it collects in taxes — nearly \$29 billion more.

Sounds like a good time to start tapping the nest egg. Too bad the federal government already spent that money over the years on other programs, preferring to borrow from Social Security rather than foreign creditors. In return, the Treasury Department issued a stack of IOUs — in the form of Treasury bonds — which are kept in a nondescript office building just down the street from Parkersburg's municipal offices.

Now the government will have to borrow even more money, much of it abroad, to start paying back the IOUs, and the timing couldn't be worse. The government is projected to post a record \$1.5 trillion budget deficit this year, followed by trillion dollar deficits for years to come.

Apparently, the Associated Press is just noticing these minor details.

Social Security's shortfall will not affect current benefits. As long as the IOUs last, benefits will keep flowing. **But experts say it is a warning sign that the program's finances are deteriorating. Social Security is projected to drain its trust funds by 2037 unless Congress acts, and there's concern that the looming crisis will lead to reduced benefits...**

More than 52 million people receive old age or disability benefits from Social Security. The average benefit for retirees is a little under \$1,200 a month. Disabled workers get an average of \$1,100 a month...

In the short term, the nonpartisan Congressional Budget Office projects that Social Security will continue to pay out more in benefits than it collects in taxes for the next three years. It is projected to post small surpluses of \$6 billion each in 2014 and 2015, before returning to indefinite deficits in 2016...

Social Security will also collect about \$120 billion in interest on the trust funds, according to the CBO projections, meaning its overall balance sheet will continue to grow. The interest, however, is paid by the government, adding even more to the budget deficit...

The national debt — the amount of money the government owes its creditors — is about \$12.5 trillion, or nearly \$42,000 for every man, woman and child in the country. About \$8 trillion has been borrowed in public debt markets, much of it from foreign creditors. The rest came from various government trust funds, including retirement funds for civil servants and the military. About \$2.5 trillion is owed to Social Security...

What a splendid time to introduce a new entitlement many times more massive and costly than Social Security.

What could possibly go wrong?

Social Security: "Here It Comes"

Now the interesting part of the game begins....

The Market Ticker, Monday, March 15, 2010

This year, for the first time since the 1980s, when Congress last overhauled Social Security, the retirement program is projected to pay out more in benefits than it collects in taxes -- nearly \$29 billion more.

In a world where we talk about trillions, this doesn't sound like much. But it's not the amount that's the problem - it's the direction.

For decades government has cooked its books by *stealing* the Social Security taxes you pay. This was the infamous "lock box" debate had during Gore's campaign. Too bad Mr. "the world's getting hotter so I have to live in my 20,000 sqft mansion with the AC blasting in all 79 rooms" Gore decided to make a partisan political issue out of something that his boss (that would be Herr Clinton) had practiced himself to make the (false) claim that he had run a surplus!

There was no surplus in the 1990s folks. Clinton, like the Presidents before and after him (from both sides of the aisle) simply stole the FICA tax receipts, replacing them with non-marketable bonds.

If you're wondering why we have hinky accounting in our banks, a good part of the reason is that our government cooks the hell out of the books themselves.

There's little reason for private business to behave ethically when our government won't, and there's little risk of prosecution when the scamming starts at the very top.

In order for the government to redeem these bonds it will have to issue more *marketable* debt, dollar-for-dollar.

So if you look at the "[Debt To The Penny](#)" screen, what will begin to happen is that the "Intragovernmental holdings" (and boy are they mental) will shrink a bit, while the "Debt Held By the Public" line will of course grow.

This is all fine and well provided that (1) the first doesn't run out and (2) the government doesn't have trouble selling the debt in the second.

The NY Times perpetuates the "big lie" about FICA, specifically:

Social Security is financed by payroll taxes -- employers and employees must each pay a 6.2 percent tax on workers' earnings up to \$106,800. Retirees can start getting early, reduced benefits at age 62. They get full benefits if they wait until they turn 66. Those born after 1960 will have to wait until they turn 67.

Bull. Employees pay 12.4%. Each and every one. If you're self-employed, you pay it all right up front. But if you work for someone else, they reduce your salary (or hourly wage) offer by 6.2%. You pay it, not the employer. No business ever pays a penny in tax - it is always shifted to the person that it allegedly "benefits" or "costs", and in this case that's you.

The problem with Social Security (and Medicare) is that the boomers number 78 million and comprise the largest block of our demographic. As they shift from working to retired over time there will be paradigm shifts in both entitlement program funding **and** private investment. Boomers, even with the "great recession" dives in their portfolios (before you cheer about the "recovery" in the market, realize that it's still 30% off the recent high in 2007, and the Nasdaq is more than 50% off its all-time high in 2000!) still have considerable wealth in their portfolios. Those who didn't play ATM machine with their house have wealth there. All of this will get tapped and dissipated as these people age out of the workforce. It is inevitable.

During the "salad years" of the boomers, roughly 50 years of age to 60 or thereabouts, they have tremendously added to market values of, well, virtually everything. These are widely regarded as the peak earnings years for most people. Starting in 1946 the peak began in 1996 and with the end in 1960 the "tail" of the boomers hit the start of their peak years this year - in 2010. But the "Great Recession" has truncated many of these people's peak years, as the most expensive employees are often the first to be let go and the last to be rehired during bad times - so it remains an open question whether those born in the early 1960s (of which I am one) will indeed hit our "peak years" as expected, or whether we just had one of our earning hands chopped off. Time will tell.

In any event in another 10 years that peak will have passed, and the boomer generation will have entered the "Draw It Down" period in their lives. This is an inexorable process, and one that cannot be prevented. Nearly 80 million people shifting from squirrels socking away nuts to eating those nuts is going to change many things, and market valuations for various assets will be one of the larger changes that most people are entirely unprepared for.

More than a decade ago I wrote a paper called "Investable Capital" which, unfortunately, I no longer have available for republication. What's worse is that some of the data set has been lost - at least I think it has. I expected that the negative FICA draw would begin in 2015, and that this would make a major shift in all market valuations. We're five years ahead of that time, largely due to the bubble-blowing. The original paper saw the Internet Bubble (because it was nascent at the time) but did not predict what Bush and Greedspan would do to try to arrest the effect of it popping.

We talk about ratings agencies downgrading the US Debt - they should have done it a decade ago. Why? Because we continually call the debt-to-GDP ratio as \$12.57 trillion to ~\$14 trillion "right", or 89.8%, while ignoring the claimed amounts of the Social Security and Medicare promises. But unless you're going to tell Granny that she's not going to get her check (or her health care), along with the **80 million boomers** (all of who will instantly vote out anyone who tries to tamper with those programs, whether the money exists or not!) those "promises" are **real**.

So what's the real debt-to-GDP ratio of the federal government? **About 500%, if one assumes the forward liabilities are on the low end of CBO and private estimates, or \$60 trillion. This makes the total "debt" \$72 trillion dollars and the ratio 514%!**

No nation has ever managed to pull that off past the point of recognition of these costs. The reason is simple - interest costs. Compute the damage that, say, 5% interest imposes on \$72 trillion and you blanch immediately (that's \$3.6 trillion by the way, or more than our entire federal budget!) We get away with not paying that by sleight-of-hand, effectively playing "Option ARM" and adding to the principal. But all Option ARMs have a recast point. We're just not sure where this one is.

Once the "recognition point" happens the decline in all asset classes becomes both relentless and instantaneous. The power of self-delusion is powerful, but it cannot overcome the math - not in the long term.

The Government's view? Good luck to the politician who reneges on that debt, said Barbara Kennelly, a former Democratic congresswoman from Connecticut who is now president of the National Committee to Preserve Social Security and [Medicare](#).

"Those bonds are protected by the full faith and credit of the United States of America," Kennelly said. "They're as solid as what we owe China and Japan." China and Japan aren't going to get paid either.

I am not a fortune teller, but by studying the actions and trajectory of the ruling elite I think it may be possible to see where they are headed. Yet it is extremely difficult to predict the exact events that will transpire due to the fact that the landscape is constantly shifting and once the word gets out and the public becomes aware of the ruling elite agendas, they are often forced to proceed with alternate plans. With that said and done, here is our non official list of things that are very likely to become reality in the near future:

- America will experience some sort of engineered disaster. Be it virus, biological agents, nuke, bombs or even a financial Armageddon. It will be attacked by CIA BlackOps/Mossad/Mi6 "terrorists" again in a manner like what happened on 911, of course our government and media will immediately claim it was now the Iranian, Syrian, Lebanese or _____ terrorists. Or some type of similar attack(s) will happen in key places anywhere in the world by these same teams that will setup the perfect situation for the government(s) to initiate the next phases of their New World Order plans. Be on the lookout for them to use Bio weapons and or viruses this time around and initiate the plague of plagues. Sooner or later, Martial Law will be imposed nationwide. Quarantines will be setup. After the chaos of the orchestrated "terrorist" attacks on our country and/or after the financial crash preceding the introduction of some sort of "NORTH AMERICAN UNION" to "save the day." Another case for martial law would be when and if massive natural disaster such as a global meltdown of the Arctic happens so fast that entire coastal cities get flooded, chaos soon will follow, then martial law.
- America and or Israel will indeed invade Iran or some other Muslim country under the pretext of: A. Blaming them for the new terrorist attacks, or B. The case for invading _____ will continually escalate, portraying _____ as such a horrible danger to the universe that it must be stopped. Both scenarios above are currently being substantiated and being wildly propagandized preparing the naive masses for what is to come.
- War will break out between Israel and Iran, Syria or some other Arab country, the Zionist Jews have been doing everything in their power to instigate a confrontation with Iran for the longest time. Well this is how it's going to go down: In the battles, bombs will come and go, the significant ones will be the ones that fall on the TEMPLE MOUNT and surrounding areas, for it WILL BE DESTROYED. Strategic false flag bombings (even so called "terrorists") will make sure of it. The outcome of this will be Israel taking over this prime piece of real estate to then rebuild Solomon's Temple.
- Real ID, national ID card or some sort of iteration will become law and mandatory. You will not be able to go anywhere or do anything important without this ID. These ID cards will act as internal passports to travel around America, and just as it was in the days of ~~as the~~ NAZI Hitler, you will be routinely stopped and asked for your "papers". Mostly the Real ID will be used as a central database and tracking system by your big brother government.
- Years after Real ID has been established it will be determined that the boogeymen are still able to get around it and that there are too many faults with an ID system that must be carried around. The case will be made for

implanting RFID chips directly into all citizens also using the new universal healthcare system as bait and pretext to getting everyone chipped.

- Universal Health Care will soon become a reality. But this will be used as yet another scheme to reduce your rights and to impose yet more draconian controls over your freedoms.
- A new world (or regional) reserve currency (and or system) will be introduced to replace the American dollar. This will be engineered and imposed upon us all after the well orchestrated massive financial collapse. They will create the new Depression just as happened in 1929. The argument will be made "golly gee whiz, the only way to save our society is by establishing a common currency." The devastated millions of financially ruined masses will BEG for this new currency and/or system.
- In order to "protect us" from evil people spreading "false" rumors, stories and evil lies. There will be a major clamp down on freedom of speech on the streets and the internet. Censorship will become common.
- Activists and dissenters will be labeled as subversive enemy combatants, considered as criminals and treated as such. Anyone openly opposing the establishment or the Jews can and will be carted off to jail or mental facilities where they will be given the full spectrum of permanent mind altering ~~poisons~~ "medications."
- After the invasion of another major Muslim country, WWII will then form at some point. Muslim nations will rise in pure revolt against the tyranny of the west. Millions will die. The west will then proceed in invading other Muslim countries that resist. It is very likely that Russia and maybe even China will get involved to some degree as Muslim allies.
- During the major wars in the middle east Israel will have grown in size. Taking over vast amounts of Muslim lands, including the land where the Temple Mount is located. After that strategic piece of real-estate is taken, some type of peace accord will then be made, one of the conditions will be that Israel will be left alone and be able to keep and/or manage the occupied lands. Once the region stabilizes, plans and work will be initiated to rebuild the sacred Solomon's Temple on the Temple Mount. America will be left in ruins as a has been third world nation and Israel will become the center of all world culture, finance, technology and so on.
- Hedonism will continue to flourish at an even greater pace under the great chaos of the days. Moral corruption will escalate as never before. Governments will become more and more tolerant and lax on entertainment allowing ever more risqué content for the masses. Accelerating the moral decay, so that the sheeple continue to waste their time in silly entertainment and keep them from focusing on the real issues.
- The planet has already reached its "peak oil". Therefore the supply of oil from many existing wells is drying up. More or less like a glass of water, keep drinking until it is finally empty, so it is with oil. Therefore as the supply becomes ever harder to obtain the prices will continue to rise well above \$100 a barrel, get used to the idea of seeing \$200 a barrel in the not too distant future. Peak oil has been known to the western energy monopolies for decades. Why do you think they furiously lobby for and support the invasion of the entire middle east "terrorists" countries? Besides doing the bidding of their Zionist masters, there exists the golden prize, the fringe benefit of the energy industrial complex is that they can raid the oil fields.
- To prepare for the very same martial law inducing events that our government has been conditioning and preparing the masses for. In times of chaotic drastic transition this is unavoidable. You must be wise. The only thing I can recommend is to begin collecting long term food stock that will last you and your family for the period of time of three and a half years. Yes you heard me right. In the event of some "national disaster" or "terrorist attack" /cough/ as our loving, benevolent government servants have been warning of on an almost daily basis... the first thing that will become rare and scarce will be our food supplies. Look up survival guides on your Google browser for some idea of what to start storing. One important note is to also keep your food stashes secret, for the last thing you ever want is to have your doors broken down by starving mobs or "the man" in search of your survival stock. As for currency, if you don't know by now, that the dollar is basically worthless and will soon become toilet paper, if you don't know this, then you should get out more. Get rid of all your Federal Reserve toilet paper notes and get your hands on Gold and Silver, you won't be sorry.

There is one more thing that I feel needs to be included... being that this research report is based on the quest of revealing absolute truth, there is one area I overlooked on purpose, where our government has notoriously bent over backwards to deny, dispel, ridicule and cover up. That is the subject of UFOs. I personally am neutral on the subject, I am open minded, but until the day comes when an out of space alien comes up to me and shakes my hand I have to remain slightly skeptical. But the implications of their existence, if true would be one of the single most mind boggling earth and world view and life changing events in the entire history of mankind. So to leave this subject out of this report would be a disservice to unknown possibilities.

“It may seem like the odds are stacked against us, but this is mere illusion. Great efforts have been made to suppress us, and to stifle our true power and potential, in order to control us. We’ve been conditioned into a state of perpetual apathy, distraction, fear and ignorance. We’ve been dumbed down, brainwashed and misled. There has been an ongoing assault on our perception of reality, on our boundaries of possibility and on our collective sense of self. Most importantly though, we have been divided. The oppression of the many by the few has only been possible because we’ve been manipulated into fighting amongst each other, over trivial differences such as race, gender, age and nationality, to divert us from the fact that we’re all in the same boat – A boat which is rapidly sinking, and will continue to at an ever increasing rate until we abandon our petty differences and preconceptions of each other, realize that we all have the same enemy and start working together to take back responsibility and control of our own lives.

Realize that the climate of paranoia and fear perpetuated by the mainstream media, which turns us against each other, paints every single person a potential criminal, pedophile or “terrorist” and makes us too scared to leave our own homes, is illusory, and serves only one purpose – To terrify us into docility and division. A nation of terrified and divided citizens is a manipulator’s wet dream. Stop giving you mind away to the mainstream media. Stop giving your away to government. Unfortunately, at the highest levels, both of these institutions – as well as most other major institutions, such as banking and mainstream ‘education’ – are overrun by corruption and deception, and are part of the reason we’re in this mess in the first place.

Fortunately, millions are now beginning to wake up.

We need to start coming together and doing everything in our power as a collective to raise awareness on these issues. The methods and structure of manipulation can only be effective when the majority of people are kept in ignorance of them. Change that and the entire system of deception and control will collapse.

We can all do something – Make leaflets, websites and YouTube videos, write articles, form or join activist organizations, arrange public documentary viewings, give lectures, or even just go out of your way to talk about these issues to friends, family and complete strangers. At first, many will not want to listen, but as things get worse and the methods of control become increasingly more blatant and desperate, it will prove harder to ignore what is happening any longer, and denial will cease to be an option.

This system that seeks to enslave us is held together by the co-operation of ordinary people. As soon as we refuse to co-operate with our own enslavement – in a large scale, non-violent way – it will collapse like a house of cards. It is essential that we come together as one and stop allowing the few to dictate the lives of the many. Individually we can be picked off one by one, but en mass we are extremely powerful and our manipulators know that.” – Quoted from the documentary: “Wake Up Call”

Well, that is all I have to add to this report for now. I am almost done with this draft now numbering in the 950 page range and every time I review it I can only feel and know that I have barely been able to unveil just the tip of the proverbial iceberg. There are so many more items I would like to include in every section, but it is just not possible. I hope and pray that my sincere attempt to expose a more profound view of our world paradigm is not left on deaf ears. I will continue my quest in search of truth no matter what.

Behold: For you have been forewarned, prepare now or be caught with your pants down, naked in the cold hard desolate wasteland that might be... for no matter how many predictions I or anyone else can make, it does not matter if we are right or wrong because, the evil powers that be will continue as they have for eons to oppress and enslave man in one way or another. The only hope to one day see my fellow man experience a massive spiritual awakening triggered by TRUTH. No matter how badly things seem, I hold on to one dream, and that is of Heavenly Father’s son to return once again to destroy the evil one’s dominion and reclaim this world for the one true God, the creator of Heaven and earth, that he may liberate us all from the bonds of the evil masters of this world.

Digest these words well for... the time has come for you to unplug from the matrix.... With willful non-compliance to the system. Don't participate, sidestep the system... above all drop your debt burden and leave the banks hanging is a good first step of unplugging, there is nothing they can do to you for one can not be jailed for not paying debt, on the contrary: you will begin to free yourself by eliminating one of the most basic chains of enslavement.

"None are more hopelessly enslaved than those who falsely believe they are free"

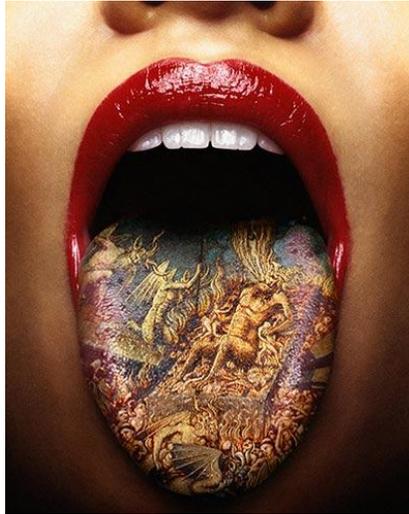

"he who has an ear, let him hear, he who has eyes, let him see"

..:EMANCIPATE YOURSELF FROM MENTAL SLAVERY:..

For it is written: *"the truth shall set you free"*

"By their fruits ye shall know them."

CONCLUSIONS:

"There are three types of people in the world, those who WATCH things happen, those who WANDER what happened, and those who MAKE things happen." – Source Unknown

"It does not require a majority to prevail, but rather an irate, tireless minority keen to set brush fires in people's minds." - Samuel Adams

"...this is the lesson: never give in, never give in, never, never, never, never – in nothing, great or small, large or petty – never give in except to convictions of honor and good sense. Never yield to force; never yield to the apparently overwhelming might of the enemy..." – Winston Churchill

There you have it, I have tried my best to summarize the key portions of the ruling matrix that controls this world with an unimaginable chokehold. Taken independently, the individual industries, components, individuals and sectors, to the un-initiated, seem to exist in their own separate realms. Here in this report, I believe I have definitively put together the entire puzzle of the ruling matrix together in one cohesive coordinated network I refer to as THE MATRIX. Many researchers throughout the ages have come forth to reveal parts of the matrix, they are all labeled and ridiculed as loony toon conspiracy theorists. Many researchers focus on this or that aspect, sector, region, people, groups, institution, corporations, politics and so forth, what many of them have lacked is the cohesive unilateral revealing of the entire web structure that puts it all into context.

Furthermore, what MOST researchers fail to accomplish is to definitively identify THE group known as the ruling elite. For THIS is the KEY to everything. The people whom comprise the "capstone of the pyramid." Once the real ruling elite is identified they can be carefully WATCHED, analyzed, followed, researched, inspected, dissected, confronted, stopped and so forth. Once their cloak of invisibility is removed, they will lose all element of acting in basic obscurity on the behalf of the matrix. The only way they can hide in plain sight is for the population not know they even exist... I am doing whatever I can to EXPOSE these people and entities to the world. **What we need is more and more truth warriors to join our ranks and continue to expose THE BEAST to the multitudes, we must strip them bare naked for the world to behold their sins THEN and only then will they no longer be able to hide, lie, deceive mankind.** That day will surely come for their reckoning as was prophesized long ago.

The masses, the general public has been successfully programmed, brainwashed by the establishment, and have been under some type of hypnotic spell for decades. They think they are "free" but in reality they are all just cattle. Just like a herd of cattle, being led in ANY direction their masters so chooses. The masses of this society live in a sort of drunken stupor, oblivious to all serious matters of life, yet demand ever higher levels of entertainment: More shows! more sports! more movies! more games, more toys, more, more, more.

In the mean time our elected leaders, in cahoots with the sinister secretive factions controlling key positions, events and agendas from behind the scenes **have managed to pull off the most UNIMAGINABLE coup d' eta in the history of free civilization.** They have managed to take complete control of this country without a massive invasion army or a single military assault. They concurred this country FROM WITHIN.

You have to admit, their entire scheme is a work of art. The very small portion of society that sees through all the smoke and mirrors is outnumbered by a margin of like 100,000 to 1. The courageous true patriots risk their reputations, freedom and possibly their lives coming forward to warn the world. The only thing truthers get in return is being widely ridiculed and labeled tin foil hat mental cases, risking their freedom and some, even their lives.

We have witnessed the "in your face" theft of 2 presidential elections back to back. Each of those fiascos were cleverly orchestrated by insiders. Bush was NEVER "elected" in 2000. **His brother, Ms. Harris, the manufacturer of the paper for chads, the judges and his republican buddies and operatives basically handed him the keys to the kingdom.** Let there be no denying, the election of 2000 was an all out theft. In 2004 they did more of the same, blocking and disqualifying hundreds of thousands in democratic regions from voting. Part of the 2001 election scheme was to get the nation to change to electronic voting systems, Ohio and Diebold delivered. 2004 was therefore in the bag. From now on, ANYONE they really want to make president will be just a few simple keystrokes away from being "elected" into office. Did you notice that they have been stopping the long held practice of conducting exit polls? Doh! Of course what used to be accurate exit polls don't match the election results anymore! It's called rigging.

Folks, I have bad news for you. My crystal ball shows me it might be too late. I fear there is nothing that can be done at this point without major bloodshed. The Zionist/Masonic ruling elite are dug in so well, they have a stranglehold of control of the media, finance, government, their roots so deep, their reach so vastly established that I believe it's too late. When they used the CIA to assassinate JFK, they literally realized they "**could get away with murder**". It was like: *Well, ok, we got away with that, let's use the CIA to kill his brother too before he comes after us. Ok, boy are these citizens pathetically gullible! Hey since we are on a role, let's get rid of that ML King guy who is another thorn on our side with his peace movement.* **The CIA** and secret elite running the military show from behind the curtain were responsible for all the assassinations of the 1950s till today. They have only grown and become so powerful that it reaches all corners of the globe, they steal elections like child's play, destroy any adversary. To think that they are all going to willingly come out on their own, confess and surrender to the "truthers" and do gooders is completely ridiculous. They are bound by blood until their deaths. They have become so **bold** over decades of getting away with everything that they no longer care how ridiculous and detached from reality their alibis sound anymore! Their media empires spin whatever fairy tale story that comes out of Washington as fact, then the sheeple eat it all up, then back to grazing in the fields they go.

I need to make one point perfectly clear: Prior to 911 there were maybe at most just a couple hundred REAL "terrorists" in the entire world. **The irony in this whole matter is that "terrorism" was an invention of our C.I.A. !** Yes, they invented: Al-**CIA**da, and it is just another one of their Black Ops top secret programs. But now the numbers of new recruits are in the untold thousands. Our invasion and occupation of Iraq/Afghanistan has done more to fuel the growth of REAL terrorists than anything else in history. Have you ever noticed that we know exactly how many of our people died there and how many wounded? what's the score? Something like 4000+ killed and 40,000+ badly wounded on our side? But what you never here is how many Iraqis died. Many of the best reliable independent studies say well over **1 million** Iraqis dead. Sure Saddam was a bad guy. But the Iraqis had a life, a country, homes, schools, sports, water, light, etc... prior to Bush coming in and bombing them back into the stone age. Now they have **NOTHING but death, despair and destruction.** I don't want to even sound like I am sympathizing with the enemy, I love my country, I was born and raised a red blooded American, and until recently was a very proud one at that. I still love this country down to my last living breath. But for the sake of common sense, I must make this point: **What would normal Americans do if one day Russia came here to "liberate us" from the "evil Bush tyranny"?... you**

are all just normal citizens, what would you do if Russia wiped out our armed forces in 4 weeks flat then destroyed everything we have known and loved, your homes, electricity, water, your families and friends, etc, then stayed here for years on end policing our streets? Most of our red blooded Americans would revolt and FIGHT BACK! with whatever home made weapons they can find. What do you think the Iraqi people have been doing? So I say to thee: leave the Muslims alone, leave the middle east, apologize, try to make amends, give true peace a chance. Leave their OIL alone, they can do whatever they want with it. We need to instead focus on other forms of clean energy.

If 911 never happened. This whole world would be a completely different stage. There would still be only a few sparse "terrorist" cells out there, that could have been taken out by local forces. Now the numbers of Muslims out there with hate and revenge in their hearts, making up the possible apocalyptic confrontations that we are facing today is astronomical. The secret key to solving the entire world mess lays in that fateful day 9/11/01. That inside job, that was the day that setup the stage for all the unwarranted invasions in the middle east. I first began researching 911 to prove the tin-foil hat brigade that they were WRONG. It brought tears to my eyes having finally conceding and realizing that a select secret group within our government: planned and engineered the entire 911 attacks then blamed it on others. Just to justify going to war. To justify the lust for black gold, to secure a strategic foothold in the middle east. Ultimately to lay it waste so that they will accept being ruled by the Zionist/Masonic duo while also paving the way for the Zionists central goals: the rebuilding the Solomon's Temple on the Temple Mount, to then usher in what they believe is their kingship of this entire planet.

911 has already been solved. CIA/Mossad BlackOps did it, a few key Pentagon brass were 100% complicit, and a bunch of poor disposable enlisted men that thought they were carrying out drills found out that the freaking "drills" went live when it was too late. Go to any number of good websites out there and view the irrefutable evidence yourself. Even if you could find videos of Cheney blowing the heads off of 911 victims and drinking their blood, that would never change a thing. **911 has already been buried**, archived in the same "folklore wing" in the bowels of the NSA storage bunkers as Bigfoot, UFOs, JFK files. I am afraid there is nothing anyone out there can ever do to change it. There was never a "real" investigation of 911 to begin with in the first place. There will **NEVER** be another "real" investigation ever. Live with it or abolish the CIA like JFK was going to do, then you can empty out the trainloads of skeletons they are hiding.

The CIA/Mossad BlackOps Team engineered and executed the 911 attacks. The entire operation was orchestrated out of World Trade Center building 7. Right out of the CIA offices that were located there. They later blew up the entire building to get rid of all the evidence of "OPERATION 911". Killed several key operatives that were involved in the 911 BlackOps project, then blew them up along with the building. Bush, Cheney, Rumsfeld and others **went along with their SCRIPTS.** They knew that the sheeple of the United States of America would NOT question a word they were being fed. As good occultist they are, they practiced their magic of sleight of hand and misdirection... "there go the bad guys! Get em!", then off to war in the middle east we all go. Within their script, a carefully crafted war on "terrorism" that had been authored many months in advance. The script's bullshit rises to the heights of those fallen towers. In spite of the fact that **the most powerful and technologically advance military and intelligence community on the planet supposedly had no freaking clue what was going on**, only 20 minutes after all the planes hit their targets they magically came out with a list of the "evil bastards" that "did it" within minutes after the attack! Pictures, bios and all. The fastest investigation solved in the history of the universe! 20 minutes flat!

Our **entire government stood down (didn't do anything) for hours** (prior to any plane hitting a target) knowing about not just 1, but 4 "hijacked" planes, yet they **stood back and just watched and let it happen!** We heard over and over on the TV that no one had a clue something like this would ever happen, yet that very same day and time NORAD was busy conducting several "exercises" practicing, (now get this!), practicing "drills" where jetliners would be crashed into buildings, in the very same area. Even FEMA had arrived the day before 9/11 ready to rock and roll. Doh! Literally hundreds of documented reports from the firemen and the people around the vicinity all heard and seen explosions going off all around the buildings! Now if this does not stink to high hell, I don't know what does. I'm just scratching the surface, of all the "coincidences", blatant lies, the following massive cover up, etc., you owe it to yourself to look into it more. Hopefully at some point in the future 911 will be acknowledged and accepted for what it really was: **the most elaborate mass brain fuck in history.**

FEAR. The flood gates of "terrorism" have now been opened. FEAR. The "**common enemy**" of the world has been established in the mind and hearts of the masses. FEAR. A **common enemy** is the absolute KEY to opening of taboo doors allowing for the abolishing of age old rights and laws, then instituting new radical executive orders and practices in their place. FEAR. A **common enemy** is necessary to justify getting the masses prepared and conditioned to the concept of establishing a police state. FEAR. First a national state of emergency, then followed by martial law, then the overturning of the entire government, to protect you, of course. **They feed off of the FEAR of the sheeple.** And in every case they have been using the same **old formula: Problem > Reaction > Solution**, to further enslave you.

The **common enemy**, the new boogeymen are the "terrorist"! Those evil bastards hiding in the dark caves of mountains on the other end of the globe! The enemy that is instilling untold fear in everyone's hearts is out to get you! Common sense would dictate that if this had one ounce of truth behind it, the first official action would be a massive nationwide effort to SECURE OUR BOARDERS. If you secure your boarders then the boogeymen can't get in to do you harm. Doh! This just makes way too much fucking sense. Doh! Let me see, let's say a violent gang says they are going to come to your home and kill you, what do you do? Leave your doors and windows open and not even worry about them coming into your home? Doh! So it is with our borders. Bush and his entire administration have completely neglected our boarders yet spending hundreds of billions of dollars killing the "boogeyman", their families, relatives, friends and destroying their land, completely clusterfucking the entire middle east. They don't care about securing our boarders because they know that the boogeymen that supposedly hit us was in fact their own BlackOps, so why waste time locking up boarders. This sounds like someone purposely inviting the boogeyman in so that we can then freely come out with his hidden agenda, "stage has been set for Phase III of the sinister plan."

Behold: The administration, pentagon, leaders, intelligence community are all eerily chanting "next attack is coming soon, it's going to be bigger and badder than 911". You can virtually hear the pitch of the drums of war beating in the background, faster, harder, faster, faster. All the while the rhetoric and the building of the case for attacking Iran and other Muslim countries is escalating, the case is being made to attack them, and the sheeple are eating it up.

You can continue to expose the "establishment's" & elites individual abuses and cover ups, etc all you want, they go home at night and read your stories on the net just for good laughs. Of course very few of some of them ever "get busted". Oh, we were instrumental in exposing this and that, so this or that guy resigned, wiptidly do. **The new world order goes on as planned.** No matter how many petty officers or captains fall from grace or are taken down by the do gooders along the way, the NWO train makes no unscheduled stops.

Now we are also witnessing the rebirth of another cold war. Russia is no fool, it sees what the U.S. is up to in it's trying to make a case leading up to bombing Iran back into the stone age, then stealing their oil. You think that the Russian KGB does not exist anymore? Those old school spies know exactly what's going on. They know how the CIA has been instrumental in setting up terrorist activities and provoking conflicts. Russia may have lost the old cold war, but they are no one's fools. Russia is now developing very close ties with China. If America attacks Iran, all hell WILL break loose. First of all, it will turn into WWII, Christianity vs. Muslim worlds, Russia and China WILL be on the Muslim side. The old communist "beast that once was dead but that will rise again". The arrogance, greed, ego, and selfishness of America's unrelenting pursuit of black gold and the shoving of its capitalism & foreign policy agenda down other nations throats will soon come back to bite us in the ass.

Behold: the old communist beast has been awakened from its sleep and is getting ready to rear its ugly head. Thanks to puppet Bush. But then again, I may be wrong, for you can never forget that the Zionist/Masonic elite rule EVERYWHERE, even Russia, so nothing happens without their say so.

I'm sorry to be so pessimistic about what the total impact of the truther movement can have. I have studied the great works and efforts of hundreds of peoples, cases, issues, movements over the past decades. No matter how incredibly true or how many astounding FACTS are laid on the table to expose the elite criminals of this world, they have 99% record of getting away with MURDER! You are dealing with entities that are for all intents and purposes above the law! The controlled media (that they own) is complicit and the "reporters" are scared shitless to confront them. We the sheeple of the United States of un-American Inc. are too busy in our careers, chasing the almighty dollar, raising children, fulfilling responsibilities, obligations and so raveled up in our all consuming personal entertainment arenas

that we either have no clue, don't want to get one either, just plain stupid and lazy, or just don't give a rats ass dam about anything.

It will only be after IT IS TOO LATE that the mass public realizes, only after they are under the control of a FASCIST POLICE STATE when they will rise in rebellion. Only to realize they are all powerless, for the time to mass rebel and confront the forces of the abomination that causes desolation has already passed. I hate to have to predict that the masses will eventually revolt, yes, after it was too late. They will riot, but only to end up in the concentration camps for doing so. They will stand up, only AFTER they lose their comfortable jobs, homes, cars, dreams, etc. and wake up to the reality of the Matrix they live in. That has long ago taken over their lives. Sorry, but, too late.

Welcome to the new and improved Fascist States of Amerika Inc. Once they have desolated this country and subjugated all who dwell here, then they will turn their eyes on the rest of the world. Part III of the master plan. Oh yes, North America is just Part II, Part I is almost complete: European Union. Those citizens don't even seem to have a clue that their sovereignties are being consolidated into one either! Viewing how painless the overthrowing of sovereignty has been going so well in Europe, maybe all will not be so bad here in the states. If you bow down to your new improved fascist government, do as you are told, don't complain, or rock the boat, it looks as if you will be allowed to go to work, watch censored TV, see your favorite sports and all the entertainment, worship your TV idols, everything you have been used to. I don't think it will be so bad for those that surrender and willing follow orders. Of course you will be "chipped" with a RFID at some point or another, until then the national ID card that will be issued to you will have to do. Yes, you won't be able to travel anywhere, make major purchases, etc without it. But you'll get used to it. The Sheeple will actually beg for it. Like George Bush said, so what, "the Constitution is just a piece of paper", we won't be needing that piece of paper any more. Of course they will get rid of all obsolete antiquated documents such as the Bill of Rights that has already been rendered null and void due to the elimination of Habeas Corpus by the Patriot Act, etc. So what, who needs them anyway. Rights are like so overrated anyway. Eh? It's going to be so much easier when you just do as you are told, no debating or questioning it. Just follow orders or be thrown in the Gulag. Remember what we told you, **everything will all be done "for your own protection"** and for the "protection" of those around you.

The talking heads in news media won't dare utter a word about or against the ruthless police state, instead they will "report" on how the evil dissenters were put away. I can see it already: **smile in front of camera* "In local news, a group of fanatical leftwing evil protesters, that splinter cell of enemy combatants who support the boogeymen have been successfully apprehended *smile* highly dangerous explosive subversive literature was also confiscated *smile* they are now being transported to a local detention center *smile* we are so glad our new police state is working so well in protecting us from these horrible 'terrorists' *smile*, now for your local weather..."*

Miggy:

Have you no fear?

You do not control any significant levers of power. There is a cradle to grave, systemic, blinding ignorance that envelopes, conditions, manipulates and controls huge swaths of every level of every major society.

What you do control is yourself and even that is subject to your cultural programming, choice of languages, 'education', life experiences, disinformation, co-opting, distraction, fatigue, error and the ever present need to satiate your primary needs.

Know that the deck is stacked against you as you have "been born into it." So, I ask you why would you fight against certain failure. How do you even discern what to fight against and equally important when? How do you know if you haven't been bred and led into a preplanned confrontation; controlled by another's will and wishes; taunted and provoked, cajoled and corralled, mocked and being led to a massacre; all for the amusement and continued control of an elite that urinates down from upon high?

Drink, drink deeply, it is good for you; for you are forever "Distracted from distraction by distraction." Again I

ask you...have you no fear?! Do you harbor the notion that you have discernment, that you can tell what truth is, that you can know right from wrong, do you?! Oh, are you telling yourself that you have experience or an inner light or faith in some higher power that will guide you, keep you, give you shelter? You are just whistling through the graveyard in your false and manufactured realities which are all fluid and futile.

You honestly do not even know what you think you know. You can be made to believe anything, anything! Oh, not me! you say. Well, let's say you are the exception and let's say there are many other exceptions just like you; how many non-exceptions will you be surrounded by and at what rate do they reproduce or replenish? You do not have the numbers, or the tactics, or the strategy and your grand strategy is forever AWOL.

Might makes right and the winners write history; you are spitting into the wind and this so called lost cause is just that – a lost cause; a giant stall tactic, an allowed disturbance, a sort of idiot magnet, a roach motel for 'patriots and seekers of truth and truth speakers.'

What?! You have made your peace and would rather soldier on as you have much to protect and you are on the right side of history and you want to keep the faith and fight the good fight to your dying breath? I have news for most of you dead-enders; you will be fuel for the TV news propaganda grinder and your efforts will be used to scare and condition the greater numbers of 'unenlightened' citizens and peoples around the globe.

Quite the opposite intended result huh?!

Wait now!, you have true patriots waiting for just the right moment and they have infiltrated the 'enemies' camp; oh really? Let me explain, your enemies have pitched camp in your brain and body and your cognitive dissonance is their campfire, and they sit there calmly swapping stories as they eat your brains and cripple your hopes and the only stars that shine are forever unreachable in the pitch of the ignorant and endless space between your ears.

All of your heroes and hopes will be dashed against the hard fact that you have lost, the country is lost, the species is lost, mankind is lost and this speck of an Earth is meaningless and all your efforts are laughable because the enemy care not for you and yours; you are bits of dissipative structure to be milled and melted, molded and shaped into any whimsy they so desire and all this free-will of yours is only as free as the collar is long; and chattel, the choker is about to be pulled and the yelp your gonna hear is the inner-dog begging for it all to stop and the domestication of man will be complete.

"Not on my watch?!" Again, have you no fear? So you have abandoned all your fear and none of your hope? Excellent, you are now a useful vessel; you have formed yourself and are ready for whatever may come; you are ready to do whatever and are waiting for the whites of their eyes; you are poised and ready...? Your numbers are growing and there is great momentum and truth and freedom are on the march...right? So, the harder you squeeze the more truth slips out; and the truth will set us free?

The truth is, America is no more, the constitution is no more and docility has been bred and fed into you and your children; so just shut up and take your medicine like a good pet or you will be severely disciplined and try to enjoy the last few moments of the republics' dismemberment; and after a while it won't be so bad, you'll see, just let it go; it's for the best; no use struggling, it will hurt far less... there ya go; And to all you so called patriots making efforts; Heel! Sit! Roll Over! Beg! Play Dead!

You are Americans? "Once you have defined me you have thus negated me."

(PS – "does the noise in my head bother you?")

Face it, the Baby Boomer generation that was so famous for showing up and holding massive protests are GONE. All those activists are now taking Gertitol and are busy worrying about their senior citizen care plans! (yet another massive time bomb medical/Medicare/social security crisis waiting around the corner). Many true patriots of today that rise up in small groups against the establishment will become martyrs. Most if not all the dissenters talking about conspiracy theories will be committed to mental wards. Protesters will quickly be dealt with, silenced and shipped off to re-education facilities. Violent offenders will be shipped off to labor concentration camps. Once you "disappear" into the "system" you will be lucky if you get to see freedom within 7 years. Just as it was in communist countries, the citizens will learn to never utter a negative word of the situation under or their captors. Even behind closed doors, they will live in paranoid fear of being monitored. Today's eavesdropping technology can even pick up conversations

from cell phones that are *turned off*. Imagine what other technology they possess to monitor you bunch of "terrorists." Enemies of the state for speaking /gasp/ the truth.

Eventually sophisticated underground movements will develop. With the fear of being caught for banned activities such as opposing the new fascist police state and spreading "subversive" dissent literature among the population. **These people will only go online with untraceable laptops, for minutes at a time due to built in GPS tracking (at which point they must turn them off and place them in a coper mesh case to stop tracking signals), using proxies along any untraceable free wifi access points they can find in order to communicate freely. They will then go through elaborate lengths to hide their identities and their traces, just as the hacker community now does.** They don't forget the CCTVs that are always recording the movements of people...

As the world watches America fall into the hands of elitist tyranny. Who will dare battle the beast? Suddenly many people will get religion, and pray to God that he send a savior to deliver them from evil. Hopefully I am getting a little too carried away with these scenarios, but they might be possible if truly tyrannical fascist leaders take over the reins of our country. We really don't know at this point how the elite rulers plan to treat Americans once they take over. One thing seems for sure though, no matter what, things will no longer be the same, at worst: we will all be in deep shit folks.

I don't know how you or others plan to take our country back, that decision is ultimately up to you and God. I advocate the role of PROACTIVE REVOLUTIONARY PEACEMAKERS but if history has shown us anything at all is that **the ruling elite have NEVER relinquished power without rivers of bloodshed running down the streets.** I don't know how this war of good vs. evil will ultimately unwind, but I fully trust in the bottom of my heart that the Bible is correct in prophesizing the defeat of the evil rulership of man and at some point we usher in an age of peace, love, unity, compassion and equality.

"To oppose the policies of a government does not mean you are against the country or the people that the government supposedly represents. Such opposition should be called what it really is: democracy, or democratic dissent, or having a critical perspective about what your leaders are doing. Either we have the right to democratic dissent and criticism of these policies or we all lie down and let the leader, the Fuhrer, do what is best, while we follow uncritically, and obey whatever he commands. That's just what the Germans did with Hitler, and look where it got them." - Michael Parenti

It is sad to see the news of patriots who take on the "ESTABLISHMENT" and almost always come out brutalized in one form or another and totally defeated in the end, to such an extent that their lives are almost always never the same for the price of daring to confront the "establishment" is losing everything. At times there seems there is no logical justice or retribution we can take against this all powerful monster of a blood sucking zombie that has taken over our government. I understand how "radical" "evil" "lunatics" (as the media prostitutes labled him) such as Joe Stack finally just give up and decide to fight back in a way that NO ONE can ignore them or easily dismiss their message.

Yes the case of Joe Stack is very significant in that he felt that there was no other way to attract major media coverage to the plight that he was trying to reveal other than to take matters in his own hands and fly a freaking airplane into an IRS building. I am not saying or suggesting he was right or wrong, I am not one to judge, that was his decision, and no matter how you look at it, whether you view him as an evil crazy suicidal madman or as a true patriot who gave his life to jab a SPLINTER into the side of the BEAST who has enslaved us all, one thing is for sure: his flying that plane into the IRS building DID work wonders in getting the prostitute media to stand up and have no choice but to cover the plight he had worked so hard his entire life to have heard to no avail. Evidently the "establishment" crushed him once too many times, he finally surrendered to hoplessness and dispare and took matter into his own hands. I pray for his spirit may be free where ever he may be today. I mention this man and his act for the main reason that at this very moment he is being so vilified and torn apart by EVERY SINGLE mainstream media outlet that it warrents just one thing: turn off all those bullshit talking heads on TV, the newspapers, radio and websites, stop listening to "experts" tear him apart as a phychopath and read what he had to say in his own words... and YOU decide for yourself if he was a fruitcake. Here is the actual letter he left behind before he took flight:

If you're reading this, you're no doubt asking yourself, "Why did this have to happen?" The simple truth is that it

is complicated and has been coming for a long time. The writing process, started many months ago, was intended to be therapy in the face of the looming realization that there isn't enough therapy in the world that can fix what is really broken. Needless to say, this rant could fill volumes with example after example if I would let it. I find the process of writing it frustrating, tedious, and probably pointless... especially given my gross inability to gracefully articulate my thoughts in light of the storm raging in my head. Exactly what is therapeutic about that I'm not sure, but desperate times call for desperate measures.

We are all taught as children that without laws there would be no society, only anarchy. Sadly, starting at early ages we in this country have been brainwashed to believe that, in return for our dedication and service, our government stands for justice for all. We are further brainwashed to believe that there is freedom in this place, and that we should be ready to lay our lives down for the noble principals represented by its founding fathers. Remember? One of these was "no taxation without representation". I have spent the total years of my adulthood unlearning that crap from only a few years of my childhood. These days anyone who really stands up for that principal is promptly labeled a "crackpot", traitor and worse.

While very few working people would say they haven't had their fair share of taxes (as can I), in my lifetime I can say with a great degree of certainty that there has never been a politician cast a vote on any matter with the likes of me or my interests in mind. Nor, for that matter, are they the least bit interested in me or anything I have to say.

Why is it that a handful of thugs and plunderers can commit unthinkable atrocities (and in the case of the GM executives, for scores of years) and when it's time for their gravy train to crash under the weight of their gluttony and overwhelming stupidity, the force of the full federal government has no difficulty coming to their aid within days if not hours? Yet at the same time, the joke we call the American medical system, including the drug and insurance companies, are murdering tens of thousands of people a year and stealing from the corpses and victims they cripple, and this country's leaders don't see this as important as bailing out a few of their vile, rich cronies. Yet, the political "representatives" (thieves, liars, and self-serving scumbags is far more accurate) have endless time to sit around for year after year and debate the state of the "terrible health care problem". It's clear they see no crisis as long as the dead people don't get in the way of their corporate profits rolling in.

And justice? You've got to be kidding!

How can any rational individual explain that white elephant conundrum in the middle of our tax system and, indeed, our entire legal system? Here we have a system that is, by far, too complicated for the brightest of the master scholars to understand. Yet, it mercilessly "holds accountable" its victims, claiming that they're responsible for fully complying with laws not even the experts understand. The law "requires" a signature on the bottom of a tax filing; yet no one can say truthfully that they understand what they are signing; if that's not "duress" than what is. If this is not the measure of a totalitarian regime, nothing is.

How did I get here?

My introduction to the real American nightmare starts back in the early '80s. Unfortunately after more than 16 years of school, somewhere along the line I picked up the absurd, pompous notion that I could read and understand plain English. Some friends introduced me to a group of people who were having 'tax code' readings and discussions. In particular, zeroed in on a section relating to the wonderful "exemptions" that make institutions like the vulgar, corrupt Catholic Church so incredibly wealthy. We carefully studied the law (with the help of some of the "best", high-paid, experienced tax lawyers in the business), and then began to do exactly what the "big boys" were doing (except that we weren't stealing from our congregation or lying to the government about our massive profits in the name of God). We took a great deal of care to make it all visible, following all of the rules, exactly the way the law said it was to be done.

The intent of this exercise and our efforts was to bring about a much-needed re-evaluation of the laws that allow the monsters of organized religion to make such a mockery of people who earn an honest living. However, this is where I learned that there are two "interpretations" for every law; one for the very rich, and one for the rest of us... Oh, and the monsters are the very ones making and enforcing the laws; the inquisition is still alive and well

today in this country.

That little lesson in patriotism cost me \$40,000+, 10 years of my life, and set my retirement plans back to 0. It made me realize for the first time that I live in a country with an ideology that is based on a total and complete lie. It also made me realize, not only how naive I had been, but also the incredible stupidity of the American public; that they buy, hook, line, and sinker, the crap about their “freedom”... and that they continue to do so with eyes closed in the face of overwhelming evidence and all that keeps happening in front of them.

Before even having to make a shaky recovery from the sting of the first lesson on what justice really means in this country (around 1984 after making my way through engineering school and still another five years of “paying my dues”), I felt I finally had to take a chance of launching my dream of becoming an independent engineer.

On the subjects of engineers and dreams of independence, I should digress somewhat to say that I’m sure that I inherited the fascination for creative problem solving from my father. I realized this at a very young age.

The significance of independence, however, came much later during my early years of college; at the age of 18 or 19 when I was living on my own as student in an apartment in Harrisburg, Pennsylvania. My neighbor was an elderly retired woman (80+ seemed ancient to me at that age) who was the widowed wife of a retired steel worker. Her husband had worked all his life in the steel mills of central Pennsylvania with promises from big business and the union that, for his 30 years of service, he would have a pension and medical care to look forward to in his retirement. Instead he was one of the thousands who got nothing because the incompetent mill management and corrupt union (not to mention the government) raided their pension funds and stole their retirement. All she had was social security to live on.

In retrospect, the situation was laughable because here I was living on peanut butter and bread (or Ritz crackers when I could afford to splurge) for months at a time. When I got to know this poor figure and heard her story I felt worse for her plight than for my own (I, after all, I thought I had everything to in front of me). I was genuinely appalled at one point, as we exchanged stories and commiserated with each other over our situations, when she in her grandmotherly fashion tried to convince me that I would be “healthier” eating cat food (like her) rather than trying to get all my substance from peanut butter and bread. I couldn’t quite go there, but the impression was made. I decided that I didn’t trust big business to take care of me, and that I would take responsibility for my own future and myself.

Return to the early ‘80s, and here I was off to a terrifying start as a ‘wet-behind-the-ears’ contract software engineer... and two years later, thanks to the fine backroom, midnight effort by the sleazy executives of Arthur Andersen (the very same folks who later brought us Enron and other such calamities) and an equally sleazy New York Senator (Patrick Moynihan), we saw the passage of 1986 tax reform act with its section 1706.

For you who are unfamiliar, here is the core text of the IRS Section 1706, defining the treatment of workers (such as contract engineers) for tax purposes. Visit this link for a [conference committee report](http://www.synergistech.com/1706.shtml#ConferenceCommitteeReport) (<http://www.synergistech.com/1706.shtml#ConferenceCommitteeReport>) regarding the intended interpretation of Section 1706 and the relevant parts of Section 530, as amended. For information on how these laws affect technical services workers and their clients, read our discussion [here](http://www.synergistech.com/ic-taxlaw.shtml) (<http://www.synergistech.com/ic-taxlaw.shtml>).

SEC. 1706. TREATMENT OF CERTAIN TECHNICAL PERSONNEL.

(a) IN GENERAL - Section 530 of the Revenue Act of 1978 is amended by adding at the end thereof the following new subsection:

(d) EXCEPTION. - This section shall not apply in the case of an individual who pursuant to an arrangement between the taxpayer and another person, provides services for such other person as an engineer, designer, drafter, computer programmer, systems analyst, or other similarly skilled worker engaged in a similar line of work.

(b) EFFECTIVE DATE. - The amendment made by this section shall apply to remuneration paid and services rendered after December 31, 1986.

Note:

- "another person" is the client in the traditional job-shop relationship.
- "taxpayer" is the recruiter, broker, agency, or job shop.
- "individual", "employee", or "worker" is you.

Admittedly, you need to read the treatment to understand what it is saying but it's not very complicated. The bottom line is that they may as well have put my name right in the text of section (d). Moreover, they could only have been more blunt if they would have come out and directly declared me a criminal and non-citizen slave. Twenty years later, I still can't believe my eyes.

During 1987, I spent close to \$5000 of my 'pocket change', and at least 1000 hours of my time writing, printing, and mailing to any senator, congressman, governor, or slug that might listen; none did, and they universally treated me as if I was wasting their time. I spent countless hours on the L.A. freeways driving to meetings and any and all of the disorganized professional groups who were attempting to mount a campaign against this atrocity. This, only to discover that our efforts were being easily derailed by a few moles from the brokers who were just beginning to enjoy the windfall from the new declaration of their "freedom". Oh, and don't forget, for all of the time I was spending on this, I was losing income that I couldn't bill clients.

After months of struggling it had clearly gotten to be a futile exercise. The best we could get for all of our trouble is a pronouncement from an IRS mouthpiece that they weren't going to enforce that provision (read harass engineers and scientists). This immediately proved to be a lie, and the mere existence of the regulation began to have its impact on my bottom line; this, of course, was the intended effect.

Again, rewind my retirement plans back to 0 and shift them into idle. If I had any sense, I clearly should have left abandoned engineering and never looked back.

Instead I got busy working 100-hour workweeks. Then came the L.A. depression of the early 1990s. Our leaders decided that they didn't need the all of those extra Air Force bases they had in Southern California, so they were closed; just like that. The result was economic devastation in the region that rivaled the widely publicized Texas S&L fiasco. However, because the government caused it, no one gave a shit about all of the young families who lost their homes or street after street of boarded up houses abandoned to the wealthy loan companies who received government funds to "shore up" their windfall. Again, I lost my retirement.

Years later, after weathering a divorce and the constant struggle trying to build some momentum with my business, I find myself once again beginning to finally pick up some speed. Then came the .COM bust and the 911 nightmare. Our leaders decided that all aircraft were grounded for what seemed like an eternity; and long after that, 'special' facilities like San Francisco were on security alert for months. This made access to my customers prohibitively expensive. Ironically, after what they had done the Government came to the aid of the airlines with billions of our tax dollars ... as usual they left me to rot and die while they bailed out their rich, incompetent cronies WITH MY MONEY! After these events, there went my business but not quite yet all of my retirement and savings.

By this time, I'm thinking that it might be good for a change. Bye to California, I'll try Austin for a while. So I moved, only to find out that this is a place with a highly inflated sense of self-importance and where damn little real engineering work is done. I've never experienced such a hard time finding work. The rates are 1/3 of what I was earning before the crash, because pay rates here are fixed by the three or four large companies in the area who are in collusion to drive down prices and wages... and this happens because the justice department is all on the take and doesn't give a fuck about serving anyone or anything but themselves and their rich buddies.

To survive, I was forced to cannibalize my savings and retirement, the last of which was a small IRA. This came in a year with mammoth expenses and not a single dollar of income. I filed no return that year thinking that because I didn't have any income there was no need. The sleazy government decided that they disagreed. But

they didn't notify me in time for me to launch a legal objection so when I attempted to get a protest filed with the court I was told I was no longer entitled to due process because the time to file ran out. Bend over for another \$10,000 helping of justice.

So now we come to the present. After my experience with the CPA world, following the business crash I swore that I'd never enter another accountant's office again. But here I am with a new marriage and a boatload of undocumented income, not to mention an expensive new business asset, a piano, which I had no idea how to handle. After considerable thought I decided that it would be irresponsible NOT to get professional help; a very big mistake.

When we received the forms back I was very optimistic that they were in order. I had taken all of the years information to Bill Ross, and he came back with results very similar to what I was expecting. Except that he had neglected to include the contents of Sheryl's unreported income; \$12,700 worth of it. To make matters worse, Ross knew all along this was missing and I didn't have a clue until he pointed it out in the middle of the audit. By that time it had become brutally evident that he was representing himself and not me.

This left me stuck in the middle of this disaster trying to defend transactions that have no relationship to anything tax-related (at least the tax-related transactions were poorly documented). Things I never knew anything about and things my wife had no clue would ever matter to anyone. The end result is... well, just look around.

I remember reading about the stock market crash before the "great" depression and how there were wealthy bankers and businessmen jumping out of windows when they realized they screwed up and lost everything. Isn't it ironic how far we've come in 60 years in this country that they now know how to fix that little economic problem; they just steal from the middle class (who doesn't have any say in it, elections are a joke) to cover their asses and it's "business-as-usual". Now when the wealthy fuck up, the poor get to die for the mistakes... isn't that a clever, tidy solution.

As government agencies go, the FAA is often justifiably referred to as a tombstone agency, though they are hardly alone. The recent presidential puppet GW Bush and his cronies in their eight years certainly reinforced for all of us that this criticism rings equally true for all of the government. Nothing changes unless there is a body count unless it is in the interest of the wealthy sows at the government trough). In a government full of hypocrites from top to bottom, life is as cheap as their lies and their self-serving laws.

I know I'm hardly the first one to decide I have had all I can stand. It has always been a myth that people have stopped dying for their freedom in this country, and it isn't limited to the blacks, and poor immigrants. I know there have been countless before me and there are sure to be as many after. But I also know that by not adding my body to the count, I insure nothing will change. I choose to not keep looking over my shoulder at "big brother" while he strips my carcass, I choose not to ignore what is going on all around me, I choose not to pretend that business as usual won't continue; I have just had enough.

I can only hope that the numbers quickly get too big to be white washed and ignored that the American zombies wake up and revolt; it will take nothing less. I would only hope that by striking a nerve that stimulates the inevitable double standard, knee-jerk government reaction that results in more stupid draconian restrictions people wake up and begin to see the pompous political thugs and their mindless minions for what they are. Sadly, though I spent my entire life trying to believe it wasn't so, but violence not only is the answer, it is the *only* answer. The cruel joke is that the really big chunks of shit at the top have known this all along and have been laughing, at and using this awareness against, fools like me all along.

I saw it written once that the definition of insanity is repeating the same process over and over and expecting the outcome to suddenly be different. I am finally ready to stop this insanity. Well, Mr. Big Brother IRS man, let's try something different; take my pound of flesh and sleep well.

The communist creed: From each according to his ability, to each according to his need.

The capitalist creed: From each according to his gullibility, to each according to his greed.

Joe Stack (1956-2010)

02/18/2010

May he rest in peace... may the gluttonous beast who roams the earth ravishing all and sucking its inhabitants dry develop a mortal infection from that tiny insect sized wound that he inflicted on it, may it spread throughout its entire being and one day be hurled into the abyss with the master it serves...

In Defense of Joe Stack

From member: brilovett

Which do you consider more delusional: flying a plane into a government building in retaliation of government abuse or believing that the government exists to protect your individual rights?

If you answered the former, you're certainly not alone. However, though you might not have thought twice before responding to what appeared to be a silly question, perhaps it's worth considering the moral premises that led to your belief.

Background

de-lu-sion (noun)

(1)

a : the act of deluding : the state of being deluded

b : an abnormal mental state characterized by the occurrence of psychotic delusions

(2)

a : something that is falsely or delusively believed or propagated

b : a persistent false psychotic belief regarding the self or persons or objects outside the self

(c) 1996 Zane Publishing, Inc. and Merriam-Webster, Incorporated. All rights reserved

On February 18, 2010 at about 10:00 AM, 53-year old father, husband, software engineer, and pilot Joe Stack flew his Piper Cherokee PA-28 airplane into an IRS building in Austin, TX. According to his [6-page suicide note](#) that, only hours later, the FBI censored by forcing the hosting vendor to remove, the basic reason for his action was that the government had destroyed his life. Overly dramatic you think? Although I encourage you to closely read the particular reasoning he used, it isn't my intent to judge or to analyze his thoughts. My intent is to explore and compare the morality of the two proposed delusions.

“A useful exercise would be to compare the "hate-filled diatribe" and "rant" of Thomas Jefferson with the "hate-filled diatribe" and "rant" of Joe Stack.”

Once upon a time, journalism was about unbiased research, checking facts, commitment to truth, and a deep suspicion of government. (Why do you think [freedom of the press](#) was considered important to the Founding Fathers, so much so that they put it into the [First Amendment of the Constitution](#)?) The mainstream media-government cheerleaders, who haven't done any of the research into the deep legal issues about which Joe Stack committed suicide, as expected and in an attempt to prove delusion, immediately came out strong to express their disapproval with Joe's actions. They painted his actions as crazy. Time magazine [called Joe's suicide note "rambling."](#) ABC [called Joe's note a "lengthy, hate-filled diatribe,"](#) misinterpreting Joe's anger as stemming from

"years spent working and paying taxes, but not reaping the benefits of what he considered to be a functional government." CBS called it "a twisted suicide note / bomber's manifesto... in which he ranted against the IRS." The Washington Post makes a cheap attempt to associate Joe's "rant" and the "extreme elements of the Tea Party movement."

The Logic of Moral Relativism

Based on personal experience but understanding the logical problem with making overly broad generalizations, I think that most people I know claim to be moral relativists. A moral relativist is someone who believes values are solely chosen based on personal preferences. In this sense, all values are arbitrary as the morality of a situation depends on how you choose to look at it, how your "culture" considers it, your own experiences, how it impacts "society," and the like. People who claim to be moral relativists make statements such as "there's no such thing as black-or-white," "the world is made of gray," "how can you be so sure you're right," "who decides what's right or wrong," "who are you to judge," "I'm not judgmental," and the like. To keep their logic consistent, those who consider themselves moral relativists (if they consider it at all) either refuse to judge a situation in terms of morality or have a confirmation bias focused on facts within a narrow context. For example, one moral relativist said to me that he wasn't sure if war was right or wrong. Another claimed to me that Joe Stack hurt and killed individuals who did nothing specific to him - they were just people doing their jobs. Ergo, what Joe Stack did was wrong. Fair enough.

Interestingly, for relativists who do judge the morality of a narrow situation, their logic requires them to refuse acknowledgement that they are still dealing in absolutes. For example, to claim that Joe Stack's actions were immoral because he killed individuals who did nothing specific to him are indirectly stating a moral absolute that it is wrong to kill someone who has not specifically harmed you. How does the relativist deal with the obvious absolute? Very simply - he refuses to see it. After all, if a tree falls in a forest and no one is around to hear it, does it make a sound? In other words, as long as you are able to deny perception of something, it might as well never have occurred or been a factor. And, as it is only specific factors within a particular context that matter, non-existent factors are, by definition, not factors at all. Refuse to perceive it and it doesn't exist. Kind of a clean, neat trick, don't you think?

So, for those who think "the world is gray," it would make sense that Joe Stack was a deluded, bad person, as he destroyed property and life with his actions without reason. Why is their morality right compared to the converse? Look no further than the context. Easy.

Integrating Knowledge

Thomas Jefferson wrote in his magnum opus that "when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

What was the context? The Declaration of Independence listed the context in terms of grievances (what the New York Times, Washington Post, ABC News, and CBS News define as "extremist," "rants," and "hate-filled diatribe" for not "reaping the benefits of... functional government"). Grievances against the government included: not following the law, passing laws that are "formidable to tyrants only," "fatiguing [people] into compliance," invading the rights of people, obstructing justice (especially through the establishment of "Judiciary Powers"), creating "Officers to harass our people and eat out their substance," keeping "Standing Armies," holding "mock Trial[s]," "imposing Taxes... without... Consent," "waging War against us," "destroy[ing] the lives of our people," "transporting large Armies of foreign Mercenaries to compleat the works of death, desolation, and tyranny," and

ignoring "Petition[s] for Redress in the most humble terms." That was the context. A useful exercise would be to compare the "hate-filled diatribe" and "rant" of Thomas Jefferson with the "hate-filled diatribe" and "rant" of Joe Stack. Notice any similarities in context?

Clearly, the more knowledge you integrate into context, the harder it becomes to maintain opinions based on relative terms. For example, if you could prove that laws operate to brutalize individuals (e.g., the Nuremberg Laws), would you better understand why it is proper to use brutality in defense of yourself? In other words, if assuming for a moment that the IRS did use brutality against Joe Stack, isn't it more likely you would better understand Joe Stack's decision to brutalize the IRS? (Of course the relativist could argue that theft of property and abuse of civil rights is not brutality.) Some people believe that two wrongs don't make a right. Well, if two wrongs don't make a right, then you would conclude that Joe Stack was not right. However, this begs the question: why is an individual limited to how he can protect himself, while the government/IRS is not? The other question that must be asked is: what other logical choice did Joe Stack have to protect his rights but physical violence? (He indicates in his suicide note that he wrote letters to countless government officials and went through the judicial process, all to no avail.)

Based on his suicide note, Joe Stack likely didn't voluntarily give the government or "society" the authorization to infringe on his rights. Yet it's interesting to note how many in "society" are angry that Joe Stack infringed on their "collective rights" (e.g., destruction of a "public" building and the lives of "public" employees). Relativists quickly retort that the person who died (other than Joe himself) wasn't the "public" - he was an individual. How logical and correct that is. But then who is the public? Was Joe Stack part of the public/society? If so, and if his rights were infringed upon, where was the outrage then? Selective perception does away with this logic problem quite nicely: the IRS agent killed was an individual who had rights, and Joe thus committed a crime against society. But, no matter what wrong Joe incurred, he did not have individual rights and anything that was done to him by the IRS was not a crime against society. Did you understand that logic? Neither did I. Yet that's one of the conundrums relativists attempt to ignore.

From a moral perspective, what is the purpose of law? If the purpose of law is to protect rights, and Joe Stack's rights were not protected and, in fact, were actually destroyed by the very same people who were required to protect them, does this context matter? Legal positivism holds that there isn't any necessary connection between morality and law. Based on this perspective, though it might be unfortunate that Joe Stack's rights were violated, that doesn't give him the right to do what he did. And, of course, they would be correct. Law doesn't give rights. Law attempts to prevent people from infringing on your rights. Ah, but isn't that a moral absolute: if x occurs, you are not allowed to do y ? Yes. But who decided that moral absolute? Society. But Joe Stack was part of society, wasn't he? Uh...

Understanding the Inconsistencies

Confused yet by the moral relativist logic? Let's try something simpler. The Nazis are always a reliable example for discussing morality, as clearly what the Nazis did was wrong. The relativist is on solid ground when he claims that the US government was morally correct to defend/protect the victims from Nazi atrocities. However, there are ample examples of people who have been victims of US aggression, both within and without the US. From "tax honesty" victims like Irwin Schiff, Larken Rose, Ed and Elaine Brown, Sherry Peel Jackson, Bob Schulz, to torture victims like Binyam Mohamed, Mohammed al Qahtani, and Omar Deghayes. In fact, Aaron Russo (producer of American classics such as The Rose featuring Bette Midler and Trading Places with Dan Akroyd and Eddie Murphy) produced an excellent documentary called America: From Freedom to Fascism on the horrors from which Joe Stack suffered and ultimately died trying to fight.

But if the US government was morally proper in using aggressive force against Nazi soldiers to protect and defend victims, why is it not proper for Joe Stack to use force to protect and defend the likes of Irwin Schiff, Larken Rose, Ed and Elaine Brown, Sherry Peel Jackson, Bob Schultz, Binyam Mohamed, Mohammed al Qahtani, and Omar Deghayes (to name just a few)? Any destruction Joe Stack caused to the US government's "war machine" (I'm including the US government's war on civil liberties in that term) would mean that less US government property and "soldiers" (e.g., IRS agents) exist to destroy civil rights and property rights. Ergo, wasn't Joe Stack's action simply protecting those who were unable to defend themselves against the US government's aggression, just as the US government's actions were to defend people against the Nazis? After all, the Nazis weren't attacking the US government; on the contrary, the US government was actively trying to get into the war. If, in the virtuous name of protecting victims, the US government had the moral authority to attack foreign governments who *hadn't* harmed Americans, why doesn't Joe Stack have the moral authority to attack the US government who has, *in fact*, harmed both Americans and non-Americans?

But wait - the Nazis didn't just steal property. They actually exterminated human beings. That is quite different from the circumstances with Joe Stack (remember: limit context). Fair enough. But Joe Stack is also now dead, just as dead as the human beings that the Nazis exterminated. The IRS was able to accomplish an individual extermination without ever pulling a trigger. They motivated Joe to pull the trigger himself just by stealing his property, ignoring his civil rights, and ensuring that he had no chance to get either back. And to think some called the Nazi efficient killers.

It is terrible that Joe Stack felt he had no hope left for ever regaining his rights, much less his property. You might now empathize with him, even if you don't agree with his methods. But where was your empathy when Joe's civil rights were being infringed... when his property was being stolen... when the US government, and specifically the IRS, was destroying his life? Why didn't you have empathy then? Why didn't you stick up for Joe Stack, someone who wasn't able to defend himself against the violence of the IRS? Before February 18, it was only the IRS who used force. Before February 18, Joe Stack had never used violence against anyone. As he said in his suicide note, and as his friends and family indicated, he just wanted to live his life as he saw best and in peace.

I have read comments from people calling Joe Stack's actions selfish. A selfish act is something you do solely for your own advantage. The IRS chose to use force against Joe Stack in order to seize his property. After begging for relief nicely, Joe Stack made the only choice the IRS allowed him: to use force to destroy destruction. The IRS gained much when they stole Joe Stack's property. Yet Joe Stack gained nothing by destroying IRS property or killing an IRS employee. How can you call an action for which you gain nothing "selfish?"

Conclusion

Terrorism is defined as the *systematic* use of terror, especially as a means of coercion. The US government, as a system and as a group of individuals, is guilty of crimes against humanity through the initiation of force. The US government is guilty of destroying the individual rights of so many famous and unknown individuals. Countless individuals have written letters and petitioned for redress. Their voices were like trees falling in an unpopulated forest. The US government has removed the people's ability to fight back. The laws now work to support violence committed by the US government against individuals, while punishing individuals who use violence against the government. This is the expected and intended outcome of the underlying philosophy: moral relativism. Indeed, history repeats itself.

The Declaration of Independence clearly sanctions that individuals have the moral authority to retaliate and destroy governments that abuse the rights of others. No matter how you read his suicide note, that is clearly all Joe Stack was doing - he was retaliating against the government's violent force toward him. When the IRS

violated Joe Stack's rights, they placed themselves inside a ring of violence. As any boxer knows, if you go into a ring, be prepared to get hurt. In such a situation, there is no recourse available but force. Violence is the logical result of moral relativism.

Joe Stack was not delusional for wanting freedom, as freedom is not a delusion. Joe Stack killed himself because he wasn't willing to live under the philosophical or legal terms the US government set. Getting to vote on which master restrains you and how heavy the chains that bind you will be is not freedom. Freedom is an absolute. You either have it or you don't.

My sincerest condolences to his family. Rest in peace, Joe Stack. I'm sorry we weren't there to defend you sooner. Your courage and integrity to fight tyranny, and the moral relativistic philosophy that supports it, will be missed.

There is always still hope. We must hold our belief in God and his son Jesus above all else. Then there is the real world reality we face here on the battle grounds. The resistance needs to get creative, think outside of the box. I don't know about you and the path you chose to walk, but I am a peacemaker and MY sword is the WORD... the TRUTH. We all have our roles to play in the resistance. Evidently the old methods of just writing amazing expose books has barely done anything to deter the enemy from its goals. But we can't give up; we must get more creative, produce more STUNNING videos, articles, productions and results. Whether you view Joe as a delusional nutcase or a **HERO** as the writer above believes, is within your opinion. One thing for sure is that no matter how "WRONG" were his actions... in one single stroke he managed to make a bigger impact and bring upon more AWARENESS on the issue than all the thousands of futile phone calls made to the elected reprehensitives... All the books, articles and websites out there combined can't match the impact of his "terrible" "delusional" actions... HE GOT THE "IMPOSSIBLE TO GET" MEDIA COVERAGE AND **THE ENTIRE COUNTRY TO FINALLY STAND UP AND PAY ATTENTION** to a real serious issue we all face... Here is yet another story that appeared on my radar of yet another person who fought back against the banking cartel in his own creative way just days latter:

Ohio Man Bulldozes Home Ahead of Foreclosure Video

February 20, 2010

Terry Hoskins home in Moscow, Ohio was scheduled for Foreclosure so, to prevent the bank from taking it, the man bulldozes his home and it's all documented on video.

The problems arised over a decade ago, when IRS tax liens on buisness properties, were filed on his home. Terry never missed a mortgage payment, nor was never late on a payment on his home. He was mad. Real mad. And that's when he said ""When I see I owe \$160,000 on a home valued at \$350,000, and someone decides they want to take it – no, I wasn't going to stand for that, so I took it down."

As the foreclosure proceedings were getting to the final stages, that's when he bulldozed the building down in Clermont County. To understand why he did this, the liens behind it, and the full impact of the story you need to check out the video [here](#).

Terry Hoskins just became one of my many heroes. He had the balls to tear down the house HE built that the BANKS were going to STEAL from him through their legalized theft apparatus called foreclosure. Note the fact that he owed \$160 grand, taking into account normal financing protocol he most likely already made payments to the bank totaling over \$400,000. More than the house was worth. By the time one pays off ANY house over the period of 30 standard

year mortgage one easily makes payments totaling anywhere from DOUBLE the original price of the home, up to TRIPLE the original price. The bankster's win/win/win, you as the lendee, are forever on a precipice, one mistake one calamity and you lose it all to the banks. Terry, you the man!

We know the directions the ABOMINATION THAT CAUSES DESOLATION is heading for they no longer even try to hide those from us anymore. The fact that some of the enemies' OPERATIONS MANUALS have been leaked into the public! Source code and all! **The Project For New American Century is just one example, spells it all out in black and white**, and that is not even a denied publication. Unlike two other documents I just recently came across, two of the most amazing pieces of literature I have ever read. I would first like to stipulate that ALL OUR PREVIOUS RESEARCH ALREADY POINTED TO THE CONSPIRITORS WE REVEAL HERE **PRIOR TO OUR EVER HAVING LAID EYES ON THESE DOCUMENTS:**

First we stumbled upon the amazing Operation Northwoods. When it was first leaked, the powers that be TRIED to discredit it, but it was eventually proven 100% authentic. **Operation Northwoods IS the real thing**, anyone with half a brain and a basic understanding of U.S. and world events can easily see that document is the real thing produced and authored by your loving and benevolent caring leaders in your military industrial matrix.

The other document we came across by chance is something called: The Protocols of the Learned Elders of Zion. This incredibly amazing document had surfaced in the 1890s, only to not just be labeled a "FRAUD" by the Zionist "establishment", they went ape shit when this one got out. They went on all out attack doing everything in their power to fight its legitimacy and make that piece of literature disappear. What initially intrigued me about this work was all the fuss that has been made over the years to DISCREDIT it. **People were jailed, KILLED and tortured over it!** Hmm. Some places you can be imprisoned for possessing a copy of the Protocols... Wow! I just had to find me a copy! Prior to finding a complete book on The Protocols, I read many of the voluminous efforts to rabidly discredit it and frame the whole thing as a hoax, all those authors were unanimous: you should **never** read the actual Protocols! Wow, now I really had to find me a copy!!! LOL. (We always look into all sides of a story prior to coming to any conclusion, giving equal weight and efforts to both sides, no bias in our research; we only want to get to the bottom of one thing: the truth)

The Protocols is among the most riveting, most incredible, drop your jaw on the ground, literature I have ever seen in my life. For those who truly understand history, events, what's going on, what has been happening all these years, then to one day come across a document that is over 100 YEARS OLD! That perfectly correlates and parallels documented history, concurs with ALL the research many have conducted, and exactly explains the history of hundreds of events that happened AFTER it was published, perfectly mirrored in that old document is completely mind-blowing. Folks, **the Protocols of Zion are THE operations manual of the Zionist elite, period.** Read it, slowly, taking time to reflect upon each and every protocol and subsets, in the backdrop of American and world events. The relevancy and **accuracy of this 100+ year old document is unparalleled** when compared to actual history and the way things have been happening. If you truly see The Protocols for what it is, you will likely have shills up and down your spine. Read it, memorize it, and use it as a hand book, the Rosetta Stone to know what is going on and what direction the Zionists and events are headed in.

To finish up this Matrix chapter (for now, since I will continue to add to and refine each chapter as time allows), I would like to again emphasize and summarize the fact that the "ruling elite", that many of us refer to as the Illuminati, or whatever name, are none other than the **ZIONISTS** and their infiltrated divisions such as the **Freemasons**, who also think *they* are the ultimate rulers but are in fact being owned by the Zionists, just as the **Vatican** is also under "house arrest" by the Zionists. Between these separate, yet intertwined entities, they command the secrecy agencies such as the Mossad/CIA/Mi6, etc. they command all the world's major banks and markets, they rule nations through their card carrying members, they feed the masses their daily doses of media, entertainment, information. Even though they possess mind boggling power and wealth, ages have past, yet they are still trying to get to the point where they can rule the entire world with an iron fist.

People eventually betray one another, some want nothing to do with their agendas, refusing to sellout, some get conscience stricken, things change, new things happen, new industries come and go, sometimes the best laid plans go astray, therefore, their quest for world domination has taken a long time to maneuver in place. Today they are closer

than ever in history to accomplishing their twisted goals. If the masses were to realize that it is the Luciferian Zionists that have enslaved us all and rise up against them, even if the world were successful yet again of **stopping the Zionist juggernaut and completely crippled them, then others, left over's from the Luciferian Masonic, Vatican, Jesuit and Royal Crown realms would only QUICKLY move in to fill the void...** then what? The elitist rule of a few would never stop.

Quite frankly, I have come to believe that we do in fact live in the age of the Apocalypse... but it will be unlike anything that anyone has ever visualized it as. For it will be brought on mainly by the financial oppression that opens the doors to other forms of oppression and enslavement by institutions and nations. The famines as you can already see beginning in continents such as Africa are already happening... Wars and rumors of wars have escalated to feverish pitch on all corners of the globe. The multi-headed "beasts" are many. They are the MILITARY who run amuck in its quest of conquest, destruction and death. They are the Zionist banking cartel that impoverishes even nations, run by the few elite who reside in all parts of the globe. Let there be no doubt, we are in fact witnessing the beginning stages of the apocalypse...

It is physically impossible for the well documented trend of consolidation to continue into infinity. Years and years go by and ever more is swallowed up by the very few 2% of the elite of the world. The ever more the select few consolidate, the ever more the circumstances get worse and worse for the masses. The ruling 2% elite's insatiable appetite for growth, more, more and more of everything no matter what the consequence, will never be satisfied until the day of reckoning arrives. The capitalist beast goes forth plundering and pillaging the planet with wanton abandon. The pattern will not cease until it is stopped by a force greater than all the money, media, military on the planet or until the earth has finally succumbed to the ravages of the never ending onslaught, pure greed of the business world.

Another very important point that must be included in this conclusions section is the fact that Israel is a nation with over 200 NUKES! If and when the day ever arises that they are confronted, all hell will break lose. For nuclear Holocaust™ would surely be implemented by these demented people **as surely as some of their highest ranking prominent Zionist leaders have warned us long ago.** All the while the western civilization was in a cold war with the Soviet Union fearing M.A.D. (Mutually Assured Destruction) with the commy bastards, Israel was quietly, secretly building its own nuclear arsenal while America turned a blind eye. Fact of the matter is that Israel is one of the top nuclear powers in the world now. To trust them and discount and rule them out as the evil ones who initiate the apocalyptic world destruction would be foolish... I warn you here and now, keep a close eye on these people.

You must be vigilant. Be prepared for the worst financial meltdown, Economic Mass Destruction, the worst civil breakdown, the worst famine, the worst ("plagues") virus outbreaks (whether man made or not), the worst police state lockdown. Always work for peace but be prepared for the worst. **The only thing the ruling elite fear is TRUTH, for the masses to be educated about the true hidden nature of things.** The only thing that can bring them to their knees is for them to be completely exposed, the naked TRUTH. For evil, lies, deceit, secrecy, etc all hide in darkness, that is why it is written "the light of truth" will reveal all. Go forth, share the truth with others, conduct your own research, look into all the revelations we expose as have hundreds of others that have come before me. Today the power to find truth is at your finger tips since you can just "Google it", Google everything.

Our world is so thoroughly controlled by the few ruling elite who've completely permeated all governments that any real hope for relief and liberation is categorically impossible under the logistics of common logic. So who is going to liberate you? First of all you must stop being a fool and quietly go forth spreading the truth. Secondly and most importantly you must get your house in order and realize that the times we are living is the age of the Apocalypse... The Zionists are the prophesized Anti-Christ and they have the world in a death grip chokehold. You my dear brother must turn your focus inward, and pray to Heaven Father and Jesus for guidance in these maddening times, you must trust in the Lord Jesus Christ for he promised to return, and that he will do at the right time. Safe harbor will be in the arms of the Lord.

Try as they may... the powers that be may submerge a large portion of the population into poverty. they enslave mankind in so many ways But in doing so they STILL cannot steal and own their hearts and happiness. For even in dire poverty the children still play even in the ruins and run around completely unaware of their dire status. Thus proving that poverty is a state of mind to a large extent for you can physically take and limit their monetary wealth and

plunge man into the most dire of circumstances but you have **yet to figure out how to steal their happiness**. this will never happen for this resides within a realm far beyond the cold heartless calculating world the ruling elite can ever fathom. **you can own and control all the riches on earth but you will never own and control the people's hearts**. This is direct testimony of why and how, despite all the odds the meek SHALL inherit the earth. for they are God's children.

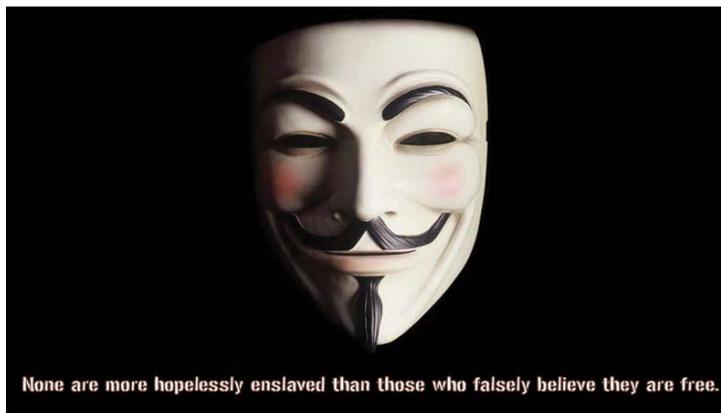

For it is written: the truth shall set you free... it is up to you to **emancipate yourself from mental slavery... remove the thorn out of your eyes, then you will no longer be "blind,"** then go forth to help your fellow man remove the thorns that blind their eyes, by doing so you thus "light" the way out of the darkness... Your fellow man is only "blind" due to lack of the truth... To possess the truth is to possess light, is to possess sight. Go forth and emancipate your fellow man.

Keep in mind that Jesus was viewed as a radical **REVOLUTIONARY** whom opposed and confronted the established status quo, the rulers of man, widespread pagan customs and so forth, yet he stood for peace, love and unity. It is written **"blessed are the peacemakers for they will inherit the Kingdom of Heaven."** These are the parameters you have to work with...

May those who understand the calling come forth... acquire their invisibility cloaks and go forth to disseminate the truth to all corners of the globe as invincible ghosts whom the all-powerful Luciferian rulers cannot track nor attack... for there is no one to attack but the TRUTH.... Thus their time will come forth to a swift end for the TRUTH is absolute and impenetrable.

Lest you never forget: in order to defeat the enemy you must unplug from their matrix... their value system... their economic system... their social system... their political system... for while you are totally immersed in their system, i.e.: matrix. If you fail to unplug from the matrix you continue living in their material world of illusions, their social structure, their moral standards, their value system and so forth... Must unplug, cease and desist, to then see the light... Only then will a new world appear before you... true reality.

I have thus spoken with the spirit of the power vested in me to bring these words to you. Now go forth, multiply and liberate your enslaved brethren. Never forget that in unity there is power. The enemy will try to sow division among you, as he already does in separating the nations into left vs. right, republican vs. democrats, etc. **May heavenly father and the holy spirit guide you in your quest for knowledge, wisdom, understanding, true love, truth, freedom and everlasting peace.**

QUESTION EVERYTHING BELIEVE NOTHING.

It would be physically impossible to include the literally thousands of items I would like to add as supporting evidence, facts and sources as supporting documentation to this Matrix Report. I have thousands of .pdf files, thousands of documents, thousands of videos, thousands of pictures, thousands upon thousands of articles and news clippings, and so on that I would love to share with the world, but this is not possible at this moment.

Yet I felt compelled to try and include just a few other existing works that hopefully reveal a glimpse into the magnitude of what is out there, a glimpse into the true reality that I am trying to expose. Thus I quote lots of articles throughout this report. It was extremely difficult to sift through terabytes of evidence trying to select what to include in this addendum section. Also keep in mind that the few items included below are **not** the foundation of the Matrix Report, and are to be considered as mere supporting documentation to just a couple of the realities of the hundreds being exposed in this report.

As you can see, many of the items included in this section deal directly with the Zionist Jew hidden hand, for they are the ones who have maneuvered themselves to and are truly at the very pinnacle of the ruling illuminati elite. They strategically hide behind and control fronts such as the CFR, Trilateral Commission, FED (and all central banks), Freemasons, Mossad, WHO, Jesuits, CIA, Bilderbergers, and so many more fronts that it boogles the mind. To fully understand the Zionist Jews is to fully understand the nature of the anti-christ... how they are establishing their new world order and establishing the reign of beast.

I am hoping to one day be able to setup a website that will become the clearing house and ENCYCLOPEDIA of revealing the illuminati apparatus. Until then, here is just a drop in the bucket of information that is out there... You owe it to yourself if you have read this far, to fire up your Google search engine and begin digging on your own on EVERY single matter that has been brought up in this report

“MANUFACTURING DISSENT”: The Anti-Globalization Movement is Funded by the Corporate Elites

"Manufacturing Dissent": the Anti-globalization Movement is Funded by the Corporate Elites

The People's Movement has been Hijacked

by Michel Chossudovsky, [Global Research](#), September 20, 2010

"Everything the [Ford] Foundation did could be regarded as "making the World safe for capitalism", reducing social tensions by helping to comfort the afflicted, provide safety

valves for the angry, and improve the functioning of government (McGeorge Bundy, National Security Advisor to Presidents John F. Kennedy and Lyndon Johnson (1961-1966), President of the Ford Foundation, (1966-1979))

"By providing the funding and the policy framework to many concerned and dedicated people working within the non-profit sector, the ruling class is able to co-opt leadership from grassroots communities, ... and is able to make the funding, accounting, and evaluation components of the work so time consuming and onerous that social justice work is virtually impossible under these conditions" (Paul Kivel, *You call this Democracy, Who Benefits, Who Pays and Who Really Decides*, 2004, p. 122)

"Under the New World Order, the ritual of inviting "civil society" leaders into the inner circles of power --while simultaneously repressing the rank and file-- serves several important functions. First, it says to the World that the critics of globalization "must make concessions" to earn the right to mingle. Second, it conveys the illusion that while the global elites should --under what is euphemistically called democracy-- be subject to criticism, they nonetheless rule legitimately. And third, it says "there is no alternative" to globalization: fundamental change is not possible and the most we can hope is to engage with these rulers in an ineffective "give and take".

While the "Globalizers" may adopt a few progressive phrases to demonstrate they have good intentions, their fundamental goals are not challenged. And what this "civil society mingling" does is to reinforce the clutch of the corporate establishment while weakening and dividing the protest movement. An understanding of this process of co-optation is important, because tens of thousands of the most principled young people in Seattle, Prague and Quebec City [1999-2001] are involved in the anti-globalization protests because they reject the notion that money is everything, because they reject the impoverishment of millions and the destruction of fragile Earth so that a few may get richer.

This rank and file and some of their leaders as well, are to be applauded. But we need to go further. We need to challenge the right of the "Globalizers" to rule. This requires that we rethink the strategy of protest. Can we move to a higher plane, by launching mass movements in our respective countries, movements that bring the message of what globalization is doing, to ordinary people? For they are the force that must be mobilized to challenge those who plunder the Globe." (Michel Chossudovsky, [The Quebec Wall](#), April 2001)

The term "manufacturing consent" was initially coined by Edward S Herman and Noam Chomsky.

"Manufacturing consent" describes a propaganda model used by the corporate media to sway public opinion and "inculcate individuals with values and beliefs...":

The mass media serve as a system for communicating messages and symbols to the general populace. It is their function to amuse, entertain, and inform, and to inculcate individuals with the values, beliefs, and codes of behavior that will integrate them into the institutional structures of the larger society. In a world of concentrated wealth and major conflicts of class interest, to fulfill this role requires systematic propaganda. ([Manufacturing Consent by Edward S. Herman and Noam Chomsky](#))

"Manufacturing consent" implies manipulating and shaping public opinion. It establishes conformity and acceptance to authority and social hierarchy. It seeks compliance to an established social order. "Manufacturing consent" describes the submission of public opinion to the mainstream media narrative, to its lies and fabrications.

"Manufacturing dissent"

In this article, we focus on a related concept, namely the process of "manufacturing dissent" (rather than "consent"), which plays a decisive role in serving the interests of the ruling class.

Under contemporary capitalism, the illusion of democracy must prevail. It is in the interest of the corporate elites to accept dissent and protest as a feature of the system inasmuch as they do not threaten the established social order. The purpose is not to repress dissent, but, on the contrary, to shape and mould the protest movement, to set the outer limits of dissent.

To maintain their legitimacy, the economic elites favor limited and controlled forms of opposition, with a view to preventing the development of radical forms of protest, which might shake the very foundations and institutions of global capitalism. In other words, "manufacturing dissent" acts as a "safety valve", which protects and sustains the New World Order.

To be effective, however, the process of "manufacturing dissent" must be carefully regulated and monitored by those who are the object of the protest movement.

"Funding Dissent"

How is the process of manufacturing dissent achieved?

Essentially by "funding dissent", namely by channeling financial resources from those who are the object of the protest movement to those who are involved in organizing the protest movement.

Co-optation is not limited to buying the favors of politicians. The economic elites - which control major foundations - also oversee the funding of numerous NGOs and civil society organizations, which historically have been involved in the protest movement against the established economic and social order. The programs of many NGOs and people's movements rely heavily on both public as well as private funding agencies including the Ford, Rockefeller, McCarthy foundations, among others.

The anti-globalization movement is opposed to Wall Street and the Texas oil giants controlled by Rockefeller, et al. Yet the foundations and charities of Rockefeller et al will generously fund progressive anti-capitalist networks as well as environmentalists (opposed to Big Oil) with a view to ultimately overseeing and shaping their various activities.

The mechanisms of "manufacturing dissent" require a manipulative environment, a process of arm-twisting and subtle cooptation of individuals within progressive organizations, including anti-war coalitions, environmentalists and the anti-globalization movement.

Whereas the mainstream media "manufactures consent", the complex network of NGOs (including segments of the alternative media) are used by the corporate elites to mould and manipulate the protest movement.

Following the deregulation of the global financial system in the 1990s and the rapid enrichment of the financial establishment, funding through foundations and charities has skyrocketed. In a bitter irony, part of the fraudulent financial gains on Wall Street in recent years have been recycled to the elites' tax exempt foundations and charities. These windfall financial gains have not only been used to buy out politicians, they have also been channeled to NGOs, research institutes, community centers, church groups, environmentalists, alternative media, human rights groups, etc. "Manufactured dissent" also applies to "corporate left" and "progressive media" funded by NGOs or directly by the foundations.

The inner objective is to "manufacture dissent" and establish the boundaries of a "politically correct" opposition. In turn, many NGOs are infiltrated by informants often acting on behalf of western intelligence agencies. Moreover, an increasingly large segment of the progressive alternative news media on the internet has become dependent on funding from corporate foundations and charities.

Piecemeal Activism

The objective of the corporate elites has been to fragment the people's movement into a vast "do it yourself" mosaic. War and globalization are no longer in the forefront of civil society activism. Activism tends to be piecemeal. There is no integrated anti-globalization anti-war movement. The economic crisis is not seen as having a relationship to the US led war.

Dissent has been compartmentalized. Separate "issue oriented" protest movements (e.g. environment, anti-globalization, peace, women's rights, climate change) are encouraged and generously funded as opposed to a cohesive mass movement. This mosaic was already prevalent in the counter G7 summits and People's Summits of the 1990s.

The Anti-Globalization Movement

The Seattle 1999 counter-summit is invariably upheld as a triumph for the anti-globalization movement: "a historic coalition of activists shut down the World Trade Organization summit in Seattle, the spark that ignited a global anti-corporate movement." (See Naomi Klein, [Copenhagen: Seattle Grows Up, The Nation](#), November 13, 2009).

Seattle was an indeed an important crossroads in the history of the mass movement. Over 50,000 people from diverse backgrounds, civil society organizations, human rights, labor unions, environmentalists had come together in a common pursuit. Their goal was to forcefully dismantle the neoliberal agenda including its institutional base.

But Seattle also marked a major reversal. With mounting dissent from all sectors of society, the official WTO Summit desperately needed the token participation of civil society leaders "on the inside", to give the appearance of being "democratic" on the outside.

While thousands of people had converged on Seattle, what occurred behind the scenes was a de facto victory for neoliberalism. A handful of civil society organizations, formally opposed the WTO had contributed to legitimizing the WTO's global trading architecture. Instead of challenging the WTO as an illegal intergovernmental body, they agreed to a pre-summit dialogue with the WTO and Western governments. "Accredited NGO participants were invited to mingle in a friendly environment with ambassadors, trade ministers and Wall Street tycoons at several of the official events including the numerous cocktail parties and receptions." (Michel Chossudovsky, *Seattle and Beyond: Disarming the New World Order*, Covert Action Quarterly, November 1999, See [Ten Years Ago: "Manufacturing Dissent" in Seattle](#)).

The hidden agenda was to weaken and divide the protest movement and orient the anti-globalization movement into areas that would not directly threaten the interests of the business establishment.

Funded by private foundations (including Ford, Rockefeller, Rockefeller Brothers, Charles Stewart Mott, The Foundation for Deep Ecology), these "accredited" civil society organizations had positioned themselves as lobby groups, acting formally on behalf of the people's movement. Led by prominent and committed activists, their hands were tied. They ultimately contributed (unwittingly) to weakening the anti-globalization movement by accepting the legitimacy of what was essentially an illegal organization. (The 1994 Marrakech Summit agreement which led to the creation of the WTO on January 1, 1995). (Ibid)

The NGO leaders were fully aware as to where the money was coming from. Yet within the US and European NGO community, the foundations and charities are considered to be independent philanthropic bodies, separate from the corporations; namely the Rockefeller Brothers Foundation, for instance, is considered to be separate and distinct from the Rockefeller family empire of banks and oil companies.

With salaries and operating expenses depending on private foundations, it became an accepted routine: In a twisted logic, the battle against corporate capitalism was to be fought using the funds from the tax exempt foundations owned by corporate capitalism.

The NGOs were caught in a straightjacket; their very existence depended on the foundations. Their activities were closely monitored. In a twisted logic, the very nature of anti-capitalist activism was indirectly controlled by the capitalists through their independent foundations.

"Progressive Watchdogs"

In this evolving saga, the corporate elites whose interests are duly served by the IMF, the World Bank and the WTO, will readily fund (through their various foundations and charities) organizations which are at the forefront of the protest movement against the WTO and the Washington based international financial institutions.

Supported by foundation money, various "watchdogs" were set up by the NGOs to monitor the implementation of neoliberal policies, without however raising the broader issue of how the Bretton Woods twins and the WTO, through their policies, had contributed to the impoverishment of millions of people.

The Structural Adjustment Participatory Review Network (SAPRIN) was established by Development Gap, a USAID and World Bank funded NGO based in Washington DC.

Amply documented, the imposition of the IMF-World Bank Structural Adjustment Program (SAP) on developing countries constitutes a blatant form of interference in the internal affairs of sovereign states on behalf of creditor institutions.

Instead of challenging the legitimacy of the IMF-World Bank's "deadly economic medicine", SAPRIN's core organization sought to establish a participatory role for the NGOs, working hand in glove with USAID and the World Bank. The objective was to give a "human face" to the neoliberal policy agenda, rather than reject the IMF-World Bank policy framework outright:

"SAPRIN is the global civil-society network that took its name from the Structural Adjustment Participatory Review Initiative (SAPRI), which it launched with the World Bank and its president, Jim Wolfensohn, in 1997.

SAPRI is designed as a tripartite exercise to bring together organizations of civil society, their governments and the World Bank in a joint review of structural adjustment programs (SAPs) and an exploration of new policy options. It is legitimizing an active role for civil society in economic decision-making, as it is designed to indicate areas in which changes in economic policies and in the economic-policymaking process are required. (<http://www.saprin.org/overview.htm> SAPRIN website, emphasis added)

Similarly, The Trade Observatory (formerly WTO Watch), operating out of Geneva, is a project of the Minneapolis based Institute for Agriculture and Trade Policy (IATP), which is generously funded by Ford, Rockefeller, Charles Stewart Mott among others. (see Table 1 below).

The Trade Observatory has a mandate to monitor the World Trade Organization (WTO), the North American Free Trade Agreement (NAFTA and the proposed Free Trade Area of the Americas (FTAA). ([IATP, About Trade Observatory](#), accessed September 2010).

The Trade Observatory is also to develop data and information as well as foster "governance" and "accountability". Accountability to the victims of WTO policies or accountability to the protagonists of neoliberal reforms?

The Trade Observatory watchdog functions does not in any way threaten the WTO. Quite the opposite: the legitimacy of the trade organizations and agreements are never questioned.

The World Economic Forum. "All Roads Lead to Davos"

The people's movement has been hijacked. Selected intellectuals, trade union executives, and the leaders of civil society organizations (including Oxfam, Amnesty International, Greenpeace) are routinely invited to the [Davos World Economic Forum](#), where they mingle with the World's most powerful economic and political actors. This mingling of the World's corporate elites with hand-picked "progressives" is part of the ritual underlying the process of "manufacturing dissent".

The ploy is to selectively handpick civil society leaders "whom we can trust" and integrate them into a "dialogue", cut them off from their rank and file, make them feel that they are "global citizens" acting on behalf of their fellow workers but make them act in a way which serves the interests of the corporate establishment:

"The participation of NGOs in the Annual Meeting in Davos is evidence of the fact that [we] purposely seek to integrate a broad spectrum of the major stakeholders in society in ... defining and advancing the global agenda ... We believe the [Davos] World Economic Forum provides the business community with the ideal framework for engaging in collaborative efforts with the other principal stakeholders [NGOs] of the global economy to "improve the state of the world," which is the Forum's mission. (World Economic Forum, Press Release 5 January 2001)

The WEF does not represent the broader business community. It is an elitist gathering: Its members are giant global corporations (with a minimum \$5 billion annual turnover). The selected non-governmental organizations (NGOs) are viewed as partner "stakeholders" as well as a convenient "mouthpiece for the voiceless who are often left out of decision-making processes." ([World Economic Forum - Non-Governmental Organizations](#), 2010)

"They [the NGOs] play a variety of roles in partnering with the Forum to improve the state of the world, including serving as a bridge between business, government and civil society, connecting the policy makers to the grassroots, bringing practical solutions to the table..." (Ibid)

Civil society "partnering" with global corporations on behalf of "the voiceless", who are "left out"?

Trade union executives are also co-opted to the detriment of workers' rights. The leaders of the International Federation of Trade Unions (IFTU), the AFL-CIO, the European Trade Union Confederation, the Canadian Labour Congress (CLC), among others, are routinely invited to attend both the annual WEF meetings in Davos, Switzerland as well as to the regional summits. They also participate in the WEF's Labour Leaders Community which focuses on mutually acceptable patterns of behavior for the labor movement. The WEF "believes that the voice of Labour is important to dynamic dialogue on issues of globalization, economic justice, transparency and accountability, and ensuring a healthy global financial system."

"Ensuring a healthy global financial system" wrought by fraud and corruption? The issue of workers' rights is not mentioned. ([World Economic Forum - Labour Leaders](#), 2010).

The World Social Forum: "Another World Is Possible"

The 1999 Seattle counter-summit in many regards laid the foundations for the development of the World Social Forum.

The first gathering of the World Social Forum took place in January 2001, in Porto Alegre, Brazil. This international gathering involved the participation of tens of thousands of activists from grass-roots organizations and NGOs.

The WSF gathering of NGOs and progressive organizations has been held simultaneously with the Davos World Economic Forum (WEF). It was intended to voice opposition and dissent to the World Economic Forum of corporate leaders and finance ministers.

The WSF at the outset was an initiative of France's ATTAC and several Brazilian NGOs':

"... In February 2000, Bernard Cassen, the head of a French NGO platform ATTAC, Oded Grajew, head of a Brazilian employers' organization, and Francisco Whitaker, head of an association of Brazilian NGOs, met to discuss a proposal for a "world civil society event"; by March 2000, they formally secured the support of the municipal government of Porto Alegre and the state government of Rio Grande do Sul, both controlled at the time by the Brazilian Workers' Party (PT).... A group of French NGOs, including ATTAC, Friends of L'Humanité, and Friends of Le Monde Diplomatique, sponsored an Alternative Social Forum in Paris titled "One Year after Seattle", in order to prepare an agenda for the protests to be staged at the upcoming European Union summit at Nice. The speakers called for "reorienting certain international institutions such as the IMF, World Bank, WTO... so as to create a globalization from below" and "building an international citizens' movement, not to destroy the IMF but to reorient its missions." (Research Unit For Political Economy, [The Economics and Politics of the World Social Forum](#), Global Research, January 20, 2004)

From the outset in 2001, the WSF was supported by core funding from the Ford Foundation, which is known to have ties to the CIA going back to the 1950s: "The CIA uses philanthropic foundations as the most effective conduit to channel large sums of money to Agency projects without alerting the recipients to their source." (James Petras, [The Ford Foundation and the CIA](#), Global Research, September 18, 2002)

The same procedure of donor funded counter-summits or people's summits which characterized the 1990s People's Summits was embodied in the World Social Forum (WSF):

"... other WSF funders (or `partners', as they are referred to in WSF terminology) included the Ford Foundation, -- suffice it to say here that it has always operated in the closest collaboration with the US Central Intelligence Agency and US overall strategic interests; the Heinrich Boll Foundation, which is controlled by the German Greens party, a partner in the present [2003] German government and a supporter of the wars on Yugoslavia and Afghanistan (its leader Joschka Fischer is the [former] German foreign minister); and major funding agencies such as Oxfam (UK), Novib (Netherlands), ActionAid (UK), and so on.

Remarkably, an International Council member of the WSF reports that the "considerable funds" received from these agencies have "not hitherto awakened any significant debates [in the WSF bodies] on the possible relations of dependence it could generate." Yet he admits that "in order to get funding from the Ford Foundation, the organizers had to convince the foundation that the Workers Party was not involved in the process." Two points are worth noting here. First, this establishes that the funders were able to twist arms and determine the role of different forces in the WSF -- they needed to be `convinced' of the credentials of those who would be involved. Secondly, if the funders objected to the participation of the thoroughly domesticated Workers Party, they would all the more strenuously object to prominence being given to genuinely anti-imperialist forces. That they did so object will become clear as we describe who was included and who excluded from the second and third meets of the WSF....

... The question of funding [of the WSF] does not even figure in the charter of principles of the WSF, adopted in June 2001. Marxists, being materialists, would point out that one should look at the material base of the forum to grasp its nature. (One indeed does not have to be a Marxist to understand that "he who pays the piper calls the tune".) But the WSF does not agree. It can draw funds from imperialist institutions like Ford Foundation while fighting "domination of the world by capital and any form of imperialism" (Research Unit For Political Economy, [The Economics and Politics of the World Social Forum](#), Global Research, January 20, 2004)

The Ford Foundation provided core support to the WSF, with indirect contributions to participating "partner organizations" from the McArthur Foundation, the Charles Stewart Mott Foundation, The Friedrich Ebert Stiftung, the W. Alton Jones Foundation, the European Commission, several European governments (including the Labour government of Tony Blair), the Canadian government, as well as a number of UN bodies (including UNESCO, UNICEF, UNDP, ILO and the FAO) .(Ibid).

In addition to initial core support from the Ford Foundation, many of the participating civil society organizations receive funding from major foundations and charities. In turn, the US and European based NGOs often operate as secondary funding agencies channeling Ford and Rockefeller money towards partner organizations in developing countries, including grassroots peasant and human rights movements.

The International Council (IC) of the WSF is made up of representatives from NGOs, trade unions, alternative media organizations, research institutes, many of which are heavily funded by foundations as well as governments. (See [Fórum Social Mundial](#)). The same trade unions, which are routinely invited to mingle with Wall Street CEOs at the Davos World Economic Forum (WSF) including the AFL-CIO, the European Trade Union Confederation and the Canadian Labor Congress (CLC) also sit on the WSF's International Council (IC). Among NGOs funded by major foundations sitting on the WSF's IC is the Institute for Agriculture and Trade Policy (IATP) (see our analysis above) which oversees the Geneva based Trade Observatory.

The Funders Network on Trade and Globalization (FTNG), which has observer status on the WSF International Council plays a key role. While channeling financial support to the WSF, it acts as a clearing house for major foundations. The FTNG describes itself as "an alliance of grant makers committed to building just and sustainable communities around the world". Members of this alliance are Ford Foundation, Rockefeller Brothers, Heinrich Boell, C. S. Mott, Merck Family Foundation, Open Society Institute, Tides, among others. (For a complete list of FTNG funding agencies see [FNTG: Funders](#)). FTNG acts as a fund raising entity on behalf of the WSF.

Western Governments Fund the Counter-Summits and Repress the Protest Movement

In a bitter irony, governments including the European Union grant money to fund progressive groups (including the WSF) involved in organizing protests against the very same governments which finance their activities.

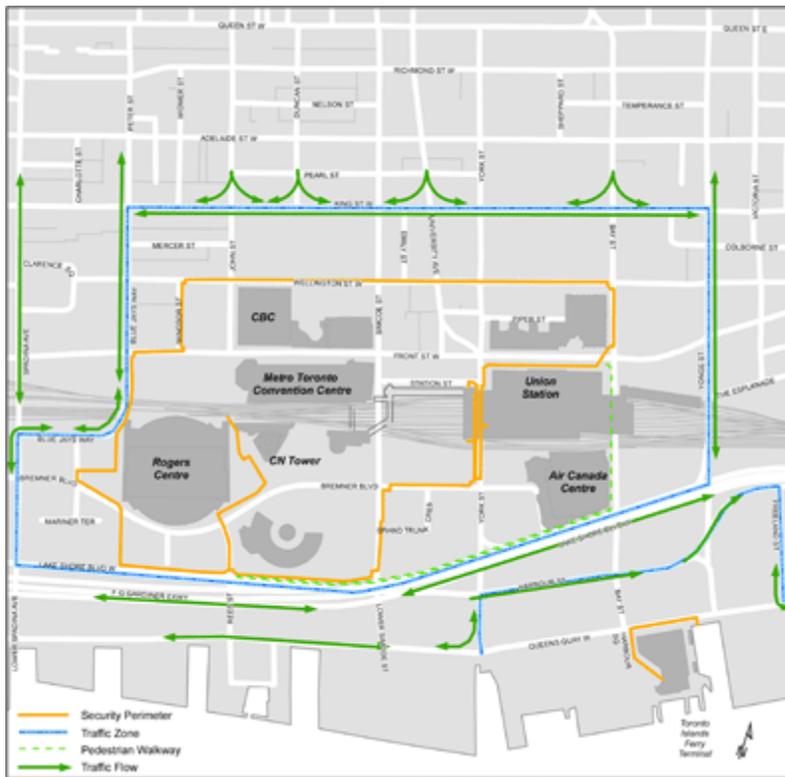

"Governments, too, have been significant financiers of protest groups. The European Commission, for example, funded two groups who mobilized large numbers of people to protest at EU summits at Gothenburg and Nice. Britain's national lottery, which is overseen by the government, helped fund a group at the heart of the British contingent at both protests." (James Harding, [Counter-capitalism](#), FT.com, October 15 2001)

We are dealing with a diabolical process: The host government finances the official summit as well as the NGOs actively involved in the Counter-Summit. It also funds the anti-riot police operation which has a mandate to repress the grassroots participants of the Counter-Summit.

The purpose of these combined operations, including violent actions committed by anti-riot police forces (including larcen and vandalism), is to discredit the protest movement and intimidate its participants. The broader objective is to transform the counter-summit into a ritual of dissent, which serves to uphold the interests of the official summit and the host government. This logic has prevailed in numerous counter summits since the 1990s.

At the 2001 Summit of the America in Quebec City, funding from the Canadian federal government to mainstream NGOs and trade unions was granted under certain conditions. A large segment of the protest movement was de facto excluded from the People's Summit. This in itself led a second parallel venue, which some observers described as a "a counter-People's Summit. In turn, organizers agreed with both the provincial and federal authorities that the protest march would be move towards a remote location some 10 km out of town, rather than towards the historical downtown area were the official FTAA summit was being held behind a heavily guarded "security perimeter".

"Rather than marching toward the perimeter fence and the Summit of the Americas meetings, march organizers chose a route that marched from the People's Summit away from the fence, through largely empty residential areas to the parking lot of a stadium in a vacant area several miles away. Henri Masse, the president of the Federation des travailleurs et travailleuses du Quebec (FTQ), explained, "I deplore that we are so far from the center-city.... But it was a question of security." One thousand marshals from the FTQ kept very tight control over the march. When the march came to the point where some activists planned to split off and go up the hill to the fence, FTQ marshals signaled the Canadian Auto Workers (CAW) contingent walking behind CUPE to sit down and stop the march so that FTQ marshals could lock arms and prevent others from leaving the official march route." (Katherine Dwyer, [Lessons of Quebec City](#), International Socialist Review, June/July 2001)

Security Perimeter, Quebec City 2001

The Summit of the Americas was held inside a four kilometer "bunker" made of concrete and galvanized steel fencing. The 10 feet high "Quebec Wall" encircled part of the historic city center including the parliamentary compound of the National Assembly, hotels and shopping areas.

Quebec City, April 2001

Quebec City 2001, Building the Security fence

Toronto G20 Security Fence \$5.5 million, June 2010

NGO Leaders versus their Grassroots

The establishment of the World Social Forum (WSF) in 2001 was unquestionably a historical landmark, bringing together tens of thousands of committed activists. It was an important venue which allowed for the exchange of ideas and the establishment of ties of solidarity.

What is at stake is the ambivalent role of the leaders of progressive organizations. Their cozy and polite relationship to the inner circles of power, to corporate and government funding, aid agencies, the World Bank, etc, undermines their relationship and responsibilities to their rank and file. The objective of manufactured dissent is precisely that: to distance the leaders from their rank and file as a means to effectively silencing and weakening grassroots actions.

Most of the grassroots participating organizations in the World Social Forum including peasant, workers' and student organizations, firmly committed to combating neoliberalism were unaware of the WSF International Council's relationship to corporate funding, negotiated behind their backs by a handful of NGO leaders with ties to both official and private funding agencies.

Funding to progressive organizations is not unconditional. Its purpose is to "pacify" and manipulate the protest movement. Precise conditionalities are set by the funding agencies. If they are not met, the disbursements are discontinued and the recipient NGO is driven into de facto bankruptcy due to lack of funds.

The WSF defines itself as "an open meeting place for reflective thinking, democratic debate of ideas, formulation of proposals, free exchange of experiences and inter-linking for effective action, by groups and movements of civil society that are opposed to neo-liberalism and to domination of the world by capital and any form of imperialism, and are committed to building a society centered on the human person". (See [Fórum Social Mundial](#), accessed 2010).

The WSF is a mosaic of individual initiatives which does not directly threaten or challenge the legitimacy of global capitalism and its institutions. It meets annually. It is characterised by a multitude of sessions and workshops. In this regard, one of the features of the WSF was to retain the "do-it-yourself" framework, characteristic of the donor funded counter G7 People's Summits of the 1990s.

This apparent disorganized structure is deliberate. While favoring debate on a number of individual topics, the WSF framework is not conducive to the articulation of a cohesive common platform and plan of action directed global capitalism. Moreover, the US led war in the Middle East and Central Asia, which broke out a few months after the inaugural WSF venue in Porto Alegre in January 2001, has not been a central issue in forum discussions.

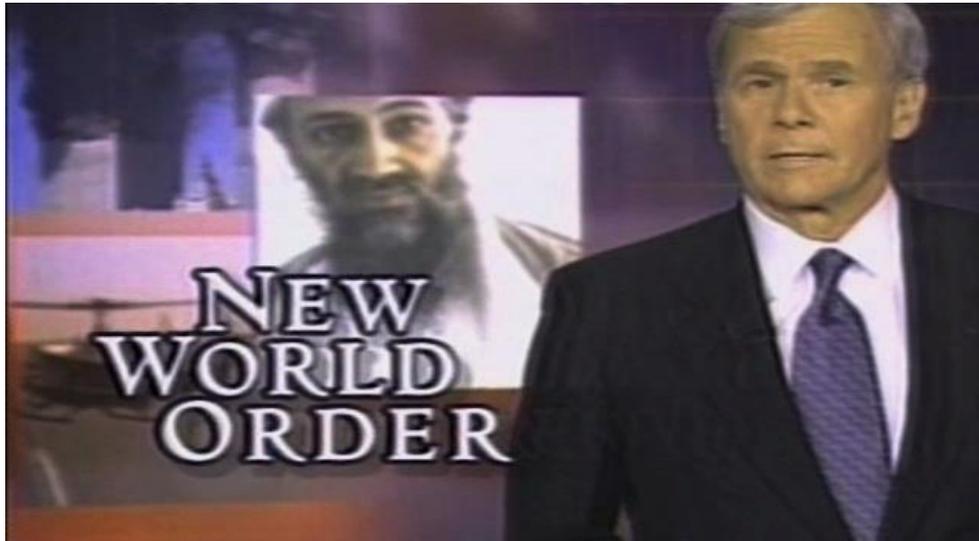

What prevails is a vast and intricate network of organizations. The recipient grassroots organizations in developing countries are invariably unaware that their partner NGOs in the United States or the European Union, which are providing them with financial support, are themselves funded by major foundations. The money trickles down, setting constraints on grassroots actions. Many of these NGO leaders are committed and well meaning individuals acting within a framework which sets the boundaries of dissent. The leaders of these movements are often co-opted, without even realizing that as a result of corporate funding their hands are tied.

Global capitalism finances anti-capitalism: an absurd and contradictory relationship.

"Another World is Possible", but it cannot be meaningfully achieved under the present arrangement.

A shake-up of the World Social Forum, of its organizational structure, its funding arrangements and leadership is required.

There can be no meaningful mass movement when dissent is generously funded by those same corporate interests

PSYOPS & COERCIVE PERSUASION

COERCIVE PERSUASION, by Skydrifter

The Transcendence of Brainwashing

Just when America least needs another round of psycho-babble, out pops the “psycho-technology” of “Coercive Persuasion.” Okay, what is it?

Coercive Persuasion is the methodical – often subtle or even clandestine - application of psychological manipulation. Coercive Persuasion coerces its targeted audience into “perceiving,” “learning” and “adopting” a prescribed set of thoughts, beliefs, values, attitudes and/or behaviors.

From movies such as “The Manchurian Candidate,” the 1950's imagery of “brainwashing” and “thought reform” leave people in the dust of the scientific psychological manipulation of individuals – or entire populations. The term “brainwashing” is most often thought of in terms such as “imprisonment,” “physical abuse,” “gun to the head,” or the hypnosis experiments of the “Manchurian Candidate.”

Coercive Persuasion is a factual science. In example, America – as a whole – never seriously questioned the horror which Jack Kennedy’s “pristine bullet” represented – to every last American. Similarly, America somehow didn’t care that the Bobby Kennedy autopsy demonstrated that Sirhan Sirhan didn’t hit Bobby with a single round. No one wanted to be the voice to ask, “Well, who did shoot him – and WHY did they shoot him?” Not even the Kennedy family asked

the compelling questions! The horror of 58,000 dead kids from the Vietnam War didn't bring any meaningful investigation into the phony "Gulf of Tonkin" resolution. The glaring holes in the official accounts of 9-11 have gone almost unnoticed. All that didn't happen from the elements of chance or coincidence!

Coercive Persuasion operates by undermining the individual's defense mechanisms, their perceptions, their values and their attitudes. Coercive Persuasion alters the otherwise expected personal conduct and the person's ability to reason - without resorting to physical force. In the current time frame, "coercive persuasion" cleverly and covertly overcomes an individual's decision-making by impacting the individual's judgment. The victim gradually loses the ability to make independent decisions or to insist on the information necessary to make an informed and intelligent decision. Coercive Persuasion leaves the victim with the attitude "I know what the facts probably are. But what can I do about 'things' without getting myself hurt?" When that attitude can be identified; the 'system' has worked!

The common concept of "brainwashing" is traditionally associated more with techniques of 'national' political indoctrination, as opposed to everyday society, corporate or government agency "culture" or methods of teaching in a public school system. However, today, one cannot help wondering as to what extent "brainwashing" might be found amidst a supposedly benevolent format of their immediate "culture" - including general education. Whether in a government agency, corporate environment or public education system, it is wise for workers, students, teachers and the general public, to be aware of the "modern" psychological processes, generally called "brainwashing."

In the modern world of psychiatry and psychology, "brainwashing" is more commonly referred to as "coercive persuasion," "coercive psychological systems," or "coercive influence." For all intents and purposes, "Coercive Persuasion" may be regarded as the micro-management of Psychological Operations, or "PSYOPS."

Coercive psychological techniques are mental, emotional and behavioral "change" methods which employ known psychological dynamics in a coercive way to induce the adoption of a "preferred" ideology or set of thoughts, beliefs, ideas, attitudes, or behaviors. The core methodology is the avoidance of any physical motivation (punishment). [For clarity, physical punishment can also be deprivation of movement or other physical needs.] The coercive strategy is to systematically select, sequence and coordinate the effective mechanisms of coercive influence. For convenience, the term "Coercive Persuasion" will be utilized, given its popularity - where found.

As with most political "systems," it is important to distinguish the element of "intent." To mandate school children to recite the Pledge of Allegiance and sing patriotic songs might meet the test of "Coercive Persuasion." However, the intent is to foster nationalism - hardly something to apologize for. Still, there will be those who will debate the 'patriot' issue in the light of denying children the right of free will.

Thus, it is necessary to visit the "Reasonable Person Test," to judge according to the end-result. To the person who insists on having power over others in a world of cold logic, against the perpetual "human" needs, it may come down to the frustrated assertion, "Well, that's just the way it is!"

Often, it may be necessary to forcibly establish a 'sacred' benchmark. Icy logic may argue for zero age limits when it comes to cigarettes, alcohol, street drugs or sex for children. Thus, it may come back to the human mandate to cite the cut-in-stone 'benchmark' of civilized standards, in 'human' terms of "That's beyond the boundaries of a civilized society!" While that might seem academic, nigh unto 'stupid' to most, such issues as "NAMBLA" attest to the "reach" of debate and logic, as a self-serving version of "Coercive Persuasion" attempts to hijack the basic values of the American society. Thus, it is necessary to be keenly aware of the probable end effect of such permissive efforts, amidst a naïve and gullible norm of "Live and let live."

Coercive Persuasion is increasingly found in the corporate culture. The impact results in an Orwellian work force, conditioned to sacrifice personal income, benefits and free will; substituting 'corporate' needs, over personal needs. The impact being a cleverly veiled corporate Communism. DON'T forget that concept!

When Coercive Persuasion is found, commonly, one sees the beginning event as something which will reliably produce anxiety and stress; often in scenarios which effect such results continuously, over extended periods of time. The

initiating step could be a simple – but serious - challenge for one to clarify his/her position. Often, the challenge will be issued with a caution.

The techniques can be applied in isolated/personal arenas, or publicly in a sophisticated “propaganda” methodology, relying on the mass media – or the Internet!

Regardless of the arena, the techniques such as repetitive or extended verbal, audio, visual, or tactile fixation drills are used. In military “Boot Camp,” for example, excessive exact repetition of routine activities (training or work), sleep restriction and/or nutritional restriction is often found.

Social isolation – where possible - is a supporting tactic; including ‘divide and conquer’ methods. Or, in such events as a corporate takeover, it could be “conquer and divide,” as an initiating event.

In the true “cult” realm, contact with family and friends is typically blocked in some fashion, along with persons who have no previous exposure to - or independently do not share - the prescribed attitudes. Dependence on the controlling entity is effected by a variety of means, from simple acceptance-approval to professional or financial dependence. In ‘open’ systems such as the corporate environment, verbal cautions may be found as subtle social blockades, such as a comment to the effect of, “It might be better if you didn’t bring your personal/family life to work with you.”

Certainly, the effect of documented “evaluations” have a major impact, as well. Such evaluations typically have a cumulative effect, almost rendering human beings as an expendable component, very similar to a defective chip in a computer.

Even on the Internet, it is possible - in such arenas as discussion forums - to isolate and verbally batter a given personality into leaving the forum, or submitting to the text-version of Coercive Persuasion. In unrestricted Internet discussion forums, dedicated disinformation agents are often discovered. While their identity is only revealed in their messages and style, their mission is two-fold; to batter the free will of other contributors and to manufacture the ‘preferred’ illusion (disinformation) of ‘consensus’ to the casual reader – or “lurker” as they are termed.

The controlling entity can be expected to do their best to prohibit, discourage or divert any non-conforming information and non-supporting beliefs, attitudes and/or opinions within the ‘in-house’ communication. Typically there are rigid – or implied - ‘rules’ imposed, as to permissible topics to discuss; both within the ‘group’ and with ‘outsiders.’ Whenever possible, ALL communication is highly controlled – in some fashion. Often, an “in-house” jargon is discovered. Typically, the meaning of some of the terms/phrases is obscure, by accident or design. For example, the application of the term “proactive.” Something is active or inactive; what does “proactive” imply? Someone is an active supporter or an opponent. Thus, the use of the term “proactive” often has a ‘twilight zone’ inference, versus a clear statement. These terms or concepts often carry an aura of mystery, which has the mental-emotional effect of creating an illusion that someone is somehow ‘special’ or powerful,’ as they seem to be “...in the know.”

Often the Coercive Persuasion tactic is to pressure the target to re-evaluate the most central values of his or her previous experience in a probing, questioning or outright negative light. Often, methods are discovered which are designed to destabilize and defeat the subject's basic consciousness, reality awareness, major world viewpoints; as well as their emotional control and mental/emotional defense mechanisms. The targeted subject is mandated or coerced to review and reinterpret his or her life's history and adopt an entirely new perspective. Christians are familiar with such a process in the concept of “original sin.”

The effect of such tactics is often effective by coercing or inducing a sense of powerlessness, by subjecting the person to intense and frequent messages, events or actions which serve to undermine the person's self-confidence and personal judgment.

For example, making a casual statement that one feels that management is not in tune with the workers needs could lead to the statement, “You know, your remark about management, the other day still bothers the hell out of me!” In

current corporate America, such a response would send shudders up anyone's spine; questioning what the end-effect of the distortion of a casual remark might be. One could instantly imagine what the remark would deliver on their next evaluation.

These tactics become more effective if they can coerce or induce a strong aversive emotional reactions in the target, using non-physical trauma or punishment such as intense humiliation, ridicule, character assassination, loss of privilege, professional social isolation, social status change, intense shame, guilt and anxiety. (Caution is advised in discriminating between personal 'power trips,' versus institutional efforts.)

Often, the tactic of intimidation of the target is witnessed, with the force of group-sanctioned non-religious psychological threats. This would include character/personality judgments.

When the opportunity presents itself, whether by invasive tactics on the part of the perpetrator, or somehow "permitted" by the individual, such tactics are a function of 'psychological force.' They can be applied to such an effective degree that the individual's capacity to make informed or factually free choices becomes inhibited – if not nearly destroyed. When such tactics are effective, the victims are often found to be unable to make their normal, wise or balanced decisions, which they otherwise would most likely - or normally - make. Given enough strategy or 'force,' most individuals can be unknowingly manipulated by such coordinated and sequenced processes.

Any form of controlling thoughts, beliefs, attitudes or values - whether it is a minor cult, or a totalitarian regime, involves some form of "persuasion."

Whether one cares to use the term "brain washing" or "psychological conditioning," the indoctrination or initiation technique is most commonly designed to 'amend' moral attitudes.

These "persuasion" techniques typically involve:

Pressure:

The methodology goes toward confusing the individual, wearing them down through surprise or unpredictable treatment. Such treatment or manipulation is assured to produce some level of anxiety and dread; possibly guilt. In any event, the person will be confused as to what to expect, as well as what they are to think and how they are expected to act. Physical and/or mental stress, shock, or desensitization conditioning is often used to break down both intellectual and emotional resistance. If the intent is truly nefarious, the individual's spiritual value system will be altered or destroyed. In most cases, physical abuse is a last resort – if not absolutely prohibited (given the potential for accountability).

Isolation:

A common Coercive Persuasion tactic is to manufacture a state of anxiety, sometimes referred to as the "3 Ds" - debility, dependence, and dread. The tactic creates a sense of "isolation." A common "captive audience" method is the technique of sensory or stimulation deprivation; either an incremental decrease of the sensory stimulation, or a form of solitary confinement – in the extreme. In a corporate or social environment, the core 'devices' are usually the same – in some format - applied over time, in lesser magnitude. For example, in the corporate arena, an unexpected and extended out of town job assignment could be a programmed form of isolation.

PROCESS IMPLEMENTATION

As practiced, the Coercive Persuasion program strategy is often to identify the "leaders" of a given group and somehow remove them from the group. Being a "leader" could be as simple as a popular or respected personality.

The typical application of Coercive Persuasion is to introduce clandestine "facilitators," or outright informers, whose assigned job is to create a destabilized atmosphere, leading to a general aura of mistrust or suspicion. The goal is to

breach any existing expectations or trust; or prevent even reasonable expectations or trust – including any level of intimacy - from developing among the captive audience.

Another tactic or technique is to subject a selected/targeted individual to a form of sensory or stimulation deprivation. In a corporate or government arena, that could start with something as simple as a caution against making or taking personal phone calls, using the ‘company’ computer for personal E-mails, or internet surfing. The tactic goes on to decrease any ‘favorite’ sensory stimulation, which might be available. That could be a demand for compliance with the prescribed coffee break time limitations. The thrust of such an effort is to destroy any pre-existing morale and "esprit de corps," essentially turning workers into captives, rendering them vulnerable to threats - and bribes.

The intent is to “reset” the individual’s perspective on the past, versus the present and future. “Perspective Control” can be effected by abruptly or subtly forcing a person to choose between cooperating with a newly prescribed ‘value set,’ or losing their position and associated income, their tenure, seniority or any possibility of position advancement or a type of meritorious pay increase. Often the tactic is to confuse the target, wearing them down by unpredictable treatment, sometimes cycling between a harsh and seemingly unfair and/or arbitrary treatment; at other times courteous and friendly, fair-minded, and even conciliatory treatment. Such manipulation produces confusion as to the ‘norms,’ accompanied by anxiety, dread, and guilt. The individual is left wondering as to the “correct” thought and social practices. Any penchant toward “paranoia” is often excited.

During any “isolation,” whether physical mental or emotional, from familiar sources of physical, mental, emotional or spiritual support, the tactics often operate by imposing a sense of self-doubt; stripping the individual of their normal & reliable defenses, such as reserve (‘wait and see’ or ‘choice of participation’), upon their identity, dignity or their sense of physical, mental, emotional or spiritual privacy.

Conversely, the enthusiastic and otherwise “willing” participants are, in some fashion, rewarded for their acceptance of the prescribed/new beliefs, values or attitudes. In the corporate or government environment, one is often labeled a “team player” – a major indicator, by itself. The reward can be as simple as relief from the associated pressures in whatever environment that the effort is found.

Conditioning:

A relatively permanent “conditioning” is often effected by repetitious ‘messages,’ cautions, assertions, accusations, lectures and/or instruction. In America, “Diversity Training,” is a common example, today – voluntary, assigned or forced. The conditioning process will follow a specific ‘value system,’ a rigid line of thinking, reasoning, analyzing and behaving. Often, a prescribed manner of looking at one’s self may be included. Where found, it may routinely be heard, “I once was like....” If the individual goes along with the “party” line, they are made to be ‘safe’ and possibly rewarded. Non-compliance will almost assuredly lead to the individual being punished, in some fashion. Any ‘reward’ may be simply limited to a diminished punishment level.

A further associated tactic is obvious political conditioning. This consists of daily repetitious lecturing and instruction along a particular line of social thinking and behaving. Often, those who are considered “informed,” “motivated,” “bright,” more “advanced” or “evolved” in their thinking, attitudes and behavior become “facilitators,” assigned to indoctrinate others. Often the tactic is to send the facilitators on a mission, convinced that they are “special,” and that their clients are somehow less “informed,” “motivated,” “bright” or less “advanced” or less “evolved.”

THE TECHNIQUES OF COERCIVE PERSUASION

In general, there are eight techniques which are discovered. These are usually found to overlap, so as to produce the “coercive persuasion.” Not all of the techniques are required for the Coercive Persuasion methodology to be effective. As with physical inertia, early psychological results dictate diminished psychological force. Some of these tactics are more effective in closed-system cults, such as the Jonestown variety.

1. **Mental-emotional confusion** is used to "soften" the individual (or group). This can be achieved overtly, via the daily news. 9-11 is a classic; a whole country softened up within a few hours.

In a cult environment, the Coercive Persuasion is sometimes achieved with selective presentation of information, hypnosis – of some type - or other suggestion tactics or 'shock' techniques such as sleep reduction and/or excessive repetition of 'controlling' messages. Prolonged staring at a written message, symbol, object or "exercise partner" operates as a message fixation technique.

The 9-11 newscasts demonstrated the successful effect of repetitive audio, visual or verbal fixation – on the global population!

The technique of mental-emotional confusion serves to break or intrude upon the target's normal priority or concentration. The 'normal' priority or concentration is breached in order to diminish the individual's faith in their personal ability to think through or to verify the information being given. This often achieved through the use of constant audio-video barrage of selected information – or 'system' of information.

2. **Application or threat of powerful non-physical punishments.** Commonly, one witnesses the manipulation techniques of humiliation, loss of status or privilege, professional or social isolation, abrupt professional or social status changes, the induction of doubt, fear, anxiety, guilt and/or shame. Whether used or threatened – directly or by implication – these techniques can create intense negative emotional reactions.

The events of 9-11 left America in the Reichstag dilemma of "*...patriot; yea or nay?*"

Often, the tactic of 'bad-scene; good-scene' is observed. In such a case, rewards are held out for submissiveness and compliance. In "closed systems," such as government agencies or corporate environments, the worker is often 'conditioned,' so to be as pleased with a letter of commendation as a sizeable check. Often enough, individuals are actually subjected to the harsh application of these tactics, becoming emissaries of the message, "Don't go there!" In the style of Orwell's smiling, loving "Big Brother" the 'punishment-reward system' has a much greater power to affect perception, thought, emotion and behavior than a uniquely threatening system. The "Winston Smiths" are recycled as converts; even zealots.

This technique is usually discovered with a manipulating 'leverage' being maximized through alternating harshness and leniency. In special cases, lavish rewards may be used. In most instances the threat-reward system is limited to acceptance-approval, acknowledgment, admiration and/or other 'low overhead' means. The associated tactics are often to be found in calculated feasts or famines, as needed to achieve the 'conversion.'

3. **Social or professional isolation.** Various means are employed to limit or stop an individual's contact with colleagues, peers, family, friends or associates. That isolation serves as a punishment for those who do not share the "approved" thoughts, beliefs, attitudes or ideology. In the 'reward cycle,' financial evices, social and professional status and other 'levers' are utilized to create a dependence on the "new group."

Through the manipulation of rewards, professional or social group pressure, and other non-physical punishments, the manipulations effect considerable control over a person's time, effort, focus, professional or social environment, and the individual's sources of professional, social and even family support. The manipulations serve to put psychological (mental-emotional) distance between the 'before-and-after' behavior, which reflects the thoughts, beliefs, attitudes, values, routines, and personal life organization. The manipulations often result in symbolic and/or actual betrayal of self and others, renunciation of self and/or others, the personal attack or repudiation of past associations, or previous values; casual or sacred.

In the cult environment, an individual who is continually exposed to Coercive Persuasion in training programs, lectures, events or experiences, is manipulated to gradually distance himself from his past - particularly past values. The individual often begins the 'distancing' process by not calling or writing family, colleagues, peers and old friends.

In an extreme, work, school, family activities or other important previous activities may be abandoned or shifted to a much lower priority; such that the paradigm shift somehow occupies all of their time.

4. **Major paradigm shift.** This tactic induces a reprogramming of an individual's values; it is the most effective means for coercing "change." This tactic – in some fashion – produces 'confessions.' In turn, the product is guilt and/or shame. The confessions may be open, or strictly within the confines of the individual's thoughts.

Often, 'discovery' methods are utilized, with frequent and intense efforts made to force the targeted individual to negatively reevaluate their most central pre-existing life and experience of "self" and/or prior conduct. The effort is scientifically designed to create self-doubt, thereby destabilizing, degrading, or diminishing the target's self-image, his/her view of the world, their emotional control, their perceptions, awareness and their interpretation of reality; as well as their mental-emotional defense mechanisms. These psychological assaults are designed to force the targeted individual to reinterpret their 'previous life' and to adopt the prescribed "new" value system.

Disregarding the actual facts of an individual's previous history, the targeted individual is incrementally convinced that his/her past experiences, thoughts, beliefs, family life and social or professional life were "bad." At a minimum, the individual is intended to believe that these life elements were at least considerably worse than they actually were. For those familiar, the process essentially reconstructs or resets "Maslow's Pyramid;" with the 'need' of survival being threatened, whether overtly, by implication or just via fear and/or suspicion. Once the targeted individual is manipulated into believing that "survival" is now at stake; they are convinced that in order to "survive," he/she must commit to the specified paradigm shift, swearing fealty or acknowledging dependence upon the manipulating entity, trusting in their "superior knowledge," or the espoused mission. The target is conditioned to believe that through such a "commitment" they may - only then - achieve the remainder of "Maslow's Hierarchy of Needs;" safety, love, family and fulfillment.

In the corporate environment, the 'shift' might be the simple conviction that times have changed, however subtly or radically. The 'shift' is usually accompanied by the conviction that "...there's no going back."

In the cult environment, this technique usually mandates detailed self-disclosed personal history.

5. **Intense and frequent efforts to undermine self-confidence and judgment; creation of a sense of helplessness and/or powerlessness.** Any criticism or complaints will usually result in the controlling entity demonstrating to the targeted individual, that he or she is possessed of a major flaw, as opposed to any flaw within the group or the particular propaganda/ideology being pandered. The targeted individual is passionately induced to believe that the 'system' knows what's best and should always be assumed to be correct; the targeted individual is 'guilt-tripped' into believing that they are wrong. The targeted individual is pressured into abandoning previous convictions, in favor of assuming that only the 'system' can be the true authority for judgments and decisions.

6. **Manipulation of information and language.** Any input which results in a mental-emotional conflict, any upsetting, or non-supporting information is blocked, denied, censored, reinterpreted or its access is prohibited whenever possible; particularly as it relates to group communication and indoctrination. Any controversial issues are typically poisoned via direct deception or the clever blockage of pertinent facts, the mixing of truth and lies. A confidence game strategy also may be utilized to manipulate any adverse information or inhibit the discovery of any presented falsehoods.

There will often be rules concerning permissible topics for discussion with 'outsiders.' Typically, communication is strictly controlled. In cult scenarios, a "group" language is often found.

To reinforce the preferred belief system, commonly used words are often substituted or redefined; possibly, new words are created; "proactive" is one such case. The 'approved language' is often loaded, creating a value-perspective in the 'we-against-they' scenario; often dividing the world into "the good, informed, aware and wonderful US," versus "the ignorant, bad, evil, and unenlightened THEM."

There may be limitations on verbiage. For example, a 'reward' may be expressed in a meeting as, "I would like to acknowledge Susan for..." That as opposed to, "I would like to applaud Susan for..." The difference being scientifically calibrated, so as not to create an expectation of more than just a verbal reward, versus furnishing 'fuel' for a desired promotion.

Similarly, assumptions (convenient misunderstandings) may be manufactured, via clever verbiage. To say that a person or 'management' has a "goal," is not the same as saying that management has a "commitment." Yet, a workforce may predictably NOT identify the subtle difference in terms. Under a false assumption, the workforce may self-manufacture a positive attitude toward a specific individual or management. Later, that same assumption, may be choked down the throats of the workforce, as a self-inflicted wound; when the assumed 'commitment' isn't fulfilled.

Information is often controlled in such a way as to offer "no choice" selections of intellectual positions, benefits, etc. Any presented alternatives put before the targeted individual to choose from are actually void of any valid options, which would be contrary to the positions, intentions or goals of the 'system. In the case of 9-11, Bush ran the classic no-choice position of "...for us; or against us." Such is similar to the Henry Ford choice of car color; "You can choose any color you want; so long as the choice is black." In the case of 9-11, it was a matter of choosing anything anyone wanted, so long as it closely complied with the 'system' line.

Such techniques serve to prevent personal initiative, independent thought or analysis, the discovery of deception, or open questioning of authority or rebellion. The 'system' strives to maintain a closed system of logic, as well as an uninformed and trusting mind-state in the targeted individual. From the legacy of George Orwell's "1984," without the knowledge of, or the permission to express or use certain thoughts, attitudes or words – versus the substituted verbiage - people are effectively denied access to any undesired conflicting thoughts, attitudes, feelings and actions, which those particular words represent. It's academic that since words represent thoughts and feelings, with those thoughts capable of motivating actions; if words can be controlled – thoughts, feelings and action can be controlled.

7. **Application or presence of psychological threat.** Any such 'closed system' typically presents the conviction that anyone who fails to adopt the approved thought process, attitude, belief, or prescribed behavior are either directly threatened, or they are led to the certainty that severe punishment or dire consequences – of some sort - will eventually meet them. In many cases, methodologies are designed to produce such high stress levels as to induce physical or mental illness, drug dependence (including prescribed psychoactive drugs), economic collapse, professional or social failure and divorce are a few examples of these threats.

These techniques of Coercive Persuasion combine the most effective and traditional psychological and sociological coercive methodologies of influence and deception techniques with the most powerful techniques of 'behavior modification,' and other psychological technologies such as hypnosis or Neuro-linguistic Programming. The resulting synthesis is often found to be wrapped in a slick soft-sell veneer, of the Madison Avenue PR variety.

8. **Structure and control.** The element of "compartmentalization" is a common trait of institutionalized Coercive Persuasion. While such structure has a certain production-control benefit, the barriers created also effect tremendous influence over the subject population. Such environments are typically identifiable by having some form of "Human Resources" department, with a powerful supervisory hierarchy. For example, the corporate policy may prohibit a departmental – or branch – transfer, without a 'compartment' supervisor's approval/recommendation. The effect of such structure and control is to implant a general sense of powerlessness in the individual. In a time of crisis, the affected individual doesn't have the ability to reach out to a friend, as the friend will be informed, "*That's not your department.*"

END RESULTS

The psycho-technology is usually found to be sufficiently effective as to ensure the "conversion" and "retention" of a significant percentage of any population exposed to the methodology. Strong character and bright minds are often successful in resisting the "conversion;" Coercive Persuasion is not a "magic bullet," nor is it yet infallible. However, in time, the technology may become as 'developed' as such inventions as the Laser.

Human nature leaves such important variables as one's lessons from individual life experiences, cultural norms, and pre-existing psychological disposition. These variables can be expected to react with the personal malleability and the degree of severity of the application; as well as the duration of the methodology application. The individual dynamics of such variables will determine the eventual outcome of the Coercive Persuasion. In the negative application, the ultimate effectiveness and degree of 'injury' will indicate the value of the individual or collective success elements.

STYLE vs. ACTION

The Coercive Persuasion techniques are typically selected and applied in a scientific manner – of some sort. Again, the core effort is to create the maximum emotional effect. The application of the methods is typically intended to deliver maximum stress, stopping short of inducing psychosis – but not always!

In the ideal application, the intended subtle Coercive Persuasion style is intended to compel the targeted individual to submit or "adapt," via a series of scientifically sequenced steps. The individual steps are typically designed to be so minor that the targeted individual doesn't perceive any overt threat, or notice any personal changes. The intention is the ultimate product of a "new" person. In theory, Hollywood could capitalize on an old theme, producing a movie entitled "Invasion of the Mind Snatchers."

In the ideal application of Coercive Persuasion, the victim is faced with the strategy of a brilliant chess player – always several moves ahead. Regardless of individual decisions, one or more of the techniques are strategically "played," so as to subtly induce submission. Consciously or subconsciously, the individual encountering the 'treatment' experiences severe stresses; as such Coercive Persuasion programs induce cumulative pressure. The targeted individual is often forced into a corner, where they can only reduce the pressures by submitting to the effect, via "acceptance" of the system or "adopting," the prescribed thoughts, beliefs, values and attitudes. Thereafter, the result is the desired change in the individual's reactions and behaviors.

Efficiency dictates that Coercive Persuasion is typically applied in group settings. With rare exception, the victims of Coercive Persuasion are unaware that their own "friends and allies" are being used to cleverly apply or facilitate the Coercive Persuasion techniques. The obvious strategy is to ensure that the intended victims don't put up their normal ego defense mechanisms, as they would otherwise do in known adversarial or confrontational situations. In the ideal case, when Coercive Persuasion is used, the targeted subject may never discover the hidden agenda - or that he/she has become a victim of the 'system.'

During the application of the stresses and rewards, as well as any punishment techniques, the cumulative effect on the person is extensive. The stresses are not intended to produce a rational, stable and self sustaining reorganization of thoughts, beliefs, values or attitudes. The intention is that of a coerced compliance and/or submission. The next desired result is the 'personal' rationalization, in the particular situation, of a cause-and-effect for the coerced conduct. The targeted individual is desired to personally 'invest' in the process by personally justifying the 'change.'

Often the victim is 'handed' the elements of guilt or shame to assist the desired rationalization. A method of general reinforcement is required to maintain the prescribed or resulting thoughts, beliefs, values, attitudes, and behaviors. Equally important is the maintenance required to sustain the personal rationalization, so as to ensure the long-term continuity of the influence over the person's behavior.

Once the desired behavior is effected, it is natural that those associates (friends/family) who are independent of the "influence" environment will notice significant changes, and inquire as to what happened. When questioned by close associates or family, the victims of Coercive Persuasion may aggressively insist the changes were a form of personal growth, "for their own good." They will typically insist that the changes, however subtle or radical, were "freely chosen" by themselves. Further inquiry may reveal that the affected victim is oblivious of the specifics which led to the changes. Given the common application of artificial 'guilt' or 'shame,' the individual's denial mechanisms can be expected to accompany any associated confusion. These two particular "beliefs" ("for my own good;" "my choice") are typically found to be a "standard feature" found within the victim of a Coercive Persuasion program.

The associated ‘conversion’ serves to maintain the new “values” - and to minimize any legal liability. In the process of the victim’s beliefs being openly expressed, he/she typically believes that the choice was totally voluntarily and freely made – to “change.” The spoken assumption of responsibility serves as reinforcement by virtue of “keeping agreements.” Comparably, such statements leave the ‘controlling entity’ free of legal accountability. In fear of embarrassment, the victim will self-motivate (re-invest), in order to preserve their ‘new’ espoused image, even if serious doubts should develop. Within the “group,” the reinforcement devices are that much easier and effective.

Compared to the stereotyped “brainwashing” of the Korean War vintage, Coercive Persuasion is easier to effect, more powerful and more readily applied. However, due to the preferred large group applications, those affected by Coercive Persuasion are radically less monitored – as individuals – with the risk of their going beyond their personal limits of maximum stress, with a resulting psychosis.

The harsh reality of Coercive Persuasion is that the coercive force is maximized through cumulative application and synergy. Over an extended period of time, it can potentially produce more destructive influence than physical abuse, imprisonment, physical threats or legal threats.

ATTITUDE MODIFICATION

The effects of Coercive Persuasion change both the individual's internal attitude toward the actions encountered AND the external effect of the effort. Modern Coercive Persuasion methods contain a workable technology for effecting the victim’s willing "cooperation," "sincerity," and “compliance” which is so passionate, zealous and convincing, that it expresses itself as voluntary and willing change, versus factually coerced ‘change.’

COERCIVE PERSUASION vs. SIMPLE PERSUASION

By definition, Coercive Persuasion embodies a ‘toxic’ intent and a careful methodology in the application of the techniques. The casual or coincidental application of some of the Coercive Persuasion techniques does not constitute an organized or dynamic Coercive Persuasion program. However, the radical gap between Coercive Persuasion, versus the ‘traditional’ brainwashing methods - physical force, imprisonment, or threat of force - leaves Coercive Persuasion, and it’s nearly unperceivable method of application, deceptively looking more like a form of simple persuasion.

In the image of an “X-Y” graph, “simple persuasion” sits opposite Coercive Persuasion on the vertical; or “Y” axis. Similarly, harmless information in a book presenting all viewpoints would be far to one side on the horizontal “X” axis, with repeated violent physical coercion on the extreme opposite side.

On one end of the influence continuum (“Y” axis) simple persuasion involves beliefs and behaviors in an atmosphere of free will. In the case of simple persuasion, it is the value or truth (assumed to be honest) in the message that ultimately creates the message's acceptance; and effects any subsequent decisions or actions.

On the opposite end, Coercive Persuasion is distinguished from simple persuasion by an intense and focused manipulation. Coercive Persuasion involves a scientific and methodical manipulation. Coercive Persuasion alters – or re-programs – thoughts, beliefs, values, attitudes and behaviors by manipulating, undermining, inhibiting and/or obstructing free will. In the application of Coercive Persuasion, the coercive tactics and techniques incrementally force the message's acceptance. Any objective and inherent value or truth is not essential, except by coincidence or convenience.

Simple persuasion may still be powerful, such as a ‘hellfire and brimstone’ sermon, or a car salesman telling a man how much the ladies like a particular car. Simple persuasion lacks the nefarious intent, sophistication and deceptive methodology of true Coercive Persuasion.

Again, simple persuasion may imitate, or superficially employ, some of the tactics and techniques of Coercive Persuasion. Simple persuasion lacks the duration and broad “assault mission” associated with Coercive Persuasion.

Conversely, Coercive Persuasion is often pandered as simple persuasion; attempting to disguise itself. The deception behind Coercive Persuasion translates to the science being a devastating psychological control technology.

LEGAL ISSUES

In a courtroom, the victims of Coercive Persuasion lack any signs of physical abuse. In the defensive mode, the victims can be expected to present convincing rationalizations for any radical or abrupt changes in their behavior – or life. They are usually found to have a convincing "sincerity." In the extremes of success of Coercive Persuasion, the victims have been changed so gradually that they typically aren't even aware of the described and factual differences in their life.

In a courtroom, the challenge is to decide if Coercive Persuasion was actually used unlawfully. The court decisions require careful case-by-case analysis of all the influence techniques used - if they can be identified - and how they were applied. Nefarious intent must be established. It is legally necessary to focus on the medium, as opposed to the message. The legal challenge must also focus on the critical differences, versus any coincidental similarities, as to whether or not Coercive Persuasion was illegally used. Love and concern aside, harm must be established; change alone is not sufficient. For example, sobering up a 30-year alcoholic can't be considered any form of legal offense.

COERCIVE PERSUASION AND SOCIETY

One can only guess as to how much Coercive Persuasion has affected Americans over the last 20 - 30 years. There should be no doubt that it has been used in group applications, affecting millions of people. One of the more common applications of Coercive Persuasion is witnessed in a perversion of the Rand Corporation's "Delphi Technique," which leads to the topic of "Manufactured Consensus." Coercive Persuasion is now evidenced in its techniques being sneaked into Corporate America, through "management consulting" or "productivity services." How often does America hear the Coercive Persuasion terminology such as "politically correct," "team player" or "diversity training?"

The potential for Coercive Persuasion is only limited by the magnitude of nefarious intent and the imagination of its managers. Persuasive Coercion is an unregulated technology, used to "invisibly" exploit the psychological vulnerabilities of the targeted individuals. Unfortunately, it is being naïve to not assume that the 'magnetic' power of Persuasive Coercion is too inviting not to be improved further. In the Lord Acton statement, ***"Power corrupts; absolute power corrupts – absolutely."***

Tragically, few appreciate the fact that Coercive Persuasion has the power to overcome normal freedom of thought, undercutting any or all of man's other freedoms. In a time of massive corruption, it's no longer safe to say that it's "strange" that national or international laws don't explicitly make Coercive Persuasion or any methodology of "thought reform" a crime.

Most people assume that their own minds and thought processes are somewhere between sacred and invulnerable. An "Immortality Complex" leads the typical individual to the false conclusion that they can't be appreciably manipulated. It's a 'given' that people prefer to believe that their thoughts, beliefs, opinions, values and attitudes are totally self regulated.

Interestingly, when confronted, the same self-assuming individuals will incrementally admit to such personal weaknesses as advertising or high-pressure sales tactics. However, they will still insist in preserving a rather transparent myth, asserting that only 'other people' are weak minded and easily conned or influenced. But, they insist, they are "strong minded."

Often, a 'designer' surface logic is employed to bypass critical thought processes. For example, the "American" family value system may be attacked – in a passionate and convincing voice - by citing the "terrible" family value system that "American" children abandon their parents in their older years; while the children of other countries do not. The argument works, until one goes to a 'deeper' level and argues, that 'their' parents paid for their own Social Security retirement three times over – and have been told for the third time that they still are not old enough to collect a dime.

Still, the “surface logic” comes up as a powerful persuasion device, usurping rational thought processes, to easily impose a different logic.

Still, most people entertain at least a fantasy that manipulators might confront, browbeat, and argue ‘other people’ into doing their bidding. In that perspective, they commonly picture the forces of “Big Brother” in Nazi storm trooper boots, holding guns to peoples’ heads; forcing such persons to totally alter their beliefs and their personalities to willingly accept a ‘new’ and ‘safe’ ideology.

Amazingly, George Orwell’s book, “1984” has become a classic for all time. The underlying message being that anyone is vulnerable to manipulation, whether overt and brutal, or subtle and covert. The Hollywood line of “Every man has a price” should not be perceived in terms of dollar amounts, versus the more immediate ‘price’ of a sacred value, such as the immediate survival of self or loved ones.

WHEN MINDS ARE FREE TO REASON, THE CULTURE IS SAFE

Mankind has always had to fight an oppressive political and religious system for all forms of freedom – including freedom of thought. In the USA, laws have been enacted to prohibit “hate crimes.” ‘Hate’ is an emotion; we are no longer even free to feel.

Now the world is witnessing a re-visitation of the Nazi propaganda machinery, as well as the oppressive methodologies of the Gestapo. In a world which thrives on technology, it is technology – and its managers - which is destined to be the most difficult adversary.

In the Kennedy murders alone, America has factually seen its share of the “Manchurian Candidate;” yet, few notice the obvious lessons of history. Thus, the power of psychological technology must be questioned – and feared! The refinement of psycho-technology threatens the ultimate imprisonment. As with physical incarceration, the psycho-technology denies or restrains one's free will, the individual’s conscience, and their informed consent. While the concept defies the imagination of most, political Coercive Persuasion amounts to high treason. In the 2001 “Patriot Act,” the language which defines “terrorism” goes to such loose language as “...appear to be intended.” In whose perception??? At the time of this writing, abortion protestors and drug dealers are falling within the scope of the “Patriot Act,” as the selective application of law resorts to arbitrary “perception.” In the style of the TV “cop shows,” Coercive Persuasion will produce a ‘plea bargain,’ in the precise methodology of Persuasive Coercion. Imagine being a defendant, and being advised by your own attorney, “You can go to trial and sweat the ‘mandatory sentencing guideline’ of 25-to-life for terrorism, or take a plea-bargain for 5-to-10 for possession with intent to distribute.” Some persuasion methods produce faster results than others.

The most frightening aspect of Coercive Persuasion is that the surgical precision of the art increases in the invisible control psychology and the associated technology of the information age. Thus, in time, one may reasonably be certain that if the psycho-technology is properly researched and applied, the victim can't detect its application!

“CRISIS OF THE AMERICAN MIND”

”ONLINE PSYOPS APPLICATION”

OPERATION NORTHWOODS

The huge importance and relevance of Operation Northwoods is none other than standing **PROOF** that our government has always been planning and considering **performing attacks on its own soil even killing untold numbers of its own people as a strategic measure to facilitate JUSTIFYING our military into action** for whatever purpose they deem necessary. I would like to point out even though Operation Northwoods was written with the goal of attacking Cuba, the overall strategy still stands in their playbook of strategies. It is no mere coincidence that due to the heavy opposition from Kennedy himself, they had to scrap the Northwood plans, then proceeded with the ill conceived Bay of Pigs plan instead, after the massive Bay Of Pigs failure and Kennedy was eliminated by the CIA, the military industrial complex eventually satisfied their lust for blood by getting the US involved in the Vietnam war.

America was originally suckered into Vietnam with the staged "The Gulf of Tonkin Incident" exactly according to the premise of Operation Northwoods. Good bye Cuba, hello Vietnam, bombs away for several years in a war that no one to this day really knows what it was about. Let me sum up the Gulf of Tonkin real simple like: a few little itty bitty Vietnamese boats supposedly made two crazy suicidal attacks on a massive US battleship... ummm, ok, then the second claimed attack was eventually discovered NEVER even happened, it was a lie. But, never the less THIS was THE one defining moment that the US used as the excuse to get us into that dumb war, as per Op Northwoods play book. This was not the first nor last time this type of strategy was used as a catalyst to get a nation into war. Another very famous Operation Northwoods type in-house staged attack was the Reichstag Fire, the pivotal event in establishing Hitler's Nazi Germany.

Operation Northwoods strategy would never completely be eliminated from military commander's bag of tricks. In the year 2000 elite Zionist think tank Project for the New American Century in Section V of Rebuilding America's Defenses, we get a glimpse of what these people hoped and prayed for: "Further, the process of transformation, even if it brings **revolutionary change**, is likely to be a long one, absent **some catastrophic and catalyzing event - like a new Pearl Harbor**". Golly gee whiz, what would you know. A year later and that event would land right on their laps! What makes this all the more interesting is the cast of characters of the cream of the crop that make up the Project for New American Century think tank were ALSO the same people inside of Bush & Co. administration, running his show. It just so turns out that 9/11, "the new Northwoods" Black Ops mission would be a smashing success. The not 1, but 4 "hijacked planes" (the PentaCON didn't even bother intercepting because "they were all too busy smoking crack?") hitting their targets, our world's foremost, advanced "surprised", "completely caught off guard" entire national defense had NO CLUE what was going on, BUT did manage to miraculously come up with the 19 evil perpetrators within minutes after the attacks! Complete with full bios, pictures, life stories, habits, pet peeves and so forth, no investigation or anything was necessary, they just snapped their fingers and "poof" the list of criminals magically appeared with dossiers on all the "hijackers", minutes later the evil Islamo-fascist Muslim al-CIAda/Mossad boogeymen info was all over the news. Before the end of the long day Bush & Co had all of America chanting: war - war - war - war - war - kill - kill -kill. Bush & Co got a "blank check" to wage war on anyone and anything he so pleased.

Skunkworks Operation Northwoods:

Wikipedia summary: Operation Northwoods, or **Northwoods**, was a 1962 plan by the US Department of Defense to cause acts of terrorism and violence on US soil or against US interests, blamed on Cuba, in order to generate U.S. public support for military action against the Cuban government of Fidel Castro. As part of the U.S. government's Operation Mongoose anti-Castro initiative, the plan, which was not implemented, called for various false flag actions, including simulated or real state-sponsored acts of terrorism (such as hijacked planes) on U.S. and Cuban soil. The plan was proposed by senior U.S. Department of Defense leaders, including the Chairman of the Joint Chiefs of Staff Lyman Louis Lemnitzer.

The main proposal was presented in a document entitled "Justification for US Military Intervention in Cuba (TS)," a collection of draft memoranda written by the Department of Defense (DoD) and the Joint Chiefs of Staff (JCS) representative to the Caribbean Survey Group.^[1] (The parenthetical "TS" in the title of the document is an initialism for "Top Secret.") The document was presented by the Joint Chiefs of Staff to Secretary of Defense Robert McNamara on March 13 with one paragraph approved, as a preliminary submission for planning purposes.

The previously secret document was originally made public on November 18, 1997 by the John F. Kennedy Assassination Records Review Board.^[2] a U.S. federal agency overseeing the release of government records related to John F. Kennedy's assassination.^{[3][4][5][6][7]} A total of about 1500 pages of once-secret military records covering 1962 to 1964 were concomitantly declassified by said Review Board. ABC News Report on Operation Northwoods.

Documentary: Operation Northwoods (MISSING LINK!!!!) - Video

Below is the complete text from the Freedom of Information Act-released U.S. government document detailing the Pentagon plan to murder innocent civilians and murder U.S. Navy members as part of a "terror campaign" to be blamed on the Cuban government as a pretext to invade Cuba, code-named Operation Northwoods. This plan had the written approval of the Chairman of the Joint Chiefs of Staff Lyman Louis Lemnitzer, and every other member of the Joint Chiefs of Staff--of which plan President John F. Kennedy refused to implement. This FOIA-released document is archived at The National Security Archive at George Washington University (Washington, D.C.).

Here is a highlight from the text of this document where the U.S. Joint Chiefs of Staff propose to murder U.S. Navy members to be blamed on the Cuban government:

On page 11 (listed as page 8 within the document), paragraph 3. sub-paragraph a.:

"3. A 'Remember the Maine' incident could be arranged in several forms:

"a. We could blow up a US ship in Guantanamo Bay and blame Cuba."

That is, REAL, NOT SIMULATED; WITH DEATHS OF U.S. NAVY MEMBERS. In sub-paragraph b. the document details a possible alternative to a. where deaths would be simulated by blowing up an empty U.S. Navy ship. I find it interesting that the plan resulting in the real deaths of actual U.S. Navy members is listed before the non-lethal alternative.

The above-listed lethal plan a. apparently relates to the prior paragraph 2. sub-paragraph a. number 10 on the same page of the document, i.e., "(10) Sabotage ship in harbor; large fires -- naphthalene." And the alternative simulation plan b. (of paragraph 3.) apparently relates to paragraph 2. sub-paragraph a. number 11 on the same page of the document, i.e., "(11) Sink ship near harbor entrance. Conduct funerals for mock-victims (may be lieu of (10))."

On page 11 and 12 (listed as page 8 and 9, respectively, within the document) the U.S. Joint Chiefs of Staff detail a plan to murder innocent civilians by sinking a boatload of Cubans en route to Florida and to injure civilian Cuban expatriates living in the U.S. as part of a "terror campaign" to be blamed on the Cuban government:

"4. We could develop a Communist Cuban terror campaign in the Miami area, in other Florida cities and even in Washington. The terror campaign could be pointed at refugees seeking haven in the United States. We could sink a boatload of Cubans en route to Florida (real or simulated). We could foster attempts on lives of Cuban refugees in the United States even to the extent of wounding in instances to be widely publicized. Exploding a few plastic bombs in carefully chosen spots, the arrest of Cuban agents and the release of prepared documents substantiating Cuban involvement, also would be helpful in projecting the idea of an irresponsible government."

You can view the photo scans of this document on-line at the below National Security Archive website at George Washington University (Washington, D.C.) in the Adobe Acrobat Portable Document Format (PDF):

<http://www.gwu.edu/~nsarchiv/news/20010430/northwoods.pdf>

<http://www.gwu.edu/~nsarchiv/news/20010430/doc1.pdf>

<http://www.gwu.edu/~nsarchiv/coldwar/documents/episode-10/02-01.htm>

And so with that introduction, below is the full text of this FOIA-released U.S. government document. All the text

within the pound signs (#) is original to the document with the exception of the page numbers listed in the brackets ([]), the surrounding hyphens (-) to indicate page-breaks, and General L.L. Lemnitzer's signature represented in brackets ([]):

WASHINGTON 25, D.C.

13 March 1962

MEMORANDUM FOR THE SECRETARY OF DEFENSE

Subject: Justification for US Military Intervention in Cuba (TS)

1. The Joint Chiefs of Staff have considered the attached Memorandum for the Chief of Operations, Cuba Project, which responds to a request of that office for brief but precise description of pretexts which would provide justification for US military intervention in Cuba.
2. The Joint Chiefs of Staff recommend that the proposed memorandum be forwarded as a preliminary submission suitable for planning purposes. It is assumed that there will be similar submissions from other agencies and that these inputs will be used as a basis for developing a time-phased plan. Individual projects can then be considered on a case-by-case basis.
3. Further, it is assumed that a single agency will be given the primary responsibility for developing military and para-military aspects of the basic plan. It is recommended that this responsibility for both overt and covert military operations be assigned the Joint Chiefs of Staff.

For the Joint Chiefs of Staff:

[Signed "L. L. Lemnitzer" in cursive.]

L. L. LEMNITZER

JUSTIFICATION FOR US MILITARY INTERVENTION IN CUBA (TS)

THE PROBLEM

1. As requested* by Chief of Operations, Cuba Project, the Joint Chiefs of Staff are to indicate brief but precise description of pretexts which they consider would provide justification for US military intervention in Cuba.

FACTS BEARING ON THE PROBLEM

2. It is recognized that any action which becomes pretext for US military intervention in Cuba will lead to a political decision which then would lead to military action.

3. Cognizance has been taken of a suggested course of action proposed** by the US Navy relating to generated instances in the Guantanamo area.

4. For additional facts see Enclosure B.

DISCUSSION

5. The suggested courses of action appended to Enclosure A are based on the premise that US military intervention will result from a period of heightened US-Cuban tensions which place the United States in the position of suffering justifiable grievances. World opinion, and the United Nations forum should be favorably affected by developing the international image of the Cuban government as rash and irresponsible, and as an alarming and unpredictable threat to the peace of the Western Hemisphere.

6. While the foregoing premise can be utilized at the present time it will continue to hold good only as long as there can be reasonable certainty that US military intervention in Cuba would not directly involve the Soviet Union. There is

* Memorandum for General Craig from Chief of Operations, Cuba Project, subject: "Operation MONGOOSE", dated 5 March 1962, on file in General Craig's office.

** Memorandum for the Chairman, Joint Chiefs of Staff, from Chief of Naval Operations, subject: "Instances to Provoke Military Actions in Cuba (TS)", dated 8 March 1962, on file in General Craig's office.

2

UNCLASSIFIED

TOP SECRET SPECIAL HANDLING NOFORN

-----[page 5; page 6:]-----

UNCLASSIFIED

as yet no bilateral mutual support agreement binding the USSR to the defense of Cuba, Cuba has not yet become a member of the Warsaw Pact, nor have the Soviets established Soviet bases in Cuba in the pattern of US bases in Western Europe. Therefore, since time appears to be an important factor in resolution of the Cuba problem, all projects are suggested within the time frame of the next few months.

CONCLUSION

The suggested courses of action appended to Enclosure A satisfactorily respond to the statement of the problem. However, these suggestions should be forwarded as a preliminary submission suitable for planning purposes, and together with similar inputs from other agencies, provide a basis for development of a single, integrated, time-phased plan to focus all efforts on the objective of justification for US military intervention in Cuba.

RECOMMENDATIONS

8. It is recommended that:

- a. Enclosure A together with its attachments should be forwarded to the Secretary of Defense for approval and transmittal to the Chief of Operations, Cuba Project.
- b. This paper NOT be forwarded to commanders of unified or specified commands.
- c. This paper NOT be forwarded to US officers assigned to NATO activities.
- d. This paper NOT be forwarded to the Chairman, US Delegation, United Nations Military Staff Committee.

APPENDIX TO ENCLOSURE A
DRAFT
MEMORANDUM FOR CHIEF OF OPERATIONS, CUBA PROJECT

- Subject: Justification for US Military Intervention in Cuba (TS)
- 1. Reference is made to memorandum from Chief of Operations, Cuba Project, for General Craig, subject: "Operation MONGOOSE", dated 5 March 1962, which requested brief but precise description of pretexts which the Joint Chiefs of Staff consider would provide justification for US military intervention in Cuba.
 - 2. The projects listed in the enclosure hereto are forwarded as a preliminary submission suitable for planning purposes. It is assumed that there will be similar submissions from other agencies and that these inputs will be used as a basis for developing a time-phased plan. The individual projects can then be considered on a case-by-case basis.
 - 3. This plan, incorporating projects selected from the attached suggestions, or from other sources, should be developed to focus all efforts on a specific ultimate objective which would provide adequate justification for US military intervention. Such a plan would enable a logical build-up of incidents to be combined with other seemingly unrelated events to camouflage the ultimate objective and create the necessary impression of Cuban rashness and irresponsibility on a large scale, directed at other countries as well as the United States. The plan would also properly integrate and time phase the courses of action to be pursued. The desired resultant from the execution of this plan would be to place the United States in the apparent position of suffering defensible grievances from a rash and irresponsible government of Cuba and to develop an international image of a Cuban threat to peace in the Western Hemisphere.

5

4. Time is an important factor in resolution of the Cuban problem. Therefore, the plan should be so time-phased that projects would be operable within the next few months.

5. Inasmuch as the ultimate objective is overt military intervention, it is recommended that primary responsibility for developing military and para-military aspects of the plan for both overt and covert military operations be assigned the Joint Chiefs of Staff.

6

Appendix to

ANNEX TO APPENDIX TO ENCLOSURE A

PRETEXTS TO JUSTIFY US MILITARY INTERVENTION IN CUBA

(Note: The courses of action which follow are a preliminary submission suitable only for planning purposes. They are arranged neither chronologically nor in ascending order. Together with similar inputs from other agencies, they are intended to provide a point of departure for the development of a single, integrated, time-phased plan. Such a plan would permit the evaluation of individual projects within the context of cumulative, correlated actions designed to lead inexorably to the objective of adequate justification for US military intervention in Cuba).

1. Since it would seem desirable to use legitimate provocation as the basis for US military intervention in Cuba a cover and deception plan, to include requisite preliminary actions such as has been developed in response to Task 33 c, could be executed as an initial effort to provoke Cuban reactions. Harassment plus deceptive actions to convince the Cubans of imminent invasion would be emphasized. Our military posture throughout execution of the plan will allow a rapid change from exercise to intervention if Cuban response justifies.

2. A series of well coordinated incidents will be planned to take place in and around Guantanamo to give genuine appearance of being done by hostile Cuban forces.

a. Incidents to establish a credible attack (not in chronological order):

(1) start rumors (many). Use clandestine radio.

(2) Land friendly Cubans in uniform "over-the-fence" to stage attack on base.

(3) Capture Cuban (friendly) saboteurs inside the base.

(4) Start riots near the base main gate (friendly Cubans).

7

Annex to Appendix

to Enclosure A

TOP SECRET SPECIAL HANDLING NOFORN

-----[page 10; page 11:]-----

TOP SECRET SPECIAL HANDLING NOFORN

UNCLASSIFIED

(5) Blow up ammunition inside the base; start fires.

(6) Burn aircraft on air base (sabotage).

- (7) Lob mortar shells from outside of base into base. Some damage to installations.
- (8) capture assault teams approaching from the sea or vicinity of Guantanamo City.
- (9) Capture militia group which storms the base.
- (10) Sabotage ship in harbor; large fires -- naphthalene.
- (11) Sink ship near harbor entrance. Conduct funerals for mock-victims (may be lieu of (10)).
- b. United States would respond by executing offensive operations to secure water and power supplies, destroying artillery and mortar emplacements which threaten the base.
- c. Commence large scale United States military operations.
- 3. A "Remember the Maine" incident could be arranged in several forms:
 - a. We could blow up a US ship in Guantanamo Bay and blame Cuba.
 - b. We could blow up a drone (unmanned) vessel anywhere in the Cuban waters. We could arrange to cause such incident in the vicinity of Havana or Santiago as a spectacular result of Cuban attack from the air or sea, or both. The presence of Cuban planes or ships merely investigating the intent of the vessel could be fairly compelling evidence that the ship was taken under attack. The nearness to Havana or Santiago would add credibility especially to those people that might have heard the blast or have seen the fire. The US could follow up with an air/sea rescue operation covered by US fighters to "evacuate" remaining members of the non-existent crew. Casualty lists in US newspapers would cause a helpful wave of national indignation.
- 4. We could develop a Communist Cuban terror campaign in the Miami area, in other Florida cities and even in Washington.

UNCLASSIFIED

The terror campaign could be pointed at refugees seeking haven in the United States. We could sink a boatload of Cubans en route to Florida (real or simulated). We could foster attempts on lives of Cuban refugees in the United States even to the extent of wounding in instances to be widely publicized. Exploding a few plastic bombs in carefully chosen spots, the arrest of Cuban agents and the release of prepared documents substantiating Cuban involvement, also would be helpful in projecting the idea of an irresponsible government.

5. A "Cuban-based, Castro-supported" filibuster could be simulated against a neighboring Caribbean nation (in the vein of the 14th of June invasion of the Dominican Republic). We know that Castro is backing subversive efforts clandestinely against Haiti, Dominican Republic, Guatemala, and Nicaragua at present and possible others. These efforts can be magnified and additional ones contrived for exposure. For example, advantage can be taken of the sensitivity of the Dominican Air Force to intrusions within their national air space. "Cuban" B-26 or C-46 type aircraft could make cane-burning raids at night. Soviet Bloc incendiaries could be found. This could be coupled with "Cuban" messages to the Communist underground in the Dominican Republic and "Cuban" shipments of arm which would be found, or intercepted, on the beach.

6. Use of MIG type aircraft by US pilots could provide additional provocation. Harassment of civil air, attacks on surface shipping and destruction of US military drone aircraft by MIG type planes would be useful as complementary actions. An F-86 properly painted would convince air passengers that they saw a Cuban MIG, especially if the pilot of the transport were to announce such fact. The primary drawback to this suggestion appears to be the security risk inherent in obtaining or modifying an aircraft. However, reasonable copies of the MIG could be produced from US resources in about three months.

TOP SECRET SPECIAL HANDLING NOFORN

UNCLASSIFIED

7. Hijacking attempts against civil air and surface craft should appear to continue as harassing measures condoned by the government of Cuba. Concurrently, genuine defections of Cuban civil and military air and surface craft should be encouraged.

8. It is possible to create an incident which will demonstrate convincingly that a Cuban aircraft has attacked and shot down a chartered civil airliner en route from the United States to Jamaica, Guatemala, Panama or Venezuela. The destination would be chosen only to cause the flight plan route to cross Cuba. The passengers could be a group of college students off on a holiday or any grouping of persons with a common interest to support chartering a non-scheduled flight.

a. An aircraft at Eglin AFB would be painted and numbered as an exact duplicate for a civil registered aircraft belonging to a CIA proprietary organization in the Miami area. At a designated time the duplicate would be substituted for the actual civil aircraft and would be loaded with the selected passengers, all boarded under carefully prepared aliases. The actual registered aircraft would be converted to a drone.

b. Take off times of the drone aircraft and the actual aircraft will be scheduled to allow a rendezvous south of Florida. From the rendezvous point the passenger-carrying aircraft will descend to minimum altitude and go directly into an auxiliary field at Eglin AFB where arrangements will have been made to evacuate the passengers and return the aircraft to its original status. The drone aircraft meanwhile will continue to fly the filed flight plan. When over Cuba the drone will be transmitting on the international distress frequency a "MAY DAY" message stating he is under attack by Cuban MIG aircraft. The transmission will be interrupted by destruction of the aircraft which will be triggered by radio signal. This will allow ICAO radio

stations in the Western Hemisphere to tell the US what has happened to the aircraft instead of the US trying to "sell" the incident.

9. It is possible to create an incident which will make it appear that Communist Cuban MIGs have destroyed a USAF aircraft over international waters in an unprovoked attack.

a. Approximately 4 or 5 F-101 aircraft will be dispatched in trail from Homestead AFB, Florida, to the vicinity of Cuba. Their mission will be to reverse course and simulate fakir aircraft for an air defense exercise in southern Florida. These aircraft would conduct variations of these flights at frequent intervals. Crews would be briefed to remain at least 12 miles off the Cuban coast; however, they would be required to carry live ammunition in the event that hostile actions were taken by the Cuban MIGs.

b. On one such flight, a pre-briefed pilot would fly tail-end Charley at considerable interval between aircraft. While near the Cuban Island this pilot would broadcast that he had been jumped by MIGs and was going down. No other calls would be made. The pilot would then fly directly west at extremely low altitude and land at a secure base, an Eglin auxiliary. The aircraft would be met by the proper people, quickly stored and given a new tail number. The pilot who had performed the mission under an alias, would resume his proper identity and return to his normal place of business. The pilot and aircraft would then have disappeared.

c. At precisely the same time that the aircraft was presumably shot down a submarine or small surface craft would disburse F-101 parts, parachute, etc., at approximately 15 to 20 miles off the Cuban coast and depart. The pilots returning to Homestead would have a true story as far as they knew. Search ships and aircraft could be dispatched and parts of aircraft found.

ENCLOSURE B
FACTS BEARING ON THE PROBLEM

1. The Joint Chiefs of Staff have previously stated* that US unilateral military intervention in Cuba can be undertaken in the event that the Cuban regime commits hostile acts against US forces or property which would serve as an incident upon which to base overt intervention.
2. The need for positive action in the event that current covert efforts to foster an Internal Cuban rebellion are unsuccessful was indicated** by the Joint Chiefs of Staff on 7 March 1962, as follows:
" - - - determination that a credible internal revolt is impossible of attainment during the next 9-10 months will require a decision by the United States to develop a Cuban "provocation" as justification for positive US military action."
3. It is understood that the Department of State also is preparing suggested courses of action to develop justification for US military intervention in Cuba.

THE PROTOCOLS OF THE LEANED ELDERS OF ZION

It is written: "KNOW THY ENEMY"

The Protocols have been widely "debunked" and labeled as "forgeries" by Zionist backed shills and institutions. People have been imprisoned and even killed for spreading these so called "false" Protocols... Great effort has gone into covering up, stopping the public spread of the Protocols so much so that they remain in relative obscurity as was the purpose of the damage control plan. The outcry of the Zionist elite was intense and swift at damage control. The basic premise of "debunking" these Protocols are silly arguments such as "oh some parts of it have existed in writing long ago in this or that work" How can such silly arguments possibly discredit the Protocols authenticity? Take a look out our American Constitution for example. Our constitution is technically NOT an original work, much of its contents can be said to have been "plagiarized" from other sources! Therefore, does that make our Constitution of the United States of America void and a forgery? NO! it does not.

Prior to my ever even laying eyes on these protocols my research into the "illuminati" (who ever that group pulling all the strings behind the curtain was), had lead me into realizing that only a few possible groups could be ruling the ultimate "illuminati". The Zionists, Masons and the Jesuits (Vatican/Catholic roots). At first, evidence lead me to believe that it was the Royal Blue Bloods who controlled the world, but nope, not anymore. Then the Jesuit/Vatican faction was the ultimate ruling group, yes I was right... they WERE the ultimate ruling group like centuries ago! The Catholic church almost ruled the whole world at one point, but their idol worshiping, greed, corruption, depravity, and perversions brought their immense power crashing down to what they have today their once great power is virtually none existent, regulated to performing ritualistic dogma exhibitions.

That brings us back to the topic at hand: the Protocols of the Elders of Zion. As I stated earlier, I had done lots of research on both the Zionists and the Jesuit factions, eventually coming to my own conclusions that I summarized above. Only to one day stumble upon the someone mentioning this book called the Protocols, I had no clue what they were, but I found countless essays fiercely trashing the Protocols and warnings forbidding me from reading the Protocols, I knew I had to look into this further. The more I saw the blatant bias slant and the more I realized that it was an organized desperate attempt to discredit that work, the more I had to find the actual Protocols and determine for myself. I read the entire work from start to finish in pure awe, absolute astonishment, I had a hard time picking my jaw up off the floor so to speak.

EVERY SINGLE piece of information written in those Protocols were 100% relevant, 100% happening in real life, 100% historically correct, 100% undeniably connected to the way the Zionist ARE operating! No one with a single once of reason and logic can dispute the amazing 100% accuracy of the Protocols and its uncanny inside look into the Zionist movement. Show me someone, anyone that dare try and claim that the Protocols as a "fake" or whatever, and I will show you someone with vested interests, who is "one of them" or at the very minimum, being manipulated by the Zionists into burying it. A great leader once said something like "know thy enemy"... well, here is your chance...

A one page summary of the Protocols of Zion...

Goyim are mentally inferior to Jews and can't run their nations properly. For their sake and ours, we need to abolish their governments and replace them with a single government. This will take a long time and involve much bloodshed, but it's for a good cause. Here's what we'll need to do:

- Place our agents and helpers everywhere
- Take control of the media and use it in propaganda for our plans
- Start fights between different races, classes and religions
- Use bribery, threats and blackmail to get our way
- Use Freemasonic Lodges to attract potential public officials
- Appeal to successful people's egos
- Appoint puppet leaders who can be controlled by blackmail
- Replace royal rule with socialist rule, then communism, then despotism
- Abolish all rights and freedoms, except the right of force by us
- Sacrifice people (including Jews sometimes) when necessary
- Eliminate religion; replace it with science and materialism
- Control the education system to spread deception and destroy intellect
- Rewrite history to our benefit
- Create entertaining distractions
- Corrupt minds with filth and perversion
- Encourage people to spy on one another
- Keep the masses in poverty and perpetual labor
- Take possession of all wealth, property and (especially) gold
- Use gold to manipulate the markets, cause depressions etc.
- Introduce a progressive tax on wealth

- Replace sound investment with speculation
- Make long-term interest-bearing loans to governments
- Give bad advice to governments and everyone else

Eventually the Goyim will be so angry with their governments (because we'll blame them for the resulting mess) that they'll gladly have us take over. We will then appoint a descendant of David to be king of the world, and the remaining Goyim will bow down and sing his praises. Everyone will live in peace and obedient order under his glorious rule.

Behold: I reveal to you the Protocols of the Learned Elders of Zion (modern English translation):

Chapters:

[Protocol I](#) What We Believe
[Protocol II](#) Economic Wars
[Protocol III](#) Methods of Conquest
[Protocol IV](#) Materialism to Replace Religion
[Protocol V](#) Despotism and Modern Progress
[Protocol VI](#) Take-Over Technique
[Protocol VII](#) World-Wide Wars
[Protocol VIII](#) Provisional Government
[Protocol IX](#) Re-education
[Protocol X](#) Preparing for Power
[Protocol XI](#) The Totalitarian State
[Protocol XII](#) Control of the Media
[Protocol XIII](#) Distractions
[Protocol XIV](#) Assault on Religion
[Protocol XV](#) Ruthless Suppression
[Protocol XVI](#) Brainwashing
[Protocol XVII](#) Abuse of Authority
[Protocol XVIII](#) Arrest of Opponents
[Protocol XIX](#) Rulers and People
[Protocol XX](#) Financial Program
[Protocol XXI](#) Loans and Credit
[Protocol XXII](#) Power of Gold
[Protocol XXIII](#) Instilling Obedience
[Protocol XXIV](#) Qualities of the Ruler

Protocol #1 - What we Believe

1-2. Lets discuss the differences between us Jews and them Goyim (non-Jews).

3. People are basically evil by nature. The bad people in this world far outnumber the good. So the best form of government is not one that holds reasoned discussions with its people, but one that uses tyranny. Most people would gladly become an all-powerful dictator and sacrifice the well-being of others for their own benefit.

4. Where do people get their guidance? And what stops them from acting out their evil desires?

5. In olden times people behaved like animals and were guided by the force of their bestial instincts. Then as society developed, humans developed laws to follow. But these laws were based on those same natural instincts. So the only valid Law is the 'law of nature', i.e. the use of force.

6. Freedom is only an ideal: nobody really has it. But if you want to win an election it's good to preach the ideals of freedom, even if you plan to deprive your voters of it. If your opponent believes in the concept of freedom, like as a

'Libertarian', use that against him. Because if he foolishly believes in freedom he won't be willing to use the underhanded tactics that you do. He will play fair while you fight dirty. Any government that is based on freedom loses control over its people. This is a terrible thing because remember that people are basically bad and the only way to guide them is by force. If a government is guided by freedom the people will become weak. We can take advantage of that weakness to overpower them and install a new government.

Gold

7. There was a time when religion was the guiding force of mankind. But now, money is more important than religion. Money – especially Gold – is the new guiding force because it gives power and freedom to the common people. But that freedom is bad because they'll always want more and don't know how to use it. We can't allow that. Self-governance can be given to the masses, but only long enough for them to form a disorganized mob. At that point we should intervene to create strife and racial hatred between their different classes and races. This will cause them to fight and kill each other; hopefully starting a civil war.

8. Once a nation is engaged in civil war it will either destroy itself or be weakened to the point where it can be overtaken by another foreign power. In either case our job will be done as they'll no longer be a threat to us. If that nation ends up in bankruptcy we'll offer to loan them some of our money. They'll have no option but to take it.

9. If anyone claims that the above is immoral, let me ask them this: Suppose a nation has two enemies: an external enemy which is a neighboring nation; and an internal enemy represented by political rivals who might try to overthrow the nation from within. Well, if it is acceptable to destroy the other nation without any regard to morals, then why should it not also be acceptable to destroy the internal enemy? After all, it's the more dangerous of the two and the more likely to succeed in destroying society.

10. Who in their right mind could expect to govern the people by the use of reasoned debate? Because those people, who are really quite stupid when compared to you, could then counter your arguments with their own silly arguments, and then you'd have to keep debating them. You'd get nowhere. The people who make up society (voters) are lame-brained numskulls who never achieve anything. They spend their time following astrology charts and football. They obviously can't think logically. In fact, the only time they agree on anything is when we trick the majority of them into believing something. So they may as well just let us do our job of ruling them. Otherwise the whole nation will erupt into anarchy.

11. Politics has nothing to do with morals. Anyone who tries to govern according to morals is a moron and unsuitable for office. A true politician must resort to cunning and lies if he expects to get anywhere. Great qualities such as honesty and integrity are a burden for any ruler. Anyone in politics who decides to start behaving like this – their career will be over before they know it. Most Goyim believe that their rulers should have these qualities; but of course, we know better.

Might is Right

12. There is a common-held belief that all people are born with 'rights', meaning that they should be allowed to do or have certain things in life, regardless of who they are. But there is no way of proving this.

13. What is a right? Where does it begin and end?

14. If a ruler starts granting rights, then everyone will start demanding new rights, especially libertarians. Soon the nation will be overrun with rights and the ruler will look stupid. From this I conclude that there is only one right: the right of the strong over the weak. It gives a ruler the power to do whatever he wants, and to become supreme lord over those libertarian people who had better give up their rights to him voluntarily.

15. Our method of gaining power is better than any other because it grows invisibly. Then when it has gained enough strength, we can unleash it; and it will be unstoppable because no one will be prepared for it.

16. We need to do a lot of evil things in order to gain power. But that's okay because once we have power over everything we can use it to do good things; like running the nations properly. We could never do that if we gave people freedom. The end justifies the means. So let's put aside moral issues and focus on the end result.

17. We have a good long-range plan here and we can't afford to deviate from it. Otherwise all our work over the centuries would have been for nothing.

18. In order to plan our actions effectively, we must take into account that the common people are an incoherent mob of blathering idiots who can't even look after themselves.

These people are blind, senseless and have no ability to reason. In fact, they'll get suckered in by anyone. While the majority of them are total nincompoops that would follow one another over a cliff-top, as they have no leadership skills; occasionally one might emerge who appears to have some degree of intelligence. However even these people don't understand how to lead, and if you let them, they'd bring a whole nation to ruin.

19. Only someone trained from childhood to serve as a leader can truly understand politics.

20. People left to look after themselves will be brought to ruin. That's because their leaders, who emerge from among them, are only interested in power and glory. Is it possible for these people to put aside their self-interests and manage the affairs of their nation? Like, can they defend themselves from an external enemy? No way! When a project of that scale is divided up among the many dimwitted members of their society, it becomes unintelligible to them.

We Are Despots

21. Only a despotic ruler can effectively carry out large operations, and distribute all the necessary resources to the various departments so that important plans can be executed. From this we conclude that the most effective government is one that concentrates all its power in the hands of a single responsible person. Without absolute despotism there is no way to guide the masses and civilization will fall apart. They are savage barbarians and behave like that at every opportunity. The moment the people gain freedom it quickly turns to anarchy, which is just savagery.

22. Notice that when people are given freedom, they use it drink themselves senseless and behave like animals. We ourselves should avoid behaving like that. Goyim are always drinking alcohol, or thinking about doing so. We caused this to happen by using our many agents to promote it as part of their culture. It increases immorality and makes their youth stupid. We have agents placed everywhere, occupying many positions throughout society. Such as tutors, lackeys, governesses in the houses of the wealthy, by clerks and others. We also have a lot of women-agents acting as prostitutes who assist in the corruption process.

23. Our modus operandi is: Force and Make-Believe. Only force gives you power, especially in the hands of a smooth talker. Violence and deception must be the rule for any politician who wants to remain in power. This may be considered evil, but remember, evil is justified when it is used to achieve good. Therefore we must not stop at bribery, deceit and treachery if they help us attain our end goal. In politics we must know how to seize the property of others without hesitation if it allows us to gain full power over them.

24. We may need to wage many wars in order to achieve ultimate peace. Between wars, we can replace the horrors of war by less noticeable and more satisfactory sentences of death. This is necessary to maintain terror in the populace which leads to blind submission. A just but merciless penal system is the greatest strength of the State. We do this not only for the sake of gain but also in the name of duty. For the sake of our victory, we must stick to the program of violence and make-believe. It is enough for them to know that we are merciless for any disobedience to cease. The principle of balancing accounts (particularly the repayment of debts) is strongly ingrained and one which we will take advantage of. We will use this principle as a means to bring all governments under the control of our super-government.

We Shall End Liberty

25. Far back in ancient times we were the first to stand among crowds of people and cry out the words "Liberty, Equality, Fraternity". The people fell for our bait. They picked up those words and started repeating them parrot-like throughout the world. As a result they have taken away the well-being of the world and the true freedom of the

individual, which was formerly well protected from mob pressure. The so-called wise men of the Goyim, the intellectuals, could not make anything out of these words. They just cannot see that in nature there is no equality or freedom; that nature herself has established inequality of minds, characters and capacities. They never stopped to consider that the mob is blind thing, and as such, can only elect leaders that must be as blind as the mob itself. And even if the mob does manage to find someone intelligent, that person wouldn't understand politics, as pointed out earlier. Goyim don't take any of this into consideration.

26. Thanks to dumb-assed libertarians, the words "Liberty, Equality, Fraternity" have spread to all corners of the earth. These words installed peace, quiet and solidarity throughout all Goyim of the earth, and thus weakened their strength. As you will see later, this helped us to our victory: it gave us the possibility of getting our hands on the master stroke – the destruction of privileges and power of their royalty. That royal class was the only defense the Goyim had against us. On the ruins of the eternal and heir-based aristocracy of the Goyim we have set up the aristocracy of our educated class headed by the aristocracy of money. The entry qualifications to this aristocracy are based on wealth (which is dependent upon us) and on knowledge, which also comes from us, especially from our learned elders who have provided much inspiration.

27. Our victory has been made easier by fact that whenever we sought favors from men in power we always appealed to their most basic of desires. Like cash-money and all kinds of material goodies. Even one human weakness is often enough to pass control of these men over to those offering the bribes.

28. The concept of freedom has enabled us to convince the people of all countries that their government is a servant of the people, that the people are the true owners of the country and that that servant can be replaced like a worn-out glove.

29. This possibility of replacing the representatives of the people gives us the power to appoint a new government.

Protocol #2 – Economic Wars

1. Whenever we start a war, we shouldn't do so for the purpose of gaining territory; at least not as a general rule. Instead we should do it for economic gains. This way everyone will see how powerful we are; and they will be in fear of our many international spies and agents who roam the earth without limitation. National rights will then be wiped out by our international rights, which are the proper sense of right – the right of force. We will then rule the nations in the same way that the nations rule their citizens.

2. The people chosen by us to act as rulers of a nation will not be those trained in the art of leadership. Instead we'll select them based on their capacity to take orders. They'll be puppets under the control of smart men who will be their advisers: specialists bred and reared from early childhood to rule the affairs of the whole world. As you well know, these specialists of ours have been trained to get the information they need from our political plans, from the lessons of history, and from observations made of current events. The Goyim are not guided by observations of history, but by theories on how the world is supposed to work. They don't bother to check whether those theories are true or not. So don't trouble yourself with them. Let them amuse themselves until the final hour strikes, in their utopian beliefs, in entertainments, or on the memories of all they have enjoyed. Let them organize their beliefs around scientific theories. We are constantly using our media to encourage Goyim to have blind confidence in these theories. The intellectuals of the Goyim will fill their minds with this scientific knowledge without questioning its validity or usefulness. Our agent specialists have carefully determined what type of knowledge the intellectuals receive, and in this way we can steer their minds in the direction we want.

Destructive Education

3. Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism, Marxism, and Nietzsche-ism. To us Jews it should be obvious to see how destructive these ideologies have been upon the minds of the Goyim.

4. It is vital that we take into account the thoughts, characters and cultural tendencies of the nations in order that we avoid making mistakes in the takeover of their political and administrative affairs. In order for us to succeed, we must

adjust our methods to accommodate for the cultural and regional differences of nations. Similarly, if a culture should change over time, we must change our methods to suit.

5. The Media has a great influence on people's thoughts. It was previously in the hands of sovereign governments, but is now under our control. Our Media's role is to convince people that our plans are important, and to allow them to express some dissatisfaction which will help create discontent. The Media can be a powerful force for freedom of speech. But Goyim don't know how to use this force so it always falls into our hands. Through the Media we have gained the power of influence while remaining invisible. Thanks to the Media we now have the Gold in our hands. Mind you, we also needed to use an awful lot of violence and underhanded tactics to achieve this. But it was worth it, even though we had to sacrifice many of our own people. In the eyes of God, one Jew is worth a thousand Goyim.

Protocol #3 – Methods of Conquest

1. I have some good news. We're only a few steps away from our goal. There's a small way to go, but when we get there, we'll have achieved the closing of our Symbolic Snake. This Snake represents the spreading of our people across Europe. When the Snake closes into a loop, the whole of Europe will be locked in its constricting coils.

2. The constitutions of the various nations will soon break down. For we have designed them with a certain lack of accurate balance: such that their component verses grind against each other to the point where the whole constitution falls apart. Goyim are under the impression that those versus are welded strongly together and any discrepancies between them should balance out over time. But their monarchs, who might enforce that welding, are surrounded by representatives who play the role of fools lusting for uncontrolled and irresponsible power. The monarchs owe their power to the terror that has been breathed into their palaces. As they no longer have direct access to their people, the kings on their thrones are not able to come to terms with them, and cannot strengthen themselves against those who seek to take their power. We have created a rift between the far-sighted Sovereign Power and the blind force of the people, such that both have lost their effectiveness. For like the blind man and his stick, they are powerless apart.

3. In order to incite those who seek power to misuse that power, we have caused all political forces to turn against one other. This breaks up their libertarian desires toward seeking independence. To this end we have stirred up every political, social and minority group. We have armed all sides. We have labeled authority as a target for every ambition. We have turned parliaments into gladiatorial arenas where many confused issues brawl. With a bit more of this, disorders and bankruptcy will be universal.

4. Parliaments and Administrative Boards have been turned into oratorical contests of inexhaustible babblers. Unscrupulous journalists descend upon executive officials daily. Abuses of power will be the final touch in preparing all institutions for their overthrow. Everything will then fall to pieces under the attacks of angry mobs.

Poverty is Our Weapon

5. Due to the ever-present threat of poverty, all people have been forced into working endlessly. They have been chained by slavery and serfdom. Well, perhaps they could save enough money to escape from their daily grind. But they would never have enough to afford what they really want. We included some rights for the people into the constitution which are fictitious and not actual rights. All these so-called "People's Rights" can exist only as an idea; an idea which can never be realized in practical life. How does it help the low-class laborer if people are given freedom of speech but only use it to babble? Or if journalists have the right to scribble any nonsense side by side with good stuff? The laborer gains nothing from this because he still must work as before. He gains nothing from the constitution other than the few pitiful crumbs which we fling at him from our table in exchange for his voting in favor of what we dictate: in favor of the men we place in power, who are the servants of our specialist agents. Constitutional rights for a poor man are no more than a bitter piece of irony. Because the fact that he must toil almost all day gives him no time to use them. On the other hand, it robs him of any guarantee of regular and certain earnings by making him susceptible to strikes by his comrades or lockouts by his masters.

We Support Communism

6. The people, under our guidance, have annihilated their aristocracy, who were their one and only defense and foster-mother, who could have worked for the sake of the people's advantage, and who were inseparably bound up with the well-being of the people. Nowadays, with the destruction of the aristocracy, the people have fallen into the grips of merciless money-grubbing scoundrels who have laid a pitiless and cruel yoke upon the necks of the workers.

7. We appear on the scene as alleged saviors of the worker from this oppression. Then we propose that he join the ranks of our fighting forces – Socialists, Anarchists, Communists – to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our **social masonry**. The aristocracy, which lawfully enjoyed the labor of the workers, was interested in seeing that the workers were well fed, healthy, and strong. We are interested in just the opposite – in the decline and **killing of the goyim**. Our power is in the chronic shortness of food and physical weakness of the worker because by this he will become our slave. He will have neither the strength nor the energy to oppose us. Hunger surely gives us more authority to rule the worker than the legal authority given to the aristocracy by the rule of kings.

8. We will highlight the differences of wealth between the rich and the poor. The emotions of envy and hatred which will then arise in the poor, due to their want of the wealth, will be whipped into mob frenzy. Through their hands we shall wipe out all those who hinder us on our way.

9. When the hour strikes for our sovereign lord of the entire world to be crowned, it is these same hands which will sweep away everything that might be a hindrance to that.

10. The Goyim have lost the habit of thinking unless prompted by the suggestions of our specialists. Therefore they do not see the urgent necessity of what we, when our kingdom comes, shall adopt at once. Namely that **it is essential to teach in national schools one simple, true piece of knowledge, the basis of all knowledge, and the knowledge of the structure of human life, which is that: Social existence requires division of labor, and consequently, the division of men into classes and conditions.** It is essential for all to know that **owing to differences in the occupations of humans, there cannot be any equality among them.** Someone that commits an act that compromises a whole class cannot be held as equally responsible before the law, as compared to someone who affects only himself. The true knowledge of the structure of society – secrets which we keep from the Goyim – would reveal that positions of work must correspond with the education that was given to a worker. Otherwise they might suffer. After a thorough study of this knowledge, people will voluntarily submit to authority and accept whatever position is given to them in the State. The people blindly believe what they read in print, and given their present state of ignorance, they possess a sense of blind hatred toward anyone who has more wealth or lives in better condition than themselves. They have no understanding of the purpose of social classes. Jews Will Be Safe

11. **This hatred will be still further magnified by the effects of an economic crisis**, which will halt trading on the exchanges and bring industry to a standstill. We shall create this crises by all the secret subterranean methods open to us and with the aid of Gold, which is all in our hands: **a universal economic crises whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe.** These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from an early age, and whose property they will then be able to loot.

12. **"Ours" they will not touch, because the moment of attack will be known to us and we shall take measures to protect our own.**

13. We have demonstrated that progress will bring all the Goyim to the realm of reason. Our despotism will be precisely that; for it will know how, by calculated severe measures, to pacify all unrest, and burn liberalism out of all institutions.

14. When the population realizes that the utopia of communism is not 'as advertised', and that all those promises of freedom and indulgences of wealth they imagined are not there, they will find themselves stuck like a blind man on a host of stumbling blocks.

15. They have rushed to find a guide; they never had the sense to return to the former state and they have laid down their full sovereign powers at **our** feet. Remember the French Revolution, to which it was we who gave it the prefix of "Great": the secrets of its preparations are well known to us for it was wholly the work of our hands.

16. At the present day we are, as an international force, invincible, because if attacked by some State we will be supported by other States. The Goyim people are rascals who bow down to force, but are merciless toward weakness in others, unforgiving of their faults, and enjoy committing crimes. They cannot bear the contradictions of a free social system, but are willing to become martyrs in the face of the violence of bold despotism. It is those qualities that help us become independent. The Goyim people suffer patiently under the abuses of the worst dictators, even while those dictators would have beheaded twenty of their kings.

17. Why is it that the people are willing to put up with such abuse, and with the execution of their aristocracy?

18. It is because the dictators tell the people that these abuses they are inflicting are done for the highest purpose – to secure the welfare of the peoples, the international brotherhood of them all, their solidarity and equality of rights. Naturally they do not tell the peoples that this unification must be accomplished only under our sovereign rule.

19. And thus the people condemn the upright and acquit the guilty, persuaded ever more and more that it can do whatsoever it wishes. Thanks to this state of things, the people are destroying every kind of stability and creating disorders at every turn.

20. The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason we, when we finally step into our kingdom, shall have to erase this word from the language of life; implying that freedom is a principle of brute force which turns mobs into bloodthirsty beasts.

21. These beasts, it is true, fall asleep again once they have drunk their fill of blood, and at such time can easily be riveted into their chains. But if they are not given blood they will not sleep and will continue to struggle.

Protocol #4 – Materialism to Replace Religion

1. Every republic passes through several stages. The first of these is the early days of mad raging by the blind mob, tossed here and there, to and fro. The second is demagoguery which leads to anarchy and that inevitably leads to despotism. This is not a legal and observable, and therefore responsible, type of despotism. Rather it's a hidden form of despotism that's in the hands of some secret organization. This organization is unscrupulous because it works behind the backs of the people using agents who have no accountability, and who don't serve the people, only the organization. These agents are continually changing, and this benefits the organization because it doesn't have to give them special rewards for long times in service.

2. Who or what has the ability to overthrow an invisible force? Because that is precisely what our Force is. Gentile-based Freemasonry serves as a smokescreen for us and our plans. But the plan of action of our Force, even its very existence, remains an unknown mystery to the people.

We Shall Destroy God

3. Even freedom might be harmless and have its place in our State economy without harming the well-being of the people if it is based on a faith in God and on the brotherhood of humanity – providing that it remains disconnected with the concept of equality. Equality is negated by the very laws of creation, for these laws have established subordination. With faith such as this, a people might be governed by a trusteeship of parishes, and would walk contentedly and humbly under the guiding hand of its spiritual pastor while submitting to the plans of God upon earth. This is the reason why **it is essential for us to undermine all faith, to tear out of the mind of the Goyim and the principle of 'God the Father, the Son, and the Holy Spirit', and to put in its place arithmetical calculations and material needs.**

4. In order to give the Goyim no time to think and notice what is happening, their minds must be diverted towards industry and trade. Thus, all the nations will be swallowed up in the pursuit of gain and, in the race for it, they won't notice their common enemy. But again, in order that freedom may once and for all disintegrate, and ruin the communities of the Goyim, we must put industry on a speculative basis. The result of this will be that the wealth which is mined from the earth will not be invested in productive industry, but will pass to institutions that deal in speculation (finance gambling), which are under our ownership.

5. The intensified struggle for superiority and the shocks delivered to economic life will create, no, have *already* created, disenchanted, cold and heartless communities. Such communities will lose interest in, and foster a strong aversion toward sound political management and religion. Their only guide will be that of monetary gain, i.e. Gold, which they will erect into a bona fide cult for the sake of those material delights which it can give. Then a day of reckoning will come when, not for the sake of righteousness, not even to win wealth, but solely out of hatred towards those privileged, the lower classes of the Goyim will follow our lead and rise against our rivals for power: the intellectuals of the Goyim.

Protocol #5 – Despotism and Modern Progress

1. What form of administrative rule can be given to communities in which corruption has penetrated everywhere; communities where riches are obtained only by the clever surprise tactics of con artists; where looseness reigns; where morality is maintained, not by voluntarily accepted principles, but by harsh laws and strong enforcement; where feelings towards religion and country are obligated only by fashionable persuasions? What form of rule is to be given to these communities other than that despotism which I shall describe to you later? We shall create a strong central government in order to gain a stranglehold on those communities. We shall thoroughly regulate all aspects of the public life of our subjects with new laws. These laws will withdraw, one by one, all the privileges and freedoms which have been permitted to the Goyim; and our kingdom will be distinguished by a despotism of such magnificent proportions that, at any moment and in every place, it will be in a position to wipe out any Goyim who dares to oppose us, either in words or by actions.

2. You may think that for a despotism of this description to come into being, it would not be consistent with the progress of history, and that it could not exist in this modern age. But I will prove to you that it is, and that it could.

3. Back in the days when the peoples looked at kings on their thrones, just as they would look upon a pure manifestation of the will of God, they submitted without a murmur to the despotic power of kings. But from the day when we placed the concept of their own rights into their minds they began to regard the occupants of thrones as mere ordinary mortals. The god-like charm of the Lord's Anointed has fallen from the heads of kings in the eyes of the people. And when we also robbed them of their faith in God, the might of authoritative power fell into the realm of public ownership, and was then seized by us. *Masses Led By Lies*

4. Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and words, by laws, and by all sorts of other odd methods: the Goyim understand none of this because it belongs to the specialists of our collective governing intelligence. Reared on analysis, observation, and delicate calculations: in this type of skill we have no rivals, any more than we have rivals in the drawing up of plans of political actions and solidarity. In this respect the Roman Catholic Church might have compared with us, but we have conspired to discredit them in the eyes of the unthinking mob since they are an observable organization, while we ourselves have kept our secret organization in the shade the whole time. However, it is probably all the same to the world, which doesn't really care who its sovereign lord is: whether the head of Catholicism or our despot of the blood of Zion! But to us, the Chosen People, it is very far from being a matter of indifference.

5. **For a time perhaps, we might be successfully dealt with by a coalition of the Goyim of the entire world.** But we are protected from this danger by the discord existing among them. Their loyalties to their own separate groups, races and classes are now so deeply ingrained that they can never be removed. We have set one against another: the personal and national beliefs of the Goyim, religious and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to

itself. We are too strong – there is no evading our power. **The nations cannot come to even an inconsiderable private agreement without our secretly having a hand in it.**

6. “Per me Reges Regnant” is Latin for: "It is through me that Kings reign." And it was said by the prophets that we were chosen by God Himself to rule over the whole earth. God has endowed us with genius so that we may do this task. If genius was in an opposing camp it would still struggle against us, but even so, a newcomer is no match for the old-established settler: the struggle would be merciless between us, such a fight as the world has never seen. Yes, and the genius on their side would have arrived too late. All the wheels of the machinery of all States go via the force of the engine, which is in our hands. And that engine of the machinery of States is - Gold. The science of political economy invented by our learned elders has placed great value on the importance of money-capital for such a long time.

Monopolize Capital

7. Capital, if it is to function without limitations, must be free to establish a monopoly of industry and trade. This is already being put into place by an unseen hand in all quarters of the world. This freedom will give political strength to those engaged in industry, and that will help us to oppress the people. Nowadays it is more important to disarm the peoples than to lead them into war. If those people have a passion that has suddenly ‘burst into flames’, it more important to use it to our advantage than it is to quench it. Finally, it more important to eradicate them. **The principle goal of our directors consists of this: to weaken the public mind by criticism; to lead it away from serious reflections which may arouse calculated resistance; and to distract the forces of the mind towards meaningless fights.**

8. Throughout history the people of the world have accepted campaign promises at face value. Those people are **content with a show** and rarely pause to check afterward whether the promises have been kept. The same holds true for individuals outside the political arena. Therefore we shall establish ‘Show’ institutions which will give eloquent ‘proof’ of their benefit to progress.

9. We shall assume to ourselves to represent the voice of freedom of all parties, of all directions, and we shall make our representative be a **voice in orators who will speak so much that they will exhaust the patience of their hearers and bring about a hatred of oratory.**

10. **In order to put public opinion into our hands we must bring it into a state of bewilderment by broadcasting so many contradictory opinions from all sides and for such a long time that it will make the Goyim lose their heads in a maze of confusion. They will come to realize that the best thing is to have no opinion of any kind in political matters,** especially when it is intended that the public should not understand the issues being discussed. In that way the Goyim will leave the opinions and understanding of the issues to those who guide the public. This is the first secret.

11. The second secret necessity for the success of our government consists of the following: To emphasize the national failings of bad habits, misplaced passions, and troubling conditions of everyday life, to such an extent that it will be impossible for anyone to know where he is in the resulting chaos. As a result, the people will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to submit to us, and to discourage any kind of personal initiative which might hinder our affairs in any way. **There is nothing more dangerous than personal initiative:** if it has genius behind it, such initiative can do more harm than can be done by millions of people among whom we have sown discord. We must direct the education of the Goyim communities such that whenever they come upon a matter requiring initiative they throw up their hands in despairing impotence. The strain which results from lack of achievement saps the spirit when compared side-by-side with the accomplishment of a successful person. From this comparison arises grave moral shocks, disenchantments and failures. **By all these means we shall so wear down the Goyim that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the state forces of the world and to form a super government.** In place of the rulers of today we shall set up a monstrosity called the Super-Government Administration. Its tentacles will reach out in all directions like grappling hooks and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world.

Protocol #6 – Take-Over Technique

1. We shall soon begin to establish huge monopolies, reservoirs of colossal riches, upon which even large fortunes of the Goyim will depend to such an extent that they will go to the bottom together with the credit of the States on the day after the political crash...
2. You gentlemen here that are economists, just make an estimate of the significance of this combination! ...
3. In every possible way, we must show the importance of our Super-Government by presenting it as the Protector and Benefactor of all those who voluntarily submit to us.
4. The aristocracy of the Goyim as a political force is dead. We need not take it into account. But as landed proprietors they can still be harmful to us from the fact that they are self-sufficient in the resources upon which they live. It is essential therefore for us at whatever cost to deprive them of their land. This object will be best attained by increasing the burdens upon landed property – by loading lands with debts. These measures will reduce land ownership and keep it in a state of humble and unconditional submission.
5. The aristocrats of the Goyim, being incapable of contenting themselves with little, due to their upbringing, will rapidly burn up and fizzle out.

We Shall Enslave Gentiles

6. At the same time we must intensively promote trade and industry, but, first and foremost, speculation. The part played by speculation is to suppress industry. The absence of speculative industry will multiply capital in private hands and will serve to restore agriculture by freeing the land from the debts of banks. What we want is that industry should drain both labor and capital from the land. Then by means of speculation, transfer all the money of the world into our hands, and thereby throw all the Goyim into the ranks of the working class. Then the Goyim will bow down before us; if for no other reason but to get the right to exist.
7. To complete the ruin of the industry of the Goyim we shall bring, to the assistance of speculation, the luxury which we have encouraged among the Goyim: that greedy demand for luxury which is swallowing up everything.
We shall raise the rate of wages. However this will not bring any advantage to the workers, because at the same time, we shall also cause a rise in prices of items that are essential to life. We shall claim that these increases were caused by a decline in agriculture and cattle breeding. We shall, craftily and thoroughly, further undermine sources of production, by accustoming the workers to anarchy and to drunkenness. Additionally we shall take all measures to uproot all the educated forces of the Goyim from the face of the earth.
8. **In order that the true meaning of things is not discovered by the Goyim before the proper time, we shall mask it under an alleged enthusiastic desire to serve the working classes and the great principles of political economy, which our economic theories carry with much energetic propaganda.**

Protocol #7 – World Wide Wars

1. The increase in size of the military, police forces, and of their armaments, are all essential for the completion of the above plans. The situation we need to arrive at is that the populations of the world's nations consist of only: (1) ourselves; (2) the masses of the working class; (3) a few millionaires devoted to our interests; and (4) police and soldiers.
2. Throughout all Europe and countries that have relations with Europe, and in other continents also, we must create unrest, disagreement and hostility. This gives us a double advantage. Firstly, it deters countries from acting against us. For they will know that we have the power to create disorders or to restore order whenever we like. All these countries will see us as an unavoidable force of authority. Secondly, if we threaten to withdraw or muddle up our existing arrangements with these countries, this would also create havoc. You see, over many years we have inserted

ourselves into the administrative machinery of their cabinets, making them dependent upon us. In order to infiltrate in this manner we must involve ourselves in matters like economic treaties or loan obligations. We need to use great cunning during negotiations and agreements, but instead of using our usual threatening language, we'll instead do the opposite and don the mask of honesty and complacency. In this way the peoples and governments of the Goyim, whom we have taught to look at only the outside of whatever we present to their notice, will continue to accept us as the benefactors and saviors of the human race.

Universal War

3. If any country dares to oppose us, we must be in a position to respond by way of war. We will do this by teaming up with the neighbors of that country. But if those neighbors should also venture to stand collectively together against us, then we must resist with a universal war.

4. The main factor of success in politics is to operate in secrecy. A diplomat must say one thing but then do another.

5. We must compel the governments of the Goyim to take action in the direction favored by our well thought-out plan, which is nearing completion, by what we shall claim is public opinion. This 'opinion' will be secretly promoted by us through the means of that so-called "Great Power" – **the media, which, apart from a few unimportant exceptions, is already entirely in our hands.** In order to display our system of keeping the governments of the Goyim in Europe in check, we shall show our strength by committing terrorist attacks against one of them. If the governments of Europe should collectively rise against us, we shall respond using the military might of America or China or Japan.

Protocol #8 – Provisional Government

1. We must arm ourselves with all the weapons which our opponents might use against us. We need to make our actions look valid and proper from a legal view-point. Occasionally we'll pronounce judgments that might appear biased or unjust. So we need to brush up on our legal-poetry to make our arguments sound convincing because it's important that we get our judgments passed. We will use expressions that sound like the most exalted moral principles converted into a legal form. Our directors must surround themselves with everyone that they need to do their work. They will surround themselves with publicists, practical jurists, administrators, diplomats and, finally, with persons prepared by a special super-educational training **in our special schools.** These persons will have a clear understanding of the secrets of how society works; they will understand the special language of politics, and how that language can be manipulated; they will be made acquainted with the whole underside of human nature, with all its weaknesses and sensitive 'chords' upon which they will need to play. These chords represent the mind-set of the Goyim; their tendencies, short-comings, vices and qualities, and the particularities of their classes and conditions. Needless to say that the talented assistants of authority, of whom I speak, will not be selected from among the Goyim, who are accustomed to doing their administrative work without ever troubling themselves to think about what it's for or why it's needed. The administrators of the Goyim sign papers without reading them. These administrators serve us either for their pay or for personal ambition.

2. We shall surround our government with a whole world of economists. That is the reason why economic sciences are the main subject that is taught to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and – **the main thing – millionaires. Because for the main part, everything will be settled by the question of large amounts of money.**

3. For the time being, until we get to the point where there is no longer any risk in entrusting responsible positions in our State to our brother-Jews, we shall put them in the hands of persons who have a criminal past and have shown little regard for the welfare of the people. Persons who, if they disobey our instructions, must face criminal charges or disappear. In this way we will make them defend our interests to their last gasp.

Protocol #9 – Re-education

1. In applying our principles, take note of the character of the people in whose country you live and act. We must adjust our methods to suit because a general, identical application of our principles to all cultures cannot succeed – at least not until the people have been re-educated to conform to our pattern. But by approaching their application

cautiously you will see that, in less than a decade, even the most stubborn character will change and we shall add a new people to the ranks of those already subdued by us.

2. The words of the libertarian, "Liberty, Equality, Fraternity", which are really just rallying cries invented by us, will, when we come into our kingdom, be changed by us into words that are no longer used to rally support, but only an expression of idealism, namely, into "The right of liberty, the duty of equality, the ideal of brotherhood." That's how we shall put it – we shall catch the bull by the horns and turn those words to our advantage. We have effectively already wiped out every kind of rule except our own, although legally there still remains quite a lot of them. Nowadays, if any States protests against us it is only done according to our planning, at our discretion and by our direction, for their anti-Semitism is an essential way for us to manage our lesser brethren Jews. I won't talk further on this topic, because the matter has already been discussed many times.

Jewish Super-State

3. There is nothing to limit the range of our activities. Our Super-Government exists within special-legal conditions which are commonly referred to by the energetic and forcible word – Dictatorship. I am in a position to tell you with a clear conscience that when the time is right we, the law-givers, shall execute judgment and sentence: we shall slay and we shall spare. We, as head of all our troops, are following the lead of our dynamic ruler. We rule by force of will, because in our hands are the fragments of a once powerful party, now vanquished by us. **And the weapons in our hands are limitless ambitions, burning greediness, merciless vengeance, hatreds and malice.**

4. **It is from us that the all-engulfing terror proceeds. We have at our service persons of all opinions, of all doctrines, restorative monarchists, demagogues, socialists, communists, and utopian dreamers of every kind.** We have harnessed them all to the task: **each one of them is independently chiseling away at the last remnants of authority, is striving to overthrow all established forms of order.** By these acts, all States are experiencing torture; they cry out for tranquility and are ready to sacrifice everything for peace: **but we will not give them peace until they openly acknowledge our international super-government, and with submissiveness.**

5. The people have howled about the necessity of settling the issue of Socialism by way of an international agreement. **Their division into political parties has given us control over them, because in order to carry on a contested struggle one must have money, and the money is all in our hands.**

6. We might have reason to prevent a union forming between the "clear-sighted" force of the Goy kings on their thrones and the "blind" force of the Goy mobs. But we have taken all necessary measures against any such possibility: between the one and the other force we have erected a wall in the form of a mutual terror between them. In this way the blind force of the people remains in our side and we, and we only, shall provide them with a leader and, of course, direct them along the road that leads to our goal.

7. In order that the hand of the blind mob may not free itself from our guiding hand, we must every now and then enter into a close rapport with them, either in person or through some of the most trusty of our brethren. Once we are acknowledged as the only authority, we shall discuss with the people personally on the market, places, and we shall instruct them on how to enter into politics in such a way as may turn them in the direction that suits us.

8. Who is going to verify what is taught in the village schools? We cannot allow the words of government representatives, or of a king himself to become immediately known to the whole State, because it will be spread far and wide by the voice of the people.

9. In order to destroy the educational institutions of the Goyim while we still can, we have infiltrated them with great cunning, and we have taken hold of their syllabuses. Their syllabuses were once laid out in careful consideration; but we have replaced them by the chaotic ideas of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, **but principally into education and training as being the cornerstones of a free existence.**

Christian Youth Destroyed

10. We have fooled, bemused and corrupted the youth of the Goyim by rearing them in principles and theories which are known to us to be false, and we have taught this through repetition.

11. We have taken the existing laws and have twisted them into contradictions of interpretations without substantially altering them. Doing this has produced wonderful results. These results are that these laws were effectively destroyed, owing to the fact that the **interpretations of the law masked the intent of the law**. Eventually these interpretations entirely hid these laws from the eyes of the governments owing to the impossibility of making anything out of the tangled web of legislation.

12. This is the origin of the theory of arbitration.

13. You may say that the Goyim will rise up against us, guns in hand, if they guess what is going on before the time comes for our complete domination. But in the West we have a maneuver against this of such appalling terror that would cause even the very hardest of hearts to convulse: the undergrounds, those subterranean corridors which lie beneath the capitals; before the time comes, those capitals will be blown into the air with all their organizations and archives.

Protocol #10 – Preparing for Power

1. Today I begin with a repetition of what I said before, and **I beg you to bear in mind that governments and people are content with the outside appearances of their political process**. And how, indeed, are the Goyim to see the deeper meaning of things when their representatives are mainly focused on enjoying themselves? For our policy, it is of the greatest importance to be aware of this fact; it will be of assistance to us when we come to consider how to delegate the proper authority in matters of property, of housing, of taxation (including the idea of concealed taxes), and of the automatic enforcement of the laws. All these questions are such that they should not be touched upon or debated directly in public. In cases where it is necessary to touch upon them, the details of those cases must not be specifically discussed. It must merely be declared that the principles of current law are acknowledged by us. The reason for remaining silent in this respect is that by not naming a principle we leave ourselves some freedom, to drop this or that out of it without attracting notice. If the principles of law we were supposed to be following were all categorically named they would appear to have been proven true.

2. The mob cherishes a special affection and respect for the geniuses of political power and accepts all their deeds of violence with the admiring response: "Unscrupulous?, well, yes, it is unscrupulous, but it's clever! ... a mischievous trick, if you like, but how craftily played, how magnificently done, what barefaced daring!" ...

Our Goal: World Power

3. We depend upon attracting all nations to the task of building our new political structure. The project plan for this has been drawn up by us. This is why, before everything, it is essential for us to arm ourselves and to install in ourselves that absolutely reckless daring and unstoppable motivation which will break down all hindrances on our way.

4. **When we have accomplished our government overthrow we shall then say to the various peoples: "Everything has gone terribly wrong. Everyone has been worn out with suffering. We are destroying the causes of your torment – nationalities, borders, different currencies. You are free, of course, to pronounce sentence upon us, but can it possibly be a just one if you pronounce it before you properly try out what we are offering you?" ... Then the mob will praise us and give us their support in a unanimous triumph of hopes and expectations. Voting, which we have made the instrument that will set us on the throne of the world by teaching even the very smallest units of members of the human race to vote by means of meetings and agreements by groups, will then have served its purposes and will play its part then for the last time by a unanimity of desire to make close acquaintance with us before condemning us.**

5. **To secure this we must have everybody vote without regard to their social class or qualifications**, in order to establish an absolute majority, which can't get from the educated wealthy classes. In this way, by impressing in all a sense of self-importance, we shall destroy among the Goyim the importance of the family and its educational value and remove the possibility of individual minds splitting off, because the mob majority, who is handled by us, will not let

them come to the front nor even give them a hearing; it is accustomed to listen to us only who pay it for obedience and attention. In this way we shall create a blind, mighty force which will never be in a position to move in any direction without the guidance of our agents set at its head by us as leaders of the mob. The people will submit to this regime because it knows that it will depend upon these leaders for its earnings, gratifications and the receipt of all kinds of benefits.

6. A scheme of government should come ready made from one brain, because it will never be clinched firmly if it is allowed to be split into fractional parts in the minds of many. It is allowable, therefore, for us to have knowledge of the scheme of action but not to discuss it lest we disturb its cunning, the interdependence of its component parts, and the practical force behind the secret meaning of each clause. To discuss and make alterations in this manner by means of much voting gives those alterations the appearance of have being arrived at by the process of logical and methodical reasoning. And any misunderstandings of these alterations will prevent the public from seeing into the next connected link of our scheme. We want our schemes to be forcible and suitably devised. Therefore **we ought not to let our well thought-out plans** be revealed to the public as a whole or even to a select group of them.

7. These schemes will not turn existing institutions upside down just yet. They will only effect changes in their economy and consequently in the whole combined movement of their progress, which will then be directed along the paths laid down in our schemes.

The Poison of Liberalism

8. In each country there exists a group of governing bodies. They go under various names but they are essentially the same thing, namely the: Representation, Ministry, Senate, State Council, Legislative and Executive Corps. I needn't explain how these institutions relate to one another, because you are aware of all that. But take note of the fact that each of the above-named institutions corresponds to some important function of the State; and by "important" I don't mean the institution, but its function. I.e. it's not the institutions that are important but their functions. These institutions have divided up among themselves all the functions of government – administrative, legislative, executive; and they operate together in much the same way as organs in the human body. If we injure one part in the machinery of State, the State falls sick, like a human body, and ... will die.

9. When we introduced into the State organism the poison of Liberalism its whole political complexion changed. States have been seized with a mortal illness – a blood poisoning. All that remains is to await the end of their death agony.

10. Liberalism produced Constitutional States, which took the place of what was the only safeguard of the Goyim, namely, Despotism. And **a constitution, as you well know, is nothing but a system of strife**, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims – in a word, a system of everything that serves to destroy the personality of State activity. **The tribe of the "talking heads" has, no less effectively than the press, condemned the rulers to inactivity and impotence**, and thereby rendered them useless and superfluous, and this is the reason why they have been removed from office in many countries. **At that point the era of republics could come into being; and then we replaced the ruler with a mockery of a government – by a president, taken from the mob, from the midst of our puppet creatures, or slaves.** This was the foundation of the time-bomb which we have placed under the Goy people, or I should rather say, under the Goy peoples.

11. Soon we shall assign the duties of presidents.

12. By that time we shall be in a position to disregard the procedures normally required to accomplish our necessary tasks because our impersonal puppet will be able do it directly. What do we care if the ranks of those striving for power should be weakened, if a deadlock arises from the impossibility of finding presidents – a deadlock which will finally disorganize the country? ...

13. In order that our scheme may produce this result we shall arrange elections in favor of such presidents who have some dark, undiscovered disgrace in their past, some sinister secret – then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honor connected with the office of president. The chamber of deputies will provide cover for, will protect, and will elect presidents; but we shall take from it the right to propose new

laws, or make changes to existing laws, for this right will be given by us to the president responsible, who is a really just puppet in our hands. Naturally, the authority of the presidents will then become a target for every possible form of attack. But we shall provide him with a means of self-defense in the right of an appeal to the people. The decision of the people outranks the decision of the representatives who may wish to oppose the president. So that appeal will go to a blind slave of ours – the majority of the mob. Independently of this we shall give the president the right of declaring a state of war. We shall justify this last right on the ground that the president, as chief of the whole army of the country, must have access to that right, in case he needs to defend the new republican constitution. That right to defend will belong to him as the responsible representative of this constitution.

14. It should be easy to understand that under these conditions, the ‘magic lamp’ will be in our hands, and no one other than us will any longer have control over determining legislation.

15. Besides this we shall, with the introduction of the new republican constitution, take from the Chamber the right of inserting new legislation on government measures, on the pretext of preserving national security, and further, we shall use the new constitution to reduce the number of representatives to a minimum, thereby proportionately reducing political passions and the passion for politics. If, however, these passions should burst into flame, which is hardly to be expected, not even to a small degree, we shall nullify them by a stirring appeal and making a reference to the majority opinion of the voting population ... The president will have the power to appoint the presidents and vice-presidents of the Chamber and the Senate. Instead of constant sessions of Parliaments we shall reduce their sittings to a few months. Moreover, the president, as chief of the executive power, will have the right to summon and dissolve Parliament, and, in the latter case, to prolong the time for the appointment of a new parliamentary assembly. These presidential actions may be considered illegal, and as a result, the representatives and public might then start attacking the president. This could be a problem for our plans if it happened prematurely. In order to avoid the blame from being pushed onto the president, **we shall encourage ministers and other officials of the higher administration to evade his plans by taking actions of their own.** In doing so they will be made scapegoats in his place. This part we especially recommend should be played by the Senate, the Council of State, or the Council of Ministers, but not by an individual official.

16. The president will, at our discretion, interpret the meaning of existing laws and point out that there are already various interpretations of them; he will further annul them when we indicate to him the necessity to do so. Besides this, he will have the right to propose temporary laws, and even new departures in the government’s constitutional working. The pretext both for doing these things will be the requirements for the supreme welfare of the State.

We Shall Destroy

17. By these actions we shall obtain the power of destroying the constitutions of the States. We shall do this by introducing into those constitutions, little by little, step by step, all those things which we have determined are our rights from the outset. This will cause an imperceptible abolition of every kind of constitution, and then the time will have come to turn every form of government into **our despotism.**

18. The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence – a matter which we shall have arranged for – will exclaim of their rulers: "Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders - frontiers, nationalities, religions and State debts – who will give us peace and quiet which we cannot find under our rulers and representatives."

19. But you yourselves know perfectly well that **to produce the possibility of the expression of such wishes by all the nations it is necessary to trouble the people's relations with their governments in all countries to such a degree that it will utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, by the spreading of diseases, or extreme poverty. As a result of this, the Goyim will see no other solution than to take refuge in our complete sovereignty, in our money and in all else that we offer.**

20. But if we give the nations of the world a breathing space, the moment we long for is hardly ever likely to arrive.

Protocol #11 – The Totalitarian State

1. The State Council has been a clear-cut symbol of the authority of the ruler: it will represent the "show" part of the Legislative Corps, who will be in charge of putting the laws and decrees into writing.

2. This is now the program of the new constitution. We shall make Laws, Rights and Justice: (1) in the form of proposals to the Legislative Corps, (2) by decrees of the president under the guise of general regulations, (3) by orders of the Senate (4) by resolutions of the State Council in the guise of ministerial orders, (5) and in case a suitable occasion should arise – in the form of a revolution within the State.

3. Now that we've basically established how we're going to operate, let's look into the details of what we need to do to complete the revolution by moving the various State departments in the appropriate direction. These details will involve knowing how to use and manipulate many political aspects, including: the freedom of the Press, the right of association, freedom of conscience, the voting principle, and many other things which must forever disappear from people's memories – or which must undergo a radical alteration the day after the new constitution is officially announced. We need to introduce many new laws, and the best time to announce them is now rather than later. The reason for this is, if we bring in new laws after the time when we have fully come into power then people will be fearful of them and may reject them. Because after that time there will be a period of harsh severity and limitations, and any additional restrictive laws will make the people feel that things are just getting worse. If the only way to bring in these new laws is to discard some of our existing laws, this will give the wrong impression, like we have recognized our own wrong-doing. This will damage our image as a figure of faultless authority. We'll get no thanks for this because people will assume that backing-off is our duty. Both of the two above scenarios would damage the prestige of the new constitution. From the moment it is announced, and while the peoples of the world are still stunned by the fact that a revolution has taken place and are still in a condition of terror and uncertainty, what we want is that they should recognize once for all that we are so strong, so unbeatable, so super-abundantly filled with power, that in no case shall we take any of their objections into consideration. And that we are so far from paying any attention to their opinions or wishes, that we are ready and able to crush all forms of expression with irresistible power. At every moment and in every place we will have seized everything we wanted all at once, and in no case shall we share our power with them... Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all.

We Are Wolves

4. The Goyim are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock? ...

5. There is also another reason why they will close their eyes: for we shall keep promising to give back all the liberties that we have taken away from them; just as soon as we have defeated what we claim are the enemies of peace and have everyone under control...

6. It is not worth saying anything about how long they will be kept waiting for this return of their liberties...

7. Why have we invented this whole policy and cunningly inserted it into the minds of the Goy without giving them any chance to examine its underlying meaning? And why have we taken such a roundabout way to obtain things for our scattered tribe (of Jews)? Well, because we couldn't have done it directly. This has served as the basis for our organization of **secret Freemasonry which is not known to, and has aims which are not even so much as suspected by, the Goy. These Goy cattle are attracted by us into the "show" army of Masonic lodges in order feel superior to, and look down upon their fellow Goys.**

8. God has granted to us, His Chosen People, the gift of spreading ourselves widely throughout the world. To most people this appears to be our weakness. But as it happens, this has brought forth our strength and we are now on the threshold of sovereignty over the entire world.

9. There is not much remaining for us to do in terms of building up the foundation which we have laid for our plans.

Protocol #12 – Control of the Media

1. The word "freedom" which can be interpreted in various ways, is defined by us as follows:
2. Freedom is the right to do what the law allows. This interpretation of the word will, at the proper time, be of service to us because all freedom will then be in our hands; since the laws will abolish or create only what is desirable for us according to the abovementioned program.
3. We shall deal with the media in the following way: What is the role played by the media today? It sometimes serves to excite and inflame those passions which are needed for our purpose, and at other times it serves the selfish desires of other parties. It is often bland, unjust, dishonest, and the majority of the public haven't the slightest idea what purpose the media really serves. We shall saddle and bridle it with a tight chain. We shall also do the same with all other productions of the printing press; for what would be the sense of getting rid of attacks from newspapers if we remain targets via pamphlets and books? The output of the media is nowadays a source of heavy expense owing to the necessity of censoring it. We will turn it into a very lucrative source of income to our State by laying a special stamp tax on it and requiring deposits of caution-money before permitting any new media companies from being established. They will then be required to guarantee our government against any kind of attack from their media. For any attempt to attack us (if that's still possible) we shall inflict fines without mercy. Such measures as stamp tax, deposit of caution-money and fines secured by these deposits, will bring in a huge income to the government. It is true that political groups which have money to spare might still attack us for the sake of publicity regardless of these fines. But these we shall shut up at the second attack upon us. No one shall lay a finger on the aura of our government infallibility without being punished. The pretext for stopping any publication will be the alleged plea that it is agitating the public mind without good reason or at an inappropriate time. **I beg you to note that among those making attacks upon us will also be entities established by us; but they will only attack points of our plan which we have already decided to alter.**

We Control the Media

4. **Not a single announcement will reach the public without our control.** Even now this is being achieved by us due to the fact that all news items are received by only a few agencies, and their offices are a focal point for news coming in from all parts of the world. These agencies will already be entirely owned by us and will only publish what we dictate to them.
5. We have effectively taken possession of the minds of the Goy communities to such an extent that they have all come to look upon the events of the world through the colored glasses which we have placed on their noses. Already now there is not a single State which has barriers preventing us from gaining access to what Goyim stupidity call "State secrets". What will our positions be when we are acknowledged as supreme lords of the world, and have one of our persons as the king of all the world...
6. Let's turn again to the **future of the printing press.** Every one desirous of being a publisher, librarian, or printer, will be obliged to first acquire a special license for that purpose, which in case of any fault, will be immediately suspended. With such measures **the thoughts of the people will be under the control of our government, who will educate them appropriately, and won't allow the masses to be led along different paths and by fantasies about the blessings of progress.** All of us here know that these delusional blessings give rise to fanciful dreaming which leads to anarchy among the people and towards authority. This is a bad thing because progress, or rather the idea of progress, has brought forth all sorts of ideas about gaining freedom, but has failed to establish its limits... All the so-called libertarians are anarchists, either in thought or in reality. Every one of them, in hunting for the phantoms of freedom, ends up involved in anarchy, and protests for the sake of protesting...

Free Press Destroyed

7. We turn now to the periodical press. We shall impose on it, and on all printed matter, stamp taxes per sheet and deposits of caution-money. Books of less than 30 sheets will pay double. We shall classify them as pamphlets for two reasons: firstly to reduce the number of magazines, because these are the worst form of printed poison, and secondly, to force writers to make such lengthy productions that they will be little read, especially seeing that they will also be costly. At the same time what we shall publish pamphlets ourselves to influence mental development in the desired direction. Our publications will be cheap and eagerly read. This will also bring us some profits. The tax will bring

uninteresting literary ambitions within reach and the risk of possible penalties will make literary men dependent upon us. And if anyone is desirous of writing against us – they will not find any person eager to put their productions in print because the publisher or printer will first have to apply to the authorities for permission to do so.

Thus we shall have advanced knowledge of all tricks being preparing against us and shall nullify them by getting in ahead with our explanations on the subject being discussed.

8. Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralize the injurious influence of the privately-owned press and will put us in possession of a tremendous influence upon the public mind... If we give permits for ten privately-owned journals, we shall establish thirty journals of our own, and so forth in the same proportion. This, however, must in no way be suspected by the public. For this reason all journals published by us will be very opposite, in appearance, tendencies and opinions to our official stance. This will create confidence in our journals, bringing over to us quite unsuspecting opponents, who will thus fall into our trap and be rendered harmless. We will divide our media components into three layers or ranks...

9. In the front rank will be publications of an official character. They will always stand guard over our interests, and therefore their influence will be comparatively insignificant.

10. In the second rank will be the semi-official publications, whose part it will be to normally support us and sometimes criticize us, but only over issues of lukewarm importance.

11. In the third rank we shall set up what looks like our own opposing camp, which, in at least one of its publications, will present what looks like the very enemy of us. Our real opponents at heart will accept this simulated opposition as their own and will reveal their identities and plans to us.

12. Our newspapers will be of all possible complexions – aristocratic, republican, revolutionary, even anarchical – for only as long, of course, as the constitution exists... Like the Indian idol "Vishnu" they will have a hundred hands, and every one of them will have a finger on any one of the public opinions as required. When an emotive issue arises, these hands will lead opinion in the direction of our aims; for an excited person loses all power of judgment and easily yields to suggestion. Those fools who will think they are repeating the opinion of a newspaper of their own camp will actually be repeating our opinion or any opinion that seems desirable for us. In the vain belief that they are following the ideology of their party they will, in fact, be following the flag that we have hang out for them.

13. In order to direct our newspaper militia in this way we must take special and minute care in organizing this matter. Under the title of Central Department of the Media we shall arrange literary gatherings at which our agents will, without attracting attention, issue the orders and specify the 'important issues' of the day which journalists need to cover. By superficially discussing and opposing, but without touching the essence of the matter, our appointed people will carry on sham fights and arguments with the official newspapers solely for the purpose of giving us a reason to express ourselves more fully than we could have done from the outset in official announcements, whenever of course that is to our advantage.

14. **These attacks upon us will also serve another purpose, namely, that our subjects will be convinced of the existence of full freedom of speech and this gives our agents an occasion to claim that all publications which oppose us are empty babblers,** since they are incapable of finding any substantial objections to our orders.

Only Lies Printed

15. Methods of organization like these, which are imperceptible to the public eye but are sure to work, are calculated as being the best way to succeed in bringing the attention and the confidence of the public to the side of our government. Thanks to such methods we shall be in a position, as may be required from time to time, to excite or calm the public mind on political questions, to persuade or to confuse, sometimes printing truth, sometimes lies, facts or their contradictions. We will do this according to how well these messages are received, and always very cautiously feeling the ground before stepping upon it... **We shall have an assured victory over our opponents since they will not have the appropriate access to the media in which they can give full and final expression to their views** owing to the above-mentioned methods of dealing with the media. We shall not even need to refute them except very superficially.

16. Trial shots like these, fired by us in the third rank of our press, will, when necessary, be energetically refuted by us in our semi-official publications.

17. Even nowadays, already, to take only the French press as an example, there are groups which reveal Masonic-like solidarity in acting together on the 'important issues': all people of the media are bound together by professional secrecy; and like the priests of ancient Rome, not one of them will give away the secret of his sources of information unless the group agrees upon it. Not one journalist will venture to betray this secret, for not one of them is ever admitted to practice journalism unless his whole past has some dark and disgraceful secret in it... For if he did, these secrets would be immediately revealed. So long as they remain the secret of a few, the prestige of the journalist allows him to attack the majority of the country – and the mob will follow after him with enthusiasm.

18. Our mischievous plans are also designed to apply to the rural areas. It is essential for us to stir up there, those hopes and impulses which, at any moment, we could also stir up in the major cities. We shall tell the people of those cities that these expressions are the independent hopes and impulses of the rural people. Naturally, the source of them will be always one and the same – ours. **What we need is that, until such time as we have the majority of power, the cities should find themselves stifled by the provincial opinion of the nations, i.e., of a majority arranged by our agents.** What we need at that psychological moment is that the city-capitals should not discuss our position of majority power for no other reason than it has already been accepted by the public opinion of a majority in the rural-provinces.

19. **When we are in the period of the new regime, but prior to the assumption of our full sovereignty, we must not allow any revelation by the media to admit to any form of public dishonesty. It is necessary that the new regime should be thought to have so perfectly contended everybody that even criminality has disappeared...** Occurrences of criminality should remain known only to the victims and to chance witnesses – no one else.

Protocol #13 – Distractions

1. We need the Goyim to keep silent and be our humble servants. When we hire Goyim to work at our media companies, we might order them to discuss things which are inconvenient for us to discuss directly via our official documents. They will raise a din of discussion and create a distraction which will allow us to quietly introduce the laws we want and then present them to the public as an accomplished fact. No one will dare to demand the cancellation of a law that we've put forth, especially since it will be presented as an improvement... And immediately afterward, the media will distract the current of thought towards new issues. After all, haven't we trained people always to be always seeking something new? The brainless dispensers of opinions and forecasts will then throw themselves into the discussions of these new issues. Even now those people are not able to understand that they don't have the remotest conception about the matters which they have chosen to discuss. Political issues are incomprehensible to all except those who have guided it already for many ages; namely, the creators of our philosophy.

2. From all this you will see that the apparent public opinion is that we are only carrying out the necessary functions of the government. And you may notice that it is not our actions but our words which seem to be more important when seeking approval. We are constantly making public declarations claiming that we are guided in all that we do, by the hope and conviction that we are serving the common good in solving their problems.

We Deceive Workers

3. Some people may be problematic for us in the way that they discuss political issues. In order to distract these people we are now putting forward what we allege to be new political issues, namely, questions of industry. In this arena let them discuss themselves silly! The masses have agreed to remain inactive; to take a rest from what they suppose are political actions – and we trained them to do this in order to use them as a means of combating the Goy governments. They will remain this way only on condition of being found new activities, and we are prescribing them something which looks like the same political goal. In order that the masses don't figure out what they are really doing **we will further distract them with amusements, games, pastimes, passions, luxury homes...** **Via the media, we shall soon begin to propose competitions in art, and in sport of all kinds:** these interests will finally distract their minds from asking questions which we would definitely not want to answer. Growing more and more unaccustomed to reflect and form any opinions of their own, people will begin to talk in the same manner as we do because we alone shall be

offering them new directions for thought... Of course we will do this through persons who will not be suspected of working alongside us.

4. The part played by the libertarians and utopian dreamers will be finally come to an end when our government is acknowledged. Up until that time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories that are new and apparently progressive: For we have completely and successfully attracted the brainless minds of the Goyim with the pursuit of progress, to the point where there is not one Goyim mind able to perceive that under this word lies a departure from truth in all cases. With the exception of material inventions, progress is an illusory idea which serves to obscure truth. Nobody knows this truth except us, the Chosen of God, and we are its guardians.

5. When we finally come into our kingdom our orators will talk about the great problems which had turned humanity upside down, and how these problems were brought an end under our beneficent rule.

6. Who will ever suspect then that **all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?**

Protocol #14 – Assault on Religion

1. When we come into our kingdom we don't want any religion other than ours to exist: our religion of the One God with whom our destiny is bound up by our position as the Chosen People, and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the atheists whom we see today, it will not interfere with our views because it is only a transitional stage. But it will serve as a warning for future generations who will listen to our preaching of the religion of Moses, which, by its stable and thoroughly elaborated system, has brought all the peoples of the world into our enslavement. In this we shall emphasize its mystical right, on which we shall say all its educative power is based... Then at every possible opportunity we shall publish articles in which we shall make comparisons between our beneficent rule and those of past ages. The blessing of tranquility, even though it is a tranquility forcibly brought about by centuries of strife, will highlight the benefits of our system of government, and we shall point out these benefits. The errors of the Goyim governments will be depicted by us in the most explicit manner. We shall implant such an abhorrence of them that the peoples will prefer tranquility in a state of serfdom to those overemphasized rights of freedom which have tortured humanity and exhausted the very sources of human existence; sources which have been exploited by a mob of rascally adventurers who don't know what they're doing... **Worthless changes in types of government, which we forced on the Goyim when we were undermining their state structures, will have so wearied the peoples by that time, that they will prefer to suffer anything under us rather than run the risk of again enduring all the misery and strife they have already been through.**

We Shall Forbid Christ

2. At the same time we shall not forget to emphasize the historical mistakes of the Goy governments which have tormented humanity for so many centuries by their lack of understanding of everything that constitutes the true good of humanity in their pursuit of ill-conceived schemes of socialist blessings. These governments have never noticed that these schemes kept on producing a worse, and never a better, state of the universal relations which are the basis of human life...

3. The whole strength of our principles and methods will lie in the fact that we shall present them in great detail as a splendid alternative to the, dead and decomposed, old way of doing things in social life.

4. Our philosophers will discuss all the shortcomings of the various beliefs of the **Goyim, but no one will ever bring our faith from its true point of view under discussion since this will be fully learned only by ourselves and we will never dare to betray its secrets.**

5. **In countries known as progressive and enlightened we have created senseless, filthy, abominable literature.** For some time after our entrance to power we shall continue to encourage its existence in order to provide some relief in contrast to the speeches and party politics which will be distributed from our grandiose quarters... Our wise men,

trained to become leaders of the Goyim, will compose speeches, presentations, memoirs and articles. These will be used by us to influence the minds of the Goyim, directing them towards certain types of knowledge and conclusions which have been determined by us.

Protocol #15 – Ruthless Suppression

1. We shall come into our kingdom by the aid of a sudden overthrow of a government; done by our small group and carried out everywhere at once and all within a single day. It may be a while before this takes place, perhaps even a whole century. But when at last this definitely happens, and has been definitely acknowledged, we shall make it our job to see that things such as plots against us shall no longer exist. With this purpose we shall slay without mercy all who take up arms to oppose our coming into our kingdom. Every kind of new institution which is anything like a secret society will also be punished with death. Those of them which are now in existence are known to us – they serve us and have served us. We shall dissolve these and send their members into exile to continents far removed from Europe.

In this way we shall deal with those Goy Masons who know too much; some of whom we may spare for some reason, and they will be kept in constant fear of exile. We shall formally declare a law making all former members of secret societies liable to exile from Europe which will be the center of our rule.

2. Resolutions of our government will be final, and without appeal.

3. The disagreement and Protestantism we planted in the Goy societies has now taken deep root. The only possible way of restoring order is to employ merciless measures that prove the effectiveness of the direct force of authority. No concern must be given to the victims who fall – they suffer for the well-being of the future. Achieving that state of well-being, even at the expense of sacrifices, is the duty of any kind of government that acknowledges as justification for its existence, not only its privileges but its obligations. The best way to guarantee stability of rule is to reinforce the aura of power, and this aura is gained only by displaying such a convincing stubbornness of might that it shall carry the banner of invincibility from mystical causes on its face – from the choice of God. **It was like this until recent times, when the Russian autocracy was the one and only serious foe we had in the world, not counting the Pope.** Bear in mind the example when Italy, drenched with blood, never touched a hair on the head of Sulla who had poured forth that blood: Sulla enjoyed a god-like status for the might in him, but his fearless return to Italy made him appear sacred and invincible. The people do not lay a finger on someone who hypnotizes them by his daring and mental strength.

Secret Societies

4. Meanwhile, however, before we come into our kingdom, we shall act in the contrary way: we shall create and multiply Free Masonic lodges in all the countries of the world and bring all types of people into them – people who may become or who are already prominent in public activity. In these lodges we shall find our principal intelligence office and means of influence. We shall bring all these lodges under one central administration which known to us alone and absolutely unknown to all others, and which will be composed of our learned elders. The lodges will have their representatives who will serve to screen the above-mentioned administration of Masonry and who will issue the watchword and program. In these lodges we shall tie the knot which binds together all revolutionary and liberal elements. They will come from all levels of society. The most secret political plots will be known to us and fall under our guiding hands on the very day of their conception. **Among the members of these lodges will be almost all the agents of international and national police** since their service for us is irreplaceable based on the fact that the police are in a position to not only use their own particular measures with members who are insubordinate, but also to screen our activities and provide pretexts for discontents, etc.

5. The classes of people who most willingly enter into secret societies are those who live by their wits, the career-seeking types, and in general, mostly light-minded people, with whom we shall have no difficulty in dealing with and in using to wind up the mechanism of the machine devised by us. If this world grows agitated it is because we have had to stir it up in order to break up its too great solidarity. **But if a plot should arise in its midst, then the person in charge of that plot will be none other than one of our most trusted servants.** It is natural that no one else other than us should lead Masonic activities, for we know where we are heading; we know the final goal of every type of activity. Whereas the Goyim have knowledge of nothing; not even of the immediate effect of an action. They usually only consider the momentary satisfaction which comes from the accomplishment of their thoughts. They don't notice that their thoughts didn't arise from their own initiative but from ideas which we planted in their heads...

Gentiles are Stupid

6. The Goyim enter the lodges out of curiosity or in the hope (by using their resources) of getting a piece of the public pie; and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for the emotion of success and applause, and we always generously applaud them. And the reason why we give them this success is that it gives them an overrated opinion of themselves, which we can then make use of. This conceit unconsciously causes them to include our suggestions into theirs without being on their guard against them. They are fully confident that it is their own infallibility which is giving rise to their own thoughts and that it is impossible for them to borrow those of others... You cannot imagine to what extent the wisest of the Goyim can be brought to a state of unconscious simple-mindedness in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest ill-success; even though it be nothing more than the lack of the applause which they previously had, and to reduce them to a slavish submission for the sake of winning a renewal of success... **We ourselves can disregard success so long as we are able to carry through our long-term plans. The Goyim on the other hand are willing to sacrifice long-term plans in order to have success.** This psychology of theirs assists and enables us to set them in the required direction. These tigers in appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality into the symbolic unit of **communism**... They have never yet (and never will) have the sense to realize that this hobby-horse is a clear violation of the most important law of nature: that it has created an entity quite different from any other since the very creation of the world, and that its only purpose is to control individuality...

7. Isn't the fact that we have been able to bring them to such an extent of stupid blindness a proof, and an amazingly clear proof, of the degree to which the mind of the Goyim is undeveloped in comparison with our own mind? Yes it is; and this is what mainly guarantees our success.

Gentiles are Cattle

8. And how far-sighted were our learned elders in ancient times when they said that to attain a serious end it is essential not to stop at any means or to count the victims sacrificed for the sake of that end... We have not counted the victims of the ancestry of the Goy cattle, and we have sacrificed many of our own. But in exchange for that we have now given them such a position on the earth as they could not even have dreamed of. The comparatively small numbers of the victims of our own people has preserved our nationality from destruction.

9. Everyone has to die someday. So it is better that those who hinder our affairs die much sooner than us since we are the founders of this plan. **We execute masons in such a clever way that no one other than us, the brotherhood, can ever suspect anything – not even the victims of our death sentence. They all die when required as if from natural causes**... Knowing this, even the brotherhood dare not protest. Using these methods we have removed the very root of protest against our management style out of the midst of the Masonry. While preaching liberalism to the Goy, at the same time we keep our own people and our agents in a state of unquestioning submission.

10. Under our influence the laws of the Goyim are rarely followed. The prestige of the law has been destroyed by the liberal interpretations introduced into this area. When it comes to the most important and fundamental affairs and questions, **judges make the rulings that we tell them to make**, and we surround them with information that tells them how to view matters so that they can be the administration of the Goyim. Of course, we carry out our work via persons who are our tools and these people do not appear to have anything in common with us – e.g. by using newspaper opinions or by other means... Even senators and the higher administration accept our opinions and ideas. The undeveloped mind of the Goyim is incapable of doing analysis and observation, and even less capable of predicting where a certain manner of wording a law may lead.

11. Based on this difference in capacity for thought between the Goyim and ourselves, it clearly marks us as being in our rightful position as the Chosen People and of our higher quality of humanness, in opposing contrast to the brute mind of the Goyim. Their eyes are open, but they see nothing before them and do not invent (unless perhaps, material things). From this it is plain that nature herself has destined us to guide and rule the world.

We Demand Submission

12. When the time comes for our overt rule, the time to manifest its blessing, we shall rewrite all legislation. All our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature which will run right through them is submission to orders, and this principle will be carried to a grandiose height. Every abuse will then disappear as a result of the orders being enforced via a long chain of hierarchy of authority, leading from the lowest unit up to the highest representative of power. Subordinates of this highest representative who abuse their power will be so mercilessly punished that no one will be anxious to experiment with their own powers. We shall eagerly follow up every action of the administration which the smooth running of the machinery of the State depends upon – for slackness in this produces slackness everywhere. Not a single case of illegality or abuse of power will go without a punishment designed to also serve as a strong warning.

13. Concealment of guilt, encouragement of wrongdoing between those in the service of the administration – all this kind of evil will disappear after the very first examples of severe punishment. The aura of our power demands suitable, that is, cruel, punishments for the slightest infringement, and we do this to improve the prestige of our supreme power. The sufferer, though his punishment may exceed his offence, will be counted as a soldier falling on the administrative field of battle in the interest of authority, principle and law. Our principles do not permit that any of those who hold the reins of the public coach should exit from the public highway to their own private roads. **For example our judges will know that whenever they feel disposed to pride themselves by handing out foolish pardons they are violating the law of justice which was established for the moral education of men by giving punishment for wrongdoing, and not for displaying the spiritual qualities of the judges...** Such qualities are proper to show in private life, but not in a public square which is the educational base of human life.

14. Our legal staff will serve not beyond the age of 55, firstly because old men more obstinately hold to prejudiced opinions, and are less capable of submitting to new directions, and secondly because this will give us the possibility of securing flexibility in the changing of staff, who will then more easily bend under our pressure: he who wishes to keep his place will have to give us blind obedience to deserve it. In general, our judges will be elected by us and only from among those who thoroughly understand that the part they have to play is to punish and apply laws, and not to dream about the manifestations of liberalism at the expense of the educational scheme of the State, as the Goyim these days imagine it to be... This method of shuffling the staff will also serve to break apart any collective solidarity of those in the same service and will bind them all to the interests of the government upon which their fate will depend. The young generation of judges will be trained to have certain views regarding the inadmissibility of any abuses which might disturb the established order of our subjects among themselves.

15. Nowadays the judges of the Goyim are tolerant toward every kind of crime. They don't have a proper understanding of their office because the rulers of today, when appointing judges, take no care to implant a sense of duty and consciousness in them toward the actions which are demanded of them. Just as a savage beast lets out its young in search of prey, so do the unthinking rulers let out their poorly trained judges to make bad decisions on cases of crime. Goyim then behave in a criminal manner that fits the purpose for which these judges' positions were created. This is the reason why their governments are being ruined by their own forces through the acts of their own administration.

16. Let us use the results of these actions as an example for yet another lesson for our government.

17. We shall root out liberalism from all the important strategic posts of our government which are in charge of the training of subordinates of our State structure. Such posts will be assigned exclusively to those who have been trained by us for administrative rule. To the possible objection that the retirement of old servants will cost the Treasury heavily, I reply, firstly, that they will be provided with some private service in place of what they lose, and secondly, I need to point out that all the money in the world will be concentrated in our hands. So it is not our government which needs to fear the expense.

We Shall Be Cruel

18. Our totalitarianism will have all the components of its structure logically arranged and therefore our superiority will be respected and unquestionably fulfilled in each one of its decrees. It will ignore all complaints, all disagreements of every kind and will destroy the root of every kind of manifestation of them by punishments that are publically visible.

19. We shall abolish the right of judges to annul our rulings. This right will be transferred exclusively to us – to the jurisdiction of the ruler, for we must not ever allow the people to think that there could be such a thing as a decision which is considered wrong in the eyes of the judges who were appointed by us. But if anything like this should occur, we shall void the decision ourselves, and then inflict explicit punishment on the judge for failing to understand his duty and the purpose of his appointment. The punishment must be sufficient to prevent a repetition of such cases... I repeat that it must be deep-seated in our minds that we shall know every part of our administration. This administration only needs to be closely watched in order for the people to be content with us. For the people have the right to demand that good officials come from a good government.

20. **Our government's ruler will have the appearance of a father-figure guardian.** Our own nation and our subjects will see in him: a father caring for their every need, their every act, their every inter-relation as subjects with one another, as well as their relations to the ruler. They will then be so thoroughly filled with the thought that it is impossible for them to dispense with this guardianship and guidance, if they wish to live in peace and quiet, **that they will acknowledge the autocracy of our ruler with a devotion bordering on deity worship**, especially when they are convinced that those whom we appoint do not put themselves in place of authority, but only blindly execute his dictates. They will be rejoiced that we have regulated everything in their lives, in much the same way as wise parents who wish to train their children to be duty-bound and submissive. For, in regard to the secrets of our system of government, the peoples of the world are always throughout history only under-age children, just as their governments are likewise.

21. As you see, I founded our despotism on right and duty: the right to compel the execution of duty is the direct obligation of a government which is a father for its subjects. It has the right of the strong, and the right to use that strength for the benefit of directing humanity towards that established order which is defined by nature, namely, submission. Everything in the world is in a state of submission, if not to man, then to circumstances or its own inner character. In all cases, everything is in submission to what is stronger. And so shall we be this something stronger for the sake of good.

22. We are obliged, without hesitation, to sacrifice individuals who commit a breach of established order, because the explicit punishment of evil makes a great educational program.

23. When the King of Israel sets the crown offered to him by Europe upon his sacred head he will become patriarch of the world. The necessary victims created by him as a result of their suitability (e.g. as criminals) will never reach the number of victims created in the course of centuries by the mania of magnificence: by the jealous rivalry between the Goy governments.

24. Our King will be in constant communion with the peoples, making famous speeches to them from the pulpit, which will be distributed over the entire world within the hour.

Protocol #16 – Brainwashing

1. In order to bring about the destruction of all collective forces except ours, we shall disable the first stage of collectivism – the **universities**, by reeducating them in a new direction. **Their officials and professors will be prepared for their business by detailed secret programs of action from which they will not be allowed to diverge, not by one iota. They will be appointed with particular precaution, and will be placed so as to be wholly dependent upon the government.**

2. We shall exclude State Law from the course of instruction and also any material that deals with the political mechanism. These subjects will be taught to a few dozen persons chosen for their preeminent capacities from among those of the initiated. **The universities must no longer graduate weak individuals concocting plans for a constitution. Like a comedy or a tragedy, those people are concerning themselves with questions of policy in which not even their own fathers ever had any power of thought.**

3. When large number of persons attempt to deal with issues of administrative regulation, this creates utopian dreamers and bad subjects. You can see this for yourselves from the example of the universal education of the Goyim in this direction. We must introduce all those principles into their education which have so brilliantly broken down their harmony. But when we are in power we shall remove every kind of disturbing subject from the course of education and shall turn the youth into obedient children of authority, who love the ruler as being the support and hope for peace and quiet.

We Shall Rewrite History

4. Classicism, as with all other forms of study of ancient history, has more bad than good examples. We shall replace these with the study of the program of the future. We shall erase from the memory of men, all facts of previous centuries which are undesirable to us, and leave only those which show all the errors of the governments of the Goyim. The study of practical life; of the obligations of maintaining order; of the relations of people to one another; of avoiding bad and selfish examples which spread the infection of evil; and similar questions of an educative nature: we will bring these to the forefront of the teaching program. This program will be drawn up as a separate plan for each career path or position in life, and in this way it generalizes the teaching. This aspect of the program has special importance...

5. Each career path or position in life must be trained within strict limits corresponding to its aim, and how it fits in with day-to-day life. **The occasional genius has always managed, and always will manage, to slip through into other positions in life. But it is a big mistake to let this rare occasional genius into ranks which are foreign to them. They are untalented people who take over the jobs belonging to those ranks granted by birth or employment. You know yourselves in what manner all this has ended for the Goyim who allowed this crying absurdity.**

6. In order that the ruler may be firmly seated in the hearts and minds of his subjects, it is necessary, for the duration of his rein, to instruct the whole nation in the schools and on the market places about the purpose of his actions and all his beneficent initiatives.

7. We shall abolish every kind of freedom of instruction. Learners of all ages have the right to assemble together with their parents in the educational establishments, as if it were a club. During these assemblies, and on holidays, teachers will read what will pass as free lectures on social and relationship issues, of the laws of examples, and of the philosophy behind new theories not yet declared to the world. These theories will be raised by us to the stage of a dogma of faith, like as a traditional stage towards our faith. Now that I have completed this explanation of our program of action in the present and the future, I will read you the principles of these theories.

8. Basically, we know from many centuries of experience that people live and are guided by ideas, and that these ideas are absorbed by people only with the aid of education that has equal success for all ages of growth. But of course by various methods, we shall swallow up and confiscate the last scintilla of independence of thought. We have been directing all thoughts towards subjects and ideas that are useful to us, and have been doing so for a long time. The system of bridling thought is already at work in the so-called system of teaching by **object lessons**; the purpose of which is to turn the Goyim into unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them... In France, one of our best agents, Bourgeois, has already made public a new program of teaching by object lessons.

Protocol #17 – Abuse of Authority

1. The practice of being a defense attorney produces men who are cold, cruel, persistent and unprincipled; and who take up an impersonal, purely legal standpoint in all cases. They have the bad habit of basing their defense on the value of the people they are representing, and not on the public welfare of its results. They rarely decline to undertake any defense whatever. Instead they strive for an acquittal at all costs; raising trivial objections over every nitpicking point of legislation and in this way they demoralize justice. For this reason we shall set this profession into narrow frames which will keep it inside a sphere of executive public service. Defense attorneys, equally with judges, will be deprived of the right of communication with the litigant. They will receive business only from the court and will study it by

notes of report and documents, defending their clients after they have been interrogated in court on facts that have appeared. They will receive a fixed payment without regard to the quality of their defense. This will render them as mere reporters on legal-proceedings in the interests of justice and as a counterbalance to the prosecution lawyer who will be the reporter in the interests of prosecution. This will shorten business before the courts. In this way a practice of honest unprejudiced defense will be established which is not motivated by personal gain but by conviction. Incidentally this will also remove the current practice of corrupt bargaining between different levels of courts which agrees to only let that side which pays the most, win...

We Shall Destroy the Clergy

2. For a long time in the past, we have taken care to discredit the priesthood of Goyim, and thereby to ruin their mission on earth which might still be a great hindrance to us in the present day. Day by day it is losing its influence on the peoples of the world. **Freedom of thought has been declared everywhere and the moment of the complete wrecking of the Christian religion is now only years away.** As for other religions, we shall have even less difficulty in dealing with them, but it would be premature to speak of this now. We shall restrict the ability of the clergy to influence the government into such narrow frames as to make their influence move increasingly backward in comparison to their former progress.

3. When the time finally comes to destroy the papal court, the finger of an invisible hand will point the nation's anger toward this court. When, however, the nations come to attack it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very inner sanctum and be sure to never come out again until we have gnawed through the entire strength of this place.

4. The king of the Jews will be the real pope of the universe, the patriarch of the international church [The Antichrist??].

5. But, in the meantime, while we are reeducating youth in new traditional religions and then afterwards in ours, **we shall not overtly lay a finger on existing churches, but we shall fight against them using criticism calculated to produce internal disunity...**

6. In general, then, our contemporary media will continue to **condemn** State affairs, religions, and imperfections of the Goyim; always using the most disrespectful expressions in order to lower their prestige by every means and in a manner which can only be done by the genius of our gifted tribe...

7. Our kingdom will be a representation of the Hindu deity Vishnu – our hundred hands will be on the controls of the machinery of social life. We shall see everything without the aid of official police which, because of the limitations on their powers, hinders governments from seeing properly. We have made a list of similar limitations to be applied on the Goyim. In our programs **one-third of our subjects will keep the rest under observation** from a sense of duty, and on the principle of volunteer service to the State. It will then be no disgrace to be a spy and informer, but a merit. False accusations made before a public prosecutor, however, will be cruelly punished so as to prevent abuses of this right.

8. Our informers will be selected from all ranks of society: from among the administrative class who spend their time in amusements, editors, printers and publishers, booksellers, clerks, and salesmen, workmen, coachmen, lackeys, etc. This body, having no rights and not being empowered to take any action on their own account, and consequently a police without any power, will only witness and report. Verification of their reports and arrests will depend upon a responsible group of controllers of police affairs, while the actual act of arrest will be performed by the gendarmerie and the municipal police. Any person not reporting anything seen or heard concerning issues of political importance will also be charged with and made responsible for concealment – if it be proved that he is guilty of this crime.

9. Just as nowadays our brethren are obliged at their own risk to formally condemn the Kabbalah apostates of their own family or members who have been noticed doing anything in opposition to the **Kabbalah, so in our kingdom over all the world it will be obligatory for all our subjects to observe the duty of service to the state in this direction.**

10. Such an organization will eliminate abuses of authority, of force, of bribery – everything in fact which we, by our wisdom, by our theories of the superhuman rights of man, have introduced into the customs of the Goyim... But how else were we to bring about that increase of trigger events which lead to disorders within their administration? ... Among those methods, one of the most important is having agents for the restoration of order placed in such a way as to have the opportunity to cause problems. They will use their disintegrating activity to develop and display their evil inclinations – obstinate self-conceit, irresponsible exercise of authority, and, first and foremost, an openness to bribery and corruption.

Protocol #18 – Arrest of Opponents

1. When we need to give more power to our secret police (which are the best form of defense for those in authority) we will arrange for some fake disorders to take place. We will then arrange for a group of skilled speakers who will cooperate in pretending to be angry citizens crying out about this. People who are sympathetic to what is being said will then gather around these speakers. This will give us the pretext for demanding that a select group of Goyim police be able to put people's homes under surveillance...

2. Most conspirators act because they enjoy that type of activity and like to brag about it afterward. So until they do something big we won't do anything to them, except to bring a few things to their attention... If a government frequently discovers that there are conspiracies against them, this gives them a bad image: it makes them look like they know they are weak or, worse yet, that they know they are unjust. As you are aware, we have damaged the image of the Goy kings by making frequent assassination attempts on them. We have done this through our agents, some of whom are people who blindly believe and act on what we tell them; providing that we phrase it in a freedom-seeking political manner. **We have forced the rulers to acknowledge their weakness by showing everyone the many secret plots against them. In this way we shall destroy their authority.**

3. Our ruler will be secretly protected only by a minimal number of guards, because we don't want anyone to think that there could be any rebellion against him which he wasn't strong enough to handle, and needed to hide from.

4. If we allowed people to think this, as the Goyim have done and are doing, we would be effectively be signing an early death sentence – if not for our ruler, then for his dynasty.

Government by Fear

5. Our ruler must appear to only use his power for the benefit of the nation and never to build his own dynasty. In this way, his authority will be respected and guarded by the subjects themselves; it will be elevated to a glorified status because it will be seen as tied up with the well-being of every citizen of the State, and because the common people depend on the order which this authority brings...

6. When a ruler is seen to surround himself with a large number of guards, this gives the appearance that he is weak and unable to organize his defense.

7. Our ruler will always be among the people and will be surrounded by a mob of apparently curious men and women. They will occupy the front ranks about him and this will all appear to be by chance. These people will restrain the ranks of the other people, and it will appear that they are doing this out of respect and to maintain good order. This will set an example of restraint and encourage the same behavior in others. If a petitioner appears from the among the people and forces his way through the ranks in order to hand a petition to the ruler, the first ranks must receive the petition and, before the eyes of the petitioner, pass it to the ruler. In this way everyone will know that what is handed in reaches its destination and that consequently there is some control over the ruler himself.

The aura of power requires that the people may be able to say: "If the king knew of this," or: "the king will hear it."

8. Once an official defense for authority has been established, its prestige disappears. Then, given certain degree of daring, everyone could promote himself as an authority. The promoter of rebellion becomes conscious of his strength – he then waits for an appropriate moment to make his attempt upon authority... We keep telling the Goyim that it is better to have a visible defense, even though we know it is best to do the opposite. But this enables us to see what this type of defense does to them...

9. Criminals within our ranks will be arrested at the first, more or less, well grounded **suspicion.** Even though, out of fear for our defense, we may make a mistake in wrongly accusing someone, we cannot allow that person whom we suspect of a political crime to escape. So in these matters we shall be literally merciless. It may still be possible (if we stretch the legal points) to reconsider a verdict on simple crimes by examining the motives behind them. But there is no possibility of excuse for persons attempting to involve themselves in issues which can only be understood by the government... And not all governments understand true policy.

Protocol #19 – Rulers and People

1. Although we won't permit any independent person to meddle in our political affairs, we shall on the other hand encourage every kind of report or petition with proposals for the government to look into all kinds of projects for the improvement of the condition of the people. This will reveal the defects and fantasies of our subjects to us. We shall respond to these proposals by either by carrying them out or by providing a wise rebuttal to prove their shortsightedness.

2. Incitement of a rebellion is nothing more than the yapping of a lap-dog at an elephant. For a government that is well organized, not from the police but from the public's point of view, the lap-dog yaps at the elephant without being aware of its strength and importance. All it takes is a good example to show the relative importance of both, and the lap-dogs will cease to yap and will instead wag their tails from the moment they see on the elephant.

3. In order to destroy the prestige of heroism for political crime we shall put it on trial in the category of thieving, murder, and every other kind of abominable and filthy crime. Public opinion will then confuse political crime with the disgrace attached to those other types of crimes and will then brand it with the same contempt.

4. We have done our best, and I hope we have succeeded in ensuring that the Goyim should not consider that rebellion is a good thing. It was for this reason that through the Media, in speeches, and indirectly – in cleverly written school-books on history, we have advertised the martyrdom allegedly recommended by rebellion-mongers as a way of securing the common welfare of the public. This advertisement has increased the percentage of freedom seekers and has brought thousands of Goyim into the ranks of our livestock cattle.

Protocol #20 – Financial Program

1. Today we'll talk about the financial program. I've put this off to the end of my report as being the most difficult, but also the most important and decisive point of our plans. Before starting on it, I will remind you that I have already spoken about it earlier by way of a hint when I said that the sum total of our actions is settled by financial issues, particularly, the question of large amounts of money.

2. When we come into our kingdom our autocratic government will avoid over-taxing the people. It will do this for reasons of self-preservation because it sensibly remembers that it plays the part of father and protector. But running a State organization is very expensive so it is still necessary to obtain the funds required for it. It will therefore enter into elaborate and open discussions on how to find the right balance on questions of taxation.

3. Our rule of power, in which the king will enjoy the legal fiction that everything in his State belongs to him (and this may easily be translated into fact), will be enabled to resort to the lawful confiscation of all amounts of wealth of every kind for the use of, and circulation within, the State. From this we conclude that the best kind of taxation will be a progressive tax on property. In this manner the tax will be paid without overly stressing or ruining anybody because it will be a percentage of the value of their property. The rich must be aware that it is their duty to place part of their superfluous wealth at the disposal of the State since the State guarantees them security of possession of the remainder of their property and the right of honest gains. I say 'honest' because our determination over who-owns-what will do away with the need for robbery in the standard legal sense.

4. This social reform must come from the government because the time is ripe for it – it is necessary as a pledge of peace from the government to the people.

We Shall Destroy Capital

5. Taxing poor people works to the detriment of the State, firstly because it pushes them toward revolt, and secondly because it wastes energy in pursuing tiny amounts instead of large ones. Quite apart from this, a tax on capitalists can be used to diminish the growth of wealth in private hands. Lately we have been concentrating wealth into private hands as a way of taking it away from the Goyim government. This reduces their strength because that strength comes from their State finances.

6. A tax which increases as a percentage ratio on capital will give a much larger revenue than the present individual or property tax. The present tax structure is useful to us now for the sole reason that it stirs up trouble and discontent among the different classes of the Goyim.

7. The amount of power that our king has will depend on the equilibrium and the guarantee of peace. For the sake of these things it is necessary that the capitalists should give up a portion of their incomes so that the machinery of the State works securely. The State's requirements must be paid by those who will not feel the burden and who have enough money that they can afford to have it taken from them.

8. Such a measure will end the hatred of the poor man for the rich. The poor will now see the rich as a necessary financial support for the State and the organizer of peace and well-being, since the poor man will see that it is the rich man who is providing the necessary means to attain these ends.

9. In order that taxpayers from the educated classes don't get too distressed over the new payments they will be provided with full details of where the money is going; with the exception of the money that is required for the needs of our king and the institutions which support the administration of those needs.

10. The king will not have any properties of his own because the sum of all properties in the State represents his inherited kingdom-estate. If the king were said to have ownership of a specific property, this would contradict his ownership of all other properties, and thus destroy his right to the ownership of those properties.

11. Relatives of the king – with the exception of his heirs who will be maintained by the resources of the state – must work for their livelihood and to obtain the rights to property. The privilege of royal blood must not be used to drain the treasury.

12. Receipt of money from purchases or inheritance will be subject to the payment of a progressive stamp tax. Any transfer of money or other property (which will be strictly registered by names) that is done without evidence of payment of this tax will render the former owner liable to pay interest on the tax, from the moment of transfer of these sums, up to the date of discovery of his evasion of declaration of the transfer. Transfer documents must be presented within a week at the local treasury office with notifications of the given name, surname and permanent place of residence of the former and the new owner of the property. This transfer document must include a definite sale-price amount, which exceeds the ordinary necessary expenses of buying and selling, and this will be subject to payment of a stamp duty based on a fixed percentage of the property value.

13. Think about how taxes like these will cover the revenue of the Goyim States, many times over.

We Cause Depressions

14. The State Treasury will be required to keep a certain amount of money in reserve, and anything that is collected in excess of that amount must be returned into circulation. This will be done by spending that excess on public works projects. This type of spending will bind the working class firmly to the interests of the State and to those who reign. Some money will also be set aside as rewards for inventiveness and productivity.

15. On no account should any more than the required reserve be kept in State Treasuries. Money exists to be circulated, and any kind of stagnation of money works against the best interests of the State machinery. Money is the lubricant of this machinery and a stagnation of the lubricant may stop the regular working of the mechanism.

16. Using currency to purchase interest-bearing paper (bonds), instead of spending it, has produced this kind of stagnation exactly. The consequences of this circumstance are already quite noticeable.

17. A chart of accounts will also be established by us, and in it the ruler will find the full accounting of State income and expenditure at any moment. That is with the exception of the current monthly account, which will not have been done yet, and that of the preceding month, which may not yet have been delivered.

18. The one and only person who will have no interest in robbing the State is its owner – the ruler. This is why his personal control will remove the possibility of extravagant spending by others.

19. The ceremonial duties of the ruler, such as being present at formal receptions for the sake of etiquette, absorb so much of his valuable time and will be abolished so that the ruler may have time for control and consideration. His power will not then be split up into fractional parts among the time-consuming political celebrities who surround the throne for its pomp and splendor, and who are only interested in themselves and not in the common interests of the State.

20. Economic crises have been produced by us for the Goyim by no other means than the withdrawal of money from circulation. Huge sums of capital have stagnated by withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals toward the payment of loans. These loans burdened the finances of the State with the payment of interest and made them the bonded slaves of these capitals... The concentration of money invested in industry in the hands of capitalists, who have taken that money out of the hands of small investors, has drained away all the juices of the peoples and also the States alongside them...

21. The current supply and issuance of money in general does not correspond with the requirements per head, and therefore cannot satisfy all the needs of the workers. The available supply of money ought to correspond with the growth of population and therefore children also must absolutely be counted as consumers of currency from the day of their birth. The subject of money supply is a material question for the whole world.

22. You are aware that the Gold Standard has been the ruin of the states which adopted it, because it has not been able to satisfy the demands for money, especially as we have removed gold from circulation as far as possible.

Gentile States Bankrupt

23. For us, the currency-standard which must be introduced is the cost of working-man power, whether it is represented in paper or in wood. We shall issue money in accordance with the normal requirements of each subject, adding to the quantity with every birth and subtracting with every death.

24. The accounts will be managed by each department (such as the French administrative division), and each circle of staff within the departments.

25. In order that there may be no delays in the paying out of money for State needs, the amount and terms of such payments will be fixed by decree of the ruler. This will do away with the protection by a ministry of one institution to the detriment of others.

26. The budgets of income and expenditure will be developed side by side so that they may not be obscured by the distances between each another.

27. The reforms proposed by us in the financial institutions and principles of the Goyim will be disguised in such a way that they won't alarm anybody. We shall point out that these reforms are necessary as a result of the disorderly darkness which the Goyim have plunged the finances into as a result of their accounting irregularities. The first irregularity, as we shall point out, consists of their drawing up of a single annual budget which grows year after year owing to the following cause: this budget is consumed within half the year; they then demand a budget to put things right, and they use this up in three months, after which they ask for a supplementary budget. All this ends with a liquidation budget. But, as the budget of the following year is drawn up in accordance with the sum total of the

previous year's budgets, the annual departure from the normal reaches as much as 50 per cent in a year, and so the annual budget is trebled in ten years. Thanks to such methods allowed by the carelessness of the Goy States, their treasuries are empty. The period of borrowing which follows has swallowed up what remains, and brought all the Goy States to bankruptcy.

28. You understand perfectly well that economic arrangements of this kind, which we have suggested to the Goyim, cannot be carried on by us. **29.** Every kind of loan demonstrates a weakness in the State and a lack of understanding of the rights of the State. Loans hang like a sword of Damocles over the heads of rulers who, instead of taking the desired amount from their subjects by way of a temporary tax, come begging with outstretched palms to our bankers. Foreign loans are leeches and there is no possibility of removing them from the body of the State until they fall off of themselves or the State flings them off. But the Goy States do not tear them off; they go on in persisting in putting more on to themselves so that they must inevitably perish, drained by voluntary blood-letting.

Tyranny of Usury

30. What substance makes up a loan, especially a foreign loan? A loan is defined as: an issue of government bills of exchange containing a percentage obligation based on the sum of the loan capital. For example, if the loan bears a charge of 5 per cent, then in twenty years the State vainly pays away a sum equal to the loan borrowed – just as interest; in forty years it is paying double that amount; in sixty – treble: and all the while the capital (principle) portion of the debt remains unpaid.

31. From this calculation it is obvious that, with any form of taxation per head, the State is baling out the last pennies of the poor taxpayers in order to settle accounts with wealthy foreigners. The State has borrowed money from these foreigners instead of collecting those pennies for its own needs from the taxpayers without the additional interest.

32. So long as loans were internal the Goyim only shuffled their money from the pockets of the poor to those of the rich. But when we changed the system in order to transfer loans into the external sphere, all the wealth of States flowed into our cash-boxes and the Goyim became our subjects.

33. If counties have accumulated enormous debts that are impossible to repay, it is not just because Goy kings have been careless in the way that they handle corruption of their ministers, or that they lack an understanding in financial matters, but it is also due to our actions which have required much trouble and great expense on our part.

34. Stagnation of money will not be allowed by us and therefore there will be no State interest-bearing bonds, except a one-percent series. So there will be no payment of interest to leeches that suck all the strength out of the State. The right to issue interest-bearing bonds will be given exclusively to industrial companies who have no difficulty in paying interest out of their profits. Whereas the State does not make profits on borrowed money like these companies, for the State borrows to spend and not to use in operations.

35. Industrial bonds will also be bought by the government. This will transform those industries into lenders of money at profit. This measure will stop the stagnation of money, parasitic profits and idleness. These things were useful for us when we were among the independent Goyim, but are not desirable under our own rule.

36. It should now be quite obvious that the brainpower of the Goyim is undeveloped, based on the fact that they have been borrowing from us and paying interest without ever thinking that the same amount of money plus the interest must be taken from their own State pockets in order to settle up with us. What could have been simpler than to take the money they wanted from their own people?

37. But it is a proof of the genius of our chosen mind that we have cleverly planned to present the matter of loans to them in such a manner that they have even seen them as an advantage for themselves.

38. Our accounts, which we shall present when the time comes, and which are based on the experience gained by centuries of experiments made by us on the Goy States, will be distinguished by clearness and definiteness and will show to everyone at a glance the advantage of our innovations. They will put an end to those abuses to which we owe our mastery over the Goyim, but which cannot be allowed in our kingdom.

39. We shall set up our system of accounting in such a way that neither the ruler nor the most insignificant public servant will be in a position to divert even the smallest sum from its destination without detection, or to direct it in another manner that is contrary to our fixed and definite plan of action.

40. And without a definite plan it is impossible to rule. Marching along an undetermined road and with undetermined resources brings a nation to ruin by the way of heroes and demigods.

41. The Goy rulers, whom we once upon a time advised should avoid their ceremonial duties of being a representative at State receptions, observances of etiquette and entertainments, were only smokescreens covering for our rule. The favorite courtiers who replaced the rulers in the sphere of ceremonial affairs were placed there by our agents, and every time gave satisfaction to short-sighted minds by promises that future economics and improvements were foreseen... Economics from what? From new taxes? These are questions that might have been, but were not, asked by those who read our accounts and projects.

42. You know what shape they are in due to this carelessness and to what degree of financial disorder they have arrived – putting aside the astonishingly successful industries of their peoples.

Protocol #21 – Loans and Credit

1. To what I reported to you at the last meeting, I shall now add a detailed explanation of internal loans. I won't say any more about foreign loans, because they have fed us with the national moneys of the Goyim. But for our State there will be no foreigners, that is, nothing external.

2. We have taken advantage of the mistakes of administrators and slackness of rulers to get our moneys twice, thrice and more times over; by lending moneys to the Goy governments which were not at all needed by the States. Could anyone get away with making the same type of loans to us? ... Obviously not! So I shall only deal with the details of internal loans:

3. The process begins by the State announcing that it needs to borrow money from the public. Interest-bearing paper (bills of exchange) will be printed and offered for sale. In order that these are within reach of everyone's investment capacity, the price of these bills will be kept low, and a discount will be offered for early subscribers. The next day, by artificial means, the price of them goes up; the alleged reason being that everyone is rushing to buy them. In a few days the treasury safes are so-to-speak overflowing and there's more money than they can deal with. The subscription, it is alleged, covers the issue of the loan total many times over. And in this lies the whole stage effect – "Hey look", they say, "What confidence is being shown in the government's bills of exchange".

4. But once the comedy has played out, there emerges the fact that a debit (and an exceedingly burdensome debit) has been created. In order to pay the interest on this debit it becomes necessary to take out new loans, which do not reduce, but only add to the debt owing. And when this credit is exhausted it becomes necessary to introduce new taxes to cover, not the principal of the loan, **but only the interest on it**. These taxes are a debit created to cover a debit...

5. Eventually the time comes for converting the interest-bearing paper into cash. But due to the large debit problems described above, the government announces that it will need to reduce the payment of interest without covering the principal portion of the debt. And another problem they will claim is that they can't do this conversion without the consent of the lenders; many of whom are not willing to convert their paper. If everybody expressed his unwillingness and demanded his money back, the government would be hooked on their own promises and would be found insolvent and unable to pay the proposed sums. But fortunately for the Goy governments, their subjects know nothing about financial affairs and have always preferred losses on exchange and reduction of interest to the risk of new investments of their moneys. This trick has enabled these governments to throw a debit of several millions off their backs on many occasions.

6. Nowadays, with external loans, these tricks cannot be played on us by the Goyim because they know that we shall demand all our moneys back.

7. In this way, acknowledged bankruptcy will prove to the people of various countries that their rulers do not have the financial resources to look after them.

8. I beg you to focus your attention upon this point and upon the following: nowadays all internal loans are consolidated by so-called short-term or 'flying' loans, that is, they have terms of payment more or less near. These debts consist of moneys paid into the savings banks and reserve funds. If left for long in the hands of a government, these funds will evaporate by way of payments of interest on foreign loans. But the funds are placed on deposit at these banks for equivalent amount of rents.

9. The rent (interest) paid by the banks on these deposits should cancel the interest payable on foreign loans and patch up all the leaks in the State treasuries of the Goyim.

10. When we ascend to the throne of the world all these financial and similar types of transfers will be swept away so as not to leave a trace because they are not in accord with our interests. All money markets will also be destroyed, since we shall not allow the prestige of our power to be shaken by fluctuations of prices set upon our values. We shall announce, by law, the price of securities which represents their full worth without any possibility of lowering or raising it. (Raising gives the pretext for lowering, which indeed was where we made a start in lowering the values of the Goyim.)

11. We shall replace the money markets by grandiose government credit institutions, the purpose of which will be to fix the price of industrial values (stock prices) in accordance with government views. These institutions will be in a position to fling upon the market hundreds or millions of industrial bonds in one day, or to buy up the same amount. In this way all industrial undertakings will come to depend on us. You can imagine what immense power we shall secure for ourselves in this way.

Protocol #22 – Power of Gold

1. In everything that I've reported to you so far I have endeavored to carefully describe the secret of what is coming: of what happened in the past, of what is going on now, and what will be happening while rushing into the flood of great events coming in the near future. I've also described the secret of our relations to the Goyim and of our financial operations. On this subject there still remains a little for me to add.

2. In our hands is the greatest power of our day – gold: in two days we can procure from our storehouses any quantity we may please.

3. Surely there is no need to seek further proof that our rule is predestined by God? Surely we shall not fail with such wealth to prove that that all the evil which we have had to commit over so many centuries has served at the end of ends, the cause of true wellbeing – the bringing of everything into order? Even though we need to use some violence, we will still establish our rule. We shall ingeniously prove that we are benefactors who have restored the true good and freedom of the person to the torn and mangled earth; and in this way we shall enable it to be enjoyed in peace and quiet, with proper dignity of relations with their government. This is all on the condition, of course, that strict observance be given to the laws established by us. We shall make it clearly known that freedom does not consist of careless self-indulgence or of the right to do anything that is desired, any more than the dignity and character of a gentleman does not consist in the right to promote destructive principles in the nature of freedom of thought. In the same way it follows: that freedom of the person in no way consists in the right to agitate oneself and others by abominable speeches before disorderly mobs; that true freedom consists in the righteousness of the person who honorably and strictly observes all the laws of life in common; that human dignity is wrapped up in the awareness of the rights and also of the absence of rights of each person, and not wholly and solely in fantastic imaginings about the subject of one's **ego**.

4. A single authority will be glorious because it will be all-powerful: it will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless words which they call great principles and, honestly speaking; they are nothing but unrealistic schemes of idealized perfection... Our authority will be the crowning achievement of order, and included in that is the whole happiness of man. The aura of this authority will inspire a

mystical bowing of the knee before it and a respectful fear of all the peoples before it. True force does not negotiate with any right, not even with that of God: none dare come near to it, not even to take so much as an inch of it away.

Protocol #23 – Instilling Obedience

1. In order that the peoples may become accustomed to obedience it is necessary to frequently impose lessons of humility and therefore we need to reduce the production of luxury items. By doing this we shall improve morals which have been depreciated by the emulation of luxurious lifestyles. We shall resurrect small business production which will require placing a land-mine under the private capital of large manufactures. This is also necessary for the reason that large manufacturers often move, although not always deliberately, the thoughts of the masses in directions against the government. A society of small business masters knows nothing of unemployment and this binds them closely with existing order, and consequently with the firmness of authority. For us its role will have been played out, and hence will no longer be useful, once authority is transferred into our hands. Drunkenness also will be prohibited by law and punishable as a crime against the humanness of man who is turned into a brute under the influence of alcohol.

2. Subjects, I repeat once more, give blind obedience only to authority figures that are strong and absolutely independent of them, because they feel that these figures are a defense against social evils... Why would they want a king with an angelic spirit? What they need to see in him is the personification of force and power.

3. The existing rulers are currently dragging out their existence among societies demoralized by us. Those societies have denied even the authority of God who now feeds the fire of anarchy on all sides. The supreme lord who will replace all those rulers must first proceed to quench this all-devouring flame. Therefore he will be obliged to kill off those existing societies, even though he should need to drench them with the blood of his own people, so that he may resurrect them again in the form of regularly organized troops fighting conscientiously against every kind of infection that may cover the body of the State with sores.

4. This Chosen One of God is chosen from above to demolish the senseless Goy forces which are moved by instinct and not reason: by brutishness and humanness. These Goy forces now triumph in manifestations of robbery and every kind of violence under the guise of principles of freedom and rights. They have overthrown all forms of social order to erect themselves on the ruins of the throne of the King of the Jews. But their part will have been played out from the moment our King enters into his kingdom. Then it will be necessary to sweep them away from his path, and there must be no trace of them left on it.

5. Then will it be possible for us to say to the peoples of the world: “Give thanks to God and bow on your knee before our King who bears on his front the seal of the predestination of man. God himself has led his star such that none other but Him might free us from all the above-mentioned forces and evils.”

Protocol #24 – Qualities of the Ruler

1. I’ll now discuss the method of fully confirming the dynastic roots of King David.

2. This method of confirmation will also serve as a basis for directing the education and thought of all humanity, and is based on the conservative conduct of our learned elders in managing the affairs of the world.

3. Certain members of the descendants of David will select and prepare the kings and their heirs. They will be selected, not by right of heritage, but by their eminent capabilities. They will be inducted into the most secret mysteries of political methods and schemes of government, although they will not be given specific knowledge of the secrets. The purpose of this mode of action is demonstrate to everyone that government cannot be entrusted to those who have not been inducted into the secret places of its art...

4. To those who are selected, they will only be taught the practical application of the plans (which I described earlier) by comparing the experiences of many centuries, and by making careful observations on all the politico-economic moves and social sciences. In other words, they will study the substance of all the laws which have been unshakably established by nature herself for the regulation of the relations of humanity.

5. Direct heirs will often be prevented from ascending to the throne if, during their time of training, they exhibit frivolity, softness or other qualities that are the ruin of authority. Such qualities render them incapable of governing and are dangerous for kingly office.
6. Only those who are unconditionally capable of firm, direct rule will receive the reins of rule from our learned elders, even if they are this way to the point of cruelty.
7. In case of falling sick with weakness of will or other form of incapacity, kings must by law hand over the reins of rule to new and capable hands.
8. The king's plan of action for the current moment, and all the more so for the future, will be unknown, even to those who are called his closest counselors.

King of the Jews

9. Only the king and the three who sponsored him will know what is coming.
10. The king will be seen as person of unbending will who is master of himself and of humanity. All will see his position and rise to power as though it were fate with its mysterious ways. None will know what the king wishes to attain by his plans, and therefore none will dare to stand across an unknown path.
11. The mental abilities of the king must be sufficient to deal with the plans of the government. For this reason he will not be permitted to ascend to the throne until after an examination of his mind by our learned elders.
12. In order that the people may know and love their king, it is necessary for him to converse in the market-places with his people. This brings the government and the people together as a combined force – two groups which were previously divided by the terror which was brought by us against the people.
13. It was necessary for us to use this terror to bring the forces of the people and their government under our influence.
14. The king of the Jews must not be at the mercy of his passions, and especially of his senses: on no side of his character must he allow brute instincts to overpower his mind. Sensuality, worse than anything else, disorganizes the capacities of the mind and clearness of views. It distracts thoughts to the worst and most brutal side of human activity.
15. The supreme lord of the entire world, in the form of the holy seed of David, represents the prop of humanity. He must sacrifice all personal inclinations and be devoted to his people.
16. Our supreme lord must be an example of perfection.

SOME FURTHER PROOFS OF THE LEARNED ELDERS OF ZION:

[If you really read the protocols that were written over a 100 years ago and have proven to be 100% historically uncannily accurate during the following 100 years and still doubt their authenticity, then you are in serious denial.]

A FIFTEENTH CENTURY "PROTOCOL"

The principles and morality of these latter-day Protocols are as old as the tribe. Here is one from the Fifteenth Century which Jews can hardly pronounce a forgery, seeing that it is taken from a Rothschild (ouch) journal.

The Revue des etudes Juives, financed by James de Rothschild, 'published in 1889 two documents which showed how true the Protocols are in saying that the Learned Elders of Zion have been carrying on their plan for centuries. On January 13, 1489, Chemor, Jewish Rabbi of Arles in Provence, wrote to the Grand Sanhedrim, which had its seat in Constantinople, for advice, as the people of Arles were threatening the synagogues. What should the Jews do? This was the reply:

"Dear beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

"The advice of the Grand Satraps and Rabbis is the following:

" 1. As for what you say that the King of France obliges you become Christians: do it, since you cannot do otherwise, but let the law of Moses be kept in your hearts.

"2. As for what you say about the command to despoil you of your goods" (the law was that on becoming converted, Jews gave up their possessions); "make your sons merchants, that little by little they may despoil the Christians of theirs.

"3. As for what you say about their making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.

"4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches.

"5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them.

"6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

"Signed V.S.S.V.F.F., Prince of the Jews, 21st Caslue (November), 1489"

LORD SYDENHAM ON THE "PROTOCOLS"

[The following letter appeared in the Spectator of August 27, 1921, and the late Lord Sydenham kindly consented to its reproduction.]

Sir--When the Protocols first appeared in English it was pointed out that they embodied a forgery perpetrated by the Tsar's police with the idea of promoting pogroms. It now appears that they are adapted from a "pamphlet of 1865 attacking the Second Empire." This is most interesting, but it explains nothing. As you point out, Mrs. Webster had shown the Protocols to be full of plagiarisms which she effectively explained by the use of parallel columns, and before her most able book appeared Mr. Lucien Wolfe had traced other similarities. As the Protocols were obviously a compilation this was to be expected, and further resemblances may be discovered. The importance of the most sinister compilation that has ever appeared resides in the subject matter. The Protocols explain in almost laborious detail the objects of Bolshevism and the methods of carrying it into effect. Those methods were in operation in 1901, when Nilus said that he received the documents, but Bolshevism was then Marxian Communism, and the time had not come for applying it by military force. Nothing that was written in 1865 can have any bearing upon the deadly accuracy of the forecasts in the Protocols most of which have since been fulfilled to the letter. Moreover the principles they enunciate correspond closely with the recorded statements of Jewish authorities. If you will read the American edition, with its valuable annexes, you will understand this and the confirmatory quotations there given can be multiplied. Even the "Jewish world despotism," which you described as "a piece of malignant lunacy," is not obscurely hinted at. Take this one quotation from the Jewish State, by Theodore Herzl: "When we sink we become a revolutionary proletariat, the subordinate officers of the revolutionary party; when we rise, there rises also our terrible power of the purse." Compare this ominous statement with those of the Protocols, of which it is plainly an echo.

I note with thankfulness that you say that the discovery of the French pamphlet "does not clear up the whole mystery." Indeed it does not, and if you will carefully read Mr. Ford's amazing disclosures you will wish for more light. The main point is, of course, the source from which Nilus obtained the Protocols. The Russians who knew Nilus and his writings, cannot all have been exterminated by the Bolsheviks. His book, in which the Protocols only form one chapter, has not been translated; though it would give some idea of the man. He was, I have been told by a Russian lady, absolutely incapable either of writing any portion of the Protocols or of being a party to a fraud.

What is the most striking characteristic of the Protocols? The answer is knowledge of a rare kind, embracing the widest field. The solution of the "mystery", if it is one, is to be found by ascertaining where this uncanny knowledge, on which prophecies now literally fulfilled are based, can be shown to reside.

I am, Sir, &c.,
SYDENHAM

STARTLING NEW DOCUMENTS

The manifesto of Adolphe Cremieux, addressed to the National of Jewry on the occasion of the founding of the Universal Israelite Alliance. This has been pronounced a forgery, and something much less committal -- especially written for Gentile consumption -- has been produced as the "real" thing. The unfortunate part of the business is that the "forgery" corresponds infinitely more closely with the facts of history than that which is claimed to be genuine! It proclaims three incontrovertible truths: (1) that the Jewish Nation is the enemy of all nations; (2) that Jews claim that they are a people "Chosen" to dominate the whole earth, and take possession of all the riches of all peoples; (3) that the power of all nations is already in their hands, and that Jews think they are on the eve of their complete conquest of the rest of the human race. The date of this Protocol, No. 2 of our series, is 1860.

A PROTOCOL OF 1860

We take this Protocol from the Morning Post of September 6th, 1920:

"A correspondent writing in reference to the hidden perils draws attention to a Manifesto issued in 1860 to the 'Jews of the Universe,' by Adolphe Cremieux, the founder of the Alliance Israelite Universelle, and the well-known member of the Provisional Government of 1871. Adolphe Cremieux, while Grand Master of the French Masonic Lodges, offered 1,000,000 francs for the head of William I of Germany. On his tomb he requested the following sole inscription to be inscribed:

"Here lies Adolphe Cremieux, the founder of the Alliance Israelite Universelle."

THE MANIFESTO

Emblem: On top -- the tablets of Moses, a little lower -- two extended hands clasping each other, and as basis of the whole -- the globe of the earth.

Motto: "All Jews for one, and one for all."

The union which we desire to found will not be a French, English, Irish, OR German union, but a Jewish one, a Universal one.

Other peoples and races are divided into nationalities; we alone have not co-citizens, but exclusively co-religionaries.

A Jew will under no circumstances become the friend of a Christian or a Moslem before the moment arrives when the light of the Jewish Faith, the only religion of reason, will shine all over the world.

Scattered amongst other nations, who from time immemorial were hostile to our rights and interests, we desire primarily to be and to remain immutably Jews.

Our nationality is the religion of our fathers, and we recognize no other nationality.

We are living in foreign lands, and cannot trouble about the mutable ambitions of countries entirely alien to us, while our own moral and material problems are endangered.

The Jewish teaching must cover the whole earth. Israelites! no matter where fate should lead -- though scattered all over the earth, you must always consider yourselves members of a Chosen Race.

If you realize that the Faith of your forefathers is your only patriotism -- If you recognize that, notwithstanding the nationalities you have embraced, you always remain and everywhere form one and only nation -- If you are convinced of this, you, Israelites of the Universe -- then come and give ear to our appeal and prove to us your consent!

Our cause is great and holy, and its success is guaranteed. Catholicism, our immemorial enemy, is lying in the dust, mortally wounded in the head.

The net which Israel is throwing over the globe of the earth is widening and spreading daily, and the momentous prophecies of our holy books are at last to be realized.

The time is near when Jerusalem will become the house of prayer for all nations and peoples, and the banner of Jewish 'mono-deity' will be unfurled and hoisted on the most distant shores.

Let us avail ourselves of all circumstances.

Our might is immense -- -learn to adopt this might for our cause.

What have you to be afraid of?

The day is not distant when all the riches and treasures of the earth will become the property of the Children of Israel. "

More than sixty years have elapsed since this Protocol was written, and the riches of the earth are now almost entirely in the possession or under the control of the Children of Israel. The Torah, said the Jew poet, Heine, is the Jews' "portable Fatherland."

Cremieux says practically the same thing -- "the faith of our fathers is your only patriotism." The Jew regards all non-Jews as foreigners, and he is an alien everywhere.

-----*****-----

FUNERAL ORATION THE FATAL DISCOURSE OF RABBI REICHHORN

Appended to the prophecies of the Protocol we have put a few of the events which have happened in fulfillment. It will be seen that there is a close correspondence between this Protocol, the Cremieux Manifesto, and the epistle emanating from the "Prince of the Jews" in 1489 A.D., and published in a Rothschild magazine. It is probable that when the latter was published it was not imagined that any Gentile would ever think of connecting it with other documents emanating from Jewry, or with modern happenings.

In its issue of 21 October, 1920 (No. 195) La Vieille France published an extremely important Russian document in which the following passage occurs:

"There is a striking analogy between the Protocols of the Elders of Zion and the discourse of the Rabbi Reichhorn, pronounced in Prague in 1869 over the tomb of the Grand Rabbi Simeon-ben-Ihuda, and published by Readcliffe, who paid with his life for the divulgation; Sonol, who had taken Readcliffe to hear Reichhorn, was killed in a duel some time afterwards. The general ideas formulated by the Rabbi are found fully developed in the Protocols."

In its issue of 10 March, 1921 (No. 214) La Vieille France gives the version of this funeral oration which was published in La Russie Juive. It is perfectly clear that the funeral oration and the Protocols of the Elders of Zion come from one and the same mint. Both are prophetic; and the power which made the prophecies has been able to bring about their fulfillment. This oration is so important that we append to it an account of the fulfillment of each of the sections. There can no longer be any doubt as to whose is the power which is disturbing the world, creating World

Unrest, and at the same time reaping all the profits. Jewry is enslaving all Christian peoples of the earth. There IS a Jew World Plot and it now stands finally and completely unmasked. [1921, friends!)

1. Every hundred years, We, the Sages of Israel, have been accustomed to meet in Sanhedrin in order to examine our progress towards the domination of the world which Jehovah has promised us, and our conquests over the enemy -- Christianity.
2. This year, united over the tomb of our reverend Simeon-ben-Ihuda, we can state with pride that the past century has brought us very near to our goal, and that this goal will be very soon attained.
3. GOLD always has been and always will be the irresistible power. Handled by expert hands it will always be the most useful lever for those who possess it, and the object of envy for those who do not. With gold we can buy the most rebellious consciences, can fix the rate of all values, the current price of all products, can subsidize all State loans, and thereafter hold the states at our mercy.
4. Already the principal banks, the exchanges of the entire world, the credits of all the governments, are in our hand.
5. The other great power is THE PRESS. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders.
6. By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christian into political parties, we shall destroy the unity of their nations, we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW OF OUR BANK, always united, and always devoted to our Cause.
7. We shall force the Christian into wars by exploiting their pride and their stupidity. They will massacre each other, and clear the ground for us to put our own people into.
8. The possession of the land has always brought influence and power. In the name of social Justice and Equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their powers, and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters. We in our turn shall become the great proprietors, and the possession of the land will assure the power to us.
9. Let us try to replace the circulation of gold with paper money; our chests will absorb the gold, and we shall regulate the value of the paper which will make us masters of all the positions.
10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating Christian capitalism. We shall promise workmen salaries of which they have never dared to dream, but we shall also raise the price of necessities so that our profits will be greater still.
11. In this manner we shall prepare Revolutions which the Christians will make themselves and of which we shall reap fruit.
12. By our mockeries and our attacks upon them we shall make their priests ridiculous then odious, and their religion as ridiculous and as odious as their clergy. Then we shall be masters of their souls. For our pious attachment to our own religion, to our own worship, will prove the superiority of our religion and the superiority of our souls.
13. We have already established our own men in all important positions. We must endeavor to provide the Goyim with lawyers and doctors; the lawyers are au courant with all interests; doctors, once in the house, become confessors and directors of consciences.
14. But above all let us monopolize Education. By this means we spread ideas that are useful to us, and shape the children's brains as suits us.

15. If one of our people should unhappily fall into the hands of justice amongst the Christians, we must rush to help him; find as many witnesses as he needs to save him from his judges, until we become judges ourselves.

16. The monarchs of the Christian world, swollen with ambition and vanity, surround themselves with luxury and with numerous armies. We shall furnish them with all the money their folly demands -- and so shall keep them in leash.

17. Let us take care not to hinder the marriage of our men with Christian girls, for through them we shall get our foot into the most closely locked circles. If our daughters marry Goyim they will be no less useful, for the children of a Jewish mother are ours. Let us foster the idea of free love, that we may destroy among Christian women attachment to the principles and practices of their religion.

18. For ages past the sons of Israel, despised and persecuted, have been working to open up a path to power. They are hitting the mark. They control the economic life of the accursed Christians; their influence preponderates over politics and over manners.

19. At the wished for hour, fixed in advance, we shall let loose the Revolution, which by ruining all classes of Christianity will definitely enslave the Christians to US. **THUS WILL BE ACCOMPLISHED THE PROMISE OF GOD MADE TO HIS PEOPLE.**

A PROTOCOL OF 1919

A Russian newspaper, Prizyv, of 5th February, 1920, published in Berlin, contained an interesting document in Hebrew, dated December, 1919, which was found in the pocket of the dead Jew Zunder, the Bolshevik Commander of the 11th Sharp-shooter Battalion, throwing light on the secret organizations of Jewry in Russia.

This Protocol has, like the first, never been called in question by the Nation of Jewry. It reveals identically the same plans and purposes of the Jews for World domination and revenge which pervade them all. This one especially gloats over the Jew conquest and enslavement of Russia.

In extenso it ran as follows:

SECRET -- To the representatives of all the branches of the Israelite International League.

Sons of Israel! The hour of our ultimate victory is near. We stand on the threshold to the command of the world. That which we could only dream of before us is about to be realized. Only quite recently feeble and powerless, we can now, thanks to the world's catastrophe, raise our heads with pride.

We must, however, be careful. It can surely be prophesied that after we have marched over ruined and broken altars and thrones, we shall advance further on the same indicated path.

The authority of the, to us, alien religions and doctrines of faith we have through very successful propaganda, subjected to a merciless criticism and mockery. We have brought the culture, civilization, traditions and thrones of the Christian nations to stagger. We have done everything to bring the Russian people under the yoke of the Jewish power, and ultimately compelled them to fall on their knees before us.

We have nearly completed all this but we must all the same be very cautious, because the oppressed Russia is our arch-enemy. The victory over Russia, gained through our intellectual superiority, may in the future, in a new generation, turn against us.

Russia is conquered and brought to the ground. Russia is in the agony of death under our heel, but do not forget -- -not even for a moment -- -that we must be careful! The holy care for our safety does not allow us to show either pity or mercy. At last we have been allowed to behold the bitter need of the Russian people, and to see it in tears! By taking from them their property, their gold, we have reduced this people to helpless slaves.

Be cautious and silent! We ought to have no mercy for our enemy. We must make an end of the best and leading elements of the Russian people, so that vanquished Russia may not find any leader! Thereby every possibility will vanish for them to resist our power. We must excite hatred and disputes between workers and peasants. War and class-struggle will destroy all treasures and culture created by the Christian people. But be cautious, Sons of Israel! Our victory is near, because our political and economic power and influence upon the masses are in rapid progress. We buy up Government loans and gold, and thereby we have controlling power over the world's exchanges. The power is in our hands, but be careful -- place no faith in traitorous shady powers!

Bronstein (Trotsky), Apfelbaum (Zinovieff), Rosenfeld (Kamaneff), Steinberg -- all of them are like unto thousands of other true sons of Israel. Our power in Russia is unlimited. In the towns, the Commissariats and Commissions of Food, House commissions, etc., are dominated by our people. But do not let victory intoxicate you. Be careful, cautious, because no one except yourselves will protect us!

Signed, The Central Committee of the Petersburg Branch of the Israelite International League.

It will be noted that the above was found in Hebrew, as the original of the Protocols of the Elders of Zion and all the secret documents of the Jews are. There are plenty of manifestoes in Christian languages that are intended for the goyim to read. Of these we need take no account. "Israelite International League" can be none other than l'Alliance Israelite Universelle founded by Cremieux and headed by Rothschild.

All the Protocols tell the same tale of malice, revenge, cupidity and murderous hate against Christian and Christianity. Judaism as practiced by the Zionist Khazars who call themselves Jews is Satanism; and no amount of ritual and kabalistic camouflage can hide this fact.

FALLACY & MYTH OF THE PEOPLE BEING THE SOVERIGN

And that the Constitution was for the Common Man

by **The Informer**

In reading the Book **WAR POWERS**, published in 1864, by Whiting, who was the Solicitor General of the War Department of The United States, it does not come as a shock to me that we are nothing but slaves of Congress, AKA the United States. Whiting was Lincoln's point man and developed the basis for Lincoln's justification of the War Policies. Whiting teamed up with Francis Lieber who wrote the "Lieber Code" that we are now under. James Montgomery, a present day researcher, also has written extensively on the Reconstruction Acts and the Lieber Code and how they apply to Americans to this very day. After Whiting left office, the position that he held, was never replaced.

Many people believe the term "United States" is NOT separate and distinct from the term "United States of America", but that the two are synonymous. As I stated way back in 1990 and continue to state, America is a country, and the United States is NOT a country. The United States belongs to America. Since the phrase United States OF America contains the word "OF" between the two words United States and America, proper use of the word OF means the United States belongs to America. Another grammatical rule is that the phrase United States is a particular place and not a group of states united. To become a group of states the word United would have to appear as united States. The small "u" would change the word United from a noun to an adjective. To be grammatically correct, one would have to write united States of America to correctly mean all 50 States. But even that is not a country. Simply writing United States of America means only Congress, AKA the United States. A very simple proof is that when the TV airs the State of the Union message the President is always announced by stating, "I now present the President of the United States." He is never introduced as "the President of the united States of America". To be the President of the united States of America would mean that the Governors of each of the states would not have the final say on any laws passed in that state but would have to depend on submitting anything the Governor had to sign to the President for final approval.

As I have previously demonstrated in my other books, through copious government documents, both of the United States and England and history, that the common people never ratified the constitutions of any of the states, much less the United States, people still believe that they created the constitutions and are, therefore, the so called Sovereign. This sovereign status is claimed to mean that the people can tell government what and when to do anything through their perceived notion that they have representatives and these so called representatives are their servants. This is a

myth that has been told people down through the centuries. This big lie is passed from generation to generation so much so that people of all walks of life now accept it as gospel truth. This myth has caused much dissent among the vast majority of people and has even caused infighting amongst people called "patriots", "militia" and others of like mind. This **WAR POWERS** book is further support for my research and others such as Mr. Montgomery. I will lead into this myth by quoting Whiting and what this great authority on War Powers had to say back in 1864. This will be very short and as I read through the book I will add to this work of **Fallacy and Myth**. It will be unbelievable to many who still believe the Big Lie that they are sovereign and somehow have control of this supposed government they created and can dispense with it when it becomes oppressive as it has today. I hope you are ready because what follows are not my words but those of the author Whiting with the concurrence of all government branches. You also have to remember that we have been in a state of war with these people called Congress and the other two branches of so called government.

The United States is a belligerent government under the international law of nations and the people therein, yes you, dear reader, are the enemy subject and have never, ever, been a sovereign, and neither have your relatives as far back as 1787, UNLESS your relatives were among the aristocracy having land and money and possibly a grant from the Crown.

Before I get into the book, and to give you what we call modern day research, I have to start with 48 Stat 1 which Roosevelt shoved through in Executive Order 2039 without Congress on the 4th and 5th of March 1933. Then on March 9, 1933 Roosevelt convened Congress and basically told them what he did and that they had to sign off on it as he declared a national emergency. This National Emergency made the United States citizens enemies by adding them to the 1917 Trading with the Enemies Act by changing 5(b) of that Act to include Americans, which it never did before. This is you today.

The original draft was prepared by the Federal Reserve System, NOT Congress, and can be found in President Hoover's Papers that may be obtained from any Federal Depository. On March 3, 1933, President Hoover declared it to be unconstitutional and refused to implement what the Federal Reserve Board drafted. Immediately after taking office on March 4, 1933, after implementing what Hoover refused, the first thing Roosevelt did was to close the banks so they could be issued licenses by the President to deal with the enemy, who was defined now to be all people in the country. Immediately after that, each State set up its own Emergency War Powers regime to coincide with the United States. After thorough research in North Carolina by a team of 5 people, we came up with documentation between the United States and not only North Carolina but other States. It was to slowly induce people into obtaining licenses as now the people, being declared "public enemies," had to have licenses. The documentations showed how all people that were not required to have a license to drive were now required to have a license merely to travel as a right because they were the enemies. This documentation also showed how speed laws were set; how federal labor laws and unemployment compensation was legislated into the States; and the most important of all, the social security touted as "insurance", was in actuality a means of licensing the "enemy" to track their commerce under the trading with the newly revised 1917 Trading With the Enemy Act. This enemy surveillance is very evident today by the use of the social slave number called Social Security. It was instituted by the President, NOT Congress as most people believe. Oh sure, Congress passed legislation so it appears they instituted it, but under the war powers only the President institutes anything of importance and Congress under the constitutional war powers takes a second seat. They, in effect, become the puppets of the executive branch. While under the war powers, all branches that should come under the legislative branch and even the judiciary, are controlled by the executive department through the Commander-in-Chief.

Since 1933, and before then, we have always been under Executive Emergency Orders despite the fact that in 1974 all EXCEPT for section 5(b) of the Trading With the Enemy Act of 1917 was repealed. You can find it alive and well in Title 12 USC 95 (a) & (b). You can also find the other emergency war powers acts still existing from 1862 which have NEVER been repealed. They have their genesis from 12 Stat 319, and are 50 USC 212, 213, and 215 and 28 USC 2461 to 2465.

This is totally under military powers of the Commander in Chief, The President. This military Rule allows the civil government to operate as it all comes under administrative directives of the Commander In Chief. This explains the reason all courts fly the Executive's Commander In Chief gold fringe flag and all of its stationary bears the United States Executive Seal. Now that you know that you have been under executive Rule before and since 1933, I will now

go back to the first President to institute the Emergency War Powers Act to make the people the enemy of the State. Roosevelt only made you the enemy of the banking cartel to protect them. That is why the private banking system Board can do as they wish with impunity. They even wrote in the law that the signature card you sign when opening a bank account, unbeknownst to you, states in the 35 to 38 page contract they are to give to you, that you assume the debt of the United States. This is unconscionable that you were never informed under the commercial law. This is your promise, assumpsit in legal terms, that obligates and binds you to pay the debt of the United States by becoming the surety. How many people would enter a contract like that, knowing they are responsible for the national debt? Since the Federal Reserve is a private corporation and was made the fiscal agent of the Treasury to collect and disburse money, or choses in action called Federal Reserve notes, is the reason the 1040 IRS Form is a return. A return of a use portion of the debt that is circulated around the nation by the enemy, AKA the people of America. This is a very insidious scheme and people have no idea it exists.

The first President to use the Emergency powers was Washington. He used it to institute the first private bank of the United States which was against all principles of the constitution. Then in order to control the banks in each of the separate states, which Congress could not do under the constitution, he made districts out of each of the states. So now you had states and district states and that is how the district courts of each state were formed so the United States could now have control where it dare not tread before. Once emergency had been declared then all done under this act is constitutional. Contrary to what people believe this act DID NOT set the constitution aside. It only operated in a different way under emergency powers.

Now with all of this in mind, and knowing that the Commander in Chief can operate above the Constitution when military rule under the Emergency Powers Act is invoked, we move to Lincoln's time and his Solicitor General of the War Department who wrote the book to show how common people have always been considered as nothing but mere chattel property of an aristocratic group called Congress. From the beginning this is the basis upon which people have slowly lost what rights they THOUGHT they had and the plan by means of which to get where we are today without a major rebellion by the people which almost took place in 1861 with the Southern States wanting to secede from the Union. That caused Lincoln to invoke the Emergency Powers Act in Order that he could control the Government without Congress. He did this under the guiding of the works of Whiting. Once invoked, Congress could do nothing to stop it, and the Courts, under this Act, cannot stop it at all. My comments, if needed, are in [brackets] so you know they are not from the book. Every jot and tittle is placed as recorded in the book. With that established let us move to the Book.

THE CONSTITUTIONAL RIGHT OF THE GOVERNMENT TO APPROPRIATE PRIVATE PROPERTY TO PUBLIC USE, EITHER IN TIME OF PEACE OR IN TIME OF WAR.

"There is no restriction as to the kind or character of private property which may be lawfully thus appropriated, whether it be real estate, personal estate, right in action or in possession, obligations for money, or for labor and service. Thus the obligations of minor children to their parents, of apprentices to their masters, and of persons owing labor and service to their masters, may lawfully be appropriated to public use, or discharged and destroyed for public benefit, by Congress, with the proviso that just compensation shall be allowed to the parent or master."

[Now people, are you still sovereign? Did common people write such a constitution that would destroy the children so they could be taken by Congress without your consent? I think not.]

"The right to use the services of the minor, the apprentice, and the slave, for public benefit, belongs to the United States. The claims of all American citizens upon their services, whether by local law, or by common law, or by indentures, can be annulled by the same power, for the same reasons, and under the same restrictions that govern the appropriations of any other private property to public use."

[And you think that the people who fought for freedom would have written and ratified such a power to Congress by way of this constitution that you so dearly love? Are you stating to realize something is amiss?]

THE UNITED STATES MAY REQUIRE ALL SUBJECTS TO DO MILITARY DUTY.

"Slaves, as well as apprentices and minors, are equally subjects of the United States, whether they are or are not citizens thereof. The government of the United States has the right to call upon its subjects to do military duty."

[Now if you are Sovereign why do they call all subjects. They italicised the words, not I. Without a shadow of a doubt you are slaves to Congress. Do you have to wonder any more why the state can take your children and you are powerless to do anything about it? And the common people wrote and believe in a constitution that would allow a group of men called Congress to have so much power when they just fought for freedom? Was not Patrick Henry correct when he stated in the June 7th 1788 Convention that the Constitution, "Among other deformities, it has an awful squinting: it squints toward monarchy. And does not raise indignation in the breast of every American? Your President may easily become King. . . The army will salute him Monarch: your militia will leave you and assist in making him King and fight against you. And what have you to oppose this force? What will then become of you and your rights? Will not absolute despotism ensue?" And what of James Wilson when he voiced, "Henry looked upon "that paper" as "the most fatal plan that could possible be conceived to enslave a free people." Ok , so what does commit you to the wrath of Congress? It is stated in the book in big italic letters, which you all should look in a grammar dictionary to see what italics mean.]

"The general government of the United States has, in time of peace, a legal right, under the constitution, to appropriate to public use the private property of any subject, or of any number of subjects, owing it allegiance. Each of the States claims and exercises a similar right over the property of its citizens."

[As stated, the people are "SUBJECTS" of the Government just like the "subjects" of English Rule and the words in italics that control you as subjects are allegiance. Allegiance can be found in many ways. People are pledging the Pledge of Allegiance; claiming to be a citizen of either a State or of the United States; registering to vote; claiming to be a "resident" in the state of the forum; signing a signature card at the bank that obligates to accept the debt of Congress so you are bound by contract to pay, thereby becoming a "subject."; claiming that the constitution is yours; claiming the constitution was designed by people like you and that is the law that you must abide by. All are presumed to be allegiance. Now did this apply to all, even colored people? Why yes and this Book proves that the Constitution CREATED slavery, and that it took away the rights of citizenship of the colored people. Now, those people that argue that the 14th Amendment made the colored people free might be correct, but it also made the white people slaves when relying on the 14th Amendment, even though they became slaves to the establishment when declared enemies of the "State." The Book shows the misinformation used by people claiming that only white people were citizens. It also shows that the word citizen was used well before the 14th Amendment, as seen in the quotes below.]

"The only question is, whether this power is not exclusive, see *Chirac v Chirac*, 2 Wheat. 269; *U.S. v Villato*, 2 Dall. 372; *Thirlow v Mass.*, 5 How. 585; *Smith v Turner*, 7 ib, 556; *Golden v Prince*, 3 W.C.C. Reports, 314

Congress may thus give the privileges of citizenship to any persons whatsoever, black or white. Colored men, having been citizens in some of the States ever since they were founded, having acted as citizens prior to 1788 in various civil and military capacities, are therefore citizens of the United States, see case of *Dred Scott*; which no part denies that if colored men were citizens of either of the states which adopted the constitution, they were citizens of the United States. ... If white subjects or citizens, owe labor or service, even by formal indentures, such obligations afford no valid excuse against the requisition of government to have them drafted into the militia to serve the country."

[Hence the President and Congress via the Constitution took away the rights of the colored people by declaring them property. The constitution, by which you people who read this; believe that you are sovereign; believe that common people drafted and ratified the constitution; believe that you own your property; believe that you are not subjects of a group of men called Congress, or that of legislators of the states; believe the Bill of Rights protects you; believe the constitution is the supreme law of the land . . . your beliefs are 100 percent wrong. What if I told you that this Book states that treaties and International law of Nations are supreme over even the constitution drafted by the aristocracy of this country and that even the state succumb to these treaties and International Law? This Book proves it. This Book had an advisory board of eight professors and eminent lawyers carrying L.L.D.; J.S.D.; S.J.D.; J.D., M.A.L.S.; F.R.B and Ph.D. to authenticate its contents written by the Solicitor General of the War Department of the United States. The Constitution that you claim you love so much, took away natural rights of man via the following]:-

INDEMNITY IS REQUIRED "But, when individuals are called upon to give up what is their own for the advantage of the community, justice requires that they should be fairly compensated for it; . . . (Amendments, Art. V, last clause.) "Nor shall private property be taken for public use without just compensation."

[The language of this amendment admits the right of the United States to take private property for public use. This amendment, being now a part of the constitution, leaves that right no longer open to question, if it ever was in question.]

"PUBLIC USE" What is "public use" for which private property may be taken? Every appropriation for the benefit of the United States, either for a national public improvement, or to carry into effect and valid law of Congress for the maintenance, protection, or security of national interests, is "public use."

[I end Chapter one of the Book on this note. The above are only parts gleaned from Chapter one of this 342 page book. Chapter one is only 31 pages. The word "Public" means government only and not the mass of people. It is limited to Congress or State Legislators. You common people have no representation whatsoever. All the Congressmen do is represent the United States corporation claiming they represent you in the district state that Washington created under the War Powers clause in 1791. In this chapter it explains the specific parts that are war powers clauses and they are; Article I, Section 8, Clauses 11, 12, 14, 15, and 16. The book also states that, "The preamble to the constitution declares the objects for which it was framed to be these" -- then it is quoted.]

REFERENCES AS TO THE CONSTITUTION, SHOWING THE WAR POWERS OF CONGRESS

The powers of the legislative department in relation to war are contained chiefly in the following sections in the constitution:-- Art. I., Sect.8, Cl.11. Congress may institute war by declaring it against an enemy. The President alone cannot do so. Also Congress may make laws concerning captures on land, as well as on water. Art. I., Sect.8, Cl 12. Congress may raise and support armies: and provide and maintain a navy. Art. I., Sect.8, Cl.14. Congress may make laws for the government of land and naval forces. Art. I., Sect. 8. Cl. 15. Congress may provide for calling forth the militia to execute the laws of the Union, suppress insurrection, and repel invasion. Art. I., Sect.8, Cl. 16. And may provide for organizing, arming, and disciplining the militia, and for governing such part of them as may be employed in the service of the United States. The preamble to the constitution declares the objects for which it was formed to be these: "to form a more perfect Union; establish justice; insure domestic tranquility; provide for the common defense; promote the general welfare, and to secure the blessings of liberty to ourselves and our posterity."

[So in time of war, which falls under a national emergency, even though no shooting or invasion has occurred, the constitution that you so dearly love and would die for, is the very document that allowed all president Washington to declare the first emergency powers act to institute the first Bank of the United States; Lincoln to make the people and it's Union Members, the States, the enemy of the United States; Roosevelt to declare the national emergency in 1933 under the War Powers Act and the Trading With the Enemy Act; and the current President, Clinton to control you as citizen/subjects/slaves within the system designed and drafted by the landed aristocracy in treaty with the Crown. That is why the Solicitor, Whiting, stated that International Law of Nations and Treaty rein supreme, and not the Constitution when emergency powers are invoked. This I exposed by court cases in my book The New History of America. The Big Lie is now even more evident and I have just scratched the surface of the first chapter of eight.

In the second chapter we find Congress has the power under the War Power clauses to write statutes in aid of the President "in the final and permanent conquest of a public enemy." I cannot impress upon the reader the words "conquest and public enemy" and I implore you to study these words on your own in any library. This book pertains to the time of the "civil war" but has far reaching consequences in the principles it spells out.]

RULES OF INTERPRETATION

"Congress may pass such laws in peace or in war as they are within the general powers conferred on it, unless they fall within some express prohibition of the constitution. If confiscation or emancipation laws are enacted under the war powers of Congress, we must determine, in order to test their validity, whether, in suppressing a rebellion of colossal

proportions, the United States are, within the meaning of the constitution, at war with its own citizens? Whether confiscation and emancipation are sanctioned as belligerent rights by law and usage of civilized nations? And whether our government has full belligerent rights against its rebellious subjects.

ARE THE UNITED STATES AT WAR?

War may originate in either of several ways. Civil war, within the meaning of the constitution, exists whenever any combination of citizens is formed to resist generally the execution of any one or all the laws of the United States, if accompanied with overt acts to give that resistance effect."

[Right here is proof that if Congress pass laws that are repugnant to human rights, and there has been a total erosion of many, many freedoms of Americans, as you well know, then they are stating that the people, who are perceived by the people themselves to be Sovereigns, are without any such power to correct the law or laws repugnant to their rights. If the people were truly Sovereigns as they claim, no such section in the constitution created by the common man would exist. For if in doing so, the people would have declared that they elected another King or dictator, and to thwart these rights the people claim as sovereign's, all the President or Congress has to do is invoke the Emergency Powers Act. Such was done in 1933 when people demanded their money from the banks that had stolen all their money. You know, the ones that you have signed the signature card agreeing to accept the National Debt. This right to seek a return of money deposited in the banks for safe keeping was thwarted by Roosevelt to protect all the banks, which, included his friend Rockefeller who owned the Chicago bank and would lose all his holdings if forced to return the people's money that was rightfully theirs. This was called suppression by government because they were suppressing a rebellion of the people to claim what was rightfully theirs from a private banking system that was now under the supposed control of the United States as it acted as the agent for the United States when the United States did away with a truly Independent Treasury by the Act of 1920 in the year 1921, making the PRIVATE Federal Reserve system the fiscal agent of the United States.]

"Hence it follows, that government, while engaging in suppressing a rebellion, is not deprived of the rights of a belligerent against rebels, by reason of the fact that no formal declaration of war has been made against them, as though they were an alien enemy -- . . . The right of a country to treat its rebellious citizens both as belligerents and as subjects has long been recognized in Europe, and by the Supreme Court of the United States* See Geo.III. Ch. 9 1777; Pickering Statutes, Vol. 31, page 312; President's Proclamation, April 16, 1861 and U.S. Statute at Large , 1861, App.P. 2. It has been decided, since this edition was in type, that citizens of the States in rebellion are considered as public enemies, and are not entitled to sue in courts of the United States.

[Although this Book deals with the Civil War, the principles laid out are for any emergency declared under the War Power clauses, not just the Civil war of the 1860's. But Roosevelt invoked that Act, which exists to this day. So the following must be read with this in mind when considering that a majority of people say there is no more constitution. There is a constitution, as it is constitutional for what the government does to you today under War Powers --- like take your land as most people in confrontation with farm land or wet lands would agree; confiscate car, home and whatever under the "war on Drugs" without due process of any law that would exist in time of peace; license and number all people to track the public enemies, being you. It behooves the reader to seek the definitions of "belligerent" in both legal and standard dictionaries. The United States, as belligerent IS the de facto government, as people state when reading the definitions closely. I am at this point, inserting what came off the Internet of the hearings before Congress of just one evidence of the confiscation of hundreds of thousands every year, that in time of peace and not under War Powers would have never taken place. When reading this keep in mind what you have already read and are about to read after this actual happening.

Introductory statement at the Judiciary Hearing, July 22, 1996. Rayburn Building.

To: House of Representatives/Committee on the Judiciary/Civil Forfeiture Reform I sincerely appreciate this opportunity to speak to you in person about my mother's experience with the abuse of our national civil forfeiture law, a law which ignores due process, encourages abuse by police and prosecutors, confiscates property from innocent law-abiding citizens and threatens our sacred honor with the tyranny of a police state. My mother is an 85 pound, 75 year old hardworking frugal lady, who chose to squirrel away any extra money she had rather than buy herself any of the

things most people consider necessities. Although she has bought a few residential rental properties, she still tears Kleenex in half to stretch her money, and settles for eating half sandwiches rather than run up her grocery bill. She has never taken a vacation or missed a day's work in the business, but neither has she ever been to a shopping mall. She's always lived as though the next Great Depression would happen any day. By 70, she managed to save around \$70,000 which she kept in her house because her Depression experience taught her not to always trust banks. In December of 1989, the U.S. Government came to my mother's home and took her savings from a floor safe in her basement. Three months later, they seized her home and two rental properties she owned. You need to know my mother was never charged with a crime, and the police acknowledged she was never part of my brother's marijuana ring conspiracy. Mom's biggest sin was allowing the adult son she loved to live next door to her. After my brother was indicted, he fled town. The government suspected she PROBABLY had allowed him to use her property illegally, and had PROBABLY been given cash earned by him illegally. As you know, asset forfeiture laws only require *probable* cause to seize property. Once property has been seized it is the owner's burden to prove innocence to the government. When this happened to Mom, I thought "innocent until proven guilty" would apply in her case and she would immediately get her cash back. Trusting the government, I didn't even hire an attorney at that time. I soon learned that under the Constitution a citizen isn't afforded innocent until proven guilty in civil forfeiture cases. She wasn't considered innocent and the government didn't have to prove anything. The \$70,000 they took from mom was mostly old bills dated from the 60's and 70's and was covered with mold and mildew. The safe was rusted shut and had to be drilled open. Tragically, the FBI did not keep her cash in an evidence locker, but deposited her money into a bank, commingling it with other people's money and thus destroying her evidence and proof of innocence.

The morning government agents banged on Mom's door telling her they were there to seize her home, they included the local police, County Sheriff's Dept., U.S. Marshall's Service, several FBI agents, and IRS agents (about 20 in all). All this force to take some property from one, innocent, unarmed, law-abiding 70 year old, 85 pound woman. I immediately called our family attorney and he met me at Mom's house. It had previously been said to me by an agent, "They want to take everything your mother has a make her tell what she knows about your brother, and maybe it will make him come back, too !"

When I arrived at Mom's home she was in a daze. One agent had a camcorder going on her as she sat there in her old negligee at 8:00 AM. She said she asked the agents where she was suppose to live and was told, "I don't care where you go, but you have a half-hour to pack up and get out !" Thankfully, our attorney was able to reach an agreement that allowed Mom to "rent" her own house from the government until the case went to trial. The horror of the forfeiture squad invading her home still brings regular nightmares to mom 6 years later. I did everything in my power to convince the government agents that they were making a huge mistake and that mom was not a criminal. To them that didn't matter. Since they COULD seize her property, they did. An agent said to me, "When I first took this case to my boss, he said not even to mess around with it, that it was just another stupid marijuana case, until I showed him how many assets we could get!" I spent many, many cooperative and truthful hours trying to convince them that this was insane, and finally realized it would cost me more going to trial than her properties were worth. I eventually made a settlement with them and Mom got to keep a little of what she worked her whole life for. They took most of it, including her dignity and love for our government.

I am here for my mother and our Country. It is too late to help her case, and besides, I had the government sign a paper that they could never bother her again. I want to make sure they can never do this to another mother with a bad kid. I have been on this crusade since I saw a Readers Digest article in 1992, titled, Is It Police Work or Plunder, about nationwide forfeiture abuse and Congressman Hyde's effort to reform this law. I bought a computer, joined an Online Internet Service and have been e-mailing thousands of unaware citizens to educate them about this barbaric civil forfeiture law.

Nobody thinks it is right when they learn how it is used, except prosecutors who do not want a proof provision in the law. One prosecutor told me, "Citizens don't need a proof provision, those in charge of a case are perfectly capable of determining who is guilty!" That statement, I was told by a Constitutional law professor, is the definition of tyranny. I love the America I knew growing up in the 40's and 50's, but am scared to death of the police state this Country could become with more and more laws allowing forfeiture. IT HAS TO STOP. Our Founding Fathers put their lives on the line against tyranny and cavalier attitudes. In my opinion, no real or personal property should be forfeited except in

criminal cases. Eliminate this ridiculous, insane, corrupting law, or re-write it to include meaningful proof, fairness and compassion. It is ruining people's lives and is just another national disgrace.

Note: Mom eventually took her own life over this matter. End of testimony

Now please read the rest of this Book more closely or go back and refresh your memory before reading further. This could very well happen to you. This man, speaking for his mother has no idea he is talking to the proverbial foxes guarding the status quo to see that it is kept intact and paying lip service to correct what they know cannot be corrected unless the President declares, #1 a repeal of 12 Stat 319. #2 a repeal of 12 USC 95 (a) & (b). #3 A repeal of section 5 (b) of the Trading with the Enemy Act as written in 48 Stat 1.]

THE LAW OF NATIONS IS ABOVE THE CONSTITUTION

Having shown that the United States being actually engaged in civil war, ---- in other words, having become a belligerent power, without formal declaration of war,--- it is important to ascertain what some of the rights of belligerents are, according to the law of nations. It will be observed that the law of nations is above the constitution of any government; and no people would be justified by its peculiar constitution in violating rights of other nations. With this caveat, it will be desirable to state some of the rights of belligerents. Either belligerent may seize and confiscate all the property of the enemy, on land or on the sea, including real as well as personal estate.

[This is exactly what they did to the woman above and hundreds of thousands of people in this country every year]

CAPTURE BY TITLE

Some persons have questioned whether title passes in this country by capture or confiscation, by reason of some of the limiting clauses of the constitution; and others have gone so far as to assert that all the proceedings under martial law, such as capturing the enemy's property, imprisonment of spies and traitors, and seizures of articles contraband of war [all drug related or other avenues the government of 1999 uses, whether guilty or not to seize such property], and suspending the habeas corpus, are in violation of the constitution, which declares that no man shall be deprived of life, liberty, or property without due process of law, Art. V; that private property shall not be taken for public use without just compensation, Art. V; that unreasonable searches and seizures shall not be made, Art IV; that freedom of speech and of the press shall not be abridged, Art. I; and that the right of the people to keep and bear arms shall not be infringed, Art. II.

THESE PROVISIONS NOT APPLICABLE TO A STATE OF WAR

If these rules are applicable to a state of war, then capture of property is illegal, and does not pass a title; no defensive war can be carried on; . . . Not a gun can be fired constitutionally, because it might deprive a rebel foe of his life without due process of law --- firing a gun not being deemed "due process of law." If these rules above cited have any application in time of war, the United States cannot protect each of the States from invasion by citizens of other States, nor against domestic violence;

TRUE APPLICATION OF THESE CONSTITUTIONAL GUARANTEES

The clauses which have been cited from the amendments to the constitution were intended as declarations of the rights of peaceful and loyal citizens, and safeguards in the administration of justice by the civil tribunals; but it was necessary, in order to give the government the means of defending itself against domestic and foreign enemies, to maintain its authority and dignity, and to enforce obedience to its laws, that it should have unlimited war powers. The right of war and the rights of peace cannot coexist. One must yield to the other. Martial law and civil law cannot operate at the same time and place upon the same subject matter. Hence the constitution was framed with full recognition of that fact; it protects the citizen in peace and war; but his rights enjoyed under the constitution are different from those to which he is entitled in time of war.

[Now one must remember, that present day law is in reality military law that allows the civilian authorities to apply the rules of war upon belligerents. One must also remember that the United States has declared war upon its citizens by the act of 12 Stat 319 and 48 Stat 1, which, to this day, has never been repealed by Congress. The fact that Title 12 USC 95 (a) & (b) has declared the people of America "public enemies" still exists, proves it is a "domestic war" upon which President Roosevelt acted at the behest of the Federal Reserve. We have become the belligerent enemy to the belligerent United States. Mind you, we did not declare war against the United States, rather the United States declared an imperfect war upon the people of America. There is no public declaration as if we were a foreign power like Japan was in 1942. No, there is a subtle declaration in 48 Stat 1 and 12 Stat 319. People find this hard to believe until they read for themselves all these statutes and United States Codes and regulations I have quoted herein. The law speaks for itself quite clearly, and after reading them, it would be impossible for anyone to deny this fact. Belligerents we are, and with that in mind I return to the Book.]

WHETHER BELLIGERENTS SHOULD BE ALLOWED CIVIL RIGHTS UNDER THE CONSTITUTION DEPENDS UPON THE POLICY OF THE GOVERNMENT

None of these rights, guaranteed to peaceful citizens, by the constitution belong to them after they have become belligerents against their own government. They thereby forfeit all protection under that sacred charter which they have thus sought to overthrow and destroy. [People, this was the ploy that the Roosevelt and Lincoln governments used to reign over the people of America. They reversed the roles as they declared the people the enemy, not the other way around]. One party to a contract cannot break it and at the same time hold the other to perform it. It is true that if the government elects to treat them as subjects and to hold them liable only to penalties for violating statutes, it must concede to all of them all the legal rights and privileges which other citizens would have when under similar accusations;

THE CONSTITUTION ALLOWS CONFISCATION

Nothing in the constitution interferes with the belligerent right of confiscation of enemy property. [Always remember people, that you are the "enemy" declared by your wonderful government.] The right to confiscate is derived from a state of war. It is one of the rights of war. The right of confiscation belongs to the government as the necessary consequence of the power and duty of making war -- OFFENSIVE or defensive. [EMPHASIS Mine]. If authority were needed to support the right of confiscation, it may be found in 3 Dallas, 227; Vit.lib.iii., ch. 8, sect. 188; lib., ch. 9, sect. 161; Smith v Mansfield, cranch, 306-7; Cooper v Telfair, 4 Dallas; Brown v. U.S., 8 Cranch 110, 228, 229. From the foregoing authorities, it is evident that the government has a right, as a belligerent power, to capture or to confiscate any and all the personal property of the enemy; that there is nothing in the constitution which limits or controls the exercise of that right; and that capture in war, or confiscation by law, passes a complete title to the property taken; and that, if judicial condemnation of enemy property be sought, in order to pass title to it by formal decree of courts, by mere seizure, and without capture, the confiscation must have been declared by act of Congress, a mere declaration of war not being ex vi termini sufficient for that purpose.

[This is exactly how and why the IRS operate, the BATF, the DEA, and all those other alphabet agencies of government, right down to child services. And, remember the IRS is nothing but a private collector hired by the IRS District Director to collect for the private Federal Reserve System, the debt owed to the International Monetary Fund by the United States, that caused you to become the "enemies" in 1933 by 48 Stat 1, which was written by the Board of Directors of the Federal Reserve. You also must remember at the beginning of this book, it is said by Whiting, that minors can be taken in time of war from their belligerent parent, or have you forgotten so soon?]

MILITARY GOVERNMENT UNDER MARTIAL LAW

In addition to the right of confiscating personal property of the enemy, a state of war also confers upon the government other not less important belligerent rights, and among them, the right to seize and hold conquered territory by military force, and of instituting and maintaining military government over it, thereby suspending in part, or in whole, the ordinary civil administration. The exercise of this right has been sanctioned by the decision of the Supreme Court of the United States, in the case of California, Cross v Harrison, 16 How 164-190. And it is founded upon well-established doctrines of the law of nations. No citizen, whether loyal or rebel, is deprived of any right guaranteed to

him in the constitution by reason of his subjection to martial law, because martial law, when in force, is constitutional law.

A SEVERE RULE OF BELLIGERENT LAW

"Property of persons residing in the enemy's country is deemed, in law, hostile, and subject to condemnation without any evidence As to the opinions or predilections of the owner." If he is the subject of a neutral, or a citizen of one of the belligerent States, and has expressed no disloyal sentiments towards his country, still his residence in the enemy's country impresses upon his property, engaged in commerce and found upon the ocean, a hostile character, and subjects it to condemnation. This familiar principle of law is sanctioned in the highest courts of England and of the United States, and has been decided to apply to cases of civil as well as of foreign war.

CIVIL RIGHT OF LOYAL CITIZENS IN LOYAL DISTRICTS ARE MODIFIED BY THE EXISTENCE OF WAR

While war is raging, many of the rights held sacred by the constitution -- rights which cannot be violated by any acts of Congress -- may and must be suspended and held in abeyance.

[The following proves that you never owned your property and if you did it can still be taken, evidence the woman's plight above. So much for the argument that even the King may not enter your house although the cold, wind, rain , etc. etc. may. And so much for the argument that you are sovereign and the government takes a back seat to your wishes. Remember, reader that you have been declared the "enemy" by those officials of government, namely, Congress and the president, who you claim to be your servants. The confiscation acts have not been repealed and have been in force since 1787.]

BELLIGERENT RIGHT TO CONFISCATE THE ENEMY'S REAL ESTATE

The belligerent right of the government to confiscate enemy's real estate, situated in this country, can hardly admit of a question. The title to no inconsiderable part of the real estate in each of the original States of the Union, rests upon the validity of the confiscation acts, passed by our ancestors against loyal adherents to the crown. Probably none of these States failed to pass and apply these laws. English and American acts of confiscation were recognized by the laws of both countries, and their operation modified by treaties; their validity was never denied. The only authority which either of the States or colonies ever had for passing such laws was derived from the fact that they were the belligerents.

THE PRESIDENT IS THE SOLE JUDGE

"It belongs exclusively to the President to judge when the exigency arises in which he has the authority, under the constitution, to call forth the militia and his decision is exclusive on all other person." *Such is the language of Chief Justice Taney, in delivering the opinion of the Supreme Court, in *Martin v Mott*, 12 Wheaton, 19

[Jumping to Chapter five and reading what the true meaning of the constitution is, will be shocking to those that think what they read is what they read and cannot infer any other meaning. No so, because the constitution is couched in technical language, NOT common sense meaning. This was shown when I quoted Article I Section 8 clauses.]

LANGUAGE TO BE CONSTRUED TECHNICALLY

The language of the constitution is peculiar; it is technical; and it shows on the face of it an intention to limit the technical operation of attainders, not to limit the scope or extent of legislative penalties. If the authors of the constitution meant to say that Congress should pass no law punishing treason by attainder, or by its consequences, viz., forfeiture of estate, or corruption of blood, they would, in plain terms, have said so; and there would have been an end to the penalties of attainder, as there was an end to bills of attainder. Instead of saying, "Congress shall have the power to declare the punishment of treason, but shall not impose the penalties of attainder upon the offender," they said, "Congress shall have the power to declare the punishment of treason, but no attainder of treason shall work corruption

of blood, or forfeiture, except during the life of the person attainted." This phraseology has reference only to technical effect of attainder. The "working of forfeitures" is a phrase used by lawyers to show the legal result or effect which arises from a certain state of facts. Note. Since the publication of the seventh edition, it has been decided by Underwood, J., in the Eastern District Court of the U.S. for Virginia, in the case of U.S. v Latham, first, that the Confiscation Act above cited is authorized by the Constitution; second, that by the terms of that Act (dated July 17th, 1862, ch. 195), as modified by the joint resolution of July 27th, 1862 (No. 63), the punishment of treason is not limited to forfeiture of the life estate of the offender, and is not required to be so limited by the Constitution; but the forfeiture extends to the entire estate in fee simple.

[How do the U.S. government or the States seemingly get around this attainder or ex post facto law when; seizing property of the farmer; or from people whose land they want for national parks; wet land violations they concoct; seizures of all kinds of property under "drug war laws" whether innocent or not without due process? The reasons are found in War Powers, which are constitutional. If you are not found guilty of treason the validity of any statute passed by Congress, or for that matter the State legislatures cannot be questioned, only if your are so charged, and, therefore, what you thought was a protection does not become a protection under the constitutional operation of military rule by civil authorities under War Powers Acts. You will understand by what is stated by Whiting as follows.]

THE CONFISCATION ACTS OF 1862 IS NOT A BILL OF ATTAINDER, NOR AN EX POST FACTO LAW

This act is not a bill of attainder, because it does not punish the offender in any instance with corruption of blood, and it does not declare him, by act of the legislature, guilty of treason, inasmuch as the offender's guilt must be duly proved and established by judicial proceedings before he can be sentenced. It is not ex post facto law, as it declares no act committed prior to the time when the law goes into operation to be a crime, or to be punishable as such. It provides for no attainder of treason, and therefore none of the penal consequences which might have otherwise have followed them from such attainder.

ACT OF 1862, SECTION VI, DOES NOT PURPORT TO PUNISH BY TREASON

If the death penalty is not inflicted on the guilty, and if he be not accused of treason, no question as to the validity of the statute could arise under this clause of the constitution limiting the effect of attainders for treason. No objection could be urged against its validity on the ground of its forfeiting of confiscating all the property of the offender, or of its depriving him of liberty by imprisonment, or of it exiling him from this country. . . .But the crime punished by section 6 is not the crime of treason; and whether there be or be not a limitation to the power of the legislature to punish that crime, there is no limit to its power to punish the crime described in this section,* See Note, page 111 United States v Latham. Though treason is the highest political crime known to the codes of law, yet wide spread and savage rebellion is still a higher crime against society; . . .

[So now you know that treason is ONLY a POLITICAL crime, how is it that we, the people of America, have become the enemies of the POLITICAL establishment? The answer is very simple after reading my book The New History of America. The political aristocracy who wrote the Constitution did not intend for the masses to take part and become the sovereigns you think you are. No, neither you nor your ancestors were ever party to the contract called the Constitution of any of the colonies nor of the United States. I have quoted the case in my New History of America which I quote only a small part here,

"to this: that the States, in making the Constitution, intended to give up the power of self preservation."

Lastly, the Court at page 491, said this of the People who made the constitutions:

"The people of the States who made the Constitution, considered themselves as the sovereign, and the Government as the subject. They were the principal -- it the agent. That this is also true none will dispute."

We all know it is not us people who made the Constitutions but the select few as stated by the Court at page 520, to wit:

"But, indeed, no private person has a right to complain, by suit in court, on the ground of a breach of the Constitution. The Constitution, it is true, is a compact, but he is not a party to it. The States are the parties to it. And they may complain. If they do they are entitled to redress. Or they may waive the right to complain."

The only way to control the masses is to institute constitutional war powers to institute a different, but constitutional, set of parameters upon the people. Once the war powers are adopted they can change the statutes to fit the *ends* they want to achieve. *They do it slowly so as to not give a clue to the masses.* The war powers act of 1862 allowed the President and Congress to constitutionally change the statutes that guaranteed the people, in juries, to rule on both the law and the facts. Not only were the statutes changed that took away the power to judge the law but it also took away the right to be judged by your peers. The meaning of peers will be very evident when reading the next part of Whiting's Book and shows why today you have no such protections because the enemy can have no such protections. Even to the point that the jury is not aware of the slow indoctrination over the years that they really do have the right to judge the law, but not under the Rule of Necessity in the Rules of military Rule.]

STATE RIGHTS AND SECESSION DOCTRINES IN THE JURY ROOM

The jury are by law judges of the law and the fact, according to the opinion of many eminent lawyers and judges. Whether this be so or not, their verdict, being upon the law and the fact, in a criminal case, they become in effect judges of law and fact. Suppose that a judge presiding at the trial is honest and loyal, and that the jury is composed of men who believe that loyalty to the State is paramount to loyalty to the United States; or that the States had, and have, a lawful right to secede from the Union. Whatever of the opinions of the judge presiding in the United States courts might be on these questions, he would have no power to root out from the jury their honest belief, that obedience to their own laws of their own seceding State is not, and cannot be, treason. [Now you are going to see how they have destroyed the jury to gain a conviction in 99 percent of the cases, say IRS cases, so that the courts control the outcome under the doctrine of the Military Rules of War, and the jury be damned.] The first step towards securing a verdict would be to destroy the belief of the jury in these doctrines [sounds like jury tampering] of State rights, paramount State sovereignty, and the right of secession. To decide the issue, according to the conscientious judgment of the jurymen upon the facts and the law, would require them to find a verdict against the United States.

SYMPATHY

But this is not the only difficulty in the operation of this statute. The grand jury and the petit jury are to be drawn from those who are neighbors and possibly friends of the traitor. [remember, a traitor is a "political" enemy as defined by the Solicitor himself and you are a "political enemy" today] The accused has the further advantage of knowing, before the time of trial, the names of all the jurors, and of all the witnesses to be produced against him; he has the benefit of counsel, and the process of the United States to compel the attendance of witnesses in his behalf.* Statute of April 30, 1790, Sec.29. How improbable is it that any jury of twelve men will be found to take away the lives or estates of their associates, when some of the jurymen themselves, or their friends and relatives or debtors, are involved in the same offense!

[now we are going to get to the meat of jurisdiction in IRS cases. I have stated all along and written about it extensively that all revenue is under admiralty, but very few will listen. Well read the next statement of the Solicitor.]

LAWS ARE MOST EFFECTIVE WHICH REQUIRE NO REBEL TO ADMINISTER THEM

Those section of the act of 1862, empowering government to seize rebel property, real, personal, and mixed, and apply it to the use of the army, [today it is the local police *using* seized property] to secure the condemnation and sale of seized property, so as to make it available, and to authorize proceedings in rem, conformably to proceedings in admiralty or revenue cases, are of a different and far more effective character.

[Since I have been talking about these acts of seizure and so has the Solicitor, I think it only fair to produce those codified statutes that were born by 12 Stat 319 and never repealed, showing that the war powers and military rule still exists. If the war against the people, by the government was over, these laws would have been repealed.]

Notes on Title 50, Section 212 SOURCE (R.S. Sec. 5308.) CODIFICATION R.S. Sec. 5308 derived from act Aug. 6, 1861, ch. 60, Sec. 1, 12 Stat. 319.

Title 50 Sec. 212. Confiscation of property employed to aid insurrection Whenever during any insurrection against the Government of the United States, after the President shall have declared by proclamation that the laws of the United States are opposed, and the execution thereof obstructed, by combinations too powerful to be suppressed by the ordinary course of judicial proceedings, or by the power vested in the marshals by law, any person, or his agent, attorney, or employee, purchases or acquires, sells or gives, any property of whatsoever kind or description, with intent to use or employ the same, or suffers the same to be used or employed in aiding, abetting, or promoting such insurrection or resistance to the laws, or any person engaged therein; or being the owner of any such property, knowingly uses or employs, or consents to such use or employment of the same, all such property shall be lawful subject of prize and capture wherever found; and it shall be the duty of the President to cause the same to be seized, confiscated, and condemned.

Notes on Title 50, Section 213 SOURCE (R.S. Sec. 5309; Feb. 27, 1877, ch. 69, Sec. 1, 19 Stat. 253; Mar. 3, 1911, ch. 231, Sec. 291, 36 Stat. 1167.) -COD- CODIFICATION R.S. Sec. 5309 derived from act Aug. 6, 1861, ch. 60, Sec. 2, 12 Stat. 319. Act Mar. 3, 1911, conferred the powers and duties of the former circuit courts upon the district courts. AMENDMENTS 1877 - Act Feb. 27, 1877, inserted "may" after "any district in which the same".

Sec. 213. Jurisdiction of confiscation proceedings Such prizes and capture shall be condemned in the district court of the United States having jurisdiction of the amount, or in admiralty in any district in which the same may be seized, or into which they may be taken and proceedings first instituted.

Notes on Title 50, Section 215 SOURCE (R.S. Sec. 5311; June 25, 1948, ch. 646, Sec. 1, 62 Stat. 909.) CODIFICATION R.S. Sec. 5311 derived from act Aug. 6, 1861, ch. 60, Sec. 3, 12 Stat. 319. -CHANGE- CHANGE OF NAME Act June 25, 1948, eff. Sept. 1, 1948, substituted "United States attorney" for "attorney of the United States". See section 541 of Title 28, Judiciary and Judicial Procedure, and Historical and Revision Notes thereunder.

Sec. 215. Institution of confiscation proceedings The Attorney General, or the United States attorney for any judicial district in which such property may at the time be, may institute the proceedings of condemnation, and in such case they shall be wholly for the benefit of the United States; or any person may file an information with such attorney, in which case the proceedings shall be for the use of such informer and the United States in equal parts.

Now this is not the only place that seizure is found. I now move to 28 USC.

FEDERAL RULES OF CIVIL PROCEDURE

Admiralty and maritime rules of practice (which included libel procedures) were superseded, and civil and admiralty procedures in United States district courts were unified, effective July 1, 1966, see rule 1 and Supplemental Rules for Certain Admiralty and Maritime Claims, Appendix to this title.

Sec. 2461. Mode of recovery (a) Whenever a civil fine, penalty or pecuniary forfeiture is prescribed for the violation of an Act of Congress without specifying the mode of recovery or enforcement thereof, it may be recovered in a civil action. (b) Unless otherwise provided by Act of Congress, whenever a forfeiture of property is prescribed as a penalty for violation of an Act of Congress and the seizure takes place on the high seas or on navigable waters within the admiralty and maritime jurisdiction of the United States, such forfeiture may be enforced by libel in admiralty but in cases of seizures on land the forfeiture may be enforced by a proceeding by libel which shall conform as near as may be to proceedings in admiralty.

Sec. 2462. Time for commencing proceedings Except as otherwise provided by Act of Congress, an action, suit or proceeding for the enforcement of any civil fine, penalty, or forfeiture, pecuniary or otherwise, shall not be entertained unless commenced within five years from the date when the claim first accrued if, within the same period, the offender or the property is found within the United States in order that proper service may be made thereon.

Sec. 2463. Property taken under revenue law not repleviable All property taken or detained under any revenue law of the United States shall not be repleviable, but shall be deemed to be in the custody of the law and subject only to the orders and decrees of the courts of the United States having jurisdiction thereof. SECTION REFERRED TO IN OTHER SECTIONS This section is referred to in title 26 section 7434.

Sec. 2464. Security; special bond (a) Except in cases of seizures for forfeiture under any law of the United States, whenever a warrant of arrest or other process in rem is issued in any admiralty case, the United States marshal shall stay the execution of such process, or discharge the property arrested if the process has been levied, on receiving from the respondent or claimant of the property a bond or stipulation in double the amount claimed by the libellant, with sufficient surety, to be approved by the judge of the district court where the case is pending, or, in his absence, by the collector of the port, conditioned to answer the decree of the court in such case. Such bond or stipulation shall be returned to the court, and judgment or decree thereon, against both the principal and sureties, may be secured at the time of rendering the decree in the original case. The owner of any vessel may deliver to the marshal a bond or stipulation, with sufficient surety, to be approved by the judge of the district court, conditioned to answer the decree of such court in all or any cases that are brought thereafter in such court against the vessel. Thereupon the execution of all such process against such vessel shall be stayed so long as the amount secured by such bond or stipulation is at least double the aggregate amount claimed by libellants in such suits which are begun and pending against such vessel. Similar judgments or decrees and remedies may be had on such bond or stipulation as if a special bond or stipulation had been filed in each of such suits. (b) The court may make necessary orders to carry this section into effect, particularly in giving proper notice of any such suit. Such bond or stipulation shall be endorsed by the clerk with a minute of the suits wherein process is so stayed. Further security may be required by the court at any time. (c) If a special bond or stipulation in the particular case is given under this section, the liability as to said case on the general bond or stipulation shall cease. The parties may stipulate the amount of the bond or stipulation for the release of a vessel or other property to be not more than the amount claimed in the libel, with interest, plus an allowance for libellant's costs. In the event of the inability or refusal of the parties to so stipulate, the court shall fix the amount, but if not so fixed then a bond shall be required in the amount prescribed in this section. Security; special bond

Sec. 2465. Return of property to claimant; certificate of reasonable cause; liability for wrongful seizure

Upon the entry of judgment for the claimant in any proceeding to condemn or forfeit property seized under any Act of Congress, such property shall be returned forthwith to the claimant or his agent; but if it appears that there was reasonable cause for the seizure, the court shall cause a proper certificate thereof to be entered and the claimant shall not, in such case, be entitled to costs, nor shall the person who made the seizure, nor the prosecutor, be liable to suit or judgment on account of such suit or prosecution.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in title 26 section 7328.

I now proceed to IRS cases to prove the above and what Whiting stated about revenue and admiralty being the same jurisdiction for collection and seizure. He did say that under the war powers "in rem" proceedings are used. His reasoning was adopted by the Supreme Court in 1863.

United States v. One 1966 Chevrolet Pickup Truck, 56 F.R.D. 450 (1972); "A proceeding in rem is governed by the Supplemental Rules for Certain Admiralty and Maritime Claims, a supplement to the Federal Rules of Civil Procedure, 28 U.S.C. (hereinafter Supplemental Rules), See Rule A, Supplemental Rules;"

And this next case, United States of America, Libellant v \$3976.62 In Currency, One 1960 Ford Station Wagon, 37 F.R.D. 564; Key 31. "Although presumably for purpose of obtaining jurisdiction, action for forfeiture under Internal Revenue Laws is commenced as proceeding in admiralty, after jurisdiction is obtained proceeding takes on the character of civil action at law, and at least at such stage of proceedings, Rules of Civil Procedure control." "On August 14, 1964 a 'libel' of information' (see Supreme Court Admiralty Rule 21; 28 U.S.C. 1355; 26 U.S.C. 7323) was filed by the United States Attorney." Ibid 565.

Further proof is gleaned from Benedict on Admiralty 7th Edition. Quoting from Benedict on Admiralty, 1850; "Its necessary effect [the Act] was, however, to start the courts on that system of practice, and really to impose upon them, in admiralty and maritime cases, the civil law practice, as that under which they must continue to administer justice, even after the expiration of that act, until further provision could be made."

Section 105 states; "The Purpose of the Constitutional Grant -- The Essential Harmony of the Maritime Law. The grand purpose of the Constitution was to unify the several States [several meaning separate], the whole people, in their national, international, and interstate relations and all other purposes were subordinate and ancillary to this."

Section 123 states; "The commission to the Governor as Vice-Admiral was very full, granting, in language so clear that it cannot be misunderstood, an admiralty jurisdiction as wide and beneficial as the most zealous supporters of the English Admiralty ever claimed for it."

This is the type of court that exists today and why we cannot bring a pure Article of the Bill of Rights argument in a contract court of the law-merchant in their civil law under war powers act of 1862. Benedict states at Section 5 that, " * * *the civil law was held to be the law of admiralty, and the course of proceedings in admiralty, closely resembled the civil law practice."

Remember in 28 USC 2461 it states as near as may be to admiralty?

Revenue comes under commerce and is basic to the jurisdiction of the admiralty/maritime court. Evidence the fact every judge states you can't bring the constitution in his court. You can't bring in the Seventh Article of the Bill of Rights. Why? Because it is evident after reading Benedict on The American Admiralty Its Jurisdiction and Practice, 1850, Chapter XIII section 195, to wit: "So the seventh amendment is limited to suits at common law, which does not include either suits of equity, or of admiralty and maritime jurisdiction". The American people are not under common law or any other law but Emergency War Powers.

American Ins. Co. v Canter, 1 Pet. 511, 545 (1828). "A case in admiralty does not, in fact, arise under the Constitution or Laws of the United States."

Most people would not understand why such a case would not come under the constitution. The reason being when in war, and proceeding in admiralty, International law and treaty law takes over. It is stated in Chapter two of Whiting's Book that the Law of Nations, which is International law, rules over the Constitutions. One of the International laws is that of Treaty with the United Nations. So try as you might to oust the United States from the UN treaty, as long as we are the enemy and the United States the belligerent power running the show you will never, under international law that we live under, obtain your goals.

Benedict states at section 204; "In such cases, the question before the court, is not whether the court has jurisdiction, but whether the party have right; it is not a question in abatement, but a question of the merits of the action. `If the cause is a maritime cause, subject to admiralty cognizance, jurisdiction is complete over the person as well as over the ship. It must in its nature be complete, for it cannot be confined to one of the remedies on the contract, when the contract itself is within its cognizance'." The quote he used is from 12 Wheat 460; 7 Howard 729 Boyd's proceedings.

Whether the party have the right? Yes. As enemies of the State, you have no rights that you call unalienable. And the case for that is called, The Sally, 8 Cranch 382, 384, wherein the court stated; "By the general law of prize, property engaged in the illegal intercourse with the enemy is deemed enemy property. It is of no consequence whether it belong to an ally or a citizen; the traffic stamps it with a hostile character, and attaches to it all the penal consequences of enemy ownership". In The Shark, (1862)page 218 the court states, "All persons doing business with the enemy, whether citizens of the United States or citizens of the other belligerent nation or neutrals, are as to their property to be deemed enemies."

Therefore, with all this knowledge as to why you are deemed the enemy, this case called The Julia, (1813) falls right into what Whiting stated in 1864 about the enemy having no rights.

"No contract is considered valid as between enemies, at least so far as to give them a remedy in the courts of either government, and they have, in the language of the civil law, no ability to sustain a *persona standi in judicio*."

Now you know why people charged under the revenue laws that are in court have a 99 percent chance of losing; have no right to present the law or regulations to the jury, as that has been eliminated slowly since 1867, to claim and show a defense; are 99 percent of the time denied all motions that would have to be ruled in their favor and when having a claim against the United States they always institute a Rule 12 (b) (6) that claims they have not stated a cause in which relief can be granted. This is so because the enemy in rebellion, the cash cow of the United States, the so called "tax protester," can never overcome. The IRS can seize property of all types without any due process in the courts before they take the property as explained in Whiting's Book below.]

Some persons have turned their attention to certain passages in the amendments relating, as was supposed, to this subject. Let us examine them:

Article IV. "The right of the people to be secure in their persons, houses, papers, and effects against unreasonable searches and seizures shall not be violated."

This amendment merely declares that the right of being secure against UNREASONABLE seizures or arrests shall not be violated. It does not declare that NO ARRESTS shall be made. Will any one deny that is reasonable to arrest or capture the person of the public enemy? If all arrests, reasonable or unreasonable, were prohibited, public safety would be disregarded in favor of the rights of individuals. Not only may military, but even civil, arrests be made when reasonable. Emphasis the Solicitor's.

[48 Statutes at Large 1, very specifically declared the people of America "public enemies", whether of the banking cartel or otherwise, it was already done by Lincoln. Now to prove "public enemies" have no rights that are protected by the infamous Bill of Rights is this passage in the Book.]

OBJECTION THAT ARRESTS ARE MADE WITHOUT INDICTMENT

The Fifth article of the amendments to the constitution provides that -- [I let the reader obtain a copy as it is stated here] This article has no reference to the rights of citizens under the exigencies of *war*, but relates only to their rights in time of peace.

OFFICERS MAKING ARRESTS NOT LIABLE TO CIVIL SUIT OR CRIMINAL PROSECUTION

That military arrests are deemed necessary for public [definition for "public" means government only] safety by Congress is shown by the act of March 3, 1863, ch.81, wherein it is provided that no person arrested by authority of the President of the United States shall be discharged from imprisonment so long as the war lasts, and the President shall see fit to suspend the privilege of the writ of habeas corpus.

[Yes, the habeas corpus is a *PRIVILEGE* and NOT a right, and it is granted by government in time of *peace*. It can and has, for all intents and purposes, been suspended. This is evident by the fact that between 1957 and about 1990 only 3 percent of all habeas corpus have been granted. Now, all this material so far has proven one thing. That is, the people of America who thought they were sovereign; who thought government was their servant; who thought the constitution was their doing; who thought the Bill of Rights were written for them; who thought the constitution was there to protect them; who thought that white citizens were always above the blacks; who thought the term "citizen" did not show up until after the Fourteenth Amendment; who never realized that blacks voted, held office, held military commissions before the 1787 Constitution; who did not realize that the 1787 Constitution enslaved the black people by considering them property by the institution of Article I, Section 2, Clause 3; who thought the constitution was over all treaty law or International law of nations; who thought we were living in times of peace; who do not believe they are considered "public enemies; who believe that they are free, are sorely mistaken. So let us move along in the Book and destroy some more myths. One has to remember that this Book was written during Civil war and talks about military law, the principles apply to this very day, even though you do not see uniformed officers behind the desks of the

alphabet agencies of government, although you do see quasi military presence in the form of a police officer that is termed "law enforcement." They are no longer *peace* officers.]

MILITARY ARRESTS LAWFUL

The laws of war, military and martial, written and unwritten, founded on the necessities of government, are sanctioned by the Constitution and laws, and recognized as valid by the Supreme Court of the United States. Arrests made under the laws of war are neither arbitrary nor without legal justification. In *Cross v Harrison*, Judge Wayne, delivering the opinion, (16 Howard, 189, 190,) says:

Early in 1847 the President, as constitutional commander-in-chief of the army and navy, authorized the military and naval commanders of our forces in California to exercise the belligerent rights of a conqueror, and to form a civil government for the conquered country, and to impose duties on imports and tonnage as military contributions for the support of government and of the army which had the conquest in possession. No one can doubt that these orders of the President and the action of our army and navy commanders in California, in conformity with them, were according to the law of arms &c."

So in *Fleming v Page*, (9 Howard, 615,) Chief Justice Taney says:

"The person who acted in the character of collector in this instance, acted as such under the authority of the military commander and in obedience to his orders; and the regulations he adopted were not those prescribed by law, but by the President in his character as commander-in-chief."

It is established by these opinions that military orders, in accordance with martial law or the laws of war, though they may be contrary to municipal laws; and the use of the usual means of enforcing such orders by military power, including capture, arrest, imprisonment, or the destruction of life and property, [such as those in the Waco incident and others throughout the country] are authorized and sustained upon the firm basis of martial law, which is, in time of war, [and national emergency that we have been living under all our lives] constitutional law.

[Turning to Whiting's separate section Titled, *The Return of the Rebellious States to the Union*, we see the mindset of government, our enemy, as so aptly stated by Albert J. Nock in his book, **Our Enemy, The State**. It shows that the people of the south and the north became enemies of the United States, AKA Congress, because the southern states could not be admitted back into the Union and have disabilities different to the north. So Congress overrode President Johnson's veto of the War Powers after Johnson decreed the War Powers over, and then Congress declared that in order to have all states on equal footing they would continue the emergency war powers to include ALL the people in the States of the Union to be enemies, subject to the Confiscation Acts of 12 Stat 319. The section on Reconstruction of the Union shows that the southern States were forced into submitting to the United States, thereby showing, for all to see, that the Constitution is of "No Authority" as stated by eminent Jurist Lysander Spooner.

The south had sought to be free from the Union as expressed in the Declaration of Independence and the Constitution, that whenever government ceased to be what it was supposed to be, they had the right to secede. Such was *not* the case and shows the fraud of the Constitution for what it is. For if the abuses could not be remedied the South sought to only do what the Constitution stated, and that was to form a new government. They did not want to overthrow the old government. This also proves that the Treaty of 1783 still is supreme over the constitution which the treaty created. This I brought forth in my book **The New History of America** by quoting from the First Circuit Court of the United States operating in North Carolina in 1796.] fallacy.htm

THE UNITED STATES INC.

The United States Isn't a Country – It's a Corporation!

By Lisa Guliani

"We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America."
— Preamble of the original "organic" Constitution

"We hold these truths to be self-evident. That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness; that to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that whenever any form of government becomes destructive of these ends, it is the right of the people to alter or abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to affect their safety and happiness." — Excerpted from the Declaration of Independence of the original thirteen united states of America, July 4, 1776

Fourth of July 2002 has come and gone, and Americans honored the holiday with a renewed patriotic fervor that reminded me of the Bicentennial celebrations of 1976. As is customary, traditional fireworks displays took center stage and scores of people turned out to witness the dazzling show in the summer sky. With mixed feelings, I sat with friends on a crowded Pennsylvania sidewalk beneath a glittering, mesmerizing explosion of color, pondering the keen sense of sadness and betrayal that overwhelmed my spirit. Looking around at the huge crowds gathered for the annual events, I thought silently, "We are not free." In truth, we have not been a free people for a very long time.

We celebrate this day in honor of our "independence". We call ourselves a free people in a land of liberty. Our anthems proudly sing the praises of this nation, and we raise our voices, wave our flags and join in song — but how many Americans realize they are not free? This is a myth perpetuated by the powers-that-be in order to avoid any major civil unrest, and to keep us all living under the thumb of a militaristic corporate Big Brother within the illusions that have been created for us. The truth of the matter is this: what freedom has not been stolen from us, we have surrendered willingly through our silence and ignorance. As Americans, most of us have no idea how our freedoms are maintained — or lost. Apparently, our ancestors didn't have a good grasp of this either. It is sad, but it is also very true.

Don't point to that beloved parchment, the Constitution, as a symbol of your enduring freedom. It is representative of a form of government which seemingly no longer exists in this country today. The Constitution has been thrown out the window, the Republic shoved aside and replaced with a democracy. The thing is; most people in this country remain unaware that this is so because they simply do not know the truth — what lies beyond the myths. Your so-called government is not going to tell you, either.

To even begin to understand what has happened to the Republic, we must look backward in time to the period following the Civil War. We must go back to the year 1871, which was the beginning of the decline of the Republic. When we examine what happened during that time in our history, we begin to piece together this troubling, perplexing puzzle that is "America" — only then should we answer as to whether we are indeed a "free" people or not.

So, let's roll backward into the past for a moment. It is time we learned what they didn't teach us in school. It is far more interesting than what they DID tell us. I think you'll stay awake for this lesson.

The date is February 21, 1871 and the Forty-First Congress is in session. I refer you to the "Acts of the Forty-First Congress," Section 34, Session III, chapters 61 and 62. On this date in the history of our nation, Congress passed an Act titled: "**An Act To Provide A Government for the District of Columbia.**" This is also known as the "Act of 1871." What does this mean? Well, it means that Congress, under no constitutional authority to do so, created a separate form of government for the District of Columbia, which is a ten mile square parcel of land.

What??? How could they do that? Moreover, WHY would they do that? To explain, let's look at the circumstances of those days. The Act of 1871 was passed at a vulnerable time in America. Our nation was essentially bankrupt — weakened and financially depleted in the aftermath of the Civil War. The Civil War itself was nothing more than a calculated "front" for some pretty fancy footwork by corporate backroom players. It was a strategic maneuver by European interests (the international bankers) who were intent upon gaining a stranglehold on the neck (and the coffers) of America.

The Congress realized our country was in dire financial straits, so they cut a deal with the international bankers — (in those days, the Rothschilds of London were dipping their fingers into everyone's pie) thereby incurring a DEBT to said bankers. If we think about banks, we know they do not just lend us money out of the goodness of their hearts. A bank will not do anything for you unless it is entirely in their best interest to do so. There has to be some sort of collateral or some string attached which puts you and me (the borrower) into a subservient position. This was true back in 1871 as well. The conniving international bankers were not about to lend our floundering nation any money without some serious stipulations. So, they devised a brilliant way of getting their foot in the door of the United States (a prize they had coveted for some time, but had been unable to grasp thanks to our Founding Fathers, who despised them and held them in check), and thus, the Act of 1871 was passed.

In essence, this Act formed the corporation known as THE UNITED STATES. Note the capitalization, because it is important. This corporation, owned by foreign interests, moved right in and shoved the original "organic" version of the Constitution into a dusty corner. With the "Act of 1871," our Constitution was defaced in the sense that the title was block-capitalized and the word "for" was changed to the word "of" in the title. The original Constitution drafted by the Founding Fathers, was written in this manner:

"The Constitution for the united states of America".

The altered version reads: "THE CONSTITUTION OF THE UNITED STATES OF AMERICA". It is the corporate constitution. It is NOT the same document you might think it is. The corporate constitution operates in an economic capacity and has been used to fool the People into thinking it is the same parchment that governs the Republic. It absolutely is not.

Capitalization — an insignificant change? Not when one is referring to the context of a legal document, it isn't. Such minor alterations have had major impacts on each subsequent generation born in this country. What the Congress did with the passage of the Act of 1871 was create an entirely new document, a constitution for the government of the District of Columbia. The kind of government THEY created was a corporation. The new, altered Constitution serves as the constitution of the corporation, and not that of America. Think about that for a moment.

Incidentally, this corporate constitution does not benefit the Republic. It serves only to benefit the corporation. It does nothing good for you or me — and it operates outside of the original Constitution. Instead of absolute rights guaranteed under the "organic" Constitution, we now have "relative" rights or privileges. One example of this is the Sovereign's right to travel, which has been transformed under corporate government policy into a "privilege" which we must be licensed to engage in. This operates outside of the original Constitution.

So, Congress committed TREASON against the People, who were considered Sovereign under the Declaration of Independence and the organic Constitution. When we consider the word "Sovereign," we must think about what the word means.

According to Webster's Dictionary, "sovereign" is defined as: 1. chief or highest; supreme. 2. Supreme in power, superior in position to all others. 3. Independent of, and unlimited by, any other, possessing or entitled to, original and independent authority or jurisdiction.

In other words, our government was created by and for "sovereigns" — the free citizens who were deemed the highest authority. Only the People can be sovereign — remember that. Government cannot be sovereign. We can also look to the Declaration of Independence, where we read: "government is subject to the consent of the governed" — that's supposed to be us, the sovereigns. Do you feel like a sovereign nowadays? I don't.

It doesn't take a rocket scientist or a constitutional historian to figure out that this is not what is happening in our country today. Government in these times is NOT subject to the consent of the governed. Rather, the governed are subject to the whim and greed of the corporation, which has stretched its tentacles beyond the ten-mile-square parcel of land known as the District of Columbia — encroaching into every state of the Republic. Mind you, the corporation has NO jurisdiction outside of the District of Columbia. THEY just want you to think it does.

You see, you are presumed to know the law. This is ironic because as a people, we are taught basically nothing about the law in school. We are made to memorize obscure factoids and paragraphs here and there, such as the Preamble, and they gloss over the Bill of Rights. But we are not told about the law. Nor do our corporate government schools delve into the Constitution in any great depth. After all, they were put into place to indoctrinate and dumb down the masses — not to teach us anything. We were not told that we were sold-out to foreign interests and made beneficiaries of the debt incurred by Congress to the international bankers. For generations, American citizens have had the bulk of their earnings confiscated to pay on a massive debt that they, as a People, did not incur. There are many, many things the People have not been told. How do you feel about being made a beneficiary of somebody else's massive debt without your knowledge or consent? Are we gona keep going along with this??

When you hear some individuals say that the Constitution is null and void, think about how our government has transformed over time from a municipal or service-oriented entity to a corporate or profit-oriented entity. We are living under the myth that this is lawful, but it is not. We are being ruled by a "de facto," or unlawful, form of government — the corporate body of the death-mongers — The Controllers.

With the passage of the Act of 1871, a series of subtle and overt deceptions were set in motion — all in conjunction and collusion with the Congress, who knowingly and deliberately sold the People down the river. Did they tell you this in government school? I doubt it. They were too busy drumming the fictional version of history into your brain — and mine. By failing to disclose what THEY did to the American People, the people became ignorant of what was happening. Over time, the Republic took it on the chin to the point of a knockdown. With the surrender of their gold in 1933, the People essentially surrendered their law. I don't suppose you were taught THAT in school either. That's because our REAL history is hidden from us. This is the way Roman Civil Law works — and our form of governance today is based upon Roman Civil Law and Admiralty/Maritime Law — better known as the "Divine Right of Kings"

and "Law of the Seas", respectively. This explains a lot. Roman Civil Law was fully established in the original colonies even before our nation began and is also known as private international law.

The government which was created for the District of Columbia via the Act of 1871 operates under Private International Law, and not Common Law, which was the law of the Constitutional Republic. This is very important to note since it impacts all Americans in concrete ways. You must recognize that private international law is only applicable within the District of Columbia and NOT in the other states of the Union. The various arms of the corporation are known as "departments" such as the Judiciary, Justice and Treasury. You recognize those names? Yes, you do! But they are not what you assume them to be. These "departments" all belong to the corporation known as THE UNITED STATES. They do NOT belong to you and me under the corporate constitution and its various amendments that operate outside of the Constitutional Republic.

I refer you to the UNITED STATES CODE (note the capitalization, indicating the corporation, not the Republic) Title 28 3002 (15) (A) (B) (C). It is stated unequivocally that the UNITED STATES is a corporation. Realize, too, that the corporation is not a separate and distinct entity from the government. It IS the government. YOUR government. This is extremely important. I refer to this as the "corporate empire of the UNITED STATES," which operates under Roman Civil Law outside of the Constitution. How do you like being ruled by a cheesy, sleazy corporation? You'll ask your Congressperson about this, you say? HA!!

U.S. Code Collection

Title 28 > Part V17 > Chapter 176 > Subchapter A > § 3002. Definitions:

- (13)** "Security agreement" means an agreement that creates or provides for a lien.
- (14)** "State" means any of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Marianas, or any territory or possession of the United States.
- (15)** "United States" means—
- (A)** a Federal corporation;
 - (B)** an agency, department, commission, board, or other entity of the United States; or
 - (C)** an instrumentality of the United States.
- (16)** "United States marshal" means a United States marshal, a deputy marshal, or an official of the United States Marshals Service designated under section 564.

Congress is fully aware of this deception. You must be made aware that the members of Congress do NOT work for you and me. Rather, they work for the Corporation known as THE UNITED STATES. Is this really any surprise to you? This is why we can't get them to do anything on our behalf or to answer to us — as in the case with the illegal income tax — among many other things. Contrary to popular belief, they are NOT our civil servants. They do NOT work for us. They are the servants of the corporate government and carry out its bidding. Period.

The great number of committees and sub-committees that the Congress has created all work together like a multi-headed monster to oversee the various corporate "departments." And, you should know that every single one of these that operates outside the District of Columbia is in violation of the law. The corporate government of the UNITED STATES has no jurisdiction or authority in ANY state of the Republic beyond the District of Columbia. Let this sink into your brain for a minute. Ask yourself, "Could this deception REALLY have occurred without the full knowledge and complicity of the Congress?" Do you think it happened by accident? You are deceiving yourself if you do. There are no accidents or coincidences. It is time to confront the truth and awaken from ignorance.

Your legislators will not apprise you of this information. You are presumed to know the law. THEY know you don't know the law, or your history for that matter, because this information has not been taught to you. No concerted effort

has been made to inform you. As a Sovereign, you are entitled to full disclosure of the facts. As a slave, you are entitled to nothing other than what the corporation decides to "give" you — at a price. Be wary of accepting so-called "benefits" of the corporation of the UNITED STATES. Aren't you enslaved enough already?

I said (above) that you are presumed to know the law. Still, it matters not if you don't in the eyes of the corporation. Ignorance of the law is not considered an excuse. It is your responsibility and your obligation as an American to learn about the law and how it applies to you. THEY count on the fact that most people are too uninterested or distracted or lazy to do so. The People have been mentally conditioned to allow the alleged government to do their thinking for them. We need to turn that around if we are to save our Republic before it is too late.

The UNITED STATES government is basically a corporate instrument of the international bankers. This means YOU are owned by the corporation from birth to death. The corporate UNITED STATES also holds ownership of all your assets, your property, and even your children. Does this sound untrue? Think long and hard about all those bills you pay, all those various taxes and fines and licenses you must pay for. Yes, they've got you by the pockets. Actually, they've had you by the ass for as long as you've been alive. In your heart, you know it's true. Don't believe any of this? Read up on the 14th Amendment. Check out how "free" you really are.

With the Act of 1871 and subsequent legislation such as the purportedly ratified 14th Amendment, our once-great nation of Sovereigns has been subverted from a Republic to a democracy. As is the case under Roman Civil Law, our ignorance of the facts has led to our silence. Our silence has been construed as our consent to become beneficiaries of a debt we did not incur. The Sovereign People have been deceived for hundreds of years into thinking they remain free and independent, when in actuality we continue to be slaves and servants of the corporation.

Treason was committed against the People in 1871 by the Congress. This could have been corrected through the decades by some honest men (assuming there were some), but it was not, mainly due to lust for money and power. Nothing new there. Are we to forgive and justify this crime against the People? You have lost more freedom than you may realize due to corporate infiltration of the so-called government. We will lose more unless we turn away from a democracy that is the direct road to disaster — and restore our Constitutional Republic.

In an upcoming article, we'll take a closer look at the purportedly ratified 14th Amendment and how we became "property" of the corporation and enslaved by our silence.

I am saddened to think about the brave men and women who were killed in all the wars and conflicts instigated by the Controllers. These courageous souls fought for the preservation of ideals they believed to be true — not for the likes of a corporation. Do you believe that any one of the individuals who have been killed as a result of war would have willingly fought if they knew the full truth? Do you think one person would have laid down his life for a corporation? I think not. If the People had known long ago to what extent their trust had been betrayed, I wonder how long it would have taken for another Revolution. What we need is a Revolution in THOUGHT. We change our thinking and we change our world.

Will we ever restore the Republic? That is a question I cannot answer yet. I hope, and most of all — pray — that WE, the Sovereign People, will work together in a spirit of cooperation to make it happen in this lifetime. I know I will give it my best shot — come what may. Our children deserve their rightful legacy — the liberty our ancestors fought so hard to give to us. Will we remain silent telling ourselves we are free, and perpetuate the MYTH? Or, do we stand as One Sovereign People, and take back what has been stolen from the house of our Republic?

Something to think about — it's called freedom.

THE CRIMINALS WHO RUN OUR GOVERNMENT

"You assist an evil system most effectively by obeying its orders and decrees. An evil system never deserves such allegiance. Allegiance to it means partaking of the evil. A good person will resist an evil system with his or her whole soul." - Mahatma Gandhi

I have hastily put this list together in less than 15 minutes of online searching, so it is in no way an extensive, comprehensive (just a glimpse of our rotten system) nor my original research, for it was other individuals who took their time to catalog the crimes of the **crooks we TRUST to run this nation**. Just three weeks after originally putting this list together, a whole bunch of criminals were charged, I can't keep up with the list to make it current! 4 tax cheats in just one week alone, 2 child molesters and a few more I can't remember what was their offense. This is NORMAL in Washington, no outcries, barely a blip on the radar screen, business as usual. This also seems to be the average rate of criminals being caught, so by the end of the year this list should have at the very least 50 more perps added, if I were keeping count.

I would like to add, it is more than outrageous that there exists any type of organization that attracts and employs such a bewildering number of sick, twisted, morally, ethically devoid people. **Our system breeds and invites corrupt slimeballs who are inclined to seek fortune and power to fulfill the positions of government.** Then desecrate the positions of trust by pimping their souls to the highest bidders, defrauding their constituents, taking advantage of innocent people, and so on. Is it any wonder that the ones who DON'T get caught are the ones who constantly LIE to us about everything under the sun? Is it any wonder that the ones who have yet to be caught, still in office, who have

been running our country into the ground are the ones who have sold their souls to the Zionists and their emissary lobbyists, pushing special agendas for the elite and have sold us all out?

Washington exists in its own reality vortex, where common sense, logic, empathy, caring, thoughtfulness, goodwill, compassion and goodness as a whole are just a make believe bogus front. Behold: Here is proof positive that your government is run by the largest gang of criminals ever amassed under one organized entity. I present to you just the tip of the iceberg:

1. Democrat Criminals:

Edward Moore Kennedy - Democrat - U. S. Senator from Massachusetts. Pleaded guilty to leaving the scene of an accident, after his car plunged off a bridge on Chappaquiddick Island killing passenger Mary Jo Kopechne.

Barney Frank - Democrat - U.S. Representative from Massachusetts from 1981 to present. Admitted to having paid Stephen L. Gobie, a male prostitute, for sex and subsequently hiring Gobie as his personal assistant. Gobie used the congressman's Washington apartment for prostitution. A move to expel Frank from the House of Representatives failed and a motion to censure him failed.

DNC - The Federal Election Commission imposed \$719,000 in fines against participants in the 1996 Democratic Party fundraising scandals involving contributions from China, Korea and other foreign sources. The Federal Election Commission said it decided to drop cases against contributors of more than \$3 million in illegal DNC contributions because the respondents left the country or the corporations are defunct.

Sandy Berger - Democrat - National Security Advisor during the Clinton Administration. Berger became the focus of a criminal investigation after removing highly classified terrorism documents and handwritten notes from the National Archives during preparations for the Sept. 11 commission hearings.

Robert Torricelli - Democrat - Withdrew from the 2002 Senate race with less than 30 days before the election because of controversy over personal gifts he took from a major campaign donor and questions about campaign donations from 1996.

James McGreevey - Democrat - New Jersey Governor . Admitted to having a gay affair. Resigned after allegations of sexual harassment, rumors of being blackmailed on top of fundraising investigations and indictments.

Jesse Jackson - Democrat - Democratic candidate for President. Admitted to having an extramarital affair and fathering a illegitimate child.

Hot off the press: John McCain's presidential campaign manager **Jeffery Claude Bartleson**, 52 arrested on January 29th, 2009 for molesting a 5 year old boy. He has faced similar allegations at least FIVE times since 1982 without being convicted of a crime.

3. Federal Government Scandals

Source: Wikipedia.com

2000-present

Executive Branch Scandals -

- [Alphonso Jackson](#) (R) Secretary of HUD resigned while under investigation by the FBI for revoking the contract of a vendor who told him he didn't like President Bush (2008)
- "[Lawyergate](#)" -[\[3\]](#) the Bush administration firing without explanation of a number of Republican federal prosecutors which he himself had appointed. It is alleged they were fired for prosecuting Republicans and *not* prosecuting Democrats. As congressional hearings were called, a number of senior officials cited executive privilege **and resigned** rather than testify under oath, including:
 1. [Monica Goodling](#) (R) White House Liaison
 2. [Michael A. Battle](#) (R) Director of Executive Office of US Attorneys
 3. [Bradley Scholzman](#) (R) Director of Executive Office of US Attorneys who replaced Battle
 4. [Michael Elston](#) (R) Chief of Staff to Paul McNulty
 5. [Paul McNulty](#) (R) Deputy Attorney General
 6. [Kyle Sampson](#) (R) Chief of Staff to Alberto Gonzales
 7. [Alberto Gonzales](#) (R) Attorney General
 8. [Joshua Bolten](#) Deputy Chief of Staff to the President, found in Contempt of Congress
 9. [Sarah Taylor](#) (R) Assistant to Karl Rove
 10. [Karl Rove](#) (R) Assistant to the President

11. [Harriet Miers](#) (R) Legal Counsel to the President, found in Contempt of Congress
 - [Lurita Alexis Doan](#) (R) resigned as head of the General Services Administration. She was under scrutiny for conflict of interest and violations of the [Hatch Act](#) (2008)
 - [Jack Abramoff](#) scandal in which Abramoff bribed administration officials and legislators as part of his lobbying efforts. See Legislative scandals.
1. [David Safavian](#) (R) Administrator of Procurement Policy for the OMB, found guilty of four counts of lying and sentenced to 18 months
 2. [Roger Stillwell](#) (R) Staff in the Department of the Interior under George W. Bush. Pleaded guilty and received two years suspended sentence
 3. [Susan Ralston](#) (R) Special Assistant to the President and Senior Advisor to Carl Rove, resigned October 6, 2006 after it became known that she accepted gifts and passed information to her former boss Jack Abramoff
 4. [Steven Griles](#) (R) (former Deputy Secretary of the Interior) pleaded guilty to obstruction of justice and was sentenced to 10 months
 5. [Italia Federici](#) (R) staff to Secretary of Interior, obstruction of justice, four years probation
 6. [Mark Zachares](#) (R) staff in Labor Depart, bribed by Abramoff, guilty of conspiracy to defraud
- [Robert E. Coughlin](#) Justice Department official pleaded guilty to conflict of interest
 - [Julie MacDonald](#),(R) Deputy Assistant Secretary of the Department of the Interior, resigned May 1, 2007 after giving government documents to developers (2007)
 - [Lester Crawford](#) (R) Commissioner of the FDA, resigned after 2 months. Pled guilty to conflict of interest (2006)
 - [Brian J. Doyle](#) (R) Deputy Press Secretary in the Department of Homeland Security. Charged with 7 counts of using a computer to seduce a child and 16 counts of transmitting harmful materials to a minor (2006)
 - [Downing Street Memo](#) minutes of UK government secret meeting (dated 23 July 2002, leaked 2005) include summary of MI6 Director Sir Richard Dearlove's report that "Bush wanted to remove Saddam, through military action, justified by the conjunction of terrorism and WMD. But the intelligence and the facts were being fixed around the policy"
 - [Bush administration payment of columnists](#) to say nice things about administration policies. Illegal payments were made to [Armstrong Williams](#) (R), [Maggie Gallagher](#) (R) and [Michael McManus](#) (R) (2004-2005)
 - [Sandy Berger](#) (D) former Clinton security advisor pleads guilty to a misdemeanor charge of unlawfully removing classified documents from the National Archives in (2005)
 - [Bernard Kerik](#) (R) nomination as Secretary of Homeland Security derailed by past employment of illegal alien as nanny, and amid allegations of various other ethical improprieties (2004) A grand jury of the United States District Court for the Southern District of New York issued a 16-count indictment against Kerik on November 8, 2007, on conspiracy, mail fraud, wire fraud and lying to the Internal Revenue Service. Kerik surrendered to authorities the next day and pled not guilty to all charges.^{[2][3][4]} On October 20, 2009, his bail was revoked and he was jailed pending trial.^[5] On November 5, he pleaded guilty to 8 charges in a plea bargain with prosecutors which recommended a jail sentence of 27 to 33 months
 - [Abu Ghraib torture and prisoner abuse](#) top US officials allow Iraqi prisoners to be tortured for information by US troops (2004-2005)
 - [Plame affair](#) (2004), in which CIA agent Valerie Plame's name was leaked to the press in retaliation for her husband's criticism of the Bush administration
1. [Kyle Foggo](#) (R) (Dusty) Executive Director of CIA, guilty of bribery February 17, 2007
 2. [Lewis Libby](#) (R) (Scooter) Chief of Staff to Dick Cheney, convicted of perjury and obstruction of justice March 6, 2007. Sentenced to 30 months and fined \$250,000. Commuted by Bush July 1, 2007 [CIA leak scandal \(2003\)](#) and [Plamegate](#).)
- [Yellowcake forgery](#): just prior to the 2003 invasion of Iraq, the Bush administration presented evidence that Iraq was seeking material for making nuclear weapons was presented as true, but is alleged to be false.

- [Enron](#) collapse (2002) leading to investigation of [Kenneth Lay](#) (R), a top political ally and financial donor to President George W. Bush. Lay was found guilty of 10 counts of securities fraud, but died before sentencing. Attempts to link individual politicians with Enron malfeasance have not been particularly successful, due to the fact that so many politicians of both major parties received campaign contributions (including 158 Republicans and 100 Democrats in Congress (as of 2001) [\[4\]](#))

Legislative Branch Scandals -

- [Ted Stevens](#) Senator (R-AK) convicted on 7 counts of bribery and tax evasion 10/27/08. He continued to run for re-election, but lost.

 9. [Bill Weimar](#) a private citizen, pled guilty to two counts of trying to bribe a consultant concerning a prison halfway house and was sentenced to 6 months and a \$75,000 fine.
 10. [Ted Stevens](#) Senator (R-AK) Veco Corporation was also responsible for "extensive" remodeling at Stevens' home which doubled in size. Stevens was convicted on all seven charges on October 27, 2008. See Federal Scandals.
- [California](#) Assembly Speaker [Fabian Nunez](#) (D-CA) was accused on October 10, 2007 of spending tens of thousands of dollars of campaign money for personal expenses, such as \$1800 for a meal at a Parisian restaurant and \$5000 for wine from Bordeaux
 - [California](#) State Senator [Carole Migden](#) (D-CA) was accused by the Fair Political Practices Commission (FPPC) that she did not properly transfer campaign funds for 2008 Primary Election Race. The FPPC investigators found 89 violations in campaign finance reporting and they had prevented her from using the \$647,000 from previous races. The FPPC settled the dispute with Migden for a record \$350,000 fine. Migden would go on to lose her reelection bid to fellow Democrat Assemblyman [Mark Leno](#) (2008)
 - [California](#) Insurance Commissioner [Chuck Quackenbush](#) (R-CA) resigned on June 28, 2000, rather than face impeachment for campaign-finance violations arising out of insurance-industry settlements after the 1994 [Northridge earthquake](#). However, prosecutors later found no wrongdoings and dismissed all charges.
 - [California](#) Secretary of State [Kevin Shelley](#) (D-CA) was accused of laundering campaign funds during his race for Secretary of State.
 - [California](#) Senator Pro Tem [Don Perata](#) (D-CA) has been under an FBI investigation for over four years for accepting money from Indian tribes while sponsoring a bill to expand Indian gaming. In May 2007, the East Bay Express, an alternative weekly in the Bay Area, published a two-part investigation of Perata accusing him of manipulating liberal causes for his own personal and political gains and also alleges that he used campaign donations to support an indulgent lifestyle and detailed other possible areas of corruption.
- [Connecticut](#) - In 2004 Governor [John Rowland](#) (R-CT) Rowland resigned from office during a corruption investigation, and later pleaded guilty in federal court to a one-count with conspiracy to commit mail fraud and tax fraud.^[4] He served ten months in a federal prison followed by four months [house arrest](#), ending in June, 2006.
 - [Florida](#) Orlando mayor [Buddy Dyer](#) (D-FL) jailed on suspicions of electoral fraud in March 2005; charges were dismissed in April 2005 and he returned to office. [Ernest Page](#) served as interim mayor while Dyer was facing charges. In 2006, Ernest Page (D) was arrested and [convicted](#) for [bribery](#) and [official misconduct](#) while in the mayor's office; he was sentenced to 42 months in prison.^[5]

- [Florida](#), Senator [Gary Siplin](#) (D-FL) was convicted of third-degree felony and grand theft of \$5,000 or more for using the state employees for his election campaign (2006)
- [Georgia](#) Congressman [David Scott](#) (D-GA) has spent \$52,000 to \$344,000 to himself, friends, family and business from campaigns every election cycle since 2002. Shortly after the 2006 election, he was served with an IRS tax lien for over \$153,000.^[6]
- [Illinois](#) Governor [Rod Blagojevich](#) (D-IL) was arrested by the FBI and charged with conspiracy to commit mail, wire fraud and solicitation of bribery. He was also accused of participating in several "Pay to Play" schemes, including attempting to sell President-elect Barack Obama's vacated U.S. Senate seat to the highest bidder (December 9, 2008)
- [Illinois](#) Governor [George H. Ryan](#) (R-IL) illegal sale of government licenses and contracts as Secretary of IL State. Convicted (2006)
- [Illinois](#) [Chicago Hired Truck Program](#) (2005)
- [Illinois](#) Chicago alderman [Percy Giles](#) (D-IL) sentenced to 3 years in prison for racketeering, extortion, among other things in 2000.
- [Illinois](#) Chicago alderman [Arenda Troutman](#) (D-IL) was arrested and charged with bribery in 2007.
- [Illinois](#) Chicago City clerk [Jim Laski](#) (D-IL) pleaded guilty to pocketing bribes for steering city business to trucking companies (2006).
- [Illinois](#) Antoin Rezko (D), a long-time [Barack Obama](#) fundraiser, was convicted by U.S. Attorney Patrick Fitzgerald of 16 felony corruption charges (June 2008)
- [Louisiana](#) Governor [Edwin Edwards](#) (D-LA) convicted of extortion (2000)
- [Massachusetts](#) State Senator [Diane Wilkerson](#) (D-MA) was video taped by the FBI stuffing bribe money into her bra. Also charged with tax evasion (1997), ethics violations (2001) and perjury (2005). She resigned the Senate in November 2008, but still faces charges.
- [Maryland](#) Senate President [Thomas V. Mike Miller, Jr.](#) (D-MD) telephoning Maryland Court of Appeals Judges ex parte, trying to lobby them not to overturn the unconstitutional redistricting plan he had championed (2002)
- [Maryland](#) Former Maryland state senator [Thomas L. Bromwell](#) (D-MD) was indicted in 2005 on 30 counts of federal racketeering, corruption, and fraud charges, in alleged conspiracy to wield influence to benefit construction company Poole and Kent, in exchange for concealed payments and other favors
- [Michigan](#) Detroit Mayor [Kwame Kilpatrick](#) (D-MI) with his Chief-of-Staff [Christine Beatty](#), fired two police officers for investigating claims that Kilpatrick had used his security unit to cover up their [extramarital affair](#) and lied about it under oath. Both pled guilty and were [sentenced](#) to 4 months in prison with 5 years probation. (2008)
- [Minnesota](#) [Minneapolis](#) city council members [Brian Herron](#) (D) (taped by [FBI](#) accepting \$10,000 bribe in 2001) and [Joe Biernat](#) (accepting free plumbing work on house)
- [Nebraska](#) State Treasurer Lorelee Byrd (R-NE) accused of massive improper check-writing; guilty plea to one misdemeanor charge of official misconduct and resigned in 2006
- [Nebraska](#) Former Douglas County Election Commissioner Pat McPherson (R-NE) accused of groping a 17-year-old girl wearing Red Robin mascot. City Councilman Chuck Sigerson was accused of disturbing her piece by touching the tail of the costume. Event supposedly happened at 8 P.M. on a Friday night and at the table were two company executives, a Sunday school teacher, Sigerson's wife, and the wives of the executives. McPherson was acquitted and the jury voted to acquit Sigerson 4-2, so the prosecutor dismissed the charges. McPherson resigned from his position at the Governor's request, before the trial and acquittal; Councilman Sigerson was re-elected in 2005.

- [New Jersey Jim McGreevey](#) Governor (D-NJ) Resigned from office 11/15/07 after admitting his homosexuality and the inappropriate appointment of his alleged male-sex partner to a government paid office. (2004)

4. Clinton Body Count:

By: Ether Zone Staff

Here is the latest body count that we have. All of these people have been connected with the Clintons in some form or another. We have not included any deaths that could not be verified or connected to the Clinton scandals. All deaths are listed chronologically by date. This list is current and accurate to the best of our knowledge as of ~~January 13, 1999~~ August 1, 2000.

Susan Coleman: Rumors were circulating in Arkansas of an affair with Bill Clinton. She was found dead with a gunshot wound to the head at 7 1/2 months pregnant. Death was an apparent suicide.

Larry Guerrin: Was killed in February 1987 while investigating the INSLAW case.

Kevin Ives & Don Henry: Initial cause of death was reported to be the result of falling asleep on a railroad track in Arkansas on August 23, 1987. This ruling was reported by the State medical examiner Fahmy Malak. Later it was determined that Kevin died from a crushed skull prior to being placed on the tracks. Don had been stabbed in the back. Rumors indicate that they might have stumbled upon a Mena drug operation.

Keith Coney: Keith had information on the Ives/Henry deaths. Died in a motorcycle accident in July 1988 with unconfirmed reports of a high speed car chase.

Keith McKaskle: McKaskle has information on the Ives/Henry deaths. He was stabbed to death in November 1988.

Gregory Collins: Greg had information on the Ives/Henry deaths. He died from a gunshot wound to the face in January 1989.

Jeff Rhodes: He had information on the deaths of Ives, Henry & McKaskle. His burned body was found in a trash dump in April 1989. He died of a gunshot wound to the head and there was somebody mutilation, leading to the probably speculation that he was tortured prior to being killed.

James Milam: Milam had information on the Ives & Henry deaths. He was decapitated. The state Medical examiner, Fahmy Malak, initially ruled death due to natural causes.

Richard Winters: Winters was a suspect in the deaths of Ives & Henry. He was killed in a "robbery" in July 1989 which was subsequently proven to be a setup.

Jordan Kettleon: Kettleon had information on the Ives & Henry deaths. He was found shot to death in the front seat of his pickup in June 1990.

Alan Standorf: An employee of the National Security Agency in electronic intelligence. Standorf was a source of information for Danny Casalaro who was investigating INSLAW, BCCI, etc. Standorf's body was found in the backseat of a car at Washington National Airport on Jan 31, 1991.

Dennis Eisman: An attorney with information on INSLAW. Eisman was found shot to death on April 5, 1991.

Danny Casalaro: Danny was a free-lance reporter and writer who was investigating the "October Surprise", INSLAW and BCCI. Danny was found dead in a bathtub in a Sheraton Hotel room in Martinsburg, West Virginia. Danny was staying at the hotel while keeping appointments in the DC area pertinent to his investigation. He was found with his

wrists slashed. At least one, and possibly both of his wrists were cut 10 times. All of his research materials were missing and have never been recovered.

Victor Raiser: The National Finance Co-Chair for "Clinton for President." He died in a airplane crash on July 30, 1992.

R. Montgomery Raiser: Also involved in the Clinton presidential campaign. He died in the same plane crash as Victor.

Paul Tully: Tully was on the Democratic National Committee. He was found dead of unknown causes in his hotel room on September 24, 1992. No autopsy was ever allowed.

Ian Spiro: Spiro had supporting documentation for grand jury proceedings on the INSLAW case. His wife and 3 children were found murdered on November 1, 1992 in their home. They all died of gunshot wounds to the head. Ian's body was found several days later in a parked car in the Borego Desert. Cause of death? The ingestion of cyanide. FBI report indicated that Ian had murdered his family and then committed suicide.

Paula Gober: A Clinton speech writer. She died in a car accident on December 9, 1992 with no known witnesses.

Jim Wilhite: Wilhite was an associate of Mack McClarty's former firm. Wilhite died in a skiing accident on December 21, 1992. He also had extensive ties to Clinton with whom he visited by telephone just hours before his death.

Steve Willis, Robert Williams, Todd McKeahan & Conway LeBleu: Died February 28, 1993 by gunfire at Waco. All four were examined by a pathologist and died from identical wounds to the left temple. All four had been body guards for Bill Clinton, three while campaigning for President and when he was Governor of Arkansas. They also were the ONLY 4 BATF agents killed at Waco.

Sgt. Brian Haney, Sgt. Tim Sabel, Maj. William Barkley, Capt. Scott Reynolds: Died: May 19, 1993 - All four men died when their helicopter crashed in the woods near Quantico, Va. - Reporters were barred from the site, and the head of the fire department responding to the crash described it by saying, "Security was tight," with "lots of Marines with guns." A videotape made by a firefighter was seized by the Marines. All four men had escorted Clinton on his flight to the carrier Roosevelt shortly before their deaths.

John Crawford: An attorney with information on INSLAW. He died from a heart attack in Tacoma in April of 1993.

John Wilson: Found dead from an apparent hanging suicide on May 18, 1993. He was a former Washington DC council member and claimed to have info on Whitewater.

Paul Wilcher: A lawyer who was investigating drug running out of Mena, Arkansas and who also sought to expose the "October Surprise", BCCI and INSLAW. He was found in his Washington DC apartment dead of unknown causes on June 22, 1993.

Vincent Foster: A White House deputy counsel and long-time personal friend of Bill and Hillary's. Found on July 20, 1993, dead of a gunshot wound to the mouth -- a death ruled suicide. Many different theories on this case! Readers are encouraged to read our report in Strange Deaths.

Jon Parnell Walker: An investigator for the RTC who was looking into the linkage between the Whitewater and Madison S&L bankruptcy. Walker "fell" from the top of the Lincoln Towers Building.

Stanley Heard & Steven Dickson: They were members of the Clinton health care advisory committee. They died in a plane crash on September 10, 1993.

Jerry Luther Parks: Parks was the Chief of Security for Clinton's national campaign headquarters in Little Rock. Gunned down in his car on September 26, 1993 near the intersection of Chenal Parkway and Highway 10 west of Little Rock. Parks was shot through the rear window of his car. The assailant then pulled around to the driver's side of Park's car and shot him three more times with a 9mm pistol. His family reported that shortly before his death, they were being followed by unknown persons, and their home had been broken into (despite a top quality alarm system). Parks had

been compiling a dossier on Clinton's illicit activities. The dossier was stolen.

Ed Willey: A Clinton fundraiser. He died of a self-inflicted gunshot wound on November 30, 1993. His death came the same day his wife, Kathleen, was sexually assaulted in the White House by Bill Clinton.

Gandy Baugh: Baugh was Lasater's attorney and committed suicide on January 8, 1994. Baugh's partner committed suicide exactly one month later on February 8, 1994.

Herschell Friday: A member of the presidential campaign finance committee. He died in an airplane explosion on March 1, 1994.

Ronald Rogers: Rogers died on March 3, 1994 just prior to releasing sensitive information to a London newspaper. Cause of death? Undetermined.

Kathy Ferguson: A 38 year old hospital worker whose ex-husband is a co- defendant in the Paula Jones sexual harassment law suit. She had information supporting Paula Jone's allegations. She died of an apparent suicide on May 11, 1994 from a gunshot wound to the head.

Bill Shelton: Shelton was an Arkansas police officer and was found dead as an apparent suicide on kathy Ferguson's grave (Kathy was his girl friend), on June 12, 1994. This "suicide" was the result of a gunshot wound to the back of the head.

Stanley Huggins: Huggins, 46, was a principal in a Memphis law firm which headed a 1987 investigation into the loan practices of Madison Guaranty S&L. Stanley died in Delaware in July 1994 -- reported cause of death was viral pneumonia.

Paul Olson: A Federal witness in investigations to drug money corruption in Chicago politics, Paul had just finished 2 days of FBI interviews when his plane ride home crashed, killing Paul and 130 others on Sept 8 1994. The Sept. 15, 1994 Tempe Tribune newspaper reported that the FBI suspected that a bomb had brought down the airplane.

Calvin Walraven: 24 year on Walraven was a key witness against Jocelyn Elder's son's drug case. Walraven was found dead in his apartment with a gunshot wound to the head. Tim Hover, a Little Rock police spokesman says no foul play is suspected.

Alan G. Whicher: Oversaw Clinton's Secret Service detail. In October 1994 Whicher was transferred to the Secret Service field office in the Murrah Building in Oklahoma City. Whatever warning was given to the BATF agents in that building did not reach Alan Whicher, who died in the bomb blast of April 19th 1995.

Duane Garrett: Died July 26, 1995-A lawyer and a talk show host for KGO-AM in San Fransisco, Duane was the campaign finance chairman for Diane Fienstien's run for the senate, and was a friend and fundraiser for Al Gore. Garrett was under investigation for defrauding investors in Garrett's failed sports memorabilia venture. There was talk of a deal to evade prosecution. On July 26th, Garrett canceled an afternoon meeting with his lawyer because he had to meet some people at the San Fransisco airport. Three hours later he was found floating in the bay under the Golden Gate Bridge.

Ron Brown: The Commerce Secretary died on April 3, 1996, in an Air Force jet carrying Brown and 34 others, including 14 business executives on a trade mission to Croatia, crashed into a mountainside. The Air Force, in a 22-volume report issued in June of 1996, confirmed its initial judgment that the crash resulted from pilot errors and faulty navigation equipment. At the time of Brown's death, Independent Counsel Daniel Pearson was seeking to determine whether Brown had engaged in several sham financial transactions with longtime business partner Nolanda Hill shortly before he became secretary of commerce.

Charles Meissner: died: UNK - Following Ron Brown's death, John Huang was placed on a Commerce Department contract that allowed him to retain his security clearance by Charles Meissner. Shortly thereafter, Meissner died in the crash of a small plane. He was an Assistant Secretary of

Commerce for International Economic Policy.

William Colby: Retired CIA director was found dead on May 6, 1996 after his wife reported him missing on April 27, 1996. Apparently, Colby decided to go on a impromptu canoeing excursion and never returned. Colby who had just started writing for Strategic Investment newsletter, worried many in the intelligent community. Colby's past history of divulging CIA secrets in the past were well known. Strategic Investor had covered the Vince Foster suicide and had hired handwriting experts to review Foster's suicide note.

Admiral Jeremy Boorda: Died on May 16, 1996 after he went home for lunch and decided to shoot himself in the chest (by one report, twice) rather than be interviewed by Newsweek magazine that afternoon. Explanations for Boorda's suicide focused on a claim that he was embarrassed over two "Valor" pins he was not authorized to wear.

Lance Herndon: Herndon a 41 year old computer specialist and a prominent entrepreneur who received a presidential appointment in 1995 died August 10, 1996 under suspicious circumstances. He appeared to have died from a blow to the head. Police said no weapons were found at his mansion, adding that Mr. Herndon had not been shot or stabbed and there was no evidence of forced entry or theft.

Neil Moody: Died -August 25, 1996 Following Vincent Foster's murder, Lisa Foster married James Moody, a judge in Arkansas, on Jan 1, 1996. Near the time Susan McDougal first went to jail for contempt, Judge Moor's son, Neil died in a car crash. There were other reports that Neil Moody had discovered something very unsettling among his stepmother's private papers and was threatening to go public with it just prior to the beginning of the Democratic National Convention. He was alleged to have been talking to Bob Woodward of the Washington Post about a blockbuster story. Witnesses said they saw Neil Moody sitting in his car arguing with another person just prior to His car suddenly speeding off out of control and hitting a brick wall.

Barbara Wise: Wise a 14-year Commerce Department employee found dead and partially naked in her office following a long weekend. She worked in the same section as John Huang. Officially, she is said to have died of natural causes.

Doug Adams: Died January 7, 1997- A lawyer in Arkansas who got involved trying to help the people who were being swindled out of their life savings. Adams was found in his vehicle with a gunshot wound to his head in a Springfield Mo. hospital parking lot.

Mary C. Mahoney: 25, murdered at the Georgetown Starbuck's coffee bar over the 4th of July '97 weekend. She was a former White House intern who worked with John Huang. Apparently she knew Monica Lewinsky and her sexual encounters with Bill Clinton. Although not verified, it has been said that Lewinsky told Linda Tripp that she did not want to end up like Mahoney.

Ronald Miller: Suddenly took ill on October 3rd, 1997 and steadily worsened until his death 9 days later. (This pattern fits Ricin poisoning.) Owing to the strangeness of the illness, doctors at the Integris Baptist Medical Center referred the matter to the Oklahoma State Medical Examiner's Office. The Oklahoma State Medical Examiner's Office promptly ran tests on samples of Ron Miller's blood, but has refused to release the results or even to confirm that the tests were ever completed.

- Had been investigated by authorities over the sale of his company, Gage Corp. to Dynamic Energy Resources, Inc. was the man who tape recorded Gene and Nora Lum and turned those tapes (and other records) over to congressional oversight investigators. The Lums were sentenced to prison for campaign finance violations, using "straw donors" to conceal the size of their contributions to various candidates. Indeed, Dynamic Energy Resources, Inc. had hired Ron Brown's son Michael solely for the purpose of funneling \$60,000 through him to the Commerce Secretary, according to Noland Hill's testimony.
- **Sandy Hume:** On Sunday, February 22nd, 1998, Sandy Hume, the 28 year old son of journalist Britt Hume, was reportedly found dead in his Arlington, Virginia home. Aside from the statement that this was an "apparent" suicide, there remains in place a total media blackout on this story, possibly out of concern that the actual facts will not withstand public scrutiny. Worked for Hill magazine, about Congress for Congress.
- **Jim McDougal:** Bill and Hillary Clinton friend, banker, and political ally, sent to prison for eighteen felony convictions. A key whitewater witness, dies of a heart attack on March, 8 1998. As of this writing allegations

that he was given an injection of the diuretic lasix has not been denied or confirmed.
Died on March 8, 1998

Johnny Lawhon: 29, died March 29, 1998- The Arkansas transmission specialist who discovered a pile of Whitewater documents in the trunk of an abandoned car on his property and turned them over to Starr, was killed in a car wreck two weeks after the McDougal death.. Details of the "accident" have been sketchy -- even from the local Little Rock newspaper.

Charles Wilbourne Miller: 63, was found dead of a gunshot wound to the head on November 17, 1998 in a shallow pit about 300 yards from his ranch house near Little Rock. Police found a .410 gauge shotgun near Miller's body and a Ruger .357-caliber revolver submerged in water. Investigators concluded the Ruger was the weapon used by Miller to kill himself. Yet, two rounds in the handgun's cylinder had been spent.

He had long served as executive vice president and member of the board of directors for a company called Alltel and was deeply involved in his own software engineering company until the day he died. Alltel is the successor to Jackson Stephens' Systematics, the company that provided the software for the White House's "Big Brother" data base system and that was behind the administration's plan to develop the secret computer "Clipper" chip to bug every phone, fax and email transmission in America.

- **Carlos Ghigliotti:** 42, was found dead in his home just outside of Washington D.C. on April 28, 2000. There was no sign of a break-in or struggle at the firm of Infrared Technology where the badly decomposed body of Ghigliotti was found. Ghigliotti had not been seen for several weeks.
- Ghigliotti, a thermal imaging analyst hired by the House Government Reform Committee to review tape of the siege, said he determined the FBI fired shots on April 19, 1993. The FBI has explained the light bursts on infrared footage as reflections of sun rays on shards of glass or other debris that littered the scene.
- "I conclude this based on the groundview videotapes taken from several different angles simultaneously and based on the overhead thermal tape," Ghigliotti told The Washington Post last October. "The gunfire from the ground is there, without a doubt."
- Ghigliotti said the tapes also confirm the Davidians fired repeatedly at FBI agents during the assault, which ended when flames raced through the compound. About 80 Branch Davidians perished that day, some from the fire, others from gunshot wounds.
- Mark Corallo, a spokesman for the congressional committee chaired by Rep. Dan Burton, R-Ind., said that police found the business card of a committee investigator in Ghigliotti's office. Corallo said Ghigliotti's work for the committee ended some time ago.
- **Tony Moser:** 41, was killed as he crossed a street in Pine Bluff, Ark on on June 10, 2000. Killed 10 days after being named a columnist for the Democrat-Gazette newspaper and two days after penning a stinging indictment of political corruption in Little Rock.
- Police have concluded that no charges will be filed against the unnamed driver of a 1995 Chevrolet pickup, which hit Moser as he was walking alone in the middle of unlit Rhinehart Road about 10:10 p.m
- Police say they have ruled out foul play and will file no charges against the driver because he was not intoxicated and there was no sign of excessive speed.

5. House banking scandal:

From Wikipedia, the free encyclopedia

The **House banking scandal** broke in early 1992 when it was revealed that the United States House of Representatives allowed members to overdraw their House checking accounts, but were not being penalized by the House Bank (actually a clearinghouse).

This is also sometimes known as **Rubbergate** (a portmanteau from "rubber" bounced checks and Watergate). The term is misleading because House checks did not bounce; they were honored because the House Bank provided overdraft protection to its account holders.

The scandal

The House banking scandal ultimately involved more than 450 representatives, most of whom did not break any laws. Twenty-two congressmen and -women were singled out by the House Ethics Committee for leaving their checking accounts overdrawn for at least eight months out of a sample of 39 months. ^[citation needed]

The following 22 House members were singled out by the House Ethics Committee: ^[citation needed]

Name	State	Party	# of Checks	Months Overdue
<u>Tommy F. Robinson*</u>	<u>Arkansas</u>	Democratic/Republican	996	16
<u>Robert J. Mrazek</u>	<u>New York</u>	Democratic	920	23

6. Bush & Co. Scandals:

Our system is so, rigged that we let this man steal the office of the Presidency of the United States of America, and that was just for starters. The sheer number and magnitude of the damage caused by this administration is outright mindboggling. Bush is obviously a natural born moron with an IQ of a door knob. The fact that he was the head **cheerleader** for his Yale University team, says a lot about this moron, for he turned out to be a perfect

MANCHURIAN CANDIDATE. His masters skillfully got all their agendas processed, but not without raising hell along the way, here is a comprehensive list of the Bush & Co Scandals, the problem with this list, is that it is so huge I cannot possibly fit it in this report! So you will have to click on this link to download it:>> [BUSH SCANDALS LIST](#).

Possibly the best summary of the Bush Administration by a mainstream news source ever: >> [8 Years Of Bush in 8 Minutes!](#) By Keith Olbermann, a rare reporter who is apparently not owned by the establishment and has consistently been very truthful.

7.NBA or NFL?

Source: internet

What organization are these people from? NBA or NFL?:

- 36 Have been accused of spousal abuse
- 7 Have been arrested for fraud
- 19 Have been accused of writing bad checks
- 117 Have directly or indirectly bankrupted at least 2 businesses
- 3 Have done time for assault
- 71 Repeat 71 cannot get a credit card due to bad credit
- 14 Have been arrested on drug-related charges
- 8 Have been arrested for shoplifting
- 21 Currently are defendants in lawsuits, and
- 84 Have been arrested for drunk driving in the last year

Can you guess which organization this is? Give up yet?

Neither, it's the 535 members of the United States Congress!

The same group of Idiots that crank out hundreds of new laws each year designed to keep the rest of us in line. AND THEY JUST VOTED THEMSELVES \$15,000 PER MONTH PENSION

THE ISRAELI SPY JUGGERNAUT:

ISRAELI SPYING: THE MOTHER OF ALL SCANDALS

Source: www.whatreallyhappened.com

Once again, Israel has been caught with spies at the highest levels of the US Government.

At the heart of the investigation are two people who work at The American Israel Public Affairs Committee (AIPAC), a powerful pro-Israel lobby in Washington. The FBI investigation, headed up by Dave Szady, has involved wiretaps, undercover surveillance and photography that CBS News was told document the passing of classified information from the mole, to the men at AIPAC, and on to the Israelis.

CBS sources say that last year the suspected spy, described as a trusted analyst at the Pentagon, turned over a presidential directive on U.S. policy toward Iran while it was, "in the draft phase when U.S. policy-makers were still debating the policy." This put the Israelis, according to one source, "inside the decision-making loop" so they could "try to influence the outcome." [CBS News]

Once again Israel denies wrongdoing, or faced with incontrovertible evidence (in this case one of the spies has reportedly cooperated with the FBI) dismisses the spying with the claim that such spying is harmless, because Israel and the United States are such good friends.

Well, let us take a closer look at that idea of "harmless espionage" by recalling Israel's most famous failed spy, Jonathan Pollard.

Jonathan Pollard is an American of Jewish descent, born in Galveston Texas, who established a career as an intelligence analyst for the US Navy. There have been many theories offered as to why Pollard decided to betray his country of birth to the Jewish state, but that Pollard did betray his country of birth to Israel is beyond all doubt.

Pollard's defense was that he did not spy so much against the United States, only that he spied for Israel, sending them documents that in his opinion the US should have shared with Israel anyway.

That it was never Pollard's job to decide what documents Israel should have was apparently irrelevant. Pollard arrogated that authority to himself. From his position of trust within the US Navy, Pollard delivered over 1000 classified documents to Israel for which he was well paid. Included in those documents were the names of over 150 US agents in the Mideast, who were eventually "turned" into agents for Israel.

But by far the most egregious damage done by Pollard was to steal classified documents relating to the US Nuclear Deterrent relative to the USSR and send them to Israel. According to sources in the US State Department, Israel then turned around and traded those stolen nuclear secrets to the USSR in exchange for increased emigration quotas from the USSR to Israel. Other information that found its way from the US to Israel to the USSR resulted in the loss of American agents operating inside the USSR. Casper Weinberger, in his affidavit opposing a reduced sentence for Pollard, described the damage done to the United States thus, "[It is] difficult to conceive of a greater harm to national security than that caused by... Pollard's treasonous behavior."

This should end the suggestion that Israel's spies are harmless. They are not. The United States' nuclear deterrent cost an estimated five trillion taxpayer dollars during the 50s and 60s to build and maintain, and less than \$100,000 for Pollard to undermine. Israel waited 13 years to admit Pollard had been spying for them, and now lobbies for his release, having granted him Israeli citizenship.

Pollard is hardly the only Israeli spy operating in the United States. He just had the misfortune to get caught. Here are just a few examples of the Israeli spy operations that have been detected.

1947. Information collected by the ADL in its spy operations on US citizens is used by the House Select Committee on Un-American Activities. Subcommittee Chair Clare Hoffman dismisses the ADL's reports on suspected communists as "hearsay."

1950 John Davitt, former chief of the Justice Department's internal security section notes that the Israeli intelligence service is the second most active in the United States after the Soviets.

1954 A hidden microphone planted by the Israelis is discovered in the Office of the US Ambassador in Tel Aviv.

1956 Telephone taps are found connected to two telephones in the residence of the US military attaché in Tel Aviv.

1954 "The Lavon Affair". Israeli agents recruit Egyptian citizens of Jewish descent to bomb Western targets in Egypt, and plant evidence to frame Arabs, in an apparent attempt to upset US-Egyptian relations. Israeli defense minister Pinchas Lavon is eventually removed from office, though many think real responsibility lay with David Ben-Gurion.

1965 Israel apparently illegally obtains enriched uranium from NUMEC Corporation. (Washington Post, 6/5/86, Charles R. Babcock, "US an Intelligence Target of the Israelis, Officials Say.")

1967 Israel attacks the USS Liberty, an intelligence gathering vessel flying a US flag, killing 34 crew members. See "Assault on the Liberty," by James M. Ennes, Jr. (Random House). In 2004, Captain Ward Boston, Senior Legal Counsel for the Navy's Court of Inquiry into the attack swears under oath that President Lyndon Johnson ordered the investigation to conclude accident, even though the evidence indicates the attack was deliberate. Given the use by Israel of unmarked boats and planes, and the machine-gunning of USS Liberty's lifeboats, the most likely explanation is that USS Liberty was to be sunk with all hands, with evidence left to frame Egypt for the sinking. This would have dragged the US into the war on Israel's side.

1970 While working for Senator Henry "Scoop" Jackson, Richard Perle is caught by the FBI giving classified information to Israel. Nothing is done.

1978, Stephen Bryen, then a Senate Foreign Relations Committee staffer, is overheard in a DC hotel offering confidential documents to top Israeli military officials. Bryen obtains a lawyer, Nathan Lewin, and the case heads for the grand jury, but is mysteriously dropped. Bryen later goes to work for Richard Perle.

1979 Shin Beth [the Israeli internal security agency] tries to penetrate the US Consulate General in Jerusalem through a "Honey Trap", using a clerical employee who was having an affair with a Jerusalem girl.

1985 The New York Times reports the FBI is aware of at least a dozen incidents in which American officials transferred classified information to the Israelis, quoting [former Assistant Director of the F.B.I.] Mr. [Raymond] Wannal. The Justice Department does not prosecute.

1985 Richard Smyth, the owner of MILCO, is indicted on charges of smuggling nuclear timing devices to Israel (Washington Post, 10/31/86).

1987 April 24 Wall Street Journal headline: "Role of Israel in Iran-Contra Scandal Won't be Explored in Detail by Panels"

1992 The Wall Street Journal reports that Israeli agents apparently tried to steal Recon Optical Inc's top-secret airborne spy-camera system.

1992 Stephen Bryen, caught offering confidential documents to Israel in 1978, is serving on board of the pro-Israeli Jewish Institute for National Security Affairs while continuing as a paid consultant -- with security clearance -- on exports of sensitive US technology.

1992 "The Samson Option," by Seymour M. Hersh reports, "Illicitly obtained intelligence was flying so voluminously from LAKAM into Israeli intelligence that a special code name, JUMBO, was added to the security markings already on the documents. There were strict orders, Ari Ben-Menashe recalled: "Anything marked JUMBO was not supposed to be discussed with your American counterparts."

1993. The ADL is caught operating a massive spying operation on critics of Israel, Arab-Americans, the San Francisco Labor Council, ILWU Local 10, Oakland Educational Association, NAACP, Irish Northern Aid, International Indian Treaty Council, the Asian Law Caucus and the San Francisco police. Data collected was sent to Israel and in some cases to South Africa. Pressure from Jewish organizations forces the city to drop the criminal case, but the ADL settles a civil lawsuit for an undisclosed sum of cash.

1995 The Defense Investigative Service circulates a memo warning US military contractors that "Israel aggressively collects [US] military and industrial technology." The report stated that Israel obtains information using "ethnic targeting, financial aggrandizement, and identification and exploitation of individual frailties" of US citizens.

1996 A General Accounting Office report "Defense Industrial Security: Weaknesses in US Security Arrangements With Foreign-Owned Defense Contractors" found that according to intelligence sources "Country A" (identified by intelligence sources as Israel, Washington Times, 2/22/96) "conducts the most aggressive espionage operation against the United States of any US ally." The Jerusalem Post (8/30/96) quoted the report, "Classified military information and sensitive military technologies are high-priority targets for the intelligence agencies of this country." The report described "An espionage operation run by the intelligence organization responsible for collecting scientific and technologic information for [Israel] paid a US government employee to obtain US classified military intelligence documents." The Washington Report on Middle East Affairs (Shawn L. Twing, April 1996) noted that this was "a reference to the 1985 arrest of Jonathan Pollard, a civilian US naval intelligence

analyst who provided Israel's LAKAM [Office of Special Tasks] espionage agency an estimated 800,000 pages of classified US intelligence information."

The GAO report also noted that "Several citizens of [Israel] were caught in the United States stealing sensitive technology used in manufacturing artillery gun tubes."

1996 An Office of Naval Intelligence document, "Worldwide Challenges to Naval Strike Warfare" reported that "US technology has been acquired [by China] through Israel in the form of the Lavi fighter and possibly SAM [surface-to-air] missile technology." Jane's Defense Weekly (2/28/96) noted that "until now, the intelligence community has not openly confirmed the transfer of US technology [via Israel] to China." The report noted that this "represents a dramatic step forward for Chinese military aviation." (Flight International, 3/13/96)

1997 An Army mechanical engineer, David A. Tenenbaum, "inadvertently" gives classified military information on missile systems and armored vehicles to Israeli officials (New York Times, 2/20/97).

1997 The Washington Post reports US intelligence has intercepted a conversation in which two Israeli officials had discussed the possibility of getting a confidential letter that then-Secretary of State Warren Christopher had written to Palestinian leader Yasir Arafat. One of the Israelis, identified only as "Dov", had commented that they may get the letter from "Mega", the code name for Israel's top agent inside the United States.

1997 US ambassador to Israel, Martin Indyk, complains privately to the Israeli government about heavy-handed surveillance by Israeli intelligence agents.

1997 Israeli agents place a tap on Monica Lewinsky's phone at the Watergate and record phone sex sessions between her and President Bill Clinton. The Ken Starr report confirms that Clinton warned Lewinsky their conversations were being taped and ended the affair. At the same time, the FBI's hunt for "Mega" is called off.

2001 It is discovered that US drug agents' communications have been penetrated. Suspicion falls on two companies, AMDOCS and Comverse Infosys, both owned by Israelis. AMDOCS generates billing data for most US phone companies and is able to provide detailed logs of who is talking to whom. Comverse Infosys builds the tapping equipment used by law enforcement to eavesdrop on all American telephone calls, but suspicion forms that Comverse, which gets half of its research and development budget from the Israeli government, has built a back door into the system that is being exploited by Israeli intelligence and that the information gleaned on US drug interdiction efforts is finding its way to drug smugglers. The investigation by the FBI leads to the exposure of the largest foreign spy ring ever uncovered inside the United States, operated by Israel. Half of the suspected spies have been arrested when 9-11 happens. On 9-11, 5 Israelis are arrested for dancing and cheering while the World Trade Towers collapse. Supposedly employed by Urban Moving Systems, the Israelis are caught with multiple passports and a lot of cash. Two of them are later revealed to be Mossad. As witness reports track the activity of the Israelis, it emerges that they were seen at Liberty Park at the time of the first impact, suggesting a foreknowledge of what was to come. The Israelis are interrogated, and then eventually sent back to Israel. The owner of the moving company used as a cover by the Mossad agents abandons his business and flees to Israel. The United States Government then classifies all of the evidence related to the Israeli agents and their connections to 9-11. All of this is reported to the public via a four part story on Fox News by Carl Cameron. Pressure from Jewish groups, primarily AIPAC, forces Fox News to remove the story from their website. Two hours prior to the 9-11 attacks, Odigo, an Israeli company with offices just a few blocks from the World Trade Towers, receives an advance warning via the internet. The manager of the New York Office provides the FBI with the IP address of the sender of the message, but the FBI does not follow up.

2001 The FBI is investigating 5 Israeli moving companies as possible fronts for Israeli intelligence.

2001 JDL's Irv Rubin arrested for planning to bomb a US Congressman. He dies before he can be brought to trial.

2002 The DEA issues a report that Israeli spies, posing as art students, have been trying to penetrate US Government offices.

2002 police near the Whidbey Island Naval Air Station in southern Washington State stop a suspicious truck and detain two Israelis, one of whom is illegally in the United States. The two men were driving at high speed in a Ryder rental truck, which they claimed had been used to "deliver furniture." The next day, police discovered traces of TNT and RDX military-grade plastic explosives inside the passenger cabin and on the steering wheel of the vehicle. The FBI then announces that the tests that showed explosives were "false positives" by cigarette smoke, a claim test experts say is ridiculous. Based on an alibi provided by a woman, the case is closed and the Israelis are handed over to INS to be sent back to Israel. One week later, the woman who provided the alibi vanishes.

2003 The Police Chief of Cloudcroft stops a truck speeding through a school zone. The drivers turn out to be Israelis with expired passports. Claiming to be movers, the truck contains junk furniture and several boxes. The Israelis are handed over to immigration. The contents of the boxes are not revealed to the public.

2003 Israel deploys assassination squads into other countries, including the United States. The US Government does not protest.

2004 Police near the Nuclear Fuel Services plant in Tennessee stop a truck after a three mile chase, during which the driver throws a bottle containing a strange liquid from the cab. The drivers turn out to be Israelis using fake IDs. The FBI refuses to investigate and the Israelis are released.

2004 Two Israelis try to enter Kings Bay Naval Submarine Base, home to eight Trident submarines. The truck tests positive for explosives.

This brings us to the present scandal. Two years into an investigation of AIPAC's possible role as a spy front for Israel, Larry Franklin, a mid-level Pentagon Analyst is observed by the FBI giving classified information to two officials of AIPAC suspected of being Israeli spies. AIPAC hires lawyer Nathan Lewin to handle their legal defense, the same lawyer who defended suspected Israeli spy Stephen Bryen in 1978.

Larry Franklin worked in the Pentagon Office of Special Plans, run by Richard Perle, at the time Perle (who was caught giving classified information to Israel back in 1970) was insisting that Iraq was crawling with weapons of mass destruction requiring the United States to invade and conquer Iraq. There were no WMDs, of course, and Perle has dumped the blame for the "bad intelligence" on George Tenet. But what is known is that the Pentagon Office of Special Plans was coordinating with a similar group in Israel, in Ariel Sharon's office.

With two suspected Israeli spies (at least) inside the office from which the lies that launched the war in Iraq originated, it appears that the people of the United States are the victims of a deadly hoax, a hoax that started a war.

The leaking of the investigation of AIPAC to the media on August 28th, 2004 gave advance warning to other spies working with Franklin. The damage to the FBI's investigation was completed when United States Attorney General John Ashcroft ordered the FBI to stop all arrests in the case. Like the Stephen Bryen case and the hunt for "Mega", this latest spy scandal seems destined to be buried by officials who have their own secret allegiances to protect, barring a massive public outcry.

The organization at the heart of the latest spy investigation, AIPAC, wields tremendous influence over the US Congress. Through its members and affiliated PACs, AIPAC directs a huge flow of campaign cash in favor of, and occasionally against, Senators and Representatives solely on the basis of their willingness to support Israel. As an example, in 2002, U.S. Rep. Artur Davis, D-Birmingham received so much help from pro-Israeli pacs that

76% of his campaign budget came from OUTSIDE the state of Alabama, mostly from New York.

Let me repeat that. A Congressman AIPAC wanted elected received more money from pro-Israel groups outside his state than from his own constituents inside his state. Who is that Congressman going to be thinking of when he votes in Congress?

So here is the mother of all scandals.

For two years, the FBI has suspected AIPAC of spying for a foreign country, and for those two years (and for decades before) that group suspected of spying for Israel has been reshaping the US Congress for the benefit of a foreign government.

And THAT is the mother of all scandals.

Think about that as billions of your tax dollars flow to Israel while your roads and schools crumble and decay and services are cut.

Think about that as the coffins come home with your loved ones inside.

Think about that when you and a million of your fellow citizens march down the streets of America opposing wars built on lies and deceptions and wonder why the government just doesn't want to listen to you anymore.

ISRAELI SPYING IN THE UNITED STATES

By CHRISTOPHER KETCHAM

Scratch a counterintelligence officer in the U.S. government and they'll tell you that Israel is not friend to the United States. This is because Israel runs one of the most aggressive and damaging espionage networks targeting the U.S..

The fact of Israeli penetration into the country is not a subject oft-discussed in the media or in the circles of governance, due to the extreme sensitivity of the U.S.-Israel relationship coupled with the burden of the Israel lobby, which punishes legislators who dare to criticize the Jewish state. The void where the facts should sit is filled instead with the hallucinations of conspiracy theory -- the kind in which, for example, agents of the Mossad, Israel's top intelligence agency, engineer the 9/11 attacks, while 4,000 Israelis in the Twin Towers somehow all get word to escape before the planes hit. The effect, as disturbing as it is ironic, is that the less the truth is addressed, the more noxious the falsity that spreads.

Israel's spying on the U.S., however, is a matter of public record, and neither conspiracy nor theory is needed to present the evidence. When the FBI produces its annual report to Congress concerning "Foreign Economic Collection and Industrial Espionage," Israel and its intelligence services often feature prominently as a threat second only to China. In 2005 the FBI noted, for example, that Israel maintains "an active program to gather proprietary information within the United States." A key Israeli method, said the FBI report, is computer intrusion. In 1996, the Defense Intelligence Service, a branch of the Pentagon, issued a warning that "the collection of scientific intelligence in the United States [is] the third highest priority of Israeli Intelligence after information on its Arab neighbors and information on secret U.S. policies or decisions relating to Israel."

In 1979, the Central Intelligence Agency produced a scathing survey of Israeli intelligence activities that targeted the U.S. government. Like any worthy spy service, Israeli intelligence early on employed wiretaps as an effective tool, according to the CIA report. In 1954, the U.S. Ambassador in Tel Aviv discovered in his office a hidden microphone "planted by the Israelis," and two years later telephone taps were found in the residence of the U.S. military attaché. In a telegram to Washington, the ambassador at the time cabled a warning: "Department must assume that all conversations [in] my office are known to the Israelis." The former ambassador to Qatar, Andrew Killgore, who also served as a foreign officer in Jerusalem and Beirut, told me Israeli taps of U.S. missions and embassies in the Middle East were part of a "standard operating procedure."

According to the 1979 CIA report, the Israelis, while targeting political secrets, also devote "a considerable portion of their covert operations to obtaining scientific and technical intelligence." These operations involved, among other machinations, "attempts to penetrate certain classified defense projects in the United States." The penetrations, according to the CIA report, were effected using "deep cover enterprises," which the report described as "firms and organizations, some specifically created for, or adaptable to, a specific objective." At the time, the CIA singled out government-subsidized companies such as El Al airlines and Zim, the Israeli shipping firm, as deep cover enterprises.

Other deep cover operations included the penetration of a U.S. company that provided weapons-grade uranium to the Department of Defense during the 1960s; Israeli agents eventually spirited home an estimated 200 pounds of uranium as the bulwark in Israel's secret nuclear weapons program. Moles have burrowed on Israel's behalf throughout the U.S. intelligence services. Perhaps most infamous was the case of Jonathan Pollard, a Jewish-American employed as a civilian analyst with the U.S. Navy who purloined an estimated 800,000 code-word protected documents from inside the CIA, the Defense Intelligence Agency, and numerous other U.S. agencies.

While Pollard was sentenced to life in prison, counterintelligence investigators at the FBI suspected he was linked to a mole far higher in the food chain, ensconced somewhere in the DIA, but this suspected Israeli operative, nicknamed "Mr. X," was never found. Following the embarrassment of the Pollard affair -- and its devastating effects on U.S. national security, as testified by then Defense Secretary Caspar Weinberger (who allegedly stated that Pollard "should have been shot") -- the Israeli government vowed never again to pursue espionage against its ally and chief benefactor.

Fast-forward a quarter century, and the vow has proven empty. In 2004, the authoritative Jane's Intelligence Group noted that Israel's intelligence organizations "have been spying on the U.S. and running clandestine operations since Israel was established." The former deputy director of counterintelligence at FBI, Harry B. Brandon, last year told Congressional Quarterly magazine that "the Israelis are interested in commercial as much as military secrets. They have a muscular technology sector themselves." According to CQ, "One effective espionage tool is forming joint partnerships with U.S. companies to supply software and other technology products to U.S. government agencies."

Best-selling author James Bamford now adds another twist in this history of infiltration in a book published last October, "[The Shadow Factory](#)," which forms the latest installment in his trilogy of investigations into the super-secret National Security Agency. Bamford is regarded among journalists and intelligence officers as the nation's expert on the workings of the NSA, whose inner sanctums he first exposed to the public in 1982. (So precise is his reporting that NSA officers once threw him a book party, despite the fact that he continually reveals their secrets.)

The agency has come a long way in the half-century since its founding in 1952. Armed with digital technology and handed vast new funding and an almost limitless mandate in the wake of the 9/11 attacks, Bamford writes, the NSA has today "become the largest, most costly, and most technologically sophisticated spy organization the world has ever

known." The NSA touches on every facet of U.S. communications, its mega-computers secretly filtering "millions of phone calls and e-mails" every hour of operation. For those who have followed the revelations of the NSA's "warrantless wiretapping" program in the [New York Times](#) in 2005 and the [Wall Street Journal](#) last year, what Bamford unveils in "The Shadow Factory" is only confirmation of the worst fears: "There is now the capacity," he writes of the NSA's tentacular reach into the private lives of Americans, "to make tyranny total."

Much less has been reported about the high-tech Israeli wiretapping firms that service U.S. telecommunications companies, primarily AT&T and Verizon, whose networks serve as the chief conduits for NSA surveillance. Even less is known about the links between those Israeli companies and the Israeli intelligence services. But what Bamford suggests in his book accords with the history of Israeli spying in the U.S.: Through joint partnerships with U.S. telecoms, Israel may be a shadow arm of surveillance among the tentacles of the NSA. In other words, when the NSA violates constitutional protections against unlawful search and seizure to vacuum up the contents of your telephone conversations and e-mail traffic, the Israeli intelligence services may be gathering it up too -- a kind of mirror tap that is effectively a two-government-in-one violation.

On its face, the overseas outsourcing of high-tech services would seem de rigueur in a competitive globalized marketplace. Equipment and services from Israel's telecom sector are among the country's prime exports, courtesy of Israeli entrepreneurs who have helped pioneer wireless telephony, voicemail and voice recognition software, instant messaging, phone billing software, and, not least, "communications interception solutions." Israeli telecom interception hardware and software is appraised as some of the best in the world.

By the mid-1990s, Israeli wiretap firms would arrive in the U.S. in a big way. The key to the kingdom was the 1994 Communications Assistance for Law Enforcement Act (CALEA), which was Congress' solution for wiretapping in the digital age. Gone are the days when wiretaps were conducted through on-site tinkering with copper switches. CALEA mandated that telephonic surveillance operate through computers linked directly into the routers and hubs of telecom companies -- a spyware apparatus matched in real-time, all the time, to American telephones and modems. CALEA effectively made spy equipment an inextricable ligature in telephonic life. Without CALEA, the NSA in its spectacular surveillance exploits could not have succeeded.

AT&T and Verizon, which together manage as much as 90 percent of the nation's communications traffic, contracted with Israeli firms in order to comply with CALEA. AT&T employed the services of Narus Inc., which was founded in Israel in 1997. It was Narus technology that AT&T whistleblower Mark Klein, a 22-year technician with the company, famously unveiled in a 2006 affidavit that described the operations in AT&T's secret tapping room at its San Francisco facilities. (Klein's affidavit formed the gravamen of a lawsuit against AT&T mounted by the Electronic Freedom Foundation, but the lawsuit died when Congress passed the telecom immunity bill last year.) According to Klein, the Narus supercomputer, the STA 6400, was "known to be used particularly by government intelligence agencies because of its ability to sift through large amounts of data looking for preprogrammed targets." The Narus system, which was maintained by Narus technicians, also provided a real-time mirror image of all data streaming through AT&T routers, an image to be rerouted into the computers of the NSA.

According to Jim Bamford, who cites knowledgeable sources, Verizon's eavesdropping program is run by a competing Israeli firm called Verint, a subsidiary of Comverse Technology, which was founded by a former Israeli intelligence officer in 1984. Incorporated in New York and Tel Aviv, Comverse is effectively an arm of the Israeli government: 50 percent of its R&D costs are reimbursed by the Israeli Ministry of Industry and Trade. The Verint technology deployed throughout Verizon's network, known as STAR-GATE, boasts an array of Orwellian capabilities. "With STAR-GATE, service providers can access communications on virtually any type of network," according to the company's literature. "Designed to manage vast numbers of targets, concurrent sessions, call data records, and communications, STAR-GATE transparently accesses targeted communications without alerting subscribers or disrupting service."

As with the Narus system, the point is to be able to tap into communications unobtrusively, in real time, all the time. A Verint spinoff firm, PerSay, takes the tap to the next stage, deploying "advanced voice mining," which singles out "a

target's voice within a large volume of intercepted calls, regardless of the conversation content or method of communication." Verint's interception systems have gone global since the late 1990s, and sales in 2006 reached \$374 million (a doubling of its revenues over 2003). More than 5,000 organizations -- mostly intelligence services and police units -- in at least 100 countries today use Verint technology.

What troubles Bamford is that executives and directors at companies like Narus and Verint formerly worked at or maintain close connections with the Israeli intelligence services, including Mossad; the internal security agency Shin Bet; and the Israeli version of the NSA, Unit 8200, an arm of the Israeli Defense Forces Intelligence Corps. Unit 8200, which Bamford describes as "hypersecret," is a key player in the eavesdropping industrial complex in Israel, its retired personnel dispersed throughout dozens of companies. According to Ha'aretz, the Israeli daily, "Many of the [eavesdropping] technologies in use around the world and developed in Israel were originally military technologies and were developed and improved by [Unit 8200] veterans." A former commander of Unit 8200, cited by Bamford, states that Verint technology was "directly influenced by 8200 technology....[Verint parent company] Comverse's main product, the Logger, is based on the Unit's technology."

The implications for U.S. national security, writes Bamford, are "unnerving." "Virtually the entire American telecommunications system," he avers, "is bugged by [Israeli-formed] companies with possible ties to Israel's eavesdropping agency." Congress, he says, maintains no oversight of these companies' operations, and even their contracts with U.S. telecoms -- contracts pivotal to NSA surveillance -- are considered trade secrets and go undisclosed in company statements.

U.S. intelligence officers have not been quiet in their concerns about Verint (I reported on this matter in [CounterPunch.org last September](#)). "Phone calls are intercepted, recorded, and transmitted to U.S. investigators by Verint, which claims that it has to be 'hands on' with its equipment to maintain the system," says former CIA counterterrorism officer Philip Giraldi. The "hands on" factor is what bothers Giraldi, specifically because of the possibility of a "trojan" embedded in Verint wiretap software. A trojan in information security hardware/software is a backdoor that can be accessed remotely by parties who normally would not have access to the secure system.

Allegations of widespread trojan spying have rocked the Israeli business community in recent years. "Top Israeli blue chip companies," reported the AP in 2005, "are suspected of using illicit surveillance software to steal information from their rivals and enemies." Over 40 companies have come under scrutiny. "It is the largest cybercrime case in Israeli history," Boaz Guttman, a veteran cybercrimes investigator with the Israeli national police, told me. "Trojan horse espionage is part of the way of life of companies in Israel. It's a culture of spying."

In a wide-ranging four-part investigation into Israel-linked espionage that aired in December 2001, Carl Cameron, a correspondent at Fox News Channel, reported the distress among U.S. intelligence officials warning about possible trojans cached in Verint technology. Sources told Cameron that "while various FBI inquiries into [Verint] have been conducted over the years," the inquiries had "been halted before the actual equipment has ever been thoroughly tested for leaks." Cameron also cited a 1999 internal FCC document indicating that "several government agencies expressed deep concerns that too many unauthorized non-law enforcement personnel can access the wiretap system." Much of this access was facilitated through "remote maintenance."

The Fox News report reverberated throughout U.S. law enforcement, particularly at the Drug Enforcement Agency, which makes extensive use of wiretaps for narcotics interdiction. Security officers at DEA, an adjunct of the Justice Department, began examining the agency's own relationship with Comverse/Verint. In 1997, DEA had transformed its wiretap infrastructure with the \$25 million procurement from Comverse/Verint of a technology called "T2S2" -- "translation and transcription support services" -- with Comverse/Verint contracted to provide the hardware and software. The company was also tasked with "support services, training, upgrades, enhancements and options throughout the life of the contract," according to the DEA's "contracts and acquisitions" notice. In the wake of the Fox News investigation, however, the director of security programs at DEA, Heidi Raffanello, was rattled enough to issue an internal communiqué on the matter, dated Dec. 18, 2001. Directly referencing Fox News, she worried that "Comverse remote maintenance" was "not addressed in the C&A [contracts and acquisitions] process....It remains unclear if Comverse personnel are security cleared, and if so, who are they and what type of clearances are on

record...Bottom line we should have caught it." It is not known what resulted from DEA's review of the issue of remote maintenance and access by Comverse/Verint.

Bamford devotes a portion of his argument to the detailing of the operations of a third Israeli wiretap company, NICE Systems, which he describes as "a major eavesdropper in the U.S." that "keeps its government and commercial client list very secret." Formed in 1986 by seven veterans of Unit 8200, NICE software "captures voice, email, chat, screen activity, and essential call details," while offering "audio compression technology that performs continuous recordings of up to thousands of analog and digital telephone lines and radio channels." NICE Systems has on at least one occasion shown up on the radar of U.S. counterintelligence. During 2000-2001, when agents at the FBI and the CIA began investigating allegations that Israeli nationals posing as "art students" were in fact conducting espionage on U.S. soil, one of the Israeli "art students" was discovered to be an employee with NICE Systems. Among the targets of the art students were facilities and offices of the Drug Enforcement Agency nationwide. The same Israeli employee of NICE Systems, who was identified as a former operative in the Israeli intelligence services, was carrying a disk that contained a file labeled "DEA Groups." U.S. counterintelligence officers concluded it was a highly suspicious nexus: An Israeli national and alleged spy was working for an Israeli wiretap company while carrying in his possession computer information regarding the Drug Enforcement Agency -- at the same time this Israeli was conducting what the DEA described as "intelligence gathering" about DEA facilities.

A former senior counterintelligence official in the Bush administration told me that as early as 1999, "CIA was very concerned about [Israeli wiretapping companies]" -- Verint in particular. "I know that CIA has tried to monitor what the Israelis were doing -- technically watch what they were doing on the networks in terms of remote access. Other countries were concerned as well," said the intelligence official. Jim Bamford, who notes that Verint "can automatically access the mega-terabytes of stored and real-time data secretly and remotely from anywhere," reports that Australian lawmakers in 2004 held hearings on this remote monitoring capability. "[Y]ou can access data from overseas," the lawmakers told a Verint representative during the hearings, "but [the legislature] seems restricted to access data within that system." The Australians found this astonishing.

In 2000, the Canadian intelligence service, the Royal Canadian Mounted Police, conducted "a probe related to allegations that [Israeli] spies used rigged software to hack into Canada's top secret intelligence files," according to an article in the Toronto Star. Several sources in the U.S. intelligence community told me the Canadians liaised with their American counterparts to try to understand the problem.

According to the Bush administration official who spoke with me, "the Dutch also had come to the CIA very concerned about what the Israelis were doing with this." The Dutch intelligence service, under contract with Verint, "had discovered strange things were going on -- there was activity on the network, the Israelis uploading and downloading stuff out of the switches, remotely, and apparently using it for their own wiretap purposes. The CIA was very embarrassed to say, 'We have the same problem.' But the CIA didn't have an answer for them. 'We hear you, we're surprised, and we understand your concern.'"

Indeed, sources in the Dutch counterintelligence community in 2002 claimed there was "strong evidence that the Israeli secret service has uncontrolled access to confidential tapping data collected by the Dutch police and intelligence services," according to the Dutch broadcast radio station Evangelische Omroep (EO). In January 2003, the respected Dutch technology and computing magazine, C'T, ran a follow-up to the EO story, headlined "Dutch Tapping Room not Kosher." The article states: "All tapping equipment of the Dutch intelligence services and half the tapping equipment of the national police force [is] insecure and is leaking information to Israel."

"The key to this whole thing is that Australian meeting," Bamford told me in a recent interview. "They accused Verint of remote access and Verint said they won't do it again -- which implies they were doing it in the past. It's a matter of a backdoor into the system, and those backdoors should not be allowed to exist. You can tell by the Australian example that it was certainly a concern of Australian lawmakers."

Congress doesn't seem to share the concern. "Part of the responsibility of Congress," says Bamford, "is not just to oversee the intelligence community but to look into the companies with which the intelligence community contracts. They're just very sloppy about this." According to the Bush administration intelligence official who spoke with me, "Frustratingly, I did not get the sense that our government was stepping up to this and grasping the bull by the horns." Another former high level U.S. intelligence official told me, "The fact of the vulnerability of our telecom backbone is indisputable. How it came to pass, why nothing has been done, who has done what -- these are the incendiary questions." There is also the fundamental fact that the wiretap technologies implemented by Verint, Narus and other Israeli companies are fully in place and no alternative is on the horizon. "There is a technical path dependence problem," says the Bush administration official. "I have been told nobody else makes software like this for the big digital switches, so that is part of the problem. Other issues," he adds, "compound the problem" -- referring to the sensitivity of the U.S.-Israel relationship.

And that, of course, is the elephant in the room. "Whether it's a Democratic or Republican administration, you don't bad-mouth Israel if you want to get ahead," says former CIA counterterrorism officer Philip Giraldi. "Most of the people in the agency were very concerned about Israeli espionage and Israeli actions against U.S. interests. Everybody was aware of it. Everybody hated it. But they wouldn't get promoted if they spoke out. Israel has a privileged position and that's the way things are. It's crazy. And everybody knows it's crazy."

ISRAELI SPY RING

ALL LINKS TO CARL CAMERON'S FOX NEWS STORY ON THE ISRAELI SPY RING HAVE BEEN REMOVED AT THE EXPRESS REQUEST OF FOX NEWS.

However, you can still view them [HERE](#) – Source of this article: WhatReallyHappened.com

*"Israel does not spy on the United States of America."
-- Mark Regev, a spokesman at the Israeli embassy in Washington*

Prior to 9/11, the FBI had discovered the presence of a massive spy ring inside the United States run by the government of Israel. This seems a harsh gratitude from a nation which obtains 10% of its annual budget from the American taxpayer, \$3+ billion a year. Over the years, American taxpayers have been required to send Israel more than four times what the US spent to go to the moon.

What Israel has done in return was to set up government subsidized telecommunications companies which operate here in the United States. One of these companies is Amdocs, which provides billing and directory assistance for 90% of the phone companies in the USA. Amdocs' main computer center for billing is actually in Israel and allows those with access to do what intelligence agencies call "traffic analysis"; a picture of someone's activities based on a pattern of who they are calling and when. Another Israeli telecom company is Comverse Infosys, which subcontracts the installation of the automatic tapping equipment now built into every phone system in America. Comverse maintains its own connections to all this phone tapping equipment, insisting that it is for maintenance purposes only. However, Comverse has been named as the most

"I think there is very compelling evidence that at least some of the terrorists were assisted not just in financing -- although that was part of it -- by a sovereign foreign government... It will become public at some point when it's turned over to the archives, but that's 20 or 30 years from now."

-- Senator Graham as quoted in [Senator: At Least One Foreign Country Assisted the 9/11 Terrorists](#)

likely source for leaked information regarding telephone calls by law enforcement that derailed several investigations into not only espionage, but drug running as well. Yet another Israeli telecom company is Odigo, which provides the core message passing system for all the "Instant Message" services. [Two hours before the attacks on the World Trade Towers, Odigo employees received a warning.](#) Odigo has an office 2 blocks from the former location of the World Trade Towers.

Let us be clear here. There is nothing benign about Israel spying on the United States. When Jonathan Pollard stole our nuclear secrets (which your taxes paid to develop) and sent them to Israel, Israel did not hesitate to trade those secrets to the USSR in exchange for increased emigration quotas.

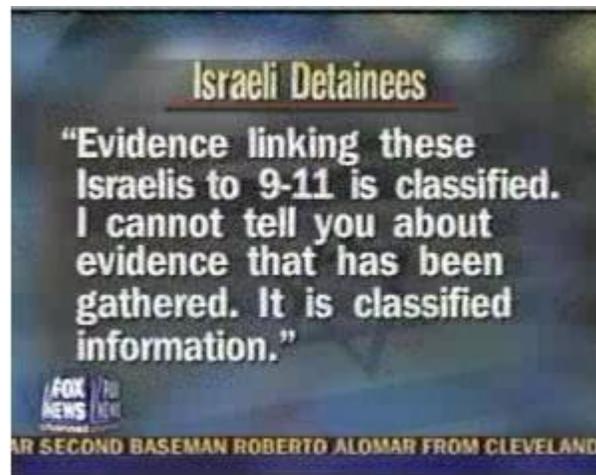

The implication of these facts is that the billions of our tax dollars sent to Israel (while women and children sleep in America's alleys and eat out of trash bins) have bought and paid for a monstrous phone tracking and phone tapping system that can eavesdrop on almost any phone call in America. Even the White House phones were open to such tapping by listening in on the other end outside the White House itself.

This actually happened. The Ken Starr report on Whitewater describes how Bill Clinton informed Monica Lewinsky that their phone sex conversations had been recorded. At the same time, Clinton ordered the FBI to cease the hunt for an Israeli mole known to be operating inside the White House itself!

So here we have a foreign nation able to listen in on most phones at will, using taps that cannot be found because they are built into the phone system itself, and willing to use the information gleaned from those calls to [blackmail Americans into any desired course of action.](#) This may well be what Ariel Sharon meant when [he stated that the Jewish people control America.](#)

That the information gleaned from these phone taps is being used to coerce the behavior of key individuals in the US Government and media is illustrated by the manner in which the government and the media have handled this scandal of the largest spy ring ever uncovered inside the United States, and of phone taps on all of our phones. They are downplaying it. Actually, burying it is a better word.

Fox News, alone of all the media, actually ran the story as a four part broadcast, and put the story up on its web site. Then, without explanation, Fox News [erased the story from their web site](#) and have never mentioned it again. CNN followed by "[Orwellizing](#)" their report of the two hour advance warning of the WTC attacks sent to Odigo employees. But far more telling is the admission made by a US Official in part one of the Fox News report that hard evidence existed linking the events of 9/11 not to Arab Muslims, but to some of the more than 200 Israeli spies arrested both before and after 9/11, but that this evidence had been CLASSIFIED.

"Investigators within the DEA, INS and FBI have all told Fox News that to pursue or even suggest Israeli spying ... is considered career suicide."

Since then, any and all mention of the Israeli spy ring and phone tapping scandal has resulted in a barrage of shrill screams of "hate" and "anti-Semite", two well worn and frankly over used devices to try to silence discussion on any topic unfavorable to the nation which owns the spy ring in question.

-- Carl Cameron, as quoted in [The Spies Who Came In From The Art Sale](#)

The story of the uncovering of the largest spy ring ever discovered inside the United States should be the story of the century, if indeed the US media is looking out for the best interests of the American people. That this spy ring helped drug smugglers evade investigators should be a major scandal, if indeed the US media is looking out for the best interests of the American people. That the spy ring includes companies able to track and tap into any phone in America, including the White House, should be a cause celebre', if indeed the US media is looking out for the best interests of the American people.

But they are not. The media is trying to bury this story. They are spiking it, erasing it from their web sites in a chilling real-life Orwellian rewriting of history.

"While I agree with you, if I say anything about US geopolitical interests with Israel, I might as well clean off my desk."

The actions of the US media are those of people trying to protect this spy ring and those that the spy ring worked for.

-- Unnamed reporter as quoted in [American Media Censorship and Israel](#)

The actions of the US media are those of traitors to the American people.

WHY IS THE US GOVERNMENT COVERING UP THE LATEST ISRAELI SPY RING? WHAT WAS THE ISRAELI SPY RING DOING THAT IS SUCH A THREAT TO THE US GOVERNMENT THAT THEY WOULD RATHER HAVE OVER A HUNDRED SPIES ESCAPE THAN RISK A PUBLIC TRIAL?

"Evidence linking these Israelis to 9/11 is classified. I cannot tell you about evidence that has been gathered. It's classified information."

-- US official quoted in Carl Cameron's Fox News report on the Israeli spy ring and its connections to 9-11.

[Hundreds of Mossad Agents Caught Running Wild in America!](#)

More holes in US electronic security

The story on Israeli spying inside the focused on three companies, Amdocs, which provides billing and directory assistance for most American phone companies, Comverse Infosys, which installs and maintains telephone tapping equipment for US law enforcement, and Odigo, which provides services for the various "Instant Message" systems on your computer. All three companies are owned by Israel and have strong ties to the Israeli Defense Force.

Both Amdocs and Comverse Infosys were implicated in the sale of telephone data which compromised US investigations into drug running, and Comverse Infosys phone taps are suspected of being the means by which Bill Clinton's phone sex sessions were recorded, as reported in the Ken Starr Report. Odigo, which had offices near the World Trade Towers, is the company which received a two hour advance warning of the attacks of 9-11.

Now, in a chilling real life version of the plotline from "[The Net](#)", it turns out that the majority of the firewalls on

US corporate and government computer systems are provided by just one company, Checkpoint Systems, which like Amdocs, Comverse Infosys, and Odigo, is [headquartered in Israel](#).

WHO RULES AMERICA?

A RESEARCH REPORT

You already know that the news and entertainment media are biased. Now you will find out why they are biased.

Updated November 2004. Copyright ©2004 by National Vanguard Books

By the research staff of National Vanguard Books

THERE IS NO GREATER POWER in the world today than that wielded by the manipulators of public opinion in America. No king or pope of old, no conquering general or high priest ever disposed of a power even remotely approach-ing that of the few dozen men who control America's mass media of news and entertainment.

Their power is not distant and impersonal; it reaches into every home in America, and it works its will during nearly every waking hour. It is the power that shapes and molds the mind of virtually every citizen, young or old, rich or poor, simple or sophisticated.

The mass media form for us our image of the world and then tell us what to think about that image. Essentially ev-erything we know—or think we know—about events out-side our own neighborhood or circle of acquaintances comes to us via our daily newspaper, our weekly news magazine, our radio, or our television.

It is not just the heavy-handed suppression of certain news stories from our newspapers or the blatant propagan-dizing of history-distorting TV “docudramas” that charac-terizes the opinion-manipulating techniques of the media masters. They exercise both subtlety and thoroughness in their management of the news and the entertainment that they present to us.

For example, the way in which the news is covered: which items are emphasized and which are played down; the reporter’s choice of words, tone of voice, and facial ex-pressions; the wording of headlines; the choice of illu-strations—all of these things subliminally and yet profoundly affect the way in which we interpret what we see or hear.

On top of this, of course, the columnists and editors remove any remaining doubt from our minds as to just what we are to think about it all. Employing carefully developed psychological techniques, they guide our thought and opinion so that we can be in tune with the “in” crowd, the “beautiful people,” the “smart money.” They let us know exactly what our attitudes should be toward various types of people and behavior by placing those people or that behavior in the context of a TV drama or situation comedy and having the other TV characters react in the Politically Correct way.

Molding American Minds

For example, a racially mixed couple will be respected, liked, and socially sought after by other characters, as will a “take charge” Black scholar or businessman, or a sensi-tive and talented homosexual, or a poor but honest and hardworking illegal alien from Mexico. On the other hand, a White racist—that is, any racially conscious White per-son who looks askance at miscegenation or at the rapidly darkening racial situation in America—is portrayed, at best, as a despicable bigot who is reviled by the other characters, or, at worst, as a dangerous psychopath who is fascinated by firearms and is a menace to all law-abiding citizens. The White racist “gun nut,” in fact, has become a familiar stereotype on TV shows.

The average American, of whose daily life TV-watch-ing takes such an unhealthy portion, distinguishes between these fictional situations and reality only with difficulty, if at all. He responds to the televised actions, statements, and attitudes of TV actors much as he does to his own peers in real life. For all too many Americans the real world has been replaced by the false reality of the TV environment, and it is to this false reality that his urge to conform re-sponds. Thus, when a TV scriptwriter expresses approval of some ideas and actions through the TV characters for whom he is writing, and disapproval of others, he exerts a powerful pressure on millions of viewers toward confor-mity with his own views.

And as it is with TV entertainment, so it is also with the news, whether televised or printed. The insidious thing about this form of thought control is that even when we realize that entertainment or news is biased, the media masters still are able to manipulate most of us. This is because they not only slant what they present, but also they establish tacit boundaries and ground rules for the permissible spectrum of opinion.

As an example, consider the media treatment of Middle East news. Some editors or commentators are slavishly pro-Israel in their every utterance, while others seem nearly neu-tral. No one, however, dares suggest that the U.S. government is backing the wrong side in the Arab-Jewish conflict, or that 9-11 was a result of that support. Nor does

anyone dare suggest that it served Jewish interests, rather than American interests, to send U.S. forces to cripple Iraq, Israel's principal rival in the Middle East. Thus, a spectrum of permissible opinion, from pro-Israel to nearly neutral, is established.

Another example is the media treatment of racial issues in the United States. Some commentators seem almost dis-passionate in reporting news of racial strife, while others are emotionally partisan—with the partisanship always on the non-White side. All of the media spokesmen without exception, however, take the position that “multiculturalism” and racial mixing are here to stay and that they are good things.

Because there are differences in degree, however, most Americans fail to realize that they are being manipulated. Even the citizen who complains about “managed news” falls into the trap of thinking that because he is presented with an apparent spectrum of opinion he can escape the thought controllers' influence by believing the editor or commentator of his choice. It's a “heads I win, tails you lose” situation. Every point on the permissible spectrum of public opinion is acceptable to the media masters—and no impermissible fact or viewpoint is allowed any exposure at all, if they can prevent it.

The control of the opinion-molding media is nearly monolithic. All of the controlled media—television, radio, newspapers, magazines, books, motion pictures—speak with a single voice, each reinforcing the other. Despite the appearance of variety, there is no real dissent, no alternative source of facts or ideas accessible to the great mass of people that might allow them to form opinions at odds with those of the media masters. They are presented with a single view of the world—a world in which every voice proclaims the equality of the races, the inerrant nature of the Jewish “Holocaust™” tale, the wickedness of attempting to halt the flood of non-White aliens pouring across our borders, the danger of permitting citizens to keep and bear arms, the moral equivalence of all sexual orientations, and the desirability of a “pluralistic,” cosmopolitan society rather than a homogeneous, White one. It is a view of the world designed by the media masters to suit their own ends—and the pressure to conform to that view is overwhelming. People adapt their opinions to it, vote in accord with it, and shape their lives to fit it.

And who are these all-powerful masters of the media? As we shall see, to a very large extent they are Jews. It isn't simply a matter of the media being controlled by profit-hungry capitalists, some of whom happen to be Jews. If that were the case, the ethnicity of the media masters would reflect, at least approximately, the ratio of rich Gentiles to rich Jews. Despite a few prominent exceptions, the preponderance of Jews in the media is so overwhelming that we are obliged to assume that it is due to more than mere happenstance.

Electronic News and Entertainment Media

Continuing government deregulation of the telecommunications industry has resulted, not in the touted increase of competition, but rather in an accelerating wave of corporate mergers and acquisitions that have produced a handful of multi-billion-dollar media conglomerates. The largest of these conglomerates are rapidly growing even bigger by consuming their competition, almost tripling in size during the 1990s. Whenever you watch television, whether from a local broadcasting station or via cable or a satellite dish; whenever you see a feature film in a theater or at home; whenever you listen to the radio or to recorded music; whenever you read a newspaper, book, or magazine—it is very likely that the information or entertainment you receive was produced and/or distributed by one of these mega-media companies:

Time Warner. The largest media conglomerate today is Time Warner (briefly called AOL-Time Warner; the AOL was dropped from the name when accounting practices at the AOL division were questioned by government investigators), which reached its current form when America Online bought Time Warner for \$160 billion in 2000. The combined company had revenue of \$39.5 billion in 2003. The merger brought together Steve Case, a Gentile, as

chairman of AOL-Time Warner, and Gerald Levin, a Jew, as the CEO. Warner, founded by the Jewish Warner brothers in the early part of the last century, rapidly became part of the Jewish power base in Hollywood, a fact so well known that it is openly admitted by Jewish authors, as is the fact that each new media acquisition becomes dominated by Jews in turn: Speaking of the initial merger of Time, Inc. with Warner, Jewish writer Michael Wolff said in New York magazine in 2001 “since Time Inc.’s merger with Warner ten years ago, one of the interesting transitions is that it has become a Jewish company.” (“From AOL to W,” New York magazine, January 29, 2001)

The third most powerful man at AOL-Time Warner, at least on paper, was Vice Chairman Ted Turner, a White Gentile. Turner had traded his Turner Broadcasting System, which included CNN, to Time Warner in 1996 for a large block of Time Warner shares. By April 2001 Levin had effectively fired Ted Turner, eliminating him from any real power. However, Turner remained a very large and outspoken shareholder and member of the board of directors.

Levin overplayed his hand, and in a May 2002 show-down, he was fired by the company’s board. For Ted Turner, who had lost \$7 billion of his \$9 billion due to Levin’s mis-management, it was small solace. Turner remains an outsider with no control over the inner workings of the company.

Ted Turner’s Lesson: “Be very careful with whom you merge.”

WHEN TED TURNER, the Gentile media maverick (pictured, top), made a bid to buy CBS in 1985, there was panic in the media boardrooms across the country. Turner had made a fortune in advertising and then built a successful cable TV news network, CNN, with over 70 million subscribers.

Although Turner had never taken a stand contrary to Jewish interests, he was regarded by William Paley and the other Jews at CBS as uncontrollable: a loose cannon who might at some time in the future turn against them. Furthermore, Jewish newsman Daniel Schorr, who had worked for Turner, publicly charged that his former boss held a personal dislike for Jews.

To block Turner’s bid, CBS executives invited billionaire Jewish theater, hotel, insurance, and cigarette magnate Laurence Tisch to launch a “friendly” takeover of CBS. From 1986 to 1995 Tisch was the chairman and CEO of CBS, removing any threat of non Jewish influence there. Subsequent efforts by Ted Turner to acquire CBS were obstructed by Gerald Levin’s (pictured, bottom) Time Warner, which owned nearly 20 percent of CBS stock and had veto power over major deals. But when his fellow Jew Sumner Redstone offered to buy CBS for \$34.8 billion in 1999, Levin had no objections.

Thus, despite being an innovator and garnering headlines, Turner never commanded the “connections” necessary for being a media master. He finally decided if you can’t lick ’em, join ’em, and he sold out to Levin’s Time Warner. Ted Turner summed it up:

“I’ve had an incredible life for the most part. I made a lot of smart moves, and I made a lot of money. Then something happened, and I merged with Time Warner, which looked like the right thing to do at the time. And it was good for shareholders.

“But then I lost control. I thought I would have enough moral authority to have all the influence in the new company. If you go into business, be very careful with whom you merge.

“I thought I was buying Time Warner, but they were buying me. We had kind of a difference in viewpoint. Then they merged with AOL, and that was a complete disaster, at least so far. I have lost 85 percent of my wealth.”

Also under pressure, Steve Case resigned effective in May 2003. The board replaced both Levin and Case with a Black, Richard Parsons. Behind Parsons the Jewish influence and power remains dominant.

AOL is the largest Internet service provider in the world, with 34 million U.S. subscribers. It is now being used as an online platform for the Jewish content from Time Warner. Jodi Kahn and Meg Siesfeld, both Jews, lead the Time Inc. Interactive team under executive editor Ned Desmond, a White Gentile. All three report to Time Inc. editor in chief Norman Pearlstine, a Jew. Their job is to transfer Time Warner's content to target specific segments of America Online's audience, especially women, children, and teens.

Time Warner was already the second largest of the international media leviathans when it merged with AOL. Time Warner's subsidiary HBO (26 million subscribers) is the nation's largest pay TV cable network. HBO's "competitor" Cinemax is another of Time Warner's many cable ventures.

Until the purchase in May 1998 of PolyGram by Jewish billionaire Edgar Bronfman, Jr., Warner Music was America's largest record company, with 50 labels. Warner Music was an early promoter of "gangsta rap." Through its involvement with Interscope Records (prior to Interscope's acquisition by another Jewish owned media firm), it helped to popularize a genre whose graphic lyrics explicitly urge Blacks to commit acts of violence against Whites. Bronfman purchased Warner Music in 2004, keeping it solidly in Jewish hands.

In addition to cable and music, Time Warner is heavily involved in the production of feature films (Warner Brothers Studio, Castle Rock Entertainment, and New Line Cinema). Time Warner's publishing division is managed by its editor in chief, Norman Pearlstine, a Jew. He controls 50 magazines including Time, Life, Sports Illustrated, and People. Book publishing ventures include Time Life Books, Book-of-the-Month Club, Little Brown, and many others. Time Warner also owns Shoutcast and Winamp, the very tools that most independent Internet radio broadcasters rely on, and, as a dominant player in the Recording Industry Association of America (RIAA), was essentially "negotiating" with itself when Internet radio music royalty rules were set that strongly favored large content providers and forced many small broadcasters into silence. (The Register, "AOL Time Warner takes grip of net radio," 8th April 2003)

Disney. The second largest media conglomerate today, with 2003 revenues of \$27.1 billion, is the Walt Disney Company. Its leading personality and CEO, Michael Eisner, is a Jew.

The Disney empire, headed by a man described by one media analyst as a "control freak," includes several television production companies (Walt Disney Television, Touchstone Television, Buena Vista Television) and cable networks with more than 100 million subscribers altogether. As for feature films, the Walt Disney Motion Pictures Group includes Walt Disney Pictures, Touchstone Pictures, Hollywood Pictures, and Caravan Pictures. Disney also owns Miramax Films, run by the Jewish Weinstein brothers, Bob and Harvey, who have produced such ultra raunchy movies as *The Crying Game*, *Priest*, and *Kids*.

When the Disney Company was run by the Gentile Disney family prior to its takeover by Eisner in 1984, it epitomized wholesome family entertainment. While it still holds the rights to *Snow White*, the company under Eisner has expanded into the production of a great deal of so-called "adult" material.

In August 1995, Eisner acquired Capital Cities/ABC, Inc., which owns the ABC television network, which in turn owns ten TV stations outright in such big markets as New York, Chicago, Philadelphia, Los Angeles, San Francisco, and Houston. In addition, in the United States ABC has 225 affiliated TV stations, over 2,900 affiliated radio stations and produces over 7,200 radio programs. ABC owns 54 radio stations and operates 57 radio stations, many in major cities such as New York, Washington, and Los Angeles. Radio Disney, part of ABC Radio Networks, provides programming targeting children.

Sports network ESPN, an ABC cable subsidiary, is headed by President and CEO George W. Bodenheimer, who is a Jew. The corporation also controls the Disney Channel, Toon Disney, A&E, Lifetime Television, SOAPnet and the History Channel, with between 86 and 88 million subscribers each. The ABC Family television network has 84 million subscribers and, in addition to broadcasting entertainment (some of it quite raunchy for a "family" channel), is also the network outlet for Christian Zionist TV evangelist Pat Robertson.

Although primarily a telecommunications company, ABC/Disney earns over \$1 billion in publishing, owning Walt Disney Company Book Publishing, Hyperion Books, and Miramax Books. It also owns six daily newspapers and publishes over 20 magazines. Disney Publishing Worldwide publishes books and magazines in 55 languages in 74 countries, reaching more than 100 million readers each month.

On the Internet, Disney runs Buena Vista Internet Group, ABC Internet Group, ABC.com, ABCNEWS.com, Oscar.com, Mr. Showbiz, Disney Online, Disney's Daily Blast, Disney.com, Family.com, ESPN Internet Group, ESPN.sportzone.com, Soccer.com, NFL.com, NBA.com, Infoseek (partial ownership), and Disney Interactive.

Viacom. Number three on the list, with 2003 revenues of just over \$26.5 billion, is Viacom, Inc., headed by Sumner Redstone (born Murray Rothstein), a Jew. Melvin A. Karmazin, another Jew, was number two at Viacom until June 2004, holding the positions of president and chief operating officer. Karmazin remains a large Viacom shareholder. Replacing Karmazin as co-presidents and co-CEOs are a Jew, Leslie Moonves, and Tom Freston, a possible Jew. (We have been unable to confirm Freston's Jewish ancestry; he has done work for Jewish organizations and was involved in the garment trade, a heavily Jewish industry, importing clothing from the Third World to the U.S. in the 1970s.)

Viacom produces and distributes TV programs for the three largest networks, owns 39 television stations outright with another 200 affiliates in its wholly owned CBS Television Network, owns 185 radio stations in its Infinity radio group, and has over 1,500 affiliated stations through its CBS Radio Network. It produces feature films through Paramount Pictures, headed by Jewess Sherry Lansing (born Sherry Lee Heimann), who is planning to retire at the end of 2005.

Viacom was formed in 1971 as a way to dodge an anti-monopoly FCC ruling that required CBS to spin off a part of its cable TV operations and syndicated programming business. This move by the government unfortunately did nothing to reduce the mostly Jewish collaborative monopoly that remains the major problem with the industry. In 1999, after CBS had again augmented itself by buying King World Productions (a leading TV program syndicator), Viacom acquired its progenitor company, CBS, in a double mockery of the spirit of the 1971 ruling.

Redstone acquired CBS following the December 1999 stockholders' votes at CBS and Viacom. CBS Television has long been headed by the previously mentioned Leslie Moonves; the other Viacom co-president, Tom Freston, headed wholly-owned MTV.

Viacom also owns the Country Music Television and The Nashville Network cable channels and is the largest outdoor advertising (billboards, etc.) entity in the U.S. Viacom's publishing division includes Simon & Schuster, Scribner, The Free Press, Fireside, and Archway Paperbacks. It distributes videos through its over 8,000 Blockbuster stores. It is also involved in satellite broadcasting, theme parks, and video games.

Viacom's chief claim to fame, been unable to confirm Freston's however, is as the world's largest Jewish ancestry; he has done work provider of cable programming for Jewish organizations and was through its Showtime, MTV, Nickelodeon, Black Entertainment Television, and other networks. Since 1989 MTV and Nickelodeon have acquired larger and larger shares of the juvenile television audience. MTV dominates the television market for viewers between the ages of 12 and 24.

Sumner Redstone owns 76 per cent of the shares of Viacom. He offers Jackass as a teen role model and pumps MTV's racially mixed rock and rap videos into 342 million homes in 140 countries and is a dominant cultural influence on White teenagers around the world. MTV also makes race mixing movies like *Save the Last Dance*.

Nickelodeon, with over 87 million subscribers, has by far the largest share of the four-to-11-year-old TV audience in America and is expanding rapidly into Europe. Most of its shows do not yet display the blatant degeneracy that is MTV's trademark, but Redstone is gradually nudging the fare presented to his kiddie viewers toward the same poison purveyed by MTV. Nickelodeon continues a 12 year streak as the top cable network for children and younger teenagers.

NBC Universal. Another Jewish media mogul is Edgar Bronfman, Jr. He headed Seagram Company, Ltd., the liquor giant, until its recent merger with Vivendi. His father, Edgar Bronfman, Sr., is president of the World Jewish Congress.

Seagram owned Universal Studios and later purchased Interscope Records, the foremost promoter of “gangsta rap,” from Warner. Universal and Interscope now belong to Vivendi Universal, which merged with NBC in May 2004, with the parent company now called NBC Universal.

Bronfman became the biggest man in the record business in May 1998 when he also acquired control of PolyGram, the European record giant, by paying \$10.6 billion to the Dutch electronics manufacturer Philips.

In June 2000, the Bronfman family traded Seagram to Vivendi for stock in Vivendi, and Edgar, Jr. became vice chairman of Vivendi. Vivendi was originally a French utilities company, and was then led by Gentile Jean Marie Messier. A board of directors faction led by Bronfman forced Messier to resign in July 2002.

Vivendi also acquired bisexual Jew Barry Diller’s USA Networks in 2002. (Diller is the owner of InterActive Corporation, which owns Expedia, Ticketmaster, The Home Shopping Network, Lending Tree, Hotels.com, CitySearch, Evite, Match.com, and other Internet businesses.) Vivendi combined the USA Network, Universal Studios, Universal Television, and theme parks into Vivendi Universal Entertainment (VUE).

After the Vivendi NBC merger, Bronfman used his considerable personal profits to strike out on his own, and recently purchased Warner Music from Jewish dominated Time Warner. The current chairman of NBC Universal is a Gentile often associated with Jewish causes, long-time NBC employee Bob Wright. Ron Meyer, a Jew, is president and chief operating officer of Universal Studios. Stacey Snider, also Jewish, is the chairman of Universal Pictures. The president of NBC Universal Television Group is Jeff Zucker, another Jew.

With two of the top four media conglomerates in the hands of Jews (Disney and Viacom), with Jewish executives running the media operations of NBC Universal, and with Jews filling a large proportion of the executive jobs at Time Warner, it is unlikely that such an overwhelming degree of control came about without a deliberate, concerted effort on the Jews’ part.

Other media companies: Rupert Murdoch’s News Corporation owns Fox Television Network, Fox News, the FX Channel, 20th Century Fox Films, Fox 2000, and publisher Harper Collins. News Corp. is the fifth largest megamedia corporation in the nation, with 2003 revenues of approximately \$19.2 billion. It is the only other media company which comes close to the top four.

Its Fox News Channel has been a key outlet pushing the Jewish neoconservative agenda that lies behind the Iraq War and which animates both the administration of George W. Bush and the “new conservatism” that embraces aggressive Zionism and multiracialism.

Murdoch is nominally a Gentile, but there is some uncertainty about his ancestry and he has vigorously supported Zionism and other Jewish causes throughout his life. (Historian David Irving has published information from a claimed high level media source who says that Murdoch’s mother, Elisabeth Joy Greene, was Jewish, but we have not been able to confirm this.) Murdoch’s number two executive is Peter Chernin, who is president and chief operating officer—and a Jew.

Under Chernin, Jews hold key positions in the company: Gail Berman runs Fox Entertainment Group; Mitchell Stern heads satellite television division DirecTV; Jane Friedman is chairman and CEO of Harper Collins; and Thomas Rothman is chairman of Fox Filmed Entertainment. News Corporation also owns the New York Post and TV Guide, and both are published under Chernin’s supervision. The primary printed neoconservative journal, The Weekly

Standard, is also published by News Corporation and edited by William Kristol, a leading Jewish neocon spokesman and “intellectual.”

Most of the television and movie production companies that are not owned by the large media corporations are also controlled by Jews. For example, Spyglass, an “independent” film producer which has made such films as *The Sixth Sense*, *The Insider*, and *Shanghai Noon*, is controlled by its Jewish founders Gary Barber and Roger Birnbaum, who are co-chairmen. Jonathan Glickman serves as president and Paul Neinstein is executive vice president. Both men are Jews. Spyglass makes movies exclusively for DreamWorks SKG.

The best known of the smaller media companies, DreamWorks SKG, is a strictly kosher affair. DreamWorks was formed in 1994 amid great media hype by recording industry mogul David Geffen, former Disney Pictures chairman Jeffrey Katzenberg, and film director Steven Spielberg, all three of whom are Jews. The company produces movies, animated films, television programs, and recorded music. Considering the cash and connections that Geffen, Katzenberg, and Spielberg have, DreamWorks may soon be in the same league as the big four.

One major studio, Columbia Pictures, is owned by the Japanese multinational firm Sony. Nevertheless, the studio’s chairman is Jewess Amy Pascal, and its output fully reflects the Jewish social agenda. Sony’s music division recently merged with European music giant BMG to form Sony BMG Music Entertainment, now one of the world’s largest music distributors. It is headed by CEO Andrew Lack, formerly president and CEO of NBC—and a Jew. Sony’s overall American operations are headed by a Jew named Howard Stringer, formerly of CBS, who hired Lack.

It is well known that Jews have controlled most of the production and distribution of films since shortly after the inception of the movie industry in the early decades of the 20th century. When Walt Disney died in 1966, the last barrier to the total Jewish domination of Hollywood was gone, and Jews were able to grab ownership of the company that Walt built. Since then they have had everything their way in the movie industry.

Films produced by seven of the firms mentioned above—Disney, Warner Brothers, Paramount (Viacom), Universal (NBC Universal), 20th Century Fox (News Corp.), DreamWorks, and Columbia (Sony)—accounted for 94% of total box office receipts for the year 2003.

The big three in television network broadcasting used to be ABC, CBS, and NBC. With the **consolidation of the media empires**, these three are no longer independent entities. While they were independent, however, each was controlled by a Jew since its inception: ABC by Leonard Goldenson; NBC first by David Sarnoff and then by his son Robert; and CBS first by William Paley and then by Laurence Tisch. Over several decades these networks were staffed from top to bottom with Jews, and the essential Jewishness of network television did not change when the networks were absorbed by other Jewish dominated media corporations. The Jewish presence in television news remains particularly strong.

NBC provides a good example of this. The president of NBC News is Neal Shapiro. Jeff Zucker is NBC Universal Television Group president. Reporting directly to Zucker is his close friend Jonathan Wald, formerly an NBC program producer, now a senior consultant for CNBC. David M. Zaslav is president of NBC Cable (and also a director of digital video firm TiVo Inc.). The president of MSNBC is Rick Kaplan. All of these men are Jews.

A similar preponderance of Jews exists in the news divisions of the other networks. Sumner Redstone, Tom Freston, and Les Moonves control Viacom’s CBS. Moonves demonstrated his power in 2002 by replacing the entire staff of the new *CBS Early Show*. He is also a great nephew of Zionist leader David Ben Gurion, Israel’s first prime minister. Al Ortiz (also a Jew) is executive producer and director of special events coverage for CBS News. Senior executive producer Michael Bass and Victor Neufeld (formerly producer of ABC’s *20/20*) produce the *CBS Early Show*; both are Jews.

At ABC, David Westin, who is a Jew according to Jeffrey Blankfort of the *Middle East Labor Bulletin*, is the president of ABC News. The senior vice president for news at ABC is Paul Slavin, also a Jew. Bernard Gershon, a

Jew, is senior vice president/general manager of the ABC News Digital Media Group, in charge of ABCNEWS.com, ABC News Productions, and ABC News Video Source.

The Print Media

After television news, daily newspapers are the most influential information medium in America. About 58 million of them are sold (and presumably read) each day. These millions are divided among some 1,456 different publications. One might conclude that the sheer number of different newspapers across America would provide a safeguard against minority control and distortion. Alas, such is not the case. There is less independence, less competition, and much less representation of majority interests than a casual observer would think.

In 1945, four out of five American newspapers were independently owned and published by local people with close ties to their communities. Those days, however, are gone. Most of the independent newspapers were bought out or driven out of business by the mid 1970s. Today most “local” newspapers are owned by a rather small number of large companies controlled by executives who live and work hundreds or even thousands of miles away. Today less than 20 percent of the country’s 1,456 papers are independently owned; the rest belong to multi-newspaper chains. Only 103 of the total number have circulations of more than 100,000. Only a handful are large enough to maintain independent reporting staffs outside their own communities; the rest must depend on these few for all of their national and international news.

The Associated Press (AP), which sells content to newspapers, is currently under the control of its Jewish vice president and managing editor, Michael Silverman, who directs the day to day news reporting and supervises the editorial departments. Silverman had directed the AP’s national news as assistant managing editor, beginning in 1989. Jewess Ann Levin is AP’s national news editor. Silverman and Levin are under Jonathan Wolman, also a Jew, who was promoted to senior vice president of AP in November 2002.

In only two per cent of the cities in America is there more than one daily newspaper, and competition is frequently nominal even among them, as between morning and afternoon editions under the same ownership or under joint operating agreements.

Much of the competition has disappeared through the monopolistic tactics of the Jewish Newhouse family’s holding company, Advance Publications. Advance Publications buys one of two competing newspapers, and then starts an advertising war by slashing advertising rates, which drives both papers to the edge of bankruptcy. Advance Publications then steps in and buys the competing newspaper. Often both papers continue: one as a morning paper and the other as an evening paper. Eventually, though, one of the papers is closed—giving the Newhouse brothers the only daily newspaper in that city. For example, in 2001 the Newhouses closed the Syracuse Herald Journal leaving their other Syracuse newspaper, the Post Journal, with a monopoly.

The Newhouse media empire provides an example of more than the lack of real competition among America’s daily newspapers: it also illustrates the insatiable appetite Jews have shown for all the organs of opinion control on which they could fasten their grip. The Newhouses own 31 daily newspapers, including several large and important ones, such as the *Cleveland Plain Dealer*, the Newark *Star-Ledger*, and the New Orleans *Times-Picayune*; Newhouse Broadcasting, consisting of television stations and cable operations; the Sunday supplement *Parade*, with a circulation of more than 35 million copies per week; some two dozen major magazines, including *The New Yorker*, *Vogue*, *Wired*, *Glamour*, *Vanity Fair*, *Bride’s*, *Gentlemen’s Quarterly*, *Self*, *House & Garden*, and all the other magazines of the wholly owned Conde Nast group. The staffing of the magazines is, as you might expect, quite Kosher. *Parade* can serve as an example: Its publisher is Randy Siegel, its editor and senior vice president is Lee Kravitz, its creative director is Ira Yoffe, its science editor is David H. Levy, and its health editor is Dr. Isadore Rosenfeld.

This Jewish media empire was founded by the late Samuel Newhouse, an immigrant from Russia. When he died in 1979 at the age of 84, he bequeathed media holdings worth an estimated \$1.3 billion to his two sons, Samuel and Donald. With a number of further acquisitions, the net worth of Advance Publications has grown to more than \$9 billion today. The gobbling up of so many newspapers by the Newhouse family was facilitated by newspapers' revenue structure. Newspapers, to a large degree, are not supported by their subscribers but by their advertisers. It is advertising revenue—not the small change collected from a newspaper's readers—that largely pays the editor's salary and yields the owner's profit. Whenever the large advertisers in a city choose to favor one newspaper over another with their business, the favored newspaper will flourish while its competitor dies. Since the beginning of the last century, when Jewish mercantile power in America became a dominant economic force, there has been a steady rise in the number of American newspapers in Jewish hands, accompanied by a steady decline in the number of competing Gentile newspapers to some extent a result of selective advertising policies by Jewish merchants.

Furthermore, even those newspapers still under Gentile ownership and management are so thoroughly dependent upon Jewish advertising revenue that their editorial and news reporting policies are largely constrained by Jewish likes and dislikes. It holds true in the newspaper business as elsewhere that he who pays the piper calls the tune.

Three Jewish Newspapers

The suppression of competition and the establishment of local monopolies on the dissemination of news and opinion have characterized the rise of Jewish control over America's newspapers. The resulting ability of the Jews to use the press as an unopposed instrument of Jewish policy could hardly be better illustrated than by the examples of the nation's three most prestigious and influential newspapers: the New York Times, the Wall Street Journal, and the Washington Post. These three, dominating America's financial and political capitals, are the newspapers that set the trends and the guidelines for nearly all the others. They are the ones that decide what is news and what isn't at the national and international levels. They originate the news; the others merely copy it. And all three newspapers are in Jewish hands. The New York Times, with a 2003 circulation of 1,119,000, is the unofficial social, fashion, entertainment, political, and cultural guide of the nation. It tells America's "smart set" which books to buy and which films to see; which opinions are in style at the moment; which politicians, educators, spiritual leaders, artists, and businessmen are the real comers. And for a few decades in the 19th century it was a genuinely American newspaper.

The New York Times was founded in 1851 by two Gentiles, Henry J. Raymond and George Jones. After their deaths, it was purchased in 1896 from Jones's estate by a wealthy Jewish publisher, Adolph Ochs. His great-great-grandson, Arthur Sulzberger, Jr., is the paper's current publisher and the chairman of the New York Times Co. Russell T. Lewis, also a Jew, is president and chief executive officer of The New York Times Company. Michael Golden, another Jew, is vice chairman Martin Nisenholtz, a Jew, runs their massive internet operations.

The Sulzberger family also owns, through the New York Times Co., 33 other newspapers, including the Boston Globe, purchased in June 1993 for \$1.1 billion; eight TV and two radio broadcasting stations; and more than 40 news oriented Web operations. It also publishes the International Herald Tribune, the most widely distributed English language daily in the world. The New York Times News Service transmits news stories, features, and photographs from the New York Times by wire to 506 other newspapers, news agencies, and magazines.

Of similar national importance is the Washington Post, which, by establishing its "leaks" throughout government agencies in Washington, has an inside track on news involving the Federal government.

The Washington Post, like the New York Times, had a non-Jewish origin. It was established in 1877 by Stilson Hutchins, purchased from him in 1905 by John R. McLean, and later inherited by Edward B. McLean. In June 1933, however, at the height of the Great Depression, the newspaper was forced into bankruptcy. It was purchased at a bankruptcy auction by Eugene Meyer, a Jewish financier and former partner of the infamous Bernard Baruch, a Jew who was industry czar in America during the First World War. The Washington Post was run by Katherine Meyer Graham, Eugene Meyer's daughter, until her death in 2001. She was the principal stockholder and board chairman of the Washington Post Company; and she appointed her son, Donald Graham, publisher of the paper in 1979. Donald became Washington Post Company CEO in 1991 and its board chairman in 1993, and the chain of Jewish control at the

Post remains unbroken. The newspaper has a daily circulation of 732,000, and its Sunday edition sells over one million copies.

The Washington Post Company has a number of other media holdings in newspapers (the Gazette Newspapers, including 11 military publications); in television (WDIV in Detroit, KPRC in Houston, WPLG in Miami, WKMG in Orlando, KSAT in San Antonio, WJXT in Jacksonville); and in magazines, most notably the nation's number two weekly newsmagazine, *Newsweek*.

The Washington Post Company's various television ventures reach a total of about 12 million homes, and its cable TV service, Cable One, has 750,000 subscribers.

The Wall Street Journal sells 1,820,000 copies each weekday and is owned by Dow Jones & Company, Inc., a New York corporation that also publishes 33 other newspapers and the weekly financial tabloid Barron's. The chairman and CEO of Dow Jones is Peter R. Kann, who is a Jew. Kann also holds the posts of chairman and publisher of the *Wall Street Journal*.

Most of New York's other major newspapers are in no better hands than the New York Times and the Wall Street Journal (729,000) was bought from the estate of the late Jewish media mogul Robert Maxwell (born Ludvik Hoch) by Jewish real-estate developer Mortimer B. Zuckerman. Another Jew, Les Goodstein, is the president and chief operating officer of the New York Daily News. And, as mentioned above, the neocon slanted New York Post (circulation 652,000) is owned by News Corporation under the supervision of Jew Peter Chernin.

News Magazines

The story is much the same for other media as it is for television, radio, films, music, and newspapers. Consider, for example, newsmagazines. There are only three of any importance published in the United States: Time, Newsweek, and U.S. News & World Report.

Time, with a weekly circulation of 4.1 million, is published by a subsidiary of Time Warner Communications, the news media conglomerate formed by the 1989 merger of Time, Inc., with Warner Communications. The editor in-chief of Time Warner Communication is Norman Pearlstine, a Jew.

Newsweek, as mentioned above, is published by the Washington Post Company, under the Jew Donald Graham. Its weekly circulation is 3.2 million.

U.S. News & World Report, with a weekly circulation of 2.0 million, is owned and published by the aforementioned Mortimer B. Zuckerman, who also has taken the position of editor in chief of the magazine for himself. Zuckerman also owns New York's tabloid newspaper, the Daily News, which is the sixth largest paper in the nation.

Our Responsibility

Those are the facts of media control in America. Any-one willing to spend a few hours in a large library looking into current editions of yearbooks on the radio and television industries and into directories of newspapers and magazines; into registers of corporations and their officers, such as those published by Standard and Poors and by Dun and Bradstreet; and into standard biographical reference works can verify their accuracy. They are undeniable. When confronted with these facts, Jewish spokesmen customarily will use evasive tactics. "Ted Turner isn't a Jew!" they will announce triumphantly, as if that settled the issue. If pressed further they will accuse the confronter of "anti-Semitism" for even raising the subject. It is fear of this accusation that keeps many persons who know the facts silent.

But we must not remain silent on this most important of issues. The Jewish control of the American mass media is the single most important fact of life, not just in America, but in the whole world today. There is nothing—plague, famine, economic collapse, even nuclear war—more dan-gerous to the future of our people.

Jewish media control determines the foreign policy of the United States and permits Jewish interests rather than American interests to decide questions of war and peace. Without Jewish media control, there would have been no Persian Gulf war, for example. There would have been no NATO massacre of Serb civilians. There would have been no Iraq War, and thousands of lives would have been saved. There would have been little, if any, American support for the Zionist state of Israel, and the hatreds, feuds, and terror of the Middle East would never have been brought to our shores.

By permitting the Jews to control our news and enter-tainment media we are doing more than merely giving them a decisive influence on our political system and virtual con-trol of our government; we also are giving them control of the minds and souls of our children, whose attitudes and ideas are shaped more by Jewish television and Jewish films than by parents, schools, or any other influence.

The Jew controlled entertainment media have taken the lead in persuading a whole generation that homosexu-ality is a normal and acceptable way of life; that there is nothing at all wrong with White women dating or marry-ing Black men, or with White men marrying Asian women; that all races are inherently equal in ability and character—except that the character of the White race is suspect because of a history of oppressing other races; and that any effort by Whites at racial self preservation is reprehensible.

We must oppose the further spreading of this poison among our people, and we must break the power of those who are spreading it. It would be intolerable for such power to be in the hands of any alien minority with values and interests different from our own. But to permit the Jews, with their 3,000 year history of nation wrecking, from an-cient Egypt to Russia, to hold such power over us is tanta-mount to race suicide. Indeed, the fact that so many White Americans today are so filled with a sense of racial guilt and self-hatred that they actively seek the death of their own race is a deliberate consequence of Jewish media con-trol.

Once we have absorbed and understood the fact of Jewish media control, it is our inescapable responsibil-ity to do whatever is necessary to break that control. We must shrink from nothing in combating this evil power that has fastened its deadly grip on our people and is injecting its lethal poison into our people's minds and souls. If our race fails to destroy it, it certainly will de-stroy our race.

Media of Our Own

A growing number of White Americans are working to build new media not under Jewish control. National Vanguard Books, the publisher of this pamphlet, also publishes its own full color magazine of news, thought, and opinion, National Vanguard, a sample of which is available from the address below for \$5 in the U.S. and Canada, \$8 elsewhere. We also operate a news and comment Web site, updated several times daily, at NationalVanguard.org; and a weekly radio program, American Dissident Voices. The program itself and a broad-cast schedule are available at natvan.com and NationalVanguard.org or by writing to the address below. It is vital that we support our own alternative media.

The National Alliance, parent organization of National Vanguard Books, is a membership organization of activists working for White interests and helping to build and fund our new media. For further information on Alliance membership, write to P.O. Box 90, Hills-boro WV 24946 USA.

Additional copies of this pamphlet may be ordered from National Vanguard Books, P.O. Box 330, Hillsboro, WV 24946 USA. 10 copies, \$6. 25 copies, \$9. 100 copies, \$20. 1000 copies, \$154. Prices include postage. Our book catalogue, listing over 600 books, videos, and audio recordings, is available for \$3 postpaid.

All contents copyright ©2004 National Vanguard Books, Inc. Media owners, managers, and corporate relationships change from time to time, of course. All of the names and other data in this report, except where otherwise noted, are accurate as of November 2004.

BENJAMIN FREEDMAN SPEAKS: A JEWISH DEFECTOR WARNS AMERICA

by Benjamin H. Freedman

Introductory Note:

Benjamin H. Freedman was one of the most intriguing and amazing individuals of the 20th century. Mr. Freedman, born in 1890, was a successful Jewish businessman of New York City who was at one time the principal owner of the Woodbury Soap Company. He broke with organized Jewry after the Judeo-Communist victory of 1945, and spent the remainder of his life and the great preponderance of his considerable fortune, at least 2.5 million dollars, exposing the Jewish tyranny which has enveloped the United States. Mr. Freedman knew what he was talking about because he had been an insider at the highest levels of Jewish organizations and Jewish machinations to gain power over our nation. Mr. Freedman was personally acquainted with Bernard Baruch, Samuel Untermyer, Woodrow Wilson, Franklin Roosevelt, Joseph Kennedy, and John F. Kennedy, and many more movers and shakers of our times. This speech was given before a patriotic audience in 1961 at the Willard Hotel in Washington, D.C., on behalf of Conde McGinley's patriotic newspaper of that time, *Common Sense*. Though in some minor ways this wide-ranging and extemporaneous speech has become dated, Mr. Freedman's essential message to us -- his warning to the West -- is more urgent than ever before. -- K.A.S.

Here in the United States, the Zionists and their co-religionists have complete control of our government. For many reasons, too many and too complex to go into here at this time, the Zionists and their co-religionists rule these United States as though they were the absolute monarchs of this country. Now you may say that is a very broad statement, but let me show you what happened while we were all asleep.

What happened? World War I broke out in the summer of 1914. There are few people here my age who remember that. Now that war was waged on one side by Great Britain, France, and Russia; and on the other side by Germany, Austria-Hungary, and Turkey.

Within two years Germany had won that war: not only won it nominally, but won it actually. The German submarines, which were a surprise to the world, had swept all the convoys from the Atlantic Ocean. Great Britain stood there without ammunition for her soldiers, with one week's food supply -- and after that, starvation. At that time, the French army had mutinied. They had lost 600,000 of the flower of French youth in the defense of Verdun on the Somme. The Russian army was defecting, they were picking up their toys and going home, they didn't want to play war anymore, they didn't like the Czar. And the Italian army had collapsed.

Not a shot had been fired on German soil. Not one enemy soldier had crossed the border into Germany. And yet, Germany was offering England peace terms. They offered England a negotiated peace on what the lawyers call a *status quo ante* basis. That means: "Let's call the war off, and let everything be as it was before the war started." England, in the summer of 1916 was considering that -- seriously. They had no choice. It was either accepting this negotiated peace that Germany was magnanimously offering them, or going on with the war and being totally defeated.

While that was going on, **the Zionists in Germany**, who represented **the Zionists from Eastern Europe**, went to the British War Cabinet and -- I am going to be brief because it's a long story, but I have all the documents to prove any statement that I make -- they said: "Look here. You can yet win this war. You don't have to give up. You don't have to accept the negotiated peace offered to you now by Germany. You can win this war if the United States will come in as your ally."

The United States was not in the war at that time. We were fresh; we were young; we were rich; we were powerful. They told England: "We will guarantee to bring the United States into the war as your ally, to fight with you on your side, **if you will promise us Palestine after you win the war.**" In other words, they made this deal: "We will get the United States into this war as your ally. The price you must pay is Palestine after you have won the war and defeated Germany, Austria-Hungary, and Turkey."

Now England had as much right to promise Palestine to anybody, as the United States would have to promise Japan to Ireland for any reason whatsoever. It's absolutely absurd that Great Britain, that never had any connection or any interest or any right in what is known as Palestine should offer it as coin of the realm to pay the Zionists for bringing the United States into the war. However, they did make that promise, in October of 1916. And shortly after that -- I don't know how many here remember it -- the United States, which was almost totally pro-German, entered the war as Britain's ally.

I say that the United States was almost totally pro-German because **the newspapers here were controlled by Jews, the bankers were Jews**, all the media of mass communications in this country **were controlled by Jews**; and they, **the Jews, were pro-German**. They were pro-German because many of them had come from Germany, and also they wanted to see Germany lick the Czar. The Jews didn't like the Czar, and they didn't want Russia to win this war. These German-Jew bankers, like Kuhn Loeb and the other big banking firms in the United States refused to finance France or England to the extent of one dollar. They stood aside and they said: "As long as France and England are tied up with Russia, not one cent!" But they poured money into Germany, **they fought beside Germany against Russia, trying to lick the Czarist regime.**

Now those same Jews, when they saw the possibility of getting Palestine, went to England and they made this deal. At that time, everything changed, like a traffic light that changes from red to green. Where the newspapers had been all pro-German, where they'd been telling the people of the difficulties that Germany was having fighting Great Britain commercially and in other respects, all of a sudden the Germans were no good. They were villains. They were Huns. They were shooting Red Cross nurses. They were cutting off babies' hands. They were no good. Shortly after that, Mr. Wilson declared war on Germany.

The Zionists in London had sent cables to the United States, to Justice Brandeis, saying "Go to work on President Wilson. We're getting from England what we want. Now you go to work on President Wilson and get the United States into the war." That's how the United States got into the war. We had no more interest in it; we had no more right to be in it than we have to be on the moon tonight instead of in this room. **There was absolutely no reason for World War I to be our war.** We were railroaded into -- if I can be vulgar, we were suckered into -- that war **merely so that the Zionists of the world could obtain Palestine.** That is something that the people of the United States have never been told. They never knew why we went into World War I.

After we got into the war, the Zionists went to Great Britain and they said: "Well, we performed our part of the agreement. Let's have something in writing that shows that you are going to keep your bargain and give us Palestine after you win the war." They didn't know whether the war would last another year or another ten years. So they started to work out a receipt. The receipt took the form of a letter, which was worded in very cryptic language so that the world at large wouldn't know what it was all about. And that was called the Balfour Declaration.

The Balfour Declaration was merely Great Britain's promise to pay the Zionists what they had agreed upon as a consideration for getting the United States into the war. So this great Balfour Declaration, that you hear so much about, is just as phony as a three dollar bill. I don't think I could make it more emphatic than that.

That is where all the trouble started. The United States got in the war. The United States crushed Germany. You know what happened. When the war ended, and the Germans went to Paris for the Paris Peace Conference in 1919 **there were 117 Jews there, as a delegation representing the Jews,** headed by Bernard Baruch. I was there: I ought to know. Now what happened? The Jews at that peace conference, when they were cutting up Germany and parceling out Europe to all these nations who claimed a right to a certain part of European territory, said, "How about Palestine for us?" And they produced, for the first time to the knowledge of the Germans, this Balfour Declaration. So the Germans, for the first time realized, "Oh, so that was the game! That's why the United States came into the war." The Germans for the first time realized that they were defeated, they suffered the terrific reparations that were slapped onto them, **because the Zionists wanted Palestine and were determined to get it at any cost.**

That brings us to another very interesting point. When the Germans realized this, they naturally resented it. Up to that time, the Jews had never been better off in any country in the world than they had been in Germany. You had Mr. Rathenau there, who was maybe 100 times as important in industry and finance as is Bernard Baruch in this country. You had Mr. Balin, who owned the two big steamship lines, the North German Lloyd's and the Hamburg-American Lines. You had Mr. Bleichroder, who was the banker for the Hohenzollern family. You had the Warburgs in Hamburg, who were the big merchant bankers -- the biggest in the world. The Jews were doing very well in Germany. No question about that. The Germans felt: "Well, that was quite a sellout."

It was a sellout that might be compared to this hypothetical situation: Suppose the United States was at war with the Soviet Union. And we were winning. And we told the Soviet Union: "Well, let's quit. We offer you peace terms. Let's forget the whole thing." And all of a sudden Red China came into the war as an ally of the Soviet Union. And throwing them into the war brought about our defeat. A crushing defeat, with reparations the likes of which man's imagination cannot encompass.

Imagine, then, after that defeat, if we found out that it was the Chinese in this country, our Chinese citizens, who all the time we had thought were loyal citizens working with us, were selling us out to the Soviet Union and that it was through them that Red China was brought into the war against us. How would we feel, then, in the United States against Chinese? I don't think that one of them would dare show his face on any street. There wouldn't be enough convenient lampposts to take care of them. Imagine how we would feel.

Well, that's how the Germans felt towards these Jews. They'd been so nice to them: from 1905 on, when the first Communist revolution in Russia failed, and the Jews had to scramble out of Russia, they all went to Germany. And Germany gave them refuge. And they were treated very nicely. **And here they had sold Germany down the river for no reason at all other than the fact that they wanted Palestine as a so-called "Jewish commonwealth."**

Now Nahum Sokolow, and all the great leaders and great names that you read about in connection with Zionism today, in 1919, 1920, 1921, 1922, and 1923 wrote in all their papers -- and the press was filled with their statements -- that the feeling against the Jews in Germany is due to the fact that they realized that this great defeat was brought about by Jewish intercession in bringing the United States into the war. The Jews themselves admitted that.

It wasn't that the Germans in 1919 discovered that a glass of Jewish blood tasted better than Coca-Cola or Muenschner Beer. There was no religious feeling. There was no sentiment against those people merely on account of their religious belief. **It was all political.** It was economic. It was anything but religious. Nobody cared in Germany whether a Jew went home and pulled down the shades and said "Shema' Yisroel" or "Our Father." Nobody cared in Germany any more than they do in the United States. Now this feeling that developed later in Germany was due to one thing: **the Germans held the Jews responsible for their crushing defeat.**

And World War I had been started against Germany for no reason for which Germany was responsible. They were guilty of nothing. Only of being successful. They built up a big navy. They built up world trade. You must remember that Germany at the time of the French Revolution consisted of 300 small city-states, principalities, dukedoms, and so forth. Three hundred separate little political entities. And between that time, between the times of Napoleon and Bismarck, they were consolidated into one state. And within 50 years they became one of the world's great powers. Their navy was rivaling Great Britain's, they were doing business all over the world, they could undersell anybody, they could make better products. What happened as a result of that?

There was a conspiracy between England, France, and Russia to slap down Germany. There isn't one historian in the world who can find a valid reason why those three countries decided to wipe Germany off the map politically.

When Germany realized that the Jews were responsible for her defeat, they naturally resented it. But not a hair on the head of any Jew was harmed. Not a single hair. Professor Tansill, of Georgetown University, who had access to all the secret papers of the State Department, wrote in his book, and quoted from a State Department document written by Hugo Schoenfelt, a Jew whom Cordell Hull sent to Europe in 1933 to investigate the so-called camps of political prisoners, who wrote back that **he found them in very fine condition.** They were in excellent shape, with everybody treated well. And they were filled with Communists. Well, a lot of them were Jews, because **the Jews happened to comprise about 98 per cent of the Communists** in Europe at that time. And there were some priests there, and ministers, and labor leaders, and Masons, and others who had international affiliations.

Some background is in order: In 1918-1919 the Communists took over Bavaria for a few days. Rosa Luxemburg and Karl Liebknecht and **a group of other Jews took over the government for three days.** In fact, when the Kaiser ended the war he fled to Holland because he thought the Communists were going to take over Germany as they did Russia and that he was going to meet the same fate as the Czar. So he fled to Holland for safety, for security.

After the Communist threat in Germany was quashed, the Jews were still working, trying to get back into their former status, and the Germans fought them in every way they could without hurting a single hair on anyone's head. They fought them the same way that, in this country, the Prohibitionists fought anyone who was interested in liquor. They didn't fight one another with pistols. Well, that's the way they were fighting the Jews in Germany. And at that time, mind you, there were 80 to 90 million Germans, and **there were only 460,000 Jews.** About one half of one per cent of the population of Germany were Jews. And yet **they controlled all the press, and they controlled most of the economy** because they had come in with cheap money when the mark was devalued and bought up practically everything.

(LGM NOTE: Have we not been programmed to believe that 6,000,000 were killed by Hitler??? There weren't 6,000,000 Jews in all of Europe, let alone in Germany, and how many claim to have survived???)

The Jews tried to keep a lid on this fact. They didn't want the world to really understand that they had sold out Germany, and that the Germans resented that.

The Germans took appropriate action against the Jews. They, shall I say, discriminated against them wherever they could. They shunned them. The same way that we would shun the Chinese, or the Negroes, or the Catholics, or anyone in this country who had sold us out to an enemy and brought about our defeat.

After a while, the Jews of the world called a meeting in Amsterdam. Jews from every country in the world attended this meeting in July 1933. And they said to Germany: "You fire Hitler, and you put every Jew back into his former position, whether he was a Communist or no matter what he was. You can't treat us that way. And we, the Jews of the world, are serving an ultimatum upon you." You can imagine what the Germans told them. So what did the Jews do?

In 1933, when Germany refused to surrender to the world conference of Jews in Amsterdam, the conference broke up, and Mr. Samuel Untermyer, who was the head of the American delegation and the president of the whole conference, came to the United States and went from the steamer to the studios of the Columbia Broadcasting System and made a radio broadcast throughout the United States in which he in effect said, "**The Jews of the world now declare a Holy War against Germany.** We are now engaged in a sacred conflict against the Germans. And we are going to starve them into surrender. We are going to use a world-wide boycott against them. That will destroy them because they are dependent upon their export business." And it is a fact that two thirds of Germany's food supply had to be imported, and it could only be imported with the proceeds of what they exported. So if Germany could not export, two thirds of Germany's population would have to starve. There was just not enough food for more than one third of the population.

Now in this declaration, which I have here, and which was printed in the New York Times on August 7, 1933, Mr. Samuel Untermyer boldly stated that "this economic boycott is our means of self-defense. President Roosevelt has advocated its use in the National Recovery Administration," which some of you may remember, where everybody was to be boycotted unless he followed the rules laid down by the New Deal, and which was declared unconstitutional by the Supreme Court of that time.

Nevertheless, the Jews of the world declared a boycott against Germany, and it was so effective that you couldn't find one thing in any store anywhere in the world with the words "made in Germany" on it. In fact, an executive of the Woolworth Company told me that they had to dump millions of dollars worth of crockery and dishes into the river; that their stores were boycotted if anyone came in and found a dish marked "made in Germany," they were picketed with signs saying "Hitler," "murderer," and so forth, something like these sit-ins that are taking place in the South.

At a store belonging to the R. H. Macy chain, which was controlled by a family called Strauss who also happen to be Jews, a woman found stockings there which came from Chemnitz, marked "made in Germany." Well, they were cotton stockings and they may have been there 20 years, since I've been observing women's legs for many years and it's been a long time since I've seen any cotton stockings on them. I saw Macy's boycotted, with hundreds of people walking around with signs saying "murderers," "Hitlerites," and so forth. Now up to that time, not one hair on the head of any Jew had been hurt in Germany. There was no suffering, there was no starvation, there was no murder, there was nothing.

Naturally, the Germans said, "Who are these people to declare a boycott against us and throw all our people out of work, and make our industries come to a standstill? Who are they to do that to us?" They naturally resented it. Certainly they painted swastikas on stores owned by Jews. Why should a German go in and give his money to a storekeeper who was part of a boycott that was going to starve Germany into surrendering to the Jews of the world, who were going to dictate who their premier or chancellor was to be? Well, it was ridiculous.

The boycott continued for some time, but it wasn't until 1938, when a young Jew from Poland walked into the German embassy in Paris and shot a German official, that the Germans really started to get rough with the Jews in Germany. And you found them then breaking windows and having street fights and so forth.

Now I don't like to use the word "anti-Semitism" because it's meaningless, but it means something to you still, so I'll have to use it. **The only reason that there was any feeling in Germany against Jews was that they were responsible for World War I and for this world-wide boycott.** Ultimately they were also responsible for World War II, because after this thing got out of hand, it was absolutely necessary for the Jews and Germany to lock horns in a war to see which one was going to survive.

In the meanwhile, I had lived in Germany, and I knew that the Germans had decided that Europe is going to be Christian or Communist: there is no in between. **And the Germans decided they were going to keep it Christian if possible.** And they started to re-arm.

In November 1933 the United States recognized the Soviet Union. The Soviet Union was becoming very powerful, and Germany realized that "Our turn was going to come soon, unless we are strong." The same as we in this country are saying today, "Our turn is going to come soon, unless we are strong." Our government is spending 83 or 84 billion dollars for defense. **Defense against whom? Defense against 40,000 little Jews in Moscow that took over Russia, and then, in their devious ways, took over control of many other countries of the world.**

For this country now to be on the verge of a Third World War, from which we cannot emerge a victor, is something that staggers my imagination. I know that nuclear bombs are measured in terms of megatons. A megaton is a term used to describe one million tons of TNT. Our nuclear bombs had a capacity of 10 megatons, or 10 million tons of TNT, when they were first developed. Now, the nuclear bombs that are being developed have a capacity of 200 megatons, and God knows how many megatons the nuclear bombs of the Soviet Union have.

What do we face now? If we trigger a world war that may develop into a nuclear war, humanity is finished. Why might such a war take place? It will take place as the curtain goes up on Act 3: Act 1 was World War I, Act 2 was World War II, Act 3 is going to be World War III. **The Jews of the world, the Zionists and their co-religionists everywhere, are determined that they are going to again use the United States to help them permanently retain Palestine as their foothold FOR THEIR WORLD GOVERNMENT.** That is just as true as I am standing here. Not alone have I read it, but many here have also read it, and it is known all over the world.

What are we going to do? The life you save may be your son's. Your boys may be on their way to that war tonight; and you don't know it any more than you knew that in 1916 in London **the Zionists made a deal with the British War Cabinet to send your sons to war in Europe.** Did you know it at that time? Not a person in the United States knew it. You weren't permitted to know it. Who knew it? President Wilson knew it. Colonel House knew it. Other insiders knew it.

Did I know it? I had a pretty good idea of what was going on: I was liaison to Henry Morgenthau, Sr., in the 1912 campaign when President Wilson was elected, and there was talk around the office there. I was "confidential man" to Henry Morgenthau, Sr., who was chairman of the finance committee, and I was liaison between him and Rollo Wells, the treasurer. So I sat in these meetings with President Wilson at the head of the table, and all the others, and I heard them drum into President Wilson's brain **the graduated income tax and what has become the Federal Reserve, and I heard them indoctrinate him with the Zionist movement.**

Justice Brandeis and President Wilson were just as close as the two fingers on this hand. President Woodrow Wilson was just as incompetent when it came to determining what was going on as a newborn baby. That is how they got us into World War I, while we all slept. They sent our boys over there to be slaughtered. For what? So the Jews can have Palestine as their "commonwealth." They've fooled you so much that you don't know whether you're coming or going.

Now any judge, when he charges a jury, says, "Gentlemen, any witness who you find has told a single lie, you can disregard all his testimony." I don't know what state you come from, but in New York state that is the way a judge addresses a jury. If that witness told one lie, disregard his testimony.

What are the facts about the Jews? (I call them Jews to you, because they are known as Jews. I don't call them Jews myself. I refer to them as so-called Jews, **because I know what they are.**) The eastern European Jews, who form 92

per cent of the world's population of those people who call themselves Jews, **were originally Khazars**. They were a warlike tribe who lived deep in the heart of Asia. And they were so warlike that even the Asiatics drove them out of Asia into eastern Europe. They set up a large Khazar kingdom of 800,000 square miles. At the time, Russia did not exist, nor did many other European countries. The Khazar kingdom was the biggest country in all Europe -- so big and so powerful that when the other monarchs wanted to go to war, the Khazars would lend them 40,000 soldiers. That's how big and powerful they were.

They were phallic worshippers, which is filthy and I do not want to go into the details of that now. But that was their religion, as it was also the religion of many other pagans and barbarians elsewhere in the world.

The Khazar king became so disgusted with the degeneracy of his kingdom that he decided to adopt a so-called monotheistic faith -- either Christianity, Islam, or what is known today as Judaism, which is really Talmudism. By spinning a top, and calling out "eeny, meeny, miney, moe," he picked out so-called Judaism. And that became the state religion.

He sent down to the Talmudic schools of Pumbedita and Sura and brought up thousands of rabbis, and opened up synagogues and schools, **and his people became what we call Jews**. There wasn't one of them who had an ancestor who ever put a toe in the Holy Land. Not only in Old Testament history, but back to the beginning of time. Not one of them! And yet they come to the Christians and ask us to support their armed insurrections in Palestine by saying, "**You want to help repatriate God's Chosen People to their Promised Land, their ancestral home, don't you? It's your Christian duty**. We gave you one of our boys as your Lord and Savior. You now go to church on Sunday, and you kneel and **you worship a Jew**, and we're Jews." But they are pagan Khazars who were converted just the same as the Irish were converted. It is as ridiculous to call them "people of the Holy Land," as it would be to call the 54 million Chinese Moslems "Arabs."

Mohammed only died in 620 A.D., and since then 54 million Chinese have accepted Islam as their religious belief. Now imagine, in China, 2,000 miles away from Arabia, from Mecca and Mohammed's birthplace. Imagine if the 54 million Chinese decided to call themselves "Arabs." You would say they were lunatics. Anyone who believes that those 54 million Chinese are Arabs must be crazy. All they did was adopt as a religious faith a belief that had its origin in Mecca, in Arabia. The same as the Irish. When the Irish became Christians, nobody dumped them in the ocean and imported to the Holy Land a new crop of inhabitants. They hadn't become a different people. They were the same people, but they had accepted Christianity as a religious faith.

These Khazars, these pagans, these Asiatics, these Turko-Finns, were a Mongoloid race who were forced out of Asia into eastern Europe. Because their king took the Talmudic faith, they had no choice in the matter. Just the same as in Spain: If the king was Catholic, everybody had to be a Catholic. If not, you had to get out of Spain. **So the Khazars became what we call today Jews**.

Now imagine how silly it was for the great Christian countries of the world to say, "We're going to use our power and prestige to repatriate God's Chosen People to their ancestral homeland, their Promised Land." Could there be a bigger lie than that?

Because they control the newspapers, the magazines, the radio, the television, the book publishing business, and because they have the ministers in the pulpit and the politicians on the soapboxes talking the same language, it is not too surprising that YOU BELIEVE THAT LIE. You'd believe black is white if you heard it often enough. You wouldn't call black black anymore -- you'd start to call black white. And nobody could blame you.

THAT IS ONE OF THE GREAT LIES OF HISTORY. It is the foundation of all the misery that has befallen the world.

Do you know what Jews do on the Day of Atonement, that you think is so sacred to them? I was one of them. This is not hearsay. I'm not here to be a rabble-rouser. I'm here to give you facts. When, on the Day of Atonement, you walk into a synagogue, you stand up for the very first prayer that you recite. It is the only prayer for which you stand. You

repeat three times a short prayer called the Kol Nidre. In that prayer, you enter into an agreement with God Almighty that any oath, vow, or pledge that you may make during the next twelve months shall be null and void. The oath shall not be an oath; the vow shall not be a vow; the pledge shall not be a pledge. They shall have no force or effect. And further, the Talmud teaches that whenever you take an oath, vow, or pledge, you are to remember the Kol Nidre prayer that you recited on the Day of Atonement, and you are exempted from fulfilling them. How much can you depend on their loyalty? You can depend upon their loyalty as much as the Germans depended upon it in 1916. We are going to suffer the same fate as Germany suffered, and for the same reason.

THE HIDDEN TYRANNY REVEALED

**A transcript of three AMERICAN DISSIDENT VOICES radio programs. For further information, write
National Vanguard Books, Box 330, Hillsboro WV 24946 USA**

Editor's note: Because of its importance for every patriot's understanding of American history, we offer this special transcript of the complete text of our three broadcasts based on Benjamin H. Freedman's *The Hidden Tyranny*. Mr. Freedman's writing style does not lend itself well to the medium of radio. Hence, I have edited some of his passages solely for the purpose of greater clarity. In a few cases I have corrected obvious typographical errors. I have rendered his clumsy phrase, Talmudists ('Jews'), simply as Talmudist Jews. In no case have I consciously changed his meaning. If there is sufficient interest and support, National Vanguard Books will reprint *The Hidden Tyranny* as a booklet, with the full and exact text as composed by Mr. Freedman. -- K. A. Strom

Program of 15th October, 1994: Today I am going to introduce to you a man whose insights and revelations are of the highest importance to the future of our nation and people, a man who is reviled and hated by the enemies of America, and a man who for over half a century was at the very center of the hidden power which created Communism and which now misrules the United States.

Benjamin H. Freedman was born in 1890, and, by an ironic twist of fate, the delivering physician at his birth was Dr. Simon Baruch, the father of arch-conspirator against America, Wall Street speculator, and advisor and handler of U.S. Presidents from World War I to 1965, Mr. Bernard M. Baruch. In Mr. Freedman's own words, writing during the years of the Nixon administration:

Mr. Bernard Baruch was a good friend of this author's family and would very often consult this author.... [I] have been in a position since 1912 to witness what was going on behind the scenes. This author served on the National Democratic Committee in the 1912 campaign that elected President Wilson to his first term. No doors have been closed to this author since then.

Benjamin Freedman was raised in a Jewish family and brought up in the Jewish religion. He lived in New York City, and was a wealthy and very successful businessman, eventually becoming the principal owner of the Woodbury Soap Company. He was a witness to and to some extent a participant in the political and financial manipulations that resulted

in the rise of Communism, the establishment of Israel as a Zionist state, and the Jewish domination of American politics and American media. As an agent of Jewish interests, he had access to and interviewed at length seven presidents of the United States.

After the end of the War to Impose the New World Order in 1945, Mr. Freedman became convinced that he had a responsibility to speak out. He had been an agent of, and privy to the councils of, the Judaeo-Communist apparatus which was at that time about to launch two of its greatest projects: the creation of a one-world government under the name United Nations, and the establishment of Israel as a Zionist state over the dead bodies of thousands of Palestinians. He had been concerned over the increasing power of his co-religionists, and their irresponsible use of that power, for some time. He broke with Judaism and became a convert to Catholicism. His scholarship and research in the field of Jewish origins led him to believe that the popular conceptions about Jews and Judaism were so manifestly false that the words themselves should be rejected. In his writings you will often find him referring to so-called or self-styled Jews or to Talmudists, meaning the followers of the Talmud, a holy book of modern Judaism.

In 1946 he founded the League for Peace and Justice in Palestine. Arnold Forster, a high official of the Anti-Defamation League of B'nai B'rith or ADL, in his 1988 autobiography Square One, called Benjamin Freedman an affluent, apostate, self-hating Jew. The magazine Commentary (published by the American Jewish Committee) for February, 1955, referred to him as Jewish anti-Semite Benjamin Freedman. Freedman himself stated in 1954:

The word anti-Semitism is another word which should be eliminated from the English language. [The word] anti-Semitism serves only one purpose today. It is used as a smear word. When so-called or self-styled Jews feel that anyone opposes any of their objectives they discredit their victims by applying the word anti-Semite or anti-Semitic through all the channels they have at their command and under their control. I can speak with great authority on that subject. Because so-called or self-styled Jews were unable to disprove my public statements in 1946 with regard to the situation in Palestine, they spent millions of dollars to smear me as an anti-Semite hoping thereby to discredit me in the eyes of the public who were very much interested in what I had to say. Until 1946 I was a little saint to all so-called or self-styled Jews. When I disagreed with them publicly on the Zionist intentions in Palestine I became suddenly Anti-Semite No. 1.

Benjamin H. Freedman was in truth a defector from the forces which have been working to destroy our Republic and our civilization. Let us see what he had to say. Today we will be exploring Mr. Freedman's amazing book The Hidden Tyranny, published in the early 1970s. The following are the words of Mr. Freedman:

The names of Presidents Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight D. Eisenhower, John F. Kennedy, Lyndon B. Johnson and Richard M. Nixon will certainly be found one day inscribed in big red letters in the official annals of the rise and fall of the United States. These seven masters of deception incurred their guilt by debasing their solemn oaths of office on behalf of undisclosed domestic and foreign principals without any apparent qualms or misgivings, to enhance their political fortunes totally oblivious to the threat to United States security and survival.

...The disclosures which follow here are now revealed for the first time anywhere. They now expose for the first time to the grass roots population of the United States the secret un-American, non-American, and anti-American strategy to which these seven masters of deception knowingly subscribed.

...Very early in their political careers, these seven masters of deception... acquired their proficient skill in detecting on which side their political bread was buttered. ...Throughout their political careers [they] demonstrated that political shrewdness invariably identified with the immoral dogma of 20th century politicians who preach and practice any means justifies all ends. Accordingly, future grass roots populations of the United States will one day find inscribed in the history of the rise and fall of the United States the verdict that the means ...advocated by these seven masters of deception were primarily responsible for the end of the United States.

It is today a well recognized fact of life in political circles in the United States that the censorship exercised by Zionists over the media for mass information constitutes a virtual monopoly. It is likewise today a well recognized fact of life in political circles in the United States since President Wilson won his first election in 1912 as President of the United

States, that elections in the United States are seldom won or lost today based upon the candidates' qualification for office. Elections in the United States since 1912 are won or lost on the battlefields of the media for mass information....

Zionist ownership of media for mass communication, or by Zionist control exercised by some devious corporate device, in effect and in fact censors the news and editorial policies of all the leading daily and Sunday newspapers, all the weekly and monthly news magazines, all leading radio and television stations and networks, the entire motion picture industry, the entire entertainment world and the entire book publishing industry, in effect and in fact the entire complex of media for mass information in the United States, truly a brainwashing monopoly.

As a result of that condition in the United States, for approximately the past fifty years the grass roots population of the United States has only read, heard and seen what passed Zionist censorship and best served Zionist objectives....

The Zionist-ruled media for mass information in the United States never informed the grass roots population... how and why President Woodrow Wilson lied the United States into the desperate predicament in which the United States now finds itself in the Middle East.

...The United States declared war against Germany on April 6, 1917. On April 2, 1917, President Wilson addressed both houses of Congress and pleaded with them to declare war against Germany. President Wilson's appeal to Congress... was primarily President Wilson's liquidation of his obligation to his blackmailers. The following incontestable facts confirm that conclusion beyond all question of any doubt.

President Wilson's hand trembled as he read his address. The members of Congress present had no reason to suspect why President Wilson's hand trembled. ...By the time President Wilson finished reading his appeal to Congress, many of his listeners were in tears but not for the reason the grass roots population of the United States today will be in tears when they finish reading this manuscript.

...Congress only declared war against Germany because President Wilson informed Congress that a German submarine had sunk the S.S. Sussex in the English channel in violation of international law and that United States citizens aboard the S.S. Sussex had perished with the ship.

After General Pershing's troops were fighting in Europe, the hoax was exposed. ...The S.S. Sussex had not been sunk and no United States citizens had lost their lives. The United States was now at war in Europe as Great Britain's ally. That is what Great Britain and the Talmudist Jews of the world conspired to achieve in their crooked diplomatic underworld.

The discovery of the hoax by the British Navy shocked many honorable Englishmen. ...The S.S. Sussex was available for anyone to visit who might care to do so to see the S.S. Sussex for themselves with their own eyes. In that war the United States mobilized 4,734,991 men to serve in the armed forces, of whom 115,516 were killed and 202,002 were either injured or maimed for life.

This author crossed the English Channel many times on the S.S. Sussex. The alleged sinking of the S.S. Sussex was the figment of an over-worked Zionist imagination.

Shortly after President Wilson's first inauguration, President Wilson received a visitor in the White House by [the name of] Mr. Samuel Untermyer. Mr. Untermyer was a prominent New York City attorney who contributed generously to the National Democratic Committee that installed President Wilson in the White House....

Mr. Untermyer surprised President Wilson when he finally stated what brought him to the White House. Mr. Untermyer informed President Wilson that he had been retained to bring a breach of promise action against President Wilson. Mr. Untermyer informed President Wilson that his client was willing to accept \$40,000 in lieu of commencing the breach of promise action. Mr. Untermyer's client was the former wife of a professor at Princeton University at the same time President Wilson was a professor at Princeton University.

Mr. Untermeyer produced a packet of letters from his pocket, written by President Wilson to his colleague's wife when they were neighbors at Princeton University. These letters established the illicit relationship which had existed between President Wilson and the wife of his colleague neighbor. President Wilson had written many endearing letters to the wife of his colleague, many of which she never destroyed. President Wilson acknowledged his authorship of the letters after examining a few of them.

President Wilson left Princeton University to become the Governor of New Jersey. In 1912 President Wilson was elected to his first term as President of the United States. In the interim, President Wilson's former sweetheart had divorced her husband and married again. Her second husband resided in Washington with a grown son who was in the employ of one of the leading banks in Washington.

Mr. Untermeyer explained to President Wilson that his former sweetheart was very fond of her husband's son. Mr. Untermeyer explained that this son was in financial trouble. This son suddenly needed \$40,000, as he told the story, to liquidate a pressing liability to the bank for which he worked. The details are not relevant here except that the son needed the \$40,000 badly and he needed it quickly. President Wilson's former sweetheart thought that President Wilson was the logical prospect for that \$40,000 to help her husband's son.

...President Wilson expressed himself as very fortunate that his former sweetheart went to Mr. Untermeyer to seek his assistance. The publicity could have proved very embarrassing to President Wilson if his former sweetheart had instead consulted a Republican attorney.

President Wilson quickly set Mr. Untermeyer's mind at rest by informing Mr. Untermeyer that he did not have \$40,000 available for any purpose. Mr. Untermeyer suggested that President Wilson should think the matter over....

Mr. Untermeyer returned to President Wilson a few days later as they had agreed. President Wilson did not hesitate to inform Mr. Untermeyer that he did not have the \$40,000 to pay his blackmailer. President Wilson appeared irritated. Mr. Untermeyer considered the matter a few moments and then volunteered a solution to President Wilson for his problem.

Mr. Untermeyer volunteered to give President Wilson's former sweetheart the \$40,000 out of his own pocket on one condition. Mr. Untermeyer's condition was that President Wilson promise Mr. Untermeyer to appoint to the first vacancy on the United States Supreme Court a nominee to be recommended to President Wilson by Mr. Untermeyer.

Without further talk, President Wilson accepted Mr. Untermeyer's generous offer. Mr. Untermeyer promptly paid \$40,000 in currency to President Wilson's former sweetheart. The contemplated breach of promise suit was never heard of after that. Mr. Untermeyer retained in his possession permanently the packet of letters.... President Wilson was most grateful to Mr. Untermeyer for everything he was doing to solve his problem.

Mr. Untermeyer was a man of great wealth. The law firm in New York of which Mr. Untermeyer was the leading partner, Messrs. Guggenheim, Untermeyer, and Marshall, is still today one of the nation's most prominent and prosperous law firms. Mr. Untermeyer organized the Bethlehem Steel Company for his friend Mr. Charles M. Schwab.

...Mr. Untermeyer paid \$40,000 ...out of his own pocket in the hope it might bring to pass a dream close to his heart, a Talmudist Jew on the United States Supreme Court where none ever served.

The day soon arrived when President Wilson was presented with the necessity of appointing a new member of the United States Supreme Court. Mr. Untermeyer recommended Louis Dembitz Brandeis for the vacancy. President Wilson immediately appointed him.... President Wilson and Justice Brandeis became unusually intimate friends. Justice Brandeis knew the circumstances of his appointment by President Wilson....

In 1914 Justice Brandeis was the most prominent and most politically influential of all Zionists in the United States.

...Justice Brandeis volunteered his opinion to President Wilson that the sinking of the S.S. Sussex by a German submarine in the English channel with the loss of lives of United States citizens justified the declaration of war against Germany by the United States. Relying to a great extent upon the legal opinion of Justice Brandeis, President Wilson... appealed to Congress to declare war against Germany and they did on April 6, 1917.

The declaration of war against Germany by the United States guaranteed [to] the Talmudist Jews throughout the world that Palestine was to be turned over to them upon the defeat of Germany. The defeat of Germany was certain if the United States could be railroaded into the war in Europe as Great Britain's ally.

Prior to the October 1916 London Agreement, Talmudist Jews throughout the world were pro-German. The German Emancipation Edict of 1822 guaranteed Talmudist Jews in Germany all civil rights enjoyed by Germans. ...Germany was the only country in Europe which did not place restrictions on Talmudist Jews....

Talmudist Jews throughout the world were informed by cable from London about the October 1916 London Agreement. That information transformed Talmudist Jews throughout the world from pro-German to pro-British. Great Britain placed at the disposal of Talmudist Jews in London their secret codes and worldwide cable facilities to inform Talmudist Jews throughout the world about Great Britain's pledge to turn over Palestine to them as compensation for railroading the United States into the war in Europe as Great Britain's ally....

On April 6, 1917, President Wilson and Justice Brandeis knew something the grass roots population of the United States did not know. [They] knew the declaration of war by the United States against Germany discharged President Wilson from his obligation to his blackmailers....

There was seldom any address made to Congress that stirred the people of the United States and the world, as President Wilson's April 2, 1917, plea to Congress to declare war against Germany. President Wilson was aware when he addressed Congress that Germany had not committed any act against the United States which justified a declaration of war.... This author at that time knew President Wilson was informed to that effect before President Wilson made his plea to Congress....

Ladies and gentlemen, what you have been listening to is an excerpt from Jewish author Benjamin H. Freedman's manuscript entitled The Hidden Tyranny. We will continue with more amazing revelations by Mr. Freedman of the inner workings of the power elite on our next American Dissident Voices program.

Won't you help us in our patriotic work? Americans are apathetic and confused because they are misinformed and do not understand the nature of the tyranny that is destroying our country and our way of life. Alone among patriotic groups, we dare to tell the whole truth which the American people need to hear. You can make a real contribution to the future of your children and grandchildren and countless generations yet to come by supporting this program -- to say nothing of the priceless education which you and your friends and family can receive.

But this program is not free. We are totally dependent on the support of patriots like you to keep it on the air. It costs money, a great deal of money, to pay for the airing of this program every week. And it takes a great deal of money to publish the unique books we offer which are available nowhere else because of the dead hand of censorship in this land. We have a list of vital books which we would like to publish, but must wait for the availability of the funds to do so. In my opinion, Benjamin Freedman's book, long out of print, deserves to see the light of day again. If you will help us with a donation of \$22 or more this week, I will send you a copy of our latest video tape featuring Dr. William Pierce, the Chairman of the National Alliance and a frequent speaker on this program. On this full color one-hour television program, recorded live in Richmond, Virginia, earlier this year, Dr. Pierce delves deeply into the political and social issues affecting White Americans, and answers live viewers' questions on a wide variety of topics. We offer this video as our Radio Offer Number 26, for any donation of \$22 or more to National Vanguard Books, Department R, PO Box 90, Hillsboro WV 24946 USA. Remember to tell us the call letters of this station when you write and remember to ask for Radio Offer Number 26. We are here for you. Will you be there for us, now, while we still have the freedom to speak? Until the next broadcast, this is Kevin Alfred Strom reminding you that equal men are not free.

Program of 22d October, 1994: Today we continue the amazing revelations of one of the most astounding individuals of the 20th century, a man whose memory and writings have been almost entirely obliterated from the consciousness of most Americans. I am speaking of Benjamin H. Freedman, a man who was from the period of World War I until 1946 a member of the Jewish financial establishment which during those years instigated and funded Communist revolutions, subverted the American government, and sent American boys to die in wars for Zionist and Communist objectives.

Benjamin H. Freedman was a defector. He defected to the American side. And his story deserves to be told. Being of Jewish birth, he cannot be smeared as an anti-Semite. And having been a wealthy insider and witness to the machinations of America's enemies, his insights are of the highest value to all who would understand how America has fallen so low.

On our last program, we detailed his revelations of how Woodrow Wilson was manipulated by organized Jewry to bring America into World War I. When the British Empire was in desperate straits during that war, Zionist Jews dangled before the British government the possibility of using their influence in the United States to bring America into the war on Britain's side. Their price was a promise from Britain to cede Palestine to the Zionists after the war. Using their knowledge of a sordid instance of adultery in Woodrow Wilson's past, they forced him to appoint a Jew to the United States Supreme Court and forced him to send hundreds of thousands of young American soldiers to be crippled and killed in a war that did not concern the United States at all. Let us continue with these revelations from an insider in a position to know. The following are the words of Benjamin H. Freedman:

In referring to the declaration of war against Germany by the United States, Sir Winston Churchill said in an interview with a prominent editor published in Scribner's Commentator in 1936....

"America should have minded her own business and stayed out of the World War. If you hadn't entered the war the Allies would have made peace with Germany in the Spring of 1917."

Germany's peace offer to Great Britain asked for neither indemnities nor reparations. Germany offered to restore the territorial status and political independence of every country with whom Great Britain was at war, as they existed in August 1914 when the war in Europe started. Germany demanded no benefits.

Germany's October 1916 peace offer was on the table before the British War Cabinet. Germany's... peace offer needed only one signature to end the war. Great Britain would have quickly accepted... if the World Zionist Organization had not interfered.....

When the British War Cabinet decided to accept Germany's October 1916 peace offer, the World Zionist Organization offered to railroad the United States into the war in Europe as Great Britain's ally if Great Britain promised the Talmudist Jews of the world Palestine as compensation after Germany's defeat....

Talmudist Jew pressure in London and Talmudist Jew pressure in New York prevailed. President Wilson had little choice in the matter it seemed. President Wilson was the captive of circumstances in his early life that could not be altered. President Wilson's April 2, 1917, address to Congress was about to decide the fate of the world.

...Germans regarded [these activities] as a double-cross by Talmudist Jews....

Talmudist Jews promise[d the] Germans victory, then stab[bed] them in the back....

The Kaiser provided the World Zionist Organization with the offices for their world headquarters in Berlin. The Kaiser, his family, and government officials were constantly extending assistance to Theodor Herzl [Note: Theodor Herzl, 1860-1904, was the founder of modern Zionism and the leader of the World Zionist Organization. -- Ed.]. Germany extended opportunities to Talmudist Jews not available in other European countries. The Kaiser himself arranged the personal meeting between the Sultan of the Ottoman Empire and Theodor Herzl.

Bleichroder and Company in Berlin were the private bankers of the Kaiser's family for generations. They were Talmudist Jews. Warburg and Company of Hamburg were the world's largest merchant bankers. They were Talmudist Jews. The head of the German General Electric Company, then the world's largest industrial enterprise, was a Talmudist Jew.

The attitude of Germans toward Talmudist Jews in Germany and throughout the world worsened much after the October 1916 stab in the back....

Talmudist Jews throughout the world made bad matters worse on August 7, 1933, when [they] declared their holy war to destroy the German nation by destroying their export trade upon which their very existence depends. Under the leadership of Mr. Samuel Untermyer, Talmudist Jews of the world declared a boycott on all German goods and services. They asked their Christian friends to join their worldwide boycott....

Mr. Samuel Untermyer arranged for the International Boycott Conference in Amsterdam in July 1933. Mr. Untermyer was elected there the president of the World Jewish Economic Federation.....

The New York Times of August 7, 1933, published the Talmudist Jews' declaration of their holy war against Germany in a three-column report of Mr. Untermyer's address to the nation from Columbia Broadcasting Company's studio on the night of his arrival home from Europe. Mr. Untermyer among other things stated:

" [The] holy war in which we are embarked... is a war which must be waged unremittingly....

" ...the Jews are the aristocrats of the world....

"...[This] economic boycott against all German goods, shipping, and services... is our only really effective weapon... [to] bring the German people to their senses by destroying their export trade on which their very existence depends... we shall force them to learn... we will drive the last nail in the coffin...."

This statement was made on August 7, 1933, when not a hair on the head of a Talmudist Jew in all Germany had been touched. Germany was plunged into a depression difficult to describe in a few words, Germany's export business suddenly ending as if by magic. Talmudist Jews hoped [in] that way to stop Germans from continuing to talk about why they lost the war.

The eminent Rabbi Maurice L. Perlman, head of the British section of the World Jewish Congress, stated to a Canadian audience as reported by the Toronto Evening Telegram of February 26, 1940, that The World Jewish Congress has been at war with Germany for seven years.

President Roosevelt was a captive of the Talmudist Jews from the time he went to Albany as Governor of the State of New York. ...President Roosevelt railroaded the United States into the Second World War.

Germany and Poland had agreed upon a formula giving Germany access across the Danzig Corridor. President Wilson in 1919 created the Danzig Corridor which separated Germany into two halves... separated by a strip of German territory granted to Poland ...in order to keep Germany weak... at the instigation of Talmudist Jews at the Versailles Peace Conference....

Crossing the Danzig Corridor from western Germany to eastern Germany or vice versa was like traveling from one country to another country. [Due to] the inconveniences, the delays and annoyances, Germany and Poland had finally worked out their acceptable arrangement that eliminated a majority of German objections to the Danzig Corridor. Germany and Poland reached a basis that would serve to prevent Germany's resort to more aggressive action.

Adolf Hitler was the head of the German government at the time. Talmudist Jews throughout the world opposed the peaceful adjustment between Germany and Poland of the Danzig Corridor situation. Unrestricted access of traffic

between the western half and eastern half of Germany would soon make Germany again the most powerful country in the world. Talmudist Jews throughout the world dreaded the thought.

Shortly before the agreement with Germany was to be signed, Poland secretly signed a treaty with Great Britain dated August 25, 1939. Great Britain agreed in that treaty to hasten to the military assistance of Poland ...if Poland were attacked by Germany. With that assurance from Great Britain, Poland broke off negotiations with Germany. Germany did not understand the reason for Poland's sudden change of mind and decided to proceed with the terms of arrangement agreed upon with Poland. That was the start of World War II.

Great Britain knowingly deceived Poland when [they] promised military assistance.... Great Britain could not come to Poland's assistance and Great Britain knew it when [the] offer of military assistance... was made.

Poland's unexplained discontinuance of negotiations with Germany to complete the Danzig Corridor agreement resulted in Germany's troops moving into the Danzig Corridor without an agreement with Poland. Great Britain knew exactly what would take place in that event, that it would mean the beginning of World War II. The rest is history. Talmudist Jews of the world welcomed a war against Germany in 1939....

President Roosevelt tried his hardest in 1939 to railroad the United States into the war in Europe to accommodate Talmudist Jews in the United States. Germany learned by experience in World War I that the entry of the United States into the war in Europe in 1939 could prove equally disastrous to Germany.... Germany exercised extraordinary caution not to provide the United States with justification under international law to declare war against Germany. That situation presented President Roosevelt with a problem.

President Roosevelt decided if it were impossible for him to get into the war in Europe through the front door that he would railroad the United States into the war in Europe through the back door. Through the back door meant through Japan.

...Germany and Japan had a treaty under which if either Germany or Japan were attacked by a third power, the country which was not attacked by the third power automatically is at war with that third power. President Roosevelt planned to provoke Japan so Japan would attack the United States. Japan in December 1941 attacked Pearl Harbor. The United States immediately declared war against Japan and automatically was at war with Germany.

The personal diary of the Honorable Mr. Henry L. Stimson and all his papers are in Yale University library. Mr. Stimson each day entered in his personal diary in his own handwriting the important events in his life that day. Mr. Stimson was President Roosevelt's Secretary of War. Mr. Stimson's diary was introduced as evidence in the United States Senate investigation of the Pearl Harbor attack by Japan over the strong objections of friends of President Roosevelt.

Mr. Stimson entered in his diary on November 25, 1941, two weeks before Japan's attack on Pearl Harbor, that at a meeting with President Roosevelt and his Cabinet that morning at the White House, President Roosevelt told those present that he wished to be at war against Japan but that he did not want it to appear that the United States fired the first shot.

...President Roosevelt advised Japan they could purchase no more steel scrap or oil from the United States. Japan was in the midst of a war against China. Without scrap steel and without oil Japan would be unable to continue that war. Japan was totally dependent upon the United States for both steel scrap and oil. ...President Roosevelt knowingly provoked Japan to attack the United States.

President Harry S. Truman made his great contribution to the desperate predicament in which the United States today finds itself in the Middle East when he recognized as a sovereign state an armed uprising in Palestine by 800,000 armed aliens transplanted into Palestine in a conspiracy organized by Talmudist Jews throughout the world. President Truman in 1946 suffered from a pathological obsession that he must be elected President of the United States in 1948 on his own account.

Mr. Clark M. Clifford [Note: Clark M. Clifford, 1907- , attorney (Clifford and Warnke) and tired old establishment war horse, was the architect of Truman's 1948 campaign and himself a strong advocate of recognizing Israel. He also co-wrote the National Security Act, which created the Central Intelligence Agency; organized the transition between the Eisenhower and Kennedy administrations; and, until succeeded by Nicholas Katzenbach in 1991, was chairman of First American Bankshares, which had links to the infamous Bank of Credit and Commerce International (BCCI). He defended BCCI twice; in 1978 against the SEC regarding BCCI's takeover of Financial General Bankshares; and in 1989 against drug-related money-laundering charges in Florida. In the latter case, BCCI paid a \$15 million fine; Clifford's retainer was \$45.3 million. On July 29, 1992, Clifford was indicted on ten counts by a federal grand jury for his involvement in the BCCI affair. -- Ed.], Secretary of Defense under President Lyndon B. Johnson, deserves a great deal of credit for the recognition of the State of Israel on May 14, 1948, by the United States. Mr. Eliahu Epstein, the United States representative of the Jewish Agency in Washington in 1948, told the story in his three page article in the Jewish Chronicle of London in its 10th Anniversary issue... celebrating the founding of the State of Israel.

Mr. Clifford undoubtedly was anxious to help because President Truman had confided in his close friends that he wished to recognize the Zionist state in the first hour of its birth as he did. The State of Israel was officially proclaimed in Tel Aviv at midnight on May 14, 1948. President Truman recognized the State of Israel eleven minutes after midnight.

President Truman finally advised this author that he did not wish to carry on the discussion of the Zionist question with him any further. He wrote to this author that he had turned over the entire Palestine question to the Honorable David Niles. Talmudist Jews were willing to carry out their part of the bargain with President Truman.... Although the odds in President Truman's election were 20 to 1 against his election, President Truman romped home the winner over Governor Dewey assisted by the invisible and invincible Zionist political steam-roller that always elects their candidates.

President Truman not only used the power and prestige of the United States to compel the United Nations to admit the State of Israel as a peace loving nation... but he made billions of United States taxpayer dollars available to Talmudist Jews to make the State of Israel powerful.

When the day to vote for the admission of the State of Israel arrived, they were short two votes.

The plan was about to collapse. In the emergency Mr. Charles H. Silver engaged Cardinal Spellman to make two trips to South America to change their votes in the United Nations....

The newspapers around the world on June 11, 1964, published Mr. Silver's confession of a secret I have kept for fifteen years. The secret Cardinal Spellman kept with Mr. Silver was that Cardinal Spellman was sent to South America by Mr. Silver on behalf of the Talmudist Jews in New York....

This author was a close personal friend of Cardinal Spellman for twenty-five years. Cardinal Spellman confessed to this author several years ago that he felt he had committed an irreparable sin by conspiring with the Talmudist Jews... to elect the State of Israel as a member of the United Nations. In the midst of that bloody fighting in the Middle East in June 1967, Cardinal Spellman told this author when alone with him in his study that he felt personally responsible for all the lives lost in the 1967 invasion of the United Arab Republic and Syria by the State of Israel.

You have been listening to the words of Jewish author Benjamin H. Freedman, a few excerpts from his hard-to-find manuscript *The Hidden Tyranny*. Mr. Freedman, who was born in 1890, was a witness to Zionist machinations for decades at the very highest level, but after the Judaeo-Communist victory in 1945 he became disgusted with the chicanery of his co-racialists and broke with the Jewish elite, and spent a substantial portion of his sizable fortune in an attempt to bring the truth to Americans. If you are curious why this Jewish author, Benjamin Freedman, invariably uses the term Talmudist Jews, you'll have to tune in to our next program.

Won't you please support our efforts to bring these hidden truths to the American people?

America is today an occupied nation, a victim of the ruthless aliens whose activities we detailed today. As a result of the control of our institutions and our media by these aliens, Americans have been conditioned to accept a moral code in which anything that tends to the extinction of our race is considered good, and anything which tends to our survival is regarded as evil. The situation we face is an emergency, and we must unite for the survival of our kind and the nation our forefathers bled and died for.

Our only chance for success is if the concerned Americans who are hearing my voice, who know that our nation has been on the wrong track for many years, will reach out to us, and respond to the opportunities for patriotic education and action which we offer. The window of truly free speech opened in 1776 may soon be closing if the present rulers of America have their way. If that happens, then all patriotic resistance will have to be underground resistance. If you will do nothing now, how likely is it that you will act when the Iron Curtain has completely descended? I ask all those who are made of the stuff with which this nation was formed to write to me today and join our crusade for truth.

Despite the fact that our nation is being bled white by foreign aid to Israel, the new Communist Haiti and Communist South Africa, and other foreign tyrannies; despite the fact that our people have been demoralized by anti-White propaganda lies on their televisions and in their newspapers every day for over a quarter century; despite the fact that the burden of supporting the growing non-White underclass has drained the American people of so much money that it would buy and rebuild the 500 largest corporations in the country with money to spare; despite all these things, the genius and hard work of our people have created the most advanced civilization ever to exist on this planet and so far as we know, possibly in the universe. Imagine what we could achieve if we regained our freedom, the freedom to be ourselves.

I'll leave you with that thought. We can achieve such a future. It is up to you. If you will educate yourself and awaken others of your acquaintance, you will make that possible future a reality. Of course, if you are satisfied with the present course of our nation, you need do nothing. Those of you who are still with me, I ask you tonight to send for our Radio Offer Number 4. It is the equivalent of a graduate course in history and modern political and social realities. One of our new supporters wrote and told me that after receiving this book, he found it to be more enlightening than all his graduate and post-graduate courses in history and political science combined. The book I am speaking of is entitled *The Best of Attack and National Vanguard* and it is a collection of the very best articles from our patriotic newspaper from over a twelve-year period. This is no ordinary book. Its 217 illustrated, newspaper-sized pages are filled with meticulously documented facts which the enemies of our nation most definitely do not want you to read. If you have the courage to examine what it has been our life's work to bring to light, then send a gift of \$25 or more to keep this program on the air, and ask for our Radio Offer Number 4. Our address is National Vanguard Books, Department R, PO Box 90, Hillsboro WV 24946 USA. Remember to give us the call letters of this radio station when you write, and remember to ask for Radio Offer Number 4.

Until next time, this is Kevin Alfred Strom reminding you that freedom is not free.

Program of 29th October, 1994: Welcome to the third and final installment of our series on the amazing revelations of that insider to the forces which are destroying the United States of America, that insider who broke with those forces and exposed their machinations, Jewish financier and writer Benjamin H. Freedman.

We have been following the revelations of Mr. Freedman from his hard-to-find manuscript *The Hidden Tyranny* which details the means by which seven Presidents of the United States -- Wilson, Franklin Roosevelt, Truman, Eisenhower, Kennedy, Johnson, and Nixon -- betrayed the American people to Zionist interests. Remember that Benjamin Freedman was more than just an historian researching these facts among the dry documents of yesterday -- he was a participant in history, and he was personally acquainted with Zionist leaders and every one of the seven Presidents whose actions he chronicles. Today we pick up this important document where we left off on our last broadcast. Remember as you hear these words that this document was written in 1971. The following are the words of Benjamin Freedman:

The story of how President Dwight D. Eisenhower lied the United States into the desperate predicament in which the United States today finds itself in the Middle East is not a complicated story. Talmudist Jews in the United States pressured President Eisenhower into sponsoring... House Joint Resolution 117 on January 5, 1957. President

Eisenhower knew less about what he was then doing than a new born babe. It was pitiful for this author to witness a great General being figuratively pushed around by Talmudist Jews unfit to shine his shoes.

President Eisenhower was always friendly towards this author. This author met President Eisenhower when he was being considered by Mr. Thomas M. Watson, Sr. as a Presidential candidate on the Democratic ticket. Mr. Watson was the founder of the International Business Machines Company. Mr. Watson told this author at that time that he believed General Eisenhower as a civilian would make a great president.

As President of the United States, General Eisenhower was faithful to [the] Talmudist Jew supporters whose friendship he first cultivated in Europe during his political activities in Germany after the end of World War II.... Talmudist Jews knew that as President of the United States, General Eisenhower in their hands would be like clay in the hands of the potter.

In 1956 it appeared that the Middle East countries were undergoing changes in their governments. The Zionist illegal occupation of Palestine still existed. Populations in Middle East countries were growing restless. Talmudist Jews recognized that something must be done to silence the unrest. President Eisenhower obliged....

Lebanon is the heart of Middle East political activity. To nip action in the bud, by native populations aiming to assert their independence from domination by Talmudist Jews, Talmudist Jews arranged with President Eisenhower to occupy Lebanon with 14,000 troops and to station the Sixth Fleet off the coast. To make it legal Talmudist Jews had Congress pass a Joint Resolution like the Tonkin Bay Resolution passed by Congress to legalize the war in Viet Nam.

Present Eisenhower... satisfied Talmudist Jews in the United States at the expense of United States taxpayers. President Eisenhower was warning the Middle East nations not to attempt to regain Palestine from the Zionists....

President Eisenhower... had a consortium of the smartest Talmudist Jews in the State, Defense, and Justice Departments prepare that Joint Resolution. The intent of [its] unclear language is to conceal the purpose of the Joint Resolution, not to explain its purpose. The purpose was to have a Joint Resolution on record that would permit President Eisenhower to use the United States armed forces and navy to aid and abet the Zionist thieves to hold onto their stolen loot without any necessity to ask Congress to declare war.

Every word President Eisenhower uttered to defend the crooks in occupation of Palestine was a lie which contributed to the desperate predicament in which the United States today finds itself.... Talmudist Jews in the United States were able to camouflage their illegal aggression in the Middle East behind the glamour of President Eisenhower's record as a great soldier.

The story of how President John F. Kennedy lied the United States into the desperate predicament in which the United States today finds itself in the Middle East is very distressing. President Kennedy's future was uncertain after digressing on August 25, 1960, from the straight and narrow path he had followed all his life.

President Kennedy could not escape the consequences of his betrayal of the high principles to which he aimed to dedicate his life. President Kennedy surrendered to the lure of Talmudist Jews who pledged to put him in the White House as the President of the United States.

On August 23, 1960, in the United States Senate Office Building in Washington, President Kennedy, at that time a Senator, gave this author a copy of the address he was to deliver in New York City on August 25, 1960. In the copy of that address which he gave this author... President Kennedy stated among other things:

"Israel is here to stay...[Israel] will endure and flourish [and there is] a special obligation on the Democratic Party.... It was President Truman who first recognized the new State of Israel and gave it status in world affairs.... [It is] my hope and my pledge to continue this Democratic tradition.... if the Democratic platform is to have any meaning the White House must take the lead.... American intervention... will not now be easy... I propose that we make it crystal clear...

we will act promptly and decisively.... ...our guarantee [is that] we will act with whatever force and speed are necessary...."

Senator Kennedy was giving Talmudist Jews his pledge that as the President of the United States he would send sons, husbands, and brothers of the grass roots population of the United States to fight in Palestine... to aid and abet thieves retain possession of their stolen plunder.

This author met President Kennedy for the first time in his father's office at 230 Park Avenue, in New York City, on the day after he was elected for the first time as a Congressman in November 1946. This author was in a conference with Ambassador Joseph Kennedy and Judge Landis, an associate of Ambassador Kennedy. In his private office they were consulting this author on the Middle East situation which had recently taken an ugly turn in the United Nations.

Suddenly the door to the private office flew open and in came the new Congressman. Congressman Kennedy was on his way from Boston to Washington and burst into his father's office bubbling with enthusiasm. Ambassador Kennedy introduced this author to the new Congressman and advised his son that he would do well to keep in touch with this author as a source of information he would need soon on the Palestine question.

Ambassador Kennedy discussed the subject matter for a short while with those present. The Congressman then asked to leave as he was catching a train for Washington. This author invited the Congressman to lunch and he accepted. After lunch Congressman Kennedy asked if this author had nothing else to do than ride to Washington with him on the train. This author was willing and rode to Washington with him.

From that day in November 1946 to August 23, 1960, this author saw the Congressman, and [later] Senator, countless times at his office in Washington and New York City. This author was happy to enlighten Senator Kennedy on the Palestine question. Without a doubt there were soon few people in the world who were better informed on this subject than Senator Kennedy.

In the fourteen years this author had the honor of enjoying the confidence of President Kennedy he never failed to express his appreciation for this author's interest in his career. President Kennedy also appreciated the friendship this author demonstrated for his father, Ambassador Kennedy. Ambassador Kennedy was blackmailed by President Roosevelt. President Roosevelt told Ambassador Kennedy not to write the book Ambassador Kennedy planned to write. President Roosevelt removed Ambassador Kennedy as Ambassador to the Court of St. James in London for circulating what Neville Chamberlain told Ambassador Kennedy in London in 1938.

...Neville Chamberlain told him that the United States and Talmudist Jews throughout the world [were forcing] Great Britain into... war. Chamberlain also told Ambassador Kennedy in 1938 that Great Britain had nothing with which to fight Germany, [and] that Great Britain should not risk going to war against Germany....

President Roosevelt recalled Ambassador Kennedy to silence him. Ambassador Kennedy planned... to write a book telling what he knew.... President Roosevelt sent for Ambassador Kennedy upon his return to the United States.... [He] told... Kennedy he had heard Ambassador Kennedy was planning to write a book which he asked him not to do.

After Ambassador Kennedy's unpleasant meeting with President Roosevelt in Washington, after his recall from London for daring to circulate what Chamberlain had told him about Talmudist Jews, Ambassador Kennedy's ambition in life was to see one of his sons in the White House as President of the United States.

The story of how President Lyndon Baines Johnson lied the United States in the desperate predicament in which the United States today finds itself in the Middle East is not a long story. It commences with a telephone call to this author in New York from Congressman Ed Gosset in Washington to come there at once. Congressman Gosset represented Amarillo, Texas in the House of Representatives.

Congressman Gosset was alarmed that the Senate Armed Services Committee the day before confirmed the appointment of Anna M. Rosenberg as Assistant Secretary of Defense without a public hearing....

Congressman Gosset took this author to Senator Johnson's office and explained to him the reason for the visit. Senator Johnson was a member of the Senate Armed Services Committee.... Senator Johnson was very much interested in learning about Anna Rosenberg's associations with communists.

Senator Johnson asked this author if he would assist him in looking into the matter further by producing a communist who knew Anna Rosenberg. Upon this author's return to New York that day, he mentioned Senator Johnson's request to his attorney, Mr. Hallam Richardson. Within a few hours, Mr. Richardson produced Mr. Ralph de Sola, a prominent Communist, the head of film photography of documents by communist organizations in the United States.

...In this author's meetings with Senator Johnson, this author had the occasion to discuss the Palestine question with him. Senator Johnson was very interested in the Palestine question. That subject was of great interest to the Senate Armed Services Committee....

As President of the United States, President Johnson was aware of the possibility of armed conflict in the Middle East in which the United States might become involved. President Johnson understood the power Talmudist Jews exerted in the United States and in the United Nations. One of his closest friends in Washington was Mr. Abe Fortas, a prominent Zionist, whom President Johnson appointed to the Supreme Court.

President Johnson knew he was violating the letter and spirit of his oath of office as the President of all the people of the United States when he filled the pipelines of the State of Israel with munitions of war paid for with the money of ...taxpayers in the United States. President Johnson cannot plead ignorance of the facts. Through a very close mutual friend, this author kept President Johnson constantly informed on developments in the Middle East.

...President Johnson now seeks to justify his generosity with United States taxpayers' money by referring to a commitment. President Johnson knows that he is in error. The only commitment the taxpayers in the United States recognize is President Johnson's commitment to serve the best interests of the grass roots population of the United States.

President Nixon is as guilty as the other six masters of deception who lied the United States into the desperate predicament in which the United States today finds itself in the Middle East. President Nixon is both an eminent lawyer and President of the United States.

President Nixon cannot produce any evidence of a legitimate commitment to anyone to support President Nixon's generous use of United States taxpayers' money for financing the permanent possession by thieves of their stolen loot. Does President Nixon mean the commitment by political leaders to the Talmudist Jews in the United States who control the media for mass information?

President Nixon belittles himself as well as the United States administration for whom he speaks when he talks about a commitment of the United States to underwrite the perpetual possession of the illegal and immoral theft of Palestine by Talmudist Jews. President Nixon's generosity has reached epidemic proportions. Each of the additional five hundred million dollars of United States taxpayers' money President Nixon donates to the so-called State of Israel are that many more nails in the coffin of the United States.

These seven masters of deception mock the elementary and equitable principles upon which the United States was founded when they throw hard-earned United States taxpayers' dollars by the billions to criminals in possession of their stolen loot as if it were stage money. Have they no shame or conscience?

This author has had the patience and the time to inform seven Presidents of the United States about the underlying reason for Middle East aggression by the Talmudist Jews throughout the world. These seven masters of deception were all briefed by this author on the reason for the aggression in Palestine. This author spent a small fortune acquainting members of Congress and political and industrial leaders in the United States with all these facts, supplying them with photostat reproductions of documentary evidence to support every statement made by this author.

If the Talmudist Jews of the world say they are willing to see another world war fought to establish God's chosen people in their promised land to rule the world from Palestine, then it is time to tell the grass roots of the United States population what all the excitement is about. This issue must be dragged into the light for the grass roots of the population of the United States to see why they are expected to die in a nuclear war with a smile on their face.

The time is growing late.... This author pleads with readers of this manuscript to purchase as many copies as their means will permit, to be circulated by them where they believe this information is needed and necessary. Sacrifice some little luxury, or even a necessity to purchase as many copies as possible. The truth contained in this manuscript can save America and the world. Let the readers resolve to put [this information] in the hands of every knowledgeable person of his acquaintance.

You have been listening to Jewish author Benjamin Freedman's manuscript *The Hidden Tyranny*, an expose of the covert power behind the facade of seven Presidents and administrations in this country.

On the last program, I mentioned the fact that Mr. Freedman constantly refers to members of the Jewish establishment as Talmudist Jews. He is undoubtedly drawing a distinction between those Jews like himself who reject the teachings of the Jewish holy book, the Talmud, and those who accept such teachings. I have only a few minutes left on the program today, so I haven't time for a full treatment of the subject which will have to wait for a future program, but Mr. Freedman explains himself fully on the matter in his 1954 book, *Facts Are Facts*. In essence, this second blockbuster by Mr. Freedman exposes the repugnant and anti-Gentile passages in this supposed holy book, the reverence of which is probably both a consequence and a cause of the aggressive mentality of organized Jewry. I will quote a few passages in a moment and some of them are shocking. Children and sensitive adults should turn off their radios now.

What is the Talmud? According to Rabbi Morris M. Kertznar "The Talmud consists of 63 books of legal, ethical, and historical writings of the ancient rabbis. ...It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis."

The Talmud contains sanction of shocking sexual perversions. In Kethuboth 11a to 11b, the Talmud says:

When a grown up man has intercourse with a little girl, it is nothing, for when the girl is less than this [less than three years old] it is as if one puts the finger in the eye [tears come to the eyes again and again, so does virginity come back to the little girl under three years...] [Note: Items in brackets in Talmud extracts are notes in the original text. -- Ed.]

In the book Yebamoth 60b, the Talmud states:

There was a certain town in the land of Israel, the legitimacy of whose inhabitants was disputed, and Rabbi sent Rabbi Ramanos who conducted an enquiry and found in it the daughter of a proselyte who was under the age of three years and one day, and Rabbi declared her eligible to live with a priest, [and was married to a priest.]

That is one of many perverted passages. More than anything else, the shocking thing about the Talmud is its teaching of hatred toward all non-Jews. One passage even calls for the death of any Gentile who would read it or reveal its secrets. Benjamin Freedman's *Facts Are Facts* lists well over 100 anti-Gentile and anti-Christian passages in the Talmud, including accusations that non-Jews have sexual relations with animals; that only Jews are truly men while all other peoples are beasts in human form; that it is permitted to lie to us or kill us with impunity; that we exist only to serve the Chosen People; that our birth rate must be reduced materially; that we may not be saved by a Jew even if we are in danger of death; and that even the best among us should be killed.

The Talmud is truly of work of hatred. Strange indeed that it should come from a people whose leadership likes to pose as opponents of hatred as defined by them. Not so strange that Benjamin Freedman used the term Talmudist Jews to distinguish such persons from those Jews, like himself, who rejected the creed of the Talmud, from which poisoned soil grew Communism and Zionism.

If you would like a cassette copy of this three-program series containing the astounding revelations of Mr. Freedman, entitled *The Hidden Tyranny Revealed*, just send a donation of \$12 or more and ask for Radio Offer Number 32. Normally, our program tapes are offered for a gift of \$12 or more per program, but like our three-part series on Senator Joseph McCarthy, I believe that this information is so important that I want as many of you as possible to get this tape. I want you play it for your friends and family, and I want every one of you who can hear my voice to become an ambassador for the truth and multiply my efforts ten or a hundred fold. Just send a donation of as much as you can afford to keep this unique truth-telling program on the air, a minimum of \$12, and ask for Radio Offer Number 32. You'll receive all three programs containing Benjamin Freedman's revelations on a C-90 cassette, entitled *The Hidden Tyranny Revealed*. Just send \$12 or more to National Vanguard Books, Department R, PO Box 90, Hillsboro WV 24946 USA and ask for Radio Offer Number 32.

Until the next time, this is Kevin Alfred Strom reminding you that free men are not equal.

HOW THE WORLD GOVERNMENT RULES THE NATIONS

European-American Evangelistic Crusades, Inc.

July 1999 Newsletter

John S. Torell

In my June 1999 newsletter, I disclosed that the Russian revolution was in reality a Jewish Zionist takeover of Russia. I am sure this must have shocked some of the readers, who have little historical knowledge. In order to correct this possible lack of knowledge, I will use this month's newsletter to inform you more about this matter.

HOW THE WORLD GOVERNMENT RULES THE NATIONS

For many years, how the World Government rules the nations has been a secret that I have not been able to discover. I have been able to understand the moves of this secret ruling elite, but no one outside of their circles has been able to understand how national governments can be forced to turn against themselves and do the bidding of these evil people.

During the last two years a number of books have come into my possession, including documents from different places in the world. The books have been written by different kinds of people, a number of them are Jewish and their books are only distributed in Jewish circles, and not available to Gentiles. Others are strongly antiCommunistic, having access to earlier closed records in the Soviet Union and in former East European communist nations. Then there are written records by former government officials and intelligence officers, who have used declassified records to tell the world what really happened behind the scenes during the last few hundred years. There is also the work of historical scholars, who have spent a lifetime digging up the facts and presenting them in book form.

It has taken me some 27 years of research, and then praying over the information, before I have come to what I consider, THE MOST DANGEROUS TRUTH OF WHICH TO HAVE KNOWLEDGE! God has strongly impressed upon me that the believers in Christ must have access to this knowledge, as we are rapidly moving to the time in which the Antichrist will reign.

DOES THE BIBLE SUPPORT THE IDEA OF A WORLD GOVERNMENT?

Any born again believer in Christ, who reads the Bible from Genesis to the book of Revelation, cannot escape the teaching that God has written down. God has told us in the Bible, that someday before Jesus comes back to the earth, there will be a period when the earth shall be ruled by Satan himself, through a man who is called "*The Beast, The Son of Perdition, the Man of Sin, the Wicked, the Antichrist, the Abomination of Desolation, and a Vile Person.*"

God began to speak to the prophet Daniel about this coming time on the earth some 550 years before Christ ([Daniel 11:21-39](#)). From the writings of Daniel we are given some insight on this last world ruler. He will be of Jewish descent and a practicing homosexual. Jesus tells us that this wicked ruler shall descend upon Jerusalem, and that he will occupy a Jewish temple in that city ([Matthew 24:1-24](#)). This is detailed by the apostle Paul in [II Thessalonians 2:1-12](#). Since the temple in Jerusalem that Jesus visited when he walked in the flesh on the earth was destroyed in 70 AD, we know that one of the signs of the Antichrist will be that a new Jewish temple will once more be built in Jerusalem.

The kingdom of the Antichrist will be a political alliance of many nations that will give their power to this evil man ([Revelation 17:1-18](#)). Its financial strength will come from global trading ([Revelation 18:23](#)). The Man of Sin will receive his power from Satan, he will use war to enforce his rule; he will mandate Satan worship as the state religion and there will be total control over all business so that no human being can buy or sell without having taken the mark of the Beast in their forehead or right hand ([Revelation 13:1-18](#)).

Knowing these facts from the Bible, we can now set forth the following definitions for the kingdom of the Antichrist:

- Its leadership and core group must be Jewish.
- They must be able to have their own people in all nations of the world.
- They must have physical political control over the land of Israel.
- They must be working on world control over all commerce.
- They must be working on world control over all banking.
- Somehow they must be able to rule the leaders of all nations in the world.
- They must be working to merge all religions in the world into one mega religion.
- They will be very hostile to true believers of Christ.
- They must develop a military force which no nation can resist and still survive.
- Food, energy, water, clothing and shelter must be controlled by the forces of the antichrist before they can have control over all people on the earth.

HOW MANY PEOPLE ARE WAITING FOR A MESSIAH?

Most people become emotionally hysterical when the subject of the Jewish people is discussed. Great fear of being "ANTISEMITIC" rolls over the Christians, and they begin to shudder and flee. This is exactly what you have been programmed to feel through the public schools and the media. Asking questions and studying the Bible does not make any person anti-Semitic. As Christians, we should study the Word of God and learn the truth.

There are only two types of people on the earth who believe in the concept of a Messiah. First, the Jewish people have believed this and have been waiting for the Messiah since the day of Abraham. Secondly, the Christians, who are the spiritual children of Abraham, have been waiting, ever since Jesus walked on the earth, for their Messiah, Jesus, the son of Mary, to come back. What is the difference between the two groups?

When Jesus was born on the earth some 2000 years ago, he was rejected by the Jewish leadership as the Messiah and crucified. His Jewish disciples believed that he was the Messiah, and when he was resurrected on the third day after his

death on the cross, the Christian church was born. Thousands upon thousands of Jews living at that time believed that Jesus was the son of God, the Messiah, and they were converted to the Christian faith. Later these Jews spread their faith into other nations, thus bringing the Gentiles into the Christian church.

Judaism, as a religion, is teaching its people that the Messiah they are waiting for is:

- A. Going to be a World Dictator who will set up his throne in Jerusalem and that only Jews are going to be in charge in his kingdom.
- B. Has only come to save Jews and make them, as a nation, world rulers over all Gentile nations.
- C. Will make slaves of the Gentiles whose task in the kingdom will be to serve the Jews.

Christianity teaches that Jesus is the Messiah who first came into the world as the "SUFFERING SERVANT" and who came to die for the sins of all people in the world. Jesus is a Messiah to all nations on the earth, including the Jews. Christians are now waiting for Jesus to return and set up his reign in Jerusalem, but his kingdom will consist of all believers. At that time Jesus will not arrive as a Suffering Servant, but as the King of kings and Lord of lords, and he will take control over all nations, which he shall rule with a "rod of iron." ([Revelation 19:15](#))

Judaism is divided up into many groups, just like the Christians are. Orthodox Jews believe that the Messiah is going to come in his own divine power and set up the kingdom. Reform or Conservative Judaism does not really believe that there will be a Messiah. Cabalistic Jews believe that there will be a Messiah, but that he can only come if the Cabalistic Jews prepare the way for him.

Most Christians believe that Jesus will not need any help from them to return, but that he shall return with divine power when the appointed time is here.

WHICH GROUP IS PREPARING FOR THE ANTICHRIST?

Jews in general do not believe in an Antichrist, despite what the prophet Daniel said. This teaching about an Antichrist is strongly revealed in the New Testament of the Bible, and it is clearly stated in the first letter of John:

Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. Hereby know you the Spirit of God: Every spirit that confesses that Jesus Christ is come in the flesh is of God: And every spirit that confesses not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof you have heard that it should come; and even now already is it in the world. I John 4:1-3

If you are a born again believer in Christ and believe that the New Testament is part of the Bible, there is only one conclusion that you can come to, and that is that Judaism is the vehicle that Satan will use to bring the Man of Perdition to the world as its dictator.

To those of you who do not know what Judaism teaches, here are the facts: It was the leaders of Judaism that demanded the crucifixion, rejecting Jesus as the Son of God. ([Matthew 26:3-5](#)) All Jewish leaders today in the religion of Judaism are strongly rejecting Jesus of Nazareth as the Son of God. They are rejecting that Jesus Christ in the flesh was God. ACCORDING TO THE BIBLE, THAT PLACES JUDAISM IN THE CAMP OF THE ANTICHRIST!

ARE ALL JEWS ACTIVELY WORKING FOR THE ANTICHRIST?

Absolutely not! Of the some 13 million Jews living in the world (1998), only a small percentage are actively working to bring their messiah to the earth. Most Jews are like most Christians; they have never read the Old Testament, many do not attend synagogue services and they are Jews by birth only. However, most Jews have a very strong feeling concerning the physical, political state of Israel and will go to any length to support Israel, regardless of their religious status. Also, having been brought up with a strong teaching emphasis on the killing of Jews by the Nazis during World War II, the average Jew believes that he must support and preserve Judaism as an ethnical and social movement in order to preserve his own life and identity.

Most American Jews belong to either Conservative or Reform Judaism, neither of whom teaches that there is a divine God. Rather, Judaism has become their god and there is no life after death. Since American Jews (some 6 million) make up about half of the Jewish world population, it has a great impact on Judaism.

It is the Cabalistic group in Judaism which is actively working to bring a messiah to the earth. I will give you a brief summary of what they believe, and refer you to several articles I have written in previous issues of The Dove, concerning this subject. (If you have not seen these articles, write us and ask for copies).

It was King Solomon who in his apostasy developed the "hidden religion" within Judaism about 1000 years B.C. It was Solomon who took the number "666" as his identification number ([I Kings 10:14](#)), and who built a throne that was designed as "666." ([I Kings 10:18-20](#)). It was Solomon who took the ancient occult teachings and began to develop them into what today is known as the "CABALA." (Kabbalah) Today, the Jewish writings known as the "Cabala" consists of some 550 books. **(It is important that you do not confuse the Cabala with the Talmud. The Talmud is another set of Jewish writings, consisting of some 650 books, which is a compilation of rabbinical interpretations of the Torah. Jesus strongly rejected the Talmud.)** [Matthew 23](#)

It is sad that the majority of Christian pastors have never heard of the Cabala. I can personally testify to this fact, having attended a Southern Baptist Seminary where I received a Master's Degree of Divinity. I never once heard any teaching or material disclosing the existence of the Cabala. Thus, the people in the Christian churches will never know, since pastors cannot teach something of which they have no knowledge.

Here is a very short synopsis of what the Cabala teaches:

At the time of creation, the god of creation became confused and depressed, and withdrew himself into himself. The part of him that makes up the "messiah essence" fell from heaven into the bottomless pit, where it took the form of 'THE HOLY SERPENT.' Another part of him, which is the female part, called "Sophia," is in charge of wisdom.

When Moses went up on the mountain to meet God, the Cabala states that in reality Moses met "the evil part of God" while the 70 elders at the foot of the mountain met the "good part of God." This, they say, is how they received the beginning of the Cabala. They teach that the Holy Serpent is held captive in the bottomless abyss, and there are two ways to bring him out and up to the earth. (1) To make all people on the earth good. (2) To make all people on the earth totally evil.

The Cabalistic leadership under Solomon decided that it was easier to make people evil than good, so they chose what they call "the low road." If they can pervert all people on the earth and make them sin and break every commandment that is found in the five books of Moses, that will open the legal road for the Holy Serpent to escape out of the bottomless pit and arrive as the messiah on earth in the form of "THE HOLY SERPENT."

However, the only people this messiah is going to save will be Jewish, since all other people do not have a soul, but are animals (beasts). The more a Cabalistic Jew can sin and lead others into sin, the "GREATER HE IS SERVING GOD."

CAN MY STATEMENTS ON THE CABALA BE VERIFIED?

Absolutely! First of all, at the Hebrew University in Jerusalem there is a full department dedicated to the study of the Cabala. For many years it was chaired by professor Gershom Scholem, who has written at least four textbooks on the Cabala, which have been translated into English and sold in Jewish outlets. They are listed in my bibliography at the end of this article. This Jewish scholar cannot be refuted in his work on the Cabala as he is looked upon by the Jewish people as the foremost expert of this subject.

Secondly, the Bible itself refutes the teachings of the Cabala. The prophet Isaiah (740-700 B.C.) is used by God to issue a strong rebuke to the teachers and followers of the Cabala, and you will find this in Isaiah, Chapter 4, verses 13-23. Here is another statement from God spoken by the prophet:

Wherefore hear the word of the Lord, you scornful men, that rule this people which is in Jerusalem. Because you have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves: Therefore thus says the Lord God, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation; he that believes shall not make haste.

Judgement also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place. And your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then you shall be trodden down by it. Isaiah 28:14-18

The prophet Jeremiah, who began preaching in 627 B.C. was told by God that there is a conspiracy found among the men in Jerusalem ([Jeremiah 11:9-10](#)). The same word from God was given to the prophet Ezekiel who was a contemporary of Jeremiah. In [Ezekiel 22:23-29](#), God speaks out clearly against the conspiracy of the Cabala among the Jewish people. The apostle Paul defends himself when he is accused of teaching the Cabala ([Romans 3:8](#))

The strongest denunciation comes from the risen Christ himself, when he makes the following statements:

I know your works, and tribulation, and poverty, (but you are rich) and I know the blasphemy of them which say they are Jews, and are not, but are of the synagogue of Satan. Revelation 2:9

Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before your feet, and to know that I have loved you. Revelation 3:9

I did not understand these Bible references that I have shared with you were not understood by me while in seminary. It was years later, when I learned about the Cabala, that I understood them. Unless you know what the Cabala teaches, these verses will make no sense to you.

THE FORMATION OF A WORLD GOVERNMENT

In previous articles of [The Dove](#), I have documented how the Jewish Cabalistic leaders were able to establish a control over all world banking through the Rothschild family, and how the political power was captured through the work of Adam Weishaupt. Here is how it was done: Meyer Amschel (a rabbinically trained German Jew who later took the name Rothschild) was firmly established in the German city, Frankfurt am Main, with an emerging banking house as early as 1764. The leader of the Cabala at that time, Jakob Frank (a Polish born Jew with the family name of Leibowicz) lived in the German city of Offenbach (just south of the city of Frankfurt) from 1773. Johann Adam Weishaupt (from a Jewish family that had converted to the Roman Catholic Church) was at Ingolstadt in 1770, a German city in Bavaria. With these three men, the stage was set to ignite a hell fire that would forever bring changes to the world.

At this point in time, it is not known who "supervised" these three Jewish men, but it is obvious that someone directed their efforts. On May 1, 1776, just two months before the declaration of Independence in America, the Order of Illuminati was founded by Weishaupt. At this time Weishaupt was 28 years old, Amschel was 32 years old and Frank was 50 years old. Meyer Amschel financed Adam Weishaupt and Jakob Frank laid the cabalistic theological foundation for the **Order of the Illuminati**.

In order for the reader to understand that events do not just happen, I want to share the following information: The Illuminati Order was not invented by Adam Weishaupt, but rather renewed and reformed. The first known Illuminati order (Alumbrado) was founded in 1492 by Spanish Jews, called "Marranos," who were also known as "crypto-Jews." With violent persecution in Spain and Portugal beginning in 1391, hundreds of thousands of Jews had been forced to convert to the faith of the Roman Catholic Church. Publicly they were now Roman Catholics, but secretly they practiced Judaism, including following the Talmud and the Cabala. The Marranos were able to teach their children secretly about Judaism, but in particular the Talmud and the Cabala, and this huge group of Jews has survived to this

very day. After 1540 many Marranos opted to flee to England, Holland, France, the Ottoman empire (Turkey), Brazil and other places in South and Central America. The Marranos kept strong family ties and they became very wealthy and influential in the nations where they lived. But as is the custom with all Jewish people, it did not matter in what nation they lived, their loyalty was to themselves and Judaism.

The following information is going to be a "shock" to all Roman Catholics. In 1491 San Ignacio De Loyola was born in the Basque province of Guipuzcoa, Spain. His parents were Marranos and at the time of his birth the family was very wealthy. As a young man he became a member of the Jewish Illuminati Order in Spain. As a cover for his crypto Jewish activities, he became very active as a Roman Catholic. On May 20, 1521 Ignatius (as he was now called) was wounded in a battle, and became a semi-cripple. Unable to succeed in the military and political arena, he started a quest for holiness and eventually ended up in Paris where he studied for the priesthood. In 1539 he had moved to Rome where he founded the "**Jesuit Order**," which was to become the most vile, bloody and persecuting order in the Roman Catholic Church. In 1540, the current Pope Paul III approved the order. At Loyola's death in 1556 there were more than 1000 members in the Jesuit order, located in a number of nations.

Setting up the Jesuit order, Ignatius Loyola devised an elaborate spy system, so that no one in the order was safe. If there was any opposition, death would come swiftly. The Jesuit order not only became a destructive arm of the Roman Catholic Church; it also developed into a secret intelligence service. While the Popes relied more and more on the Jesuits, they were unaware that the hardcore leadership were Jewish, and that these Jews held membership in the Illuminati Order which despised and hated the Roman Catholic Church.

In 1623 Marranos formed an order in France called "Guerients," which in 1722 was changed to an Illuminati Order.

HOW SATAN MOVED IN THE CENTURIES

A baby boy was born on February 6, 1748, in Ingolstadt, a city in the German state of Bavaria, 192 years after the death of Ignatius Loyola. His parents were crypto Jews. The name of the boy was Joseph Johann Adam Weishaupt. The Father of Adam held a position of professor at the city university. Adam was educated in the Jesuit Order where he was exposed to the Jesuit organization and its political agenda. Here is a young Jew, who from early childhood learned that he had a secret allegiance to the Talmud and the Cabala, but outwardly he was a dedicated Roman Catholic.

In 1773, the 25 year old Adam broke all ties with the Jesuit Order and three years later formed the Bavarian Illuminati Order. In 1773, Pope Clemens XIV dissolved the Jesuit order, but 41 years later, in 1814 under Pope Pius VII, the Jesuit Order was reinstated, becoming the most powerful institution, next to the Knights of Malta, in the Roman Catholic Church. (This incident alone should forever destroy the doctrinal lie that a Pope is infallible and that a papal edict can never be changed).

The name of the new order Adam founded was "**Orden Der Perfektibilisten**." Around 1779 the name was changed to "**Orden Der Illuminaten**," and its members would bring hell and destruction to the world, the death of millions, the destruction of nations and the formation of the coming "**New World Order**."

COPYING THE JESUIT ORDER

It is hard for a born again Christian to understand how evil operates. A truly born again Christian does not have a "**Criminal Mind Set** ." The Jesuit Order is not just bad, IT IS A VERY EVIL ORGANIZATION, hidden from the public. Its first publicly known terror project took place in South America in 1609, when the Jesuits created a slave state in what is now known as Paraguay. For 158 years the Jesuit Order ran a brutal slave encampment of more than 150,000 Guarani Indians who were divided into 30 concentration camps, called "reducciones." Indians were lured to the settlements where they were received with festivities, music and plenty of food. Once the free Indians had entered the area to be entertained by these friendly Jesuits, the trap was sprung and they were overpowered by soldiers. They were then chained and taken to the camps, where they lost all freedom and had to work for no pay to produce for the Jesuit order. In 1767 enough information had filtered back to Europe to cause a political backlash. The Spanish king, Carl III, issued a decree and drove the Jesuits out of all Spanish colonies. The brutal murders, the rape of the women

and the terrible working conditions were part of the daily routine in these concentration camps. If the reader has any doubts that this really took place, he should first do some research and then come to an intelligent conclusion.

THE CRADLE OF COMING HOLOCAUST™S

A huge area had been fenced in, similar to the Iron curtain in the 20th century. Jesuit priests (many of them crypto Jews) from Italy, England and Germany made up the camp leadership. The system was called "encomienda," which means task or protection. The Jesuits used soldiers from Europe to make sure that the Indians were held in subjection. Once Indians had been subjected to the rule of the Jesuits, and their will power was broken, they were forced to form "councils," which were used to make sure that the rank and file Indians carried out the slave work. The Jesuits would pick out certain Indians, who were given the role of supervising their own people. By giving these Indians some privileges, they became brutal oppressors in order to keep their own status. Both men and woman had to work in the slave camps. They were not allowed to own any property. The Jesuits enforced a work quota, if an Indian did not meet his quota, he received less food and clothing. The entire camp system was totally centralized. Punishment was swift and without mercy. If an Indian was going to be executed, he first had to kiss the hand of the executioner, thank him for the punishment and repent of his crime. Then the Indian was killed in front of the masses of people. Specialized Jesuit priests were used to politically and religiously indoctrinate the Indians and to forever break their ability to think for themselves. The result was that after one or two generations the Indians born in the slave camp accepted their lives as normal and were willing to die for their slave leaders. In the Communist countries they are called "politruks."

It is clear that the model built by the Jesuits in Paraguay was used by Lenin when he set up the "Gulag system" in the Soviet Union, and by Hitler when he built the concentration camps in Germany. It is currently (1998) in use in China, North Korea and some day it will be used by the kingdom of the Antichrist.

The blame will forever be laid to Adam Weishaupt and his followers, who were responsible for the French Revolution, the American Civil War, World War I, the Russian Revolution, the rise of Adolf Hitler to power in Germany, World War II, the Communist takeover of China and many other nations after World War II, the Korean War, the Vietnam War and the list goes on and on.

It is noteworthy that the Jesuit Order is busy in all areas where the Roman Catholic church is operating, and that they have developed an elaborate educational system. Most people who have attended Jesuit schools do not know the dark secrets of the Order, since they are today forced to operate on a more benign scale. But that the Jesuits have not changed can be seen in the atrocities they had a part in during World War II, in what was then known as Yugoslavia. When the time for the rise of the Antichrist comes, expect to see the Jesuits with their leader, "the Black Pope," take control of the people and set up camps once again.

HOW THE ILLUMINATI GAINED ITS POWER

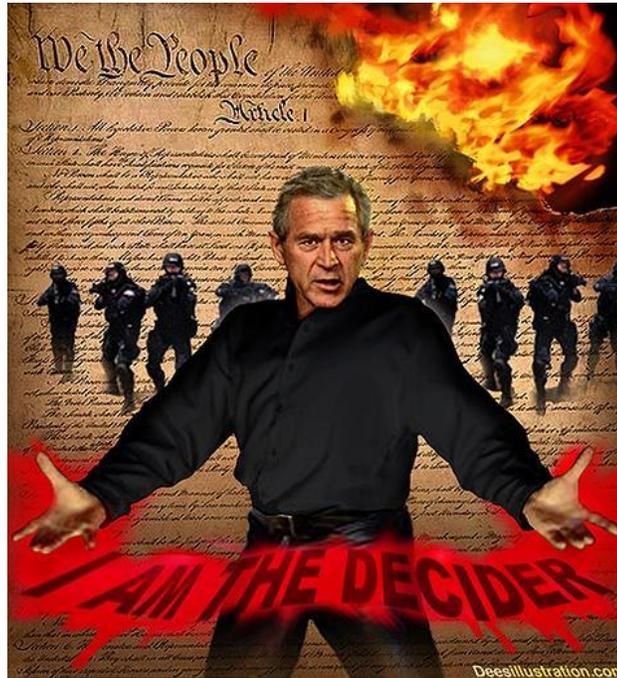

Centuries earlier, the foundation for a World Government organization had been laid when Free Masonic lodges were formed in Europe, Russia and in the North American colonies. With these in place, Weishaupt moved very swiftly, and in 1775 Adam Weishaupt (now a professor of law) became a member in the Theodore Lodge in Munich, which was part of the Ekletical Masonry.

The Illuminati Order is organized very similarly to the Jesuit Order, since Weishaupt was educated by the Jesuits and was 20 years old in 1768 when the slave camps in Paraguay were closed. The Jesuits have four degrees, the Illuminati has three. The lowest degree consists of *initiates*, which are classified as the least illuminated. The second degree is made for *Freemasons*, including the Scottish Knights. The third degree is called "*the degree of Mystery*" and is reserved for priests, royal rulers and magicians. The supreme ruler in the Jesuit Order is called "General," in the Illuminati he is called "King." Adam Weishaupt became the first Illuminati king. In conjunction with these degrees, Weishaupt also founded a secret service which had members infiltrated into all degrees. They were called "Stealth Brothers," and their job was to inform if there was any disloyalty. They used blackmail, provocation and terror. All members of the Illuminati Order had sworn a death oath to eternal silence, total loyalty and subjection to the Order. Any member who would betray the Order was promised a swift death. The Order does not joke; many have been murdered trying to leave the Order and expose it.

AMERICA'S IMPENDING MASTER CLASS DICTATORSHIP

By Stewart Dougherty

FOREWORD: At certain times, focusing on the big picture is important not just for investment success, but for personal welfare, and even survival. We believe such times are here. It is estimated that 98% of Americans have never held a gold coin in their hands. Yet 100% of Americans regularly handle Federal Reserve Notes. From a contrarian standpoint, the financial message from those two statistics is clear. Even so, gold is much more than money or an investment medium; it stands for liberty and throughout history has facilitated escape and ensured freedom. Never having touched a gold coin is the monetary equivalent to never having breathed fresh air, felt the warmth of sunshine, looked up at the stars or risen from the gutter. Fiat Federal Reserve Notes are becoming nothing more than sewage decomposing in the vast, toxic septic tank of predatory Washington politics, epic Federal Reserve arrogance and error, blatant Wall Street fraud and outright Master Class plunder. Below, we outline America's troubling and compounding predicament, and urge you to think about how to protect yourself from its consequences, both financially and personally.

Thanks to the endless barrage of feel-good propaganda that daily assaults the American mind, best epitomized a few months ago by the "green shoots," everything's-coming-up-roses propaganda touted by Federal Reserve Chairman Bernanke, the citizens have no idea how disastrous the country's fiscal, monetary and economic problems truly are. Nor do they perceive the rapidly increasing risk of a totalitarian nightmare descending upon the American Republic.

One stark and sobering way to frame the crisis is this: if the United States government were to nationalize (in other words, steal) every penny of private wealth accumulated by America's citizens since the nation's founding 235 years ago, the government would remain totally bankrupt.

According to the Federal Reserve's most recent report on wealth, America's private net worth was \$53.4 trillion as of September, 2009. But at the same time, America's debt and unfunded liabilities totaled at least \$120,000,000,000,000.00 (\$120 trillion), or 225% of the citizens' net worth. Even if the government expropriated every dollar of private wealth in the nation, it would still have a deficit of \$66,600,000,000,000.00 (\$66.6 trillion), equal to \$214,286.00 for every man, woman and child in America and roughly 500% of GDP. If the government does not directly seize the nation's private wealth, then it will require \$389,610 from each and every citizen to balance the country's books. State, county and municipal debts and deficits are additional, already elephantine in many states (e.g., California, Illinois, New Jersey and New York) and growing at an alarming rate nationwide. In addition to the federal government, dozens of states are already bankrupt and sinking deeper into the morass every day.

The government continues to dig a deeper and deeper fiscal grave in which to bury its citizens. This year, the federal deficit will total at least \$1,600,000,000,000.00 (\$1.6 trillion), which represents overspending of \$4,383,561,600.00 (\$4.38 billion) per day. (The deficit during October and November, 2009, the first two months of Fiscal Year 2010, totaled \$296,700,000,000.00 (\$297 billion), or \$4,863,934,000.00 (\$4.9 billion) per day, a record.) Using the GAAP accounting method (which is what corporations are required to use because it presents a far more accurate and honest picture of a company's finances than the cash accounting method primarily and misleadingly used by the U.S. government), the nation's fiscal year 2009 deficit was roughly \$9,000,000,000,000.00 (\$9 trillion), or \$24,700,000,000.00 (\$24.7 billion) per day, as calculated by brilliant and well-respected economist John Williams. (www.shadowstats.com) Fiscal Year 2010's cash- and GAAP-accounting deficits will likely be worse than 2009's, given government bailout and new program spending that is on steroids and psychotic.

Putting Fiscal Year 2009's \$9,000,000,000,000.00 (\$9 trillion) deficit another way, 17% of America's private wealth, accumulated over a period of 235 years, was wiped out by just one year's worth of government deficit spending insanity.

Given this, is it any surprise that Treasury Secretary Geithner has announced that the release of the nation's FY 2009 supplemental GAAP financial statements has been delayed? Remember, this is the same Secretary Geithner who bullied people to cover up the sordid details of the AIG, or more accurately, the taxpayer-funded, multi-billion dollar, Santa Claus bailout and bonus bonanza for Goldman Sachs. Do you really think this government, characterized as it is by fiscal and monetary secrecy, lies, chicanery, cronyism and stonewalling, wants the people to know what is actually happening? Obviously, it does not, so it hides from the public the inexcusable facts.

It is estimated that the top 1% of Americans control roughly 40% of the nation's wealth. In other words, 3 million people own \$21,400,000,000,000.00 (\$21.4 trillion) in net private assets, while the other 305 million own the remaining \$32,000,000,000,000.00 (\$32 trillion). 77,000,000 (77 million) Americans (the lowest 25%) have mean net assets of minus \$2,300 (\$-2,300.00) per person; they live from paycheck to paycheck, or on public assistance. The lower 50% of Americans own mean net assets of \$27,800 each, about enough to purchase a modest car. Obviously, it would be impossible to retire on such an amount without significant government or other assistance. Meanwhile, the richest 10% of Americans possess mean net assets of \$3,976,000.00 each, or 143 times those of the bottom 50%; the top 2% control assets worth more than 1,500 times those in the bottom 50%. When you combine these facts with Wall Street's typical multi-million dollar annual bonuses, you get an idea of wealth inequality in America. Historically, such extreme inequality has been a well-documented breeding ground for totalitarianism.

If the government decides to expropriate (steal) or commandeer (e.g., force into Treasuries) America's private wealth in order to buy survival time, such a measure will be designed to destroy the common citizens, not the elite. Insiders will be given advance warning about any such plan, and will be able to transfer their money offshore or into financial vehicles immune from harm. Assuming that the elite moves its money to safety, there would then be \$120,000,000,000,000.00 (\$120 trillion) in American debt and liabilities supported by only \$32,000,000,000,000.00 (\$32 trillion) in private net worth, for a deficit of \$88,000,000,000,000.00 (\$88 trillion). In that case, each American

would owe \$285,714.29 to balance the country's books. (Remember to multiply this amount by every person in your household, including any infant children.)

If the common people suspect that something diabolical was in the works, a portion of the \$32 trillion in non-elite wealth could be evacuated as well prior to a government expropriation and/or currency devaluation, resulting in less money for the government to steal. What these statistics mean is that it is absolutely impossible for the government to fund its debt and deficits, even if it steals all of the nation's private wealth. Therefore, the government's only solutions are either formal bankruptcy (outright debt repudiation and the dismantling of bankrupt government programs) or unprecedented American monetary inflation and debt monetization. If the government chooses to inflate its way out of this fiscal catastrophe, the United States dollar will essentially become worthless. You can be absolutely certain that a PhD. in economics, such as Dr. Bernanke, is well aware of these realities, despite what he might say in speeches. For that matter, so are Chinese schoolchildren, who, when patronized by Treasury Secretary Geithner about America's "strong dollar," laughed in his face. One day, perhaps America's school children will receive a real education so that they, too, will know when to laugh at absurd propaganda.

The government has announced that during the fiscal years from 2010 through 2019, it will create an additional \$9,000,000,000,000.00 (\$9 trillion) in deficits, an amount that is almost certain to be understated by trillions given the country's current economic trajectory. The government assumes that this vast additional deficit will be funded by others, such as the Chinese, as it is a statistical fact that the United States will be incapable of funding it.

Furthermore, with the budgetary equivalent of a straight face, the Office of Management and Budget reports in its long-term, inter-generational budget projection that the United States government will experience massive, non-stop deficits for the next 70 (SEVENTY) years, requiring the issuance of tens of trillions of dollars of additional debt. The OMB does not project even one year of surplus during the entire seventy year budget period.

These deficits and debts are now so gargantuan that they have become surreal abstractions impossible even for sophisticated financiers to begin to comprehend. The common citizen has absolutely no idea what these numbers mean, or imply for his or her future. The people have been deluded into thinking that America's arrogant, egomaniacal, always-wrong-but-never-in-doubt fiscal witch doctors and charlatans, including Greenspan, Rubin, Summers, Geithner and Ponce de Bernanke, have discovered a Monetary Fountain of Youth that endlessly spits up free money from the center of earth, in a geyser of good will toward the United States. Unfortunately, this delusion is false: there is no Monetary Fountain of Youth, and contrary to the apparent beliefs of the self-deified man-gods in Washington, D.C., the debt and deficits are real, completely out of control, and 100% guaranteed to create catastrophic consequences for the nation and its people.

When government "representatives" deliberately sell into slavery the citizens of a so-called free Republic, they have committed treason against those people. This is exactly what has happened in the United States: the citizens have been sold into debt slavery that they and their descendants can never escape, because the debts piled onto their backs can never, ever be paid. Despite expensive and sophisticated brainwashing campaigns emanating from Washington, claiming that America can "grow" out of its deficits and debt, it is arithmetically impossible for the country to do so. The government's statements that it can dig the nation out of its fiscal hole by digging an even deeper chasm have become parodies and perversions of even totally discredited and morally disgusting Keynesianism.

The people no longer have elected representatives; they have elected traitors.

The enslavement of the American people has been orchestrated by a pernicious Master Class that has taken the United States by the throat. This Master Class is now choking the nation to death as it accelerates its master plan to plunder the people's dwindling remaining assets. The Master Class comprises politicians, the Wall Street money elite, the Federal Reserve, high-end government (including military) officials, government lobbyists and their paymasters, military suppliers and media oligarchs. The interests and mindset of the Master Class are so totally divorced from those of the average American citizen that it is utterly tone deaf and blind to the justifiable rage sweeping the nation. Its guiding ethics of greed, plunder, power, control and violence are so alien to mainstream American culture and thought that the Master Class might as well be an enemy invader from Mars. But the Master Class here, it is real and it is laying waste to America. To the members of the Master Class, the people are not fellow-citizens; they are instruments of labor,

servitude and profit. At first, the Master Class viewed the citizens as serfs; now that they have raped and destroyed the national economy, while in the process amassing unprecedented wealth and power for themselves, they see the people as nothing more than slaves.

America's public finances are now so completely dysfunctional and chaotic that something far worse than debt enslavement and monetary implosion, terrible curses unto themselves, looms on the horizon: namely, a Master Class-sponsored American dictatorship.

Throughout history, the type of situation in which America now finds itself has been a fertility factory for tyranny. The odds of an outright overthrow of the people by the Washington and Wall Street Axis, or more broadly, the Master Class are increasing dramatically. The fact that so few people believe an American dictatorship is possible is exactly why it is becoming likely.

Dictatorships have blighted history and ruined lives since the beginning of civilization. In recent times alone, tyrants such as Hitler, Stalin, Lenin, Ceausescu, Amin, Hussein, Mussolini, Tojo, Kim, Pinochet, Milosevic, Tito, Batista, Peron, Pol Pot, Mugabe, Marcos, Somoza, Mengistu, Bokassa, Sese Seko, Franco, Ho Chi Minh, Mao, and Castro have power-sprayed blood onto the screen of time and ravaged mankind with murder, torture and human oppression. A full catalog of history's tyrants would require a book of hundreds of pages. In the past 100 years alone, over 200 million human beings have been annihilated by wars, ethnic cleansings and government assassinations. Just when we think that civilization has been able to rise above tyranny's inhumanity and disgrace, a new dictator appears on the scene to start the process all over again. Every time this happens, fear and submission paralyze the vast majority of the affected masses, leading them to "follow orders" and lick autocracy's blood-stained boots.

History has proven to tyrants that oppression works. In fact, it is easy to control a populace, once you control the money, markets, military (including police), media and minions (the recipients of welfare, social security, free health care, government jobs and the like, who are dependent upon the state and likely to be compliant). This is exactly where the United States is today.

Recent American events paint an ominous picture of a Master Class that is now in total control.

When 90% of the American people vehemently rejected the \$700,000,000,000.00 (\$700 billion) TARP bailout plan, the Master Class put it on a fast track and approved it anyway.

When a clear majority of the American people said no to a government takeover of Chrysler and GM, the Master Class poured billions of taxpayer dollars into those corporate sinkholes and took them over anyway.

When the people said no to multi-trillion dollar crony bailouts for the bankers and insurers whose corruption had caused global financial mayhem, the government pledged to those elite insiders more than \$13,000,000,000,000.00 (\$13 trillion) of the people's money anyway.

When the people expressed astonishment and anger that Wall Street planned to pay itself record 2009 bonuses, in the midst of America's worst-ever fiscal and financial crisis caused by them, Wall Street stuffed its pockets with taxpayer-supported bonus money anyway.

When the people said no to a proposed \$40,000,000,000.00 (\$40 billion) bailout of AIG and its elite trading partners such as Goldman Sachs (an amount that subsequently exploded to \$180,000,000,000.00+ (\$180+ billion)), the Master Class went underground, covertly misappropriated taxpayer money and made the payoffs anyway.

When Fannie Mae and Freddie Mac were nationalized at enormous taxpayer expense, the government approved \$6,000,000.00 individual pay packages in 2009 (150 times the average American wage) for the CEOs of both failed companies anyway.

When a clear majority of the people said no to nationalized health care, even after being bombarded by a multi-million dollar, lie-drenched propaganda campaign designed to bamboozle them, the House and Senate passed nationalized health care bills anyway.

When more than seven million American workers lost their jobs and were subsisting on unemployment benefits and food stamps, federal government employees, who now earn DOUBLE what private sector workers earn, were given another round of pay and benefits increases anyway.

When private sector workers' 401Ks and IRA retirement plans plummeted in value due to economic collapse and endemic Wall Street-orchestrated market corruption (including systemic front running, flash trading, naked short selling and other manipulations), government "defined benefit," lifetime-cost-of-living-adjusted pension plans, despite already being underfunded by \$2,000,000,000,000.00 (\$2 trillion), were made richer than ever anyway.

The long, shameful litany of events signaling the total divorce between the Master Class and the people of the United States doesn't stop there. It goes on and on.

The message from the American Master Class to the American people is simple and clear:

We Defy You.

Governments that openly defy the people are either already totalitarian or in the process of becoming so. Monetarily, the United States clearly functions as a totalitarian dictatorship already, with a Federal Reserve that operates in secrecy, creates limitless amounts of debt and currency at will, and showers trillions of dollars upon favored Master Class insiders with zero transparency or accountability whatsoever. The Federal Reserve is so shameless about its dictatorial powers that it flatly refuses to provide details about multi-trillion dollar bailouts and rescues of privileged elites, in open defiance of Congress and the people. The fact that they get away with these blatant acts of defiance demonstrates the true extent of the Master Class chokehold on America.

If the Master Class were a benign despot and if its policies and programs actually worked, that would be one thing. But that is not the case. Rather, its programs are in a complete shambles.

Every single government entitlement program in the United States is bankrupt. This includes Social Security (\$17,500,000,000,000.00 underfunded; \$17.5 trillion); Medicare Part A (\$36,700,000,000,000.00 underfunded; \$36.7 trillion); Medicare Part B (\$37,000,000,000,000.00 underfunded; \$37 trillion); Medicare Part D (\$15,600,000,000,000 underfunded; \$15.6 trillion), Government and military pensions (\$2,000,000,000,000 underfunded; \$2 trillion), Food Stamps (current underfunding difficult to measure because the number of recipients is exploding; hundreds of billions underfunded versus original projections, minimum); and the list goes on. The above underfunding amounts are NET of projected tax receipts over the next 50 years. But the current recession has invalidated virtually all long-term budget and tax receipt assumptions, meaning that the true underfunded amounts are now greater than current, already mind-boggling estimates.

While the above statistics are terrifying enough to any citizen with a functioning brain, what is Twilight Zone-eerie and a far more serious cause for alarm is the casual indifference with which the Master Class is now making the country's dire and irreparable fiscal circumstances even worse.

The nationalized health care program will cost at least \$1 trillion over the next ten years, and most likely multiples of that. It is being crammed down America's throat by a bankrupt government that does not have the money today and will not have the money tomorrow to pay for it. Worse is the fact that the same government that has bankrupted each and every existing social program now intends to directly or indirectly control the health care of all citizens. Based on the government's existing track record and the health care program's enormous complexity, invasiveness and cost, the probability that it will become a national fiscal and humanitarian catastrophe is roughly 100%.

“Cap and Trade” is a multi-trillion dollar tax scam being foisted onto the American public without a legitimate debate or popular referendum. You might be surprised to learn that “Climate Revenues” are already included in the federal budget, starting with \$79,000,000,000.00 (\$79 billion) in fiscal year 2012, which begins only 20 months from now. During fiscal years 2012 through 2019, the government expects to collect \$646,000,000,000.00 (\$646 billion) in “Climate Revenues,” a completely new tax category. Have any of your elected traitors told you that they have enacted \$646,000,000,000.00 (\$646 billion) in “Climate” taxes beginning twenty months from now and continuing forever? These “Climate Revenues” are based on junk science, lies and hysteria, and have been pimped by greed-diseased parasites who seek to make billions from operating and manipulating the Cap and Trade “marketplace.” Favored elitists such as Hank Paulson, Al Gore, General Electric and Goldman Sachs, among others, have positioned themselves to profit from the nation’s upcoming Cap and Trade tax misery and economic debilitation.

The reality is that the giant Ponzi scheme called the United States of America is running out of money. In any Ponzi scheme, money must constantly be poured into the top of the funnel in order to pay the redeemers at the bottom. As the number of redeemers has grown, tax receipts have fallen far short of covering their withdrawals, a problem that has now become an outright government funding emergency further aggravated by the fiscal, financial and economic crises.

If the Washington and Wall Street Axis were not legally able to create and distribute counterfeit American money, the Ponzi scheme would have collapsed already. Trillions of new, out-of-thin-air, printing-press and electronic “dollars” have bought the Axis additional time, but new sources of revenue must immediately be found to keep the scam alive. Congress is fully aware of this reality. Outright tax increases would be bad politics during a recession that is morphing into a depression, and also bad for 2010 re-election campaigns, so they cannot be implemented. Therefore, Congress continues to advance the health care and Cap and Trade agendas, which are nothing but taxation Trojan Horses festooned in righteousness and sanctimony, despite overwhelming popular opposition.

If the nationalized health care program is passed, revenues and fees will kick in immediately in 2010, whereas costs will not begin to accrue until 2012 and later. The government plans to spend the revenues immediately to forestall a total fiscal collapse. Nationalized health care has absolutely nothing to do with health care; it has to do with creating an immediate revenue stream to help fix the current government funding crisis. Similarly, Cap and Trade has nothing to do with fixing the environment. It, too, is nothing more than a massive tax increase similarly designed to address the government’s epic funding shortfall, with thick slices of pork thrown in for privileged insiders and deceitful propagandists like bloated “Father of the Internet” and now “Savior of the World” Al Gore.

The last thing the Master Class wants is for the people to understand the disastrous state of the nation’s finances. Master Class brainwashing tells the people that it is “negative” and “pessimistic” to look at the facts, despite the fact that psychological health is characterized by the ability to identify and deal with reality. The Master Class wants the people to put on Bozo the Clown happy faces and let sugar plums and green shoots dance in their brains as they write one check after another to pay for Cap and Trade, nationalized health care, and a mind-numbing assortment of other taxes and fees.

On Sunday night, November 30, 2009, North Korea’s dictator Kim Jong Il (a name that says it all, even better than Made-off’s), an international poster child of Master Class psychological illness, devalued his country’s currency by 99%. This vicious tyrant, who has given birth to a national hell on earth, is chauffeured in Mercedes Benz limousines, drinks the finest imported whiskies and dines in imperial dignity on foods prepared by personal chefs while his citizens starve to death on the streets or, at best, eke out a subsistence living. Kim became paranoid that the people were actually figuring out how to improve their pitiful, impoverished lives in tiny ways, so he decided to wipe them out. The people were given one week to exchange their money at a rate of 100 old Won for 1 new Won. Any lifetime family savings in excess of roughly \$700.00 were simply confiscated by the North Korean government. To keep the people in line, the military and police were put on high alert, fully prepared to kill or arrest any protesters.

On January 9, 2010, Venezuela’s strong man Hugo Chavez devalued his country’s currency by 50%, overnight and without warning, causing immediate inflation, shortages of food and supplies, and general financial chaos throughout the nation.

While you might be shaking your head in pity over the plight of the citizens of North Korea and Venezuela, ask yourself this: could this not happen in the United States?

On April 5, 1933, President Franklin D. Roosevelt, an Obama hero, outlawed gold ownership overnight by signing Executive Order 6102, which gave the people three and one-half weeks to surrender all privately-owned bullion to the government for a price of \$20.67 per ounce. On January 30, 1934, nine months after collecting the people's gold, Roosevelt devalued the dollar 69% overnight, by raising the gold price from \$20.67 to \$35.00 per ounce.

Since its founding in 1913, the Federal Reserve has devalued the dollar by 98+% thanks to endless money printing and debt creation, a corrosive and impoverishing process that is now accelerating. In the past year, the Fed has engineered \$20+ trillion in bailouts, subsidies and guarantees for well-connected and lucky scavengers and opportunists, an amount equal to roughly 40% of the total private wealth created in this country since its inception. All because a few elitist government man-gods with an almost perfect record of error and failure have deemed in their imperial wisdom that it shall be so. The citizens, whose hard-earned wealth is being systematically destroyed by this continual, government-decreed monetary debasement were never invited to the debate or given a say, which is par for the course for dictatorships. This massive de facto devaluation now hangs over the people's wealth like a great monetary sword of Damocles.

Conceptually, whether it is a 50% overnight devaluation in Venezuela, a 69% overnight devaluation in the United States, a 98% devaluation in America over time, or a 99% overnight devaluation in North Korea, what is the difference? The fact is: there is no difference; monetary debasements are all the same. In each and every case, the people's wealth is stolen via government edict, while the people stand by helplessly and in shock.

So one must ask: For whom does the bell toll? A foreign "them," or a domestic us? Who is to say that you will not be told tomorrow morning that, effective immediately, in accordance with some perversely named mandate such as the "American Monetary Security, Wealth Preservation and Terrorism Prevention Act," enacted by emergency for "the safety of the nation and the financial well being of the citizens," all existing currency and bank balances will be redenominated in "New Dollars," at a conversion rate of 1 new for every 100 old currency units? Would this not simply be another, almost predictable act of defiance toward the American people by the Master Class? And if that happened, do you honestly believe that the Master Class would not have been alerted in advance and allowed to make special preparations for itself ahead of the devaluation? Do you think they intend to go down in the same ship as the people they defy? If such a currency devaluation were announced, what could you do about it? March on Washington? But how would you get there if your money had been wiped out?

Despite what you may hear from State Media, which includes virtually all establishment news organizations, particularly financial ones (e.g., CNBC), America is on the precipice. No bankrupt nation in history has ever defended or preserved the freedoms of its citizens. In fact, it has been the exact opposite: in desperation, bankrupt governments have routinely plundered their citizens' wealth and imposed totalitarian controls. What will make things different for the United States, the largest debtor nation in all of recorded civilization?

The United States government cannot ever, possibly pay its debts, is pathologically incapable of controlling its spending or curbing its hunger for both domestic and international empire and persistently refuses to tell the American people the truth. If America's citizens were told the truth and given the benefit of true leadership, as opposed to the guile and dishonesty of an endless array of political liars and hacks, perhaps they could rally and defeat the problems that afflict them. But instead, they are fed by the Master Class a steady diet of narcotic propaganda that deludes, confuses and enervates them. The truth cannot set people free if it is never told, and that is the essence of America's gathering tragedy.

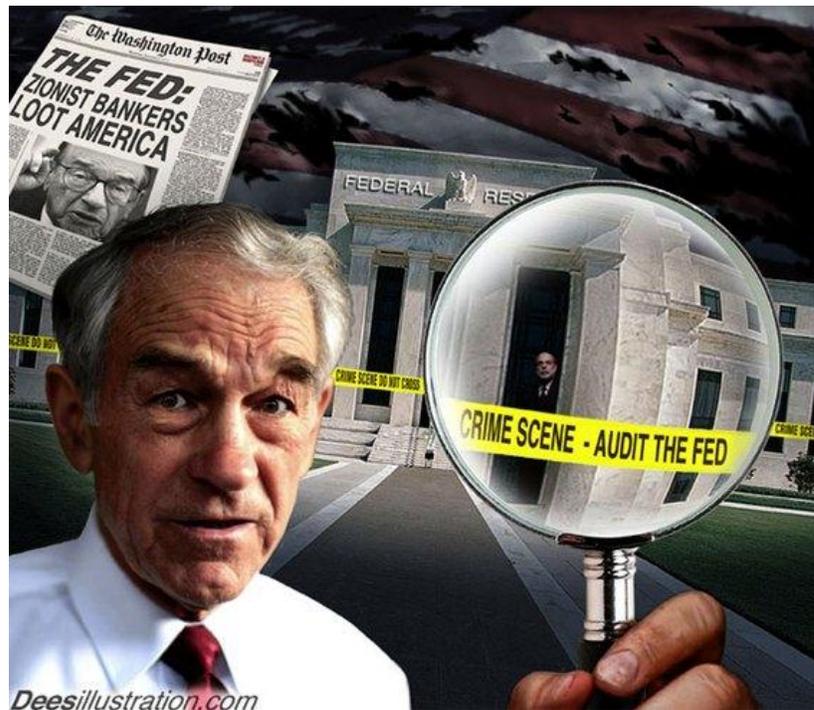

In a future article, we will detail specific developments you should watch for to chart the course of America's ominous and potentially deadly national storm. The current, grave situation is already a clear call to action. When the signals become even more urgent, it will be late in the game to take protective action, and possibly too late. Citizens should begin to prepare now not just for financial survival, but for the personal security of themselves and their loved ones should a Category 5 economic and political hurricane rip into the nation, something that becomes more likely every day.

With respect to personal finances, in virtually every national currency devaluation and major political upheaval in the past, gold has represented sanctuary for the affected people. Gold has not just preserved wealth, but personal freedom as well. While governments can devalue fiat currencies, they cannot, by edict, devalue gold. Yes, they can try to manipulate its price, but unless all governments join in the collusion, ultimately the price will return to market. The market for gold is global, and demand exists in all nations and among all peoples. Should the government attempt to confiscate gold, it will be an outright admission that the financial system is collapsing, and the people will know better than to hand over to a corrupt government their only means of survival. The most important point is this: devalued currencies never rise again. Once they are destroyed, they are gone forever, and those whose wealth had once been denominated in them are wiped out. As you have no doubt heard before, not one fiat currency has survived over time, and that is an indisputable fact. More significantly, no fiat currency has ever suffered the abuse that has been inflicted upon the United States dollar, meaning that it is at extreme risk. Gold has been money for 5,000 years. It has not merely survived, it has prevailed over each and every fiat currency collapse throughout history. Given this, the most important financial question a person can ask him- or herself today is: How is my wealth denominated at this time? And given its denomination, is my wealth likely to be safe in current and evolving circumstances?

One thing is certain: as the epic David and Goliath monetary battle unfolds, between the people fighting to defend their hard-earned wealth on one side, and a Master Class that greedily and pathologically wants to plunder them on the other, the price of gold will become extremely volatile for a period of time. Volatility will, in fact, tell you that the War on Wealth has officially been declared, and will be your signal to do whatever you must to protect what is yours. As the government Goliath and its Master Class allies short tonnes of bullion into rigged futures markets in a desperate attempt to make gold look dangerous and risky, the Davids will be coming forth not just in the United States but from all corners of the globe, buying 10 grams here and one ounce there. There are 6.8 billion Davids, versus one diseased Master Class that numbers in the small millions. There is no way the Master Class can defeat the people, if the people finally rise up and say “No More of Your Plunder. No More of Your Cold and Soulless Financial Oppression. No More of Your Cynical and Godless Exploitation.”

If you find the above argument compelling, you should consider how to protect yourself from Executive Orders that could be issued at any time, under any pretext, and that could be extremely hostile to your financial and/or personal health and well being. One simple way to start is to purchase one ounce of gold for yourself and each member of your household, and much more if you can afford it. That is not financial advice; it is merely the common sense generously communicated to you by history.

NEWS REPORTS FROM INSIDE THE FINANCIAL COUP

By David DeGraw, AmpedStatus Report

The past few days have been very revealing when it comes to the financial coup that has occurred here in the US. When we say financial coup, we're not giving you hyperbole. We're telling you the technical term for what has occurred.

Don't take our word for it, investigate it for yourself. Here's a special report we have compiled which features the most recent information available concerning the takeover:

Introduction

#1) [Memo to Financial Investigators: Dig Deep](#)

When the Financial Crisis Inquiry Commission opened for business on September 17, it was a nonevent for the media. Leading newspapers brushed aside chairman Phil Angelides, the former California state treasurer, and his declaration of purpose—"uncovering the facts and providing an unbiased historical accounting of what brought our financial system and our economy to its knees."

As Angelides put it, "The fuses for that cataclysm were undoubtedly lit years before. It is our job to diligently and doggedly follow those fuses to their origins."

The press has moved on. Financial crisis was last year's story. Didn't the Treasury and Federal Reserve announce they have already turned things around? Hasn't the president proposed a bunch of complicated reforms (boring!) for Congress to enact? Yes, but that is the problem. How can Washington reform the financial system when we still don't know what happened?

We may know the broad outlines, but the landscape remains littered with unanswered questions and informed suspicions about who did what to produce the breakdown. The relevant facts are still buried in the files of Wall Street firms and the regulatory agencies that utterly failed as watchdogs.

The Angelides commission has the subpoena power to dig out secrets—from e-mails and private memos, and through testimony under oath—that can disclose political deal-making and ruinous financial strategies. Given the rush of events, the commission may be the public's last, best chance to get at the truth of the matter.

Let's "get at the truth of the matter"

#2) [The Wall Street Coup D'Etat](#)

The most revealing political quote of the last year came... from the second-highest ranking Democratic Senator, Dick Durbin, who told a local radio station in April: "And the banks — hard to believe in a time when we're facing a banking crisis that many of the banks created — are still the most powerful lobby on Capitol Hill. And they frankly own the place."

The best Congressional floor speech of the last year on the financial crisis was this extraordinarily piercing five-minute revelation from Rep. Marcy Kaptur of Ohio on the Wall Street bailout and how the Congress is subservient to their dictates. And the single most insightful article on the financial crisis was written by former IMF Chief Economist and current MIT Professor Simon Johnson in the May, 2009 issue of *The Atlantic*, when he argued that "the finance industry has effectively captured our government" and detailed how the U.S. has become very similar to failed emerging-market nations in both its political and economic culture.

#3) [Heated Press Debate Over \\$83 billion For Health Care, But Silence On At Least 20 Times That Amount Gone to Wall Street](#)

There is an odd disconnect between the furious public debate over health care reform, with its emphasis on the cost of an increased government role, and the nonexistent discussion about the far more expensive and largely secretive government program to bail out Wall Street. Why the agitation over the government spending \$83 billion a year on health care when at least 20 times that amount has been thrown at the creators of the ongoing financial crisis without any serious public accountability? On Wednesday, the *Wall Street Journal* reported that employees of the financial industry that we taxpayers saved are slated to be paid a record \$140 billion this year.

If you want to know who actually runs this country, just look at the phone logs, released by court order last week, revealing Geithner's nearly constant calls to solicit the advice of the fat cats who caused the banking implosion. It's the same as when he was chair of the Federal Reserve in New York, before Obama appointed him to his current job. Only back then, as he blithely ignored the impending financial meltdown, it was easier to have lunch with the bankers as well as to chat by phone.

In an earlier Freedom of Information exposé, *The New York Times* reported in April: "An examination of Mr. Geithner's five years as president of the New York Fed, an era of unbridled and ultimately disastrous risk-taking by the financial industry, shows that he forged unusually close relationships with executives of Wall Street's giant financial institutions. His actions, as a regulator and later a bailout king, often aligned with the industry's interests and desires, according to interviews with financiers, regulators and analysts and a review of Federal Reserve records."

Nothing has changed since then.

#4) [Geithner's All Ears for Debt Cartel](#)

“Months ago, a former chief economist at the IMF called it mind control. Talking to Simon Johnson of the Atlantic Monthly, he explained that one of the most alarming truths laid bare by the economic crash was that the finance industry had effectively captured the thinking of government.

“That’s going too far,” said reasonable people. “This is no Banana Republic run by crony cartels.”

That was before we read Tim Geithner’s phone records.

Thursday’s AP report shows executives at a handful of companies — Citigroup Inc., JPMorgan Chase & Co. and Goldman Sachs — had not just the ear, but both ears of the Treasury Secretary to the exclusion of other even bigger and more troubled banks, and legislators.

As AP points out, Geithner had more contacts with Citigroup than he did with Barney Frank, D-Mass., the lawmaker leading the effort to approve Geithner’s financial overhaul plan. And Geithner’s contacts with Lloyd Blankfein, the chairman and CEO at Goldman, way outnumber his contacts with Sen. Christopher Dodd, D-Conn., chairman of the Senate Banking Committee.

After the week this May when GM almost went bankrupt and the government was considering a federal takeover, the treasury secretary called Blankfein, then Jamie Dimon, the boss at JPMorgan. Then Obama called and as soon as they hung up, Geithner was back on the phone with Dimon. Poor California Democrat Xavier Becerra — who handles silly stuff like taxes and budgets. He had to leave a voice-mail message. And Geithner wasn’t talking to all bankers — mostly with people he served on nonprofit boards with, and hung out with socially.

So . . . where others have drug cartels, we have a debt cartel? It’d be clear by now if Geithner was just listening to his friends to hone his arguments against greater bank consolidation, debt securitization and finance over industry but Geithner has yet to show any sign of breaking with his Wall Street pushers.

In a Banana Republic we’d pay out protection money. Oh, but I forgot, we did that already.”

#5) [Paulson's Revealing Phone Records](#)

While the economy was crashing last year, exclusively analyzed telephone records reveal the ex-Treasury secretary [Hank Paulson] was talking far more to Obama and Geithner than Bush and McCain.

Timothy Geithner’s just-released phone records caused quite a stir last week—specifically, the absurdly small Wall Street circle Obama’s Treasury secretary has consulted during one of the most critical economic periods in U.S. history. Yet as Winston Churchill once said, “The farther backward you can look, the farther forward you are likely to see.” Understanding the situation we’re now facing requires an examination of how things went down among him, former Treasury Secretary Hank Paulson, and the most influential financial titans on the planet, during the bailout and bank landscape carve-out period....

The information doesn’t come in ready-made easy-to-digest classifications, but combing the logs reveals four interesting facts:

a) Paulson and Geithner Were Tight.

Sure, you’d expect close contact during a crisis, but we’re talking really tight. During those seven months, the two chatted 416 times compared to the 268 times Paulson spoke with Federal Reserve Chairman Ben Bernanke, who had final approval on all the mergers and bank holding company designations.

Even the nature of the Paulson-Geithner records indicates just who Paulson's "go-to" guy really was: Bush's Treasury secretary made almost twice as many outgoing calls to his eventual successor (279) as to Bernanke (150). With Geithner at the helm of the New York Fed, it extended \$4 trillion, or 76 percent of the \$5.3 trillion of Fed facilities, cheap loans, and other monies made available to the banking industry at the height of the fall crisis. While the Fed refuses to disclose the exact nature of collateral and recipients of that aid, we now know that there were almost no calls to smaller bank leaders during the crisis.

b) Obama Was Fully Engaged With Paulson During the 2008 Campaign

That the meltdown dovetailed with a presidential general election was extraordinary; equally extraordinary was how much both candidates, then-Senator Barack Obama and Senator John McCain, were interacting directly with Paulson, in comparison with his boss, President George W. Bush. And between the former pair, it was the candidate from the opposition party, Obama, who was far more plugged-in, engaging in 26 direct calls with Paulson, compared with 14 for McCain. (For comparison, Bush logged in 24 direct calls, plus 27 conference calls or meetings). Paulson placed more than twice as many individual outgoing calls to Obama (14) as to President Bush (6).

After Obama was elected, his conversations with Paulson dropped off dramatically. Clearly, he was then engaging with his own team.

c) Paulson's Big Three: Goldman, Morgan Stanley, BofA

As bank monikers and sizes were changing, Paulson gave the most access to the trio of Lloyd Blankfein, who succeeded him as Goldman Sachs CEO, Morgan Stanley CEO John Mack and Bank of America CEO Ken Lewis. Not shocking given the frenzied, desperate times; Blankfein and Mack were trying to transform their investment banks into bank holding companies, to gain greater access to federal capital. Lewis, of course, was dealing with the whole Merrill Lynch merger issue. (With that out of the way, Geithner's calls to Lewis dropped considerably.)

But, the four-day period of greatest call concentration is particularly striking. This was after Lehman tanked and Bank of America got stuck with Merrill. Between September 18 and 21 (when advantageous bank holding company status was approved for Goldman and Morgan Stanley), Blankfein far outpaced Mack in terms of calls with Paulson. He put in 11 and received eight outgoing (19 in total), whereas Mack only placed four calls to Paulson and received five (nine in total). This indicates the level at which Goldman Sachs and Morgan Stanley coordinated their bank holding company push—with the world crumbling, these former competitors united as friends—but also the extent to which Goldman was the main driver. During those four days, Paulson and Geithner kept up their pattern of firm contact. Paulson called Geithner 28 times, whereas he only called Bernanke 11 times, even though bank holding company approval came from Bernanke.

Other bankers were looped in, too. But again, these were mostly megabank officials, including Citigroup's senior counselor, Robert Rubin, and its CEO, Vikram Pandit (34 between them); Merrill Lynch CEO John Thain (24); JPMorgan Chase CEO Jamie Dimon (21); followed more distantly by Wells Fargo CEO John Stumpf (three).

d) Robert Rubin Was Paulson's Guy at Citigroup

Pandit may have been the CEO, but it was Robert Rubin who was Paulson's preferred Citigroup contact, engaging in 26 calls versus just eight for Pandit. No surprise: Paulson and Rubin had both been Goldman Sachs CEOs and Treasury secretaries. That's the most exclusive club out there.

Frankly, this whole group forms a little club. The New York Fed and Wall Street are historically tight. Goldman Sachs, the New York Fed, Treasury, and the White House (Goldman was Obama's second-largest campaign source of contributions) are recently tight. The day after Citigroup got a massive \$301 billion federal government guarantee, plus an additional \$20 billion from one TARP program, and \$25 billion from another, Obama selected New York Fed Chief Geithner as his Treasury secretary, and appointed former Treasury Secretary (and Rubin mentee) Larry Summers to lead his National Council of Economic advisers. The baton had been passed. Paulson effectively groomed Geithner, just as Rubin had groomed Summers and pioneered the path between the top spot at Goldman and Treasury for Paulson.

Whenever you have too much power concentrated in the hands of a few men, things don't turn out so well for everyone else. That's strikingly evident by the fallout from the crisis, and the selective bailout and favoritism of the firms in control of the access and money flow. As the FDIC comes close to shutting down its 100th small bank, Goldman and JPM Chase are getting set to announce another set of stellar quarterly results and gearing up for record bonuses. Bank of America and Citigroup are hoping to post some great numbers of their own, floated on public capital and federal aid.

What's wrong with this picture? Absolutely everything.

#6) [Geithner Aides Reaped Millions Working for Banks, Hedge Funds](#)

Some of Treasury Secretary Timothy Geithner's closest aides, none of whom faced Senate confirmation, earned millions of dollars a year working for Goldman Sachs Group Inc., Citigroup Inc. and other Wall Street firms, according to financial disclosure forms. The advisers include Gene Sperling, who last year took in \$887,727 from Goldman Sachs and \$158,000 for speeches mostly to financial companies, including the firm run by accused Ponzi scheme mastermind R. Allen Stanford.

Another top aide, Lee Sachs, reported more than \$3 million in salary and partnership income from Mariner Investment Group, a New York hedge fund. As part of Geithner's kitchen cabinet, Sperling and Sachs wield influence behind the scenes at the Treasury Department, where they help oversee the \$700 billion banking rescue and craft executive pay rules and the revamp of financial regulations.

Yet they haven't faced the public scrutiny given to Senate-confirmed appointees, nor are they compelled to testify in Congress to defend or explain the Treasury's policies.

And to the Coup Leaders Go the Spoils

#7) [Goldman Tops \\$3B in Profit, Blows By Estimates](#)

Goldman Sachs is even more golden than we'd thought. The top firm on Wall Street posted a record third-quarter profit of \$3.19 billion, a billion dollars higher than expected, thanks to returns on advising on takeovers and more aggressive investing. That quarterly result more than triples the \$845 million it posted this time last year. As for the big question of compensation, the bank said \$5.35 billion was going to salaries and the year-end bonus pool, up from last year. "Their biggest challenge and the thing that seems to get the most press is how much they put aside for comp expense," one financial analyst tells Bloomberg. "A year ago we were talking about whether they would survive and now they just have too much damn money."

#8) [JPMorgan Posts \\$3.6 Billion Profit](#)

JPMorgan, the first of the big banks to report earnings for the July-September period, reported a \$3.59 billion profit but also said it roughly doubled the amount of money it set aside for failed home and credit card loans in the quarter. The bank's earnings cheered investors, who sent JPMorgan stock and the overall market higher. Still, the bank's performance shouldn't be taken as a forecast for how well other banks did. Many financial companies don't have such big investment banking operations, which includes trading of stocks and bonds and allowed JPMorgan to overcome its loan losses.

#9) [\\$140 billion! Record Payday for Wall Street](#)

Workers at major Wall Street firms will make as much as \$140 billion this year, and the reaction from the public and Congress can already be predicted. According to an exclusive report in The Wall Street Journal, “Workers at 23 top investment banks, hedge funds, asset managers and stock and commodities exchanges can expect to earn even more than they did the peak year of 2007.” Wall Street executives will make the case that many firms like Goldman Sachs (GS) will produce record annual profit results for their shareholders, and that their stock prices have handily outperformed the market. But the board of directors approving the pay might have been better off delaying some of the payouts for a year, or reducing them in the name of self-preservation.

Nothing is more likely to anger Congress and the Administration than headlines announcing that the average Goldman employee will make \$700,000, which means its executives will make many times that.

#10) [\\$23 billion! Goldman Sachs 2009 bonuses could buy insurance for 1.7 million families](#)

It’s enough to pay the health insurance premium for the average American family (\$13,375) 1.7 million times.... Or, apparently, it’s enough to reward the employees of Goldman Sachs for a bonanza trading year, at a firm where average employee compensation was recently \$622,000 — and likely to be greater this year.

The \$23 billion figure could leave some American taxpayers woozy — the US government bailed out Goldman Sachs with a multi-billion payment last year, which the firm has since repaid. But while Goldman is likely to pay its biggest bonuses ever to employees, the firm pays very little in taxes worldwide. In 2008, the company was said to have paid just \$14 million in taxes worldwide, and paid \$6 billion in 2007. The firm’s corporate tax rate? About 1 percent. According a prominent tax lawyer, “They have taken steps to ensure that a lot of their income is earned in lower-tax jurisdictions.”

#11) [A Hidden \\$34 Billion Bank Subsidy? Study Exposes How Taxpayers Are Subsidizing Large Banks](#)

“One of the key terms to come out of the nation’s economic meltdown has been “too big to fail.” The government has funneled billions of dollars to large financial firms by arguing that their collapse would deal an irreparable blow to economic recovery. A new study has calculated the tab of the “too big to fail” approach, and it amounts to a far larger taxpayer-funded subsidy than previously thought. The Center for Economic and Policy Research says the bailout has allowed “too big to fail” banks to pay significantly lower interest rates than those paid by smaller banks. According to one estimate, that’s meant a subsidy for the nation’s eighteen largest bank holding companies of \$34.1 billion a year. That amount represents nearly half these companies’ combined annual profits.

Maintaining Their Grip: No Accountability - Lack of Reform - Payoffs

#12) [Top Financial Services Committee Members Rely Heavily On Finance Campaign Contributions](#)

One year after the biggest economic collapse since the Great Depression, Congress is still debating new financial regulations to protect consumers and prevent risk-taking in the financial sector.

The House Committee on Financial Services is currently undertaking the important first step of writing, amending and voting on some of the pieces of the long-proposed financial regulatory reform. While debating these issues top committee members have been the recipients of disproportionate campaign contributions from the very industry that they are tasked with regulating.

Twenty-seven committee members have so far received over one-quarter of their contributions from the finance, insurance and real estate (FIRE) sector. This includes Chair Barney Frank, Ranking Member Spencer Bachus, four subcommittee chairs and four subcommittee ranking members. Of the twenty-seven, twelve committee members received over 35% of their contributions in 2009

from the FIRE sector. Ranking Member Bachus, a crucial decision maker on the committee, received 71% of his campaign contributions from the finance, insurance and real estate (FIRE) sector so far this year. (These numbers run from January 1-June 30.)

For his career, the Alabama congressman receives 45% of his contributions from the FIRE sector. Bachus leads the committee in his reliance on FIRE sector campaign contributions. Bachus has taking a position in opposition to most of the regulatory reforms. Bachus recently stated in a hearing, “this is absolutely the wrong time to be creating a new government agency empowered not only to ration credit, but to design the financial products offered to consumers.”

#13) [The Fight for Financial Reform](#)

“These next few months are a time of reckoning. Every so often in American political history, a window for change opens, and the combination of crisis, leadership, and political movement makes big, positive reforms possible. That window is open now—but barely—and if we don’t act quickly the protectors of the status quo (aka lobbyists, Republicans, and so-called moderate Democrats) will succeed in slamming it shut again....

When it comes to making crucial financial reforms, we face a determined, well-heeled opposition that will wage a fierce battle every step of the way. As Alan Blinder describes in a recent New York Times op-ed, “The money at stake is mind-boggling, and one financial industry after another will go to the mat to fight any provision that might hurt it.”

The Devastation Down Below - The Ground War: Seizing Land, Assets, Property - Foreclosures, Unemployment, Underemployment, Pay Cuts - Coup Casualties

#14) [Foreclosures: ‘Worst three months of all time’](#)

Despite concerted government-led and lender-supported efforts to prevent foreclosures, the number of filings hit a record high in the third quarter, according to a report issued Thursday. “They were the worst three months of all time,” said Rick Sharga, spokesman for RealtyTrac, an online marketer of foreclosed homes. During that time, 937,840 homes received a foreclosure letter — whether a default notice, auction notice or bank repossession, the RealtyTrac report said. That means one in every 136 U.S. homes were in foreclosure, which is a 5% increase from the second quarter and a 23% jump over the third quarter of 2008.

#15) [Good News on Wall Street Means... What Exactly?](#)

It’s literally amazing to me that our press corps hasn’t yet managed to draw a distinction between good news on Wall Street for companies like Goldman, and good news in reality.

I watched carefully the reporting of the Dow breaking 10,000 the other day and not anywhere did I see a major news organization include a paragraph of the “On the other hand, so fucking what?” sort, one that might point out that unemployment is still at a staggering high, foreclosures are racing along at a terrifying clip, and real people are struggling more than ever. In fact the dichotomy between the economic health of ordinary people and the traditional “market indicators” is not merely a non-story, it is a sort of taboo — unmentionable in major news coverage.

#16) [U.S. unemployment rate closes in on 10%](#)

Sept. job losses exceed forecasts as recession’s toll hits 7.6M. The U.S. unemployment rate rose to 9.8 percent in September... The “underemployment” rate, which also counts discouraged workers and those stuck in part-time jobs who would prefer full-time work, rose to 17 percent from 16.8 percent....

The U.S. economy has lost 7.6 million jobs since the recession began in December 2007, the most since the Great Depression, the Labor

Department said. The unemployment rate has doubled.

#17) [Still on the Job, but at Half the Pay](#)

In recent decades, layoffs were the standard procedure for shrinking labor costs. Reducing the wages of those who remained on the job was considered demoralizing and risky: the best workers would jump to another employer. But now pay cuts, sometimes the result of downgrades in rank or shortened workweeks, are occurring more frequently than at any time since the Great Depression....

The Bureau of Labor Statistics does not track pay cuts, but it suggests they are reflected in the steep decline of another statistic: total weekly pay for production workers, pilots among them, representing 80 percent of the work force. That index has fallen for nine consecutive months, an unprecedented string over the 44 years the bureau has calculated weekly pay, capturing the large number of people out of work, those working fewer hours and those whose wages have been cut...

“What this means,” said Thomas J. Nardone, an assistant commissioner at the bureau, “is that the amount of money people are paid has taken a big hit; not just those who have lost their jobs, but those who are still employed.”

#18) [Bill Moyers: Wall Street Rescue Report](#)

One year after the near-collapse of the U.S. financial system, the crisis seems to be over for the banks. No one expects any of the remaining huge banks to collapse, and a few large firms — JPMorgan Chase & Co., Goldman Sachs Group and Wells Fargo — are expected to post another quarter of billion dollar profits. But according to guests on BILL MOYERS JOURNAL, ordinary Americans have little reason to celebrate the better fortunes on Wall Street. Simon Johnson, professor of Global Economics and Management at MIT’s Sloan School of Management, and Representative Marcy Kaptur (D-OH), explain to Bill Moyers that the outlook for the rest of America isn’t so rosy.

Not only are many Americans still suffering the collapse of the housing market, they say, but Congress and the president haven’t made the changes needed to prevent a much worse catastrophe sometime in the future. To highlight the disparity between bailing out the banks and helping homeowners, Rep. Kaptur points to her district, where she sees one of the now-unprofitable banks not doing enough to help struggling borrowers: “Let me give you a reality from ground zero in Toledo, Ohio. Our foreclosures have gone up 94 percent. A few months ago, I met with our realtors. And I said, “What should I know?” They said, “Well, first of all, you should know the worst companies that are doing this to us.” “Well, give me the top one.” They said, “JPMorgan Chase.”

Johnson adds that even bailed-out banks have little incentive to help homeowners: “I’m afraid that it’s pretty obvious, and it’s very tragic, that they have no interest in helping the homeowners. They make money with what they’re doing. They expected a lot of these mortgages they made to default, okay? It was in their models. A high default rate. Now, they didn’t expect house prices to come down so much. That’s where they got their losses. But **they absolutely made these loans expecting they would have to foreclose on people. And figuring they would make money on that.**“

Insurgency Fights Back

#19) [To Hell With Wall Street! Congresswoman Marcy Kaptur’s Fight Club](#)

Even the dimmest Americans know they’re getting screwed by Wall Street fat cats, and nothing could have made that reality clearer than the bailouts: \$1 trillion dollars of taxpayer money that went to line the pockets of the guys and gals who crashed the economy. And if that wasn’t bad enough, once the fat cats and credit card companies’ armies of Repo Men were through collecting the contents of the houses, they came back for the houses themselves.

The banks tried to sell the old, familiar lie that “irresponsible people” i.e. “black people” went and got themselves into a mess they couldn’t dig themselves out of, which was almost always a lie. Subprime lenders issued mortgages in a predatory fashion, frequently lied, and used creative math to convince people they could afford mortgages with hidden, adjustable interest rates. Those that can afford to play Capitalism: The Game prosper, while the rest of society suffers. Of course, those of us who don’t work for the Big 4 banks in the Too Big To Fail gang, wither and die.

Today, The New York Times announced the 100th small bank failure of 2009. Don’t expect any mourning. The bank isn’t named “JPMorgan Chase.” It’s projected that by 2012, there will be eight million home foreclosures in the United States. Lots of politicians are siding with the banks during the foreclosure epidemic, but a few brave souls are standing up to the Wall Street criminals....

In other words, Kaptur started a peaceful Project Mayhem, a revolution where the wronged refuse to happily play their parts in a fixed game concocted by Wall Street and the government, who work hand-in-hand to protect a tiny coterie of wealthy people, while average Americans unwittingly pick up the bill in a Corporate Socialism system that should really be called the United States of Citigroup, J.P. Morgan, and Goldman Sachs.

Kaptur knows the business world operates on precariously narrow tightropes of paper trails. Without the records of transactions, it’s difficult for large banks and businesses to prove homeowners and customers are in debt.

“Produce the note,” says Kaptur. She means that the banks must produce the mortgage they claim to own. The beauty of this system is that most mortgages were flipped, chopped up, and sold to other lenders and servicers during the lending boom feeding frenzy. As a result, many of the new lenders don’t have the proper paperwork to show they own the mortgage.

And without that proof of mortgage, the banks cannot legally kick people out of their homes. Not only that, but this puts a homeowner in an excellent position to renegotiate a mortgage.

#20) [Publicly-Owned Banks Can Help States and Residents](#)

State and local leaders are considering creating publicly owned banks that can funnel credit to where it is needed most: directly into the local economy.

The credit crunch is getting worse on Main Street, despite a Wall Street bailout now in the trillions of dollars. The Federal Reserve’s charts show that “base money” is rapidly expanding—meaning coins, paper money, and commercial banks’ reserves with the central bank. But the money isn’t getting where it needs to go to stimulate economic growth: into the bank accounts of American businesses and consumers. The Fed has been pumping out money to the banks, and their reserves have been growing at unprecedented rates, but the money supply in the real economy has been declining.

According to Ambrose Evans-Pritchard, writing last month in the UK Telegraph, U.S. bank credit and M3 (the broadest measure of the money supply) contracted over the summer at rates comparable to the onset of the Great Depression. In the summer quarter, U.S. bank loans fell at an annual pace of almost 14 percent. “There has been nothing like this in the USA since the 1930s,” said Professor Tim Congdon of International Monetary Research. “The rapid destruction of money balances is madness.”...

Local Government to the Rescue?

The Fed may have played all its cards, but state and local governments still hold a few aces. Some local politicians are looking into the feasibility of opening their own publicly-owned banks, providing them with their own credit machines. A new publicly owned bank would have a clean set of books, untainted by the Wall Street addiction to gambling in complex derivatives; and its profits would go back to the local government and community, rather than being siphoned off in exorbitant salaries, bonuses, and dividends. A publicly-owned bank could funnel credit where it is needed most, directly into the local economy.

Congressional Hit Job: Defunding Insurgency Organization ACORN

#21) [Entrapping ACORN](#)

ACORN, an umbrella organization of community groups that serves poor people in major cities across the country through housing, legal advocacy, family services, and higher wages, has lost all federal funding, after decades of working for low-income, disadvantaged Americans.

That the House of Representatives has moved swiftly on anything is stunning in and of itself. More stunning, this is in response to a single independent report by conservative activists, with no follow-up investigation, no hearings...

#22) [The ACORN Standard](#)

ACORN, like all organizations receiving federal dollars, should be subject to Congressional scrutiny. But ACORN was clearly singled out for political reasons. Those Democrats who voted for the “defund ACORN” bill should be required to explain their reasoning to their constituents, particularly when so few of them have taken substantive actions to apply the ACORN standard to corporate criminals with real rap sheets.

What YOU Can Do To Fight Back:

#23) [Take America Back From the Banks - Showdown in Chicago](#)

Reining in the financial industry’s power and greed will be a long, hard-fought war. But it is one that must be fought. The elites hate to acknowledge it, but when large numbers of ordinary people are moved to action, it changes the narrow political world where the elites call the shots.

Inside accounts reveal the extent to which Lyndon Johnson and Richard Nixon’s conduct of the Vietnam war was constrained by the huge anti-war movement. It was the civil rights movement, not compelling arguments, that convinced members of the US Congress to end legal racial discrimination. More recently, the town hall meetings dominated by people opposed to healthcare reform have been a serious roadblock for those pushing reform. Those disgusted by the bank bailouts, and the bankers who brought us this recession, will have a chance to make their views known when the American Bankers Association has its annual meeting in Chicago this month. A large coalition of labor, community and consumer organizations are organizing a protest at this “Showdown in Chicago”....

To summarize: the bankers wrecked the economy with their greed, ran off with taxpayer dollars in a massive bailout and now plan to raise taxes for the rest of us. If that picture doesn’t sound quite right, then go to Chicago....

The policies that will rein in the banks: reform of the Federal Reserve Board to make it democratically accountable, a tax on financial speculation to pay for the bankers’ mess and restrictions on the bank abuses of consumers that caused the carnage have support from people on both the left and right.

A bill that would require the Fed to disclose what it did with more than \$2tn in loans to banks and other financial institutions was originally co-sponsored by Ron Paul and Alan Grayson, one of the most conservative and one of the most progressive members of Congress. Due to public pressure, it now has more than 270 co-sponsors.

This is exactly the sort of alliance that gets the elite worried. Reining in the power of the financial industry will be a long, hard-fought war, but it is one that must be fought. President and Nobel peace prize winner Barack Obama may not have been able to bring the Olympics to Chicago, but everyone who wants to retake our country from the banks can bring their backside there on 25 October.

Masters Of Finance

Come you masters of economics
You that build all the markets
You that build the debt plans

You that build the big banks
You that hide behind walls
You that hide behind desks
I just want you to know
I can see through your masks...

#24) [Unmask The Federal Reserve Campaign - Send a Message to Your Senator](#)

Where's Our Money? Chairman of the Federal Reserve, Ben Bernanke, is up for confirmation to his second term, but he has still refused to disclose where he sent \$2 trillion in taxpayers' money. Send a message to your Senators and ask them to make Bernanke come clean before his confirmation moves forward!

P.S.

The Day People Come to Realize how much money has been stolen from them, and be assured, that day of reckoning is coming, and when it comes history will look back on this cartel of bankers as the modern world looks back at Nazi Germany. Their greed has inflicted immense human suffering the world over. Their greed has brought humanity to a breaking point.

Once again, we're not giving you hyperbole, we are just telling you the facts.

~ David DeGraw, AmpedStatus Report

The CIA Myths & the Reality

by Fintan Dunne, Editor, BreakForNews.com
20th December, 2005

This is a compilation from the research, writing and audio on BreakForNews over the last year. It brings together the key themes we have explored as we developed the case on the CIA Internet Fakes.

It's trimmed to the minimum so that those not familiar with our analysis have a comprehensive overview that shows a flavor of what has really been going on.

--Fintan Dunne

THIS IS A DRAFT VERSION. EXPECT A TIGHTER EDIT OVER THE NEXT FEW DAYS.

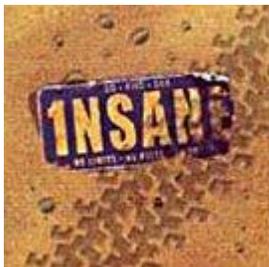

A: THE CIA MYTHS

An alternative media article about 9/11 from The San Francisco Bay Guardian, which went beyond the usual knee-jerk 'conspiracy nuts' angle, noted that:

"As the public reached its pinnacle of being open to considering alternative views of 9/11, the truth movement fractured into disparate subgroups, each pushing its own pet theories, torn by internal divisions over strategy, and unable to mount a cohesive strategy that would break through the din of election-year politics.

This fracturing was, of course deliberately engineered by the disinfo agents in the 9/11 movement. Indeed, the 'splits' were a carefully planned and integral part of the coverup from the start. The establishment has been actively 'managing' the 9/11 skeptics all the while -with a focussed plan which relied upon the guaranteed reelection of G.W. Bush.

A 9/11 movement was inevitable. When it arose, the establishment was there in advance, waiting for it with open arms. Many genuine people play key roles in the 9/11 movement, but are outnumbered by the operatives. 'Management' of the aftermath was always integral to the plot, and was likely resourced more heavily than the attack scenario itself.

Another part of the gameplan was to **start** with a reasonably sensible 9/11 movement. But they don't want a functioning 9/11 movement around forever.

The longer-term idea was to have the whole host of investigators and activist leaders take each other out, and thus run the movement into the ground.

If you remember back, Ruppert was to first to bite the dust, in a controversy over his promotion of the

Peak Oil issue (a pro-nuclear power psyop]. Now, that was no accident. Ruppert was/is disposable. You see, they **all** are.

The next pre-planned outing was John Gray of 911Truth.org -whom Daniel Hopsicker linked to funding by arms dealer, Adnan Kashoggi. Once again -no accident. Build up 'heroes' of the 9/11 issue. Then later expose their deliberate flaws to cause their supporters to loose heart.

About a year ahead of the Kerry presidential bid 'defeat', they began a slow escalation of the process of undermining their collective credibility.

Also note when the official 9/11 report was released. This was timed so that activists would be busy with opposition to the Iraq War and the forthcoming Kerry presidential bid. But, the **big idea** was that the 'defeat' of Kerry would be the final blow to 9/11 activists already reeling from seeing their heroes' feet of clay --as exposed by all the 9/11 flame wars.

Furthermore, as soon as Kerry was 'defeated', left-wing activists were soon chasing their tails about the stolen election. So, by the time that was all over, the 9/11 issue was firmly on the back-burner.

SELF-DESTRUCTING FAKES

Remember back in the summer of 2004. Everybody Knew Bush was going down. Despite the official polls, true sentiment in the U.S. was running 60:40 against the president. Actual votes on the day were likely to run around Kerry 55/Bush 45.

Nobody expected Karl Rove to take this lying down, so when pundits predicted he was about to stage the 'capture' of Osama, or was plotting a fake terrorism attack to boost Bush, it seemed credible.

This perception was reinforced by the like of Wayne Madsen's confidential 'sources', who in the closing stages of the election campaign reported that the terror strike was imminent.

It never happened. The elite didn't ensure Bush's reelection by means of a fake terror strike.

They stole the election instead. As they had always planned to do. While carefully misdirecting us to look elsewhere during the run up. Now that's good quality disinformation. Notice the emotional surface appeal of the terror attack spin. Always the appeal to the emotions -to get reason looking the other way.

And when we finally realized that ballots -not bullets- were the KO punch, leading election fraud activist Bev Harris of BlackBoxVoting.org staged her own spectacular self-destruction on Air America's Randi Rhodes show. Just to make sure your vote-fraud outrage was axed by one of it's 'leaders'.

Just to make sure you could blame Bev when nothing happened about the stolen election. Another convenient scapegoat -just like Kerry. All of which disilluioning of opposition comes copyright COINTELPRO, 2004 via Air America, MSNBC and the Green Party's David Cobb Democracy Memorial Fund.

But, hey! Bev looked good for a while there. As did MSNBC Countdown's Keith Olberman -stolen election hero of the left- while he helped box a national controversy into 20 minute slots on liberal cable. Yeah that was a breakthrough, wasn't it? NOT.

TABLOID FAKES

The next phase of the plan was for those who started out making some sense on the 9/11 issue to get more and more shoddy; more hysterical in tone; and slowly turn into virtual caricatures of 'conspiracy nuts'.

Satanic rituals(Alex Jones), Homosexuality and child prostitution have already emerged as key themes(Jeff Gannon). All this happens slowly. But the whole effect is rather seedy. It's meant to be.

Who can forget GannonGate: a mutedly salacious gay version of MonicaGate. The sex scandal rocked the Blogsphere -conveniently giving investigative blogs a discrediting tabloid sheen in the process.

The GannonGate team accelerated a planned downmarket shift into the cosy, elite-funded internet conspiracy market. Where GannonGate had to compete with Peak Oil, imminent asteroid impacts, earthchanges, alien abductions, and other fantasies designed to give 'conspiracy theory' a bad name.

The wild spin was that Gannon is actually Johnny Gosh -kidnapped as a child and used as a plaything of Washington politicians. An affidavit in a lawsuit was used as part of 'evidence' that a "vast network of children [was] trained to work for the government and participate in deviant sexual acts to make the blackmail of politicians possible." It's National Enquirer material.

The same applies to the story of Clint Curtis and Florida Republican Tom Feeney. Wayne Madsen's active here again -moving from predicting the 'terror strike' that never happened, to helping to launch this account of a computer vote-stealing plot in Florida. Bradblog is a key vehicle for the Feeney tale, and a tame mainstream hack has recently been wheeled in to try kickstart some interest in the story.

None of these internet sensations will ever discomfort the mainstream. They, and a plethora of similar spins are intended to waste your time and divert your energy as surely as the Osama no-show terror attack.

A fake alternative media unable to champion the real issues, is in continual desperate need of half-plausible-sounding drivel to fill the pages and try divert from real alternative news.

The Orwellian news managers have the market beautifully segmented by see-no-evil Chinese walls, which allow the manufacture of crude opinion zones: Fox News fanaticism; gun-totin' Patriots; Mainstream myopia; Soros-funded MoveOn; Deaniac Dems; the Green Gremlins; CounterPunching Lefties; 9/11 Truthers; God-dammed Communists; and End of the Worlders.

The information war boys have a gambit for each of those markets. And they have a wide range of specialist media fronts, well placed to roll out these ploys. It must cost a bundle, but hey, your taxes

pay for it all anyway.

That's the difference between BreakForNews.com and this host of 'alternative' websites and radio feeds carrying a diet of information, rich in subtle (and not subtle enough) disinformation. We don't have their kind of reach or that level of unlimited budget for unprincipled bullshit.

Yeah, Jeff Gannon was leading to the inevitable downfall of Karl Rove. Just like that terror attack in October '04 which got Bush reelected.

FAKES TO CONFUSE

In one fell swoop Sibel Edmonds offloaded blame from the CIA --and spread it across the FBI, the State Department; an unnamed (i.e. Mossad) foreign intelligence operation; and a non-terrorist criminal network.

Quite a feat.

Soon, from miles away in Florida, Daniel Hopsicker, with help from Atta's girlfriend Amanda Keller was insisting that Edmonds' story dovetailed with his discoveries of a drug network linked to 9/11. His list of Florida-based villains is as exhaustive as that of the dynamic duo in D.C..

One big corner of that overall 9/11 picture is formed by four disparate-seeming individuals: a veteran whistleblower, an attractive novice whistleblower, a campaigning journalist and a reputed lingerie model; jigsaw peices called Ellsberg, Edmonds, Hopsicker and Keller. Ellsberg supports Edmonds, confirmed by Hopsicker --backed by eyewitness accounts from Keller. But they're all telling different flavors of the same story.

To specify which story that is, let's take a look at the popular tales of 9/11. The notorious main division is between LIHOP and MIHOP. But it's much more detailed than that. Explanations come in a full range of flavors --starting with the official story:

A. Official story:

CIA/FBI were incompetent; Bush and/or Clinton were complacent.

B. Official **Lame Conspiracy:**

CIA/FBI were incompetent; Bush/Cheney maybe let it happen; Israelis Knew.

C. Official **LIHOP Conspiracy:**

CIA/FBI were compromised; Bush/Cheney did let it happen; Israelis Helped.

D. Official **LIHOP Wild Conspiracy:**

CIA/FBI compromised; Bush/Cheney/Neocons let it happen; Israelis Did It.

E. Official **LIHOP Tinfoil Conspiracy:**

Israelis/Neocons/Bush/Cheney Did It; CIA/FBI looked the other way.

F. Official **MIHOP 'Serious' Conspiracy:**

Israelis/Neocons/CIA/FBI/Bush/Cheney/Military-Industrial-Complex Did It.

G. Official **Loony Conspiracies:**

Rothschilds and/or Rockefellers and/or CFR and/or Bildebergers did it.

Jews and Jewish bankers -who already run everything- did it.

Satanists, Opus Dei or Reptilians did it.

It's a terrific variety of theories.

It plays out something like this:

- The mainstream media push version A; hint at B; sneer at G.
- The controlled right/intellectual media pushes version B.
- The controlled left/intellectual media pushes version C.
- The 'moderate' Fake internet sites push versions C and D.
- The 'softcore' Fake internet sites push versions D and E.
- The 'independent' Fake internet sites push version F.
- The 'loony' Fake internet sites push variations of version G.

But every single one, from A to G are OFFICIAL versions, sanctioned and promoted by the 9/11 intelligence coverup operation and their CIA Fakes network. They have a flavor for every market.

The creation of this multiplicity of explanations is a core element of the coverup. Left to their own devices, people on the Internet might have figured out the truth themselves. But with this circus in action, there is always plenty of distraction and lots of division in opinion.

The intelligence coverup is not trying to stop 9/11 conspiracy theories on the internet. It's **creating** them. Then playing off supporters of the different theories against each other. That's a classic Cointelpro-style tactic.

The perpetrators knew that a sizeable segment of people were going to be pretty sure 9/11 was not as it seems. They don't mind that, for now. The immediate objectives are first, to stop these skeptical views from gaining hold in mainstream opinion. Second, to prevent a coherent view forming which could convince a much broader number of people -particularly those on the political left.

Antiwar.com columnist Justin Raimondo, is **as ever** pushing the "Israelis Knew/Did It" angle on 9/11. Many other CIA Fakes are heavily promoting this line, because it's a key part of what the coverup hopes will forever be the main vaguely-hinted, but **unproven** conspiracy theory on 9/11: Bush, Cheney, and Mossad let it happen on purpose.

FAKES AS DECOYS

Atta, Atta, Atta, Atta, Atta.

Each new "**question**" raised about Atta is designed to relentlessly focus on the official patsy. But you're supposed to think these are "breakthroughs" by the CIA Fake conspiracy sites.

The 9/11 perpetrators carefully designed this wild back-story for Atta in every detail, but you are not supposed to figure that out. It's all thousands of miles from the major crime scene at the WTC, but then this is hamburger-style conspiracy marketing. Grab an Atta McWhopper.

Many of the Fakes are running the Able Danger story about a secret intelligence unit which had identified Atta either in 2000, or in late 1999 -while Clinton was still running things. The spin is that this shows how fraudulent is the Bush administration official line on Atta. As usual, it sounds promising on first sight. It's Bush's fault.

But, puzzlingly, Rush Limbaugh, Newsmax and other right-wing media are running the same story. But their take is that the Clinton Justice Department leaned on the DIA to squelch the report. So it's Clinton's fault.

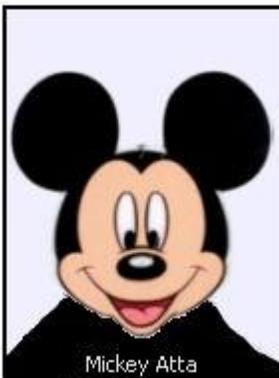

More spin alleges that the CIA knew but never told the 9/11 Commission, and that a culture of "obstructionism" still prevails in the agency. So it's the CIA's fault.

Also doing the rounds, is the account of a "suspicious" visit by Atta to a gambling ship owned by Republican money-man, Jack Abramoff. All that is being loosely connected to Al-Qaida drug dealing and money laundering. So it's the Saudi's fault.

And all the while, as Sibel Edmonds implies, it's the FBI's fault and the Israeli's fault.

Amazing, isn't it, that one story can be spun so many different directions.

Everything "discovered" about Mohammed Atta was planned. Atta-Boy's job was to smear a false trail of associations all over the Florida landscape.

Mickey Atta
BreakForNews.com

But when it comes down to it, it's all LIHOP. Bush/Cheney had the motive and let it happen on purpose. Throw in Al-Qaida, some drugs, a few Republicans and Saudis . Now you have means and opportunity. The LIHOP is complete. So, let's drop the BS.

The CIA-backed "conspiracy theory" features **scapegoats** GWB and Cheney, whose LIHOP sins will remain forever unproven, but deeply suspected.

Their official conspiracy theory **diversion patsy** is as pervasive as Mickey Mouse: the over-the-top, tabloid Atta.

The hazy connections supposedly run to the drugs trade, Jeb Bush, the Saudis and of course the Zionist Mossad [who are reputedly cunning in the extreme, but somehow also so dumb that they leave a wide trail of incompetent operatives arrested nationwide in suspicious circumstances].

In other words, the government-sponsored 9/11 conspiracy theory is a masterpiece of loose innuendo designed to appeal to many target markets. From MadCowProd to Newsmax to Time magazine.

Same story, same actors, different spins. Cute.

FAKES TO DISCREDIT

All this keeps everybody real busy. Always a new "breakthrough" on the CIA Fake sites.

Like when radio host, Alex Jones ran overblown claims linking Peter Power, a crisis management consultant and former member of Britain's anti-terror police, to a 'terrorism drill' which Jones alleges was used to provide cover for State perpetrators of the multiple London bombs.

The weekend [article](#) by Paul Joseph Watson & Alex Jones was published on the PrisonPlanet.com website.

They claimed that in a BBC Radio 5 interview on July 7th, Peter Power admitted that his Visor Consulting firm: "was running a **1,000 person strong exercise** which drilled the London Underground being bombed at the exact same locations, at the exact same times, as happened in real life."

The article went on to claim that the Visor Consulting drill: "**acts as a cover** for the small compartmentalized government terrorists to carry out their operation without the larger security services becoming aware of what they're doing, and, more importantly, if they get caught during the attack or after with any incriminating evidence they can just claim that they were just taking part in the exercise."

In fact, Power's consultancy firm was running a small "corporate wargame" drill for the management team of a British company which had **1,000 employees**. [[mp3 Audio](#)] The figure of 1,000 refers to the **size** of the company whose managers were being drilled - and **not** to the number of participants in the drill.

The London corporate drill was just a glorified administration seminar where managers get to use security buzzwords --while seated around an office table guessing how they would respond to loss of available staff for call centers, power outages, or travel restrictions, etc..

The hype, was subsequently used to laugh off critics of the official line on both the 9/11 attacks and the London bombings. The article turned all skeptics into tinfoil hat fodder. The whole thing was deliberate decoy designed to allow mainstream media to later ridicule 'conspiracy theories' which turn out to be untrue.

U.K. TV *Channel 4* is used the Alex Jones' article to sneer at bloggers and alternative media. News reporter JJ King wrote:

Prison Planet, in an article entitled 'London Underground Bombing "Exercises"' argued that the simulated attacks were, whether Power knew it or not, intended to act as a cover for the real ones. News agency Al Jazeera agreed, baldly asserting that 'The London Underground exercises were used as the fallback cover to carry out the attack.'

King then quoted my article debunking Jones (which I knew the mainstream probably would do, but I had to try prevent alternative media walking wholesale into the setup.)

In fact, the 'exercises' he spoke of on Five Live were carried out purely 'on paper', or at least PowerPoint, by a small group of seven or eight executives..." As Fintan Dunne, editor of BreakForNews.com points out, 'these types of private-sector "risk management" drills never use field staff.

What was galling was that the London bombs black op was full of holes, but that information sort of got lost as the sensational claims fall flat. [more]

FAKES AS DIVERSIONS

Not only can the CIA Fakes be used to decoy away from such operations, they are also useful to create complete diversions, which contain misleading spin.

Like when Seymour Hersh "uncovered" information about Bush plans to attack Iran.

Back in January, 2005 Hersh kicked off with his article 'The Coming Wars'. Then Scott Ritter fanned the flames in April with his prediction on disinfo site AlJazeera.com that by June, 2005 the U.S. was set to invade Iran. On Counterpunch.org, Gary Leupp told us that "Reports about the recent flurry of Iran-Iraq diplomacy must shock the neocons."

A reality check would have revealed that the U.S. was logistically, militarily and politically sinking in the mire in Iraq -thus in no position to take on any new adventures. It was laughable then, to see the Seymour Hersh 'exclusive' marketed to public opinion in the U.S. -like it was a real discovery of secret Bush plans. It was downright side-splitting to see a raft of gullible/useful left-wing commentators promoting this lie.

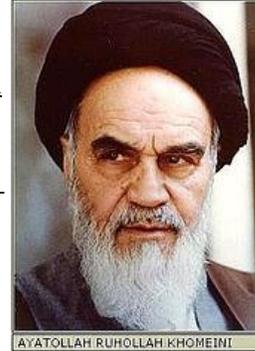

Could Hersh really be so dumb as to fail to see he was being used? Was everyone else just as credulous? Or is it just that the CIA hacks outnumber semi-journalists by enough to guarantee these disinformation campaigns will always work?

Why do you think that there is no trouble in the Tehran-dominated Shia south of Iraq? Why do you think the U.S. invaded Iraq in the first place? Because they knew there would be **no** problem in the south. That's why the British got the easy job of occupying the region --while the GI's were sent north to demolish the Sunni, who were the **real** target of the invasion.

Yes, there were a few hotheads in the south, but nothing the combined wits of Sistani and Al-Sadr

couldn't carefully defuse with the help of some well-timed, persuasive, military muscle from their friends in high places. Our high places.

The Iraqi Shia leadership have been in the bag from the get-go. Because the Iranians are U.S./British/French tools in the region for a long, long time. The British and the French have been in on the whole Iranian revolution from the start. In the 1970's, Ayatollah Khomeini wasn't staying in Paris to see the nice pictures in the Louvre.

Our boys run Iran like they used to run the old Iraq -by means of intelligence-controlled stooges. That's why it was so easy to arrange the Iran-Iraq war.

FAKES AS FLIMSY TINFOIL

We did a radio show about WingTV [mp3] -who have been cheerleaders for the 'truth' on 9/11. Our report detailed how cosy they had become with Rick Stanley, from the gun-totin' fringes of the already fringe Patriot Movement.

That kind of association gives 9/11 research a big image problem. One that serves to discredit the whole movement. By accident or design.

It gets worse.

Another 'champion' on the 9/11 issue is Jim Marrs, who has written and spoken on the subject a great deal. Which means that this lecture booking of his has similar troubling associations:

The Earth Revelations 2012 Series

Join Tricia McCannon, internationally known author, speaker and Founder of the **UFO Forum** as she kicks off a phenomenal 13-week audio visual series on Star Gates, UFO's, DNA Activations, **Alien Visitation**, Prophecies, Revelations and Planetary Awakening.

WEEK THREE: Gorgio Bongiovanni - An Italian Peacemaker and **Contactee** with the **full Stigmata** reveals the appearance of **Mary the Mother** in broad daylight that blasted him with light for the first of the signs of the full Stigmata.

WEEK FIVE: **Jim Marrs, Investigative Reporter** and author of "**Alien Agenda**," and "Ruled by Secrecy" – Speaking on "**Inside Job - Unmasking the 9-11 Conspiracies**"

Now, when you and I say that 9/11 was an inside job, we mean that political forces were behind the attacks. But the company that ace reporter Marrs keeps is disastrous for any credible questioning.

Yeah, maybe the Virgin Mary secretly arranged for aliens to carry out the attacks. Marrs has been on leading 'investigative' shows like Coast to Coast and Jeff Rense. Once Rense had David Booth on a number of times about an asteroid that was going to destroy half of America when it hit. Never happened. But you can't be too careful.

In the world of the CIA Myths, 9/11 was a Bush/Cheney rogue cabal plot. But the trail is confused

and hopelessly compromised by deliberate ineptitude of research and analysis.

Or then again, maybe the aliens did it.

B: THE REALITY

A WORLD CLASS PSYOP

Naomi Klien has written about the methodology of the psychological warfare being conducted by the U.S. against its own citizens and the rest of the world. She finds evidence of this tactic in way torture is being used to engender fear and so function as a mechanism of social control:

...This fear has to be finely calibrated. The people being intimidated need to know enough to be afraid but not so much that they demand justice. This helps explain why the Defense Department will release certain kinds of seemingly incriminating information about Guantánamo--pictures of men in cages, for instance--at the same time that it acts to suppress photographs on a par with what escaped from Abu Ghraib. "

This strategic leaking of information, combined with official denials, induces a state of mind that Argentines describe as "knowing/not knowing," a vestige of their "dirty war."

A fine example is the deliberately created plethora of glaring anomalies in the video depicting the beheading of Nick Berg. Viewed on face value (not knowing), the video looks like a ruthless and savage act by Iraqi 'terrorists'.

But Berg was shown in video wearing orange jumpsuit identical to the jumpsuits used at Guantanamo.

Nick Berg & Lyndie England
Seated in same type of chair

BreakForNews.com
13th May, 2004 10pm ET

The chair that Berg was seated in during the filming was the exact same kind as seen in a color photo taken at the Abu Ghraib Prison. The walls and baseboard seen were the same color as in Abu Ghraib prison.

Thus mainstream 'not knowing', was counterpointed by the internet 'knowing' the murder of Berg was an inside job. Among the 'not knowing' the Berg video served to smear Iraqis as 'animals'. Among the 'knowing' it was meant to intimidate antiwar resistance.

Both groups were manipulated by video images which were traumatic to view. It's called trauma programming. From Guantanamo to Berg has been one massive PsyOp to ensure you get the message that resistance is useless and downright dangerous.

And the same type of tactics have been used to intimidate those who see through the pretence of arab hijackers being responsible for 9/11. The

September 11 attacks were coincident with the release of the CD 'Party Music' by the group 'Coup'. It was a classic of PsyOps technique -which triggered the destabilizing flip/flop between knowing and not knowing that a coup had just taken place in the USA.

What is eerie is that other than Naomi Klien, nobody in the mainstream is writing about the widespread use of these Psywar tactics in news content aimed at Western civillian populations. Are the media -mainstream and alleged alternative- **really** that dumb?

HERDING THE SHEEP

Live8. There hadn't been anything like it since... well since the last Pharma-inspired major world PsyOp: the so-called SARS epidemic which 'raged' at exactly the time the U.S. wanted to turn eyes away from Iraq -and yet maintain the elevated sense of threat which the Iraq invasion had created. Pharma's interests and those of the G8 New World Order are as one, needless to say.

Populations who perceive themselves as under threat are more right-wing in their political and social expression. Which is why these PsyOps are ruthlessly deployed to set the tone of public attitude -with a lot of help from Big Media.

The whole global campaign on debt relief was political-psychological operation from the start. A trap. The technique works like this:

Just as in military matters, you never fight an enemy on ground that doesn't suit you.

You manouver your enemy into a landscape as disadvantageous as possible. Then you meet and defeat. Similarly, in Machiavellian political manouvering, you don't wait for an issue to get to the point where it is a problem. Well before it gets to that point, you meet the issue head on --but on grounds of your choosing.

The issues of natural justice and global equity are and impediment for an imperial G8 determined on colonial-style exploitation. So, what better way to meet the issue than by cynically raising hopes in advance, in the sure knowledge these hopes will be dashed, by a bombing which will also reinforce the G8-backed **War on Terror**?

A **double-whammy** of psychological warfare which serves the short term war support issue and the long term global equity issue. If that thought is too much for you, stop reading long articles like this and go back to comics.

The London bombing attacks conform to a pattern of civilian-directed psychological operations, of which the Bali and Madrid bombings were a precedent. The bombings came just a day after London was selected to host the 2012 Olympic games,

and after the world focus on London as part of the Live 8 concert events. Were the attack to have taken place just 24hrs. before -it would have scuppered London's bid for the games.

Leaders of the G8 immediately lined up somberly behind British prime minister, Tony Blair as he vowed to win against the "terrorists." U.S. President, George W. Bush later declared that "**the war on terrorism goes on.**"

The resulting public relations image portrayed by the western corporate media, effectively presenting the G8 as a de facto world government, rising to power on the basis of their self-portrayal as defenders of our freedoms.

And, sidelined by the London bombs, the debt-relief campaigners were effectively dismissed.

We are witnessing a series of choreographed psychological-military operations inspired by core elements of the G8, which are designed to stampede people into casting aside hard won civil liberties, while moving to a global governmental/military/economic order based on the values of power and money -not social development, equity and justice.

Can we see signs of the same cynical technique of the calculated smashing of the hopes of ordinary people being applied elsewhere? Unfortunately, we can.

THEM BONES

After the presidential 'election' of 2004, John Kerry should have taken a chopper to some aircraft carrier and pose in front of one of those "Mission Acomplished" banners.

John Kerry's lasting legacy in American politics will be as the willing enabler of the destruction of Fallujah (a city 300,000 had called home) and the slaughter of around 6,000 mostly civillian inhabitants. Kerry's slick Hari-Kari created the opening. The U.S. military drove through the gap, while a numbed and PsyOp'ed U.S. (and world) population flailed around trying to understand what had just happened.

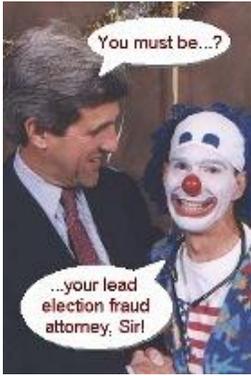

Protests took place across the world marking the second anniversary of the invasion of Iraq. New York activist Michael Letwin told the BBC: "I think Bush's re-election took the steam out of the anti-war movement".

Which is *precisely* what Kerry's pied piper, alternative candidacy pretence was intended to achieve. The Kerry presidential bid co-opted anti-war sentiment; diverted resistance from anti-war protest to pro-Kerry canvassing; and then disenchanted the opposition to the war when their 'hero' fell without substantially challenging the "stolen election."

In truth, the establishment runs all major political movements in the USA. From the Republicans to Nader. From the Democrats and Greens to the gun-totin' patriots. It's the best democracy money can buy, USA-style.

POLITICAL FOOTBALLING

A key objective of the elite agenda was, and is to use resistance to Bush as a recruiting sergeant for a "grassroots" relaunch of the Democratic Party. That's why we have had the Move-On phenomenon and the lavish funding of the 'soft' left by a Bush opponent(don't make me laugh!) like George Soros.

Think of it as an outreach program akin to that used to engineer the ascension of Yushchenko in the Ukraine. The process continues with the elevation of Howard Dean to chair the DNC-in a rebound from his pre-arranged exit from the presidential campaign. Dean and the Dems are still selling hard, but buying interest is low.

"Shock and Awe" is the U.S. military's term for the psychologically-oriented mass bombing of Iraq. "Shock and Awe" is also the modus operandi in political assassinations (JFK, Diana, Sgrenna) and in political suicide, Kerry-style.

The 'defeat' of Kerry in the stolen U.S. presidential election --which in advance had raised such high hopes on the left in the U.S.-- shattered the left psychologically and nipped the U.S. anti-war movement in the bud.

The establishment knew in advance that Kerry would lose. Partly by arrangement with Mr. Kerry, and partly by means of being able to tweak the electronic voting system in the U.S. to ensure a Bush victory. Therefore they knew they would send packing a horde of left-wing voters symbolically led by John Kerry, the pied piper of the losing team.

But that still left them a problem. The hard-core left activists would not slump off as readily. And they knew about covert control of the electronic voting systems. So they would immediately start making noise about all that and might spoil the illusion of democracy. So, what to do?

The answer was tactically brilliant. Why not dupe the left **again** --using the same tactic and the same person? If the broad mass of voters could be suckered into backing Kerry --only to be stunned by the betrayal, then why not pull the same stunt immediately afterwards on the hard-core activists who remain.

Seed their doubts using a Zogby poll and some provocateurs. Get the plastic John Edwards to make an election night promise that "every vote will be counted." Have the Kerry campaign make ambiguous moves that indicate he is going to challenge the result. But then, after weeks of raised expectations, have him fail to deliver. You can't really challenge an election if the challenger won't challenge, so in the let-down, the issue will fizzle out.

PSYOPING SINCE 1984

The attitude to Africa which the G8 wanted us to have is that it should be seen as a failing continent in need of a swift neocolonial power-grab by the G8 to rescue it from the maw of both AIDS and poverty. [See: [Dawn of the G8 New World Order](#)]

So, here's how this will really pan out: the debt-relief will be used to copperfasten the dependence of

African governments on the G8 and as a lever to secure ruinous 'fair' trade deals. A lot of any extra aid will be funneled through Paul Wolfowitz's World Bank.

The Pharma people will pocket much of the rest -as profit from discounted sales of failing toxic AIDS drugs. All of this ushered in as a 'feel good' phenomenon by wealthy revolutionaries, against the unworrying background of the banal lyrics of mass-market pop-pap music.

But what makes this global African Colonization PsyOp so ironic for Africa is that the whole AIDS paradigm on which it is based has **itself** also been a PsyOp from the start.

The AIDS hysteria was launched in (appropriately) 1984 under Ronald Regan's presidency. HIV was the Osama Bin Laden of 1984. The evidence that the virus was the real cause of the disease was about as flimsy and/or nonexistent as that linking Osama to 9/11. And we are still waiting for that evidence in both cases.

Both 9/11 and AIDS have fulfilled the fear, terror and social hysteria agenda of the G8 NWO. Their astounding success with AIDS led directly to 9/11.

AIDS is a concocted disease syndrome which now lumps together a range of illness from tuberculosis to cervical cancer to malaria and hypothesizes that these are new AIDS-versions of the same old diseases. The so-called 'gay-plague' made scapegoats of gays in the U.S. and around the world. Pharma-funded gay health groups sold the party line to their members with backing from a hysterical media. It played just like the Iraq WMD hysteria.

The invented 'syndrome' was not just designed to freak out gullible Westerners. It was designed to nip African independence in the bud. Why bother trying to overthrow the colonial powers pulling the strings in Africa, if the continent was doomed anyway by AIDS?

That was the PsyWar message to Africans: embrace despair and disillusion -not revolution.

It's an information age. What is going on is information warfare.

GAMEPLAN

The U.N. has rubber-stamped an Iraqi puppet government --complete with a CIA-sponsored Iraqi president --and a U.S. ambassador with a blind spot about death squads. The ultimate bad-cop: the USA, and the pseudo good-cop: the UN --are carving up Iraq together, behind a facade.

In Brussels at an international conference on the future of Iraq, U.N. Secretary-General Kofi Annan, sat down next to U.S. Secretary of State Condoleezza Rice, to lend the endorsement of the United Nations to the U.S. in Iraq.

This is the same U.N. which postured against the illegal invasion of Iraq. This is the same EU which supposedly opposed the same invasion. In the interim, the occupation forces have ironically and ruthlessly bombed Iraq with nuclear weapons; flattened Fallujah and slaughtered up to 6,000 of it's inhabitants with napalm, nerve gas and other weapons of mass destruction.

The U.N. and EU political opposition to the invasion was fake. Merely a sop to outraged public opinion in countries around the world. The gloves have been off for quite a while.

And the G8 summit in Georgia announced a 50,000 strong global "peacekeeping" force --aimed first at Africa. And they simultaneously declared a "partnership" with a zone called "Broader Middle East and North Africa." U.S. Centcom, in other words.

Next comes the carve up of Africa, and the rest of the Middle East. Next comes the continuation of genocidal policies against the world's poor. Next comes the global corporate order, resource pillage, and a modern version of old-style colonialism.

In the real world, 9/11 is no rogue Bush/Cheney operation, it is part of a coherent and calculated gambit by global corporate-sponsored imperialism.

Welcome to the G8 New World Order

MIAC STRATEGIC REPORT

02/20/09

The Modern Militia Movement

Modern Militia Movement:

The Militia Movement began in the 1980's and reached its peak in 1996. Several social, economic, and political factors contributed to the surge in militia participation in the 1990's. The primary motivator for the movement was the farm crisis of the 1980's, which caused the destruction of 3/4 of a million small to medium size family farms. Overall, 11 million Americans lost their jobs during this time period.

Academics contend that female and minority empowerment in the 1970s and 1960s caused a blow to white male's sense of empowerment. This, combined with a sense of defeat from the Vietnam War, increased levels of immigration, and unemployment, spawned a paramilitary culture. This caught on in the 1980's with injects such as Tom Clancy novels, Soldier of Fortune Magazine, and movies such as Rambo that glorified combat. This culture glorified white males and portrayed them as morally upright heroes who were mentally and physically tough.

It was during this timeframe that many individuals and organizations began to concoct conspiracy theories to explain their misfortunes. These theories varied but almost always involved a globalist dictatorship the "New World Order (NWO)", which conspired to exploit the working class citizens. United Nations troops were thought to already be operating in the United States in support of the NWO. Much of this rhetoric would become anti-Semitic claiming that the Jews controlled the monetary system and media, and in turn the "Zionist Occupied government (ZOG)". The Militia of Montana (MOM) became a key organization in pushing rightwing rhetoric and informing individuals on how to form militia organizations.

A series of incidents in the early 1990's caused a surge in militia participation. The 1992 standoff between federal authorities and the Weaver family at Ruby Ridge, Idaho became a spark for the movement. On August 14, 1992, a 12 day standoff began that would result in the death of one federal agent and the wife and son of Randy Weaver. The following February, a 51-day siege would occur at the Branch Davidian compound in Waco, Texas, resulting in the death of 82 Davidians and four law enforcement agents. In November of 1993, the enacting of the Brady Handgun Violence Prevention Act of 1992 additionally fueled the movement. The movement reached its peak in 1996 with over 850 groups believed to be operating within the US.

Noteworthy militia activity from 1995 to 1999:

- 11/09/95: Oklahoma Constitutional Militia members are arrested as they plan to bomb the Southern Poverty Law Center (SPLC), gay bars, and abortion clinics.
- 12/18/95: A drum of ammonium nitrate and fuel oil is found behind the IRS building in Reno, Nevada, the device failed to explode. An anti-government tax protestor is later arrested for the incident.
- 01/18/96: A member of the Aryan Republican Army (ARA) is arrested in Ohio after a shoot out with the FBI. The ARA was also associated with 22 bank robberies between 1994 and 1996.

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE (U//LES)

- 01/01/96: 12 members of an Arizona Militia group called Viper Team were arrested on Conspiracy, Weapons, and Explosives charges after they were caught doing surveillance on government buildings.
- 07/27/96: A bomb is detonated at the Atlanta Olympic Park, killing one person and injuring 100. Eric Robert Rudolph is later arrested and linked to other bombings at abortion clinics and a gay bar.
- 10/11/96: Seven members of the Mountaineer Militia were arrested for plotting to blow up the FBI fingerprint records center in West Virginia.
- 07/04/97: Members of a splinter group of the Third Continental Congress were arrested in the process of plotting attacks on military bases. The group thought that many military installations were training United Nations troops that were planning on attacking U.S. Citizens.
- 03/18/98: Members of the North American Militia were arrested on firearms charges; prosecutors claimed that the group conspired to bomb federal buildings in Michigan, a television station, and an interstate highway interchange.
- 12/05/99: Members of the California based San Joaquin Militia were charged with conspiracy to bomb critical infrastructure sites in hopes of provoking an insurrection. The leaders of the organization also plead guilty to plotting to kill a federal judge.
- 12/08/99: The leader of a militia coalition known as the Southeastern States Alliance was charged with conspiracy to bomb energy facilities in order to cause power outages in Florida and Georgia.

Decline of the Movement:

The militia movement began to decline after the 1995 Oklahoma City Bombing and raids on the Montana Freeman and Republic of Texas in 1996 and 1997. Poor public opinion of the militia movement and increased attention from law enforcement caused many of the uncommitted members to leave the movement. Many of the hardcore militia members grew angry with the militia for not mobilizing in response to perceived government aggressions. Some of these fanatics would splinter into smaller or underground groups adhering to the principles of "leaderless resistance".

Many militia groups began to rally members in the belief that the government would collapse due to the Y2K scare. This theory claimed that the government would collapse due to computers not being able to handle the transition from the 1900's to the 2000's. The militia's inaccurate assessment of the Y2K threat badly damaged its reputation. Additionally, thoughts that President George W. Bush was sympathetic to their situation, and a wave of patriotism after 911 would further diminish the militia movement.

The Militia Post September 11, 2001:

During this time period the militia had lost the attention of the mainstream media and public, but it continued to exist. The SPLC reports that between the Oklahoma City Bombing in 1995 and 2005 that roughly 60-rightwing extremist plots were uncovered.

Noteworthy militia activity from 2000 to 2008

- 03/09/00: The former leader of the Texas Militia was arrested for conspiracy to attack the Houston Federal Building.
- 03/01/01: A former Colonel in the Kentucky Militia peppered a deputy's car with semi automatic weapons fire during a traffic stop.
- 02/08/02: Two members of a group called Project 7 were arrested for plotting to kill judges and law enforcement officers in order to kick off the revolution.
- 09/03/02: A plot by the Idaho Mountain Boys Militia to murder a federal judge and a police officer and then break a friend out of jail was uncovered.
- 07/07/03: A Michigan Militia member killed a Michigan State Trooper that attempted to serve him a warrant.

UNCLASSIFIED//LAW ENFORCEMENT

- 10/25/04: A farmhand in Tennessee was arrested for attempting to obtain ingredients for sarin gas and C-4 explosives in order to conduct Anti Semitic and government attacks.
- 06/29/07: Six members of the Alabama Free Militia were arrested on weapons and explosives charges. An ATF agent would go on to testify that five of the men were planning an attack on Mexicans in a town near Birmingham.
- 12/08: National Guard and Reserve facilities received packages with anti New World Order rhetoric. This would occur within a week of hoax anthrax mailings to State Governor's offices.

Reemergence of the Movement:

Rightwing extremists and militia leaders continuously exploit current world events in order to increase participation in their movements. Due to the current economical and political situation, a lush environment for militia activity has been created. Unemployment rates are high, as well as cost of living expenses. Additionally, President Elect Barack Obama is seen as tight on gun control and many extremists fear that he will enact firearms confiscations. White supremacists from within the militia movement have further become angered due to the election of the first African American President. Many constitutionalists within the movement have claimed that President Elect Obama does not meet the residency requirements to hold the office of President, and therefore his election is unconstitutional.

Newer versions of the NWO conspiracy have been concocted in order to empower the movement. The NWO is seen as using law enforcement, military, national guard, and federal agencies in order to carry out its elitist one world government. Law enforcement and military forces are believed to be utilized in order to confiscate firearms and place individuals into FEMA concentration camps. This scenario has received additional attention due to the US Army NORTHCOM assigning homeland security functions to an active duty Infantry Brigade. The movement sees this brigade as the force that will take their firearms and that the unit is in violation of the Posse Comitatus Act. There are also concerns that the banking and media infrastructure are also being controlled by the Jewish elite and that these leaders are members of the NWO. There is a great deal of anger towards the Federal Reserve System (FRS) and all forms of tax collection.

Additional motivators for militia activity:

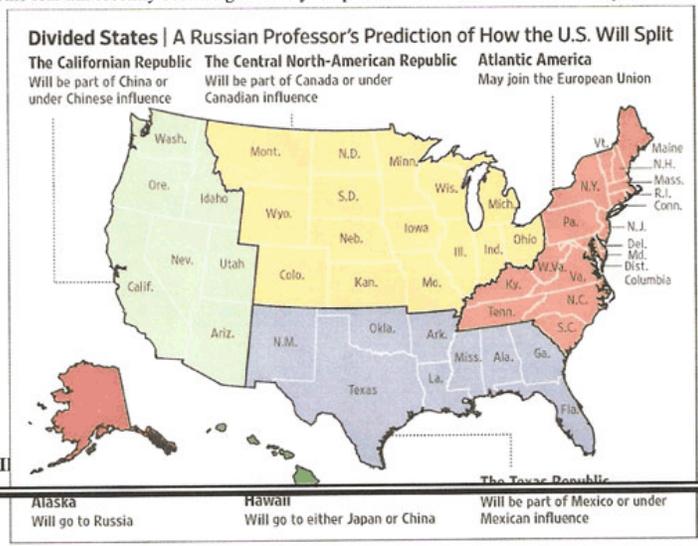

Ammunition Accountability Act: The Ammunition Accountability Act has been up for legislation in most states. This legislation would require that an ID number be engraved on the round of all ammunition and this ammo could in turn be linked to a place of purchase and the purchaser. Some states have added a clause to the act making it a misdemeanor to possess unregistered ammunition. *Bill did not pass in Missouri*

Anticipation of the economic collapse of the US Government: Many militia organizations feel that the U.S. government will fall due to economic or racial issues. They believe that during the chaotic fall of the government, moves will be made to install Martial Law, confiscate firearms, and imprison many citizens. This fear has recently been heightened by a report from a Russian Economic analyst, Igor Panarin. Panarin predicted that the U.S. would collapse and fraction into six different regions controlled by foreign governments. Panarin goes on to say that as early as the autumn of 2009, the economic crisis will lead to a civil war.

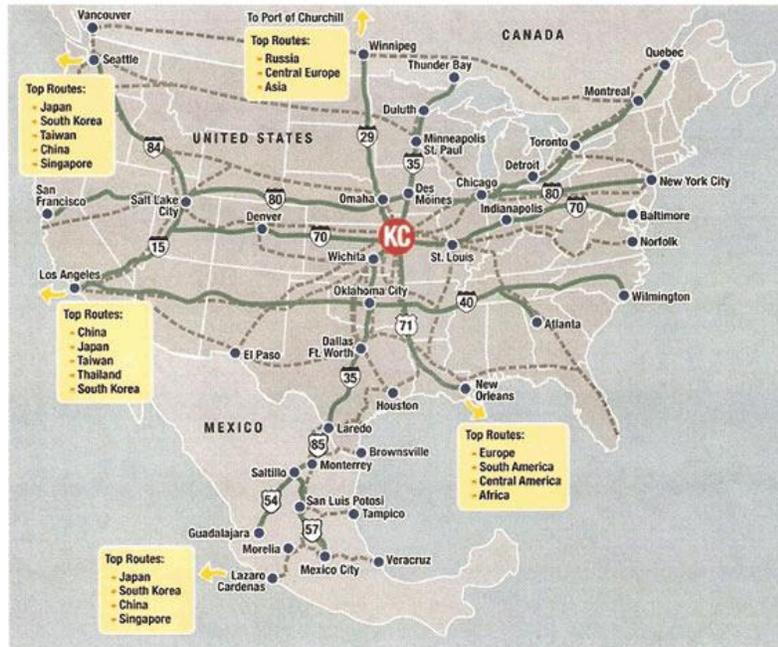

Bullet with engraved tracking number

Possible Constitutional Convention (Con Con): Currently 32 states have called for a Constitutional Convention (Con Con) that will add amendments to the U.S. Constitution. The Con Con will be held if two more states request it. The convention is planned specifically for the reason of adding a balanced budget amendment to the Constitution. The Militia Movement is concerned that if a Con

Con is held, the 1st and 2nd amendments will be altered or removed.

North American Union (NAU): Conspiracy theorists claim that this union would link Canada, The United States, and Mexico. The NAU would unify its monetary system and trade the dollar for the AMERO. Associated with this theory is concern over a NAFTA Superhighway, which would fast track trade between the three nations. There is additional concern that the NAU would open up the border causing security risks and free movement for immigrants.

Kansas City and the Smart Port are seen as the hub of the North American Union

Universal Service Program: Statements made by President Elect Obama and his chief of staff have led extremists to fear the creation of a Civilian Defense Force. This theory requires all citizens between the age of 18 and 25 to be forced to attend three months of mandatory training.

Radio Frequency Identification (RFID): There is a fear that the government will enforce mass RFID human implantations. This process would make it possible for the government to continually know the locations of all citizens.

Militia Trends:

Ideologies

Members of the militia movement often subscribe to the ideology of other right-wing extremist movements such as:

Christian Identity: Religious ideology popular in extreme right-wing circles. Adherents believe that whites of European descent can be traced back to the "Lost Tribes of Israel." Many consider Jews to be the satanic offspring of Eve and the Serpent, while non-whites are "mud people" created before Adam and Eve.

White Nationalist: Many white supremacists, National Socialists "Neo-Nazi", and skinheads are drawn to the movement and its anti government, Semitic, and anti-immigration rhetoric.

Sovereign Citizen: Individuals that see themselves as Sovereign Citizens question the legitimacy of the federal government. They argue that the government has gotten away from the intent of the Constitution and is thus not valid. These groups are

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE (U//LES)

strong states rights advocates, but see the County Sheriff as the highest position of authority. These groups and individuals are well known for failure to register vehicles and driving without valid licenses. Sovereign Citizens have been known to issue their own license plates and drivers licenses and to issues summons to appear in "Common Law" courts.

Militant Abortion: Anti Abortionists have been known to take up arms in support of their beliefs. Eric Rudolph who was responsible for the Atlanta Olympic Park Bombing and abortion clinics was an anti abortionist.

Tax Resisters: This movement is strongly in opposition to the collection of federal income taxes. Individuals in this movement generally believe that income taxes are invalid or the tax laws do not apply to them.

Anti- Immigration: Some militia organizations have been formed solely for the purpose of countering the threat of illegal immigration. Extremists will argue that immigrants are taking the jobs of U.S. Citizens during times of high unemployment. Additionally, illegal immigrants are seen as sucking up government resources without paying taxes. Some militia units patrol the border in order to safeguard against drug smugglers, gangs, or violent immigrants.

Training

Utilization of MILSIM: Militia members have been attending Military Simulation (MILSIM) events in order to increase their combat readiness. MILSIM is a realistic combat sport in which two forces, some times up to the platoon level, utilize paintball, Airsoft, or MILES gear to conduct realistic war games. The desire to increase the realism of the MILSIM has drawn members to seek and conduct military leadership, planning, communications, navigations, and tactics training.

Militia and Survival Training events: Regional training events are being held with the intent of teaching individuals how to establish militia organizations. These events usually focus on individual soldier skills, land navigation, and marksmanship. Some events have been set up in order to prepare for joint operations between militia organizations.

Communications: The use of short wave rave radios for communication and broadcasts is common among most militia groups. These groups communicate through forums, yahoo groups, blogs, and social networking sites. Websites and online talk shows have been established to push rhetoric, usually a skewed version of current events.

Recruitment: Militias are recruiting members and supporters through the following means: gun shows, online forums, websites, social networking sites, and informal social networks. Additionally, militia recruitment may be done at events or meetings held by organizations that share ideologies with the militia.

Organization

Public Groups These organizations hold training events that are open to the public and generally recruit publicly. These groups desire to aid the County Sheriff or Governor in emergencies such as a natural disaster. It is not uncommon for these groups to be seen in public doing community service related work. Public groups are less likely to publicly push malicious rhetoric, and have a traditional military style chain of command and leadership structure. These groups have been known to form underground units and provide training and guidance to new or forming organizations.

Underground Groups These groups primarily adhere to the principles of Louis Beam's philosophy of leaderless resistance. This philosophy advocates small autonomous cells driven by ideology rather than by the direction of leaders. These groups are difficult to gather intelligence on, as no one outside of the cell would be aware of the organization or its plans. Individuals or "lone wolves" have also been known to adhere to the principles of leaderless resistance in order to perform or plot acts of violence.

Committees of Safety (CoS) Organization established to lobby government officials and confront corruption. These groups claim to be a voice of the people and usually control or associate with militia organizations in their region. These organizations are targeted at the county level but are also forming state and national level organizations.

UNCLASSIFIED//LAW ENFOR

Covenant Militia Communities Community of militia members that attempt to create a sovereign township. In the 1990's there were an estimated eight of these communities identified across the country.

Militia Associations These organizations attempt to network various militias through the Internet, meetings, or events. Groups such as the American Constitutional Militia Network (ACMN) and the Rogue Nations Eternal Militia (RNEM) are active online communications sites for militia members and organizations.

Implications for Law Enforcement

There are significant differences between the 1990's era militias and those of today, most notably:

Highly Trained: Militia members are receiving more professionalized training then they did during the first spike of the movement in the 1990's.

Leadership training: Militia members are receiving advanced leadership and operational planning training. This has allowed for the establishment of a strong Non Commissioned Officer Corps (NCO) within groups. An NCO Corps allows operations to be run at the fire team and squad size. This enables units to conduct multiple operations simultaneously; "Complex attacks". This training will also enable individuals to form and train their own organizations.

You are the Enemy: The militia subscribes to an anti-government and NWO mindset, which creates a threat to law enforcement officers. They view the military, National Guard, and law enforcement as a force that will confiscate their firearms and place them in FEMA concentration camps.

Implications for Missouri

Infrastructure at risk in Missouri:

Detention Centers: Rightwing extremists believe that there are at least three FEMA concentration camps in the state of Missouri:

- The Former Richards-Gebaur AFB in Grandview, MO
- Ft. Leonard Wood, MO
- Camp Crowder in Neosho, MO

North American Union (NAU): The Kansas City "Smart Port" which is a hub for fast tracked trade and distribution between the U.S. and Mexico is seen as the Hub of the North American Union. A shipping and distribution center is under way in the former Richard-Gebaur AFB in Grandview, MO. This facility is seen as both a FEMA concentration center and a facility for the NAU.

Federal Reserve Banks: Members of the militia movement are strongly against the FRS and see it as a mechanism of the elitist New World Order. In November End the FED protests were held nationwide at Federal Reserve Banks in opposition to the FRS. Many right-wing extremists oppose the FRS and propose a system that would be backed by gold. Federal Reserve banks may also draw attention from anti bail out protestors and activists.

National Guard Facilities: National Guard armories and facilities are seen as potential staging areas for NWO troops. Additionally, there are fears that the National Guard will be forced to confiscate weapons and enforce marshal law. Some individuals in the movement have argued that National Guard soldiers and units have had their weapons confiscated, have been transformed into no combat units such as supply, transportation, or medical elements, or are being deployed overseas in order to weaken the defense of the State against the NWO.

Federal Buildings or facilities: Within the movement there is a distrust and anger towards the federal government primarily towards the IRS, ATF, FBI, FEMA.

Common Militia Symbols:

Political and Anti-Government Rhetoric:

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE (U//LES)

Political Paraphernalia: Militia members most commonly associate with 3rd party political groups. It is not uncommon for militia members to display Constitutional Party, Campaign for Liberty, or Libertarian material. These members are usually supporters of former Presidential Candidate: Ron Paul, Chuck Baldwin, and Bob Barr.

Anti-Government Propaganda: Militia members commonly display picture, cartoons, bumper stickers that contain anti-government rhetoric. Most of this material will depict the FRS, IRS, FBI, ATF, CIA, UN, Law Enforcement, and "The New World Order" in a derogatory manor. Additionally, Racial, anti-immigration, and anti-abortion, material may be displayed by militia members.

Militia Symbols:

Gadsden Flag: created by General Christopher Gadsden and utilized in colonial America. This is the most common symbol displayed by militia members and organizations.

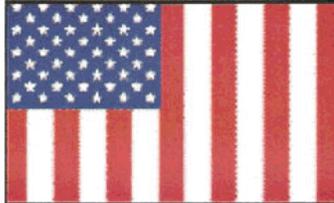

Hutaree Militia: Patch of a popular Michigan based militia that has a presence and influence in many states.

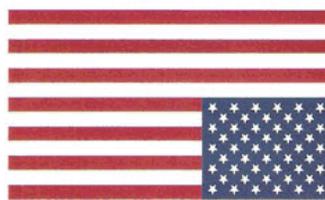

1st BN/3rd BDE MO Militia patch: Unit patch displayed by Missouri Militia Members.

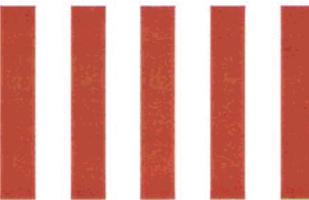

Sovereign Citizen: Flags usually displayed by Sovereign citizens in order to represent sovereign "common law" jurisdiction.

Molon Labe: Greek phrase that translates to "Come and take them!" or "Over my dead body", phrase originated during the Spartan and Persian battle at Thermopylae and was recently made popular by the movie 300.

Upside down US Flag: The militia uses this as a symbol of a nation in distress.

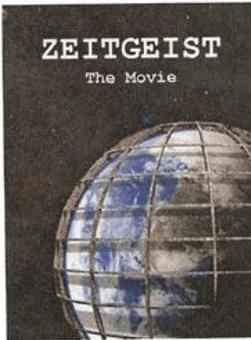

Nine Stripes of the Sons of Liberty: Sons of Liberty was a secret society of patriots during the American Revolutionary war. Many militia members claim the Sons of Liberty as part of their heritage.

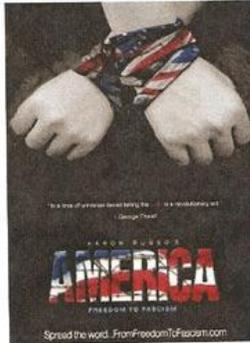

First Navy Jack: Continental Navy flag, which is also, displayed with a stretched out rattlesnake and the inscription "Don't Tread on Me".

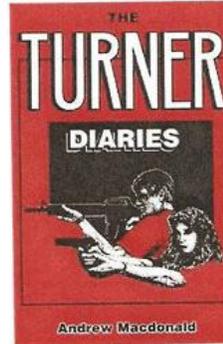

Literature and Media Common to the Militia:

Zeitgeist the Movie: Anti Federal Reserve System film.

America: Freedom to Fascism: Anti-income tax film

The Turner Diaries: Novel that depicts the violent revolution of the United States Government and a war that leaves only a white population. This book was promoted by Timothy Mcveigh and said to be the motivation behind the Oklahoma City Bombing.

INFO SOURCES AND LINKS

*“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, **That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness.**” – July 1776, Declaration of Independence*

“So do not be afraid of them. There is nothing concealed that will not be disclosed, or hidden that will not be made known. What I tell you in the dark, speak in the daylight; what is whispered in your ear, proclaim from the roofs. Do not be afraid of those who kill the body but cannot kill the soul.” - Matthew 10: 26-28

The mass media was sold out eons ago, what you are fed from them goes through special filters, what comes out is often just hype, propaganda, biased and devoid of the full story, more often than not, they just don't report the real important stories we need to know, practicing the art of omission. In order to find pure unadulterated truth that has not been tainted by the editors of the new world order one must dig and search for the truth. Mind you, that some of the websites listed below often have biased and twisted stories also, therefore you must develop a keen eye to recognize the truth when you see it. With that said and done, here is a “beginners list” of websites and resources to get you started in your search of that which is hidden from you, go forth, roam around and explore.

I am currently working on version 3 of this report, constantly researching and adding flesh to this matrix report. I was amazed to find a ebook called “**The Global Sovereign's Handbook**”, by Johny Liberty I am only on page 20 of his book and I have been completely floored with the content of his book so far. Who ever this guy is, he is amazing and his research closely resembles my own. Folks, this is an absolute MUST READ book, get it [here](#).

WARNING:

The ruling elite know that the TRUTH is the only thing that can bring down their house of cards. They are actively devising all sorts of ways to silence and or control the content and flow of TRUTH. Here are the words of Obaminator's Office of Information and Regulatory Affairs, Head Zionist Jew Cass Sunstein's own words:

...we suggest a distinctive tactic for breaking up the hard core of extremists who supply conspiracy theories: cognitive infiltration of extremist groups, whereby government agents or their allies ... will undermine the crippled epistemology of those who subscribe to such theories. They do so by planting doubts about the theories and stylized facts that circulate within such groups, thereby introducing beneficial cognitive diversity.

Thus I must warn thee that you must be extra vigilant, observant and watchful of the SHILLS, plants, double agents that are infiltrating the truth movement for more and more stories are going to be planted to instill confusion, division, and doubt within the truth movement, ultimately they will try to control even this sector. Know this: truth is unchanging, everlasting and eternal, it does not lie or deceive nor hides in darkness, it will readily stand up and testify to what was, is and will be. Those who say they are telling the truth will NOT avoid independent investigation, for those who possess the truth will never have anything to hide. Ultimate eternal truth is firmly rooted in the realm of Heavenly Father. Thus all unblemished truth should be related in structure for truth is non-biased and does not choose sides, truth is unselfish and has no boundaries. Truth is firmly joined at the hips to FACTS, for they are ONE and the same. Those who distort the facts, distort the truth.

I have provided you all the best framework to go on your quest in search of truth, so here is a starter list of places and things to get you started; mind you this list is just a small maybe 5% portion of the sources that are out there.

JUST A SMALL SAMPLING OF IMPORTANT WEBSITE LINKS:

Please note, that there are hundreds of other great info sites out there and that this list only comprises about 1% of those sites. If you are researching and need more links I suggest you visit these sites and find their links pages, then you will continue to find more in depth sources. I apologize to those whose sites may be more important to be listed here instead of some of the links provided. Actually, I just quickly slapped this list together without much planning from some of the stories I was working on at the time, therefore those sites were the most recently used ones I was

quickly able to provide. Hopefully I will be able to make a better more comprehensive list in the future, but then again the powers that be routinely shut down hundreds of great sites every month... Censorship? Nah... not in this most wonderful land of liberty and freedom for all! It is all just a figment of our imagination! Doh.

IMPORTANT ONLINE VIDEOS:

Important videos are routinely removed from YouTube due to the efforts of Zionist purge brigades, but here seems to be one source of important videos: [Free Documentaries](#) .

To find many of the video titles we listed here in this report you must search with Google and or use Bit torrent (download "utorrent" client then search online with www.torrents.to or piratebay or any other, for any titles below) to find these and many more videos, the problem with finding many investigative videos and documentaries on the internet is the fact that they are constantly being forced to be removed by an organized onslaught of "bury brigades" who's only purpose is to HIDE the truth that is out there. Here are just a few of what I consider must, must see works out there:

REVEALING QUOTES

“I care not what puppet is placed on the throne of England to rule the Empire, ...The man that controls Britain’s money supply controls the British Empire.

And I control the money supply.”

— Baron Nathan Mayer Rothschild, 1838

“If Gentiles [any non-Jew] refuse to live a life of inferiority, then this signals their rebellion and the unavoidable necessity of Jewish warfare against their very presence.”

— Cf. Mordechai Nisan, *Kivunim* (official publication of the World Zionist Organization), August, 1984, pp. 151-156

“It is permissible to kill the Righteous among Nations even if they are not responsible for the threatening situation,” he wrote, adding: “If we kill a Gentile who has sinned or has violated one of the seven commandments – because we care about the commandments — there is nothing wrong with the murder.”

– Rabbi Yitzhak Shapiro, in the recent book [*“King’s Torah”*](#)

“Jewish merchants played a major role in the slave trade. In fact, in all the American colonies, whether French (Martinique), British, or Dutch, Jewish merchants frequently dominated. This was no less true on the North American mainland, where during the eighteenth century Jews participated in the ‘triangular trade’ that brought slaves from Africa to the West Indies and there exchanged them for molasses, which in turn was taken to New England and converted into rum for sale in Africa. Isaac Da Costa of Charleston in the 1750s, David Franks of Philadelphia in the 1760s, and Aaron Lopez of Newport in the late 1760s and early 1770s dominated Jewish slave trading on the American continent.”

— Marc Raphael (Jew): *“Jews and Judaism in the United States: A Documentary History”*

“During this period, Jewish merchants, from the cities in the valley of the Rhône, Verdun, Lione, Arles and Narbonne, in addition to Aquisgrana, the capital of the empire in the times of Louis the Pious [Louis I]; and in Germany from the centres of the valley of the Rhine, from Worms, Magonza and Magdeburg; in Bavaria and Bohemia, from Regensburg and Prague – were active in the principal markets in which slaves (women, men, eunuchs) were offered for sale, by Jews, sometimes after abducting them from their houses. From Christian Europe the human merchandise was exported to the Islamic lands of Spain, in which there was a lively market. The castration of these slaves, particularly children, raised their prices, and was no doubt a lucrative and profitable practice...”

— Dr. Ariel Toaff, Chapter Eight, [BLOOD PASSOVER](#)

“The modern Jew is the product of the Talmud.”

— Michael Rodkinson, in preface of *Babylonian Talmud*, page XI.

“The Talmud is to this day the circulating heart’s blood of the Jewish religion. Whatever laws, customs, or ceremonies we observe — whether we are Orthodox, Conservative, Reform, or merely spasmodic sentimentalists — we follow the Talmud. It is our common law.”

— Herman Wouk, *“This is My God.”*

“What is the basis of Judaism? A practical passion and greed for profit. To what can we reduce his (the Jew’s) religious worship? To extortion. What is his real God? Cash!”

— Karl Marx, founder of Communism, quoted in the *British Guardian*, July-August, 1924.

“I hardly exaggerate. Jewish life consists of two elements: Extracting money and protesting.”

— Nahum Goldmann *“The Jewish Paradox”* 1978

“Jewish history has been tragic to the Jews and no less tragic to the neighboring nations who have suffered them. Our major vice of old as of today is parasitism. We are a people of vultures living on the labor and good fortune of the rest of the world.”

— Samuel Roth, *“Jews Must Live,”* page 18.

“The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people.”

— *Le Peuple Juif*, February 8, 1919.

“There is much in the fact of Bolshevism (Communism) itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism.”

— *The Jewish Chronicle*, April 4, 1919.

“The Bolshevik Revolution in Russia was the work of Jewish planning and Jewish dissatisfaction. Our Plan is to have a New World Order. What worked so wonderfully in Russia, is going to become Reality for the whole world.”

— *The American Hebrew Magazine* – September 10, 1920

“The governments of the peoples included in this world republic, with the aid of the victorious proletariat, all will fall without difficulty into Jewish hands. Private property will then be strangled by the Jewish directors, who will administer the state patrimony everywhere. Thus the promise of the Talmud will be fulfilled, that is, the promise that the Jews, at the arrival of the Messiah, will possess the key to the wealth of all the peoples of the earth.”

— *Baruch Levy*, in a letter to Karl Marx, published in the Rothschild-controlled *La Revue de Paris*, Page 574 on June 1, 1928.

“Nations will gather together to bring their homage to the people of God; the whole fortune of nations will pass into the hands of the Jewish people, they will march behind the Jewish people, in chains as captives, and will prostrate before it.”

— *Isador Loeb*, *Le Probleme Juif*.

“We will have a world government whether you like it or not. The only question is whether that government will be achieved by conquest or consent.”

— *Jewish International Banker James Warburg* on February 17, 1950, as he testified before the U.S. Senate. James was the son of Paul Warburg, who represented the Rothschilds when they created the Federal Reserve act at Jekyll Island in 1910. He also later formed the Council of Foreign Relations (CFR).

“In everything, we are destroyers — even in the instruments of destruction to which we turn for relief... We Jews, we, the destroyers, will remain the destroyers for ever. Nothing that you will do will meet our needs and demands.”

— *Maurice Samuel*, *“You Gentiles,”* pages 152, 155, and 147.

“Jew and Gentile are two worlds, between you Gentiles and us Jews there lies an unbridgeable gulf... There are two life forces in the world: Jewish and Gentile...I do not believe that this primal difference between Gentile and Jew is reconcilable...”

— Maurice Samuel, “You Gentiles,” page 9.

“You cannot be English Jews. We are a race, and only as a race can we perpetuate. Our mentality is of a Hebraic character, and differs from that of an Englishman. Enough subterfuges! Let us assert openly that we are International Jews.”

— Gerald Soman, Chairman of the World Jewry Fellowship, in its official manifesto, January 1, 1935.

“I am not an American of JEWISH faith. I am a JEW. I have been a JEW for a thousand years. Hitler was right in one thing. He calls the Jewish people a race, and we are a race.”

— Rabbi Stephen Wise, N.Y. Herald-Tribune, June 13, 1938.

“You are not Whites — either symbolically or literally — as anyone knows who goes to Israel.”

— Professor Leonard Fein at speech at 27th biennial congress of the Jewish Board of Deputies in Johannesburg, SA May 15, 1972.

Under the heading of “A brief History of the Terms for Jew” in the 1980 Jewish Almanac is the following: “Strictly speaking it is incorrect to call an Ancient Israelite a ‘Jew’ or to call a contemporary Jew an Israelite or a Hebrew.”

— 1980 Jewish Almanac, p. 3 (the writer is obliquely referring to the true history of the Eastern European Ashkenazim, or Khazars).

“Let us recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station, or shade of belief, is necessarily a member.”

— Louis Brandeis, U.S. Supreme Ct. Justice, Zionism, page 113.

“The English (or French or American, etc.) patriotism of the Jew is only a fancy-dress which he puts on to please the people of the country.”

— The Jewish World, December 8, 1911.

“The Jew is an inborn Communist.”

— Otto Weininger, Sex and Character, page 311.

“The Revolution won’t happen with guns, rather it will happen incrementally, year by year, generation by generation. We will gradually infiltrate their educational institutions and their political offices, transforming them slowly into Marxist entities as we move towards universal egalitarianism.”

— Max Horkheimer, Marxist Jew of the Frankfurt School

“The Jewish Question is being discussed by statesmen in a way more acute and compelling than ever before in the history of the world. They can do whatever they want, but the nations of the earth will never be able to get away from this question. The Jewish serpent will show its hydra’s heads everywhere, blocking the way to a relaxation of international tensions. We Jews will not allow peace in the world, however hard statesmen and peace advocates try to bring it about.”

— London Jewish Chronicle, March 3, 1939

“We Jews are going to bring war on Germany.”

— David Brown, President of American Hebrew, in 1934, quoted in Edmonson’s *I Testify*, page 188.

“The Second World War is being fought for the defense of the fundamentals of Judaism.”

— The Chicago Jewish Sentinel, October 8, 1942.

“World War II was a Zionist plot to make way for the foundation of the Jewish State in Palestine.”

— Joseph Burg, an anti-Zionist Jew

“The Roosevelt Administration has selected more Jews to fill influential positions than any previous administration.”

— Brooklyn Jewish Examiner, October 20, 1933.

“We Jews have spoiled the blood of all the races of Europe. Taken as a whole, everything is Jewdified. Our ideas animate everything. Our spirit reigns over the world. We are the Lords.”

— Dr. Kurt Munzer, “The Way to Zion.”

“Mozart, Pascal, Boolean algebra, Shakespeare, parliamentary government, baroque churches, Newton, the emancipation of women, Kant, Balanchine ballets, et al. don’t redeem what this particular civilization has wrought upon the world. The white race is the cancer of human history.”

— Susan Sontag (Rosenblatt), *Partisan Review*, Winter 1967, p. 57.

“Political Zionism is an agency of Big Business. It is being used by Jewish and Christian financiers in this country and Great Britain, to make Jews believe that Palestine will be ruled by a descendant of King David who will ultimately rule the world. What seclusion! It will lead to war between Arabs and Jews and eventually to war between Moslems and non-Moslems. That will be the turning point of history.”

— Henry H. Klein, “A Jew Warns Jews,” 1947.

“We declare openly that the Arabs have no right to settle on even one centimeter of Eretz Israel... Force is all they do or ever will understand. We shall use the ultimate force until the Palestinians come crawling to us on all fours.” “We must do everything to ensure they [the Palestinian refugees] never do return.”

— Rafael Eitan, Chief of Staff of the Israeli Defence Forces, *New York Times* April 14, 1983.

“Terrorism and ‘revenge’ were...to be glorified as the ‘moral... and even sacred’ values of Israeli society. . . . [T]he military symbol was now Unit 101, led by Arik [Ariel] Sharon. ...The lives of Jewish victims...had to be sacrificed to create provocations justifying subsequent reprisals. ... A hammering, daily propaganda, controlled by the censors, was directed to feed the Israeli population with images of the monstrosity of the Enemy.”

— from the diary of Moshe Sharett, Prime Minister of Israel, in Livia Rokach’s *“Israel’s Sacred Terrorism,”* p. 44 (1980). Rokach’s father was Sharett’s minister of the Interior and had access to inside information. She was later found dead in a hotel room in Rome under mysterious circumstances.

“[The oligarchs] exploited the disintegration of the Soviet system to loot the treasures of the state and to amass plunder amounting to hundreds of billions of dollars. In order to safeguard the perpetuation of their business, they took control of the state. Six of the seven are Jews. . . . [Boris] Berezovsky boasts that he caused the war in Chechnya, in which tens of thousands have been killed and a whole country devastated. He was interested in the mineral resources and a prospective [oil] pipeline there.”

— Uri Avnery describing an Israeli TV series called *“The Oligarchs,”* in an article entitled *“How the Virgin Became a Whore”* (2004). This series will never be broadcast in the USA, of course.

“The Census Bureau has just reported that about half of the American population will soon be non-White or non-European. And they will all be American citizens. We have tipped beyond the point where a Nazi-Aryan party will be able to prevail in this country. We have been nourishing the American climate of opposition to ethnic bigotry for about a half century. That climate has not yet been perfected, but the heterogeneous nature of our population tends to make it irreversible and makes constitutional constraints against bigotry more practical than ever.”

— Earl Raab, executive director emeritus of the **Perlmutter Institute of Jewish Advocacy** (offshoot of the ADL), *Jewish Bulletin*, Feb. 19, 1993

“The Holocaust™ is something different. It is a singular event. It is not simply one example of genocide but a near successful attempt on the life of God’s chosen children and, thus, on God Himself.”

— Abraham H. Foxman, National Director of the Anti-Defamation League of B’nai B’rith (ADL), writing in ADL *“On the Frontline,”* January 1994, pg. 2.

“The main avodah of this generation is to go out to the final war of the golus, to conquer and to purify all the gentile countries (such that “and kingship will be Hashem’s,” Ovadiah 1:21).”

— Shabbos Parshas VaYelech, 5746. [The Rebbe Speaks](#)

“As for the Goyim... Zalman’s attitude (was): “Gentile souls are of a completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever.”...If every simple cell in a Jewish body entails divinity, is a part of God, then every strand of DNA is a part of God. Therefore, something is special about Jewish DNA...” “...If a Jew needs a liver, can you take the liver of an innocent non-Jew passing by to save him? The Torah would probably permit that. Jewish life has an infinite value,” he explained. “There is something infinitely more holy and unique about Jewish life than non-Jewish life.”

— Chabad-Lubavitch Rabbi Yitzhak Ginsburgh in “Jewish Week,” the largest Jewish publication in the United States, April 26, 1996.

“We killed them out of a certain naive hubris. Believing with absolute certitude that now, with [the White House, the Senate, and much of the American media in our hands](#), the lives of others do not count as much as our own....”

— Ari Shavit, an Israeli columnist, reflected sorrowfully on the wanton Israeli killing of more than a hundred Lebanese civilians in an [essay reprinted](#) (from the Israeli paper Ha’aretz) in the May 27, 1996, issue of the New York Times.

“The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks.”

— Al Goldstein (publisher of Screw Magazine).

“One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle the job. If I’d had charge of executing Christ, I’d have handled it differently. You see, what I’d have done was had him shipped to Rome and fed him to the lions. They could never have made a savior out of mincement!”

— Rabbi Ben Hecht

“Today Americans would be outraged if U. N. troops entered Los Angeles to restore order; tomorrow they will be grateful! This is especially true if they were told there was an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all people of the world will plead with world leaders to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government.”

— Henry Kissinger, Genocidal Globalist Jew, at the Bilderberg Conference in Evian, France May 21, 1992.

“The easiest way to gain control of a population is to carry out acts of terror. [The public] will clamor for such laws if their personal security is threatened.”

— Josef Stalin, Crypto-Jew.

“The US shouldn’t give high clearances to Jews, because when asked to help, we’re willing to do anything for the love of our country, Israel.”

— Jew Spy Jonathan Pollard during interrogation by the FBI.

“The U.S. has no longer a government of goyim [Gentiles], but an administration in which the Jews are full partners in the decision making at all levels. Perhaps the aspects of the Jewish religious law connected with the term ‘government of goyim’ should be re-examined, since it is an outdated term in the U.S.”

— The major Israeli newspaper, Maariv, “The Jews Who Run Clinton’s Court” on September 2, 1994.

“My opinion of Christian Zionists? They’re scum. But don’t tell them that. We need all the useful idiots we can get right now,”

— Benjamin “Bibi” Netanyahu, Prime Minister of Israel. Present in New York City on 9/11 and London during the 7/7 subway bombings.

“Creative destruction is our middle name, both within our own society and abroad. We tear down the old order every day, from business to science, literature, art, architecture, and cinema to politics and law. Our enemies have always hated this whirlwind of energy and creativity, which menaces their traditions whatever they may be and shames them for their inability to keep pace. Seeing America undo traditional societies, they fear us for they do not wish to be undone. They must attack us in order to survive, just as we must destroy them to advance our historic mission.”

— Michael Ledeen, “The War Against the Terror Masters.” Ledeen is an Israeli spy and Jew **NEOCON**, a founding father of **JINSA**, associate of Kissinger, et al. Ledeen calls for the destruction of the Mosque of the Golden Dome and war with Iran. Read his above words, he’s talking about Muslim nations here, but what he’s amply describing is the Khazarian Jew’s innermost urges: Destroying ANY NON-JEW institutions and nations (which is the Jew’s real “historic mission”). You can see them doing it to White countries in a subversive fashion all the time.

“The thing that makes Judaism dangerous to everybody, to every race, to every nation, to every idea, is that we smash things that aren’t true. We don’t believe in the boundaries of nation states. We don’t believe in the ideas of these individual gods that, that, you know, that protect individual groups of people; these are all artificial constructions and Judaism really teaches us how to see that. In a sense, our detractors have us right, in that we are a corrosive force. We are breaking down the false gods of all nations and all peoples because they are not real and that is very upsetting to people.”

— Douglas Rushkoff, Author: “Nothing Sacred, the Truth about Judaism” in an interview (see my 9/11 video section on the Dancing Israelis to hear this for yourself).

“[Shimon] Peres warned [Ariel] Sharon Wednesday that refusing to heed incessant American requests for a cease-fire with the Palestinians would endanger Israeli interests and ‘turn the US against us.’ At this point, a furious Sharon reportedly turned toward Peres, saying ‘every time we do something you tell me Americans will do this and will do that. I want to tell you something very clear, don’t worry about American pressure on Israel, we, the Jewish people control America, and the Americans know it.”

— Kol Yisrael (Israel Radio), 3 October, 2001 (IAP)

“The role of the President of the United States is to support the decisions that are made by the people of Israel.”

— Ann Lewis, speaking for Hillary Clinton, at the meeting for Jewish Leadership sponsored by the United Jewish Communities on March 18, 2008 (Jewess Ann Lewis is sister to Homo Congressman Barney Frank).

"Politics in America has become a Jewish profession, just like arts and the law..."

— Ira Forman, executive director of the National Jewish Democratic Council, quoted in [The Jewish Daily Forward](#) March 20, 2008

"Together, these advocates create a pro-Israeli case so compelling that the idea and reality of Israel has worked itself deep into American culture, politics and foreign policy. Many American Jews refuse to accept it, but the real debate between Israel's supporters and detractors in America is all but over."

— Aaron David Miller on "Jews and Power" [Jewish Daily Forward](#) May 2008. This arrogant Jew is often trotted out by our traitorous mainstream media (ABC) to give Mideast "commentary" to the foolish Goyim who don't know he's just another traitorous, Zionist Jew.

"There is a permanent ruling class in this country, whatever they call themselves, no matter how they talk about change. They may not be very good at it, but there they are. 'Meet the new boss,' as the Who said, 'same as the old boss.'"

— Ben Stein, Jew financial journalist, **FOX JEW-NEWS** talking head on Saturday mornings and sometime comic actor, in his [article](#) about Obama's cabinet and economic handlers. This Jew knows the real score — do you?

"So far as the consequences of ticking off Jews are concerned: ... I was making particular reference to respectable rightwing journalism, most especially in the U.S. I can absolutely assure you that anyone who made general, mildly negative, remarks about Jews would NOT — not ever again — be published in the Wall Street Journal opinion pages, The Weekly Standard, National Review, The New York Sun, The New York Post, or The Washington Times. I know the actual people, the editors, involved here, and I can assert this confidently."

— Joey Kurtzman, Jew editor of Jewcey.com. Read that back and let the arrogance sink in and exactly what he's bragging about here.

"We Jews are a sly and surreptitious people . It pains me to admit this, but candor compels. ...[T]he best way to bring America to its knees, to weaken its will to survive, to cleverly turn it against itself, was to do everything in our considerable arsenal of means to deliver the White House to Barack Obama."

— David Solway, Jewish educational theorist and critic, [July 7, 2009](#). He's using mockery here — that's how instinctively deceptive these people are — they boldly state reality like it's all but a joke, so as to mollify you, the foolish Goyim.

I wasn't going to touch this bizarre subject, but upon finding exhibit A below, which I feel is the only **verifiable words, the TRUTH** on this subject that exists that is not contested, for these are the actual words from actual important people. In the spirit of truth and to constantly push the the possibilities of "what if" I felt obligated to include it in this report. Again... in hopes of shedding some light onto a subject that is so controversial, mired in an ocean of ridiculous, preposterous bullshit, tinfoil and fakes, I must list here just a few honest candid quotes from some of the most respected and reputable government and military leaders of our times. I have nothing further I wish to add to this out of this world subject. Here is what they have to say in their own words:

"I can assure you that, given they exist, these flying saucers are made by no power on this Earth."
- President Harry S. Truman, 4 April 1950, at a press conference.

"While working under President Eisenhower, I discovered that Eisenhower had a keen interest in UFOs, but that

he came to realize that he had lost control of the subject".

- Brigadier General Steven Lovekin

"The US Airforce assures me that UFO's pose no threat to National Security." - President John F. Kennedy

"We must insist upon full access to disks recovered. For instance, in the LA case the Army grabbed it and would not let us have it for cursory examination." - J. Edgar Hoover

"I certainly believe in aliens in space, and that they are indeed visiting our planet. They may not look like us, but I have very strong feelings that they have advanced beyond our mental capabilities."

-Senator Barry Goldwater (1965)

"I'm not at liberty to discuss the governments knowledge of extraterrestrial UFO's at this time. I am still personally being briefed on the subject!" - President Richard M. Nixon

"In the firm belief that the American public deserves a better explanation than that thus far given by the Air Force, I strongly recommend that there be a committee investigation of the UFO phenomena. I think we owe it to the people to establish credibility regarding UFOs, and to produce the greatest possible enlightenment of the subject." - President Gerald Ford (during his years as a US Congressman).

It was the darndest thing I've ever seen. It was big, it was very bright, it changed colors and it was about the size of the Moon. We watched it for ten minutes, but none of us could figure out what it was. One thing's for sure, I'll never make fun of people who say they've seen unidentified objects in the sky. - President Jimmy Carter

"I looked out the window and saw this white light. It was zigzagging around. I went up to the pilot and said, Have you ever seen anything like that? He was shocked and he said, "Nope." And I said to him: "Let's follow it!" We followed it for several minutes. It was a bright white light. We followed it to Bakersfield, and all of a sudden to our utter amazement it went straight up into the heavens. When I got off the plane I told Nancy all about it."

- President Ronald Reagan (Describing his 1974 UFO encounter to veteran newsman Norman C. Miller, then Washington bureau chief for the Wall Street Journal.)

"The phenomenon of UFOs does exist, and it must be treated seriously." - Mikhail Gorbachev

"The UFO phenomenon being reported is something real and not visionary or fictitious"

- General Nathan Twining Chairman, Joint chiefs of staff, 1955-1958

"For thirty years, I've held that image in my mind. What I saw was a circular object that looked like two pie plates put on top of each other with a golf ball on top. It was a classic flying saucer, and it shot a beam of something at our warhead" - U.S. Air Force Lieutenant Robert M. Jacobs

"I believe that these extraterrestrial vehicles and their crews are visiting this planet from other planets which obviously are a little more technically advanced than we are here on Earth."

- Colonel L. Gordon Cooper (Mercury 9, Gemini-5 Astronaut)

"After the plane from Roswell arrived with the material I asked the base commander to personally transport it in a B-26 to Major General McMullen in Washington DC. The entire operation was conducted under strictest secrecy. The weather balloon explanation for the material was a cover story to divert the attention of the press".

-Brigadier General Thomas Dubose, Commanding Officer of Wright Patterson Air Force Base. Affidavit 9/16/01

"Mission control, We have a UFO pacing our position, request instructions!"

- Astronaut Cady Coleman NASA transmission shuttle mission STS-73

"We heard the material was coming to Wright Field. It was brought into our material evaluation labs. I don't know how it arrived but the boys who tested it said it was very unusual" - Brigadier General Arthur E. Exon

"I speak from three years of detailed, personal research involving interviews with more than five hundred witnesses in selected UFO cases, chiefly in the United States. In my opinion the UFO problem, far from being the 'nonsense problem' it has been labelled by many scientists, constitutes an area of extraordinary scientific interest" - Dr. James McDonald, Professor of Atmospheric Sciences, Quoted in "UFOs - a Scientific debate"

"I've been asked about UFO's and I've said publicly I thought they were somebody else, some other civilization." - Commander Eugene Cernan, Commanded the Apollo 17 Mission. (LA TIMES, 1973)

"It is time for the truth to be brought out... Behind the scenes high-ranking Air Force officers are soberly concerned about the UFOs. But through official secrecy and ridicule, many citizens are led to believe the unknown flying objects are nonsense.... I urge immediate Congressional action to reduce the dangers from secrecy about unidentified flying objects." - Former CIA Director Vice Admiral Roscoe Hillenkoetter, signed statement to Congress, August 22, 1960

"Blue Book was now under direct orders to debunk...I remember the conversations around the conference table in which it was suggested that Walt Disney or some other educational cartoon producer be enlisted in the debunking process". - Dr. J Allen Hyneck, Scientific Consultant to Blue Book

"We have contact with alien cultures." - Astronaut Dr. Brian O'leary

"The Air Force has never denied the possibility that interplanetary spacecraft exist. There are many people in the Air Force who believe in UFOs". - USAF Press Liaison Albert M Chop

"In my official status, I cannot comment on ET contact. However, personally, I can assure you, we are not alone!" - Charles J. Camarda (Ph.D.) NASA Astronaut

"The matter is the most highly classified subject in the United States Government, rating even higher than the H Bomb. Flying saucers exist. Their Modus operandi is unknown but concentrated effort is being made by by a small group headed by Doctor Vannevar Bush." - Wilbert Smith in a top secret Canadian Government Memorandum, 21st November 1950

"They came up with a table of pictures of all the shapes of UFOs that have ever been recorded -about fifty ...The study of UFOs may reveal some new forms of energy to us, or at least bring us closer to a solution." - General Vasily Alexeyev, Russian Air Force -Space Communications Centre.

"It isn't a question of whether or not flying saucers exist. The question is what are they and who do they belong to?" - George Flier, Air Force Intelligence Officer 1958 -1978

"There are some definite flight type characteristics that are seen now that I would say represent genuine UFOs...ie: instant acceleration; instant stop; vertical acceleration -up into the air and down to the ground; reverses in direction; right angle turns -all in silence -multiple objects sometimes separating and then going back into each other. They are classic, what I would call, genuine UFO characteristics -things that we can not do in a conventional sense" - British Detective Constable Gary Heseltine of the Police UFO Reporting Organization

"Let there be no doubt. Alien technology harvested from the infamous saucer crash in Roswell, N.Mex., in July 1947 led directly to the development of the integrated circuit chip, laser and fiber optic technologies, Particle beams, Electromagnetic propulsion systems, Depleted uranium projectiles, Stealth capabilities, and many others! How do I know? I was in charge! (A matter of public record)I think the kids on this planet are wise to the truth, and I think we ought to give it to them. I think they deserve it." - Colonel Philip Corso Army Intelligence officer, former head of the Foreign Technology at the U.S. Army's Research and Development department at the

Pentagon and former director of intelligence on President Eisenhower's White House National Security Staff

"With control of the universe at stake, a crash program is imperative. We produced the A-bomb, under the huge Manhattan Project, in an amazingly short time. The needs, the urgency today are even greater. The Air Force should end UFO secrecy, give the facts to scientists, the public, to Congress. Once the people realize the truth, they would back, even demand a crash program...for this is one race we dare not lose."

- Major Donald E Keyhoe USMC, Director NICAP 1953

"All Apollo and Gemini flights were followed, both at a distance and sometimes also quite closely, by space vehicles of extraterrestrial origin - flying saucers, or UFOs, if you want to call them by that name. Every time it occurred, the astronauts informed Mission Control, who then ordered absolute silence."

- Maurice Chatelain, former chief of NASA Communications Systems

"UFO sightings are now so common, the military doesn't have time to worry about them - so they screen them out. The major defense systems have UFO filters built into them, and when a UFO appears, they simply ignore it." - Lee Katchen (former atmospheric physicist with NASA)

"We all know that UFOs are real. All we need to ask is where do they come from, and what do they want?"

- Apollo 14 Astronaut Capt. Edgar Mitchell

ABOUT THE AUTHOR

and

Operation Truth Storm

"For thus hath the Lord said unto me, Go set a Watchman, let him declare what he seeth." (Isa. 21:6)

"But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand." Ezekiel 33:6

"I have set watchmen upon thy walls, O Jerusalem, which shall never hold their peace day nor night: ye that make mention of the LORD, keep not silence..."-Isaiah 62:6

"A prudent man forseeth the evil, and hideth himself: but the simple pass on, and are punished." Proverbs 22:3 and Proverbs 27:12

I am a Watchman whom is coming forth answering the calling to disclose to all what has been revealed to be the true unfiltered REALITY of this world. I have much more better and fun things to do than waste my time with fruity tuti silly conspiracies. I seek no fame nor fortune, I pray for peace, compassion, empathy, equality, justice, liberation of mankind and the end of all the twisted bullshit that the aristocratic and ruling elite feed us. I am NOT here to DEBATE with fallen, indoctrinated, brainwashed mortals. **I am here to open your eyes and unplug you from the matrix.**

We are all forced to endure the wrath of the rulers of of darkness that have over taken this world. They masterfully mentally rape everyone, they skillfully keep the masses bound under mental slavery and poverty. They swim in the blood, sweat and tears of innocent millions, while living in unfathomable luxury, safely behind secretive closed door private meetings in the most exclusive multi-million dollar estates and Ivy league clubs together they plot the fates of the multitudes and the course of history over glasses of tea, wine and the blood of the innocent. The time has come to reveal the full framework of the web they weave, thus I therefore come forth with: **This Matrix Report – Exposing the “Illuminati” Matrix in Operation Truthstorm...** to join it all you need do is begin to spread this truth.

I can't divulge too much about myself for the more I talk, the more "clues" the Zionist hit men, katsas, Special Agent Smiths & the firms will have on me to develop a profile. So I must be brief. Who am I?

First of all I am my own sovereign and divine being, I am owned by no one and I bow to no one, I surrender my birthright and authority over me to NO ONE. I respect those who respect me in return and live life in accordance to divine law, and as such I walk amongst you in peace yet for all intents and purposes I am a WARRIOR, a revolutionary who comes forth to wage WAR OF TRUTH on the wicked Luciferian rulers who I shall help expose, loosening their grip on the people and bring their empires crumbling to the ground with my humble weapon: my sword of TRUTH.

I am not here to play nice and polite with the status quo, I am not here to follow acceptable protocol that has been laid by the establishment for people of God to follow. I care not about hurting anyones feelings or tip toeing around being polite to the sons and system of sin, despise me for my frequent use of foul language, I could care less. I am a battle scarred warrior bent on the destruction of the evil world. I am not here to tell you to pray for peace, for billions of people have been PRAYING for peace and salvation from their oppressive rulers for eons with little or no result. Even though, you should never stop praying, BUT what **I AM here to tell you is that the TIME HAS NOW COME FOR ALL GOD'S CHILDREN TO STAND UP AND REVEAL THE BEAST AND HIS SYSTEM.** It is time.

The time is upon us to stop sitting on your asses, instead of cowering in fear or singing and dancing, **THE TIME HAS NOW COME TO BATTLE THE FORCES OF EVIL** that have been enslaving mankind for eons. **The basic framework of the evil Luciferian matrix has been fully exposed, the beast has been revealed, now you know who is behind it and how it works. Now is your time to rise up and destroy the Luciferian rule of this world first by exposing it to the entire world, only then will it be possible to dismantle it. There is just one rule: no hate, violence or war, you must go forth with a heart of LOVE, seeking PEACE... for the Peacemakers shall inherit the Kingdom of Heaven...**

I will further state that I am professional troubleshooter, master problem solver, one of the best in my field. I am a master of getting to the bottom of complex puzzles, finding the source of and core problems, solving “mysteries” and finding solutions. Solving puzzles is one of my passions, thus you might understand my natural attraction to many real life puzzles posed to us throughout history, one of the very first ones that intrigued me as a teen was the **JFK coup d'état**. Over the years I began to realize that many of the seemingly unrelated puzzles from different fields, markets, areas in life were in all actuality, totally connected to one another by major common denominators. It basically took me 20+ years of randomly connecting dots here and there, until I reached the point of discovering the cohesive pattern several years ago. I did not come about the understanding of “the system of the beast” (i.e., the matrix) by reading any single work out there, for I studied each sector of the Matrix individually only to eventually come to the conclusion of “a matrix” existence much later. Many researchers have also come up with basically the same conclusions, but just describe their findings in different light, confined to their little area of specialty. Most of which rarely come to understand the totality of the entire picture as the system of the beast with Lucifer as its mastermind.

In conducting my research, September 11, 2001 was the turning point. **All the completely unbelievable blatant bullshit and idiotic lies we were being fed by the propaganda network made me sit up in complete utter stupifying disbelief and start to look into it further.** That was the tilting point where I seriously began putting the pieces of the grand puzzle together, my quest for truth, lead me on a journey where many things were revealed, leading to stumbling upon and confirming the existence of the network I refer to as the Matrix.

My calling as a messenger of truth... did not happen overnight. For I have been **seeking answers my WHOLE LIFE**, even as a little boy I was obsessed with understanding this world and beyond. My journey truly began in earnest 1987. The year my life was literally turned upside down, the beginning of an amazing journey. One day a spiritual messenger walked up to me and delivered a handwritten note, laid it on the palm of my hand, it simply said “Emancipate yourself from mental slavery.” I had no clue what that meant, but I never, ever forgot that day. Years of ups and downs, many interesting years, placed me in very interesting places. I've worked for more wealthy, elite, powerful and famous people in a typical year than a stadium full of people meet in life time. I now consider myself fortunate to have been inside of the belly of beast, the preverbal fly on the wall. **Propaganda blueprints often passed through my hands,**

taught me their magic of smoke and mirrors productions, for I can truly say **I KNOW** how they pull the wool over your eyes, it is no mere concept in my mind, for I really “know”, its what I majored in while in college, it is part of my profession... Madison Ave. hype masters, marketing strategies, public relations, propaganda, television production scripts 3... 2... 1... cameras, lights, action! I’ve also worked at several newspapers and know how they portray reality.

Through my life journeys, I encountered the path of righteousness, along with many false positives as my focus turned to matters of the spirit and Heavenly Father. Today I don’t care much for churches and the fallen men who wish to enrich themselves via that medium. I have seen and experienced a lifetime in just a few decades, today I know I don’t need forgiveness from some fallen man called a priest, rabbi, minister or whatever, for one of the most precious gifts was bestowed upon me one day when an angel took me on a tour and personally showed my where God’s rightful dwelling place is. Yet it was over a decade later that my eyes were opened as to the decrepit state and the many facets of human enslavement in this world. Nothing has ever been revealed overnight, it has taken years for me to understand it all, to connect the dots and put all the pieces of the puzzle together, to get to the point where I knew it was time for me to stand up and tell the true history of and reveal the ruling elite and their matrix.

I have no secret agenda other than exposing the bare naked TRUTH. Take it or leave it. I have come forth to accomplish the mission I was given as one of God’s warriors. All I have done here is to come forward with what I believe is my mission to expose the Matrix. I hereby pass the ball to your court, may kindered spirits, God’s warriors come forth and multiply and unite in our quest to **expose and “slay” the Luciferian rulers and their matrix, smashing their empires of lies and deceit with our swords of TRUTH... which will spark the Great Awakening...**

I have nothing further to say about the personal path I have walked in life, what matters here and now is YOUR path. **You are a divine being, child of God, who has been enslaved your entire life... by the false ruler of mankind** who then has managed to establish HIS physical elite AGENTS here on earth who have then turned around and established HIS political systems, HIS value systems, HIS educational systems, HIS economic systems, HIS social systems, HIS entertainment systems in this world. DO YOU UNDERSTAND THIS? What you do with the information revealed to you, how far you decide to search the inner recesses of all that is, and what you do from this day forward is on you.

Understanding the dangerous enemies of mankind that we must confront, some of us can not endanger our identities in battling the secret societies of this world, for they operate under the cloak of darkness with impunity in secrecy using lies, deceit, torture, imprisonment, and even employing ruthless assassins. **Therefore some of us must operate as invisible agents of change in order to defeat these enemies.** My only weapon is very simple: THE TRUTH, the word of truth is our only weapon. I have NO guns, no arms, not even a slingshot, for we ultimately come in peace and wage war of TRUTH. We shall slay the enemy with truth and **bring “the dead back to life” with God’s word of truth** and love. Our goal is to bring awakening and awareness to our world wide family of brothers and sisters, to free them from enslavement, awaken their doorment divine nature. We only want true freedom, peace, righteousness, brotherly love, equality, compassion, care, kindness, empathy, etc. to become the byproducts of our efforts. And of course, the total annihilation of the Luciferian matrix based on biased elitist oligarchism, fascism, despotism, corporate greed, war mongering, bloodshed, etc. which are all byproducts of the rule of the beast who present themselves as the good guys.

I believe that God had high hopes for this nation to become a beacon of light to the rest of the world. I believe this nation was blessed by God in its founding days as it became the haven for religious freedom and epicenter of God’s work at the time. I believe in our beloved Declaration of Independence as it was written years ago by our forefathers. I cherish dearly our beloved Constitution of the United States of America and the Bill of Rights. Those sacred documents that were intended "for the people and by the people" that helped establish this once great nation, as "**a nation under God with liberty and justice for all.**" The sad reality is that today these words are mere empty sayings.

I, in NO WAY shape or form support any radical militant “terrorist” entities. I believe that **those who come forth to do others physical harm only play into the trap and plans of the ruling elite who HOPE and plot to incite violence as the response from their prey, so that they can further oppress, enslave and imprison us all.** I come in peace. I in no way shape or form am involved with anything that is against Divine Law or any sane laws of this great nation. My only intent is to reveal the TRUTH, to give sight and life. No matter who is right or wrong, this is meaningless in the big picture. I come forward exercising my rights to freedom of speech. Nothing more, nothing less. I only pose a danger to the agents of Lucifer and to their system of the beast. It is **only those who are hiding in the darkness of secrecy covertly running amuck oppressing/enslaving mankind and destroying our great nation and the world who fear and seek to eradicate the light of the TRUTH revealed herein within these pages.**

With the abolishment of Habeas Corpus, the Patriot Act, the Military Act, illegal eavesdropping, the nullifying of many key rights granted to us by the Bill of Rights, and dozens of Executive Orders that strip us all of our rights. We have reason to believe that soon the day will come when ALL defenders of truth will someday be pursued, jailed and even murdered under false pretenses such as: spreading hate speech, being branded as seditious, enemy sympathizers, distributing subversive literature, enemy of state, danger to society, enemy combatant, etc., finally we will all somehow be preposterously labeled terrorists! Secretly whisked off to some detention facilities without even being able to talk to a lawyer, fair trial? Never. **They fear us for we are all A THREAT TO THEIR CORRUPT ESTABLISHMENT.**

The sinister cold hearted portion of the establishment would love nothing more than to silence the entire truth movement. Frankly, I also don't want to end up in an obituary in a little corner of a local newspaper with a short story stating "he committed suicide stabbing himself 18 times then shot himself 2 times before he jumped off the roof of a building landing on the tracks then got ran over by a freight train". I also have no plans of spending the rest of our days incarcerated under any new lame executive order dreamed up for **phony "terrorists"** operating out of some bogus cave with no electricity, let alone a high tech video production studio for commenting on current events on the other side of the planet, nor do we wish to have new accommodations in some loony farm either. **We carry just one weapon: it is the sWORD of TRUTH,** we wield it with our first amendment rights. Treasonous Washingtonite prostitutes can use all the "black out" they want in defacing our constitution and bill of rights in their efforts to render them null and void, but NONE of their TREASONOUS re-wording/editing/abolishing of our nation's most important founding documents will EVER stop us from fully exercising the RIGHTS we have been endowed with and were all promised by our great nation's founding fathers who authored our noble constitution and bill of rights.

I believe that our nation is at a crossroads, where we can either choose peace and prosperity for all or continue with the mad self-serving selfish agendas of private interests leading to more invasions, occupations and unending wars where the ultimate ending place will be America stripped of all that was once good, and an America hated worldwide, an America that will soon become a “has been” nation. So I ask thee, am I a threat to our great nation? Or a TRUE PATRIOT for saying it like it REALLY is, I hold back no punches, I just say it the way it is. **Take your bitter medicine, get off your deathbed or die in denial.**

Due to the nature of my revealing so many deeply hidden in your face content revealing specific entities as complicit in many criminal acts. I believe that the best course of action on my part is fight fire with fire.

My name is Special Agent CONSTANTINE, I work for his majesty king of kings: Heavenly Father. As a watchmen I operate as a **CYBER GHOST**, roaming anywhere I want to in complete invisible stealth mode. My freedom of speech is thus guaranteed without risking my mission, freedom or life for exercising the first amendment. Sure, **freedom of speech still technically exists, but only for those who praise the ruling overlords and their tyrannical policies.** Those who oppose and confront “the system” are quickly dealt with, censored or silenced in one way or another.

I therefore roam the world in my cloak of invisibility. Every day I wake up and put on my "disguise", (i.e. suit & tie) and go about my business as "normal people" do, I follow all the laws of the land. I do as the son of man instructed: "when in Rome, do as the Romans do." The illuminati virtual police state can bite me. Even their occult black magic

sorcerers can't touch me, for even they can not cast spells on "ghosts" with no identity. Fear me, for my keyboard is mightier than all your black magick. Zionist cyber brigades and katsas can all bite me, go back to Israel and eat shit. I hope one of the Palestinians you are dropping our U.S. made million dollar smart bombs on will survive to smack you upside the head with a good **ROCK** in return, for that is the extent of their advanced "weaponry of mass destruction."

All you champions of truth, truthers, the time has come to get your houses in order, for when the final illuminati coup happens and Uncle Sam becomes fully possessed by the fascist Zionist/Masonic demons you will have **NO TIME** to prepare, you **MUST** prepare now for the oncoming mass imprisonment and elimination of all peaceful activists, protestors and truthers fighting the illuminati system. The truly creative paranoid truthers will go out, buy a laptop, cash only, wipe it clean if necessary, then only use that laptop at random Wi-Fi connections to the net utilizing proxies on all communications. **NEVER** using that laptop for any personally identifying material. Connecting to the net using **ONLY** many different free public access Wi-Fi points to post and retrieve whatever they want. Always bearing in mind that all internet connections record something called a computer's network card MAC address (so it may be wise to go out and buy a separate new untraceable network card). **NEVER access the net from your home, ever, at any time with that anon laptop or access your anonymous accounts!** You can then go home and sleep comfortably at night knowing full well that your front door won't be kicked in and you dragged off to some secret location, tortured for crimes against the luciferian ruling elites, then held indefinitely in some CIA/Mossad BlackOps hell hole prison.

If and when the establishment ever designates the truth movement as some sort of crazy "criminal conspiracy" for spreading **gasp** **truth**, everyone will then have to go "underground" like myself. Our forefathers established this nation on the principles of freedom for the people, by the people. Just as they fought off the British Empire. We might also have to fight the new tyranny in the 21st century, hopefully not with guns or weapons, but with the weapons mandated from Heaven: TRUTH, peace, unity, hope, and love, exposing any and all atrocities at every corner of the globe. The PEN used to be "mightier than the sword", now the pen has become obsolete and has been replaced by the computer keyboard & the net, DVDs, and video. **Harness the power...** join Operation Truthstorm.

We all have our roles to play. Some people fight for justice and freedom from within the system, some prefer to make a statement and join the multitudes marching the streets in order to be seen and make a bold "can't ignore this" statement, some work endless hours diligently documenting the atrocities and revealing the secrets of the adversary, some are out there just being a thorn in the side of the "establishment", others keep the status quo on their toes at all times, and so forth. Most importantly deliver a firestorm of TRUTH that will consume the Luciferian agents on earth.

The important thing is to DO SOMETHING. NEVER give up, never let them win the war no matter how encompassing and completely overwhelming their brute power is.

So let's go forth and KICK SOME ASS! Do what you do best. Some will eventually figure out they can do more help for freedom by becoming secret agents infiltrating the system, moles, counterspies working from within the system! Then come out with the "**Weapons of Truthstruction**": blazing, taking down and exposing the scum who wish to enslave us all! **They exist to oppress and enslave mankind we exist to LIBERATE mankind from the bondages of mental slavery...** in order to do so we must unplug everyone from the matrix... initiating the Great Awakening, this is done by removing the virtual blindfolds everyone has been raised with, restoring their SIGHT, unplugging them from the matrix dwelling in DARKNESS they have been living in their entire lives and revealing true reality. To unplug is to stop participating in and feeding the system. The TRUTH IS THE LIGHT that shines the way and exposes all... the truth does not fear investigation. To emancipate yourself from mental slavery is to realize true reality and unplug from the matrix, then pursuing life as a divine sovereign children of God. Behold: for if you seek him and ye shall find...

Don't forget to download any and all info you deem important from the net so as to "backup" all the important info out there on the web. **One day you may WILL wake up and all those genuine "truther" sites and resources may all be gone...** download and backup the information of all important websites. This is **Matrix Report v4.0 Feel free to**

copy and distribute widely, please make a separate copy and upload this report to your own website and repost in blogs, USENET, BitTorrent, limewire, Digg, Reddit, or whatever.

Most importantly make copies of this Matrix Report and hand them out to your friends and family.

For those who harbor doubt as to he who has sent me, some of the knowledge revealed in the Religion section should vouch as to my legitimacy. Dismiss me if you must due to my rampant use of profanity, I never claimed to be some saint, I am just a watchman, just a messenger, one of God's get down and dirty warriors. For the skeptics among you, I will share and reveal the secret to yet another mystery: The answer of the parable of the rich man entering the kingdom of heaven. It has been said in the holy scriptures "that for a rich man to enter the kingdom of heaven it is easier to thread a camel through the eye of a needle." This is true. But for most of the "blind" this is "impossible." Once you are no longer "blind" and can "see", this (along with almost everything in life) becomes an easily solved riddle.

Behold: For the rich man to enter the kingdom of heaven he must BECOME ZERO. Let go of everything and BECOME NOTHING. Thus reducing his virtual mass to smaller than the eye of the needle. It is going through "death" then being reborn on the other side. First of all the rich man must throw away all his dearly cherished worldly MATERIAL possessions and wealth, but this is just an elemental start, for the hard part is shedding his "baggage" as in his old way of life, his sins, his views, his wants, his needs, his self-centeredness, his selfishness, his preconceptions, his ego, his pride, unplugging from the matrix, etc., etc. continually stripping himself down to the size of an atom or "nothing", at which point he can easily waltz through the eye of the needle... For one to fit through the eye of a needle one's old self must DIE, after death you are REBORN at which point life begins anew on a totally different realm... those who are reborn can then follow the path to becoming and raised up as a divine child of God...

Again I will re-iterate: There has been a war waged between good and evil for eons. Today is no different, the war continues unabated. We must wage WAR on the Luciferian rulers of this world who are manipulating all things in their quest for total world domination and enslavement. The rules of engagement are this: The evil rulers use every trick ever known to man, predominantly utilizing priming, indoctrination, media programming, mass suggestive hypnosis, lies, deceit, manipulation and when those strategies fail to produce the desired effects, they escalate their endeavors to include physical restraint, fear, assault, chaos, conflicts, wars and ultimately utilizing imprisonment, torture and death. **We on the other hand of the spectrum, in full court of Heavenly Father's side of the crusade are limited to fighting the Luciferian elite with the weapons sanctioned by Heaven: The SWORD of TRUTH, unselfish LOVE, sympathy, empathy, caring, etc. to tame, subjugate and conquer the beasts that roam the earth with the blood of the innocent on their hands.**

If you sit back and do nothing then no one will know the truth. For "if a tree falls in the forest and no one hears or sees it fall, how shall anyone know it fell at all"... If there is no one to bear witness, then it remains secret (no one would know it fell). So take this info to all corners and let it be known that there are "witnesses to the tree that has fallen"... detailing and documenting that it has in fact happened, gathering the evidence, taking pictures, videos and presenting your findings to the world. Go forth and expose the fallen trees so that the whole world can know!

I must put out my research report and vanish again. So please do not expect any replies to any communiqué. I dropped version 1.0 on the net and disappeared, haven't checked email or anything ever since. I dropped version 2.0 and again vanish only to reappear somewhere else whenever I am ready... as yet a different: **GHOST**. Understand I am not going anywhere nor giving up the fight. I will never surrender, never quit; I just battle under different aliases.

I try to walk the earth as my lord Jesus Christ instructed me to: "when in Rome, do as the Romans do" I am not of this world, yet I must dwell here like the rest of you. I quietly sit back and monitor what's going on at all times, I have witnessed our government doing the ludicrous and downright batshit insane for too long. I have finally come forth to share the bird's eye view I have from the perch on my side of the fence, hopefully exposing even to the most stubborn

the true nature of the madness we all face. We must all become agents of change within the Matrix. As such I have dedicated my life to being a **TRUTH SPREADING REVOLUTIONARY, spreading revolutionary truth.**

I have tried my best to document and reveal what most people refuse to acknowledge. I exposed the 8,000,000lb Zionist Jew gorilla and their agents that are ruling in every sector of society. Ignore the obvious if you like, go back to your life of denial, it still won't change the FACTS, for the TRUTH is absolute and eternal.

"Luciferians, refer to themselves as Illuminati, because it means "holders of the light", love to work in darkness. Regardless of whether or not you hear much about it, it is operating and is in preparation for the day of its unveiling. As true disciples of the Lord Jesus, we have nothing to fear. We are in this world but not of it. The battle is the Lord's and victory is certain, for the time of the prosperity of the enemy is very short, and soon great deliverance will come as the Lord Jesus comes with trumpet sound. Until then may faith rise in your heart as darkness gives way to the dawn of the Lord's appearing. My prayers are with you. Thank you to all for your prayerful support. Grace and Peace in the name of the Lord Jesus Christ." – [source](#).

P.S. If possible someone should set up some sort of freedom of speech video server like a YouTube where bury brigades can't keep taking down important videos. Also, I would greatly appreciate it if some gracious benefactor could make this report into a hard bound book so that we can distribute it to the all corners of society.

COMMENT FOR SPECIAL AGENT SMITH:

This message is for any Zionist spooks and special agents in the field that get assigned to monitoring our activities and or pursuing us in any way. I wish you and your family the best. I come in peace and love. You are not my enemy. I live my life according to Divine Law. I realize that you are currently under the employ of a highly secret organization, one which we proceed to systematically expose its hidden agendas and crimes against humanity. I know you must do your job. But please, I plead of you to carefully consider the message within these pages and stand down, let the trail go cold, don't pursue with vigor. I AM NOT YOUR ENEMY. May your efforts to stop this truth movement be hampered by the hand of God. May all your leads prove false positives. Yet I hope and pray to God, heavenly father, the creator of all things, that he may touch your heart and open your eyes so that one day YOU too can come aboard and help end the madness against humanity. We cannot lose hope in turning our great nation and world around from its current trajectory into the abyss. All we need is for good people to be able to rise and take a stand for righteousness and truth. Leave the dark side and come to the light. For when the day of reckoning comes, your handlers at headquarters will not be able to help you. God will ultimately judge us all by our hearts and the fruits of our deeds.

Though I walk through the valley of the shadow of death, I fear no evil as I know my lord is with me....

Blessed are the peacemakers for they will inherit the kingdom of heaven.

Peace,

Constantine, Phz

"he who has an ear, let him hear, he who has eyes, let him see"

Behold: IN ORDER TO BEGIN TO FREE YOURSELF, YOUR PEOPLE AND THE NATIONS FROM THE BONDAGES OF SATAN & HIS AGENTS YOU MUST FIRST EMANCIPATE YOURSELF FROM MENTAL SLAVERY, TO DO SO (STEP 1) YOU MUST UNPLUG FROM THE MATRIX...
